## Leroy Saul To Run For Senate Post

An Associated Press release out of Plainview Saturday said State Rep. Leroy Saul of Kress, a 3-term member of the House, will run for the place now held by State Sen. A. J. (Andy) Rogers of Childress, who has served 10 years in the Legislature. There are 15 Panhandle-Plains and Northwest Texas counties in Rogers' 30th district.

## Front Bears Light Snow

LIGHT snow, which melted almost as rapidly as it fell, accompanied a cold front which struck early Monday and "colided with a mass of warm, moist air from the Gulf of Mexico."

Intermittent snow and rain storms swept this area Monday ending in a slow drizzle Monday night. The precipitation measurement was 18-inch.

A light blanket of snow extended across the North Plains according to news reports, from the mountains of New Mexico to Kansas. Heaviest report was in the vicinity of Spearman where eight inches fell.

The mercury dropped to below the freezing point here Tuesday night after a westerly wind swept the sky of clouds.

The snow will benefit wheat across the Foothill Country, farmers declared.

## Union Service Opens Youth Week Program

LOVE of his community, its boys and girls, caused Lt. Paul Eubank to organize the Father-Son banquet 21 years ago, which was followed the next year by the Mother-Daughter banquet and Union Church service. Lt. Eubank died for his country in the South Pacific (he was State Representative from this district when he entered the service) and the annual Youth Week programs honor his memory. He would not have sought a greater tribute.

Rev. Harry Vanderpool

Union service at the Baptist Church beginning at 7 p. m. Sunday will open the week of tribute to boys and girls. Thomas Edmondson will be master of ceremonies Sunday evening.

A song by the congregation and prayer by Mike Groves will be followed by scripture reading by David Rattan. The offering will be collected by the Scouts. Another song by the congregation will be followed by a poem by Charles Ezzell, and special music by the Melodettes.

New Baptist pastor, Rev. Gene Hawkins will introduce the speaker, Rev. C. W. Williams, pastor of the Matador Methodist Church. Benediction will be offered by Rev. W. B. Vaughn.

Banquet tickets sold to the Father-Son and

Mother-Daughter banquets have been sold and final plans for both affairs have been made. Rev. Harry Vanderpool, pastor of the First Methodist Church of Littlefield, will make the principal address at the Father-Son banquet Tuesday night (Baptist Church basement).

The Mother-Daughter banquet will be held in the same location Thursday evening, Feb. 6. Girls and mothers will furnish the entertainment.

The week of activities will be concluded Saturday evening after the Scouts have been in control of city, county and state government for a day. One of the principal activities that day will be the "enforcing" of traffic laws.

## Telephone Payroll Is \$32,224 Here In 1957

CIVIC SHOCK of the General Telephone Company of the Southwest's announcement last week that it will seek another raise in Matador rates, continues to produce "fall out." Another factor that the Matador City Council will consider next week is the corporation's payroll of \$32,224.27 for 1957.

District Manager E. I. Jenkins said yesterday that the company

paid \$26,603.97 in wages to the women employed in the Matador office and \$5,620.30 to the plantman. Jenkins said the figures were taken from the firm's W-2 forms.

The amount is about \$10,000 more than the company received for services here according to the auditor's report. The difference is explained in this manner: The auditor's report does not include toll fees, but the salary total includes amounts paid for operating toll service.

People Objecting Public sentiment against a further raise in telephone service rates here is focused on the telephone company's repeated requests for more money. Council members have been brought to public criticism repeatedly as "whipping boys" while the communications company keeps coming back for additional raises.

On the other hand the council is aware that the telephone company has within its power legal recourse to bring the rates high enough to earn shareholders 6%.

Protests are continuing when the rate subject is discussed.

## Founder of Borger News-Herald Dies

David M. Warren Sr., 62, veteran Texas publisher and banker, died Thursday night in an Amarillo hospital.

Mr. Warren was a past president of both the Texas Press Association and the Panhandle Press Association.

He was admitted to the hospital Friday. His death was attributed to heart disease.

Mr. Warren founded the Borger News-Herald in 1926 and once was a partner in a chain of newspapers in the Texas Panhandle and New Mexico.

He sold his interest in the last of these papers, the Panhandle Herald, in 1956. Since then he had devoted his time to the positions of president of the First National Bank of Panhandle and chairman of the board of the Panhandle State Bank of Borger.

## J. N. Fletcher In Commissioner Race

The Tribune is authorized to announce the candidacy of J. N. Fletcher of Roaring Springs, as candidate for the office of Motley County Commissioner, precinct 4, and subject to the action of the Democratic primary, July 26, 1958.

Mr. Fletcher made a brief announcement regarding his entry into the political campaign.

"I want to thank the voters of Precinct four for the many favors granted me in the past, and to sincerely solicit the vote and influence of everyone.

"I have previously served in the office of County Commissioner, and if elected again to this office, I promise to again devote my time and effort to serving the people to the best of my abilities," Mr. Fletcher said.

"Needless to say I am familiar with the duties of the office which I seek," Mr. Fletcher said, and I am fully aware of the responsibilities associated with it.

"In event the people of precinct 4 return me to the office of County Commissioner I pledge my most sincere efforts to serve effectively and impartially. I will truly appreciate the vote and influence of those who find it possible to support my campaign.

## WEEK-END TRIP

Mrs. L. J. Barkley spent the week end in Abilene, where she visited her daughter, Mrs. Haynes Baumgardner and family. She accompanied Mr. and Mrs. Bill McCaghen, who made a trip to Brownwood to take their daughter and grandson, Mrs. Darwin Scott, and Ray, to their home. En route home the McCaghens visited relatives in Cisco.

Mr. and Mrs. Alfred Cooper and daughters, Pat and Kay, and Mrs. Alvin Cooper visited in Liberal, Kansas with Mr. and Mrs. Joe Campbell the past week end. They were accompanied home by little Linda Campbell who had been visiting with the Alfred Coopers the past week.

Dave Richards, of Paducah, was attending to business in Matador today.

## Mothers' Polio Drive Collects \$245 Here

County Leaders Hopeful that Quota May be Reached as Drive Nears End

MATADOR MOTHERS, marching under the banner of the annual March of Dimes Porchlight Drive, Monday evening collected a total of \$251.56 in an hour's time. The drive started with the sounding of the fire alarm, and in most instances, a mother and child worked as a team in making the collections.

This community, in a week's time, has contributed over \$750 to the drive. The pancake supper sponsored by the Roaring Springs Lions Club, was well attended. A report of the net proceeds set aside for the March of Dimes drive, was not available late yesterday.

The pie supper at Northfield to benefit the drive had not been reported yesterday afternoon, according to Mrs. L. B. Turner of Flomot, county chairman.

One of the outstanding programs designed to benefit the drive will be held at the Flomot auditorium tonight. Ralph Stapleton will serve as master of ceremonies and Levi Wilkinson will auctioneer a miscellaneous sale. A program of music has been announced in the community affair, with all net proceeds going to the March of Dimes drive.

Mrs. Turner and other civic leaders associated with the campaign were hopeful that the \$1200 quota will be reached. In its long history of benefit drives the generous people of Motley County have always contributed their share, Mrs. Turner said.

Mrs. Turner said she will have complete reports by next week's issue of the Tribune and that she will list the totals of the various county communities.

Local physicians advise all students to take the test, which is for the purpose of detecting early stages of tuberculosis.

## DEATH CLAIMS W. E. WIDEMAN

William Edward Wideman, 82, resident of this area for the past 56 years, died Sunday afternoon in Stanley Hospital, after a short illness.

Funeral services were held Tuesday at 2:30 p. m. at the First Baptist Church, with the pastor, Rev. Gene Hawkins, officiating.

Mr. Wideman was born at Lonedale, Missouri, November 6, 1875 and died January 26, 1958 at the age of 82 years, 2 months, 20 days. He came here from Erath County to join other members of his family who had preceded him in coming to this area as pioneers. He was unmarried.

He is survived by three sisters: Mrs. Bertha Jackson and Mrs. M. L. Patton both of Matador, and Mrs. Ellen Couch, of Houston; and two brothers, John Wideman, of Stephenville, and Press Wideman, of Truett City, Okla., also a number of nieces and nephews.

Funeral arrangements were directed by Eudy-Seale Funeral Home, and burial was in Matador East Mound cemetery. Pallbearers were, Raby Webb, Billy Wason, D. L. Damron, Richard Turner, Curtis Graham and Jody Graham.

Funeral services were held this morning at 10 o'clock, in the First Baptist Church. The pastor, Rev. Gene Hawkins, officiated. Pallbearers were, Tom Berryman, Wade Berryman, T. B. Edmondson, Raby Webb, Jack Green and Bill Waybourn.

Eudy-Seale Funeral Home was in charge of arrangements, and the body was taken to Valliant, Oklahoma, for interment.

Mr. Moody was preceded in death by his wife, and their son, Jack, and he will be buried with them in the family lot.

He had been in failing health for the past year, and Mr. Ensley came last fall to live with him and look after him. Other nephews and several nieces also survive.

A. M. Parker, Paducah photographer, attended to business here and at Roaring Springs, Tuesday.

## Merchants Hit by "Quickie" Forger

FORGED NAMES of two Matador men, Harry Carter and Floyd Henderson, made it possible for Willie Lee Johnson to collect about \$100 Monday from unsuspecting Matador merchants.

Officers are looking for Johnson, a Negro road worker, after his departure some time Monday.

Johnson is reported to have borrowed \$20 from Mr. Carter and then used the check to copy his signature for the same amount to obtain \$20 at Billy's Grocery.

He forged the name of Floyd Henderson on two checks. One was in the amount of \$33 which was cashed at Spot Cash Grocery and Locker Plant. The other check was for \$29 which was cashed at the City Bakery.

## F. H. (Dad) MOODY DIES IN SLEEP

A heart attack early Wednesday claimed the life of F. H. (Dad) Moody, 79. He was found dead in bed at his home about 7:30, by his nephew, T. H. Ensley, who was living with him.

Felix Harrison Moody, resident here for 27 years, was a carpenter. He was born March 28, 1878 in Jackson County, North Carolina, and died January 29, 1958 at the age of 79 years, 10 months and one day.

Funeral services were held this morning at 10 o'clock, in the First Baptist Church. The pastor, Rev. Gene Hawkins, officiated. Pallbearers were, Tom Berryman, Wade Berryman, T. B. Edmondson, Raby Webb, Jack Green and Bill Waybourn.

Eudy-Seale Funeral Home was in charge of arrangements, and the body was taken to Valliant, Oklahoma, for interment.

Mr. Moody was preceded in death by his wife, and their son, Jack, and he will be buried with them in the family lot.

He had been in failing health for the past year, and Mr. Ensley came last fall to live with him and look after him. Other nephews and several nieces also survive.

A. M. Parker, Paducah photographer, attended to business here and at Roaring Springs, Tuesday.

### COUNTY AGENT PALLMEYER SAYS:

All users of surface water in Texas who are required by law to file annual reports with the Texas Board of Water Engineers in Austin are again reminded that these reports are due on or before March 1. The Board is required to keep an inventory of its water resources and uses the information furnished on these forms for the purpose. The water user's rights are also protected.

Forms for furnishing the information needed have already been mailed to all water users of record with the Board through its system of permits, certified filings, and names of riparian users. In case some users who should file have not been reached, they may procure the forms from the Board of Water Engineers, 1410 Lavaca Street, Austin, or from your local county agent. The forms are furnished without charge.

Water users legally required to report include "every person, association of persons, corporation, water district, municipality, or other body politic" using water from a public stream or reservoir within the state. With the exception of public utilities and political subdivisions furnishing water for municipal uses, the law does not require the filing of any information with the Board where water is taken solely for domestic or stock-raising purposes.

### About Your Health

A weekly public service feature from the Texas State Department of Health. Henry A. Holle, M. D., Commissioner

A dangerous undercurrent of rabies runs throughout the board range of Texas wildlife. The condition, while not new, could erupt into a full scale epidemic in an unguarded moment.

Rabid wildlife species infect dogs, and dogs infect other dogs. Therein lies the greatest source of danger to humans.

Twenty-eight cases were diagnosed in State Health Department laboratories during December. In addition, six positive cases were diagnosed in dogs by the El Paso County laboratory.

The 28 cases were submitted from 15 counties. Included in the total were 12 dogs, 11 foxes, three cats, and one bat and one coyote.

Jasper County in deep East Texas was hardest-hit. Situated in the center of the most active focus of wildlife rabies, the county reported eight positive cases — six foxes, one cat and one dog.

Cameron County at the southern tip of the State was second with four cases, all in dogs. Freestone, Llano, and Red River Counties experienced two cases apiece. Bexar, Grayson, Hardin, Harris, Hidalgo, Marion, Presidio, Tom Green, Tyler, and Wichita Counties each had a single case.

There is general agreement among health and veterinary officials that only a small fraction of the actual number of cases is reported. Thus, rabies in Texas is much more prevalent than indicated by heads submitted for the laboratory analyses.

Authorities also agree that we need not tolerate the constant threat of rabies provided we are willing to take these three tried and proved steps to erase it from the Texas scene.

1. Enforced vaccination of all dogs and cats. Some vaccines give effective protection for a year. Others, composed of egg-grown live virus, may protect for as long as three years without revaccination.

2. Adopt and enforce stringent city ordinances against stray dogs. Ownerless dogs — those without licenses or vaccinations — should be impounded.

3. Set up local programs of thinning wildlife populations in areas of over-abundance. Of greatest concern in Texas are foxes and skunks.

England and the Scandinavian countries have taken these steps. So have several of our own northeastern states. Their reward has been complete freedom from one of the most dreaded of all diseases.

All three steps demand full cooperation from all pet owners and local governing officials. Without such cooperation, rabies eradication is doomed to failure before it starts.

**Mrs. L. B. Turner**

Mr. and Mrs. L. E. Shorter visited at Tulia, Sunday in the home of her sister, Mrs. Joy Johnson.

Mr. and Mrs. Ray Jones and Mr. and Mrs. Coleman Jones of Plainview, Mr. and Mrs. Albert Jones of Akron, Ohio and Thornton Jones of Phoenix, Arizona were overnight guests Friday in the home of their brother-in-law and sister, Mr. and Mrs. L. B. Turner. They were joined at the supper hour by the latter's son and wife, Mr. and Mrs. Richard Turner, of Matador.

Mr. and Mrs. P. A. Simpson and Gayland, of Northfield, and Mr. and Mrs. Wilson Bourland of Lubbock visited their parents, Mr. and Mrs. F. S. Bourland, Sunday. Mr. Bourland is confined to his home with a cold.

Mrs. John Turner of Silvertown was here Thursday, visiting her father, Sam Jones.

Mr. and Mrs. Doyle Barham and son, of Silvertown, were guests of his mother, Mrs. Cordie Barham, Sunday.

**SENIORS SPONSOR PANCAKE SUPPER**

Flomot senior class, Thursday sponsored a pancake supper, proceeds of which will be used in helping finance their trip in May.

The supper was held at the school house, with Hal Mayfield of Amarillo as guest of honor. Almost one hundred attended.

Following the supper, Mr. Mayfield showed a film, "The seven lean years that waxed fat." The picture was especially interesting since scenes were actual photographs of the west, including several made in Motley County. The story of the picture in the making was also interesting as told by Mr. Mayfield.

W. Z. Martin, class sponsor assisted the group with the evening of entertainment.

**MRS. R. M. MARTIN HOSTESS AT PARTY**

Mrs. R. M. Martin was hostess Friday afternoon at a Stanley party. Mrs. Ada Terrell, of Silvertown directed the games and demonstration of products.

Refreshments were served to Mesdames J. T. Bural, L. C. Harris, Malcolm Turner, W. T. Ross, Alfred Martin, M. C. Washington, Harley Gunn, Houston Gunn, Earl Whitaker, Wade Martin, and Joe Degan; Mrs. Von Hall, of Quitaque and Mrs. Raymond Martin, of Lockney. Mesdames Lois Martin and L. B. Turner called earlier in the day.

**HD CLUB PLANS MARCH OF DIMES BENEFIT PROGRAM**

Plans for a "March of Dimes" benefit program were completed Tuesday afternoon at the regular meeting of Flomot Home Demonstration Club. A miscellaneous auction sale will be held in connection with the program, and the women of the community are asked to contribute some worthwhile article for the auction.

The club received their 1958 year books and will follow the programs as outlined. Social Security was the subject of the program and Mrs. Sam Ross gave an interesting talk.

Refreshments were served to Mesdames Perry Barham, Doyle Calvert, L. W. Crowell, Joe Degan, J. C. Franks, Ikie Gilbert, John Jones, James Kimbell, W. Z. Martin, Raldo Martin, Lois Martin, Leon Cloyd, Sam Ross, W. F. Sauls, L. E. Shorter, Ike Smith, L. B. Turner, G. E. Washington, H. Rogers, Earl Whitaker, A. L. Tanner, L. B. Isbell, Maudie Marler, Alfred Martin and O. D. Calvert.

**REVIVAL PLANNED BY BAPTIST CHURCH**

A revival meeting at the Flomot Baptist Church is scheduled for Wednesday, Feb. 5, through Sunday, Feb. 9. The evening services will begin at 7:30.

Rev. Henry Eason of Plainview will be the evangelist speaker. The pastor, Rev. Dinzel Leonard will direct the music, with Miss Anna Beth Tanner serving as pianist. The public is cordially invited.

Rev. J. E. Lee, of Spur was guest speaker Tuesday evening at a meeting of the Brotherhood. Mrs. Lee and daughter, Carolyn accompanied him.

Mr. and Mrs. D. P. Keith visited in Lubbock during the week end with their daughter and family, Mr. and Mrs. Loyd Latimer.

### MATADOR HIGH SCHOOL

By Kay Norman

This second semester has started off with a bang this first six weeks. The football banquet of course will be the highlight of the semester, but there is lots of other important things coming around the corner. Speaking of the football banquet, we sure did have a very pretty, and surprised football Queen. Her gold dress just matched her gold crown. After she was crowned, the Melodettes (tidalands) decided that if Texans Sweet which they sang to her. After the banquet a lot of the girls went to Charlotte's slumber party. I hear there were a lot of things happened there!!

### "FISH" NEWS

Gwen Killingsworth

Friday, January 17, 1958, the "Fish" class had a party at Ida's house. Mrs. Fair was nice enough to let us "use" her house. The girls were supposed to come clean the house and get ready for the party. A funny thing happened. Three of us turned up and everyone else forgot. Oh well!! We were beginning to get hopeless, no one had come and then pow! Everyone piled in the front door. We finally got the boys dancing and it really turned out a success. Everyone's looking forward to the next party.

In algebra we are trying to turn written problems into algebra and solve them. Notice I said trying in home ec. class we're going to fix omelets. Half of us don't have the slightest idea what they look like. Hope there's not any eggs wasted. In science we found out that we have the weight of two elephants on our body. In lab we were trying experiments with glass rods. I'm going to have to quit breaking them or get thrown out.

We're going to throw Linda out if she doesn't quit brushing her teeth in the cafeteria. Better watch it!!!!

We hope our reporter Janie Waybourn will be back next week. Carol got well real quick we miss hearing you laugh in class. — VOTE FOR MARTIN! WELL WIN WITH ANITA!!!

### SCHOOL DAZED

By Charlotte Campbell

A man weighing 140 pounds contains enough fat for seven cakes of soap, carbon for 9000 pencils, phosphorus for one match heads, magnesium for one dose of salts, iron to make one medium-sized nail, sufficient lime to white-wash a chicken coop, enough sulfur to rid one dog of fleas, and water to fill a ten gallon can! I wasn't the great scientist who took the time to do a quantitative analysis on the human body, but I will add that I think it is remarkable that so much soap and so many pencils, etc., could become plagued with the common cold, man's enemy.

The whole countryside is perishing. The entire population of big "M" has managed to become victim of the cold!! I am allergic to winter. I am convinced that everything dies in the winter except people and cold germs. The cold germ differs from the Asian flu bug in that it won't kill you, it just makes you wish you were dead. It does its ugly best to

make all life more miserable.

A few loyal teachers and students make it out to school each day. I only come because I don't think it's possible to spread my sniffles to friends. Not that I don't have any friends. I just don't have any who don't have a similar problem. Even my Mother spends her cherished coffee breaks at the hospital getting shots of penicillin. Psychology shots. I have renewed my prescription of iron medicine and I am going to go down fighting.

Meanwhile, back in the chemistry lab, the chemistry students are doing all in their power to further the cause. Which "cause" isn't quite evident but they have come up with one deduction. Science has failed. There are poisons for every other infesting menace from still the cold prevails. You would think that even the cold germ might give up from the smell of some MHS lab experiments. Just the same, you can't win them all. Sometimes you can't win any!

### CHORAL CLUB

We have started practicing for the Interscholastic League meet. There are a number of girls doing solos this year. We'd all like to thank the P. T. A. for their helping us get new choir robes this year. The robes will certainly help the appearance of our choir. Everyone is looking forward for the samples to come in, so we can choose the robe we want.

### MATADOR BRAND STRICTLY SOPHOMORES

There were some changes made on the judging team from the sophomore class. Guy Campbell and Andy Fish took "Clem" Edwards and Robin Darsey's places. Ed D. Smith, Andy Fish, Guy Campbell and Douglas Wilson attended the judging contest at Amarillo where they rated fourth place out of forty-one teams in cattle judging.

The sophomore basketball girls measured for their jackets on Wednesday. Here's hoping we'll have an "A" jacket instead of a "B" jacket, but a jacket's a

jacket regardless of the letter. The girls receiving jackets in our class will be Kay Rattan, Daphne Lynn, and Jan Barton.

In math we are now dealing in determinates with two and three unknowns. Actually these are lots of fun, but it just takes a little time to reason them out.

If you are in need of a cook, just call on a sophomore home-ec student. They prepared and ate a meal of porkchops, corn peas, pineapple salad, and rolls in class last Wednesday. They had strawberries and cake for dessert.

A weekly reminder — We want Seigler for Queen!!  
 —M. H. S. B.—

### JUNIOR CLASS NEWS

The class had its first party January 22nd at Patti Craven's house. The majority of the class was present and all had a good time playing cards, dominoes, murder and monopoly. Our congrats to Patti and the social committee for showing the class a lot of fun.

The Grass Judging Team, composed of Tommy Scaff, Morris Burkes, Harry Campbell, and Sherril Rigby, went to the Amarillo Fat Stock Show Jan. 22nd but failed to place. We're proud of these boys, taught by Junior Class sponsor Bill Moss, and wish them better luck on their next trip.

The committee selected to select a play for production for the Junior Class is still "selection". One day they hope to select a play that everyone will enjoy.

Spring will soon be here, so save your money till Carnival time and vote for Karen Webb!!!  
 —M. H. S. B.—

### JACKETS ORDERED

The Basketball girls ordered their 1958 letter jackets last Wednesday Jan. 22. The jackets are mostly black with red and white trimmings. They zip up the front and have a turtle neck. The girls receiving jackets this year will be, Peggy Welling, Charlotte Campbell, Ray Davis, Jan Barton, Kay Rattan, Daphne Lynn, Janey Waybourn, Linda Thompson, Carol Campbell, Nita Martin, Nelda Wilson. The senior girls ordered white

sweaters with black and red "M". The girls are Kay Norman, Cissie Waybourn, Frances McMahan, Joyce Lynn, Frances Lancaster ordered a red blanket. Our assistant coach Mrs. Timmons also ordered a jacket.  
 —M. H. S. B.—

### STRIVIN' SENIORS

By Joyce Lynn

Congratulations to Francine Craven, the 1958 Football Queen, who was crowned at the annual football banquet, held January 18. Francine is a senior and the daughter of Mr. and Mrs. J. D. Craven.

The basketball girls were measured for their jackets on Wednesday of last week. The jackets are black with red and white letters. They also zip up the front and the collar turns down into a turtle-neck style.

Four senior girls ordered white sweaters with red and black letters. Those ordering sweaters were: Kay Norman, Cissie Waybourn, Joyce Lynn and Frances McMahan. Frances Lancaster ordered a scarlet red blanket with black piping around the edges. The letter is black and is placed in the center of the blanket.

Mr. Johnson has started taking the seniors out on their driving lessons in the drivers' Ed. car. On the first trip he took four girls out and we wonder if Frances McMahan found out that tractors and cars weren't made alike these days!! How about it Frances!!!!!!

## Drouth Blamed For Higher Beef Prices

NATURE has accomplished what government economists had failed to do. It has caused a sudden rise in beef prices. The long range benefit of the price increase is as doubtful as if the government had brought about the achievement.

Currently ranchers are riding the crest of a sudden boom that promises to shadow the "profitable cattle raising years." The rancher is definitely back in the "chips."

A national press release says the drouth is long gone in Texas but that housewives are paying higher prices as an indirect result of it. Typical of the increase is that top grade sirloin steak, retailing in some stores over the nation for \$1.19 a pound, is up 20 cents from six months ago.

A Dallas report says the demand is greater than the available supply of meat on a temporary basis because of the now drouth-out drouth.

It is explained this way. Large numbers of cattle were sold to make room for grass to grow last spring and summer. Ranchers are now holding their heifers because they need them for future production.

One authority said:

"There aren't as many live animals going to slaughter pens as are needed now. The animals are there but they aren't going to market. Of course we have fewer cattle in drouth areas because we had to have fewer to take care of them."

Official of a large supermarket chain said the price increase of meat may be attributed to supply and demand. There simply isn't as much beef available, he said.

### ORDINATION SERVICE HELD FOR NEW PASTOR

Ordination services for Rev. Bob Moore, were held Sunday afternoon in the First Baptist Church, Lubbock. Those attending from here were, Mr. and Mrs. J. P. Cooper, Charles Long, Jack Davis, Charlie Posey and Boyd Long.

Rev. Moore has accepted a call as pastor of the First Baptist Church of Roaring Springs, and will assume his duties here this week.

AUSTIN, Tex. — From the Panhandle to the Valley, a good, safe topic for a rousing speech right now is "The Tideland — They're All Ours."

Texas haven't been stirred up on this issue since 1953. That was the year Congress passed the Submerged Lands Act which recognized the coastal states' ownership of off-shore lands to their "historic boundaries."

Texas won title to land three leagues (10 1/2 miles) from shore in its independence treaty with Mexico. Texans, at least, were convinced, this was the "historic boundary." Hence, the state began operating in the three-league territory, leasing tracts to oil, gas and sulphur companies to gain money for the public school fund.

Now the fat's in the fire again. Last year outgoing U. S. Atty. Gen. Herbert Brownell filed suit in the U. S. Supreme Court contesting Texas' claim to more than three miles of tidelands. Other 7 1/2 miles, he said, belong to the federal government.

Of this claim, Texas officials have this to say:

ATTY. GEN. WILL WILSON: "It was Louisiana who knocked over the coffee pot."

Things were going along fine after passage of the 1953 law, explained Wilson, until Louisiana (limited to three miles of had a new version of "Ain't she could have three leagues, so should they, Louisiana filed suit for the extra land. Federal government replied that "no state"

owned more than three miles out.

"This," observed Wilson, "struck Texas in a tender spot."

But neither Louisiana nor other coastal states have the sort of case as Texas, he emphasized. At the time Louisiana entered the Union, the commonly accepted boundary of a country was the distance a cannon could fire from shore — or three miles.

Texas, however, said Wilson, won right to three leagues in 1836 War for Independence, and U. S. officials recognized this when the state entered the Union.

Today the value of the contested lands is estimated at \$500,000,000. Ruefully, Wilson noted he's been allotted only one hour before the court to argue for it.

LAND COMM. EARL RUDDER: If U. S. court knocks down Texas' claim to the 10 1/2-mile shoreline, then "Russia, Mexico or anybody else can claim it."

Rudder took note of reported discussion among Mexican attorneys. Their view: if Texas did not get title to the territory from Mexico in 1836, then Mexico still owns it.

Additional farm credit in the form of initial emergency loans is now available to Motley County farmers through the Farmers Home Administration, according to Delbert L. Kassahn, local supervisor.

Designation to authorize the making of initial emergency loans in Motley County was made by Secretary of Agriculture Ezra T. Benson as a result of damage and losses sustained by farmers from excessive rains, freeze and other adverse weather.

Loans to finance 1958 operations are available to farmers who suffered actual production losses, who have good records of past operations and who are unable to obtain the credit they need from private or cooperative credit sources.

Loans may be made for normal farm and home operating expenses. The interest rate is 3% and loans are repayable annually, Kassahn said.

"This credit assistance is in addition to credit services already available from FHA," Kassahn said. "Other credit services include subsequent emergency loans to farmers who suffered losses due to drouth, and all loans authorized under the agency's regular lending activities."

Eligibility is determined by the local county committee and applications are now being received by the FHA office here. The county committee is composed of D. I. W. Biffin, W. Alfred Dye and James E. (Doc) Taylor.
