

Local Residents Getting Govt. Checks

How large a role does Washington play in the financial affairs of Hansford County residents?

How much of their personal income is derived directly or indirectly from Federal sources via Civilian pensions, veterans benefits, unemployment insurance, food stamps, disability and medical insurance, welfare, general public assistance and the like?

Locally, as in other communities across the country, the Government's input in this direction has been growing by leaps and bounds in recent years.

According to the latest statistics, a far greater proportion of local income than ever before comes in the form of such "transfer payments," which are described as non-paycheck money.

In Hansford County, it is estimated, based upon a breakdown of statewide figures, about 11 cents out of each dollar of income received by the local population consists of these transfer payments.

The largest part of it comes as retirement and disability benefits, including old age and veterans pensions. They account for some 64 percent of the transfer money.

Public assistance, with food stamps and other relief, is another major category. It produces 10 percent.

Another big contributor is unemployment insurance, which provides 4 percent of the total. This category has grown more rapidly than most because of the large number of people who have been out of work.

The facts and figures, broken

down on a state-by-state basis, were compiled by the Bureau of Economic Analysis in Washington.

Throughout the State of Texas as a whole, they show, transfer payments have jumped from \$1,707,000,000 to \$7,761,000,000 in a period of ten years. It is an increase of 355 percent.

Elsewhere in the United States, by way of comparison, the increase in that period was 335 percent.

This non-paycheck money, which is not involved in the production of goods and services, now totals more than \$190 billion a year, according to the official figures. It is equivalent to 15 percent of all personal income received per year in the nation.

Hospital News

Patients in Hansford Hospital are Mary Lou Anchondo, Dewey Ball, Donita Lusby and daughter, Vicki Jackson and daughter, Sandra Harper and son, Ruth Skinner, Betty Witt, Wright Hale, Jack McCullough, Angela Gaither, and Donna Benart and son.

Dismissed were Brenda Glassey, Milton Brown, Willard Anderson, Luke Ayres, Mary Howard, Pearl Cluck and Ella Parks.

Markets

Wheat	\$2.18
Corn	\$1.76
Milo	\$2.75

That's a lot of Corn!

Ray Spann and grandson Mitchael Smith started cutting some of the corn they had raised this week. They used Funk G-4507 seed and produced a tremendous crop. Cutting yielded 231 1/2 bushels per acre with a moisture content of 22%. Dried this yield would fall somewhere around 208 bushels to the acre. (The county average is 87) Shown above are Charlie Higgins, custom cutter; Ray Spann, Jim Kuykendall, County Extension Agent; and Mitchael Smith.

Annual Mexican Dinner Slated

The Sacred Heart Church will sponsor their annual Mexican Dinner October 23 from 12 noon to 5:00 p.m.

Tickets are to be sold \$2.75, adults; \$1.50 children's; and under six years of age, free. It will be held at the Sacred Heart Parish Hall. Everyone is invited to come!

W.I.F.E. Members Go To Gaines County

Three Spearman W.I.F.E. members traveled to Seminole in Gaines County for an organizational meeting for another W.I.F.E. Chapter. Mrs. Georgia Ellis who pilots her own plane flew to Gruver to pick up the W.I.F.E. members and returned them the same day.

The main crop in Gaines County is cotton and the farmers there are concerned with the recent drop in the price they will receive for their cotton. The women of Gaines County have already made one trip to Washington, D.C. to lobby against

the cotton import section of the farm bill. Wheat and Milo are also crops grown in Gaines County.

Members making the flight on Saturday, September 24th were: Ginger Turner, Karen Kirk, and Earlyne Gee.

W.I.F.E. members will be making trips to W.I.F.E. meetings in Tulsa, Groom, Amarillo, Dumas and Boise City, Oklahoma to help organize chapters to promote economic prosperity in agriculture.

Commissioners court has busy meeting!

Judge Lee informed the newspapers this week that they had a rather busy meeting Monday. First the minutes of the last meeting were approved and bills paid. The court approved the purchase of a new John Deere lawn-type tractor. Public weigh bonds were approved for Rosemary McKee and Mary King of Gruver. The court

approved a request by General Telephone Company to lay cable across Old Hansford Heights. The cable will be 2000 feet North of the Gruver-Spearman highway, on the Blodgett-Harris property.

All members of the court were present along with Judge Lee at the regular meeting in Spearman Monday.

LIGHT RAIN FALLING in Spearman Wednesday morning as we go to press.

Poison Pen Predicts

The Lynx will make the big trip to Shamrock this week and will have no trouble handling the Irish. Our neighboring Greyhounds will be open this week.

Beck's Rangers will host Guyton in Perryton. Our I-AAA neighbors will prevail.

Dalhart hosts Tucumcari Friday night. The Wolves will win.

Panhandle will drop another one to Vega in front of a home crowd and River Road will travel to Lockney looking for their first victory. They will still be looking for that victory when they return home.

Canadian will experience third third loss of the season Friday night when they host Wellington.

Number one Michigan will defeat number six Texas A&M Saturday and Texas Tech will win out over North Carolina.

The Longhorns will beat Rice and SMU will be outclassed by Ohio State.

WTSU will accomplish their first victory of the season beating Texas at Arlington.

Baylor will drop another one to Houston, and Arkansas will be too strong for TCU.

The Cowboys will not have much trouble with Tampa Bay.

District 1-A conference competition begins this week. Phillips will go to Stratford and come home with their first conference win. Stinnett will travel to Sanford-Fritch and return home the winner. Sunray will host White Deer at home and should have no trouble winning their first district game.

"So bring all these treasures out, let others see and enjoy them with you—you'll be surprised how much Hansford County and the surrounding area has to offer and show."

"Again, the place is the library building and the time is always the first weekend in November. The date is November 5th and 6th, come out and join us in making this the biggest and best show yet."

"Watch this paper each week for more interesting news about the show."

THURSDAY, SEPTEMBER 29, 1977

Dogpatch, U.S.A. comes to Spearman

If Li'l Abner has his way, he'd rather do without Sadie Hawkins Day. However, the government's proposal is not quite what he or any other Dogpatch bachelor has in mind. At the emergency Cornpone meeting named for the Confederate General, Jubilation T. Cornpone, the citizens learn that Dogpatch has the dubious honor of being considered the most unnecessary spot in America. Consequently, it has been chosen for the relocation of America's atomic bomb tests. When Mamma, as part of Dogpatch's frantic effort to redeem itself, gives the scrawny government man a swig of Yokumberry tonic made from the Yokumberry bush, he sprouts into a one hundred per cent red-blooded perfect American specimen like Abner, who takes the tonic daily. Dogpatch is spared until the tonic can be evaluated, allowing the Sadie Hawkins Day Race to be rescheduled. Abner donates the tonic to the government, but Washington's other major power, General Bullmoose, is plotting with Dogpatch's notorious Evil Eye Fleagle to steal the formula. On the day of the race Fleagle's whammy allows Bullmoose's sultry secretary, Appassionata, to catch Abner. Now, according to the Code of the Hills, Abner's bachelor hours are numbered. Too late, he declares his love for Daisy Mae.

The cast members are: Stinson Gibner, Marrayin Sam; Twane Friemel, Earthquake McGoon; Elaine Reimer, Daisy Mae; Robin Denham, Pappy Yokum; Gerri Maize, Mamma Yokum; Todd Brock, Li'l Abner; Gary McCalman, Mayor Dawgmeat; Clifton Morrison, Senator Jack S. Phogbound; Kelly Davis, Dr. Rasmussen T. Finsdale; Rhonda Morrison, Government Man; James Pierce, Available Jones; Angela Lesly, Stupefytin Jones; Zane Newton, General

The musical "Li'l Abner" will be put on this year by the Spearman High School Drama class under the direction of Mrs. Becky Booth, (upper left hand corner), and the Choir under Mr. Travis Angel. Shown above the students are frantically making and painting props in hurried preparation for the play.

Bullmoose; Debbie Greene, Appassionata; Jay Comegys, Evil Eye Fleagle; Sherry Greene, Moonbeam McSwine; and many more.

Tickets in advance cost \$1.50 for students, and \$2.50 for adults.

At the door, tickets are \$2.00 for students and \$3.00 for

adults.

You may call for reserved tickets at 659-2584.

The play will be at 8:00 P.M., October 8.

Bob Close to speak

At W.I.F.E.'s regular meeting State Representative Bob Close will be the guest speaker. Bob Close served on the committee that drew up the amendments to the State Constitution which will be voted upon at the November 8 election this year. There has been a lot of controversy over these amendments and Representative Close will

try to explain them discussing the pros and cons. The meeting starts at 8:00 p.m., Tuesday, Oct. 4th and the public is invited to attend at the County Barn.

LYNX VS. IRISH
Kickoff time 8:00
at Shamrock Friday night.

Frosh to play here; 7th & 8th Grade away

Bill Hamilton's grid iron freshmen will host River Road here beginning at 5:00 p.m., Thursday.

Windy William's 8th Graders and Jim Bob Brown's 7th Graders will travel to River Road for this week's football contest. They will begin play there at 5:00 p.m., Thursday.

by Bob Fight

Awesome is a word that I've heard many times this week, following a spectacular display of strength, both offensively and defensively, by the Lynx last Friday night. I have a feeling that the big coach and his staff would have liked it better if that show of power has been saved for a later date, but after hearing how rough Stinnett was going to be, and after getting so high for the Rattlers and Homecoming I would guess that the boys just couldn't hold it back, and rightfully so. Questions have been raised all year concerning one phase or another of the Lynx's game, but Friday night's performance must have surely quelled those—at least for a while.

Half of the story (and a big half it was) was the plus side of that score: 41 points. Those points were put on the scoreboard with an offensive display that was most impressive to say the least. Total offense—293 yards rushing and 94 yard passing. Aggressive, balanced, explosive and powerful are just a few of the adjectives that could be used to describe that offensive effort. Sellers had 99 yards rushing and Newton had 97. Bodey also had a fair night with 41 yards in that department. Reid, Snider, Sherwood, Brown, and Boone also accumulated some yardage on the ground. In the passing department Sherwood and Reid both had good nights. Stan completed four of five attempts for 76 yards and Randy threw once, good for 16 yards. In the receiving department Newton pulled down a 45 yard TD toss, while Scot Martin caught two Sherwood passes for 25 yards, and Whitaker caught one for 16 yards with Jones also catching one for 6 yards.

The defense was the big half of the little end of that score allowing Stinnett 0 points. The Rattlers were held to a total of 101 yards. Eighty-five of those were on the ground but the surprising thing was the fact that the "Purple Gang" held Stinnett's heralded passer to a mere 8 yards in the air. He completed only one pass out of 9 tries. Their back-up quarterback completed one out of three for another 8 yards and that was

it. If you keep them from running and you keep them from completing passes; you keep them from scoring, and that's what Spearman's defense did, without ever letting up. My hat is off to those boys. That was one of the best defensive displays I have ever had the privilege to witness in any class of football. I have been picking on that pass defense for weeks but after Friday night I take it all back, but only on one condition—they keep doing it. With some strong offensive teams coming up they'll have to.

Looking down the line Spearman plays Shamrock this week. Shamrock (1-3-0) defeated Chilliote Friday night 19-6. Dalhart (3-1-0) coming off of a 20-3 win over Stratford will host Tucumcari, New Mexico this week. Boys Ranch (2-2-0) also coming off a 24-16 victory over Clarendon will be open. Panhandle (2-2-0) dropped one to Phillips 13-22. They will host Vega Friday night. River Road (0-3-0) will travel to Lockney still looking for their first victory after losing to Sanford-Fritch last Friday night 7-63. Canadian (2-2-0) beat White Deer 16-0 and will host Wellington.

In the area our neighboring 1-A Gruver Greyhounds (2-2-0) are still having their troubles this season with a 0-20 loss to Texhoma. Gruver will begin conference play this Friday night in one of the toughest Districts in the state. I wish the Hounds luck. On the other side of us our District 1-AAA neighbors in Perryton (4-0-0) are still rolling on; experiencing a good season so far. Beck and his Rangers dropped Caprock 39-8. Perryton will host Guyton this week. As far as the standings in 1-A and 1-AA are concerned I disagree with the experts.

The Show Must Go On

The following thoughts came to mind to Mrs. Alma Remy, publicity chairman, as she and other members of the Dahlia Club plan their annual arts, craft and antique show.

"I get real excited, whether it is just the time of year, I really do not know. Always to me, October is the most beautiful month of the year. I get the desire to travel, to roam over the countryside, to look and to see all the lovely things that happen in October."

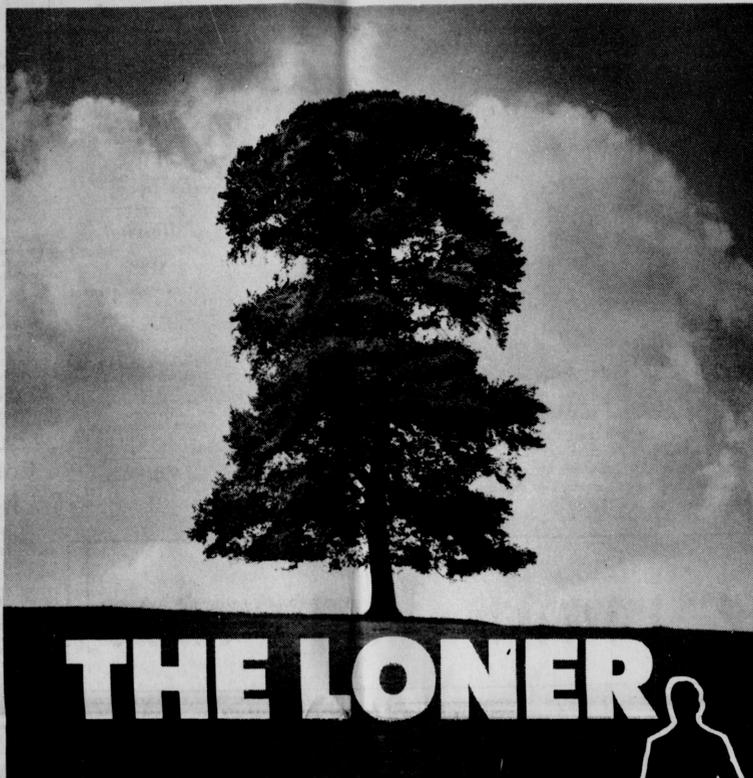

"All the wonderful colors, the yellows, reds, greens and browns of the foliage, the deep blue of the sky—October's Bright Blue Weather" indeed. It seems each flower tries to bloom its fullest and most beautiful during October in the last days before the frost arrives.

"What does this have to do with the Arts, Craft and Antique Show? I really don't know unless—it is a reminder of all the Hustle and Bustle of getting ready for this show, for there is much to be done by each member of the club before the first weekend in November which falls this year on November 5th and 6th. As before, this show will be held at the Library Building on Main Street in Spearman."

"There is always a question of 'what to show' and of getting others of the county and surrounding area, to show their many beautiful keepsakes, just the things they have, but never think of displaying at a show."

"WE, as a club, know there must be many such treasures, antiques, paintings, art, china, bed spreads, rugs, table covers, pillows and quilts are a few; fantastic polished rocks picked up in the Panhandle or elsewhere—all interesting to many people."

Gruver	068	053	2-2-0

White Deer	015	141	0-4-0

You wonder how it got there . . . a sapling far from the forest. And grew . . . alone, untended, little-noticed. And flourished to stand like a sentinel against the horizon.

Maybe a tree understands, as sometimes man does not, the secret of God. We are never alone!

What we need He has provided. What we are to become He has designed. The beauty and majesty and grace that can emanate from one object, one creature, He has envisioned and made real . . . for all to share.

There is no loner.

But when we feel alone, then, more than ever, we are drawn to God and His Church. In faith, in friendship with others who believe, in service to those who need our affection and care—we discover how deeply and satisfyingly we belong.

4-H Helps Youth Mature
 Activities in 4-H are not programs constructed to help youngsters pass the time, but to mold adults, emphasizes Peggy Marrs, county agent with the Texas Agricultural Extension Service. 4-H is the youth phase of Extension Service educational programs.
 In 4-H, working together for a common goal prepares today's young people for working relationships in the business world. These cooperative efforts also establish the brotherhood that many Americans are striving for all over the world, reminds Miss Marrs.
 The challenges 4-H youngsters face give them a chance to place new ideas into the lives of their families and communities. 4-H'ers also learn through their experiences and gain wisdom that will benefit them in later years.
 Whether 4-H members are competing in food or livestock shows, method demonstrations, or county fairs, they are working toward the maturity they find in their adult leaders and county Extension agents.
 To start the journey that can lead to fun-filled as well as rewarding experiences, contact the county Extension office to learn all about the 4-H program, adds Miss Marrs.
 Extension programs are open to all youth between the age of 9 and 19 without regard to race, color, socio-economic levels, sex or religion. 4-H Community Club meetings are held once each month on the second Tuesday of the month at the Gruver County Barn and on the second Thursday of the month at the Spearman County Barn.

Our Heritage of Faith

notes from Faith Lutheran Church
 The Luther League will be meeting after church on Sunday, October 2, for their monthly meeting. John Reneau has the lesson and Ann Ward is in charge of the refreshments for this meeting. One of the things to be decided upon is who will be attending the Panhandle Luther League Fall Rally in Amarillo on October 16. Anyone in Junior High or High School is welcome to attend Faith's Luther League meetings.
 Another ALC Panhandle Conference event, to take place in Lubbock, Texas on October 8, is a workshop for the women and music leaders of the church. The topic of this workshop will be on "Worship". The Bible study topics for the Faith Lutheran Church Women will be centering on "Worship" in 1978. The Fall of 1978 will also mark the issuing of a new Lutheran Book of Worship, and some of the material to be included in this new hymnal will be sampled at the Conference. So this Conference Workshop promises to be a very helpful and exciting event for all who decide to attend.
 The Lutheran Church continues to put a good deal of emphasis on its worship life as it always has in the past. We seek to combine the contemporary with the traditional in our worship in a way that is understandable and meaningful to us and which gives glory and honor to God. But the greatest act of worship is to hear God's Word, to believe and trust in it, and to live according to it. If you have no regular home of worship we invite you to come to Faith. Come, hear God's Word, and worship with us.

Corpus Christi Ceremony Unites Couple

The San Sebastian Room of the Emerald Beach Holiday Inn in Corpus Christi was the setting Sept. 3 for a double ring ceremony uniting in marriage

Miss Sally Jean Burdett and Johnny Lynn Neff. Officiating at the 10 a. m. ceremony was the groom's cousin, Rev. James Neff of Waco.

Parents of the couple are Mr. and Mrs. J. V. Burdett Jr. of 1011 North 20th, Lamesa and Mr. and Mrs. Noble Neff of McAdoo, and granddaughter of Mr. and Mrs. W. L. Russell of Spearman.

Yows were exchanged beneath an archway overlooking the ocean. Two columns centered with baskets of fern and yellow satin bows entwined in the greenery and fern complemented the setting.

Given in marriage by her father, the bride wore a street length dress of white eyelid embroidery. A deep ruffle formed the neckline and tapered below the waist in the back and tied with white satin bows on each shoulder. The full gathered skirt hung from an empire waistline with a wide gathered ruffle at the hemline. A white lace straw picture that completed her attire. She carried a bouquet of rosebuds, daisies, stephanotis and miniature mums.

For something old, the bride wore a ring belonging to her mother; something new was her wedding dress; something borrowed was a handkerchief from her grand-mother; something blue was a blue garter; and she wore a sixpence in her shoe.

RECEPTION Immediately following the ceremony, a brunch was held in the San Sebastian Room with the sister of the groom, Mrs. Joe Nalley, registering the guests.

The bride's table held the tiered wedding cake which was separated by columns and decorated with fresh flowers. Silver candelabra holding white tapers stood at each side. Coffee and punch were served from silver appointments.

Mrs. Bob Vighini, cousin of the bride, and Mrs. Travis Harkins, sister of the groom, presided at the serving table.

The bride, a 1972 graduate of Lamesa High School, attended Texas Tech University and received her B.S. degree from Southwest Texas State University in 1976.

Her husband is a 1971 graduate of McAdoo High School and attended Western Texas College. He received his B.S. degree from Southwest Texas State University in 1976 and is currently employed with Smith Industry Inc. in Corpus Christi.

After a short wedding trip to San Antonio, the couple will reside in Corpus Christi.

Crop Care

Tim Assiter

CHEMICALS DISSATISFACTION

As you harvested your crops this season, many of you said a little prayer for your herbicide and laid it to rest for ever after. I'll be the first to admit the herbicides had their problems.

As an applicator, it also has been a typical year. The chemicals we expect to work best didn't. The one we are not too sure of produces a clean field. Why? No one has a sure answer.

Herbicides are going to play an important role in economics for the coming crops. The herbicide chosen will determine the extent nutrients and water that will be taken away from your crop. Control also determines the number of cultivations.

It may be beneficial to check your field now before you plant down or burn to identify your major pest problems. This winter we will try to set up a panel discussion with some of the chemical representatives and try to get some answers on what has worked and what hasn't.

Spearman Athlete Playing For PSU

Jimmy Kenney, a graduate of Spearman High School is a member of the 1977 Panhandle State University football squad. Jimmy has been moved to an offensive guard, having played tackle in high school. The 6'1", 205 lb. freshman shows a lot of promise as a college football player.

He was All-District his junior and senior year in high school. Jimmy is the son of Mr. and Mrs. James Kenny of Spearman. James is a former Panhandle State University football player.

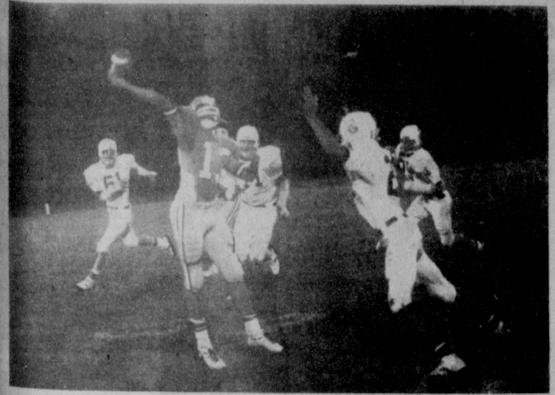

Sherwood Says

Our offensive line blocked extremely well as did our backs, firing off the ball and winning the battle at the line of scrimmage. We had exceptional blocking from fullback Mike Bodey, end Jim Jones, tackle Twaine Friemel, guard John Reneau, end Johnny Kenney, Zane Newton and Scot Martin also blocked well.

Our defense did an excellent job with outstanding efforts from Trevino, Friemel, Miesner, Ortega, Newton, and Reid. Actually it was just one outstanding team effort.

We need to continue to improve as a football team and hope that we can play as well against Shamrock.

Scott Sherwood, surrounded by Stinnett defenders, shows great form and poise as he throws this TD strike to Zane Newton in the end zone for six points. The Lynx's passing and rushing destroyed the Rattlers' defense while the Lynx's defense completely shut out Stinnett.

GAME NUMBER FIVE

I n Homecoming seventy-seven,
N o forecasters would tell;
D eafening those Rattlers,
O ur Bunch did quite well.
C oach Sherwood was honored,
T he one hundredth victory;
R eserved and quite humble,
I t is his Lynx he wants you to see,
N umber five is on the road,
A gainst the Irish in Shamrock;
T he Angry Purple will be there,
E nergized by eight o'clock.

T he winning fever is contagious,
H ear the Irish are coming back;
E xecute and enjoy,

I rish stew for a late snack,
R epress the ho-hums,
I n still the winning way;
S pearman Lynx good luck,
H ead for the top to stay.

How does a parent feel?

Mrs. Calvin Bodey

EDITOR'S NOTE: We thought it would be interesting to interview some football parents to put their comments down here and let you compare your thoughts with theirs if you're a football parent, or let you see what football parents have to say if you're not.

Calvin and Linda Bodey have three boys who are presently playing football here in Spearman, and another, Calvin 19 a sophomore at WTSU who played for the Lynx. Mike Bodey is 17, Chris is 15, and Carey is 14. Mr. Bodey is a gager for Shamrock and Linda is the District Court Coordinator here. In our interview with Mrs. Bodey we learned quite a lot about the feminine outlook on sports.

She told us that she felt the sports programs in the school system were important. In her opinion sports participation teaches student how to compete, which prepares them for later life in the world where a person finds himself competing every day. She also feels that the players learn how to win -- as opposed to learning how to lose. Everyone the student comes into contact with at school is constantly trying to teach the student how to lose, but sports activities teach the student how to cope with winning. And even though few people realize it, winning can create some prob-

lems for a young adult, and that's not to say that winning is the most important thing an athlete learns from sports, it's just one of them.

When questioned about how Mr. Bodey reacted to the boy's participation in football, Linda answered that he wasn't pushy. Every father probably wants his child to be great, but Calvin Bodey patiently supports his boys in any way possible without influencing them with his desires.

When we asked Mrs. Bodey how she dealt with the ever-present possibility of injury to one of her sons during this contact sport she replied immediately. She said that the possibility of being injured was always there no matter what a person did and that her sons' playing football in school is no different to her than their driving the family automobile or anything else, and that's not to say that she didn't worry about her sons when they were doing anything. Her worries about their playing ball are no greater. She added very quickly that like most any woman she worries about any member of her family when that member isn't in her sight and that's typical of a mother. Mrs. Bodey also mentioned that the players were provided with the best protective equipment available by the school.

She added that she thought

an athletic program was a great asset to any academic program stressing that the very fact of eligibility provided an incentive to the student-athlete compelling him to strive for the grades that it takes to remain eligible, and keeping him in school. She felt that all of these things together combine to make a well rounded person out of the athlete-student.

With three boys at home and her husband (no girls) Mrs. Bodey said she thought she was living in a boys dream sometimes. When we queried Mrs. Bodey about how much television football was watched at her home with so many men about she immediately informed us that there was always some kind of sport on TV and that it didn't necessarily have to be football. If a sport was on some one in the family wanted to watch it. We asked her what she did when all this sporting activity occupied the television. She told us that she watches what she wants of it, and when she tires of that, she gets a good book and reads -- something she enjoys very much.

Our last question to Linda Bodey brought an interesting reply. We asked her how actively she participated in sports. She shrugged her shoulders and gave us that warming smile of hers and remarked, "I didn't. I didn't really have time because I was too busy chasing the athletes." The smile vanished for a quizzical second and then she added, "Like Calvin. He was a tremendous athlete." That's where we concluded our interview with Mrs. Bodey.

FHA Officers Attend Workshop

Six officers of the Senior Chapter of Spearman High School FHA attended a conference in Canadian Tuesday from 4:30 - 7:00 P.M. at the Canadian High School. The purpose of the meeting was for officer training, and to acquaint the group with new projects and ideas for FHA. Schools from the surrounding area also attended with approximately 150 girls and boys present. Kayla Coffee, Area I Song and Recreation Vice President from Pampa was in charge of the meeting.

After registration, the group divided into three groups to discuss basics of FHA, the Encounter program, and leadership. Concluding the session reports were given from each group and some new songs were learned.

Attending from the Senior Chapter were Ronda Collins, Donna Goff, Carolyn Spears, Joyce Cummings, Connie Kiziar, Cristobal Vela, and sponsor Mrs. Frances Hudson.

The officers of Spearman little sister chapter of FHA attended a workshop in Canadian Tuesday evening, Sept. 20. Its purpose was to get the officers better acquainted with FHA and the officers they hold.

The Chairman of the area 1 meeting was Kayla Coffee of Pampa. The Spearman officers who attended were, Dawn Bridges, Lisa Thomas, Stacey Dewitt, Jennifer McLain, Kim Reed, Angela & Kathy West. They were accompanied by their advisor Mrs. Jan King.

Rites Held For William Carter

Services were held at 2 p.m. Monday at Calvary Baptist Church of Dumas for William Hall Carter who died Friday. The Rev. Jake Armstrong, pastor, officiated. Burial was in Dumas Cemetery by Morrison Funeral Directors.

Mr. Carter was born at Burk Burnett and was a resident of Morse before moving to Dumas. He was a carpenter and a member of the Bible Baptist Church.

Surviving are his widow, Mary; three daughters, Mrs. Barbara Dumas, Mrs. Bobbie Reid of Morse, and Mrs. Kay Baldwin of Rock Springs, Wyo.; a son, Alfred of Oklahoma; his mother, Mrs. Willie Mae Carter of Electric; four sisters, Mrs. Ruby McBrayer of Tyler, Mrs. Lillie Stout of Electric, Mrs. Annie Hornsby of Morse, and Mrs. Addie Scott of Wellington; three brothers, J.D. of Dumas, Clifton of Sadler, and Roland of Dennison; and 11 grandchildren.

Dianne McCoy Receives Nursing Cap

WTSU-Dianne McCoy, a nursing major at West Texas State University, one of the students to receive their nursing caps during the recent fall convocation in the WTSU Activities Center Ballroom.

State Representative Phil Cates of Pampa was guest speaker at the ceremony. Female nursing majors receive their caps during the beginning of their junior year while males receive a bar. When they become seniors, females receive maroon stripes on their caps while males receive an additional bar.

"Receiving caps means they've passed their first step in nursing. From this point on, they'll be involved more with clinical areas in the community and in the hospital areas," said Betty Henry, assistant professor of nursing at WTSU. Miss McCoy is the daughter of Mr. and Mrs. Thane McCoy of Morse.

Rodeo News

Halee Reed had a pretty good day in Pampa over the weekend at the Pampa High School Rodeo. Halee placed 4th in Break-away Roping and teamed up with Eva Holt from Gruver to finish 3rd in Team Roping.

Halee will participate in the Wheeler Rodeo this coming week-end in Break-away Roping, Goat Tying, and Barrel Racing. Good Luck Halee.

Last year he received the outstanding World History Award. Mark is active in the Youth Group at the Baptist Church. Zane Newton is the son of Fern and Ralph Newton. He is a Junior Representative of the Student Council, a member of FTA, FCA, Choir and is pre-

Rating?

GET YOU CONFUSED

The R rating on insulation simply stands for resistance to winter heat loss or summer heat gain. The higher the "R" rating, the more effective the insulation. Proper insulation is one of the best ways to save energy in your home. It will pay for itself in just a few years through winter heating and summer cooling savings. And, it will continue saving you money for years to come! There are many types and brands of good home insulation. One brand may be slightly thicker or thinner than another, but if both have the same "R" number, they will do the job equally well. When you purchase insulation for your home, here are the "R" number minimums you should look for:

- cattling - R-19 walls
- R-11 floor - R-7
- ceiling (insulating foundation)
- details on choosing the insulation best suited to your home, contact your building supply dealer or local insulation contractor.
