RELAY EVENT
Eight members played in the Relay Event and declared it was a lot of fun! They played in twosomes and after play each traded scores with her partner, took off six worse holes, and used her own handicap to determine her score.

Sounds complicated, but really wasn't. Shirley Thompson won the ball... she had promised that she would come back from Floydada in time to play... her partner was Mickey Bostick... others playing were Mary Meason, Tommie Edwards, Catherine Bird, Vivian Campbell, Nell Clem and Louise Barton.

An UN-SCHEDULED event was that Micky killed a rattlesnake on the course... between the 8th and 9th greens.

Afton Cemetery News

(Mrs. B. F. Burt, Sec'y)

In October, 1965, trees and crepe myrtle bushes were set out in Afton Cemetery. This was paid for by our bake sale, and by special donations.

Our labor bill for 1966 has not been more than for 1965 (Total of \$477) but there are other expenses each year to be paid. Insurance must be carried on our caretaker, also repair bills on lawn mower, cards and stamps.

Collections the past two years have been lower than before. If you have not sent your 1965 or 1966 dues in, please do so, as we can not keep our Afton Cemetery unless everyone pays his or her dues. Funds are very low at this time, so please help if possible, as it will soon be time to think of 1967.

Residents Suffer Recent Accidents

An accident Thursday sent Don Braley to Methodist Hospital, Lubbock when a horse fell on him as he was doing ranch work near Spur. He is reported improved. Mrs. Braley is the former Judy Hale of Afton.

Mrs. Charlie Fullingim suffered severely strained left leg and hip in a fall at her home, Saturday. She remained in bed at home until Sunday, when she was conveyed to Crosbyton Hospital for examination which revealed that no bones were broken.

Spirit Very High During Pep Rally

by Carol King
 The spirit was at an all time high at the Turkey pep rally last Friday afternoon, Oct. 7, in the high school auditorium. The Matadors had long been anticipating the game with their arch rivals and the tense mood of the players was sensed by everyone present, so that the "Beat Turkey" pep could not be restrained.

Although the pep club is led by three very enthusiastic senior girls, the club decided it was time for a little variation, so they had the opportunity to see what they haven't been missing freshmen football players acting as cheerleaders. The boys-Darrel Cruse, Jeff Berryman, Glen Moss, Morris Price, Ronnie Welling, Don Pitts, and Stanley Martin-led the student body in several yells. Those present at the rally had a special treat as Supt. Charles Johnson gave a speech in which he inspired not only the football players, but the student body as well to live up to the past tradition of MHS football spirit.

Coach Myers and Coach Byerley along with team members, Joey Meador and David

Garrison, also gave spirit boosting speeches to the Matadors and fans.
