THE SPEARMAN REPORTER, HANSFORD COUNTY, THURSDAY APRIL 25, 1957

FARM OF THIS AREA . . .

one year subscription to the county newspaper. Please send in your identification as soon as possible. Staff members of this paper must go visit the Mystery farm and write the story that appears on the page advertisement sponsored by local merchants. Some of the farm pictures will be located in Hutchinson and Ochiltree counties.

Lions Club To Sponsor A "Polio Shot" Campaign

Greenbugs Destroy Wheat In Parts Of Hansford County

County Agent Bill Goldston reports that the greenbugs are destroying wheat in the McKibben-Morse area, 6 miles South, and 4 miles west of Spearman. Bill says that there are enough bugs in the area to kill all of the wheat, if the weather stays below 65 degrees. If the temperature gets above 65 degrees predators can control, but the greenbugs will work from about 50 to 65 degrees. Bill says to spray with one-fourth lb. parathion per acre, by airplane. Do not try to spray the acreage yourself. It is too dangerous for the farmer to handle. Tom Penn, and other pilots are spraying in the area, and for further information contact county agent Bill Goldston.

Goldston seriously stated that unless favorable weather changes the picture, greenbugs will destroy 50,000 acres of wheat in the next two weeks.

Bond Issue Carries

The bond issue voted on Monday of this week carried by 100 percent with no one opposing the important issue. This will enable the Commissioners' and authorities to construct cement bridges in the area, plus many other important features to the development of the county.

RHO RHO CHAPTER MEETING HELD MONDAY APRIL 15.

The Rho Rho Chapter of Beta Sigma Phi has been enjoying a very interesting and informative discussion on an outlined program under the title of "Tools for the Art of Life - Speech, Action, and Thought. These discussions have been headed by Dorcas Collard, Pat Donnell, Barbara McClellan and Ruth Skinner. Two, "over-bed" tables have been purchased and presented to the Hansford County Hospital as one of the projects of the Sorority.

At present all members and pledges are busy with the task of making a float which was entered in the Celebration parade. We are grateful to J. K. Hicks, Oscar Donnell J. W. Gibner and Roscoe Sparks for the carpenter work.

The Rho Rho Chapter Beta Sigma Phi met for its regular meeting Monday afternoon in the home of Mrs. F. Daily with Barbara McClellan as hostess. A very interesting program, "Substance for the Art of Life - Good", was presented by Gertrude Jones. Those enjoying the program and refreshments were: Dorcas Collard, Pat Donnell, Vera Beth Hicks, Gertrude Jones, Beuna Lyon, Barbara McClellan, Ora Spahrks, Alta Townsend, Doris Anthony, Johanne Blodgett, Lois Gibner, Ruth Skinner and Helen Watson.

Mystery Farm Winner.

Last week's mystery farm winner was Joe Reiswig. The Mystery farm was identified as that of Robert Ownby by several. Those correctly identifying the mystery farm were: Joe Reiswig, Lorene Williams, Willard McCloy, Mack Dortch and E. J. Copeland.

Gruver Baptist Announce Spring Revival Service

The First Baptist Church of Gruver, Texas will conduct their Spring Revival Meeting beginning Sunday night, April 21 and continuing thru the following Sunday, April 28. Dr. E. L. Clark of the Fairview Baptist Church, Amarillo, Texas will be the Evangelist. Services will be held each week-day at 10:00 a. m. and 8:00 p. m.

Everyone is cordially invited to attend this revival. Brother Bill Burton is the pastor.

100 Men On Pipeline To Be Here For Next Sixty Days

An expected 100 more men will be in the county for the next 60 days, with the G. & K. Construction Co. out of Pampa. The men will be laying the pipe for the Northern Natural Gas Co. Don Floyd, Chamber of Commerce manager, is trying his best to get places for the men, and anyone having any suggestions, or rooms for rent is urged to get in contact with Don.

Conservation Notes!

Sure wish all that grass had been sodded when we got this rain. don't you—This last rain raises our total for the district to about six inches since the first of the year. Some have had more and some a little less, but nearly all the moisture has been stored in the soil instead of any running off down the draws. Back to the grass seeding. The Soil Bank Program Conservation Reserve acreage in the Hansford Soil Conservation District is a little better than 7000 acres now and quite an amount of this is to be seeded during this Spring. The sooner it can be seeded now, the better chance it should have of making a good stand and get started before the hot summer weather gets here. So long as a good tiller or stubble is on the ground, the sooner the grass can be seeded the better.

Any cooperator with the Soil district who needs information on grass seeding is urged to contact the Soil Conservation Service technicians working with the Hansford Soil Conservation District.

Mrs. Grace Hughes had the following company over the past weekend: Mrs. Ruby Bayless of Elk City, Mrs. Maxie Roberts of Corpus, Mrs. Mae Hughes and Mrs. Max Hushes of Borger.

Don't Forget Cancer Donation Due This Month

A reminder that this is Cancer Crusade month, and Hansford county must meet a goal of \$1,600. All contributions are deductible, so please mail your check to Mr. Freeman Barkley, First State Bank, Spearman, Texas. Mr. Barkley is Treasurer for the Hansford County Cancer Society.

In Gruver, Mrs. Ted McClellan is chairman of the crusade and citizens there may see that Mrs. McClellan gets your gift.

Have You Had Your Polio Vaccine???

Ask yourself these questions: "Have I had my polio vaccine? Has my family had their polio injections? If the answer is "NO," to these questions—Then ask yourself, "why not?" Can you afford to say "NO" to these questions.

When we stop to think of the heart aches and tragedy even one case of polio brings in the family and can cause, or even in the family of a neighbor or friend then can we hardly ignore these questions. When we think of the suffering the polio victim endures during the acute stage of the disease, and if he survives that disability that follows, can we still ignore these questions—

None of us likes to think about, let alone see small children permanently crippled by polio, yet many of us have neglected to give our children the advantage of the now available protection against polio—the three polio vaccine injections. Nor do we like to think of cases where the father or mother of a family has been struck down by polio—yet they may also take advantage of this protection. Polio does not exclude anyone because of age, color, creed, wealth or religion. Everyone between the ages of 6 months and 50 years is eligible for vaccination. The vaccine is now in adequate supply.

We sincerely urge you to ask yourself these questions NOW and act promptly so that protection can be accomplished between now and the onset of the polio season in a few short months. In this way you can, as an individual contribute to the health and welfare of your family and community.

SPEARMAN LIONS CLUB

Rodeo At Stinnett

The Seniors of Stinnett High School are presenting the 6th annual rodeo. Only high school students may ride in the rodeo.

The rodeo is to be held on May 3rd and 4th at 7:30 p. m. and May 5th at 2:30 p. m. The rodeo arena is new and is located North of the football field. The stock is to be furnished by Morris Stephens. Each entry fee is \$2.50 for each event. Entry can be obtained by writing the Senior Class. There will be a Bar B-Q Sunday May 5th from 11:00 a. m. to 1:00 p. m. Dances will be held Friday and Saturday nights after the rodeo performances.

Lieutenant Reynolds Graduate At WTSC

Fort Sill, Okla.—Second Lieut. Leslie D. Reynolds, whose wife, Billie and mother, Mrs. Mattie A. Reynolds, live in Spearman, Texas, recently was graduated from the field artillery officers basic training and Guided Missile Center, Fort Sill, Okla.

Lieutenant Reynolds is a 1956 graduate of West Texas State at Canyon.

Public Urged To Take Polio Shots Soon.

At the regular Lion Club meeting this week, the members decided to sponsor a four weeks local polio advertising campaign in the newspaper, to inform the public about the necessity of getting their polio shots. Dr. Kleeburger and Dr. Hackley who were present at the noon meeting, will act as a publicity committee, for the project.

Mr. and Mrs. R. Y. Jones of Gruver were guests, along with Bill Stone, manager of the new Ideal store in Spearman.

A lengthy business discussion was held by Boss Lion Ed Mundy. The club discussed feeding the band and athletic clubs of the local high school. They decided to have a chicken fry at the local football field some Tuesday night in the near future. Also, a committee is almost ready to report on securing lots for parking space in Spearman. The club has undertaken this project, and plans to gravel a parking lot soon.

The Lion club realized almost \$300.00 out of their share of the carnival, and Virgil Floyd was complimented for his fine work during the celebration, in handling the business relations between the Lions and the carnival.

If you haven't had your polio shots—get them today!

Dust, Rain, Hail, Heat and Cold

The county has been for some real weather this week. The dust almost blew everyone away at the rodeo Friday, plus lots of wheat laid Saturday. Saturday it almost rained and froze the rodeo out, however, the payoff came Tuesday of this week, when, after almost everyone had received from a half inch of moisture up, the dust blew extremely bad. MacLaughlin, at the SCS office said near the Morse area, you could stand in knee deep puddles of water, with the dust blowing so hard you could not see! Also, in the Monday shower, some fairly large hail stones pelted the area. The county was in a tornado area at the time the large cloud approached Spearman, about 1:00 p. m. Monday. The rain first started Sunday night, according to scattered reports.

Date	Max	Min	Rain

Cancer Cure Sought

More than 1,000 top-flight scientists in 139 hospitals, universities and laboratories are working under grants from the American Cancer Society to find the answers to cancer. It is up to you to keep them on the job. Give generously to the 1957 Cancer Crusade.

Mrs. J. M. Blodgett Is The Oldest Vicinity Resident

Mrs. J. M. Blodgett was registered as having lived in this area longer than any other old timer, at the reunion last Saturday morning, held at the Joe Traylor Ford Building. Mrs. Blodgett came to this territory in 1886. Until his recent death, Mr. Ooley was the oldest living resident, having come to the area in 1883.

Outstanding Spurs		
The Boy scout float, which featured a covered wagon, with C. E. Boston driver featured possibly the most famous pair of spurs in America today. The spurs came from Mexico, and were worn by Cortez, according to authentic information. Even the caleschie is still on the rawls of the spurs, exactly the way they came from a cave in Mexico. The spurs are valued at \$500.00 and are real beauties.		

Revival At Local Assembly of God

A revival meeting will begin at the Spearman Assembly of God church Sunday night, April 28th.

Evangelist Edith Little of Fort Worth will be the visiting evangelist for these services. She is widely known, and will be preaching on prophecy. Some of the subjects will be "Who is Mystery Babylon?", "The Seven Headed Beast is Coming out of the Sea" "Horses and Chariots in Bible Prophecy", "Blood to the Horses Bridles", "The Scarlet Woman" and other messages concerning the present crisis in Egypt and that country's place in prophecy and other messages made plain on a 15 foot chart in oil paints.

The meeting will continue for two weeks at least. Services night at 7:45 p. m. with special music and singing featured.

The public is urged to attend this revival.

Pastor, M. C. Cox

Class Of 1929 Has Reunion Dinner

On the evening of April 19th the Spearman High School graduating class of 1929 met in the high school cafeteria for a reunion dinner with four teachers and fifteen class members and their families in attendance.

Teachers present for the occasion were Mr. A. H. Wilcox of Corpus Christi, Texas who was High School Superintendent at the time the class graduated; Miss Ethel Deakin of Guyton, Oklahoma, Billy Jarvis of Stinnett and Mrs. Verna Jarvis of Spearman. Since Mr. Wilcox served his last year at Spearman High School in 1929, he can, in a manner speaking, be included in the graduates of that year.

Those who came the most notable distance to be present for the reunion were Mr. Wilcox from Corpus Christi, Mrs. Alameda Sebaugh from Wichita, Kansas, Paul Gill from Prescott, Arizona and Mrs. Chloe Cone from Cortez, Colorado.

The invocation was given by Mrs. Lola Mae Cator and Wilson Buchanan, who served as class president, gave the welcoming address. Brief talks were given by all of the teachers.

After the dinner a period of visiting and talking over old times was enjoyed by the group. The class prophecy was read by Mrs. Ona Faye Watkins and Leo Moore, who was valedictorian of the class, read the valedictory address.

It was decided to have another reunion in 1962 and elected to serve on the planning committee at that time were: Mrs. Cleo Taylor, Mrs. Lila Richardson, W. H. Black, Daniel Sheets and Orville Matthews.

The guest list for the most enjoyable occasion included: Mr. and Mrs. A. H. Wilcox of Corpus Christi, Miss Ethel Deakin of Guyton, Oklahoma, Mr. and Mrs. Leo Moore of Covelo, California, Mr. and Mrs. Paul Gill and son of Prescott, Arizona, Mr. and Mrs. Earl Sebaugh and daughter of Wichita, Kansas, Mrs. Chloe Cone of Cortez, Colorado, Mr. and Mrs. G. I. Parks and family of Borger, Mr. Wilson Buchanan of Dumas, Mrs. Iris Bentley, Mrs. Lila Richardson, and Mr. and Mrs. Billy Jarvis of Stinnett, Mr. and Mrs. Buster Cator, Mr. and Mrs. Orville Matthews and Mrs. Ona Faye Watkins of Gruver, Mrs. Verna Jarvis, Mrs. Cleo Taylor, Mr. and Mrs. Wesley Jenkins, Mr. and Mrs. Raymond Sparks, Mr. and Mrs. Daniel Sheets, Mr. and Mrs. W. H. Black, and Mrs. A. F. Loftin of Spearman.

Card of Thanks

We wish to express our thanks to the Spearman friends for visits, cards, food and flowers during the illness and death of our loved one. May God bless you all. THE DARBY and BRUCE FAMILIES.

District Conference At Gruver

A total of 203 delegates registered recently for the second annual Spring conference of the 19th district of Texas Congress of Parents and Teachers at the Gruver High School.

Features of the all-day session were speeches by two state PTA officers and workshop program.

The evening preceding the conference, the local PTA entertained with a dinner for the 19th district board of Managers at the District cafeteria. Special music was furnished by Mr. Truax and his Tonette group.

The delegates were welcomed by Mr. W. H. Willoughby, Superintendent of schools, Gruver. The conference theme, "Opportunity with responsibility for every child" was presented by a skit entitled "The Fruit Seldom Falls Far From the Tree."

Shamrock's bid for 1958 conference was accepted and the meeting adjourned with Coke Time.

JIM ED ROGERS

Pvt. Jim Ed Rogers was home last week on leave from Fort Bliss, Texas, visiting his grandmother, Mrs. Ed Close, Jimmie Ed volunteered for the army January 16th of this year and has finished his basic. He will start to guided missile school the 20th of April at Ft. Bliss.

IN MEMORY OF THE RIDE ON THE FLOAT APRIL 20

I wish to express my love and appreciation for the students who rode with me in memory of our school days over 50 years ago. I have always loved the ones who attended different schools that I taught; they have always been so kind and thoughtful all these years. I cannot forget them. I also thank the man who drove our float.

APPRECIATION

The Rose Garden Flower club would like to express their appreciation to Gene Cudd and the Hansford Implement Company for sponsoring their float this celebration. To those who rode on it, Mrs. Claude Sheets, Frances Nollner, Steve and Danna Sheets, Kay Huse, Mike Cudd and Yvonne Bridges, "The Scarlet Woman" and other messages concerning the present crisis in Egypt and that country's place in prophecy and other messages made plain on a 15 foot chart in oil paints.

The meeting will continue for two weeks at least. Services night at 7:45 p. m. with special music and singing featured.

The public is urged to attend this revival.

Pastor, M. C. Cox

CARRIE COTTER

Mrs. Jimmie Hester and children have been visiting relatives in Enid, Oklahoma.

Sheriff and Mrs. Cy Carr and son of Miami visited in the home of Mr. and Mrs. Kiff White this week end.

Mrs. Don J. Tipton of Amarillo is visiting her mother, Mrs. J. H. Buchanan.

Mr. and Mrs. Mike Berry and children spent Easter in Spearman with his parents, Mr. and Mrs. John Berry.

HAM SHOOT SUNDAY AT 2:00 P. M.

The Spearman High school Senior class is sponsoring a ham shoot Sunday, April 28. This will be at the shooting grounds, and will begin at 2:00 p. m. and will end at 2:00 p. m.

The Spearman Reporter
Successor to the Hansford Headlight, Published Thursday of each week in Hansford County, at Spearman, Texas
WILL J. MILLER, Editor and Publisher
Entered as second class matter Nov. 21, 1919 at the Post Office at Spearman, Texas, under the Act of March 3, 1879.

Don't Name It
Write down another successful celebration for Spearman and give a great deal of credit to the younger generation of aggressive business men and farmers who made a go of the celebration despite adverse conditions.

Next big event in Spearman will be the grand opening of the Spearman Drug Store. It will take Bruce and Freda another week to get their wealth of merchandise properly displayed and to get a program operating at the new location.

Mr. and Mrs. Sheets have made two of the finest citizens we have ever known. They number their friends by the hundreds. Fact is that so far as we can remember we have never heard any direct criticism of this fine couple.

Anyway, will quit writing about them this week, so will have something to say about them when we print the Grand Opening issue of the Reporter, perhaps May 9th.

Incidentally the Spearman Drug is in the process of moving this week. It will be a slow program, since Bruce is receiving shipment of new merchandise, and at the same time is rearranging the older merchandise in his new building.

Mr. and Mrs. Curt Lowe spent Easter in Dallas. With them went Mrs. Gertrude Ogle, and Mrs. Cecil Holt. Mrs. Ogle visited her sister, and Mrs. Holt visited Zené.

Mr. and Mrs. Roy Murrah and family spent Easter down in Levelland. They were in the midst of the stormy weather.

Mrs. Bertie Wells is still in the Spearman hospital. She does not seem to be making much improvement. Just about holding her own.

You can't cure cancer by pills, powders or the phony promises of quacks. Only your doctor can diagnosis and treat cancer, the American Cancer Society says.

Mr. and Mrs. Ed Rafferty Jr. spent Easter in Breckenridge visiting Marjory's sister. Mr. and Mrs. Ed Rafferty Sr. went with them as far as Abilene and spent Easter with Pat and her family.

Mr. and Mrs. L. W. Ayres, Sr. Pauline Hodges and Kay spent Easter in Denison visiting kin folk there.

Rev. and Mrs. Richard Cutter and their children from Fort Worth were visiting their parents Mr. and Ms. Gay Fletcher and Mrs. Charles Cutter. Mr. and Mrs. Don Fletcher and children were here also at the Gay Fletchers.

Mrs. Bill Edling told us this morning that Bill is not doing so well. It may be necessary to take him back to the Dallas hospital. We hope not.

Mrs. O. J. Gross is back home after surgery on her foot. She is making pretty well, but yet unable to go back to work.

We felt a little better to know that Sonny Riley and his spotters were on the job Sunday night.

Mr. and Mrs. Roy Murrah and family spent Easter down in Levelland. They were in the midst of the stormy weather.

Mrs. Bertie Wells is still in the Spearman hospital. She does not seem to be making much improvement. Just about holding her own.

This n' That

Recently we had a very nice thing happen to us. During the big blizzard we ventured out of doors with our good hat on. The hat fell us going over all of the T. V. Antennas. The day after the storm we went into Mickey Westerfields to get some rubbers and a cap. He told us that a friend of ours had given him instructions to give us a new hat, and Miss Ives a new dress. He would not tell us who it was. We were a little reluctant to accept the hat, as we like to say thank you. But we needed a hat, and now have a nice one. So, if you read this, and the gifts were from you, will you please accept our sincere thanks.

Well we have had some more moisture and we are happy about it. If we could just get the moisture without being scared out of our wits by tornadoes, it would be fine. But we need the moisture and are glad to get it. So we do our best not too be upset by tornado warnings. This last rain brought us 66 hundredths.

We were happy to see so many of our college young people home for Easter. We cannot give you a complete list, but as far as we know they were all at home. We saw Marguerite Winder, Marlene Gruver, Selden Hale, Ed Carey, Kathy Truax and there were of course many other. Both

to spoil his work. It got so he would hardly speak because he was so upset about the weather and such meaneas as Tom Johnson and Bill Merritt and John Bishop would walk into the fountain and get a drink and begin talking about the duster that was coming that afternoon.

Bruce and Freda had a lot of the same, but they were younger and determined. They moved into a comfortable apartment in the back of the store and literally lived with their job.

Mr. and Mrs. Sheets have made two of the finest citizens we have ever known. They number their friends by the hundreds. Fact is that so far as we can remember we have never heard any direct criticism of this fine couple.

Anyway, will quit writing about them this week, so will have something to say about them when we print the Grand Opening issue of the Reporter, perhaps May 9th.

Incidentally the Spearman Drug is in the process of moving this week. It will be a slow program, since Bruce is receiving shipment of new merchandise, and at the same time is rearranging the older merchandise in his new building.

You can't cure cancer by pills, powders or the phony promises of quacks. Only your doctor can diagnosis and treat cancer, the American Cancer Society says.

Mr. and Mrs. Ed Rafferty Jr. spent Easter in Breckenridge visiting Marjory's sister. Mr. and Mrs. Ed Rafferty Sr. went with them as far as Abilene and spent Easter with Pat and her family.

Mr. and Mrs. L. W. Ayres, Sr. Pauline Hodges and Kay spent Easter in Denison visiting kin folk there.

Rev. and Mrs. Richard Cutter and their children from Fort Worth were visiting their parents Mr. and Ms. Gay Fletcher and Mrs. Charles Cutter. Mr. and Mrs. Don Fletcher and children were here also at the Gay Fletchers.

Compliment Spearman Paper

Will J. Miller, Editor
The Spearman Reporter
Spearman, Texas
Dear Sir:
The publicity you gave the Second Annual conference of the Nineteenth District of the Texas Congress of Parents and Teachers which met April 13 in Gruver was very nice.

Since I am publicity chairman for the Bunavista P. T. A. I especially appreciated having it to bring back home for those to read who were unable to attend. It was very nice to have the paper at the school and the ones responsible for this certainly have our thanks.

Your paper is certainly to be commended for the space given to P.T.A. publicity and I just wanted you to know that those from out-of-town certainly enjoyed it and appreciated it very much.

Thanking you, I am
Sincerely Yours
MRS. DEE COLEMAN, Publicity Chairman, Bunavista P.T.A.

NEW HOT CHECK LAW
An amendment to the "hot check" law that makes employers liable for paying their employees with checks that bounce has been signed into law by Gov. Price Daniels, W. H. Black, Manager of the Spearman Retail Merchants Credit Association, said today, he had been advised by the state office out of Austin.

The amendment closes a loophole in the "hot check" law. Until this amendment was signed, a retail business or any other type of business that accepted worthless checks presented in good faith by workers had practically no legal recourse to recover its losses.

Now, under the new amendment an employer who gives checks that prove to be "hot" are subject to criminal prosecution and may be fined up to \$2,000, and sent to jail for 30 days if the amount involved is less than \$50.00. If the amount of the worthless check is more than \$50, the penalty is from two to ten years in prison and a fine up to \$10,000.

Black said there were several hundred cases in Texas last year where employers paid off their workers with worthless checks cause those who cashed these checks to lose thousands of dollars.

Black said there were several hundred cases in Texas last year where employers paid off their workers with worthless checks cause those who cashed these checks to lose thousands of dollars.

few small collections are owned by pharmacists.

Mr. Sheet's Mortar and Pestle Trophy, mounted on a black walnut pedestal with a plaque inscribed with his name and store, will be on display at the prescription department.

The Rexall Drug Company is continuing its search for these valued antiques, and exact replicas will be awarded annually to Rexall druggists who meet exceptionally high standards of professional ideals, ethical practice and community service.

Hansford-Ochiltree Gas Hearing Set

The Texas Company has filed application with the Texas Railroad Commission to consolidate the Morrow Sands in the South Spearman Field in Hansford County and the Chunn Field in Ochiltree County.

Operating rules for the field also have been requested.

The Commission has set 9 a. m. May 2, at its hearing room in the Tribune Building, Austin, to study the application.

Funeral Rites For Gustav Adolph Olson

Gustav Adolph Olson was born March 23, 1893, in Minneapolis, Minn. His parents, Emmanuel & Olava Olson, came from Norway.

Gustav, or "Gus", as he was commonly called, lived on a homestead in North Dakota for quite a number of years in 1939 he came to the Oslo Community and lived there for about three years. Then he moved to Borger, Texas where he spent the remainder of his life as a carpenter and cabinet maker.

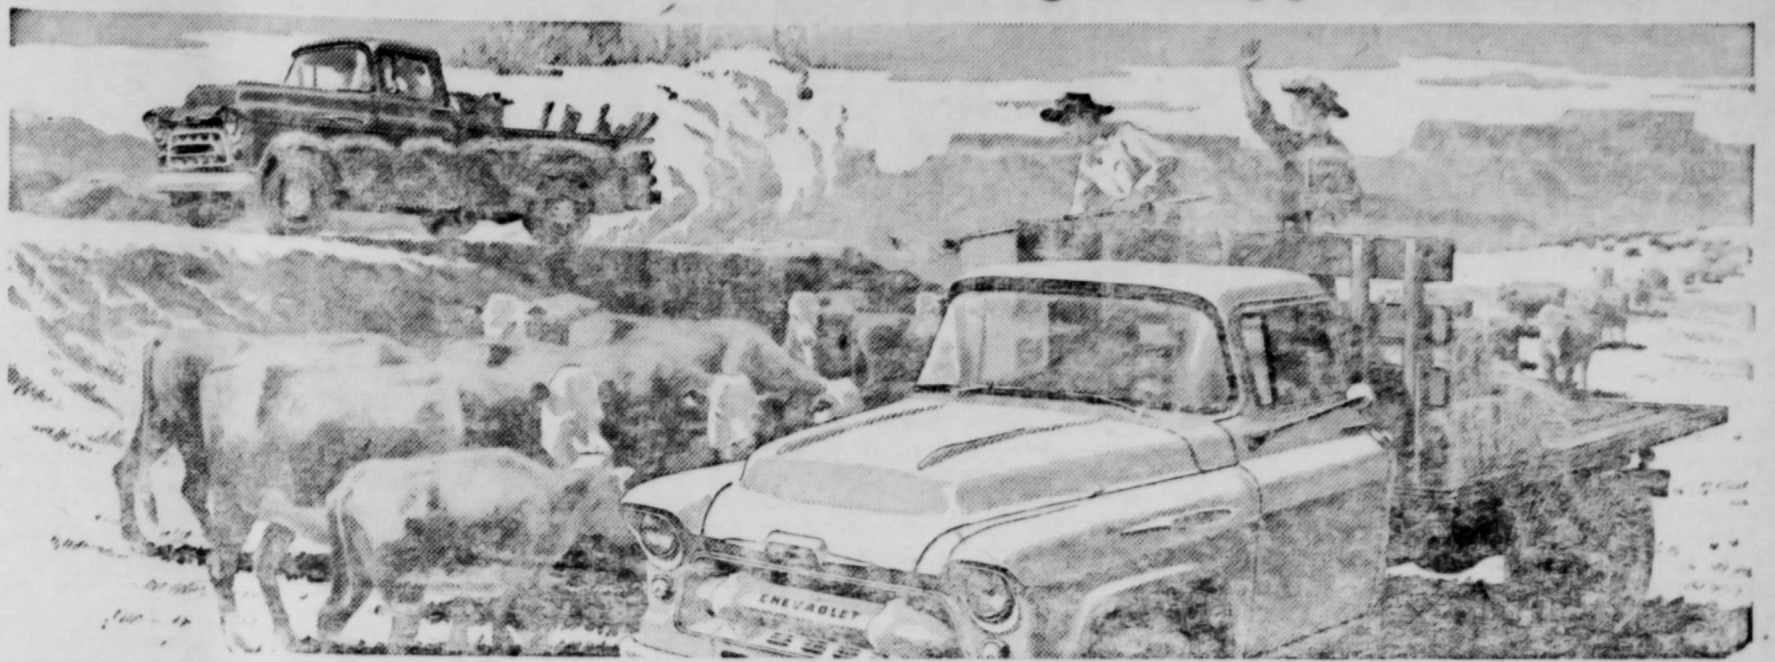

He died in Borger at 7:50 p. m. on April 16, 1957, at the age of 74 years and 24 days.

Remaining to respect and cherish his memory are the following cousins: Mrs. Alice O. Mills, Mrs. Sophie Gaskill, Mrs. Grace Winkelman, Elmer Olson, Mrs. Esther Hauge, Alex Olson, Mrs. Selma English and Gus A. Olson; also numerous other second cousins, or relatives, and a large host of friends.

Interment was in the Oslo Lutheran Cemetery.

Pall-bearers were: Burton and Marvin Olson, Elvin, Glen and Gerald Gaskill and Frank Winkel.

Biggest Sellers...because they're Biggest Savers!

Chevrolet trucks are built to be the biggest savers!

Look at the way they're put together. Frames, axles, suspensions, all chassis components are built to shrug off the relentless beating of a long, tough schedule. Look at the safety and convenience features in Chevrolet cabs. They're roomy, soft riding; you've got High-Level ventilation and panoramic visibility. Look at Chevy's latest model—new high-capacity 14-ton pickup that measures a full 93 inches in length!

And look at Chevy's line-up of super-efficient V8's and 6's. All heavy-weight truck models and many mid-weight models come with V8's as standard equipment. Light-duty jobs feature the latest edition of the savingest

6-cylinder engines in the history of the truck industry! High-performance V8 power is optional at extra cost in lightweight haulers.

Stop by and talk it over with your Chevrolet dealer. He'll show you a model that lines up to the latest in engineering advancement; a truck that will stay and save on any job you care to name!

We Need Greater Churches And Greater Faith

to give us POWER for LIVING and to COMBAT ATHEISTIC "ISMS"

transforming POWER

How important is this transformer to the electrician! It contains an induction coil for raising or lowering electric pressure. It does not generate power but is master over the current that passes through it. God is that way too. *He is master over all. He holds the key to the door and directs the cloud that brings the rain. His love is revealed in the beauty of the rose and his concern for us shown in saving us from the storm. He is Lord, and God, and Master of all. He has the power to control our lives... our wealth... our health. As the transformer is necessary to the distribution of electricity so is His church necessary to the transforming of lives in the community... in the world.*

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions stronger democracy. In the church the ministerial are molding religious character. Spokesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. There are on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

MYSTERY FARM FOR THE PAST WEEK IS THE LOVELY RANCH HOME PROPERTY OF MR. AND MRS. ROBERT OWNBHEY, AND HOME OF MR. F. A. FATHEREE AND FAMILY.

The Mystery farm this week is one of the old land of this area, the property of Mr. and Mrs. Robert Ownbey, who have owned this land and home for 15 years. For many years this aggressive young man made their home at the Mystery Farm located recently they moved to the Old Jim Ownbey place located South East of Pringle. A Modern farm home is the home of a young man who have only been in Texas for a little more than 10 years. They are: Mr. and Mrs. F. A. Fatheree, moved to Sunray, Texas from their farm in Oklahoma less than three years ago. In January of this year the Fatheree family moved to this Mystery Home. There is an employee of Roberts, and operated cultivated land at the place, which includes

100 acres of irrigated wheat, with more land to be planted to maize this season.

All the cattle have been moved from this place to the Jim Ownbey ranch location, but the original Robert Ownbey location has good facilities for ranching as well as farming. There is a large Quonset Hut storage, a big Red tool shed, a Red Outhouse that is being utilized at this time for a chicken house, and of course the corrals.

Mr. and Mrs. Fatheree are product of Western Oklahoma. They were married 11 years ago at Elk City, Oklahoma, and have spent much of their mature life in farming and ranching operations in Oklahoma. They have two children, J. R., a ten year old son and Jenny Linn a 7 year old son. Both boys

are students in the Morse school and attend the community Sunday School. In addition, Mr. and Mrs. Fatheree are raising the three year old daughter of Mrs. Joyce Whitehead, a sister of Mrs. Fatheree's who lives at Pampa.

Mr. and Mrs. Ownbey are quite prominent rancher-farmers of this area. Both are talented and well educated. Robert is a member of the Masonic organization and a Shriner. Mrs. Ownbey is a very talented writer and a member of the Pen Women's organization. We believe that we will have an opportunity to write-up a more detailed article about these fine friends at a future date when we expect to publish a picture of their present home.

Texas Fights Cancer

Is human cancer inherited? A Texas scientist has made a study of this and his answer is "No. One can't inherit cancer." Humans may inherit a susceptibility to a predisposition to cancer however. That means that under certain conditions — possibly in the presence of a cancer virus (if such a thing exists), overexposure to cancer-causing rays and chemicals and a hormonal imbalance — certain humans are likely to develop a cancer.

Even in experimental animals it is not easy to develop a strain which inherits cancer. Mice and rats must be inbred for many generations for them to show cancer with predictable frequency. Help Texas scientists fight cancer. Address your contribution today to Freeman Barkley Spearman, Texas.

Miss Etling To Give Organ Recital April 22nd
The Gruber Music Club is presenting Janice Etling in an Or-

gan Recital at 8 P. M. April 22 in the Gruber Methodist Church. She will be assisted by Mrs. E. F. Copeland of Borger. They will give the following program:

Hitchland Man Honored By US Weather Bureau
Mr. H. J. Dondlinger, Weather Observer, Hitchland, has been named as the Secretary of the Department of Commerce and the Chief of the Weather Bureau. It is our privilege to present you a token of appreciation for long and faithful service as Weather Observer. The enclosed emblem represents 10 years of unselfish weather service to your community, state, and nation. You have added valuable data to the store of climatological information by keeping accurate records in all kinds of weather. We are grateful for your diligence over the years and it is a genuine pleasure for us to honor you.
Very Truly Yours
Gilbert E. Stegall

Supervising Climatologist
Our good friend John Westing is in the Hansford Hospital today, Monday. However, he is to return to his home tomorrow. John had a severe case of flu and Bruce insisted that he go to the hospital.
Highlights of the Texas Broiler Festival to be held in Nacogdoches on May 31 and June 1 will include the selection of a Texas Broiler Queen, a "Texasized" broiler barbecue, the awarding of many prizes, the presentation of an outstanding entertainment program and 15,000 people are expected to attend the Festival. The Texas Broiler Council is backing this giant-sized affair with assistance from every segment of the industry and those related to it.

The latest thing in all-purpose insect repellents is diethyltoluamide. Test repellents containing this chemical were long-lasting and effective against a wide array of troublesome insects. It should be available in commercial products this spring.
