THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, JULY 8, 1976

A Grand And Glorious Birthday Party

R. L. Uptergrove and Jim Fowler are shown here putting the finishing touches on the Time Capsule the Baptists set early July 4th.

The 200th birthday of this great country of ours was celebrated in a grand and glorious manner by Spearman residents on July 4, and by residents of Gruver area on July 5.

The day-long activities in Spearman began with the setting of the time capsule at the First Baptist Church's early morning service. The capsule is supposed to be opened by members of that church in the year 2076.

The next thing on the list was the community worship at 10:30 a. m. in the Spearman High School auditorium, which was sponsored by the Ministerial Alliance. Several numbers from the musical "I Love America" were given at that time.

Citizens of Spearman gathered at the swimming pool park for a community picnic and for fun and games during the afternoon, which were sponsored by the Spearman Jaycees and the Spearman Volunteer Fire Department.

At five o'clock the big watermelon feed, also a project of the Spearman Jaycees, took place.

The musical "I Love America" was presented at 8 p. m. in the High School Auditorium by the community choir which included residents of Spearman and Gruver and surrounding areas. The inspiring musical message was well attended.

As a grand finale to the celebration, citizens moved to the Lynx Stadium for the beautiful fireworks display which was presented by the Spearman Chamber of Commerce. The stadium was practically full for the fireworks as well as people in the cars parked all around the stadium to view the fireworks.

A special thanks to these organizations, and all the individuals and businesses who donated money or helped in other ways to make this a memorable occasion to all who took part in the celebration.

Residents of the Gruver area enjoyed Sunday worship and family get-togethers on July 4 and the following day the celebration activities began at 9 a. m. with a "trike n bike parade" of gaily decorated two and three wheeled vehicles, followed by bike races for all ages.

The Boots & Slippers square dance club took center stage next with many enjoying watching the dancers perform the intricate steps to the calls of J. D. Wilbanks of Spearman, followed by the Gruver Music Club talent program featuring winners in the talent find for the 3rd, 4th and 5th grades.

These activities were followed by a "Stars and Stripes Cakewalk" and the "Liberty Splash" with many trying their skill at unseating whoever was atop the plank.

Free watermelon was fed to those attending, followed by sack races, horse shoe pitching, and other games.

Citizens then went to the Gruver Greyhound stadium for an impressive program. Center field was occupied by a giant four layer, eight foot tall, 200th birthday cake. Mrs. Ken Irwin led the singing of "The Star Spangled Banner" followed a inspirational invocation by the Rev. Milton Jochetz. "This Is My Flag" was presented by Bruce Ayres, accompanied by a chorus of the Les Barkley's, the Kermit McKee's, Mrs. James Dorman and Mrs. Richie Fletcher.

After the program, the highlight of the evening was the fireworks display that literally lit up the Panhandle sky.

Part of the community choir are shown here. The choir presented the inspiring "I Love America" Sunday evening before a large audience in Spearman High School auditorium.

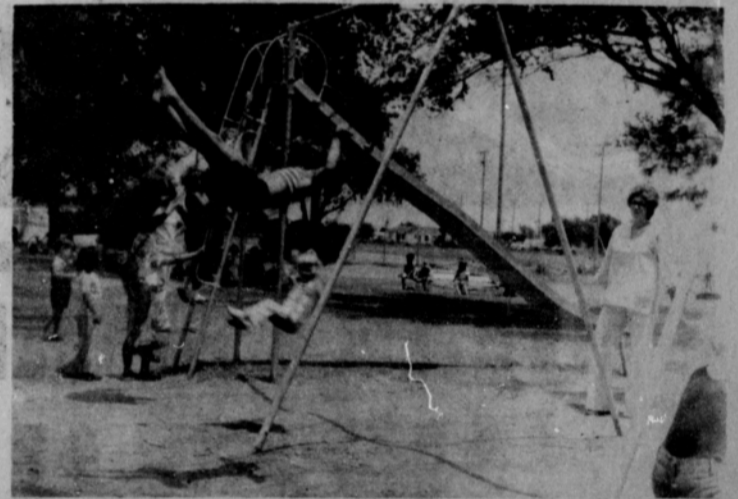

One of the family picnics held Sunday, July 4 in the swimming pool park.

Charles Littlejohn is shown with the trophies which were given away at the 1st Open Tennis Tourney held last weekend.

The McLain-Brock clan are shown here enjoying the 200th birthday of our country.

More visiting and fellowship at the Bicentennial Celebration Sunday in the swimming pool park.

Manpower Helps Employ Summer Help

SPEARMAN SCHOOL - Manpower employees Charles Ross, Mike Kizzlar, Arthur Cantu, Mike Barnes and supervisor Bert Williams, are pictured above. This group is re-doing the FFA stock barns at the school farm. The manpower program employs approximately 10 people in Hansford County.

COUNTY EMPLOYEE - Kelly Davis, works in the courthouse, and his supervisor is Judge Lee. The main office for Manpower is in Amarillo. Workers in the local offices are counselor-coordinator Cora Jean McLain and secretary Sherry Daves. Manpower works the year around, helping those who are under employed, unemployed and economically disadvantaged to find work.

Cora Jean McLain, supervisor of the Manpower program in Hansford county, is pictured with Kathy Volden, Connie Kizzlar, Yolanda DeLuna, and their supervisors Mark Neff and Richard Kilgore. This group works for the city of Spearman. The Manpower program is a division of Texas Panhandle Community Action in Hansford County.

COUNTY EMPLOYEE - Marcias Anderson is pictured with Cora McLain, and Linda Crawford (not pictured) works for the county.

LIBRARY EMPLOYEE - Patsy DeLuna, is pictured with her supervisor Celestine Thompson, and Ms. McLain. Manpower workers are usually placed in non-profit organizations.

Tests and observations
from four years of plant-
ings throughout the Great
Plains from Texas to Neb-
raska indicate that hybrids
containing greenbug resis-
tance should perform well
under heavy greenbug pop-
ulations.
In 1975 yield trials, he
says, yields of resistant
hybrids equalled those of
non-resistant or susceptible
hybrids where greenbugs
were controlled or absent,
and under greenbug attack
produced up to seven times
as much grain as the sus-
ceptible varieties.
"Although there are indi-
cations that widespread use
of greenbug resistant sor-
ghum will alleviate the sor-
ghum producer's green-
bug problem," Johnson says,
"Experiment Station scien-
tists are continuing to search
for new sources of resistance
to the insect pest and to
incorporate resistance into
new and improved varieties."
Breeding and evaluation
studies conducted by Ex-
periment Station personnel in
greenbug resistance have
been aided by a research
grant from the Texas Sor-
ghum Producers Board.

Warm weather means
that snakes become active,
and dogs are often the vic-
tims of such poisonous snakes
as rattlesnakes, copperheads,
and cottonmouth water
moccasins. Now a new
antivenin is available to
treat snakebitten dogs,
points out Jim Kuykendall,
county agent for the Texas
Agricultural Extension Ser-
vice.
The antivenin has been
licensed by the U. S. De-
partment of Agriculture and
is specifically recommended
for treating dogs bitten by
rattlesnakes, copperheads,
and cottonmouth water
moccasins. It is identical
to that used to treat human
snakebite victims and will
be marketed by Fort Dodge
Laboratories for use by or
on order of licensed veter-
inarians.
Kuykendall suggests that
individuals owning working
farm dogs or other pet dogs
that run the risk of being
bitten by poisonous snakes
might want to contact their
local veterinarian on propi-
etary measures that should
be taken following snake
bite. For the antivenin to
be most effective, it should
be used as early as possible
following exposure to venom,
emphasizes Kuykendall.
He explains that the new
antivenin for dogs is pro-
cessed from the serum of
horses immunized with the
venom of several poisonous
snakes. The antivenin has
been used successfully in
the Southwest on dogs with
mild symptoms from poi-
sonous snake bites. About
80 per cent of the dogs
with acute symptoms have
recovered following treat-
ment with the antivenin.

Livestock producers who
were forced to sell breeding
or dairy animals due to
drought conditions during the
winter and early spring may
delay paying taxes on any
profit.
According to an economist
for the Texas Agricultural
Extension Service, such a
forced sale is an involuntary
convention, and any taxes
on gains need not be paid
if the producer replaces the
stock within 24 months
from the close of the tax
year in which the animals
were sold.
If the producer fails to
make such replacement,
he must file an amended
return with the Internal
Revenue Service (IRS) for
the year of the sale and pay
the tax, points out Dr.
Wayne Hayenga.
In the year of the sale,
the producer must furnish
the IRS evidence of drought,
the amount of profit from
the sale, and the number of
animals sold as well as the
number he would have sold
under normal conditions.
As evidence of drought, the
IRS accepts records of below-
normal rainfall and poor
grazing, newspaper clippings
of U. S. Weather Bureau
reports, and reports from the
Texas Agricultural Extension
Service.
Losses from involuntary
convention are deductible in
the year they were sustained.
Hayenga urges producers
to check the Farmers Tax
Guide before reporting for-
ced sales of breeding or
dairy stock. A copy may be
obtained from the IRS or
any county Extension Office.

Swine suffer from influenza
each fall and winter just as
humans do. But the virus
that causes influenza in each
is not the same, so swine
should not be tabbed the
villains in the current con-
cern over a flu epidemic
this fall.
"The current influenza
danger is a human-to-human
problem and does not really
involve hogs or pork,"
emphasizes Dr. James Arm-
strong, a veterinarian for
the Texas Agricultural Ex-
tension Service. "Since pigs
or pork are not the cause
of human influenza, they
should not be associated
with potential flu outbreaks."
Armstrong lists a few facts
that human medicine and
veterinary science authorities
have agreed upon:
--Medical concerns center
on human-to-human air-
borne transmission of the
disease, not swine to human.
--There is no known prob-
ability of contracting the
disease from eating pork.
--Transmission of influenza
from swine to humans is re-
garded as a rarity to the point
of being a medical phenom-
enon.
--There is no scientific
certainty that the current
so-called swine influenza
in humans is the same
virus found in swine.

Influenza was first diag-
nosed in swine in 1918 and
took a heavy toll. However,
it has recurred each year
since then, with losses gen-
erally low--ranging from
one to three per cent.
Armstrong points out that
the disease spreads rapidly
in swine herds but most
animals recover in 3 to 10
days. Stunting and reduced
gains are the most impor-
tant economical factors.

The greenbug, an aphid
which attacks small grain
grain and sorghum, has
cost sorghum producers in
excess of 10 million dollars
annually since 1968, the
year High Plains crops
suffered the first serious
greenbug infestation, John-
son adds. When greenbug
resistance was found in Tuni-
grass derivative lines and
other grassy, non-adapted
sorghums from the World
Sorghum Collection, Texas
researchers set out to in-
corporate that characteris-
tic into lines that could be
used in hybrids for High Plains
production.
Since then, Johnson says,
thousands of breeding lines
have been evaluated in the
greenhouse and in the field.
In 1972, the Texas Agricul-
tural Experiment Station
released its first greenbug
resistant material with the
distribution of two green-
bug bulks, TAM BK-41 and
TAM BK-42.
In 1974, two other germ-
plasm bulks, TAM BK-43
and TAM BK-44, were re-
leased as well as two green-
bug resistant yellow endo-
sperm pollinator lines, TAM
2567 and TAM 2568. Some
of the greenbug resistant
hybrids available this year
have these yellow endo-
sperm pollinators as the male
parent.
Johnson says that some
commercial companies
obtained greenbug resistant
material as it became
available and incorporated
it into their breeding lines.
Some of the greenbug re-
sistant hybrids marketed
in 1976 were developed in
this manner by commer-
cial companies.
With greenbug hybrids
on the market for the first
time this year, Johnson
says, producers expect
their sorghum crops to pro-
duce good yields even in
the presence of heavy
greenbug populations.

Large or small, we finance 'em all!

Big Wheel Auto Loans

You can apply our bank rate financing to anything
from a zippy sports car to a heavy duty rig. You can
buy a new or late-model-used car with our help.
Because "Big Wheel Loans" describes the kind of
treatment you receive. It doesn't limit the type of
purchase we'll finance. Big Wheel Loans prove how
good it is to go around in our circle.

June Tournament winners pictured at the El Vaquero from the left, Ann Sanders Medalist and Winner Championship Flight; Margaret Briscoe, winner 1st Flight; Juanita Logsdon, winner, 2nd Flight; Billie Carol, winner 3rd Flight.

Ladies Golf Tourney Held

Well attended was the Hansford County Ladies Golf Tournament held last Tuesday with players participating from Dumas, Perryton, Liberal, Borger, Panhandle, Guymon, Spearman, and Gruver. Mrs. Ann Sanders of Spearman was the Medalist with a 36, winning 1st place in the Championship Flight with a 76. Second place winner was Billie Nichols of Panhandle with 79; and third, Sue Vestal of Guymon with 81. First Flight Winners were Margaret Briscoe of Spearman, 89; Kelly Shapley of Gruver, 91; and Buena Lyon of Spearman, 92. Second Flight winners were Juanita Logsdon, Gruver, 96; Doris Davidson, Spearman, 100; and Mary Wyatt of Perryton, 103. Third Flight honors went to Billie Carol of Spearman, 107; Faye Cunningham, Spear-

man, 108; and Tommie Childress of Liberal, 110. The longest drive was won by Mary Jane Wilkerson of Guymon. The "closest to the pin" winner was a tie, Vivian Armstrong of Perryton and Texie Fisher of Memphis. "Least puts" was also a tie between Ann Sanders and Sue Vestal. Following the day's play, a luncheon was held at the El Vaquero in Gruver with prizes and awards being made following the afternoon meal. The Ladies Golf Association would like to say a big "Thank You" to the merchants who donated door prizes including the T, G, & Y., Gift Box, C&B Studio, Spearman Jewelry, Reed's Shoes, B&B Sales, Sacks Third Avenue, Beedy Furniture Company, Chambers Ladies Wear, Cate's Men's Wear, Baker's Department Store, and Ideal Grocery all from

Wedding Is Announced

Karen Waggoner and Howard Motley Jr., were united in marriage June 24 in a double ring ceremony, performed at the Grace United Methodist Church in Okla. City, Okla. Karen, the daughter of Mr. and Mrs. Johnnie Waggoner of Spearman, was a 1971 S.H.S. graduate, and attended Southwestern State College where she received her Secretarial Science certificate. She was a member of Sigma Kappa Sorority. Howard is the son of Louise and Howard Motley Sr., of Tecumseh, Okla. He attended the University of Oklahoma, majoring in accounting. He is a member of Alpha Sigma Phi Fraternity. Both are presently employed by Oklahoma Corporation Commission. The couple are at home in Okla. City.

Rotary Club Install Officers

The Spearman Rotary Club and Perryton Rotary Club held their joint installation banquet Thursday, July 1st at the Perryton Club in Perryton. The daughters of the music director of the Perryton schools furnished the entertainment, with several musical selections. Ed Garner introduced John Tyler, 1976-77 District Governor from Midland, who installed the following officers: President for Perryton- Kenneth McKay; Officers for Spearman Rotary-President-Junior Lusby; Vice-President- John Hutchison; and Directors-Ed Garner and Jim Brown. Those from Spearman who were present were Mr. and Mrs. John Lynn, Mr. and Mrs. Elzey Vanderburg,

Mr. and Mrs. Eddie Limbocker, Mr. and Mrs. John Hutchison, Mr. and Mrs. Pete Fisher, Mr. and Mrs. John R. Colvard, Jr., Mr. and Mrs. Ed Garner, Mr. and Mrs. Jack McWhirter, Rev. and Mrs. Don Wirsdoffer, J. L. Brock, Jim Brown, Peyton Gibner and guest. Our Heritage of Faith...

notes from Faith Lutheran Church. The 4th of July celebration was a big success and now we as a nation must continue to work for the freedom and rights we have. We can never say, "we have arrived" or that, "now we are finished the job is done". This is true of our Christian faith too. We can never say, "now we are finished". Our faith must continue to grow and work. Everyday we need to re-commit our lives to our Lord and Savior. Commitment is the key to the future of the United States and our own lives. We as a people need to commit our lives first to Christ, and then to our nation. This combination is one that creates a strong and healthy nation. The problems that will arise in this 3rd century of the United States will need a strong and healthy nation to confront them. Commitment, true loyalty is what the people of the United States needs at this very moment, the faith in Christ and loyalty to nation. As it is written in 1 Timothy 6:12, "Fight the good fight of the faith; take hold of the eternal life to which you were called when you made the good confession in the presence of many witnesses". This has to be our goal for the 3rd century of the United States. We need to be witnesses to Christ in the whole world and if we do this then we will find that true peace we all seek. If you have no home of worship we invite you to come and worship with us at Faith. This Sunday we will have our Communion Service. Time is 9:30 for morning worship and 10:30 for Sunday School.

Libby's Canned Food Sale advertisement featuring various products like Golden Corn, Sweet Peas, Fruit Cocktail, Whole Tomatoes, Sliced Peaches, Green Beans, Canned Pop, Camelot Flour, Saltines, Bath Powder, and Efferdent. Includes prices and product images.

Helen Littlejohn and Kip White defeated Chuck Steele and Sheila Watley in the mixed doubles to claim the championship crown. In the over 30 men's

division, Chuck Steele was the winner over Gene Duncan, and in the Doubles Bob Meek and Ray Gressett defeated Chuck Steele and L. A. Myers.

Meeting Set On Palo Duro Creek

An announcement has been made of a public meeting on Palo Duro Creek to be held July 22, 1976 at 7:30 p.m. in the Spearman High School Auditorium, 403 E. 11th Street, Spearman. Congress has directed the Corps of Engineers to investigate the water resources of the Canadian River Basin. A long range plan will be

developed to serve flood control, water supply, water quality, irrigation, recreation, and other water resource problems.

As a part of the Canadian study, the Corps is investigating Palo Duro Creek, a tributary of the North Canadian River, located in the Texas and Oklahoma Panhandles.

The purpose of the public meeting is to discuss the water resource problems and needs of the Palo Duro Watershed, to furnish information on the investigation,

and to give everyone interested an opportunity to pose questions and express views. Citizens input is needed in order to develop plans that meet all the public needs and preferences. Invite all your friends, etc. to this meeting, and bring any information you think might be useful.

If it is not possible for you to attend the meeting, you may send your comments to Palo Duro Creek Investigation, Corps of Engineers, PO Box 61, Tulsa, Okla. 74102.

CB Club Plans Social

The Spearhead Breakers C. B. Club had its monthly meeting Thursday July 1st at 8:00 p.m. in the Home Demonstration Clubroom.

President-Sidewinder called the meeting to order. Secretary-Penny Candy read the minutes. Ways & Means committee Chairman Lady Arrowhead presented the club with a report on the committee activities, and a special thank you to each club member for their work. Lucky Louise gave a very good report on the club again this month.

Penny Candy won the door prize.

There is still C. B. radio tickets for sale at 1.00 each. Donations going to the C. B. Club. Eight page C. B. handle sheets for 1.00, and log books. They may be purchased at the following places: Penny Candy-715 S. Bernice; Gypsy Rose-112 S. Bernice; Lady Arrowhead-201 S. Endcott; and Lucky Louise-503 Oklahoma. A also driftwood conversation pieces at Snow Byrd-508 S. Bernice.

There is a club social being planned for later this month. Time and place will be announced by the Program Chairman, Gypsy Rose.

Lucky Louise was presented with Special Convoy reward. We hope he will consent to lead our convoy to the Borger Jamboree, July 10th and 11th.

Other awards were presented to the following club members: Bucket Mouth-Coffee Pat-Bull Shipper-Three Time Loser-Fastest Trigger-Rum Dum-Batchett Jaws-Piano Player-Bleed over-Lucky Louise-Channel Peeper and Penny Candy.

We had two new members.

James Cook-Blue Gram and Treva Cook-Sugar Cookie. Their was two C.B.'s of the month. Snow Byrd for her devoted work in the club and Cave man-who sold the most C. B. radio tickets.

The meeting was adjourned and refreshments were served to the following club members: Sidewinder-Phillip Stumpf; Daisy Mae-Carol Stumpf; Cave man-Jim Thomas; Penny Candy-Penny Thomas; Lucky Louise-Louis Melsner; Saddle Queen-Mary Melsner; Little Cowboy-Greg Melsner; Little Blossom-Teresa Melsner; Snow Byrd-Jean Byrd; T-Bird-Edwana Byrd; Wild Willie-Bill Crouch Sr.; Gypsy Mama-Betty Crouch; Diesel-James Owens; Blue Goose-Jerry Bowling; Blue Goose-Lady-Sue Bowling; Ryan's Daughter-Georgia Washington; Coffee Pat-Don Schell; Fuse Box-Tim York; Piano Player-Charlie Phillips; Bell Maker-Donna Phillips; Kim Murrell; Gypsy Rose-Teresa Russell; Busy body-Teresa Russell; Sugar Cookie-Treva Cook; Lady Arrowhead-Donna Cook.

Next Club meeting will be August 5th at 8:00p.m. at the Home Demonstration Club Room.

Thrift Shop Having Sale

The Thrift Shop will be having a nickel sale Saturday, July 10th from 2:00 till 4:00 P.M. Everything in the shop will be priced a nickel. The Thrift Shop is located behind Hansford Library.

Bessie Selz Services Held

Graveside rites were held Tuesday afternoon at Pilor Point for Mrs. Bessie Selz of that city. Mrs. Selz passed away Sunday evening. She was well known in Spearman, having visited many times here with her sister, Mrs. Eddie Faye Miller.

Mrs. Miller and Mr. and Mrs. Billy Miller attended the funeral.

Survivors include her son Dr. Val Selz of Bridgeport, and three grandsons.

Letter To The Editor

Dear Billy,
I think you yelling, "Peace Baby" at each other has done some good. This was the nicest 4th I've ever seen in Spearman, and I was born here—14 miles from here. I just loved every minute of it. I was told this type thing started last year, but of course I was with mother in the hospital.

I want to thank everyone involved. 'Twas wonderful and Peace Baby to everyone. Martha Delon P. S. to Admirer: Right On. Let's keep those girls. They are excellent cat finders, Julio, (the tennis court menace) wanders around like his father and all cats. He has a problem tho--he can't find his way back home. He's not dumb, he just needs a compass.

"Calming the Storm" will be the subject of Pastor Ed Freeman's sermon at the service for the public worship of God, Sunday, July 11 at 11:00 a.m. at the First Presbyterian Church, 11th and Cötter.

There will be an open house at the Presbyterian manse, 1100 S. Barkley, Sunday, July 11, from 2:00 to 5:00 p.m.

Halee Reed Wins 2nd At 4-H Show

Halee Reed won 2nd place in Halter Class 7, with her grade gelding at the 4-H District 1 Horse Show held last week in Amarillo.

Some 250 contestants from 20 High Plains counties comprising District 1 of The Texas Agricultural Extension Service competed in the show.

Halee is the daughter of Mr. and Mrs. A. D. Reed, Jr.

May Bond Sales Noted

May sales of Series E and H United States Savings Bonds amounting to \$2,274,000 in Hansford County were reported today by County Bond Chairman C. A. Gibner.

Sales for the five-month period totaled \$46,637 for 52% of the 1976 sales goal of \$90,000.00.

Sales in Texas during the month were \$23,323,839 -- while the year-to-date sales totaled \$118,488,815 with 44% of the \$272.4 million 1976 sales goal achieved.

VA Home Loans Exceed Nine Million

Home loans guaranteed by the Veterans Administration have exceeded the nine million mark, Jack Coker, Veterans Administration Regional Director, reported today.

Of the 9,001,120 loans guaranteed by the VA -- totaling \$119.7 billion -- nearly 4.8 million have been repaid in full, Coker added.

Since the GI home loan program began in 1944, veterans of World War II, Korea, post Korea, and the Vietnam era have benefited from the more liberal financing terms offered by lenders on VA-guaranteed mortgages.

The VA operates three programs to assist eligible veterans to become homeowners -- loan guaranty, direct loan and grants for specially adapted housing

for severely disabled veterans.

Coker also reported the amount of loan VA will guarantee is limited only by the appraised value of the home and the capacity of the veteran to repay the loan on installments. Direct loans made by the VA however, are subject to a maximum of \$25,000. In many instances veterans obtain guaranteed or direct loans without down payments.

Specially adapted housing grants may be made to cover not more than one-half of the cost of the dwelling and lot, with a maximum grant of \$25,000. A guaranteed or direct loan is available to finance the remaining cost.

Loans for the purpose of acquiring a single-wide mobile home cannot exceed cost or \$12,500.

The Veterans Housing Act of 1970 removed the delimiting date on veterans' GI home loans.

Another law enacted in 1974 permits veterans who have used their home loan benefit to regain entitlement, provided the veteran has disposed of the property and the loan has been paid in full.

Entitlement also may be restored to a veteran if another credit worthy veteran assumes the balance on the VA loan and substitutes his own entitlement. Coker pointed out.

Requests for restoration of GI home loan benefits in 1975 totaled 56,334, of which 43,050 were approved.

For the past year the VA has been permitted to approve condominium projects for guaranteed loans without the previous stipulation that Housing and Urban Development must have insured loans in the same project.

Approved requests for condominium project

acceptance have totaled 158 with 3,400 units approved for loans.

Complete loan information may be obtained from any VA office.

For a double-wide unit, the maximum loan is \$20,000, or \$27,000 for a double-wide unit and an undeveloped lot.

The maximum term for single-wide mobile homes is 12 years and 20 years for a double wide. The maximum term for conventional homes is 30 years and 32 days.

County Agents Report

Many people believe that adding gypsum or calcium sulfate to soil will have nothing but beneficial effects. However, using gypsum on the wrong type of soil or using it too liberally can cause problems, points out Jim Kuykendall, county agent for the Texas Agricultural Extension Service.

Gypsum can improve the structure and physical conditions of heavy clay soils, especially if there is a high sodium content. In such cases, the gypsum improves the structure of the soil by producing aggregation, resulting in better aeration and better water penetration. Gypsum also provided a source of soluble calcium.

However, in most sandy loams and similar soils, gypsum can do little to improve the soil structure, notes Kuykendall.

Likewise, adding gypsum along with a high rate of fertilizer or where irrigation water contains salt may create a salinity problem.

If gypsum is determined to be helpful as a soil amendment, Kuykendall recommends applying the material at a rate up to one ton per acre, or 50 pounds per 1000 square feet. Two applications per season can be made on extremely tight clay soils that have a very serious physical structure problem.

As with other soil amend-

ments, indiscriminate and excessive use of gypsum can only lead to trouble, especially on sandy soils and on acid soils with a pH below 5.5, cautions Kuykendall. If calcium is needed on peanut land that has a pH below 6, agricultural limestone is the preferred source. Where gypsum is used, rates should not exceed 400 to 600 pounds per acre.

Gypsum has a place in improving soil structure in clay soils but it should not be used too heavily at any one time. Lighter rates applied once or twice a year are generally best, adds Kuykendall.

Linda Crawford Receives Grant

Linda Crawford, Director of Hansford County's Stationmaster's House Museum in Spearman is the recipient of a grant from the National Endowment of the Arts to attend Cooperstown Graduate Program in Cooperstown, New York.

Cooperstown's Graduate Program is a branch of the State University of New York. Only 30 students were accepted in this program out of 400 applicants.

Miss Crawford will receive her Master's Degree in advanced Museology after completing this course.

There are six museums in Cooperstown which is a community of 2,400 population. Miss Crawford will be working in these museums as part of her training.

This Grant is comprised of tuition, traveling expenses and \$250.00 a month for one year.

Miss Crawford, the daughter of Mr. and Mrs. R. M. Crawford of Gruver is a graduate of Gruver High School and the University of Texas at Austin. She started working on her Master's Degree at Texas Tech University at Lubbock last spring.

Miller Family Reunion Held

The Miller family reunion was held Saturday and Sunday, July 3rd and 4th in Laverne, Oklahoma in the home of Dr. and Mrs. Anthony Lenz.

Mrs. Ella Shaw of Buffalo, Oklahoma was present along with nine of her children, seventeen grandchildren and seven great grandchildren.

Her children, who were present were Mr. and Mrs. Andy Miller of Higgins, Texas; Dr. and Mrs. Anthony Lenz and three children of Laverne, Okla.; Mr. and Mrs. James A. Miller, James Jr., and Tammy from Fayetteville, N. C.; Mr. and Mrs. Wayne Miller of Mobile Alabama, Mr. and Mrs. Aaron Love of Spearman, Texas, Mr. and Mrs. Bill Powell and daughter of Fritch; Mr. and Mrs. Leslie Miller and two children of Laverne, Okla.; and Mrs. Charles Campbell and son of Woodward, Okla.

Grandchildren present were Mr. and Mrs. Carl Hogue and Mr. and Mrs. Roy Moran all of Fritch, and Mr. and Mrs. Jack Love and three children, Mr. and Mrs. Eugene Yarbrough and two children, and Mrs. Shirley Hall and two children, all of Spearman.

Also present were Mrs. Shaw's sister-in-law, M. S. Lois Brown of Shattuck, Oklahoma and her son, Mr. and Mrs. Bill Brown, also of Shattuck.

All present enjoyed the town's bi-centennial celebration which included an Arts & Crafts Show, singing at the park with live bands, the town's free barbecue which included buffalo meat, beef and deer, and roped off by the fireworks display Sunday evening.

Mrs. Shaw's birthday was also celebrated by those present.

Easter Seal Action Line

A new service for disabled Texas children and adults, called "Easter Seal Action Line", has been initiated by the Easter Seal Society for Crippled Children and Adults of Texas. Easter Seal Action Line's 24 hour toll-free number, 1-800-492-5555, can be used by disabled persons and their families to obtain information regarding help they need.

William F. Russell, Executive Director of the Texas Easter Seal Society, reports, "Many people, especially in the rural area, don't realize how many services are available for the handicapped today." The Easter Seal Action Line is designed to serve as a link between the handicapped and those services. With just a phone call, persons can receive that assistance in helping them to locate service they need, where it can be ob-

tained, and who can provide it for them.

Among the many services available through the Texas Easter Seal Society Action Line are speech, physical, and occupation therapies, evaluations, purchase of needed orthopedic equipment, all of which require a medical doctor's authorization. The Texas Easter Seal Society pledges to make every effort to locate the needed service if that service is offered in the State of Texas. The Texas Easter Seal Society makes these services available to the handicapped of all ages.

Any handicapped person or anyone who knows a handicapped person who needs help in locating a needed service is urged to call the toll-free Easter Seal Action Line, 1-800-492-5555, Day or night, 7 days a week.

Consumer Food News

Turkey prices are attractive in Texas grocery stores currently--with drumsticks providing "a lot of meat for the money," Mrs. Gwendolyn Clyatt reports.

She recommends turkey for summer meals, starting with rotisserie-roasted turkey for example, then using leftover turkey for sandwiches, salads, and casseroles.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Other poultry economy focuses on eggs--"a very reasonably priced protein food, even though prices have advanced slightly," she said.

At dairy counters, consumers can expect some features on milk, yogurt, sour cream and a variety of cheeses.

In produce sections, economical items are those that are seasonal and in good supply--including watermelon, peaches, grapes, plums, nectarines and strawberries, Mrs. Clyatt added.

Also cabbage, carrots, snap beans, dry yellow onions, green peppers, corn, soft-shell squash and tomatoes.

"Honeydew melons are not so plentiful, but supplies of cantaloupes are adequate and prices reasonable," the specialist noted.

Along grocery store aisles, look for specials on tuna fish, peanut butter, shortening, catsup and canned tomatoes.

At beef counters, economy buys are the less tender cuts, such as chuck cuts, round steak, short ribs and rump roasts.

"These cuts require longer cooking time, but using a meat tenderizer--or a marinade--assures greater tenderness, and the flavor will match or surpass that of more tender cuts," Mrs. Clyatt said.

Consumer Watchword: Good-quality watermelons are firm, symmetrical, and fresh looking with a velvety "bloom" on the surface. The lower side is usually yellowish in color--compared to a white or pale green color on an immature melon.

Social Security

Quarterly wage reports and social security contributions for household workers are due by August 2, according to Howard L. Weatherly, Branch Manager of the Pampa Social Security Office.

"People who pay a household worker \$50 or more in cash wages in any 3-month quarter must send a report of the wages, along with the social security contribution, to the Internal Revenue Service within one month after the end of the quarter," Weatherly said.

Quarters are January-February-March, April-May-June, July-August-September, and October-November-December. Wage reports and social security contributions for the 2nd quarter of 1976 are due by August 2, he said. "The date would be July 31, but July 31 falls on a Saturday this year," he said.

People who employ household workers may file the wage report on a form available at any Internal Revenue Service Office--Employer's Quarterly Tax Return for Household Employees (for Social Security).

The social security contribution for household employee is 5.85 percent of covered wages, and the employer pays a matching amount.

Social Security contributions help build retire-

ment, disability, survivors, and Medicare hospital insurance protection for workers and their families. People who employ household workers can get a free copy of the leaflet, "Social Security and Your Household Employee," at the Pampa Social Security Office located at 1541 North Hobart Street, Weatherly said.

July 4th Date Available On Savings Bonds

First State Bank of Spearman will, on request, issue Bicentennial-design Series E Savings Bonds dated July 4 to over-the-counter customers between July 1st and July 30th. This special commemoration of our nation's 200th birthday will have no effect on the terms and conditions effective on the bonds.

In announcing this special opportunity, Peyton Gibner, president of the bank said, "We are extremely pleased to be able to offer everyone in this area a chance to make the purchase of Savings Bonds a truly Bicentennial event. Those bonds bearing the July 4 date will make perfect souvenirs of our birthday celebration that everyone will want to have and keep for many years to come."

Denominations of the Bicentennial-design Series E Savings Bond range from \$25 to \$1,000, with purchase prices of \$18.75 to \$750.00.

TAES Field Day Set

The 6th annual edition of the Texas Agricultural Experiment Station Field Day for Lubbock and Halfway, which highlights a variety of crop research programs on the Texas High Plains, has been set for Tuesday, Sept. 14.

The Texas Agricultural Experiment Station at Halfway, located 14 miles west of Plainview is host this year, according to Dr. Bill Ott, resident director of the TAES Lubbock Experiment Station, and Dr. Bill Lipe, field day chairman.

In the past, field days at the Lubbock and Halfway Stations have been held two days apart, but this year will begin an alternate year

arrangement, says Ott. The field day will be at Halfway this year and at Lubbock next.

Scheduled for this year's event is a five-stop field tour of the Halfway Station research sites and facilities. Machinery displays presented by area implement dealers will be an added attraction. Stops along the field tour include research plots for corn and sorghum insects,

soil fertility, weed control, short-season and cotton varieties.

ment Station, USDA-ARS, NWS, and the Texas Agricultural Extension Service will be on hand for all programs, say the TAES officials.

JACK & JILL PLAY SCHOOL

A census is being taken of parents of 3-year olds to pre-school aged children to see if there is enough interest for a licensed play school during the school months under the supervision of Kathi Whitefield and Jody Rex.

The facility for the school is presently being remodeled.

Please contact the following numbers before July 13, 659-2013 or 659-2265.

I, Freeman Barkley, Vice President & Cashier of the above-named bank do solemnly swear that this report of condition including the information on the reverse side hereof is true and correct, to the best of my knowledge and belief.

Correct--Attest: Freeman Barkley (Signature of officer authorized to sign report) C. A. Gibner, Gene Cudd, Erlis Pittman (Directors)

State of Texas, County of Hansford, sworn to and subscribed before me this 6th day of July, 1976, and I hereby certify that I am not an officer or director of this bank. My commission expires 6-01-77. Felma B. Evans, Notary Public.

Place for official seal to be affixed by officer before whom acknowledged. Notary must not be an officer or director of the bank.

PEGGY'S POINTERS

Have you had problems of spoilage of home canned foods? Take a look at the jars and lids you have been using. Do the jars have chips or nicks at the top? If they do this can cause a poor seal--thus spoilage. Do not use these jars for canning.

Do you tighten the two piece lid as tight as you can get it before and after processing? If you do, this can cause the sealing material to be broken--and again spoilage.

What can you do? Run your finger around the tops of jars and inspect them visibly to make sure they are smooth and free from nicks and cracks.

If two-piece, self-seal lids are used, follow the manufacturer's instructions in adjusting the lid and tightening the metal ring. After processing, when the canned product is thoroughly cool, take off the metal ring, if possible without forcing. If the ring sticks, cover it with a hot, damp cloth for a minute or two to loosen. Then wash them to prevent rust and they may be used again. However, the lid may be used only once.

What is the best way to store canned foods? They should be stored in a clean,

cool, dark, dry place. Canned food kept in a warm place may change in color and flavor.

How long should home canned food be stored? It is wise to use all of it within a year.

Freezing does affect canned foods. Canned foods that have been frozen may have undesirable changes in flavor and texture. However, they will not spoil unless the seal is broken.

More questions about canning and freezing? Come to the Countywide Home Food Preservation Clinic, Thursday, July 8, from 2:00 - 4:00 p.m. at the Home Demonstration Clubroom in Spearman. We've got answers for you!

The 1966 Spearman Graduating Class held their ten year class reunion Saturday, July 3rd at the County Barn.

Registration began at 10:00 a.m. followed by visiting with fellow classmates. A lunch of sandwiches, chips, and cookies was enjoyed by classmates and their families.

At 1:30 p.m. Allen Alford, Principal of the Elementary School, conducted a tour of the high school, the Lynx Stadium, and the Junior High building. The most noted changes since graduation were the Lynx Stadium, the Junior High Cafeteria, and the old Cracker Box Gym.

The remainder of the

afternoon was spent visiting with former classmates, friends, and teachers.

A table was set up containing the 1966 annual, mementoes of high school days, a purple and white stuffed football and basketball, and a bulletin board of letters and pictures from classmates who could not attend.

A table was also set up in memory of our deceased classmates, Tommy Gibner, Lynn Buzzard and Ike Richeson, containing their pictures and the book, "Friendship", which were signed by classmates to be presented to their parents.

A delicious barbecue supper, catered by Supten's

of Boger, was enjoyed by classmates, their husbands and wives, Ike Richeson, Mr. and Mrs. Jack McWhirter and class sponsor, Worley Smith and his wife, Kim.

The invocation was led by Rev. Rennie Berry.

The following awards were presented by class president, Larry Babbs. Richard Pipkin was voted most bald and was presented a terry cloth hair brush.

A Most Changed Person Plaque was presented to Darrell Addison, and James Ownbey received a statute of Linus with his security blanket for being the Least Changed Person.

Richard Laird received a bottle of "Red Hot" birth

Control Pills for having the most children, Kenneth Shufeldt, who is stationed in Spain with the Navy, received a travel kit containing a miniature commode and toilet paper for being the one who traveled the longest distance.

Following the presentation of awards, Mr. and Mrs. Jack McWhirter presented a movie film they had taken last year of their trip to Norway, where they visited Geir Overland and his family. Gier attended Spearman High School as a 1966 Senior as Spearman's first foreign exchange student.

The class decided to have another reunion in five years with Phyllis Davis Collins in charge of the get-together.

The evening closed with the school song, led by Worley Smith and followed by pictures.

The following 38 classmates, who attended with their families were: Kenneth Shufeldt, Spain; Ann (Jackson) Nickles, Amarillo; Donna (Love) Yarbrough, Spearman; Susan (Holt) Kidder, Amarillo; Richard Laird, Spearman; Francis Whitson, Dumas; Bethany (Donnell) Haag, Houston; Larry Butt and Robbie (Ownbey) Butt, Sunray; James Ownbey, Denver; Colorado; Susan (Hutchison) Ownbey, Vinita, Oklahoma; Bette (Brown) Bailey, El-dorado, Arkansas; Ginger (Schneider) Turner, Spearman; Arbeta (Tackdt), Nobles, Spearman; Donna Gilley, Spearman; Frank Shields, Spearman; Toni Jo (Morgan) Grimm, Lub-

bock; Terry (Hudson) Ridenhour, Spring, Texas; Debbie (Craig) Crouch, Spearman; Cecilia (Wilson) Mason, Winston-Salem, N.C.; Gary Gray, Dumas; Darrell Addison, Odessa, Texas; Harrel Addison, Madisfield, Texas; Gary Payne, Wiford, Oklahoma; Phyllis (Davis) Collins, Spearman; Phillip Stumpf and Carol (Close) Stumpf, Spearman; Rev. Rennie Berry, Mulvane, Kansas; Cindy (Henderson) McGhee, Crowley, Texas; Larry Holt, Spearman; Linda (Smith) Green, Plainview; Merry Ellen (Pittman) Allison, Perryton; Rick Howter, and Richard Pipkin of Spearman.

Class members who attended Spearman all 12 years were: Matt Brillhart,

Texhoma Livestock Commission Report

Dear Cattlemen: The receipts at the Texhoma Livestock Commission Co., yesterday, July 1st were 1693 cattle and calves of all classes. The market was steady with last week on the plainer cattle, but not many desirable cattle were on hand for quality.

Steer calves were selling from \$36.00 to \$40.00 per cwt. Heifer calves sold from \$31.00 to \$35.00 per cwt. Feeder steers weighing 600# to 750# sold from \$36.00 to \$38.70, and feeder heifers weighing 600# to 700# sold from \$35.00 to \$36.40.

Packer cows were bringing from \$27.00 to \$30.00 per cwt., bologna bulls \$32.00 to \$34.00 per cwt.

Some representative sales as follows: 12 WF Steer Calves-Avg. Wt. 410# @ \$36.25 per cwt.; 10 WF Steer Calves-Avg. Wt. 495# @ \$39.00 per cwt.; 10 Char Steer Calves-Avg Wt. 529# @ \$36.00 per cwt.; 9 Char Steer Calves-Avg Wt. 400# @ \$38.00 per cwt.; 23 WF Heifer Calves-Avg Wt. 410# @ \$30.75 per cwt.; 19 BL WF Heifer Calves-Avg. Wt. 400# @ \$31.25 per cwt.; 10 WF Heifer Calves-Avg. Wt. 390# @ \$32.75 per cwt.; 5 WF Heifer Calves-Avg. Wt. 390# @ \$32.80 per cwt.; 20 WF Feeder Steers-Avg. Wt. 680# @ \$38.60 per cwt.; 9 WF Feeder Steers-Avg. Wt. 780# @ \$38.60 per cwt.; 13 WF Feeder Steers-Avg. Wt. 705# @ \$38.00 per cwt.; 40 WF Feeder Heifers Avg. Wt. 640# @ \$36.40 per cwt.; 10 BL Feeder Heifers-Avg. Wt. 626# @ \$35.10 per cwt.; 42 WF Feeder Heifers-Avg. Wt. 550# @ \$33.60 per cwt.; 33 WF Feeder Heifers-Avg. Wt. 559# @ \$33.60 per cwt.

For next week, July 8, we're expecting 1500 cattle and calves of all classes. The auction will begin at 10:00 a.m. We are expecting some better quality cattle for next Thursday's sale, including one special consignment of 69 five-year-old Brangus cows with calves at side and heavy springers. We feel the harvest, vacations and the holiday-weekend limited our sale this week, and expect better offerings for next week.

We are now taking consignments for all of July. Please consign your cattle as early as possible so we can advertise to our buyers. Visitors are always welcome at our auction. We have comfortable facilities here, so come in and visit us at any time. There is a good restaurant in the building and our ring is air-conditioned for your comfort. Texhoma has a well-lighted airport for anyone wishing to fly in for our auction.

We are here to serve you, so give us a call at any time at our office, or call Lloyd Goodner at his residence: 406-423-6601.

Sincerely, Lloyd Goodner, Gen. Mgr.

Xerox machine to print our programs and to Allen Alford for the guided tour of the school facilities.

Winners In Drawings

Jim McLain won the miniature fire truck which was given away by the Spearman Volunteer Firefighters.

Susan Delk won the Stationmaster's Museum afghan and Helen Dry won the quilt.

The afghan was handmade by Mrs. Elzey Vandenberg and the quilt by Mrs. Virgil Hull and were donated to the Museum for the raffle.

The drawing was held Sunday evening at Lynx Stadium before the fireworks.

Little League All Star Tourney Set

The Spearman Little League All-Stars will meet the Wheeler All Stars in the opening game of the Little League Tournament here on July 19, at 7 p.m. in Little League Park.

Little League All Stars are John Cook, Indians; Honorary: Scott Alford, Astros; Derek Cooper, Dodgers; Monte George, Jets; Darren Goodheart, Indians; Jimmie Haden, Astros; Jan Harsel, Dodgers; Kevin Kirk, Yankees; Calvin Pearson, Dodgers; Chuck Rigdon, Indians; Rory Shepard, Jets; Stephen Tindell, Dodgers; Ricky Torres, Dodgers; Billy Underwood, Indians; Eddie Whitefield, Indians. Alternates are Bryon Sutterfield and Kevin Rook, Astros.

Sponsors of Little League teams are York Electric, Hi-Plains Auto, P. A. Lyon Insurance, Excel Chevrolet-Olds, First State Bank, Lions Club, Speartex Grain, Anthony Electric, Spearman Reporter, Spearman Super Service and Rotary Club. Baker & Taylor donated money so that all the boys could have Bicentennial caps this year.

Teams in the Spearman Tournament are Wheeler, Canadian and Spearman.

Chorus Presents Inspiring Tribute

The presentation of John Peterson's "I Love America" at 8:00 P.M., Sunday evening at the High School Auditorium in Spearman was indeed an inspiring musical tribute to our Nation on this, her 200th birthday with the 50-voice choir with the Spearman and Gruver under the able baton of Glen Harris from Gruver.

A "standing room only" auditorium gave testimony to the fact that inspiration and patriotism do indeed go hand in hand. The program in three parts was introduced by "Patriotism for America, Our History" and included choir numbers "I Love America" and "In God We Trust" along with flag-waving number "I'm Just a Flag Waving American" presented by Glen Harris with members of the Spearman Little League All-Star marching through the auditorium waving small American flags as Mr. Harris presented his solo.

Included in this portion of the program was the moving dialogue by Narrator Andy Burleson and his little daughter, Esther, concerning the meaning of a birthday for a Nation along with a solo by Bonita Remier "Johnny Bull".

The choir members patriotically attired in red and blue robes with white stole performed on a stage with a patriotic background, flanked at the left by an American flag proudly waving in the breeze highlighted by a moving colored spotlight.

The second portion of the program preceeding the fifteen minute intermission was entitled "Praise for America, Our Tribute" and included

three numbers by the choir, "My Home, America"; "America the Beautiful"; and "God of Our Fathers" with Mrs. Karen Countiss beautifully presenting a solo, "The Red, White and Blue". The members of the choir concluded this portion of the program with "My Home America" (reprise) and "Praise the Lord and Give Thanks".

The concluding portion of the inspiring program was entitled "Prayer for America, Our Plea" and included the choir with Kent Guthrie in the solo portion of "It's Time to Pray"; the choir offering "Jesus Is Calling". The "Voice of 76" presented "I Am Old Glory" by Lonita Green, daughter of Mr. and Mrs. Jimmy Green, was in integral portion of the conclusion of the program. The audience participated in singing "The Battle Hymn of the Republic" with Mr. Ed Wheeler presenting the solo portion. A meaningful benediction was offered by Mr. Burleson for a fitting conclusion.

Special words of appreciation were expressed during the program by Mrs. Mary Brock who heads the Bicentennial Committee in Spearman which with the Spearman Ministerial Alliance were responsible for the meaningful production of "I Love America" -- a truly great tribute to our Nation on this, her 200th birthday.

Eastern Star Has Meeting

Spearman Chapter #721, O. E. S., met for its regular meeting on Monday July 5th, in the Hansford Lodge Hall with Judith Black, W. M., and Don Hendricks, W. P., presiding.

Mr. and Mrs. Henry H. Herring and Mrs. Pat Sutterfield were elected to receive the degrees of our order. Initiation for these candidates will be on our next regular meeting night, August 2, 1976 at 7:30 pm. Practice for officers will be held on Thursday, July 29, at 7:30 p.m.

The Worthy Matron, Judith Black gave a very interesting patriotic program on some points about our flag. Refreshments were served by Marjorie Collard and Ruth Mary Whitson to 18 present.

Play School Is Planned

A survey is being made to determine if there are enough parents interested in their 3-year old to pre-school aged children to have a Jack and Jill Play School here. The school will be a licensed play school during school months under the supervision of Kathi Whitefield and Jody Rex.

If you are interested in having your child, contact either of the following phone numbers 659-2013 or 659-2265 before July 13.

Rehabilitation Center Needs Help

For several months a dedicated group of men and women have dreamed, worked and planned to fulfill a concept in rehabilitation totally lacking in this area. As a result the Rehabilitation Center of Panhandle People, Inc., at 401 S. Main in Borger has become a reality.

The Center offers a home, a refuge, among fellow residents who want abstinence on a long-term basis. The Center's primary purpose is to give those who qualify, an opportunity to rejoin their family and friends in a useful and gainful living, with sobriety and dignity.

They can live, eat, sleep and work in pleasant surroundings among men and women who share their mutual problems. The accepted, tried and true methods of rehabilitation, such as the A. A. program, discussion groups, and counseling sessions will be practiced on a regular basis. Those who are not gainfully employed will help maintain the facility. Once they, too are employ-

able, they will pay their fair share. They may stay for as long as NINETY DAYS, paying their share for food and lodging. (With Board Approval, this period may be extended.) At such time as the Board or Committee thinks they are ready to resume their rightful place in their community and family life, they leave of their own volition.

The Center then becomes their home-away-from-home. Always open, ready to serve, it is a place to meet their "Fellow" members. Their advice and experience to the newcomer is most welcome as a part of their therapy. They will discuss ideas and continue to learn, listen and observe, so they can practice, with the newcomer, what they preach.

The aim is to make the Center a stepping off place to a sober and sane life for men and women who have lost their way.

Until such time as the "Center" becomes self-

supporting, its financial needs are \$4,000.00 for estimated monthly expenses, anticipated income from residents is \$1,500.00 and anticipated income from other sources is \$1,500.00, leaving a monthly contribution of \$1,000.00 necessary. The center also has an initial remodeling and refurbishing expense of \$15,000.00.

Immediate material needs include furniture (couches, chairs, lamps, beds, dressers, tables, all accessories, etc.); kitchenware (pots, pans, dishes, cups, cutlery, tableware, glasses, appliances, etc.); bath towels, washcloths, curtains, mirrors, etc. general (linens, blankets, carpeting, radios, ashtrays, chests, desks, dining tables and chairs, etc.)

The Panhandle People, Inc., Rehabilitation Center is a nonprofit corporation and all donations are tax deductible.

Make checks payable to Panhandle People Inc. Box 1409, Borger, Texas 79007. For more information call 806-273-5314.

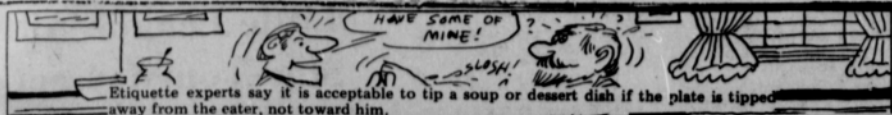

Agri-Women Slate November Meet

American Agri-Women has slated its first national convention for November 15-17 at the Radisson-Muehlbach Hotel in Kansas City, Missouri.

Included as speakers for the convention are Congressman Jerry Litton of Missouri; Roderick Turnbull of the Kansas City Board of Trade; Dr. Sylvan Wittner of Michigan State University; Harry Kubo, president of the Nisei Farmers League of California.

More than a thousand women are expected to attend the meet which will also include several commodity workshops and educational displays.

American Agri-Women, which was organized in 1974, is a national coalition of farm women and farm women's organizations whose purpose is to promote agriculture both in this country and worldwide.

There's an old superstition that says you can tell how many children you have by counting the number of X's in your palm.

Swimming Lessons Scheduled

Swimming lessons will be held July 19-30 with registration on July 17 at 10:30 a.m. at the Swimming Pool Park.

Prices are \$5.00 for one child, \$7.50 for two children and \$10.00 for three or more.

For more information call Marsha Pipkin 2143.

Puzzled by increasing utility bills??

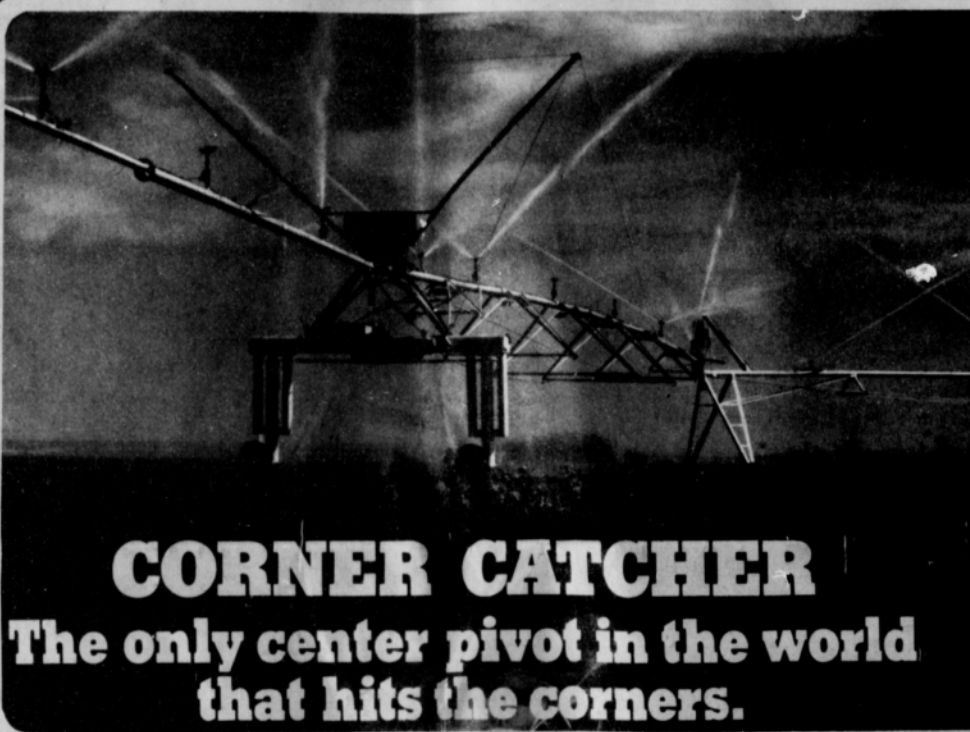

Here's part of the answer.

INCREASED USAGE

Your electric service companies aren't just light companies anymore. Today, electricity serves you many ways. Look around your home and count the electrical appliances that make your daily lives easier. Dishwasher? Washer and Dryer? Refrigerator? Range? Air Conditioning and Heating? Televisions and radios? Vacuum Cleaner? Kitchen appliances? The list could probably go on and on. We have all grown to depend upon electricity every day... and at Community Public Service Company we're working to make sure the service you expect is there when you need it.

1st we introduced center pivot

Since 1953 Valmont has pioneered the center pivot irrigation industry, and over 10,000 center pivots are now in operation. It's the fastest growing part of irrigation.

2nd we made circles square

The Valley[®] Corner System is a revolutionary new center pivot that irrigates the corners. In a typical square quarter it means you can now get yields from 150 acres instead of 132. You can also irrigate any one corner or all corners.

VALLEY ELECTRIC

Look carefully at the tough one.

WE CAN GIVE PROMPT DELIVERY ON ELECTRIC SYSTEMS..... 2 to 4 WEEKS ON OTHER SYSTEMS.

"Every service man we send to work on your system will be factory trained."

There'll also be a tremendous parts inventory to back him up.

Our service trucks are radio controlled for around-the-clock trouble shooting. No more waiting. Valmont is the largest manufacturer of center pivots in the world.

It only makes sense that we'd have the best service organization too. Next time you have a problem—big or small—contact the Center Pivot Center. We can help right now
