Ann Riley Evans Receives Degree

In an impressive ceremony at the West Texas State College Field House Sunday, May 26, Anne Riley Evans received a Bachelor of Science Degree. Dr. Willis M. Tate, President of S. M. U. was the featured speaker at the exercises.

Anne is the daughter of Mr. and Mrs. Earl Riley, 711 South Bernice. She was graduated from Spearman High School in 1934 and began her college work at North Texas State College at Denton, Texas.

Her major was elementary education with minors in history and English, qualifying her for a professional certificate which enables her to teach both in elementary and high schools. She is a member of Chi Omega Sorority and Future Teachers of America.

During the summer of 1936, Anne was Recreational Director of the Amarillo Youth Center, and now devotes part of her time to Y. W. C. A. as swimming instructor.

In November, 1936 she was married to Leon Evans of Amarillo, and now resides at 1619 Crockett.

Three Day Rodeo Slated

The 66 Tri-City Rodeo Association will sponsor a three-day rodeo in Borger, June 6-7-8, according to Pete Burks, association president.

Morris Stevens of Silverton has been signed as producer, and will bring in more than 100 head of his roughest stock for the cowboys to rope and ride.

Seven major events are planned—calf roping, bareback bronc riding, saddle bronc riding, ribbon roping, bull riding, a wild horse race and the women's barrel race.

Entry fee is \$10 for each of the two go-rounds. All entry fees will be returned to contestants in the prize money. All entries must be made and fees paid by noon on June 6. Rodeo headquarters will be set up at Hotel Borger.

The Amarillo Range Riders Pampa Roping Club, Hutchinson County Sheriff's Posse, the Amarillo Air Force Band and many other organizations have been invited to take part in the rodeo parade, planned at 2 p. m. on June 8.

Ted Dacus ENMU Receives BA Degree

Ted Dacus, son of Mr. and Mrs. Leo Dacus, will be among the 162 students graduating from Eastern New Mexico University at the spring commencement exercises.

Ted is a candidate for bachelor of arts degree.

Clean Up Spearman Now Till June 1, City To Help

City Officials are working with the Spearman Garden Council toward an all-out clean up campaign for this city. Especially is this important at this time, due to the fact vacant lots and alleys are covered with weeds, and damp spots which breed mosquitoes.

Every citizen is asked to clean all refuse from your yard, lot and adjoining vacant lots and pile this trash in your alley for City men to pick up in trucks. These trucks will run two days, Friday and Saturday May 31 and June 1st. They will pick up everything piled by the trash barrels.

You are asked to mow down tall weeds and grass most especially. Due to heavy rains and a long damp cool season, polio carrying insects breed in such places. If everyone will cooperate in this campaign, Spearman will go a long way toward having a disease-free Spring and summer.

Dates for this clean-up drive have been set to start immediately. From now until June 1st. Clean up your property! Or see that someone else does!

Car Flips In Mud Sunday

A Ford car, driven by a Mr. Young, who is engineer for Mid-Continent Oil Company, was turned over Sunday night on the first road South of Waka. The wreck occurred about midnight Sunday, and although the car was badly damaged, Mr. Young received only a sprained thumb, according to reliable information.

HOWARD GARNETT AT HOME

Howard Garnett returned home Thursday from an Amarillo hospital. He had his hand injured in an ice crusher at a local station and was rushed to the Hansford County hospital. He was advised to go to an orthopedic surgeon and his parents took him on to Amarillo.

Howard was in surgery 3 and one-half hours Saturday night and released 2 days later to recuperate at his home. At this time Howard is enduring the slow process of healing that goes with injuries of this kind.

He will return to Amarillo Saturday June 1, for a check-up Saturday and after a ten day session the bible school will close Thursday June 6th.

Graveside Rites For Infant Son

Graveside rites were read for Bobby Lee Parker, infant son of Mr. and Mrs. Lewis Parker of Spearman, on Monday at 11:00 a. m.

Mr. and Mrs. Parker moved here from Lellad. He is employed by the Cactus Company.

Burial was in Hansford Cemetery under direction of Boxwell's Funeral Home.

Harold Smith Burial Saturday

Harold Smith, the 21 year old son of Mr. and Mrs. W. W. Smith, was drowned in Lake Dallas Wednesday May 22. He and a friend had gone to the lake for a swim and the accident occurred while the other boy napped on the shore.

The parents went to Weatherford Oklahoma where the Lockstone Funeral home completed funeral arrangements.

The funeral services were conducted Saturday in the First Baptist church of Weatherford with Rev. O. L. Bryant, pastor of the Spearman Baptist church officiating.

Among the survivors are the parents, two sisters, Janice and Faye, all of Spearman. Burial was at Hydro Cemetery beside his brother.

Local Explorers And Leaders To Attend Conference

One hundred fifty Explorers and Explorer leaders will meet to hold a "Citizens Now" conference at Panhandle A and M on June 6-8. The purpose of these conferences is three-fold: To demonstrate to Explorers that they are participating members of their home and community today and that the privileges and obligations are as real as they will be when they become adults; To give them the opportunity to meet and listen to outstanding leaders in business, education, religion and social fields; and To bring about a public awareness of the importance of the Explorer program and at the same time to help them realize that they are a part in a big and purposeful movement.

"Citizens Now" conferences will help to assist young men attain adult status in the eyes of their parents, leaders and the general public.

GIFT FROM SORORITY

The Rho Rho Chapter of Beta Sigma Phi Sorority gave the Hansford County Hospital another over-the-bed table. This makes the third table this sorority has given the Hospital.

Rain, Rain Breaks Drouth

Even Carl Archer and Billy Miller will have to admit that the drouth is loosened up. Friday the county was in a tornado alert area almost the entire day, with a total of almost 2 inches of rain falling Sunday night.

but missed Spearman, with Bill Hutton reporting a half inch at Old Hansford Monday. It rained again at Frank Allen's and Ned Turners, with only a sprinkle in Spearman.

The farming operations in the county are at a stand still, until it dries up! But, nobody is hollering about the wonderful rain! Truly, the drouth is loosened up!

200 Barrels For Nollners

We understand that the Nollner well adjoining the Rex Sanders field, is going to be about a 200 barrel per day oil well. Rumors have it as high as 230 barrels per day, and it will likely be somewhere in that vicinity.

The Roy Furr No. 1, section 191 blk 45 H and TC sur. has been completed for 8,900 MCF gas.

Mrs. Gatlin Flies To Scotland Sun.

Mrs. Harold Gatlin, daughter of Mr. and Mrs. F. O. Crawford, left Saturday for Preswick, Scotland where her husband is stationed with the US Air Forces.

Floydean left Amarillo Air port Friday and spent the day Saturday in New York city. She left there Saturday evening and arrived in London Sunday morning, and from there to Glasco, where her husband met her.

Mr. and Mrs. Gatlin will be in Scotland indefinitely as his term of duty there calls for at least two years. He is making the army a career.

Take a good look as this may be the last time you will get to see the Old Spearman Drug Store as it used to be.

We secured a picture of the old store and one of the new Spearman Drug Store from Ed Mundy, contractor, who supervised the building of

the new store. Unfortunately the picture of the new store was in color, and when we sent it into the Engravers, they could not make a Fairchild reproduction. So we will have to wait until a new Black and White picture is made of the new store.

However, the picture does give us a chance to remind the readers that the Grand Opening of the Spearman new Drug Store will be held on next Saturday June 1st.

Bruce Sheets and the Staff are planning to give away a lot of merchandise to their

friends and customers at the Opening party. In fact a gift will be given someone in the store every time the alarm clock rings, beginning at 9:00 a. m. Saturday.

Mr. Sheets says this is a social party and no one will be asked to make a purchase.

Honor Kathy Truax At Wedding Shower

Kathy Truax, bride-elect of Ed Carey of Gruver, was honored with a wedding shower on May 25 in Gruver.

The colors of blue and white were carried out in table decorations and refreshments.

The table was draped in an imported white cut work cloth over blue. Wedding bells caught in the arch of a large heart holding blue carnations cascading on the table was a lovely center piece. This was flanked by white tapers. Mrs. Winder, Romona Reynolds and Marlene Gruver presided over the crystal punch bowl and silver service. Individual cakes were decorated with bells and blue ribbon.

Approximately 50 guests signed the register. Out of town guests were Mrs. Omar Truax and Mrs. Robert Holland and Patti and Gienna Holland of Perryton. Hostesses for the bridal shower included Mesdames: J. C. Harris, Phyllis Mathis, A. L. Thoreson, Chester Mitts, Art Evans, Iva McElhany, Rose Bratton, Alma Gruver, Jewell McClellan, Clarence Winder, Mary Fletcher, H. L. Boyd, Nellie Sluder, Geneva Eddleman, Pauline Hale, W. L. Harris, Ralph Bort, and G. C. Wright.

COUNTY WIDE OBSERVER CORPS MEETING JUNE 7

Judge Johnnie C. Lee announced this week that on June 7, there will be a county-wide ground observer corps meeting in the Gruver School auditorium at 8:00 p. m.

All ground observer corps members of the county will be present, and any and everyone interested in this has a cordial invitation.

Dan True will be special guest and he has some films on tornadoes to show, and will talk extensively on weather conditions pertaining to these storms.

Everyone interested in observation, weather, etc., is asked to be present on this night.

Your kitchen can be as cool as any other room in your home when you cook the electric way. Pan-hugging electric surface units cook by direct metal-to-metal contact... send their heat into the utensils and the food, not into the kitchen air. And because an electric oven requires no oxygen to operate, the oven is insulated on all six sides to keep heat inside where it belongs. Don't sweater over a hot, flame-type stove this summer. NOTICE OF ROAD BOND ELECTION
 THE STATE OF TEXAS
 COUNTY OF HANSFORD
TO THE RESIDENT QUALIFIED ELECTORS OF SPEARMAN INDEPENDENT ROAD DISTRICT NO. 1 OF HANSFORD COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID DISTRICT AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE of an election to be held on the 25th day of June, 1957, within SPEARMAN INDEPENDENT ROAD DISTRICT NO. 1 OF HANSFORD COUNTY, TEXAS, for the purpose of submitting to the qualified electors who own taxable property in said District, and who have duly rendered the same for taxation, the following proposition:

"WHETHER OR NOT the bonds of said SPEARMAN INDEPENDENT ROAD DISTRICT NO. 1 OF HANSFORD COUNTY, TEXAS, embracing land wholly within said Hansford County, shall be issued in the total principal sum of FIFTY THOUSAND DOLLARS (\$50,000), for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, within and for said District, under and by virtue of the Constitution and laws of the State of Texas, particularly Section 52 of Article 3 of the Constitution, and Chapter 16 of the General Laws passed by the Thirty-ninth Legislature of Texas at its First Called Session in 1926, and amendments thereto, and which bonds are to bear interest at a rate of not to exceed FOUR PER CENTUM (4%) per annum, and to be issued in such denominations and payable at such time as may be deemed most expedient by the Commissioners' Court, but not to exceed twenty (20) years from the date thereof, and shall there also be submitted to the qualified resident property tax-paying voters of said Spearman

Independent Road District No. 1 Revised Civil Statutes, State of Texas for the purpose of receiving the assessment list of books of the assessor of said district for examination, correction, equalization, appraisal and approval.

FURTHER TAKE NOTICE that the manner of holding said election and canvassing and making returns thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of Chapter 16 of the General Laws, passed by the Thirty-ninth Legislature at its First Called Session in 1926; that the ballots for said election shall be prepared in sufficient number and in conformity with V. A. T. S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF"
 "AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF"

AS TO THE foregoing proposition, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his vote on the proposition; or, in the alternative, each voter may vote on the proposition by placing an "X" in the square appearing on the ballot beside the expression of his choice.

AND FURTHER TAKE NOTICE that the voting place of said election shall be the County Courthouse, Spearman, Texas, and the election officers are hereby designated as follows:

E. J. COPELAND, Presiding Judge;
 DOT JENKINS, Judge;
 MRS. JOE TRAYLER, Clerk; and
 MRS. R. C. BIRDWELL, Clerk.

Only qualified electors who own taxable property in said Spearman Independent Road District No. 1 of Hansford County, Texas, and who have duly rendered the same for taxation, shall be qualified to vote at said election.

The above and foregoing NOTICE OF ROAD BOND ELECTION is issued and given by me, pursuant to authority conferred by order of the Commissioners' Court, ordering said bond election, duly passed and adopted on the 22nd day of May, 1957.

WITNESS MY HAND AND THE SEAL OF THE COMMISSIONERS' COURT OF HANSFORD COUNTY, TEXAS, this 22nd day of May, 1957.

GRAND DAUGHTER OF MRS. J. R. KIRK

Nancee Kirk, daughter of Col. and Mrs. Robert Dyer Kirk of Houston will be married to William Marvin Rush on July 20, at St. Mark's Episcopal church in Houston. Miss Kirk is the grand daughter of Mrs. J. K. Kirk of Spearman, and a student at Houston University. The couple will fly to Acapulco, Mexico to remain until classes resumes at the University of Houston.

Mrs. Chambers Club Hostess Friday

Mrs. Olen Chambers entertained members of the Jonquil Flower club Friday May 24 at 3:00 o'clock. Roll Call was answered with each member naming her favorite television program. After a short business session, Mrs. R. L. McClellan presented an interesting program on shrubs for this area.

Mrs. Chambers won both club awards with an arrangement of Prairie sunset Iris and a specimen Iris of old parchment. A delicious salad plate was served to the following Mesdames: Dick Kilgore, Tom Sutton, P. A. Lyon, J. T. R. L. McClellan, and one guest, Mrs. James Hodges.

The next meeting will be in the home of Mrs. Billy Miller.

Bridal Shower For Miss Janelle Sluder

Miss Janelle Sluder, bride-elect of Carl Banks, was honored with a bridal shower in the Fellowship Hall at the Methodist Church May 10, in Gruver. The table was covered with a beautiful lace cloth and the decorations consisted of miniature cakes, in pink and white, representing the bride and her attendants.

Guests were registered by Mrs. Ward Nolder. Mrs. Art Evans presided at the punch. Hostesses were Mesdames: Art Evans, M. F. Barkley, A. L. Thoreson, J. C. Harris, Jim Edman, Dave McClellan, Ward Nolder, J. S. Gruver, Buster Carter, Kelly Garrett, Coy Holt, Robert Alexander, C. H. Winder, J. M. Hart, Dick Goodall, Hugh Frazier, and Ralph Bort. Approximately sixty guests registered and many others sent gifts.

Oslo News

We are sorry to state that George, the brother of Clarence Johnson who has been living in Amarillo and who has been quite ill for several weeks, died last week. Funeral services were held in The Beautiful Savior Lutheran Church of Amarillo on Tuesday. Mr. and Mrs. Reuben TeBeest visited in the Henry Moen home Thursday night. Mr. and Mrs. Walter Niedens and girls of Optima visited in the Elmo Dahl home Friday night. We had from 30 to 125 inches of rain in this community the past week.

Mrs. Catherine Johnson is visiting her mother, Mrs. Olen Chambers, at her home in Gruver. She will be here for a week. Mrs. Olen Chambers is visiting her mother, Mrs. Olen Chambers, at her home in Gruver. She will be here for a week.

The Oslo community enjoyed a picnic in the George Park after church services on Sunday. The weather was ideal for a picnic and the occasion was enjoyed by all who attended. Mrs. Olen Chambers is visiting her mother, Mrs. Olen Chambers, at her home in Gruver. She will be here for a week.

Letter From The Far East

May 20, 1957
USOM To Indonesia
c/o State Dept. Mail Room
Washington 25, D. C.

Bill Miller, Spearman, Texas
Dear Bill:

We can never begin to thank you enough for sending the paper during the last couple of years. I certainly have enjoyed getting it, and have been able to keep up with the news, most of which I would never have known about but for the paper. One does not realize how important the home town paper is until he gets a long ways from home, with very little means of communication. We have been able to get some Texas weather news every few days on the radio. We have pretty well kept up with the floods, tornadoes and drought situation, because it comes over the Voice of America Program. But a major part of the VOA news is more of a national and international interest.

We have enjoyed our tour in the Far East, and have seen and learned a lot of things that we never would have otherwise, but will really be glad to get home again. We plan to return to the states late this year via New York and Washington, D. C., after spending a couple of weeks in Europe.

We have bought a farm at Bonham, Texas, where we plan to make our home, but of course after we have visited first in Spearman. Since it takes about three months for the paper to get here I think it is time for you to think of sending it in our direction, for it would only arrive here after our departure. Thanks a million, and we hope to see you before very much longer.

Yours truly,
Zack & Ella Kate Jagers

Three Subjects To Be Added Spearman Schools

Dr. H. Hartman, superintendent of Spearman Schools has announced there will be three new subjects added to the high school curriculum.

They will be Latin, song geometry and trigonometry. Mr. Hartman especially wishes to connect a math teacher. It has been a long time since our high school more and more women are made for teachers and other professional people to give some knowledge of foreign languages.

With increased demand for technical workers in various fields of science and mechanics the two night math courses will meet college math much easier. The Spearman school faculty has been asked for the 1957-58 term to accept a math teacher and two other tentative vacancies.

ATTEND FAMILY REUNION SUNDAY
Mr. and Mrs. DON KNOX, Dallas and family, attended the Blank family reunion Sunday at Thompson Park in Amarillo.

Tommy White, Nelson and Zack B. Easter were among those who attended the West Texas State College graduation exercises in Canyon Sunday.

Rev. and Mrs. Calvin Springer returned Saturday from a week's visit with their parents in Rockdale, Texas. They encountered many detours because of flood waters.

Judy and Johnny Buchanan of Dumas spent the week-end with their grandmother, Mrs. J. H. Buchanan while their parents

Kindergarten Closes Year

May 17th marked the closing of another year for the kindergarten class.

The following pupils were enrolled: Jerry Arey, Marilyn Blodgett, Randy Collard, Joe Edd Crawford, Timmy Fisher, Stevie Holton, Terry King, P. A. Lyon, III, Martha Kay Parker, Ira Pearson, Dan Sheets, Glenna Sue Sloan, Joe Vanderburg, Terry Vernon, Merrill White, Joe Hutcheson, Bonnie Vernon and Vicki Shedeck.

We have been a very busy group learning to work and play together. We have memorized many nursery rhymes and songs dramatized stories, have had many talks and stories concerning nature, kindness, obedience, health and safety. We have also done printing, free hand drawings and much art craft. We celebrated each holiday with a party.

On Christmas it was a program for our mothers. On Easter we had a wonderful time at the home of Timmy Fisher for an egg hunt. Each child has had a birthday party, complete with cake, lighted candles and everything that makes a good birthday celebration. We've also planted seeds and bulbs, first knowing them to sleep gently and knowing that in each God had placed a dear little plant that would wake up if given love and care.

We were happy to have our mothers attend our picnic. One writer has said "children are the most wholesome part of the race, the sweetest, for they are freshest from the hand of God."

These little folk in a few months will be embarking on a journey thru the halls of learning, may it be a happy, profitable one. May I take this opportunity to express my deep appreciation to the parents for their cooperation and helpfulness, for the many things you did for us, and

also, to my little pupils for their love and confidence, their inspiration and enthusiasm. I shall always remember you.

Sincerely,
Mrs. J. E. Womble

GRUVER MUSIC CLUB CLOSES WORK FOR THE YEAR.

The Gruver Music Club met Tuesday May 14, 1957 at 2:30 p. m. in the Methodist church with Mrs. Wm. Ething, Jr., presiding. Meeting was called to order by reading of the Collect for Club Women.

The Gruver High school chorus under the direction of Bill Gregory presented the following program:

Fairest Lord Jesus, Hymn of the month
Led by Mrs. Gregory and sung in unison by choir and Music Club group.

During the short business session Mrs. A. R. Bort presented the report of the nominating committee. The following ballot was unanimously accepted and the officers elected by acclamation: President; Mrs. Harley Alexander. Recording Secretary; Mrs. Ralph Mathis. Treasurer; Mrs. Don Hart.

Mrs. James Carter presented a past presidents pin to Mrs. Wm. Ething, Jr., retiring president. Mrs. Charlie Knight was accepted as a new member. Mrs. Robert Alexander, District Chairman of Choral Music urged the organization of a choral club that would really be active for the coming year. A greeting card was mailed to Miss Mattie Mae

Swisher who is a patient in St. Anthony's hospital.

Hostesses for the social hour following the session were Mesdames: Harley Alexander, A. C. Bort and E. T. Rafferty. Members present were Mesdames: Wm. Ething, Jr., Elmo McClellan, Sr., C. C. Beck, Sr., A. C. Bort, A. R. Bort, Robert Alexander, Jr., James Carter, Ralph Campbell, Ralph Mathis, Bill Maupin, E. T. Rafferty, S. B. Hale, Harley Alexander, W. R. Murrell and Kenneth Irwin.

This n' That

Around Gruver

Now that the Chamber of Commerce is defunct it is a good time for the Lions club to take on some civic duties. For a start they could prevail upon the city about the weeds on the vacant lots here in town. Unless something is done, we will be at the mercy of a horde of mosquitoes. And remember that mosquitoes carry the sleeping sickness. If the lot owners refuse to do the work, the city should have it done and charge it to them. This can be done legally, because many cities do such things.

Have you noticed how pretty the city park is these days? Many of our yards are just beautiful. Now is the time for some of our ladies to organize a Citizens Committee to lead in a "city beautiful" campaign. Starting with a "clean-up" campaign. How about it ladies?

Mr. and Mrs. Wayne Miller of Borger spent Sunday visiting the Bob Bultons.

Mrs. Alma Gruver is starting to build a nice home, North of Mrs. Mrs. Barkley.

The L. B. Gamertfelders of Stinnett and Mrs. Beulah Scott of Kansas City spent Monday visiting friends in Gruver.

Mrs. Louis Bretz, the former Mae Clark of Victoria and her son are visiting her mother Mrs. Homer Clark Mrs. Bretz has been ill for some time, but is doing fine now.

Mr. and Mrs. Ed Rafferty, Mr. and Mrs. Tom Jones, and Mr. and E. H. Taber went to Liberal for Decoration Day.

We have just learned that Laddie Clark underwent surgery at Northwest Hospital in Amarillo. Hope he makes a good recovery. He is the son of Mr. and Mrs. Gene Clark.

Mr. and Mrs. Guy Cooper, and Mr. and Mrs. Jim Owens visited Mr. Owens parents in Turkey this week end. Mrs. Owens is the former Betty Cooper. They went over to Silverton and say the destruction there is terrible.

Mr. and Mrs. Alfred Henderson went to Dallas, so that Alfred could have a check up. Then they drove to Olney to visit their daughter and her family.

The Seniors returned from their trip Sunday night. All of them

reported having a wonderful time. Don't forget Dan True will be in Gruver June 5th at the high school auditorium.

AMARILLO LIVESTOCK MARKET

This week's supply at the Amarillo Livestock Auction dropped to 2,511 head of cattle and calves and required only one day of selling for complete clearance. Around 90 per cent of the supply was yearling stockers and feeders and offered a liberal showing of medium and low-grade choices. Choice quality was extremely scarce, and feeder steers and heifers were in limited numbers. Slaughterers took a load and a few loads of fresh yearling steers and heifers grading good for kill, while other suitable slaughter offerings were scarce. All slaughter classes sold mainly steady with last week. Medium and common grade stockers moved slowly at barely steady prices, with liberal fills frequently off-setting slight price declines.

Dick Kilgore Wins Second

Hansford County's contribution to the golfing world, Dick Kilgore, won second place at the golf tournament in Perryton the past week. He was tied with several other outstanding golfers, but won second place in a sudden death play-off. Kilgore has many trophies to his credit, and is considered an outstanding sportsman.

Salvation Army Drive To Start

The Salvation Army service unit committee for the Salvation Army has set the kickoff date for the annual Salvation Army campaign.

V. Converse will again be campaign chairman for the drive. He hopes that every community in the county will participate in the drive and Mr. Converse states that every effort will be made to see that everyone has an opportunity to give and to understand this new type of Salvation Army operation.

The Salvation Army Service Unit Committee gives emergency aid to people in need in this county throughout the year with any "red tape". The committee makes the decision as to who will be helped and the extent of aid to be given. Judge J. C. Lee, county chairman, points out that the local committee serves every day of the year with no financial compensation, but that they receive great personal satisfaction in seeing that people in need of emergency help are given assistance.

Members of the service unit committee are: J. C. Lee, chairman; Bill Miller, vice-chairman; A. W. Gibner, treasurer; Clay Gibson, Hutton, Bruce Sheets and J. C. Cooke. Plans are now being made to add two additional members to this group from other parts of the county.

In addition to the county program the committee uses all of the Army state services when they are needed on a local level. Each year two worthy boys are sent to the Salvation Army summer camp for one week. The committee can only use the home for girls, the hospital for unwed mothers, Men's Service Center where used furniture and clothing can be secured for the needy, the Salvation Army maintenance disaster unit in Texas which rush immediately to any town in the State where disaster strikes to render emergency aid.

The local committee urges each person to give liberally during the Salvation Army campaign this month.

Those who are already 50 will want to file claim now for the benefits themselves. Mr. Sanderson cautioned all, whether filing for payments or the freeze, to file before July 1 if the disability occurred after June 30, 1956. He urged that all interested persons write his office and ask for the disability leaflet. He explained that the increase in the social security tax this year is specifically for the purpose of building up a disability trust fund, out of which disability benefits will be paid.

Dr. Loran D. Hadley, educator: "Approximately ninety-five per cent of college freshmen do not know how to study."

John Corrier, young convict, who has received parole to help fellow convicts prepare themselves for life.

High school has become an education cafeteria where the student is free to do as he sees fit.

Do, actor, blaming scandal magazines: "The popularity of the magazine that there is a demand for this kind of material. People who derive a pleasure from preying on the lives of the famous."

Don't Name It

For the first time we will spell the name of the lake in N. M., correctly—it is the lake where the so called amateurs catch their limit and the seasoned fishermen bring back a lot of alab's. The lake is spelled "Charette Lake". We are able to give you this correct spelling due to a letter from our old friend Mort Lynch of Pantex, Texas Mort writes as follows:

Dear Bill— I happen to have a picture with the correct spelling of the Lake, at least it's the sign as you go in.

I haven't been there in several years as we found another place over by Roy, N. M. that we like better. I had good luck at Charette once and got rained out twice.

While we greatly appreciate the information, we would have liked to know where the place is Mort likes better—he has right good judgement, and we want a map showing how we can get to his new fishing hole.

We received a card from Bill Whitson at St. Joe, Arkansas telling us that the Buffalo and the

White rivers would be o. k. to fish in this week end. IF there was not another rain. A few minutes after we read the card, our weather man had a front headed for St. Joe, with the information that there WOULD be more rain in Arkansas. Hope this weather changes up a bit on or before tenth of June, as we expect to make our Arkansas trip about that date.

Looks like some of our farmers and our county agent are working for a reasonable rate so that natural gas can be used for irrigation. We are in receipt of a copy of letter to Bill Goldston, which reads as follows:

"As you know we had the opportunity to talk to a number of farmers in the North Plains area at our meeting at Sunray Tuesday night, May 21st. As a result of these talks and contacts made on recent trips, we are encouraged to believe that the farmers of the area will give favorable consideration to a contract along the lines of those discussed up there, namely, a 28c price per MCF, which is based on a 15c margin over our cost of gas.

In order to advance matters, we are at this time preparing a contract which we expect to be a simple one, without 'fine print' and we have engaged Mr. Floyd Phillips, 215 Binkley, Dumas, as our contact man. We suggest that any of your farmers who are interested in the matter may

contact Mr. Phillips with regard to the execution of contracts and the construction of a line in their area.

We have filed under the name "North Plains Gas Company" in the office of Secretary of State and will soon have our company organized and operating under that title.

SIGNED by Kelly Bell of Kelly Bell Oil and Gas.

Trust this information will be of some value to farmers of this area. Don't know how cheap the price is, but feel reasonably sure the price is cheaper than operating with present fuel used largely in this county for lifting water in irrigation wells.

As long as we have started to print letters in this column, we give you another, which you have probably read, but maybe this column will remind you to attend the C. of C. open meeting.

Here is the letter:
Dear Member:
The Board of Directors and the management of your Chamber of Commerce have arranged for a membership dinner which is to be held in Spearman at 8:00 p. m. Friday May 31st. This membership dinner is being set up in order that the Directors and management can report the progress plus the problems of your Chamber first hand to you the membership.

The membership dinner is the first to be held in Spearman and is strictly on a trial basis. If such a dinner is to be scheduled monthly or whether you desire a speaker at each meeting and etc. will be discussed at the meeting.

The Missionary women of the local churches will serve the meals. There will be a charge of \$1.50 per plate which will be collected at the door.

We urge you to please call

the Chamber of Commerce as soon as possible and reservations will be made so the Missionary ladies may know how many to prepare for.

MYSTERY FARM HOME THIS WEEK IS THE LOVELY FARM-RANCH HOME OF MR. AND MRS. K. R. McNUTT

The mystery home this week, is the very, very fine home of Mr. and Mrs. K. R. McNutt, who live about 4 miles Northwest of Pringle. Mr. McNutt's father was a Texas Ranger, and filed on this place in the spring of 1901. This is located on the old freight road going to Texhoma.

Billy Dixon was a frequent visitor to this mystery farm, and he and the elder Mr. McNutt would stay up all night visiting. Billy was a famous Indian Scout, and of course the Texas Ranger and Billy enjoyed visiting each other.

Mr. and Mrs. McNutt have a lovely four bedroom home, and the other buildings on the mystery farm are equally as outstanding, including a 40 x 60 cinder block shop, deep freezer house, and a new gar-

age and apartment combination 50 x 70 feet. This new apartment is used by everyone, and has steel kitchen unit, bath, and plenty of garage space. Another garage is located near the house, and this houses the Roadmaster Buick, which is the family car. Also, there is a full 40 x 60 foot basement under the McNutt home.

Mr. McNutt is an outstanding Mason, 32nd degree, past Master, and has filled every office. He was awarded a 25 year award Tuesday night of this week for his outstanding Masonic service.

The home is all modern, with electricity, gas, and running water. A fine set of corrals is located near the home, but a new set is being finished up this week, that is supposed to be the finest in the state. These new corrals are made of 7 inch channel

iron, with the finest loading chute in the country.

Mr. McNutt fishes and hunts for a hobby. He has one 18 foot boat, one 15 foot boat, and a large house boat on Elephant Butte lake. He has two 35 horse power motors, and one 5 1/2 horsepower motor for his boats.

The farming and ranching operations consist of about 1,000 acres. Mr. McNutt has 38 (thirty-eight) oil wells that he keeps going, to help defray farming expenses. It is quite a sight, to see 38 oil wells, pretty wheat, and good corrals for the cattle, all on one place. Truly, he is a hard working, energetic man, and one of the friendliest we have ever visited with.

We wish the McNutt's the best of luck, and truly, we can say it was a pleasure to visit with them at their fine home near Pringle.

HOW TO KILL YOUR ENEMY

When I visited the garden of Gethsemane many memories flooded my mind. One night among the old gnarled olive trees, the Lord talked to me about healing one's enemy. And there where he had done this he gave me this picture.

A mob came sweeping into the garden. It was led by Judas Iscariot. They had come to arrest Jesus. The disciples were badly frightened and Peter whipping out his sword made a big sweep and cut off the ear of Malchus, the high priest's servant. The only reason he didn't cut his head off was because he missed! But instantly Jesus touched Malchus and healed him.

Here, in one dramatic moment, is the hand of man against man, enemy fighting enemy, and the hand of God healing the enemy. Malchus' hands were reaching for Jesus when Peter's sword-filled hand struck at him. Jesus could have called many legions of angels to cut his enemies down. Instead he rebuked Peter, telling him to put up his sword. Then he reached forth his hand and touched Malchus and healed him.

What drama! What incomparable meaning! The last act performed by the hands of Jesus before they were tied before the cross was to stretch them forth and heal the ear of a man who was directing his arrest.

The lesson is unforgettable. Our hand should never be balled into a fist but stretched forth to heal and to bless. Whenever you allow anything, no matter how severe, to bring prejudice,

malice, envy, or hatred into your heart the bitterness always hurts you much more than the one toward whom you are bitter.

Get rid of it! How? First, ask God to help you cast it out completely—root and branch you at this instant. Third, confess your wrongs. Nothing will help you more quickly than to confess to the person you have wronged. And you will have learned the best way in the world to kill your enemy—make a friend out of him!

I prayed for a man to be healed one night. Or rather I started to pray, but he jerked away and went rapidly out of the big tent cathedral. A few nights later he returned. "Reverend," he said, "I suppose you wondered why I left so abruptly the other night?" I answered, "Yes, I did." He said, "As I stood before you suddenly I realized that there were some wrongs I had to make right. I decided to fix them up before you prayed for me. I have righted my wrongs and now I know I will be healed." He was, too.

A man and his wife had quarreled daily for years. The woman accepted Christ. She asked her husband to forgive her. A month later he died suddenly. After the funeral she said, "I am so glad he did not die before I asked his forgiveness."

The apostle James tells us, "Confess your faults one to another and pray one for another that ye may be healed." Your healing may depend upon it.

EDITORIAL DUTY

Every editor is on sentry duty, standing constantly against all encroachments on the Freedom of the Press. It has never been like this. Ever since the press battled for and won freedom of expression, its guardians have had to be on the constant lookout for infiltration by the enemies of that freedom. Infiltration—pressure from powerful groups to tone down comment on a situation—pulling of strings to keep a story from being published—these are the tactics of the enemies of the press.

But the press knows the importance of never giving up its freedom. For on freedom of the press depend all other freedoms that make up democracy. Therefore, the men of America's press refuse to recognize any check—except military security—on complete, unbridled and inviolate freedom to print the truth.

That is the challenge of today to the Congress and the vigilance of these sentries of the press.

Weekly Report From Austin

For the Week of May 13th through May 21st, 1957 by Donald M. Bishop

"SINE DIE"

Thursday, May 23rd, sixteen days past the constitutional 120 day limit, has been designated for "sine die" adjournment (final adjournment) by a resolution passed by the House last week. The Senate has not yet acted on the resolution, but is expected to do so, very soon.

Within the next two days the Legislature is expected to put the final touches in its five-phase program outlined at the beginning of the session. The original programs and its present standing is as follows:

I. Water Conservation Legislation

- a. Higher appropriation to water engineers.
- b. Bill to permit the cancellation of unused water permits. Expected to pass with compromise amendments.
- c. Adding duties to Water Development Board.
- d. Permit the issuance of bonds for water conservation storage space.
- e. Giving state aid on local water construction projects. Passed.

II. Insurance Revision Legislation

- a. Stricter regulations of insurance securities.
- b. Stronger penal laws against insurance fraud.
- c. Provide for additional examiners and actuaries.

III. Segregation Legislation

Eight of the nine proposed segregation bills have passed the House. The Senate has passed 2 bills and six are pending in the Senate. The Senate has thus far been unable to suspend rules to bring any of these bills up to a vote. There is little possibility that any more segregation bills will be passed.

IV. School Teachers Pay Raise

The original H. B. 8 asked for a base pay raise of \$399.00 plus a raise in the yearly increments.

- b. The House finally passed an amended version of H. B. 8 and the total cost was 48 million dollars.

V. Appropriation Bill

The bill was finally passed and appropriated \$282,349,602 for the next biennium. This was an increase of 68 million over the last biennium. However, no new tax bills were needed to pay for the increase.

VI. Other Bills

PASSED:

- a. Requiring a majority vote in special Senate elections.
- b. New building for:
 - (1) Prison system.
 - (2) State courts and office bldg.
 - (3) State Library and Archives Building.
 - (4) Texas employment commission.
- c. Paid probation and parole system.

mission

- d. Increased salary for district and appellate judges.

In summation, the 58th has had an active year. With its ups and downs, the legislature is expected to wind up with the final passage of relatively good legislative program, including 90 per cent of the Governor's proposed program. In addition to the "better-than-expected" legislative program of the 58th they have gone into the field of investigation far more this session than in the past sessions. The highest news of the session was the resignation of the man who was charged with concealing to accept a bribe. The House, in effort to clean up its own affairs, immediately started investigation of the charges and finally recommended that Cox be censured for misconduct. The other large investigation was the House and Senate investigation of the ICT insurance fraud. The committee turned the resulting evidence over to the grand jury.

Even though with some of the bills watered down with amendments and some of the investigation results weakened by qualifying phrases, the seed for the transition from the old "play-time" type of legislature to a new "business" type legislature has been well planted. What the next Legislature will achieve is now largely in the hands of the people of the state who are charged with the responsibility for choosing and demanding the best representation of the interests of the state.

Announce Opening Spearman Body Shop

Announcement is made this week of the opening of the Spearman Body Shop. The new business located in the back end of the McClellan Building adjoining Jameson Chevrolet Co. is another service by the Chevrolet organization in Spearman. The body shop is under the management of Doyle Dortch, son of Mr. and Mrs. Mack Dortch of Morse, who has completed a six month school. Dortch also worked for almost a year in a large body shop at Nashville, Tenn. The new manager needs no introduction in this area. He is a hard working capable young man, and we predict that he will make a success of his new business.

HELLO TEXAS!—Greeting the all-Texas company as they arrive to begin Navy recruit training is Great Lakes Naval Training Center commander Captain A. C. Burrows, U. S. Navy. Capt. Burrows welcomes Richard Duddington of Midland. In rear, l to r, are Bob Wilson and Charles White of Houston, Wayne King of Corpus Christi, Oscar Martinez and Johnny Rodriguez of San Antonio, and Lawrence Willman of Pasadena, Texas. The Lone Star recruits will highlight Great Lakes Navy Homecoming's "Salute to Texas" week of July 1-7.

America's new highway program, just getting underway, will include a 41,000-mile network of two-lane, four-lane, and six-lane—and even eight-lane—expressways connecting 209 major cities. This road program—which will eventually cost about \$100 billion—is bigger than 60 Panama Canals and bigger, too, than 15 TVA projects. More earth will be moved than in building all the big dams in the country.

It will take time. The Panama Canal took 15 years to build. This tremendous highway program will take 14 years.

There's a lot of work to be done, first. Plans must be formulated and approved in the various states. Routes surveyed, land acquired and contracts let.

Whether you drive 5000 miles a year or 50,000, you stand to gain enormously by the new roads.

If you're an average car owner you now spend at least 300 hours a year in driving time—much of it dragging along in traffic jams.

The new highways will eliminate bottlenecks, provide higher safe speeds. You're liable to save a hundred valuable hours a year.

You'll get better gasoline mileage, longer wear from your tires. Your car will take less beating—and fewer repairs.

And most important of all, you and your family will run fewer chances of accidents.

It is estimated that these new highways will save as many as 3500 lives a year.

ABUNDANT LIFE
BY ORAL ROBERTS

HIGH SCHOOL SENIOR, OVERCOMES FEAR

What is a single eye?—I mean in the way that Jesus meant when he said, "If the eye be single, the whole body is full of light." Simply this—you can't practice fear and faith at the same time. When you try it, the whole body becomes immeshed in a violent conflict. Fear is unnatural. "Fear hath torment," the Bible tells us. As God originally created us, we were single—he had only faith. Therefore, he should stand up and shout, "I believe!"

But for thousands of years man has lived negatively. "Thou shalt not" has become his password and byword. This is what would give rise to the fifth precept, Mr. James Madison's article.

Honesty has fled from the world. Sincerity has fallen asleep. Conscience is locked in a closet and Chastity has eloped.

This is a valid picture of humanity. We fear life, we fear each other, we fear God. But scriptures says that "God hath not given us the spirit of fear." Jesus said, "Fear not. Only believe."

Jesus cures many bodily afflictions, but he is more concerned that we develop new attitudes, he wishes to create within us a new outlook on life—one of faith instead of fear.

Dr. O. Canby Robinson said that 80 per cent of the patients at Johns Hopkins' suffer from diseases that are in part due to Asthma, high blood pressure, headaches, functional heart trouble, stomach ulcers, arthritis, and numerous other diseases often arise out of emotional tension.

Man is just now learning that his greatest health springs from within himself, that as he returns to God and practices faith instead of fear, a very large part of his diseases are cured almost instantly.

The attitude that makes healing possible is to receive by faith God's power. Your faith will make you healthy in mind, soul, and body.

A high school senior, Miss M. B. of Stony Point, North Carolina, wrote this letter:

"I don't know whether you would call it sickness or not. A terrible fear covered my entire being. This started in the summer of 1952 and returned every summer for 3 years.

"I would get very weak and fall of terror and I cried most of the time. But in the summer of '54, my pastor and his wife saw my magazine in my home and read the sermon 'Deliverance from Fear' to me. Then they knelt and prayed and I believed God was healing me and he did heal me.

"It was like stepping out of prison and beginning life all over again."

I'd like to tell you that this young lady is a successful song writer now and life is wonderful for her. You, too, can be delivered from fear. Only believe!

PURE WATER is distributed in a typical scene duplicated many times in the flood-ravaged areas of eastern Kentucky, Virginia and West Virginia. To meet the recent flood situation which had cut off 10,000 families from drinking water supplies, four dairy firms put their eight plants to work preparing 60,000 gallons of safe water in cardboard milk cartons and milk tank trucks. It was the first time the Federal Civil Defense Administration's plan for emergency water distribution had been put to practical use in a disaster.

A little brown-eyed girl returning home from Sunday school said to her mother, "I wish God were like Jesus."

When her mother asked her what she thought about God, she indicated that to her God was distant and unloving. She thought Jesus kind, friendly, and very close.

Her mother explained to her that much of what we know about God is what Jesus told us about him. She reminded her of the statement Jesus used to describe God to his disciples: "O righteous Father, the world hath not known thee: but I have known thee..." (John 17:25), and "He that hath seen me hath seen the Father" (John 14:9). Her mother said that Jesus came to earth and showed us what God is like.

With her big brown eyes she looked at her mother and said, "So my wish has come true. God is like Jesus."

Have you wondered what God is like? Baptists follow the Bible in believing Jesus showed us what God is like. The Bible teaches that God is all powerful, but al-

so that he makes moral laws which he himself obeys. For instance, God has said, "Thou shalt not bear false witness." He does not lie. God is supposed to be a just and fair ruler, but he is not a cruel dictator arbitrarily exercising his power.
