Mr. and Mrs. Preston Scott.

**TENNIS TEAM COMPETES IN AMARILLO**

By Ronnie Gilbert  
On Friday, March 31 and Saturday, April 1, the Spearman Tennis team coached by Mr. Coursey, competed in Amarillo. The following people were the only ones that advanced in the semi-finals: Richard Booth and P. A. Lyons advanced in the semi-finals but were beaten there. Cindy Cochran and Catherine Lyon were beaten in the quarter finals. Genette McAdams also lost in the semi-finals.

**TENNIS TEAM WINS TROPHY AT PERRYTON**  
By Danny Robertson  
Friday March 24, the Spearman tennis team won the team trophy at the Perryton tennis tournament. The members who contributed most to the points by which the championship was judged were; Terry Delozier and Ken Schnieder who won the B doubles, Richard Booth and P. A. Lyon who placed second in the A doubles, Karen Baggerly who placed second in the B singles, Deanna Sheets and Janice Callaway who placed second in the A doubles, and Catherine Lyon and Cindy Cochran who reached the finals in the B doubles.

**SHS BAND ATTENDS CONTEST IN BORGER**  
By Brenton Haworth  
Last Thursday, the high school band attended the band contest in Borger. They played three numbers: Amario Roca, their starting march; Album Leaf, tone poem and Second suite, the finale. They received a II for their performance. In sight reading they received a I, reading Metropolitan.

Mr. Watson felt that it was a tough contest and that he was satisfied with the way the band performed and hopes to use the Judges' criticism to improve the band's performance, at both the UIL contest at Hereford and Tri-state festival at Enid.

**CHEER LEADERS GIVE ATHLETIC BANQUET**  
By Brenton Haworth  
Last Saturday night the annual Athletic banquet was given by Spearman High school cheer leaders. The speaker, Mr. E. A. Crisman is a football player at T.C.U. He spoke on Applying Christian principles to Life. The outstanding athletic awards were presented. Charles Shieldknight received the outstanding Lynx in football. The outstanding Lynx in basketball was Carl Close. Hal Schufeldt was the outstanding Lynx in track. Nancy McCullough was the Outstanding Lynxette. The KBMF Fighting Heart Award went to Marcia Shieldknight. The Jaycee Fight-

ing Heart went to Ronnie Gilbert.

**SUMMER FASHIONS**  
Are you planning on college or a fun vacation for this summer? Whatever, try the easy-going-away look.  
The fashions are simple and have wild patterns, with vibrant colors. The mini-dress is great for the beach or at a resort. If you want attention try the attention-getting one piece that looks like a two-piece because of the contrast of fabrics. Another swinging design is the A-liner with a long inverted pleat that swishes down to the hemline.

**FHA GIRLS OBSERVE NATIONAL FHA WEEK**  
The Spearman High School chapter of Future Homemakers of America will join with more than 12,000 other chapters all over the county in observance of National FHA week, April 2-8.

A special week is set aside each year to focus attention on the objective and accomplishments of this national organization of high school home economics students.

President Penny Sanders outlined some of the special activities the Spearman Chapter will be conducting during the week. These activities are keyed to the FHA program of work designed to improve personal, family and community living.

The girls will attend worship services at the Methodist Church Sunday.

Monday, they will have the election of officers followed by a rose planting ceremony. A salad supper for the Mothers will conclude Monday's activities.

Tuesday, color day, the girls will wear red and white, the FHA colors to school.

The teachers will be surprised Wednesday, which is Be Kind to Teacher's Day.

Thursday is Courtesy Day and everyone in high school is urged to be as courteous as possible.

An assembly, which will include an Emblem Service, the introduction of new officers and an FHA review, will be conducted on Friday.

FHA week will be concluded Saturday with Be Kind to Mother Day.

Each day during FHA week, the FHA girls will be in charge of raising the flag at the school.

**VETERANS LOANS TO END JULY 25**  
Less than five months remain for thousands of veterans of World War II to use their privileges for a GI loan to purchase a home, farm or for business purposes.

This warning came from William J. Driver, head of the Veterans Administration.

Present laws provide that the absolute cutoff date for World War II veterans will be on July 25, 1967. This deadline is the result of Congressional action which has delayed the final date of eligibility several times.

The cutoff will not affect veterans of the Korean Conflict or veterans who have served since January 31, 1955. Driver pointed out as these veterans are covered by different legislation.

Almost seven million loans have been guaranteed by the Veterans Administration to veterans since the beginning of the program following World War II. One out of

**1965:** USAC-supervised tests proved that a '65 Ford rode quieter than a \$17,000 Rolls-Royce.

**1966:** After comparison rides, owners of the world's most expensive luxury cars like Jaguar and Mercedes-Benz agreed that a '66 Ford was quieter.

**1967:** At the Lake Placid Olympic ski jump a '67 Ford took leap after punishing leap and rode away still quiet, still strong. Other '67 Fords went on a bone-jarring steepclimb ride and a grueling trip up and down the Los Angeles Coliseum steps. The results were always the same: still quiet, still strong.

## Year after year, you're ahead in a Ford - ahead in quiet, ahead in strength.

Year after year, we do things you'd never do to demonstrate Ford's quiet and strength. This year's tests were the toughest yet. But the durable Ford came through again—quiet and strong. That's because the 1967 Ford is the strongest, quietest Ford we've ever built. Over 150 impor-

tant parts have been strengthened and improved. And the '67s offer plenty of convenience and luxury features too. SelectShift Cruise-O-Matic transmission that's fully automatic and fully manual. It all adds up to a pretty strong argument for saving at your Ford Dealer's now. Quieter because it's stronger...stronger because it's better built.

NOW'S THE TIME TO SAVE AT YOUR FORD DEALER'S!

## Washington Report

From Congressman  
**BOB PRICE** 18TH DISTRICT, TEXAS

Number 19 March 30, 1967

It has been clearly indicated to me by the voters of the 18th District that budget cuts are preferred to a tax increase this year. For that reason I voted to save the taxpayers 151.7 million dollars in the week prior to the Easter recess. Those of us favoring such cuts were able to reduce the Treasury Department budget by \$175,000. Attempts to reduce other spending by 109 million dollars was defeated by only 25 votes. This indicates we may be able to save the taxpayers some money on other appropriation bills this session.

I was one of 15 members voting against a supplemental appropriation of 42.5 million for the Trust Territory of the Pacific Islands. These are 2,100 islands in the Pacific Ocean with a population of 90,000 people which the United States took over after World War II. This supplemental would increase the budget for these territories by more than 10 million dollars a year over the next three years. I feel this is unwarranted because of the present financial condition of our nation.

On March 20 the House unanimously adopted a veterans bill similar to the one I introduced last month. I hope the Senate will act quickly on this legislation which, among other things, will give veterans, their

widows and survivors, a much needed cost-of-living increase in their pension checks. Another important provision gives full wartime benefits to Viet Nam veterans and to veterans who have served since January 31, 1955. There is also an increase in educational allowances to veterans.

My committee work has taken up quite a lot of my time recently with meetings of the Livestock and Grains Subcommittee and the full Agriculture Committee. This has meant committee meetings from 8:30 until the House convenes at noon. Some House sessions have lasted as late as 11:30 p.m. recently. Much of my office work has been done in the Rayburn Room. This is a room just off the floor of the House where members can be nearby in case of a roll call vote.

The Livestock and Grains Subcommittee has been holding hearings on an Agriculture Department plan to allow farmers to keep grain on which they have Commodity Credit Corporation loans in commercial or co-op elevators. At the present time such grain can only be kept in on-farm storage. The intent of the plan is to give more farmers the opportunity to hold their grain until prices are better. I would welcome the opinion of any interested parties on this re-seal proposal.

## U. S. Postal Stamp To Honor Lions Club 50th Anniversary

WASHINGTON, D. C. (Special) Postmaster General Lawrence F. O'Brien has revealed plans to honor Lions International, with a commemorative postal stamp. Honoring the world's largest service organization during their Golden Anniversary year the stamp will also salute Lions International's theme "Search for Peace" and will be issued to coincide with the organization's annual convention, to be held in Chicago in July, 1967.

The full committee is in the midst of several weeks of hearings on the controversial bill to create government banks for rural electric and telephone systems. The measure provides for 750 million dollars in tax money to be set aside, interest free, in the next 15 years to create these banks. From this amount loans would be made to the co-ops and private companies at four percent interest. At the present time money for rural electric and telephone projects can be obtained from the government at two percent interest.

I believe the REA program as set up in 1936 to be a sound program—one which has helped bring electricity and telephones to the farmer and rancher and it should be continued. This does not mean, however, that I favor the use of this program to compete for urban and industrial loads in areas where such loads can be supplied by private utilities. The REA Act was never intended for such a purpose and it should not now be changed for that purpose. Until next week, best regards,  
BOB PRICE  
Member of Congress

Kathy Crawford, daughter of Mr. and Mrs. Cecil Crawford, has been accepted as an airline stewardess for United Airlines. She will go to Chicago at the end of this month and take a six weeks training course.

Lions International was founded during the war year of 1917, and for half a century has been grimly observing wars breaking out all over the world. With a confident look to the future and in the earnest belief that peace for mankind can be attained, Lions is conducting a peace essay for youth throughout the "free world. Prizes totaling \$50,000 will be awarded to eight winners to be announced at the Chicago convention.

Of the many public service programs sponsored by Lions International, its aid to the blind is the best known. The organization currently has \$16,093 members in 156 countries and geographical areas.

Some nineteen foreign nations have announced similar plans to issue commemorative stamps to honor this large service organization for its continuing worldwide humanitarian achievements.

### When was the last time you thought enough of yourself to have a Pap test?

If you can find time for the beauty salon once a week, you can find time for the Pap test once a year.

It's quick. It's painless. It's great to know you're free of uterine cancer. And if those reasons aren't reason enough, maybe this will be: Nearly 100% of all uterine cancers are curable when detected early.

The next time you call your beauty salon for an appointment, call your doctor for one, too.

It makes sense to have a yearly Pap test.

It makes sense to give to the American Cancer Society.

## Study Club Wins Awards

### At District Convention

Texas Federation of Womens Clubs Top of Texas District Convention was held in Amarillo March 30 and 31.

The Spearman Study Club won the following Department and Project Awards in Reporting.

Best overall department report, Fine Arts Department chairman, Mrs. Dave Wilson.

Best overall project report, Operation Healthy Babies Chairman Mrs. Bert Sheppard.

Departments: Fine Arts Department, first Texas Heritage, first International Affairs Department, second Conservation Department, second Public Affairs Department, second.

Projects: U.S.S. Hope, first Operation Healthy Babies, second.

Other awards given Spearman Study Club were Yearbook, second; Presidents Oral Report, visit.

third; Fashion for Fun, fabric division, Margaret Adamson, second and knitted division, Marilyn Wilson second.

Art Exhibit: Decoupage, Frankie Sloan first and second; Needlepoint, Sandra Ladd first and Marilyn Wilson third; Knitting Sandra Ladd first and Crewet Judy Martin second.

Those attending the convention from Spearman Club were Judy Martin, Margaret Adamson, Patty Sheppard, Marilyn Wilson, Sandra Ladd and Margaret Evans.

Visiting over the week-end in the Darrell Martin home were Mrs. Martin's mother, Mrs. LaVoice Forbes and Larry of Duncan, Oklahoma and her sister Mrs. Ronnie Jones of Oklahoma City. Mrs. Martin returned home with her sister for a few days visit.

## W.S.C.S. CIRCLES

The Susannah Wesley Circle of First Methodist Church met March 29 at 9 a.m. in the church parlor.

Mrs. Ray Messer opened the meeting with roll call and the reading of the minutes. Mrs. Andy Rhodes continued the study on Questions For Christians.

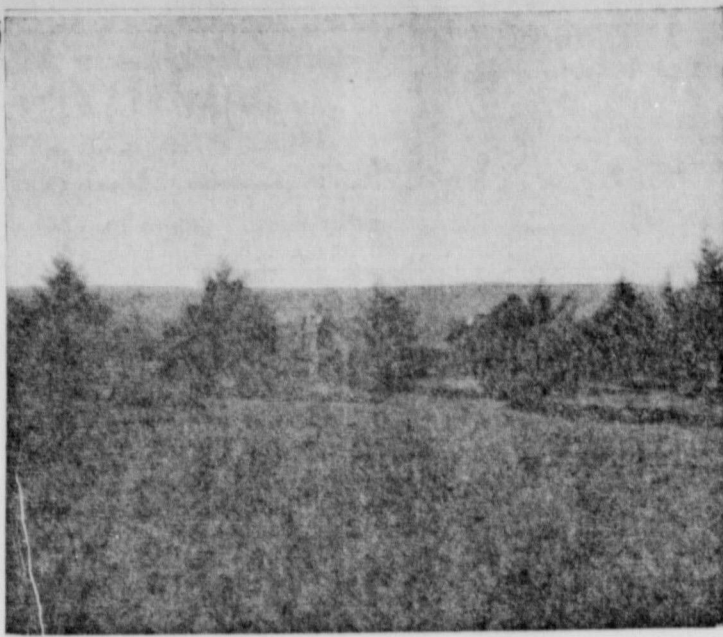

Hostess Mrs. Ray Martin served refreshments to Mesdames Robert Adamson, Burl Buchanan, Don DeArmond, Winfred Lewis, Jim McLain, Ray Messer, Don Reed, John Trindle and Andy Rhodes.

Mary Cartha Circle of First Methodist Church met March 29 at 3 p.m. in the church parlor with Mrs. Roy Jones presiding.

Mrs. Andy Rhodes gave the program "Questions For Christians, Are We Ready For Leisure."

Hostess Mrs. Jack McWhirter served refreshments to Mesdames Sid Beck, Roy Jones, Wesley Daniel, P. A. Lyon, Sam Patterson and Andy Rhodes.

Mr. and Mrs. Jerry George went to Fritch recently to visit in the home of her brother, Mr. and Mrs. Frank Langston and also a visit with her sister, Mrs. H. A. Denham and Sandra from Lubbock.

This Red Cedar windbreak on the James Stedje farm provides protection from winds and sets off one of the most attractive farmsteads in the county

### FARMSTEAD & FEEDLOT WINDBREAKS

A windbreak is a narrow belt of trees or shrubs established adjacent to a farmstead or a feedlot. James Stedje north of Gruver, A. R. Henderson west of Gruver, Frank Davis and John Trindle south of Spearman all have very nice farmstead windbreaks.

The purpose of any windbreak is to protect soil resources, control snow deposition, prevent wind damage to farmsteads, provide shelter for livestock provide food and shelter for wildlife, and to beautify the farmstead.

Windbreaks are needed adjacent to farmsteads where wind damage is likely to occur and where trees and shrubs will provide protection. Bob Ferguson has recently set out a windbreak under the Great Plains Conservation Program for this purpose. They are needed in pastures or grazing areas for livestock shelter. However, they should be located where they can receive ex-

tra water from windmills, or irrigation wells while they are being established. Joel Stavlo has recently set out a livestock windbreak up north of his pasture. Willard McCloy also has put in a windbreak at a windmill in a pasture for livestock and wildlife protection. Both of these windbreaks were established under the Great Plains Conservation Program.

Trees that are most used in this area for windbreaks are: Chinese Arborvital, Red Cedar, Australian Pine, Russian Olive, Wild Plum, and some Elm trees. The Great Plains Conservation Program has cost share on trees and on fences to protect the young seedlings if trees are established in connection with other conservation practices.

The Soil Conservation Service has set up specifications for windbreaks. A good windbreak should be spaced 100 to 300 feet from buildings to prevent drifting of snow on them. It should be

located the direction of prevailing winds. There should be at least one row of evergreens to provide protection in winter.

## News From The Pioneer Manor

Mrs. Tracy Lillian Stite is a new patient at the Manor. She was admitted Monday. Mrs. Stite, from Gruver, is a sister of Mrs. Joe Chase. Her birthdate was July 10 1911.

Mrs. Harold Groves called at the home on Monday and brought a bunch of new magazines.

Mrs. A. D. Reed and Mrs. Lillie Bowling called on all the patients one day last week. They visit often.

Mrs. Billy Miller brought two Easter lillies and placed them in the lobby. Many lillies were brought to the Manor after Easter Sunday church services. Patients enjoy flowers at any time.

Mr. and Mrs. Luther Hollobough of Amarillo called Sunday to visit with Henry Tracy.

Mr. and Mrs. Roy Stinson and Ronette, E. B. Lowell of Fultert and Ronnie Reed of Perryton visited Sunday with Bob Reynolds.

### Mrs. Patterson Is Delphinium Host

The Delphinium flower club met March 13 in the home of Mrs. Medlin Patterson.

Mrs. Claude Smith presided over the meeting when roll call was answered with flowers growing tips. Members voted to participate in the State Garden Club's project of beautifying the grounds of the Governor's mansion.

Mrs. Ellsworth gave the program "Soil Conservation and Preparing Flower Beds."

Mrs. Lyon won with her spring bouquet of pussy willows and jonquills in an Indian vase.

Sheryl Locke and Mrs. Nancy Herndon spent the Easter holidays visiting relatives. Miss Locke went to Abilene to visit her grandparents, Mr. and Mrs. Franz Essl and Mrs. Herndon visited her husband's parents in Sweetwater.

Construction of Peoples Natural Gas sub-surface irrigation research project on the Richard Sell farm, 1 1/2 miles north of Booker is scheduled to begin next week.

The Sells volunteered 10 acres of their land to Peoples who will supply the materials and stand the cost of installation. Melvin Semrad, supervisor of Market Development for Peoples' Southern Division will manage the pilot project.

Richard Sell will farm the test area with his regular irrigated crops which border the project on three sides.

Jim Zetsche, Jr., an instructor at Texas Tech, has researched underground irrigation systems since 1962, and has made a breakthrough in reducing costs of materials and installation to where underground irrigation systems are now feasible.

Studies show that underground

irrigation systems use only 50 percent of the water required by ditch irrigation and 10 percent of the water required by sprinkler systems. According to Zetsche and Semrad, the underground irrigation systems have several advantages for the irrigator: (1) Even watering of the crop, both across the acreage and at depth. (2) Water can be directed and kept at the root zone. (3) Farm chemicals, including fertilizers, can be directly introduced through the irrigation systems. (4) Virtually no evaporation. (5) More land can be irrigated on less water. (6) Land with marginal water can be brought under irrigation.

While surface irrigation generally is limited to a 3 percent slope, Zetsche has found he can irrigate on steeper slopes with the underground system. Tight clay soils appear better adapted to sub-surface irrigation than loose sandy soil.

### Girl Scout News

Troop number 54 of the Junior Scouts enjoyed a field trip March 28 when their leader, Mrs. K. E. Evans took them to view Mrs. Ruth Bryan's historical markers at Old Hansford and the Cemetery.

Those making the trip included: Valerie Hooks, Valerie Womble, Kendra Brack, Sue Womble, Mary Kibler, Cathy Sparks, Roxanne Sparks, Mrs. Lilie Hooks and son, and Mrs. Evans and son.

Members of the Twentieth Century Cotillion of Pampa will welcome the public to their annual Spring Antiques Show and Sale on Friday, April 7, at 10:30 a.m. The Starlight Room of the Coronado Inn in Pampa is the scene of the show which has attracted dealers from all over Texas and Oklahoma. The dealer's collections cover a wide range of antiques including jewelry, china, cut glass, pewter, brass, copper, art objects, furniture and oriental pieces according to Mrs. Jim Brown, general chairman of the show.

Showings are scheduled from 10:30 a.m. until 9:00 p.m. on Friday, April 7 and Saturday, April 8 and from 1 p.m. to 6 p.m. on Sunday, April 9.

The tickets are \$1.00 per person and all proceeds will be presented to the Opportunity Plan.

Inc. of West Texas State University.

This student loan plan was developed and designed into a program whereby any worthy high school graduate of the Golden Spread could have the opportunity to attain a higher education. The plan is specifically designed for students who possess ability, ambition, and character, and yet, for financial reasons cannot attend college. The plan offers no free ride to an education, but is only for those who want to help themselves and have the courage to do so.

Brownie Troop Number 34 met Monday, April 3rd at 3:00 at the Scout house for their regular weekly meeting.

Those attending were Susie Bowers, Becky Brown, Kate Crawford, Valerie Ellsworth, Susie Gregg, Cindy Hamilton, Jan Mason, Stephanie Reed, Tammy Rook, Janice Sims, Marie Snider, Leslie Wood, Colette Smith, Pam Rylant, Colleen Smith, Karen Tope, Lisa Nichols and Leaders, Mmes. Rook Ellsworth, Nichols and Crawford.

Girl Scout cookies were passed out and sales are to be completed this week. First aid program and "Safety wise tips" program was completed.

### Club Hostess

The Town and Country Home Demonstration Club met March 7 in the home of Mrs. Burl Buchanan.

The meeting was called to order by president Louise Hawkins. Charlotte Ford gave the devotional. Roll was answered with "An Experience With a Quack Salesman."

Members are making plans to sell the popular birthday and anniversary calendars. Club meeting dates will also be put in To List dates of these times, readers may contact any member of the

club. You have through next week to do so.

Nedra Hays gave the program "Quick Salesman Avoid Their Pitch."

Charlotte Ford won the surprise package. Attending were Louise Hawkins, Nedra Hays, Mary Lovett Charlotte Ford, Diane Maxwell, Donetta Greene, Linda Bosley and the hostess.

### Rebekah Lodge Met March 9th

Spearman Rebekah Lodge 290 met in regular form March 9 at 7:30 p.m. in the IOOF Hall.

Inez Holland Noble Grand presided over the meeting, assisted by Frankie Duryse, Vice Grand. Mildred Chamberlain, special district Deputy President, completed her term of office as Lodge Deputy.

Delegate Dorothy Longley, representative and Mildred Chamberlain, alternate, were elected to attend Grand Lodge in Amarillo. Frankie Duryse is to be one of the hostesses at Grand Lodge in Amarillo when they meet March 18, 19, 20 and 21.

Caro Lee Frantz, representative and DeAnna Kenney, alternate were elected to attend the Panhandle Association in Hereford April 21, 22 and 23.

Thelma Kenney, Thelma Scott and Hazel Wilbanks served refreshments to fourteen members.

Mrs. Mike Crawford and Shaun and Mrs. Cecil Crawford spent last week in Denver visiting in the home of Mrs. Cecil Crawford's daughter, Mr. and Mrs. Spencer Hogan.

Mrs. Mike Crawford has recently completed her college work and will graduate in May.

## HOMEMAKING NOTES

By Linda Garnett

I received last week a brochure on the 17th annual Southwestern Recreation Leaders Laboratory, to be held at Arrowhead Lodge Assembly, Gloria, N. Mexico. The dates this year are May 1-6.

Any adult who is a leader or worker in recreation, whether volunteer or professional, is invited each year to attend this recreation training laboratory.

Scout leaders, 4-H leaders, workers in community groups of all ages, Extension personnel, professional craftsmen, and just plain people come together each year to share their talents in recreational activities, and to learn new ones.

No area of recreation is left out - singing, dancing, folk and square dances, games, crafts, outdoor fun, ceremonials and party planning. Resource people share their knowledge and talents with all labbers, and any labber with special talents share with the group.

Cost of the Lab is \$38, which includes lodging, meals, insurance, instructions and a notebook covering all activities during the week of Lab. The registration fee is \$19.00, due April 22 with a registration blank I have available at the Co. Extension office. The balance of \$19.00 is due on arrival at Arrowhead Lodge.

Anyone who is interested in attending Recreation Lab this spring is asked to contact me at the Co. Home Demonstration Agents' office in Spearman. I'll be glad to tell you more about this Laboratory, and help you make your reservations for a week of fun and fellowship.

A week's workshop on basic clothing construction is being planned for interested homemakers in Hansford County. The workshop is planned for the week of April 17-21, 1967.

Anyone who is interested in attending this Basic Sewing Workshop should pre-register by filling out the information asked for in the blank below, and sending it to Mrs. Linda Garnett, Box 967, Spearman, Texas, by Monday, April 10. Or, you may call in the information to me at 659-2030 in Spearman.

PRE-REGISTRATION FORM  
I would like to attend the Basic Sewing Workshop in Spearman, April 17-21, 1967.

NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

PHONE \_\_\_\_\_

I have a portable machine I can bring to the workshop YES-NO-\_\_\_\_\_

I have attended a basic sewing workshop before YES-NO-\_\_\_\_\_

I (have) (have not) done any sewing before.

I prefer to meet (in the morning) (in the afternoon).

Persons who pre-register in this manner will be informed by mail about materials needed and workshop details.

Since this is a county-wide workshop persons from all communities in the county are encouraged to participate in this sewing workshop. If my readers should know of others who are interested in this workshop, please inform them about the dates and the pre-registration.

The first workshop session will be held Monday, April 17, at 2:00 p.m. in the Home Demonstration Club Building, 309 N. Bernice in Spearman.

THE LAST NOTE: One reason experience is such a good teacher is that she doesn't allow dropouts.

### Mrs. Daily Hosts Mon. Bridge Club

Mrs. F. J. Daily hosted the Blue Monday bridge club April 3.

Mrs. Hill won high score and Mrs. Yancey won high guest score.

Attending were Mesdames W. H. Gandy, Vester Hill, J. E. Womble, Gwenfred Lackey Pope Gihner and guests Betty Lackey and Frank Yancey.

Mrs. Bonnie Adamson of Tahoka, Texas will be here for a while visiting her son and family, Mr. and Mrs. Robert Adamson.

Clyde Maize of San Diego, California spent this past week visiting his mother, Mrs. Ben Maize.

### Micky Gates Is Party Honoree

Mrs. Eddie Gates honored her son Micky with a party to celebrate his seventeenth birthday on March 9.

An Easter theme was used in decoration and Easter favors were given each guest. Refreshments of the traditional birthday cake, ice cream and punch were served.

Guests then enjoyed outdoor games.

Attending were Donna Goss, Timmy and Gary Self, Doug Hamilton, Bethene English, Jan Fowler, Kim Smith, Tracy Balls, Kyle Nollner, Charles Miller, Russell Green, Joni Ralls, Robin Denham, Robin Wright, Kirby & Kent Hargis, Brad Chisum and Jamie Burks.

## Cancer Crusade To Be Conducted In Hansford County April 23rd

Research into the causes and treatment of cancer will once more take the major share of funds raised in this year's Crusade Against Cancer in Texas. The annual fund-raising drive, which has a goal of \$2 million, will be conducted in every community in the state, along with a massive volunteer effort to distribute life-saving cancer information pamphlets and to carry out the first Cancer Education Survey.

Mrs. James Stedje, Crusade Chairman for Hansford County, has announced that this year's Crusade will be conducted on April 23 in Spearman, Granger and Morse. If the volunteers miss seeing you, please send your contribution to Freeman Barkley at the First State Bank, Spearman.

A total of 31 percent of funds raised last year in the Crusade - \$597,911 - is being spent for research this year, including grants to investigators in Texas hospitals and medical schools. Areas under investigation by American Cancer Society grantees include the relation of viruses to cancer, irradiation therapy, chemotherapy (treatment by drugs), basic molecular research, and use of new diagnostic tools.

The second major allocation of funds was 28 percent to Public Education. This \$27,805 supplied free films, pamphlets, exhibits and posters for all Texans through school, church and civic groups and on display at shopping centers and convention sites. A new program in the public education effort was the development of a fleet of Cancer Mobile Van Exhibits, small trucks which contain moving exhibits on smoking and lung cancer, and on other major kinds of cancer.

Service to cancer patients by volunteers of the American Cancer Society used 13 percent of the funds this year. The \$248,351 purchased dressings, sickroom supplies and loan closet items which are all given to cancer patients upon authorization by a physician. Volunteers also provided transportation and a range of other services to cancer patients and their families.

Keeping the medical profession informed of the latest developments in cancer treatment required a program using 14 percent of funds raised - \$259,073. Films, speakers, meetings and tumor clinics for physicians, nurses, dentists and technicians, as well as Research Fellowships, are provided by the ACS.

Developing and administering programs of education and service cost a record low of 7 percent this year. Staff of the American Cancer Society act as resource personnel for the volunteer units of the Society in over 200 of Texas' counties. An additional 7 percent was allocated to costs of the educational campaign this year. This low figure has been explained by the Society as possible only because of the uncounted hours donated by volunteers, 75,000 of whom will conduct the campaign this year in April.

A new Cancer Education Survey will be a unique part of the Crusade this year. It is designed to give needed guidelines to American Cancer Society volunteers in planning the most effective public education programs for the coming years.

## Wedding Vows Exchanged By Amy Cator And Micheal Babbs

Ushering in Spring in the Gruver area was the April 24 wedding uniting Miss Amy Cator, daughter of Mr. and Mrs. Alvin (Spec) Cator of Gruver, and Mr. Micheal Curtiss Babbs, son of Mr. and Mrs. C. E. Babbs of Spearman, in a 3:00 p.m. ceremony at the Gruver Methodist Church.

Officiating at the double ring service was the Reverend Norman Grigsby, pastor of the Metho-

dist Church. Vows were exchanged at the altar which was graced with two cathedral tapers in tall brass candleholders and flanked by sunburst arrangements of white gladioli and mint green carnations.

A prelude of traditional nuptial organ music was presented by Miss Maelyn Cator, cousin of the bride, who also accompanied a trio of the bride's classmates, Misses Ida Lou Helton, Frances

Chesser, and Stephanie Hinton, as they sang "The Wedding Prayer" just prior to the entrance of the bride. Miss Helton also presided at the guest register.

Attending the groom as best man was Mr. Clayton Cochran, Spearman, with D. A. Cator, Gruver, brother of the bride, and Larry and Chris Babbs, brothers of the groom from Spearman, serving as ushers.

The radiant young bride, who was escorted to the altar by her father, paused to present her mother with a red rosebud and a kiss. For her wedding she chose the ballerina length wedding dress which had been worn by both of her older sisters, Larue and Eva, designed of gossamer white crystalline embellished with circlets of white self material at the hemline. Her elbow-length veil of illusion fell from a tiara of seed pearls. She carried a white Bible topped with a corsage of white rosebuds entwined with mint green streamers. For the traditional "something old, something new", the bride wore a new blue wedding garter and slipped a six-pence in her shoe.

The bride's only attendant was her sister, Angie, who chose a ballerina length gown of mint green organza, designed with a lace Empire overlay of matching green. She carried a nose-gay corsage of white Frenched canations entwined with mint green satin streamers.

Following the ceremony, the bride paused to present her mother-in-law with a red rose and a kiss as the couple left the Sanctuary.

For her daughter's wedding, Mrs. Cator chose a navy blue & white knit sheath designed with bell sleeves with which she wore a white satin cloche, white accessories and a white carnation corsage. The groom's mother chose a banana two-piece ensemble, beige accessories and a white carnation corsage.

Following the ceremony, a reception was held in the Fellowship Hall of the church with classmates of the bride, the Misses Karen Wright, Jackie Hudson, Cindy Benson, Sadie Thomas, Kathy Collins, and Janice Knudson, presiding. The bride's table, which was laid with white net banded in satin over white, accented by tiny clusters of lily-of-the-valley beribboned with mint green, was centered by one of the floral arrangements from the ceremony. Highlighting the table was the four-tiered wedding cake topped by a miniature bride and groom in a lacey heart-shaped archway. Complimenting the table decor was the crystal punch service.

Mr. and Mrs. Clair W. Stockdale of Gruver, Texas announce the engagement and approaching marriage of their daughter, Karen Antoinette Stockdale to Michael Clark Morgan, son of Mr. and Mrs. Jess H. Morgan of Albuquerque, New Mexico.

Miss Stockdale graduated from Spearman High School, West Texas State University and is now teaching in Albuquerque Public School System. Mr. Morgan has been recently discharged from the Navy and will return to New Mexico State University where he is majoring in Pre-Veterinary Medicine.

The wedding will be solemnized July 29.

## BRIDGE CLUBS

Mrs. Troy Sloan hosted the ladies bridge club last week in her home.

High score was won by Fern Robinson second by Martha Latham and the travelling prize was won by Martha Coursey.

Attending were Betty Hazelwood, Barbara Pendergraft, Fern Robinson, Martha Coursey, Martha Latham and the hostess.

Mrs. Henry Cornelius hosted the Short Club last week in her home with a luncheon.

Elizabeth Holton won high score and Helen Watson won second high. The penny pot was won by Barbara McClellan.

## Club Makes Plans For Cancer Drive

The Spearman Study Club met in the country home of Margaret Evans Monday, April 3.
