

Gainesville Is Hit By Storm Sunday Night

More Disturbances In State Forecast By Weather Bureau

The latest in Texas' hit-and-run storms struck Gainesville on the Red River last night. Weather conditions favored more storms today.

The only damage to Gainesville itself was from the 3.15-inch rain. But the North Texas city's airport was damaged by winds up to 65 miles an hour. Ten planes were wrecked; that loss alone was estimated at \$25,000.

Ardmore, Okla., which is just across the Red River from Gainesville, had 3.68 inches of rain.

Elsewhere in Texas rains were lighter. Light showers hit the South Plains shortly before 10 p. m. last night and continued until 2:30 a. m. today. Lubbock's rainfall totaled .34 of an inch, bringing the 1949 total to 18.77 inches—compared with the normal annual total of 19.15.

Weather observers in the Lubbock area thought the week-long rains were ending. But the U. S. weather Bureau in Dallas predicted more thunderstorms through tomorrow in much of the state—including the South Plains.

The South Plains and Panhandle rains have delayed the wheat harvest and may have damaged the South Plains cotton crop.

The cooler weather which prevailed over most of Texas today was expected to continue through tonight. Yesterday's high temperature was 101 at Presidio, this morning's low 60 at Amarillo.

DESERT'S TOO CROWDED—Bearded Frederick William Pester (above), self-styled desert rat and hermit, arrived in Long Beach, Calif., looking for a ship. He wants to cross the Pacific to a lonely isle, there to enjoy the solitude that no longer is his because of the intrusions the public has made into his California desert sanctuary. (AP Wirephoto).

Court Upholds Convictions Of Screen Writers

Rules Probers Can Demand Whether Or Not Witness Is Red

WASHINGTON, June 13. (AP)—The U. S. Circuit Court of Appeals ruled today that a congressional committee has the right to demand that a witness say whether or not he is a Communist.

The decision upheld contempt convictions of screen writers John Howard Lawson and Dalton Trumbo.

They were among 10 Hollywood figures cited for contempt for refusing to answer questions of the House un-American Activities Committee in the film-capital investigation last year.

Both Lawson and Trumbo declined to state, in answer to questions of the committee, whether they were "nor or had ever been a member of the Communist Party, or whether or not either was a member of the Screen Writers Guild."

Each was sentenced to one year imprisonment and a \$1,000 fine. They have been free on bond pending the appeal, which now appears certain to go to the Supreme Court.

The Lawson and Trumbo cases are the only two of the so-called "unfriendly 10" which have gone to trial.

The cases of the others have been held up by an informal agreement pending outcome of the appeals.

Still awaiting trial are Ring Lardner, Jr., Albert Maltz, Alvah Bessie, Samuel Ornitz, Herbert Biberman, Edward Smully, Robert Adrian Scott, and Lester Cole. Lawson and Trumbo declined to answer the committee's questions and based their court fight on the contention that the committee was seeking to invade their constitutional rights.

In rejecting their appeal, the three-man tribunal said unanimously:

"This is not a novel contention. It has been before this and other federal courts several times in recent years with appropriate variations to fit the facts of the particular case."

The appellate court decision went on:

"We hold that in view of the representations to the Congress as to the nature, purposes, and program of communism and the Communist Party, Congress has power to make an inquiry of an individual which may elicit the answer that the witness is a believer in communism or a member of the Communist Party."

German Trade Talks End Without Result

RED OFFICER GETS ROUGH TREATMENT IN BERLIN—A Russian officer (wearing shoulder boards) gets rough treatment as he tries to force his way through a knot of Berlin railway pickets around the Soviet-controlled railway administration building in the American sector of Berlin. The Russian woman (back to camera) became almost hysterical when the pickets kicked the officer. (AP Wirephoto)

Soviets Refuse To Compromise On Major Points

Whole Question Is Thrown Again Into Laps Of Big Four

BERLIN, June 13. (AP) — The four occupation powers ended all-German trade and transport talks late today with no indication of an agreement.

Representatives immediately sent separate reports to the Council of Foreign Ministers in Paris. There was every indication the Russians had refused to yield on several major points.

As a result, the question of reviving East-West trade in Germany and re-uniting the divided city of Berlin fell back into the laps of the Big Four at Paris.

There was hope that the 24-day-old rail strike might come to an end soon, perhaps Wednesday, despite the fact that top German union leaders rebuffed an American appeal for an immediate end to the transport-jamming stoppage.

The issue will be put before the rank and file of the union in a referendum tomorrow. Seventy-five per cent of the membership must vote to continue the walkout or it will be called off automatically.

The settlement terms were worked out by the United States, in consultation with Britain and France, and agreed to by Russia. The American commandant in Berlin, Brig. Gen. Frank L. Howley, asked the strikers to accept the offer and get a promise to do so from top union officials.

The terms, left to the membership for decision by the 600 lower-level leaders, called for payment of 75 per cent of wages in West marks, worth four times as much as the East marks previously used to pay wages, and no reprisals by the Soviet-controlled railway management against the anti-red union leaders.

The management would pay 60 per cent of the wages in West marks and the West Berlin city government would exchange an additional 15 per cent of the men's salaries into the more valuable Western currency.

The strike, marked by violence which caused two deaths, has blocked rail delivery of supplies to Berlin and prevented an East-West accord on German trade.

Lesinski Backing 75-Cent Minimum Wage Legislation

WASHINGTON, June 13. (AP) — Chairman Lesinski (D-Mich) said today he will ask his House Labor Committee to approve a straight, unadorned 75-cent minimum wage bill this week.

He said that attempts to get a measure nearer to terms of the administration's bill have failed in the face of unyielding opposition from Republicans and southern Democrats.

The administration bill would raise the national minimum wage from its present 40 cents an hour to 75, and would extend the wage-hour law to about five million workers who are not now covered.

The bill Lesinski said he will recommend to the committee would boost the minimum to 75 cents and do nothing else.

Commissioners Order Survey

Howard county commissioners court Monday ordered a survey looking toward possible widening of the lateral road east of the rodeo grounds.

This is the first of a series of steps which would be necessary in event the road, which connects with the east end of Martha street and goes north to U. S. 80, were paved. The court gave the survey order a unanimous vote on motion of G. E. Gilliam and second of Walter Long, commissioners.

The motion covered 10 1/2 feet on east and west sides of the present road, excepting in front of some houses on the west side toward the north end. County Engineer Bill Couch was ordered to make the survey to guide the court in further action on the project.

Commissioners waded through bills, checked with Mary Cantrell, county case worker, and with Couch concerning extensive damage to roads north of Big Spring, from Fairview to the Center Point area.

Financial report for the month showed expenditures of \$39,347 (\$15,885 of it in debt service obligations); receipts of \$9,882. Net decline of the balance was \$29,465, leaving it at \$156,638.

The road and bridge fund have revenues of \$5,201, plus \$289 transferred from a road machinery fund. The officers salary fund had revenues amounting to \$2,695, the general fund \$774 and the other minor amounts.

Expenditures by funds and ending balances follow:

Jury \$655 and \$4,803; road and bridge \$13,490 and \$76,546; general \$3,973 and \$30,065; officers salary \$5,462 and \$9,156; permanent improvement \$408 and \$7,674; special road fund none and \$4,418; road and bridge special none and \$7,104; viaduct warrant none and \$984; series 1945 road bond \$15,541 and 4,857; library fund \$363 and \$5,499; road machinery warrants \$254 and \$5,527.

DEATHLESS DAYS In Big Spring Traffic

Don't Drive if Drunk

BACKING ASKED BY BRANNAN

Says Farm Policies Will Prevent Crash

DES MOINES, June 13. (AP)—Secretary of Agriculture Charles F. Brannan called today for public support of Truman administration farm policies to help prevent the "greatest economic crash in history."

America's farm productive power, he said, is like atomic energy—it can be used for either good or bad.

But the nation need not fear this power, the cabinet officer said, if it supports the Democratic Party. That party, he added, has been the only one in history to support "effective farm programs" aimed at serving the whole country.

Brannan made these claims in a speech prepared for a two-day midwestern Democratic conference to lay plans for 1940 congressional campaigns.

He offered a new farm plan advanced by himself recently as the best means proposed yet for preventing a "farm-fed and farm-led" depression which, he added, could destroy democracy.

The secretary described as "inadequate" the so-called Aikin long-range farm law passed by the Republican 80th Congress and scheduled to go into effect in 1950. He said it would not offer enough income protection to prevent a farm depression.

In brief, the Brannan plan would guarantee farmers higher returns than would the Aikin law. It would depend more heavily, however, on government subsidies to producers. It features lower prices for perishable foods—especially meats, dairy and poultry products—with the government paying farmers a subsidy covering the difference when those prices fell below a level demand fair to them.

"Our great productive power makes possible the biggest surpluses, the most colossal waste and the greatest economic crash the world has ever seen," he said.

Score Of Persons Killed In Texas

By the Associated Press
A score of persons met violent death, 13 in traffic accidents, over the week end in Texas.
Five drowned, one man was killed by lightning and one was stabbed to death.

Miners Quit Work For Week

PHILADELPHIA, June 13. (AP)—The nation's 480,000 coal miners quit work today for a week under orders of John L. Lewis.

The boys of the United Mine Workers moved into Philadelphia for contract talks with the U. S. Steel Corp.

The meeting is without precedent. U. S. Steel never before has met with Lewis while a walk-out was in progress.

What the mine workers' chairman will ask was not made public but it is expected its plan may call for a "share-the-work" system to give all miners about the same amount of work and pay whether demand for coal is heavy or slight.

Spokesmen for U. S. Steel said they have no idea what Lewis will ask. "John asked us to meet with him," a spokesman said. "That's all we know."

He explained that U. S. Steel, which covers 30,000 coal diggers in "captive" mines, agreed to meet with Lewis despite the walkout because the invitation was extended prior to the stoppage.

In the past, Lewis talks with big steel often has set the pattern for the entire coal industry.

Becomes RC Nun

ROME, June 13. (AP) — Premier Alcide De Gasperi's 23-year-old daughter, Luella, became a Roman Catholic nun yesterday.

Belgian Troops Seize Oil Plant

DUESSELDORF, Germany, June 13. (AP) — Belgian troops with armored cars and machine guns today seized a synthetic oil works at Bergkamen, where German workers had defied British attempts to dismantle the plant.

Carrying out their threat to use force if necessary, the British called in Belgian troops, which occupy the Bergkamen area in a northern Ruhr valley.

With four armored cars, the troops battered down a barricade of light vehicles which the Germans had thrown across the road to the Chemische Werke Esesper Steinbohle plant.

Bell Men Strike

BUFFALO, N. Y., June 13. (AP)—The Bell Aircraft Corp. was struck today by about 1,500 CIO United Auto Workers whose demands center on a 15-cent hourly wage boost.

Soviet Said In Partial Accord With West Aims

PARIS, June 13. (AP) — A qualified western diplomat said today Soviet Foreign Minister Andrei Y. Vishinsky agreed in a private week end talk with British Foreign Secretary Ernest Bevin to seek limited agreement on a way of life for Germany.

Vishinsky agreed in his talk with Bevin, this informant said, to try to reach agreement on Berlin currency, trade between East and West Germany, and road and rail traffic.

When it appeared likely that the West had given up hope of reaching overall political accord on Germany now, these were believed to have been the main "limited" aims of the West.

Vishinsky still insists on adoption of Soviet-sponsored currency for all Berlin, under four power control, and resumption of East-West German trade. Bevin, replying, told Vishinsky the West insists on a written pledge assuring the right of free access to western sectors of Berlin, the informant added.

Stocks Knocked To Four-Year Low Today

NEW YORK, June 13. (AP)—A sudden wave of selling rolled over the stock market today and prices sank to a four-year low. The loss to the market value of all shares listed on the stock exchange exceeded \$1,000,000,000.

Savant Says Atomic Shipments Harmless

WASHINGTON, June 13. (AP)—Dr. J. Robert Oppenheimer, who helped develop the atomic bomb, assured Congress members today that there is no reason for concern over exports of radio-active isotopes. He said, "I know of no way" that can help Russia.

Oppenheimer was wartime head of the atomic weapons laboratory at Los Alamos, N. M. He is now at the Institute of Advanced Studies at Princeton, N. J.

Oppenheimer was called before the Senate-Atomic Energy Commission of hearings on how the Atomic Energy Commission has conducted its business.

Sen. Hickenlooper (R-Ia.) has leveled a charge of "incredible mismanagement" against the AEC and its chairman, David E. Lilienthal. Hickenlooper demands that Lilienthal be fired.

One of the matters that Hickenlooper cites is the report of radio-active isotopes to foreign countries. These isotopes are formed in the atomic furnaces of the AEC. They are useful in many kinds of research.

Oppenheimer said that to his knowledge the U. S. military establishment, when developing new war weapons, has never found it necessary to use isotopes of the kind which have been exported.

He said, too, that he cannot recall any application of the exportable-type isotopes to atomic energy since World War II.

Dr. Oppenheimer emphasized that the type of isotopes permitted

for export does not include any of the "heavy materials" which are pertinent to the fission program, or any of the "fissionable" materials. Fission plays a key role in atomic weapons.

A uranium isotope, for example, is not allowed for export. But calcium, iodine, sulphur, and others of similar nature are. Isotopes, Dr. Oppenheimer said, are used principally for "tracers" in research work.

Simple, Quick Polio Test Seen

NEW YORK, June 13. (AP)—Likelihood that there soon will be a simple, quick test for polio was stressed yesterday in the eleventh annual report of the National Foundation for Infantile Paralysis.

Another good sign in the attack on the disease which the report stressed was the development of two steps toward producing a vaccine.

Development of a quick test for polio would remove the present serious handicap of delay before a doctor can be certain of its presence. Early treatment is essential.

In the vaccine development, the first step is to discover how many different strains or kinds of infantile paralysis there are, since a vaccine made for only one kind is not good for another.

Discovery of a method to grow the virus, the microbe which causes polio, outside of living nervous tissues, is the second step. This process makes it easier to study the virus.

Evans Again Heads Mail Carriers As Kin Named Officers

The Evans family became virtually the first family of the Texas Star Route Mail Carriers association Sunday.

Earl C. Evans, who has headed the association in Texas for the past eight years, was re-elected president.

His brother, M. N. Evans, Ballinger, was elected vice-president. Mrs. Earl C. Evans is secretary-treasurer.

Officers were chosen Sunday at the association's annual convention A barbecue, made possible by donations of two beavers by ranchers on Evans' route (Gall) out of here opened the session at noon.

Dr. Tom Taylor, Howard Payne meeting in Memorial Hall. Postmasters were guests in recognition of the part they played in rate adjustment law passed last year. Among them was Nat Shick, Big Spring, Carl Hogue, Lamesa, on the program.

Earl Evans and Clyde Payne, Big Spring, Carl Hogue, Lamesa, Arnold Schubert, Fischer's Store, and J. C. Champion, San Marcos, were named delegates to the national association of Star Route Mail Carriers at Harrisburg, Pa. on July 25-30.

Colorado City Plans Anti-Polio Clean-Up

COLORADO CITY, June 12 — Colorado City will engage in a concerted clean-up campaign this week as a preventive measure against polio and other diseases.

Led by the Jaycees, the Lions club, the Kiwanis club, and the Jaycees, the town is being asked to clean up premises, alleys, vacant lots.

Petitions are being circulated asking that the entire town close shop Wednesday, so that all citizens can busy themselves helping with the clean-up job, all around the town.

According to Dr. Harry A. Logsdon, city health officer, no polio cases are now in Colorado City. One child, Kaye Miller, daughter of Mr. and Mrs. John Miller, developed the disease while on a visit with her family and is now in a San Antonio hospital isolation ward.

George Wythe, city engineer-sanitarian, also busy with the clean-up plans, is urging residents to give special attention to "chicken pens, outdoor toilets, cows, and horses, and garbage." Certain sections of Colorado City, largely the colored residential section in South Colorado City, have homes without sewerage. Outdoor toilets dot that portion of the city just across the South bridge over the Colorado River here.

Wythe announced that new stricter city ordinances for cleanliness will be presented at the next meeting of the city council. "They will be ordinances with teeth in them," he said, "and if approved, more strict measures can be taken to see that the city is cleaned up and kept clean." He did not enlarge upon what phases the proposed ordinance would cover.

Charles Nuckolls, Jaycee, is chairman of the citizen's committee backing the city wide clean-up. With his committee he has divided the town into five sections with various organizations responsible for seeing that each section is thoroughly clean. Jaycees will be responsible for East Hill Negro district and the South Side.

FROM CASTLE TO APARTMENT

Kaiser's Kin To Be Texan

LANGEN, Germany, June 13. (AP)—A royal princess of Prussia will soon be at home "deep in the heart of Texas."

Princess Cecilie, 31, hazel-eyed granddaughter of Germany's late Kaiser Wilhelm, will trade her family's medieval castle for an apartment in Amarillo when she marries Texas Clyde Harris, 31. He is the son of Konowa, Okla., banker Bert Harris.

The princess numbers among her ancestors Queen Victoria of England, the Emperors of Germany, innumerable reigning princes, grand dukes, and margraves. Her father is the former crown Prince Wilhelm.

She is a sister of Prince Louis Ferdinand of Prussia, who worked for the Fort Motor Co. in Detroit between the two world wars and

visited the United States last year. The wedding plans, secret until yesterday, call for a marriage June 21 in the bleak Hohenzollern Castle at Hechingen in the Bavarian Alps.

Then "we will settle down in Texas," says the blonde princess who is listed in the Almanach de Gotha—royalty's "social register"—as Cecilie Viktoria Anastasia Zita Thyra Adelheid. Last name Hohenzollern.

Harris said he met the princess in 1945—soon after V-E Day—when, a captain in the U. S. Army, he was tracing looted works of art. The Texas is an interior decorator in Amarillo.

In the course of his job he went to the Schloss Wolfsgarten, picture-house hunting lodge belonging to Prince Ludwig of Hesse, where Princess Cecilie had taken refuge when she fled burning Berlin.

"We knew each other for a year and then I went home," he said yesterday.

Last month Harris, after corresponding for four years, returned to Germany.

"We made our plans after I got back," he said.

The couple will be separated after the wedding. Harris returns to the United States, but his wife, royal as she is, will have to stay here and wait for an entry permit.

The princess says she is excited about the prospect of living in America.

TRUMAN MARCHES—Marching in front of his World War I Battery D buddies President Harry Truman waves to cheering thousands that line the parade route as the 35th Division marched in its annual parade at Little Rock, Ark. In front row marchers (left to right) Frank Spina, carrying Battery D guidon, Secretary of Defense Louis Johnson, President Truman, Gov. Sid McNath of Arkansas and Maj. Gen. Harry Vaughan. Texas Guardsmen Get Belated Battle Honors, Peace Citations

NORTH CAMP HOOD, June 13. (AP)—National guardsmen of the Texas 36th Division Saturday saw belated battle honors awarded to units of the division and heard others cited for outstanding peacetime emergency service.

Also, in a surprise ceremony during a colorful two-hour review, the guardsmen saw Gov. Beauford Jester pin the stars of a major general on Col. Isaac S. Ashburn.

Gen. Ashburn, former commander of Texas A&M College and present general manager of the Texas Good Roads Association, was assigned as deputy commander of the Texas National Guard.

A large crowd jammed the bleachers to view the ceremonies and see the huge parade of 5,300 troops and 6,000 vehicles — from jeeps to tanks that passed in review.

Earlier, standing erect in a jeep with the flag of Texas flying, Gov. Jester had drawn the line past the division headquarters in formation.

Col. James E. Taylor, chief of staff, had read the citations of bat-

IKE S. ASHBURN

tle honors for the 2nd Battalion, 143rd Inf. for outstanding performance of duty in action against the

enemy in Dec., 1944, near Mount de Sigolshem and Fme Boux, France, and the 3rd Battalion, 143rd Infantry and attached units, formerly Cannon Co., now Heavy Mortar Co. of the same regiment, and Company C. Engineer Combat Battalion, for outstanding performance of duty in combat at Ribeauffille, France, in Dec., 1944.

In citing units of the division for peacetime service, Gov. Jester paid tribute to the guard as always prepared to meet any emergency, peace or war.

He cited the 36th Signal Co. for service during the sleet storm at Denison Jan. 16; Co. F, 141st Inf. for services during the flash flood that struck Alice on April 25; and units of the 142nd Inf. for services during the tornado that struck Amarillo May 15.

The reviewing stand was jammed with top brass of the national guard and high Army officers as the governor and Maj. Gen. H. Miller Ainsworth of Lubbock, division commander, reviewed the troops. The 36th Division is here for its annual field training period.

TO GRADUATE — Cadet-Midshipman Richard E. Arcand, son of Mr. and Mrs. J. A. Arcand, will graduate from the U. S. Merchant Marine Academy at Kings Point, L. I., on Wednesday. He was appointed to the cadet corps in 1945 and received basic training at San Mateo, Calif. During his second year, spent aboard ship, he visited New Zealand, Venezuela, France, England, Italy, Netherlands, West Indies and Panama. The final two years have been spent at Kings Point, where he was on the debate team and worked on the academy yearbook, "Midships." Arcand will be licensed as a third officer upon graduation. This carries concurrent rating as ensign with naval reserves and maritime service.

Bryan Man Elected Legion Commander

PORT ARTHUR, June 13. (AP)—East Parsons of Bryan in the new commander of the American Legion Second Division. Parsons was elected and Bryan was chosen as the 1950 meeting place as the division wound up its annual convention yesterday. Mrs. J. R. Wood of Bryan was elected auxiliary president.

Foreign Arms Program Faces Tough Going

WASHINGTON, June 13. (AP)—President Truman's forthcoming foreign arms program appeared headed today for a rough reception in Congress.

Sen. Taft of Ohio, chairman of the Senate Republican Policy Committee, predicted that the whole program—involving a \$1,450,000,000 outlay—may be shoved aside till the next session.

Sen. George (D-Ga) said in a separate interview that if Congress takes any action he is sure the "vast majority" of lawmakers will favor providing military aid for Europe only out of American surplus supplies.

And Chairman Tydings (D-Md) said there is likely to be some strong opposition within the Senate Armed Services Committee against raising Army, Navy, and Air Force stockpiles to help any other country.

But Chairman Connally (D-Tex) of the Foreign Relations Committee predicted that despite the apparent opposition the administration will attempt to win approval of the program in the current session.

President Truman said in a Little Rock, Ark., speech Saturday that "it is of vital importance that the Atlantic Pact be followed by a program of military aid to increase the effective strength of free nations against aggression."

Taft already has said he expects to support the North Atlantic Security Treaty, scheduled for Senate action as soon as a pending labor bill is disposed of. But the Ohioan has opposed the foreign arms program, of which \$1,000,000,000 would go to nations which signed the pact.

"So far as I am concerned," he said, "there is no necessity even to consider the arms plan in this session."

He added that because of "determined opposition" in the Senate, he thinks the program will

MEETS IN POLAND

Cominform Plans Move Against Tito

WARSAW, Poland, June 13. (AP)—A highly qualified informant said today the Cominform (Communist International Information Bureau) is meeting in Poland to plan action against Marshal Tito of Yugoslavia.

The informant said Communist leaders from all the so-called democracies of eastern Europe also are drafting a new propaganda campaign in an effort to undermine the effects of American aid to Western Europe.

What form this campaign might take is not known. The Cominform session is due to end tomorrow but it may be a week before there is an official announcement of what has been decided.

Inquiries to the government on what is going on at the Cominform meeting, reportedly being held at Karpacz, near Wroclaw, brought the standard reply, "That's purely a party matter."

Informants said, however, that reports on the victories of Chinese Communists drew applause but were overshadowed by the success of American aid to western Europe.

The steadily deteriorating relations between Yugoslavia and the so-called eastern European democracies put the list of items discussed.

The second item on the agenda was said to be plans for broadening "peace conferences" supporting the international views of Russia and demanding an all-out struggle against "American imperialism and warmongers."

Informed sources said the Cominform will meet again in the next session of Congress.

George, who contends the President won't be able under the treaty to send troops abroad until Congress approves, indicated he will oppose any large expenditure to rearm western Europe.

Georgia Mayor Takes His Battle Against Klansmen Into Own Court

SOPERTON, Ga., June 13. (AP)—A small-town South Georgia mayor took his one-man battle against the Ku Klux Klan into court today—his own court.

Major James Peterson called to trial the three men he said he flushed standing around town Saturday night, May 21, in eerie Ku Klux Klan full dress.

The mayor snatched masks off the hooded trio and arrested them on charges of disorderly conduct. Mayor Peterson himself is judge and jury in recorder's court, where the case was called.

He said he expected a move to throw him off the bench.

He added that he would listen to the protest against himself and then decide whether he is qualified to hear the case.

If the mayor steps down, he will call on Mayor pro tem James Waller to preside.

The three men, if convicted, face a possible maximum sentence of

\$100 fine or 60 days in jail. They may appeal first to city council, with the warden mill worker; and John Edge, night watchman for increasing popularity is, being the State Highway Department.

WAC Reserves To Get Field Training On National Scale

Members of the WAC section of the organized reserve corps will receive field training this year on a national scale for the first time since establishment of the corps.

Provision has been made for a part of 15-day orientation training courses at the WAC training center in Camp Lee, Va. These are for WAC reservists assigned to units which train at camps not having facilities suitable for women, and reservists not assigned to units.

The first course will be July 15-29, the second July 30-Aug. 13. Further information on the training session may be obtained from the organized reserve corps instructor's office at Midland airport No. 2, or by writing the WAC staff advisor at Fourth Army headquarters at Fort Sam Houston.

Scouts Get Extra Week Of Camping

Another week of camping has been added to the eight weeks scheduled at the Buffalo Trail Scout ranch.

Dr. P. T. Quast, Sweetwater campaign activities chairman, said the week was added to provide for rural areas where farm work occupies scouts at the present time.

This week, together with one set aside Aug. 1-6, for Negro Boy Scouts, likely will run the council camp total at the Ranch to the goal of 1,000, said Dr. Quast. Harry H. Tompkins, camp medical officer, has arrived and will remain on duty to the end of the season, it was reported.

Texan Charged With Raping Stepdaughter

DUMAS, June 13. (AP)—Lonnie Lee Nugent, charged with raping his seven-year-old stepdaughter, was to be arraigned today.

Nugent, 32, was charged in justice court in a complaint filed by his wife. She alleged the offense occurred last Monday night in a Dumas tourist court where the family lived.

Amarillo doctors examined the girl and said she had been assaulted but a Dumas physician who examined her did not comment.

Nugent, a truck driver, came here two months ago from Amarillo.

Mrs. Nugent alleged that the girl was assaulted while she was in an Amarillo Hospital with an infant child.

Revived Rockets To Open Series Here With Hosses

Garcia Shackles Odessa As Locals Win Again, 9-1

Roswell's rejuvenated Rockets, fresh from a successful home stand, move into Steer park tonight to open a two-game series with Pat Stasey's Broncs.

The Rockets, long regarded here as a better team than their position in the league standings indicated, have vaulted from seventh to fifth place since they last appeared on the local diamond.

Manager Pat Stasey plans to vend Freddy (Trompoloco) Rodriguez to the mound in tonight's opener with the Rockets.

Game time is set for 8:15 p. m.

ODESSA, June 13.—The Big Spring Broncs continued their murderous assault at the plate here Sunday afternoon to overpower the Odessa Oilers 9-1.

The victory gave the Broncs a sweep of their two-game set with the Oilers and increased Big Spring's league lead to six and a half games.

Bert Garcia, a righthander who joined the Broncs about 10 days ago, gave the Oilers only three hits.

The Broncs took a 3-1 lead in the third and then made it look easy by spiking the dish four times in the top of the ninth.

Felix Gomez, Gumbo Helba and Pat Stasey continued their respective hitting streaks by collecting three blows apiece in the 13-hit attack.

Helba blew down first base for the Broncs. Eddie Ramirez, regular first sacker, is sidelined temporarily with a sprained foot.

PLUNDER WINS THE SEMIRAMIS—John C. Clark's Plunder (5), ridden by Job D. Jessup, comes home first in the Semiramis, feature event at Belmont Park, New York, race track. L'Espeigle (4), Warren C. Mehrtens up, finished second, a length behind. The winner, clocked in 1:38 4/5 for a mile event for three year olds fillies, returned \$10.10 for each \$2 win bet. (AP Wirephoto)

Tigers Clip Odessans, 9-3

Tony Castillo, the rookie second baseman, went the route for the Tigers here Sunday for the first time, clipping the Odessa All-Stars 9-3.

Previously Castillo had pitched short stretches, mostly in relief roles. Sunday, however, he scattered eight hits well. Only in the seventh when two errors, only ones the Tigers committed during the afternoon at Steer Park led in a run, and in the eighth when J. Hinojos' single was followed by Anaya's triple was he in trouble.

The Tigers made the most of five bobbles afield by the Odessans. They squeezed runs around when Olguin's slants couldn't be touched for hits. He held the Tigers to seven safeties, only one a double. Olguin whiffed eight Tigers. Castillo fanned four Odessans.

Table with columns for player name and stats (AB, R, H, PO, A). Rows include Olguin, Castillo, Hinojos, Anaya, etc.

Looking 'Em Over

By WACIL McNAIR (For Tommy Hart who is vacationing)

Returning to baseball on the home front (we understand Sweetwater fans claim they didn't have any Friday night) it's about time to recognize the Broncs for their clutch hitting. Maybe it will surprise fans hereabout, but the locals have left fewer runners stranded on the bases than any other club in the league.

Several Longhorn clubs have been screaming for good, dependable power hitters, boys who can deliver consistently with two or three men up front.

Big Spring fans have not exactly screamed, but some have been heard to murmur similar doctrine.

Truth of the matter is, the Broncs do not have a single "Fancy Dan" in the lineup, but they have several boys with so-so batting averages who are poison when the stage is set for RBIs. They had left 295 men on base through June 6, date of the last official averages. Next best in that department at that time was Odessa, with 321 left. Yet, the Oilers had four men hitting over .350, while exact for Pat Stasey's .344 the Broncs ranged downward from that figure. Of course that just proves that a batting average doesn't necessarily reflect a hitter's true value.

Getting back to the Sweetwater fiasco (they're calling it that, we hear) stalling to prevent a loss is no cause for harsh criticism. But the Broncs need to learn a subtle way to do it. Pat Stasey's boys were flabbergasted, no doubt, because they have been deprived of home victories four times under similar conditions when the opposition was obviously stalling.

They stall in the majors and they stall in the higher minors when teams stand to gain by such tactics. Most of them carry it out gracefully, however. All in all the Broncs appear more capable of winning games without assistance from the weather, the league office, etc. At least they have fared well at it so far.

The fact that a Bronc "cast-off" led Sweetwater to victory over the home nine is somewhat galling to local fans. Pat Lorenzo is not actually a cast-off in the strictest definition of the word, of course. He is the big Cuban outfielder who went from here to Sherman at the start of the season because the Broncs had a surplus of outfielders. After playing regularly for a few weeks with the Big State league twins, Lorenzo was sold to Clovis, and thence to Swartland.

Come to think of it, Sweetwater fans may be galled because Lorenzo is a Cuban. They have protested for two years because some boys who came into the world without Anglo-Saxon parents have the audacity to play professional baseball. However, Lorenzo's rave notices in Nolan county are audible for miles, and with good reason, even if they do represent a change of pace in Sweetwater.

John Pipes To Face Bob Maxwell In City Golf Tournament Finals

Bob Maxwell and John Pipes are due to meet next Sunday in the championship finals of the City Golf Tournament at the Municipal course.

Pipes moved into the payoff round by trimming Obie Bristow, 2-2, while Maxwell eliminated Clarence Schaefer, 2-1.

Novice Wacker will face Weldon Bryant in the first flight finals, and Red Newton will tangle with John Lewis for third flight honors.

Dr. J. E. Hogan has moved into the finals of the second flight. His opponent will be the winner of a match between Don Lewis and R. W. Parks.

Sectional Tennis Tournament Opens

HOUSTON, June 13. (AP) — The Texas Sectional Tennis Tournament opens today with Fred Kovaleski of William and Mary College top seeded.

Kovaleski is the defending champion. Rated No. 2 is Art Larsen of San Francisco University, with Herbert Behrens and Gardner Larned, both of Collins College, ranked No. 3 and No. 4.

The tournament, one of eight to qualify entries for the national championships, will see 25 matches in men's singles unreel today.

Jayhawks Trim Forsan, 5-2 In Sunday Tilt

Howard County Junior college made the most of 10 free passes and three hits to decision Forsan, 5-2, in a Tri-County league baseball game Sunday afternoon.

Forsan twirlers issued 10 bases on balls and the Hawks made all of their blows count.

Howard Washburn collected his only safety of the game with runners on second and third, and then brought another runner across the dish on an out.

Howard Jones pitched a six-hitter for the Hawks, fanning 11 Forsan batters and issuing but two bases on balls.

The victory was the sixth in league play for the Hawks. They have lost three.

Table with columns for player name and stats (AB, R, H, PO, A). Rows include Forsan, Washburn, Jones, etc.

Close Race Looms In WT-NM League

You can just about throw a West Texas sombrero over the top six teams in the West Texas-New Mexico baseball league.

Only six games separate first-place Albuquerque and sixth-place Lamesa. Abilene and Borger are both only a game and a half behind Albuquerque. Fourth - place Amarillo is only three and a half games out of first place and fifth-place Lubbock only four games from the top.

Albuquerque and Borger split a twin bill yesterday. Borger took the opener, 13-6. The Ducks copped the nightcap, 10-3.

Lubbock defeated Abilene, 7-1. Bill Hyers hurled four-hit ball for the Hubbers.

Amarillo and Clovis divided a double-header. Amarillo won the first, 6-2, while Clovis took the finale, 2-0.

Lamesa swept a twin bill from Pampa. The scores were 2-0 and 2-1.

Local Softballers Win On No-Hitters

No hit mound performances by the Cunningham Bros., Winnie and L. D., featured double victory for the Big Spring Merchants softball team over a Carlsbad, N. M., aggregation at City park Saturday night.

The Merchants, behind the flawless pitching of Winnie Cunningham, copped the opener, 5-2. The locals came back to squeak by with a 3-2 decision which went 14 innings in the afterpiece as L. D. Cunningham duplicated his brother's pitching performance.

The Merchants will travel to Lubbock on June 25 to challenge the Cloverdale team of that city.

UCIA, Portland and San Jose State replace SMU, Michigan State and Nevada on Santa Clara's football schedule next fall.

Bums Add Homer Punch To Wreck Redleg Nine

Associated Press Staff

Something new has been added to the Brooklyn Dodgers' stock in trade—a home run punch.

Dodger batters have belted 55 homers in 32 games. Only the slump-ridden New York Giants have a higher total, 57. Last year the Brooks hammered only 81 balls out of sight in 153 games.

The lone fly in the ointment is that Dodger pitchers have allowed even more home runs than the Brooks have hit. They've served up 56 four-baggers.

Brooklyn's new found medium of winning games played havoc with Cincinnati over the weekend. The league-leaders socked two homers in a 10-5 win Friday night, belted three more in a 11-3 victory Saturday and yesterday exploded four in a pulverizing 20-7 rout that stretched their unbeaten streak to seven

Magic Wand Fails Snead In Clutch

By CHARLES CHAMBERLAIN AP Staff

CHICAGO, June 13.—If Sam Snead's putter could talk he would be in for a bawling out. He played a dirty trick on it.

The magic wand that brought him the Master's and PGA golf crowns this season cost him a chance for the National Open title Saturday. Boyish Cary Middlecoff, a pro less than three years, won with a two over par 206.

Clayton Heafner and Gene shared second with 287. Jim Turnesa and Bobby Locke split fourth place with 289's.

It could have been all Snead's. But he asked too much of his putter. Needing to par the last three holes to tie Middlecoff, and only a birdie on one of them to win, Snead chose to use his putter two feet off the edge of the 192-yard 17th green in a gamble for a birdie.

Instead of chipping, which would have seemed logical, he went for the hole 25 feet away on the roll through the light fringe and onto the green. The "putt" went seven feet past the cup. He couldn't get back and took a four. That was his standard 4 on the 18th. His second undoing.

Then Snead had to scramble for a standard 4 on the 18th. His second shot was over, necessitating a chip back. But he put the chip up close for an easy putt.

The capture golf's most cherished championship, the gangling 28 year old Middlecoff from Memphis had a see-saw four rounds of 75-67-69-75. He started his third trip four under par for the first 5 holes. Snead and Heafner were more orthodox never going above 73.

Baseball Calendar

Table with columns for league, team, W, L, PCT, GB. Rows include Longhorn League, West Texas-New Mexico League, East Texas League, National League, Big State League, Texas League.

Sport Briefs

By The Associated Press GOLF

CHICAGO — Cary Middlecoff of Memphis, Tenn., won the National Open golf championship with a 72-hole total score of 286.

NEW YORK — Greentree Stable's Capot (\$13,200) won the \$75,000 added Belmont Stakes, with Calumet's favored Ponder second and Isidore Bieber's Palestinian third.

LONDON — Hungary swept into the semi-final round of European Davis Cup play as it completed a 5-0 rout of Switzerland. Czechoslovakia, the favorite, fell behind 2-1 in its quarter-final match with France, while Italy defeated Chile 4-1.

CHARLOTTE, N. C. — Wake Forest blanked Kentucky, 8-0, to win the Third District NCAA Baseball Tournament.

MIRACULOUS TEST WITH ALARM

Knott Man Fined On Driving Charge
Theodore Hilliard, Knott, was assessed a fine of \$100 and court costs and had his operator's license suspended for six months after pleading guilty in county court to charges of driving while under the influence of intoxicants.

Moss Creek Lake's Level Is 33 Feet
Water level now stands at 33 feet four inches in Moss creek lake. City Manager H. W. Whitney said this morning. Powell lake is at spillway level.

COURT FINES TOTAL \$94 Monday Morning
Fines totaling \$94 levied during a comparatively quiet session of corporation court this morning. Seven offenders were fined \$91 for drunkenness while three overtime parking tickets were paid off for one dollar each.

No One Injured In T&P Collision Here
A caboose climbed the front end of a switch engine but no injuries to personnel resulted from a collision in the T&P yards at about 3 o'clock here this morning.

Gain Noted In Rail Car Loadings Here
Rail car loadings here during May totaled 541, a gain of six over April, according to figures released today from the office of G. L. Brooks, general agent for T&P.

11 Big Springers Enrolled At H-SU
Eleven students from Big Spring are enrolled in the first summer term of Hardin-Simmons University.

Anti-Taft-Hartley Senators Lose Ground In Debate On Labor Law

WASHINGTON, June 13. (AP)—Senators who favor scrapping most of the Taft-Hartley law figure they lost ground in an uphill battle during the first round of Senate law debate. They are saying privately that the backers of the Taft substitute for the administration's T-H repeal bill are in an even stronger position now than they were a week ago.

Super Report On Red Espionage Under Preparation By Probers

WASHINGTON, June 13. (AP)—House spy investigators are working on what they call a "super" report on Russian espionage. They say it will cover the complete history of Communist spying, contain a lot of information that has never been brought out before, and deals with military and industrial espionage in this country and abroad.

Court Decides Against Oil Firm

WASHINGTON, June 13. (AP)—The Supreme Court today decided the Standard Oil Co. of California violated federal anti-trust laws by contracting with independent gasoline dealers to buy all their fuel from the decision.

Appointments Are Okayed By Senate

WASHINGTON, June 13. (AP)—The Senate approved today the appointment of Gordon Gray as secretary of the Army. Gray, Winston-Salem, N. C. publisher, has been under secretary of the army.

WEATHER

EAST TEXAS: Considerable cloudiness this afternoon, tonight and Tuesday with scattered thunderstorms in the north and central portions, not quite so warm in the extreme northwest portion. Tonight moderate to fresh southeast and south winds on the coast.

Funeral Rites For Ashley To Be Held Tuesday At Stanton

Funeral for Sylvester Albert Ashley, 64, long time resident of this area, will be held at the First Baptist church in Stanton at 2 p. m. Tuesday. Mr. Ashley sustained a heart attack early Sunday morning and was rushed to a hospital in Stanton. He died at 8:15 a. m., shortly after entering the hospital.

RIBBON RAMBLINGS
 By MILDRED YOUNG

Every now and then we meet some one who doesn't seem to care for that great American institution, the funny paper. We will agree with those who say that the funny papers are not very funny any more, that many of them are more blood and thunder than anything else, but we still like Sunday mornings. And the main reason is the fact that nearly all of the newspapers feature colored funnies. There's any number of really funny funnies, too. There's Nancy, Henry, Out of Our Way Blondie and any number of others that are good for many a laugh.

A number of local Girl Scouts are attending and will attend a week's camp at Camp Tonkawa. Other youngsters will be attending private and church camps throughout the summer. Personally, we think that summer camps of any sort are pretty wonderful institutions. It's a grand experience for any youngster to attend camp, especially, if it's his first time away from home.

We hear that the First Methodist Church will be host to a youth caravan in the very near future. We spent a summer in northern Arkansas on such a team in 1947. We think that the people who attend programs presented by the team will enjoy them. But we're positive that the team will learn something from Big Spring. We've been on both sides of the caravan adventure and it's one of those many cases of the giver getting more value from the giving than the receiver. It's nice to have something done for you, but you usually get more pleasure from your own attempts to help others.

Club To Meet
 Announcement is made that the XYZ club will meet in the home of Mrs. Carl Gross, 301 Park (Washington Place) at 7:30 p. m. Tuesday.

Guests in the P. T. Redding home over the week-end were: T. A. Harris and son, Lyn. Abilene, Mr. and Mrs. C. R. Redding, Odessa, Mr. and Mrs. M. E. Redding and Carley Jo, Mr. and Mrs. G. W. Redding and son, Billy Don. Lynn Harris, grandson of the P. T. Reddings, will remain here for a visit.

Visiting In City
 Mrs. Lillian Frances Bivings, San Antonio, is visiting here for a few days. During her stay she will be at the Douglass. Her son, Gary Bivings, student in the Columbia University college of medicine, is studying this summer in Oxford. Her daughter, Nancy, is visiting in Albuquerque, N. M.

Use odd lengths of floss from the sewing basket to embroider the colorful peacocks in this pretty chair set. Hot iron transfer pattern No. 779 contains 3 motifs from 6 by 9 to 12 inches with complete instructions.
 Patterns Are 20c Each

779

An extra 15c will bring you the Needlework Book which shows a wide variety of other designs for knitting, crocheting, and embroidery; also quilts, dolls, etc. Free patterns are included in book.
 Send orders with proper remittance in coin, to Needlework Bureau, Big Spring Herald, Box 229, Madison Square Station, New York, N. Y.
