

Lynx will play Monday or Tuesday for hi Dist!

The Spearman Reporter

VOLUME 69, NO. 14

THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

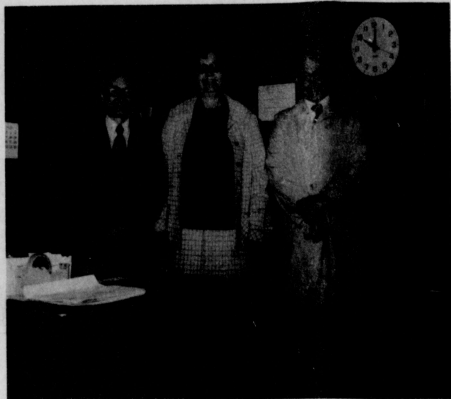

THURSDAY, FEBRUARY 16, 1978

Lynx teams win doubleheader here Tuesday nite: Play at Phillips Fri.

The Spearman Lynettes will play the Panhandle girls at Phillips Friday night at 7 p.m. The Lynettes won the 2nd half of the district at Spearman gymnasium Tuesday night, 46-29, behind the shooting of Greene, who garnered 20 big points on offense and played in the guard position when the Lynettes took a commanding lead. The girls took an early 14-4 lead in the first quarter and the game was never in doubt. It was, as usual, the defense that literally "stole the show" for the defending state champions! And the girls had only 4 turnovers the first half and 3 the last half. This was compared to 23 in their game with Dalhart the other night. Collier hit only one shot from the floor as the scoring leader for the Lynettes and was stopped by the sensational Panhandle freshman guard!

Collier did hit 5 out of 5 free throws, but only 3 counted as she jumped over the line one time and one of our girls went over the line on another free throw. Collier hit only one of seven from the floor for the evening. Keetch, five of eleven shots from the floor and 2 out of 2 free throws for the evening, for 12 points. Greene hit nine of fourteen from the floor and 2 of 2 from the free throw line for 20 big points. Clark hit one of three free throws and Shields was 100% from the floor hitting 2 of 2 and missing one free throw. Vernon was 100% from the free throw line as she hit four of four free throws. The

Lynettes took a commanding lead and put the ball in the "deep freeze" with 2-40 left in the game! The Lynettes guards were just sensational as Comegys, Gressett, Robinson, McAdams, Ware, and the entire Lynette team played well to win the right to play Panhandle at Phillips Friday night! The Spearman boys found a new star Friday night as Shields burned the nets for a big 19 points, followed by Barber with 16 and Newton with 18. Jones hit 4 points, making 2 of 7 from the field; Newton hit 8 of 17 from the field, 2 of 5 from the free throw line; Friemel hit 4 of 8 from the floor and one of 3 from the free throw line for 9 points; Reid hit 2 of 10 from the floor and missed his only free throw for 4 points. Barber hit 8 of 19 from the floor and did not receive any free throws. Martin hit one of six for 2 points from the floor. Poole was the most accurate shooter of the evening hitting 5 of 7 from the floor and all of his free throws for 12 points. Shield hit 9 of 15 from the floor, one of 4 free throws for 20 points. All of the Lynx played well and the Lynx won with a final score of 85-72. Coach Moore used all of his boys in the game, or it could have been a much higher score. The Spearman boys will probably play Henrietta at Childers Monday or Tuesday night for the bi-district championship game. But this is pure speculation at this stage of the game and we will know until Friday who and where the bi-district game will be played.

Happy occasion at the Morse Post Office Friday morning as Mrs. Mildred Lewis, center, was honored on becoming the Postmaster at Morse. At her left is former Morse Postmaster Litch Sparks now Stinnett's Postmaster and at her right, Spearman Postmaster Ray Robertson.

Verna Gail Keim Announces

Verna Gail Keim is announcing her candidacy for the office of Hansford County Treasurer. The daughter of Mrs. Garrett Allen and the late Mr. Allen, she has been a resident of Hansford County since she was a small child. She graduated from Spearman High School

and attended West Texas University.

Among the various organizations she has been active in are the following: Twentieth Century Club, the Hansford County Historical Survey Committee, the Spearman Study Club, the Jonquil Flower Club, and she presently serves on the administrative board of the United Methodist Church.

Presently, Mrs. Keim is a deputy in the County and District Clerk's office, and feels that her experience in county government has helped qualify her for the office she seeks.

Mrs. Keim has one son, Dr. Glenn W. Keim of Ashland, Virginia. Her daughter-in-law is the former Kyra Crum, and they have two children, Kyle and Kerry.

She asks for your support in the upcoming Primary election.

County Has \$11 Million Sales

It has been announced by State Comptroller Bob Bullock that gross sales in Texas for the third quarter of 1977 totaled \$41.4 billion, a 20 per cent increase over the same three-month period the previous year, and in the announcement made Wednesday, Feb. 8, Hansford County had gross sales of \$11,574,762 for that period of time.

On the state level, the sales totals for July, August and September bring the nine-month total for last year to \$118.6 billion. Gross sales for 1976 totaled \$142.4 billion, Bullock noted.

The third-quarter figures are based on reports filed by some 245,000 business outlets. In Hansford County, there are 155 reporting outlets.

"When gross sales for the fourth quarter of 1977 are tabulated, we expect the total sales for the year will show a substantial increase over 1976," Bullock said.

The figures are contained in two computer analyses released by Bullock's office. One breaks down gross sales by county and the other by Standard Metropolitan Statistical Area.

Harris County led the state in gross sales for the third quarter with a total of \$10.3 billion, up 20.2 per cent over the same period of 1976.

Wind Law

A wind erosion law is in force in Hansford County after official action taken following a public hearing on the matter Monday, Feb. 13, during the regular meeting of the Hansford County Commissioners Court in the Courthouse in Spearman.

Commissioners also authorized a clothing allowance for members of the sheriff's department, \$25 per month for each outside deputy.

The clothing allowance is effective this month, it was reported. Commissioners also authorized law enforcement education for three deputies who will each take six weeks of such schooling as required by the State. The courses will be taken at Amarillo College.

An employee for the County Clerk's office has been authorized and hired and Amelia Johnson, formerly city secretary, is to start work in the office of County Clerk Marie Gould Thursday, Feb. 16.

Commissioners also employed Mrs. Jo Ann Hawkins as secretary for the Hansford County Judge's office.

In other action, commissioners heard and accepted the reading of the minutes of the last meeting, received the treasurer's report for the quarter as well as the month of January and payment of bills for January as presented was authorized.

An agreement for a pipeline with Phillips Petroleum Co. in the northwest part of the county, it will involve crossings of Farm Road 1262 north and west of Gruver, was approved.

The Spearman Lynx, 1978 district 1-AA champions, coached by Ed Moore, will play the winner of the Henrietta-Seymour game. The Henrietta-Seymour game will be played Thursday night. The game will be played at Electra, we understand, and the winner will be the 1978 District 2-AA champion.

The play-off game between the Spearman Lynx and the 2-AA winner will probably be played this week-end, but some complications will arise, as it is quite possible that both the Lynx and Lynettes will be in play-off games. If the Lynettes defeat Panhandle Tuesday night, they must also prepare to play the Panhandle girls to see who represents the district.

The 2-AA girls district is in about the same "mess" as the 1-AA district. Henrietta and Olney girls are tied for the second half, and all of this will have to be determined from the Tuesday night results. As things now stand, the winner of the Spearman-Panhandle girls play-off will probably meet Olney next week. The boys must be decided, a week ahead of the girls this year, however, so next week will be a big week for the boys, with the bi-district winner being declared by Tuesday night, and the regional game will be played in Lubbock next week-end.

It is all very cloudy at this writing, but we will keep you informed as to where and when the play-offs will take place!

Board of Trustees

The Board of Trustees of the Spearman I.S.D. met in regular session February 13. The meeting consisted of two executive sessions and regular business.

Orville Latham announced that tax collections as of February 1, stand at 95 per cent as compared to a normal 96 to 96.5 per cent.

The board received a letter of appreciation from the Spearman Chamber of Commerce for use of school facilities for the annual chamber meeting in the January meeting.

Principals in the Spearman schools were hired for two year contracts as per recommendations made to the board in the January meeting.

Letter of resignation received from Athletic Director Greg Sherwood. Resignation accepted.

The board ordered a trustee election to be held April 1, 1978 to fill positions now held by Jim Davis and George Jackson.

An executive session was held to discuss principal's recommendations for staff hiring. Final action to be taken at the regular meeting in March.

Hansford County Tax Assessor-Tax Collector Helen Dry announced this week that representatives of her office will be in the LaCasita Room of the Gruver State Bank on Feb. 22 & 23 from 9 until 4 for the purpose of selling license tax renewals.

May Ann Lasater was hired to teach first grade for the remainder of the 1977-78 school year.

Larry Prather was hired as band director for the remainder of the 1977-78 school year.

The board then went into executive session to review those applications received thus far for Athletic Director and Head Football Coach and to develop a procedure for selection of same.

A screening committee of Mr. Cunningham, Mr. Clemmons and Mr. Robinson will screen the applicants and then recommend to the board those that merit additional consideration.

These individuals will then be interviewed by the Board of Trustees. It is expected that a new Athletic Director and Head Football Coach will be hired in early March.

Mr. Cunningham announced that open house in the Spearman Public Schools will be held on Thursday, March 9, as part of Texas Public Schools week, March 6-10.

Attending for Spearman Classroom Teachers were Terry Schneider and Dwayne Mitchell.

The Lynettes will play at Phillips 7 p. m. Friday nite

John R. Collard had Program!

John R. Collard, Jr., local insurance man, brought the program on estate planning at the Lions Club Tuesday night. The program was the "most interesting program" of the year for the Lions, and included a slide presentation of estate planning which featured the following subjects: Wills, trust agreements, partnership agreements, estate and inheritance taxes, income taxes, estate liquidity, retirement income, health insurance, investments, gifts and transfers, Keogh and IRA programs, pension plans and profit sharing, and Corporation vs. Sole Proprietorship.

The short presentation Tuesday was especially interesting to the men present, concerning estate and inheritance taxes. The need for a "WILL" was stressed by the men. This

newspaper urges every one of our readers to contact a lawyer and check on the latest 1978 laws concerning inheritance taxes, etc., but above all talk with a lawyer about your WILL! The program stressed the importance of having a WILL!

The club served pancakes at the ball game Tuesday night, and reported a great time, had by all.

WEATHER BULLETIN:

Snow began falling in Spearman at about 3 p.m. Tuesday and we received about 4 more inches of snow. The city road crews had the streets all cleared off as we arrived at work this morning and the county is bracing for another snow on Thursday of this week. This was beautiful this morning in Spearman with no wind at all.

Post Office Will Be Closed

The Spearman Post Office will be closed Monday, February 20, in observance of Washington's Birthday. There will be no deliveries on city or rural routes.

Lions Club says.....

Thanks to everyone who ate pancakes Tues. nite

Week Of Preaching Set At First Christian Church

FIRST CHRISTIAN CHURCH in Spearman extends an invitation to share in their Week of Preaching Feb. 19-23 with services each evening at 7:30 p.m. Rev. Charlie Patchen will be coming to lead this time of revival and renewal. He is Senior Minister at the First Christian Church, Fort Collins, Colo.

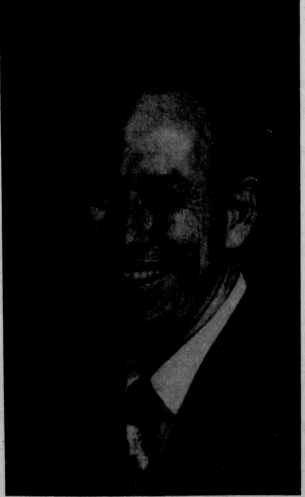

A native of Tulsa, Okla., Rev. Patchen graduated from Phillips University in Enid, Okla. in 1958 with a B.A. Degree. In 1961 he graduated from Bible College of the Bible, Texas Christian University in Fort Worth, with a B.D. Degree.

He has served as Chairman of the Department of Campus Ministry for the Central Rocky Mountain Region of Christian Churches (Disciples of Christ). He has been voted Outstanding Young Religious Leader by the Jaycees in Fort Collins. His activities include many community growth services, he has been very active in improving conditions among the Spanish American people in that area. He serves as Hospital Chaplain for the Poudre Valley Memorial Hospital.

Rev. Patchen and his family, Emily and their three sons and one daughter, recently returned from a Sabbatical leave during which time he worked on a Doctorate of Ministry at Fuller Theological Seminary in Pasadena, California.

The theme for this event will be "What Makes a Church Grow?"; titles for the five evenings will be Sunday: "Walking With Jesus" Monday: "Abiding In His Word" Tuesday: "Obeying His Call" Wednesday: "Forgiving As He Forgave" Thursday: "Steadfast In Prayer"

An invitation is given to everyone to come to the Fellowship Supper on Sunday evening at 5:30 p.m., Feb. 19, and then to the Worship Service at 7:30 p.m. Each evening will begin

REV. CHARLES A. PATCHEN

Paulson To Speak On Parity

Arnold Paulson, president of NORM (National Organization for Parity Economics) will speak on parity economics and what it means to you Monday evening, 7:30 p.m. Feb. 20 at the Civic Center Auditorium in Amarillo. There is no admission charge and American Agriculture invites everyone to attend.

With singing, followed by a message by Rev. Patchen. A fellowship time will follow the services.

Ladies Plan Stew Dinner

The public is cordially invited to eat stew and fixings with the ladies of the Sacred Heart Women's Guild on Sunday, February 26 in the Parish Hall from 12 to 5 p.m.

Prices are \$3.00 and \$2.00 for children under 10 years of age.

Hospital News

Patients in Hansford Hospital are Anna Gonzales, Jim Burkham, Olivia Renteria and son, Angle Lomeli and son, Mary Arnold, Jerry Floyd, Phyllis Bennett and son, Dennis Harnad, Denise Burnett and son, Christine Babitzke, Linda Jensen and John Longley.

Dismissed were Sarah Norton, Brandy Johnson, Patty Hudson and son, Duane Fuller, Margaret Hamish, Homer Flowers, Carolyn Babitzke, De Jackson, Selina Benton and Donna Thomas.

Markets

WHEAT	\$2.52
MILO	\$3.20
CORN	\$2.14
SOYBEANS	\$8.00 cwt

YMCA Benefit Game Planned

COME ONE COME ALL to the Battle of the Badges, Feb. 23 at 7:30 p.m. at the Varsity Gym for the YMCA Benefit Basketball game between the Hansford County Employees and the Hansford City Employees. There will be special entertainment during the breaks, and lots and lots of good homemade pies, cakes, brownies, and much more. So come have some fun while helping get your YMCA founded.

The Lynx may play at Childress on Monday or Tues.

Burch Tyson Services

Services are pending with Blackwell-Stevens Memorial Chapel in Amarillo for Burch Tyson, 69, of 3504 Lamar in Amarillo who died Monday.

Tyson was a native of Hansford County and was a retired hardware store owner, a Shriner, a Mason, and a deacon of the First Baptist Church.

The Tyson's owned and operated a hardware store in Spearman in the early 1950's. Survivors include his wife, Alice; a son, Milton of Amarillo; three grandchildren, and three great-grandchildren.

KIM BROCK, puts the finishing touches to the snow on the sidewalks in front of the Brock Ins. Agency in Spearman this week. This morning Kim and the rest of us have a new 4 inch layer of snow on the sidewalks! With more predicted for Thursday night!

Teaching Seminar Announced

I was in the USAF. My career in the Air Force was thrilling, but God believed that I would listen to Him and follow Him. I could never really "leave" God. He did not ever "leave" me either.

In England I began to have a dream. I would leave the stag bar at the Officers Club, go home late, and have that dream about me being in combat in North Viet Nam. I had this same dream seven times. Two years later, I went to Viet Nam. Several months later, I FLEW THAT VERY MISSION... down to the smallest detail! Now, I knew for sure that there was more to the God-Hugh Smith relationship than I had realized was available. I was not at all sure that I wanted to "give up" the Friday nights at the stag bar with other fighter pilots to get it thought. After seven years in the US Air Force, I resigned my Commission. I was no longer satisfied. The "thrill" was gone. There simply HAD to be more to life for ME than I had seen up to this point.

Once again with singleness of mind I set out to do something. I decided to be an airline pilot, and I became one. I found no satisfying relationship there with God... and no happiness. Something was missing...not quite complete. When the recession came in 1970, I was furloughed from Braniff and decided that I would go to medical school. Again, God prospered my efforts. The necessary doors were wide open. I made the decision to either attend medical school, or go back to work for Braniff; whichever opportunity came first. Things were working for me, but I sure was having to "push" to keep them working.

One night (really 4:30 a.m.) I said, "God, you are obviously trying to tell me something, and I am obviously not hearing! I'll tell you what I will do. If you will send me a man, who lives in a flesh and blood body, who speaks the English language, who will come to my door, and tell me what I need to do, I'LL DO IT! In a few weeks he came. Praise the Lord!

I received the Holy Spirit and life really began! For the next two years I studied day and night. Days and weeks were spent with the Lord in prayer and study of the Word of God. Twelve to eighteen hours did not seem so long...the time passed FAST! Then, the Lord instructed me to travel with another minister for a time. A few months later, the Lord instructed me to set up the Hugh Smith Evangelistic Association and to begin the ministry. He had called me into. He said "do not be concerned about

things...I will supply them." Well, I did and he did. I have held meetings in all manner of places where people want to hear the Word of God. It seems that each week God out-does himself on behalf of man!

Thank God, Romans 11:29 says, "For the gifts and calling of God are without repentance." He had faith in me even when I was literally going the other way, sometimes, at supersonic speeds.

In Viet Nam I received many medals for valor and gallantry in combat. I would not degrade these awards in any way. God protected me, and did the "winning" in all of them. The greatest Honor I have ever received, by far, is the Honor of being a child of God who is called to minister the Gospel of Jesus of Nazareth! I can live for him, and DO what HE wants Me to do in this world right NOW!

A Christian Teaching Seminar will be held at the Believer's Cottage in Hansford County just west of Spearman March 9, 10 and 11 with Hugh Smith in charge of the seminar activities. It has been announced by the Hugh Smith Evangelistic Association.

Open to the public, the seminar will be conducted in five sessions, at 7:30 p.m. on March 9 and two sessions per day, at 1:30 and 7:30 p.m., on March 10 and 11, and the sessions will be held at the Believer's Cottage located 2.7 miles west of Spearman on the south side of State Highway 15. A native of the Lubbock area and who now makes his home at Joshua just southeast of Fort Worth, Smith is in his late 30s. His story of how he eventually reached the decision to follow evangelistic work is an intriguing one. He relates his experiences in the following manner.

I grew up in a very strong Christian Home (Methodist). I was saved at a very early age. At age 12, the Lord called me into the ministry; but I said "NO!" I did NOT want to be a preacher. I wanted to be a Fighter Pilot!

I attended McMurry College (a Methodist College) in Abilene, Texas for one year to "survey the situation." Many of the students there were preparing to enter a seminary and become ministers. After one year, I made up my mind. I would NOT be a preacher. I would go to Texas Tech University. I could take advantage of the AFROTC program there. Upon graduation from Texas Tech, I could receive a degree AND a commission as a 2nd Lt. in the USAF. Then, I could enter Pilot Training and BECOME A FIGHTER PILOT!

In April, 1962, I entered Pilot Training and gave it my best. Dueteronomy chapter 28 says that God will bless "everything we set our hands unto". God blessed abundantly my efforts. He put me in the upper-rung of my peer group the entire time

Which describes your feelings?

Yes ___ No ___ I could do more enjoyable things if I had the time.

Yes ___ No ___ I have a good occupation and my supervisors approve of my work, but personally, I'm not satisfied.

Yes ___ No ___ My realistic conception of an ideal life is very different from that which I'm living now.

Did at least one question apply to you? If so, it's quite possible that you're not getting the most out of life. Only you know the reasons, but whatever they are, God can help you.

Among many other things in the Bible, He promises freedom and a new life to those who sincerely seek it.

Why don't you come to church this Sunday and let Him know that you want to be free of your chains?

To live a half-life when a full life is available isn't really like you.

Is it?

Card of Thanks

The family of Spray Bradford wishes to express their sincere appreciation for the many acts of kindness shown to us at her death.

**Glen Bradford
Faye Klutis
Lawrence Wilbanks**

We wish to express our deep appreciation for the many acts of kindness, the telephone calls, the flowers, and the cards which helped to sustain us in the recent loss of our beloved father, Mose Lamb. Most especially we are grateful to those who braved the snow and ice to be with us for our father's last rites.

**Daughters of Mose
Joyce and Laura**

I would like to take this opportunity to thank each and everyone for their acts of kindness during the loss of my wife, Oleta Faye Keim. The food, flowers, cards, and love at the time of my loss made the burden easier for me.

May God bless each and everyone of you.

J. R. Keim

I want to thank my friends from Spearman who braved the weather to attend my birthday reception in Guymon Sunday, Jan. 29 and for the many lovely gifts they brought, also to the ones who couldn't attend but sent cards and gifts. You helped so much to make my day complete.

Thank you,
Ethel Deakin

Mrs. Mildred Lewis, New Postmaster at Morse

Though inclement weather prevented the official swearing in for Mrs. Mildred Lewis as the Postmaster of Morse, the 10:00 A.M. Friday occasion was a great one for all of the Morse Post Office patrons, as well as some visitors from out-of-town including Postmaster Ray Robertson of Spearman and Postmaster Litch Sparks of Stiles (formerly the Morse Postmaster).

Doughnuts and coffee were served by Mrs. Perry Dixon from a table laid with white and centered by a patriotic arrangement of red, white, and blue carnations accented by miniature American flags, the gift of Mrs. Lewis' husband, Frank.

Sectional Center Manager Postmaster C. T. Davis of Amarillo, will administer the oath of office later this week, weather permitting.

Mrs. Lewis, who was born in Newlin, Texas, attended schools in Lesley, Texas, and was graduated from high school in Lakeview, Texas. She is a graduate of Clarendon Junior College and attended West Texas State University. She is married to Frank Lewis who was the former principal at Morse and is now teaching in the Spearman Schools.

The Lewis' have one daughter, Linda, who is a Senior at Spearman High School and one son, Van Duane, who, following graduation from Amarillo College, is working for the Morse Implement Company as a mechanic.

Active in Morse community affairs, Mrs. Lewis holds a membership in the National PTA, has served as president of the Morse PTA, is past president of the Hansford County Home Demonstration Club, and served on the Morse Community Building Board of Directors.

Performance Tested Bull Sale Set

The Oklahoma Panhandle State University Beef Bull Testing Program is sponsoring its 26th annual Performance Tested Bull Sale at Goodwell, OK on Tue., March 7, 1978. Offered in the sale are 80 head of big yearlings ranging in weight from 1000 to 1400 lbs. Breeds represented and approximate number in sale are: Hereford 50 hd; Angus 25 hd; Polled Herefords 20 hd; and Charolais 5 hd. The 80 selling have been selected from 130 head on the basis of their average daily gain, weight-per-day-of-age, conformation, soundness, soundness of fertility, and minimum fat accumulation.

Since feedlot performance differences among bulls are highly heritable, the breeder can be assured of more actual progress in his breeding program. Actually, some of the uncertainty has been removed thus progress is more rapid than certain.

The sale begins at 1:00 P.M. CST with Pat Goggins of Billings, Montana as auctioneer. Sale location is at the test pens 1 1/2 miles east of Goodwell, OK on the Panhandle State University Farm. Catalogs are available upon request.

Peggy's Pointers

Amid these cold blustery days, it's hard to believe people are already interested in Spring Fashion Trends!

Barbara Kenney called last week, speeding me to action, so here's a spring update of fashion trends for everyone.

ROMANCE sets the mood! Design details include drawstrings, dolman loose or puffed

sleeves, fluttery necklines, ruffles, pleating and tucks, pierrot or shawl collars.

As for trim... choose lace insets, applique, ribbons, bows, delicate embroidery and fagoting.

Garment silhouettes are soft with slimmed pant legs, loosely constructed blazers, jacket and sportswear, frilly blouses, circular, full, tiered or pleated skirts, and tropical sundresses.

Crystal drop jewelry, ceramic bangles, embroidered handkerchiefs, lower heel sandals, and flowers at the neck, waist or in the hair all add a special touch.

While we're on the subject of clothing, please consider helping with 4-H clothing projects in late spring and early summer. Volunteer leaders are a must and the 4-H program offers challenges and rewards for everyone!

4-H LEADERS keep in mind 4-H training opportunities February 18 and 19 at Brownwood. Sessions include photography, gardening, recordbooks and

understanding youth. No need to worry about small children. Baby sitting services are available.

MOTHER-TO-BE!

Many young H.D. Club members have been anxiously waiting for 6 weeks now for the Mother-To-Be and Prenatal Seminar date to be set.

We have finally succeeded in securing Mrs. CRAIG Dohse, registered nurse from Borger, to discuss the Lamaz method of prepared childbirth on this important date: MONDAY, FEBRUARY 20, at the SPEARMAN HOME DEMONSTRATION CLUBROOM at 7:00 P.M.

Several young mothers will also participate in a panel discussion concerning planning for birth and infant care. The program is free and open to everyone!

Quick showers use 50 PERCENT LESS HOT WATER THAN A BATH!

Approximately eighteen to twenty percent of the energy in the home is used for heating water. SAVE ENERGY by insulating the storage tank and

pipes. Lower the thermostat--one hundred forty degrees if you have a dish washer; one hundred degrees if not. Use detergents designed for warm or cold water.

Flush the sediment out of the tank frequently. In our area, two or three buckets of water may need to be drained monthly from the faucet at the bottom of the hot water tank.

S-T-R-E-T-C-H your food dollars!

Take advantage of unusually heavy supplies of eggs, grapefruit, nonfat dry milk, onions and potatoes during February.

Is instant nonfat dry milk like a dirty word to you? A family of four can save more than \$3.00 a week under the cost of 21 quarts of whole milk--think of it.

Mixing equal amounts of dry milk with whole milk can't be all bad and it's great for cooking. When mixed with equal amounts of ice water, it whips into stiff peaks.

Try sprinkling nonfat dry milk over partially set gelatin then whipping together into stiff peaks for a dessert surprise.

Self concept is an individual's perception of himself as a

person with desires, wishes, beliefs, ideas, and feelings, and with a history and a future of his own.

Bridge Clubs

The Saturday Night Bridge Club met February 10 at the home of Mr. and Mrs. Pat Cates.

Billy Miller won high score for the men and high for the women was won by Mrs. Barbara McClellan.

Members present were Messrs and Mesdames: Pat Cates, Billy Miller, Chalmers Porter, Troy Sloan, R. L. McClellan, and Sid Evans.

The next meeting will be in the home of Mr. and Mrs. Garland Head with the time to be announced at a later date.

The Friday Night Bridge Club met February 11 in the home of Mr. and Mrs. Jimmy Greene.

High score couple was Mr. and Mrs. Dennis Nelson and low couple was Mr. and Mrs. Roy Flowers.

Those present were members, Messrs and Mesdames: Roy Flowers, Cliff McGarragh,

Bob Meek, Dennis Nelson, Ted Godfrey, and Jimmy Greene.

The next meeting will be March 11 at the home of Mr. and Mrs. Cliff McGarragh from Perryton.

HELLO WORLD

Mr. and Mrs. Reagan Baker are the parents of a baby girl, Lacie Anne, born February 1, 1978. She weighed 6 lbs. 15 oz. Maternal grandparents are Mr. and Mrs. A. F. Cook and paternal grandparents are Mr. and Mrs. Billy Baker, all of Spearman.

Mr. and Mrs. Rick Thomas of Pampa are the parents of a baby boy born Feb. 11, at 2:50 p.m. in Northwest Texas Hospital in Amarillo. Corey Rick weighed 7 lbs. 7 1/2 oz. at birth.

Maternal grandparents are Mr. and Mrs. L. J. Kelp of Spearman and paternal grandparents are Mr. and Mrs. Wilson Thomas of Hammon, Oklahoma.

Miss Deakin Honored On 88th Birthday

Miss Ethel Deakin was honored with a reception on her 88th birthday, January 29, 1978 in the Reddy Room of the Southwestern Public Service building in Guymon, Okla.

Hosts for the reception were nieces and nephews, Jim and Dendra Deakin, Grady & Colleen Yeary, H. C. and Ruby Ruth Brown, Glen and Jan Easterwood, Twila Easterwood, Helen Bounds, Howard and Dorothy Kelly, Charles and Louie Reme, Eva Kelly and Marilyn Deakin.

The serving table was laid with a lace cloth and centered with an arrangement of red carnations with red and white ribbon inscribed with "Happy Birthday."

A crystal punch bowl and crystal appointments were used. The highlight of the serving table was the sheet cake which was decorated with a little red school house of sugar icing, complete with playground equipment and children.

Floral arrangements and potted plants which were brought as birthday gifts further enhanced the entertaining room.

Grand nieces of the honoree served refreshments. They were Barbara Brown, Kay Yeary and Mrs. Kelly Brown of Goodwell.

Some 114 guests registered from Lubbock, Canyon, Spearman, Gruber, Farnsworth and Perryton, and from Buffalo, Fort Supply, Guymon, Goodwell and Oklahoma City, Okla. and Garden City, Kans.

Miss Deakin was the math teacher in Spearman High School for many years before retiring to her home in Guymon.

The newspaper joins the citizens of our community in expressing our appreciation to Miss Deakin for her many years as a school teacher and wishing her many more "Happy Birthdays."

Preceptor Epsilon Zeta Meets

The Preceptor Epsilon Zeta Chapter of Beta Sigma Phi met at Martin's Steak Garden on Thursday, February 9 for a Dutch Treat Luncheon. Vice President Mrs. Pat Dear called the meeting to order and presided over the business meeting. They discussed the Valentine Party for Feb. 11 and made final plans.

Mrs. Pat Dear reported on the "meals on wheels". The club is interested and will help to further the project.

Those present were members, Mesdames: Tom Archer, Dodie Beedy, Pat Donnell, Gwen McLain, Mona Beth Windom, Linda Davis, Pat Dear, Barbara Schnell, and Altha Townsend.

The next meeting will be Sunday, February 19 at the home of Mrs. Elvonna Davis where the club will meet at 12:45 p.m. to go to Amartillo for a concert and dinner.

Arts & Crafts Guild News

Arts and Crafts Guild met Friday, February 10 at Martin's Steak Garden with Mrs. Nolan Holt serving as hostess.

Refreshments were enjoyed by members, Mesdames: Sada Hoskins, Pope Gibner, Joe Traylor, Guy Fuller, Clay Gibner, Bill Russell, and Ned Turner.

The next meeting will be February 17 in the home of Mrs. Bill Gandy.

Forget outdoor lighting
 (if you like stumbling in the dark)

the solution: Nite-Liter

Darkened property invites nighttime accidents to happen. With the mercury vapor Nite-Liter, you can have safety and security light spread up to 100 yards in diameter around your home for just pennies a night. We will install the Nite-Liter on a tall pole, maintain it and furnish the electricity... and no investment is required.

And, we also offer leased floodlighting for your business property!

Rho Rho Sorority Meets

Rho Rho Sorority met Thursday, February 9, 1978 at the home of Mrs. Milly Lesly. President Mrs. Hazel Shieldknigt presided over the business meeting.

Roll was called and the minutes of the previous meeting were read and approved. In the official communications a thank you note was received from Mrs. Teresa Hargis for the flowers she received during her stay in the hospital.

A new transfer, Mrs. Joan Hill, was introduced by Mrs. Linda Blackman to the club. She is moving from Pampa and plans to join the club.

Mrs. Janie Henton reported on the meeting on the 'meals on wheels' project; members voted to help with this project.

Mrs. Ruth Skinner gave a very interesting program on

"Mind Control". The Valentine Ball which is to be held February 11 at the Perryton Club was discussed. It will begin at 7:00 p.m. and the three sweethearts from the three chapters in Spearman will be crowned.

The meeting was adjourned with members present repeating the closing ritual. The theme of Valentine's Day was carried out at the refreshment table with refreshments of red velvet cake, tea and coffee served to members. Mesdames: Hazel Shieldknigt, Linda Blackman, Kari Schumann, Jolinda Hutchison, Debbie Clements, Marilyn Cline, Teresa Hargis, Lisa Pipkin, Diana Phillips, Donita Lusby, Jackie Pearson, Marsha Pipkin, Karen Blodgett, Candi Boxwell, Janie Henton, Jane Kenda, Delinda McLaughlin, Susan Pearson, Penny Ralston, Milly Lesly, Jodie Rex, Cindy Schneider, Patty Taylor, and new member Mrs. Joan Hill.

Mrs. Donita Lusby won the raffle. The next meeting will be February 23 in the home of Mrs. Penny Ralston.

Masonic Activities Planned

Plans for two future activities in which Hansford Lodge No. 1040, A.F.&M., of Spearman is involved, the visitation of the District Deputy Grand Master William R. Knight of Dumas and the observance of Texas Public Schools Week, were outlined during the stated communication Monday, Feb. 13, at the Masonic Lodge in Spearman with eight Master Masons attending the session.

Worshipful Master Ceril Batton of Hansford Lodge No. 1040 conducted the discussion relevant to the March 6-10 observance locally of Texas Public Schools Week with Masons from this area serving coffee and doughnuts in conjunction with, as in the past, visits to the schools on a day during the observance week.

The exact date when the Spearman Spinners Square Dance Club will be dancing Feb. 16 at 5 p.m. at

refreshments will be served is to be announced but it will coincide with the date of the open house usually scheduled for the public schools in Spearman which is held in conjunction with the week's activities to give the public an opportunity to gain information on public school system classroom operations.

Deputy District Grand Master William R. Knight, a member of Dumas Lodge No. 1009, A.F.&M., is scheduled to visit Hansford Lodge on Feb. 27 and all Masons are urged to be present for that stated communication starting at 7:30 p.m. at Hansford Masonic Lodge.

"Behind an able man there are always other able men." Chinese proverb

the County Barn. Paul Lopez will be the caller.

organizational meeting February 28 at the First Christian Church.

With no further business, the meeting was adjourned. Those present were members: Mesdames: Helen Etter, Judy Nelson, Doris Ellison, Maelyn Schubert, Rosalie Butt, Susan Delk, Linda Besson, Maria Avila, Altha Groves, Buena Lyon, and Clementine Renner.

The next meeting will be March 14 at Martin's Steak Garden.

United Presbyterian Church News

Every Sunday there is an interesting, well prepared Bible lesson for you at 9:45 a.m. at our Sunday Church School. There is a teacher there prepared to meet your needs.

"The Glory That Shines Through" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God at 11:00 a.m. on Sunday, February 19. This is World Mission Sunday.

The Session will meet on Wednesday, February 22 at 7:30 p.m.

Presbyterian Men will have their monthly prayer breakfast on Thursday, February 23 at 6:30 a.m.

There is warm, Christian fellowship awaiting you at the First Presbyterian Church. Why don't you come and sample some of it?

Soorities Enjoy Skiing Weekend

Members and guests of the Rho Rho Sorority, Xi Zeta Upsilon, and Preceptor Epistola Zeta Chapters of Beta Sigma Phi went to Taos, New Mexico for a weekend on Feb. 3-5.

Many of the group left early Friday morning and skied at Angel Fire that day. The group had reservations at the Lodge in Taos for Friday and Saturday evening. Everyone had a great time skiing Sunday and Sunday.

Members from Rho Rho Sorority attending were Mesdames and Mesdames: Charles Shieldknigt, Craig Schumann, Ronnie Lusby, Bob Pearson, Verlin Pipkin, Dennis Cline, Monty Lesly, Bobby Lesly, Harvey Lesly, Danny McLaughlin, Richard Pipkin, Dan Ralston, and Gary Taylor; from Xi Zeta Upsilon, Messrs and Mesdames: Steve Mathews, Kent Guthrie, Dennis Nelson, Philip Renner, Perry Dixon and their

Xi Zeta Upsilon Meets

Xi Zeta Upsilon Chapter of Beta Sigma Phi met Thursday, February 9 at the home of Mrs. Pat Jackson. President Mrs. Tom Latta presided over the business meeting.

Final plans for the Valentine Dance at Perryton was discussed.

Xi Zeta will help with the 'meals on wheels' project. Also discussed was the Round-Up Celebration and a committee was selected to help with this project. Mrs. C. J. Zeta is in charge of the barbecue.

The program was given by Jim McLean on the YMCA. Members present were Mesdames: Bob Meek, Perry Dixon, Tom Latta, Philip Renner, Clark Mires, Kent Guthrie, Joe T. Venneman, Evans, and Bill Strawn.

The next meeting will be February 23 at the home of Mrs. Linda Umphress with Mrs. Cynthia DeArmond giving the program.

Our Heritage of Faith

notes from Faith Lutheran Church

We are now well into the Church Year Season of Lent. This is a time for us to focus our attention on the salvation which God has won for us. We are not saved through our own efforts. God does not reward us for the good things we do, including that which we call God. This is in fact trying to be like God. We may do acts of kindness and goodness, but all too often they are done only to gain favor from or control over God or man. We may do these acts so readily and easily that often we are not even conscious of our motivation. Love too often is only a word to gloss over our intent to gain control over another.

But there was one who came into our world and truly did love us. His world centered in the people around Him whom He came to serve. He even went so far as to freely die for us. Now in His death we have freedom. Freedom from those forces which threaten and capture us, and freedom from ourselves and our striving to be like God.

Salvation is found in Him alone, and not in anything which we do. When we know His love for us then we in turn can truly love others. For our motivation is no longer to gain favor or control (before God or man), but then our motivation is to give ourselves and to love as He gave Himself out of love for us.

We invite you to join us at Faith for our Wednesday Lenten Services as we focus on the nature of our sin and the salvation which God has won for us in Jesus our Lord. This Wednesday, February 22, we will focus on the character of Caiaphas, the High Priest. Lenten Services begin at 7:30 with refreshments and fellowship afterwards. Sunday Morning Worship is at 9:30 and Sunday School is at 10:30.

REPLACEMENT WORK -- Workmen from an Amarillo firm which is doing the work are busy taking down the old ceiling and installing a new one in the operating room area at Hansford Hospital with additional work to be done in the delivery room and nursery.

Some people once thought they could tell the future from the flight of arrows.

Winger Files For Primary

Val Winger of Gruver made a Monday filing as a candidate for the position of Commissioner, Precinct 4 on the Republican ticket. A native of Gruver, having lived here since he was five years old, Val received his early education in the Gruver schools and graduated from GHS. He earned a BBA from North Texas State University in 1958 and was employed as an insurance adjuster from 1958-60.

Following graduate work and receiving his Teacher's Certification from Texas Tech, Val was a teacher in the Gruver Elementary School from 1961-67. Along with his educational interests, Val is a farmer and a rancher.

He served on the Gruver School Board of Trustees for one and a half terms (resigning due to a teacher shortage in the Gruver school system so that two vacancies could be filled by relatives). He is also serving on the Board of Directors for Lake-side Gas.

Val, his wife (the former Marlene Gruver) and their five family including Darin, Dawn, Maria, and Manda live on mile

west of Gruver. They are active in the Gruver Church of Christ of which Val is a member. Val remarked upon deciding to file for the Commissioner post, "I believe in the two-party system and would certainly appreciate your support."

He has authorized the Gruver Statesman to publish his candi-

County Farmers On Governor's Committee

AUSTIN -- Six agriculture leaders from Hansford County have been appointed by Governor Dolph Briscoe to serve on the Governor's Committee to Make Texas Agriculture No. 1 in Income and Profit.

Committees are being established in every Texas County as part of the statewide effort "to strengthen the economic position of agriculture--our most vital industry," Governor Briscoe said.

The County committees have the responsibility of promoting cooperation and mutual support among agencies, organization and groups involved in agriculture and agribusiness.

Committee members from the County include Mr. Joe I. Venneman, Spearmen; Mr.

John Armes, Gruver; Mr. Lynn Davis, Morse; Mr. Jimmy Greene, Spearmen; Mr. Aubrey Rasor, Gruver; and Mr. Billy Logsdon, Jr., Star Rt., Guymon, Oklahoma.

The first gasoline engine taxicab, and the use of the first taximeter, appeared in 1907 in New York City. Today, according to The World Book Encyclopedia, there are about 164,000 taxis operating in the U.S.

Help In Estate Planning

AMARILLO--A series of four programs to help area residents plan estates to meet their needs during three phases of a family's life will be offered here during February and March by the Texas Agricultural Extension Service.

The four sessions will cover the need for estate planning, wills, trusts and taxes. Dr. Ray Sammons, Extension area economist-management, said, "Attorneys, bank trust officers and certified public accountants will be on the program, he said. The sessions will be presented on Monday evenings, Feb. 20 and 27 and March 6 and 13, in the auditorium of the Texas A&M University Agricultural Research and Extension Center, 6500 Amarillo Blvd. West.

"Estate planning covers three phases of our life," Sammons said. "These are the accumulation phase, during the working years; the preservation phase, during retirement years; and the distribution phase, at our death.

"The real need in estate planning is for younger families to get started during the accumulation years," the Extension economist said.

Sammons said it is not necessary to register for the educational seminars, and there will be no fee. Participants will receive materials which will assist in planning their estates and direct them to additional help for specific questions.

2 Arrested For Theft Of Tires

Judicial proceedings against two young Spearmen residents, one 16 and the other 17, were in progress early Wednesday morning, Feb. 15, who were taken into custody for the theft of eight passenger car tires recently from locations in Hansford and Ochiltree Counties, Hansford County Sheriff R. L. McFarlin has announced.

He reported the tires were recovered. Value of the stolen items was at least \$140.

Four tires were taken from the Lloyd Buzzard residence in Hansford County just south of Spearmen and four tires were taken from the Roy Flowers place in Ochiltree County.

Basketball was invented in 1891 by James A. Naismith, a physical education instructor. His idea was to nail two boxes to the gymnasium balcony. But, only half basketball baskets were available, according to The World Book Encyclopedia, thus the name basketball.

Hightower Introduces Bill For Emergency Financial Relief For Farmers

WASHINGTON* D.C. - Congressman Jack Hightower announced today he had introduced legislation in the United States House of Representatives that will provide emergency financial relief for producers of wheat, feed grains and cotton without increasing the already existing surplus in these commodities. The legislation will provide for a graduated increase in the target prices tied to graduated increases in acres set-aside from production. The four-year bill also provides for increased loan levels for the

three commodities. Hightower commented in regard to the bill, "I am not proposing this as the final or only answer for the problems that beset American agriculture. We are all in agreement that farmers need help now. Some of the farmers from our area I have talked with, and many of the Congressmen, feel hesitant to push the 'minimum price' concept into law without some careful study as to the long term effects involved. This bill could provide time for study."

Hightower went on to state, "I feel this bill can be a viable alternative that provides producers the opportunity to reach a per-bushel parity level that will fit individual situations." The four-year emergency measure provides for a graduated target price system tied to an increasing acreage diversion. Under each of the three commodities a 50 percent set-aside would equate 100 percent of parity. A wheat farmer who follows the current 20 percent set-aside would be provided the current \$3 per bushel target.

This would increase according to the increased percentage of acreage diversion until a 50 percent set-aside provides the \$5.04 per bushel, 100 percent parity for wheat. Hightower pointed out, "The beauty of this concept is that the farmer charts his own course; the taxpayer is protected because the more paid per bushel, the fewer bushels a deficiency is paid on, and it does not increase the production with increases in target payments. The lower production increases the market for that commodity.

In regard to the loan levels in the proposal, Hightower commented, "The 1977 Food and Agriculture Act provided for very low loan levels tied to a 'flooding' situation. The low loan levels set as a deterrent to the market and the provisions of the bill provide for the lower market, the lower the loan. Why call it a floor if everytime the market gets close to the floor, the floor drops? I feel have been very cautious in setting loan levels for wheat at \$3.00 from \$2.25 per bushel. Corn is raised from \$2.00 to \$2.25 per bushel, and cotton from the current 44 cents to 52 cents."

FEED GRAINS
If the set-aside is:
10 per centum, the established price shall be \$2.10 per bushel;
20 per centum, the established price shall be \$2.25 per bushel;
25 per centum, the established price shall be \$2.45 per bushel;
30 per centum, the established price shall be \$2.65 per bushel;
35 per centum, the established price shall be \$2.85 per bushel;
40 per centum, the established price shall be \$3.05 per bushel;
45 per centum, the established price shall be \$3.25 per bushel;
50 per centum, the established price shall be \$3.45 per bushel;
and the established prices for grain sorghum and if designated by the Secretary, oats, and barley shall be at such levels as provided under subsection (b) (1) (D) of this Act.

COTTON
If the set-aside is:
20 per centum, the established price shall be 54 cents per pound;
25 per centum, the established price shall be 59 cents per pound;
30 per centum, the established price shall be 64 cents per pound;
35 per centum, the established price shall be 69 cents per pound;
40 per centum, the established price shall be 74 cents per pound;
45 per centum, the established price shall be 79 cents per pound;
50 per centum, the established price shall be 84 cents per pound.

The Lynx boys team shot 91 times from the floor against Panhandle and made 29 of the shots for 29.52. They made 6 of 16 from the free throw line for 26.65% and won the game 85.72.

Government Offices To Be Closed

Federal government offices in Spearman and Hansford County will be closed Monday for the observance of George Washington's Birthday, including the Hansford County Agricultural Stabilization and Conservation Service office in Spearman. It will be open for business as usual Tuesday, Feb. 21. Hansford County Judge Johnnie C. Lee announced that the county offices will be open for business as usual on Monday since Feb. 20 is not observed as a legal holiday for the county employees.

SORGHUM FARMER'S CORN...

So different from ordinary corns we call it "the other crop."

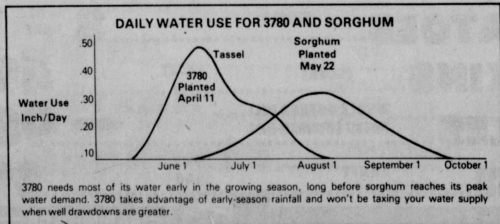

- Yields more than sorghum for greater income potential under similar field management
- Harvests earlier than sorghum
- Requires less fertilizer and insecticide
- Excellent standability
- Adaptable to high plant populations and narrow rows

PIONEER®
BRAND

3780

Pioneer brand 3780 is like no other corn hybrid you've ever planted. It yields well on land where other corns can't. How is this possible? 3780 has a water use pattern that reaches peak demand very early... long before sorghum needs its water. (See chart below). Also 3780 grows and matures much faster than sorghum or other corns, so it's ready for harvest earlier. Its fertilizer requirements are lower than most full-season corns, and it won't normally need the insecticide treatments most full season crops require late in the growing season. If you're looking for a good-yielding corn hybrid that performs well under management similar to sorghum's, consider "the other crop"... Pioneer brand 3780. The sorghum farmer's corn.

3780 needs most of its water early in the growing season, long before sorghum reaches its peak water demand. 3780 takes advantage of early-season rainfall and won't be taxing your water supply when well drawdowns are greater.

the rest of the world." Hightower concluded by stating, "This bill does not cover all problem areas. We say nothing about beef imports but there are several bills pending that speak to the import issue. We do not go into the problems of farm credit. The Agriculture Committee is now holding hearings to study all the problem areas. When the committee begins its action on the various proposals general farm legislation should result. This bill is a step in the right direction and affecting the most crucial area, what the farmer puts in his pocket."

The following figures are the specific target price set-aside relationships.
WHEAT
If the set-aside is:
20 per centum, the established price shall be \$3.00 per bushel;
25 per centum, the established price shall be \$3.25 per bushel;
30 per centum, the established price shall be \$3.50 per bushel;
35 per centum, the established price shall be \$3.75 per bushel;
40 per centum, the established price shall be \$4.00 per bushel;
45 per centum, the established price shall be \$4.25 per bushel;
50 per centum, the established price shall be \$5.04 per bushel.

Perryton abopts basketball resolution

Discussion of cutting down the number of basketball games played by teams in the Perryton schools has been going on for several months in the Perryton school system. At Tuesday's board meeting the Perryton school board came up with a resolution concerning limitations on game schedules for the coming year. Perryton is now a member of our district 1-AA, and will present the resolution to the district meeting in the near future. We contacted some Spearman school officials, and they were in agreement with the Perryton resolution, which basically calls for all basketball games to be played on Friday night and Saturday night. This will not interfere with the students classes in the middle of the week. When the games are played away from home on Tuesday night, because of the distances that have to be traveled to many of the games, several educators and board members think it interferes with a student's ability to attend class the next day.

The Perryton resolution is as follows:
WHEREAS, Each Texas school desires equal or better game experience than its opponent; and
WHEREAS, Basketball is becoming increasingly more important to the students of Texas;

WHEREAS, A primary concern in every school is the academic foundation that the students receive; and
WHEREAS, Many UIL (University Interscholastic League) districts in Texas are of such size geographically that extensive travel is required of the teams and the student supporters; now, therefore, be it

RESOLVED that the Perryton Independent School District
 Cunningham On
 Dean's List
 U. S. AIR FORCE ACADEMY, Colo.—Cadet Mark T. Cunningham, son of Mr. and Mrs. James A. Cunningham of 1107 E. Bernier, Spearman, Tex., has been named to the Dean's List for outstanding academic achievement at the U. S. Air Force Academy.
 To qualify for this distinctive honor, a cadet must maintain a 3.0 grade point average on a 4.0 scale in all subjects for the preceding semester.
 Cadet Cunningham, a member of the class of 1981, will wear a silver star insignia in recognition of this outstanding scholastic performance.
 Upon graduation from the academy, cadets are commissioned as second lieutenants and awarded a B.S. degree.
 Cadet Cunningham is a 1977 graduate of Spearman High School.

Cancer Seminar Slated
 The Guymon American Agriculture Movement office in cooperation with the Guymon Chamber of Commerce is sponsoring an information meeting for the benefit of Chambers of Commerce, business and professional people, and all interested individuals, Monday evening at 7:00 P.M. in the Guymon Junior High Auditorium, according to Stuart Wise, Executive Vice President of the Guymon Chamber of Commerce.
 The subject of the meeting will be the impact of the American Agriculture movement on business, industry, and government reaction to the movement.
 The meeting will feature two distinguished speakers, Oklahoma State Senator Gene Stipes and State Treasurer Leo Winter. The meeting is slated for 7:00 P.M., Monday, February 20th, at the Guymon Junior High School at 8th and Beaver, Guymon.
 "We ask that you urge each of your people to attend this meeting," Mr. Wise said when he contacted the Spearman Reporter, Tuesday.

Board of Trustees go on record as requesting the UIL to record that regular games, as opposed to tournament games, be held only on nights when there is no school the following day; and be it further
RESOLVED, That this organization request that each local UIL district, through its executive committee, consider the adoption of the rule that district games be played only on days when there is no school the following day.
 Dr. Zoel Allen, president of the Perryton School Board, is to present the resolution to the Panhandle Area School Board Association at its regular meeting February 27. If they approve

of the plan, they in turn may present it to the Texas Association of School Boards at the group's annual fall meeting. Superintendent George Zoller plans to present the resolution to the District 1-AA Interscholastic League for consideration at an upcoming meeting of the executive board.
 The resolution is intended for consideration on an area-wide, district-wide basis only. Such policy would not be put into effect here if it was not a universal practice throughout the area; thus jeopardizing Perryton's ability to compete with other schools which would have an advantage by playing more games.

Guymon Slates Agriculture Meet Texas Forum On Food Set

A day long seminar has been planned by the American Cancer Society to begin at 9:00 A.M. at the Kon-Tiki Inn in Dumas Saturday, February 18 the purpose of which is to help people understand the threat and other aspects of the dread disease at the local level.
 The day long program has been divided into two sessions with Bill Ledgerwood, Moore County ACS president, presiding for the morning session which will include brief informative talks by eight people and will deal with the cancer problem and the relation to the American Cancer Society's local units.
 The Dutch Treat Luncheon will include a panel with Byron Wright, M. D. from Dumas serving as moderator for the luncheon panel which will include several persons directly involved in various facets of the cancer problem everywhere.

The afternoon session which will begin at 1:30 P.M. and end until 3:00 P.M. will feature a panel with Dr. Ed Allen from Dalhart serving as moderator. Aspects which will be considered during this session include the pathology of cancer; surgery and surgical methods; radiology; diagnosis; and chemotherapy.
 Speakers for the morning session will include two from the Hansford ACS unit, Judge Johnnie Lee, presiding officer for the Unit who will speak on the local ACS Board and operation and Mrs. Bill Maupin of Guver who will speak briefly on public information.
 Other speakers for the morning session will include Betty Ware of Borger, Public Education; Mrs. Janet Riff of Stratford, Crossader; Zelma Root, Borger, Services; Mildred Ballinger, Dalhart, "Reach For Recovery" program; Larry Fuller, Borger,

who is the vice chairman for the Texas Division of the American Cancer Society who will summarize the cancer problem and how it is being treated at the local level.
 Panel members for the luncheon include Mary Ferris, R.N., Dumas; Peggy Robert, Dumas, Public Health Nurse; and Pat Cook, representing the Department of Human Resources in Dalhart.
 Anyone in the area and particularly those who are actively interested in cancer and its control in the Hansford County area are urged to attend this seminar which should provide some great material to serve in combating this dread disease.
 9:00 A.M., Saturday, February 18, Kon-Tiki Inn, Dumas—come and learn—you maybe just the person to help others as well as yourself.

AUSTIN—Food costs, nutritional theories, and consumer preferences are a few of the topics to be covered in the Texas Forum on Food, to be held here February 17 in the Stephen F. Austin Building, Agriculture Commissioner Reagan V. Brown has announced.
 The purpose of the one-day session, which is open to everyone, is to establish a dialogue between consumer and producer groups. The Forum is sponsored by the Texas Department of Agriculture and the Texas Women for Agriculture.
 Such a system, Harding said, will give the state an estimate—hopefully on a day-to-day basis—on receipts and expenditures of state funds.
 Unobligated funds can be invested to gain even greater interests income, Harding said, and this move will strengthen the government's fiscal policies.

The task force is headed up by Morris Stevens, Chief Clerk of the Treasury Department, working in coordination with Ralph Wayne, Deputy Comptroller, and assisted by Scott Garrison, an assistant Attorney General assigned to the Treasury.
 Their efforts are being augmented by staff and personnel from both the Treasury Department and the Comptroller's office.

It was at one time unlucky to put your shoes on the wrong feet.

Lynx will meet winner of Seymour-Henrietta game

In a talk with James Cunningham, Supt. of schools, Spearman, we learned that the Lynx definitely will meet the winner of the Thursday night Seymour-Henrietta game on next Monday or Tuesday.

League rules state that all district games must be decided by this Saturday night, but all bi-district games must be decided on Monday or Tuesday night! So the Lynx definitely will be playing next Monday or Tuesday night against the 2-AA winner. We think it will be Seymour! However, if Henrietta should win, it would make the plot much thicker! Last year, Seymour and Dalhart played at Canyon for the Bi-district boys championship. If Seymour should win their Thursday night

game, we think that the bi-district could be set up for a play-off at probably Clarendon or Memphis! This would be about mid-way for all of the fans. But, if Henrietta won, the bi-district game would be probably played at Childress! Just a speculation, however! We will not know for sure until after the 2-AA game Thursday night!

Postmaster Named At Morse

Sectional Center Manager/Postmaster C. I. Davis of Amarillo today announced the appointment of Mildred L. as the new Postmaster at Morse, TX effective Saturday, February 11, 1978.

Mrs. Lewis is 46 years of age. She has served as postal clerk for the past six years.

The Morse post office has annual receipts of \$7,000. As Postmaster, Mrs. Lewis will earn \$15,800.00 in salary and fringe benefits. She will be assisted by one part time clerk who is paid \$6.11 per hour plus fringe benefits used on an as needed basis.

Postmaster selections are made on the basis of merit from a list of qualified candidates submitted to the Regional Management Selection Board. The board, composed of a representative of the United States Civil Service Commission, a Postal District Manager and two postmasters, selects and recommends to the Postmaster General the best qualified person for appointment to each vacancy.

At 10:00 a.m. on Friday, February 10th, Mr. Davis will be in the Morse Post Office to swear in Mrs. Lewis as Postmaster.

CROPS AND ROBBERS

Hominy, so popular in Southern states, got its name from the Indian word fruh-hummin, meaning "to grind corn."

The popularity of Ciba-Geigy AAtrex 4L atrazine is proved by a study showing that less than 5% of farmers who tried the liquid AAtrex switched back to using the older powder formulation.

Corn is a pretty popular food today, but the origin of 19th century French Louisiana once staged a "petitecoit rebellion" because they felt they had to eat too much of it. They were accustomed to the fancier meals they had back home in France.

Magical New World For WIZARDS

Described in a recent magazine article as "probably the single most creative and innovative filmmaker working today in the field of animation," Ralph Bakshi has, in his new 20th Century-Fox film, "WIZARDS," undertaken a radical departure from the themes which have established to august a reputation.

From the streets and alleyways of contemporary America, Bakshi has taken an imaginative leap into a fantasy vision of a future world in which he is peopled with elves, fairies, mythical animals and mystical characters including a wise and kindly Wizard versed in the arts of magic and enchantment—and a sorcerer intent in weaving what in that distant future has become a lost art—the art of warfare.

For central to the theme of "WIZARDS" is the desire of mankind to revert to the primitive instincts of fear and greed which, from our earliest beginnings, have set brother against brother.

Underlining this break in the bond of brotherhood is the fact that the "WIZARDS" of Bakshi's tale are indeed brothers in the real sense. It is the human lot to redeem the earth from the evil perpetrated by our own brethren.

Bakshi's films seem to say, "From an animation point of view, my approach toward this subject is as lowly as my past work is to hide the tricks, to integrate them into the film," comments Bakshi. "Just because I am dealing in fantasy, that aspect of work is not going to change."

Ever since Bakshi abandoned Brooklyn's Thomas Jefferson High School for the High School of Industrial Arts in Manhattan, to pursue the cartoonist's art, he has been striving toward greater and greater creative freedom, pushing the boundaries which he himself established further and further in the precedent-shattering "Heavy Traffic" and "Goonies" followed hard on the heels of "Fritz, the Cat's" sensational success.

Now, today's ghetto/land has been replaced on Bakshi's drawing board by an oracular vision of the future, occasioning an entirely different visual look to the film than "WIZARDS" opening. There is, in fact, a new world of fantasy and magic which Bakshi has created, a world of beauty and complexity and beauty as Bakshi departs from the confines of real-

lam he set for himself in his earlier works.

In broadening his perspectives, there seems to be little doubt that Bakshi will be widening his appeal as a filmmaker.

Ased to write a few sentences about himself for a biography during the time of the release of "Heavy Traffic," the work he puts in a persistent appearance to science fiction, Dickens, Kafka, old comic strips, turn-of-the-century illustrators, sports cars, Manhattan, comedy, people, comic books and comic book artists—not necessarily, but maybe possibly in that order.

That should give you some idea that Bakshi is not reticent about his emotions, an outpouring of feeling that is one more distinguishing trademark in a field of artistic endeavor which, far too long, has been puristic and formula-ridden.

Next month marks the beginning of the critical wind erosion period in Hanford County. This is the time of year, March thru May, when we have the least amount of ground cover and the greatest amount of wind.

Each year these two factors combine and result in tons of valuable top soil being lost.

With the small amount of moisture received last summer and the cold, dry winter we've experienced, it looks as if this year will be no exception.

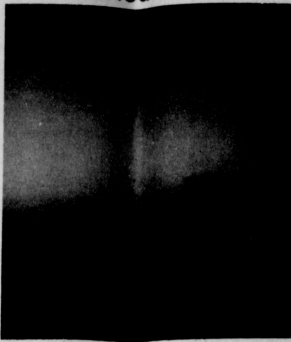

There is nothing that can be done about the amount of wind we receive, but there are several things we can do to minimize its effect on the land.

For wind erosion to occur the wind must come in contact with loose, unprotected soil. Fields well protected with vegetation will not blow severely regardless of how dry it gets, except when nearby blowing fields ruin the protective vegetation.

On rangeland, wind erosion can be eliminated by maintaining a healthy, vigorous stand of grass through proper grazing use and sound management.

Cropland can be protected by returning crop residues to the soil; using emergency tillage type of farming operation.

Critical Wind Erosion Period Nears

Next month marks the beginning of the critical wind erosion period in Hanford County. This is the time of year, March thru May, when we have the least amount of ground cover and the greatest amount of wind.

Each year these two factors combine and result in tons of valuable top soil being lost.

With the small amount of moisture received last summer and the cold, dry winter we've experienced, it looks as if this year will be no exception.

There is nothing that can be done about the amount of wind we receive, but there are several things we can do to minimize its effect on the land.

For wind erosion to occur the wind must come in contact with loose, unprotected soil. Fields well protected with vegetation will not blow severely regardless of how dry it gets, except when nearby blowing fields ruin the protective vegetation.

On rangeland, wind erosion can be eliminated by maintaining a healthy, vigorous stand of grass through proper grazing use and sound management.

Cropland can be protected by returning crop residues to the soil; using emergency tillage type of farming operation.

and by converting to grassland those fields not suitable for cultivation.

We will always have high winds in the Panhandle, but if everyone who tills or grazes land will adopt good land use and conservation practices we can greatly reduce the harmful effects of wind erosion.

IRS News

An incorrect Social Security number will hinder the processing of a tax return and can delay any refund due, the Internal Revenue Service said.

To help avoid this problem, taxpayers should use the peel-off label included in the tax package received in the mail. This label contains the name, address, and social security number or other information listed is incorrect, the correct information should be written in right on the label.

If a taxpayer has had a change in name since last year, a local office of the Social Security Administration should be contacted so that the taxpayer's new name will correspond to his or her social security number.

Q. Can my widow still collect Social Security if she receives monthly payments from my life insurance policy?

A. Yes. According to law, monthly life insurance payments will not disqualify your widow in any way from receiving her full Social Security payments. Monthly life insurance benefits do not count as earned income, regardless of how much is paid each month through a policy.
