Ex Students Board Of Directors Vole to Skip Homecoming

Matador will not have an ex-students homecoming celebration in 1959. The decision was made by seven members of the board of directors meeting two weeks ago, according to Itaby Webb, president of the association.

He said principal factor in deciding to skip the 1959 meeting is the absence of a good football game on a convenient date.

There has been some dissension among members on the decision of the board to postpone the 1959 meeting and a petition has been circulated requesting that the homecoming be held.

Some plans have been discussed for holding a homecoming party for those who favor a meeting of some nature. Nothing, however, has been announced as a definite plan.

MAVERICKS ROLL OVER QUITAQUE

Matador Mavericks won their second game of the season last Thursday night at Burleson Field, defeating the Quitaque Grade School Team 22-16.

The Mavericks took the opening kickoff and went for a touchdown. Quarterback David Ratten scored on a 10 yard run around left end, and Robin Brown scored the extra points.

Several minutes later Fullback Johnny Peirce rambled 66 yards for a score. The extra points were no good.

In the second quarter Brown ran 59 yards to score. Ratten added the extra points to close out the Matador scoring.

Quitaque's touchdowns came on a 72 yard kickoff return by the quarterback and a 3 yard plunge by the fullback. The quarterback scored the extra points.

Mavericks next game will be with Estelline tonight. The game will be played on Burleson Field and game time is 8:00.

Former Pastor In Matador Hospital

Ray Manning of Wichita Falls, former pastor of the First Baptist Church of Matador, is in Stanley Hospital here showing some improvement from an attack of pneumonia, although his condition is still considered serious.

Rev. Manning drove into Bill McCaghren's East Side Conoco station about one o'clock Friday afternoon. He told his friend and a deacon of the church of which he was formerly pastor, to take him to the hospital at once.

Mr. McCaghren said Rev. Manning slumped into the seat and was unconscious by the time he reached the intersection of Main Street and U. S. Highway 70. He did not regain consciousness until Monday night.

Following the seizure and while he was still unconscious the former pastor contacted pneumonia. His condition was considered extremely critical Sunday.

Manning went from here to Throckmorton to the pastorate of the First Baptist Church there about two years ago. He had since resigned due to his health and was serving as field representative for the Baptist Children's Home at Beeville. Recently he had become employed with the Southwestern Life Insurance Company.

Attendance Reflects Interest in Meeting

Interest in the revival meeting in progress this week at the First Baptist Church has been reflected in good attendance at both morning and evening hours, and in additions to the church membership.

Inspirational messages by Rev. C. T. Aly of Wichita Falls following the revival theme, "This is the answer—new life through Christ," have been emphasized in outstanding song

services led by Bob Miller of Post. Mr. Miller is also directing the young people in special rehearsals preceding the evening preaching hour. Prayer groups also meet thirty minutes before the service.

In remaining services of the revival, Rev. Aly will speak on the following subjects: Thursday, "The Cry of the Christless"; Friday, "The Blessings of the Believer"; Saturday, "Sin's Cure"; and Sunday, "The Simplicity of Salvation."

New Chevies On Display Friday

Two new 1960 Chevrolet are advertised to go on display Friday at the Campbell Chevrolet Company show room here. One is the improved "Superlative '60 Chevy" with many refinements, improved lines, better performance, available in 16 models.

The other Chevy is the revolutionary Convoir, Chevrolet's new small car with the engine in the rear. The car has a surprising amount of leg and head room and Chevrolet claims the air-cooled engine gets as much as 30% more miles per gallon of gas.

Special "nights" throughout the week have been observed, with good response, especially on Youth Night Tuesday. Sandra Sandler was presented with a Bible for bringing the largest number of young people to this service.

Early Service Tonight Services for tonight, designated as "neighbor night" will begin at 7:15 instead of 7:45, according to an announcement by the pastor, Rev. Gene Hawkins.

The change was made in order that the services might be concluded early and enable those who wish to do so, to attend the football game scheduled at 8 o'clock between the Mavericks, Matador's grade school team and Estelline's grade school team.

An attendance goal of 250 in Sunday School Sunday has been announced, and special effort will be made through visitation the remainder of the week, to reach this number.

Goals by departments and classes are as follows: Adult department, 127; T.E.L. class, 21; Winsome, 17; Couples, 20; Reprobates, 31; Fidelis, 28; Young Adults, 10; Young People (Continued on back page)

Broken Insulators Vex REA Customers

Pole insulators on REA power lines broken by rifle shots have caused interruptions of service in this area, according to J. W. Coppedge, manager of the Hall County Rural Electric, of Memphis.

Mr. Coppedge said customers east of Matador were without electric power Tuesday morning because insulators had been broken by rifle shots about three miles northeast of town. Two reports of the vandalism have been received in the past week.

"Replacing the insulators is expensive," Mr. Coppedge said, "in addition to causing the problem of interrupted service. Breaking insulators is a serious offense. The REA lines belong to the people they serve," he said, "and the expense of repair comes directly from the pockets of the customers."

EN ROUTE TO MISSOURI

2nd Lt. Mitchell Neal Pipkin arrived home Tuesday night from San Antonio where he has been stationed at Lackland AF Base. After a visit here with his parents, Mr. and Mrs. W. N. (Bill) Pipkin, he will continue to Malden, Missouri, where he has been transferred.

HEAVY SHOWERS THAT

started here a short time before daybreak Wednesday morning have brought the cotton harvest to an abrupt halt, and the accompanying cooler temperatures caused stoves to be lighted in some places of business.

Bob Stanley, who keeps an accurate check of the rainfall, said the precipitation yesterday afternoon was .89 inch. He said the total now for nine months of 1959 is over 20 inches. Annual average rainfall (12 months) is about 22 inches.

The rain was accompanied by mild thunder and lightning and fell in a series of showers. Joe M. (Buzz) Thacker said yesterday afternoon that the rainfall at Roaring Springs was approximately three-fourths of an inch and that it had fallen there as here, in a series of showers.

While the rain has stopped the harvesting of cotton, it is welcomed by farmers who have dry-planted or plan to plant wheat. Ranchers also welcome the moisture which immediately reduced the fire hazard to abundant but exceedingly dry ranges, and generally improved range conditions.

As rain was falling here yesterday reports from the mountain areas of Colorado said snow had fallen in many sections.

Amarillo weather station had forecast a low of 40 degrees for last night and continued rainfall for today.

'60 Pontiac Being Shown Here Today

First new 1960 automobile to be officially shown here is the new Pontiac which goes on display today at the Matador Motor & Implement Company show room.

The new Pontiac has retained the wide-track wheels introduced last year. It has many improvements and is an exceptionally beautiful car.

The advertisement announces a wide choice of vigorous Temp-V-8 engines tailored to economy or high performance.

Mike Hoyle, manager of the local agency extends a cordial invitation to the public to visit the show room and see and drive the new 1960 Pontiac, "The Car With The Fresh Point of View."

Lewis Rites Held At Roaring Springs

Funeral services for Walter D. Lewis, 46, resident of Roaring Springs since 1939, were held Sunday at 2:00 p. m. at the Church of Christ in that community, with Minister J. B. Tidmore of Olton and Minister Leonard Dennis of McAadoo, officiating.

Mr. Lewis died at his home Thursday at 8:00 p. m. following a heart attack. He was born March 21, 1913 in Coalgate, Okla. He was married to Miss Irene Deickmier, March 31, 1935 at Peacock Texas, where they made their home until moving to Roaring Springs. He operated a blacksmith and welding shop where he farm machinery. He was a member of the Church of Christ. He died September 24, 1959, at the age of 46 years, 6 months and 3 days.

Burial was in Roaring Springs Cemetery under the direction of Eudy-Seale Funeral Home. Pallbearers were Horace Redd, S. J. Braselton, Clyde Williams, Bob Clem, Alfred Dye and J. K. Campbell.

He is survived by his wife, Mrs. W. D. Lewis, Roaring Springs; one daughter, Mrs. Gene Cloud of Tampa, Florida; (Continued on back page)

Jan Barton Keeps Her Dream

Trip Is Reward For Nine Years Of Work

NINE YEARS AGO a girl began a dream. The girl was Jan Barton, now 17, daughter of Mr. and Mrs. C. M. Barton Jr., of Matador and the dream was a trip to the National 4-H Club Congress in Chicago. She will be in Chicago, November 29, as one of Texas' 12 most outstanding 4-H club members. The awards are offered 4-H club members in connection with the National 4-H Club Congress and are provided by the Santa Fe Railroad.

It is easy to dream, but working toward a dream's fulfillment is something else. Jan Barton has worked.

BRAND EDITOR Carolyn Pohl who has the responsibility of collecting and editing Matador School news this year. As a background for her work she was employed by the Tribune during the past summer. Carolyn, a senior, is the daughter of Mr. and Mrs. Frank Pohl.

Currently she is serving on the Governor's Youth Council, representing the 4-H clubs of Texas. She is also serving as vice-chairman of Texas 4-H clubs and is district delegate to the 4-H council (Dist. 3). She is county chairman of Motley's 4-H clubs.

Jan Barton's record is an agenda of ambition. She has served as Dist. 4-H treasurer, four times chairman of Motley County 4-H clubs, twice named president of the Matador club, vice president, secretary and reporter of the Matador club.

She has been elected to attend the President's Youth Conference next year in Washington, representing the 4-H clubs of Texas.

County Agent W. C. Palmeyer is supervisor of Miss Barton's work. In county stock shows she exhibited the grand and reserve champion steers in 1953. Other county awards which she has received include citizenship, public speaking, achievement, leadership and girls' home economics. She was first place winner in the soil conservation essay contest sponsored by the local SCD in 1957.

Her parents are 4-H club leaders. They have another daughter, Cherri, and a son, Max, who are active in 4-H club work.

Thus the little girl who started her 4-H club work with a small calf in 1951, is the young lady who is going to Chicago next month and later to Washington. She has risen to a place of national leadership in pursuit of a dream.

Former Resident Killed in Crash Near Fort Worth

A former Matador resident, Carl Lane, 46, of Clifton, died Friday night in a Ft. Worth hospital of injuries received in a car-truck collision on U. S. Highway 80 about 10 miles west of Ft. Worth.

Also injured in the accident was R. D. Clements, 29, son of Mr. and Mrs. W. W. Clements of Matador. Lane was driving Clements' car when it collided with a pick-up truck driven by Orman Hamby, 44, of Aledo. Hamby was treated for cuts and bruises. Clements sustained a cut over his left eye which required stitches.

Lane, a construction worker, had been employed here and operated the Texan Cafe at one time. He is survived by two daughters, Mrs. Carlene Dawson of Amarillo and Mrs. Barbara Goodwin of Paducah; his mother, Mrs. Willie Lane of Clifton; four sisters, Mrs. Bruce Barton of Dallas, Mrs. Mary Wigley of Ft. Worth, Mrs. Doran Dellins of Waco and Mrs. Maude Hill of Austin.

Funeral services and burial rites were held in Clifton. Clements said the pick-up came from the Aledo Crossing directly across the path of the car. The accident occurred early Friday morning.

COUNTY TREASURER RETURNS FROM TRIP

Mrs. Velma Fulfer, Motley County Treasurer, returned home Tuesday from a trip to California where she visited her children and other relatives the past two weeks. These included Lieut. Commander George W. Fulfer of the Navy Chaplains Corps, Camp Pendleton, and his family; Rev. and Mrs. Norris Fulfer of Norco; Mrs. Elbert Fulfer and Miss Ada Shands and other relatives at Modesto, and with an aunt at Redlands.

Mrs. Fulfer's visit coincided with the arrival of a new grandchild—a daughter who was born to the Norris Fulfers on Sept. 20. She weighed 8 lbs. 4 1/2 ozs. and was named Sonia Lynn. They have three other children, Devonna, 11; Sue, 9; and Craig, 2.

MATADORS LOSE TO CROWELL WILDCATS

by Johnny Ezzell

Crowell Wildcats handed the Matador Matadors their third loss of the season, and worst in several years, 51-14, Friday night at Crowell. Six Crowell players scored in the game.

Matador players scoring touchdowns were Guy Campbell and Jimmy Welling. Dink Wilson accounted for two points with an extra points run.

Top defensive players for Matador were Dale Dixon, Bundy Campbell and Clem Edwards.

Crowell scored early to grab a 24-0 first quarter lead, made it 31-0 at the half and led 44-8 after three quarters of play. One of the strangest facts of the game was that the Matadors led the Wildcats in first downs 18 to 13.

The Matadors took the opening kickoff, and lost the ball on a fumble. Crowell recovered on the Matador 24 yard line and scored five plays later. Fullback Jim Henry scored the touchdown on a two yard end run. Quarterback Ivan Cates passed to Wesley Cummings for the extra points and an 8-0 lead.

The Wildcats scored again moments later when halfback Wesley Cummings took a Matador punt and returned it 56 yards for a touchdown. The extra points were scored by halfback Guy Todd to push the scoring to 16-0 with 6:55 left in the quarter.

Henry set up the next score with a 50 yard run to the Matador 2 yard line. From there, Cates scored on a quarterback keeper play. He tacked on the extra points with a run around around left end.

Score in 52 Seconds Crowell scored again 52 seconds deep in the second quarter when substitute halfback Don Welch went 12 yards around (Continued on back page)

Freshmen Girls Have Initiation

FHA initiation for the freshmen girls was held all day Monday, September 21. The girls dressed according to upper classmen directions and participated in many activities all day. Description of the girls is as follows: cake coloring, egg, and arch in their hair; names painted with lipstick on their noses; hats of plungers on their heads; long handles with houses and khaki pants turned wrong side out; and a different kind of shoe on each foot. The girls carried baby bottles, suitcases, and buckets as accessories to their apparel. An assembly was held in the auditorium at 11:00 a. m. for the high school students. The junior girls were in charge of the program, which consisted of playing tricks on the freshmen girls and having them do stunts, and songs. Mrs. A. L. Fair's yard was the scene of the final freshmen activity for the day. This was the secret part of the program and only the FHA girls and their mothers were invited along with the girls being initiated and their mothers. Those initiated were Jane Hamilton, Barbara Bird, Mary Newman, Dorothy Crenshaw, Pat Cooper, Glenda Lynn, Jill Scaff, Patsy Briscoe, Eileen Thrasher, Ann Garnett, Sandra Jenkins, Judy Hart, Thelma Baker, and Gay Pepper. Adults attending were Messames Ray Thrasher, Clay Hart, John Briscoe, Tutt Garnett, Tom Newman, H. T. Jenkins, Melvin Meason, C. M. Bartoo, Jr., Ala Gene Pepper and Arthur Cooper.

Girls attending included Vella Ree Edwards, Anita Martin, Jane Scaff, Kay Rattan, Geney Spray, Janie Waybourn, Cherri Barton, Edna Williamson, Linda Thompson, Norma Cooper, Judy Hobbs, Anna Thrasher, Daphene Lynn, Sue Cross, Carol Campbell, Jan Barton, Carolyn Pohl, Doris and Frances Cooper, Christina Dameron, Gwen Killingsworth, Sandra, Stevens, Dixie Barton, Donna Williams, Rae Thrasher, and Martha Cooper.

Lakeview Beaten By GH Mavericks

The Matador Mavericks won their opening football game of the season with a 38-0 over Lakeview on September 17. In the first quarter Robin Brown, fullback, went 34 yards around left end to score. Charles Ezzell scored the extra points.

In the second quarter Brown went 23 yards around left end to score again. He also scored the extra point to make the score 16-0.

The Mavericks scored twice in the third quarter. David Rattan went six yards around right end for the first, and later on, Brown scored from 7 yards out. Rattan added the extra points.

Brown scored the final touchdown on a 9 yard run in the fourth period. Ezzell scored the extra points to make the score 38-0.

LIBRARY LAPSE

By Donna Williams

A very interesting and inspiring book is Jane Eyre by Charlotte Bronte.

Jane Eyre spent most of her childhood in a girls' school as her parents died when she was quite small. At the age of eighteen, Jane went to work as governess for a Mr. Rochester, who was guardian to his niece.

Though there were many times Jane felt ill at ease with Mr. Rochester, and thought there was something strange about his household, she gradually came to love him. When he eventually confessed his love for her and proposed, she joyfully accepted.

At their wedding, just before being pronounced man and wife, a stranger broke in and stopped the ceremony. Jane learned that Mr. Rochester was already married and that his wife, who

was a lunatic, was still living. Upon gaining this knowledge, Jane left and wandered aimlessly for days. She finally collapsed on the doorstep of a Mr. St. John, who let her board in his home and teach the miller's children.

Later, Jane learned that she had inherited a small fortune from an uncle on which she travelled over Europe.

When Jane returned to the United States, she learned that Mr. Rochester's wife was dead. The events that led to the meeting of Jane and Mr. Rochester, and to their eventual marriage make this a fascinating story.

CAMPUS CUES

by Carolyn Pohl

Initiation day for the freshmen proved to be quite an affair. Several of the high school boys were embarrassed when they were called to the auditorium stage to hear songs sung to them by the "lovely" girls. Mr. Macon was also called to the stage, but not for songs. He led the girls in several exercises.

If anyone is hunting for anything, get in touch with Judy Hobbs. Judy was chairman of the "hay committee" for the sophomore hayride and it turned out that they had real "hay"!

South Plains Fair boosters visited school recently. Kids

were seen with pencils and ballpens in their pockets.

The cheerleaders were called to the front by the boosters to give a yell to boost up spirit to beat Crowell.

See ya next week!

ED D. SMITH IS S. C. PRESIDENT

Ed D. Smith is president of Matador High School Student Council. He was elected Friday September 18, by the student body in a secret ballot. His opponents were Jan Barton and Clem Edwards.

Speeches for president took place the day before the election. Candidates for the office made five minute speeches in study hall along with their campaign managers who were Daphene Lynn and Harry Hamilton for Ed D. Smith, Carolyn Pohl for Clem Edwards, and Sue Cross for Jan Barton.

Those elected representatives to the council from each class include Judy Hart and Gary Lancaster, freshmen; Dixie Barton and Jimmy Don Green, sophomore; Anita Martin and Dink Wilson, junior; and Jan Barton and Clem Edwards, senior.

SENIOR NEWS

By Daphene Lynn

There was a buzz of excitement in the senior class last

week. This was because the seniors received their picture proofs. All students were well satisfied with the proofs and are hoping the original pictures will be as good.

Clem Edwards and Jan Barton were selected senior representatives for the student council. Both Jan and Clem ran for vice president of the Student Council. Campaign managers were Jimmie Irwin, Judy Hobbs, and Daphene Lynn. The senior class sent get well wishes by telegram and a box of candy to Butch Renfro, who underwent knee surgery recently in St. Mary's Hospital in Lubbock. Butch is doing fine now.

A hayride has been planned for the seniors and their dates next Monday, October 5.

SOPHMORE NEWS

By Judy Hobbs

The sophomore class has really been busy. Besides working algebra all of the time and squeezing in a little of another subject once in awhile, we have had our pictures made, had student council representative election, and a hayride.

All last week we had signs hanging up all over the school house saying "vote for the best" or "he or she is our man" or something on that order. However, we would all like to congratulate Dixie Barton and Jimmie Don Green on winning

the election. We know they will make very good representatives.

Everyone seemed to have a lot of fun on our hayride recently. It must have been everyone's first real hayride, since this is the first time we have used hay. Those who went were Don Macon, our sponsor; J. C. Cross, who provided our transportation; Sandra Stevens, Cherri Barton, Dixie Barton, Vada Nichols, Geney Spray, Vella Ree Edwards, Judy Hobbs, Melanie Brown, Dorothy Crenshaw, Dink Wilson, Ros Bearden, Clem Edwards, Gary Jenkins, Billy Crenshaw, Ed D. Smith, Kelly Jackson, Albert Thrasher, and Jimmie Don Green.

FRESHMEN NEWS

By Ann Garnett

The freshmen class has been fairly busy these last two weeks. Last week we elected our freshman student council representatives. Chosen were Judy Hart and Gary Lancaster. Gary had it pretty easy though.

He was the only boy in the election. Monday, the freshman girls were officially made FHA members. We had all been looking forward to initiation day for a long time. If the citizens of Matador didn't know what was going on, they probably thought that we were just a bunch of idiots running around. However, I think we all had more

fun than those who were initiating us.

We are sorry to have lost Linda Pritchett this week. She joined our class this year, coming from Guatemala where she attended school for two previous years. Linda moved to Lubbock.

Also, we are enjoying having Mr. Moore as our sponsor.

JUNIOR NEWS

By Ida Fair

If you see someone scurrying around the ground on all fours, it's likely to be a junior biology student trying to find 25 bugs before six weeks test time.

The chemistry class is studying atoms, and from some of the discussions, we may have a atomic explosion in the lab.

The junior girls enjoyed planning and conducting the chapel program for "Fish" initiation. Representing the junior class in the student council and Anita Martin will be Dink Wilson and Anita Martin. We are proud of them and know they will represent the class well.

fresh point of VIEW...from Pontiac!

- Another fresh one from Pontiac!
- The inspired beauty of perfect proportion!
- The precision control of Wide-Track Wheel Design!
- The softer ride of supple suspension!
- The wide choice of vigorous Tempest V-8 Engines tailored to economy or high performance!

The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

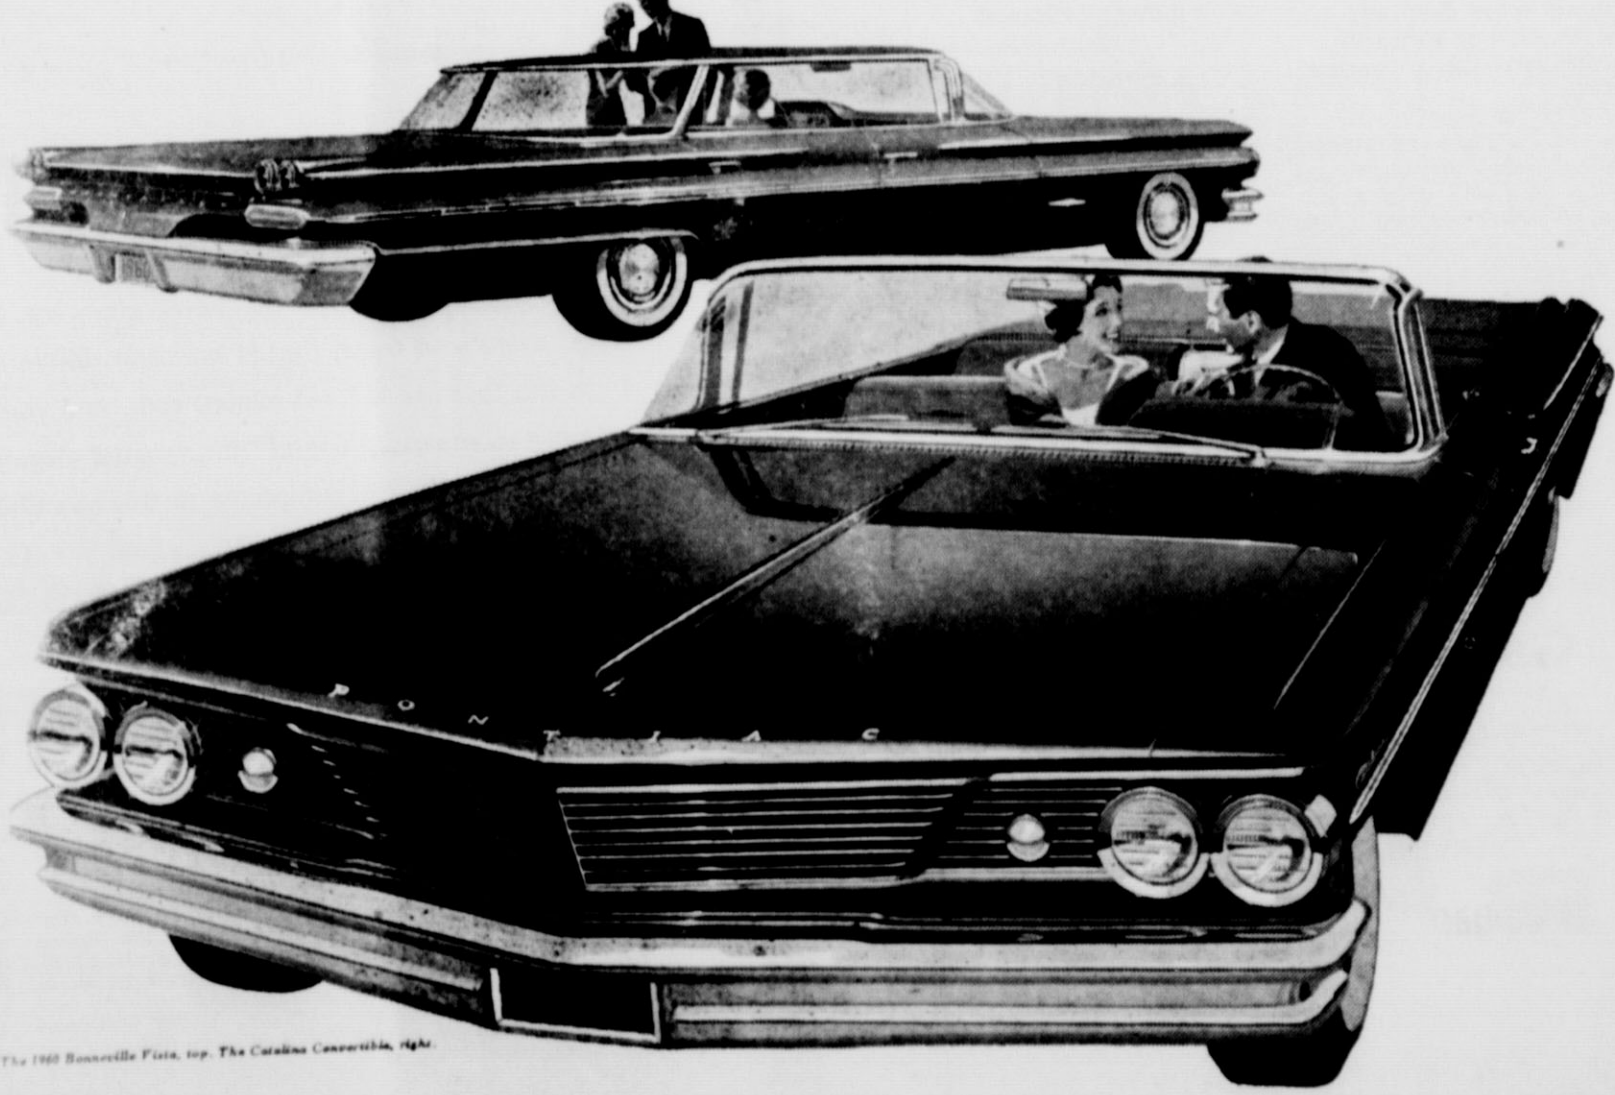

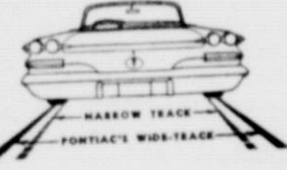

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, ground-gaining power packages to choose from. All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swiftest stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

El Progreso Study Club Convenes for President's Tea, Opening Current Year

The year's work for El Progreso Study Club opened with a President's Day Tea, Thursday, Sept. 24, in the home of Misses Amy and Sue Glenn, with the new officers in charge.

The new president, Mrs. D. E. Pitts called the house to order and greeted the large assembly of members with words of cheer and encouragement for the year's work ahead, emphasizing the general subject of adult education and calling attention to the motto: "Study to show thyself approved."

Minutes of the last meeting and of the executive meeting were read by Mrs. Forrest Campbell, incoming secretary. After a short business session, the leader for the afternoon, Mrs. Frank Pohl, brought a devotional taken from the thirteenth chapter of 1st Corinthians, and gave a short biography of the author, the Apostle Paul.

Club collect was given in union, followed by musical numbers arranged and directed by Mrs. Lalar Wilkerson and sung by the Teen Tones, Dixie Barton, Judy Hobbs, Melanie Brown, Cherri Barton, Vella Ree Edwards and Vada Nichols, accompanied by Sandra Stevens, pianist. Numbers sung were, "Others," "I'll Walk Beside You," "Robbing the Cradle" and "Ain't Never."

The President's Address was the highlight of the program as she spoke on the "Significance of Man," including the progressive points, "I Can," "I Think," "I Believe," "I Ought" and "I Will." She inspired each of the members to apply herself to the work ahead.

Mrs. A. J. Daffern, year book chairman, explained the new year books, concluding her re-

son of Plainview; Charlie Boone, Mrs. W. S. Mash, Mrs. J. Y. Boyd, Mrs. Belle Shurtleff and Mrs. W. H. Bledsoe, all of Lubbock.

Hosts and hostesses for the meeting were Mr. and Mrs. Joe N. Hefner, Mr. and Mrs. Carl Bruce and Mr. and Mrs. Orvell Kuykendall, all of Lubbock.

In addition to Mrs. Darsey, others attending from Matador included Mrs. Ben Keltz, Mr. and Mrs. Bennie Keltz and sons, Larry and Terry, accompanied by Mark Manning, Mr. and Mrs. J. E. Edwards, Thomas and Pattie; Mr. and Mrs. Harold Campbell and Guy; and Mr. and Mrs. Robert Darsey, Joanne and Robin.

Among other relatives present were Mesdames A. C. Keltz and E. L. Keltz, Vernon; Miss Mildred Boone and Mrs. Evelyn Pope, Lubbock; C. C. Garrison and Keltz Garrison, Plainview; Mr. and Mrs. Dan D. Darsey, Muleshoe; and Mr. and Mrs. E. J. Dillon of Littlefield.

HOME FURNISHINGS INTEREST TO CLUB

Mrs. Bobby Jameson was hostess to the members of Modern Homemakers Club at the regular meeting date last week. Mrs. Kirby Campbell presided. The club responded to the roll call by giving their choice of colors in home furnishings.

At the close of the business, Mrs. Jameson served refreshments, after which the members went to the home of Mrs. C. T. Jinkins, through contact made by Mrs. Edgar Lee, program chairman.

Mrs. Jinkins graciously invited the club to view her home, its color scheme, arrangements and furnishings. Also of interest was Mrs. Jinkins' paintings, ceramic and china work.

Attending the meeting were Mesdames Campbell, C. M. Barton, Gene Hawkins, Edgar Lee, Elbert Reeves, Earl Stephens and the hostess.

Mrs. Lee will be hostess to the club on October 12, at 3:30 p. m.

* COME TO CHURCH SUNDAY

Promotion Day Exercises Held Sunday For Methodist Church School Classes

Promotion Day exercises were held Sunday, Sept. 27 for the Methodist Church School. Classes met in usual order and following opening exercises, roll call and brief instruction period, all departments went to the sanctuary of the church for a program led by the Children's Department. Promotion certificates were awarded some twenty-five children and intermediate young people.

Following the program, new officers and teachers were recognized and all officers and teachers for the ensuing year were officially installed. A word of appreciation was given for all who labored in the Church School during the past year.

New general Church School officers for the year are as follows: Arthur L. Fair, general superintendent; Bill Palmeyer, supt. of adult division; Mrs. Arthur L. Fair, supt. of the youth division; and Mrs. Frank Williams, supt. of the children's division.

Other Church School officials include Charles Johnson as supt. of membership cultivation and Knox Jameson, general secretary. W. B. Wason will act as assistant to the general secretary.

Department leaders include, Mrs. Arthur L. Fair, Intermediate supt.; Mrs. Mike Hoyle, supt. of Junior dept.; Mrs. N. B. McMahan, supt. Primary dept.; and Mrs. W. F. Jacobs, supt. of Kindergarten-Nursery dept.

Church School teachers include: Adult department, W. L. McWilliams, Mrs. Fred Simpson, Mrs. Ethel Payne, Mrs. A. J. Daffern, and Furman Vinson.

Handicap Finals Scheduled Today

Final round match of medal play in the handicap tournament in progress the past week by the Women's Golf Association is scheduled for today, between Mrs. Tom Newman and Mrs. Buzz Thacker, winners in the third round match, Tuesday.

Mrs. Newman defeated Mrs. Frank Price, and Mrs. Thacker was victor over Mrs. Bill Seale, to become contenders for the handicap trophy.

M. Y. F. HAS PARTY

Members of the Flomot Methodist Youth Fellowship met in the church basement Wednesday evening of last week for a party. Several games were played, after which sandwiches, cookies and punch were served to the following: Sheila and Stanley Degan, Mack Bynum, Truman Moseley, Pete Chambliss, Frances and Doris Cooper, Jimmie Ross, and Rodney Hammons.

SURPRISE SHOWER

Approximately twenty ladies gathered at the home of Mrs. E. L. Willard Tuesday of last week at 4:00 p. m. and surprised her with a pink and blue shower. Following a game, the honoree opened her many gifts, several of which were sent by ladies unable to attend. Refreshments of Cokes and cookies were served by the hostesses, Mmes. Wade Martin, John Jones, Arthur Cooper, and Joe Degan.

FLOMOT METHODIST WOMEN REORGANIZE

Women of the Flomot Methodist Church met Tuesday, Sept. 22 at the church for the purpose of re-organizing the Women's Society of Christian Service.
Mrs. Wilburn Martin was elected president and was in charge of the business meeting. The members voted to meet the second and fourth Tuesdays at 2:30 p. m. at the church to have a devotional and Bible study period at each meeting. Plans were also laid to improve the church basement as soon as the men of the church make necessary repairs to the exterior of the building.

Other officers elected at this time included, Mrs. Sam Ross, vice-president; Mrs. Wade Martin, secretary-treasurer; Mrs. Ruth Cooper, promotion secretary; Mrs. Raldo Martin, secretary of local church activities. Other officers are to be elected later.
For the program, Mrs. John Jones read Psalm 121 and Mrs. Wilburn Martin gave "A Story About Caring." Bible study was on "Women of Scripture." Closing prayer was by Mrs. Sam Ross.

COTTON DEFOLIATION

Several Motley County farmers have been wondering what is the best defoliant for wilted cotton where the leaves are badly burned. According to information received from Fred Elliott, Extension Cotton Specialist, for cotton of this type, it is best to use Penta and diesel. A list of defoliants are available in the County Agent's office in the form of Leaflet 145, "Cotton Defoliation Guide for Texas."
For turnout, at least 60% of the bolls should be open, and over 80% of the bolls should be hard or matured. To arrive at this number, make several counts in the field, counting 100 bolls, and determine the percent of bolls open, and the percent that are matured.
Be sure to follow the recommendations on the defoliant container, but for figuring purposes, it takes 1/2 gal. of penta and about 5 gal. of diesel per acre. Adding Humus to Soil
Cotton growers have found an easy and cheap way of adding humus to their fields and increasing its water holding capacity. This is done by returning cotton burs and gin trash to the soil, and plans for equipment developed to reduce the labor needed for this process can be obtained at the County Agent's office.
Burs provide additional humus and improve physical condition of the soil as well as increasing the water holding capacity. Several Motley County farmers have found that the use of commercial fertilizer alone does not always do the job, especially on spots where all the soil is gone, but that when the fertilizer was added to these spots after burs had been spread, yields were greatly increased.
Ginners like the method of

COUNTY AGENT PALLMEYER SAYS:

Make plans to treat the spots in your field that are not producing like they should now. Cotton burs are the most economical method known at the present.

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER!

THE REVOLUTIONARY Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de-luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair. The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2 1/2 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

dealer's man to see for all the short, sweet details.

REVOLUTIONARY TURBO-AIR 6 Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

STYLING—PURE AND SIMPLE Clean, uncluttered lines shape both 4-door models—the de-luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER HOOD LUGGAGE COMPARTMENT Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

Public Interest in Historic Heritage Aroused Through 200 Groups in State

A new, wide public interest in Texas' historic heritage is being aroused throughout the state under a program headed by the Texas State Historical Survey Committee, according to Col. Charles R. Tips of Dallas, president of the committee. Reports have been received by President Tips from more than 200 counties where local historical survey committees have been formed. These local committees have been named by county judges at the request of the state committee.

The Motley County committee, of which Joe Speer of Fiomot is president, has held several meetings and has discussed the possibility of a county museum.

In addition to the work being carried on locally by these more than 200 committees, the Texas State Historical Survey Committee is cooperating with the Texas State Historical Association, the Sons and Daughters of the Republic of Texas and other organizations in a state-wide program for increasing public interest in Texas history.

The Texas Historical Survey Committee was created by the Legislature in 1953 to carry out a temporary program aimed primarily at preserving old Texas homes, courthouses, colleges, forts and other historic structures, and encouraging greater public interest in them. The committee met with such prompt public response that, two years ago, the Legislature gave it permanent status as an official State agency charged with the responsibility for encouraging the development of historical resources in every locality in Texas and giving leadership, coordination and service to existing historical heritage organizations.

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line. Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel. Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration. Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrust 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. Chevy's accent on comfort and convenience even extends back to its easier-to-load (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim new two-toning motif (that's available on all 16 fresh-minted models). But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes... and that's to drop in on your dealer and drive one!

Final Rites Held For Afton Woman
Funeral services for Mrs. Eula M. Lemons, 88, resident of Dickens County since 1911, were held at 3 p. m. Thursday, Sept. 24, at the Missionary Baptist Church in Afton community. Mrs. Lemons died Tuesday of last week in her home in Afton, of heart failure.

Rev. Jack West, pastor of the Primitive Baptist Church of Afton officiated and burial was made in Afton Cemetery, with Eudy-Seale Funeral Home, Matador, in charge of arrangements. Pallbearers were Jeff Randolph, Sam Porter, Farris McCarty, Peyton Legg, Oscar Lowrance and Newman Young.

Mrs. Lemons was born Eula M. Scott, January 10, 1871, in La., and died September 22nd, 1959, at the age of 88 years, 8 months and 12 days. She was married in Louisiana in 1886, to W. S. Speights, who died in 1910. On December 20, 1912, she was married to R. J. Lemons, in McAlester, Okla. He preceded her in death, Jan. 24, 1953.

Mrs. Lemons became a member of the Primitive Baptist Church in 1932.

She is survived by four sons: W. S. Speights of Dallas, J. L. Speights of Oregon, J. R. Speights, Dell City, Texas, and Ed Lemons of Seminole; five daughters, Mrs. Lawton Harvey of Dickens, Mrs. Bessie Mobley, Tucumcari, N. M., Mrs. Mae Tate, Portland, Texas, Mrs. Ina Coats, Wichita Falls, and Mrs. Lynn Baines of Phoenix, Arizona; 42 grandchildren and several great-grandchildren.

4-H Club Members Have Entries in Lubbock Swine Show
Two Motley County 4-H Club members had entries in the Lubbock area Sears Swine Show, Saturday, Sept. 26. They were, Allen Smith of Roaring Springs who exhibited the 8th place boar, a registered Poland China that was bred by L. V. China that was bred by L. V. Pounds of Acuff, and Geney Spray, who exhibited a registered Poland China gilt, placing 14th. The gilt was bred by Pat Cooper, 4-H Club member from Matador.

Judge of the show was Stanley Anderson, Animal Husbandry Dept., Texas Tech, who stated that over-all quality of the animals was good, with placings depending on growthiness of animals.

Attending from Motley County along with the exhibitors were Mr. and Mrs. Jack Spray and County Agent Bill Palmeier.

Mr. and Mrs. W. N. Pipkin visited in Post Friday night with their daughter and family, Mr. and Mrs. Vernard Alexander, ad returned there for the week end after attending the Tech-Oregon football game in Lubbock Saturday night.

Shift in Motley County Incomes Noted In National Economic Sales Analysis

(Special to the Tribune)

NEW YORK, Sept. 27— Significant shifts in income brackets have been taking place in Motley County.

Families that were in the \$4,000 to \$7,000 income group a year or two ago have moved up to the next higher category. Their place, in turn, has been taken over by families that had been at the \$2,500 to \$4,000 level previously.

And that has been the story all along the line, with the result that a smaller proportion of families are in the lowest brackets and a larger percentage in the higher brackets than ever before.

The gains have increased consumer buying potential and have benefited business in general. Economic studies show that most purchases of durable goods are made by families whose incomes are on the rise. The Federal Reserve Board finds that such families buy durable goods 25 percent more frequently than do families whose incomes are stable.

The changes in income structure are revealed in an analysis made by Sales Management in a copyrighted report covering 1958. It shows, for every county in the United States, the distribution of families by income groups.

In Motley County, 47.3 percent of all households are listed with net incomes, after taxes, of at least \$4,000 a year, as against 40.3 percent in 1956.

The extent to which a community's total earnings are divided among the population is an indicator of the well-being of

the mass of the people, more so than is revealed by an average income figure. It takes note of whether or not an unusually large share goes to a small group at the top, leaving the other groups with very little, or whether the fat is well distributed.

The figures for Motley County show that the 47.3 percent of the households with incomes of \$4,000 or more receive 76.8 percent of the total income. In the \$7,000 to \$10,000 bracket are 10.5 percent of the households. They account for 16.6 percent of the total income.

Households with incomes of \$2,500 to \$4,000 net comprise 23.7 percent of the total and collect 14.7 percent of the overall income.

GUESTS OF LUBBOCK BANK
Mr. and Mrs. John Barnhill and Mr. and Mrs. Frank Price were guests of Citizen's National Bank, Lubbock, Saturday at a dinner party preceding the Tech-Oregon State football game. Mr. Barnhill is vice-president and Mr. Price, assistant vice-president of First State Bank, Matador.

VISIT MRS FORD
Mrs. Bea Hubert has returned to her home in El Paso after visiting here with her sister, Mrs. A. W. Ford, who is ill. Spending this week here with Mrs. Ford and her daughter and husband, Mr. and Mrs. Vance Gilbreath, are Mrs. Ford's brother and wife, Mr. and Mrs. C. E. Randolph of Seagraves.

Dickens Liquor Vote Set Oct. 10

Residents of Dickens will vote Oct. 10 on the question of legalizing the sale of all alcoholic beverages in the city, 62 miles east of Lubbock.

The date for the election was set Thursday by the Dickens County Commissioners Court after a petition bearing approximately 50 signatures was verified as having more than the required number of signers.

If approved, the sale of liquor and beer there will be for off-premises consumption only, i.e., "package stores."

The date for the election coincides with an identical election set for Castro County Precinct 4, approximately 75 miles north-west of Lubbock.

A petition aimed at such an election in Lubbock County's justice of the peace Precinct 2, which includes Slaton, is being circulated.

Borger Man Heads Farm Census Job

Clyde Cook of Borger has been appointed field assistant of the 1959 census of agriculture, according to an announcement released last week from the Bureau of Census, Department of Commerce.

Cook will direct a force of 17 crew leaders and 219 census takers in 53 Panhandle-South Plains counties this fall. Motley County is in the block that extends as far south as Scurry County, west to the New Mexico line and the entire north Panhandle.

He entered duty yesterday and will receive several days of training which will cover administrative duties and responsibilities connected with the job.

Cook will be responsible for recruiting crew leaders who will enter on duty Oct. 26. The crew leaders will in turn train the census takers who will enter on duty Nov. 18.

The agriculture census will collect information on the num-

ber and size of farms, acreage, harvest of crops, livestock production and inventories, selected farm expenditures, farm values and mortgage debt. The information will be published for counties, states and the nation.

A Wonderful New World of Fords for 1960

A new world of style! A new world of savings!
A new world of performance! A new world of built-for-people comfort!
A new world of station wagon living!

On October 8, for the first time, there will be not one, not two, but three completely new kinds of Ford cars designed and priced for nine out of ten Americans:

The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!

The 1960 Falcon—The New-size Ford, the world's most experienced new car, and the easiest car in the world to own!

The 1960 Thunderbird—The World's Most Wanted Car!

FORD—The Finest Fords of a Lifetime

Here are 15 new models! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of style. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Tread Design, wheels are spread farther apart for a full 5-foot tread. It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 352 V-8 all travel beautifully on regular gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety news for 1960 includes new Truck-Size Brakes with brake linings 25% bigger. Ford's new Safety-Girder Frame is 25% stronger than ever before. Better visibility, too.

FALCON—The New-Size Ford

Here is the welcome news Americans have been waiting for... the Falcon, a product of Dearborn, Michigan, automotive capital of the world, was expressly designed for American needs on the American road. It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., proves it! Oil savings? Ford's standard Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others!

Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—The World's Most Wanted Car

For 1960, the Ford Thunderbird is distinctively new—without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are... or what your tastes and needs... there's an exciting 1960 Ford styled, sized and priced for you. See your Ford Dealer October 8!

New Gas Tax Will Dip into Pockets of Motley County Car Owners For \$12,000

(Special to the Tribune) NEW YORK — In the 21 months beginning October 1st, Motley County car owners will contribute an additional \$12,100 to keep the interstate highway construction program rolling on schedule.

That is the estimated amount, based on present car operation figures for the county, that will result from the new one-cent rise in the cost of gasoline.

The average driver will have to dig a little deeper in his pocket—about 15 cents deeper—each time he takes on a tank load of gas.

Only until June 30, 1961, however, at which time the Federal gas tax is supposed to drop back to its previous rate of three cents a gallon.

During the 21-month period, the highway fund will be enriched to the extent of some \$960 million. This will partially compensate it for money removed permanently last year when the Government sought to fight the depression by speeding up the road program. It will be enough to permit the work to proceed at nearly the scheduled rate.

For the car owner in Motley County who travels 10,000 miles in the year and registers 15 miles to the gallon of gas, the extra cent will add up to \$6.66 a year, or \$11.67 in the 21 months.

For the driver who does 15,000 miles a year, getting the same number of miles to the gallon, his bill at the end of the 21 months will be \$17.50 more than it is now.

Matadors Lose . . .

(Continued from page 1) right end for the tally. Duane Nichols kicked the extra point and the score stood at 31-0 and that was the half time score.

Crowell went to the airways in the third quarter. Quarterback Ivan Cates tossed to Todd for the score, the play covering two yards. Matador's Buddy Davis broke through to block the extra point attempt and the score stood at 37-0.

Big Red Scores
The Big Red broke into the scoring column with 4-41 left in the third quarter. Fullback Guy Campbell raced 28 yards around right end for the score. Quarterback Dink Wilson added the extra points on a quarterback sneak and the score read 37-8.

Wesley Cummings took the next kickoff 82 yards to run the score to 44-8, after Nichols kicked the extra point. Welch scored Crowell's final touchdown in the fourth quarter on a ten yard run around right end. Nichols converted to bring the Crowell score to 51.

On the last play of the game Dink Wilson passed 10 yards to end Jimmie Welling for a TD. The extra points were no good when Campbell was stopped on the one yard line.

The Matadors take this week-end off. They journey to Lorenzo for a contest on Friday, Oct. 9 and then play Estelline in what is being billed as the championship game of District 9B on Oct. 16 in Matador.

Everyone is extended a cordial invitation to attend each of the remaining services of the revival, 7:15 a. m. and 7:45 p. m. during the week; Sunday at 11:00 a. m. and 7:30 p. m. with Sunday School and Training Union at the regular time, 10:00 a. m. and 6:45 p. m.

RELATIVE DIES

A. L. Curry received word Wednesday morning that a brother-in-law, Bill Johnson of Dawson, had died of a heart attack. A rural mail carrier, he died while making his mail route.

matter how much he drives, the Government will be taking 33 percent more than at present.

How about after June 30, 1961, when the extra tax goes off? Will the road program be able to sustain itself financially?

Thanks to an additional \$2.5 billion that will be funneled into the highway fund between 1961 and 1964, it will. This money, representing a large part of the automobile manufacturers' taxes on cars and parts, will be diverted to it for the purpose from the general treasury.

Despite the heavy tax load on gasoline, there seems to be no cutting down in the use of cars. Motley County filling stations recorded a healthy \$451,000 in sales last year.

Zone Supervisor To Be Elected By Upper Pease SCD

An election for the purpose of naming a supervisor to represent the land owners of zone 1 of the Upper Pease Soil Conservation District, is announced for Tuesday, Oct. 6. The election is set for 2:00 p. m. in the District Courtroom.

This sub-division comprises the west side of Motley County, or all lands lying west of State Highway 70.

All persons holding title to agricultural lands in the area specified, are qualified to vote in this election and are also qualified to serve as supervisor or provided further that they reside in the district.

The incumbent is Varner McWilliams, Whiteflat, who is retiring after serving two terms. First elected to the SCD board of supervisors in June, 1950 he will have completed nine years and four months service as his tenure of office ends next month. He has served as chairman of the board for the last five years.

McWilliams has been a strong supporter of the conservation program and has put many conservation practices into effect on the McWilliams farm in the Whiteflat community.

His leadership for the cause of conservation was recognized when he was selected the outstanding supervisor on the Upper Pease SCD board for his work in 1956. He was presented a Certificate of Merit from the Texas Bank and Trust Company of Dallas.

Other members of the current board of supervisors are Duke Lipscomb, Matador; Loyd Mayes, and R. D. Wall Jr., Paducah; and Jordan Tucker, Dunlap.
