

NAZIS SPEED FLIGHT FROM SICILY

RAF Attacks Milan, Berlin; Nazis Batter English Coast Town

LONDON, Aug. 16 (AP)—British heavy bombers made another attack on industrial objectives of Milan last night and RAF Mosquitoes bombed Berlin, the air ministry announced today.

The attack upon Milan, hit twice previously since early Friday morning, was made in the bright light of a full moon.

The air ministry said a number of enemy fighters were encountered on the route to the northern Italian industrial center and at least two were destroyed.

"Mosquitoes bombed targets at Berlin and other aircraft were engaged in extensive minelaying in enemy waters," the communication said.

"Aircraft of the fighter command on intruder patrol attacked enemy air fields and railway targets in France and the low countries. One enemy aircraft was destroyed."

The air ministry, without saying whether heavy craft or Mosquitoes or both were meant, said 10 bombers failed to return and two fighters were missing.

The German air force, meanwhile, lashed a south coast town, which was later identified by a Berlin broadcast as Portsmouth, with the heaviest assault in two days.

LONDON, Aug. 16 (AP)—The Vichy radio announced that Allied planes had attacked Paris this morning for half an hour. The broadcast said two sections "in the Paris area" had suffered heavy damage with numerous casualties.

years last night and lost five of some 25 raiders sent over in this and other scattered raids on coastal towns.

The raiders came in singly, scattering their bombs over widely-separated parts of the city and causing fairly heavy casualties including a number killed.

The heaviest damage was inflicted in the working class section of the port, which was hard hit in previous raids.

There was no letup in the air assault this morning as great formations of heavy Allied daylight bombers roared across the channel for two hours under strong fighter escort.

Later in the day medium bombers and fighters took up the attack. At one time formations of bombers swept out at roof-top level with squadrons of fighters at greater height. This attack seemed directed at two targets as one force went south and some southeast.

Britons Suspicious Of Rome 'Open City' Declaration

LONDON, Aug. 16 (AP)—Belief that the Italian declaration of Rome as an "open city" was merely a trick by Premier Marshal Pietro Badoglio to spare it from further bombardment appeared to be growing in Great Britain today and Lord Beaverbrook's London Daily Express bluntly demanded that Allied air attacks be continued until Italy quits the war.

There has been no official comment in London on the Italian declaration and none was anticipated in the absence of Prime Minister Winston Churchill in Canada. The Rome radio itself warned Italians that they could expect security from bombs only after the Italian declaration is officially accepted by the Allies.

There were other indications that the Italians were doubtful that they could expect immunity. The London Daily Mail heard an Italian broadcast which reported that the prefect of Rome had issued orders to halt an influx of civilians seeking residence in the city under the impression that it is a safe haven from Allied bombs.

LONDON, Aug. 16 (AP)—Premier Badoglio's action in declaring Rome an "open city" recalled today that only last July Benito Mussolini's newspaper Popolo D'Italia asserted that it would be necessary to denude the capital of four-fifths of its industries to make such a move effective.

Sow Would Ease Meat Shortage

WENTWORTH, Mo., Aug. 16 (AP)—America is producing—even Farmer Floyd Jones' sow caught the spirit. In a patriotic gesture, what with meat shortages and rationing, Mrs. Sow presented the nation with 21 pigs. That makes 58 pigs in four litters.

Milan Workers Demonstrate For Peace

CHIASSO, On The Swiss-Italian Frontier, Aug. 16 (AP)—Milan workers marched through the burning ruins of that once-great industrial city in a new demonstration for peace early today, the reports added.

Disregarding armed guards thrown about the still burning and smoking areas, the demonstrators picked their way through the rubble in the streets, raised cries that the war should be ended and shouted against those who caused it, the reports added.

The debris in the streets of the city was said to be 15 to 30 feet high. Milan has virtually ceased to exist as a city, said persons arriving at the frontier here today.

These travelers asserted two towers of the cathedral had collapsed, the Sorresco palace was destroyed and the royal palace damaged. In the heavily-attacked Scala Farina freight yards, rails stuck up like uprooted trees.

The industrial area was heavily plastered with bombs loosed by RAF bombers that drove through violent anti-aircraft fire last night to give the northern Italian industrial center its third drubbing in four days.

Fire brigades were reported unable to cope with the fires started by the hail of bombs. Axis troops said travelers arriving here, were mounting a rigid guard everywhere in an effort to check the confusion as thousands upon thousands of the inhabitants continued to flee the city, mostly pushing toward this frontier.

Bombs Strike Nebraska Town

TARNOV, Neb., Aug. 16 (AP)—Six "practice" bombs were dropped on this Platte county village of 70 population 4 1/2 miles today, causing no casualties and resulting in no explosions. One of the bombs hit a house, missing by two or three feet two children in their bed.

Seventh service command officials at Omaha said the bombs came from planes on a routine practice flight, and that the planes apparently overshot a bombing range. Officials did not disclose where the planes were based. Evacuation of 11 families from the "bombed" area was ordered as a safety precaution. Two officers from command headquarters, one an expert on identification of bombs, investigated.

Highwaymen Stage Daring Holdup

MEXICO CITY, Aug. 16 (AP)—A bus and 30 automobiles were reported held up last night by a gang of about 50 armed men on the Mexico City-Cuautla road. The passengers, including North American tourists returning from Cuautla, east of Cuernavaca, were forced to descend and were searched for money and jewelry.

The bandits stationed themselves along the highway at a point 35 miles south of Mexico City, between Tlaxcoatlán and Nopaltepec, during a heavy rain, and stopped the cars. The gunmen fired on the bus, which apparently did not stop soon enough, and damaged it. The robbers fled on horseback before soldiers and police arrived.

ODESSA OFFICERS HERE Maj. and Mrs. B. H. Rowden, Capt. Leslie J. Byron and Capt. and Mrs. Julius Schmitt of Odessa, between Flacoatlán and Nopaltepec, during a heavy rain, and stopped the cars. The gunmen fired on the bus, which apparently did not stop soon enough, and damaged it. The robbers fled on horseback before soldiers and police arrived.

Helena Survivors—Covered with oil from their torpedoed ship, the Cruiser Helena, which was sunk by Japs during the battle of Kula Gulf, July 5-6, these survivors respond to roll call aboard a destroyer that picked them up from the gulf waters.

Albuquerque Cadets Win 5th Bombing Olympics Here Sunday

Crowds running into several thousand swarmed over scenic mountain Sunday to get a first-hand sample view of how America's bombing power shatters axis military points.

The occasion was the fifth version of the All-American Bombing Olympics, in which 24 cadets from the nation's eight bombing colleges competed for the "pickle barrel" trophy.

It was a thrilling and interesting display of precision bombing, and when the smoke of the final missile had cleared away from the target located just at the north base of the mountain, it was determined that the Albuquerque, N. M., cadets had come in with their second straight win. Albuquerque, first two-time winner of the "pickle barrel" trophy, holds it until another school is able to capture it.

The winning school also contributed the All-American champion, Cadet E. T. Croft, who took top honors with the highest individual score for accuracy.

TEXANS WOULD 'GET EVEN' FOR GAS RATION CUT

AUSTIN, Aug. 16 (AP)—While he himself declared he was withholding further comment "until it cooled off," Governor Coke R. Stevenson said today he had received dozens of letters protesting a reduction in the value of gasoline rationing coupons.

The protests, he added, included a few suggestions for retaliatory action by Texas. Here are a few: Keep under ground all Texas oil that has been used for pleasure driving purposes.

Restrict export of all oil except that for military use until the OPA rescinds its regulation order.

Four Are Killed In Highway Crash

AMARILLO, Aug. 16 (AP)—Four persons were killed in an automobile collision a mile east of here yesterday on highway 66. The dead were: Mrs. Ruth Altman of Amarillo; Mrs. Hettie Corene Pearl Evans, Mrs. Hettie Corene Guntter and Tommy Dale Guntter, 4, all of Ventura, Calif.

Mrs. Altman, who received word Saturday that her husband, Capt. Jack Altman, was a prisoner of the Japanese in the Philippines, will be buried at McAlester, Okla.

DIES IN ACCIDENT

PHOENIX, Ariz., Aug. 16 (AP)—Accidentally knocked unconscious, Mrs. Gloria Gould Barker, member of the prominent Gould family, tumbled into the swimming pool of her palatial desert home Sunday and drowned. Efforts of doctors failed to revive her.

LEAVE FOR DUMAS

Mr. and Mrs. Livian Harris and daughter, Sally Sue, left Monday for Dumas, where they will make their home.

FDR-Churchill Parley Ends

QUEBEC, Aug. 16 (AP)—Prime Minister Churchill was back in Quebec today after a three-day visit with President Roosevelt at Hyde Park and the American chief executive was expected here shortly for the opening of their war strategy conference.

The prime minister returned here yesterday and immediately set to work. A White House announcement said the president "is returning to Washington, but he will join the Quebec conference this week."

Military chiefs of staff of both nations already are on hand. Developments during the early phases of the war talks last week, after the prime minister's arrival from England on Tuesday, suggested a four-point agenda for the final stages.

Allied military strategy for Europe presumably occupies the top spot among all matters the Allied leaders must examine. The other three points apparently slated for consideration are linked with the first. They are:

1.—The conduct of the war in the Pacific.

2.—The immediate political problems which will spring from expanded combat action in Europe—and there is little room left for such action except on the continent proper.

3.—The long-range political issues which will arise upon the attainment of total victory and the means of achieving effective collaboration on them among all the United Nations, including Russia.

Housing Units Will Be Available To Cosden Workers

Broadening of the rental base for apartments made available through the lease-conversion program here has been accomplished to include Cosden workers on the preferred lists.

This word was received Monday by L. S. Patterson, who handles rental of the structures for Home Owners Loan Corp.

Previously, only civilian workers at the Big Spring Bomberbird School were permitted to rent the apartments. Now Cosden, as a war industry, has been included. Another of the lease-conversion projects was turned to Patterson for renting Monday, but there were more approval-requests on hand than apartments, which are all unfurnished.

Gold Teeth, Beeswax, Soap . . .

Gifts Flood Washington

WASHINGTON, Aug. 16 (AP)—The Office of War Information reported today that gifts of all descriptions—from dimes to dog sleds—are pouring into Washington from persons anxious to beat the axis. Unsolicited donations sent to President Roosevelt or the treasury department, OWI said, have included automobiles, ambulances, airplanes, rifles, typewriters, silver cups, racing pigeons, a sled and seven-dog team, gold teeth and wedding rings. Other gift packages have yielded watches, bells, beans, beeswax,

sugar and whisky; rubber, engine pumps, refrigerators, pianos, a rug, soap, medals, coins, tarpaulins and medical equipment. Cash contributions (not counting war bonds and taxes) have totaled nearly \$4,500,000, with individual gifts ranging from one cent to \$25,000. The gifts come not alone from the United States, the report said, but from Central and South American countries, from Canada and the British Isles as well. A British railroad presented the Army with an eight-coach deluxe passenger train, the "Coronation Scot," which was displayed at the New York world's fair.

When the public debt reached \$104,294,622.70 on July 1, two Army privates at Brunswick, Me., sent in the 70 cents to round out the figure. It's meant a big job for the treasury, just seeing that the gifts get to the most useful places. If you send a dime to build a bomber it goes into a bomber fund. The same thing goes for guns and tanks. If the donor doesn't say specifically, the money goes to the Army or Navy.

Karachev Falls, After 3 Days Of Battle

Reds in South Advance On Kharkov; 3,000 Nazis Perish

LONDON, Aug. 16 (AP) Karachev, last nazi outpost on the road to the great German base at the rail center of Bryansk, was in Russian hands today following a bitter three-day battle.

A Soviet communique announcing the fall of Karachev also declared that some 225 miles to the south Russian troops were advancing yard-by-yard from the suburbs into the Ukrainian steel city of Kharkov.

The Russians said the Germans brought up reserves in an effort to hold a promontory commanding the approaches to Karachev. Fierce fighting followed in which the Red army units stormed the heights and then pursued the fleeing nazis into the town where they took possession after hand-to-hand combat.

A considerable stock of war materials and many prisoners were captured, said the Russian war bulletin.

In fighting northeast of Karachev other Soviet troops were said to have captured 50 towns, including the district center of Khvastovichi. The Germans lost 3,000 killed, 28 tanks and 18 heavy guns in the fighting, the Soviet communique declared. The advances covered from 3 1/2 to six miles over a curving front, the start of an encirclement drive such as that which led to the fall of Orel.

Eighty miles to the north in the Spas Demensk sector other Russian troops pushed ahead in their drive to cut the Bryansk-Smolensk railroad, the Russians said.

43 Jap Planes Knocked Out

ALLIED HEADQUARTERS IN THE SOUTHWEST PACIFIC, Aug. 16 (AP)—Allied warplanes, displaying in the protection of their ground forces a vigilance equal to the zeal with which they carried the attack to the enemy, shot down 48 Japanese aircraft—23 of them bombers—over the Southwest Pacific battlefront yesterday.

This success, reported in today's communique from Gen. Douglas MacArthur's headquarters, was achieved at a cost of only five Allied planes and no more than three pilots. The ratio of nearly 10 to 1 bettered by far the all-over score of approximately 4 to 1 established in the six weeks since the start of the Allies' new Pacific offensive.

The day's victory in skies over the Solomon Islands and northern New Guinea supplies fresh evidence of increasing Allied aerial might in a field of war where General MacArthur, cognizant that advances by ground troops often must be measured in yards, has predicted that air power will be decisive.

In the aerial combat yesterday, Americans of the Solomons air command accounted for 12 dive bombers and 22 fighters against a loss of two of their own planes. Twenty-seven of the enemy craft, intercepted as they winged southward toward the New Georgia fighting zone, were shot down in the neighborhood of Vella Lavella island. The other seven were knocked out over their home base of Kahili by U. S. airmen who boldly waited in ambush for their return.

Stamp 14 Valid

Sugar stamp No. 14 became valid Monday and is good for five pounds of sugar. Expiration date of the stamp is November 1, local ration board officials said.

Yanks In Range Of Escape Port; Only Italians Face Push

ALLIED HEADQUARTERS IN NORTH AFRICA, Aug. 16 (AP)—United States troops were overrunning the axis rear guard today in the vicinity of Milazzo, 14 miles west of Messina, and it was officially stated that the end of the Sicilian campaign "is now at hand."

The Americans, pushing up between 12 and 15 miles, advanced well beyond Barcellona to within heavy artillery range of Messina and it was assumed that this main escape hatch was already under ground fire as well as aerial bombardment.

Barcellona lies six miles south-southwest of Milazzo and 16 miles west of Messina. The Germans were in flight.

All indications are that the Nazis have pulled out even their delaying parties and left Italian units to face the climactic British and American push.

The U. S. seventh army and the British eighth army raced forward as rapidly as blow-up roads and diminishing resistance permitted. The campaign still was less than six weeks old.

The British captured Taormina, strategic harbor and road junction on the east coast 28 miles by road from Messina; Castiglione, eight miles inland; and the town of Kaggi.

(Admitting that Axis forces are quitting Sicily, the Berlin radio declared, nevertheless, in a broadcast recorded by NBC, that the Messina Strait was heavily guarded and firmly in German hands.

"Anglo-American attempts to stop the ferrying service to the Italian mainland will be futile," it said.

The arrival of detachments of forces of Lt. Gen. George S. Patton Jr., in the vicinity of Milazzo denied the axis the use of its valuable evacuation area, including not only the port facilities but beaches suitable for loading small craft.

Forward elements of Gen. Sir Bernard L. Montgomery's eighth army were less than 25 miles from Messina.

The joint British and American line running through central Sicily was slightly farther away, but was advancing at about the same rate as the Allied forces on the flanks.

Captured documents showed that the Germans, as usual, left Italians to cover their retreat. It was indicated that only some units of an Italian coastal division confronted the eighth army north of Taormina.

In the usual sense, the Sicilian "front" no longer exists. However, a ring of strong points has been formed about the outskirts of Messina, aerial reconnaissance showed.

Official dispatches said numbers of Germans donned civilian clothing and attempted to infiltrate American lines to reach the rear area. Many were captured.

Military booty now in American hands includes 293 75-millimeter guns as well as some larger artillery pieces and 188 tanks. The number of prisoners was not ascertained, mainly because they are being rounded up too fast for counting. More than 130,000 were held last week.

American seventh army units pressed forward in the central sector east of Randazzo, the communique said.

2 Are Injured In Collision

Mrs. Bonnie Carter, 24, and her four-year-old daughter, Marilyn, Lockhart, Tex., were injured Sunday morning about 11:15 o'clock when a car in which they were riding, driven by Tommy Leo Carlisle of Amarillo, collided with the rear end of a car driven by Jessie King, negro.

Mrs. Carter and daughter are being treated at Malone Hogan clinic-hospital for head injuries, lacerations and abrasions. Hospital authorities said their conditions were not critical.

According to Highway Patrolman Burl Haynie, who investigated the crash, the two cars were traveling north on the San Angelo highway when the Carlisle car ran into the back end of the car driven by King. King suffered a slight elbow injury.

Considerable damage was done to both cars, the patrolman said.

Hull To Stay Home

WASHINGTON, Aug. 16 (AP)—Secretary of State Hull was asked at his press conference whether he himself expected to go to Quebec for the Churchill-Roosevelt conversations and replied that so far as he was aware he would not.

Governor Calls Pension Upset 'Ridiculous'

AUSTIN, Aug. 16 (AP)—A threat of withdrawal of federal matching funds for old age assistance is utterly ridiculous, Governor Coke R. Stevenson asserted today.

It was the governor's contention that there was no basic difference between state and federal statutes permitting assistance recipients to earn limited income above basic needs without losing eligibility.

The federal social security board declared there was an apparent conflict which might result in withdrawal of federal aid and suggested that a hearing be held not later than Aug. 24 to iron out the matter.

Meanwhile the governor planned an immediate conference with John Winters, newly appointed executive director of the state welfare department.

Winters said that he had not had an opportunity fully to study the problem but he thought there was perhaps some basis on which it could be solved.

The state statute permits recipients to earn up to \$250 a year from seasonal and occasional employment. The federal act permits additional earnings from agricultural labor.

"There perhaps was an unhappy choice of language in the Texas law but its intent was exactly the same as that of the federal law," the governor declared.

"Before the state law was passed the federal social security board was consulted and we were given no indication that it would conflict."

He said further that Rep. Ennis Favors of Pampa had consulted the social security board and had been assured the Texas bill, passed at the last general session of the legislature, was not incompatible with federal statutes.

Fathers Query USES Officials

The latest broadsides from the Manpower Commission has quickened inquiries from fathers in non-essential jobs, the United States Employment Service reported Monday.

During the morning, more than a dozen men were in to inquire concerning the announcement over the weekend that dads would have to get into war work, essential occupations or be subject to draft, possibly even before Oct. 1.

However, the volume of those seeking information was not nearly so heavy as it had been following previous and similar pronouncements by the WMC and selective service.

O. R. Rodden, manager of the Big Spring district of the USES, said in answer to many questions that this area, along with the remainder of region No. 10 which covers much of the Southwest, would continue to operate under the limited stabilization plan until further notice. When a change is effected, it probably will be to that outlined in WMC press releases over the weekend, he said.

Meanwhile, manpower matters will be handled the same as ever at the USES office, where interested men may secure lists of essential jobs open here or elsewhere.

Motorists Face Gas Cut With Full Tanks

Effective Monday, those up-spent gasoline mileage stamps now valid, will be worth only three gallons in place of four but most motorists had full tanks to face the majority of drivers kept filling stations busy Saturday and Sunday, after the new ruling was announced, spending their stamps while they could still get four gallons of gasoline.

Mount Bethel Singers To Present Program

Methodist Women Are Hostesses At The USO Club

E. M. Watson and a group of spiritual singers from the Mount Bethel Baptist church will present a musical program this evening at the Big Spring USO club during open house. The program will be presented in the garden and townspeople interested in this type of entertainment are cordially invited to attend.

Women of the First Methodist church served as hostesses during Hospitality Hour which was observed at the soldier center Sunday afternoon from 4 to 7 o'clock. Hostesses included Mrs. W. A. Underwood, Mrs. C. E. Shive, Mrs. C. W. Guthrie, Mrs. J. R. Manion, Mrs. M. A. Cook, Mrs. Charles Morris, Mrs. S. R. Nobles, Mrs. H. N. Robinson, Mrs. Albert Smith, Mrs. K. H. McGibbon, Mrs. Herbert Keaton, Mrs. J. B. Pickle, Mrs. Royce Satterwhite, Mrs. W. D. McDonald and Mrs. Claude Miller.

Desk hostesses included Mrs. Mary Locke, Mrs. J. A. Myers, Mrs. J. D. Jones, Mrs. J. E. Fort, Mrs. J. D. O'Barr, Mrs. C. O. Nalley, Curtis Gregory, Marie G. Walker and Mrs. R. B. Duvivan.

Members of the Girl's Service Organization, senior hostesses and service men's wives were greatly interested in a lecture given by Miss Eleanor Wilson at a banquet Saturday evening. The talk marked the first in a series of lectures which will be given in connection with volunteer service work at the Big Spring USO club.

CALENDAR

TUESDAY
LADIES BIBLE STUDY will be held at the Church of Christ at 9:30 o'clock.
OFFICERS' WIVES will have morning bridge in the newly completed officers' club at the post, at 9:30 o'clock.
ORDER OF EASTERN STAR meets at the Masonic hall at 7:30 o'clock.
E. & P. W. CLUB will meet at the Settles hotel at 7:30 o'clock.
REBEKAH LODGE will have a weekly meeting at the IOOF hall at 7:30 o'clock.
PHILATHEA CLASS will entertain with benefit 42 party at the church at 8 o'clock.
WEDNESDAY
FIREMEN LADIES will meet at the WOW hall at 8 o'clock.
KONGENIAL CLUB will meet with Mrs. Herschel Petty for bridge.
THURSDAY
VFW AUXILIARY meets at the VFW home, 9th and Goliad, at 8 o'clock.
FRIDAY
TRAINMEN LADIES meet at the WOW hall at 2:30 o'clock.

If You Suffer Distress From

Female Weakness

With Its Cramps, Nervous Feelings

It is at such times you suffer from cramps, headache, dizziness, "irregularities", periods of the blood, etc., or woman's most important organs.

Start at once—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous not only to help relieve monthly pain, but also accompanying tired, nervous feelings of this nature. This is because of its soothing effect on our woman's most important organs.

Take regularly—Pinkham's Compound helps build up resistance against such symptoms. Follow label directions.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Holley Reunion Held In Lamesa

A family reunion was held in the J. W. Holley home at Lamesa Sunday, and a large number of relatives and friends from surrounding towns attended.

Those present were Mr. and Mrs. R. L. Holley, and son, James, Mr. and Mrs. H. E. Holley and children, Dan, Edna Earl and Jimmy, Mrs. Florence Holley, Mr. and Mrs. Buddy Baker and son, Bobby Lee, Kelly Baker of Big Spring.

Mr. and Mrs. J. D. Fairley and children, Norma Fay, Arnold and Jerry of O'Donnell; Mr. and Mrs. Mack Underwood and children, Helen and Linda of Arcadia, Calif.; Mr. and Mrs. W. W. Holley and son, Donald, of San Angelo; Ava Lee Warren of Amarillo; Mr. and Mrs. Charles Brigner and Onajoy of Big Spring; Mr. and Mrs. L. T. Pate, Mrs. Alphine Crump and Bob Shelton of Lamesa.

Activities At The USO

Monday
9:30 a. m. — Gym class.
8:30 - 10:30 — Open house for townspeople.
9:15 p. m. — Concert — Voice and Piano. All negro choir from Mount Bethel Baptist church to present program.
LET'S SING . . . Miss Helen Duley in charge.

Tuesday
FREE ALTERATIONS
8:30 p. m.—Competition Night.
Wednesday
9:30 a. m. — Gym class.
6:15 p. m. — Hospital visiting hour at the post . . . Young couples Class of Methodist church, Mrs. F. V. Kimmey, General Chairman.
8:30 p. m. — General activities. . . Bomba-Dears, Junior hostesses.

Thursday
NATIONAL AVIATION DAY
—Model Plane Exhibit in game room.
2:30 p. m. — Service Men's Wives Club meeting.
9:15 p. m. — Informal dancing —Beta Sigma Phi and GSO Thursday girls junior hostesses.

Friday
9:30 a. m. — Gym class.
8:15—Ballroom Class. Dancing partners needed for classes.
9 p. m.—Square dance class.
Saturday
5-8 p. m.—Canteen open . . . Cookies and iced tea.
8:45 p. m. — Enlisted Men's dance at post . . . Special Services Section in charge.

An all negro choir from the Mount Bethel Baptist church, under the direction of E. M. Watson, will present a concert at the Big Spring soldier center Monday evening during open house for local townspeople.

The variety program will include baritone and soprano solos, and all townspeople interested in such a program are invited to attend.

PARTY TO BE HELD AT POST

A morning bridge party will be held in the new Officers club at the Big Spring Bombardier School Tuesday at 9:30 o'clock.

Hostesses will include Mrs. Dwayne Rockie, chairman, Mrs. Ben Fehrmann, Mrs. Grover W. Ferguson and Mrs. Phil Bishop.

All officers' wives are cordially invited to attend the affair.

Texas Mines Co-Eds Like War Training Courses

Co-eds of Texas Mines at El Paso are finding new interests in the more technical courses. Many are already proving their ability in war industry. Center picture above is in the library. Counterclockwise the pictures show girls working in laboratories in electric metal lathe, engineering drawing, metallurgy, nutrition, surveying, and physics.

Pickle Barrel Antics—Slanguage Runs Amuck As Smartly Dressed Watchers Ogle Olympics

Cheering crowds, brass band and loud speaker system reminded us of football games as we perched underneath a cliff on a nice comfortable rock, craning our necks skyward in an effort to see practice bombs released from the AT-11's 8,000 feet up.

Amusing sights at the Sunday Olympics were many. One couple with a newborn didn't miss out on the show but brought along Junior in his pink and blue bassinet. . . . Overhead a soldier explaining to his wife that there really weren't pickles in the barrel, and noted the expression on a northern lass' face when she saw her first diamond-back rattler.

Picked up lots of slang during the morning and learned that planes peel off; that the mound in the center of the bombing range wasn't dirt but a shack and that Roger wasn't someone the pilots were calling at all!

Caught a glimpse of Rep. and Mrs. Burke Summers and their young son, Frank D., who were watching the show. Evelyn Ann Flynt was also there and looked very nice in a black and white ensemble with black shoulder bag. . . . Overheard Homer Ward warning the Missus that it would be terrible if they came to a 'bombing' and were killed because their umbrella blew them off the mountain.

Mrs. Ann Gibson Houser and children seemed to have chosen the best rocks on the whole mountain to sit on or at least they looked fairly comfortable and were enjoying the show. Among others who were seated on the grandstand were Barbara McEwen, Joanne Rice and Camille Inkman, brown as berries and looking a

Services Held For Strangled Youth

WICHITA FALLS, Aug. 16. (AP)—Funeral services were arranged here for today for Marion Thomas Lowry, 16, high school student who was found dead Saturday in a brooder house in the backyard of his home.

Justice of the Peace Nat Inge, acting as coroner found that strangulation was the cause of death.

CRUISER AT ANCHOR
CAMDEN, N. J., Aug. 16. (AP)—The U. S. navy's cruiser Alaska, the first of a new group that will be larger than existing heavy cruisers of 10,000 tons displacement, but smaller than battleships, was at anchor in the Delaware river today awaiting finishing touches before she takes her place with the U. S. fleet.

Noah's Ark is believed to have been a 20,000-ton ship.

News Notes From The Oil Field COMMUNITIES

Connie Scudday of Garden City is visiting Mr. and Mrs. M. M. Hines.

Vera Mace returned Tuesday to North Carolina after a visit with her sister, Mrs. E. C. McArthur and Mr. McArthur on the Sun lease.

Mrs. Calvin Sewell and Juanita have returned from Mississippi after visiting Mr. Sewell. He has been transferred to a gunnery school at Kingman, Ariz.

Mr. and Mrs. C. L. West and daughters were business visitors in San Angelo Saturday evening.

Mr. and Mrs. Bill Conger Jr., and Bill III spent the weekend in Sterling City.

Mr. and Mrs. E. B. Blackburn, Jr., Mr. and Mrs. J. E. Gardner, Mr. and Mrs. H. D. Williams of Forsan and Cpl. and Mrs. Barnett Hinds of Big Spring spent the past Sunday at the Joe Eddy Hall ranch near Water Valley.

Mr. and Mrs. W. E. Wadsworth, Jr., and children of Westbrook were Friday guests of Wadsworth's parents. Mr. Wadsworth, Sr., has been ill.

Mrs. Clifton McDonald left last week to be with her husband in Mississippi.

Sammie Porter and Darnelle Peacock are vacationing at Christoval.

Fredda Nell Oglesby is visiting relatives in Westbrook.

S/Sgt. Jim Earl West and Pfc.

Bob Smow of Ontario, Calif., spent Sunday night with West's parents.

Pvt. J. R. Smith of Fort Lewis, Washington, visited last week with relatives in Forsan and with his mother, Mrs. Velma Smith, in Big Spring.

Mark Nasworthy was a business visitor in San Angelo last week. Ernest Clifton attended the stock sale in San Angelo Thursday. Mrs. Clifton visited her parents in Sterling City.

Joy Lane underwent a tonsillectomy in a Big Spring hospital last week.

Mr. and Mrs. J. R. Hale and family of Sterling City were guests last week of the Dan McReas.

Mr. and Mrs. Hiram Glover of Big Spring visited Mr. and Mrs. Sam Porter Thursday evening.

Jim Calcote was a Lamesa visitor last week.

Mr. and Mrs. Jesse McElreath and family are moving to Plainview.

Robt. Earl Simpson of Goldthwaite is the house guest of Mr. and Mrs. Paul Johnson.

Mrs. Carrie Chaney has returned to the home of her daughter, Mrs. Mike Bransfield, after an extended stay in East Texas.

Mr. and Mrs. J. E. Thompson are vacationing in Ruidoso, N. M. They were accompanied by Frances Shedy of Coahoma.

DOWNTOWN STROLLER

The officer's newly completed club is a beauty spot and a triumph of interior decorating according to those who attended the formal opening Saturday night. Red and green are the main colors in the club but other shades and hues, all bright, blend so well that a visitor is only conscious of how pretty the place is.

A group of local people attended the wedding last week of EVELYN McLAUGHLIN and GILBERT KNOX at the Diamond M. Ranch. The bride is the daughter of Mr. and Mrs. T. C. McLAUGHLIN. The horse shows at the Diamond M ranch near Snyder given each year before the war by the bride's father were high spots in entertainment for many local residents.

Although the ration office gave plenty of notice that it would be closed today, there was a stream of people early Monday morning, all trying the door, before remembering the office was closed.

The Victory Bridge club met in the home of Mrs. T. J. WALKER the other day and Mrs. J. J. GREEN was invited as a guest. But club members really surprised Mrs. GREEN, for they gave her a shower of birthday gifts just before the party ended.

Maybe Big Springers don't know any more about bombing than they did but the boys in the olympics showed them some tangible results of the art of bombing. Watching the bombs hit right before their eyes, most onlookers came away impressed with the thought that precision bombing is just that—precision.

LOCAL GIRLS TO ATTEND TSCW

At least eight girls from Big Spring will be enrolled this year at Texas State College for Women, it is announced from a survey of room reservations in the college dormitories. Registration at TSCW starts Monday, Sept. 20.

New students from Big Spring, all freshmen, will be Mackie Allgood, 1100 Runnels; Mary Jane McClendon, 1609 Young; and Colleen Slaughter. Old students returning will be Beth Berryhill, sophomore; Lorena Brooks, sophomore; Helen Hurt, junior; Lera Louise McClenny, junior; and Champe Phillips, senior.

Masons To Be Honored

Masons who are members of the Eastern Star will be honored at a meeting which will be held at the Masonic hall Tuesday evening at 8 o'clock.

All Eastern Star members are urged to attend.

'Big Inch' At Work

MARCUS HOOK, Pa., Aug. 16. (AP)—"Big Inch" recently completed giant of all pipelines was in operation here today dumping 100,000 barrels of crude oil a day into huge storage tanks. The flow will increase gradually to 300,000 barrels a day, when 150,000 barrels will be sent here and 150,000 to Bayonne, N. J., over two smaller branches.

A tiny leak, repaired yesterday, shut off the flow for three hours Saturday night.

Musings In The M's

J. W. MADDREY—Talked with Mr. Maddrey who told us that his wife accompanied Mrs. Pete Kling to Sioux Falls, S. D., to visit with Pvt. Kling, Mrs. Maddrey's brother.

C. E. MANNING—"I've been in bed for the past four weeks" laughed Mrs. Manning. Seems she sprained her ankle while in town.

HARL D. MANSUR—Mr. and Mrs. Mansur and daughter, Beth, returned early today from a vacation in Elk City, Norman and Oklahoma City, Okla.

G. W. MARTIN—"My, you caught me right in the middle of washing," laughed Mrs. Martin. During the past few weeks she reports that she has canned 427 jars

of fruit, peas, green peppers, okra and cucumbers. "A great deal of this was out of my victory garden," she said.

T. E. MARTIN—Mrs. Martin is "recuperating" from a hike which she took with the cub scouts to South Mountain recently. She was also telling us about her and her son, G. C., visiting in Texasiana while Mr. Martin and Jimmy were at scout camp.

V. N. MARTIN—Virginia Cassidy who lives at the Martin home visited in Breckenridge this past week-end.

J. T. MASTERS—"With the tire and gasoline situation what it is, about all the vacation we have had is hearing Lenora tell of the trip she took," said Mrs. Masters. Their daughter, Lenora, has returned from California, where she visited relatives in Long Beach, San Diego and Los Angeles.

JOHN L. MATTHEWS—Mrs. Matthews was telling us that she was just enjoying the summer, playing with the baby, and getting ready to teach again this year at West Ward school. She visited her parents in Taylor recently.

Help Your Newspaperboy Keep Smiling By Having His Money Ready Each Week!

From everyone's viewpoint but his, your Newspaper Carrier's problems are little ones. While war has made the newspaper more important than ever, the cost remains the smallest of your regular household bills . . . yet collecting those little bills is the biggest part of his little business, for his profits depend upon his collections.

The fact that the bill IS so small, causes many folks to neglect to provide for its prompt payment. Many folks who would never think of putting off a large bill, like rent, for example, think nothing of having their carrier make extra trips to collect. But when he must make repeated call-backs he must earn the small amount he makes out of your paper bill two or three times.

Those Are His Troubles. Help Him Solve Them.

Pay Your Newspaperboy on His First Call!

More MILK-BEVERAGE-BEER if you return deposit bottles promptly.

Flintkote Staple Lox Shingles Featured

"When the government placed restrictions on just what we Americans could buy during wartime, there were no limitations placed on shingles and roofing for the simple reason that even though Uncle Sam is at war, good roofs are an important factor in health and protection, and property should be kept in good condition," J. E. Underwood, owner and manager of the Underwood Roofing company at 302 Lancaster, states.

One of the most successful composition shingles yet introduced on the market is the Flintkote Staple Lox which features the slogan "Lock on your roof against wind and weather."

Because you love your home, you want to give it the best protection. Yet your roof, where protection is most needed, may be leaking now without your knowing it. Here's why. Usually, the first leaks trickle down between the walls. After several storms, water marks appear on the plaster or wall paper. Then the redecoration inside the house frequently costs more than the roof repairs. Thus delay has doubled your expense.

Underwood pointed out five distinct advantages in purchasing a Flintkote fireproof roof. First, it is weatherproof with heavier felts. The exclusive process of super-saturation fills the pore spaces in the felt base with more asphalt, the waterproofing agent.

Second, the roofing lasts much longer. Tests have proved that it lasts four times as long as ordinary coatings under identical conditions.

Third, the colors are more lasting because they are surfaced with minerals that give lasting beauty.

Fourth, you are assured of quality in purchasing the Flintkote roof. The fifth reason is because of Flintkote's prestige leadership, backed by nation-wide manufacturing facilities, strong financial resources, and over 35 years of successful roofing experience.

Underwood, who has been in the business here for the past nine years, pointed out that the work done by the company is proof in itself, of its quality, because over 500 homes in Big Spring have been serviced with roofs from the Underwood Roofing Company.

Their built-up work, which in-

VITAL SERVICE TO COMMUNITY IS RENDERED BY PRODUCE COMPANY

The cow and hen are being called upon for great things in meeting food demands during wartime—but only as their products clear through markets is their work of real benefit to the public.

This is where the Wooten Produce Company is performing a vital service to the community and for the farmers of this area. Under the direction of Harvey P. Wooten, a long time resident of Howard county, the Wooten Produce Co. maintains a market for mounting production of eggs, for an increased volume of poultry, and for cream produced by farm herds.

In turn, the company sees that these products are distributed as quickly as possible to points where there is need for them. Eventually, some of the products go into the hands of the army and navy to feed our fighting men.

No spasmodic market is maintained by Wooten Produce, for regardless of the amount of poultry or poultry products now avail-

able, Wooten is prepared to purchase from farmers. Cream supplies, too, are readily handled. Producers may be assured of fair and courteous service at Wooten Produce, for Harvey Wooten is familiar with farmers' problems. Not only was he reared on the farm, but in addition to helping the war effort with his business, he is engaged in odd hours in making a crop on the family place north of here.

In turn, the company sees that these products are distributed as quickly as possible to points where there is need for them. Eventually, some of the products go into the hands of the army and navy to feed our fighting men. No spasmodic market is maintained by Wooten Produce, for regardless of the amount of poultry or poultry products now avail-

Not only was he reared on the farm, but in addition to helping the war effort with his business, he is engaged in odd hours in making a crop on the family place north of here.

Establishing what the company called an all-time record for rail movement of petroleum products from a Gulf coast refinery, the

Company loaded and shipped out 526 carloads of gasoline, fuel oils and lubricants in a single day last week, the firm announced today.

Cannibalism, Says Painter, Is Civilized

MEXICO CITY, Aug. 16 (AP)—Cannibalism was described by Diego Rivera, noted Mexican painter, as a phenomena of highly civilized rather than primitive peoples.

He made the statement during a lecture in which he criticized references to past acts of cannibalism in the Americas as efforts to discredit original American civilization.

Eating of the limbs of sacrificial victims in pre-conquest Mexico, he contended, was not to satisfy appetite, but was caused by a belief that the sacrificed men had been purified and had died a better death than persons who died under normal circumstances.

It amounted, he insisted, to a religious belief by the eaters that they were cleaning themselves. He cited instances of acts of cannibalism in civilized countries of Europe and argued that it is a phenomenon appearing when civilization enters a stage of decadence.

Garage Owner Urges Checkups By Drivers

"Be kind to your car," might be a slogan that all motorists could adopt and save themselves many a headache and many an expensive replacement. For in these days and times, shortage of parts and mechanics are war time problems, according to H. M. Rowe, owner and manager of the Rowe garage, 214 1-2 West Third street.

A good plan to follow, according to Rowe, is to take notice when your car begins using more oil than usual. This could mean an oil leak or the fact that your car is needing piston rings.

The enforced slower speeds that motorists now must follow are saving on tires but harder on automobiles. Driving much under before-war speeds, a car doesn't get lubrication and carbon doesn't burn out. This results in a strain on both rings and valves.

A careful motorist should have his car checked every three to five thousand miles, Rowe believes, because then minor repairs can be made. This saves waiting for scarce parts to be found and also prevents repairs.

Most motorists run their cars too many miles before having their valves ground, Rowe points out, and this leads to motor trouble and an unhappy driver.

LAKE IS STOCKED
 COLEMAN, Aug. 16 (AP)—Last week 53,000 fish were placed in Lake Scarborough under the direction of Game Warden John Wood of Brownwood and Carl Pence, Cisco, state game, fish and oyster commission employe.

California farm incomes totaled \$1,147,897,000 in 1942, or 31.3 per cent more than in 1941.

Pirates Score Win Over Braves

All-Stars Have Speed, A-1 Air Attack And Top Quartet Of Backs

EVANSTON, Ill., Aug. 16 (AP)—After several scrimmage sessions, coaches of the All-Star football squad agree they have three essential weapons at their disposal which may upset the Washington Redskins Aug. 25:

1. The best air attack in the 10-year history of the game.
2. A quartet of ferocious, line-ripping fullbacks.
3. Enough overall speed to spin a tight pass defense around the

Redskins' Sammy Baugh. These superior passers can be inserted into every backfield position without disrupting the unit's balance—line-plunging Steve Filipowicz of Fordham fullback; Bob Stener of Missouri, Charles Truppe of Georgia and Otto Graham of Northwestern at halfback; All-American Paul Gervanni of Columbia, Angelo Bertelli of Notre Dame, Tom Farris of Wisconsin and Jim Yonell of Iowa at quarterback.

Stepping up the fire power will be Glenn Dobbs of Tulsa, another All-American who reported today after being granted a leave from the army.

The task of cracking Washington's rigid forward wall will be assigned to such pile-driving fullbacks as Filipowicz, Roy McKay of Texas, Al Harder of Wisconsin and Corwin Clatt of Notre Dame.

The coaching staff also is impressed by the speed and general ability of the linemen, giving special praise to All-American Gardner Ramsey of William and Mary, Felix Bueck of Texas A&M, Julie Franks of Michigan, All-American Dick Wildung of Minnesota, Al Wistert of Michigan and Bob Zimny of Indiana.

Four touchdowns were scored in the course of yesterday's scrimmage. Filipowicz split through the guards for a 35 yard dash; Graham cleared 25 yards around end; Harder also skirted end for 12 yards, and Graham broke loose for a 30-yard sprint, laterally to Harder who scampered 25 more to the goal.

Cleanup Campaign Organization Meet Tuesday Afternoon

With a definite plan of action shaping up, clean-up district supervisors will be convened for an organization parley Tuesday at 3 p. m. in the chamber of commerce office.

At that time details for organizing a sufficient number of workers within the districts will be outlined so that when rat poison supplied by the city-county health unit is furnished on Aug. 26, it may be distributed to every home in the city within two hours.

At the same time, district workers will be asked to make inspections concerning cleaning of property.

Saturday the infantile paralysis committee put its force behind the drive by urging that citizens join in the campaign.

New Producing Spot Virtually Assured

SAN ANGELO, Aug. 16 (AP)—Virtual assurance of a new oil producing spot in northwestern Andrews county or a 4 3/4 mile extension to the Fullerton deep Permian lime field by Union Oil Co. of California No. 1 J. D. Biles was West Texas' outstanding oil development last week.

Humble Pipe Line Co. had completed survey for a 14-mile, 4-inch pipeline from its Kemper station to the Barnhart Ordovician field in southeastern Reagan county and awaited only approval by the War Production Board to move the pipe from Corpus Christi district and begin construction. Oil from 23 wells comprising the pool, all but one on land of the University of Texas, now is trucked to the Kemper station.

32 Schoolboy Gridiron Stars For Bowl Game

WICHITA FALLS, Aug. 16 (AP)—Thirty-two high school football players from the 1943 season have accepted invitations to appear in the annual Oil Bowl game scheduled here Sept. 12.

Two all-stars, both of whom starred last night at Waco in the annual North-South game of the Texas high school coaching school, are among the youngsters who will gather here Aug. 25 for a week of training before the battle.

Jack Kay, giant Breckenridge fullback who led the North to its 25-12 victory over the South, and Gobie Bryant of Sunset (Dallas), a power of the North line, are the all-state players in the group.

But they'll be on different teams this time—Ray with the West Texas squad and Bryant with the North Texas outfit. James Ford, Amon Carter-Riverside (Fort Worth) star who also stood out in the North victory, will be on the North Texas team in the game here.

Homer Norton of Texas A&M will direct the North squad, assisted by Ted Jefferies, Wichita Falls high school coach. Dell Morgan of Texas Tech will coach the West, assisted by Eck Curtis, Breckenridge high mentor.

The squads to date:

West Texas—Ends, Calvin Lamb, Slaton; Bugs Fambro, Breckenridge; Hubert Bechtel, Lubbock; Tackles, Ed Robertson, Post; Harry L. Walker, Muleshoe; Thurman White, Big Lake; Guards, Tom Pirnie, Lubbock; Jimmy Biessen, Amarillo; Backs, Elmo Collier, Slaton; Joe Thompson, Lubbock; Bob Brewer, Lubbock; John Mason, Plainview; Jack Ray, Breckenridge; Cosell Foster, Phillips.

North Texas—Ends, E. F. Critts, Amon Carter-Riverside (Fort Worth); John Milam, Graham; Donald Orr, Graham; Tackles, Monty Moncrief, Sunset (Dallas); Gobie Bryant, Sunset (Dallas); Bob Holloway, Arlington; Richard Jones, Paris; Bobby Nabors, Poly (Fort Worth); Guards, Don Jones, Waco; Billy Robinson, Sherman; Center, Kiefer Marshall, Temple; Backs, James Ford, Amon Carter-Riverside (Fort Worth); Harry Neville, Conroe; Maxie Bill, Vernon; Ed Marshall, Denison; Iven Cunningham, Arlington; Dardus Elrod, Uvalde; Kenneth Eechman, Wichita Falls.

Bond Drive Heads To Be Chosen

Basic organization for meeting a gigantic September bond quota will be attempted Monday at 5 p. m. at the chamber of commerce, said Ted O. Groehl, who headed the successful record drive here in April.

A chairman, vice-chairman and possibly other leaders will be selected at the parley, Groehl indicated.

York Connects 2 More Homers For Detroit

By TED MEIER
Associated Press Sports Writer

The ending of Rip Sewell's two-game losing streak and the booming home run bat of Rudy York grabbed the headlines in the major leagues yesterday.

After losing two in a row to the Cardinals and the Phillies Sewell finally won his 18th game for Pittsburgh by beating the Braves, 11 to 1, and give the Pirates a split of a twin bill. The slow ball artist yielded only four hits and, in addition, banged out two hits and stole two bases.

The Braves, who early in the season inflicted one of the four defeats charged against Sewell, knocked the Pirates out of a second place tie with Cincinnati by taking the opener, 5 to 1, for Jim Tobin's 10th victory.

York connected for two homers—his 22nd and 23rd—as Detroit beat the Philadelphia Athletics twice. He now has outdistanced 19 homers during August and needs only nine more to set a major league record for the most roundtrippers hit in one month.

Both of York's blows came in the first game, the second in the 11th inning to give the Tigers a 5 to 4 triumph. In the nightcap Tommy Bridges beat the A's, 3 to 2, on six hits for his 10th win. The tallend Athletics now has lost 10 in a row. Dryout Trout, appearing in a relief role, won his 13th in the opener.

Cincinnati beat the Giants twice, 5 to 4 and 6 to 5, to take undisputed possession of second place. A ninth inning double by Bert Haas won the opener. Lonnie Frey's sixth inning single drove in the deciding tally in the nightcap. A three-run homer by Joe Medwick knocked starter Ed Heusser out of the box in the first inning of the nightcap, but Joe Begg's relief pitching stopped the Giants the rest of the way.

Charley Keller's 19th homer and Joe Gordon's two-run triple helped the New York Yankees wallop the Chicago White Sox, 7 to 2, for Ernie Bonham's 11th victory. But the Sox got a split by taking the nightcap, 4 to 3, on successive homers by Joe Kuhel and Vince Castino in the seventh inning. Nick Etten clouted his 12th four-bagger and 14th consecutive extra base hit in the eighth after which the game was called because of the weather.

With Stan Musial and Ray Sanders each smacking two homers the St. Louis Cardinals walloped Brooklyn, 11 to 3, for the eighth straight time in the first game of their bargain bill, but the Dodgers broke the spell by winning the second game, 4 to 3, in 10 innings. It looked like another Cardinal triumph when Whitely Kurovski doubled and scored on Sanders' single in the top of the 10th.

The Dodgers tied it in their half on a walk, a sacrifice and Luis Olmo's single and won when rookie Gene Hermanski drew a base on balls with the bases choked. Ernie White was replaced by Howie Krist after pitching two wide ones to Hermanski. Krist worked the count to 3 and 2 before forcing the winning run home with a low fourth ball.

Cleveland ran its winning streak to eight by beating Washington, 6 to 2, behind Vern Kennedy's six-hit twirling, but the Senators abruptly ended the streak by winning the second game, 4 to 0, as Bill Heusser came up with a six-hit shutout.

The Chicago Cubs dropped the Phillies to seventh place by winning a doubleheader, 5 to 3 and 3 to 0. Hi Bithorn chalked up his 15th win in the opener while Big Paul Derringer, pitching in oldtime form, yielded only six hits in taking the nightcap from his former Cub teammate, Bill Lee.

The Boston Red Sox swept their twin bill from the St. Louis Browns, 4 to 2 and 4 to 0. Bobby Doerr's 14th homer helped win the opener. In the nightcap Joe Dobson and Mac Brown held the Browns to five hits. Dobson was removed in the sixth when he showed signs of tiring.

Weed-Killing Will Be Demonstrated

There will be a weed and Johnson grass killing demonstration Tuesday after 8 a. m. on the Gall road south of the Luther gin, County Agent O. P. Griffin announced.

Farmers were invited to witness the demonstration, under auspices of the Howard county commissioners court. A new chemical, which has been proven effective when spread on the ground at the rate of four pounds to the square rod, will be tried on Johnson grass by spray.

PROMINENT BRITON DIES
LONDON, Aug. 16 (AP)—Sir Frederick Phillips, 89, who headed British treasury missions to Washington in 1937 and 1940 and later served as British fiscal agent in the United States, died Saturday in London.

Catherine Fox—Catherine Fox (above), Glen Ridge, N. J., medalist with Kay Byrne, Rye, N. Y., in the qualifying round of the women's Western Amateur golf meet at Evanston, Ill., also won the Marion Milley bracelet trophy, signifying low score for the qualifying round of both 1943 western meets, open and amateur. She is hitting one across the water in the style that gave her a two-under par 74, matching Miss Byrne's score.

'Handy Man' Ash Hillin Too Busy To Play Ball

MOUNT CALM, Aug. 16 (AP)—Ash Hillin isn't playing baseball this season for the first time in 30 years. He doesn't have time.

Hillin, who won the Texas league's most valuable player award with his pitching, is serving the war effort as a jack of all trades.

Hillin's father-in-law rents a farm from him and because of the manpower shortage Ash is helping out.

The waterworks superintendent quit, so Hillin fills in there, helping make repairs and carry on operation of the plant.

In fact, when they need a man anywhere in Mount Calm they just call on Ash.

Hillin retired from professional baseball in 1941 but played a season and a half with the Waco Dons while also serving as a rural mail carrier.

Crucial Week For Fields Threatened With Bollworms

This week, said County Agent O. P. Griffin, may prove a crucial one for cotton fields threatened with bollworm infestation.

Although there are not nearly so many moths out as Griffin had anticipated, he nevertheless said that the chrysalis of the bollworm was at the roots of cotton stalks in many fields and could hatch this week.

If the incidence of moths should increase in fields, Griffin recommended immediate double spraying. If eggs are laid on leaves, they may not hatch until a shower, but even so it will take only a light amount of moisture to accomplish this.

Crops planted with proper regard to spacing are holding up surprisingly well over the county, but those planted too close are suffering from the heat and lack of rain, reported Griffin. He estimated that fully half of the county's cotton acreage was too thick as a result of high priced cotton chopping costs which precluded thinning.

Applications For Tractor Tires Are Okayed With 'If'

The Howard county USDA war board last week approved application of five farmers for tractor tires provided they agree to make the machines, either with combines or row-binders, available for custom work.

The board also reviewed three applications for REA connection. One was approved as having ample units, but the other two were short and held in abeyance until sufficient units are added.

"City of a thousand steeples," Montreal, Quebec, is also famous for its towering St. Joseph's Shrine, situated on the slopes of Mount Royal.

Quarantine comes from the Latin word "quaranta" meaning 40; in the old days, a person with a contagious disease was placed in isolation for 40 days.

Racing Only Sport Affected By New Draft Regulations

WASHINGTON, Aug. 16 (AP)—Given a figurative shot in the arm by the latest draft non-deferrable rules, civilian sports leaders made ready today for business at the same old turnstiles—for the time being, anyway.

Big time baseball and football, some form of intercollegiate football, and ring bouts as well as those of the past few months seem assured for the rest of 1943.

Except for racing, sports came through untouched in the non-deferrable occupation list released by the War Manpower Commission two days ago. Professional athletes weren't even mentioned.

All jobs connected with "race tracks and courses," however, were declared non-deferrable, thereby subjecting such employees to speedy induction unless they switch to essential work. Draft boards were not advised whether this regulation covers jockeys and trainers, who are employed by horse owners instead of the tracks.

The fact that the list of non-deferrable occupations was extended without touching professional athletes came as a surprise in most sports circles. Many baseball and professional football leaders figured their plans for the future were based on the slim hope for operations on "borrowed time."

As it stands, baseball and pro football may stack up to the fondest expectations of their backers this year, at least. The draft won't take any players, who are fathers of children born before last Sept. 15, as long as there are enough non-deferrables to fill the military quotas. Most of the unmarried professional athletes already are in the service.

Connie Mack, 80-year-old manager of the Philadelphia Athletics, expressed the view of baseball men a couple of days ago when he said:

"Ninety-five per cent of the country and our soldiers and sailors all over the world want the game continued."

WACO BESTS OILERS

WACO, Aug. 16 (AP)—Waco's Army Air Field, led by Pitchers Nick Popovich and Ernie Nelson, won two baseball games yesterday from the Baytown Oilers, 1-0 and 2-1.

LEGION MEETING TONIGHT

The American Legion local post will meet at 8 p. m. Monday at the Settles hotel for a regular business session.

Laredo Sharpshooters Are Top Place Winners

EAGLE PASS, Aug. 16 (AP)—Five sharpshooters from Laredo gunnery school scored an aggregate 486 out of 500 yesterday to win top team laurels in the monthly service men's skeet tournament at Eagle Pass Army air field.

Individual high scorer of the tournament was Capt. Charles H. Poulton, Eagle Pass range officer, who shot a perfect run of 100 targets.

Marksmen on the Laredo team were Capt. D. Lee Braun; Staff Sgt. Richard Shaughnessy; Lt. C. L. Lollar; Lt. T. P. Meyer and Lt. M. Brown.

Boston at St. Louis (night)—H. Newsome (2-10) vs. Newsom (9-9). (Only games scheduled.)

Pro Champs Leave For Tilt With College All-Stars

SAN DIEGO, Aug. 16 (AP)—The Washington Redskins, pro football champions, leave today for their game with the college all-stars in Chicago Aug. 25, with the knowledge there is nothing drastically wrong in their past department.

The Redskins showed a sharp aerial offense, for so early in the season, in an inter-squad Shrine charity game played before more than 20,000 persons here yesterday.

The East squad won, 10 to 7, on a field goal booted by Bob Masterson (Miami U) and a 36-yard pass, Jack Jacobs to Steve Bagarus (Notre Dame). The West scored on a line play after a 45-yard pass from Sammy Baugh, the original Texas Slinger, to Joe Aguirre (St. Mary's).

George Washington was a book collector and a devotee of the theatre.

Freight Rate Bill's Origin Grossly Misrepresented

Proposed legislation raises squarely the issue whether the way freight rates are to be regulated in the future is to be determined by Congress under political pressure," says the Railway Age in its current issue. "For by the Interstate Commerce Commission after full hearings and in accordance with its best judgment."

The railway management publication concedes that there "is economic dynamite in a bill that will be considered by congress when it re-convenes and which directs the Commission to establish a uniform classification of property and a uniform scale of class rates" throughout the country.

It goes without saying that Railway Age, being the good mouth-piece it is, stands "agin" the proposed bill because uniform class rates throughout the country "would disregard the existing provisions of law cited (provisions prohibiting unfair discriminations between shippers and territories, requiring lowest possible rates on agricultural products and adjustment rates that will promote movement of commerce and enable railroads to earn a fair return)" and which the legislation now proposed would, in effect repeal.

Now here is the bug in under the chip.

The movement for this bill is political in origin, says Railway Age. "It was started by governors of southern states—" and thus "the fact that the movement is not one by shippers but by governors supported by congressmen from their states sufficiently demonstrates that it is political—not economic, in its origin, character and purpose."

Politics! Either Railway Age is abysmally ignorant of facts, too lazy to ascertain them, too blind to care or just plainly misrepresenting matters in an effort to create a smoke screen in this vital, impending battle.

The call for equalized freight rates did not originate with governors of southern states. It did not originate with any public official of which we have any knowledge. It originated right out here in the southwest—con-

Hollywood Sights And Sounds— Claudette Colbert Finds Acting Is Full-Time Job

By ROBBIN COONS
HOLLYWOOD—A moment ago Hollywood's stellar coterie of sideline farmers, shopkeepers, elite kennel owners, and gold mine entrepreneurs the name of Claudette Colbert is conspicuously missing.

For all that, our Claudette is one of our most successful business women. The only board of directors on which she sits is a one-woman board whose attention is devoted solely to the business firm of one C. Colbert, actress. Probably because she tried the other things once and learned a lesson, she is content to make acting a full-time job.

Not that she doesn't admire the others who can rush from roles to rural enterprises and back again, or turn a neat profit on a real estate deal between emotional scenes. That sort of thing is not for Colbert—it's a mystery to her how they do it.

This is her tune and she sings it with conviction:

"As far as I'm concerned, I believe if you're an actress and want to build yourself to stardom and remain there, then that's a business which demands all your time. You must get to know every phase of that business until you have become an expert. If you aren't an expert in any enterprise, you'd better stay out of it."

"I don't know anything about the dairy, machine, furniture or restaurant business, so I stay away from them. And if you sink money into something you don't understand in every detail, and have to rely on someone else to run it for you on your money, then you're foolish."

It has been nearly ten years since Claudette had a lesson in the prime importance of proper vehicles in advancing a career. Luck was on her side that time. All her fans knew that her judgment on the script of "It Happened One Night" was unfavorable, and she went into the picture hesitatingly. When it made her a star and won her an Oscar besides, she had to take stock of her abilities as a story-picker, and the inventory has helped. Today she's sharp—the record of her films is the proof.

She likes to vary comedies with more serious stories. She will frolic lightly through pieces like "Palm Beach Story" and "No Time for Love" but periodically

Big Time Medley New York Drama Season Opens One Month Early

By JACK GAVER
NEW YORK (UP)—A glittering operetta revival, a psychological horror play starring a famous actress, and a tawdry little bedroom farce that died the week it was born were the initial offerings of the 1943-44 theater season which opened a month earlier than usual. Theater men expect the next nine months to be the most prosperous in almost 15 years.

The New Opera company, which last season had a surprise hit in its revival of Strauss' "Die Fledermaus" under the title "Rosalinda"—it's still running—is trying to duplicate that success with a revival of Franz Lehár's 38-year-old "The Merry Widow." It is a handsome production, streamlined here and there as to the book, kept at a fast pace and given its full musical value by excellent singers and a first-class pit orchestra under the baton of Robert Stolt, himself a noted Viennese operetta composer and the conductor at the original Vienna opening in 1905.

Jan Klepura, the volatile Polish opera star, has the role of Prince Danilo and handles it with dash and excellent voice. That he hasn't much sense of humor is a drawback but not fatal. The Widow is his off-stage wife, Maria Eggerth, a continental star who has an acceptable voice and beauty that will knock off your monocle.

For the comedy there is Melville Cooper, a really funny man who, like all comedians in operettas, has a pretty thankless task, their humor being what it is. Heavily on the credit side is some marvelous ballet work by Lubov Rudenko and Milada Mladova. Don't let that last name fool you; she's from Oklahoma.

If you go for operetta, you'll probably like this revival.

"The Two Mrs. Carrolls" by Martin Vale, which is the pen name of Mrs. Bayard Veiller, widow of the late playwright who specialized in murder pieces, is a starring vehicle for Elisabeth Bergner, Germany's greatest young actress before Hitler. She appeared here six years ago in "Escape Me Never."

The play tells the story of the happy young wife of a temperamental artist. Her world collapses around her when she finds that her husband, who has fallen for another pretty face, is trying to poison her and, in fact, had tried similarly to dispose of his first wife. He winds up a suicide when his plot fails.

The drama has superficial attractions, but basically it is a weak play with poor motivation and a lot of loose ends that no one ever bothers to explain. Miss Bergner's reputation may carry it and she has the support of a splendid cast, including Victory Jory, as the husband; Michelette Burani, Silano Braggiotti, Margery Maud, Irene Worth, Philip Tonge and Vera Allen. If you go to the theater much you probably will discover that "The Two Mrs. Carrolls" suffers considerably by comparison with others of the type, the still current "Angel Street" being an outstanding example.

As for Miss Bergner, you like her a lot or not at all. She has too many tricks of the trade for some; yet, despite some quirks which are a bit upsetting, she is a pretty sound performer and someone who should be seen. Personally, I liked her much better in "Escape Me Never."

The play was produced by the star's husband, Dr. Paul Canner, and Bob Reud, and was directed by Reginald Denham, who specializes in writing and directing drawing-room thrillers.

The bedroom farce was an inept, obnoxious, outdated piece entitled "Try and Get It," produced by the veteran Al Woods in a comeback attempt. It was withdrawn after eight performances and the other details are best forgotten.

There is talk already of a theater shortage and, while you hear this sort of thing annually, there seems to be substantial reason for it this season. For one thing there is an unusually large number of shows which have been running for months and which show no signs of departing in the near future. And there are expected to be more productions this season than usual, with emphasis on big musicals, which have physical requirements that make it impossible for them to drop into just any house that happens to be empty.

Billy Rose is doing something about the situation for his own needs by leasing the Ziegfeld Theater from the Hearst interests to house his all-negro version of the opera "Carmen." To those nostalgically-inclined this is good news from home because the Ziegfeld, where the great man himself presented some of his finest musicals, is one of the world's most "theatrical" theaters, a place where it was a pleasure just to

MURDER IN TIN

By CARL A. PETERSON

Chapter 25

I shut the door of my room and Sam Taggard sat down.

"Are you engaged to my daughter like the papers claim?" I felt him examining me carefully as if he were, in fact, only the father of a marriageable daughter.

"No! Where'd you come from?" I said.

"Just newspaper gossip, eh? Is there anything between you two?"

"No, But—well."

"So there is something between you?" He shook his head.

"Damn that Johnson!" He gazed at me wearily. I noticed that his face was seamed with wrinkles. The last six months had taken its toll from him.

"My daughter," he said, "poor kid." There was no fury in his eyes now. "How about a truce? I need help. Let me warn you I'm not carrying a guide post to the tin on me. So it's no use arresting me. I want my kid and it's not going to be easy. Johnson's smart." His free hand tore into his hair. "Johnson wants me, wants me dead. Has to have me dead or the tin's no asset to him—"

"Lathrop—"

"Don't bother me about Lathrop. It's my kid I care about. Don't you understand what you read in the newspaper? They say: Your kid's gone and she'll stay gone unless you stay away from the Government boys. They say: If you want your kid, you play ball with us."

I was trying to appraise the potentials of this development in view of our main object: Tin

Washington— Animal Industry Bureau Chief Has Retired

(During Jack Stimmitt's vacation, his column is being conducted by members of the Washington staff of The Associated Press. Today's column is by Ovid Martin, who specializes in farm news.)

By OVID MARTIN

WASHINGTON—The principal character in one of America's outstanding success stories—the development of the world's leading livestock industry—has retired.

He is Dr. John R. Mohler, who was chief of the Agriculture Department's Bureau of Animal Industry, an agency which safeguards the health of the nation's multi-billion-dollar dairy, seed cattle, hog, sheep, and poultry industry to assure Americans a stable supply of disease-free meat, dairy and poultry products.

Dr. Mohler retired after serving 46 years in the bureau, of which 26 were spent as its chief.

A man of commanding personality, 68-year-old Dr. Mohler was able to obtain funds from Congress for scientific research programs where secretaries of agriculture often failed. His clipped, austere and restrained gait were distinguishing personal characteristics.

Perhaps his most outstanding achievement was the eradication of bovine tuberculosis, which threatened the milk supply several years ago. This country is also one of the few great nations of the world free of the terrible livestock scourge, foot and mouth disease.

Dr. Mohler sponsored the improvement of domestic animals by research in genetics and the application of scientific knowledge to practical stock breeding. Through his encouragement, the government obtained breeding stock from abroad. He sponsored also an effective nation-wide plan of poultry improvement, involving breeding and disease-control.

A lover of horses, he directed the improvement of Morgan horses at an Agriculture Department farm in Vermont. Many fine specimens, some of which have been used in Army horse breeding, have resulted from this project.

In commenting on Dr. Mohler's retirement, Secretary of Agriculture Wickard said he had "helped the Department of Agriculture perform a great service for the people of the United States—a service from which all of us have received many benefits."

Dr. Mohler was a native of Philadelphia. He entered government service as a veterinarian inspector shortly after finishing his college education in 1897.

Murder

(Continued from page 6)

Taggard said.
"How?"
He told me.

Late that night I took a cab out of fashionable Mexico City to the address Taggard had given me—a small restaurant presided over by a man in a dirty apron. When I got there a few customers were still drinking and smoking.

I waited for the man in the dirty apron to come to my table. This restaurant, as I now knew, and not the Club Opalo, was the exchange, the clearing-house between the Japanese espionage and Sam Taggard.

Smiling, the proprietor approached me. He was, I knew a member of the Mexican fascist Gold shirts.

I said "Naranja." That meant orange. It was also the password or rather the first part of the password. Sam Taggard's information had been quite detailed.

"Naranja," the proprietor repeated. He wasn't smiling now. He looked over his shoulder at his customers. Then he said, "Llevar naranjas a Valencia." He was using European Spanish. What had said was the Spanish equivalent of carrying coals to Newcastle—to carry oranges to Valencia. He peered at me hard, waiting for the rest of the password.

"Se me lleva indicado que vende articulos ingles." I said. Which meant: I am told that you sell English goods.

"Si, Senor," He excused himself.

self. He brought me a glass of wine and again excused himself. It was almost an hour and a half later on my wrist watch when he returned. Under his breath he said something in Spanish. I didn't understand at first, but then I gathered that I was to go outside.

Outside, a roadster had parked in front of the restaurant. The proprietor tapped on the roadster's hood and was gone. I peered at the driver who flung open the door. I got inside. The driver shoved the car into gear.

The motor hummed and we were speeding down the street. I thought that I was a damned fool to trust Sam Taggard. But then I wasn't so sure of being able to supply. Why not start now? Big Spring Business College, 611 Runnels. Phone 1692.

Jurors To Report Tuesday Morning Because Of Meet

County Judge James T. Brooks, dismissed jurors reporting Monday morning and ordered them to report back Tuesday morning at 9 o'clock due to a county commissioners meeting also scheduled for today.

The commissioners met to approve the Jury of Views findings and other matters of county business.

Tuesday the jury panel will be selected and scheduled to be tried are six criminal cases and four civil suits.

George Thomas, county attorney, said the criminal cases include the State versus Ray C. McElroy, negligent homicide; State versus Jack W. Bryant, theft; State versus Raymond Carl Rocky, negligent homicide; State versus E. E. Matthews, driving while intoxicated; the State versus T. G. Henry, driving while intoxicated; and State versus Felipe Benteria, disturbance. The disturbance suit is one that was tried last week in justice court and appealed to county court.

Civil suits set for the August term include Gibbs and Co., Inc. versus Mrs. E. A. Riden et vir, suit for foreclosure of chattel mortgage; Cosden Petroleum Corp. versus Albert P. Groebel, suit for debt; C. F. Morris versus C. L. Rowden, suit on debt; and Otis Grafa versus J. L. Moates, fraud. The Grafa versus Moates case is also on appeal from justice court.

Cleaning Out Under Way On Cosden Test

Cleaning out operations were underway Saturday on the Cosden No. 1 Chester Jones, southeast diagonal offset to the Gutherie & Cosden No. 1 Pauline Allen discovery in the Vincent pool.

The 980-quart shot was from 3,985 to 4,493, bottom of hole by steel line measurement. Top of the lime stain section was at 3,961 feet. Earlier in the week the test did not respond to a 2,000-gallon acid treatment from top of the stained section to bottom. Location is 660 feet from the north and west lines of section 5-25, H&TC.

The Magnolia No. 1 Willis Win-

Occupation New Key To Deferment

WASHINGTON, Aug. 16. (AP)—Occupation, not family status, becomes the principal yardstick for determining whether men of from 18 to 38 will be inducted into the army under a series of new regulations issued over the weekend by the war manpower commission.

Although draft boards are expected to continue giving due consideration to hardships that would be caused by the induction of men with dependents, after October 1, the main question will be whether the physically fit can serve their country better in the armed forces or in war production and in support of the war effort.

WMC Chairman Paul V. McNutt said the program had three objectives: to hold essential workers on war-useful jobs, to assure transfer of workers to jobs aiding the war effort, and to supply men needed for the armed forces without cutting war production.

Livestock

FORT WORTH, Aug. 16. (AP)—Cattle 4,600; calves 1,800; steers and yearlings mostly weak to lower. Other classes of cattle and calves about steady with Friday's market. No good fed steers or yearlings available; common to medium grades drew bids of 9.50-12.50 with sales in that range while some were held for more; beef cows mostly 8.25-10.50; fat calves 8.25-12.50; stocker steer calves up to 13.00; stocker heifer calves up to 12.50; common to medium stocker calves 8.00-11.50; stocker steers and yearlings 8.50-12.50; stocker cows 10.00 down.

WEEK'S REVIVAL IS SUCCESSFUL

The one-week revival terminating Sunday at the East Fourth Baptist church was held Monday to have been one of the most successful in years.

Crowds were the largest of any meeting held by the church during recent seasons, and the response was equally good, said the pastor, the Rev. R. Elmer Dunham. Also encouraging was the percentage of men in the congregations which heard the Rev. O. C. Curtis, Seminole, a former Big Spring resident.

Office Provided For Deputy Collector

An office for Deputy Collector H. W. Axe will be opened in the postoffice basement in accordance with a request from W. A. Thompson, collector of internal revenue, Postmaster Nat Shick said Monday.

Axe, whose home is in Odessa, will be assigned road 17, vacated Saturday by the US Navy recruiting office.

PROMOTIONS ARE ANNOUNCED HERE

Two officers have been raised to rank of major and three to captain in promotions announced at the Big Spring Bombardier School.

Those promoted from captain to major are Harry F. Wheeler, Hadron Field, N. J., special service officer; Lewis P. Blanton, Longview, Texas, transportation officer.

Public Records

Marriage Licenses

Frances S. Caduto, Morristoryn, N. J., and Elizabeth Ann Cartwright, N. J.

Chester Lee Harrison, Maude, Okla., and June Ryan, Seminole, Okla.

MASONS TO MEET

Staked Plains Masonic Lodge will meet tonight at 8 o'clock in Masonic Temple to confer the Master's Degree on a candidate. All Masons are invited.

COLORADO CITY FRONTIER ROUNDUP IS BROUGHT TO CLOSE SATURDAY

COLORADO CITY, Aug. 16.—The 1943 Colorado City Frontier Roundup wound up here Saturday night with the last of three nights performance rodeos which drew crowds of approximately 3,000 persons at each show. Bob McGuire, Mitchell county rancher from Cuthbert, came out with the best average made at the rodeo in both free-for-all calf roping and Mitchell county roping. His average in the free-for-all division was 16.9, and for the Mitchell county class, 19.4.

Winners in the second round of team tying were Sims Taylor of Lubbock who bested the field at the Saturday night show with his time, 20.4. Second in team tying was E. D. Walker with 21.8 seconds. Vance Davis of Coahoma and Elmo Favers of Snyder split third and fourth money after a tie time of 23.2.

Weldon Young took the second round in free for all roping with the pace-setting record, of the whole show when he rang up a 15.8. Weldon Miller of Gail was close on his heels with 16 seconds flat. Bob McGuire tied his calf in the second contest in 16.4 to take third money, and Clay Mann Smith Jr., Mitchell county, took fourth with 16.5.

Mitchell ropers competing on the second money round bowed to McGuire's 17.2 for first place; Shorty Northcutt's 18.4 was second; Forest Porter did a 19.6 for third spot; and A. B. Owens got fourth money with his 20.6.

The best average in saddle bronc riding was made by Eddie Caldwell of Fort Worth. Sonny Lavender of Mankin was second in this event. Lavender's broken foot, received when the wildest steer ever shot out of a Colorado City show jammed him against the fence, was the only real injury of the shows. Doug Bloodworth won third money in the bronc division.

Jesses Everitts of San Angelo was victor in the steer riding tries. Ross Moore, also of San Angelo, made the only bronc ride out of eight tries in the last show.

Grady Blue of Palo Pinto won over all cutting horse entries with his Snooks. Cutting horse contests climaxed the performances each evening and the top six horses were shown and judged at the Saturday show.

Here 'n There

Mrs. P. D. O'Brien, district young people's secretary, announced today that the Baptist youth encampment which was scheduled to be held here August 30th through September 3, had been canceled. The annual encampment was first scheduled to be held earlier in the summer but was postponed until August due to the threatened epidemic of infantile paralysis.

Mrs. W. H. Bagley received a post card from her son, Cpl. William R. Bagley, who is in a prison camp at Osaka, Japan, last week, telling her that he was well, not working for pay, but would be soon. Mrs. Bagley was somewhat mystified by the card as Cpl. Bagley urged her to be careful of her health. This was the first message she had received from him in two years.

Lieut. Frank P. Duley, who has been stationed at Rome, N. Y., is now at Westfield, Mass. Barnes Municipal Airport, for six weeks' training.

S. A. Brandon of Lake Charles, La., and a former Big Spring resident and Cosden employee, was in town over the weekend.

The Sheriff's department sent its thanks Monday to Bass and Dillard and P. A. Smulcher trucking companies for the voluntary assistance of their truck drivers Friday night at the car wreck on Highway 80. The four trucks traveling from Wichita Falls stopped when they saw the truck-car crash and the drivers assisted in extricating the four men killed in the crash.

Mary Odessa Crenshaw has been promoted to the rank of sergeant, so her parents, Mr. and Mrs. J. F. Crenshaw were informed this weekend. Sgt. Crenshaw is stationed with the WAC, Company B, Nacogdoches, Tex.

Cpl. Louis D. Sutton, USMC, has arrived in San Francisco as a battle casualty, his cousin, O. S. Sutton, T&P conductor, has been promoted. Cpl. Sutton, enlisted just here Pearl Harbor and has seen almost continuous fighting on three fronts, including service to the last Jap on Guadalcanal. Subsequently he saw service in Tunisia, said Sutton. He is only 20 years old.

Mrs. Mary Taylor Dies In Blackwell

Mrs. Mary Taylor, former resident of Big Spring and Coahoma, died early today at her home in Blackwell.

The body is being brought overland by an Eberley funeral coach and services are pending arrival of relatives.

Survivors include three brothers, Bud McKinney, Coahoma, J. S. McKinney, Blackwell, and Albert McKinney of El Paso, and one sister, Mrs. Ellen Tatom of California.

BAND REHEARSAL

Dan Conley, high school band director, Monday reminded band members of the rehearsal set for 8:30 p. m. today in the high school band room.

SAFETY COUNCIL MEET

Roy Reeder, president of the Big Spring Safety Council, has called an important meeting of the council for 5:30 p. m. today at the Settles hotel.

WOMAN IN THE WAR

IRENE DAILEY, machinist at the Arma Corp., helps make instruments for gun-fire control.

THE ZONE

—WHERE CIGARETTES ARE JUDGED—

The "T-ZONE"—Taste and Throat—is the proving ground for cigarettes. Only your taste and throat can decide which cigarette suits best to you... and how it affects your throat. Based on the experience of millions of smokers, we believe Camels will suit you "T-ZONE" to a "T." Prove it for yourself!

Rites Are Held For Auto Crash Victims

COLORADO CITY, Aug. 16.—Funerals for three of the victims of a highway head-on crash which took four lives Saturday night at Sand Springs, near Coahoma, were held at Colorado City Sunday afternoon.

Services for A. B. Carroll were held at Kiker chapel at 2 o'clock with the Rev. Homer Sheats, pastor of the Church of God at Big Spring, officiating. Carroll had made his home in Big Spring for the past year where he was employed in a steel transportation business. He was driver of the truck and was riding alone at the time of the fatal wreck.

He was born in Grapevine, Nov. 28, 1917, and married Dorothy Lacey at Big Spring March 24, 1942. His wife, his mother, Mrs. Maggie Carroll of Colorado City, four sisters, Mrs. Ruel Ryan of Hermleigh, Mrs. T. A. Tolson of Fort Worth, Mrs. Edna Glace of Snyder, Mrs. H. W. Vaughan of Midland, and two brothers, Arthur Carroll of Big Spring and Marion Carroll of the U. S. Army survive him.

Funeral for Corporal Leon Callan, only son of Mr. and Mrs. Hugh Callan of the Cuthbert community, Mitchell county, was held at the First Baptist church, of which he was a member, at 4 Sunday afternoon with the pastor of the Westbrook Baptist church in charge.

Born in Colorado City, Jan. 30, 1919, Corporal Callan attended school here and was a farmer before entering the service as a ground crew mechanic in the air corps. He was stationed at the Prote bomber base and was en route home on furlough when he was offered a ride in the car occupied by W. D. Shoemaker and C. H. McNeill who also died in the crash.

At 6 o'clock at the Kiker chapel last rites for William Dean Shoemaker were said with the Rev. O. D. Welch officiating. Shoemaker was born at Hermleigh on March 7, 1911 and had lived in Mitchell county all his life. He was a farmer.

He was married to Mary Christine Whitaker, June 2, 1933. Mrs. Shoemaker and their four children survive.

Funeral services for Clayton McNeill, 29, also of Colorado City and driver of the car, are still pending the arrival of relatives. Eberley Funeral Home is in charge of the last rites.

Mahon Urges Nation To Stop Complaining

"Americans need to stop complaining about what's wrong with America, and start thanking God for all that's right with America," George Mahon, representative from the 19th Texas congressional district, asserted in a message at the First Baptist church Sunday morning.

The main challenge today is to win the war, and internal frictions are minor compared to the achievement of this objective, he declared. "When a man says he is pleased with the way things are going in the war but not with the way things are at home," declared the congressman, "he is 99 percent pleased with the way things in general are going if he happens to have a son in service."

Although he advocated making every sacrifice necessary to hasten victory and the return of our soldiers, Mahon warned against "putting our trust wholly in implements of war."

"If this were sound, he said, Hitler would have won the war a long time ago for he then had the finest fighting machine in the world."

Men in uniform will win the victory, he continued, "but it remains to be proven that we at home are big enough to win the peace... Here is the challenge for the church goers of America.—If the peace is secured, it will have to be by the precepts which church people hold dear."

Mahon filled the pulpit during the absence of the Rev. P. D. O'Brien, who was concluding a revival in Paducah. He was introduced by District Attorney Martelle McDonald. Earlier, Mahon had taught the Sunday school session at the First Methodist church.

Vealmoor School Session Is Opened

Vealmoor school began its fall term Monday with a full complement of teachers and 40 students expected to be enrolled, Walker Bailey, county superintendent said today.

Miss Mamie Clanton is principal of the school and Mrs. Porter Motley is primary teacher. The school, by opening early, is following a practice of several years in order to dismiss during the cotton picking season.

No Violations Of New Curfew Law

No violations of the new curfew law were found Saturday night and Sunday by local Liquor Control Board inspectors, according to T. W. Franklin, supervisor, who said a careful check was made of night spots.

Night clubs were closed promptly Sunday morning and all night cafes serving food observed the restriction of not selling beer after the deadline.
