

Allies Advance In Bitter Fighting

Russians Pushing Nazis Out Of Melitopol With Severe Losses

Bloody Battle Continues In Its Fifth Day

Many Other Germans Wiped Out In Fighting Near Kiev

By JUDSON O'QUINN LONDON, Sunday, Oct. 17 (AP)—Gen. Feodor Tolbukhin's south Russian army wrenched fiercely-resisting Germans from block after block of battle-shattered Melitopol, gateway to the Crimea, killing 2,000 nazis as one of the bitterest struggles of the war today entered its fifth day.

Fifty miles to the north a Soviet relief army, slugging its way toward Melitopol, captured several hamlets in an advance of three to six miles.

There was new fighting at the Soviet bridgehead southeast of Kremenchug on the middle Dnieper where Soviet units were declared to have cracked the German lines and captured several settlements and over 250 prisoners.

North and south of Kiev where the Russians were fighting toward the Ukrainian capital, over 1,000 Germans were wiped out, said a Moscow communique recorded by the Soviet monitor. In one week's fighting there the Russians said they beat back over 200 German counter-attacks, wiped out over 8,000 Germans in a step-by-step advance, and destroyed 178 tanks, 187 field guns and over 400 machine-guns.

Gomel was another objective of heavy fighting as the Russians closed on the White Russian town from the north and south. Eight hundred Germans fell yesterday, the bulletin said, and big guns duelled through out the day and night.

The Melitopol fighting, which rivaled Stalingrad for intensity and bloodshed, saw the Germans hurling waves of men and machines into the maelstrom despite their losses. Forty German tanks were destroyed in the southwestern part of the city alone. The Germans were reported fighting under a stand-or-die order from Adolf Hitler.

The Germans rushed up divisions from the Crimea, reaching the battlefield before Gen. Malinovsky's forces reached the area. The Soviet air force was aiding the southward drive, bombing German troop trains and army stores at Nikopol, 50 miles southwest of Zaporozhe. (See RUSSIANS, Page 11, Col. 6)

Aircraft Probe May Reach Other Plants

WASHINGTON, Oct. 16 (AP)—A house naval sub committee has called quietly for a confidential War Production Board report on plane production, with a strong possibility that it may widen a current investigation in Brewster Aeronautical Corporation affairs to cover other plants.

The move came as a direct result of a claim by Brewster officials that their production, while admittedly far behind navy schedules, is not at the bottom of a WPB list of plane producers.

Crowd Intent On Pontiff's Visit—Pope Pius, XII, touring Rome after the American air raid last August 15, stands before an intent cluster of residents of the Italian capital. This picture was made available by Archbishop Francis J. Spellman of New York.

Tin Can Pickup To Start Here On Wednesday

Wednesday is the city's first "tin can collection day." K. H. McGibbon, president of the Lions club, reminded Saturday as details for gathering this needed material were arranged.

Cans, large and small, are badly needed in recovery of copper, which is one of the war metals most desperately needed. Shredded, they are used in sluice mining of copper to induce the metal to precipitate to the bottom of vats. Thus a pound of tin can will result in the recovery of a pound and a half of copper which might otherwise not be mined.

After a conference with City Manager B. J. McDaniel, the president of the Lions, who are sponsoring the continuing campaign, appealed to all residents to put their cans besides their garbage on Wednesday. The city will collect them, and the Coca-Cola company will transport them to the shredding mill at Dallas, all free of charge.

Volcano Gas Fatal To Two Children

TOLUCA, Mexico, Oct. 16 (AP)—Two children died on a return trip from the new Paricutin volcano and four other members of their family became so ill, apparently from the gases of the new crater, that they were sent to a hospital. Alberto Almaraz Gallegos said he believed the death of two of his children was due to this cause.

Confidence Man Gets Football Receipts

STOCKTON, Calif., Oct. 16 (AP)—College of the Pacific won a great football victory over the Del Monte Navy Pre-Flight school today but was thrown for a loss in the box office.

Robert L. Breedon, director of athletics, said a fast talking stranger wangled two bags of money totaling an estimated \$1,000 from girls in the row of ticket booths outside Baxter stadium.

The glib con man visited the back of each booth and asked each girl ticket seller how her change was holding out.

He told the girls he had been instructed to pick up the currency and get it changed into silver. Instead he pulled the disappearing act, Breedon said.

Ten Are Killed In Airliner Crash

NASHVILLE, Tenn., Oct. 16 (AP)—Ten persons, including six passengers and four crew members, died last night in the crash of an American Airlines plane into a thickly wooded ravine about 47 miles southwest of Nashville.

Among the victims, all killed when the ship nosed straight down into the ground, were Blain R. Maxwell, 44, lieutenant governor of Tennessee; W. H. Clark, Jr., Dallas, Texas, attorney and brother of Tom C. Clark, assistant attorney general in charge of the justice department's criminal division, and Marvin Risen, resident agent of the Federal Bureau of Investigation at Nashville.

The plane did not burn and early this afternoon all bodies were removed to Nashville. American Airlines officials said that the cause had not been determined.

A watch found in the wreckage while had stopped at 11:17 p. m. (C.W.T.) gave evidence that the crash occurred at almost the same instant the pilot, Captain Dale F. Dryer, made an effort to report some difficulty to the airline control offices.

Hickman county officials reported the location of the wreckage in mid-morning after George W. Dotson investigated a gasoline odor noticed in the woods by his twelve-year-old son. Oil sprayed over part of the wreckage led to a first erroneous report that it had burned.

The night was cold and rainy but airline officials said there was nothing to indicate that weather conditions caused the ship's difficulties.

Cannon Against The Sales Tax

WASHINGTON, Oct. 16 (AP)—The house appropriations chairman told the tax-writing ways and means committee today that the government must have more revenue to fight the war—but he doesn't think a federal sales tax is the way to get it or that economies can meet the bill.

"The real struggle for the army is just beginning," declared Rep. Cannon (D-Mo.). "If the army and navy say they need more funds, we're going to risk furnishing too much rather than too little too late."

He cautioned the committee against counting on any sharp reduction in military expenditures, and said non-essential spending already has been cut to the bone—a reply to republican demands that the government can cut billions of dollars from its present cost.

Cannon agreed with the administration assertion that more tax income is vital. He did not, however, put his own approval on the treasury's program to bring in \$10,500,000,000 in new revenue largely through much higher income, corporation and excise taxes.

Aussies Take More Ground In New Guinea

Bombers Support Infantry In Advance Up River Valleys

ALLIED HEADQUARTERS IN THE SOUTHWEST PACIFIC, Sunday, Oct. 17 (AP)—Australian troops moving toward the Japanese base of Madang, New Guinea, have scored advances in the Uria and Faria valleys, General MacArthur reported today in a communique.

In support of the troops, Mitchell medium bombers strafed from 5,000 to 5,500 feet, dropping 35 tons of bombs.

Writing from an advanced New Guinea post, Associated Press War Correspondent Robert Euston said the Mitchells skimmed the coast above Finschhafen at no higher than 150 feet to deal death on Japanese retreating northward from that Allied-won base.

"The strike hammered villages to the ground," Euston said.

Places where Japanese might be hiding were razed, including a mission building on tiny Sic Island.

In the most advanced of the newly won central Solomons, Vella Lavella positions of the Americans were raided by Japanese planes, the communique said. One enemy bomber was destroyed and a second damaged.

In the sector northwest of Australia, Liberators bombed the Japanese-held Aroe islands and destroyed an intercepting fighter.

Japanese bombers made weak raids on Finschhafen and Cape Sudest, New Guinea.

In the South Pacific, to the northeast of Vella Lavella in the Solomons, light naval units downed an enemy float plane over Choiseul.

Bombardiers To Compete Today

Twenty-four of the nation's best bombardier cadets will meet again for the seventh time on today at Midland where they will compete for the famed "pickle barrel" trophy at the seventh All-American Bombing Olympics.

Eight large bombing schools, including Big Spring, Childress, Midland and San Angelo in Texas; Deming, Roswell and Albuquerque in New Mexico; and Victorville in California will each enter a team.

All bombing will be done from an altitude of 8,000 feet at a target which consists of a shaft centered within a 200 foot circle. The meet will begin at 8 a. m. and will continue for about four hours during which time each contestant will drop six bombs of the 100 pound sand-filled practice type.

The three crack bombardiers representing the Big Spring school at the Olympics are Cadets Arthur A. Vallando of Glassboro, N. J., Louis D. Parent, Jr. of Springfield, Mass., and Frank A. Prete of Shenandoah, Pa., all of class 43-15. Cadet Edwin Foster of Dallas, Texas, is entered as the alternate contestant.

21 Nazi Divisions Fighting Yugoslavs

LONDON, Oct. 16 (AP)—The Germans have mounted a major front with perhaps 21 divisions against guerrillas who are threatening to overrun Yugoslavia's main east-west communications line, and have placed two top generals in command of the drive.

Field Marshal Gen. Baron Maximilian von Weichs arrived in Belgrade to establish headquarters under the overall command of Field Marshal Erwin Rommel, and there was evidence of a determined drive by the liberation army of Tito (Josip Broz) to disrupt or seize control of the Sava river valley.

Second Front Comes First With Russia At Three-Power Parley

By HENRY C. CASSIDY MOSCOW, Oct. 16 (AP)—Russia is willing to discuss post-war political and economic problems as well as military issues at the forthcoming three-power conference in Moscow, but holds that the matter of "the second front" should come first, the official government newspaper Izvestia indicated today.

Nazis Make Heavy Counterattacks, But To No Avail

By EDWARD KENNEDY ALLIED HEADQUARTERS, ALGIERS, Oct. 16 (AP)—Allied troops smashing forward all across the Italian front have wrested two vital road junctions and ten other towns from the Germans, who were reported officially today to be counterattacking savagely and renewing their aerial support in a desperate effort to break away from close quarter combat.

In the battle north of the Volturno river, the Germans lashed out repeatedly with terrific counterattacks designed to disrupt the allies long enough to permit an orderly nazi withdrawal, but the American Fifth army struck back with such speed and power as to upset the enemy's plans.

(Radio France at Algiers said in a broadcast recorded in London that the Germans north of the Volturno were in full retreat.)

Both the Fifth army in the west and the British Eighth army in the east threatened to outflank the Germans' Volturno river line.

In a northward thrust which carried them five miles beyond the Calore river, Fifth army forces captured Cerreto.

Eighth army troops some 25 miles to the northeast pushed ahead six miles to capture the important road junctions of Campobasso and Vinchiaturo, six miles southwest.

With the fall of these two points the Allies gained control of vital inland rail and highway communications and were in a position to menace the whole flank of the German defenders in the Volturno line.

Several of the enemy's fiercest counterattacks were launched in the region of Caiazzo, a mile north of the Volturno, but the Fifth army finally routed the Germans in grim fighting.

Amorosi, five miles east of Caiazzo on the east bank of the Volturno, also fell to the Fifth army, which gained control of the high ground in that important sector.

Other towns and villages which fell before the combined assaults of the Fifth and Eighth armies were Castel Campagnano, a mile south of Amorosi; Telesse, three miles east of Amorosi; San Giuliano, three and a half miles southeast of Vinchiaturo; Cercepelle, four miles southeast of Vinchiaturo; Matrice, four and a half miles northeast of Campobasso; Morone, four miles southwest of Campobasso; and Campoleite, eight miles northeast of Campobasso.

The Fifth army continued to pour troops, tanks and equipment over several bridges thrown across the swollen Volturno by American engineers.

The battered, dwindling nazi force came out of hiding yesterday to make a desperate effort to halt the Allied surge across the river.

One enemy force of 12 to 15 planes tried to attack one of the newly constructed bridges but Allied anti-aircraft gunners shot down seven of them and damaged others.

While the Allied air units were hammering communications and transport behind the enemy lines, American medium bombers attacked nazi air fields at Salonika in Greece.

Gripsholm Arrives At Exchange Port

MORMUGAO, Portuguese India, Oct. 16 (AP)—The Swedish exchange ship Gripsholm, carrying Japanese nationals from the Americas, arrived here today to repatriate 1,500 U. S. nationals, Latin Americans and Canadians who reached this port yesterday on the Japanese liner Teia Maru.

Transfer of the repatriated nationals is expected to take about a week.

Wallace Will Speak In Dallas Wednesday

WASHINGTON, Oct. 16 (AP)—Vice President Wallace will deliver "a major address" before civic and labor groups at Dallas Wednesday night.

His office staff, announcing this today, said it would be the fourth in a series of speeches. Others have been in New York, Detroit and Chicago and would be of special interest to oil men and farmers.

Old Ration Book Necessary For Next Signup

Consumers were advised Saturday to take their War Ration Book III with them when they register either Friday or Saturday for the new No. 4 book, which will last for approximately two years.

The No. 3 book, with its cover sheet properly filled in, in all that is required in order to secure the No. 4 book. Registrars will fill in the applications from the No. 3 book, and without them there can be no application.

Details of the registration were outlined Saturday morning at a conference between City Superintendent W. C. Blankenship, County Superintendent Walker Bailey, city and county school principals, Ration Board Clerk Sonora Murphy and Royce Satterwhite, board member.

The schedule calls for registration at schools in Big Spring from 1 p. m. to 9 p. m. Friday and from 8:30 a. m. to 9 p. m. Saturday. Rural schools will register all day Friday only. Consumers are asked to register at the school which their children attend, or in the alternative at the nearest school.

One member may register for all members of the family, provided he or she has all the No. 3 books. It was stressed time and again that the only controlling factor for getting the No. 4 book is possession of a No. 3 one. Thus, those out of town on registration day may register wherever they are provided they take the No. 3 book along.

Train-Bus Collision Brings Six Deaths

TRACY, Calif., Oct. 16 (AP)—The death toll today stood at six, there were five injured seriously and a score of others less badly hurt, the result of last night's collision of a Western Pacific train and a Greyhound bus. All the dead and injured were bus passengers.

The bus driver, Richard Manning, 43, of Oakland, was charged with manslaughter in an information filed by Maxwell Wilens, assistant district attorney, and in justice court today bail was set at \$10,000.

Driver Manning said the bus stalled on the track, and that just as he got it rolling, the train hit the rear end.

# Story Of Nurses On Corregidor Told In Ritz Picture, 'So Proudly We Hail'

Three of Hollywood's most glamorous film stars — Claudette Colbert, Paulette Goddard and Veronica Lake—are teamed for one of the biggest pictures of this or any other year, Paramount's "So Proudly We Hail," which is the headliner for today and Mon-

day at the Ritz theatre. This is the picture that is based on the heroic adventures of a group of U. S. Army nurses who emerged from the holocaust of Bataan and Corregidor where they fought and loved and lived to the thunder of Jap guns. This is the picture that has two great, never-to-be-forgotten romances — one between Claudette Colbert and George Reeves; another between Paulette Goddard and newcomer Sonny Tufts.

"So Proudly We Hail" is primarily the warm, human story of three young nurses, their lives and loves under fire. The nurses are portrayed by the three lovely stars, each of whom is said to be superb in her role, rising to new and thrilling dramatic heights.

In spite of the fact that the film concerns itself with nurses, there are plenty of men in it. George Reeves, who has been playing in Westerns, gets his first break as Claudette Colbert's vis-a-vis. Everyone who has seen him in the film is sure that he is headed for stardom, just as is Sonny Tufts who sang in musical comedy and with bands before coming to the screen. It is practically unprecedented for a novice to be cast opposite a top star like Paulette Goddard for his first picture endeavor, but Sonny more than lives up to the confidence displayed in him by Producer-Director Mark Sandrich.

There are many others in the picture who, according to reports, distinguish themselves with outstanding performances, among them lovely Barbara Britton, Walter Abel, Mary Servoss, Ted Hecht and John Littel, who together with Claudette Colbert, Paulette Goddard, Veronica Lake, George Reeves and Sonny Tufts make "So Proudly We Hail" another Paramount achievement.

**Lone Wolf Back**—Warren William again has the role of the lone wolf, and Ann Savage is his leading lady, in a drama featured at the Queen today and Monday. This thriller is called "Passport To Suez."

**She Gets Told**—Betty Grable takes a lecture from Cesar Romero, while John Payne looks on, in this scene from a gay and colorful musical comedy, "Springtime in the Rockies." The picture is at the State theatre today and Monday. Among the entertainers are Carmen Miranda and Harry James and his orchestra.

## Work Progressing In Eliminating Surface Toilets

Progress is being made in a campaign by the Big Spring-Howard county division of the Midland-Ector-Howard county health unit to eliminate all surface toilets in the city, V. A. Cross, local sanitarian, reported Friday.

Several families have made application through the health unit for priorities for sanitary plumbing facilities, and in some cases the materials have been received and installation complete, said the sanitarian.

Wherever families are able, the health unit is encouraging them to abandon surface or pit toilets, and indeed the unit has set an objective of replacing all these by next spring.

Cross felt that there were few things which so menaced the general health of the city as these unsanitary structures. A large percentage of them are located on the northwestern slopes so that a rain contaminated by the waste flows through the heart of the city.

Persons interested in replacing unsanitary toilets with water closets may gather information on priorities through the health unit offices in the Read hotel building.

**Nurses At War**—George Stevens and Claudette Colbert "So Proudly We Hail," an authenticated account of army nurses who stayed by the men on Corregidor until they were evacuated. The picture is at the Ritz today and Monday, with Paulette Goddard and Veronica Lake as other featured members of the cast.

## RADIO PROGRAM

KBST — 1490 Kc

8:00	Sunday Morning Melodies.	10:45	Musical Moments.
8:30	Sound of Prophecy.	11:00	News.

## Corporation Tax Working 'Better' Than In 1917-18

CLEVELAND, Oct. 16 (AP) — Brig. Gen. Leonard P. Ayres declared today "we are doing a good deal better job of administering our federal taxation of corporations in this war than we did in the last war."

Writing in the Cleveland Trust Co.'s monthly business bulletin, the retired army officer said: "It now seems probable that the corporations will make profits in 1943 amounting to about 23 bil-

lions, and that they will retain about 7.7 billions, and pay taxes of some 15.3 billions. This will be a good deal better record than the one we made in the first World war.

"In 1917 corporate profits amounted to 10.1 billions and federal taxes took 2.1 billions of it. In 1918 profits declined to 7.7 billions, and federal taxes increased to nearly 3.2 billions. Clearly business could have paid considerably higher taxes in 1917, and somewhat higher ones in 1918."

## Federal Spending Scored By Disney

BIRMINGHAM, Ala., Oct. 16 (AP) — Rep. Wesley E. Disney (D-Okla.), a member of the house ways and means committee, says federal spending has reached a point of "stark, raving insanity."

In an address here before delegates to the Alabama State Chamber of Commerce annual convention, Disney declared that the "only straight road back to genuine democracy lies in a restoration of power" to each individual state.

"In 1940 a cool 99 million dollars came out of your pockets for federal travel expense alone," he said. "In 1941 you paid 150 millions. The annual telephone and telegraph bills runs anywhere from 15 to 30 millions and at the

last sessions of congress, 25 millions were asked for the baby department of the children's bureau.

Comedy — "Fly In The Ointment"

### Report Germans Use New, Larger Tank

MADRID, Oct. 14 (Delayed) (AP)—A Spanish correspondent in Berlin reported today that Germany has a new attack tank called the "Growly Bear."

He said it carries heavier armor and bigger guns than any Soviet armored unit and, according to the Germans, is "capable of blocking the advance of 10 Soviet tanks."

There are more than 28,000,000 cows on more than 6,000,000 U. S. farms.

### Sub-Depot, Which Keeps 'Em Flying, Observes First Birthday At AAFBS

It's happy birthday out at Big Spring Bombardier School for the sub-depot, for exactly two years ago Friday the army's maintenance command was divided into material and air service commands.

Reducing it to the common denominator, air service command simply means sub-depot so far as the layman is concerned. These are located wherever there is a flying field, at home or abroad, and to them fall the task to "keep 'em flying."

Typical of these vital units is the 386th sub-depot at the Big Spring Bombardier school. Sub-depot stocks more than 15,000 aircraft parts for the maintenance of its planes from the tiniest bolt to a complete airplane engine, from the most delicate precision instrument to an entire wing or tail assembly.

No matter how smart a man may be, he can't do the right kind of a job without the right kind of tools, so sub-depot's stock of special tools is as complete as its equipment.

Every time a plane is grounded due to mechanical effects or lack of proper equipment, precious war hours are lost. If it is beyond ordinary line engineering, the sub-depot is notified, and workers hurry to the job. If a special part not in stock is required it is ordered and flown in. More than likely, some of the special shops for wood, metal, leather, cloth and other sorts operated by sub-depot can handle the situation.

Since the Big Spring school began training bombardiers little

more than a year ago, its bombing planes have spent more than 100,000 hours in the air, flying a distance of more than 15,000,000 miles—a fitting tribute to the effective maintenance of the sub-depot.

The 386th is manned by approximately 300 civilians, most of whom are residents of Big Spring, and elsewhere continental sub-depots under air service command at Patterson Field, Ohio, are manned largely by civilians. In combat zones, however, expert soldier technicians operate the sub-depot units.

As far as the 386th is concerned, it has a history of little more than a year, having been activated under Maj. A. P. Hondrus on July 15, 1942. Later Lt. Col. N. E. Meador took over, and Capt. A. S. Dudley has been in command since July 1, 1943. His staff includes Capt. George Hubler, chief in maintenance; 1st. Lieut. David Hurst, signal officer; 2nd Lieut. Harry E. Dufer, chief of supply; and 2nd Lieut. J. Luby, the air freight officer. Civilian department heads include D. R. Moody, chief clerk; W. W. Edwards, maintenance foreman; L. S. Huffman, chief supply clerk; and D. T. Lachelein, warehouse foreman. Among the personnel is John Cherry, mechanic in the aero repair department, who is a brother of Capt. William Cherry, pilot of Capt. Eddie Rickenbacker's ill-fated plane which was forced down in the Pacific last year.

### Ex-German Officer Says It'll Be Over By First Of Year

CAMP WOLTERS, Oct. 16 (AP)—Pvt. Ludwig A. Schoendorf, a former Nazi army lieutenant now in his sixth week of basic training here, says, "I think Germany will be out of this war by the first of the year," and adds, significantly: "If the average German soldier knew what I know now, Germany would surrender in 12 hours."

The Camp Wolters newspaper, The Longhorn, related Schoendorf's story: "When we went into Austria x x and Czechoslovakia x x the people seemed glad to see us. I didn't learn until later that the whole thing—celebrations and all—was a put-up job."

"Hitler lied to us. I've learned since I've been in America that he lied about everything. He betrayed his own people, and now he's beginning to pay for it."

He managed to leave the German army by joining the German merchant marine and was allowed to remain in this country after arriving at New York on the Bremen. He worked in New York and Chicago and a new Orleans shipyard before his induction last August.

### Freight Car Numbers He's Pretty Good On

MACON, Ga., Oct. 16 (AP)—A. L. Causey, Central of Georgia railroad conductor, may have difficulty remembering names, but when it comes to numbers on freight cars, well, that's a different story.

Causey, who admits he "can never remember people's names," won a gray mule on a bet recently by rattling off the numbers on 89 cars of a freight train.

He didn't collect, though, because, he says, the other man "was so astounded that he forgot to give me the mule."

### Toughened Youngsters Of Corsica Want To Go With Allies Into France

ALLIED HEADQUARTERS, ALGIERS, (AP)—Corsica's dead end kids, lean from hunger, their tough and bony bodies covered with tattered and patched rags, helped liberate their homeland from the nazis.

Now they want to follow the French army into France.

A delayed story sent here from Corsica by Captain Karl Quigley, American liaison officer with the French, said of these Corsican 'teen-agers and their guerrilla bands:

"One sees them everywhere. They are standing by the roadside looking for lifts, toward the front (the story was written while fighting was still going on in Corsica). They are in the hills marching doggedly through the rain squalls that appear and disappear continually. They are traveling only in one direction... toward the Boche who for more than three years has made their lives hell."

"These kids with their hunting knives hanging from worn leather belts and Sten guns or German rifles slung over their hunched up shoulders, are fighting a war. Until now they have fought it better than the Italian army with all its modern arms and classy equipment. They are up forward where the going is tough and they are behind the Nazi line that stretches across the northern end of this mountain terrain."

### Pennsylvania Acts To Stop Bootleg Coal Mining

HARRISBURG, Pa., Oct. 16 (AP)—Pennsylvania has clamped down on a 12-year-old, depression-born economic fetter with a flat edict that all bootleg mining of hard coal must stop by Nov. 30.

The order came from the anthracite committee set up by the state legislature to control production and gradually eliminate the practice of thousands of unemployed miners moving in on coal lands they did not own or lease.

"Trespassing on lands and stealing of coal will be outlawed in the anthracite region after Nov. 30, 1943," said a committee statement, "in the same manner that stealing is outlawed in any community. The active assistance of every law enforcement agency, both state and local, will be enlisted."

Ten extensions had been granted by the committee after a n original deadline of March 31, 1942, on bootleg miner's pleas that they had no other means of livelihood, but the statement said: "It now becomes apparent to all that there is no need for further extensions because of the many opportunities to secure work in legitimate occupations."

The first printing press was shipped to England in 1475 by William Caxton.

### 10,000 Bales Of Current Cotton Crop Harvested

Howard county's cotton harvest stood about the halfway mark Saturday with an estimated 10,000 bales through the gins.

More than 3,000 bales rolled ginward during the past week, the biggest of the season thus far.

Prices were about the same with the grade dropping to an average of middling white staple hung at 7-8 and 29-32nds. None of the gins bought cotton last week and all went into the loan on an average of about 19 cents. Seed stood firm at a \$54 per ton rate.

With continued fair weather, ginners anticipated that another two weeks would see the bulk of the crop out of the way. However, the fact that there are so many big picking crews in the country this year may mean a long process of dragging out the harvest for many small fields have not yet had a burr picked.

Gin yards were stacking up during the week with some bales having to stand turn most of the night before ginning. One gin reported it was unable to clean out its surplus Thursday night and started Friday behind.

# Debate Looms On Post-War Policy Wording

## Many Germans Fearful That War Is Lost

By JUDSON O'QUINN  
LONDON, Oct. 16 (AP)—A Czech who recently escaped from Germany said today that fear of losing the war is predominant in the minds of most Germans, while others believe some sort of colossal stroke is being prepared against Great Britain in retaliation for air raids against the reich.

This report was made through the Czechoslovak press bureau by a Czech intellectual who fled from a prison where he had been interned for more than three years. His name was not revealed.

He said that early in September, he heard rumors that the nazis had developed a new multiple mortar or rocket-thrower with a purported range of up to 200 miles.

The nazis claim, he said, that when these weapons are mounted on the French coast they will be able to spread disaster over southern England.

The Czech said the general mood of pessimism in the country is revealed in such mumbled phrases as "terrible sacrifices" and "gloomy future."

He said that sharp criticism is heard even in lines of shoppers of the destruction inflicted on Hamburg by Allied bombers and the failure of the German ground defense during the first air raid on Wiener Neustadt on Aug. 13.

The Czech reported that the chief director of the German prison delighted in personally beating up university teachers. Some prisoners were forced to work in a nearby ammunition factory, he said, while others labored in fields.

## Wilburn Watson Is Casualty Of War

Word has been received here of the death of Pvt. Wilburn L. Watson, who succumbed to wounds on September 20th in North Africa. Pvt. Watson was wounded in action Sept. 17.

He is survived by his mother, Mrs. Pearl Tatum of Big Spring, his father, Jess Watson of May, Tex., two sisters, Jessie Pearl Watson and Mrs. Edith Starnes, both of Big Spring, and his grandfather, John Watson of May.

Pvt. Watson had been in the army for three years and was a member of the national guard for two years which was made part of the 38th division. He attended school in Coleman and worked as a farmer in May before being called to active service.

Full details of the death of Pvt. Watson are to follow in a letter from the war department, his mother was informed.

## WPB Paper Divisions Put In New Setup

WASHINGTON, Oct. 16 (AP)—War Production Board divisions handling woodpulp, paper, paper products and lumber were reshuffled today, all being placed under a new forest products bureau, headed by Harold J. Boeschstein.

Arthur G. Wakeman, former director of the pulp and paper division, was made an assistant to Boeschstein and his division was split into two units, the paper division and the paper board division, under new chiefs.

The forest products bureau in effect is the old commodities bureau of WPB, with the lumber and lumber products division added. The intention, WPB said, is "to establish a closer coordination of pulp wood with other forest products" and promote the program for boosting output of woodpulp and paper.

## Some Members Favor Taking Stronger Stand

WASHINGTON, Oct. 16 (AP)—Fresh moves developed in congress today for a more stringent post-war policy resolution that would require United Nations action to set up a world organization with military powers to suppress future aggression.

Appealing to the senate for prompt action on the post-war collaboration measure, Chairman Bloom (D-N. Y.) of the house foreign affairs committee declared that congress in 1910 took a "far stronger" stand for outlawing war than proposal presently contemplated.

Simultaneously, a senate bloc assailed the post-war resolution approved by a senate foreign relations subcommittee as "vague in its commitments," and proposed alteration of a section which advises "that the United States, acting through its constitutional processes, join with free and sovereign nations in the establishment and maintenance of international authority with power to prevent aggression and to preserve the peace of the world."

The group proposed substitute advocates: "That the United States, acting through its constitutional processes, join with the other United Nations in the establishment and maintenance of an international organization to promote cooperation among nations, with authority to settle international disputes peacefully and with power, including military force, to suppress military aggression and to preserve the peace of the world."

The group, led by Senators Ball (R-Minn.), Burton (R-Ohio), Hill (D-Ia.) and Hatch (D-N. M.), said this amendment would be permitted to the full foreign relations committee at a meeting Tuesday.

Ball told reporters the group want the words "free and sovereign nations" eliminated because it was felt their insertion in the resolution prepared under the direction of Chairman Connally (D-Tex.) of the foreign relations committee, "can only be interpreted as a limitation on the parity authority."

Democratic Leader Barkley of Kentucky, who served on the subcommittee which drafted the Connally proposal in final form, said "I think the resolution worked out so carefully by the subcommittee deserves and will attract a great deal of support."

Both houses of congress were in week-end recess but there were these other developments in Washington:

President John L. Lewis of the United Mine Workers, calling union members to end work stoppages in Alabama and Indiana, said he thought the war labor board would approve next week a contract raising average miners pay by \$1.75 a day.

A new emergency board was set up by President Roosevelt to reconsider wage demands by the so-called non-operating railroad employes.

Rep. Jenkins (R-Ohio) of the Republican food committee advocated single supervision over food, everything from farm machinery through prices to rationing. Rep. Monroney (D-Okla.) called the idea workable.

## 4,635,700 Barrels Daily Authorized As Crude Output

WASHINGTON, Oct. 16 (AP)—Petroleum production at the rate of 4,635,700 barrels a day was authorized for November by the Petroleum Administration for War today. The total output is 3,000 barrels a day less than the October production rate.

Production rates for District 3 remain the same as in October with the exception of Mississippi, where production was reduced 1,000 barrels a day because of productive capacity declines.

Following are the certified daily rates of production for the southwest during November, compared with the rates of production for October:

	Nov. 1943	Oct. 1943
Oklahoma	346,000	345,700
Arkansas	81,700	81,700
Louisiana	375,700	375,700
New Mexico	116,600	116,600
Texas	1,999,000	1,999,000

## Men Of Air Forces Given Decorations

LONDON, Oct. 16 (AP)—The U. S. Eighth airforce and the RAF decorated their own and each other's heroes today with a double award going to Maj. Eugene P. Roberts, of Spokane, Wash.

Maj. Roberts received both the U. S. Distinguished Service Cross and the British Distinguished Flying Cross, the former for bagging three nazi fighters during a single day.

D. F. C.'s from the RAF went to Col. Hubert Zemke, of Missoula, Mont., Lt. Col. John H. Derusky, of San Antonio, Tex., Maj. Gilbert L. Halsey, of Chickasha, Okla., and Capt. Charles F. London, of Long Beach, Calif.

## Program Complete For USO Presentation Monday Night

Program for the soldier variety show to be presented Monday at 8 p. m. at the city auditorium for parents and next of kin of those in the armed services from Howard county was completed Saturday by the Special Services department of the Big Spring Bombardier school.

The parents and those related to men and women in the armored forces are to be treated to the show "free" in order that they might understand what the USO is doing for their boys and girls over the nation in the way of entertainment.

The program will open with the 315th squadron band playing the Army Air Corps song with a WAC and soldier chorus singing. Pfc. Bernice Sclorra will sing "I'll See You Again," and "You Are Free."

Sgt. Winslow Chamberlain will play a trumpet solo and a vocal trio composed of Cpl. Edwin Todd, Cpl. William Mavromatis and Pfc. Lester Hallen will sing, "Chattanooga Choo Choo" and "Solitude."

Cpl. Stanley Baugh will play a medley of "Piano Moods" and the band will play "Kansas City Moods," and a medley of tunes.

R. R. McEwen will make an announcement followed by a band number, "Long John Silver." Pfc. Rose Rineberg will sing "Night and Day" and "My Man."

Cpl. Mavromatis will play accordion specialties with Pfc. George Baur following with a comedy number. Sgt. Hal Harris will play two novelty numbers, "Listen to the Rhythm of the Range," and "Fistoi Packin' Mama."

Cpl. Phillip Tucker will put on a burlesque skit and the finale will include the singing of the national anthem with Cpl. Tucker as master of ceremonies and the band and chorus accompanying.

Bananas cut from the tree are living, breathing organisms, breathing oxygen and giving off carbon dioxide.

## 46 Well Completions During Past Week

AUSTIN, Oct. 16 (AP)—The railroad commission reported 46 regular oil well completions for the week ending today, bringing the year's total to 1,723 compared to 2,667 a year ago.

There were no wildcat oil wells or gas wells completed during the week.

Drilling applications numbered 107 for a 1943 total of 3,840 against 4,028 in the same period of 1942.

# Bombings Being Stepped Up As Prelude To Invasion?

## Latest Blows Damaging To Nazi Output

By JOHN M. HIGHTOWER  
WASHINGTON, Oct. 16 (AP) — The aerial offensive against Germany appears now to be entering the stage of preparation for an Allied invasion of western Europe.

Attacks constantly increasing in force and frequency probably can be expected from now on against those industries and arsenals essential to Germany's development of reserves for the critical campaign which will start when Anglo-American armies thrust across the English channel.

This is a conclusion drawn by some observers here from the American Air Force assault Thursday on the great Ball Bearing production center at Schweinfurt, Germany. Widespread concern over the fact that the operation cost 60 flying fortress bombers evoked from official sources enough information to show that the damage done was worth the cost.

Consequently the Schweinfurt raid is down in the books as the most important single accomplishment to date of American bombing over Germany.

Ranking almost equally in importance is the raid made on the oil refineries at Ploesti, Rumania. The long distance air raid from North Africa crippled Ploesti's output. Allied military authorities everywhere hailed it as a signal victory and one which after some months would virtually diminish Nazi oil resources, especially in aviation gasoline and high grade lubricants.

General Henry H. Arnold, chief of army air forces, said that the Schweinfurt bombing knocked out 50 per cent of German production of ball bearings. Without them planes cannot fly, tanks roll nor guns be manufactured.

The effect of the reduction in ball bearing supply, Arnold said, will be felt in some Nazi war manufactures in a month and will be generally felt throughout German industry in two months.

Why was the decision, as now revealed in action, made to bomb Ploesti at exactly the time it was bombed and Schweinfurt at exactly the time it was bombed? The answer suggested is that the timing was fixed to provide a maximum contribution to final victory in the decisive battles of the west.

## Bomber Commands Are Eliminated

WASHINGTON, Oct. 16 (AP) — Elimination of the Second bomber command at Spokane, Wash., and the 20th bomber command at El Paso, Tex., was announced today by the war department.

The two commands, which the army said were eliminated to reduce administrative overhead and make more men available for duty overseas, will be absorbed by the Second air force, with headquarters at Colorado Springs, Colo.

## Services In Midland Today For Mrs. Self

Funeral services for Mrs. Donna Clara Self, 62, who succumbed at her home early Friday following a brief illness, will be held at 4 p. m. Sunday in Midland at the Primitive Baptist church.

The Rev. T. A. Dunn of Crosbyton and the Rev. R. B. Howze of Big Spring will have charge of the services.

The body will be taken overland by Nalley-Reeder Funeral home which has charge of the arrangements and interment will be in the Midland cemetery.

The trunkback turtle, eight feet long and weighing 1,500 pounds, is the largest of all living reptiles.

## THE WAR TODAY: Winter Will Be No Help To Hitler On Red Front

Associated Press War Analyst  
Another old ally of the United Nations, another Russian winter, is close at hand to cut at the wavering Dnieper "blood wall" of Nazi invaders and to slash with icy blasts and numbing cold at the foe.

The worst winter of dread Hitler has known in Russia is at his throat. It could do more than Russian or Allied fighting power,

## Cosden Chatter

By PAT DAVIS  
Glad to report that C. F. Dyckmans is back on the job after his recent illness, and hope that his health continues to improve.

Messrs. Arthur, Bailey, McGrath, and Woodruff of the firm of Lybrand, Ross Bros. & Montgomery, Dallas, were visitors in the office this week.

Mrs. Ted Bishop of Hobbs, N. M., is visiting her sister-in-law, Mrs. Lucille Burke.

Mr. and Mrs. Bill McCamy and Mr. and Mrs. J. D. Stichter went to Fort Worth this weekend. The McCamys will visit Bill's brother, Lt. Ralph McCamy, who has just returned from overseas. He is a fighter pilot and has been in the North Africa and Caribbean areas.

The following railroad representatives were in the office this week: J. S. Buchanan, general agent of the Wabash Railroad, Dallas; G. A. Henson, general agent of the K. C. S. Railway, Ft. Worth; R. B. Jennings, general agent of the New York Central, Dallas; and I. M. Robinson of the Missouri Pacific, Abilene.

Malcolm Green, a former employe in the pipe line department, was in the office Thursday. Leonard Blackwell is in Fort Worth this weekend on business and will attend the T. C. U. Aggie football game.

Maggie Smith is going to Lamesa this weekend to meet the new son and heir of Mr. and Mrs. Sol Cleveland.

Evelyn Merrill is a weekend visitor at Fort Sill, Okla.

W. E. Gibson is in Fort Worth on business.

J. A. Selkirk was in Austin on business this week.

C. T. McLaughlin of Midland was a visitor in the office Thursday. Glad to see Mr. McLaughlin up and about after his recent illness.

Congratulations to the Cosden Womens bowling team which turned back the team from the Club Cafe Wednesday night two games out of three.

R. L. Tollett left Friday night for New York City to attend a meeting of the board of directors.

George Luck of Fort Worth, representing International Business machines, was in the office Thursday.

Sorry to learn that our porter, Johnnie White, is dangerously ill in the Big Spring Hospital. He became ill while visiting in East Texas, and was moved by ambulance to the hospital here.

M. M. Miller will be in Graham a few days on business.

Betty Ball of Bay City is visiting Mrs. Beth Leudecke.

Linda Jean Watkins, 3 month old daughter of D. A. Watkins, paid a visit to the office Friday afternoon and charmed the office personnel with her smile and big blue eyes. Seen a lot of proud fathers, but we'd put Mr. Watkins up against any of them.

Ray Balch has left our employ to go to the army, and we welcome the following new employes: Archer James, W. B. Ammons, S. P. Hult, J. D. Hughes, Jesse L. Reynolds, L. A. Whitworth, A. Y. Cavness, Jack Smith, and Ona Beth Gibson.

## —VISITS AND VISITORS—

Lieut. and Mrs. William E. McElhanon left Friday for San Angelo where he has been transferred. Lieut. McElhanon has been a bombardier instructor at the Big Spring Bombardier school.

Mr. and Mrs. J. B. Cherry visited in Abilene with Capt. William T. Cherry, Capt. Cherry, fully recovered from being adrift on the ocean in the now famed experience of the crew of which Capt. Eddie Rickenbacker was a member, is again in foreign service.

Mr. and Mrs. J. A. Selkirk have returned from Austin where Selkirk was on a business trip. They also visited with their daughter, Patricia, who is a freshman at Texas University.

Mrs. Thurman Satterfield and Royetta left this week for Atlanta, Ga., where they will visit with A. K. Satterfield and Mrs. Ruby Nixon.

Bob Dickerson, freshman student at A & M College, spent Saturday here visiting his parents, Mr. and Mrs. C. W. Dickerson.

have as guests their son and daughter, Cpl. Howard Carmack of La Junta, Colo., and Mrs. Noble Kennemur, Mr. Kennemur, and son, Johnnie, of Richmond, Calif.

Shorthand of various types has been used for 20 centuries.

## Women From Four Towns To Be Here For Church Meet

The Woman's Auxiliary of St. Mary's Episcopal church will be host to auxiliaries from Midland, Odessa, Colorado City, and Lamesa on Thursday, October 21st to hear Mrs. George Judson speak.

Mrs. Judson is president of the provincial auxiliary. There will be a short prayer service in the church at 12:30 o'clock and a luncheon will follow at 1 o'clock in the parish house.

## Enlisted Men Given Dance At Post Here Saturday Evening

The enlisted men of the Big Spring Bombardier school were entertained Saturday night with a dance at the post gymnasium at 9 o'clock.

The post orchestra furnished music and transportation from the Settles hotel was provided for the girls. Contests and games provided entertainment during the evening for a large number which attended.

## Bobby Peters Honored With Shower In Home Of Mrs. Barfield

STANTON, Oct. 16, Special—Bobby Peters, bride-elect of Cadet Bill Simmons was honored with a miscellaneous shower Friday afternoon from 4 o'clock to 6 o'clock in the home of Mrs. J. K. Barfield. Other hostesses were Mrs. H. A. Houston, Mrs. H. M. Simmerman, Josephine Houston, Mrs. P. M. Bristow II, and Mary George Morris.

New York City's high schools graduate more than 50,000 pupils every year.

Moveable type was invented by Gutenberg in 1450.

## Next Summer's Candidates May Have To Give Answers On Travel Queries

By DAVE CHEAVENS  
AUSTIN, Oct. 16 (AP) — Any candidate contemplating a statewide campaign tour next summer should begin now to prepare his answers to some questions that could be embarrassing.

Presuming that the war and its demand for gasoline and rubber will still be in full tilt, a citizen holding an A card could pop up in the midst of a rally out on the plains, take his cue from the OPA's sticker, and inquire: "Was this trip really necessary?"

Nobody's face need be red if our candidate can hand it right back with something like this: "My friend, I stood up all night on the chair car to come to your great, growing city, etc."

It appears that the flag is down early enough in advance of the hot days of 1944 to give any reasonably energetic aspirant time

enough to thumb his way from corner to corner of a state as big even as Texas.

It can also be noted that the radio technique has been proven a sure thing several times in recent Texas political history.

Official announcements were still as scarce as tomatoes in February, but practically everyone who could be persuaded to run for major, middle or minor office has let it be known one way or another what his intentions are.

To date there is not one qualified announcee for the governorship.

Attorney General Gerald C. Mann's preliminary sortie in that direction Friday also left the communication lines open for an orderly withdrawal. He said that he would not run again for attorney general, that if he stayed in pub-

lic life it would be as governor, and that Governor Coke R. Stevenson was not in harmony with the national administration.

To this, the governor thus far has had nothing to say.

Neither has Stevenson announced officially for his second elective term, although the impression has pretty generally gotten around that he will file when he thinks the right time has come.

The governor returned to the capitol today, but when reporters asked for a press conference they were informed he had nothing to give out.

A quart of milk supplies seven per cent of the Vitamin D needed by the average adult.

There are four species of news in the United States.

# TOGETHER

**LABOR**

**“We re digging  
deeper  
*this year!*”**

**MANAGEMENT**

Americans all—labor and management—deserve great credit for the way they have been sharing their earnings with their less fortunate fellow-men.

Workers stand side by side with their employers and the rest of the community—they are digging deep this year for the National War Fund—giving through their local campaign which is getting under way this week. It is united giving for a united cause.

Working people are supporting the National War Fund because it provides a way to give once for the many welfare agencies connected with the war effort. This way overhead costs are cut to a minimum. Volunteer time and energy is reduced. It is the intelligent way to give—so give generously.

The money is divided thoughtfully—in proportion to the need. Some goes to the USO, our boys' "home away from home"—and some goes to men in prison camps—some goes to hospitals and nursing homes, for helpless children of war-torn Europe and Asia.

You probably gave last year in small amounts to many of these agencies. Add up what you gave last year—then **DOUBLE IT**. You can't give too much. The need is so great.

The cooperation of workers and management is solicited in making this campaign a quick success. If each executive and business manager will take just a few minutes in contacting his employes for their subscription to the National War Fund—and have a report filled out ready to hand the solicitors who will call—another important war job will be concluded with a minimum of effort.

Think of the time saved—for all—with just a few well-planned minutes of working together.

And if you want to make your subscription **NOW**, just send your check to Ira Thurman, Treasurer, National War Fund.

# Today's Military Men Are Healthier Than '17-18

## News Notes From The Oil Field COMMUNITIES

Mr. and Mrs. Mike Bransfield visited with Betty in San Antonio last week end.

Mr. and Mrs. Lloyd Burkart and C. L. and Aquilla West were business visitors in Lamesa Thursday.

John Skeet of Sterling City visited on the Mark Nasworthy ranch Friday.

Mr. and Mrs. J. E. Gardner visited Cooke at A. & M this week.

Mr. and Mrs. I. L. Watkins and Deanna Marie of Garden City visited with Mr. and Mrs. W. B. Dunn and the C. L. Wests Sunday.

Mrs. Mary May of Arkansas is visiting with Mr. and Mrs. O. S. Butler.

Bussie Young, Anne Mae Walker, Dorothy Teel, L. C. Abbott, W. J. Teel, Rex Rabb, Sherman Teel, Johnny Walker, Jean Cope, Dick Myers, John Fred Phillips, Thomas Gillett, A. H. Ringhopper, Dittie Young, Joe Melton Hall, all of Water Valley attended the Forsan - Water Valley Football game Friday afternoon.

Mr. and Mrs. W. E. Wadsworth, Jr., of Westbrook visited with his parents here Monday.

James Madding of Port Neches visited his mother and other relatives in Forsan this week.

Pat Hubbard of Coahoma is the weekend guest of her sister, Mrs. Woodrow Wickman.

Pfc. Fred Thieme of San Antonio is spending this weekend with his parents, Mr. and Mrs. Alfred Thieme.

Mrs. Tom Barkley of South Texas is visiting her sister, Mrs. Mark Nasworthy and Mr. Nasworthy. Mae Williams of San

Angelo was also their Sunday guest.

Virginia Chambers of Big Spring is here visiting her parents.

Mary Green, Bessie James, and Iris Dunlop are in Lubbock this weekend.

Edith Richardson is visiting her parents in Rockwood.

The Baptist congregation announce a worker's conference for Thursday at the church. A special program, guest speakers, and a luncheon served at noon are features of the day. Everyone is invited to attend.

Mrs. John P. Kubecka is convalescing from a broken arm sustained in a fall recently. She has been visiting her daughter, Mrs. Hubert Yeaden and Lieut. Yeaden and has now been removed from the hospital to the Yeaden home.

Mr. and Mrs. Claud King of Coahoma have moved to the Sun Camp.

Mr. and Mrs. Charlie Williamson of Odessa have moved to the Sun camp. The Williamsons replaced Johnnie Williams, who has moved to south Texas.

Mr. and Mrs. G. B. Gebhart have moved to Odessa to make their home.

### Wall Street

NEW YORK, Oct. 16 (AP) — The stock market today emerged from a generally satisfactory week with leaders extending Friday's upswing by fractions to more than a point.

The Associated Press 60-stock average today was up .1 of a point at 50.4 and on the week held at net advance of .5 Transfers for the short stretch totaled 266,810 shares compared with 225,970 last Saturday.

Prominent gainers included Western Union, U. S. Steel, Santa Fe, Chrysler, Goodyear, Sears Roebuck, Homestake, Texas Co., Mid-Continent Petroleum, International Telephone and Anaconda. Among laggards were North American, General Motors, American Can, Sperry, Dow Chemical and Eastman Kodak.

### Livestock

FORT WORTH, Oct. 16 (AP) — Cattle 200, calves 175; steady; cull and common butcher yearlings and heifers 6:50 - 9:00; canner and cutter cows 4:00 - 7:50; medium butchers up to 9:50; good fat calves \$11.00; common and medium butcher sorts 7:75 - 9:00.

Hogs 250; steady; butcher hogs averaging 180 - 325 pounds at ceiling price 14.55; lightweights from five cents to 75 cents a hundred under top hogs; packing sows 13.75 down.

Sheep 600; steady, common ewes 4.65.

REINFORCEMENTS STOCKHOLM, Oct. 16 (AP) — The newspaper Social Demokraten reported from Switzerland today that German troops in France had been reinforced along the Spanish frontier.

Thousands of years ago, the Indians believed salt turned hair gray.

WASHINGTON, Oct. 16 (AP) —

Disease is still a deadly camp-follower of U. S. armed forces but military medical reports show that the uniformed men—and women—of 1943 are healthier than the soldiers and sailors of 1917-18.

Despite extensive operations in tropical areas, and the greater incidence of malaria and other tropical ailments virtually unknown to U. S. troops in the last war, the army reported today less than three per cent of its total personnel has been "non-effective" by reason of illness at any one time. The "non-effective" rate is exclusive of battle injuries.

The navy reported an overall "non-effective" rate of less than two per cent, also a record low figure.

Influenza, pneumonia, cerebrospinal meningitis and other great killers of 1917-18 have been greatly reduced in virulence and lethal effect by medical advances.

Meningitis deaths averaged 30 to 40 per cent of those afflicted in the World War. Treatment with sulfonamides has reduced the death rate to three per cent, and epidemic outbreaks are quickly controlled by preventive dosages of sulfa drugs.

Preventive vaccines against seven diseases—typhoid, smallpox, tetanus, typhus, yellow fever, cholera and plague—have reduced the incidence of these formerly deadly ills to insignificance.

Figures on the incidence of malaria are military secrets, for specific districts, but the army reported that the disease hits about 80 men in 1,000 in foreign areas.

Dysentery and intestinal ailments have been prevalent abroad but sulfa treatments have reduced the time necessary for recovery. Respiratory ailments, particularly influenza and pneumonia, have not reached the widespread proportions noted in 1917-1.

The army and navy report greatly lowered venereal disease rates, with new methods of treatment reducing time lost from duty. The navy reports only 33 men per thousand per year become diseased, and the army's rate of 25 per thousand (exclusive of inductees suffering from the disease when inducted) is an all-time low.

The report on the women's services shows an incidence of less than one case of venereal infection in 10,000 women in the army and navy services. The case record for women soldiers and sailors parallels male personnel for all ailments save venereal diseases.

At home for the first time in a year, Earl Joe Lee, boiler maker second class of the US Navy, visited Colorado City relatives this week while on leave from sea duty with a repair ship.

He enlisted in the Navy four years ago, in September 1939, received his training at Norfolk, Va., and for the past two and a half years has been on duty in foreign waters.

He was a member of the crew of the U. S. Westpoint, troop transport and the last ship to leave Singapore when it was evacuated in February, 1942, just before the city fell to the Japanese. That, he admits, was "one pretty hot spot."

His journeys as a sailor read like an atlas or an old pre-war "Join the Navy and See the World" poster, but while he owns having lived through some excitement, he smiles easily and says, "Well, I have yet to get my feet wet."

He has been awarded six medals—the Asiatic-Pacific, the Good Conduct, the American Theatre, American Defence, and the Expeditionary Force—one of which he wore while at home. "The Navy's full of them," he says.

During his four years service he has sailed every ocean, touched on every continent, and has been completely around the world twice. When war was declared he was three days out of Capetown, South Africa. Before reaching the United States again he was in Bombay, Singapore, Colombo in Ceylon, Aden in Arabia, Suez, where he "took a look at the pyramids." He visited Mount Sinai, Fremantle, Adelaide and Melbourne, Australia.

He stopped in Panama, New Caledonia, South America, Liverpool, Glasgow. Early in 1943 he was transferred from his second troop transport to a sub-tender and in May was assigned to duty with his present ship. Before the war he was a member of the Tuscaloosa cruiser crew and was aboard when President Roosevelt made two of his cruises.

Coloradoan Home After Long Hitch Of Navy Service

COLORADO CITY, Oct. 16 —

At home for the first time in a year, Earl Joe Lee, boiler maker second class of the US Navy, visited Colorado City relatives this week while on leave from sea duty with a repair ship.

He enlisted in the Navy four years ago, in September 1939, received his training at Norfolk, Va., and for the past two and a half years has been on duty in foreign waters.

He was a member of the crew of the U. S. Westpoint, troop transport and the last ship to leave Singapore when it was evacuated in February, 1942, just before the city fell to the Japanese. That, he admits, was "one pretty hot spot."

His journeys as a sailor read like an atlas or an old pre-war "Join the Navy and See the World" poster, but while he owns having lived through some excitement, he smiles easily and says, "Well, I have yet to get my feet wet."

He has been awarded six medals—the Asiatic-Pacific, the Good Conduct, the American Theatre, American Defence, and the Expeditionary Force—one of which he wore while at home. "The Navy's full of them," he says.

During his four years service he has sailed every ocean, touched on every continent, and has been completely around the world twice. When war was declared he was three days out of Capetown, South Africa. Before reaching the United States again he was in Bombay, Singapore, Colombo in Ceylon, Aden in Arabia, Suez, where he "took a look at the pyramids." He visited Mount Sinai, Fremantle, Adelaide and Melbourne, Australia.

He stopped in Panama, New Caledonia, South America, Liverpool, Glasgow. Early in 1943 he was transferred from his second troop transport to a sub-tender and in May was assigned to duty with his present ship. Before the war he was a member of the Tuscaloosa cruiser crew and was aboard when President Roosevelt made two of his cruises.

Thousands of years ago, the Indians believed salt turned hair gray.

# We thank the Cotton Farmers

In these days of dire necessity, every bit helps and to those Cotton Farmers who responded to our appeal for a share of protein feed (cottonseed meal) we say 'thanks'.

To Milk and Meat producers, the present feed situation is, and will continue to be, serious for some time. Milk producers particularly, need more protein feed now! If they cannot get proper feed more valuable dairy herds will be sold to packers and slaughtered, and beef cattle which should go thru feeder pens will also go out unfinished. This will result in a milk famine this winter and meat shortage in the near future. Beef cattle sold young and unfinished as to proper fattening will reduce meat poundage by thousands of tons in this state alone.

## A little Co-operation is all that is needed to avoid most of this hardship and shortage

As was pointed out last week WE ARE FACING A CRITICAL PROTEIN FEED SHORTAGE—COTTONSEED MEAL IS NEEDED. Many of you farmers were caught short unsuspectingly last year and are taking no chances now, by demanding your full eight sacks of meal for every ton of seed you sell. For this you cannot be blamed, if this meal is needed for your own feeding purposes. But many of you will not need and cannot use this entire amount of meal within a year. It is to you that this appeal is being directed. Milk producers need a good portion of protein meal now and more to see them thru the winter to avoid having to sell out their herds.

The aggregate supply of cottonseed meal should be as great or greater than last year. The local oil mill has not contracted out-of-county accounts as in normal years and only certificated meal is going out of the county. You can help, Mr. Farmer, by simply sharing your cottonseed meal. You know how much you reasonably must have during the year. You know what you can spare. We ask you to SHARE IT NOW!

When you sell your seed, won't you please designate as much of your certificate meal as you can for sale to milk and meat producers? Gins and the cotton oil mill will see that it goes where it ought to go to produce the most food immediately.

Milk and beef are two of our nation's most important foods. We cannot afford to let this country run short of these during the war period. Babies, invalids, fighting men, all of us, need these foods. Let us all continue to work together . . . no one should hoard . . . injuries done to others soon reflect and hurt ourselves.

Thanks again to those who are helping.

Thanks to those who will . . .

... they ... must be fed ... more meat and milk are needed

Share Your Meal . . . Keep Milk and Meat Production Coming!

This appeal for help is being made by local producers as well as others who appreciate the urgency of this need. It is the patriotic duty of all who can, to help relieve the situation in every possible way.

## Miss Sara Reidy Becomes Bride Of Lieut. D. M. Johnson In Ceremony Read At Post Chapel Friday Night

Before an altar banked with white chrysanthemums, carnations and gladioli, Miss Sara Reidy, daughter of Mr. and Mrs. William M. Reidy, and Lieut. Donald Maurice Johnson, son of Mrs. Dwight Stephens of Hurley, N. M., were married by Chaplain Emeric Lawrence in the post chapel at the Big Spring Bombardier School Friday evening.

Mrs. Donald Maurice Johnson (Kelsey Photo)

### Christian Church To Hold Supper Wednesday Night

The First Christian church will hold a Fellowship covered-dish supper at 8 o'clock Wednesday night at the church for members of the congregation and their friends.

The Blue Bonnet class will be in charge of the program with Mrs. B. Housewright as chairman of the committee and the Church Council will be in charge of the supper with Mrs. C. M. Shaw as committee chairman.

All members are urged to attend the supper.

### OFFICER'S CLUB TO MEET TUESDAY FOR REGULAR LUNCHEON

The Officer's Wives club will meet at 1:30 o'clock Tuesday at the new officer's club at the post for its regular luncheon. Hostesses will be Mrs. Joe Luby, Mrs. Ralph Alworth, Mrs. Samuel Haves and Mrs. Martin Wisoff.

Barbara Freeman of El Paso, who has been here this week visiting her parents, Mr. and Mrs. L. Freeman, left Thursday accompanied by her mother to visit in New Orleans, La., for a few days.

## FIRST WAC AND SOLDIER WEDDING HELD AT POST

The first wedding, at the Big Spring Bombardier School, uniting a WAC and a soldier in wedlock, took place in the post chapel Friday evening, when Pvt. Barbara J. Hoole, daughter of Mr. and Mrs. George M. Hoole of Charlotte, N. C. and S-Sgt. Dale Francis, son of Mr. and Mrs. C. T. Francis of Troy, Ohio, were married.

The ceremony was read at 8 o'clock by Chaplain Emeric Lawrence and all members of the wedding party were WACs and enlisted men.

Mrs. Dale Francis

The bride was attended by Cpl. Claire Maxfield, maid of honor, and Cpl. Edwin Todd was best man. Bridesmaids included Cpl. Paula Hay, Pfc. Bernice Sciorra and Pfc. Dorothy Brittingham. Groomsmen were Sgt. Eddie Jensen, Sgt. Nank Coffman and Cpl. James Carroll.

The bride was graduated from Sacred Heart Academy in Belmont, N. C., and taught dancing in Charlotte, Belmont and several other North Carolina towns. She served as an accompanist for a dancing studio for one year and was a Red Cross nurse's aide for eight months before enlisting in the WAC.

The bridegroom attended Ohio Northern University and was graduated from Bluffton College in Bluffton, Ohio, where he received his B. A. degree. He was employed on the staff of the Troy Daily News, Lima News, Dayton Herald and more recently the Dayton Journal. He served as pastor of the First Methodist church at Fort Recovery, Ohio and was a radio commentator and presented variety programs over WLOK, Lima, WING, Dayton and WHIO, Dayton. He was on the executive committee of the Dayton chapter of the American Newspaper Guild, and also served as secretary and treasurer.

The romance started several months ago when Pvt. Hoole arrived at the local post and was assigned to public relations office where Sgt. Francis was stationed.

Pvt. Hoole, talented musician and Sgt. Francis, comedian, teamed up for magic and comedy acts and appeared in floor shows and programs at the camp. From this acquaintance came the plan to make the team a permanent one.

Following the ceremony, the couple left for a wedding trip to El Paso, Juarez and San Antonio.

Following the wedding ceremony, the bridal couple was entertained with a reception in the WAC dayroom by personnel of the WAC detachment. A wedding cake, topped with a miniature bride and bridegroom was served with coffee.

### Couple To Make Home Here After Honeymoon Trip

Miss Emily Prager, daughter of Mr. and Mrs. Morris Prager of Big Spring, and Sgt. Joseph Clark, son of Mr. and Mrs. Edward Clark of Fort Washington, Wis., will be married at high noon today in Fort Worth with Rabbi Philip Graubard reading the double ring ceremony in the home of the bride's aunt, Mrs. Ben Zimmerman, 2517 Hemphill.

The bride, to be given in marriage by her father, will wear a victory blue dress with navy accessories, and she will carry a white Bible topped with white orchids.

The couple will stand beneath a canopy of pink and white carnations and Mrs. Sam Morris of Fort Worth will sing "Because" and "I Love You Truly." "Liberstrum" will be played during the ceremony.

Following the wedding service, a luncheon and reception will be held. The table is to be covered with a Normandy lace cloth, centered with cut flowers and the wedding cake, flanked by old-fashioned candelabras.

Following the reception, the couple will leave for Milwaukee, Wis. for a short honeymoon. The bride will wear a three piece tweed suit with brown accessories. Upon return, they will reside in Big Spring where Sgt. Clark is stationed at the Big Spring Bombardier School.

Those attending the wedding and luncheon will be Mr. and Mrs. Morris Prager, parents of the bride, Pfc. Joel Prager, brother, Mrs. Edward Clark and Mrs. Sam Wiletsky, mother and sister of the bride groom of Port Washington, Wis., Mrs. A. J. Prager and Mr. and Mrs. Robert Prager of Big Spring, Mr. and Mrs. I. J. Prager of Midland, Mr. and Mrs. B. Karlit, Breckenridge, Mr. and Mrs. M. Sheinberg, Miss Marvella Sheinberg, Mr. and Mrs. R. Zimmerman, Mr. and Mrs. Raymond Zimmerman, Mrs. Sam Weinstein and Miss Dorothy Weinstein, all of Fort Worth, Philip Prager of Los Angeles, Calif., Mr. and Mrs. S. Sheinberg and Miss Gloria Sheinberg.

### Betty Collins Becomes Member Of 'W' Club

Betty Collins, daughter of Mr. and Mrs. J. B. Collins, has been elected into the women's honor organization of Abilene Christian College.

"W" Club qualifications for membership are classification as a sophomore, average of "B" or more, high Christian conduct and outstanding participation in some field of work or service to the school. Candlelight initiation ceremonies were held Tuesday evening, October 12, in the parlors of the girls' dormitory.

### Couple Married In Parsonage

Gayle Taylor, daughter of Mr. and Mrs. Virgil Green of Odessa, and Jim Carroll of Brownsville were married in the parsonage of the East Fourth Baptist church Thursday evening, by the pastor, the Rev. B. Elmer Dunham.

The bride was attended in a beige suit with black accessories, and was attended by Jean Johnson.

The bridegroom was attended by W. L. Johnson.

Following the ceremony, a dinner party was held at the Crawford hotel honoring the couple.

Those attending were Olan Griffith, Mr. and Mrs. W. L. Johnson, Mrs. Lillie May Johnson, Mrs. James L. Johnson, Jr., Mrs. Louise Woods and Jean Johnson.

The couple will be at home in Guatemala, Central America, where the bridegroom is employed by Pan American Airlines.

### San Angelo Couple Wed In Church Parlor Here

Mrs. Joyce Hannon and Alvis Groves, both of San Angelo, were married here Friday afternoon at 4 o'clock in the parlor of the East 4th St. Baptist church with the pastor, the Rev. R. E. Dunham, reading the single ring ceremony.

The couple was attended by Fern Bradford of San Angelo, Mr. and Mrs. Groves will make their home in San Angelo where he is employed in the automobile repair business.

### Cadette Nurse Corps Training To Open At Austin Hospital

Girls with a desire to serve their country and at the same time learn a profession that will help them after the war will be interested to know that the Brackenridge Hospital School of Nursing, Austin, is cooperating with the government in training nurses.

A class for U. S. Cadet Nurses Corps is to begin on November 1st and the Director of Nurses, Brackenridge Hospital, Austin 22, Tex., can be contacted for full information.

The qualifications necessary are that the girl be a graduate of an accredited high school in the upper quarter of the class; she must be between 17 and 32 years of age and in good mental and physical health.

The cadet nurse program offers an education paid for by the government including tuition, books, uniforms, and pays \$15 a month for the first nine months; \$20 per month for the next 20 months; and \$30 a month for the last six months training.

The Brackenridge hospital has ideal living quarters and is affiliated with the University of Texas in basic sciences, and offers not less than 30 hours college credit on graduation from nursing school; and accredited training for eligibility for Red Cross Nurse Corps.

### Cosden Employees Hold First Dance Of Fall Season At Settles

Cosden employees and their guests were entertained Saturday evening with the first of a series of fall parties to be held at the Settles hotel. Nickelodeon furnished the music and refreshments were served. The personnel department was in charge of arrangements and a large number attended.

### Mrs. R. A. Fullen Is Hostess To Her Club

FORSAN, Oct. 16, Special — Mrs. R. A. Fullen entertained her sewing club at her home this week and tea towels were made by members.

Refreshments were served to Mrs. D. A. Heatherington, Mrs. E. E. Blankenship, Mrs. Jake Green, Mrs. Tom Smith, and Mrs. Henry Starr.

### HOME NURSING COURSE HAS FEW VACANCIES FOR THOSE APPLYING

Those interested in taking a home nursing course are advised that vacancies still exist in the class being taught by Miss Jewel Barton, registered nurse. New members may join if they attend the class Monday at 8 p. m. at the high school in room 119. The class meets each Monday and Thursday evenings.

**Bride**—Mrs. Jack Bransford, above, is the former Joy Lane of Forsan, whose marriage in Los Angeles, Calif., on September 25th was announced recently by her parents, Mr. and Mrs. John Lane. Mrs. Bransford was graduated from Forsan high school and attended Abilene Christian College and Texas State College for Women. Bransford, who also attended ACC, is now employed in defense work in Wilmington, Calif.

### Announcement Of Maxine Howard's Wedding Is Made

Announcement has been made of the marriage of Virginia Maxine Howard, daughter of Mr. and Mrs. E. C. Howard of Big Spring, and Raymond Ruel Roberts, son of Mr. and Mrs. W. N. Roberts of Westfield, Mass.

The couple was married in Hartford, Conn. June 29th by the Rev. Horace Bean, Jr., Methodist minister.

The bride was attended in a brown suit with brown and white accessories, and her corsage was of red roses.

Following the ceremony, the couple was honored with a wedding dinner in the home of the bridegroom's sister.

Among guests attending the wedding dinner were Mr. and Mrs. Raymond Liles, former Big Spring residents.

The bride formerly attended the Big Spring high school.

The couple is now at home at 1618 Memorial Avenue in West Springfield, Mass.

## Study Club Opens Its New Season With Luncheon

STANTON, Oct. 16, Special—Stanton Study club met for luncheon in the home of its president, Mrs. John F. Priddy, Thursday at 1 p. m. to reassemble for the fall season.

New officers were introduced along with new members. Mrs. Dale Kelly, retiring president spoke, and Mrs. John F. Priddy, incoming president spoke briefly. Resume of the new year's program, "The United States in a New World," was given by Mrs. Ira Williams, program chairman.

Mrs. J. Howard Hodge of Midland, president of the eighth district Texas Federation of Women's clubs, gave a review of "Peace and Post-War Planning."

Place cards were ships and places were set for Mrs. Hodge, Mrs. Ben Carpenter, Mrs. Dale Kelly, Mrs. Earl Powell, Mrs. Ira Williams, Mrs. Raymond Blackford, Mrs. J. E. Kelly, Mrs. Phil Berry, Mrs. James Jones, Mrs. Earl Burns, Mrs. Charles Tarrence, Mrs. Floyd Smith, Fern Hodge, Mrs. O. B. Bryan, Mrs. Harry Hall, Mrs. B. F. Smith, Mrs. Edmond Tom, Mrs. George Blocker.

## Marilyn Keaton Is Named New Band Queen At Game

Identity of the Big Spring high school band queen was revealed Friday night at the half of the Big Spring-Lamesa football game when band director Dan Conley presented Marilyn Keaton with the queen's bouquet.

The band formed a circle in the center of the field while a color guard and the drum majorettes escorted Miss Keaton to the center of the field. Then while the band members knelt in the circle, playing "Let Me Call You Sweetheart," the bouquet was presented to the new queen.

Selection of the new queen was made on the basis of slogans which were sold before the game by high school members and Miss Keaton won the highest number of votes. Last year's band queen was Billie Frances Shaffer, who was also a baton twirler with the band.

## Miss Opal McMahon Becomes Bride Of Burgess Dixon In Ceremony Read At Lubbock

The marriage of Miss Opal McMahon, daughter of Mr. and Mrs. J. P. McMahon of Big Spring and Lubbock, and Burgess Dixon of Mrs. Annie H. Dixon of Big Spring, took place Saturday evening at 7 o'clock in the parlor of the First Methodist church with Dr. H. I. Robinson, pastor, reading a singling ceremony.

The bridal party stood before an altar flanked with baskets of gladioli and lighted with tapers in candelabra.

Preceding the ceremony, Virginia Bell Gamble played "I Love You Truly" and "Ah, Sweet Mystery of Life" and accompanied Ina Bacon who sang "Because."

Miss Gamble played "Bridal Chorus" from Wagner's "Lohengrin" for the professional and offered "To A Wild Rose" as the vows were exchanged.

The bride wore a soldier blue wool dress with black accessories and a corsage of Tallman roses. Mrs. O. L. Cline of Hereford, who served her sister as matron of honor, wore a gold crepe dress with black accessories and a corsage of roses.

J. C. Douglass of Big Spring, Dixon's cousin, was best man.

At Home Here

After a short trip, the couple will be at home in Big Spring.

The bride, a former student at Texas Technological College, has been on the editorial staff of the Lubbock Avalanche-Journal for several years. Dixon, also a former student at Tech where he served as editor of the Toreador, campus newspaper, worked in the Library of Congress before entering the army from which he received a medical discharge last January. He is news editor of the Big Spring Daily Herald and is a member of the Kiwanis club.

Out-of-town guests included the mothers of the couple; Mr. Cline and son, Jesse, Mr. and Mrs. Bill Hutton, Mr. and Mrs. H. Higgins, Mr. and Mrs. Dick Dickson, all of Hereford; Mr. and Mrs. Clyde McMahon and son, Clyde, Jr., Mr. and Mrs. Harris McCandless, Mrs. Douglas and daughter, Frances, and Mrs. Dora Vandagriff, all of Big Spring.

## Two New Members Meet With Girls Club In Forsan

The Future Homemakers of Forsan met Friday afternoon with two new members, Patricia Ann and Weona Ledbetter, present.

Joyce Jean Sewell, president, selected a social committee and vice president, Dorothy Mae Prichard, named the program committee.

The songleader, Doris Whirley, introduced three new songs for the club to sing. Lavonne Hoard spoke on the reasons for parliamentary rules.

Vona Belle Grant explained methods of voting; Norma Roberts talked on making voting motions; and Haroldine West discussed nominations.

Those named on the social committee were Lavonne Hoard, Eva Smith, and Lovera Wilson. Those on the program committee are Dorothy Mae Prichard, Danna-bell McRae, and Weona Ledbetter.

Others present were Dorothy Jean Gressel, Mary Frances Oglesby, Blanche Drake, Bobby Louis Cathart, Boots Jones, La-Virnia Thieme, Pauline Pike, Beatrice and Velma Rowl, Charlene Greavy, Wanada Whirley, Sue Pipkin, Goldie Marie and La Rue May, Eva Smith, Selatina Lujan, Bobbie Fern Bedell, Haroldine West, and Miss Mary Green, sponsor.

Use our lay-away plan and enjoy the luxury and comfort of a good fur coat this winter.

## Notes

MARY WHEATLY

The days that you feel like you are a 195 years old, regardless of your age, are the days that you sit with red nose and runny eye or vice versa and sniff at the world through a haze of nose drops.

You sit down or stand up but your rayon hose remain stationary, in customary baggy pose, or ripple becoming a gaily around your ankles.

Your hair has forsaken all curl regardless of the last time you had it set and unwinds down your back and tucks under your collar. The early fall winds have chapped your hands and face and the dress you so hopefully put on again after a rest of several months hangs in peculiar lines.

Your shoes are badly in need of half soling, shining and new shoe strings, but you can't take the beat up numbers off long enough to get them repaired.

The last time you tried to be the gayest one at the party has resulted in a large and vicious looking "goop" on nose and chin and for two cents you'd trade yourself in on most anything that might be offered even at war time prices.

On days like this you feel like the old woman of the mountain and would gladly give up if you could find any takers.

Whatever you do, take time to look beautiful... a new hairdo or a permanent will keep you looking your loveliest.

## Social And Business Meet Hel By Forsan P-T. A. Friday Evening

FORSAN, Oct. 16 (Special) — Mrs. Bill Conger, Jr., presided at the special meeting and social of the Parent-Teacher Association held at the mansion Friday evening.

Group singings were led by Mrs. Conger, Mrs. ED. Williams, and M. M. McClintock. Dan McRae introduced the faculty members. Games were recited by Camilla Hoisager and refreshments were served by the social committee including Ms. Williams, Mrs. J. D. Leonard, Mrs. Earl Hughes, Mrs. D. W. Rerson, and Mrs. Jeff Green.

The association agreed to buy first aid kits at the first eight grades, during a business session. The second grade pupils won the attendance prize.

Present were Mr. and Mrs. L. H. Greaves, Mr. and Mrs. M. M. McClintock, Mr. and Mrs. J. T. Holiday, Mr. and Mrs. Woodrow Wickman, Mr. and Mrs. G. L. Monroey, Mr. and Mrs. J. R. Templeton, Mr. and Mrs. Roy C. Davis, Mr. and Mrs. Bill Conger, Jr., Mr. and Mrs. J. B. McDonald, Mr. and Mrs. DW. Roberson.

Mr. and Mrs. J. D. Leonard, Mr. and Mrs. A. S. Thompson, Mr. and Mrs. Jeff Gress, Mr. and Mrs. Clay C. Bedell, Jr. and Mrs. Dan McRae, Mr. and Mrs. J. M. Craig, Mr. and Mrs. W. J. White.

Mrs. Bleece Ithcart, Mrs. O. S. Clark, Mrs. L. West, Mrs. Lela Goin, Mr. H. D. Williams, Mrs. G. F. Dusan, Mrs. J. B. Green, Mrs. R. L. Fullen, Mrs. W. T. Creelman, Mr. R. W. Cranfill, Mrs. H. R. Moes.

Camilla Hoisager, Bessie James, Myrtle Chidre, Iris Dunlop, Pat Hubbard, Mary Green and Aquilla West.

Robert Wright, storekeeper first class for the R.F.A. is here visiting his aunt, Mr. Ora Blankenship, Mrs. Aubrey Sublett and Ray Young, en route to Fort Worth to visit his mother, Wright, who was stationed at Earl Harbor during the Japanese surprise attack, has just returned from Australia where he has spent the past 18 months.

By BETTY BOB DILTZ

Home may change to some college students but it hasn't to us. Maybe five weeks isn't long enough to test but everyone looks the same, seems the same, and does the same. After all home wouldn't be different over night if it's the College Joe's and Jane's who make the change.

Some "kids" may want things to be different because it may be a sign they are grown-up after five weeks at college but from general impression we would say the average college boys and girls like things just the way they were.

Parents may not think their child is eager to get home but when week-ends roll around practically all students begin to count hours before they will be back to their "good old home town". College life does keep the students busy, not too busy though, to stop and mention his home town each day.

College is probably all that students talk about when they are home, but never fear, HOME is practically all that students talk about when at College.

# A & M Passes Beat Frogs; SMU And Texas Score Victories

## Aggies Score On Hallmark's Long Heaves

FORT WORTH, Oct. 16 (AP)—Jim (Babe) Hallmark engineered two prodigious pass plays in the third period today to bring the youthful Texas Aggies a 13-0 victory over Texas Christian before a crowd of 16,000.

Those two pitches, gaining 103 yards together, came after the gallant but punchless Horned Frogs had stymied the Aggie ground game any time it pierced into TCU territory.

The first throw gained 43 yards. Bob Butchofsky was standing in the clear waiting for it with not a TCU man near. He went across from the Frog 15-yard line without being touched. Stanley Turner converted.

The next touchdown pass came seven minutes later and it ate up 60 yards of territory. The Aggies had the ball on their 45-yard line and Hallmark, on a try at tackle, lost five. Then Hallmark faded back and threw to Marion Flanagan near the sidelines. The fleet Aggie halfback ran about 20 yards for the score. Turner missed the extra point.

The Aggies had hammered twice inside the Frog 20-yard mark in the first half only to be hurled back. Once they got to the two; the next time it was the 17. There was nothing to fear from the TCU offense. The Frogs came nearer having none than any team seen on this field in a long time. The closest they ever got to the A. and M. Goal was the 15-yard line and that was on a blocked punt.

They made only two first downs and got exactly 26 yards net on both running and passing. It was a pretty dull game for a half, resolving largely into a kicking duel between the brilliant Turner of the Aggies and Jim Lucas of the Christians. The magnificent goal line stand that halted A. and M. on the Frog two-yard line was the bright spot.

The two scoring plays came with startling suddenness in the third period but they had no effect on the TCU fighting spirit. The Frogs still had a tough line up front at the finish and the Aggies found them hard to handle on the ground.

**Ga. Tech Tramples Fort Benning Team**  
ATLANTA, Oct. 16 (AP)—Georgia Tech had Eddie Prokop . . . Eddie Prokop had the touchdown touch . . . and while 10,000 fans looked on today the Navy-activated Engineers thundered over Fort Benning's 300th infantry, 27-0, on wind-swept Grant field.

The infantrymen, unbeaten in three previous starts and bragging three-fourths of Tennessee's Sugar Bowl backfield, held off the Tech tidal wave for the first quarter, and trailed by a bare six points at the half. But in the third period Prokop and company piled over three touchdowns and three extra points. After that it was just a workout for Tech's reserves.

**Ohio State Falls To Purdue Power, 30-7**  
CLEVELAND, Oct. 16 (AP)—Purdue's undefeated Boilermakers turned on their vaunted power on a soaking wet field today to come from behind and hand Ohio State's youthful Buckeyes their third loss in four games, 30 to 7, before a crowd of 41,509. Purdue scored all its touchdowns in the last half after Ohio took the lead with one in the first period.

Starting lineups: Big Spring—G. Smith and P. Cook, ends; I. B. Bryan and L. Christian, tackles; H. Morgan and R. Thomas, guards; B. Wood, center; L. Rusk, quarterback; D. Stevenson, fullback; Lamesa—W. Bratcher and E. Hawkins, ends; J. Billingsley and B. Matlock, tackles; A. Kirk and A. Roberts, guards; D. Moore, center; L. R. Corley, quarterback; D. Whitmire and W. Roberts, halfbacks; D. Wise, fullback.

**Amarillo Star Out For Extended Time**  
AMARILLO, Oct. 16 (AP)—The Golden Sandstorm high school football team, favorite for the state title, got a jolt today when physicians said Billy Lynch, swift wingback, who was injured last night when the Sandies defeated Norman, Okla., will be out at least a month, perhaps for the season. Lynch, son of Coach Howard Lynch, suffered a torn tendon in a leg.

**GAME STATISTICS**

Big Spring	Lamesa
18	11
0	212
0 of 2	312
2 of 54	13 of 31
10 for 90	3 for 98
	1 for 5

The Big Spring Steers broke into the 3-AAA win column Friday evening with a victory over the Lamesa Tornadoes in a wild and wild game that saw two interceptions and one fumble turned directly into touchdowns.

Hugh Cochron suddenly hit his stride for Big Spring in the game and accounted for 171 of the Steers' 393 yards gained rushing during the evening. Moreover, he made long runs for two tallies and otherwise demoralized Tornado tacklers.

It all happened after Roberts had caught Cochron flat-footed and passed over him to Hawkins for a 76-yard touchdown early in the second canto. He didn't get back into action for good until the last half but he was poison then. Curiously, it was Cochron who got jarred loose from the hall after a nice run only to have it bound into the arms of Peterson, Tornado sub tackle—and Peterson knew what to do with it.

Barkley Wood, Steer center and one of the best pivot men in the loop, leaped high to make the only two interceptions of the evening. In the second he took Roberts' heave from the Lamesa 29 and angled away to score, picking up Barkley after he had made the clear. In the fourth he ran back another for 46 yards and outran the nearest defenders—quite an achievement for Wood who is supposed to be sort of slow. Rusk did throw a pretty block on this one but Markley would have made it anyhow.

Big Spring racked up a first down and fumbled. The Tornadoes promptly punched for a first down and Roberts found Hawkins for 24 before the drive bogged. He hit Hawkins again for 16 later but Big Spring took over and drove to the Lamesa 23 in four first downs. At the opening of the second, three line plays and a pass failed. Roberts fired another to Hawkins in deep left flat and he took it on the run behind the half. It was a perfect touchdown play. Roberts added the point. Seven plays later Hawkins let an identical pass slip through his fingers—it would have been a touchdown and might have broken the Steers' back.

When Big Spring took over, Rusk, Stevenson and Barron each made a first down. Then Stevie, who turned in a great game with his blocking as well as running, skirted end for 36 yards to the Lamesa three. McIntosh carried it over from the one and Stevie made the point. Moments later Wood turned his first interception into a tally and Stevie kicked goal.

Cochron and McIntosh carried to the Lamesa one early in the third and Stevie went over but missed the extra point. Rusk pounced on Roberts fumble on the Lamesa 18 and Cochron ran over from the 14. Stevie added the point.

Steer subs swarmed onto the field as did Lamesa reserves. But Roberts and Hawkins were still in there and in a few minutes they had turned a Big Spring fumble into a score with Roberts going over from the one after passing it down close. Big Spring stormed back, but that's when Cochron got jarred loose from the ball and Peterson ran it like a scared antelope. Roberts missed the try for point.

Cochron and Barron quickly made three first downs to put it on the Lamesa 22. Cochron skirted end for the tally and Stevie kicked goal.

Roberts cut loose on a series of passes to Corley right down the middle and carried to the Big Spring 10 before four incomplete tosses (one completed out of the end zone) turned it over to Big Spring. Whipped back with a troublesome aerial drive, Lamesa was headed goalward again when Wood made his second interception—and score. Stevie's kick was good. That was the game.

Big Spring attempted two passes during the evening and they looked none too good. Punting was not so hot for either side and the Steer line still leaked badly enough to have one partially blocked.

## Late Tlies Turn Bck Rice By 12-0 Count

DALLAS, Oct. 16 (AP)—The rabble-roused Capt. D. Allen and a nest pass playdrilled Southern Methodist to a 2-0 victory over Rice Institute here today.

Allen, a nim-toed fullback, cracked the stur Owl defense in the third quarter. On the Methodists' 33 he tot the pass from center, whipped round left end and romped 67 yds to a touchdown.

A fine kick by oyd Parker set the stage for the Mustang's second tally. Parker pinpointed a kick out of bounds on Rice's eight, an offside penalty sawe Ows back to the three and Iky Sheffield booted out to the 37.

Parker swept rth end to the 27, then lost 10 qd attempted line buck. On the next play, Parker spiraled a pass to Billy Walling, who took it heave on the 30 and skittered a touchdown. oBth tries foxtra point were low.

Not until the last did either team display a offensive strength. Then Park, a midget back of 155 pounds started hitting Mustang receive with passes. With Allen and in Gibbons, a tailback, he puncted the Owl line for good gains.

For Rice, 202-pou Fullback Bucky Sheffield and Bill Scurgess, a 145-pound tailback caused the Methodists trouble with sprints through the line.

Southern Method picked up 10 first downs to R's six, netted 215 yards rushing to the Ows and outgained 81 to 36 yards through the air.

Sheffield's polish toe gave Rice a punting average of 41 yards to 34 for the Methodists.

A small crowd of 6000 witnessed the game, the fit conference clash of the season's both teams.

**Lieut. M'Dermott Goes To Finls In Tennis Touney**  
Lieut. McDerme has stroked his way into the finals of the officers tennis tournament at the Big Spring Bomdrill school, turning back Lieut Partello, 6-2, 6-4, in the semi-finals.

He will meet the winner of a series of matches which involves Lieut. Partello and Lieut. Lieut. Zagon and the winner of a match between Lieut. McCoy and Capt. Arthur Foulk Lieut. Zagon, a late entry, was fused into the lower bracket to fin in when Lieut. James B. Freema heavy favorite to cop the touney, was transferred. He then defeated Maj. Harry Wheeler, 6-6-0, to win the right to contest against the McCoy-Foulks winner for a shot at the championship.

Doubles in the tourney start Monday with the following partners: Lieut. Partello and Lieut. Lieut. Penry, Lt. Bender and Maj. Wheeler, Lieut. McDerme and Lieut. Lawrence, Lieut. Scott and Lieut. Zagon Lieut. Kooztz and Lieut. Koberland Lieut. McCoy and Lieut. Pitello.

## Only Navy Among Grid Leaders Has Any Difficulty

By ORLO ROBERTSON  
NEW YORK, Oct. 16 (AP)—The nation's top ranking college football teams continued to set a fast pace today with only Navy of the unbeaten big five receiving a severe test.

Notre Dame, No. 1 eleven in the Associated Press' weekly poll, Army, Pennsylvania and Purdue bowled over the opposition like a Kansas tornado but the Middies from Annapolis had to go all out

to whip Penn State, 14 to 6, on a rain-soaked gridiron for their fourth straight triumph.

And while the big boys of the Midwest and east were rolling on, little College of Pacific sprang probably the biggest surprise of the day by defeating the professional-studded Del Monte Pre-flight eleven 16 to 7. Southern California again showed its strength with a 34-0 licking of San Francisco while Duke tamed North Carolina, 14 to 7, in the south's outstanding games.

Notre Dame and Army moved a step nearer making their Nov. 6 clash in New York's Yankee stadium "the game" of the year with great exhibitions of power both offensively and defensively. Notre Dame whipped Wisconsin, 50 to 0.

The Army remained unbeaten and unscored upon as Plebe Glenn Davis from California once more gave a scintillating performance in a 52-0 rout of Columbia.

Pennsylvania's Quakers didn't even have a good workout in rolling over Lakehurst Naval Training Station, 74 to 6. Purdue found a tartar for the first half in Ohio State's light but fast charging line but the Boilermakers kept their weight tell in the end, winning 30 to 7 with three touchdowns in the last quarter. It was Purdue's fifth straight success.

Minnesota cranked some of the mystery that has surrounded its unexpected good showing this year by turning back the highly regarded Camp Grant soldiers 13 to 7. At the same time, Northwestern bounded back into the Big Ten picture by downing the Great Lakes Sailors, 13 to 0.

Down in the Southwest the Texas Aggies showed that they are strong challengers for the South-west conference title by whipping Texas Christian, 13 to 0. Texas, the other outstanding champion-ship contender, had an easy time at the expense of Arkansas, winning 34 to 0.

In the east Cornell and Rochester remained potent factors the former defeating Holy Cross, 20 to 7, in the mud and rain and the latter squaring matters for the season with Colgate by putting over a 14-6 decision.

Illinois and Pittsburgh, both exponents of the "T", staged a scoring orgy with the Illini winning 33 to 25. By contrast the civilian ship contender, had an easy time at the expense of Arkansas, winning 34 to 0.

## Pitt Defeated By Better 'T'

CHAMPAIGN, Ill., Oct. 16 (AP)—Clark Shaughnessy, the old master of the T formation, took a lesson from Illinois' new converts to the same grid offense today as his Pittsburgh Panthers bowed before Ray Eliot's boys, 33 to 25.

Playing their third game under this style of attack, the Illini rolled up a 19 to 0 lead in the first half and added 14 more points in the final period to stay in front despite a 25-point second half rally by Pittsburgh.

Illinois threw only one pass all day as its ground attack, thoroughly schooled in the T, showed along for 318 yards.

The Panthers uncorked 17 aerials and completed 14 for 156 yards, with able Joe Mocha on the throwing end of most of them and end Jim Maloney receiving. By that activity the Panthers managed to roll up more first downs than the Illini, 14 to 11, but they were far outclassed on the ground.

The Illini run into Notre Dame's potent T attack next Saturday.

**Middies Barely Defeat Penn**  
ANNAPOLIS, Md., Oct. 16 (AP)—Penn State tossed a terrific scare into heavily-favored Navy in muddy Thompson Stadium today, but the Middies continued in the nation's undefeated football ranks when little Bill Baron's 38-yard touchdown gallop in the final quarter clinched a hard-earned 14-6 victory.

Fumbling frequently, Navy's lighter backs failed to unloose the spectacular offensive displayed in earlier tilts, and showed that the Sailors obviously prefer dry-ground operations.

The crowd of 18,214 saw triple-threat Hal Hamberg take advantage of a dry field in the opening quarter to pass Navy to a one-touchdown advantage in collaboration with John Hansen, who subbed at end for the injured Middy captain, Al Channell.

Hamberg fumbled early in the third to set up State's chance, Al Olszewski recovering on Navy's 37.

Bobby Williams sailed a pass to Jack Castigliona on the five, Navy's line made Williams fight for it, but he edged across the goal on his last opportunity.

In the fourth period, a partially-blocked Lion punt was recovered by Vincent Anania, sub Sailor end, on State's 43. After Joe Sullivan plunged five, Barron breezed 38 yards behind vicious downfield blocking for the final score.

## Power Plays Overwhelm The Porkers 34-0

AUSTIN, Oct. 16 (AP)—The Texas Longhorns, last year's Southwest conference football champions, started a new drive for the title today, power-playing the University of Arkansas into submission by a score of 34 to 0.

With several first line and reserve backfield men on the bench, Texas utilized third-stringers who demonstrated that the Longhorns are good perhaps three deep at some backfield spots.

Bob Rados, a Navy V-12 trainee assigned to the University of Texas after lettering at the University of Santa Clara, Calif., scored three touchdowns. He was aided considerably by Andy Robinson from El Paso, another third-line reserve, in setting the scoring plays.

Also outstanding for Texas was J. R. Callahan, recently of Texas Tech. This star of last season's little All-America had only been working out with Texas for five days, but he played half the game and made numerous long gains. He showed much speed and power.

Texas scored first in the first period, a touchdown by Ralph Ellsworth, again in the second with Ralph Park crossing the line. There was no scoring in the third, and Rados' three tallies were all in the final period.

Ellsworth's touchdown in the first came on a resurrection of the Statute of Liberty play. Texas had driven from its 20 to Arkansas 25, in five plays, and on a new series of downs, Park handed the ball to the fleet Ellsworth who ran 12 yards to draw first blood. Park's place kick for the extra point was good.

In the second, Callahan passed to Park 36 yards for Texas' second score, with Park converting again. Arkansas chilled another Texas drive in the second, halting the Longhorns on their seven-yard line. A 32-yard run by Robinson late in the third set up Texas' next score. Rados carried the ball across from the four. Park came back into the game to placekick the extra point.

Once again Rados and Robinson ganged up on Arkansas with a 70-yard power drive. Rados carried the ball for the touchdown, but Park's place-kick was low.

Arkansas got inside Texas' 30-yard line in the fourth on passes from Harold Cox to Rankin and to Ben Jones, but an interception stopped the potential threat. Rados set up his own third touchdown on a pass interception late in the fourth, with Park again coming into the game to kick the extra point.

Kapok comes from the seed pods of a tropical tree.

### Blimps Collide, Eight Missing

PHILADELPHIA, Oct. 16 (AP)—Two U. S. navy blimps collided in mid-air in a dense fog off the New Jersey coast today and eight officers and men are missing, the Lakehurst (N. J.) naval air station announced through the fourth naval district public relations office here.

One of the lighter-than-air ships crashed into the ocean and the other returned to Lakehurst "with insignificant damage and no loss of life or injury to personnel," the announcement said.

Only one member of the crew of the second ship was saved. The navy identified him as Harley Charles Hunter, 23, aviation machinist's mate, second class, of Yaocit, Wash. Names of the missing were withheld pending notification of the next of kin.

The navy said it was the second instance in naval lighter-than-air history in which airships have collided, the other occurring June 8, 1942, "when two small training blimps were engaged in a secret experimental mission" at sea at night.

The collision occurred at 10 a. m. (EWT) off Barnegat inlet. Both ships were of the patrol type, 250 feet long. The ship which crashed was on a military mission, the navy said, while the other was on a training mission.

### Lamesa Minister To Be Speaker At Methodist Meeting

The Rev. E. D. Landreth, Lamesa is to be guest speaker in a series of services at the First Methodist church beginning at 8 p. m. Wednesday and continuing through Oct. 27, it was announced Saturday.

REV. E. D. LANDRETH

There will be no day services for the meeting. Chaplain James L. Patterson and some of the personnel of the Big Spring Bomber school will cooperate with the church in the services. People of the community are invited to attend.

Today, the pastor, the Rev. H. Clyde Smith will be in the pulpit for both morning and evening messages. "God Is Able" is the morning subject and at 8 p. m. he speaks on "The Great Shepherd." Mrs. Jessie Mae Peters sings at the morning hour, "Some Day He Will Make It Plain."

At the Christian Science service at 217 1-2 Main today, the subject for the lesson-sermon will be "Doctrine of Atonement" with the Golden Text from John 14: 5-6. There also is a citation from Philippians 2:5 and a passage from page 23 of "Mary Baker Eddy's Science and Health with Key to the Scriptures."

The Rev. R. J. Snell, rector of the St. Mary's Episcopal church, has just returned from the denomination's general convention held in Cleveland, Ohio. He is to discuss the important national gathering at the 11 a. m. service at St. Mary's today.

Back home after spending two Sundays in Fort Arthur as leader of a revival meeting, the Rev. P. D. (Dick) O'Brien, First Baptist pastor, will be in his pulpit for morning and evening services. Following the morning worship, the membership is to observe the Lord's Supper.

### Mexican Injured, Assailant Sought

Marcelo Lira, Mexican, was in a local hospital Saturday, suffering from a severe gash thought to have been produced by a blow from an axe.

He was rushed to the hospital Friday at 11:22 p. m. after he was felled in an altercation at the Dreamland hotel, according to police.

Officers said that an investigation indicated a mild gang fight had started when one of the principals reappeared with an axe in tow. A few well directed swings broke up the fight. The ax-wielder was being sought.

### FALSE REPORT

WASHINGTON, Oct. 16 (AP)—The Office of Price Administration said today that a false report had been circulating in the meat industry that price ceilings on hogs were about to be suspended for 30 days, and emphasized that no such action was contemplated.

### Meat Rationing Necessary, Says OPA Officer

DALLAS, Oct. 16 (AP)—Abandonment of meat rationing would mean a return to shortage and confusion rather than orderly supplies equitably distributed, Max McCullough, administrator of OPA region five, said here today.

The administrator said slaughter quotas had been removed not because of present feed shortages, but "to encourage a steady flow of beef to slaughterers to insure adequate supplies for army, navy and lend-lease requirements and in addition to make available for civilian consumption, enough meat to satisfy outstanding rationing points."

McCullough's statement followed a declaration by J. E. McDonald, Texas agricultural commissioner, that meat rationing was unnecessary.

"The removal of quotas on slaughtering did not effect any change in allocation for civilian use," McCullough said. "The agricultural commissioner's proposal that 'after army, navy and lend-lease requirements are supplied, the rest be released to the public without rationing' is highly unsound and indicates the commissioner is not adequately acquainted with all the facts regarding the meat situation from a national and international viewpoint."

"After army, navy and lend-lease requirements are filled, it is necessary that the remaining supplies be rationed in order that all civilians might share that supply equally," McCullough continued.

### Farm Labor Is Nearer Balance

The farm labor supply gradually is coming into balance, according to records of County Agent O. P. Griffin.

"During the past week he showed orders for only 50 workers while he was able to place 189. He estimated that there were now 385 city adults and children in the fields along with 1,850 migrant workers. Another 100 of the latter class would give a fairly ample supply of workers, he thought. This figure was down 100 from his estimate of a week ago.

He said that small farms were still having difficulty in securing workers since so many of the migrants are in large crews. However, matters may ultimately work to their advantage for soon they will have the only unpicked cotton in the area. One good picking will about clean them out whereas larger places may be confronted with more expense in inducing pickers to go over their fields a second time.

### Exhibitions Keep Louis Hard At Work

WASHINGTON, Oct. 16 (AP)—Joe Louis is finding the pace of his boxing schedule in the army somewhat faster than in pre-war days.

The army announced today that "worn by a gruelling schedule of exhibitions," the heavyweight champion and his group of boxers who have been appearing at army camps will be given a rest early in November, after reaching the Pacific coast.

Louis and his fellow fighters started on tour August 30. The army said today that by the time his fight show reaches the west coast it will have given exhibitions in 48 camps before a total gate of more than 750,000.

### Lubbock Service Team Looking For A Game

LUBBOCK, Oct. 16 (AP)—Lubbock Army Air Field's football team is anxious to play a game with some college or service team of the southwest in Lubbock on Oct. 30, Capt. William A. Murphy, special service officer, said today.

The LAAF fliers have won two games from South Plains Army Air Field and Fort Bliss Commandos after losing the opening game to Texas Tech.

### Trojans Smash Dons

SAN FRANCISCO, Oct. 16 (AP)—University of Southern California's Trojan football team overwhelmed the University of San Francisco Dons 34 to 0 today before a crowd of 7,000. The Trojans scored touchdowns in all but the third period.

### Mexican Consul Gives Talk Here

R. S. Urrera, Mexican consul at El Paso, appealed to people of Latin-American extraction to do their part in fostering better inter-American relations by a broad-minded view of problems as he addressed a crowd at the Kate Morrison Americanization school here Friday evening.

Before taking an extreme view on any situation, he said, Latin-Americans should take a look at both sides of the picture. A determination to promote better relations undoubtedly will result in that very thing, Urrera declared.

He appealed to the women of the Latin-American quarter to set an example for the men of the community in promoting a better understanding with the native population.

Brief talks were made at the meeting by J. B. Zamora, Joe Mendoza, Pedro Suarez and Dionisio Rodriguez in connection with the appearance of Urrera, who was here primarily on an inspection trip.

He was accompanied here by an inspector for the T.&P. Railway Co., which employs a large number of the Mexican nationals as laborers for road maintenance work.

### Public Records

U. V. Crow, et vir to A. F. Hamelton and Annie Hamelton, the south two-thirds of the southwest quarter of block 17, College Heights addition; \$2,500. In the 70th District Court

G. T. Hall versus S. B. Dorn, suit on note.

Katherine Veach versus James Ray Veach, divorce.

First National Bank versus M. B. Stanton, et al, suit on note.

Walter T. Fulcher versus Katie Mae Fulcher, suit for divorce.

### Handicap At Jamaica Run In Two Sections

NEW YORK, Oct. 16 (AP)—A field of 22 overnight entries for the \$10,000 added Remsen handicap at Jamaica today caused the feature to be run in two sections and both were won by outsiders.

Commander Harry Guggenheilm's Bellweather, a colt which never before had captured a stakes even, splashed through the sloppy six furlongs in 1:13 1-5 to take the first half and pay \$27.60 for \$2 to his backers in the crowd of 28,236 while Black Badge, owned by Abe Hirschberg, led the second section in the impressive time of 1:11 2-5 and paid \$24.70 for \$2.

### N. Carolina Beaten By Blue Devils, 14-7

DURHAM, N. C., Oct. 16 (AP)—Duke University defeated the University of North Carolina 14-7 today before a crowd of 35,000 spectators who saw the Blue Devils held scoreless the second half.

A four yard plunge in the first period and a 48-yard run by Hartley gave Duke its touchdowns. Carolina scored in the final period on a 25-yard run by Bryant after he had taken a pass from Myers.

### Mexico Netters Score Sensational Upset

MEXICO CITY, Oct. 16 (AP)—In a stunning upset, Armando and Rolando Vega of Mexico defeated Pancho Segura and William Talbroke in straight sets today to win the Pan-American tennis doubles championship.

The Vega brothers, virtually unknown outside of Mexico, returned the hottest smashes that the powerful Ecuador-U.S. combination could volley, and triumphed, 6-1, 6-3, 7-5.

### Oklahoma A&M Loses To Norman N.A.S.

STILLWATER, Okla., Oct. 16 (AP)—The Norman Naval Air Station Zoomers mustered too much power for the lighter Oklahoma A. and M. Cowboys here today and shoved them all over the field to take a 20 to 0 gridiron victory.

The Aggies suffered most from the absence of triple-threat tailback Bob Fenimore, who played only seven minutes despite a game leg but moved the Cowboys into scoring territory once.

The Navy punched across once in the second and twice in the third period.

The Rocky mountains are believed by scientists to be about 60,000,000 years old.

### 'Big Three' Of District 3-AA Keep Winning

WEEK'S RESULTS  
Odessa 15, Abilene 0.  
Big Spring 41, Lamesa 20.  
San Angelo 34, Cisco 0.  
Sweetwater 53, Ballinger 0.  
Plainview 20, Midland 5.

There was nothing in the week's results to change the dope picture in the district 3-AA grid wars.

The Odessa Bronchos, picked as the team—if any—which will head the potent San Angelo club, pounded on to the third successive win. The victim was Abilene, playing its first district tilt, and the score was 15-0.

In the only other conference fray, Big Spring climbed into the win column by outscoring Lamesa 41-20.

Other games didn't count in the standings, but they ran true to form. The Angelo Bobcats thumped Cisco 34-8, to remain on the list of unbeaten and untied teams; Sweetwater, another outfit that can't be counted out of the district, running yet, whammed Ballinger to the tune of 53 to 0, while Midland's Bulldogs, already two-time losers in the district, were whipped by Plainview, 20-6.

The net result was that San Angelo, Odessa and Sweetwater remained the class clubs of the loop, which is what everybody knew all along.

### Russians

Four trains were declared smashed by these attacks. At Melitopol, neither side claimed advances as they fought hand-to-hand in the war-torn city.

Across the middle Dnieper, the Russians surged out anew from their bridgehead near Kremenchug—an area from which comparatively little fighting had been reported in recent days.

The Russians were trying to flank German positions at Dnepropetrovsk and elsewhere in the Dnieper loop.

### The Week

construction experience from trying to complete his application before the end of the month.

Parents and families of men in the service ought to make every effort to take in the USO-sponsored show Monday evening at the municipal auditorium. It'll be lots of fun—and it's free.

In February 1937 a wildcat well just east of town hit a formation which sent up 285,000,000 cubic feet of nitrogen gas daily. Bruce Frazier theorized at the time it might be coming from an underground cavern (which he said might underlie Sulphur Draw since an underground river might explain why the long drainage area carried no water) and that cooling of the earth's surface caused pressure of the air to increase. Well, last week, some fellow turned up here wanting to see the cavern. Now he's waiting on the Frazier theory to be established.

Remember these three things about securing War Ration Book (V-2) Registration: 1) Registration time is Friday afternoon and evening or Saturday; 2) have your No. 3 (and/or those of your family) book with you; 3) see that the cover sheet of the No. 3 book is filled in properly. Check these and you won't have any trouble.

Mrs. Helen Swift, extension service organization specialist, last week told a group of demonstrators something we think will bear repeating, namely, that there is no excuse for setting up an organization of any kind unless there is a job to do.

### California Daws USLA Bruins, 13-0

LOS ANGELES, Oct. 16 (AP)—California whipped the UCLA Bruins today, 13 to 0, showing superiority in the air and on the ground. The Golden Bears scored touchdowns in the first and second periods, the first on a nine-yard run around end by Joe Stuart, the other on a 47-yard pass from fullback Bob Weeks to Art Hanberger. A crowd of 20,000 saw the 1942 Pacific Coast conference champions lose their fourth straight game.

### City Officials Will Attend League Meet

Several city officials may attend the meeting this week of the Texas League of Municipalities.

City Manager B. J. McDaniel said he hoped that matters would permit him to sit in on the three day meeting, and at least the final day when city managers of the state will meet. Mayor G. C. Dunham hopes to be able to attend and it is possible that G. H. Hayward and possibly other member of the commission will find time to go.

### West Howard Test Watched

Interest in oil development in this area swung back to the western side of the county during the week as the J. B. Hawley, Jr. No. 1 J. W. Cook was reported to be plugging back from below 3,500 feet for a shot to test formations up the hole.

The wildcat, located 1,980 feet from the north and west lines of section 23-24-in, T&P, has had two shows—one of oil and one of oil and gas but both light—and the shot will be partly to determine reaction of the formations. The well is one of a series of explorations by Hawley in the western part of Howard county. His No. 1 Cowden, 330 feet from the east and 2,310 feet from the west lines of section 18-35-1s, T&P, just north of Harding pool production, was reported nearing 3,000 feet.

In northeastern Howard county, Magnolia had drilled to 4,200 feet and was plugging back to 4,100 on its No. 1 Willis Winters to be shot with 200 quarts from 4,020. The No. 1 Winters is a direct south offset to the Cosden-Coffield and Gutherie No. 1 Pauline Allen, sole Vincent producer and operators wish to test a light formation which may be the Clear Fork, from which the No. 1 Allen is producing. Location is in the northeast corner of section 6-25, H&TC, Cosden-Coffield & Gutherie No. 2 Pauline Allen, diagonal northwest offset to the discovery well and in section 57-20, LaVaca, was milling up junk in an effort to recover tools at 4,235 feet. Three miles to the north in southeastern Borden county, the Cosden No. 1 Eta Conrad, a deepened test, was at 4,320 feet with no shows.

Coffield & Gutherie No. 1 Guffey, in the southwestern corner of section 58-20, LaVaca, had recovered tools and drilled ahead to 3,734 feet in lime. Further to the east in Mitchell county, the Mel Richards No. 1 Erwin was reported below 4,000 feet without shows but with prospects of being deepened. It is in the northwest corner of section 1-25, H&TC. East of this the Coffield and Gutherie No. 1 R. L. Solomon was at 3,970 feet in brown lime. Location is in section 71-97, H&TC.

Eastern Howard county reported no developments other than the cleaning out of the Cosden No. 2 Willard Read, section 48-30-1n, T&P, in the new Read Pool.

### TESTS COMPLETED

WASHINGTON, Oct. 16 (AP)—The navy's M-1 blimp, largest non-rigid airship, has completed its first test flights lasting five hours, the navy announced today, but no performance results are being released.

### Here 'n There

Bill Conrad Long is here on furlough from the San Diego marine recruiting base for a visit with his parents, Mr. and Mrs. C. C. Long of Coahoma.

Pvt. Jack McDaniel, who is assigned to an engineering school at Texas Tech in Lubbock by the army, is visiting his parents, Mr. and Mrs. B. J. McDaniel, this weekend.

Mrs. Harvey Rix and daughter, Mrs. Chester Matheny, have returned from Lubbock where they spent the past week.

F. P. Stevenson, formerly of Snyder, has been added to the city fire department staff, but City Manager B. J. McDaniel said that Fire Chief H. V. Crocker, who succeeded O. D. Cordill, was still short a couple of men. In reorganization of the department, Bob Fields and A. D. Meador have been named crew captains. Stevenson has been serving as a fireman at the Big Spring Bomber school.

There will be a meeting of the executive board of the chamber of commerce Monday noon, it was announced Saturday by Willard Sullivan, chamber manager. Nature of the parley was not disclosed.

Firemen at least were getting some exercise, for they had two minor calls for Friday and Saturday. Both were automobile fires and in each instance the blaze was quickly extinguished. The one Friday was near the Texas hotel and involved a truck. Saturday afternoon a car caught fire near Hodges Grocery.

**What You Buy With WAR BONDS**

Arctic Transportation

Special training is given picked troops for operation in cold climates and arctic weather. Use of skis for snow transportation is included in this training. Wherever the battle front is, our men are trained for the job. Skis for the army cost \$18.00 per pair.

Your purchase of Government Bonds is your insurance policy for the peace to come. You are lending your money to provide all necessary equipment for our fighting men in every branch of service. They must have the best. They give their lives—You lend your money.

### Jury Rules That Man Is Insane

Five divorce cases and a sanity trial kept the 70th district court busy Saturday.

E. A. Hart was found to be insane by a jury after he was tried on this point pending pressing of forgery charges against him in Martin county. In all probability, the criminal charges will be dropped and Hart committed to an institution.

Judge Collings heard the case of May Morris versus Robert L. Morris and granted the plaintiff a divorce. H. M. Howell was given a divorce from Alma Howell, but custody of a minor child went to the defendant.

Rupert B. Ricker was granted a divorce from Rube Rattan Ricker, who was given custody of two minor children. Plaintiff agreed to pay \$50 per month toward support and education of the children. A property settlement was reached, according to the judgment.

Beulah Gallagher was granted a divorce from Earl Gallagher and given custody of four minor children. The defendant was ordered to pay \$50 a month toward their support. Olive Daniel was granted a divorce from Frank Daniel and gained custody of five minor children. The defendant was ordered to pay \$15 monthly toward support of the children.

Texas Must Protect Its Oil Resources

The present trends in the petroleum picture as they affect Texas, whose economy is inextricably bound up with oil, should be a matter of gravest concern to all Texans...

and that reckless and wasteful overexploitation of our oil resources can be halted. What is said of crude applies to natural gas. There is not a lick of Texas furnishing cheap fuel to the industrial East...

GI's Dads Fought Bloody Battle 25 Years Ago

By ALEXANDER R. GEORGE (P) Feature Writer WASHINGTON — Twenty-five years ago this month, many fathers—and a few grandfathers—of the boys who are now "over there" fought the biggest and bloodiest battle in U. S. history...

Oil Production Hike Certified For Texas

AUSTIN, Oct. 16 (AP)—Railroad Commission Chairman Beauford Jester was informed today that the Petroleum Administration for War had certified Texas production of 2,004,000 barrels of all petroleum liquids daily in November, an increase of 5,000 barrels over this month.

Jester said PAW had specified that the additional 5,000 barrels come from Tom O'Connor field, Refugio county.

### LEGAL NOTICE

#### CITATION BY PUBLICATION TO KATIE MAE FULCHER, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of November, A.D. 1943, at or before 10 o'clock A. M., before the Honorable District Court of Howard County, at the Court House in Big Spring, Texas.

Said plaintiff's petition was filed on the 15th day of October, 1943. The file number of said suit being No. 4929. The names of the parties are said suit are: WALTER T. FULCHER, as Plaintiff, and KATIE MAE FULCHER as Defendant.

The nature of said suit being substantially as follows, to wit: For a divorce, alleging bona fide inhabitancy in Texas for a year and a resident in Howard County for more than six months next preceding the filing of the case, on the part of the plaintiff and that the parties were married February 6, 1941, and that the plaintiff quit the defendant in August, 1943, with the intentions of never living with her again for the reason that her course of conduct was of such a cruel nature as to render his living with her further unbearable and insupportable, the plaintiff praying for a judgment dissolving the bonds of matrimony.

Issued this 15th day of October, 1943. Given under my hand and seal of said Court, at office in Big Spring, Texas, this 15th day of October, A.D. 1943.

Geo. C. CHOATE, Clerk, District Court, Howard County, Texas.

### Huge Production Of Transport Planes

NEW YORK, Oct. 16 (AP)—The Curtiss-Wright corporation announced today that it and Higgins Aircraft, Inc., had begun production of transport airplanes for the U. S. air forces on the largest scale ever undertaken.

The monthly production schedules established for the project were a military secret, but B. S. Wright, Curtiss-Wright vice president, in a war department approved announcement, said that schedules called for a total of planes far greater than for any other transport type.

The plane elected for the project was the giant Curtiss (C-46) Commando, largest twin-engine cargo aircraft type in use, Wright said.

AUSTIN, Oct. 16 (AP)—Judge J. A. Foley of Amarillo took the oath of office as a member of the Texas supreme court's commission of appeals in a ceremony here today.

Foley had been an associate justice of the seventh court of civil appeals at Amarillo since 1937. Before that he served as district judge at Floydada.

Takes Oath As Member Of Appeals Board

By Lichty

"Buskirk! I'm shocked! If you had ASKED us for the \$50,000, we'd certainly have given it to you!"

### STORY

(Continued from Page 12)

to bring his ration book if I'd invite him." She paused, hoping Jane would say something, then: "What's happened, Jane?" "Nothing. I'd rather not talk about Brad, if you don't mind." "Of course, dear." Lucinda poured herself another glass of milk.

They cleared away the dishes together and Jane went upstairs to change into a navy blue jersey frock her aunt had so thoughtfully packed into the suitcase Uncle Ed had taken to the office for Lucinda to bring home. Lucinda came in before she had finished dressing.

"Jane, would you run to the drug store for me? I'm getting one of my headaches and I don't have an aspirin in the house."

"Of course. I'll be back in a jiffy."

Jane finished dressing and went downstairs. Lucinda did look tired, she decided. Poor dear, she should slow down. She wasn't young any more and her job was a difficult one.

But Jane, had she seen Lucinda when the door closed, would have decided the tiredness was an act. Lucinda looked after her and smiled knowingly.

There was no drug store nearer than Sixth and Madison. Jane turned her collar up against the biting wind and started the five-

block hike. It was a good wind, she decided, feeling the mental cobwebs beginning to take flight. Stars were winking at her, their brightness vying with the artificial light of the street-lamps and the Neon signs. "Upstairs it's beautiful, Jane," Joe Masters had written in that last letter from Java. "The stars are like big candles, just out of reach, lighting your way home. There's nothing like it when your plane is purring like a kitten on an Indiana farm and you're thinking of home."

Jane smiled. Funny how those words were engraved on her heart. She could repeat every line of that last letter. "An Indiana farm," he had said. Jane remembered the times they had talked of going back to that farm, where Joe would settle down for a year to write the book he'd been dreaming of.

A far cry from tonight. Jane bit back the sob that struggled in her throat.

The drug store was crowded. High school boys and girls were dancing on the tiny dance floor that was sandwiched between the tables. Jane pushed her way over to the drug counter and gave her order. The record ended and somebody slipped another nickel in the juke box. Jane paid the clerk, dropped the box of aspirin in her purse, and fled.

Brad was weighing himself on the penny scales on the sidewalk. Jane drew back momentarily, then went on.

"Hi, Janey," he greeted, turning as though he knew she was standing in the door. "My car." He gestured toward a coupe at the curb.

Jane got in without a word. She didn't want to make a scene. Neither of them talked much. Finally, after the car had crossed the river almost 10 miles from Centralia, Jane said:

"Don't you think you'd better explain, Brad?"

"Why I brought you out here, you mean?" he asked, and she nodded. "Are you afraid, Jane?"

"No," she said.

Brad laughed. "That should be a point in my favor," he remarked. "You're going to listen to me now, Jane. You have to. It's 10 miles back to town."

"Yes," Jane agreed. "Out here you can make me listen, can't you?"

To be continued.

It's YOU, not heaven, that protects our hard-working girls today. War's doubled their work... and many of them are new at their jobs.

But whether they're new or whether they're old faithfuls, every one of our salesgirls is doing her best to serve you efficiently, quickly and well.

Here's how you can help them to help you:

- \* by remembering that they're as rushed as you are
- \* by buying with care to avoid unnecessary exchanges
- \* by being as considerate of them as they try to be of you
- \* by deciding, before you shop, the type of merchandise you want

Whatever you want... whether it's big or small... low-priced or high-priced... you'll find the finest names in the country right here in our store... dependable, long-loved names like Printzess, which for half a century has been the mark of fine tailoring in coats and suits.

For we believe now, as always, that quality wins friends, keeps friends. Today particularly, we are determined to bring you merchandise in which we trust... merchandise that will carry you proudly through the war.

tion to kill more Japs "and win the Congressional medal," and to stow away as much ice cream as possible. "You dream about the stuff out there," he said.

"And he's not kidding," another Marine put in. "When he says he'll win the Congressional, he means it—and he will."

Four original raiders of Makin are playing roles in the picture—Master Technical Sergeant Robert Marks of Boston, Technical Sergeant Charles Sewell of Glendale, Calif., Platoon Sergeant Sam Brown, and Corporal William Dickerson of Austin, Tex. But the role of "Transport" is being played by actor Sam Levene.

Levene, along with the other actors, comes in for kidding from the Marines, who call them "Ice Box Raiders."

Sicily is 90 miles from Africa, two from Europe.

### Expecting a Baby?

Mother's Friend helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an extremely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy... It helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use.

**Mother's Friend**  
Highly praised by users, many doctors and nurses. Just ask any druggist for Mother's Friend—the skin lubricant. Try it tonight.

### Laborers Needed In Essential Industry

Fully 50 laborers are needed urgently in essential industries in Big Spring, the US Employment Service reported Saturday.

In addition to the strictly labor class, there were calls for chainmen, window cleaners (men or women), dish washers, sewers, truck drivers, surveyors, routemen, mechanics, yardmen, cooks, hospital attendants, tractor mechanics, funeral attendants and bakers.

Perching birds are the largest avian order, including half of all the bird species.

### Texan Is Granted A Ten-Day Reprieve

BOISE, Idaho, Oct. 16 (AP)—Tobie S. Davison, former Borger, Tex., city councilman, was freed on a 10-day reprieve today from the Idaho penitentiary, where he is serving a 10-year sentence for voluntary manslaughter.

The reprieve was signed by Gov. C. A. Bottolfsen, who said members of the pardon board and Warden Sam Porsch approved the action to permit Davison "to say goodbye to his son who is leaving for San Diego to undergo training as a member of the U. S. Navy."

Only the male of the scarlet tanager is red, the female is olive.

### County Home Agent At Midland Parley

County Home Demonstration Agent Rhea Merle Boyles participated in a conference of agents Friday at Midland when Mrs. Helen Swift, Texas A.&M. extension service organization specialist, and Myrtle Murray, home industry specialist, talked over marketing problems. Miss Murray analyzed the problem of selling farm produced goods both from the consumer and producer angles. Mrs. Swift explained how such a program might be organized and also talked on general organization matters.

### GRANDMA KNEW ABOUT COLDS

She used mutton suet she medicated, to relieve cold-coughing, muscle aches. Mothers today simply rub on Penetro. Modern medication in base containing old reliable mutton suet. Relieves such colds distress. 25c. Doublesupply 35c. Get Penetro.

Your dollars still go a long way...

### AT PENNEY'S

It's patriotic and wise, nowadays, to save money every way you can—to save and put your savings into War Bonds! Save by making everything last longer. Save by not buying useless and trivial things. Save, too, by shopping regularly at your J. C. Penney store for things you really need!

The less you buy the more you need Penney values.

Penney's still offers, as it always has, the highest quality merchandise that can be had, at the lowest possible prices.

You don't pay for costly extras, for frills, or "front" at Penney's.

And there's another thing about Penney's that's a big help in this wartime year.

The folks who work at your Penney store are people who know this town and its wants and needs. Their chief concern is to help stretch your budget and to see that you get merchandise that will serve you and suit you well.

It pays big dividends to shop at Penney's.
