Rainnnnn!

Forty five hundred's rainfall fell in about one hour and forty seconds Wednesday noon just before 4 p. m. It still raining as we close up paper and prepare to go to bed. We are informed that rain down gutters are running down the curbs in places. It rained today rain we measured on August 16 and 0.15 inches on August 17. The city received nearly 2 inches. AT 216 HOLLAND STREET a switch box fire at the home of Doris Weston, 216 South 66, which happened during the minutes flood in Spearman caused by lightning striking a box. It proved to be easily fixed. The fire department did very little damage was to the house.

"This is from PUERTO RICO!" she want something from Texas, she loves Texas," exclaimed Mrs. Laura Boda, state president, 68, from Santure, Puerto Rico, when she ran up to Mrs. Harold Groves at the National Extension Home Council convention last week popped the hat on her head and sealed it with a kiss and extended her a hearty invitation to attend the convention when it will be held in Puerto Rico in '68. Each of the 3,000 plus delegates exchanged gifts at the convention held at Purdue University, Lafayette, Indiana, August 8-13. Most interesting of Mrs. Groves gifts were printed labels of the outline of Texas, letting others know that Spearman, Texas has golden wheat, rich oil, gas & also big healthy cattle. Mrs. Groves states the convention was most informative and enjoyable.

Baptist VBS Sets Enrollment Record

The First Baptist church of Spearman ended its Vacation Bible School Friday, August 13th Friday the 13th did not keep the school from enrolling 355, which was a record. Last year 342 was the enrollment. The average attendance daily was 237. Not only was the school STANDARD, but reached its highest achievement, ADVANCED STANDARD. The cost of the ten days of school was \$475.00, with a mission offering of \$86.02.

Two profession of faith was recorded and seven rededication. Already we are anticipating a greater school in 1966!

Bill Giles and son Billy and Louie Bretz returned Tuesday from a three-day fishing trip to McCook, Nebraska.

Exchange Student In McWhirter Home

The Spearman Student Council was rewarded for months of tirelessly working to raise money for an exchange student Saturday, when the first student for Spearman arrived at Amarillo and was met by a very happy family, which will be his future foster family while he attends school in Spearman. The family is Mr. and Mrs. Jack McWhirter, Lloyd and Marla Jo.

Geir Berge Overland of Steinkjer, Norway arrived in Spearman Saturday evening and though here only a few days he says this is a very nice town. He attended church at the First Methodist church with his family Sunday morning and evening and also attended MYF with Lloyd. He met many residents at the church and many called by the McWhirters home Sunday afternoon to welcome Geir.

The McWhirter family took Geir on a tour of the Spearman high school Monday and he met the principal and counselor. He had previously met the superintendent at church Sunday.

The McWhirter family are so thrilled about their new son who stands 6 feet 1 inch and weighs 170 pounds. Lloyd McWhirter stands an even 6 feet and has to look up to Geir. Mr. and Mrs. McWhirter say they think they may have to put extensions on the boys twin beds for them to sleep comfortably.

Although Geir speaks English and understands English perfectly Lloyd says he sometimes has to become his interpreter, because he says here we talk too fast. Mr. McWhirter says their only difficulty in communication with Geir is the metric system. Norway does not use the system.

The new exchange student has not had many holidays from school this summer. In Norway they go to school 6 days a week and school was out on June 20th. Their school term is ten months of the year. He will probably be farther advanced in his senior year than our students.

In speaking of her new son, Mrs. McWhirter spoke with happiness when she talked about how Geir was real sweet about eating anything, she prepared the food here in America is quite different than they prepare in Norway. She continued about how they were the ones rewarded for all the time and effort by the Student Council & all who made it possible for Geir to come to Spearman. She added they were the ones who would receive the pleasure of his presence and they wanted to share him with everyone.

Marla Jo, the 11 year old daughter, said she especially liked Geir, he was so nice and too, because he can dry dishes. Geir says of his new family they are nice. He seemed to be much at home while he and Lloyd were comfortable in their stocking feet lounging around the house.

When Geir stepped off the bus in Amarillo Saturday, the McWhirter family knew him instantly. He was everything they had expected him to be. The family says they could not enjoy any other student from any other country any more than they will enjoy the presence of Geir.

It is a very happy home Geir has become a part of and he fits in so nicely. While helping Geir unpack his clothing from two suitcases, the family was amazed at the number of articles he held within the two. Mrs. McWhirter said she was going to let him teach her how to pack. His dress clothes were wrinkle free and she had to do very little touching-up on his suit when he dressed for church. She was just amazed at the neatness, and he had unpacked and repacked the clothing a number of times since leaving his home in Norway.

When Geir pronounces his name, it is hard to interpret, but Lloyd explained it this way. Take the name Gay, drop the y and add r, then it comes out the right way, Geir.

Wagon Train Attend Pampa Celebration

Members of the Rolling Plains Wagon Train left Spearman Wednesday, August 11, 8 a. m. to travel to Pampa and take in the Top O' Texas Rodeo celebration. They hauled the wagons and assembled them at their campsite near the rodeo grounds and participate in the parade which was viewed by approximately 22,000 spectators in downtown Pampa at 3 p. m., Wednesday.

Following the colorful parade the Train rested at the campsite and were visited by many persons. Sixty-five members of the Train participated in the parade that saw 15 wagons of the Train and the sound truck travel the distance of the parade. There were ten towns represented out of the 15 wagons. Four scouts riding mules were in the parade also.

The ten towns and owners of wagons were Messers, and Mesdames Elmer Hunt, Binger, Oklahoma; Melvin Miller, Woodward, Oklahoma; John Sheppard, Fargo, Oklahoma; Dave Ashpaugh, and Mrs. Ashpaugh's sister, Laverne, Oklahoma; Gordon Greene, Perryton, Texas; Lloyd Rinehart, Borger; John Wade, Stinnett; Zebbie Land and Otto Mangold, Pampa; Joe Evans, Gruver and from Spearman were George Buzzard, Doss Atchley, Earl McLaughlin, J. W. Bullard, Everett Clements and Earl Riley.

The Train members were most proud when Elmer Hunt, who is 71 years old, showed up to participate in the parade. From Binger, Oklahoma he recently heard about the trip the Train was taking to Oklahoma City and he joined and rode along with the train on horseback all the way from Spearman to Oklahoma City. He heard about the train going to Pampa so he and Mrs. Hunt got in his car and traveled to that city and he drove the wagon in the parade for Mrs. Earl Riley while she waves and visits with the on-lookers.

The Top O' Texas Association hosted the Wagon Train members a banquet in Jim's Steak House, Wednesday evening. A delicious meal was enjoyed by fifty-six of the members who were able to be present.

Red Wedgeworth, secretary of the rodeo association was the master of ceremonies and praised the Train organization and expressed his appreciation for their coming to participate in the parade.

Wedgeworth introduced Bill Tidwell, vice-president of the association who in turn introduced Earl Riley, wagon master. Earl introduced Johnnie Lee, president of the Rolling Plains Wagon Train. Other speakers were Otto Mangold and Zebbie Land of Pampa and John Wade of Stinnett.

One Club Golf Tournament Winners

The Hansford Golf Club held a one-club tournament last Sunday, with Perry Coursey winning first in Championship with a scintzing 36. Porky Holland was second with a 38, followed by Jacobs with a 39.

In A flight, Bill Hutton won first with a 40, Weese followed with a 46, and Kees had a 47.

In B flight, Don Smith won first with a 47, Ray Robinson won second with a 50, L. Collins and R. Collins tied for third with a 51.

Mr. and Mrs. Melton Oldham and children, Lea Ann, Robert, David and Richard are visiting this week in the home of his mother Mr. and Mrs. Carl Hutchison. The Oldham's are from Sapulpa, Oklahoma.

Farm Bill Expected To Be Aired: Rogers To Meet With Land Law R Commission

WASHINGTON, D. C. (Special) Congressman Walter Rogers said today the omnibus farm bill is expected to come to a House vote Wednesday or Thursday.

"This measure contains, in one package all the major farm legislation to be brought to the House floor this year," Congressman Rogers said. "Many of its provisions are extremely controversial and will be subject to heated debate."

"It is hoped proper amendments can be adopted to make the bill more practical and more acceptable," Congressman Rogers said, adding, "It is my hope that a provision for a referendum by the farmers will be included."

The Congressman noted that "urban members are raising arguments against the bill."

He said, "While I would have preferred that separate bills affecting commodities be brought to the floor singly, the farm program legislation was 'packaged' to attract the broadest possible support."

"It was felt that the continuing decrease in farm vote strength because of population shifts would make it impossible to pass."

Separate pieces of legislation confined to each commodity," Congressman Rogers said.

Congressman Rogers added "Faltering farm income is becoming increasingly serious, affecting not only the farm families but also the towns and cities dependent on agriculture."

The Congressman was appointed a member of the newly formed, 19-member Public Land Law Review Commission. He will attend his first meeting of the Commission, established by Congress to review laws affecting the millions of acres of U. S. public lands, when it convenes in the Capitol Wednesday morning.

Minerals development of public lands, including oil and gas exploration, will be one of the policies to receive closest attention as the Commission seeks to assure proper public lands use, Congressman Rogers said.

Meetings of the Subcommittee on Irrigation and Reclamation, of which Congressman Rogers is chairman, and of the full committees on Interior and Insular Affairs and Interstate and Foreign Commerce are also scheduled for next week.

Party For Geir Sunday Afternoon

All persons, young or old are invited to a come and go get acquainted party for Geir Berge Overland, Spearman's foreign exchange student, Sunday, August 22 from 2 to 4 p. m. in the Hospitality room of the First State Bank.

Hosted by the student council, Lynn Buzzard, president and the American Field Service, Verna Gail Keim, president. They wish to encourage all persons interested in making Geir's stay in Spearman a pleasant one to be present at the party.

Drop by the bank building between 2 and 4 p. m. and say hello to a very nice boy who will be an outstanding resident of Spearman for the next nine months.

Drop by the bank building between 2 and 4 p. m. and say hello to a very nice boy who will be an outstanding resident of Spearman for the next nine months.

I wish to take this means to thank each and every one for their cards, visits and prayers during my confinement in the hospital and while recuperating at home. May God bless all of you.

Mrs. A. F. (Norma) Holland

Mr. and Mrs. Bill Douglas left Sunday for a two weeks vacation in Tennessee and Georgia. They will come back through Rogers, Ark. to visit Bill's parents.

Mrs. Robert Wilbanks, Mrs. W. J. Miller, Frances Hoskins and Elizabeth Miller were visiting in Amarillo last Thursday.

This machine is fully automatic and will dispense two denominations of stamps upon insertion of a nickel, dime or quarter. This is another service for the convenience of the public when window service is closed or crowded.

Picloram, the accepted common name, or "Tordon", the registered trade name, is the herbicide 4 amonia 3 5, 6 trichloropolonic acid produced by the Dow Chem-

ical Co. Picloram was first introduced to Texas A & M personnel in February 1963 and limited amounts were made available for research testing at that time. The new herbicide is one of a new family of chemicals and is being manufactured as two formulations, the potassium and triisopropylamine salts. Picloram formulations that are registered include two liquids - "Tordon 101" and "Tordon 22K" and two pelletized materials - "Tordon 2K Beads" and "Tordon 10K". The 2K and 10K indicates the percent strength of picloram

in the pellets. The "Tordon 101" is a mixture containing 2.0 pounds 2, 4-D and 0.5 pounds of picloram acid equivalent per gallon. "Tordon 22K" contains 2 pounds acid equivalent per gallon. All picloram formulations are being tested by Texas A&M personnel. "Tordon 101" is now designated for industrial use.

USE AND NON-USE OF PICLORAM

(1) Picloram can be used for bindweed control as long as no crops are marketed from the treated area.

(2) Control of plants along fence lines and rights-of-way.

(3) Picloram cannot be used to control unwanted vegetation on rangeland or pasture land. The only way that it can be used on grassland is for the area to be fenced or deferred so that animals grazing the area will not be marketed. These are precautions that must be taken until picloram is cleared for use by F.D.A.

Picloram is still in the research stage. It cannot be used for dem-

onstrational purposes under the available for research testing at that time. The new herbicide is one of a new family of chemicals and is being manufactured as two formulations, the potassium and triisopropylamine salts.

Youth To Attend Crime Conference

Advance registration for this year's Attorney General's Youth Conference on Crime is running far ahead of the expected number of delegates, stated Attorney General Waggoner Carr.

"Already more than 1,100 delegates have returned their registration card and fee. This leads us to believe that our estimate of 1,600 total registrants for the Conference may have been a low figure," Carr said.

The third Annual Conference, to be held August 19-22 in Austin will attract outstanding youth from almost every county in Texas who will study the problem of juvenile crime in the State and recommend remedial efforts to halt its alarming rise.

Youth from Hansford County who will attend are Ike Richeson of Spearman, sponsored by the Spearman Liens Club; Mickey Cook of Morse, sponsored by the Morse Lions Club; Danny Riley and Harley Murrell of Gruver, sponsored by the Gruver Lions Club, and Elaine Kelly of Morse.

Speaking of the qualifications necessary to become a delegate, Carr said, "We insist that the delegates be those young people who are already recognized as leaders in their own cities and towns. This is important because we expect them to return to their respective areas to carry out the ideals which they have developed at the State Conference."

The Attorney General said that many programs have already begun on a local level as a result of the 1963 and 1964 Conferences, including youth juries, programs for tutoring potential school "dropouts", city clean-up projects, and youth-supervised recreation activities.

Carr said that this year's seminars will be divided into three groups: "Local Organization", in which past successful projects will be discussed as well as modifications which might be included; "Church and Youth", in which the aid of church congregations in tutorial programs will be discussed; and "Opportunity '65", a seminar on youth employment projects with stress given to the "dropout" problem.

Representatives from the Texas Employment Commission will also be present to discuss greater possibilities for youth employment in Texas.

Each seminar will be conducted by five school-age panelists and will be attended by approximately 40 delegates each time. Before returning home, every convention delegate will have attended each of the three seminars at least once.

"It is heartening to see these young people taking such an active interest in this tremendous problem of juvenile crime," Carr said "and I hope that all Texans will encourage their efforts whenever possible."

Who Pays? You Do

Suppose you work the standard eight hour day and are in an average income bracket. How much of that time goes to pay for elements that make up our cost of living?

Here are some examples: Food and tobacco cost one hour and 18 minutes; clothing and related items 30 minutes; recreation 19 minutes; transportation 39 minutes; medical expenses 21 minutes.

But there's another item that is bigger than any of these. It is taxes. They account for two hours and 20 minutes of your working time—more than a quarter of the whole.

To put it another way, it means that you must work more than three months of each year before you begin earning money you can spend as you wish. Taxes take all that you make during that three-month-plus period.

The chances are that this will come as news to great numbers of people. They have small knowledge of the size and scope of the tax bill, the primary reasons being that many taxes are hidden in the cost of the goods and services we buy and that most individual income taxes are paid through the withholding system, rather than being personally paid to the government by the earner. But, realize it or not, they are the biggest single item of expense to most of us.

In sum—who pays for big and wasteful government? You do!

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustee thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any said moneys, securities, and assets as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporate stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making such and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission, or its successors; that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1-a. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows: "Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement, disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years. (2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who has ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate. (3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years. (4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission. (5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members. (6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which disability is likely to become permanent in nature. (7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance of witnesses or subpoenas or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court. (8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission. (9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement or removal, or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary. (10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character. (11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in question in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process. The Commission or any proceeding involving his own retirement or removal. (12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal. (13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution. Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following: "FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such Judges in cases of disability. "AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such Judges in cases of disability." Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

work books. Costs vary from \$3 to \$6 per pupil in the various grades. Physical examinations for first graders may add another expense. School lunches will probably average \$1.75 to \$2.00 per week. Prepare now for these school expenses, they are just around the corner.

These wrecks accounted for one person injured and an estimated property damage of \$300.00. The rural traffic accident summary in Hansford County for the first seven months of 1965 shows a total of 5 crashes resulting in no persons killed, nine persons injured, and estimated property damage of \$6,400.00.

Many parents will attempt to make the Labor Day weekend their final vacation outing. The Sheriff stated, "Don't let this final outing be fatal." Thirty-nine lives were lost in traffic over the Labor Day weekend in 1964. Mr. and Mrs. Cecil Slater have enjoyed for three weeks as guests in their home Mrs. Slater's niece and daughter, Mrs. Judy Thompson and Fawna Sue of Salado, Colorado.

COMMUNICATIONS — Your Tool for Progress

What! An extension telephone in the barn?

Time was when a telephone in the barn was the last thing you'd ever expect. Not so today. Many of our rural customers have extension telephones in barns, stables and poultry houses, to save time and trouble just as city people do. Here is another example of how Communications can be your Tool for Progress. For full information about our many communications services, please call our Business Office.

BETHANY DONNELL, was chosen Monday, August 16 as Spearman's High School Band Drum Major. In a contest with two other girls who tried out, Bethany was chosen by Tom Knighton, Senior high band director at Peryton. She was chosen for her performance in routine, signals, voice commands and directing. Chosen as Assistant Drum Major was Lynn Garnett. Lynn served as drum major of the 8th grade band when she was in Junior high. Bethany has served as twirler for the band the past three years and comes as a well quali-

One Rural Accident In County In July

The Highway Patrol investigated 1 rural traffic accident in Hansford County during the month of July, according to Sergeant W. J. McLean, Patrol Supervisor of this

area. "Schools days" are almost here again. Many of the schools in this area will be starting their classes before Labor Day. Many drivers have become accustomed to ignore school zones and signs during the summer months with the thought, "Why bother, school's out anyway." But now the time is rapidly approaching to start paying close attention to signs warn-

HOMEMAKING NOTES

By Linda Webb
August 19, 1965

Having just returned from nearly four weeks on the road, I am having a time getting organized, as my desk is piled high with mail.

The last 10 days I have been chaperoning the 1965 4-H Talent Tour. Sponsored by the Producer's Grain Corporation of Amarillo, the Talent Tour trip is awarded to 16 4-H boys and girls over the state of Texas, plus 2 4-H members from Kansas, Oklahoma, and New Mexico.

Janice Trindle of Spearman was one of the lucky 4-H'ers to take this all-expense paid trip this year. The group toured places of interest in Lubbock, San Antonio, Corpus Christi, Houston and Six Flags. The entire trip was fun and educational for the chaperones (Doug Smith, Ochiltree County Agent and myself), as well as for the 4-H members.

Never having been to the Gulf, I enjoyed this part of our trip particularly. Of course we swam, and the entire group was treated to a two hour chartered boat ride on the gulf.

Another outstanding point of interest was the Astrodome in Houston, where we saw a ball game. It is tremendous, and I would encourage you to visit there if you go to Houston.

It is good to be home, though, and back in the office, even if I do have to face the pile of mail before me.

Parents of youngsters who will enter school for the first time this fall may be surprised at some of the charges which have taken place in recent years.

Particularly evident in areas of supply costs, these charges emphasize sharply that "little red schoolhouse" days are far behind us. Planning ahead to meet these school expenses is necessary for many families. Expenses for two or three children can easily add up to \$30 to \$50 for the first week.

Here are some of the expenses that you parents of beginners can expect:

(1) Many schools offer a group insurance policy to pupils for about \$5 per pupil each year. Public school systems usually have a list of supplies and fees for each grade. This includes items such as scissors, a plastic bottle of paste, colors, pencils, cigar boxes, art and music fees and
