Spearman, in front of the First State Bank The way the gift program works is that everyone making a 50c or more purchase during the week will have the privilage of registering at the stores sponsoring the Silver Harvest Trades Gift Treasure Chest. These registrations will be placed in a box at the respective stores and assembled just before 2:30 P. M. Saturday June 22nd, and a name from among the various registration slips will identify the lucky patron who will participate in the Saturday Treasure chest. This individual will then draw a

per centage slip at the drawing. The amount to be given the winner will depend upon his or her luck in drawing the percentage slip and he or she can receive anywhere from \$20.00 to \$200.00. In addition to the big prize each Saturday there will be two \$10.00 gift certificates awa

by two local merchants at each drawing. The essential and important item at this time is to remember to register at any and all of the 40 stores when you make purchases during the week. This will increase your chance to be the BIG Winner at the drawing

They possessed courage and business judgment. They established high standards of performance. They built a strong organization of competent men

and women. The Company, as it stands today, is a tribute to the leadership, the vision, and the work of its founders.

But it is doubtful that these men, with all their foresight, visualized the changes that have occurred in the oil industry since 1917, or the size and complexity of Humble's present operations, or the extent of the Company's contributions through the years

to the progress of our society. To all who have made those contributions possible-employees, customers, shareholders and the people of the states in which the Company

operates-Humble extends its thanks.

## MYSTERY FARM IS THAT OF MR. AND MRS. PAUL W. PREALL

e mystey farm pictured above, is the beautiful name of Mr. and Mrs. Paul Preall, of Morse, They have just recently finished this beautiful and have only been on this farm 2 years. father, George W. Preall settled this place in and Mr. and Mrs. Paul Preall moved here from California only 2 years ago.

is farm includes 380 acres under irrigation, 90 and, and 140 acres of grass. Paul has the best in Texas this year, and says he wouldn't have if he hadn't of had his irrigation well.

Paul was the Civilian Budget Director for the Air Force after he received his discharge from the same Air Force.

Mr. and Mrs. Preall have no children, but they do have 2 dogs, Inky and Georgia, both Cocker Spaniels; and 2 cats, Mr. Whitey and Rita. They also have a fine garden, chicken houses, and as we said before their home is really a show place. It was designed by Mrs. Preall.

Paul can remember when he was a boy, hauling wheat to Texhoma, and now he says 2 railroads

border his land. His 2 sisters visited with them last week, and it was the first time they have been back since 1919.

Paul has only one regret, and that is that his father didn't live to see the wheat crop this year. His father was very enthusiastic about irrigation all of his life, and now of course this is one of the biggest irrigation districts in the world, with a total of 11 pumps right in the Preall area.

The following have identified the Preall farm. Mrs. E. J. Copeland, Howard Garnett, S. B. Sheets, Jeanne Womble, Jack Clifton, Ira Harbour Joe Reiswig Maxine Reiswig, Mrs. Willard McCloy, Mrs. E. J. Copeland. Mrs. Copeland won the free subscription.
