

VFW Starts Work On New Building

Site Is Selected West Of City Park

DETERMINED to have some type of a meeting place for their organization, members of the Motley County Memorial Chapter of Veterans of Foreign Wars last week started "operation Parkview Terrace," Commander L. M. Cox, Quartermaster Conrad Middlebrooks and Senior vice-commander Wade Berryman had previously been placed on a committee to take the organization's entire fund of \$2,000 and "spend it as far as it would go" toward constructing a meeting place.

At Childress Army Air Base they found a 20x50 war surplus building and bought it before they had obtained a location. Later they received as a gift from H. H. Campbell and C. M. Glenn two 25x150 lots immediately west of the City Park. Purchase of a third lot solved the location problem.

Buy 8-Room House

The buying committee was not through. It announced to members that they owned an old eight-room house southwest of Roaring Springs which was to be razed and used in making concrete forms and to complete the barracks building. Members were warned to report for duty Sunday. Eight hours later the house was taken apart, nails removed and the lumber stacked. A total of 17 members had reported for duty.

Meeting Tuesday night the VFW appointed Richard (Jiggs) Green and Jessie Smallwood as the construction committee. It was also announced that the VFW funds were greatly depleted despite the generous donations which were gratefully acknowledged (a list of contributions will be published later). The organization has requested the extreme gratitude of every member for the contributions. More contributions of cash and labor are needed. Donations of labor may be made to any official or the building committee. Carpenters, cement workers, plumbers and "common laborers" are needed.

High hope is held that the building can be completed sufficiently for meetings within a few weeks, although a great amount of work and expense is still in front of the veterans before they have achieved a structure to compare favorably with that of VFW meeting places in surrounding cities.

Other officials of the Motley county group include Roy Smith Junior vice-commander, Melvin Meason 3-year trustee, Fred G. Simpson, Jr. as adjutant, McEllon Skaggs as Officer of the Day, Vance Gilbreath as Chaplain and Quinn Martin as Sergeant-at-Arms.

UNDERGOES OPERATION Joe E. Campbell was dismissed Wednesday from Stanley Clinic, where he underwent emergency appendectomy Friday night. His condition is declared satisfactory.

MOVE TO LAWTON Mrs. M. G. Bethard and children left this week to make their home at Lawton, Oklahoma. Their husband and father, Sgt. Bethard is stationed at Fort Sill, near Lawton.

Eighth Motley County Junior Livestock show has been set for Saturday, April 22, according to an announcement made this week by County Agent J. R. Emmons.

4-H Girls Practice

A 4-H Girls dress review is scheduled in the high school auditorium for Saturday afternoon (March 25) at 2:30 p. m. The 30 girls who will participate in the review met in the auditorium last week-end for practice. The public is invited to attend the Saturday review.

FORMER RESIDENT IS LIONS SPEAKER

Former Motley county resident, Gordon Bennett, who vice-president Jake Edwards introduced as "a Whiteflat school teacher who came here in the lush '29's left in the lush early '30's", was the principal speaker Tuesday at the regular meeting of the Matador Lions Club.

Mr. Bennett is now assistant-to-the-president of McMurry College, Abilene. "Men are forgetting how to live," Mr. Bennett declared, "and we need more individualism in the character of our people. There has been too much hunting for security and family ties have been lost."

As a joke on Lions President Bert Ezzell (superintendent of Matador schools) he said Lion Ezzell was taken to a crowded hospital in an emergency. An inexperienced young girl was assigned as his nurse and placed a barometer in his mouth instead of a fever thermometer. When removed the barometer read, "Dry and windy."

Reports were made on the progress in cooperation with the Matador Garden club to improve the city park, reactivate "trades days", clean-up drives, the Queen's contest, Childress district convention on April 29 and other civic projects.

Clarence Glover was welcomed into the club as a new member.

Nose Count Will Start April 1st

Uncle Sam's big nose count job, enumerating the 17th Decennial census, will start April 1st. Mrs. Achsah A. Dugger of Cee Vee, crew leader for Motley and Cottle counties, Tuesday declared she was experiencing some difficulty in obtaining enough applicants able to qualify as enumerators.

Mrs. Dugger said two weeks will be required for enumerating residents of urban areas and that from two to four weeks are estimated as the amount of time which will be needed to count residents of rural areas.

As a joke on Lions President Bert Ezzell (superintendent of Matador schools) he said Lion Ezzell was taken to a crowded hospital in an emergency. An inexperienced young girl was assigned as his nurse and placed a barometer in his mouth instead of a fever thermometer. When removed the barometer read, "Dry and windy."

HICKS WITHDRAWS FROM CITY RACE

Clint Hicks, teller for the First State bank here, and candidate in Matador city election for the office of city secretary, has withdrawn from the political race.

Hicks said Tuesday he had withdrawn from the race and would continue in the bank employee and private business interests. "I want to thank everyone who considered me in the race," Mr. Hicks declared, "and for the encouragement I had received. I feel, however, that my future interests are best served in my present capacity."

Hicks' name will appear on the ballot but voters are reminded that he is not a candidate. The tickets were printed and delivered before his withdrawal was announced.

FLOMOT SENIORS TO PRESENT PLAY

Flomot senior class will present its play, a 3-act comedy, "Aaron Slick from Pumpkin Creek", Thursday night, March 30, at 8 p. m. It has been announced.

Admission will be 25 cents for children and 50 cents for adults.

A cordial invitation is extended to the public to attend.

Rites Held Here For Mrs. McCall, Former Resident

Funeral services were held here Sunday at 2 p. m. at the Baptist Church for Mrs. Mary W. McCall, 86, former resident of this community who died March 15 at Oklahoma City, Okla., where she had made her home the past 25 years.

Rev. Clifford Potts, pastor of the church, conducted the service. Pallbearers were: T. E. Cammack, A. J. Daffern, Randall Whitworth, T. B. Edmondson, Elbert Reeves and Henry Pipkin. McCall Funeral home was in charge of funeral arrangements and interment was made in Matador East Mound cemetery where the body was laid to rest beside her husband, S. K. McCall, who died in 1917. A son and a daughter are also buried in this cemetery.

Mrs. McCall was born April 17, 1863 at Denver, Colorado, to Rev. and Mrs. W. J. Gates, pioneers of Dickens county, Texas. The Rev. Gates was the first Baptist minister to come to Dickens county and helped to organize the first church in Dickens. Mrs. McCall was converted at an early age and was a member of Baptist churches wherever she made her home. She was a member of the Matador Baptist church for many years and at the time of her passing, her membership was with the Olivet Baptist church of Oklahoma City, Okla.

In 1880 she was united in marriage to Mr. S. K. McCall, and to this union were born nine children, five of whom survive. They are: one son, Shelton who was for several years employed by the Matador Land and Cattle Company and later was a member of the city Police force of Oklahoma City and is now retired and resides in Los Angeles, Calif.; 4 daughters, Mrs. Alice Johnston, Mrs. Letha Newman, Mrs. Ruby Lynn and Miss Mary McCall all of Oklahoma City; one brother, W. B. Gates of Ft. Sumner, New Mexico, former Flomot resident; and a sister, Mrs. Emily Sprague of Tulsa, Okla. Four grandchildren and 2 great-grandchildren also survive.

Members of the immediate family, who accompanied the body here, were guests of old-time friends, Mrs. W. E. Reeves and daughter, Miss Verlin Reeves, Mr. and Mrs. T. E. Cammack, Mrs. Margaret Newman, Miss Mary Keith, and others, during the week-end.

Attend Funeral In addition to the son and daughters present, others from out-of-town who attended the services included: Woody and Nolan McCall, Olin Johnston, Ida Ora Webb, Mr. and Mrs. Loren Johnston and Dolphus Arch, all of Portales, N. M.; A. L. Stringer, Cecil P. Baker and Mrs. Ballard of Lawton, Okla.; Mrs. Pearl, Fred and Sharon Kinney, Gladys Edd and Don Williams, Daron and Pearl Johnson, and Mr. and Mrs. C. Johnson, Spur; Mrs. W. S. New-V. Allen, Spur; Mrs. W. S. New-V. Allen, Spur.

Deer hunters In '49

March 11—More than in 1948. Tentative report of game, fish and oyster commission on the basis of approximately 200 of 54 counties.

Eleven hunters were killed by accidental discharge of guns held by themselves or others. A stray bullet was blamed for one death. Four were killed by guns in the hands of companions and one died when mistaken for game.

One was killed when he fell from a tree, and another was fatally wounded by his own gun while crawling through a fence.

In six of the deaths, intoxication was a contributing factor.

particularly significant because poor shooting weather prevailed during much of the past season.

An offsetting factor was the greater number of hunters. Incomplete returns indicate a slight increase in the total big game licenses over the previous year's 300,000 mark.

Included in the list of fatal accidents were 13 victims who drowned while hunting waterfowl and five who died of heart attacks.

Sen. LeBlanc Continues Rationing of Hadacol

The continued increasing demand for HADACOL, one of the truly great medical discoveries given to the world by Senator Dudley J. LeBlanc, has made it necessary to decrease the ration allowance on HADACOL from six bottles to two bottles.

"We placed the limit at two bottles to a customer only after trying every other alternative," said Senator LeBlanc. "The de-

plays are working shifts around the clock but one bottleneck after another comes up. We expect to lick them all but meanwhile we are asking our customers to have patience and accept no inferior substitutes.

"For instance, when I created HADACOL I read every available authoritative medical and drug book in order to use the very finest ingredients regardless of cost. For instance, I read on page 234, U. S. Dispensary, 23rd edition, that 'Theoretically Calcium Glycerophosphate should for many purposes be superior to most other calcium salts because it represents both calcium and phosphoric acid in a soluble combination.'

"Little did I realize when I made Calcium Glycerophosphate a part of the now famous HADACOL formula that in time the demand for this great medicinal and great plants throughout the nation are now working to increase their facilities to expand production of this essential ingredient which blends with other expensive products to help so many million suffering people in distress."

Yes, in HADACOL Senator LeBlanc envisioned the medicine that would bring blessings to folks of all ages, and in perfecting this formula he worked in his own small laboratory, sometimes 20 hours a day. Perhaps others could have placed the same ingredients in a medicine, but it remained for him to develop a formula which contains the most expensive ingredients of their kind. For instance, he uses Vitamin B-6 which costs at the factory \$550 a kilogram, which is less than half a gallon.

HOUSE OKAYS BILL BOOSTING COTTON QUOTAS

WASHINGTON, March 16—The House passed a bill Thursday adding about 1,250,000 acres to cotton which can be planted under government controls. Texas as will get almost half the increase.

The same bill—a compromise measure—added 100,000 acres to peanut allotments—about 48,000 acres for Texas.

The bill also would deny government price supports next year to any Irish potatoes grown outside a rigid production control system.

Senate leaders believed there would be similar action there in time to send the bill to the president by Friday night.

Old Allotments Protested

Farmers had protested earlier allotments as unfair.

The revision puts a limit on acreage cuts in a manner that will distribute large allotments to many farmers who had severe reductions in authorized acreage. It doesn't mean each cotton and peanut farmer will get a raise in his acreage allotment.

Texas and Alabama were the principal states aided by the peanut acreage increase. Alabama will get about 42,000 acres. Those states were caught in a move designed to deal with Oklahoma peanut acreage.

Nationally, the measure brings authorized cotton allotments to around 21,250,000 acres. That compares with 1949 plantings of 27,000,000 acres. Some farm leaders expect this year's acreage will not exceed 21,000,000—despite the new authorizations. They think many farmers will not plant to the full extent of their allotments.

HD Council Plans For District Meet

The Motley County Home Demonstration Council met at 2:30 p. m. in the Court room for its regular monthly meeting. There were seven members representing 5 of the 7 clubs in the county. Also present were Mrs. W. T. Ross and Mrs. R. L. Tanner of Flomot; and Miss Mary Deeb, County Home Demonstration agent.

Mrs. Fred Simpson called the meeting to order and Mrs. Elden Reedy led the group in reading the Club Collect. The group voted to sponsor birthday calendars another year.

The following plans were made for the THDA District Meeting to be held on April 6.

The Toreador Club will be responsible for registration that day, the Folley Club and the Darden Canyon-Teepee Flat club will set the tables, the Whiteflat club will serve the plates, and the Roaring Springs and Flomot Clubs will be responsible for the cleaning up.

Mrs. Ross and Mrs. Tanner then gave a report of their visit to the mental hospital in Wichita Falls. They said the inmates were re-doing all their rooms and were badly in need of old furniture, lamps, etc. All those who have articles they would like to donate, please contact Miss Deeb.

whose mother-in-law, Mrs. King, (Joyce Reynolds) has never exactly approved of his marriage to her daughter, Arleen (Joy Martin). Arleen is learning First Aid and practices on everybody she meets. She is going to a lecture in a neighboring city and hates to leave her young husband alone, so she induces Roy's friend, Dr. Bruce Douglas, (Garland Rattan) to spend the night with Roy.

On his way back home from taking Arleen to the bus station, Roy saves a mysterious young East Indian girl, Shadow, (Wanda Graham) from being run over by a train. She is unconscious when Roy brings her home to see what Bruce can do for her.

Both boys are amazed when the girl comes to and declares that because Roy has saved her life she now belongs to him. Henceforth he will be her "Master" and she will be his "Slave." The boys try to show her where this line of reasoning is all wrong, but in spite of their re-

peated efforts to get rid of her—she stays!

To further complicate matters, Mrs. King arrives unexpectedly, and there is a nosy neighbor, Georgia Butler (Pauline Blevins), whose interference makes things much worse. It seems that the girl was deliberately thrown on the tracks. The would-be murderer makes an attempt on the girl's life, and failing that, tries to kidnap her. In the darkness, however, he gets the mother-in-law instead!

Then Arleen comes home and things really happen! Further complications are caused by Susan, the Harrington maid (Sylvia Jackson) and one funny situation tops another with bewildering rapidity until the sudden and surprising conclusion is brought about by no other person than Mrs. King herself, who is instrumental in the capture of the would-be murderer and kidnaper.

Completing the well-known cast of characters are Hickson, the county sheriff, played by

Wayland Moore, and Sabu, the East Indian mystic who brings people to life, played by Albert Morris.

**Group Celebrates
Six Birthdays At
C. Warren Home**

The home of Mr. and Mrs. Colquet Warren Sunday was the scene of a celebration in which six of those present were honored for having had birthdays during the month of March. Over forty relatives and friends were present for the occasion.

The birthday dinner honored Mr. Warren and son Jerry, a cousin, Mrs. Ed Edwards of Midland; a brother-in-law, Denver Powell of Turkey and two cousins, Mr. and Mrs. Jessie Canada of Canyon.

Others present were the Warren's other son, John, and their three daughters and families: Mr. and Mrs. Eusan Lyles of Matador, Mr. and Mrs. Jimmie Joe Latimer and son James Warren of Amarillo; and Mrs. Jake Edwards and children, Judy and John Colquet of Parnell.

Television Used In Fight Against Social Diseases

The more than 2,000 cases of syphilis and 3,000 cases of gonorrhea reported throughout the State since the first of the year signifies the pressing need for continuing public education in matters of venereal disease. State Health Officer Geo. W. Cox believes.

Cox appealed for state-wide participation in making "Better Health for Texans" a year long program. A "Better Health For Texans Week" was officially designated by Governor Allan Shivers last December.

Cox said the response of the public, the press, radio, motion picture theatres, television, and other agencies and individuals during the campaign was excellent.

"But," he said, "the continued success in reducing the incidence of VD requires the full support of all the public."

The veteran of more than 13 years as State Health Officer

Dr. Fred Goss

OPTOMETRIST

OFFICE

Cottle Hotel Bldg.

said his department was continuing an "intensified" campaign against venereal infections through "all media of mass education — newspapers, radio, feature releases, and talks to luncheon clubs and civic organizations."

"We've even gone into television to carry our VD warning to the people," Cox asserted. He said his division of public health education had recently produced a color film and a motion picture trailer which were available for loan to television stations through local health agencies.

He said any organization desiring informational pamphlets, posters, and prepared speeches on the subject of venereal diseases could get them by writing to the State Department of Health in Austin.

BRISCOE PIONEER TAKEN BY DEATH

A. F. VanMeter, one of Briscoe County's ranking pioneers, died Tuesday night, March 7, in Stanley Clinic, Matador. Mr. VanMeter, 77 years old, died following a heart attack. He had suffered from heart trouble for several years.

He was a native of White County, Ark. He moved to Texas in 1890 and came to Briscoe County in 1900. He operated extensive farming properties until a few years ago when failing health forced him to curtail his activities.

He was married Nov. 7, 1900, to Miss Ella Honea, daughter of Briscoe's first settlers. A brother of Mrs. VanMeter, Briscoe Honea, was the first white child born in the county. Final rites honoring Mr. VanMeter were held at 3 o'clock

TEXAS' TOURIST BUSINESS HAS INCREASED OF ONE THIRD, EXCEEDED \$500,000,000

Texas' tourist industry passed the half-billion dollar stage last year. It was one of the few businesses which could claim a 33% increase on a major portion of its volume.

The Texas Highway Department figures the tourists stayed 30 per cent longer than in 1948, which, the department says, is just as important.

Highway Department statisticians estimated that every out-of-state license on state roads meant \$84.74 to the tourist business.

For that reason, State Highway Engineer Greer urged careful study of the figures by leaders in all types of business.

Everyone benefits from the tourist travel — even the areas passed through — but Greer suggested many communities have attractions buried which could benefit the sections if properly promoted.

Basis for the study was the questionnaire cards given visitors by the Traffic Service Division of the highway department, operating tourist information centers along the state borders.

They showed that 2,467,000 cars brought 6,661,000 visitors to Texas to spend at least \$209,000,000 last year.

Another \$29,267,000 spent in Texas last year was brought in by guests arriving by airplanes, railroads, buses and ships. The travel of Texans for recreation accounted for \$315,000,000 more in the industry "take."

Highway engineers figure the average out-of-state automobile carries 2.7 persons who spend an average of \$6.68 per day each and travel some 659 miles

The Highway Department travel information secured they added \$209,000,000 average tourist trip including some tourist items

during a 4.7 day stay in Texas.

How Dollar Goes
The tourist dollar goes 34% for food, 23% for lodging, 21% for petroleum products, 10 per cent for recreation and 12 per cent for miscellaneous items.

Oddly, the comment of out-of-staters bragged on almost everything except the food item on which they spent the most. Only 1.7 per cent had something nice to say about the food.

One out of three liked Texas highways and tourist services. Eighteen per cent liked courtesy of Texans; 17 per cent liked the scenery; 17 per cent liked the climate; and smaller per centages such things as cities, residence attractions, resources and history.

Only two per cent of the comments were unfavorable. Those visitors complained about the highways and their markings, about poor traffic enforcement, poor accommodations and discourtage.

Seventy three per cent of the out-of-staters were visiting Texas for vacation purposes and 52 per cent for the first time.

California Leads
Surprisingly, 19.6 per cent of the visitors were from California, with Illinois the next largest guest list at 7.6 per cent.

Bob Wills Hears Folks Tell Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trionon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Carol Jean White, 3636 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down, I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances... Your food will not agree with you... You will have an upset stomach... You will suffer from heartburn, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are

Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trionon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Carol Jean White, 3636 West Park St., Oklahoma City, tells Bob how much HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the bloodstream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands

have already been benefited by this amazing tonic, HADACOL. So, it matters not who you are... it matters not where you live... or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered even longer, are able now to live happily, comfortably lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

NEW... Entirely New 1950 REFRIGERATORS They're Feminized!

They're here! They're beautiful! Four sizes... four big-value price-tags... four great new refrigerators, that women dreamed and home economists planned for you! Come in today and see them. See the big freezer lockers, the spacious shelves, the extra-roomy meat trays and vegetable crispers.

See the new, exciting, "shadowline" styling—no ledges, no crevices to catch dust and make work. See the Egg-O-Mat, clever new egg-dispenser. See the new Diffus-O-Lite for shadowless interiors. Don't miss the exclusive, built-in bottle-opener. And let us show you how "Every Feature Has a Function" in these great new International Harvester refrigerators. Buy on convenient terms.
