Spearman, "A city with a plan for the future!"

1100 Enroll Here

ALLETIN: High School Principal Jim Cherry reported a total of 1100 students had enrolled in Spearman High School, effective Wednesday.

769 Students Enroll In City Grade Schools

A total of 769 students enrolled in the Spearman Junior High School and Elementary schools in Spearman on August 27, 392 enrolled in Junior high and 377 in the elementary grades. The number of students who enrolled in high school was incomplete and the figures will not be ready for publication until next week.

October Draft Quota 1,504

The state draft quota for October calls for 1,504 men compared to 1,459 in September. Colonel Harris S. Schwartz state Selective service director said Friday.

In early August, state Selective service headquarters was advised by the national headquarters to change its October quota at 1,780.

Both quotas came after the President's announcement in late July that he was doubling the draft call. Monthly calls in the months immediately prior to the President's announcement ranged from 90 to 900.

More than 9,000 men will be sent to pre-induction mental and physical examinations in September. Colonel Schwartz said, and he estimated that about 7,500 would be sent in October.

Local board quotas for the September examinations and induction already have been sent to the boards. The October examinations and induction quotas for men are scheduled to be mailed to them on or about September 10.

Both the September and October quotas will be filled with volunteers under 26 years old and draftees ages 19 through 25.

Most of them will be 20 to 21 years old.

Johnston signed an executive order Thursday which will permit the drafting of childless married men who marry after midnight Wednesday, according to published news reports. For nearly two years an executive order by the President Kennedy forbade calling of these men.

Colonel Schwartz said he expects the state call for November to be "slightly higher" than the September and October quotas.

GUESS WHAT? you guessed it! With the opening of school in Spearman, the Freshmen just had to be initiated!

Area Examination In Masonic Ritual

An examination for proficiency in Masonic ritual has been set for Saturday September 11 at 8:00 a.m. in Isom Lodge 1242, Berger. The examination will be conducted by Bob G. Andis a Pampa rancher and a member of the Texas Masonic Grand Lodge Committee on Work.

Masons in this area who qualify in the examination will be granted certificates of proficiency in the Masonic ritual at the Annual Communication of the Masonic Grand Lodge of Texas to be held in Waco December 1st.

MYF Promote And Elect Officers

Sunday August 29 was promotion day at the First Methodist church for the Jr High and Sr High M. Y. F. Officers were elected also.

Ninth graders promoted to Sr High M. Y. F. and 7th graders were promoted into the Jr. High M. Y. F.

Officers elected were: President, Sandra Schuffelt; Vice-President Kay Reed; Sec-Reporter, Patsy Powell; Treasurer Jane Ownbey; Game chairman, Jyniece Callaway and Stan Hudson. Party chairman DeAnna Sheets and Thomas Collard and Ref. Bonnie Seymour.

Attending other than the new officers were Lary Laws, Linda Willis Wanda Green Linda Sutton and Leader Mrs. Perry Coursey. Mrs. Troy Sloan another leader, was unable to be present at the meeting.

Spearman Lions are Sponsoring a Broom sale this Friday September 3rd. They will be located at the Post Office. Be sure to buy your year's supply and help the blind of Texas

Mr. and Mrs. Willard Bigelow and boys Otis and Charles of El Reno, Oklahoma spent the day Sunday, visiting her parents, Mr. and Mrs. Luther Morris Campbell and Mrs. Morris Campbell.

Mr. and Mrs. Doug Moore and family returned Sunday from a two weeks vacation camping out at Red River, New Mexico.

Burnie Sparks Services Sunday

Funeral services were held Sunday at 2:30 p.m. in the First Methodist church, Gruver for Burnie Sparks, 61, who died at 8:30 p.m. Thursday in Sanford Hospital in Perryton, following a heart attack.

Officiating were Rev. Norman Griggs, pastor, assisted by the Rev. Bill Porterfield, pastor of the Community Bible church, and the Rev. J. W. Duke, pastor of the First Christian church in Pampa. Burial was in Hansford Cemetery.

He was born at Old Hansford March 31, 1904, the son of Mr. and Mrs. J. G. B. Sparks. His mother was the former Elizabeth Douglas. He grew up in Old Hansford, married Gertrude Bryant in 1929, and the couple later moved to Springfield, Colorado. In 1943, they moved to Morse, and in 1949 to the ranch 5 miles west of Gruver.

He was a farmer and stock raiser and served on school boards at Morse and Springfield.

Survivors include his wife, Gertrude and a daughter, Mrs. Betty Jean Snodgrass of the home; three sons, Lavoe of Spearman, Jerry of Pringle and Dean of Gruver; four brothers, Barney and Raymond of Spearman, Leonard of Claude and Willoughby of Amarillo; four sisters, Miss Mary Sparks, Mrs. Kiff White, Mrs. Johnny Venneman and Mrs. Toitha Burgess all of Spearman.

A daughter, Glenna Belle, a brother Roy, and a sister, Miss Cora Sparks, preceded him in death.

Palbearers were J. T. Hoy, Ray Etter, R. A. McMillan, Keith Gross, Clay Gibner, Tab Womble, I. W. Ayers, Jr., and Butch Hale.

Mr. and Mrs. Charles Davis were Sunday guests of Mr. and Mrs. Norman Swink at Perryton.

Pathways To New Horizons Will Be Kimberly Study Club Theme!

"Pathways to New Horizons" will be the year's theme for the Kimberly Junior Club, associated with the Texas and General Federation of Women's Clubs. The opening meeting will be held in the home of Mr. Bill West with Mrs. David Wilson, co-hosting. The program will be given by Mrs. Roy Buils on "Natures Effects on Interior Design." The yearbooks will be passed out and will be explained by the yearbook committee.

Throughout the year, interesting programs will be given by members or outside speakers, each on a federated department. In October, a tour of Adobe Walls will be made and a book review on "Adobe Walls Bride" will be given both in observance of Texas Day, Americanism Day will be

observed with a talk on "Flag Facts". The installation of new officers by the newly elected Top of Texas District Junior Chairman will highlight the Federation Day observance in May. In November, the Kimberly Club co-hosted with the Spearman Study Club will entertain the Twentieth Century Club at a Guest Tea. The program will be on the Project S S HOPE, a General Federation Junior Club project, with a film to be shown along with a panel discussion and a display of projects to be given to the Project HOPE.

Other programs to be given during the year include a Christmas Prunch with program on Christmas decorations in the home; Tips on Traffic Safety and the use of seat belts by a Texas Highway patrolman; Geir Berge Overland the Foreign Exchange student will speak in February; in March, a film on the construction of the Sanford Dam will be shown; an international exchange of ideas with a club in Erith Kent, Eng.

Gifts for the coming year include Pres., Mrs. Sandra Ladd, Vice-President, Mrs. Kenneth Pope, Secretary-Treasurer, Mrs. Bill Wilmet; and Historian and Reporter Mrs. Everett Cain. Those on the yearbook committee were Mrs. Doyle Jackson chairman, Mrs. David Wilson and Mrs. Bill West.

Notice

Due to the fact that Mr. W. J. Miller, Reporter Publisher and Mr. W. M. Miller will be meeting with the Hutchison County Draft Board on our next publication day, the Reporter may reach you a day late. It will be impossible for Shop Foreman, Eugene Yarbrough and City Editor, June Galbraith to put the paper together by themselves.

B and PW Club To Purchase Incubator For Local Hansford Hospital

Members of the Spearman Business and Professional Women's club are beginning to see a project on which they have been working for many months, becoming a reality.

Plans are being finalized to raise money to purchase an Isolation Incubator for Hansford Hospital.

This project which has been discussed at every meeting for a number of months, required so much research to get just exactly what the club wanted to purchase.

At a joint meeting with the Lions club, Tuesday noon, representatives of Hunter-Terrell Supply Co., along with the hospital administrator and two local doctors, the Incubator was demonstrated for some fifty members of both clubs and other interested persons.

The Isolation Incubator will cost the club the purchase price of \$850.00 complete. The only accessory to be purchased extra would be scales and harness at a price of \$28.00. This would only be purchased if necessary. The incubator isolates the infant in a specially conditioned atmosphere prescribed by the physician. Temperature, oxygen concentration, filtered air and humidity are all carefully controlled from the outside. Even positioning of the infant is externally controlled. Four sleeves—hand—holes provide access to the infant without opening the hood. A clear Plexiglas covering offers an unobstructed view of the infant from the top and all sides. The unit is portable and can be moved to anyplace in the hospital.

In attendance at the meeting along with Hansford Hospital administrator, Seahoun Anderson, local doctors, Dr. R. L. Kleeburger and Dr. Damon Gregg, acting supervisor of nurses, Dell Brumley, were Mr. Hunter-Terrell Supply Company and Paul Adams, Amarillo and Jack Segars the manufacturer representative, Lubbock. Mr. Segars demonstrated the unit for the club members and other interested persons.

Following the demonstration, a question and answer session was held. Dr. Damon Gregg stated there had been several situations already where it could have been used and it was needed badly. It would be nice to have a use of every newborn infant, it could be lifesaving. Dr. Gregg, along with Dr. Kleeburger stated they could use even a number at the hospital.

The Women's club are beginning their drive to collect money or trading stamps toward the purchase of the unit for the local hospital. In each business in Spearman and Gruver, especially those who give trading stamps, there will be placed a jar which will be plainly identified, in which money donations can be deposited or trading stamps if a person wishes to donate them.

Everyone is urged to help in this worthy cause. It is a wonderful thing and it may help one near to you.

Jars for collection have been placed in many stores and those in Gruver are the coffee shop, two grocery stores, bank and the post office.

Just as soon as a substantial amount of the money can be raised, the Women's club will order the unit.

Many money making projects are in the plans of the club and one will be the bake sale, planned for September 11. Another project will be revealed at the Crazy Day event.

THE POST OFFICE WILL BE CLOSED MONDAY, SEPTEMBER 6, IN OBSERVANCE OF LABOR DAY.

There will be no window service or deliveries by rural and city carriers.

Mr. and Mrs. Craig Hutchison and family have been vacationing in the mountains near Taos, New Mexico for the Hutchison and Blackburn families.

1966 Inspection Stickers On Sale

There is a touch of Texas tourism in the 1966 Texas vehicle inspection stickers as the new inspection period begins on September 1, 1965.

"On that date all official inspection stations began issuing the colorful new sticker, a part of which is a replica of the flag of the Lone Star state," Col. Homer Garrison, Jr. said.

In making this announcement, Garrison urged motorists to secure new stickers as soon as possible even though they are not required by law until April 16, 1966.

Garrison noted that this new inspection period marks the compulsory vehicle inspection in Texas during the 16th year of command and that during that time, vehicle defects as causative factors in motor vehicle accidents have decreased continually.

During 1965 the reduction brought this rate to an all-time low, which compares most favorably with the lowest rates in the nation.

Services Held For William Chambers

Funeral services were held Thursday for William Sylvester Chambers, 70, at 3 p.m. in the First Methodist church of Spearman. Officiating was the Rev. Luther Berry, pastor of the Spearman First Baptist church.

Mr. Chambers, a rural mail carrier died in his home at 523 W. Second, Tuesday night, August 24.

He lived in Spearman for 40 years coming here in 1925. He was born in Nacona, in 1895, the son of Mr. and Mrs. John Chambers.

Survivors are his wife Delphia of the home, one daughter, Mrs. William Ashley of Glendale, Arizona four brothers, Marvin of Dalhart and Charley of Nacona; sister, Mrs. R. P. Short of Odessa; three grandchildren and three great-grandchildren.

Palbearers were nephews, J. C. Bobby, W. L. and Glen Chambers, Bobby Short and William Ashley.

Terry Pittman Gets Army Promotion

Terry J. Pittman, 21, son of Mr. and Mrs. T. J. Pittman, 408 E. Kenneth, Spearman, Texas, received an early promotion to Army pay grade private E-2 following successful completion of basic combat training at Fort Polk, La., August 21.

Pittman was awarded the promotion two months earlier than is customary because of his proficiency in firing the M14 rifle, his high score on the physical combat proficiency test and his military bearing and leadership capabilities.

The early promotion program is the result of a new Department of the Army policy to recognize and provide incentive to outstanding trainees.

A 1962 graduate of Spearman High School, Pittman attended West Texas State University, Canyon. He was employed by the City of Spearman before entering the Army.

Farm Bureau Baby Contest

The Farm Bureau will sponsor a baby contest which will begin September 13. Any child from infancy to two years old by January 1 will be eligible to enter. Votes for the babies will be tabulated by penny a vote.

To enter bring small pictures in to the Farm Bureau, with name of child parents and age of child.

Money taken in for votes on the children will go toward the purchase of heart equipment needed at Hansford Hospital.

Prizes will be a loving cup for first place, an 11 x 14 portrait of the child donated by C & B Studio will be second prize and an 8x10 portrait donated by the Farm Bureau will be third prize.

Contest closes at noon, September 27. A run-off will be held at the Farm Bureau building between one and five-thirty p.m., September 27. Winners will be presented prizes at the close of the run-off by the Farm Bureau President, Robert Novak.

Hereford Tour September 11

The Great Plains Hereford Association is sponsoring a Hereford Tour of purebred and commercial herds feedyards, and other points of interest through the central area of its membership on Saturday, September 11, 1965. Breeders and other interested ranchers, farmers, and businessmen are invited to attend the day-long tour beginning at the D. D. East and Sons ranch two and one-half miles north of Hardesty, Oklahoma, at 8:00 a.m., where early morning refreshments will be served. The group will then go to the Hitch Feedyards eight miles southeast of Guymon, where some fifteen to twenty cattle are finished for slaughter each year.

The group will visit the Vantine commercial hereford ranch, Panhandle A & M College where they will eat lunch, Jones Feedyards, Inc. and Jerry Harland's herd. Thoroughbred horse farm of Rentie Hamilton, Ted Barry and Sons, Glenn Brewer's Quarter Horse Ranch and the last stop will be made at the Harry Smith and Son ranch north of Elkhart, Kansas. The day's program will then be concluded with refreshments.

The board of directors of the association and President Bob James, invites all interested persons to join the tour, staying as long as you can and looking over the purebred Herefords and other fine livestock of the area.

Mr. and Mrs. Lelan Cloce recently visited his sister, Mr. and Mrs. Bob Hurst at Tulsa, Oklahoma. Steve Lewis of Reseda, California has been visiting his grandparents the Lelan Cloces. He returned home, Tuesday.

Mr. and Mrs. Herbert Kirk and Kandy have been transacting business in Lubbock.

Charles Traylor Given Degree

A total of 172 students received Master's degrees at Texas Tech's summer commencement exercises August 21.

Dr. Travis White, president of Midwestern University, gave the principal address at the 7 p.m. exercises in Lubbock Municipal Auditorium.

The list included Charles Barton Traylor, music education major from Spearman who received a Master of Education degree.

Golf Tournament Winners Named

The Women's Golf association held their last tournament of the season Sunday, August 29. A small group participated because many ladies took advantage of a last-week-end trip before school started.

Beautiful silver and blue trophies, given by the men's golfing association were presented to the top three winners.

Sybil Miller won first place with a 41. Anne Sanders placed second with a 42 and Jerry Locke took third place with a 45.

Others playing included Lois Gibner, Gertrude Jones, Vivian Sims, Marie Greag, Cricket Giles and Mary Boyd.

The Guymon Women's Golf Club issues an invitation to all ladies here to participate in their tournament Sept. 18. Contact Anne Sanders if you wish to go.

The Spearman ladies wish to thank the Men's organization for the beautiful trophies presented Sunday and to express their appreciation to Ideal Grocery for giving cokes every Friday during the summer for their tournaments.

Three Cars Smash Does Little Damage

The intersection of 5th and Bernice streets was the scene of a three car accident Friday afternoon. No one was injured and damage was slight. All vehicles were driven from the scene.

The accident occurred this way Mrs. Lanore Boese of Waka was traveling west on 5th street when her car was struck on the rear fender by the car driven by Ed Dear of Spearman as it was traveling north on Bernice. Following the impact, Mrs. Boese car mobile driven by Mrs. Mike Garnett, Lubbock, as she was spun around and struck the auto stopped at a stop sign traveling east on 5th.

WARNING

Traffic laws around all Spearman schools will be strictly enforced, according to Spearman's Chief of Police, Wayne Pierce. He warns all drivers to stop at stop signs and not only watch for automobiles but pedestrians too.

Mothers are asked to please instruct their children to cross at corners or in the crosswalks. Speed limit near and all around the schools is 15 MILES PER HOUR. Please observe this limit.

PIPELINE CONSTRUCTION BEGINS AT SPEARMAN

Sixty miles of ninety-three mile pipeline to be laid from the Michigan-Wisconsin plant in Hansford County to the Wheeler gas field will be headquartered in Spearman. 33 cars of the pipe arrived in Spearman Friday and 60 cars arrived Monday. In all over 200 cars loaded with pipe will arrive in Spearman to be unloaded

and carried to the right of way. A crew for the R. H. Fulton are unloading the pipe. A pipe yard will be here and one at Bernstein.

The largest shipment of pipe ever to come to Spearman will be unloaded this week. It will total 500,000 tons of 20 inch pipe. Michigan-Wisconsin hired Ford

Bacon and Davis Engineering Co. to b in charge of the line and they in turn employed R. H. Fulton Construction Co. to lay the ninety-three mile line.

The Gage-Creek Extension will pass just north and east of Spearman and will join a gathering system just north of Wheeler.

Jeff Touzet is the inspector for Ford Bacon and Davis and Foreman or the R. H. Fulton Construction Co. is H. M. Kirby. Along with Kirby Frank Tidwell will be in charge of the crew.

Many families will be moving to Spearman and it is expected they will be in Spearman until

Don't Name It

Wonder if Mom won't miss the kids, now that they are back in school and out of her hair for the next nine months. It's considerable trouble to take care of a passel of kids during summer, but if we know Mom she really enjoys having them home creating a problem for her.
 normally glad to get rid of responsibility of the kids. Eddie Faye left at dark last Thursday night and the country editor had the job of feeding three growing boys and entertaining them. They are not allowed to eat supper before they go in swimming and when they drop back home a little after eight o'clock, they eat you out of house and home, and you agree to allow Mom to go visiting when the job of feeding three growing boys comes up again.

We Welcome You!

You're the most important person in our hotel! We want to make you feel welcome — to give you every possible service so your stay with us is pleasant and luxurious.

Our delighted guests' coming back — year after year — has made us the biggest hotel in Texas. You may come to town as a stranger — but as soon as you step inside the Adolphus, you're among old friends.

Next time you're in Dallas, stay with us — we'll be glad to see you!

Hackley's Return From California
 Dr. and Mrs. D. E. Hackley, daughter Joan and Mary Ellen Barkley returned home Sunday after an enjoyable two weeks vacation in California.
 Dr. Hackley attended an American Society of Bariatrics Convention in San Francisco.
 On the trip out they went by way of Denver, Salt Lake City and spent one night at beautiful Lake Tahoe. After leaving San Francisco they toured the Monterey Peninsula, then on to Santa Monica for a day at the beach, then to Los Angeles where they enjoyed tours of Disneyland, Knott's Berry Farm and other points of interest.

Friday morning nearly every one we met commented that we are in an all-out war. Seems that folk never realized we have a responsibility until the draft board decided to pick up newly wed. Anyway the new move leaves a half million or so young men available for service and it had order make it easier to get an individual draftee postponed from the draft if he has a legit reason for not entering the service.

B&PW Club Meets At Flower Shop
 Members of the Spearman Business and Professional Women's club met Thursday, August 27 at the Spearman Floral and Gift Shop.
 "The Woman and Flowers" was the featured program given by Bill Turner, shop owner. A business session with emphasis on the club project and fund raising activities followed the program.
 Hostesses, Mrs. Leonard Jameson and Mrs. Bill Turner, served coffee and cookies to the group. Plans were made to attend a joint meeting with the Lions club on Tuesday noon.

The club will sponsor a bake sale set for September 11.
 Mrs. A. F. Loftin was hostess to the Alma Reid Circle of the First Baptist W. M. U. August 25. Mrs. Don Jones conducted the business session and was in charge of the program entitled "Offering Maximum Requirements" which was assisted by Mesdames Luther Berry, R. H. Gray and Lloyd Gilley.
 Others attending were Mrs. Fred Holt and Mrs. Jim Fowler.

An Estimated 35 Persons To Die In Traffic Accidents

Violations of the Texas traffic laws will be apparent in nine out of every 10 accidents which claim human life over the Labor Day weekend," said Col. Homer Garrison, director of the Department of Public Safety, in a statement concerning the holiday.

Garrison, director of the Department of Public Safety, said that 25 persons will die in traffic during the three day holiday.

To combat carelessness and prevent hold-down these need deaths," Garrison said, "the will conduct the regular emphasis program, 'Operation Motorcade.' From 12:01 a.m. September 4 through 11:59 p.m. September 6, the Department will every means at its disposal to reduce traffic accidents."

As a part of "Operation Motorcade," a tabulation of fatal accidents will be released from DPS headquarters in Austin three times to focus attention on the danger of holiday travel. Garrison also noted that an additional

150 men from other DPS uniformed services will be on duty to supplement the activities of the Highway Patrol.

Garrison pointed out that almost all the accidents during the 1964 Labor Day Weekend, which killed 33 persons and injured hundreds more, had violations of the law as contributing factors. "The most common violation," he reported, "was the failure to yield right of way, followed closely by violations where driver exceeded a safe speed for existing weather or road conditions."

Other common violations contributing to accidents were: ...exceeding posted speed limits; ...failure to stop or turn in time; ...driving while intoxicated; ...driving on the wrong side of the road.

Labor Day, 1965, can tell a different story from last year's," Garrison said. But we must have the help of every motorist in observing traffic laws and in driving safely to avoid this tragic loss."

Several other state agencies and public service organizations will participate in efforts to cut down on death and injury during the holiday period. Among these are

the Texas Highway Department, the Texas Safety Association and the Texas-Motor Transportation Association, and the Texas Junior Chamber of Commerce.

The Highway Department will carry on a continuing information and education program stressing the freedom of mobility enjoyed by drivers of today and instructing motorists in freeway driving.

The Texas Safety Association program stressing the need for courtesy and caution. TSA Vice-president W. F. (Bill) Leonard of Dallas will coordinate the efforts of over 12,000 members of the Junior Chamber of Commerce over the state in operating "rest stops" or atigued drivers to whom free coffee will be served.

And the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will sponsor an expanded "Holiday Road Patrol" to assist stranded motorists over the state. This "road patrol" is manned by the safety directors, safety supervisors and safety engineers of the trucking industry who comprise the membership of the council. The purpose of the "patrol" is to

Spearman Rebekah Lodge 290 Host To Perryton Members

Members of the Spearman Rebekah Lodge No. 290 met Thursday, August 26 in the lodge hall with Thelma Kenney Noble Grand directing the meeting, assisted by De Anna Kenney, Vice Grand.

Martha Delon Allison was admitted by card to the lodge.

Members attending were: Thelma Kenney, De Anna Kenney, Caro Lee Frantz, Inez Hollond, Rose Cummings, Lou Ethel Ellsworth, Sylvia Wilcox, Margaret Kirk, Dorothy Longley, Martha Delon Allison, Gowanda Golightly, Ina Mae Hughes and seven guests from the Perryton Lodge No. 225 Clara Stubblefield, Roberta Moulton, Effie Horn, Lucille McDonald, Eva Fisher, Pearl Allen, Winnie Elder.

Local Students Enroll At A&M

Mary Ellen Novak and Kerrieth James Noel of Spearman are among the Freshmen students who have pre-enrolled at Panhandle A & M College Goodwell, Oklahoma for the fall semester, 1965-1966.

Regular enrollment will start Sept. 6 with all freshman that have not taken the ACT test. This test will be given in Room 127 Classroom Building. A fee of \$5 is charged for taking the test. The test will be given at 8:00 a. m. ALL first semester freshmen will meet in McKe Auditorium (Library) at 1:00 p. m., Sept. 6. Freshman testing will continue Tuesday and freshmen will enroll Wednesday. (For those who did not pre-enroll)

Upper Classman will enroll Tuesday Sept. 7th. Seniors will enroll from 9:00 - 10:00; Juniors enroll from 10:00 - 2:00 and Sophomores from 1:00 to 3:00.

For upper classmen who did not enroll during specified time: 3:00 to 4:00 p.m. The first day of classes will be Thursday, September 9th. The enrollment at Panhandle A&M College, Goodwell, Oklahoma is expected to be the largest in the school history.

LET'S ALL HAVE A Ball at the Stratford Fair and Jamboree this Week End. Entertainment for all.

Approved Horse Show, Fair, Parade, Bar-B-Que, Beauties, Bands, Football Game, Carnival, Old Timers Reunion and three dances.

Y'ALL BE THERE September 9th Through 11th. Stratford, Texas

Residents Enjoy California Trip

Mrs. Sonny Nollner Mary Frances and Leslie and Mrs. Jimmie Crawford and Vicki returned home Friday after a visit with Mary Faith's brother and family, the George Oakeses of Whittier, Calif.

While in California they enjoyed a tour of Disneyland Knott's Berry Farm, Movieland Wax Museum, spent a day at the beach and attended a Dodger's baseball game, saw Sandy Koufax pitch and lose to the Phillies.

Mary Faith and JoAnn enjoyed an evening with Mr. and Mrs. J. D. Floyd of Garden Grove who took them to dinner and a show. The highlight of the evening was, while driving on a Freeway three boys standing by the roadside threw rocks through the windshield of their car, scattering shattered glass over the occupants. As the riot was still on in nearby Watts the incident gave them quite a scare.

They returned home by way of Las Vegas where they attended the Steve Allen, Shelley Behrman shows and the 1965 Musical Production of "Hello America."

They toured Hoover Dam and Walnut Creek Canyon and had an enjoyable trip home.

Mrs. G. E. Oakes who had spent the past three months visiting relatives in California returned home with them.

Janice Trindle Reports On 4-H Tour In August

Sunday, August 8, 3:00 p.m., eight girls and boys from Texas and one boy and girl each from Oklahoma, Kansas and New Mexico met at the Coronado Inn in Amarillo for the beginning of an all expense paid nine day trip for 4-H boys and girls sponsored by Producers Grain Corp. The 22 boys and girls were accompanied by Mr. O. C. Applegate, whom we called "Pop", as Talent Tour Director, Mr. Doug Smith, Ochiltree County Agent, and Miss Linda Webb, Hansford Home Demonstration Agent were chaperons, and Clay Paek our bus driver.

The first night a banquet was held in the ballroom of the Coronado Inn. The group then retired for the night to arise early Monday morning. The group had breakfast then boarded the bus for a tour in Amarillo. We visited the P. G. C. Elevators, home office and laboratory. We also saw the Dow Jones stock market. Lunch was served at the Silver Grill Cafeteria in Amarillo. We then boarded our chartered bus, which was the same bus that stayed with us all the way while on our way to Lubbock we stopped at Plainview Terminal Elevator. We toured the grain elevator and was on our way again to Lubbock. After arriving and checking in we toured the Cotton Oil Mill in Lubbock. We saw how they take the lint from the seed, how they store their cotton, and other interesting sights. That night we stayed and had dinner at the Holiday Inn. After dinner every one swam for several hours before retiring for the night.

The next day, Tuesday, was mostly a day of travel. We left Lubbock early and traveled to San Angelo for lunch. From there we went on to San Antonio where we arrived and checked in at the Continental Inn. We had dinner and again went swimming. Following breakfast the next morning we visited Breckenridge Park (the zoo and sunken gardens), also the Alamo. After lunch in San Antonio we left for Corpus Christi. We checked into the Gulf Winds Motel, which is located along the beach, we all went swimming in the Gulf of Mexico. Everyone enjoyed this part of the trip very much but found that the salt water is very different from our regular swimming water. Our eyes, mouths, and throats burned from the salt, but were soon forgotten in all the fun we were having. We had dinner and came back to the motel.

Because we were not tired

danced on a patio atop the motel. We then retired with another big day, Thursday. We boarded the bus after breakfast and went for another sight-seeing tour. We visited the PGC elevator in Corpus Christi where grains from all over Texas are exported to foreign countries. After lunch and leisure time for shopping we went on a two hour chartered boat ride. On this ride we saw different parts of Corpus Christi and saw how beautiful it is to see a sunset on the Gulf of Mexico. After this ride which ended at 8:00 p.m. a hungry group went to the "Ship Ahoy" restaurant where everyone was served a sea food dish of different kinds of sea food. This was the first time many of us had ever eaten any sea food besides perch. We found that oysters and crabs are not as bad as we always thought they were. We again spent the night in Corpus Christi and on Friday traveled to Houston.

Following lunch we checked in at the Ramada Inn then we visited the Houston Bank for Cooperatives. We then ate dinner and prepared for what we thought was the big event of the trip, the Astrodome. We attended a baseball game in the Astrodome which was played between the Astros and the Mets. The Astros did win and we got to see scoreboard light up which everyone says is very unusual. We went to bed that night with many memories already in our minds.

Saturday we ate breakfast and had all morning to shop at Foley's Houstons largest department store, and other downtown Houston stores. After lunch we boarded the bus and traveled to Arlington where we went swimming, and had dinner, and went to bed. The next day was Sunday so everyone got dressed to attend church as a group. Following church our group picture was made and everyone got ready to visit Six Flags. We had lunch at Six Flags and during the first hour we were there, it rained. Everyone was terribly wet but soon dried out, and went on to have a wonderful time there. Again we went swimming and began to think that tomorrow we would be home and it seemed that only yesterday it started. Monday was a day of travel homeward, departure and promises that we would write each other. We all ate lunch in Wichita Falls and arrived in Amarillo at 4:00 p.m. where we each went our own separate ways. This was a wonderful trip with so much experience gained and precious memories that will last. The 4-H can truly thank Producers Grain Corporation for sponsoring such an educational and enjoyable trip. All the boys and girls thought it was wonderful.

Dacus Reunion Held In Borger

64 persons from four states gathered at Borger, Texas, August 21, for a reunion held in the auditorium of the city library. These persons were the descendants of John Dacus, who with his sons chose to cast his lot at the close of the Civil War with the development of the west. Today they came from Oklahoma, Colorado, New Mexico and Texas to meet and renew kinship around a luncheon table set in memory of him and those bearing his name.

Among those present was the distinguished Oklahoma State Senator, Bryan Dacus from Hobart, Oklahoma. His timely remarks recalled the fact that from the Revolutionary War to this present conflict, family forebears had fought on the side of Freedom's cause, and his thanks expressed (and shared by all) to the American heritage enjoyed today.

A resolution was made by those in charge to continue the reunion each year in the same city and same location. Appreciation and thanks was rendered to the Borger City Library for the courtesy extended and enjoyed by each member of the reunion.

Attending from Texas, Leo Dacus, Mr. and Mrs. R. A. McCourey, Mike Stewart, Mr. and Mrs. Frank Allen Spearman; Russell J. Linda and Arler Boehm; and Glenda Pratt, Panhandle; Mr. and Mrs. Tom Dacus, Mrs. Henry Dacus and Mr. and Mrs. James C. Wood, Amarillo; New Mexico, Mrs. Frank Dacus and Miss Della Dacus, Postales; Mr. and Mrs. J. Lopez, Roswell; Mr. and Mrs. Jimmy Willis and family, Albuquerque; Oklahoma, Senator Byron Dacus, Mike, Cindy Wanda and Johnny Willis, Oklahoma City; Mr. Zeke Dacus and daughter, Nedra and granddaughter, Debra, Clinton and Mr. and Mrs. Marlyn Dacus, Yukon; Mr. and Mrs. C. H. Dacus, Lindsey, Gayle, Dan and Joanne Dacus Paul's Valley, Mr. and Mrs. Clifford H. Koger and Clifford, Jr., Oklahoma City and Mr. and Mrs. Hershel Turner, Dell City, Colorado; Mr. and Mrs. Jake Dacus, Denver; Mr. and Mrs. Bill Dacus, Aurora; Mrs. Ruth Neilson, and Larry, Ingalls, Colorado.

Mr. and Mrs. Edd Allison and family of Stinnett were Saturday night dinner guests of Mr. and Mrs. Travis Reger.

Mrs. and Mrs. Gary Abrahams and family of Elkhart, Kansas were Thursday and Friday night guests of their cousins the Richard Gaines.

Soil Conservation Tour Sept. 3

The Golden Spread Chapter of the Soil Conservation Society of America Plans to conduct a Program and Tour, September 3, 1965 at Miami Texas. The Program will start at 10:00 A. M. in Ferg's Cafe.

The Program and Tour will feature organization and development of a Watershed Program. Curtis Schaffer Gray County Soil Conservation District Supervisor, will describe the action taken by the local sponsors to obtain a planning priority for the McClellan Creek Watershed in Gray and Carson Counties.

Don Powell of the Soil Conservation Service will discuss the construction phases of a Flood Prevention Program. Duane Barbee of the Soil Conservation Service will present a colored slide feature of three methods used in vegetating watershed structures. Virgle Brock, Hemphill County Soil Conservation District Supervisor, will discuss the local sponsor's responsibilities in securing land rights and easements and their responsibilities in operating and maintaining the flood prevention structures after construction.

Lunch will be served at Ferg's Cafe. The Tour will begin at 1:00 P.M. through the Washita Watershed area. Three flood prevention structures will be visited to show different methods of vegetation establishment, and multiple use of watershed structures, on the French Arrington; Mrs. Marion Robertson; and Milton Finsterwald farms and ranches. If time permits the group will observe Shinnery Oak brush control and a drop structure as a part of the land treatment in a watershed area.

Farmers, ranchers, agency representatives and agriculture are invited to attend this Program and Tour.

The Soil Conservation Society of America is an organization of professional and practical conservationists devoted to the conservation of our natural resources. The Society needs new members and will welcome all people interested in agriculture.

County Oil And Gas Production In 1964

Hansford County's producers and royalty owners are marketing some \$15.5 million in crude oil and natural gas a year, according to statistics released by Texas Mid-Continent Oil and Gas Association this week.

Ranking 70th among Texas oil and gas producing counties, Hansford County in 1963 received some \$7.1 million from wellhead sales of oil and an estimated \$8.4 million from natural gas. County production of oil was approximately 2.4 million barrels; natural gas, 67.2 billion cubic feet.

Farmers, ranchers and other mineral owners share in a \$1.6 million distribution of oil and gas royalty payments annually.

The Association based its annual study of this county's oil and gas output on statistics compiled by the U. S. Bureau of Mines for 1962. Production data for 1964 would be approximately the same.

Statewide, Texas oil and gas wells produced an estimated \$3.6 billion in income, \$2.9 billion from oil, \$750 million from gas.

Data from the Texas Employment Commission, indicate direct employment in oil and gas industry jobs for more than 470 Hansford County citizens with a payroll of approximately \$3.2 million a year. Because oil operations require such a large number of service contractors and supply firms, which are not included in this figure, direct employment figures are only part of the story of local economic impact.

An important indicator of activity is the amount expended on drilling of wildcat wells seeking new fields and those wells drilled to develop fields already located. The Association estimates that in 1964 approximately \$3.2 million was risked by Texas oil and gas operators on drilling ventures in Hansford County. About 41 per cent of this expenditure, or \$1.3 million, went into dry holes.

A tabulation by the oil and Gas Journal shows 39 wells were drilled in the county in 1964: 12 oil, 11 gas and 16 dry holes. A total of 262,000 feet of hole were drilled - 218,000 for development wells and 44,000 for wildcats.

In addition to local school and county property taxes by oil and gas operators, taxes on production from Hansford County flowed into the State Treasury at the rate of about \$16,000 a year.

An upgrading of the county's gross economic output is contributed by the operation of 3 plants which can process some 690 million cubic feet of natural gas a day to remove liquids such as butane and propane.

Girl Scouts Organizing

MRS. GLENN MARTIN

Yuca Girl Scout council has resumed activities for 2100 Girl Scouts in this area.

Reorganization meetings are being scheduled throughout the eleven counties in the council. Now troops will be organized as soon as leaders and meeting places can be secured. Second grade Brownies in each of the 17 active neighborhoods will be organized as soon as possible.

Mrs. Glenn Martin, Executive Director, of 145 troops will direct 430 adults in activities planned for 61 Brownie troops with 554 girls, 51 Junior troops with 895 girls, 25 Gadgette troops with 352 girls and nine Senior troops with 101 girls.

Council President, Mrs. Morrow Hecht of Hugoton, Kansas, has met with council Committee Chairmen; Mrs. Den Wells, Boise City, Camp; Mrs. Bill Wiggins, Keyes, Program; Mrs. Reeve Nowlin, Perryton, Personnel and Training; Mrs. Wallin T. Glover, Guymon, Public Relations; John R. Collard Jr., Spearman, Finance.

Four weeks of successful camping was conducted this summer at Boiling Springs State Park near Woodward, Okla. with 310 campers and 25 adults attending.

One patrol of eight girls attended the National Girl Scout Roundup at Farragut, Idaho in July. Miss Carolyn Collard, District advisor attended Roundup. Working in the Transportation Department, Mrs. Ralph Higgins, Office Secretary is at the office in west Guymon each week day.

Spearman has ten troops, 59 Brownies, 52 Juniors, 18 cadettes and 7 seniors, a total of 136 girl scouts and 16 adult leaders.

Mrs. Harold Crooks is neighborhood chairman. Mrs. Rex Sanders, Jr. is a member of the Personnel Committee, and Olin Slocum is a member of the Camp committee.

Miss Helen Collard attended National Roundup, working in the Security Department as a tourist.

Annual party for Birthdays and anniversaries

The Sam Henderson entertained and honored the following: Birthdays; daughter Cindy, Phyllis Cook, Mr. G. M. Nichols, Mrs. Annie Allen, Judith Creacy and Katherine Smith. Also, anniversary Mr. and Mrs. Don Allen,

Sheet cake decorated and honored

Those attending in several flavors. Those attending were; Mr. and Mrs. L. F. Cook and Phyllis; G. M. Nichols and Garland; Jim Miller; Garrett All-en; Lloyd Roberts; Glenna and Lyndia; Dr. R. L. Kleiberger; Decil Crawford and Mack Mr. Jim Williams and Mr. Don Don Baldrige, hosts Sam Hen-

persons and Cindy and Tommy.

"SERVING RURAL HANSFORD COUNTY"

39-Member Senate Merits Approval In September 7th Voting!

Texas voters will go to the polls Tuesday September 7 to vote on a constitutional amendment of great importance to the people in rural areas and small end middle size towns of the State.

The amendment up for approval is Senate Joint Resolution 44 that will permit the State Legislature to increase the membership in the State Senate from 31 to 39, and thereby avert the possibility of decreasing the voice of rural Texans in the State government affairs.

Unless the amendment is approved at the election, the remaining alternate will be adoption of another re-districting plan which would take away voting strength in most of the small and medium populated counties of Texas and add to the voting strength of urban areas. Under this plan, Houston would get three additional State senators, Dallas two and San Antonio one. This would be accomplished by expanding the senatorial districts in sparsely populated areas.

Most voters have heard about the amendment to be voted on, few, however apparently understand what it implies or what is at stake.

We feel that rural voters, in particular, should be concerned and should not fail to go to the polls and vote FOR this amendment. They have a great deal at stake.

By adding eight new senate positions (increasing the Senate membership to 39), such as proposed in the amendment, equitable re-apportionment, as ordered by the U. S. Supreme Court, can be met. Under this plan, the big cities would have equitable representation, yet not at the expense of rural Texas.

Farmers and ranchers were well organized and had a strong voice in the drafting of the constitution of 1876. It follows that the document they adopted protected rural interests. One of the devices they employed was provision which limited any one county in one state to one senator.

This of course, has been nullified by the Supreme Court ruling that the one-man one-vote principle must be adhered to. As a result, the Legislature has dutifully redrawn the 31 senatorial districts so their respective populations approximate the average

of 309,022 each. This has necessitated the establishment of a number of districts which are absolutely tremendous in size.

As a result, we can see the voice of the rural people becoming weaker and weaker. This is the voice which, it is generally conceded, has through the years been a virile, responsible, and sensible voice and has given our great state good, efficient, and economical government.

The new plan for 31 senatorial districts which will be in effect in 1976 if this amendment fails,

will have several major negative aspects as far as rural population is concerned. One is the obviously diluted relationship between senators and their constituents. A senator simply cannot communicate effectively with his people when they are scattered out.

Secondly, there will be less consideration given to common or community interests.

the wing tip of the plane! aspects as far as rural population is concerned. One is the obviously diluted relationship between senators and their constituents. A senator simply cannot communicate effectively with his people when they are scattered out.

Driver of the Chevrolet pickup, Noah Kenmore of Erick, Oklahoma, stated he did not know he had parked near a runway. He and a passenger were asleep 5 ft. 5 in. from where the pickup was parked. The passenger was Otis Clements, Aspermont, Texas.

No injuries were caused by the accident and an estimated \$75,000 damage was caused to the pickup.

County Treasurers Meeting Held

Merle Washington, Hansford County Treasurer acted as hostess to The County Treasurers Association of Texas, who had their 17 annual meeting at the Herring Hotel in Amarillo. We made history by it being the first time to have the statewide conference in the Panhandle and we had the largest number of Treasurers to attend. The conference began with a reception Thursday night with Seymour Davis entertaining. On Friday morning the conference with prayer by Rev. James M. Bryant of Amarillo and pledge of Allegiance by Palmer Sivage, Wheeler Co. Treas. Mayor pro tempore, W. A. McCarty welcomed us to Amarillo, and Representative Shorty Hallmark welcomed us to the

help eliminate the weight problem. Since breakfast is the first meal of the day, following around 12 hours of not eating, it should contain one-fourth to one-third of the total daily caloric need. A shocking fact which continues to exist is that 6 out of every 10 teenage girls and 4 out of every 10 teenage boys have poor diets. Much of this is due to their not eating breakfast. The number-one reason teenagers give for not eating breakfast is that they don't get out of bed in time. Sure they like to sleep till the last bell, but breakfast is more important than another 40 winks. So, mothers, let's start this school year off right for your family. See to it that eating a good breakfast is part of the regular routine for your school-age family members — and don't forget that breakfast starts the rest of the family off right, too. Here are some new ideas or breakfast — or any meal — as a perk up.

juice concentrate with 1 cup sugar, 2 teaspoons cinnamon and 2 tablespoons melted butter. Toast 6 slices white bread under broiler. Turn bread, brush with orange mixture and toast until lightly browned, about 4 minutes. QUICK STICKY BUNS Top 8 baked biscuits with a mixture of 1/4 cup orange juice concentrate and 3 tablespoons each chopped nuts and brown sugar. Bake 5 minutes. The last note: There are three types of people you can't argue with: those who think you're right, those who know you're wrong and those who couldn't care less.

The Way I 'C' It!
In a charity baseball game between the comedians and the actors, Bob Hope was made manager of the comedians. He picked Jack Benny to lead off and told him "All right Jack get up there and hit a home run".

resigned as manager, saying, "I can't manage a team that won't follow instructions." Of course Bob Hope was being funny. But thinking seriously, we can be thankful that God didn't act like this when Adam and Eve committed the first sin. God had given specific instructions not to eat of a certain tree. Adam and Eve didn't follow instruction. God could have said, "I quit." They didn't follow instructions. Instead of giving up, God immediately promised that He would save our first parents. His son would come into the world to redeem them and all other people. Even though Adam and Eve disobeyed God's will and had to leave the Garden of Eden, God still loved them. They could count on His mercy and forgiveness. Remember when Peter sinned by denying Jesus? Jesus didn't give up on him either. He looked at Peter, and that look helped Peter realize what he had done. Jesus wanted Peter to know that He still loved him. Peter went out

and wept and then asked forgiveness. None of us can follow God's commandments perfectly. We don't measure up to them. We are sinners. But when we "strike out," Jesus is ready to forgive us. When He dies on the cross, He took all our failures on Himself. He took our place. We know He loves us. Mrs. Phil Jenkins was given a birthday party, Thursday afternoon, August 26. After the gifts given to the honoree, refreshments were served to the guests. Berda Holt, Owen Packer, Charles Davis, Ernest Jones, Glenda and Peggy Jones, Reger and family, Bertha Jones, Wesley Jenkins, Raymond Jones, Phil Jenkins and Maude Jones.

Mrs. Phil Jenkins was given a birthday party, Thursday afternoon, August 26. After the gifts given to the honoree, refreshments were served to the guests. Berda Holt, Owen Packer, Charles Davis, Ernest Jones, Glenda and Peggy Jones, Reger and family, Bertha Jones, Wesley Jenkins, Raymond Jones, Phil Jenkins and Maude Jones. Mr. and Mrs. Buster Kirk and family have been vacationing in Tennessee in Tennessee. Many other places.

Mr. and Mrs. Cy Carr and Gary of Miami, Mr. and Mrs. Zane Hall of Pampa and Mrs. Joyce Trimble of Hereford attended funeral services for Mr. Burnie Sparks.

Mr. and Mrs. Knox Piphine will celebrate their Golden Wedding Anniversary, Sunday, September 5 with open house at their daughters, Mrs. Orville Fullbright, 217 N. James from 2 to 5 p. m. All friends of the couple are invited to be present. The couple were married here in 1915 and have lived in this area ever since. Hosts for the open-house are sons and daughters of the couple.

The Women's Fellowship of the Wauka Church of the Brethren met recently in the home of Mrs. Eldon Curley. The devotion was given by Mrs. Harold Simpson and prayer by Mrs. Hall Nelson. The program on "Our Flag" was given by Mrs. Simpson. Mrs. Harold Groves gave a Traffic Safety talk, stressing safety on the highways over the Labor Day weekend. She told of the traffic safety stamp to come out September 1. Attending were Miss Maudie Stumbo and Mesdames S. E. Stump, Gerald Burger, Hall Nelson, Harold Groves, Harold Simpson and the hostess.

Homemakers Notes

School bells are ringing again across the nation, and the next month will be especially devoted to re-establishing habits of the school days routine. So, Attention Mothers! While these routines are being established, include in them a sound breakfast to start off the day. Tests have revealed time after time that learning takes place faster and easier if a student has eaten breakfast before going off to school. Take into consideration this act—breakfast is the one meal which follows our longest period (over night) without food. And since our energy stores are built up over a night of sleep, we need to pile on fresh fuel when morning comes to get us started off right for the day. Regular intakes of food in small amounts is better for our metabolism, our efficiency and our mental alertness. So, to get on top of any kind of work and carry out the best job, breakfast is the most important meal of the day. Teenage girls worry especially about their weight, but they universally insist on skipping breakfast. Then, what happens? Later in the morning they start on snacks that don't contain the right nutrients, only empty calories. Eating a good breakfast would stop the reliance teenagers have on mid-morning snacks, and thus
