YEAR—No. 34 MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, OCTOBER 26, 1967 SEVEN CENTS

RAIL DUST

By DOUGLAS MEADOR

When you stoke the fires of ambition and the smoke of dreams drifts...

Television programs are becoming so dull that they experience competition in the commercials...

By the edification of the younger generation who has not had to fight enough cover to keep from going on a winter night...

If you are poor you can count on friends without any doubts.

Time is the substance that wears away clocks that never get any more than to record its passing.

Only the rich are privileged to wear old and cheap clothing with arousing pity.

Some of us may have been play-boys by ear, with the results that are not able to distinguish the difference between noise and music.

The spacing of events seems fairly well arranged despite the assorted ingredients that go into even a brief span of history.

Known nationally in medical circles, Dr. Dunn was a stockholder and director of West Texas Hospital and for 10 years its chief surgeon.

He had lived in Matador as a youth when his father, the late Rev. R. F. Dunn was pastor of the local Methodist Church.

He was married on June 28, 1927 to Miss Kara Moore of Matador, a daughter of the late J. Rufus Moore, pioneer Motley County rancher, and the late Mrs. Moore.

Dr. Dunn first took an active interest in surgery at Matador as he watched the late Dr. A. C. Traweck, pioneer Motley County physician, perform emergency surgery on a woman who had been gored by a bull.

MOST PUTTS PLAY
Winifred Darsey was winner of most putts and received a ball. Others playing: Tommy Edwards, Louise Barton, Mickey Bostick, Geneva Wilson, Laverna Price, Loretta Grundy and Hazel.

BARTON IS MEDALIST
This was the last day to qualify for the CHAMPIONSHIP TOURNAMENT. Louise Barton was MEDALIST with a score of 86. Seven players qualified for this tournament. In the Championship flight, 1st round, Louise defeated Loretta 8 and 7. Laverna def. Tommy, 4 and 3. Billie Barnhill def. Mickey and Hazel drew a bye.

IN THE SECOND ROUND, Louise def. Mickey 2 and 1; Laverna def. Hazel 7 and 6; in CONSOLATION Tommy drew a bye and Billie forfeited to Loretta.

THIRD ROUND Louise def. Laverna 4 and 3; CONSOLATION: Loretta def. Tommy 3 and 2, and for CRY BABY, Hazel (with net score of 72) defeated Mickey (77 net).

BETTER YOURSELF
Thursday ended the "better yourself" play which had started July 6th. Lots of players had lowered their score a high bunch of points and improved their game!

At the last day of play there was a three-way tie with Loretta, Laverna and Louise. . . of 33 in the below 20 handicap. . . BUT Louise took care of that Thursday, when she had an EAGLE on No. 1, making her a score of 31. In checking around I found no one. . . Man or Woman, who has made an eagle on No. 1. . . SO Louise may have set a record!

Frances Hobbs was winner in the above 20 handicap with a score of 41. . . There were several close runners-up: Geneva (43), Hazel (44), and Faye Clements (45).

Lots of exciting golf was played during the Championship Tournament. Besides Louise's Eagle, several hole-outs were made. . . namely Mickey and Tommy. . . some of the play was made in real windy, gusty weather, but Saturday was a MOST beautiful day. . . just right for golf!

SEASON ENDS
Today winds up the play for this season and a luncheon is scheduled where trophies will be awarded for Championship Tournament, and officers will be elected for the new year. ALSO, dues are payable now.

Crowell B Comes From Behind to Defeat Matador

by Mark Timmons

Crowell B team came from behind at half time to defeat the Matador B team at Crowell Thursday. The Matador team led Class A Crowell 12-8 at half time but the final score gave Crowell a 20-12 victory.

First Matador touchdown came when fullback Lynn Skidmore crossed from two yards out with three minutes and 28 seconds left in the 2nd quarter. The Matadors scored again in the quarter when halfback James Nelms was on the receiving end of a 45 yard pass thrown by quarterback Pat Nichols.

Passing of the Matadors stood out as Pat Nichols passed for 139 yards. James Thompson received for 70 yards. A stubborn defense was put up by the Matadors with Lynn Skidmore and James Thompson having 12 tackles each, followed by Pat Nichols, Robert Elliott and Donnie Jackson with nine each.

Nichols led the rushing department, which was considerably less than the passing, with 17 of the 34 yards gained on the ground.

Tonight the B team will again clash with Crowell (7 p.m.) here on their own ground at Burlington Field.

PESO Consultant Here for Meeting of Area Teachers

(Delayed)

Thomas Fairclough, assistant professor of English at Midwestern University, Wichita Falls, was here Saturday for an all-day session at Matador High School.

Area teachers joined Matador schools faculty for the meeting with the consultant for the Panhandle Educational Service Organization. Purpose of the PESO is to provide assistance to school districts in experimental teaching programs.

Since Matador has been named a Pilot School for the new English curriculum under the Nebraska Plan, Mr. Fairclough, as consultant, centered his discussions around that system.

Instructors were from Pampa, Borger, Amarillo, Canyon, Roaring Springs and Matador schools.

At the University of Nebraska, Fairclough worked on the initial development of the Project English curriculum six years ago. Matador's adoption of Project English will be a test of the plan, designed to help schools with less than 10,000 population.

Among those from out of town who attended the all-day session were Mrs. Edith Smith of Amarillo, consultant for secondary schools, Mrs. Allegro Bush, Amarillo, elementary consultant, and Dr. Pat Sullivan of West Texas State University, Canyon.

Lucile Meador Woolery (2524 Garfield, Abilene) writes: "In these times if anything can be purchased for one dollar, I'm buying it! ... Ted and I are planning BIG on coming, and will be sadly disappointed if I can't make it. How wonderful is the anticipation!"

"Don't know whether I can make it this year... but wouldn't want the good ole organization to go broke!" writes Hope Clements Conroe from 2217 30th Street in Lubbock. "Thanks to all the wonderful Matador people who keep it going..."

Also from Lubbock: "Here is my dollar, and Sallye and I are planning on attending Homecoming, Ralph Fletcher"

Bob Rushing of 525 NW Newton, Burleson, Texas writes: "Just a short note to say Thanks for the invitation to Homecoming and to send you my dues. Don't know as yet whether we will get to make it as Burleson is still in the fight for District Championship of Dist. 10-AA, and my son is a starter on the team."

"We still love Matador and all of the people there and will certainly try to be there unless our team here does get into the State playoffs."

CARD OF THANKS

With deepest gratitude, I take this means of extending my thanks to the many friends of my beloved mother for your many acts of kindness during my sorrow. May God bless each of you.
Lt. Col. Jack Robinson Jr. (2)

IN APPRECIATION

Ann Gaines would like to express her profound gratitude to all the people of Matador who have so faithfully remembered her during her hospitalization. The cheery messages helped a great deal. May God bless each of you.

IN APPRECIATION

Words cannot express the gratitude we feel in our hearts. The love shown by each of you in prayers, cards, flowers and gifts, phone calls and visits, has warmed our hearts. Judy will rely upon the memory of this kindness to find the courage to make a brighter future.

CARD OF THANKS

We wish to take this means of expressing our appreciation for the lovely cards and beautiful flowers and the food prepared for us at the death of our father and brother. May God bless each of you.
