City Will Close To Celebrate 4th

IF your snuff or flour is getting low it would be advisable to stock up Friday, for Matador is going to close up and celebrate the 4th.

A survey made yesterday afternoon brought most places of business into agreement to remain closed for the entire day, providing a two-day holiday from firm managers and clerks.

Since no war effort is dependent on the community and no further holiday is anticipated until fall or winter, it was decided that the holiday could be observed without inconvenience and permit employers and employees to have a brief vacation.

In most cases the two-day holiday will be observed by staying at home and resting. Some will attend the Stamford and other July 4th celebrations.

Most Firms Agree With the exception of Matador's two barber shops, drug stores, cafes and filling stations, the town will be closed.

Some firms will remain open late Friday evening to accommodate customers who may not find it convenient to come to town earlier.

Postmaster E. F. Springer was not certain that the postoffice would remain open according to a press report in the daily newspapers.

Those wishing to make contributions may leave money with Randall Whitworth at the First State Bank, with Harry Willett at his store, with L. C. (Claude) Harp at the Matador Hardware and Furniture Company, or with D. E. Pitts at the Matador Auto.

County Lagging In USO

Over \$100 is needed to put over Motley County's USO drive which will end Saturday. Checking collections, Randall Whitworth, secretary and treasurer, disclosed that only \$343 had been collected to Wednesday morning.

Reports from Whiteflat and Northfield still to be made. The county's quota is \$499.50.

A number of counties are still behind in the drive throughout the state while others have exceeded their quotas.

About fifty counties, of which Motley may be included, will fail in their drive to provide funds for our men in the armed service, if action is not exerted within the next 48 hours.

Many neighboring counties have already exceeded their quotas. Officials are planning to concentrate in Matador during the next two days, where it is believed that many people have not been solicited.

Those wishing to make contributions may leave money with Randall Whitworth at the First State Bank, with Harry Willett at his store, with L. C. (Claude) Harp at the Matador Hardware and Furniture Company, or with D. E. Pitts at the Matador Auto.

Drive For Rubber Extended

County Responds In Complete All-Out Effort Which Has Reached 65,000 Lbs.

PRESIDENT Roosevelt Monday extended for 10 days the drive to round up all available scrap rubber in the nation, following reports that only 219,000 tons had been collected.

Disappointment over the amount of rubber salvaged in the nation was expressed by Washington, but did not include this West Texas county of less than 5,000 population. Motley county has responded with the complete cooperation of its citizens in general and its service stations and oil company agents in particular.

Reports released yesterday morning by W. I. Rushing, chairman of the county War Board, showed that about 65,000 pounds of scrap rubber has been received.

Company representatives declared that increased effort will mark the extended ten days of the drive. It is believed by some that the county may produce 100,000 pounds, which would be over 20 pounds per capita.

Urgency Is Stressed "A man's life may be saved by an old hot-water bottle in your bathroom closet," Lewis Eudy, Phillips Petroleum representative, said yesterday, "for it may be converted into one or more gas masks. We need every scrap of rubber in any form."

Mr. Eudy has led the county in the collection of rubber, with more than 20,000 pounds to his credit. Texas Company is second with about 12,000 pounds, 8,000 of which were received by the Mission Gas & Oil Company station here.

Continental Oil Company had 10,215 pounds, Red's Auto Salvage about 4,000, Gulf Oil Company 3,440, Magnolia Roaring Springs 6,214 and Magnolia Matador 3,035. Swim and Son, Roaring Springs about 2,000 pounds according to the report released by Mr. Rushing.

Amount Is Donated Ollie Scott, Roaring Springs farmer brought over 1200 pounds of rubber to Matador Monday and sold it to Bob's Oil Well. He had the check made out to the American Red Cross, L. B. Robertson, manager of the station, declared.

Mr. Eudy of the Phillips company said that he had received rubber articles that included everything from massive tractor tires to rubber baby nipples. He had purchased two girdles but expected more as the drive continues and residents of the county dig deeper into their stoderooms and closets.

Reports were circulated late Tuesday that official Washington has declared rubber must be supplied for the war effort and if the scrap rubber drive fails to produce sufficient amount, then automobile tires now in use on the nation's millions of cars will be confiscated.

Open House Friday To Welcome Pastor Open House will be held Friday evening at the Baptist parsonage to welcome the new pastor and his family, Rev. and Mrs. Moyes B. Carroll, and to give the community an opportunity to view the remodeled pastor's home.

Rev. Carroll, with his wife and small daughter, arrived Tuesday, and he will assume his pulpit duties in service Sunday. Everyone is extended a cordial invitation to attend both "Open House" Friday evening, and church services Sunday.

MANY INVESTIGATIONS HAVE BEEN MADE Prior to May, 1942, the State Department of Public Welfare Completed 4,858 investigations of claimed dependency for Local Selective Service Boards.

Reflecting the quick action of Selective Service Boards in making reclassifications when war was declared, the department made 1,032 dependency investigations in December as compared with 223 the previous month. Around 400 investigations are made in an average month.

Welfare officials expressed the opinion that a much greater number of dependency investigations will be made in the future, an agreement recently being entered into with the Selective Service Board whereby welfare workers have been assigned to these investigations in every county.

Dr. Albert Traweck Jr. and Dr. J. G. Ketchersid made a business trip to Amarillo Tuesday. Miss Louise Lowe returned to her home at Lockney Friday, following a month's visit.

Scattered Showers Boost Crop Hopes

Scattered showers for the past two days have bolstered hopes for general rains to relieve the drought threat that has held this section of the Panhandle for the past two weeks.

Gardens and some feed crops are reported to be suffering from the continued hot winds which released their hold to cooler weather Monday.

A brief shower fell in Matador yesterday afternoon and continued cloudiness indicates that more rain may fall by morning.

Reports from various sections of the county indicate scattered showers over the county. W. M. Graham declared that rainfall of about 1/2 inch fell on his farm and ranch about 15 miles north of town.

Lions And Ladies Enjoy Chicken Fry At Golf Links

Proof that the Lions ladies night chicken fry at the Matador golf club, Thursday was enjoyed, is contained in the number of chickens prepared by Lion Chef Henry F. Pipkin. A total of 26 chickens were fried and reduced to a few scattering necks and wings by an estimated crowd of 70 Lions, ladies and other invited guests.

The affair was staged in honor of retiring president Dr. J. S. Stanley. Interesting feature of the program was an account of the bombing of Pearl Harbor, Hawaii on December 7th, by Mrs. Bryon Pollock, wife of Major Byron Pollock a member of the U. S. Medical Corps, who is still stationed on the Pacific outpost.

Mrs. Pollock gave graphic description of the sneak attack by Japan and the days immediately following, including reactions of the populace and the precautions taken to prevent further loss of life in event the Japs returned.

Regular breakfast meeting of the Lions directors will be held at the Magnolia Cafe Monday morning, July 6, and the first meeting in the club's new fiscal year will be held at the Methodist Church basement, Tuesday at 12:30 p. m.

Volunteer Officer Candidate Plan Is Explained

Lt. Col. Joseph R. Peller, Recruiting and Induction Officer at Lubbock, Texas stated that the War Department program for permitting men now classed 3A by Selective Service, to enter the Army as Volunteer Officer Candidates has been misunderstood in many cases.

All of these candidates are required before acceptance as such to report to a designated Army reception center for mental and physical examinations. These examinations are intended to weed out all of those who are of doubtful officer caliber.

This is a protection for the Army as well as the individual concerned. A great many more applications have been received than can be accepted except after a delay of several months. Successful applicants are called to service in order of their date of qualification.

After an applicant is accepted and inducted into the Army as a Volunteer Officer Candidate, he is still not certain of acceptance for an Officer Candidate School. In selecting candidates for this school all men in the service are considered and the Volunteer Officer Candidate must take his chance with the others.

The fact that he has already passed a qualifying examination indicates that his chances for selection are better than men who have not taken such examination, but no promises can be given that he will be selected.

CREDIT MEETING HELD IN MATADOR

Local businessmen met Wednesday morning in the offices of Hamilton and Hamilton to discuss the new Federal regulations regarding credit under "Regulation W."

Since information is obscure as to the effect on retail trade and certain bank loans, District Attorney John A. Hamilton will discuss the problems directly with council of the Federal Reserve Bank while in Dallas this week.

Interpretation of the regulation will be published in a subsequent issue of the Tribune.

PIONEERS WILL SPONSOR DANCE

Annual dance of the Motley-Dickens Counties Old Settler's Association will be held at the Pioneer Pavilion, Roaring Springs on Saturday night, July 4th, according to an announcement made last week by president C. C. Haile of Afton.

Good music, good order and a good time is assured. Proceeds from the dance will augment the pioneer association's general fund, it was declared.

Gas Rationing Would Cut School Tax Collections

Schooling of Texas children may suffer heavily if gasoline rationing is extended to Texas. That's the conclusion to be drawn from study of a school tax survey just received here.

The survey, compiled from reports of independent school districts and official state records, shows that last year petroleum and its products bore 39 per cent, or virtually two-fifths of the total cost of schooling Texas boys and girls.

Or to put it another way, two out of every five Texas school children were educated last year through taxes on the Texas petroleum industry and on gasoline. A total of 600,000 Texas boys and girls out of the state's scholastic population of 1,539,006 had their entire school expenses paid by petroleum and petroleum product taxes last year.

The report, compiled by Texas Mid-Continent Oil and Gas Association statisticians from figures obtained from independent school district tax collectors and from state officials, shows \$91,754,249 was spent for educating Texas school children last year. Of this amount, \$23,254,172 was paid by the Texas petroleum industry in State and local taxes used for school purposes.

An additional \$12,384,568 was paid for schools in gasoline taxes by individual Texas motorists, making a total of nearly \$36,000,000 from petroleum and its principal product. Not only gasoline taxes but also oil taxes would be seriously affected by rationing, it was pointed out, as Texas oil output would drop even lower if the market for Texas gasoline were cut further.

Of the average per-pupil school cost of \$59.62, oil and oil product taxes paid \$23.25. Revenue from these sources have aided the State Tax Board to cut the State school ad valorem tax rate to its present 16 cents, less than half its constitutional maximum of 35 cents per \$100 valuation.

RETURNS FROM CALIFORNIA Mrs. Leonard Crowell of Flomot returned to her home last week from Los Angeles, California, where she spent several weeks visiting her son and wife, Mr. and Mrs. Odis Crowell.

VISITORS IN PATTON HOME Mr. and Mrs. Paul Patton had as visitors last week-end, three sisters, two brothers and three sisters. They were: Mr. and Mrs. Ray Rhine and Dave Brandon Jr., of Fort Worth, and Mr. and Mrs. Dave Brandon Sr., Miss Lossie Brandon, Jimmie Brandon, and Mrs. Lory D. White and small son David Calvin, all of Decatur.

Mrs. White and son remained to visit until Friday before returning home.

RETURNS HOME FROM VISIT Mrs. Homer Sheats returned home Tuesday after a month's visit with her daughters, Mrs. G. B. Joplin, 79, who was an early-day settler of Dickens County, and well-known in this vicinity.

Record Crowd At Singer's 50th Anniversary Meeting

HISTORY repeats itself. In times of stress, when the future is clouded with forebodings of danger and disaster, the soul finds courage and strength in the simple beauty of spiritual singing.

After half a century of the Motley County Singing Convention, felt tury charter members of the convention met at Whiteflat, Sunday, when the inspiration of community song at Whiteflat, Sunday, when the organization held its golden anniversary meeting at the Baptist church.

Fifty years ago the small group of pioneers organized themselves against an unknown future in a new land. Throughout the years the organization has met regularly. Sunday, three charter members, W. J. Whitworth, Mrs. J. L. Moore and Mrs. C. E. Harris, returned for a meeting with the future equally as uncertain as when they met in the same community half a century ago.

Human nature has not changed; inspiration rose from the unity of voices. However, the meeting Sunday, set a record for attendance. It was estimated that the crowd would approximate 300.

Interesting Program Besides the singing, an interesting program was included in the "singing-all-day and dinner-on-the-ground" anniversary celebration. Short talks were made by Rev. R. L. Jameson, Whiteflat, Elmer West and T. A. Nichols of Paducah, and J. O. Bass of Plainview. A. M. Parker, photographer from Paducah, made several group pictures and also photographs of the charter members. Visitors were present from a distance of 100 miles.

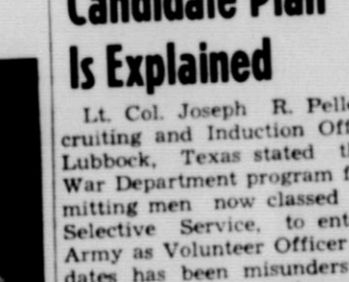

New Officers elected to serve the ensuing years are: L. A. Carlisle, president; T. M. Dixon, vice-president; Johnnie Belle Willis, secretary-treasurer.

The next meeting of the organization will be held at Flomot, the third Sunday in October.

France, once a great world power, was brought to her knees with lightning quickness by a Nazi war machine that was years in the making. France's lack of preparedness as well as Germany's readiness caused her downfall.

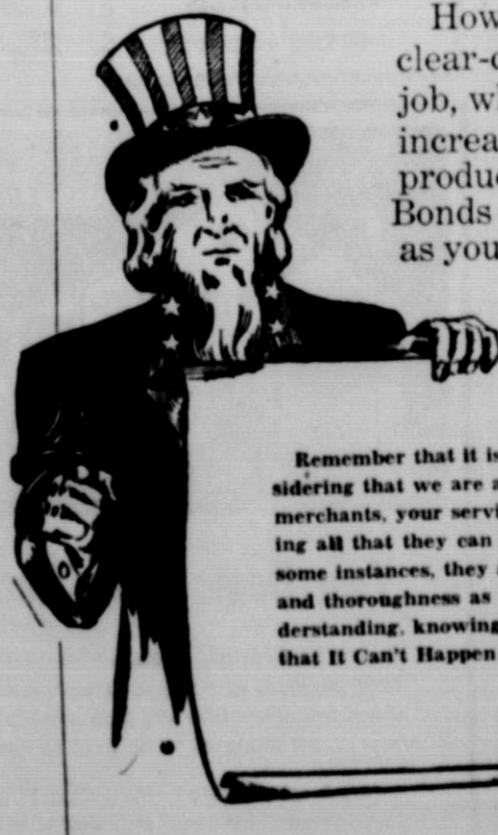

France, re-assured by what she thought was a bulwark of defense... (the Maginot Line)... was lulled into complacency, thinking that It Cannot Happen Here.

France, once proud, today is humbled. Her people are suffering untold misery because she was whipped by a ruthless dictator. The people of France were asleep! They did not do their part to preserve their nation.

France's sad plight should awaken every American to the dangers that now threaten our nation. No one believes that the Axis powers can whip us... that IT CAN HAPPEN HERE, and rightly so, if we all do our part.

You have a clear-cut duty as an American citizen. Uncle Sam needs everything to amass huge stocks of supplies of every kind for use in the fight against those whose aim is to destroy our nation and to enslave us.

How can you help? The answer to that is clear-cut!... by working harder at your job, whatever it is, to produce more... to increase the collective total of national production. It is also your duty to buy War Bonds and Stamps, all that you can as soon as you can.

Remember that it is patriotic to carry on as normally as possible, considering that we are at war. Remember that those who serve you—your merchants, your service institutions and your professional men—are doing all that they can to accommodate you the best that they can. If, in some instances, they are unable to help you with the same completeness and thoroughness as before the war, bear with them with cheerful understanding, knowing that they are doing their level best. Keep in mind that It Can't Happen Here if we all do our part.

Former Resident Reveals Marriage

Mr. and Mrs. N. M. Groves of Matador are in receipt of recent communications from their son L. C., formerly of this place, advising of his marriage on May 30, to Miss Elaine Renn of Kansas City Missouri, in a ceremony performed at Gallup, New Mexico.

The bridegroom was reared here and following his graduation from Matador High School several years ago, he went to Springer, New Mexico, where he was employed before going to Gallup.

For the past year he has been employed by the Mountain State Telephone and Telegraph Company, and is now located at Jemez Springs, where they will make their home for the present.

B. F. Tunnell made a trip to Amarillo Thursday of last week. Mr. and Mrs. L. J. Barkley and daughter Myrna, made a trip to Lubbock Thursday. They were accompanied by Bobby Harp, who remained to visit friends until Monday.

Flomot Couple Are Married Recently

Announcement is made of the marriage of Miss Pauline Titus and Troy Kell, both of Flomot, in a ceremony performed June 12 at Hollis, Oklahoma by a Justice of the Peace of that city. Mrs. Reece Kell, mother of the bridegroom, accompanied them.

The bride is the daughter of L. B. (Dick) Titus. She was reared in the White Star community near Flomot, and attended Flomot High School. Mr. Kell was reared at Flomot and is the son of Mr. and Mrs. Reece Kell. They will continue to make their home there.

L. C. Harp accompanied a group of men from Childress, including his brother, Clarence, to Plainview Sunday where they played golf. Mr. and Mrs. J. R. Berryman and daughter Wandell, visited relatives in Wellington Sunday. N. G. Smith and daughter, Bessie Bell, of Snyder, visited in the home of Mr. and Mrs. John Lee, Sunday and Monday.

RUTH MARIE STANLEY HAS BIRTHDAY PARTY

Ruth Marie Stanley was honored with a party given Thursday afternoon of last week by her mother, Mrs. J. S. Stanley, on the occasion of her 6th birthday.

After games had been enjoyed on the lawn, refreshments of ice cream and cookies were served the following guests: Rhoma Jo and Herbert Fulkerson, Carolyn Sanders, Donna Cecile Pipkin, Frank and Frances Traweck, Cora Ann Craven, LaWayne and Mary Ellen Darby, Betty Ruth Smalley, Nancy Vaughn, Danny Solomon, Neal Pipkin, Tom and Dick Hamilton, Cecil Irwin, Kent Gray and Don Pitts.

METHODIST MISSIONARY SOCIETY HAS MEETING

The Women's Society of Christian Service of the Methodist Church met Tuesday afternoon at the church for a program presented by Mrs. A. J. Daffern, Mrs. Annie Tudor and Mrs. W. B. Vaughn.

Mrs. F. M. Jinkins reported that the box with thirty-five towels had been sent to Scarrett College, Methodist college at Nashville, Tennessee. Members present, other than those on the program, were: Mesdames H. H. Schweitzer, R. P. Moore, W. Y. Higgins, T. E. Williams, C. D. Pipkin, Harry Willitt, Marvin Vaughn and J. R. Whitworth.

Plan Now For Fall Victory Gardens

From the grower's point of view says J. F. Rosborough, horticulturist of the A. and M. College Extension Service, this year's garden program was a 'life saver.' Increased food prices caused many families to lean heavily upon the home supply of fresh vegetables. But this gardening year is not over 'by any means,' he adds.

The south half of the state usually grows its best gardens in the winter months.

For fall garden, prepare the soil by (1) Removing all weeds before plowing (don't plow them under); (2) Applying summer manure, or barnlot fertilizer, broadcast over the area to be planted; (3) Plowing three to four inches deep, pulverizing the soil thoroughly, and (4) Applying three to four pounds of commercial fertilizer per hundred feet of row, in addition to the manure. Inoculate with, such seed as beans, peas, and cabbage before planting.

A simple method of eliminating cabbage blackleg disease (drying up of the roots) is to immerse the seed in water of 122 degrees F. for 25 minutes, Rosborough suggests. Hard-coated seed, such as spinach, should be soaked in warm water over night before planting. It is helpful also to press the soil around the seed by tamping with a hoe or walking on the row after the seeds are covered.

As spinach will not tolerate the heat of late summer, don't plant until October or early November. The home gardener can well afford to use the Noble variety, which is more upright in growth

Life's History Of James V. Allred

Born—Bowie, Texas, March 29, 1899, one of seven children of Renne Allred, a rural mail carrier, and Mrs. Allred.

YOUTH—Shined shoes, sold newspapers, ran errands and did janitor work to pay for schooling. Graduated from Bowie high school with honors in 1917. In September of that year entered Rice Institute at Houston, working at filling station. At end of first semester, took stenographic job with the United States custom service on the border at El Paso.

WAR SERVICE—Resigned draft exempt job to enlist in the United States Navy as an apprentice seaman. Honorably discharge February 19, 1919.

RECORD IN WICHITA FALLS—Stenographer in law firm until September 1920, when he entered Cumberland University at Lebanon, Tenn., where he got L. L. B. degree in June 1921. Returned to Wichita Falls to enter law practice. Appointed district attorney in April 1923, re-elected in 1924. Ran against Claude Pollard for Attorney General in 1926, receiving 356,036 votes, only 4,946 less than his opponent.

STATE OFFICE—Defeated R. L. Bobbitt, incumbent, for office of Attorney General in 1930. Re-elected in 1932. In 1934 won race for Governor in runoff with Tom Hunter by majority of 40,000 votes. In 1936 re-elected in first primary.

FEDERAL JUDGESHIP—President Roosevelt appointed him United States judge of the southern Texas district June 11, 1938. Took office January 1939. Resigned May 15 to enter race for United States senator.

FAMILY—Married June 20, 1927, to Jo Betsy Miller, daughter of Mr. and Mrs. Claude Miller of Wichita Falls. Have three sons: James V. (Jim Boy), 13; William David, 9; and Sam Houston, 5.

MEMBERSHIP—Member of the Christian Church; 32nd Degree Mason; Shriner; Elk; Knight of Pythias; Odd Fellow. Selected the most outstanding young man in America in 1935 by national Junior Chamber of Commerce.

and less likely to be drowned out. Rosborough suggests these vegetables to mature before frost: English peas, Thomas Laxton; Beans, stringless green pods; Mustard, New York or Los Angeles; Potatoes, Bliss triumph; Radishes, scarlet globe. These semi-hardy vegetables will withstand light frost: Carrots, Danvers half long; Cabbage, Copenhagen, all-head, flat dutch; Turnips, shogoin, purple top; Broccoli, green sprouting; Beets, Detroit dark red; Swiss chard, Lucullus, kohlrabi.

Look At The Future.

WITH REGARD TO YOUR RADIO WILL IT LAST FOR THE DURATION!

CAN you afford the risk of your present radio lasting for the duration? The future is very obvious. No more new radios will be made until after the war is over. The radio industry has been converted into the production of war needs....

You will want to watch the changing picture of stirring world events.... the destiny of your own nation is reflected many times daily over the air.... will your present radio last for the duration?

You Can Still Buy A New PHILCO

PHILCO radios offer the best in performance, beauty and economy. We have a large shipment of the latest models now on display. Why not select a new Philco today and be assured of dependable service? Models and prices to meet the requirement of every home and budget.

—We also have a large stock of USED Radios—

Candidate Writes Open Letter To Two Opponents

Below is a copy of a letter received from W. T. Link of Clarendon, candidate for Chief Justice of the Court of Civil Appeals. J. Ross Bell, prominent Childress county lawyer, and well-known in this county, is also a candidate in the race.
AN OPEN LETTER
 June 22, 1942
 Judge E. L. Pitts, Lubbock, Texas
 Judge E. C. Nelson, Amarillo, Tex.
 Gentlemen:—
 Each of you is making the race for Chief Justice of the Court of Civil Appeals for the Seventh Supreme Judicial District of Texas while holding office as a District Judge.
 As a District Judge each of you is receiving a salary of \$5,000, a year from the State of Texas, or approximately \$17.00 per day for each and every working day of the year. Each day you campaign for Chief Justice the tax payers of this State are out approximately \$34.00, which you receive from the State of Texas as a District Judge. Assuming you both campaign as many as 90 days you receive \$3,100.00, from the tax payers of the State of Texas. Hundreds of other tax payers join with me in believing that a District Judge should resign his office before making the race for Chief Justice of the Court of Civil Appeals.
 So unprecedented an action as this creates a vital issue for the tax payers of this District, and since I also am a candidate for the office of Chief Justice of the Court of Civil Appeals I will be pleased to debate this issue with you upon a date and at a place suggested by you at any reasonable time before the July primary.
 This is an open letter and a copy is being released to the press for publication as a news item.
 Yours very truly,
 W. T. Link,
 Clarendon, Donley County, Texas.

MORE CONTRIBUTIONS
 The Tribune wishes to express appreciation for two unsolicited contributions to its policy of sending free copies to all men in the armed service from this county. Pete Coffman contributed 50c and G. W. Ratcliff contributed 50c.
 Mr. and Mrs. L. L. Russell and family returned home Monday from a two-weeks visit in San Diego and Los Angeles, California.
 Miss Reatha Raine Robertson, who has been visiting friends on the 6666 ranch at Guthrie, returned home Monday.
 Mrs. M. P. Fulkerson returned home Monday from Lockney, where she had been visiting her daughter, Mrs. J. P. Truett.

CERTAINLY I WILL AGREE!

I am glad to join the other candidates of Motley county in an agreement not to hold political rallies and not to make a house-to-house canvass of the county. I want more than anything else to win the war and I am glad to conserve tires and gasoline by not making the usual circuit of the county.
 However, I will walk as far as possible and meet as many people as possible and solicit as many votes as possible for I am sincere in my desire to be your county treasurer.
 I will appreciate your vote and influence whether I am able to meet you or not.

Lula Carpenter
 CANDIDATE FOR COUNTY TREASURER
 MOTLEY COUNTY

We Call It Private Enterprise
 (An Editorial)

That system we call private enterprise—which is simply a system under which every man is free to go as far as his abilities, energies, and ambitions can take him, no matter how humble his origin or how modest his bank account—made this country.
 Men labored and took risks, men dreamed and turned their dreams into action, and out of the labor and the risks and the dreaming came our institutions, our industries and our wealth.
 Under that system which we call private enterprise, wealth has been distributed far more widely and far more equitably than under any other economic system the world has ever known.
 Today this system that we call private enterprise is the source of our strength in the greatest war history has ever known.
 It is a war in which the acquisition of territory and resources is of only secondary consideration. Our enemies are fighting for far more than economic advantage—

Remember Between Issues A Dime Out of Every Dollar in U.S. War Bonds

they are fighting to destroy, for all time, everything that we associate with such words as freedom, democracy, decency, our way of life.
 It has been the privilege of all to damn private enterprise, and that privilege has been indulged in widely.
 Some have denounced it because of honest convictions that socialism, fascism or some other system was better.
 Some have denounced with political considerations in mind.
 But now the chips are down. Now we are fighting for our national existence. We are fighting for our lives and our principles. And where do we turn?
 We turn to private enterprise in the field of manufacture—to the motor-makers, the steel-makers, the engine-builders, who are today achieving miracles of production such as Hitler never dreamed of in his most vainglorious moment.
 We turn to private enterprise in the field of electric power—to the vast utility industry which must provide the energy that will keep our factory wheels turning 24 hours a day, 365 days a year.
 We turn to private enterprise in

IN THE INTEREST OF VICTORY

MOTLEY COUNTY CANDIDATES SUSPEND POLITICAL CAMPAIGNS AND RALLIES
 IN compliance with a request by Mark McKee, State director of the Office of Price Administration, that candidates for public office refrain from holding political rallies this summer, as a rubber conservation measure, the candidates whose names appear under this article have agreed among themselves that they will not participate in any such political rally, or in the customary house-to-house campaign this year.
 This action is taken not because of any personal benefits that might accrue to the various candidates, nor because we fail to appreciate the fact that none of us (except those seeking the office of County Treasurer) are encumbered by opposing candidates, nor because we have ceased to recognize our obligations and responsibilities, as your public servants; but because we desire to cooperate in every movement that seems to be for the best interest of our National welfare during the strenuous crisis through which we are now passing.
 We wish to express our sincere gratitude to the citizens and voters of Motley county for the honor and confidence extended to us in previous elections, and we shall endeavor to prove ourselves worthy of your trust, in every instance, while we are permitted to serve in our respective offices. However, we fully realize that we are all subject to mistakes, and we solicit suggestions from any citizen, at any time, that might enable us to better promote the general welfare of Motley County, and our Nation at large.
 Hoping that you will realize that the purpose of this procedure is a matter of economy, that you will concur in our action, and that it might tend, in a small way, to bring peace to our beloved land in the very near future.
 Respectfully submitted
