THIRTY-FIFTH YEAR.—NO. 40.

... — V for Victory

HANSFORD COUNTY, SPEARMAN, TEXAS, THURSDAY, SEPT. 24, 1942. Throw Your Scrap Into the Fight.

\$2.00 PER YEAR

The Nation's steel mills are running out of SCRAP. They haven't enough on hand for even 30 days more. When this is gone they may have to shut down---for all new steel is 50 percent scrap. Get your scrap ready to turn in Now!

Whose Boy Will DIE Because YOU Failed!

Think about it as revenge—a way to get back at the scum who have attacked us. Or think about it as a little more protection for our fighting men—something you, yourself, can do to bring as many as possible home alive.

But think about it now—for the scrap in homes farms and factories has got to be moving to stock piles within the next few weeks or it may be Too Late!

Maybe you don't know what it means to have production fall off. Maybe you can't imagine how it feels to be hunkered down in a foxhole wishing for just one more clip of cartridges. Or to see the enemy rolling through your lines because you did not have just a few more tanks.

OR MAYBE YOU DON'T CARE.

We think you do. We feel that our whole community is ready to rise up and bring in the scrap as soon as you get a chance. So you're going to get that chance.

Next week we're starting the biggest drive you've ever seen, to get in this precious material. And you are going to pitch in, too, because this situation is serious.

Start looking around your place for scrap today. If you've got a son in the service, do it for him. Do it for the neighbor's boy—for those fine young chaps you just passed, out on the street.

Above all, do it for your country . . . and do it now.

WATCH THIS PAPER FOR DETAILS OF THE BIG SCRAP DRIVE AND WHAT YOU MUST DO TO HELP.

NEAR 100 ENJOY LION-TEACHER CHICKEN FRY

"No more chicken, thanks!" Was the expression of nearly 100 Lions, teachers and guests at the annual Lion-Teacher Banquet held Tuesday night on the Britten ranch.

Bill McClellan, Elma Gunn and chairman Roy Jones had charge of this year's banquet. They were assisted by Coy Holt, who furnished watermelons, Marion Glover, Freeman Barkley, Bruce Sheets, Gene Richardson, C. A. Gibner, Fred Hoskins and Paul Loftin.

The menu consisted of Ranch Fried Chicken, Old-fashion potato salad, pickles, onions, buns, coffee, fit to drink and water-mellons.

Supt. Elma Gunn introduced principals W. I. Byron and M. W. Graves, who in turn introduced teachers of their departments.

"Songs you like to sing" ended the evenings festivities.

DELTA KAPPA GAMMA

The Delta Kappa Gamma Society, including members from Ochiltree, Hansford and Hutchinson counties met in the Black Hotel at Borger last Saturday for a luncheon. Guest speaker were Supt. C. A. Cryer of Borger and Supt. R. E. Vaughn of Phillips. They discussed Federal Aid for schools and its possible effects on our local problems. Piano and Voice teachers from the Borger schools entertained with musical numbers. Mrs. Gress of Borger had charge of the program.

Following the luncheon, two new members were initiated and a short business session was held.

Mrs. J. B. Caldwell and Miss Ethel Deakin represented the Spearman members at this meeting.

THANKS, LIONS!

The teachers take this opportunity to thank the Lions for the swell feed and the good time Tuesday evening.

The teachers know that you are behind them in putting over worthwhile things in school and that they can count on you every time. And don't you think the teachers do not appreciate that attitude of yours.

Thanks, again, Lions. Don't forget to ask the teachers for help if you need it.

FOURTH GRADE TALK

We are glad that Mrs. Gwendred Lackey and Mrs. T. D. Samsing are our room mothers.

Mrs. Berry brought us a pretty bouquet of snapdragons Tuesday.

"Indians! Indians! We study Indians in reading and we study Indians in Geography, till I'm ready to scalp Mrs. Loftin," said a fourth grader.

O. C. Raney visited with his brothers near Clarendon while on his way home.

OSLO NEWS

Morning Worship at Oslo Lutheran Church next Sunday, Sept. 27, 17th Sunday after Trinity will begin at 11:30 a. m. Sermon Theme: To Combine Pharisaic Legalism and the Gospel of Grace is to Put New Wine into Old Wine? Skins, Mk. 2:18-28. The Sunday School will begin at 10:30 a. m. While the attendance was better last Sunday, we still miss a few who should be in Sunday School. The Confirmation Class will meet at the church on Saturday at 10:00 a. m. The Luther League will meet next Sunday evening. The place will be announced at services.

H. C. Hjortholm, pastor.

Mr and Mrs Henry Moen went to South Dakota last Sunday for a brief vacation. They will visit Mr Moen's parents at Lake Preston and other friends and relatives there and at Castlewood.

Miss Marie Stedje came home from Borger where she is teaching at the Spring Creek school last Friday for a week-end visit at her home here.

James Stedje went to Lubbock last Sunday to take an examination in preparation for entering the Army.

School began at the Oslo School last Monday with pastor Hjortholm as teacher. Pastor Hjortholm has had some teaching experience and is eligible for a Texas certificate. For that reason he was "drafted" to teach, since no other teachers are available at this time.

Mrs Rob Alexander returned home from Canon City, Colorado on Wednesday of last week. Her son John Robert is enrolled at the Abbey School at that place.

It seemed that winter had suddenly come to Oslo last Saturday when the weather turned so cold. Thursday and Friday had been real warm days. Perhaps that is why the change seemed so severe. No frost was reported. The rainfall last week, on Friday, was very light.

Amy Knutson was a Sunday dinner guest of Amelia Johnson last Sunday. Pastor and Mrs H. C. Hjortholm called on Mrs L. Johnson in Guyton last Thursday. They called on Mrs Lawrence Hill, who has been staying at the Costner home in Guyton during her recent illness, on the same day. Mrs Hill is now staying with her parents, but expects to return to her home here soon.

George, the youngest child of Mr and Mrs John Buschman was pushed to the Shattuck hospital Saturday for an appendectomy. Last reports are that he is recovering nicely.

GOOD LIGHT MEANS BETTER GRADES NOW AND A BETTER JOB LATER
Sight is the most precious of the five senses. Eighty-seven per cent of all that children learn is through their eyes and their ability to fill useful jobs and enjoy the blessings of life depends so much on good eyesight.
You want your child to have every advantage, so see that he has plenty of good light for home study. Time and again it has been proved that good light helps children learn more rapidly... results in better grades.
Put an I. E. S. Study Lamp on the table where your child does his homework. And have good light elsewhere throughout your home—well shaded and free from glare. Light all of each room, too, not just part of it.
Good light today is so inexpensive that no one can afford the cost of poor light. Protect priceless eyesight. Enjoy better light tonight.

CANADIAN BAPTIST ASSOCIATION

The Canadian Baptist Association held its Annual Meeting with the Baptist Church in Gruver on Tuesday, Sept. 22nd. There was a large crowd in attendance, with messengers from Spearman, Perryton, Miami, Gem Canadian, Follett, Booker and Gruver.

The order of the day was the election of officers. Rev S. R. McClung was elected moderator. Herbert Hughes of Gruver, vice-moderator, W. A. Fite of Canadian, clerk; and Jim Peyton, treasurer. There are ten churches in the association, and their combined report was the best in years. These ten churches gave over 16 thousand dollars to Missions last year. The association voted to raise two thousand dollars to the Debt Paying Campaign of the Texas Baptist General Convention. This amount is the highest per capita in the State. Rev Matthew Doyel of Spearman was chairman of the resolution committee. The ladies of the Gruver church provided an abundance of food for the 2 meals served the messengers.

Among the visitors and speakers were Dr A. D. Foreman, Amarillo First Church, and Rev. O. T. Wheeler of Dallas, representing the Baptist Standard.

A free-will offering was taken for Buckner Orphans Home amounting to \$61.96.

The next annual meeting will be held with the Church at Canadian.

The lunch room at the Gruver School was opened this week. For a time there seemed some doubt as to whether it would be possible to operate it this year. But satisfactory arrangements have been made. This is a PTA project, and one that is highly important. The committee in charge is composed of Mrs Coy Holt, Mrs Orville Walker and Mrs P. H. Westerfield.

Mrs Maxine Vernon arrived this week from Los Angeles, Calif to visit her mother, Mrs Tom Allen, who is ill.

MORE THAN A POLICY . . .

YOUR PEACE OF MIND

A Wilson Burial Association burial policy is more than the funeral service policy sold. It is peace of mind. It assures you and your family of help in your hour of need—kindly service and consideration—of every facility.

The Desire for—

a decent and adequate burial is as old as history itself. Thus the idea of burial protection is not new. Burial insurance is as natural as humanity itself.

What is More Natural—

more practical or sensible than to prepare for an eventuality—that of mortality, from which there is no alternative and nothing in life is more certain?

Do not delay! Let us explain how you can have this protection for your entire family for a few cents a month.
