

Homecoming here this Friday

This beautiful sign painted by the local pep squad, was completely destroyed by the Lynx, in their rush to get on the field in the Frenship game. The Lynx won the game 18-7. They are preparing for their homecoming game against Elk City, Oklahoma, this Friday night, 7:30 p. m.

And this is the Purple Garg that destroyed the pretty sign painted by the pep squad! The angry purple will have their hands full against a potent Oklahoma team, when they host Elk City, at their homecoming game.

Hansford Farmers Attend Convention!

City Sales Tax Up 19% From 1977

State Comptroller Bob Bullock said Friday that his office has sent checks totaling \$70.1 million to 900 Texas cities as their September share of the local option one percent sales tax.

The September rebates raise the cities' total for the year to \$306.5 million, an increase of 16.3 percent over the same period last year.

The sales tax is collected by merchants and other sales tax permit holders along with the state sales tax and rebated monthly to the cities in which it is collected by the Comptroller's office.

The City of Spearman received \$16,834.79 this year as compared to \$14,928.72 for the same period last year.

1978 payments to date total \$84,419.60 compared to \$70,704.08 which is an increase of 19%.

The City of Gruver payment this period was \$3,863.74 compared to \$4,240.22 in 1977. 1978 payments to date to Gruver are \$15,450.62 compared to \$17,219.75, a decrease of 10%.

Proposed Rules for 1979 Feed Grain

The Secretary of Agriculture proposes to make the following determinations with respect to the 1979 crops of corn, sorghum, barley and oats: (a) whether barley and oats should be included in the Feed Grain program; (b) the amount of the 1979 National Program acreage; (c) the reduction from previous years harvested acreage required, if any, to guarantee target price protection; (d) whether there should be a set-aside requirement and if so, the extent of such requirement; (e) whether there should be a land diversion program, and if so, the extent of such diversion and level of payment; (f) if set-aside or land diversion program is required, whether a limitation should be placed on planted acreage; (g) the loan and purchase levels for the 1979 crops

and feed grains (corn, sorghum, barley, oats, and rye), and soybeans, including commodity eligibility, storage requirements, premiums and discounts; (h) established (target Price); and (i) CCC minimum resale price and other related provisions necessary to carry out the loan, purchase and payment programs. **NOTE:** This notice invites written comments on the proposed determinations. Comments must be received on or before October 10, 1978 to be assured of consideration.

ADDRESS: Acting Director, Production Adjustment Division, ASCS USDA, Room 3630, South Building, P. O. Box 2415, Washington, D.C. 20013. For further information contact: Orville I. Overboe (ASCS) 202-447-7987 or Paul Meyer (ASCS) 202-447-8373.

Texas farmers, stung but not defeated by House rejection of the Emergency Farm Act of 1978 in April of this year, returned home and went to work to secure representation in the dominant Democratic party in its state convention, held Sept. 15-16 in Fort Worth. That drive culminated in the adoption Saturday of a platform plank which declared that the Democratic Party in Texas supports 100% parity in agricultural pricing, producer representation in policy making and implementation in USDA development of alternate energy sources (such as alcohol from grain); and opposes foreign ownership of US farmland and flooding of US markets with cheap foreign food imports.

Also adopted by the convention was a resolution upon all Democratic office holders to support the 1976 Democratic Platform in its call for 100% parity for agriculture--or "step aside in the best interests of the party and nation." The resolution additionally called for the labelling of all agricultural products as to the country of origin.

It has rained 1.60 in Spearman as of 7 a. m. Wed.

and called for this identification to remain bound to the product all the way to "the ultimate consumer." When this resolution was considered by the Resolutions Committee, it was adopted unanimously. In a vote which was regarded as a test of rural strength in the convention, a Rural Agricultural Caucus candidate for vice-chairman of the State Democratic Executive Committee, Billie Veach of Burnet, strike cap and all, drew over 1100 votes of the approximately 3100 voting, against an incumbent, black, big-city candidate.

From the 31st Senatorial Dis-

trict, 3 agricultural representatives were elected or appointed as delegates to the National Convention in December, bent on making certain the National party is made aware of the platform and resolutions statements concerning agriculture that came out of this state convention.

Attending the Convention from Hansford County area were:

Burton Schubert, Hazel Taylor, Betty Porter, Wanda Schubert, Earl Taylor, and Chalmers Porter. Jerry Gee went for press and observer.

The Spearman 9th grade will host Stratford here Thursday September 21st, in an afternoon game, while the 7th and 8th grade, and the B team has open dates. The big game of the year for the Lynx, will be homecoming against Elk City, Oklahoma. Elk City lost a 2-touchdown thriller to the No. 2 Class A team in the state, Wellington last Friday night, while The Lynx were winning their game against Frenship.

Injuries will plague the Lynx this Friday night, when they open against Elk City at 7:30 p.m.

The tri-captains of last weeks game against Frenship, all suffered some injuries. Billy Snider was sidelined with an injury, Billy Sellers has his arm in a sling this week, and John Reneau the other tri-captain, underwent knee surgery Monday of this week, and is lost for the season. Reneau has been an outstanding star for the Lynx for several years, and everyone hated to see this fine boy injured. Both Snider and Sellers should be able to play Friday night.

The defense for the Lynx had to be the bright spot of the Lynx 18-7 here Friday night! Or, was it the offense, which cranked up

more than 300 yards on the ground? For sure, two new stars were born of necessity Friday night, when Boone and Lozano had to take over the running chores, and successfully ground out 3 touchdowns against the potent Frenship team.

Quarterback Newton improved greatly, and actually completed a beautiful long touchdown pass, that was ruled "off the field of play" in the first half. Each week the team is coming around to the "I" formation, and fans had better get ready for some real thriller-diller games, starting with homecoming this week.

Elk City, a town of 10,000 people, is the center of an oil boom, and their school town is growing at a fast pace. They will come to Spearman with one of the largest delegations in the schools history. The oil rich "Okies" will be plenty tough, and we look for a close, hard-fought contest.

Fans also are reminded to come early Friday night, as school activities will include the crowning of the football queen, and other activities. Of course, the fantastic Spearman high school band will be performing. They are doing a fine job!

Minimal Increase Seen For Auto Ins

The new schedule for adjustments to rates charged for auto insurance adopted earlier this month by the State Board of Insurance is not as bad to the local area as in most places around the state and represents an overall 1.6 per cent increase. Spearman and Hansford County motorists still have it better than more than half of the 40 districts in the state.

The adjustments will be made on policies written on November 1 and thereafter. Of the forty rating territories in Texas, 20 will receive increases, 18 will be reduced, and two will not change. The average passenger car rate for the entire state will be 3.2 per cent greater than rates charged during the past two years.

For the purpose of calculating the averages, a risk was assumed

to be a 1978 medium-priced Ford, Chevrolet or Plymouth, not used in business but driven to and from work. No male operator under 25 was included in the family and the coverages were assumed to be \$10,000, \$20,000, \$5,000 liability; \$5,000 personal injury protection; \$50 deductible comprehensive; and \$200 deductible collision.

The rates for the Western district, of which Spearman is a part, looks like this under the above conditions: Bodily injury, \$25; property damage, \$41; personal injury protection, \$25; comprehensive, \$63; and collision, \$99 for a total of \$253. That's up \$4 (or 1.6 per cent over the previous two years.) The main differences in the adjustments is in the comprehensive and collision areas. Comprehensive went down \$10

from \$73 to \$63. That's somewhat surprising considering the extensive hail damage the county and general area suffered earlier this year. The collision soared from \$77 to \$99 for the period.

Present rates run from \$226 in the Southeastern territory to \$363 in Harris County. New rates will be \$224 in the Southeastern territory, a \$2 reduction, and \$377 in Harris County, a raise of 3.9 per cent.

Insurance industry requests for increases were for an average of 8.9 per cent on passenger cars. The total on that basis would have been \$95 million in additional premiums. The amount granted by the board is a \$35 million increase, about \$60 million less than was sought.

RAINFALL IN AREA

Spearman reported 1.60 rainfall as of 7 a. m. Wednesday morn. Heavy thunder showers began in the area on Tuesday. As we go to press early Wednesday, it is still raining hard in Spearman! This will be one of the best weath rains in years, apparently!

Markets

WHEAT	\$2.85
MILO	\$3.35
CORN	\$2.16
SOYBEANS	\$6.00

Two pretty girls from Spearman high school, protect the spirit wagon, at the last ball game, as Stinson Gibner, gets ready to take a picture of the boys in action for the annual. Gibner is one of the outstanding photographers in the area. They will all be on hand for the homecoming game Friday nite!

Building permits

As of September 1st, building permits in the city of Spearman totaled 359,700.00, and is off from last year. Permits for January totaled 18,500 for new home additions. For February, there were no building permits, probably because of the extremely cold weather. March permits totaled 68,000 for 3 new homes, and 20,000 for a Mobile home. April permits were 62,500 for 2 new homes, and 1,500 for Mobile home, 500 for home repair, and 30,000 for business remodeling. May totaled 5,000 for home repair. June 78,000 for two new homes, 13,000 for home repairs, and 500 permit for business additions. July 3,200 for business repair. August, 58,000 for two new homes, and 1,000 for a storage shed. The grand total was 359,700.00. This does not include the new Motel and other permits that will be included in the September report. The new Motel will be for approximately 360,000.00 and will almost double the permits to this time of the year.

DUCK CROSSING Grauper Editor Fran Mauvin, reports ducks on the highway, in the Lowell Turner area, 9 miles West of Spearman. Drivers are urged to use extreme caution in this area, to protect our feathered friends!

Projects Displayed At Field Day

HALFWAY--A diverse array of research projects to benefit producers on the Texas High Plains were viewed by an estimated 1,000 visitors at the 69th annual field day of the Texas Agricultural Experiment Station facility here.

Tractor-drawn trailers shuttled the visitors around the 320-acre research farm here Tuesday, Sept. 12. More than a score of research projects were exhibited.

Five major presentations explained the latest research on weed control, labor management, corn irrigation, cotton variety and disease control, and exhibited a new mobile trickle irrigation system.

Prior to the open house and tour, the board of directors of the High Plains Research Foundation met at the center. The foundation supports the research conducted at the facility.

At that meeting, the TAES presented a plaque to Jack Cloude, executive director of the foundation, in appreciation for his "dedication and contributions to agricultural achievement in Texas." The presentation was made by Dr. Robert G. Merrifield, associate director of TAES, College Station.

Among the through touring the research facility were Dr. O. D. Butler, associate vice president for agriculture and renewable resources at Texas A&M University, College Station; Merrifield, and Dr. Dudley T. Smith, Assistant director of TAES.

At one of the five major stops, Dr. John Abernathy, TAES weed scientist, outlined the economic benefits of herbicide use in controlling annual and perennial weeds in corn, cotton, sorghum, soybeans and sunflowers.

He reported on research being conducted at the farm on new herbicides, techniques of applying chemicals, and equipment.

In a discussion of labor management practices, Ken Wolf, agricultural economist with the Texas Agricultural Extension Service, College Station, advised visitors to ask questions which would reveal the attitudes of applicants when hiring farmhands.

And he cautioned that paying all laborers a standard hourly wage is "one of the most demoralizing" practices they could employ, even though it might appear the simplest thing to do. He also urged that the foreman who will supervise the worker have a part in this decision to hire an employee.

A popular stop for visitors was the mobile trickle irrigation system exhibited by Dr. Bill Lyle, TAES agricultural engineer. He explained that it is one result of continuing research at Halfway and Lubbock to conserve and increase the efficiency of irrigation water.

Other research at the station aimed at water conservation was exhibited at a stop where Dr. Charles Wendt, soil physicist, reported on studies "to determine if irrigations can be decreased with resulting savings in water and energy."

"Cotton variety selection is a key to profitable cotton production," Dr. Levon Ray, TAES cotton geneticist, told visitors to his exhibit of varieties being tested for performance and disease resistance. At Halfway, 66 varieties, including more than 30 not yet released, are being tested under limited irrigation. Eighteen varieties are being evaluated in narrow rows,

and 10 are being tested for dryland production.

Trailers laden with visitors passed soybean research where advanced experimental lines in maturity groups IV, V and VI are being compared with proven varieties of similar maturity in field scale strip tests.

One of the varieties on display is the new Gail, developed at the Lubbock-Halfway center and released Sept. 1 especially for growers on the High and Rolling Plains.

Guides also pointed out the soybean breeding nursery, which includes early selections, lines with better resistance to seed shattering, and those more specifically adapted to this area.

Visitors saw a cotton research project involving recovery from simulated hail damage. This research is supported in part by the National Crop Insurance Association and the Crop Insurance Research Bureau.

The study is to determine the rate and amount of recovery by the cotton plant from varying degrees of damage inflicted by simulated hail (crushed ice propelled by air at a high velocity).

Information provided by this research, officials said, is used by the Crop Insurance Association in preparing charts which reflect estimates of actual losses inflicted by hail storms on the High Plains.

Also on the tours were tests where dryland and irrigated grain sorghum are studied to determine if surfactants sprayed on the soil surface and in irrigation water before planting time have any influence on the rate of water intake and crop yield.

"This is the first year of the study and no results are available," officials said.

By exposing various corn lines to herbicides, researchers have gained information as to the degree of varietal response. In this test, 55 single and double crosses of corn containing the percentage of many area commercial lines have been evaluated against 20 herbicide treatments.

The study also includes the post-plant incorporated application of dinitroaniline type herbicides on sorghum and corn.

"These treatments have given excellent late-season grass control," said Abernathy.

Studies on the effects of basin tillage, with dikes placed in every furrow and in alternate

furrows, were shown. Conventional tilled furrows received the same irrigation treatment to determine the contribution the retained rainfall made on crop yield.

Visitors saw sorghum hybrids and lines being tested for resistance to the greenbug and corn leaf aphid.

Tour guides pointed to a study consisting of a grain sorghum-wheat-fallow-cotton rotation. The wheat is sown directly in the grain sorghum stubble with a summer fallow period following wheat harvest. Cotton is then planted to following spring.

"The extent to which this rotation enhances water conservation and disease reduction is

being determined," officials explained.

Also, weed population and species changes are being observed in the long-term crop rotation study.

A test is being conducted to evaluate high sugar sorghums for sugar yield.

In a double-cropping residue research project, wheat and triticale will be planted following the harvest of corn, grain sorghum, soybeans and cotton now on the land.

"The experimental design of this study is such that the effects of herbicide and crop residues on small grain seedlings can be evaluated," officials said.

Sunflowers can be a profit-

able crop in West Texas, officials said, reporting on a breeding nursery with more than 500 selections for use in developing new higher yielding hybrids having greater tolerance to diseases and insect pests and a combined planting date-hybrid performance trial.

Twenty commercial hybrids and two open-pollinated sunflower varieties are being tested for seed yield, oil content, oleic and linoleic acid content and for insect tolerance.

The hybrids were planted April 19, May 23, June 16 and July 21. The effect of planting date on seed yield, oil percentage and fatty acid composition will be measured.

MAINTENANCE PERSON

REGULAR FULL-TIME EMPLOYEE

Northern Natural Gas Company will take applications on Wednesday, September 27, 1978, between the hours of 8:00 A.M. and 4:00 P.M. for the Canadian Plant. Apply at the Canadian Office at 200 E. 3rd in Canadian. Typical Job duties are: Assisting with overhauls of large internal combustion gas compressor engines, maintenance of vessels and towers, all phases of pipeline repair, and some rotating shift work relieving regular operating crew during vacations or illness, etc.

Pre-Employment tests will be given for the maintenance person job on Saturday, September 30, at 9:30 A.M. at the Canadian Office 200 E. 3rd, Canadian, Texas, for all persons that have completed an application.

Northern Natural Gas Company is a major diversified energy company offering an attractive salary, and has an excellent benefit program.

Equal Opportunity Employer.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homestead of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete the archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction. The amendment also grants justices of the peace concurrent jurisdic-

tion with both county and district courts where the amount in controversy is between \$500 and \$1,000, except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concurrence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or otherwise lend their credit for fire-fighting purposes."

AVISO PUBLICO UN RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL 7 DE NOVIEMBRE DE 1978

LA ENMIENDA PARA ALIVIO DE IMPUESTOS (H.J.R. 1)

H.J.R. 1 propone una enmienda a la constitucion de Texas permitiendo a la legislatura que exente propiedad personal intangible; requieriendo que la legislatura exente ciertos articulos caseros y efectos particulares; y permitiendo a la legislatura que exente todo o parte de la propiedad personal del hogar seguro, de la imposicion de impuestos estatales y locales sobre propiedad.

La enmienda requiere a la legislatura que disponga la imposicion de impuestos sobre tierras agricolas y rancheras basada en su capacidad productiva en vez de su valor de mercado y permite a la legislatura que disponga la imposicion de impuestos a bancos de madera basada en su capacidad productiva.

La enmienda permite a los gobiernos locales que extiendan la exencion actual de no menos de \$3,000 del hogar seguro residencial para personas de 65 años o más de edad para incluir ciertas personas incapacitadas.

La enmienda concede una exencion de \$5,000 en el valor de mercado del hogar seguro residencial en los impuestos para escuelas publicas sobre propiedad de una cantidad que no exceda \$10,000 del valor de mercado de hogares seguros residenciales de personas 65 años o más de edad y ciertas personas incapacitadas. Si la persona de 65 años o más de edad es elegible para esta exencion la cantidad total de los impuestos para escuelas publicas sobre el hogar seguro de aquella persona no puede incrementarse.

La enmienda previene que gobiernos locales incrementen los impuestos sobre propiedad a menos que el cuerpo administrativo provea aviso publico y lleve a cabo una audiencia publica. La enmienda requiere a la legislatura que disponga por ley que cada propietario reciba aviso de la revaluacion de su propiedad y la cantidad de incremento en sus impuestos.

La enmienda limita las apropiaciones de los ingresos de impuestos estatales en una cantidad que no exceda la tasa de crecimiento económico estatal que se anticipa, con la legislatura autorizada para conceder exenciones de emergencia.

LA ENMIENDA PARA RECONSTRUCCION O ADQUISICION DE FACILIDADES (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitucion de Texas para permitir que gobiernos locales emi-

normas y procedimientos uniformes para la valuacion de propiedad con el propósito de impuestos sobre propiedad, se origine con la autoridad que impone los impuestos sobre propiedad.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional disponiendo alivio de impuestos para hogares seguros residenciales, personas mayores de edad, personas incapacitadas, y tierras agricolas; extensiones de bienes muebles; la verdad en procedimientos tocante a la imposicion de impuestos, incluyendo participacion de ciudadanos; de nuevo definiendo la base de impuestos; limitando los gastos del estado; y la administracion de impuestos sobre propiedad."

NO. 1 (S.J.R. 50)

S.J.R. 50 propone una enmienda a la constitucion de Texas para eliminar la referencia arcaica al "Instituto de Sordos y Mudos." La enmienda permitira al estado de Texas que compre productos y servicios de individuos incapacitados en facilidades de rehabilitacion no lucrativas sin cumplir con los requisitos de oferta que se aplican a otros contratos estatales. La enmienda tambien eliminaria la formalidad de la aprobacion de ciertos contratos estatales por el Gobernador, el Secretario de Estado, y el Contralor de Cuentas Publicas.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional eliminando la referencia arcaica al 'Instituto de Sordos y Mudos,' permitiendo que ciertos productos y servicios de personas incapacitadas sean usados por agencias y departamentos del gobierno del estado, requieriendo que otros productos y servicios requeridos en la operacion del gobierno del estado sean obtenidos por ofertas concedidas al postor responsable que ofrezca el precio más bajo, haciendo que todos los procesos de procuracion sean sujetos a las leyes establecidas por el legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Publicas de Texas participen personalmente en tales negociaciones."

NO. 2 (S.J.R. 55)

S.J.R. 55 propone una enmienda a la constitucion de Texas para permitir que gobiernos locales emi-

tan bonos para la reconstruccion o adquisicion de facilidades (terrenos, equipos y mejoras) con la intencion de desarrollar oportunidades de empleo. Estos bonos se pagarian solamente de los ingresos de la venta o arrendamiento de estas facilidades. Gobierno local debe de determinar que la construccion o adquisicion de tales facilidades es necesaria para desarrollar oportunidades de empleo.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional para disponer que la legislatura puede permitir que las subdivisiones politicas emitan bonos de ingresos, para desarrollar oportunidades de empleo para sus ciudadanos."

NO. 3 (S.J.R. 44)

S.J.R. 44 propone una enmienda a la constitucion de Texas que permitira que la legislatura autorize a ciudades y pueblos la emision de bonos de impuestos incrementados para financiar el desarrollo de areas deterioradas. Solamente se pagaran los bonos de los ingresos de los incrementos en impuestos municipales. No pagos se pueden hacer de los ingresos de impuestos municipales, servicios publicos u otros servicios.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional que da a la legislatura el poder de autorizar las ciudades y pueblos para expedir bonos para financiar el desarrollo de areas deterioradas y prohibir cualquier ciudad o pueblo de conceder su dinero o prestar su credito para tales fines."

NO. 4 (S.J.R. 53)

S.J.R. 53 propone una enmienda a la constitucion de Texas para permitir que la legislatura exente de la imposicion de impuestos, aparatos para energia o de viento.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 5 (H.J.R. 37)

H.J.R. 37 propone una enmienda a la constitucion de Texas para conceder competencia exclusiva a jueces de paz en causas civiles cuando la legislatura y eliminando el requisito que el Gobernador de Texas, el Secretario de Estado, y el Contralor de Cuentas Publicas de Texas participen personalmente en tales negociaciones."

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

competencia concurrente con ambas cortes, cortes de condado, y cortes de distrito, cuando la cantidad en controversia sea entre \$500 y \$1,000, a menos que la legislatura conceda a la corte de condado o distrito competencia exclusiva.

NO. 6 (S.J.R. 45)

S.J.R. 45 propone una enmienda a la constitucion de Texas para permitir que la legislatura aumente el número de jueces en cualquier corte de apelaciones civiles. Al presente, cortes de apelaciones civiles están limitadas a un juez presidente y dos jueces asociados. La enmienda también permitiría a las cortes que sesionen por secciones, con la concurrencia de una mayoría de los jueces en la seccion siendo necesaria para decidir una causa.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional permitiendo que la legislatura aumente el número de jueces en cualquier Corte de Apelaciones Civiles, permitiendo que Cortes de Apelaciones Civiles sesionen por secciones, y requieriendo la concurrencia de una mayoría de jueces para decidir una causa."

NO. 7 (S.J.R. 48)

S.J.R. 48 propone una enmienda a la constitucion de Texas eliminando la Comision de Edificios del Estado y el Fondo de Edificios del Estado. La autoridad de la Comision de Edificios del Estado ha sido trasladada por ley a la Junta de Control del Estado.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

NO. 8 (H.J.R. 42)

H.J.R. 42 propone una enmienda a la constitucion de Texas permitiendo que ciertas subdivisiones politicas o distritos del estado que al presente pueden emitir bonos u otras deudas o de otra manera prestar su credito participen en actividades contra incendios y que emitan bonos o de otra manera prestar su credito para sostener tales actividades.

La terminologia de la enmienda propuesta tal como aparecerá en la boleta es como sigue:

"La enmienda constitucional autorizando que ciertos distritos participen en actividades contra incendios y emitan bonos o de otra manera presten credito para tales propósitos."

SHS choir in festival

The clinician for the festival is
James Woodward of Oklahoma
Baptist University. The rec-
itals and sessions will begin at
9:30 a.m. in the WTSU North-
ern Recital Hall, and will end
with a concert hour at 3 p.m.
Each choir will sing two
numbers of their own choosing
from the five difference musical
periods, including renaissance,
baroque, classical, romantic
and contemporary, according to
Dr. Hugh Sanders, director of
choral activities and acting dean
of fine arts at WTSU.

Woodward will then offer
suggestions to enhance the
choir's performance and the
choir members will listen and
observe the next choir's ses-
sion.

The following choirs and their
directors will work in 30 minute
sessions beginning at 9:30 a.m.
and ending at noon; Palo Duro,
Lewis Unger; Dumas, James
Read; Phillips, Larry Dawson;
Plainview, Steve Garms; and
Clovis, Wayne Anderson.

The Spearman High School
choir with Travis Angel, direc-
tor, will begin at 1:15 p.m.
followed by the Ft. Stockton
choir and James Bates at 2.
During the concert hour the
WTSU Chorale will perform,
and each choir will sing for the
others.

WTSU--Choirs from Palo
Duro, Amarillo; Dumas; Phil-
lips; Plainview; Clovis; Spear-
man; and Ft. Stockton will
participate in the West Texas
State University Honor Choir
Festival Sept. 30.

**TSTI Enrollment
Increases**

AMARILLO--Over 700 stu-
dents are expected to enroll for
the Fall Quarter at Texas State
Technical Institute. This will be
a 14% increase over last years
student enrollment that peaked
at 600. Last years enrollment
showed a 16% increase over the
fall 1976 enrollment which stood
at 519.

Registration for all 17
time programs will be held at
the TSTI Activity Center Sep-
tember 26th and 27th from 9 am
until 4:30 pm in the afternoon.
Those programs taking applica-
tions for admission include Auto
Body Repair, Aircraft Mechan-
ics, Automotive Mechanics
Technology, Boot and Shoe
Operations, Commercial Art in
Advertising, Construction Tech-
nology, Cosmetology, Diesel
Truck Mechanics, Drafting and
Design Technology, Electronics
Systems Technology, Interior
Design Technology, Meat Pro-
cessing and Marketing, Profes-
sional Truck Operations, In-
terior Design Technology, Meat
Processing and Marketing, Profes-
sional Truck Operations, Saddle
and Tack Making, Technical
Office Training and Welding
and Fabrication. Classes will
begin at 7:30 am Thursday
morning, September 28th.

For more information contact
the Office of Admissions at
TSTI phone 806-335-2316 ext.
217.

4 Cute kittens to give away. See

Janzen's Celebrate 50th Anniversary

TOGETHER FOR CELEBRATION

Mr. and Mrs. Sam Janzen at right, were honored with a reception for their golden wedding anniversary given by all of their children. From left are Ernest, Robert, Roberta Rose, Gail and Avis Reid, both Mr. and Mrs. Janzen are members of pioneer families. The celebration was held at the family home.

The golden wedding anniversary of Mr. and Mrs. Sam Janzen was celebrated with a reception at their home 13 miles straight west of Perryton on Sunday, August 27, and was attended by a large number of relatives and friends.

There were 195 who registered for the reception, given by the children of the couple, Mr. and Mrs. Ernest Janzen of Denver, Colo., Mr. and Mrs. Joe Rose, the former Roberta Janzen and her husband, of Melbourne, Fla., Mr. and Mrs. Robert Janzen of Spearman, Mr. and Mrs. Gail Janzen and Mr. and Mrs. Ray Reid, the former Avis Janzen and her husband of Perryton.

The four-tiered wedding anniversary cake, topped with a gold numeral, "50," was made by their neighbor and longtime friend, Mrs. Eldon Gurley.

Granddaughters, Debbie Janzen, Denise Cotter, Kande and Kris Reid, alternated in serving the cake and punch and registering the guests.

Also granddaughters, Kim Reid, Juli and Lanett Janzen, and great-granddaughters, Kelly and Becky Janzen, helped by picking up plates and returning them to the kitchen after the guests were served.

Mrs. Janzen wore a gold corsage with gold bells and ribbon and her husband wore a gold rose boutonniere.

Both Mr. and Mrs. Janzen are members of pioneer families. At the age of 15 he moved with his parents, Mr. and Mrs. Herman B. Janzen, from Fairview, Oklahoma, his birthplace, in a covered wagon. It took the family a week to travel the 180 miles.

Irene Scroggs, daughter of Mr. and Mrs. James C. Scroggs, came with her parents from Kent County, Texas, also in a covered wagon and lived in various places before settling in Ochiltree County in 1919. She was 13 years old.

In their teen years, the families lived about five miles from each other and attended the Enterprise school, 1 1/4 miles west of the Janzen farm.

The couple was delighted to have 20 former students of the Enterprise school attend the anniversary celebration.

Sam Janzen and Irene Scroggs were married August 29, 1928, and lived on various farms in the nearby area until 1935, when they moved to their present home which formerly belonged to Sam's father.

There were six children, Earnest, Cleo, the twins, Robert and Roberta, Gail and Avis. Cleo was killed while in the United States Air Force in 1954. All five children were present to help their parents celebrate. Roberta's husband was unable to attend, but all the others were here.

Also ten of the 15 grandchildren were here. These are Mr. and Mrs. Randy Janzen, Spearman; Debbie Janzen and Mr. and Mrs. Dave Cotter of Denver; Mr. and Mrs. Scott Janzen of Woodward, Okla.; Kande, Kris and Kim Reid and Travis, Juli and Lanett Janzen, all of Perryton.

Six of nine great-grandchildren were present. These were Kelly and Becky Janzen and Dustin and Ryan Cotter of Denver, Colo.; and Kristi and Kyle Janzen of Woodward, Okla., only 11 days old.

All but one of Mr. Janzen's brothers and sisters were there. Those present were Mr. and Mrs. Abe Janzen of Buffalo, Mo.; Mrs. Ann Sawatzky of Monroe, Wash.; Mr. and Mrs. Albert Sawatzky of Clinton, Okla.

Also, Mr. and Mrs. Jona Janzen of Perryton, Mr. and Mrs. Edward Janzen of Liberal, Kans.; Mr. and Mrs. Albert Janzen of Des Moines, Iowa; Mr. and Mrs. Beverly Richardson of Ulysses, Kansas. Unable to attend was Dave Janzen of Reedley, Calif.

All but one of Mrs. Janzen's brothers and sisters were there.

Unable to attend was Mrs. Annie Woods of Kenia, Alaska. Those present were Mr. and Mrs. Oakes Scroggs of Spearman, Mr. and Mrs. Winfield Scroggs of Stinnett. Also Mr. and Mrs. Harold Wadley, San Jose, Calif.; Mr. and Mrs. Carl Scroggs and Jean Scroggs of Waka.

Among others attending were a host of nieces and nephews and many friends.

College Students

Spearman college students whose names we have received seem to prefer West Texas State University for higher learning.

Attending West Texas State University this year are Roy Harbour, Marcia Anderson, Robin Denham, Gerri Maize, Pamela Grayson, Chris McClellan, Calvin Bodey, Mike Bodey, Twane Friemel, David Rosser, Kenneth Rosser, Jim Jones, Crystal Carson, Tammy Robertson, Randy Reid, LaVon Kunselman.

Choosing Texas Tech University are Ted Harbour, Cary Collier, Jeresa Jines, Alan Uptergrove, Le Ann Josephson, Donna Goff and Mark Cunningham.

Others are Jerry Boatwright, Southern Theological Baptist Seminary, Louisville, Ky.; Terri Brummett and Billy Pettitt, Oklahoma State University; Rick Alexander and Lori McAdams, Amarillo College; David Evans, Richardson College; Steve Donnell, Angelo State College, Carrie Clark, Abilene Christian University; William A. Jones, Baylor University; Don E. Wirsdorfer, Phillips University; and Donna Wirsdorfer, Texas Christian University.

Presbyterian Church News

There is an interesting, well taught Sunday Church School class for you, regardless of your age, every Sunday at 9:45 a.m. There is a friendly teacher prepared to teach a practical Bible study fit to meet your spiritual needs.

"Which of the Two Did as His Father Wished?" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, September 24 at 11:00 a.m.

You are cordially invited to

a wedding shower honoring

Mrs. Claude Crossland, Jr.

(nee Stephanie Reed)

Join the Brownie Girl Scouts

Attention-2nd graders and mothers, join the Brownie Girl Scouts.

Come to Brownie Girl Scouts and learn games, new songs, have cook-outs and lots, and lots of FUN!

Mothers and daughters are asked to meet at the Girl Scout Building, 28 S. Endicott Monday, Sept. 18 at 3 p.m.

If a girl would like to join but her mother is unable to come with her to the meeting, the girl may come and receive the information and take it home.

If you would like to know more about the Brownie Scout program before the meeting you may call: Janie Flores or Margarette Evans at 2165.

More leaders and assistants are needed to help with the scouting. Anyone that can help us is asked to please indicate so to Mrs. Flores or Mrs. Evans.

You may fill out the following application and mail it to Margarette Evans, Box 612, Spearman if you will be unable to be at the meeting Monday.

Jamie's Jabber
by Jamie Morley

As everyone knows this week is homecoming week! It is tradition to dress crazy during this week, so this is what the students will be wearing:

Monday - Turn em wrongside out day, the students will wear their clothes wrong side out. Tuesday - Fantasy Day - the students will dress like whoever they want. Wednesday - is dress up day, the students will wear nice clothes on this day. Thursday - is Hillbilly day, which is self explanatory. And Friday - Spirit day - all the students will wear purple and white.

I tell you what zipping up your jeans when they are wrong side out is pretty hard to do!!! I hope all the students participate this week. Part of the fun in high school is how much you decide to participate in and if you don't participate you are not going to get anything out of it!!! I want to wish all our guys good luck on Friday night. We had a pretty good game last Friday night and we are all looking for another good one this Friday night!!! GOOD LUCK!!!

Square dance lessons

The Spearman Spinners Dance Club will be sponsoring square dance lessons beginning September 26.

Anyone interested in taking lessons should contact Donna Yarbrough, 3526, or Paul Lopez, after 5 at 2840.

Bridge Club

Wednesday, September 27 at 8:00 p.m.

Rubyjo Wilbanks was a visitor at the morning church worship service last Sunday.

There is a warm, Christian welcome awaiting you at any of the services and activities of the First Presbyterian Church.

The Blue Monday Bridge Club met at the home of Mrs. Bill Seitz.

The Hi score was won to Mrs. Major Lackey and second hi was awarded to Mrs. Gwen Lackey. At the club meeting they elected new officers for this

year. Presient is Deta Blodgetta and Secretary-Treasurer is Mrs. Pope Gibber. The Reporter for this year is Mrs. Vester Hill.

The next meeting will be held on October 2 at the home of Mrs. Deta Blodgetta.

Calico Cowbellees hold meeting

The Calico Cowbellees of Hansford, Lipscomb and Ochiltree counties held their monthly meeting on Tuesday, Sept. 12 at the Bull's Inn in Spearman. President Peggy Duke presided at the business meeting, which was followed by a luncheon at the Queen's Kitchen. Chairman of the nominating committee for the 1979 officers, Bernice Brown presented the slate of nominees which her committee selected. They are as follows: President-Mrs. C.T. (Peggy) Duke of Booker, First Vice-President- Mrs. James (Karen) Schnell of Spearman, Second Vice-President- Mrs. George (Scarlett) Jackson of Spearman, Third Vice-President-Mrs. Bruce (Sandy) Gossett of Follett, and Secretary-Treasurer-Mrs. Jim(Kay) Cameron of Perryton. The officer election will be held at the October meeting in Perryton. Also announced was the nomination of Mrs. Glenn (Karen) Blodgett of Spearman as the local Beef for Father's Day Chairman.

pride in these two outstanding women. Once again, the Texas Cowbellees will hold their state convention in conjunction with the Texas Cattle Feeders Association. This year's convention will be held in Dallas at the Dallas Hilton October 22 thru 25. The Cowbellees' agenda includes a business meeting and awards luncheon on Monday, Oct. 23. Anne Lise Anderson, TCFDA director of nutrition will be the featured speaker in the afternoon. Cowbellees are women who have one common denominator—their affiliation with the BEEF INDUSTRY. The Texas Cowbellees are associated with the American National Cowbellees, Inc. and are an auxiliary of the American National Cattleman's Association. Texas Cowbellees work closely with the Texas and Southwestern Cattle Raisers Association and the Texas Cattle Feeders Association. The Cowbellees work hard toward promoting beef, informing the consumer, and serving any way they can to make sure America is more aware of our great product, and that no substitute can supply the nutrition and goodness that beef provides. Membership is made up of wives and daughters of cattle growers, feeders, processors, packers and grain dealers. The

re are also wives of bankers who loan money to ranchers, truckers who haul cattle to market, veterinarians and retailers, and indeed some women who are in the saddle themselves. If you care to join all women affiliated with the Beef Industry the Calico Cowbellees will be glad to have you work with them. Your interest in the betterment of the Beef Industry is the only qualification needed. The Calico Cowbellees will be holding their annual membership meeting in October. Think it over and let us know if you want to be a working part of the biggest industry in Texas—Beef. **Arts & Crafts** The Arts and Crafts Guild met at Martin's Steak Garden with Mrs. Nola Holt as Hostess. At the meeting the members gave Mrs. P.A. Lyon Sr. a surprise birthday party. Eddie Gail played the piano for them and they sang Happy Birthday to her. Eddie also played other selections. The members presented Mrs. Lyon with gifts. Members present were: Mmes.: Joe Traylor, Kiff White Sr. Guy Fuller, P.A. Lyon Sr., Clay Gibner, Bill Russell, Deta blodgett, Ned Turner, Fred Hoskins, Bruce Sheets, Bill Gandy, F.J. Daily, and Pope Gibner. The next meeting will be held at the home of Mrs. Ned Turner.

Republican Women Plan Fashion Show

ARWC PLANS FASHION SHOW

The Amarillo Republican Women's Club will host its annual "Autumn Spice Luncheon and Fashion Show at 12:00, Tues. 26 Sept. NOON at the First Christian Church Fellowship Hall. The ARWC members will prepare and serve the luncheon menu of Polynesian Chicken Salad, Gazpacho (spicy, cold tomato soup), lime and grape geletine, and strawberry meringue. Special feature of the luncheon will be a presentation of the new fall look in fashion, coordinated by Cindy Bailey of Alexander's in Western Plaza. The fashions will be modeled by Mesdames Monte Roach, William Landess, D. R. Rank, J. Nelson Roach, Mike Bruegel, Calvin Ellis, Ralph Bruse, and W. E. Juett. Special invited guests of the luncheon are Senator and Mrs. John Tower, Mr. and Mrs. Bill Clements, Mr. and Mrs. Jim Baker, Mr. and Mrs. Gaylord Marshall, and Mr. and Mrs. Jim Lacy. Cost of the Luncheon is \$5.00 and reservations may be made by contacting Mrs. Daisy McCarrell 4408 Summitt or 359-1260. There will also be a bake sale. Proceeds from the Luncheon

will be donated to the campaigns of Republican candidates such as Jim Brandon, 65th District; Clifford Jones, U. S. Congress; Earl Robertson, Potter Co. Commissioner Place 4; Pat Berry, Potter Co. Clerk; Dee Griffin, Randall Co. Commissioner Place 4; John Fulgenzie, Randall Co. Commissioner Place 2; Leroy Hutton, Randall Co. Clerk; Bernice Orbal, Randall Co. Treasurer; Charles Purcell, Randall Co. Judge, Ron Morgan, Randall Co. Justice of the Peace. Chairmen for the event are Mesdames Harry Stackhouse, Bill Richey, Cliff Humphrey, W. E. Juett, Reg Prichard, Daisy McCarrell, Bob Costello, Mike Bruegel, Monte Roach, Roger Gawn. Mrs. Raymond G. Foster is president of ARWC. Working members of the press are invited to stay to the Luncheon. HEAVY RAIN IN AREA Lowell Turner called in a 2, 95 rain report, Lowell lives 9 miles West of Spearman, in the Old Hansford area.

Local Girl In LCC Choir

LUBBOCK, TX--The Lubbock Christian College Meistersingers, a 60 voice group, will launch their 19th season of activity Sunday, September 24, with a 6 p.m. performance at Olton's Main Street Church of Christ. That engagement will serve as a tune-up for a week-long tour of Northern New Mexico and Colorado which will begin Wednesday, September 27. The Meistersingers will travel first to Albuquerque, New Mexico where they will perform for the Montgomery Church of Christ at 7:00 p.m. on the 27th. They will sing at 7:30 p.m. at the Church of Christ in Los Alamos on September 28, on the 29th they will travel on to Pueblo, Colorado where they will perform at the Broadway and Orman Church of Christ at 7:30 p.m. On Saturday, September 30 they will be at the Englewood Church of Christ where they will sing at 7:30 p.m., and at Arvada Church of Christ on October 1 at 6:00 p.m. They will round out the tour at the Eastside Church of Christ in Colorado Springs, Colorado with a starting time of 7:30 p.m. the 2nd. The Meistersingers will also tour the Texas Gulf Coast area from December 28-January 9. Charles Cox is beginning his 18th year as Director of the Meistersingers. D'Dee Pierce of Spearman is a first soprano in the group.

Peggy's Pointers

Women's fall fashions focus on soft, touchable fabrics and layers. Big shapes are evident with shoulder pads for a squared shoulder look of jackets, dresses, sweaters and coats. Popular fabrics include soft crepe, challis, tweed, damask, Crepe de Chine, velour, corduroy and flannel. Layering the new big look with last year's suit or dress provides the comfort factor needed for warmth and still retains versatility of the wardrobe. Skirts are narrower, wrapped or with interesting waist detailing such as a higher front waist cummerbund. Lengths range from below the knee to mid-calf. This year's length is regulated by the proportion created with the top. Watch for damasks or quilted silk vests worn with the big sleeve blouse. Pants are shorter and narrower. They feature full trouser styling at the top, tapering to the ankle. The Spencer jacket, the newest look worn with skirts, pants and vests, is short and fitted at the waist with slight shoulder pads for the squared touch. ACCESSORIES add that "finishing touch" to fall fashions. Belts become an important tag-along for the slimmer down fashions. Wide crushed leather, wide canvas double buckled, stands or beads wrapped or narrow cowhide straps serve as belts for fall fashions. Fur tails draped over the narrow wrapped belt or attached to the slung shoulder bag emphasize furry extras. Wear little stash bags as necklaces. Hats are mannish--fedoras, berets, cloches. Boots are soft pliable leather beginning at the knee or crushed to the ankle. Short suede boots work well with the "new look." Shoes take a front seat with flat heeled oxfords or loafers. Wear higher heels with the narrow, shorter pant. Legs feature a textured look in nylons and crushy, woolen anklets over hosiery. For those who have successfully carried over a poinsettia from last Christmas, if you want them to flower in time for the holiday season you had better give them the short day, long night treatment. You can drape them with a sheet of dark cloth for 14-15 hours each night or place in a room or closet where there is no danger of a light being turned on. Start about October and your plant will flower by Christmas. BABIES TO TOTS -- for rainy day fun, let little ones use cookie cutters to make clay cutouts. Afterwards, wash the cutters in hot suds and rinse. A well-lathered brush works clay from the designs. A scrubbable, plastic shoe-bag can be hung next to a baby's changing table to hold grooming essentials and small toys. It has many pockets to help keep items out of a child's reach. 4-H Foods & Nutrition project groups are now organizing according to County Extension Agent Peggy Winegarner. These projects offer youth instruction in food preparation, meal planning, food safety, and food buying. The project groups of 6 to 16 youth are under the direction of volunteer adult and teen leaders. Those who participate will go on tours and may compete in the County Food Show. All 4-H projects and activities are open to all youth between the ages of 9 and 19 regardless of race, color, sex, religion, socio-economic level or national origin. If you are interested in being involved as a project member or leader please contact Peggy Winegarner as soon as possible at the County Extension office, located in the Courthouse basement; phone 659-2030 or 733-2901. PSU Homecoming Activities Set Homecoming activities at Panhandle State University will be held Saturday, September 30 and the theme for this year is "Fantasy Land." Student Senate committees have been working on the various activities for the homecoming and contacting clubs, organizations on campus and inviting groups from off campus to take part in the celebration. Registration of PSU alumni and campus organization reunions will begin at 9 a.m. in the Student Union initiating the day's activities. The alumni newsletter was mailed this week listing their activities. At 11 a.m., a parade consisting of floats, high school bands, riding clubs, old cars and horse and buggies as well as some new added attractions will commence near the Oscar Williams Fieldhouse. Cash prizes of \$300, \$200, \$100 and \$50 will be awarded to the four float entries with the top high school band, old car and horse and buggy receiving a trophy. At noon, a barbecue will be held until 1:30 p.m. in the student union. The Miss Aggie Princess pageant will begin at 2 p.m. in the Hughes-Strong Auditorium. The current reigning Miss Aggie Princess is Miss Kim Burkett from Laverne, OK. From 5 p.m. to 6:30 p.m., a candlelight buffet will be held in the Student Union cafeteria. A pre-game show is being planned for 7 p.m. with the PSU Aggies and Langston University clashing at 7:30 p.m. The 1978 Homecoming Queen will be crowned during the half-time ceremonies. Preliminary voting for the Homecoming queen by the entire PSU student body is being scheduled for Sept. 19-21. Another vote will be taken for the top five candidates the week of Homecoming. Miss Carmen Meyer from Texhoma was the 1977 Homecoming Queen. Immediately following the gridiron battle, a rock dance and a country-western dance will be held in the Student Union ending at 2 a.m. COACH SMITH, will probably start with a new backfield Friday night, as all 3 of his tri-captains were injured in the Freshman game. Injured were Billy Snider, Billy Sellers, and John Reneau. John did not have to undergo surgery on his knee, as first thought. No. 76 Martinez, is the field goal kicker for the Spearman Lynx.

Brown Patch Hitting Lawns

With the onset of cooler temperatures and rainy weather, homeowners will once again be plagued with brown patch disease in lawns. Brown patch is a fungus disease that occurs on St. Augustinegrass, Bermudagrass and Zoysiagrass in late spring or early fall, explains Garland Stewart, County Agent with the Texas Agricultural Extension Service. Brown patch is characterized by three different types of symptoms in turf. The most common is circular patterns of dead grass from 1 to 50 feet in diameter. The second type of symptom is a diffused type of pattern of which small patches of grass will turn brown primarily in shady locations. The third symptom is where individual leaf blades turn yellow in turf; this is usually the way brown patch shows up in Floratam St. Augustinegrass. In all three instances, both the blades and leaf sheaths may be pulled easily from the stolons because of deterioration in the attachment area. Stolons often remain green. New leaves may emerge in the center of circular areas within two to three weeks, giving the disease a doughnut shaped appearance, notes Stewart. The entire spot may eventually become green during a long growing season. The disease develops most rapidly when air temperatures are between 75 and 85 degrees F. when free moisture is present. Fungal activity stops when air temperatures reach 90 degrees F., which explains seasonal development of the disease. Some lawns are affected almost every year while others are damaged only occasionally. Apply fungicides where brown patch is a chronic problem. In other areas where the disease occurs occasionally, apply fungicides when the disease first appears, advises Stewart. Among fungicides cleared for use in controlling brown patch are Benomyl and Terraclor PCNB.

A General Telephone Communications Consultant is a highly trained communications specialist. His primary job is to help business customers like you plan, maintain and improve your phone systems. Efficiently and economically.

He knows his business. And yours. He's backed up by a team of experts in all fields of telephone communications—from engineering to operator training, system analysis to maintenance. So he can analyze every phase of your business, determine your requirements

and recommend the system that will work the best and cost the least.

And even when all that is done, he's not. He's available to answer questions, solve problems and provide an ongoing analysis of your needs.

In fact, you may find that he works almost as hard at your business as you do.

This man can show you how to improve your business by phone.

HIGHTOWER WASHINGTON HIGHLIGHTS

from Congressman Jack Hightower

(Washington, D.C.)—Congressman Jack Hightower was clearly pleased with the overwhelming 385 to 10 vote in the House of Representatives on the Civil Service Reform Act and sees no major problems with the bill in a House-Senate conference committee and in getting it on the President's desk before Congress adjourns in October.

"The public is demanding more efficiency in government and this particular piece of legislation is designed to provide just that," Hightower noted in praising the changes expected to transpire within the century-old agency.

Effecting thousands of federal workers nationwide, the new Civil Service Act is geared to assure that any raises in salaries will be directly tied to dedicated performance rather than longevity in their job that they now have.

Hightower had praise for the many hard-working federal employees he had known over the years, yet noted that, "others who do poor work will be demoted or fired, just as it is in the private sector."

"There is no time to waste," Hightower emphasized, "the people want Congress to crack down on wasteful spending across the board. They want good service for their tax dollars and deadwood cast aside. The government must make the best utilization of funds available, cutting back wherever we can, making adjustments and expecting excellent and professional service from government employees," Hightower continued.

The new Civil Service Act will limit the number of political appointees to 10 per cent and features a streamlined appeals process for employees giving employees and management the flexibility they need to work together.

The Civil Service Commission will be divided into the Office of Personnel Management and the Merit Systems Protections Board.

The OPM would serve the President in civil servant management while the MSPB would protect the employees' rights, be a sounding board to their grievances with management and along with a newly devised counsel, protect the "whistle-blowers" against reprisals.

"In summation," Hightower concluded, "the bill will provide the type of checks and balances our nation was founded on and is so vitally needed throughout all levels of government."

PSU To Have Booth At Fair

Panhandle State University will sponsor two booths next week at area fairs. One booth will be at the Tri-State Fair in Amarillo from September 18-23 and a booth will be on display at the Cimarron County Fair in Boise City on September 21-23.

The schedule for the week in Amarillo includes representatives in the Tri-State Fair Parade at 10:00 a.m. Monday morning; the Amarillo Chamber of Commerce breakfast Tuesday morning and the annual Panhandle State University-Amarillo Area Alumni Dinner at the Sirloin Stockade at 7:00 p.m. that evening. The booth will be located in the Better Living Center Building.

The three day booth at Boise City in the annual Cimarron County Fair is under the direction of Mr. Ted Smith, county extension agent.

Wheat Producers Launch Service Expansion

The wheat producers rapid decline in economic status compared to other segments of the economy, despite continuing record production efficiencies, demands more timely and exacting producer information and service from their organizations in order to meet the challenges of changing political and market situations. The wheat organizations are making the necessary staff and program expansions to lead the producers to meet such challenges, defend the producer from continuing to being the "shock absorber" for inflation and help the return of profitability to his crop. These were the sentiments expressed today in a joint statement by the Chairman of the Texas Wheat Producers Board and President of the Producers Association, C. L. Edwards, Panhandle and Otis Harman, Tulsa, respectively. In order to facilitate the expansion the officers announced the establishing of a new staff position in the organizations—Executive Assistant, Information and Producer Services."

Bill Nelson, Amarillo headquartered, Executive Vice President of the Producers Board & Producers Association announced that Jim Allison, a thirty-year old native son of a prominent Hereford farm and ranch family, currently an area farm and ranch radio broadcaster had been selected to fill the newly established position.

Nelson said that Allison will be working closely with county organization directors in their producer service activities, providing liaison to other farm and related agri-business organizations on wheat matters, editing the "Texas Wheat News Letter" of the Board and servicing those individuals and firms involved in the administration of the Commodity Referendum Law related to wheat. Nelson said that Allison's work in the area would provide a liaison for "feedback" on producer needs and opinions which would allow for more timely responsiveness to the farmer needs and demands.

Allison is a graduate of Hereford High School and Austin College, Sherman. In addition to his experience in the operation and management of the family farms, ranches and commercial feedlot in Texas and Oklahoma, Allison has successful sales experience in livestock feed and animal health supplies and industrial personnel management. For the past three years Allison has been associated with the Stauffer Publishing Company in farm radio and television broadcasting at WIBW, Topeka, Kansas and at KGNC Radio in Amarillo. In both positions he was responsible for gathering and reporting commodity market information, farm organization news, legislative reports and editing a company newsletter.

The new staff member said, "I am pleased to be able to use my farm background, formal education and professional experience in the Texas Wheat Producers Board & Producers Associations' expanded information and producer service programs. I look forward to working closely with the organizations farmer-directors and to assisting with the implementation of the organizations research, market development and service program in cooperation with Bill Nelson, the executive officer."

Allison and his wife Cynthia have one daughter, Amy, four.

...Your Knight in Shining Armor!

Now there's some help for the homeowner who is waging a battle against inflation. A home qualifying under the National Energy Watch (N.E.W.) Program can help you use energy more efficiently and lower your home operating costs. N.E.W. homes have been checked for many energy and money saving features, such as: proper insulation; windows and doors that are caulked and weatherstripped; efficient water heating; attic ventilation and correctly sized heating and cooling equipment.

When you build, buy or remodel, make sure your home meets the N.E.W. standards. An energy efficient home, combined with wise home energy management, can help save you money from now on!

Community Public Service Company urges you to take action in this project to save energy and money. For more information on the National Energy Watch Program, call Community Public Service Company.

New Salvation Army Field Representative

DALE MARET

The Spearman Salvation Army Service Unit will be represented by Mr. Dale Maret, Salvation Army Field Representative, it was revealed today by J. C. Lee, Service Unit chairman.

Mr. Maret's appointment to Region Five was announced recently by Mr. Dan Eddy, Texas director of development for The Salvation Army.

Region Five is a Salvation Army designated 29-town area that includes Spearman and covers all of the Panhandle and much of the South Plains.

In his capacity as field representative, Mr. Maret will work with Johnnie Lee and the Spearman Service Unit committee and will act as liaison between the Service Unit, The Salvation Army Corps in the area and Texas Divisional Headquarters located in Dallas.

A Salvation Army Service Unit is a committee of volunteers who perform the same service of helping those in need in their town as do uniformed Salvation Army officers in Corps towns.

Spearman Service Unit committee members who serve with Lee are: Allen Alford, J. W. Gibner, C. A. Gibner, Emmett R. Sanders, Mrs. Dickie Allen, Mrs. Elsie Mathews, Sheriff R. L. McFarlin, and Alton Ellsworth.

A native of Oklahoma, Mr. Maret will make his home in Amarillo.

BIRTHS

A baby girl, Shadole Lyn was born to Jerry and Cindy McGhee of Fort Worth, Texas, on September 13.

Maternal grandparents are Mr. and Mrs. Sam Henderson

of Darouzett and paternal grandmother is Mrs. Ethel McGhee of Harlingen.

Glaucoma Tests To Be Given

Antalek To Head Charity March

Ronnie Antalek has been named to head the 1978 door-to-door march for St. Jude Children's Research Hospital in Spearman.

William J. Kirwen, St. Jude's Development Director, made the announcement and said other key positions for the march will soon be filled.

"We are proud to find such a dedicated person for this important task," Kirwen said. "St. Jude Children's Research Hospital offers hope to stricken children everywhere that would not be possible without such volunteers."

St. Jude Children's Research Hospital is the only research center dedicated exclusively to the study and conquest of catastrophic diseases of children. Its work, particularly in leukemia and other childhood cancers, has been internationally acclaimed and cited as a

leading example for basic and clinical research.

"No one has ever been charged for the benefits provided by St. Jude Hospital," Kirwen said. "And that includes the extremely expensive total medical care provided to children enrolled in its research studies."

"Over two-thirds of this year's 19 million dollar operating budget came from public support. Each year we rely on events like this to pay for the following year's costs."

"Since Danny Thomas opened this institution in 1962, his dream of conquering the deadly diseases of childhood has continuously been brought closer to reality. Mr. Thomas is still the very active president of this organization and inspires us in this cause," Kirwen said.

The drive is planned for the weeks of October 15th-28th.

SS Rep schedule

A field representative of the Social Security Administration will be in Spearman at the Courthouse on Thursday from 10 to 11:30, October 12, 26; November 9, 30 and December 14. He will help you on any matters relating to social security, supplemental security income or Medicare.

You may also obtain service by going to the Social Security Office at 1541 North Hobart Street, Pampa, or by telephoning 669-3381 (area code 806) between the hours of 9 a.m. and 4:30 p.m. Monday thru Friday (except national holidays).

A representative is available to explain the provisions of the Social Security Act and answer questions at meetings, farm groups, and other organizations.

Funds Set Up For Bruce Stinson

The Spearman Fellowship of Christian Athletes are taking up donations for Bruce Stinson, who was critically burned this past week. Donations are being taken because the expenses in the Dallas Burn Center are so great.

The Claude Sheets family are donating a side of beef, which the FCA will process and deliver; for donations of \$3.50 or more, your name will be put into a hat; a name will be drawn and announced on October 20 at the football game against River Road. Members of the Fellowship of Christian Athletes will be going around taking up donations. We would appreciate your kindness!!

Many people from the local area attended the fair in Amarillo Tues.

Glaucoma...when it strikes you don't feel a thing. But after a while you can't see a thing either. The cause and cure of this treacherous eye disease are unknown. But, if caught in time, glaucoma can be treated and checked. For this reason the Spearman Lions Club and the Panhandle Branch of the Texas Society to Prevent Blindness will co-sponsor a free screening for the "Sneak Thief of Sight" in the Fellowship Hall of Spearman First United Methodist Church, 407 South Haney, on Thursday, October 5, from 7 p.m. to 9 p.m.

Glaucoma is characterized by increased fluid pressure within the eye. This pressure destroys blood vessels and nerve fibers in the eye resulting in eventual blindness. It is an insidious process which nibbles away at vision without pain or noticeable symptoms. Sights destroyed by glaucoma cannot be restored; thus early detection is imperative.

To measure pressure within the eye at the free Spearman screening, members of the Top O' Texas Medical Society will give a simple, painless with an instrument called a "tonometer." The test takes only a minute-but "it is a minute that can mean a lifetime of sight to someone in Spearman," says R. L. Kleeberger, M. D., medical chairman of the screening, warning that an estimated 94,000 Texans have the disease and only half of them may be aware of it.

The screenings are approved by the Top O' Texas Medical Society.

Also participating in the program as a public service will be members of the Lions Club and their wives and members of the Spearman Chamber of Commerce.

The homecoming game in Spearman Friday nite, will match two fantastic ball teams, Elk City, and Spearman, Plan to attend.

Girlstown Plans Birthday Celebration

Almost all of our plans are now complete for our Birthday Celebration on September 23, 1978. Everyone has been working very hard to get everything ready. We have accomplished much. We still have much to do. When September 23rd arrives we will be ready. Each of you have enabled us to continue to improve our home. We want you to see it at its best.

Our program will have two special features this year. I feel that we are very fortunate to have Mr. Ernest H. Loehr as our special guest and speaker. Mr. Loehr is well known in Amarillo not only as a business man but also as a civic servant. Mr. Loehr has served his church as well as other organizations in an excellent manner. He is an active Lion serving this fine civic organization as the Lieutenant Governor of District 2T-1.

We will also crown Miss Girlstown, U.S.A. at Borger during our program. This is a very exciting part of the program for each resident. Miss Girlstown, U.S.A. at Borger is elected by the girls and staff children. She is chosen for her leadership qualities to represent the girls at special functions. She is their spokesperson for one year. The results of the election are kept secret until Miss Girlstown is crowned during our program.

We will serve our delicious bar-b-que beginning at 3:00 p.m. Again this year, our

bar-b-que will cost only \$1.00 per plate. Serving will end at 7:00 p.m. Our volunteers, who prepare this meal, have assured us that it will be one of the best meals ever.

Each of us sincerely hope to see each of you on Saturday, September 23, 1978 at 2:00 p.m. We want you to come and help us celebrate our Eleventh Birthday with the biggest party we have ever had.

HELP!
Costs are continuing to spiral upward. Each time we go to the grocery store, we see the same cost increases you see. Each time we must purchase something it seems to cost twice as much as in the past.

Will you help us? Your contribution of money, clothing, canned goods, school supplies, and first aid supplies will help us help those who are in our care. We know that without you, we could not exist.

Hospital News

Patients in Hansford Hospital are Martha Bacca, Lenora Holdenman, J. A. Hickerson, A. N. Weant, Terry Morris and Agnes Windom.

Patients dismissed were Emma Lopez, Marguerite Nelson, Jewell Brandt, Juan Solis, Lloyd McWhirter, Kile Campbell, Lu Howterter, Ruth Garrard, Rocky Sharp, Martha Sloan, Jr. Hansen, Augustine Tello and Erica Blount.

John Hill is attacking State Budget waste . . .

"I've already started my search for waste in the state budget. I want to be ready to tackle overspending the minute I take office as Governor in January. My budget office already is paring down big state agency budget requests, to keep spending within available revenues. We'll have to live within our means, because I'll veto any new taxes."

'Corvette Summer' 'Star' Kept Secret Until Release

The title role in MGM's "Corvette Summer" which opens Sept. 22 at the **HOLLYWOOD** Theatre through United Artists release, was represented by a Stingray sports car so radically modified in design it was decided by MGM to keep it largely "under wraps" from the public until release of the film. The concept for the \$20,000 eye-opener was created by "Corvette Summer" art director James Schoppe and executed by well-known car-custodian Richard Korke. It exhibits radical changes in the front and rear ends and has a special engine, tires and wheels. One particularly unusual feature

is right-hand drive, the better to ogle girls on the sidewalk.

Toward the end of the film's production, the Stingray set in motion a situation where real life imitated art. Just as in the script the show car is stolen, the movie-star Stingray was swiped from MGM Studios one weekend. Somehow the car was spirited off the guarded lot, necessitating a change in the filming schedule until it could be located. The police finally spotted it where it had been abandoned when its high-performance engine had stalled, and it resumed its cinema career.

The Stingray, incidentally, has been known as the only sports car built in America since its introduction in 1953 (when it was called simply the Corvette) and through-out several evolutions into its present-day design. As Robbins points out, he and Barwood "like to deal with American subjects, and a Corvette is obviously the ideal All-American car for an obsessed

young man. I remember Corvettes from high-school years. There were always other kids who had them, sort of wealthy semi-juvenile-delinquent types, while I was one of the literary set. Hal and I aren't really into cars, but we felt the Corvette was the perfect symbol for our story and our hero."

Annie Potts makes her motion picture debut in MGM's "Corvette Summer," a United Artists release opening Sept. 22 at the **HOLLYWOOD** Theatre.

'International Velvet' Recaptures Charm of Popular 'National Velvet'

(Advance Production Feature)

"International Velvet" is MGM's sequel to "National Velvet" the 1944 hit film that launched Elizabeth Taylor's career and, taking some of the characters from the Enid Bagnold novel, director-producer-writer Bryan Forbes has crafted an entirely new story centered on Sarah Brown, an orphaned American girl with a love of horses. Sarah comes to England to live with her aunt Velvet, the character portrayed as a youngster in the earlier film by Miss Taylor.

Where Velvet's ambition had been to win the Grand National, Sarah sets her sights on the Olympic Games and a Gold Medal in the Equestrian Three Day Event.

"International Velvet" is MGM's first British production in six years and with the exception of three days shooting at Ledyard Farm, near Boston, Mass., was filmed entirely in England—a decision warmly welcomed by Bryan Forbes, one of the British industry's most hard-hitting champions.

It is being released by United Artists, a Transamerica Company, and will open Sept. 22 at the **HOLLYWOOD** Theatre.

To bring his new story to the screen, producer, writer, director Bryan Forbes assembled one of the most prestigious lineups of talent ever seen before or behind the cameras.

Sarah Brown is portrayed by Tatum O'Neal, the 14-year-old actress who started creating her own legends at the age of nine.

"International Velvet" sees her making the six-year transi-

tion from uncertain teenager with braces on her teeth to the poised young horsewoman taking her place in the British Olympic Team.

Christopher Plummer, star of such films as "The Sound of Music" and "The Man Who Would Be King," appears as Velvet's friend John Seaton, a writer who plays a large part in helping young Sarah realize her dream to ride for England.

Welsh-born Anthony Hopkins is Captain Johnson, coach of the British Equestrian Team.

Nanette Newman portrays Velvet Brown with her memories in England's West Country, she has a pivotal role in the story, inspiring Sarah by her own childhood experience, to make real her seemingly impossible ambition.

Completing the major casting is Jeffrey Byron, a 22-year-old Californian, who is seen as Scott, captain of the US Equestrian

Still 5222-34 Mat 1A Nanette Newman portrays Velvet Brown, Tatum O'Neal's aunt in MGM's "International Velvet." The United Artists release opens Sept. 22 at the **HOLLYWOOD** Theatre.

Team. Byron will probably enter the history books as Tatum O'Neal's first on-screen love.

Behind the cameras the credits are no less impressive, director Forbes bringing in some of the horse-world's top personalities as technical advisers.

"International Velvet" was photographed by Toney Imi. Costumes were designed by John Furness. Production design was handled by Keith Wilson. The associate producer is Jon Hargreaves, a long time colleague of Bryan Forbes. The musical score was composed by Francis Lai.

Still 5222-26 Mat 2A Tatum O'Neal weighs in at the end of the Olympic cross-country phase of the famous contest. "International Velvet," an MGM film released by United Artists, will open Sept. 22 at the **HOLLYWOOD** Theatre.

Mark Hamill and Annie Potts head the cast of MGM's "Corvette Summer," a love triangle involving a boy, a girl and a sports car. The United Artists release is currently playing at the **HOLLYWOOD** Theatre.
