

GREATEST BOYS RANCH TEAM IN HISTORY
WILL HOST LYNX AT RANCH FRIDAY NIGHT

BULLETIN: Election results are
on the classified page-PAGE 3

District race is "ΛΛΛη Λsδοη!"

Johnny Kenney

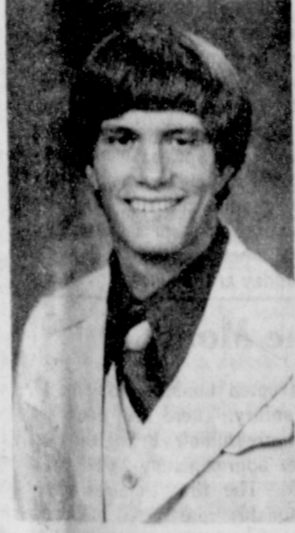

Todd Brock

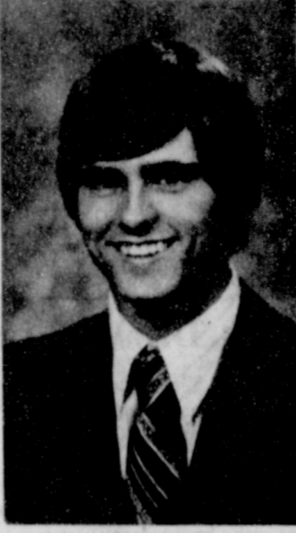

Kirby Hargis

James Whitaker

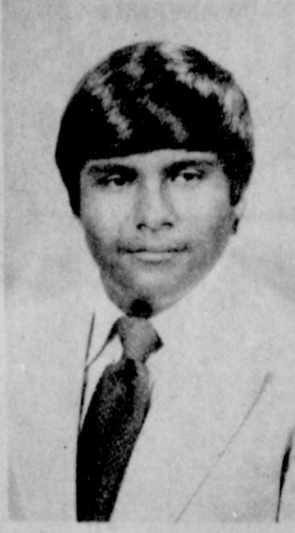

John Reneau

Billy Sellers

Scott Martin

Florencio Martinez

The un-beaten Spearman Lynx will meet the once beaten Boys Ranch at the Ranch Friday evening, in a 7:30 game that will probably decide the district 1-AA Championship. The Spearman Lynx have not lost a conference game in 6 years; they have not lost one this year; the Ranchers have lost one game to Canadian, and they must win over Spearman to stay in the district race. The Lynx must also win, to stay in the race.

Both the Lynx and Ranchers are coming off of impressive wins. The Ranchers defeated the Rangers from Perryton 14-13, and the Lynx defeated Canadian 18-15 in a real barn-burner. Either game could have gone the other way, and the Lynx are not taking the Ranchers lightly this Fri.

The newspaper is dedicating the next two games to our senior football players. This years seniors are: Johnny Kenney, Todd Brock, Kirby Hargis, James Whitaker, John Reneau, Billy Sellers, Scott Martin, Florencio Martinez, Billy Snider, David Ortega, Carey Bridges, David Cummings, Steve Goff, Sam Boone, and Zane Newton. Eight of the boys are pictured on the front page this week, and next week the seven remaining will be run on the front page.

To say that "Friday night Fever" is running high in Lynxville, is putting it mildly. And to say that Spearman is looking closely at Boys Ranch as the team to beat in the district, is putting it mildly. The Lynx know that to win the district they must beat the Ranchers at Boys Ranch. It will be one of the toughest games of the year for the Lynx. But, they will be ready.

Sam Boone, senior outstanding football player, was injured in the Canadian game and will miss this game; as will John Reneau, and probably Billy Sellers. But, if Sellers has a good night and is able to play, this could be the difference. Boys Ranch will be suffering from some "hurts" also after the game with the heavier Perryton Rangers last week.

Fans are planning a mass exodus from Spearman Friday afternoon, and will head for Boys Ranch, "rain or shine" to decide the district 1-AA championship, probably! If the Lynx win at Boys Ranch, and lose to Dalhart the following week, the Perryton Rangers most likely would represent the district. The district is definitely still up for grabs!

Veterans Day Program

Veterans Day 1978 marks the 60th anniversary of the signing of the Armistice which ended World War I. It was the eleventh hour, of the eleventh day, of the eleventh month, of 1918 that the "silence was heard in no-man's land."

This year's observance also marks the return of the national holiday to the November 11th date from the fourth Monday in October observed for a few years as part of the "3-day weekend holiday law."

It is indeed significant that this day should be observed on the anniversary of the World War I Armistice.

On November 11, 1918, a more innocent generation than our own hailed the victorious conclusion of "the war to end all wars."

For two decades afterward, the observance of what was then known as Armistice Day was an occasion for commemorating the great outpouring of relief, of patriotism, of prayerful thanksgiving, and understanding joy which marked the end of the first World War. The fact that war was not banished from the world, that democracy is as seriously threatened (if not more so) today as it was then, takes nothing from the achievements of the men and women who answered the nation's call to arms in that era.

Our national consciousness today has been tempered a realization that no one lump sum of effort or sacrifice will assure an honorable world peace.

However, a giant step toward that attainment of that lofty goal begins with the recognition of our veterans - men and women - who throughout this century

have set aside their civilian pursuits to serve our nation's cause - the defense of freedom against the challenge of armed aggression.

War has taught us that victory can be attained through unity of purpose, sacrifice, tolerance, bravery, and discipline. On this Veterans Day 1978, let's not only honor the men and women who served our nation in time of war but also reaffirm our nation's will to use those same values so necessary to victory in time of war for the development of a world which shall one day realize peace with honor.

So, let us pause this Veterans Day and honor those who have served our nation so well. But, let the spirit which made our nation victorious in war prevail for the ultimate victory.

Sixty years ago - at 11:00 A.M., November 11, 1918 - the guns of World War I were stilled. For the first time in our Nation's history, Americans on European soil had defended the cause of freedom. Since that day, other generations of Americans have answered the Nation's call to arms to defend that lofty cause throughout the world.

This is VETERANS DAY - a time to honor the millions of men and women who have served our Nation in time of war. Through their valor and their sacrifice they have met the highest obligation of their citizenship. Now, in all walks of life, they continue to strive for new pinnacles of achievement for the benefit of mankind.

On this VETERANS DAY 1978 we salute the veterans of our community in grateful appreciation of their sacrifice and continued service.

The Hansford County Extension Clubs are sponsoring a community wide VETERAN'S DAY PROGRAM, NOVEMBER 10 at 10 a.m. in the Varsity gym.

Turkey Walk Raises Over \$3,000

Sixty one people, walking, jogging, and riding bikes participated in the "Turkey Walk" in Spearman Sunday, Nov. 5 for the benefit of the American Heart Association, raising over \$3,000 in the project, with some of the money not in as yet.

Jim McLain, president of the Spearman Chamber of Commerce and his wife Gina, who is president of the Women's Division of the Chamber of Commerce were the master of ceremonies. Rev. Russell Pogue gave the invocation and Coach Preston Smith fired the starting gun at promptly 2 p.m. to get the walk underway.

Cold weather prevented some of the small children on their toys from participating.

Stephanie and Kim Brock finished first and have donated their turkeys to the Children's Home here.

Out of town people participating in the walk were Frank Jones of Canyon, Mr. and Mrs. Tim Barkley of Gruver, Mr. and Mrs. Curtis Smith of Perryton, Mr. and Mrs. Richard Trayler of Amarillo; Gayle Lewis of Girls Town, Borger; Donna Ralston, Farwell; Steve and Gwen Cement and Lee Ann Shieldknight

of Amarillo. Betty Musick, Senior regional Director of the American Heart Association from Amarillo was present for the big event.

This was indeed a community effort, people walking, jogging and bike riding, people giving money for the turkey prizes, and people sponsoring the entrants.

A spokesman for the Hansford County Volunteers said that Rita Underwood was responsible for raising approximately \$1,000 for the event.

Hansford County residents, once again, opened their hearts and their pocketbooks to aid a very worthy cause.

The Texas Heart Dollar will be spent in the following manner: Research-27.1 cent to probe the unknown and find the causes, cure and treatment and preventing diseases of the heart and circulatory system. Because of the many outstanding research centers in this state 95.8 percent of every dollar raised in Texas is spent here. 25.8 cents for Public Education, 14.8 cents for Professional Education, 17.6 cents for Community Service, 8.8 cents-Fund Raising, 5.9 cents-Management and Supporting Services.

Members of the Turkey trot line-up as Coach Smith fires the starting pistol!

Lloyd Buzzard, on the left, shakes hand with Aubie Sparks, as their big race was declared a tie! Betty Musick, regional Heart Director is in the middle! Some \$3000.00 plus was raised at the turkey trot held here Sunday!

Engagement Announced Arts & Craft Show A Huge Success

Mr. and Mrs. Duane Mocents of Perryton announce the engagement and approaching marriage of their daughter, Judy to Carl Robinson, son of Mr. and Mrs. G.W. Robinson of Spearman.

A December 30 wedding is planned in the First Baptist Church of Spearman.

The Ninth Annual Arts & Craft Show sponsored by the Dahlia Flower Club held at the Library Nov. 4 and 5 proved to be one of the best ever held.

Crowds of people passed thru viewing the many exciting and beautiful crafts created by Hansford County and surrounding area people.

Tables of colorful hand painted china were displayed in the front section of the Library showing many hours of tedious and meticulous efforts of each participant.

In the back of the first floor were the antiques, fancy work, quilts, gem stone jewelry, rocks and many other varied and special items.

Creative Arts were shown on the second floor. Watercolors, oils, pen and ink drawings, charcoals, professional, and student paintings etc. by local and nearby artists.

There was also a men's section displaying crafts made by the men in the area.

All in all it was a great show and the Dahlia Flower Club is to be congratulated on sponsoring such a worthwhile and marvelous event each year.

Mrs. Virgil Floyd, a long time resident of Spearman and member of the club was chosen as "Woman of the Year" and was honored in a special ceremony with her family at 3 p.m. Sunday afternoon.

Display of the Month

Cathy McClelland's thimble collection is the Display of the Month at Hansford County Library.

Cathy's thimbles are ones she inherited from her grandmother, who resided in Illinois. Her collection consists of all types and sizes of thimbles and thimble cases. There are thimbles of ornate silver, brass and gold ones, carved ones, woven straw thimbles, and even an Eskimo thimble carved of Alaskan seal skin.

The history of the thimble is rather erratic. The Chinese may have been the first to use these small protective devices, although the Dutch claim to have

invented thimbles during the 17 Century. There are, however, bronze thimbles in England that are approximately 2,000 years old. The first thimbles were probably constructed of bone, wood, or leather.

Thimbles were known by various names in early days. At one time they were called "thumb bells" because they were worn on the thumb. They were also known as thimels, thimbils, and themels.

Doug and Cathy McClelland moved to Spearman from Arizona and several months ago. They operate the Refco Commodities office in the Pittman-Shield-knight Building.

Lee McClellan Honored On 90th Birthday

Mr. Lee McClellan was honored on his 90th birthday with a party at Martin's Steak Garden, Saturday, Oct. 28. The hosts were his children, Mr. and Mrs. J.K. Hicks, Mr. and Mrs. Roy L. McClellan and Mr. and Mrs. Wilson McClellan. Assisting were Miss Norma Hicks and his grandchildren: Mr. and Mrs. James Madison of Amarillo; Mr. and Mrs. Ken McClellan of Lubbock; Chris D. McClellan, WTSU at Canyon and Miss Jeannie McClellan of Spearman.

Brother and sisters, brother-in-law and sister-in-laws present to help celebrate were Dave McClellan of Gruver; Mrs. Walter Wilmet of Spearman; Miss Orene McClellan and Mrs. Howard Hunt of Lubbock; Lawrence Gruver, Mrs. Elmo McClellan, Sr., and Mrs. Ted McClellan of Gruver. He was presented a bouquet of rosebuds with one bud representing each year of his life by the above.

There were approximately 180 guests attending. Mr. McClellan received birthday wishes from his grandsons: Dr. and Mrs. David McClellan of San Marcos and Dr. and Mrs. Bill McClellan and Travis of Port Lavaca.

Out of town guests included Mrs. George Parker, Irvine, Cal.; Mrs. Bea Gibner Hiler, San Diego, Cal.; Mrs. Buella Jones, Phoenix, Ariz.; Mrs. Sherry Beck, Goodwell, Okla.; Mr. and Mrs. Paul Phillips,

Susie and Paula of Amarillo; Melissa Cyrus, Amarillo; Mrs. Clinton Wilson, Dumas; Mrs. Mack Dortch, Mr. and Mrs. Desmond Kelly of Morse; Mr. and Mrs. Billy Jarvis, Stinnett; Mr. and Mrs. Martin Sheets, Dalhart; Mrs. Otto Mangold, Pampa; and Mmes. Clifford George, Sandra Foster, Eunice Snyder, Jewell McClellan, Mr. Elmo McClellan, Jr., Mrs. Anson Ward, Mr. and Mrs. Ralph Bort, Mr. and Mrs. Gary Gummy and children and Mr. and Mrs. J.C. Harris all of Gruver.

Presbyterian Church News

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m. with an inspiring, practical Bible lesson led by a well prepared teacher.

"Life Is Hard for the Faint-Hearted" will be the subject of Pastor Edward D. Freeman's sermon on Sunday, November 12 at the service for the public worship of God at 11:00 a.m.

Presbyterian Women's Association will meet on Wednesday, November 15 at 9:30 a.m. at the church. Alice Turnbull will be the hostess and devotional leader. Patty Spoonmore will lead the Bible study lesson, "Beneath the Cross".

In the First Presbyterian Church human relationships are primary. Human relationships form a caring cell in which everyone has a place. The absence of a member hurts the sense of belonging.

Ed and Betty Freeman attended the Institute of Basic Youth Conflicts led by Bill Gothard all last week in Denver.

Ed Freeman and Carter McKemy attended the adjourned meeting of Palo Duro Union Presbytery on Saturday in Lubbock.

You will always feel welcome at the First Presbyterian Church. Come and become a part of this caring, sharing fellowship.

HD Club News

Happy Homes HD Club met in the home of Joyce Byres on Nov. 2 for their annual Thanksgiving luncheon. President Adalyn Barnes called the meeting to order.

Nan Nicholson made the motion to change the name of Home Demonstration Club to Extension Homemakers Club. Fontella McKee seconded the motion. The motion carried.

The Extension Club will have a home tour on Dec. 10. More information on this will be available later.

The annual meeting will be Nov. 28 at 6:30 p.m. with each member bringing a dessert salad. A program on candy making will be presented.

The clubs are sponsoring the Nov. 10 Veterans Day Program at the Varsity gym at 10 a.m. The 4-H Bake Show will be Nov. 18 during Bruce Stinson Day.

After a delicious meal the agent Peggy Winegarner gave a very interesting program on "Buffet Serving".

Members present were Adalyn abnes, Joyce Byres, Rose Cummings, Fontella McKee, Nan Nicholson and guests, Nancy Ingle, Wanda Reed and agent Peggy Winegarner.

Happy Homes HD Club will rent the Santa Claus suit again this year for \$5.00. Contact any member or call Adalyn at 3493 or Rose at 2721 to reserve the suit.

Mrs. K.D. Clark will present the Third Grade Square Dancers. Mrs. Franklin Horne and Mrs. Craig Schumann will play a number of Flute Duets.

The Hostesses will be Mrs. Terry Schneider, Mrs. Glenn Blodgett, and Mrs. Edward Freeman.

Six members of the Spearman Music Club attended the First District, Texas Federation of Music Clubs 18th Annual convention, November 4th, 1978 at Borger Texas. The theme was "Happiness is - Music," and was dedicated to All Past Presidents of District One, of which our own Mrs. J.D. Wilbanks was one. She served from 1970 to 1972.

Mrs. E.A. Hunter, Phillips, conducted the Business Session Eleven piano students of District one, participated in the Junior Mini-concert. Mrs. Verle Fletcher, Amarillo conducted the Memorial Service. The noon luncheon was served in the "Sundown Room" at Sutphens and the Borger Barbershop Bells entertained the 65 delegates with many musical numbers. Dr. Thomas Conlin, Director of the Amarillo Symphony, was the guest speaker, sharing the growth of the Orchestra.

The afternoon session included a President's Panel, of which Mrs. Dean Leighnor, Spearman Music Club President, took part. The convention concluded with a marvelous Performing Fine Arts Program, both vocal and instrumental. Mrs. John R. Yows, Borger, M.C.

Those attending from Spearman, Mesdames: Russell Townsend, Carl Kunselman, J.D. Wilbanks, Dean Leighnor, Don Knox, and Edward Freeman.

Letter To The Editor

Dear Editor:

I am absolutely enchanted with Spearman, Texas the Spearman Reporter and all the good people in your county. They have embraced the American Heart Association Turkey Walk with such enthusiasm and support that it has made me once again reaffirm my love affair with the Northern Panhandle of Texas.

The specific mission of the American Heart Association volunteers is to help reduce the death rate from heart disease in your community. In order to achieve this mission your Texas Heart Dollar will be spent in the following manner: Research - 27.1 cent to probe the unknown and find the causes, cure and treatment and preventing diseases of the heart and circulatory system. Because of the many outstanding research centers in this state 95.8% of every dollar raised in Texas is spent here. 25.8 cent - for Public Education, 14.8 cent - for Profession Education, 17.6 cent - Community Service, 8.8 cent - Funding Raising, 5.9 cent - Management and Supporting Services.

May I take this opportunity to thank all of the volunteers who have given so generously of their time, money and support in this fund raising project.

Andy Gorman Family

The Hansford County American Heart Association Volunteers would like to express our thanks to everyone that helped to make our "Turkey Walk" a success.

Special thanks to our local news media, the Spearman Reporter, the Gruver Statesman, Spearman Channel 6 and KRDF-FM for the excellent coverage.

Also a great big thanks to Jim & Gina McLain, Bro. Russell Pogue and Lynx head coach Preston Smith, Chief of Police Steve Wisniewski, the Volunteer Fire Dept., and the Fire-ettes.

Thanks to all the clubs and organizations for manning the pit stops. You did a fantastic job.

Last, but of course, not least, thanks to all who contributed to the purchase of the prize turkeys, and all those joggers, walkers and bike riders.

The volunteer heart fund committee has decided the people of Hansford County are still suffering from a very enlarged heart, but believe the prognosis to be wonderful.

Thanksgiving Day Safety

"Roast turkey--the favorite Thanksgiving entree--is a perishable food" reminds nutritionist Evelyn Spindler of the U.S. Department of Agriculture. "Practice these four important points so you can enjoy your Thanksgiving dinner safely."

--Always thaw frozen turkey in the refrigerator. Or--if you must thaw it more quickly--put it in a waterproof plastic bag, seal it tightly and defrost it in cold water. Never thaw commercially frozen stuffed poultry before baking. Put it directly into the oven.

--Cook turkey thoroughly to an internal temperature of 180-190 degrees F. Never partially cook it for final cooking later. Bacteria can survive in partially cooked poultry.

--Cook stuffing completely. It's safest to cook it separately from the turkey because stuffing inside a warm turkey is a breeding place for bacteria. If you're preparing stuffing for a large group, cook it separately and insert a meat thermometer into the stuffing until the temperature reaches at least 165 degrees F. Never stuff a turkey the night before cooking it.

--Refrigerate leftover turkey immediately. Remove the meat from the bones to make it easier

to store. If you cut it into small pieces, even cubes, the turkey will freeze fast and defrost fast for future use.

"In addition to Thanksgiving Day's turkey and stuffing, people should always guard against food poisoning," said Spindler.

"You can avoid foodborne illness by keeping perishable foods such as cream pies, cooked meats, seafoods and dishes made with eggs, fish, meat and poultry below 40 degrees F. Don't let foods stand at room temperature.

"Bacteria grow best in lukewarm foods. Don't give them a chance. Make sure seafood, poultry and cooked meats are kept hot, above 140 degrees F," she said.

Food borne illness can cause diarrhea, vomiting, stomach cramps, and other unpleasant symptoms which can last for several hours or even days. Food that is improperly handled, prepared or served is usually the cause.

"Don't let food problems mar your holiday. Keep food safe to eat by preparing and serving meals safely," said Spindler.

"What nobody seeks is rarely found,"

High Plains Productivity Depends On Supplemental Water

LUBBOCK--The value of the major commodities and livestock produced on the High Plains of West Texas and Eastern New Mexico in 1977 exceeded \$3.1 billion, according to information compiled by Water, Inc.

Included in that figure is the market value of cotton, corn, grain sorghum, wheat and fed cattle raised in the 56 Texas and six New Mexico counties on the High Plains.

This information and more is included in the Water, Inc., publication "1977 Agricultural Production," which is available upon request from Water, Inc., P.O. Box 367, Lubbock, Tex. 79008.

Fed cattle was the leading 1977 money maker, accounting for \$1.54 billion in sales. Last year the High Plains produced enough fed cattle to feed 19 million Americans for a year.

Among the major crops grown in the region, cotton was the leading commodity in terms of market value as sales surpassed \$957 million. Corn was next in line with a value of \$311 million, followed by grain sorghum at \$167 million and wheat at \$155 million.

"Since the productive capacity of the High Plains is directly tied to the availability of water, these figures show the significance of adequate irrigation water," according to Water, Inc., Executive Director Duncan Ellison.

In Texas 66 percent of the State's irrigated acreage is on the High Plains. Without that irrigated production, Ellison noted, Texas could not rank third among the states in agricultural commodity sales as it did in 1977.

"The High Plains, which depends on a depleting groundwater source for its irrigation, must have a supplemental water supply to maintain its proper capacity for producing food and fiber," Ellison concluded.

Vows Exchanged

Marriage vows were exchanged by Sherilee Frances Maupin and Steve Dennis Kerschen, both of Leadville, Colorado, at a twelve o'clock noon October 7th ceremony performed at the rim of the Rockies Ski Cooper Lodge against a background of magnificent mountain scenery.

Beautiful simplicity highlighted the oaken altar table with two white cathedral tapers in silver holders flanking a magna wedding candle, each marked with a tiny nosegay of autumn posies. Offering a fitting musical background for the nuptials were Dan Hoffman, accompanying himself on the guitar with Marty Hill of Denver on the base guitar, who sang "Annie's Song" by John Denver for the wedding procession and Marty Hill who sang "Evergreen" accompanying himself on the guitar for the recessional.

Officiant for the double ring ceremony was the Reverend Harold Newfield, minister of the Presbyterian Church of Leadville, whose marriage oratory was strikingly contemporary interwoven with the beauty of tradition. Accenting the ceremony was the reading of I Corinthians, Chapter 13 by Jim O'Neal of Leadville. The exchange of rings was blended with vows written by the couple and to complete a memorable service was the first act of these just wedded-togetherness of the Lord's Prayer joined with the entire assembly of relatives and friends.

The bride, who was escorted to the altar by her father, wore her mother's wedding gown—an elegant creation in ivory satin enhanced with appliques of exquisite imported Alencon lace and the gently gathered side drapes terminating in a full cathedral train.

She wore two veils of imported illusion, one, a full-length veil overlaid with an elbow length veil with Alencon appliques which were caught to a halo of flowers, one each from her wedding bouquet. She carried a Colonial bouquet of Woodburn Abbey rosebuds, autumn gold, bronze, and white daisies, preserved leather leaf, tiny white fuzz buttons, centered by two entwined pearl hearts and encircled with ivory lace, beribboned with ivory satin streamers with for-get-me-not bows and lovers' knots.

All of the gracious bridal traditions were carried out including the blue garter, a special hand-made and designed gift by Mrs. Clark Winkler of Gruver.

Her only attendant was her sister, Mrs. Merilee Maupin Nuttall of Leadville, who wore an elegant two-piece forest green crepe-back satin ensemble designed with long sleeves, tie throat line, and a blouson bodice with a flounced

brother of the bride from Gruver; Ron Walton and Mike Cauz, both of Leadville. Piece de resistance for the wedding reception were savory tacos and all of the tasty trimmings.

Members of the houseparty included Mr. Jim O'Neal; Mr. and Mrs. Rod Gifford; Mr. and Mrs. Ray Corbin; and Gail Lehman, all of Leadville; Linda Kerschen, Carmichael, California; Mr. and Mrs. Wes Maupin and Mrs. Gary Lawson, all of Gruver, Texas.

For a honeymoon trip to Vail, the new Mrs. Kerschen chose a two-piece earth-tone sheer period style dress with which she wore earth tone accessories.

Upon their return, the couple are making their home at Ski Cooper where Mr. Kerschen is the manager of Ski Cooper.

Pre-nuptial courtesies included a shower at the home of the Clark Winklers in Gruver, Texas; a bridal shower at the home of the Ray Corbins in Leadville; a bridal shower at the home of Mrs. Pat Chlouber, Leadville; and the rehearsal dinner hosted by Mr. and Mrs. Dennis Kerschen following the Friday night rehearsal with twenty guests enjoying the lovely meal and evening at the Prospecter near Leadville.

Out-of-towners who were there for the memorably happy occasion included two very special guests, the bride's 90 year old grandmother, Mrs. Ethel K. Maupin of Imperial, Nebraska who was accompanied by Mr. Merle Kirkpatrick, also of Imperial; and her aunt, Dr. Margaret M. Cook of Harleysville, Pennsylvania along with other very dear friends and relatives including sister of the groom and her family, Mr. and Mrs. Frank Cronin and Connie; Mr. and Mrs. Don Cronin; Mr. and Mrs. Theodore Berri, Mrs. Phillippi Eggleston, Mr. and Mrs. Bill Taylor, Mr. and Mrs. Chris Roberts, Mrs. Dwayne Helms, and Mrs. Gina Steikum, Mrs. Tom Rome, Mrs. John Pachero and Cristen, Mr. and Mrs. Mac Wieden, Miss Patt Shannon, all of Denver.

Among others who came for the nuptials were Mrs. Jim Pennell, Cobleskill, New York; Kurt Stacker, Boulder, Colorado; Denise Sullivan, Brigham City, Utah; Mrs. Marilyn Winsett, Dallas.

Also attending the Saturday nuptials were the groom's brother and his wife, Mr. and Mrs. Mike Kerschen, Grand Junction, Colorado; a cousin of the groom from Aspen, Scott Carpenter; Steve's sister, Cathy Kirschen of Wichita, Kansas; Mr. and Mrs. Howard Shannon and Rick, Broomfield, Colorado; Mr. and Mrs. Dave Engles, Colorado Springs; Mr. and Mrs. Myles Nuttall, Aurora, Colorado.

Those from Gruver attending the wedding were Mr. and Mrs. Glendon Etling, Mrs. Gary Lawson, and the bride's family, Mr. and Mrs. W. L. Maupin and Mr. and Mrs. Wes Maupin, Wynn and Wylie.

Early American colonists painted with a milk solution in which blueberries had been boiled to obtain a gray color for houses.

Spearman Reporter
Spearman, TX 79081

Dear Editor:

I am absolutely enchanted with Spearman, Texas, the Spearman Reporter and all the good people in your county. They have embraced the American Heart Association Turkey Walk with such enthusiasm and support that it has made me once again reaffirm my love affair with the Northern Panhandle of Texas.

The specific mission of the American Heart Association volunteers is to help reduce the death rate from heart disease in your community. In order to achieve this mission your Texas Heart Dollar will be spent in the following manner: Research - 27.1% to probe the unknown and find the causes, cure and treatment and preventing diseases of the heart and circulatory system. Because of the many outstanding research centers in this state 95.8% of every dollar raised in Texas is spent here. 25.8% - for Public Education, 14.8% - for Profession Education, 17.6% - Community Service, 8.8% - Fund Raising, 5.9% - Management and Supporting Services.

May I take this opportunity to thank all of the volunteers who have given so generously of their time, money and support in this fund raising project.

Gratefully,
Betty Musick

W.I.F.E. Members Attend Convention

The National Convention of W.I.F.E. (Women Involved In Farm Economics) was held this past weekend, Nov. 3-5 in Billings, Montana.

The convention opened with nearly 500 farm wives and their husbands hearing Arnold Paulson, National Director of Norm (National Organization of Raw Materials) speak on his economic theory. Paulson said "The nations economy is facing collapse" by consistent underpayment to the nations raw material producers. Agricultural products make up 70 percent of these raw materials.

Saturday's session began with Senator John Melcher, Montana, as guest speaker. He credited W.I.F.E. members with taking agriculture to Washington, D.C. Their fresh new approach was extremely effective in lobbying for agricultural legislation.

Following a welcome by Governor Tom Judge, Montana, W.I.F.E. President Betty Majors, Osceola, Neb. opened the meeting with a report on W.I.F.E. activities during the past year.

Acting Chairman of Legislative Affairs for S.C.S., Jim Olson of Washington, D.C. conducted a work shop on the legislative process. Olson stressed the importance of being specific and concise when communicating with your Congressmen and committee members from other states.

During the afternoon session, W.I.F.E. members from across the nation attended workshops and commodity meetings.

The evening banquet, attended by many husbands and

guests, was highlighted by speaker, Lt. Gov. Ted Schwindner, Montana.

On Sunday W.I.F.E. members considered resolutions submitted by individual states covering a wide range of issues vital to agriculture.

National officers elected for 1979 are: President, Betty Majors, Neb., 1st Vice Pres., Lavena Swanson, Ariz., 2nd Vice Pres., Lucille Bowman, Wyo., 3rd Vice Pres., Mildred Van Nahmen, Kan., 4th Vice Pres., Alice Parker, Wash., Recording

Sec., Vee Dunn, Texas., Treasurer, Nancy Kinder, Wash.,

President Majors closed the convention by reminding W.I.F.E. members that only by working together as a united force could they continue to educate and inform the American people on the vital issues of agriculture.

Attending from Spearman W.I.F.E. Chapter were George Holt, Barbara McClellan, Molly Turner, Elaine Odegaard, Ginger Turner and Sonya Gouffrey.

Choir Selling Magazines

The Spearman High School Choir is having a magazine sale in order to raise money for the activities throughout the year. This sale also consists of tapes, records, and cassettes of various types. The magazines may be ones you have never had and wish to have, or they may be ones you need to renew, but the subscription doesn't run out for a few months - that's fine - your renewal through the choir will not go into effect until your old subscription runs out. The magazines are offered at low price, but if you should happen to have an advertisement of a magazine of ours at a lower price, we will match that same price. Stand behind the Spearman High Choir by purchasing magazines, records, and tapes. The sale runs through Wed., October 25 to November 8. Contact any Choir member!

Johnny Cook Dies In Missouri

Word was received here early this week of the death of Johnny Cook, 9 year old son of Mr. and Mrs. Carroll Cook, former residents of Spearman. The Cooks moved to Missouri about 9 months ago.

Johnny died Sunday night in St. Louis, Mo. hospital. He was a cancer victim.

Funeral services are scheduled for 1 p.m. Thursday, Nov. 9 in the Precest Miller Funeral Home, Jackson, Mo.

Consumer Food News

COLLEGE STATION--Budget items at Texas grocery markets this week include eggs, fryer chickens, onions and potatoes. Gwendolynne Clyatt reports.

Also, low-price feature items are bananas and cheeses in some markets, she says. Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price-quality trends are the following: **POULTRY**--Eggs are a low-price source of top-quality protein compared to many meats. Fryer chicken prices are steady with features on whole birds and parts.

FRESH VEGETABLES--Both onions and potatoes have low prices. Other economical items are pumpkin, bell peppers, cooking greens and dry beans.

Varying prices--with some bargains--appear on cabbage, rutabagas, hard-shell squash, sweet potatoes, Brussels sprouts, eggplant and cauliflower. Compare prices on these before buying.

FRESH FRUITS--Bananas have feature prices in many markets.

Apple production is heading toward a record second-largest crop in 45 years--perhaps 11 percent over last year. Best buys are bagged apples usually.

Reasonable prices appear on pears, cranberries and grapes. Grapefruit supplies and quality are improving weekly.

DAIRY--Many varieties of cheese are features in some markets.

PORK--Prices are still relatively high. However, the most economical cuts, generally, are Boston butt roasts, rib and loin-end roasts, quarter-loin cut into chops and liver.

BEEF--Prices also remain relatively high. A few markets are featuring chuck cuts of beef, sirloin steaks and liver. One economy item is ground beef with soy protein.

HOLIDAY WATCHWORDS:

the way to California and his wagon broke down out-side Hansford and the family has lived here ever since. Or did you move here because of job opportunity!! Every one has a store to tell, and we are interested in it.

Be thinking about what you will put in your family biography. You can start by checking on dates and places, digging out old photos, reminiscing with family, then getting some notes on paper.

A fully informative letter will be mailed to all families in the county in the near future.

The book will also include items about communities, churches, organizations, agriculture, industry, medicine, business, local government, education, schools, historical landmarks, libraries and the museum.

All book sales will be in advance at \$35.00 a copy. All money will be kept in escrow until the book is assembled. The money and the book will be sent to the publisher at the same time. The publisher is the Craftsman Printer's in Lubbock, in association with the Taylor Publishing Co. in Dallas. They also publish the school annuals.

Does writing a County History Book and having it published sound like a big project? Yes! But, when you get a group of interested people full of energy, all working together, that puts job effort to a minimum, with the end results and irreplaceable keepsake, some thing to be proud to have.

We are interested in every family living in the county, whether you are part of the homesteading families or if you moved her the day before yesterday. Maybe your grandpa was crossing the plains on

or immediate premises, yet not so ill as to require nursing home care or the aid and attendance of another person. Coker said VA's problem is that, although the agency knows the identity of those receiving DIC and aid and attendance payments, it has no way of knowing how many of the DIC recipients are sufficiently disabled to be eligible for the new benefit.

"Prior to passage of this new benefit, these individuals were not covered for a confining disability that did not require nursing home care or aid and attendance, so they have never applied," he said.

To alert potential beneficiaries, Coker said his agency has enclosed a notice of the new benefits category with its November DIC checks.

The VA official also said he's asking national veterans organizations to assist the agency in locating widows and widowers of veterans who may be eligible for the housebound benefit.

And he urged any surviving spouses of veterans who have further questions concerning eligibility to contact the nearest VA office veterans county service office, or a member of one of the veterans organizations in their community.

Veterans News

The Veterans Administration is making a special effort to acquaint a quarter of a million surviving spouses of veterans as to their possible eligibility for an additional monthly benefit payment just authorized by Congress.

Waco VA Regional Office Director Jack Coker said the new added payment of \$45 a month will go to Texas widows or widowers now on VA Dependency and Indemnity Compensation rolls who are so disabled as to be confined to their homes

with coat and tie or military uniform. Formal attire is also appropriate.

For tickets or information, call Jack Tipton at 374-1575 or John Kuhn at 372-9911 ---- or contact your local area veteran or military group representative.

Crop & Livestock Reports Needed

From mid-November to early January, thousands of Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. The information gathered through the questionnaires and interviews provides the basis for determining the final acreage, yield, and production of crops and end-of-the-year livestock and poultry numbers for the state of Texas and for each county.

Reliable information on what is produced, how much, and where is important to farmers, ranchers, and others in making production and marketing decisions and in providing an unbiased picture of Texas agriculture. These are also essential to legislation and are used in establishing acreages and payment levels to producers under the various commodity programs.

The collection and publication of agricultural statistics are a cooperative effort between the Texas Department of Agriculture and USDA. This cooperation avoids duplication of effort, promotes economies, and increases the effectiveness of statistical reports. All individual farm and ranch information is kept confidential, and only state and county summaries become part of the final published estimate.

All Hansford County farmers and ranchers receiving the questionnaire are urged to fill it out carefully, and return it promptly.

County statistics for 1977 and January 1, 1978, are available on livestock, Poultry, Dairy, Field Crops, Small Grains, Cotton, Vegetables, Fruits and Pecans, and Cash Receipts from the Sale of Texas Farm Commodities. Bulletins can be obtained from the Texas Crop and Livestock Reporting Service, P. O. Box 70, Austin, Texas 78767, or by writing Reagan V. Brown, Commissioner of Agriculture, P. O. Box 12847 Capitol Station, Austin, Texas 78711.

Bruce Stinson Still Hospitalized

Since the last report in this paper Bruce Stinson of Waka has had more serious complications. He had his fourth skin grafting operation on Oct. 9th. This operation was for some grafting on left arm and a small place on his head which the Dr's thought wouldn't be serious. The operation on his head found more serious problems than had been expected. The electricity from the original burn had penetrated the brain membrane. This caused a spinal seepage which resulted in spinal meningitis. Bruce went into a coma and was very critical for several days.

He regained consciousness after six days. He was unable to talk at all for 2 more weeks. He is just now beginning to say a few words. He understands what is said to him, but is unable to say his thoughts. The Dr's say that the brain scan still shows some swelling and they think, as the swelling goes down, that his speech will return.

In the meantime, he is going to physical therapy to gain his strength back and speech therapy. He walked for the first Friday Nov. 3rd with help. Bruce has had stomach problems, too, since the coma. He had not been able to eat. Just Friday he was started on liquids.

Bruce was in an accident involving electrical high line wires at Canadian, Sept. 9th.

Bruce is a Junior at Spearman High and son of Lesley & Maurine Stinson of Waka. Bruce enjoys cards and mail. address is Parkland Memorial Hospital 5th Floor Burn Center Dallas, Texas 75235

Bruce and his parents want to say "Thank You" to all their friends for their concern, phone calls and financial help to Bruce's Medical Fund, but most of all for their prayers. Words cannot express our sincere appreciation for all that has been done and prayers said.

Bruce will probably still have several weeks of hospitalization before coming home.

Comptroller Pip Squeak's Rep To Visit Here

AUSTIN—State Comptroller Bob Bullock announced he is sending a representative from his Amarillo Field Office to Spearman on Wednesday, November 15, 1978 to assist local taxpayers and answer questions about State Taxes.

Bullock said Enforcement Officer John Lindsey will meet with local taxpayers at the County Judge's Office in the Hansford County Courthouse from 10:00 A.M. until 12:00 P.M.

"If Hansford - area merchants, or any one else for that matter, have any questions about State Taxes or need help in preparing tax forms Mr. Lindsey will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on November 15, 1978 that they can still get their questions answered quickly by calling his TOLL-FREE TAX INFORMATION NUMBER in Austin. That number is 1-800-252-5555.

The Amarillo Field Office, headed by Claudia Stravato, serves the twenty-six counties for the Texas Panhandle.

AREA STUDENTS LEADERS IN COLLEGE BAND

The Panhandle State University Band is one of the most "talked about" subjects in the five state area because of their outstanding playing ability and growth. The band took the slogan of "Pride Makes the Difference" and this is being shown at their appearance at football games, concerts and parades.

The band started the fall season marching in the Tri-State Fair parade, playing at pep rallies and home football games. The band gave a concert at Granada, Co., on their way to Colorado Springs where they followed the Aggie football squad. They also toured Pikes Peak and the Air Force Academy while on the trip. The band is under the direction of Mr. Randy Raines.

Farm Bureau Annual Meeting Set

DALLAS -- Parity prices, regulatory agencies, export markets, energy problems, and taxes are among the major issues facing farmers that will be aired at the Texas Farm Bureau's 45th annual meeting here Nov. 26-29, according to Carrol Chaloupka, TFB president.

The policy development process of the state's largest farm organization will climax with adoption of state policies for next year, Chaloupka explained. The expected 1,100 voting delegates from the 212 organized county units in Texas will also approve recommendations for national policies. These will be forwarded to the American Farm Bureau Federation annual meeting in January in Miami Beach.

Theme for this year's convention which will be held in the Dallas Hilton and Dallas Convention Center is "Farm Bureau for Freedom and Profit." The state farm organization has made an intensive effort to get the thinking of its producer-members on policy positions, Chaloupka said. Some 50 multi-county meetings were held around the state in the summer months to plan for maximum participation in the policy development process, he added.

In addition to taking care of policy matters, the voting delegates will elect directors from six of the 13 TFB districts and a president. The TFB Board of Directors will meet immediately following adjournment of the convention to elect a vice president and secretary-treasurer from among their own number. The business session of the convention will begin at 10 a.m. Tuesday, Nov. 28, and continue until all proposed resolutions have been disposed of. The last order of business is election of directors and the president.

Chaloupka and a guest speaker yet to be announced will address the convention on Monday morning, Nov. 27. S. M. True Jr., Plainview, TFB secretary-treasurer, will make his report that morning.

Conferences set for 1 p.m. Monday include Animal Health, Energy, Cotton, Wheat and Feed Grains, Rice, and Farm Bureau Services. Scheduled at 3:30 p.m. are conferences on Livestock, Peanuts and Oilseeds, Research and Education, Farm Labor, Water and Dairy.

A number of activities involving young people are scheduled during the convention. The Discussion Meet and Talent Find competition will be Sunday evening in the Dallas Convention Center Theater, and the Queen Contest is set for the same theater on Monday evening.

Various recognition awards will be interspersed throughout the meeting. Awards are given each year to counties with outstanding achievements in membership, public relations, safety, and services. Individual awards include the Outstanding Young Farmer and Rancher Award and the Meritorious Service to Agriculture Award.

Other individuals who will appear on the program include Warren Newberry, Waco, TFB executive director, who will make his annual administrative report at the beginning of the business session. Rev. Richard Freeman, pastor of the First United Methodist Church,

Waco, will be vesper speaker Sunday evening. Ms. Bobbie Wygant, KXAS Television, Fort Worth, will speak at the Ladies Luncheon on Monday.

Millard Shivers, Dallas, director of rural development for Blue Cross/Blue Shield, will emcee the Talent Find. Layton Black, Goldwaite rancher, will be emcee for the Queen Contest. Moderating the Discussion Meet will be Bob Gruner, Canyon, chairman of the TFB Young Farmers and Ranchers Advisory Committee.

4-H Membership Climbs

COLLEGE STATION -- Almost 34,000 more Texas youth were active in the 4-H program during 1977-78 than the previous year, according to the latest figures. Current 4-H enrollment stands at 137,500.

4-H, for boys and girls between the ages of 9 and 19, is the youth development phase of the Texas Agricultural Extension Service established in 1915 to diffuse among the people practical information relating to agriculture and home economics. However, 4-H goes back further than that. It actually had its beginning in 1908 in Jack County when a boys' corn club was organized to help youth grow better corn. Shortly thereafter, girls got involved in such organized groups as tomato clubs, canning clubs and poultry clubs.

"4-H in Texas has grown from an organization for farm boys and girls to one that offers a wide range of learning opportunities for all youth," points out Dr. John T. Pelham, state 4-H and youth leader with an Extension Service.

Girls now consistently outnumber boys. Current figures show 72,472 girls to 65,028 boys. More than 19,500 4-H'ers come from towns and cities of more than 10,000 to 50,000 population. Almost 28,000 still live on farms and ranches while the remainder live in small towns under 10,000 population.

According to current figures, the number of organized clubs and groups has also increased from 2,699 to 3,136.

Assisting professional Extension staff members in carrying out effective learning activities and programs are 22,552 volunteer leaders, 843 more than a year ago. Of these, 16,175 are adults and the remainder are junior and teenage leaders. "We rely heavily on our volunteer leaders to organize 4-H activities and to conduct worthwhile learning experiences for 4-H boys and girls," points out Pelham. "They are a vital cog in our total program, from recruitment to providing expertise in teaching various subject areas. Of course, we welcome any interested individuals to join the ranks of our volunteer leaders."

4-H continues to be a vibrant organization that is leading the way in helping youth learn practical skills and gain a knowledge of their environment that will make them better citizens and leaders of tomorrow. It is an organization worthy of public support, contends Pelham.

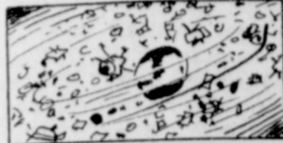

YMCA Selling Tickets On Afghan

The YMCA has a new project that they need your help with. They are in the process of doing some remodeling on the YMCA building (the old community building), and are also getting some equipment. Everyone knows that remodeling and equipment takes a lot of money and they can do this with your help.

They have a fund raising project. Recently, Bob and Janie Simpson were visiting their daughter and son-in-law, Carolyn and Wayne Cummings, and while they were here Janie donated a hand crocheted reversible afghan to the YMCA. The afghan is orange and brown and the pattern comes from the Scandinavian countries and was given to Janie by a friend. The afghan is approximately 5 ft. 2 in. by 5 ft. 4 in. It will be displayed by various local merchants during the weeks to come. Tickets on the afghan will be available from any of the

Board of Directors of the YMCA at \$1.00 each. The drawing will be at an open house on Dec. 17 at the YMCA building at 3 p.m. Free coffee, cakes and donuts will be furnished.

The Board of Directors of the YMCA include Jim McLain, Charles Shieldknight, Carolyn Cummings, Pat Trout, Grady McCormack, Tommy Russell, Allen Alford, Rondal Schell, Timm Woodington, Don Wirsdorfer, Bob Farr, Kim Brock, Lucille Moreno, Rick Kirk, Carl Reed, Jim Ivey, Dee Allen, Buck Tucker and David Floyd of Spearman, and from the Gruver Morse area, Lynn Davis, Gene Duncan, Carl Cooper, Ferrell Johnson and Bob Womble.

USDA Sharpens Land - Use Assistance

WASHINGTON, Oct. 30--Agencies of the U.S. Department of Agriculture have been directed to avoid proposing or assisting actions that could reduce the amount of land available for food and fiber production. In signing a revised departmental land-use policy memorandum here today, Secretary of Agriculture Bob Bergland said he expects department agencies to step up their assistance to local residents and local agencies in their efforts to retain important farmland, forestland, rangeland and wetlands and to avoid encroachment into flood plains.

"We will continue to recognize and respect the rights and responsibilities of landholders in making private land-use decisions," Bergland said. "But federal agencies oversee numerous programs that affect and sometimes encourage the irreversible conversion of important agricultural land to other uses."

"We want land-use decisions to respond to social and economic

needs of local residents, but we also want to help protect the natural environment, develop high quality living space and assure adequate supplies of food, fiber, wood and water."

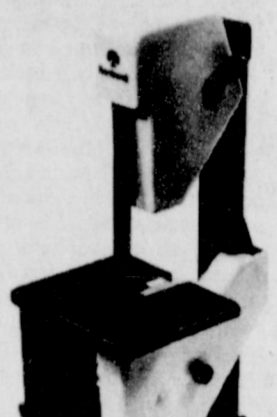

The memorandum orders all department agencies that administer grants, loans, regulations or technical assistance programs to review their actions and make any changes necessary to minimize program impacts that might reduce the amount of agricultural land.

Bergland also said the department will intercede in decision-making by other federal agencies where conversion of important agricultural lands is caused or enabled by those agencies' programs. "We will participate in planning when invited," said Bergland, "and we will review and comment on draft environmental impact statements and proposals for action."

"Responsible levels of government must encourage and facilitate the use of our nation's land resources with wisdom and

foresight," the memorandum asserts. "This statement reflects the department's concern with the serious challenges the nation faces in retaining an adequate natural resource base and in meeting environmental, social and economic needs."

The directive is Secretary's Memorandum No. 1827, revised.

Southwest Farm Show & Tractor Pull Dates Set

Fort Worth (Spl) - Dates for the 1979 Southwest Farm Show & Championship Tractor Pull have been set for March 9, 10 and 11 in the Tarrant County Convention Center, according to R.B. Allen, Executive Vice President, Southwest Hardware & Implement Association, sponsor.

Tractor pulls have been increased to include March 8, 9, 10 and 11, with 4-wheel drive vehicles pulling on the first two

nights in addition to tractors. "We have added a new exciting 4-H wheel drive pull for the first two nights plus regular classes of tractors. On Saturday and Sunday nights only tractors will be featured," Allen said.

The Southwest Farm Show, which is free to everyone, will feature every kind of farm and ranch equipment and supplies. Thousands of dollars in door prizes will be given away each day of the show.

The show will swing open its doors each day at 10:30 a.m. Attendance last year exceeded 72,000.

A Natural Fibers Fashion Review will be held on Saturday with homemakers from three states competing for generous prizes with homemakers from three states competing for generous prizes from J.C. Penney and the farm equipment dealer's association.

Future Farmers of America will compete March 9 in the statewide FFA Tractor Mechanics Contest. Hundreds of dollars of prizes will be awarded these youthful agriculturists.

Jack Linkletter, TV Star of "America Alive", will be the special luncheon speaker at the New World of Agriculture Forum on opening day, Friday, March 9. Tickets may be purchased from farm equipment dealers or your local county Extension agent.

Reserved seat tickets to all of the tractor pulls and 4-wheel drive pulls went on sale November 1. They may be ordered

by writing Southwest Championship Tractor Pull, P.O. Box 938, Fort Worth, Texas 76101 or by calling 817/335-5777.

SOUTHWEST CHAMPIONSHIP PULLER Roby Watson, Leonard, Texas - seen here pulling his super stock "Mean Green" - typifies the action fans will get to see at the 1979 Southwest Championship Tractor Pull held in Fort Worth, March 8, 9, 10 & 11. Pullers will be competing for more than \$35,000 in purse money.

Veteran's News

The Veterans Administration today alerted disabled veterans in Texas to a provision of a new law that could mean an additional \$175 a month in VA compensation payments to them.

The added payments are authorized by "The Veterans Disability Compensation and Survivors Benefits Act of 1978," which was signed on October 18, by President Carter.

In general, veterans eligible for the additional payment are those who suffered the service-connected loss, or loss of use, of one extremity, and who have subsequently lost the paired extremity from non-service-connected causes.

The veteran must have been rated less than 100 percent disabled by VA for his service-connected injuries to be eligible for the newly added compensation for non-service-connected loss, Jack Coker, Director of the Waco VA Regional Office, said. Currently, the average monthly VA compensation payment for a veteran with service-connected loss of a leg, or its use, is \$211.

Coker said VA is issuing a special appeal for assistance from national veterans organizations in locating disabled veterans who may qualify for the new benefit.

"Our computers can identify veterans who have service-connected loss of extremities, but we have no way of knowing how many of them have subsequently lost a paired extremity from non-service-connected cause," he explained.

Coker urged any disabled

veteran who believes he might be eligible for the additional payment to contact the nearest VA Regional Office, veterans county service office, or a member of one of the veterans organizations in the community.

IT'S THE MOST!

A couple from India hold the honors for the longest recorded marriage—86 years. Sir Temulji Bhicaji Nariman and Lady Nariman entered the bonds of matrimony in 1853 when they were both only five years old.

To create a strong bond when you want to tackle minor repair jobs around the house, you need a strong adhesive such as Eastman 910 adhesive. It's just the thing for mending the torn soles of sneakers and other athletic shoes and for repairing broken items made of metal, plastics, hardwoods and ceramics. All it takes is one drop and fingertip pressure.

Consumers Cost To Rise With Energy Bill

(WASHINGTON)—Consumers will be paying more—not less—for their utility bills now that President Carter's energy bill will be passed into law, Rep. Jim Collins said.

Congress passed the energy bill in the final hours of the session and it is due to be signed by the President after the November election.

"This bill simply calls for price controls on natural gas. Price controls create shortages and shortages force consumer prices to rise. The government insists on establishing artificial limits on the price of energy instead of letting the free market take care of itself," the Texas solon said.

Collins noted some of the key ways consumers will be affected by price controls on the producers of natural gas:

In 1973 Congress established price controls on domestic oil at \$5.25 a barrel, while foreign oil's market price rose to \$14.50 a barrel. In 1973 we imported \$5 billion of foreign oil, today we import \$50 billion. We are now repeating the same mistake with natural gas.

Producers will not be allowed

to reflect the difference in drilling costs. For example, it costs an average of \$157,000 to drill a well 15,000 feet or less, but it costs \$2 million to drill a well below 15,000 feet which is where most of America's reserves are. If not allowed to reflect cost differences, producers will not be able to drill those deeper wells and domestic shortages of oil and gas will result.

The red-tape and regulations involved in the creation of 20 new categories of natural gas will delay the production of new gas wells for months and years. Producers will have to wait for state agencies, the Federal Energy Regulatory Commission (FERC) and the courts to decide under which category gas should be classified. All the while costs to the producer will rise.

"We can already see what the effect is of importing great amounts of oil from the Arab OPEC countries. The more oil and gas we import from Canada and Mexico the more the value of our dollar will fall on world markets and our inflation will rise," Collins said.

Update Wardrobe For Holidays

COLLEGE STATION -- Update last year's holiday wear to look current and new with a little imagination and careful planning, Becky Culp, a clothing specialist, suggests.

This will help settle the annual question of "what to wear to this year's festive holiday activities."

Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

HOLIDAY MOOD

For holiday, the mood is feminine, glamorous and elegant, without being gaudy.

Prominent fabrics include a mixture of crepe de chine, chiffon, velvet, charmeuse, tissue faille, taffeta, crepe, jacquard satin and lame, she reports.

Colors range from soft dusties to disco brights in cranberry, rose, oatmeal, peach and particularly black.

Designs feature narrowed skirts, wider shoulders, tapered pants, tunics with side slits, uneven hemlines, boleros, waistline emphasis, tuxedo detailing and big tops or dresses with extended shoulder seams, shirring, tucks, squared-off yokes and dolman sleeves.

WARDROBE UPDATE

Update last year's wardrobe by tapering the legs of dressy pants by taking in each leg's seam an equal amount starting at the hemline, Mrs. Culp says.

Add a big, loose top, vest, tunic or blazer in a current color or fabric.

Or, add a dressy vest or bolero to last year's dress.

A too-short dress with loose lines has potential to become a tunic by slitting the side seams, she continues.

An accordion pleated skirt added to a dressy blazer, top or

dress shortened into a blouse is another possibility.

Try layering garments together in new combinations such as vests over jackets, dresses over pants, and so on.

ACCESSORIES

Accessories can easily update, too.

For evening, consider metallic or iridescent high heel sandals, shaded or lacy textured hose, veils or jeweled clips for the hair and drop and dangling earrings.

Jewelry is oversized, very fake, glittery and fun, the specialist adds.

BE A PART-TIME SOLDIER.

If you want to do something different and challenging 16 hours a month, then the Army Reserve is the place to do it. From repairing a radio to driving a tank. Call your local unit to see what's available. It's listed in the white pages under "U.S. Government."
