Golden Spread Club Completes Building Negotiations

It's official now, as the president of the First State Bank, Clay Gibner, meets with the Senior Citizens committee to finalize plans on the new building purchase for the group. John Hutchison, on the right, Orvil Brummett center, and the Groves family were all present for the meeting.

Golden Spread Club Board completed negotiations for the purchase of the Groves Bldg. on Monday, May 8 at 2:00 p.m. and now have complete title to the building.

The Board had a meeting at the First State Bank hospitality room on Monday, May 8 at 6:00 p.m. and set up committees to work on remodeling and furnishing of the building. The remodeling committee is drawing up floor plans, shelving, ceiling lights, storage rooms, kitchen facilities, and bathrooms. The furnishings committee has drafted Brad Beedy to work with them as a color coordinator.

After the interior work is completed, another committee will work on the maintenance of the grounds. There will be a special committee working on kitchen and bathrooms. The finance committee is busy raising more funds. The first payment due is May 1, 1979 of \$3,000 plus seven and one-half percent interest. At present finances are in good shape with \$3,000 in a savings account gathering interest and \$3,000 in the general account to take care of present working needs. Another committee is working on insurance needs.

A special committee is working on plans for an Open House during Hansford Days July 27-29. There will be a special craft show and bazaar during Hansford Days at the Center, with things for sale by members of the Golden Spread Club.

Marsha Murphy is working on educational and craft classes of all varieties to meet all needs of senior citizens with a great variety of activities beginning soon.

Golden Spread Club will have a social evening of a variety of table games on Tuesday, May 16 at 6:30 p.m.

Sam Boone, named as the outstanding FFA student for the year, is shown above presenting a plaque to high school principal, Eddie Clemmons for his work on behalf of the Spearman FFA. Also in picture, seated, is FFA president Randy Reid.

FFA parent and member banquet

The annual FFA parent and member banquet was held at the high school Monday evening at 7:30 p.m. The menu prepared by the FFA members consisted of Bar-B-Que beef, potato salad, pickles, tea, coffee, cole slaw, onions, beans, and bread, plus cobbler for dessert.

Master of Ceremonies for the event was president of the FFA, Randy Reid. Other officers for this year included: Vice President, Kirby Hargis; Secretary, Sam Boone; Reporter, James Whitaker; Treasurer, Danny Dear; Sentinel, Andy Francis; FFA Sweetheart, Christy Collier; and, of course, the chapter advisors, Herman Boone and Bert Williams.

The invocation was given by James Whitaker. Entertainment for the evening was provided by Sam Boone, who sang and played his guitar, accompanied by John Reneau on the drums. The opening ceremonies for

the evening included the welcome address, given by Vice President Kirby Hargis. Special recognition to the outstanding men and women of the year in FFA went to Eddie Clemmons and Helen Whitaker. Each boy present introduced his parents and thanked the business and professional people who purchased his show animal during the recent County Livestock Show.

After the recognition of guests, Danny Dear awarded the FFA Sweetheart with a trophy for serving as Sweetheart this year; she was beautiful Christy Collier, who sat at the head table with her parents during the banquet. The chapter awards were given by Herman Boone and Bert Williams. Honorary Degrees were awarded to Coach Friemel and Glen Davis for their assistance and help during the year towards the FFA program. The outstanding member of the year was Sam Boone, who has really done a terrific job in the FFA program. Not only in showing animals for the shows, but also Sam won 1st place in the Top of Texas District Talent Show.

After naming the 1978-79 Chapter Officers and holding closing ceremonies, President Randy Reid declared the meeting closed.

The Spearman FFA members also honored all of the Green Hands who were present at the banquet.

POWDER-PUFF DERBY - This Saturday night at Lynx stadium. Kick-off at 7:30 p. m. Freshmen & Srs. vs. Jrs. & Sophs.

50¢ and 1.00 charges. Money to be used to send students to Girls State and Boys State, Halftime show, and a dance on the tennis courts after the game.

Rotary auction is big success!

As usual, the Spearman Rotary auction was a big success this year. The auction, held on the shopping center parking lot netted the club something over \$4,000.00. The club plans to put in a \$1,000.00 donation to the senior citizen project, and YMCA \$500.00. Of course the Rotarians have been such an asset to the community in the past, with donations to Girl

Scouts, Boy Scouts, 4-H, YMCA, Larry Jones Crusade, Spearman Swim team, Senior Citizens, and Library. They all would like to thank everyone who made purchases at the auction Sunday afternoon, and the entire community joins in saluting the Rotarians who have donated so much money and time, to make Spearman the best town in the WORLD!

Louis Karns Rites Held

Funeral services were held at 2 p.m. May 8 in the Union Church for Louis Henry Karns, who died May 5, after a long illness.

The Rev. Archie Burress officiated with burial in Hansford Cemetery under the direction of Boxwell Brothers Funeral Directors.

Mr. Karns came to Spearman in 1935 from his hometown of Woodward, Okla. He had been an employee of the City of Spearman for the past 33 years. He was a veteran of World War II. He married Dorothy Shields in 1959 in Memphis. Survivors include his wife: a

son, Louis E. of Orlando, Okla.; four stepsons, Herb Shields of Amarillo, Jim Shields of Forney, Frank and Robby Shields, both of Spearman; two brothers, Harry and Charlie, both of Woodward, Okla.; a sister, Mrs. Eva Stewart of Woodward, Okla.; and 11 grandchildren. Casket bearers were Leo Cummings, Ernest Newcomb, J. T. Pond, Teed Pond, Mike Crawford, Richard Yancey, Oliver Barnes and Billy Close. Honorary pallbearers were Ted Scroggs, Mark Neff, R. L. Huse, Bill McElreath, Willis Randall, Bill Lowry and Ronnie Bullard.

Junior High Graduation Is May 18

Graduation exercises for Spearman Junior High will be held Thursday, May 18 at 7:30 p.m. in the Spearman High School Auditorium. The recessional will be by Mrs. Wilma Clark, and Mr. Bill Osborne, will give the invocation. Junior High principal, G. W. Robinson, will recognize the honor students.

Social Security News

The Social Security Administration has established a special Medicare enrollment period for CHAMPUS beneficiaries because of a recent Department of Defense ruling.

Beginning January 1, 1978, CHAMPUS (civilian health and medical program of the uniformed services) no longer covers beneficiaries who are entitled to Medicare hospital insurance.

Many CHAMPUS beneficiaries entitled to Medicare hospital insurance haven't signed up for Medicare medical insurance because their CHAMPUS coverage gave them similar protection. But when their CHAMPUS coverage ends in January, these people will be without medical insurance protection unless they sign up now for Medicare hospital insurance.

The special enrollment period runs from October 1 through December 31, 1977, and gives CHAMPUS beneficiaries the opportunity to sign up for Medicare medical insurance before their CHAMPUS coverage ends. All CHAMPUS beneficiaries who now have Medicare hospital insurance but have not enrolled in Medicare medical insurance should contact any special security office during this period.

For those who enroll before the end of the year, Medicare medical insurance protection begins on January 1, when their CHAMPUS coverage ends. Thus, they will have continuous medical insurance protection. CHAMPUS beneficiaries who don't sign up for Medicare medical insurance during this special enrollment can enroll later in a regular Medicare

enrollment period - the first 3 months of each year. But they will lose several months of valuable medical insurance protection because Medicare medical insurance coverage cannot begin until July of the year they enroll.

Howard Weatherly, manager of the Social Security Office in Pampa, stated in a recent interview that Supplemental Security Income is a Federal program that pays monthly checks not only to people who are age 65 and over but also to people of any age who are blind or disabled. This includes disabled or handicapped children.

People with little or no regular income and who own a limited amount of property may be eligible for Supplemental Security Income. Weatherly said. Eligibility for checks based on blindness or disability depends on the seriousness of the individual's condition.

To be considered disabled, a person must be unable to do substantial work because of a physical or mental impairment which has lasted or is expected to last for at least 12 months. Blindness under the SSI program is defined as central visual acuity of 20/200 or less in the better eye with use of a corrective lens or visual field restriction of 20 degrees or less.

Even people who have never worked may be eligible for SSI. Additional information about SSI for the blind and disabled can be obtained from the local Social Security Office located at 1541 North Hobart Street in Pampa. Phone 669-3381 (area code 806).

4-H Summer Camp Set

Summer is camping time, and for 4-H members, it's time to start thinking about taking advantage of some of the many great experiences in store at the Texas 4-H Center this summer. The Center, located near Brownwood in Central Texas, offers a special camping program for 4-H'ers during the period July 9-28, points out Hansford County agent with the Texas Agricultural Extension Service, the parent organization of 4-H. Theme of this year's camping program is "Texas Heritage and Horizons". Summer camp at the Texas 4-H Center can be a unique experience, emphasizes Peggy Winegarner. It provides an opportunity to meet new friends, learn new skills and have a great time. There are nature activities, folk games, folk arts and crafts, outdoor sports and recreation, music and planned social recreation along with many other things. Instruction relating to Texas Cultural Heritage will be provided by qualified college-age counselors and resource persons. Adult 4-H leaders and County Extension agents will serve as supervisors. The camping program will be conducted according to age groups, with the schedule as follows: July 9-12, 15 years and older; July 12-14 and July 26-28, 10-11 years old; July 16-19 and July 23-26, 12-14 years old. Cost of the camp is \$35 per individual except for the 10-11 year-old-groups which is \$30. Parents and leaders who will be providing transportation for 4-H'ers may make reservations to stay at the center at the same fee as for the youth. Applications for the summer camping program at the Texas 4-H Center are available at the County Extension office, adds Mrs. Winegarner. Reservations will be made on a "first come, first served" basis. An average cup of coffee contains about 100 to 150 milligrams of caffeine, reports Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Caffeine—a chemical found in the leaves and beans of the coffee tree—acts as a cerebrospinal, circulatory and renal stimulant, she explains.

School Board Meets

The Spearman School Board met in regular session at the High School Monday evening. The board first attended the FFA banquet, where they were honored guests, and then retired to the regular meeting room. There were no special groups wishing to come before the group. The minutes were read and adopted for the 4-10-78 meeting. The business manager gave his report, which included the financial statement, paying of bills, and a tax report. To date, \$1,195,243.57

has been collected in taxes for this year. Communications included a letter concerning cafeteria operation, which is excellent. Also, a letter from Follett I.S.D. thanking the Spearman teachers for visiting with them recently. A letter was also received from Mrs. Clark and Mr. Angel concerning the needs for the music and choir departments. They stated that they needed another teacher in this area. The School Board is sure to grant this request as this is the fastest growing department in the entire school system and one of the finest. Old Business included the budget consideration for 1978-79. The Board will have a special meeting Monday night to discuss the budget. The salary schedule for teachers in the Spearman system was set at \$1200.00 above state, plus insurance premiums for each individual employee. New Business included appointing a Board of Equalization. Names will not be released to the paper until they have been notified. The Board action on letter of resignation from the following was accepted: Lynda Kyler, Frank Porter, Jim Bob Brown, and Mr. and Mrs. Charles Carter. The Carters were hired from the Wheeler system, but elected to stay at Wheeler. The bus routes were accepted. The following teachers were hired: James Collingsworth and Mrs. James Collingsworth of Childress, and Evelyn Nunn, W. T. graduate. James will be an assistant coach, Mrs. Collingsworth will teach in the Elementary grades, and Evelyn Nunn will teach speech therapy. In the Superintendent's report, it was learned that the transfer list for 1978-79 will include 25 students to Spearman from Morse-Pringle Schools, 6 from Waka, and 4 from Miami. Baccalaureate program will be at 8 p.m., May 14th. Graduation exercises for seniors will be at 8 p.m., May 19th. Graduation exercises for 8th grade will be 7:30 p.m., May 18th. Enrollment chart this month was up one student, from 962 to 963. In other business, the Supt. stated that the Board Breakfast for May 23rd had been cancelled. ***** Alexander Graham Bell was 29 years of age when the telephone was patented.

SPORTS BULLETIN:

Pole vaulter Jim Jones, and coach Friemel will head for the state tourney Thursday of this week. Jim will be one of the favorites in the pole vault competition.

To rejuvenate watercrust (or to store for awhile), snip off the ends under running water and place in water in your refrigerator.

I'LL BET YOU A SPEEDING TICKET...

They work, no doubt about it! But will a radar detector really eliminate the need to obey the 55 MPH speed limit? NOT QUITE.

For the last ten months you have been hearing quite a bit about radar detectors... every manufacturer telling you that his unit is the best. But who can you believe? Fuzzbuster tells you that they are the largest Super Snooper tells you that they have the longest range, and of course Centurion tells you that they are the best. Well, we don't believe any of them. They ran their tests in a scientific laboratory. NO TRUCKER HAS EVER GOTTEN A SPEEDING TICKET IN A SCIENTIFIC LABORATORY AND NEVER WILL!!! So we took our radar gun, a CMI Speed-gun I, out on our highways and tested them all ourselves. As you might have guessed, the results proved quite interesting.

cause most radar detectors cannot detect K-band. Because of the publicity these new units have received, many people were afraid that radar detectors would be rendered obsolete. NOT TRUE!!... as long as you have a K-band detector. The fact is that in order to be ticketed by one of these units, you have to be the first vehicle and be within 3/10ths of a mile from the radar.

	Distance from Gun	All Automatic	Geiger Counter	X&K Bands	Retail Cost
Whistler Multiband	2.5 miles	Yes	Yes	Yes	150.95
Long Range Super Snooper	2.4	Yes	Yes	Yes	180.95
Whistler Radar Eye	2.1	Yes	Yes	X only	90.95
Super Snooper	1.4	No	No	Yes	140.95
Fuzzbuster II Multiband	1.3	No	No	Yes	120.95
Centurion XK	.9	No	No	Yes	140.95

THE TRUTH ABOUT X AND K BAND RADAR:

- There are upwards of 65,000 radar units in use, less than 2,900 are K band.
- The highway patrol has a lot of area to cover and it is impractical for him to sit stationary with a hand-held gun to catch speeders. It is much better for him to be "on the move" with moving radar.
- With moving radar, i.e. MR-7, MR-9, as you are going northbound, he is going southbound, and he is tracking your speed on radar.
- So remember, simply being fearful of cars parked on the right hand shoulder doesn't always work.

against speeding tickets, not a guarantee that you'll never get another one.

LEGALITY:

As of August 1, 1977, the only states which still have laws against radar detectors are Virginia and Connecticut. In July, the Senate and the House in Virginia both voted to repeal the law—the Governor vetoes the repeal. All other states have either repealed their laws, or have had them struck down in the courts.

You are well aware of the "real cost" of a speeding ticket, namely the rise in your insurance rates, attorney fees, points against your license (depending of course on which one you give him) and the fine itself.

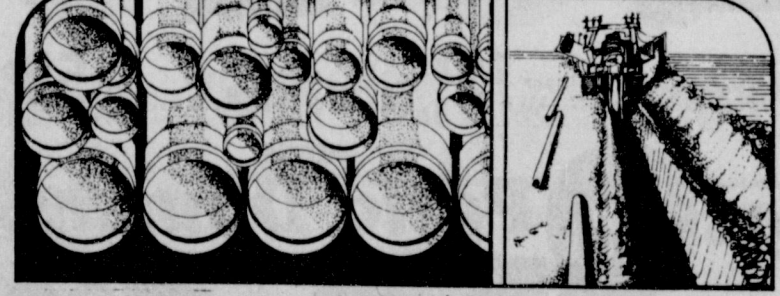

OUR SUGGESTIONS: The best radar detector we can suggest is a Whistler Multiband. It is by far the best detector on the market, and the only way to fly! At \$150.95, you've never had it so good. It's your license, and you are well aware that a speeding ticket is about a half day's work.

The easiest way to understand how a radar detector works is to pretend it is nighttime. The headlights of your car allow you to see about 3/10ths of a mile ahead of you, yet you can be seen miles away, depending on the road. Your radar detector can "see" the radar long before the radar "sees" you.

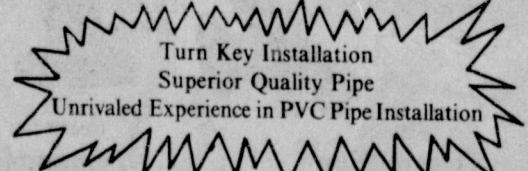

If you have any questions, or if we can be of any assistance, please call us. We have established a RADAR HOTLINE for this purpose. It's a FREE CALL, and we would love to hear from you... 1-800-858-6118. JUST ONE MORE THING: For those of you who think your CB is all you need... when there is a car driving towards you on a four-lane no one knows that it is a BEAR—ESPECIALLY AT NIGHT... unless you have a radar detector... And on that, my friend... I'LL BET YOU A SPEEDING TICKET!!! —Adv.—

Believers' Cottage Meetings Scheduled

Jack and Julie Johnson will be teaching Monday, May 22, through Saturday, May 27 at meetings to be held in Believers' Cottage.

Square Dance Club News

Spearman Spinners Square Dance Club met Thursday, May 4 in the County Barn with Paul Lopez calling.

Three squares danced and there were visitors from Gruver. A pot-luck supper was enjoyed by those attending.

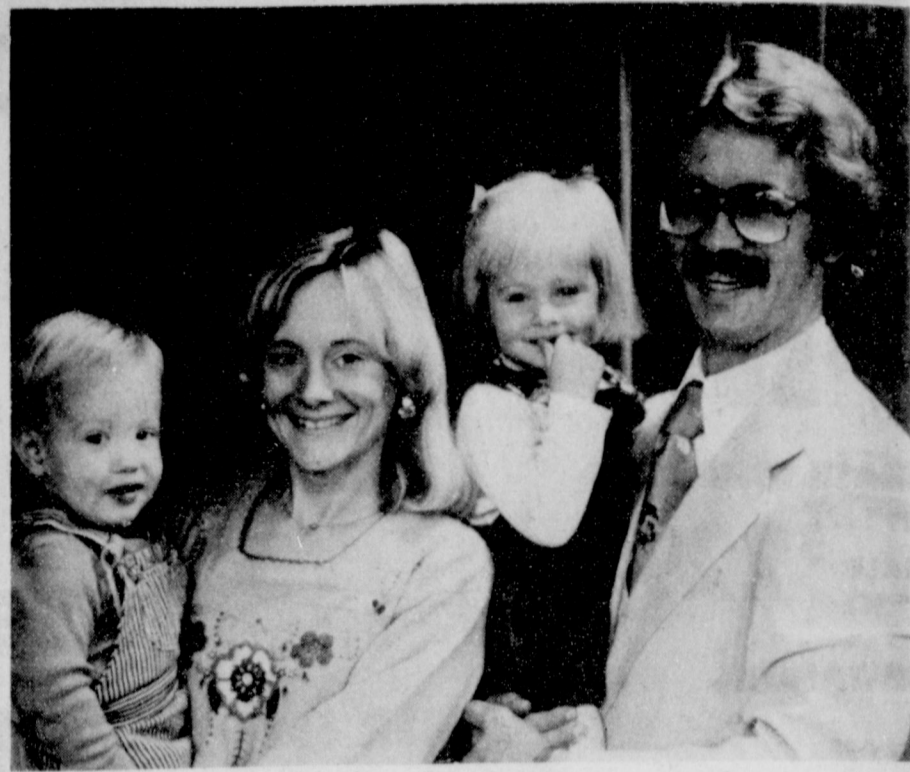

The next meeting will be May 18 at the County Barn with a guest caller, Leroy Hibbs from Beaver, Oklahoma, to be present at the dance.

Clinic Set

In accordance with the city's animal control ordinance which requires dogs and cats to be inoculated against rabies and distemper and to display tags accordingly, an animal vaccination clinic has been scheduled May 12 and 13 at the city fire station. It has been announced. The clinic will be conducted from 4 to 6 p.m. on May 12 and from 10 a.m. to 3 p.m. on May 13 with Dr. Tom Latta and Dr. Glenn Blodgett in charge of the activity.

An anti-rabies shot is \$4 with the price of \$5 for a distemper shot. Tags are \$2 per female or male animal spayed dog or cat and \$5 for female or male dog or cats.

All dogs and cats are required to conform to the city ordinance.

THE JACK JOHNSON FAMILY

ers' Cottage, 2.7 miles west of Spearman on Highway 15. Julie will teach in the afternoon at 1:30. Jack will teach at 7:30 p.m. Everyone is invited.

Jack Johnson was born at Lakin, Kansas 1948. His family were stable members of the community and here Jack was raised, graduating from the community schools. He attended church and Sunday School regularly. He became a part of the hippy-drug culture of the late 60's and early 70's.

Because of one girl's witnessing in California, he heard for the first time about Jesus and what He had done for him personally, and gave his heart to the Lord. Jack received his Bachelors' Degree in Psychology in 1974 from Fort Hays State University at Hays, Kansas. He then attended Rhema Bible Training Center, Tulsa, Oklahoma under the direction of Kenneth W. Hagin. Jack was in the first graduation class in 1975. He then returned to his old college town and rented a building that was a bar, that he

had "frequented" in the old days. There he started holding services, calling the place Joy Fellowship. The building is becoming so small for the body of believers that is worshipping there. They are now seeking God's guidance as to which way they should move. But fully expect to be in a different building by the end of summer.

Jack is married. His wife, Julie, is a vital, supportive part of his ministry. They have two children - a girl, Jenny, and a boy, Joel.

Home Tour Is Planned

Sunday afternoon, May 21, from 1:00 p.m. to 5:00 p.m., the Hansford County Family Living Committee is sponsoring a tour of homes in the Spearman and Gruver area.

Tickets are on sale now for \$1.50 per person, all ages. Tickets are available at the County Extension office in the Courthouse basement and from all committee members. In Gruver call 733-2109 and in Morse call 733-2209. Proceeds will go to the Hansford County Home Demonstration Council.

The tour will include new, remodeled homes, according to Peggy Winegarner, coordinator for the event.

Three homes in the Spearman area will be on tour. The two year old home of Mr. and Mrs. Mike Garnett, built by Marvin Standefer of Amarillo, will show interesting storage features and decorating techniques.

Mr. and Mrs. Jerry Pat Davis have completely restored and remodeled an old granary to show how creative decorating can obtain luxury contemporary living.

The home of Mrs. Rex Sanders, built one year ago by Dick Kilgore, displays elegant formal living at its finest.

In the Gruver area, the two year old home of Mr. and Mrs. J. C. Harris, built by Roy Edwards, sports a heatatator in the fireplace and outstanding kitchen organization.

A subtle blending of old with the new is to be seen in the home of Mr. and Mrs. Joel Lee Lackey. Recently remodeled by Dick Kilgore, this beautiful home nestles in the meadows south of Gruver.

The Family Living Committee invites everyone to attend their Spring Home Tour, May 21, 1:00 - 5:00 p.m. for only \$1.50 and view the latest in home decorating, remodeling, space and energy-saving techniques. Car pooling is encouraged!

Bridge Clubs

Short Bridge Club met Tuesday, May 2 in the home of Mrs. Woody Gibner.

Refreshments were served to members, Mesdames: Herb Butt, Henry Cornelius, Woody Gibner, Tom Etter, Garland Head, Roy L. McClellan, Bob Skinner, and C. A. Ellison.

High score was won by Mrs. Mary Cornelius; second high, Mrs. Ruth Skinner; and traveling, Mrs. Lois Gibner.

The next meeting will be May 16 in the home of Mrs. Garland Head.

Meeting Thursday, May 4 in the home of Mrs. Ted Godfrey was the Thursday Dessert Bridge Club.

High score was won by Mrs. Linda Latta; low, Mrs. Mary Lou Mathews; and traveling, Mrs. Judy Nelson.

Those present were members, Mesdames: Britt Jarvis, Tom Latta, Steve Mathews, Ted Godfrey, Albert Clark, Bob Meek, Dennis Nelson, Dick Countiss, Clark Mires, and guests Mrs. Roy Flowers, Mrs. Max McCormack, and Mrs. Butch Baker.

The next meeting will be June 1 in the home of Mrs. Britt Jarvis.

You are cordially invited to a

Bake Sale Is Saturday

A bake sale will be held May 13 at Cut Rate beginning at 9 a.m. to benefit the Texas Association of Mental Health, according to Mary Lou Mathews, mental health chairman for Spearman.

This will be a great time to buy some home baked goodies for Mother's Day and also to help with a worthy cause. All proceeds will go to the Mental Health Campaign.

Anyone wishing to donate baked goods are asked to have them at Cut Rate at 9 a.m. Saturday, May 13.

When we keep soil on the land we also keep it out of lakes and streams, thereby reducing nonpoint water pollution. Observe Soil Stewardship Week April 30 through May 7.

PHS Study At Library

The Panhandle Health Systems Agency has adopted the first PANHANDLE HEALTH SYSTEMS PLAN FOR HEALTH SERVICE AREA-I and THE ANNUAL IMPLEMENTATION PLAN 1978-79.

The Panhandle Health Systems plan and The Annual Implementation plan 1978-79 are being placed in all community libraries throughout the Panhandle.

The Panhandle Health Systems Agency has worked with health professionals, community leaders, and interested persons over the last 18 months to develop comprehensive health plans and strategies. The HSP and AIP represent local planning efforts to help improve and promote local health systems.

The Panhandle Health Systems plan is a five year long-range study which describes and evaluates the health of area residents and the health care delivery system which serves them. The plan will be used to help develop and implement programs, projects, and plans that will help improve the health of residents in the 25 county area. The First Health Systems Plan looks closely at health education and information, prevention, cancer and heart disease, infant mortality, mental health, and recruitment of primary care professionals.

The annual implementation plan 1978-79 is an annual action plan which draws from the goals and objectives of the health systems plan those programs and activities the community wishes to see achieved during the coming year. The annual implementation plan objectives will be undertaken by many health professionals, organizations, and agencies in our area.

It is hoped that the successful implementation of these objectives will help reduce the number of health concerns in our area and help to improve and maintain a healthful environment.

The HSP and the AIP are also available by contacting the Panhandle Health Systems Agency Offices in the Amarillo Building, Suite 730, Third and Polk, Amarillo, Texas or by writing P. O. Box 9257, Amarillo, Texas 79105. For more information call (806) 372-3381.

Arts and Crafts Guild News

Arts and Crafts Guild met Friday, May 5 at Martin's Steak Garden with Mrs. Nolan Holt serving as hostess.

Refreshments were enjoyed by members, Mesdames: F. J. Dally, Kiff White, Sr., Deta Blodgett, Ned Turner, P. A. Lyon, Sr., Bruce Sheets, Clay Gibner, Bill Russell, Garrett Allen, Joe Trayler, and Pope Gibner.

The next meeting will be May 12 at the home of Mrs. Sada Hoskins.

Volunteer Fire-Ettes Meeting

Spearman Volunteer Fire-Ettes met Tuesday, May 2 at the home of Mrs. Sherry Brand. Those present drew secret sisters for the coming year. They also discussed some money-making projects.

Refreshments were enjoyed by members, Mesdames: Vicki Bullard, JoDell Tigrett, Sherry Brand, Kathy Slater, and Kim Williamson.

The next meeting will be June 6 with the meeting place to be announced at a later date.

Daily Team Roping Scheduled

The Adobe Walls Roping Club has scheduled a Daily Team Roping for Saturday, May 13 at 7 p.m. at the Oscar Archer Arena in Spearman. This will be a 5 header pro after 2 and the cost for entering is \$40.00.

Trophy buckles will be awarded to winner of average. For further information contact Adobe Walls Roping Club, 659-3968 and ask for Gary Taylor.

PROCLAMATION NATIONAL "MUSIC WEEK"

TO THE CITIZENS OF SPEARMAN, TEXAS: WHEREAS, it is of the utmost importance to bring the spiritualizing forces of music to the inner life of our nation; and

WHEREAS, Music is the Birthright of all people; and

WHEREAS, the strength of music lies in the participation of all citizens with integrity, devotion and enthusiasm;

NOW THEREFORE I, C. Ralph Blodgett, Mayor of the City of Spearman, by virtue of the authority vested in me, do hereby proclaim the week of May 7-14, 1978 as

NATIONAL "MUSIC WEEK" for the city of Spearman, Texas, and do encourage all citizens to participate, and share the joy of music.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the great seal of the City of Spearman, Texas.

Done in City Hall this fifth day of May, nineteen hundred and seventy-eight.

Kleeberger brings program Tuesday!

Dr. R. L. Kleeberger brought the program at Lions Club Tuesday. Mrs. Colleen Murrell, who has received two eye transplants, was present as the program for Tuesday. Mrs. Murrell had her first eye transplant in Oklahoma City some 20 years ago. In March of this year, she had another transplant. Both eyes had been from donors, which is a part of the Lions Club program. The last transplant, made in March of this year, was by Dr. Taylor at Hi Plains Baptist in Amarillo. It takes about 2 hours to transplant the cornea, and she did so well after the last transplant that she was discharged from the hospital in three days. The Lions at Tuesday's meeting asked many questions. One of the questions was, "how do you feel, when waiting for an eye?" Mrs. Murrell stated, "anxious!" She said that you get on a waiting list, and as soon as a

donor has been made, you are called immediately, and the transplant is made almost "on the spot!" She went ahead to state that the sutures or stitches that doctors use as part of their technique now is an important key to the success of the operation. The stitches are put in using a microscope, and are removed at different times. She still has some stitches in the latest transplant, and will have them taken out periodically. The new eye is near perfect already, and doctors think she will have even better than 20-20 vision in the near future.

The club was extremely grateful for this program presented by Lion Dr. Kleeberger and Mrs. Murrell. Many of the newer members did not even know about making your eyes available for this most important Lions Club program. In other business, Lion Ellsworth stated that the 50th Anniversary of the Spearman Lions Club will be celebrated on the evening of June 10th! This plans to be the biggest celebration in the Clubs History and all members and former members are looking forward to this event.

Lion Proctor re-joined the club after lengthy absence, and the members were glad to see him back!

each month. The ladies met Saturday, May 6 and worked on altar linens and made white pillows for the flower crowns to be used on the 14th to crown St. Mary.

HD Club News!

Serendipity Home Demonstration Club met Thursday, May 4 at the home of Mrs. Ladd Gafford. Mrs. Gayle Smith, president, called the meeting to order.

Sacred Heart Women's Guild Meets

Sacred Heart Women's Guild met Friday, May 6 at 6:30 P.M. for a salad supper at the Parish Hall. In the absence of the president Mrs. Clementine Renner called the meeting to order. The meeting was opened with prayer. Minutes of the previous meeting were read and approved; the treasurer's report was given. The revision of the constitution and by-laws were read and accepted as read. There was discussion on the garage sale to be held the 26th & 27th of May in the Parish Hall from 9 a.m. to 5 p.m. each day. The May Crowning will be held at 6:00 p.m. in the church the evening of the 14th of May; this will also be First Communion Day for approximately nine children. A reception for the children after the 8:00 mass will be held that day. The sewing circle meets on the 1st and 3rd Saturdays of

Bride-elect Is Honored

A bridal shower was held Saturday, May 6 honoring Becky Gooch, bride-elect of Randy Fowell, at the Fellowship Hall of the First Baptist Church. The receiving hours were from 2:30 to 4 p.m. Hostesses for the courtship were Mmes.: George Robinson, Paul Hazelwood, Reagan Baker, Doug Connelly, Alton Ellsworth, Don Denham, Orvil Brummett, Ed Wheeler, Ralph Newton, and Glen Hiller. The registry table was laid with a white eyelet table cloth. The serving table was also

laid with white eyelet and centered with a pot plant. The colors of blue and white were carried out in the refreshments, with a blue and white cake and banana punch being served to those attending. The honoree was presented a blue carnation corsage. Special guests included the honoree's mother, Mrs. Marlon Gooch; her grandmother, Mrs. Lillian Whitten and her sister, Miss Kim Gooch, all of Pampa; and the prospective groom's mother, Mrs. Clay Fowell of Spearman.

Spearman Spinners To Meet

HAVE FUN
The Spearman Spinners Square Dance Club will have a Dance the 18th of May at the County Barn at 8:00 P.M. Mr. Leroy Hibbs from Beaver, Oklahoma will be the guest caller at this gala event. All square dancers are invited and the public is invited to come and watch. Come one, come all!

Mother's Day Bake Sale

A Mother's Day Bake Sale will be held Saturday, May 13, 1978 from 9:00 a.m. to 3:00 p.m. at Ideal Grocery Store and Allsup's, sponsored by First Assembly of God Christ Ambassadors. Proceeds will go to Speed-the-Light. A specially decorated cake will be at each store and will go to the person submitting the highest bid. Winners will be determined at 3:00 p.m.

As one interior designer expressed, inhome decorating, set aside an ample budget for the finishing touches-accessories will make your home warm and inviting. Avoid "fads" in every phase of home decorating, that is unless you can afford to redecorate every other year!

New publications are available for your reference and help on certain housing questions. If you have need of any of the following please contact the Extension office: Remodel Rationally, Home Remodeling Alternatives, Evaluating the Structure of an Older Home, Home Remodeling - Financing and Business Considerations, and Evaluating a House Plan.

HOME TOUR -- we've been processing and now it is a reality! Sunday afternoon, May 21 from 1:00 p.m. to 5:00 p.m. the Hansford County Family Living Committee is sponsoring a tour of homes in the Spearman and Gruver area. Tickets are on sale now, all ages \$1.50, available at the County Extension office and from all committee members. In Gruver call 733-2109 and in Morse 733-2209. Proceeds will go to the Hansford County Home Demonstration Council.

The tour will include new, remodeled, and solar energy homes. Homes on tour are owned by Mr. & Mrs. Mike Garnett, Mrs. Rex Sanders, Mr. & Mrs. Jerry Pat Davis, Mr. & Mrs. J. C. Harris, Dr. & Mrs. Robert Adams and Mr. & Mrs. Joel Lee Lackey.

Car pooling is encouraged! **CONGRATULATIONS** to all 4-H youth participating in the District 1 4-H Round-Up April 29, in Canyon. Julie Farr placed 1st, Jon Garnett - 1st, Kerri Holt - 3rd, Rodney Dale Clawson - 2nd, Chad Guthrie - 3rd and Mandy Gammon - 4th. These 4-H youth would be happy to present their talks and demonstrations to any civic group desiring an interesting program!

ADULT SITTER CLINICS are being held in many areas of our state for the purpose of training adults wishing to stay in hospitals or homes with confined or bedfast individuals. Many adults in our area are performing as adult sitters without being trained to meet their responsibilities. Adult Sitter Clinics provide training in physical care, such as positioning in bed, lifting techniques and use of special equipment. Participants in these clinics are also trained in adapting to various job environments such as hospitals, private homes or nursing homes. If you would like to receive training as an adult sitter or know of someone who would,

Dr. Robert J. Philips announces the relocation of his practice to Pampa, Texas effective June 8, 1978. We will be continuing our services to the people in this area in our new location in Pampa.

Briscoe Comments On Nuclear Waste Disposal

Governor Dolph Briscoe has issued the following statement with respect to the development of nuclear waste disposal facilities in Texas.

"The Department of Energy is responsible for supervising the disposal of waste from all commercial nuclear projects such as nuclear power plants. Recently the Department of Energy contracted with the Nuclear Division of the Office of Waste Isolation of Union Carbide Corporation to develop plans for building new waste disposal facilities.

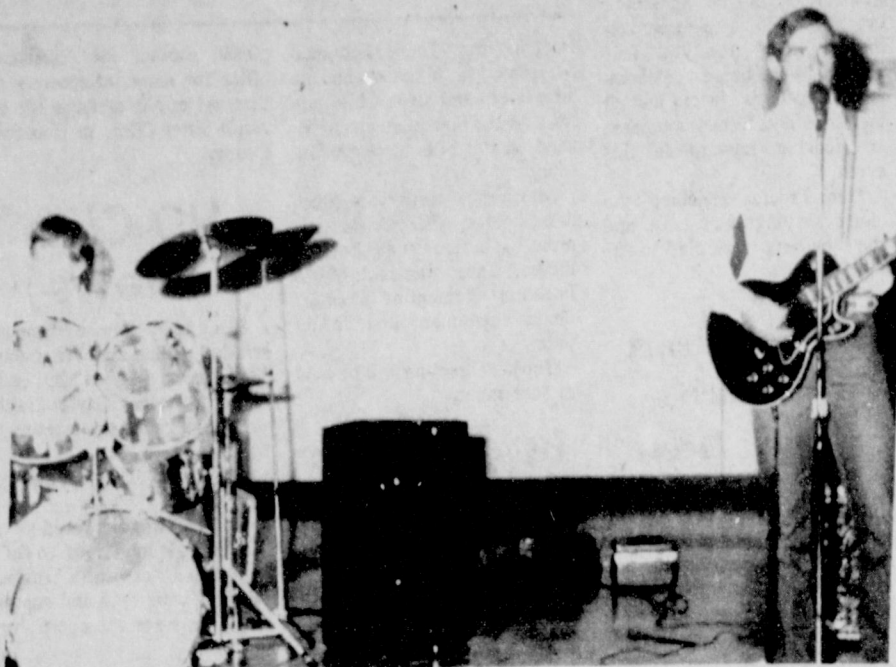

"Some preliminary geological studies are now underway in a number of states, including Texas, to locate possible sites. My office has been closely monitoring the progress of these preliminary studies and will continue to do so.

"We have been instrumental in making experts available to local and regional governmental entities who are reviewing these studies.

"As Governor, I will not allow any facility to be constructed in this State which may endanger the health and well being of our people."

There are three cities listed in the record books as being the smallest in America, only 4 square miles in area: Belvedere, California, Bonne Terre, Missouri, and Montgomery, West Virginia.

"All authority belongs to the people." Thomas Jefferson

John Reneau, on the drums, and Sam Boone at the microphone, will furnish music for the student dance on the tennis courts after the football game Saturday night.

Highway & Hedges Team To Visit Here

Homer & Nadine Dunn, directors of the Highways and Hedges Outreach.

Plans have been made for the visit of the Highways and Hedges Team for mid-May at the Memorial Building in Gruver. This, a ministry of First Century principles utilizing 20th century methods is directed by C. H. (Homer) and Nadine Dunn.

The Outreach Team, who will have their meetings at 7:30 P.M., May 18th, 19th, and 20th at the Memorial Building in Gruver, also includes J. D. (Jerry) and Carolyn Thomson and Ann Wright. Organized in 1977, the goals of this ministry are to be open and responsive to the needs of the body of Christ in the world today. The statement "A Ministry of First Century Principles Utilizing Twentieth Century methods" is considered more than just a slogan but is a concept of this ministry in that the principles of the word of God are the same "yesterday, today, and forever". Only the methods of ministry and the needs of the people differ because of differences in culture backgrounds.

The name of the Outreach Group, which is based in Amarillo is found in Luke 14: 23. "Go out into the highways and hedges and compel them to come in, that my house may be filled."

Start making your plans now to attend the Highways and Hedges Outreach in Gruver May 18th, 19th, and 20th at the Memorial Building. For more information contact Homer and Nadine Dunn: 806-353-9483 or 353-4859, Box 7272, Amarillo, Texas 79109.

Conservation Meeting May 13

"Public views on the future of the conservation, protection and enhancement of Texas' soil, water, and related natural resources will be sought at a meeting to be held in the County Courthouse in Spearman at 8:00 P.M., May 13," Charles Brillhart, Chairman of the Hansford Soil & Water Conservation District, said.

The meeting is in response to the Resources Conservation Act last November which requires an appraisal and evaluation of the state and nations' soil and water conservation program.

"The RCA act authorizes and directs the Secretary of Agriculture to develop a national soil and water conservation program in cooperation with the public, our local soil and water conservation districts, the Texas State Soil and Water Conservation Board, and the Soil Conservation Service," said Brillhart.

"This program will establish new direction for future soil and water conservation efforts in Texas based on current soil, water, and related resource appraisals," Brillhart continued. "One point I want to make

clear is that districts in their 40-year history have always assisted landowners with voluntary conservation programs on their farms and ranches. We do not advocate any other approach since farm and ranch land is privately owned and that the interests and welfare of the owners must be served and that programs must be acceptable to them," Brillhart added.

Actions required by the RCA act include gathering data to appraise the condition and quality of Texas and the nations' soil and water resources by 1979.

The act also outlines a 5-year plan for the U. S. Department of Agriculture's conservation assistance to districts and requires an evaluation of the effectiveness and progress of ongoing programs. Reports will be made to the public and Congress.

"Our first meeting will primarily deal with discussions on soil and water resources in the district and how to conserve them," Brillhart said.

License number 100 is always reserved for the president's car.

Social Security

The social security disability benefits program has stricter eligibility requirements than many other disability programs, Howard Weatherly, social security branch manager in Pampa said today.

Some programs pay benefits based on short-term disability; social security does not. Some programs pay benefits based on percentage of impairment; social security does not. Some programs pay benefits used on short-term disability; social security does not.

What social security does, is to pay benefits to severely disabled workers who have worked long enough and recently enough under social security and to certain members of their families.

To be disabled under the social security law, a worker must have a physical or mental impairment so severe that it prevents him or her from engaging in substantial gainful work for a year or longer or is expected to result in death.

The amount of social security work credit needed to qualify for benefits depends on the worker's age at the time he or she becomes disabled. It ranges from 1 1/2 years of credit earned in a 3-year period for a worker disabled at age 24 or earlier, up to almost 7 years of credit (with 5 years of credit earned in the 10-year period before disability) for a worker disabled in his or her late 40's or later.

No benefits are payable during the first 5 full months the worker is disabled; the first possible payment is for the 6th full month of disability.

When a worker is found disabled under the law, benefits can be paid to certain dependents. These include:

- Unmarried children under 18; 18-22 if full-time students; over 18 if disabled before 22.
- A wife under 65 caring for an entitled child under 18 or disabled.
- A wife 62 or older even if there are no eligible children.
- A husband 62 or older.

Generally, once disability payments begin they will continue as long as the disability prevents the person from working. Also after receiving bene-

fits for 24 consecutive months, the disabled person becomes eligible for Medicare health insurance.

The Pampa social security office has several free pamphlets that describe the disability benefits program. The office is located at 1541 North Hobart St. The telephone number is 806-669-3381.

An average bale of cotton weighs 480 pounds.

Fine trees are less likely to be struck by lightning because of their resin interferences with their conducting of electricity.

English mailboxes are called pillar posts.

It is warmer to wear two thin garments than one thick one because the air between them serves as insulation.

Mr. Cunningham:

On May 4th, 1978 a group of your students stopped by my restaurant on a trip. I just wanted to take the time to thank you for their visit and to say that your group was one of the most well mannered and polite bunch of students I've seen in a long time. Hope to see them all again soon.

Thanks: Rick Sparkman, Manager.

Nickerson Farms

[Editor's Note:] This was the Choir group that attended the festival in Galveston last week. They are truly a great group and we are all proud of them!

Mark Hays Sets FFA Record

Mark Hays of Eufaula, Oklahoma, FFA chapter set a new record in the history of Oklahoma FFA at the State Convention in Stillwater, Oklahoma, recently by winning two State Speaking Contests. Mark placed first in both Extemporaneous and the FFA Public Speaking contests on the State level.

Mark is the charter winner of the Extemporaneous contest and will represent the state of Oklahoma at the National Public Speaking contests later in the year. These winnings add to the impressive wins already accomplished by Mark in his four years of FFA for the Eufaula chapter. He has been most active in beef production and show animals and has added numerous laurels to the chapter's collection in public speaking and judging contests across the state. He has served the chapter as reporter and president, and was recently defeated by only 15 votes out of 765 for the State Secretary's post. He was also awarded the State Farmer degree at the recent convention.

Mark has been listed in the 1978 edition of Who's Who Among American High School Students, has been a member of the Superintendent's Honor Roll this year, and will graduate May 25 fifth in his class. He plans to continue his education upon graduation from Eufaula High School at Oklahoma State University where he plans to major in Agricultural Economics. Future plans include working as a commodity stock broker upon graduation from O. S. U. Mark has been awarded

an Alumni scholarship from O. S. U. for the 1978-79 school year.

Mark is the son of Mr. and Mrs. Larry Hays, former Spearman residents, and the grandson of Mr. and Mrs. W. E. Kirkland and Mr. and Mrs. W. F. Hays of Spearman.

PRACTICAL PHILOSOPHY Integrity, Reliability, Dependability

"The very foundation of business is integrity, reliability, dependability. If a company, large or small, cannot be depended upon to fulfill

"The very foundation of business is integrity, reliability, dependability. If a company, large or small, cannot be depended upon to fulfill its contracts, to take a professional pride in the quality of its products and services, and to conduct its operations in a responsible and ethical manner, that company will not long endure."

--Jerry McAfee, chairman, Gulf Oil Corporation.

It is said that a letter is coming if fire pops on the hearth.

Terrace Systems

A well-designed Terrace System will make the most efficient use of available rainfall and also protects the soil against severe erosion.

Terraces are earth embankments constructed across a slope either as a single unit or in a series.

The primary purpose of a terrace is to impede the flow of water for flood prevention.

moisture conservation, or to protect the soil below the terraces from erosion. Terraces can be widely adapted to fit many different types of farming operations.

Since the development of parallel terrace systems, short point rows can be kept to a minimum and land between the terraces can be adjusted to fit different sized equipment.

The most common type of terraces in Hansford County are diversion terraces. These are constructed primarily to break up long slopes and to divert excess water off of land into stable outlets.

Cost share assistance is available through the Great Plains Conservation Program administered by the Soil Conservation Service. If you would like more information concerning a terrace system for your farm or ranch please contact the Soil Conservation Service here in Spearman, Texas.

To conserve water, avoid buying clothing that must be laundered separately, advises Marlene Odle-Kemp, clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Judge Lee Resigns

The Commissioners Court of Hansford County met on May 8 at 10 a.m. for their regular meeting. Minutes of the last meeting were read and approved.

The treasurer gave the report for the month, and bills were authorized for payment.

The commissioners organized a Board of Equalization and set the meeting date for June 5 at 10 a.m. of this board. The meeting will be in the County Judge's office.

The commissioners accepted the resignation of County Judge Johnnie C. Lee, effective May 22. They will appoint a judge to finish out Lee's term at the regular meeting on May 22. Lee will assume his new duties as general manager of the Palo Duro River Authority.

Tennis Lessons Scheduled

Teresa Barkley is offering a one week course in tennis lessons. It will cover the basic fundamentals of the game, in addition to preparing kids for the summer tennis tournaments which are just around the corner.

The charge is \$15.00 per child plus one can of unopened tennis balls. Lessons will begin on May 22nd and end on May 26th. She will be teaching in Gruver during the morning hours and registration for these classes will be on May 13th at 10:00 a.m. in the City Park.

Classes will be taught in Spearman during the afternoon hours and registration for these classes will be held on May 13th at 2:00 p.m. at the high school tennis courts.

Classes are for Jr. High age students only. No private lessons are to be given, due to the lack of time. If enough interest is exhibited there will also be a class for women who are strictly beginners.

If possible, separate classes will be offered for boys and girls. Ms. Barkley would like to see every child interested get to have these lessons. If lack of money or equipment is a problem come to registration and arrangements can be made.

Teresa competed in the 1977 Panhandle Tennis Circuit placing in the tournaments at Spearman, Gruver, Guyton, Perryton, Hereford, Borger and Pampa. She participated in singles as well as doubles and mixed-doubles. She played doubles with several area residents including her high school partner Sheila Patterson Watley. Sheila and Teresa won the State Championship Title in AA schools while they were students at Spearman High School.

Teresa is currently enrolled in Amarillo College where she is actively improving her game of tennis under the instruction of Leo LaBorde, the men's tennis coach at Amarillo College.

Lubbock --- Special: Roger Jones, of Spearman, will be one of the starters for the Red Raiders when they open their football season this year. Jones will be playing a defensive end for the Raiders.

Hospital News

Patients in Hansford Hospital are Alma Kizziar, Katrina Mayfield, Maudie Briscoe, Frances Bostick, Debbie Price, Harvey Urban, Geneva Eddleman, Jim Eddleman, Deana May Douglas and Ruth Garner.

Dismissed were Larry Lackey, Stacy Thomas, Vera Wroten, Mattie Dyer, Bennie Rodrigues, Georgia Chevalier, Debbie Chisum, Eula Bakehouse, Pauline Harris, Gene Cudd, and Jesus Bresineo.

Baptist Youth Set S.D. Mission

THE CONGREGATION

BAPTIST YOUTH GROUP who will be going to Yankton, South Dakota are: 1 to r standing, Robby Schaffer, Dean Schaffer, Mike Ladd, Zane Newton, Jim Jones. Seated, 1 to r, Suzie Steele, Paige Mitchell, Jonell Comegys, Lesa Thomas and Beth Ann Flowers. Others who will be going but not pictured are Sam Boone, Brad Guthrie, Jane Flowers, Doug Steele and Robin Denham.

The youth from the First Baptist Church will be traveling to Yankton, South Dakota May 23-31. The plans are to leave here late Tuesday afternoon and arriving in Yankton the following day. All of Thursday thru Saturday will be spent conducting a door to door survey. There will be services each evening Thursday thru Sunday at the Yankton Baptist Church with Mike Newsom presenting the message and Travis Angel

leading the music. Also included in the schedule are Sunday afternoon lake services, fellowship with the Swedish Baptists on Sunday night, a youth fellowship at the lake Monday night with the services, a Tuesday night program for the Sisters at the Sacred Heart Convent, and all day Tuesday will be spent finishing the survey.

Yankton Baptist Church is the only Southern Baptist Church in Yankton, a town of 12,000. Since the Rev. Claude Fox came to the church in October, the membership has increased to 25 people. On Easter Sunday they had a high attendance of 44.

With the help of the survey, Brother Fox will be able to follow-up with those who are unchurched or have a Baptist preference.

During their stay at Yankton, the Spearman people will be staying in dorms at the Catholic College, Mount Marty College. Meals will be prepared at the church.

The young people who are

going to Yankton are Jonell Comegys, Robin Denham, Beth Ann Flowers, June Flowers, Paige Mitchell, Lesa Thomas, Suzie Steele, Sam Boone, Brad Guthrie, Jim Jones, Mike Ladd, Zane Newton, Robby Schaffer, Dean Schaffer and Doug Steele. The sponsors are Youth Director, Debbie Connelly, Donna Depee, Gary Sims, Tony Ferguson, Travis and Charlotte Angel, Mike and Peggy Newsom, Betty Uptergrove and Mary Ruth Connelly.

Sterling silver and silver plate need the burnishing effect of hand drying to maintain luster, even if washed and dried automatically, says Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Harris Nursery--All Things Green

Genial Harris Nursery Owners, Glen and Faye Harris, and interested "woodsman" Ben Harris with some of the wooded nursery area in the background.

He yourself out to the newest of the area enterprises--the Harris Nursery which is a neophyte family business of tree-growing and selling, specializing in things beautiful for one's yard and garden in the way of trees, shrubs, evergreens and many more.

most direct (if circuitous-sounding) directions of 3 miles north, 3 miles west, 1 mile north, and 1/2 mile west of Gruver, one will find the end of the proverbial rainbow--or at least the very beginning, maybe, for there is located the Harris Nursery with shrubs, shade trees, evergreens, ornamentals, and fruit

trees which are bound to be to your liking and growing. Altho their supply is limited so far and attendant upon the area response to such an enterprise, special orders can be made now for next spring's delivery. The Harris--Glen and Faye--are considering along with their present supply--

orders for living Christmas trees--a beautiful custom which will bring memories of each Christmas for many years to come.

Included in their present nursery are some twenty-foot tall trees including, if you please, cottonwood, silver maple, sunburst locust, and a corkscrew willow which is most fascinating and should do well in this windy country where nothing can grow straight as an arrow!

In the evergreen line, they have Scotch pines, aborvitae, "colorgreen"--(a member of the juniper tribe), spreading juniper, Ponderosa pine, and cypress.

Like Zaecheus you might prefer a sycamore tree and these are also available along with Russian olive, flowering crab, and wisteria (absolutely nostalgically spring in Japan).

And if your yen is for something fruity, they have pear trees, peach trees, nectarine, apple, and crab apple. Many of the trees and shrubs are balled and are of the size and variety which probably can be transported in a pickup or similar type vehicle and some of them are "bare root" which come without a ball and are immersed for a long draught of water immediately upon arrival.

Genial entrepreneurs Glen and Faye are excited about this new enterprise and are most accommodating and helpful about picking out something just right for you and your yard. Pay them a visit soon for their limited supply was becoming even more limited earlier in the week--for great summer 1978 landscaping and a lifetime of trees, shrubs, and fruit trees, check with the Harris Nursery, by calling 733-2305, Gruver, or driving out to the Harris farm.

United Presbyterian Church News

Palo Duro Union Presbytery will have a workshop on "Helping People to Help Themselves" which will deal with the Self-Development of People at 2:30 p.m. on Friday, May 12 at Sweetwater. Presbytery will be convened at 7:00 p.m. on Friday and will close on Saturday at 2:30 p.m.

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m. with an interesting, practical, well prepared Bible lesson.

"The Helper" will be the subject of Pastor Edward D. Freeman's sermon on Sunday, May 14 at the service for the public worship of God at 11:00 a.m. This Sunday is Pentecost, Mother's Day and Baccalaureate Sunday. Somehow we hope to combine all of these into one service.

Presbyterians will join with others in the community in the Baccalaureate Service at Spearman High School auditorium on Sunday, May 14 at 8:00 p.m. UPCUSA General Assembly opens at San Diego on Tuesday, May 16 and continues through Tuesday, May 23.

Helen Etter will be hostess to Presbyterian Women of the Church on Wednesday, May 17 at 9:30 a.m. Sherry Burnett will lead the Bible study, "A Woman Who Ruled in Israel."

Congratulations to David Lee Evans, who will be graduated from Spearman High School on Friday, May 19. Newcomers to Spearman and/or those without a church home are invited and encouraged to try the warm Christian fellowship at the First Presbyterian Church. You will be glad you did.

Helen Whitaker, center picture, was named as the outstanding lady who helped the FFA program in Spearman this year. She assisted the young men in many of their projects, including hair spray for their stock, etc. Helen and Eddie Clemmons were both named as honorary members of the FFA for their outstanding contributions to the program. Attending the FFA banquet, from Gruver, not pictured, were Gruver bank president and Mayor Kenneth Irwin and Dayton Barkley. Also attending from Spearman were bank president and Mrs. Clay Gibner.

Statewide Conservation Meetings

Temple, Texas. Two statewide meetings will be held in Texas to give groups and individuals a chance to state their views concerning present soil and water conservation programs and to propose needed changes or additions to present approaches.

The meetings will be held May 16 in Stephenville and May 18 in San Antonio. The Stephenville meeting will be held in the Humanities and Business Building on the campus of Tarleton State University. The San Antonio meeting will be held in the Fiesta Room of the Convention Center. Both meetings will start at 9:00 A.M. with registration beginning at 8:30 A.M.

"These meetings will be held to comply with provisions of the Resource Conservation Act of 1977," according to George C. Marks, State Conservationist of the USDA Soil Conservation Service.

The meetings are called by the USDA Soil Conservation Service and the Texas State Soil & Water Conservation Board. Both meetings will be co-chaired by Marks and Carl Spencer, Executive Director of the TSS&WCB.

Local meetings relative to the ACT are being planned in each of Texas' 198 soil and water conservation districts. "Soil and Water conservation programs--from their beginning--have sought public participation and input," Spencer said. "The RCA Act further insures that conservation programs will continue to be responsive to public needs and re-affirms the need for public leadership. We hope to receive public input so a meaningful appraisal of grass roots conservation program will provide the means for their improvement."

However, Spencer said that the right to private ownership and management of land is one of the most cherished privileges of American citizenship. As the general public becomes more involved with the growing shortage of soil and water resources, we see more proposals in legislative form concerning what landowners ought to do in the way of erosion control, flood prevention, protection of wildlife habitat and providing public access to private property.

"Any approach to soil and water conservation problems or issues must consider that a high percentage of farm and ranch land is privately owned, and that the interests and the welfare of the owners must be served. Programs must be acceptable to them," added Spencer.

"Individuals or groups with an interest in conservation should attend one of the statewide meetings or a meeting in a local soil and water conservation district," Marks said. "Interested persons are being encouraged to bring written or oral statements reflecting the direction they think conservation programs should take in the future. Such statements will be accepted, made a part of the record and considered fully."

From information and suggestions received a public meeting as well as data collected from surveys and inventories, RCA calls for determining:

- quality and quantity of soil, water and related resources,
- ability of these resources to meet current and future demands,
- changes in resource condition resulting from past uses,
- costs and benefits of alternative soil and water conservation practices, and
- Alternative irrigation techniques and their effects on conservation and the environment.

Based on inventories, survey data and public input, the Soil Conservation Service will work together with conservation districts, state soil and water conservation agencies, local governments, and individual land users to enhance present conservation programs and set multiyear objectives. Accomplishments will be monitored at least annually.

"Secretary of Agriculture Bob Bergland has said that this law will help show the effectiveness of the 40-year partnership among the Soil Conservation Service, soil and water conservation districts, state and local governments--and individual land users," Marks said.

"Together these groups and the public will make informed, long-range policy decisions about the conservation and improvement of our national soil, water, and related natural resources," he added.

Receipts this week at the Texhoma Livestock Commission Company were 1403 cattle & calves. A very active and higher market on all classes with the exception of packer cows and bulls. Not many calves in the receipts and no choice calves offered, however, those we sold were finding a home at \$2.00 to \$3.00 higher market. Some packages of steer calves - \$84.50. Feeder steers steady, feeder heifers \$1.00 higher. Packer cows from \$36.00 to \$38.00 on the better kind, \$32.00 to \$36.00 on canners & cutters. Bologna bulls \$45.00 to \$48.60. Heavy heiferettes \$40.00 to \$45.00.

Steer Calves - 300# to 450# - \$60.00 to \$67.50
Heifer Calves - 300# to 500# - \$55.00 to \$60.00
Feeder Steers - 600# to 800# - \$54.00 to \$59.00
Feeder Heifers - 600# to 755# - \$50.80 to \$51.60

For next week, Thursday, May 11, we are expecting 2500 cattle of all classes. Plan to be with us at 10:00 AM sharp.

THE FASHION PLACE

By Elaine Monroe, Fashion Director Sears, Roebuck and Co.

In case you haven't noticed, there's a boom in racquet sports--no longer the exclusive property of country clubs and summer resorts. Everyone seems to be raising a racquet--for tennis, platform tennis and squash.

IN 1885 A WOMAN wore restrictive clothing like this for lawn tennis. In 1978, a woman is apt to play racquet sports in an easy-going outfit like a T-top and shorts.

In fashion terms, what you wear when you swing that racquet is looking better than ever. This season's big look teams T-shirts with racing shorts or drawstring-waist shorts, all in hot colors. In fact, color itself is news--as in bright yellow, bright red, turquoise blue, pimento red.

Stretch-knit terrycloth is showing up in great racquet gear from tank tops and shorts to short jumpsuits. It's cool and comfortable and is also nicely absorbent.

The right accessories for these outfits is the see-through visor-cap in dazzling sun colors like yellow, blue, green, red.

With sports clothes like these, you're ready to get in the swing of things.

In 1836 there was a surplus in the United States Treasury of over \$28 million!

Mid April Vows Exchanged

Before the soft glow of twenty-four lighted tapers, marriage vows were exchanged by Sherry Ruth Morris and Richard Jay Crowley April 14th at a six o'clock evening service performed by Jim York of Brady, Texas, at the Gruver United Methodist Church.

Parents of the bride are Mr. and Mrs. Vance B. Morris of Gruver and the groom's parents are Mr. and Mrs. Willis O. Crowley of Leoti, Kansas.

The altar scene was one of soft evening beauty shed from flanking circular candelabra with twelve yellow cathedral tapers aglow in each. Pots of yellow mums with golden satin bows completed the altar scene. Yellow satin bows and sprigs of spirea marked the bridal aisle and served as pew markers.

Welcoming the guests as they arrived was the sister of the groom, Carol Crowley, of Leoti, Kansas, who also presided at the guest registry table which was marked with a white feather pen and a white woven garden basket containing blue guest scrolls.

A beautiful program of nuptial music was offered by Mrs. Billy Don Adkins at the organ and Mrs. Roy Mayhew at the piano who also accompanied Stan TeBeest of Canyon as he sang during the service "Follow Me", "Color My World", "Wedding Prayer", "You Are The Light Of My Life", "Love Story", "A Time For Us" from Romeo and Juliet, "We've Only Just Begun", "Brian's Song",

and "You Are My World". Serving as maid of honor was Sandra Ross and the sister-of-the-bride Renee Morris and Vana Bradford were the bridesmaids. Sonya Tindle of Spearman was the petite flower girl.

Serving the groom as best man was his brother Alan of Hays, Nebraska, and groomsmen Larry Thomas of Rosston, Oklahoma and Mike Branson of Branson, Colorado. Master Chris Morris, nephew of the bride, was the ring bearer. Ushers included V. B., Len, and Joe Morris, brothers of the bride; and Glen Crowley, brother of the groom from Leoti, Kansas.

Melanie Morris, niece of the bride and Mark Crowley of Leoti, Kansas, brother of the groom, served as candlelighters.

For her wedding the bride chose a formal gown of white organza designed with a Victorian neckline and empire waistline. The bodice was gently accented with Alencon lace, sequins, and pearls. The long bishop sleeves were caught at the wrists with deep cuffs. The long full skirt fell to a flounce hemline of matching lace which swept to back fullness cascading into a chapel train. Her chapel length veil of bridal illusion was caught to a white coil of Alencon lace and she carried a nosegay corsage of yellow rose buds encircled with white lace and be-strewned with white satin ribbons tied in forget-me-not bows.

Her attendants wore floor length gowns of maize organza over taffeta designed with v-shaped necklines and tiny taffeta straps. The full skirts were softly gathered to the empire bodices which were accented by capes of maize organza. Completing their costumes were wide brimmed horsehair garden hats accented with satin ribbons and bows. They carried nosegay bouquets of blue carnations encircled with blue lace from which fell a shower of tiny blue satin ribbons and bows.

The candlelighter and the flower girl both were dressed in floor length yellow chiffon dresses accented with wide sashes. Members of the groom's party were dressed in midnight blue tuxedos with sky blue trim and the groom wore a sky blue

tux with dark blue accents.

Bridal traditions were carried out with the bride wearing a diamond necklace of her mother's; something borrowed, two handkerchiefs of her great-grandmothers; something blue, the blue garter given to her by her mother; and for something new, pearl earrings.

For her daughter's wedding, Mrs. Morris chose a floor length gown of light blue chiffon accented with silver accessories and the mother of the groom chose a floor length dark blue knit dress with which she wore white accessories.

Following the ceremony in the Sanctuary, a reception was held in the Fellowship Hall of the Church with the bride's sisters-in-law Messames V. B., Len, and Joe Morris presiding at the serving table. Laid in white satin, the elegant serving

table was centered by an arrangement of yellow silk roses in a footed crystal vase and accented by the three-layered wedding cake which was adorned with blue hearts and embellished with white and yellow swags and topped by a miniature couple against a white heart background. The gleaming silver service and the sparkling crystal punch service completed the table decor.

During the reception the bride and groom left in their wedding attire for a quick change at her parent's home to traveling clothes with the new Mrs. Crowley choosing an ice blue pant suit with dark blue blouse for their honeymoon trip. Accented her going-away costume was a yellow silk rose corsage.

Out-of-town guests for the mid-April wedding included

Mr. and Mrs. Rusty Tindle and Jamee, Mrs. Harry Stump, all of Spearman; Mrs. Lola Jennings, Odell, Texas; Mrs. Ada Dool, Ft. Worth, Texas; Mr. and Mrs. James Wisinger, Mr. and Mrs. Leroy Morris, Mr. and Mrs. Lee Morris, Mr. Vernon Morris, all of Dumas; Miss Marilyn Crowley, Thermopolis, Wyoming; Dr. and Mrs. Estes Firestone, Randy Johnson, Dewey Johnson and Russ Benson, Goodwell, Oklahoma.

Also attending the wedding were Mr. and Mrs. Foster Harris, Borger; Mr. and Mrs. Robert J. Ferguson, Sunray; Mrs. Mary York, Brady, Texas; Rena Thomas, Rosston, Oklahoma; Burt Rutledge, Rod Bergkamp, Tommie Durfey, Lynette Robins, Blane Hergert, Jody Roberts, and Dale Silva, all from Goodwell, Oklahoma; Mr. and Mrs. Asher Crowley,

Leoti, Kansas; Mr. and Mrs. Willard Sanders, Scott City, Kansas; and Gerald Roberts, Sharon Springs, Kansas.

UMW Meets

Susannah Wesley Circle of the UMW met Wednesday, May 3 at the United Methodist Church in the Fellowship Hall. Mrs. Connie Steger, president, presided over the business meeting.

Mrs. Karen Countiss gave information on the 'school of missions' which will be held in Lubbock this summer.

Mrs. Wanda Eakin continued her study on "Steeple People". Those present listened to a cassette tape entitled "Our Role In Missions".

Members present were Messames: Connie Steger, Patty Sheppard, Karen Countiss, Wanda Eakin, Linda Latta,

Mary Dixon, and Linda Blackman. The meeting was closed with the benediction.

The next meeting will be May 10.

OFFICERS OF THE SPEARMAN MUSIC CLUB

Officers of previous years for the Spearman Music Club are: Mrs. Sam Watson, 1956-57; Mrs. Rue Sanders, 1957-58; Mrs. J. D. Wilbanks, 1958-60; Mrs. Bill Miller, 1960-62; Mrs. H. P. Cates, 1962-64; Mrs. Tom Sutton, 1964-66; Mrs. Russell Townsend, 1966-68; Mrs. Don Knox, 1968-70; Mrs. Rafor Clark, 1970-72; Mrs. Dean Leighnor, 1972-74; and Mrs. Paul Reimer, 1974-76.

For the term 1976-78 Mrs. Kurt (Phyllis) Shedeck is the president and Mrs. Betty Freeman is the vice president.
