New Traffic Safety Program To Be Presented In January

There is a needed job to be done! And we do not have very long to do it! This job needs YOUR help! The 60th Texas Legislature will convene in Austin in January. YOU and I need to make our voices heard, loud and clear, to our Legislators, about the program on Traffic Legislation. So read on, and then call, write, wire or go to see your Legislators.

The business of saving lives goes on each day—holidays and all. And we all need to work at the business more diligently. Why? In people in traffic and involved 186,002 Texas last year, we killed 3,023 in nearly a million wrecks, and it cost \$493,667,000 to do it!

These Texas traffic statistics are APPALLING! We must have certain legislation enacted by our Texas Legislature if we are ever to make a significant reduction in these heart-breaking facts.

At the Texas Federation of Women's Clubs Board meeting in Austin October 5, 1966, Governor Connally listed a 7 point program of traffic safety legislation which he will present to the Legislature in January as follows:

1. Drive Education for all young drivers.
2. A revision of the Texas Driver License Law. To be included are a minimum driving age of 18, with a Driver Education license offered at all drivers under age 21; periodic reexamination of all drivers.
3. Severe penalties for driving while license is suspended or revoked.
4. Automatic suspension of license for serious traffic offenses, including driving while intoxicated.
5. Traffic Courts of Record.
6. Stricter motor vehicle inspection.
7. Additional men and higher salaries for the Department of Public Safety.

The Governor promised that he will do all that he possible can to get this program enacted. But it is responsibility rests upon all Texans to make our voices heard. The time for your voice and your influence to be heard is now—between now and the convening of the Legislature in January.

Did you know that an increase in automobile insurance rates was announced shortly after the close of the last session of our Legislature? The only way to bring automobile insurance rates down is to reduce the number of wrecks and many of the remedies for the problem lie in legislation.

So, please, won't you stop just long enough to write a card or make a phone call to your State Legislator and let him know that you are vitally interested in supporting the proposed program of Traffic Legislation?

Write to State Rep. Bill Barton

RESOLUTION PROMOTING TRAFFIC SAFETY

WHEREAS, Concerned citizens of our state are becoming aware of the ever increasing number of deaths and crippling injuries occurring on our highways, streets and roads each day; and

WHEREAS, One answer lies in the education of our youth in driver's training and traffic safety and the re-education of our drivers in traffic laws and motor vehicle operation; and

WHEREAS, The tragedies on our highways, streets and roads should cause us to promote:

Must Register For 1967 Vote

The poll tax requirement for voting was held invalid in February of this year by a three judge federal court. It based its ruling on the due process clause of the Federal Constitution. The court said this requirement was equivalent to a charge or penalty on the exercise of a fundamental right, & it indicated that any charge for registration would be illegal. The United States Supreme Court affirmed the decision.

Immediately following the three judge decision the State Legislature was called into special session and it adopted a new registration act. The major change in the law was that registration with the County Tax Collector should be without charge.

Under the law passed in February voters will register annually, as they have previously done, during the period of October 1 through January 31. A temporary registration was allowed in March 1966, but this was a one-time provision only.

You do not have to pay a poll tax now, but you must register. The time to do this is now. To be eligible to vote in 1967 elections, you must go to the County Tax Office and register. Dead line date is January 31.

Everyone from the age of 21 years through 60 must register in order to vote. If you are over 60, you are exempt. Although no State or National elections of importance are on the agenda now, there will be constitutional amendments, local bond elections school board city aldermen etc. coming up in 1967, so it is of utmost importance that you register before January 31.

MRS. RONALD CARL LONG
nee Carolyn Collard

One of the highlights of the Christmas social season was the December 23rd wedding of Miss Carolyn Collard, daughter of Mr. and Mrs. John R. Collard Jr., of Spearman, to Mr. Ronald Carl Long of Springfield, Colorado. He is the son of Mr. and Mrs. Carl W. Long of Springfield.

Reverend J. Wald Griffin, a former pastor, read the double ring ceremony in the First Methodist Church of Spearman at 7:30 p. m. before an altar flanked by white flocked evergreen tied with bright pink ribbon bows, and banked with swags of Christmas greenery. Lighted altar candles and spiral candelabrum completed the beautiful setting for the exchange of vows.

Mrs. Neill Pack, organist, played the traditional wedding marches and accompanied Miss Helen Collard, sister of the bride, who sang "Twelfth of Never", "Wordierial One", "Love I Come To You" and "The Lord's Prayer."

Matron of Honor was Mrs. Bill Elliot of Amarillo. Maid of Honor was Miss Shirley Andorle of Amarillo and Miss Cennie Kirtley of Boise City, Oklahoma served as Bride's Maid.

The Best Man was Mr. Lanny Long of Amarillo. Gery Long of Garden City, Kansas & Tim Argo of Canyon were groomsmen.

The bride, escorted to the altar and given in marriage by her father, wore a formal wedding gown of ivory peau de soi with a chapel train. The gown featured a decollete neckline and high-set empire bodice set off by seed pearls. Scalloped re-embroidered Alencon lace bordered the hemline and train and formed the beautiful bell sleeves. A crown of pearls and crystals held the tiered waist length veil of silk illusion. A single strand of pearls was her only jewelry. She wore the traditional blue garter and six pence in her shoe, carried a white Bible topped with a cascade bouquet of cape jasmine with touches of holly.

Attendants were gowned alike in long formals fashioned with cranberry velvet bodices and pink crepe sheath skirts. The empire line of each dress was set off with flat velvet flowers made of the cranberry velvet. They all wore three tiered veils which were held by crowns of cranberry roses and carried white tapers wreathed with pink crescent shaped flowers.

For her daughter's wedding Mrs. Collard chose a white suit with which she wore ivory and white accessories and a pink feather hat. The bridegroom's mother wore a bright pink dinner suit with matching coat. She wore a hat of pink feathers and black accessories.

Immediately following the ceremony reception guests were received in the fellowship hall at the Church. Mrs. Bud Faylow of Borger was the hostess. Presiding at the serving tables were Mrs. Elaine Odegaard and Miss Mary Vernon.

The bride's table was draped with a pink cloth and centered with silver candelabra and an arrangement of pink and white flowers. The beautiful three tiered wedding cake was topped with a miniature bridal couple.

The groom's table was laid with a white cloth and centered with a bouquet of red and white carnations and silver candelabra, and the chocolate cake.

For travel, the bride wore a navy blue knit suit with a white ruffled blouse, navy accessories and chartruse.

The couple is at home in Amarillo where the bride is a teacher in Travis Junior High School. The groom, who is now a teacher in the Viles Colorado school system, will move at mid-term to Amarillo schools.

Mrs. Long is a graduate of Spearman High School and West
