During his first term in the Senate, Sen. Hightower became well-known as an effective and dedicated legislator. He has achieved the enviable record of appointment as chairman of an important committee and a member of twelve of the Senate's committees, some of the most important of which are: Water and Conservation; Finance; State Affairs; Counties, Cities and Towns; and Agriculture and Livestock. He has been named by the Lieutenant Governor to two interim committees to make studies of the Texas Election Laws and the needs of the Nursing Profession in Texas. The findings and recommendations of these committees will be made to the next legislature.

Senator Hightower's distinguished service earned his appointment by Governor Connally as a delegate to the Southern Regional Education Board Conference on Higher Education. His effectiveness has been fully demonstrated in his support of important legislative measures concerning water and soil conservation, education law enforcement, water and air pollution, health, etc

Senator Hightower has an impressive record of public service. He served two years in the Texas House of Representatives and seven years as District Attorney. In 1957 he was appointed by the Governor to the Texas Law Enforcement Study Commission, and at the time of his election to the Texas Senate, was vice chairman of the Board of Regents of Midwestern Uni-
