

Four Californians Charged In Car-Looting

Young Californians, three of them 18-year-old girls, east by easy stages in the daytime and at night, have probably the prudence of their prudence to this West Texas about 3 a. m. on the of December 27. at time the quarter from Coast City of Angels met Motley county's ex-cowboy Sheriff

John Stotts when F. A. Bird's (of Midland) car was looted of about \$700 in merchandise, including a \$275 movie camera. Felicitations have been exchanged.

Oresta Catlett, 23, of Los Angeles, is in the Motley county jail charged in connection with his sale of the camera for \$45 in Austin (the camera has been recovered). Three companions, Gene Vaughn, 24, James Angel,

20 and Mildred Baker, 18, all of Los Angeles, traveling in a late model Plymouth automobile declared stolen in California, were arrested late Saturday in Tracy City, Tenn., barely 24 hours after Sheriff Stotts had sent out a description of the trio through the cooperation of the Texas Highway Patrol in Austin. Sheriff Stotts left Matador Tuesday morning for Tracy City to return the three prisoners

here. He said they would probably be wanted by the FBI in connection with the theft of the automobile across state lines.

When the three were arrested in Tracy City, Sheriff Stotts said the automobile was described as "loaded" with merchandise. He said a suit of clothes found in their car bore the name of F. A. Bird.

Mr. and Mrs. Bird arrived here from Midland at a late hour

Monday night of last week and stopped in the front of the home of Postmaster E. F. Springer (Mrs. Bird is Mrs. Springer's sister) and removed only a part of their luggage and clothing from the car. Early next morning it was discovered the automobile had been looted.

Sheriff Stotts had no clues when he started investigation.

He called other officers and provided description of the stolen merchandise. The camera was located in Austin and he went there immediately but he still had little with which to continue the investigation.

In cooperation with state police he broadcast on teletype a vague description of the trio traveling east. He knew only

that they were traveling in a Plymouth car but had no further description. Within 24-hours he received a message of the arrests.

Sheriff Stotts said the gang had looted a minister's car in Floydada taking several Bibles, which were recovered.

He has in his possession a typewriter which is believed to have been taken somewhere in Arizona.

CHEST IS IN SIGHT OF GOAL

Matador Community Chest is in sight of its goal of \$3,000 it was announced Tuesday at the Lions Club meeting. It was declared that total collections and pledges now stand at approximately \$2,300 which is within \$700 of the 1950 quota.

Matador Community Chest, started here in 1949, serves as a collection agency for seven former separate drives and has a large "emergency fund" set aside for victims of fires, sickness or other misfortune for which collections were formerly made.

The entire Chest organization is composed of local citizens who serve without compensation, in an effort to reduce trouble and inconvenience of giving to many solicitations. Over 80% of the funds remain in Motley county and complete account is available for every dollar expended.

PAT SHERIDAN IS AGAIN CANDIDATE FOR CLERK OFFICE

The Tribune is authorized to announce the name of Pat Sheridan as candidate for re-election to the office of District and County Clerk of Motley county, subject to the Democratic Primary, July 22, 1950.

"The citizens of Motley county have given me every cooperation in the past," Mr. Sheridan declared, "and I want to express my appreciation."

"I am grateful to those who voted for me in past campaigns and also for the cooperation tendered me since I have been in office. I feel that my experience in office and my record warrants my seeking re-election.

"In event I am re-elected, I promise to continue the same policy of rendering my very best, fair and impartial service to everyone.

"I solicit the vote and influence of every voter in the July 22nd primary and offer my appreciation in advance."

COTTON TOTAL STILL CLIMBS

Three gins in Matador yesterday had ginned more cotton from the crop of 1949 than was ginned in the entire county during 1948, according to a survey made by County Agent J. R. Emmons.

The three Matador gins had turned out 12,466 bales as compared with 12,031 bales ginned through eight plants from the crop of 1948.

Total ginnings yesterday from the crop of 1949 far exceeds the largest crop ever harvested in the county—32,547 bales. A break-down of communities showed 12,466 bales ginned in the three Matador plants, 10,710 bales ginned in the two Flomot plants, 8,024 bales ginned in Roaring Springs two plants and 1,247 bales processed through the privately-owned Joe Bloodworth gin at Whiteflat.

From the 1948 crop Matador ginned 3,549 bales, Roaring Springs 3,401 bales, Flomot 4,893 bales and Joe Bloodworth 188 bales.

Movement of cotton from gin yards to Houston has been resumed and vast shipments are passing through Matador from the West.

No estimate has been made of the number of bales still in Motley county fields.

FATHER AND SON BANQUET SPEAKER IS BEING SOUGHT

Program committee of the Lions sponsored annual Father-Son Banquet was active yesterday in attempting to secure a speaker for meeting to be held here next month. Exact date of the meeting (scheduled during Boy Scout week) was left open to fit date when speaker could be procured.

It was announced at the regular Tuesday Lions meeting that the price of tickets would be \$2.75 each (to include admission for both father and son). It was pointed out that approximately \$175 was "left-over" from last year's banquet, but that the meat had been donated for 1949 and that estimate on meat alone this year was \$175. It was declared that the banquet is "not a money-making deal" and that any extra profit which might remain, is given to boys or charity.

Boys who reach the age of nine before the banquet, through high school are eligible to attend, escorted by their father or "adopted" father.

CAMPBELL HOME WINS 1st PLACE IN LIGHTING

Home of Mr. and Mrs. Forrest Campbell on south Main street received the Lions award for 1st place in the Christmas lighting-decorations contest. First prize was a small engraved loving cup.

Second place plaque was awarded to Mr. and Mrs. Harold Allen and third place plaque was presented to Mr. and Mrs. A. A. Harp. Judging was done by out-of-town judges who did not know the names of homeowners in Matador, Judge C. W. Giessecke, chairman of the lighting-decorations committee declared.

Announcement of the prizes was made Tuesday at the regular meeting of the Lions club.

John Stotts Seeks Re-Election To Sheriff's Office

The Tribune is authorized to announce the candidacy of John Stotts for re-election to the office of Sheriff, Tax Assessor and Collector of Motley county, subject to the action of the Democratic Primary, July 22, 1950.

"I am grateful to the people of Motley county for their many favors," Sheriff Stotts declared, "and I fully appreciate the complete support and cooperation that has been mine since assuming the duties of my office.

"I feel that my experience acquired since becoming your sheriff will be of value in serving you more efficiently in the future, and that my record warrants my seeking re-election. If I am re-elected I will continue the same policy of fair and impartial consideration of everyone and I will continue to devote my time and abilities to my official duties.

"I respectfully solicit the vote and influence of every voter in the July 22 primary and tender my sincere appreciation in advance."

Miss Half-Century Arrives

The second half of the twentieth century was only five minutes old when Deborah Ann Tilson, daughter of Mr. and Mrs. Dan Tilson of Whiteflat, arrived at the Stanley Clinic-Hospital.

The little lady arrived in this supersonic, atomic, plastic, cellophane, scotch-tape world five minutes after midnight, January 1, 1950, to be one of the county's first babies in the new year. Little Miss 1950 weighed seven pounds and 15 ounces when she won the derby with Old Father Time by a matter of five minutes.

Her mother who Monday held her from her hospital bed for photographs, was born and reared in Connecticut.

Employed in the Air Forces offices in Washington, she met and married Motley county native son Dan Tilson, son of Mr. and Mrs. Tom Tilson, in Arlington, Va., August 6, 1948. He was at that time wearing the uniform of the United States Navy.

Young Tilson is now farming with his father at Whiteflat. Mrs. Tilson arrived in Texas, May 3, 1949. Mrs. Tilson declared she liked Texas and was glad her young daughter had been born in the Lone Star state. Both mother and daughter are doing fine; the young father as well as could be expected.

STORE TO STAGE FASHION SHOW

A fashion show of coats and suits will be staged here Wednesday, January 11, starting at 3 p. m. by the Western Dry Goods company, according to an announcement appearing in this issue of the Tribune.

Local models will display the merchandise, it was announced. A feature of the show will be organ music by Mrs. G. E. Hamilton.

A cordial invitation is extended the public to attend. Admission is free.

Groceryman Injured

Groceryman Ike Rushing received a painful injury early Monday morning when a chair in which he was standing to change an electric bulb overturned. His knee cap was broken in the fall. He is a patient at the Stanley Clinic-Hospital. Early today his condition was described as entirely satisfactory.

Injured In Fall

W. M. Graham received a serious injury about 5 p. m. yesterday when he fell in his home in southwest Matador. At first his injury was not believed severe and he was able to go to the supper table for his evening meal. Later, however, he was confined to his bed and a physician summoned.

Summer Weather Is Swept Away With Deep Freeze Winds

COLD AIR like the opening of a deep freeze cabinet in summer, flooded the Texas Panhandle Tuesday and swept away warm temperatures in one of the most sudden mercury changes ever recorded in this area of "unexpected weather."

The front struck Matador about 1:45 p. m. (alho it had been reported in Paducah at noon) and a mercury reading in the neighborhood of 80 degrees dropped to almost freezing in a matter of minutes. Many residents dressed lightly, rushed home for heavier over (and under garments). At 6 p. m. the official temperature here was 17 degrees and at 10 p. m. it was 10 degrees. Amarillo registered one below zero.

The "blue" norther had been expected and was long overdue. Radio newscasters had been broadcasting cattle warnings for 24 hours. While light snow fell in Amarillo as the winter storm hit, no precipitation accompanied the cold air mass as it struck this area.

Freezing rain was reported by truck and bus drivers from the east before Matador felt the mercury change.

Except for the usual percentage of frozen automobiles and water hydrants no damage has been reported here from the cold wave.

The following excerpt is from yesterday's Lubbock Avalanche regarding the storm:

Mercury In Sharp Drop

The bitter cold wave swept down from the north Panhandle late Tuesday afternoon like a lumbering express train, sending the mercury falling in an almost unbelievable fashion all along the route from Amarillo and points north.

At 7:30 p. m. in Lubbock, the mercury stood at 56 degrees. Six minutes later the front struck. The mercury dropped 24 degrees in the next 10 minutes to a reading of 32 degrees. In nine more minutes, it had skidded another seven degrees to a reading of 25. One hour after the front hit the reading was 21 degrees; a 35 degree drop in one hour! At 9:30 p. m. it was 16, and an hour later 11 degrees and on down.

Even more sensational drops were recorded at Plainview where the mercury fell 32 degrees in 10 minutes from 61 to 29 and at Denver City where an unofficial drop of 30 degrees in five minutes was reported.

Snow, Freezing Rain Hit Area

Strong northerly winds accompanied the front into Lubbock and over the South Plains, with wind velocity hitting 28 miles an hour sustained, 35 in gusts. Earlier, the area had been swept by 34 mile-an-hour winds sustained, 45 to 50 in gusts from the southwest and west.

No snow or sleet fell immediately in the Lubbock vicinity, but to the north, east and northeast, snow, sleet and freezing rain was reported within 45 miles of the city.

At midnight, snow flurries were reported in Plainview. And at the same time, freezing rain and sleet were reported just below Post toward Snyder and to the east. Snow and freezing rain were reported toward Lubbock in the Benjamin area and near Crowell.

MARVIN LEARY WILL NOT BE CANDIDATE

Commissioner Marvin Leary of Northfield, Monday told the Tribune that he would not be a candidate for re-election to the office of commissioner of precinct three. He will have completed two terms in office next January. Mr. Leary made no further comment except to declare he had "had enough" of public office at present.

Wayland Dean Says Failure Often Paves Way To Success

"LINCOLN, once possibly the most hated man in the world, failed in almost everything, yet became the patron saint of a freedom-loving democracy," Dr. R. E. Mendenhall, Dean of Wayland college, Plainview, Tuesday told the Matador Lions club as principal speaker in the organization's first 1950 luncheon-meeting, held in the Methodist church basement.

Dr. Mendenhall declared he spoke of the "Gospel of the second chance." "God has a plan for everyone," he declared, "and when we wander from this divine plan it is easy to feel totally defeated. . . . I think the feeling is common to everyone. . . . but tomorrow is always before us and it offers us another chance to lift ourselves from failure. Some of the greatest names in history were failures before they succeeded." He cited past presidents Hoover, Roosevelt and Lincoln. He said the nation's present president Harry Truman was a failure in business before he succeeded in politics.

"We must not despise the concerted man," he warned, "because he is frequently putting

Boone Simpson Is Candidate For Commissioner Post

The Tribune is authorized to announce the name of T. B. (Boone) Simpson of Northfield as candidate for the office of Motley county Commissioner, precinct three, subject to the action of the Democratic Primary, July 22, 1950.

Mr. Simpson has been a resident of the Northfield community all his life and needs no recommendation to the voters.

"I feel that I am fully qualified for the office," Mr. Simpson declared, "and if I am elected, I promise the people of my precinct that I will be fair and impartial in all my dealings, seeking with my best efforts to serve Motley county in general and my precinct in particular.

"I respectfully solicit the vote and influence of every voter in my precinct and offer my appreciation in advance."

Resident Is Married Recently Plainview Baptist Church Ceremony

Interest to friends here is announcement of the recent marriage of a former Matador resident, Miss Milda Jean Scrivner, Plainview, and J. W. Morrison of Waureka, Oklahoma.

Dr. A. Hope Owen read the single ring ceremony before a decorative setting. The altar featured an arch entwined with three wedding bells suspended from its center. The sanctuary was decorated with fern sprays and candles. A single candleabra flanked by large baskets of white gladioli held white tapers.

Mr. and Mrs. J. N. Scrivner, 1906 W. 5th. The groom is the son of Mrs. Emma Morrison, Plainview, and J. W. Morrison of Waureka, Oklahoma.

Miss Milda Jean Scrivner became the bride of Logan Lee Morrison in a holiday wedding ceremony solemnized Sunday afternoon, December 25, at the Plainview Baptist Church.

The bride is the daughter of

Miss Mary Frank Day, organist, played "Indian Love Call" and "Ah Sweet Mystery of Life" before the ceremony and "I Love You Truly" during the ceremony. Accompanied by Miss Day, Miss Mary Jane Hamilton sang "Always" and "Because". Traditional wedding marches were used.

Given in marriage by her father, the bride wore an ice blue street length dress of slipper satin. Her two-piece dress was styled with long sleeves and ornamented with beads. She wore navy blue accessories. Her fingertip veil of imported net fell from a satin tiara trimmed with silk lace and beads. She carried a white Bible topped with white gardenias and showered with Stephanotis. The Bible was a gift from Mrs. Morrison.

For something old and borrowed the bride wore a wedding band which belonged to her maternal grandmother. Her something new was a pair of ear screws given her by the groom and something blue was a blue garter. The penny in her shoe was given her by Mrs. Bill Berryman.

Miss Maylene Meester, maid of honor, wore a rose satin street length dress with black accessories and carried a nosegay of pink carnations. Miss Loretta Scrivner, sister of the bride, was junior bridesmaid. She wore a pink taffeta dress and carried a nosegay of rose carnations. Both wore matching bandeaus for their hair.

Miss Chelsea Young lighted the candles. She wore a pale green dress with a tiny tripe of gold styled with a low rolled neckline and full street-length skirt. Her corsage and bandeau were of white carnations.

Ellis Spraggins served as best man. Ronnie Morrison of El Cajon, California, served his uncle as junior best man. Ushers were John Hancock of La Mesa, California, Truman Collins and T. J. Morrison, brother of the groom.

For her daughter's wedding, Mrs. Scrivner chose a two piece dress of gunmetal moire crepe complemented with winter pink and black accessories. Mrs. Morrison wore a navy blue crepe dress and black accessories. Both wore corsages of pink roses.

Reception Follows Ceremony
Immediately following the ceremony a reception was held in the W. D. Standefer home, 1612 W. 12th.

Guests were received by the newly weds, their parents and the hostess, Mrs. Standefer.

Mrs. Pat King of Tucumcari, New Mexico, aunt of the bride, presided at the punch bowl. The wedding cake was served by Mrs. Roy Morrison, cousin of the groom. Mrs. Wilson Barton of Matador, aunt of the bride, registered the guests.

Guests were present from El Cajon and La Mesa, California; Ruidosa and Tucumcari, New Mexico; Vancouver, Washington; Matador, Pampa, Flomot and Lockney.

For the wedding trip to South Texas and Old Mexico the bride chose a navy blue suit with white and navy accessories. She wore a corsage of white gardenias. Mr. and Mrs. Morrison will make their home near Plainview where he has farming interest.

The bride is a graduate of Plainview high school and attended Plainview Business college. The groom also graduated from Plainview high school and served two years in the U. S. Marine Corp.

Included in the wedding guests were the bride's grandmother, an uncle and a cousin, Mrs. A. L. Barton, Wilson Barton and Charles Barton, all of Matador.

RECENT BRIDE IS SHOWER HONOREE

Honoring Mrs. Billy Jameson, the former Barbara Young, a miscellaneous bridal shower was given Wednesday afternoon in the home of Mrs. W. F. McCoghren, Sr.

Sharing hostess duties were

Mesdames L. D. McCarty, Beas Patton, Clyde Gilbert, R. H. Bearden, Tom Spray, Malcolm Morris, Bill Dunning, Alfred Watson, Ike Rushing, C. P. Waybourn and A. B. Simpson.

Guests called between 2:30 and 5 o'clock and were registered in a gold colored satin bride's book, handmade by Mrs. Frank Pohl. Approximately seventy-five brought or sent gifts.

Hot punch was served with cake squares which were decorated with pink rosebuds, and the names of the couple in blue.

The refreshment table was laid with a lace cloth and centered with a miniature wedding cake, topped with a bridal couple. The arrangement was on a reflector, and flanked with white tapers in double branched crystal prism holders.

Mr. and Mrs. Jameson are making their home at Holly, Colorado, and returned here for a brief visit this week.

RECENT MARRIAGE ANNOUNCED HERE

Announcement is being made here of the marriage Sunday afternoon, December 18 at 4:00, of Miss Dora June Banister, daughter of Mrs. Nell Banister of Paducah, and Norton Dye, son of Mr. and Mrs. Alfred Dye of Roaring Springs, in a ceremony performed in the Church of Christ, Paducah.

Mr. Bill Patterson, minister of the T. and P. Lane Church of Christ, Abilene, read the double-ring ceremony before an improvised altar of fall flowers.

Miss Sue Ann Frost of Vernon, cousin of the bride, sang as pre-nuptial selections, "I Love You Truly" and "Because".

For her wedding the bride wore a light blue street length dress of crepe, blue hat and dark brown suede shoes. Her bouquet was of pink roses.

Matron of honor was Mrs. Howard Singleton of Abilene. She chose a light tan street dress with brown accessories and contrasting corsage.

Howard Singleton of Abilene was best man.

The couple left immediately for a two weeks honeymoon trip.

The bride is a graduate of Roaring Springs High school and was employed by the Paducah Post prior to attending Abilene Christian College where she is now a Junior student.

Mr. Dye also graduated from Roaring Springs High school and is a Junior at Abilene Christian College.

The couple will make their home at 1830 Cedar Drive in Abilene.

Doris Stephens Is Honored With Party

A surprise buffet supper was given for Miss Doris Stephens of Paducah, Monday night, December 26 in the home of her parents, Mr. and Mrs. Cliff Stephens, the occasion being Miss Stephens' birthday.

The table was laid with a white linen cloth, which was brought from Europe, centered with the cake and silver and white candles. Christmas decorations were used throughout the house.

The following attended: Mr. and Mrs. Earl Stephens, Mr. and Mrs. Joe Gordon and Mrs. Beulah Jameson all of Matador, Mr. and Mrs. Doc Cross of Roaring Springs, Miss Grace Jones of Paducah, Tor Piper of Guthrie, Mr. and Mrs. A. B. Stephens and daughters, Retta Ann and Vicki of Plainview and the host and hostess.

Mrs. U. L. Willie Is Recipe Winner

In addition to "putting Matador on the map" with her outstanding achievements in federated clubs activities, Mrs. U. L. Willie has established her ability in cookery (a fact well-known locally by friends and associates) by winning first prize of \$5. for her recipe for Spanish Chicken, which she submitted to Ranch and Farm News magazine section of the Star Telegram. The recipe contests are conducted each month by the publication.

Mrs. Willie's prize-winning recipe is as follows:

Stew one five-pound hen until very tender. Cool and cut in small pieces. Add one level cup of cream sauce. (A can of cream of celery soup does very well). Now prepare to add a huge cup of cooked rice, moistened with about two cups of the chicken broth. Butter a long pyrex baking dish and add the moistened rice and chicken thoroughly mixed with the cream sauce of the Markham family—who 1-2 cup almonds toasted lightly and one small can pimentoes chopped.

Add one can of chopped mushrooms. Season to taste with salt and pepper. Pour into baking dish, cover top with cracker crumbs, grated cheese. Dot with butter and sprinkle with paprika. Bake 45 minutes in a 350 degree oven.

(NOTE: Two ingredients, almonds and pimentoes, were omitted from the recipe as it appeared in Ranch and Farm News but are included in the copy above.)

This is a big recipe and will serve 16 people. It can be halved successfully and is almost a meal in itself. You won't need much to go with this. It is a rich and tasty dish and the varied ingredients give it a distinctive flavor.

FREEDOM PAYS OFF ... FOR YOU

you hear a lot of talk about the advantages of making our government socialistic. Don't be fooled. Freedom—and that's the American Way—pays off, and here's proof: Americans are only 1/16 of the world's population. Yet this handful of people produces almost 1/2 of the world's goods—mostly for its own enjoyment. What other system beats that?

AMERICANS HAVE MORE—

- MORE AUTOMOBILES
- MORE TELEPHONES
- MORE RADIOS
- MORE UNFETTERED CHURCHES
- MORE UNGAGGED RADIO STATIONS
- MORE SCHOOLS
- MORE AND BETTER FOOD
- MORE AND BETTER CLOTHING
- MORE FREE SPEAKING NEWSPAPERS
- MORE PLACES OF AMUSEMENT
- MORE COMFORTABLE HOMES
- MORE ELECTRICITY

AMERICANS HAVE MORE OF EVERYTHING THAN ANYBODY ELSE! Remember that, when you hear tales of the marvels of a socialistic government... when people urge that our government get that way by taking over the electric industry, steel, railroads, medicine, and so on and on. Look at the record. AMERICANS HAVE MORE OF EVERYTHING THAN ANYBODY ELSE. Freedom did it, and never forget that. It makes a lot of difference to you—and to your family.

Hadacol Helps Textile Worker Stay On Job

The great textile mills of the Carolinas are booming again with shifts working day and night to turn out the nation's finest materials, and HADACOL is doing its part to keep folks on the job.

Many textile workers have reported the wonderful relief which HADACOL with its five B vitamins and four important minerals. This worker, a young father employed by the great Cannon Mills at Kannapolis, N. C.

Jay W. Barnhardt, Route 3, Box 343, Kannapolis, N. C., is 30 years old and the proud father of two children. His work in the Cannon Mills calls for a great deal of standing up.

"I had been ill for several years," said Mr. Barnhardt as he explained how close he came to having to give up his work. "I suffered with a weak stomach. It became worse and worse with gastric disturbances. I just could not hold food and no food agreed with me. I could not sleep and finally I became so sick that my legs got weak as I worked in the mill each day."

Mr. Barnhardt, like so many sufferers, had tried many preparations without relief when he heard about HADACOL.

"After the second bottle of HADACOL I began to feel better and to regain the weight I had lost," said Mr. Barnhardt. "My digestion became normal again and today I am as well as ever. My legs no longer bother me. I eat and enjoy my food. I sleep well and have plenty of energy."

Mr. Barnhardt has taken several bottles of HADACOL and now takes the famous vitamin and mineral preparation to help stay well. He has had his wife take it with wonderful results and has recommended it to his friends in the mill.

Mr. Barnhardt suffered from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. Your food will not agree with you. You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards.

Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and mineral, which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

SPEND HOLIDAYS HERE

Mrs. W. W. McDowell of Goodnight returned to her home Wednesday of last week after spending recent holidays here with her parents, Mr. and Mrs. Ed Cammack. Mr. McDowell came to accompany his wife home. Also visiting the Cammacks during the holidays were their son and other daughter and their families. Mr. and Mrs. Bryan Cammack and children, Billy and Shirley Ann of Monday and Mr. and Mrs. Jack Barton and daughter, Beverly, of San Angelo.

RECENT VISITORS

Recent holiday visitors in the home of Mr. and Mrs. W. I. Rushing were their children and their families, as follows: Mrs. C. P. Ivy and sons, Richard and Robert of Abilene; Mr. and Mrs. Chant Lee and son David, of Post; Mr. and Mrs. Albert Rushing and children, Joe, Susanne and Mike of Hale Center; and Mr. and Mrs. Bill Rushing and Janie of Wheeler. Mr. and Mrs. Odell Latham and children, Kara Sue and Russell, of Estelina, were week-end visitors in the Rushing home.

GRUBBY CATTLE ARE EXPENSIVE SAYS EMMONS

Many of the cattle in Motley county are infested with grubs in their back, some of them have a larger number than usual states J. R. Emmons, Motley county agent. These grubs are very expensive. Grubby cattle are discounted one-half to one and one-half cent per pound or an average of \$3.86 per animal and in addition to this discount it requires 15 per cent more feed to fatten an animal and will reduce the amount of milk approximately 25 per cent for milk cows.

Grubs may be controlled by dusting the backs of animals thoroughly with equal parts by weight of 5 per cent rotenone one part and tripoli earth or Pyrophyllite two parts. A fruit jar with 15 holes in the lid one-fourth inch in diameter is best for applying dust. Rub dust into hair with finger tips or brush. Repeat in 20 to 30 days.

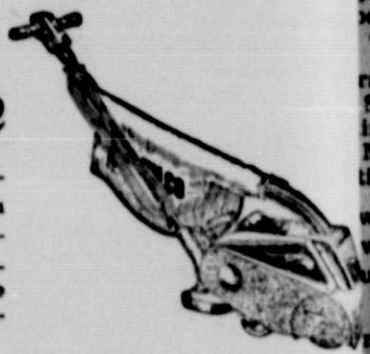

Most all drug stores have a prepared rotenone dust in small containers for a few head of cattle.

Grubs may also be controlled by applying the backs of animals with 5 pounds of 5 per cent rotenone, 10 pounds of wet sulfur per 100 gallons of water. A sprayer producing more than 250 pounds pressure should be used and the back should be wet.

All 4-H Club boys who grubby calves should be treating their calves with these methods immediately in order to be rid of the grubs show time, Emmons said.

as. His wife passed away three years after their marriage. He then moved to Spur, Texas, making that his home for four years, later moving to Dallas, Texas, where he resided for several years. He had lived at Paducah the past three years of his life.

He is survived by two sisters, Mrs. W. M. Graham of Matador and Mrs. A. B. Holliday of Bradshaw, Texas; also one brother, Walter Pike of Rocky, Okla.

Mrs. Holliday, accompanied by her daughter, Mrs. Reba Sanders of Austin, Texas, arrived in Paducah immediately after her brother's death, but due to the bad weather they were unable to attend funeral service. Mr. Walter Pike was also unable to attend rites for his brother.

Dickens Pioneers' Golden Anniversary Is Attended By 400

A crowd estimated at 400, Sunday attended the Golden Anniversary celebration of Mr. and Mrs. C. C. Haile of Afton. They were married in Throckmorton, December 31, 1899 and have lived in Dickens county continuously since that time. They have one son, Fred Haile of Midway, and two grandchildren.

Pioneer friends from almost every section of West Texas and points in New Mexico, attended the celebration held at the Haile stock farm home west of Afton. Vast quantities of barbecued beef and mutton were served, beginning at 12 o'clock and continuing until almost mid-afternoon.

Friends whom Mr. Haile had not seen in 40 years attended. The grey-haired West Texas pioneer's eyes were misty as he expressed appreciation for the hundreds of gifts brought to his home on the event of his and his wife's 50th wedding anniversary. "We didn't receive any

COLD WEATHER CALLS FOR CHECK ON GAS STOVES

AUSTIN—By this time you're aware that heater weather has definitely hit Texas.

State Health Officer Geo. W. Cox, commenting on the above mentioned fact, said Thursday there is no doubt that carbon monoxide—associated with gas heaters—is one of the most lethal and least publicized of all the poisonous gases.

Carbon monoxide, the doctor explained, is formed when there is not enough oxygen mixed with burning gas, or when the design or operation of gas burning equipment is faulty.

"With a toxicity comparable to the gases used in warfare, not enough attention is paid to the deadly effect of prolonged exposure to carbon monoxide," the veteran health officer said. He indicated that carbon monoxide claims more than its fair share of accidental deaths in Texas, but for some inexplicable reason it is not held in the same perspective as other accidents.

Dr. Cox believes this "killer" is due an explanation and makes the following recommendations for users of gas heaters:

(1) Make sure the heater is properly adjusted, by a gas serviceman if possible.

(2) Use metal tubing for connecting the stove to the gas line, and check for leaks before the stove is used.

(3) Always ventilate a room where a heater is burning. Even if no carbon monoxide is being formed, oxygen is being consumed.

(4) Never operate a stove at its highest burning rate.

(5) Do not use propane or butane gas in a heated designed for natural gas.

(6) Never let the stove burn all night. When other people using the same fuel line turn their stoves off, the line pressure will increase and the flame of the burning stove will increase to the point where carbon monoxide may be produced.

Carbon monoxide expelled by an automobile exhaust is a big health hazard in winter, too, Cox warned. He said many motorists have wrecked their cars and been listed as a highway death, when carbon monoxide was really the killing agent.
