Spearman Boy Loses Life In Plane Mishap

Spearman citizens were greatly grieved last week-end when they received information that Edward A. Duggan, 19 year old son of Mr. and Mrs. A. G. Duggan, was killed Thursday, Oct. 7, when a plane plunged into the St. Lawrence river while on a routine training flight at Jacksonville.

Duggan was a first class seaman and was with the naval air station at Jacksonville. Announcement was made Friday by Jacksonville authorities of the death of young Duggan.

His mother has been operator of the Spearman telephone office. The family had lived here for this year and the boy went to service early this year.

Survivors include his parents, Al Duggan, brother, a high school student; Mrs. Earl Hicks, wife, Wash., and Mrs. William Hargette, Enid, Okla., half sisters, and Ralph Kock, Rosston, Okla., a half brother.

The body was scheduled to arrive at Woodward, Okla., Tuesday and burial was to be Wednesday. Resettlement of his former home services were to be conducted by Methodist minister.

Citizens of Spearman contributed liberally to floral offerings for the bereaved family.

All of the immediate family was present for the funeral except Mr. Hicks of Seattle.

Spearman Is Still Waiting For Moisture

Another week of dry weather has passed for Spearman and Hansford county. Although the weather has come in fairly good shape, it is going to take rain before cattle can be pastured, ranchers said this week.

Temperature has been steadily dropping as the fall season becomes older with 38 degrees reported each on last Thursday and Sunday mornings.

Spearman had 15 inch of rain on Tuesday of last week, the only moisture reported during the week up to Tuesday afternoon.

Fred Brandt, observer, gave these temperature readings for the past week:

DATE	HIGH	LOW
Oct. 5	83	69
6	49	46
7	79	38
8	82	40
9	81	39
10	82	38
11	81	44
12	---	48

Spearman had considerable wind Monday and Tuesday. High wind with heavy clouds came up about 3 p.m. Tuesday afternoon.

September official report of Brandt showed 1.65 inch of moisture. However, there was .18 inch of moisture the night of Sept. 30, but the reading was on the morning of Oct. 1.

Rainfall by dates was: Sept. 1, .06 inch; 4, 1.36 inches; 15, .04 inch; 20, trace; 29, .16 inch; 30, .03 inch; Oct. 1, .18 inch.

There were 13 days with a temperature of 90 degrees or more in September and six days with .01 inch of moisture or more. There were 11 clear days and 19 partly cloudy.

Subscriptions keep on arriving at The Spearman Reporter and the management is appreciative of the interest the readers continue to take week after week in the newspaper.

During the week closing Saturday, The Reporter received 26 subscriptions, four going as gifts to boys in service and two others being sent as gifts.

Seventeen subscriptions were received from Texas points, three from Oklahoma, one from Kansas, two from California, one from Colorado and one from Massachusetts, six states in all.

The wide mailing list of The Reporter is helping hundreds of people away from here to keep informed about the news of Spearman and of Hansford county.

When you receive notice that your subscription is about to expire, you are urged to attend to the renewal promptly. We just don't have too much time to bother about sending second and third notices to you. If for any reason you do not care to renew, please write or tell us immediately so we can take your name off the list.

Mrs. J. H. Buchanan has instructions not to let subscriptions go delinquent and it is our policy to keep our list up to date. The rich metropolitan newspapers do not give you the paper one day beyond the expiration date, so you should not expect the small home town weekly to be more generous. If they cannot afford to mail the paper beyond the date to which it is paid, you should not expect more consideration from The Reporter.

Now is the time to send a Christmas gift subscription to the boys in service overseas. You can send a gift without special order or permission up to Friday, Oct. 15. The post office department has lifted this restriction for a short time. Nothing will make a person in service happier than to receive copies of The Reporter, giving so much of the home town news.

Also, if your subscription is about to expire for the Amarillo News, please turn in your renewal to The Reporter. The bargain rate this year is \$7.95 and it is limited to RENEWAL subscriptions only. Subscriptions also must be received by Oct. 25.

We were in Amarillo last week and G. W. Camp, business manager of The News, told us that the shortage of newspaper was becoming critical. He said they didn't know what they were going to do in the future, but felt sure they would have to ration advertising and possibly ration subscriptions. So, if you are on the list now, you had better stay on it and get your renewal in on it and get your renewal in

J. E. Haley's Mother Dies At Midland

Funeral services for Mrs. J. A. Haley, 75, West Texas civic leader, were held Tuesday afternoon, Oct. 5 in the First Methodist Church of Midland, with Rev. K. C. Minter of Gonzales officiating. Interment was in Fairview cemetery.

A resident of Midland since 1906, Mrs. Haley died Monday morning at her home after an illness of several months.

Mrs. Haley was the founder and first president of the City-County Federated Clubs in 1928, and served as head of the organization until 1936 when she became honorary life president. She also was president of the Far West Federation from 1938 to 1940.

At the Federated Clubs Golden Jubilee in 1940 Mrs. Haley was elected pioneer club woman of Midland. For 10 years she was a regent of Texas Technological college at Lubbock.

From World War I to the beginning of World War II Mrs. Haley was chairman of the Midland Chapter of the American Red Cross. On retirement from the work she was named honorary chairman.

Maj. Haley W. Aycock of Fort Worth, a grandson, visited Mrs. Haley after he returned from active duty with the Army Air Forces in the European war zone, where he was wounded twice. Major Aycock is the son of Mrs. Frank T. Connor of Fort Worth.

The former Julia Evetts, Mrs. Haley was born Nov. 10, 1867, at Moffatt. She attended Salado college and completed her education at Sam Houston Normal (now Sam Houston State Teachers college) at Huntsville. She married the late J. A. Haley on Dec. 23, 1891.

Besides the daughter, Mrs. Connor, and Major Aycock, Mrs. Haley is survived by two other daughters, Mrs. R. R. Porterfield of Midland and Mrs. T. I. Harkins of Houston; two sons, John Haley, jr., of Kermit and J. Evetts Haley of Spearman; two sisters, Mrs. Sudie Grimes of Temple, and Mrs. J. W. Berry of Pendleton; a brother, W. C. grandchild and one great-grandchild. The sons and daughters, and one sister, Mrs. Berry, were at the bedside when Mrs. Haley died.

Evetts Haley is a rancher and lives southeast of Spearman.

Dr. Frank Turner Revival To Open At Gruver Friday

DR. FRANK L. TURNER

Dr. Frank L. Turner, former president of McMurray college and a widely known evangelist more than 20 years, will begin the annual revival at the Gruver Methodist Church Friday night, Oct. 15. It will run through Sunday, Oct. 24, with services at 11 a.m. and 8:15 p.m. daily, according to the pastor, Rev. I. E. Biggs.

For 15 years, Dr. Turner was a highly successful pastor and evangelist in the Central Texas Conference. He held pastorates at Hamilton, Cisco, Ballinger and Fort Worth. His churches made marked progress, and still he found time to conduct more than 50 revivals and win hundreds of persons to Christ.

He became president of McMurray in Nov., 1938, and resigned Sept. 1, 1942, to devote his time to evangelism. In his four years at McMurray he freed the college of debt and added more than \$50,000 in improvements. McMurray is now the only grade A senior Methodist college between Fort Worth and Los Angeles south of Denver, Rev. Biggs said.

In the past 12 months Dr. Turner has conducted 19 revivals with several hundred conversions and church additions. He comes to Gruver from Dalhart, where he closed a successful revival Sunday night.

Bob Watkins, of Hedley, Texas, one of the well known evangelistic singers, will conduct the singing. Mr. Watkins has given 20 years or more to the work of evangelistic singing.

Boards Will Take Up Extra Mileage Requests Oct. 15

In order to achieve a substantial saving of gasoline, local War price and rationing boards were urged today by the office of price administration, to adhere closely to the new gasoline regulations on "B" and "C" coupons.

A ruling effective October 1 sets the coupons value at two gallons each. Additional mileage should not be issued unless applicant produces positive proof of bona fide need for eligible purpose under the regulations, he declared.

October 15 has been set as the date when boards will begin handling any claims for additional mileage under the new regulations and motorists are asked not to present their claims until this date.

Instruction for procedure in handling these claims will not be in the hands of the board members until that time. Pending receipt of these instructions, boards will use present table for issuing new or renewal ratings.

Ration Book 4 Registration To Be Oct. 22-23

Teachers At Spearman, Gruver And Morse Will Handle Work

Registration in Hansford county for War Ration Book IV will be held from Friday, Oct. 22, through Saturday, Oct. 23, R. D. Chamberlain, chairman of the Hansford County War Price and Rationing board, announced today.

He said that registration for the books will be held at the public schools at Spearman, Morse, and Gruver. School teachers will again handle the application.

War Ration Book IV, which will last approximately two years, will be issued to more than 120,000,000 persons in the nation through school house distribution. It is estimated that there will be 2,900 persons registering in Hansford county for Book IV.

Applicant must bring their Book III with them when applying for Book IV, he said. He pointed out that consumers will not be asked to declare any supplies at home and the books will not be tailored.

War Ration Book IV is expected to become usable some time in November, the chairman said. It will contain eight pages with a total of 384 stamps of red, blue, green and black colors with the word "spare" appearing on 72 of them. The book designed before coffee rationing was lifted will have 12 coffee stamps which may be used as "spares."

The school authorities ask all who can to come on Friday for their application as there will be plenty of help and no waiting. This work is done gratis by the teachers, and their work will be made easier if the public will cooperate with this request.

Scouts Enjoyed Hike And Camp At Local Ranch

Scoutmaster Mathew Doyel and assistant, Freeman Barkley, with 14 scouts of Troop 51 enjoyed a hike and overnight camp on the J. I. Steele ranch Friday night.

A number of the boys passed tests in swimming and in building camp fires.

Some of them decided it was too cold to sleep and started getting out of bed at three in the morning and staying close to the camp fire. All the boys report a grand time.

Eldon Bayless Takes First Place In Local Gilt Show; Gets Ninth In Amarillo District Exhibition

The Hansford County 4-H Club gilt show for Poland-Chinas were held in Spearman last Friday with considerable interest.

Winners were: Eldon Bayless, Gruver, first; Pat Holt, Gruver, second; Max Church, Spearman, third; David Knutsen, Gruver, fourth; Billy Clay Jackson, Spearman, fifth; Hix Spivey, Gruver, sixth; Craig Hutchison, Spearman, seventh.

This was the annual Sears contest and winners were awarded prizes as follows: first, registered Jersey heifer; second, 100 baby chicks; third, 75 baby chicks; fourth to seventh inclusive, 50 baby chicks each.

At the Amarillo district show on Oct. 9 and 10, Eldon Bayless placed tenth with 19 gilts competing.

In the boar class only three prizes were awarded and Raymond Wallin's boar didn't place. However, he was awarded 50 baby chicks for showing his boar.

T. B. Pope To Be Church Of Christ Revival Minister

TILLMAN B. POPE

Evangelistic services will begin Sunday, Oct. 17, at the Spearman Church of Christ and will continue through Sunday, Oct. 31.

The evangelistic will be Tillman B. Pope, widely known preacher of the Church of Christ. He is a son of G. P. Pope and a brother of C. U. Pope of Spearman.

Evening services will be held at 8:15 o'clock and a cordial invitation has been extended to the public to hear the sermons of Evangelist Pope by W. M. Graves, local pastor.

Crippled Children's Hospitals In Need Of Canned Foods

Clay Gibner, potentate's aide of Khiva Temple A. A. O. N. M. S. for Hansford county, has just received letters from the Shriner's Hospital for Crippled Children in Shreveport, La., St. Louis, Mo., and the Texas Scottish Rite Hospital for Crippled Children at Dallas.

They are all in need of canned fruits, vegetables, jellies, and jams. Everyone can have a part in this worthwhile humanitarian enterprise by bringing just one can, jar or glass from their shelf at home, either home canned or store purchased to Gibner.

"Let us help and do our part in Hansford county and see that these poor unfortunate children have the things so essential to their health," said Gibner.

Mr. and Mrs. F. K. Banister, Mrs. C. C. Beck, Mrs. Billy Jarvis and Billy Britt were shopping in Spearman Thursday.

Barkley Hopes Campaign Will Close In Week

People Asked To Fill In Souvenir Checks Promptly

Further preparations were made this week for the campaign of the Hansford County War Fund to be conducted from Oct. 25 to Nov. 5. Judge A. F. Barkley, county chairman said.

A meeting of several interested workers was held and it was decided to wage the campaign similar to the successful one held last spring for the American Red Cross.

A letter will be sent to every Hansford county resident and non-resident property owner explaining about the National War Fund and its campaign for \$125,000,000. The money will be used on three fronts—Military, Home and United Nations.

The Texas campaign will be almost \$5,000,000 and Hansford county has been assigned a quota of \$2,150.

A self-addressed envelope to Bruce Sheets, treasurer, will be included in the mailing, together with a souvenir check which can be filled out for whatever amount the donor may care to give.

It was decided to wage this kind of a campaign to save the time of individual solicitors and also tires and gas.

Barkley believes that the people of Hansford county will respond liberally and put over the campaign in one week's time.

Governor Stevenson coined a phrase, "Sure, I'll take a Texan's share," and that is the slogan that is being used. Barkley believes that Hansford county will take a Texan's share and put over the campaign.

Also, Hansford county is urging as many citizens as possible to take one or more per cent of the quota. One per cent is \$21.50, but there are some persons that may take as much as 5 per cent, it is understood.

George A. Butler of Houston, state president, said that salaried people should plan to give two days of their pay to the war fund.

The United War Chest of Texas has been formed to conduct the campaign for the National War Fund of Texas. No organizations are included except those that have been approved by President Roosevelt's committee. The USO will get the bulk of the money that will be raised nationally.

Individuals may deduct up to 15 per cent of their net income for charity and the national war fund is a deductive item. Corporations may deduct up to 5 per cent.

People are urged to fill out the checks and mail them promptly, Judge Barkley said Tuesday.

Lions Entertain Teachers With Outdoor Supper

The Lions Club's annual chicken fry for Spearman teachers was held Tuesday night, Oct. 5, at the A. J. Britten farm on Palo Duro Creek. Miss Ethel Deakin, high school teacher, introduced members of the faculty.

The program Tuesday noon was in charge of Joe Hatton, who had the high school orchestra under the direction of J. M. Edwards. This orchestra of ten pieces furnished a wonderful program with Mrs. Edwards as piano accompanist.

Rev. J. E. Eldridge will have charge of the program next week.

Personals

Mrs. Agnes Cunningham of the Highland Hotel, Booker, and Lt. James Pounds, stationed at Battle Creek, Mich., visited a short time in Spearman Saturday with friends while on the way to Amarillo.

Misses Viola and Velma Dillow, daughters of Mr. and Mrs. Edgar Dillow and Anna Mae Files, daughter of Mr. and Mrs. Pete Files, are employed at the Western Union on Amarillo.

Mrs. J. H. Richards is now employed at Klines' Ladies Store in Amarillo.

C. F. Bennett left for the Kansas City market Monday with two cars of sheep.

WHAT PER CENT WILL YOU TAKE IN WAR CHEST CAMPAIGN?

You have only a few days in which to make up your mind what you are going to do for the Hansford County War Chest. The goal is \$2,150 for the various war activities, every one of which has been approved by the President's special committee.

The USO and many other splendid organizations are going to participate in the funds raised in this campaign for the National War Fund.

The nation has a quota of \$125,000,000 and Texas almost \$5,000,000.

One per cent of the Hansford county quota is \$21.50. Some persons can afford to take several per cent of this quota; others can take one per cent and others less.

Judge A. F. Barkley is county chairman. The campaign begins Oct. 25 and will continue through Nov. 5, but workers would like to end it in one week's time.

As Governor Stevenson has so aptly written, "Let's Take a Texan's Share." When you do that, you are going to do your share in this great war activity.

You have bought War Bonds and Stamps. You have invested in America. Now you are asked to give on three fronts, Military, Home and United Nations. Nothing can give you greater satisfaction than to feel that you have done your complete duty in this important humanitarian work.

Just as Hansford county has gone way over the top in every other war activity, let's keep up the great record. What per cent of the Hansford county quota are you going to give?

Dear Mr. McClellan:

In answer to your letter of October 5th, we do not have anything to offer yet and it does not look as if we will have any time in the near future.

The farmers and gins are taking the cake back when they bring cottonseed in and we are unable to make enough above what they take to fill the needs of our local trade.

If we do have anything to offer, we will let you know but we cannot promise you anything and don't want you to depend on anything.

We regret that we are unable to supply customers who have bought cake from us in the past, but circumstances are such that we are unable to do so at this time.

SENIOR NEWS

Frank Porter

Six weeks examinations are just around the corner and will catch some of the students napping. However we are studying hard and the class will probably have good grades, we hope!

Louis Schnell, Gene Schnell, and Bill Keahey had their pictures retaken on Friday of last week. We certainly hope these are good. Many students of senior class participated in the sports events last Friday. Our class is proud of their remarkable showing.

Ray Halsey is back in regular school now. Work and other things have caused Ray's irregular attendance the last few weeks. (Editor's Note—Know this reporter and you can understand this item.)

We wish to thank the juniors for the wonderful hayride that they sponsored for the whole school last Friday afternoon and evening.

JUNIOR NEWS

Barbara Jean Daily

The juniors are happy over the results of the Hayride. We made \$11.80 and every little bit will help when it comes time for the Junior-Senior banquet. We want to thank the students of Spearman High for their cooperation and we also want to thank Mr. McClellan, Mr. Converse, Frank Novak and Miss Novak, our sponsor, for their all important part in this activity.

The junior class is impatiently waiting for the representative from a ring company. We are anxious to get our order in so we can be sure of getting rings as the shortage of materials makes it difficult for the companies to fill all the orders. We are already sure that our rings will be the best looking that Spearman High has been in a long time.

Everyone is rather doubtful over the prospects of six-weeks tests as usual. It won't be long now and after they are over we are afraid there will be only regrets, not doubts.

SOPHOMORE NEWS

Geneva Ford

Here it is six weeks exams week—the week when everybody certainly begins to cram for tests. Billy Jack, we sincerely hope your dream doesn't come true.

Most of the sophomores enjoyed the hayride last Friday, or at least from what has been said around the campus, they did.

The sophomores in junior business training received their workbooks last week and from all appearances they evidently are in for some studying. Mr. Darnell teaches business training.

The homemaking girls are sewing on their dresses now. Some of them have really been getting along fast, especially Bonnie Thompson.

FRESHMAN NEWS

Gene Kern and Helen Holt

The freshman class has 41 students this year. We are very proud to have such a large group.

Let his hogs any time his feed runs short at ceiling prices. The ceiling is too low to allow profit enough to keep the production up but that is the fault of the boys in Washington who learned farming the easy way (from books) and it leaves the real farmer out on the broken limb, and it looks like he would have to take the fall.

The war situation as reported is going fine but there are lots of the real conditions that are being withheld under the idea that it might help the enemy. When we get the real picture, if we ever do, we will learn that the boys who are at the front are undergoing every kind of hardship, and that our losses are much larger than we are allowed to think at this time. The German defenses are crumbling and some observers see Germany being whipped this fall or winter. It is very evident that much help is being given to the rebels in German held territory and this is eating holes in to the heart of German production, which is commencing to tell. The people in Germany have given up the idea they will win and are now trying to get the best offer of peace they can.

At our first meeting, we elected these officers: sponsor, Mrs. Allen; president, Mike Berry; vice president, Narrell Wilson; Don Smith, secretary treasurer; Gene Kern, reporter; Helen Holt, assistant reporter. Wednesday morning we had a class meeting and decided to have a party, Oct. 15. We also have had our initiation (???) and stood it just fine. The "fish" are going up stream full speed and are having lots of fun. Don't you people of Spearman and surrounding communities take this too hard, because we are only dumb, green freshmen. We are always a little late.

SOUR NOTES

Rosanne Porter

This is the week for six-weeks examinations and believe me, everyone in the band is really working hard for them.

Band examinations begin Tuesday and end Friday. Some of the students are averaging right on the 100 mark. If they pass the examination they'll be o.k.! Others, however, are not living up to the requirements and are averaging around 50.

Here are the requirements: 1. One class period per day. 2. One general rehearsal per day.

3. Must play one or more instruments. 4. Five hours home practice per week. 5. A passing grade in 3 subjects (70% is passing grade).

6. Record must be clear in the office. These requirements must be met to receive a credit. I hope by this time next week everyone will be feeling at least as good as now—maybe better.

SNOOPER

Can some tell us just how gin would taste. We're sure Don C. has—ahh—at least smelled it.

The hayride certainly brought about some interesting little facts! By the way, perhaps we had more fun than we thought we could in the afternoon. Huh?

Betty Jo P. seems to be getting her car pretty often these days. Can't he get his car or is there a "he"?

Maybe a certain little blond should come back to Spearman more often, or would Ray R. know more about that!

A. L. just can't seem to meet classes on time. Could an ex-senior be the cause?

Georgie seems to be pretty "Low and Loney, Sad and Blue" these days. Wonder what the Navy is really like?

Ray H. can't seem to make up his mind on two subjects. They're both cute, aren't they?

Just what would one of our teachers in high school know about slumber parties?

Perryton seems to be quite interesting for some of our girls. Wonder Why?

What two girls could it be that are so interested about Leroy S.'s big brother being here? We wonder!

How do these brother-sister couples make out, or should we ask Neal A.?

Dick B. seems to be at it again! Perhaps Joan H. can explain this time!

Four of our high school girls seemed to be having lots of fun after the show Wednesday night (date). What's that truck like, anyway?

Mrs. John Allen of Guymon, Okla., who has been a patient in St. Anthony's hospital for the past three weeks, returned home Tuesday. Mr. Allen and children returned with her from Spearman.

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

THE 17 PARTICIPATING AGENCIES ARE:

- ★ USO
★ United Seaman's Service
★ War Prisoners Aid
★ Belgian War Relief Society
★ British War Relief Society
★ Dutch Relief Fund (Queen Wilhelmina Fund)
★ French Relief Fund
★ Friends of Luxembourg
★ Greek War Relief Association
★ Norwegian Relief

SEEK LOCAL WOMEN AS ARMY TEACHERS

Strange as it may seem, women of the Women's Army Corps are now serving to a great extent with the Army Ground Forces, that division of the Army which instructs and organizes men for combat operations.

The fact that large numbers of women are needed by this part of the Army to train and equip soldiers for battle, was revealed today by Lieutenant Emma A. Yukna, head of WAC recruiting in this city, who says local candidates may be assigned to such work.

WACs to Serve with Training Units

"WACs are now serving with all branches of the Army Ground Forces except tactical units," she stated. "They are doing their job well as is proven by the requests we have received for more WACs to go on duty with the force."

"Openings awaiting local WAC recruits in this branch of the Army include those for chemists, clerks, technicians, reporters, drivers, women for post headquarters work and many other jobs."

Lieutenant Yukna pointed out the importance of equipping and getting to the fronts as fast as possible. "The offensive is on in Europe and other fronts. Women of Pampa can help their country and win the war sooner by joining the Women's Army Corps today," she said.

The recruiting office for the WAC in Pampa is located at Post Office Building. Questions will be answered and applications for enrollment in the WAC received there.

HOME SCIENCE DEPARTMENT MEETS AT WRIGHT HOME

The Home Science Department of the 20th Century Club was entertained in the home of Mrs. M. B. Wright with Mrs. S. B. Hale as hostess.

Mrs. Marvin Chambers, chairman, presided. The program topic was "The American Indian." Mrs. Chambers talked on Indian history and Mrs. Ray Phelps on "Music and Art of the Indian." Others taking part in the discussion were Mrs. J. E. Womble,

GRUVER MUSIC CLUB HAS FIRST MEETING

The Gruver Music Club had the first regular meeting at the home of Mrs. C. B. Williams, Sept. 28.

The club sang three choral numbers "Love's Old Sweet Song," "A Merry Life" and "Day Is Dying in the West."

Mrs. W. J. Lowe read a short article on "Begin the Year With Music." Mrs. H. B. Hart gave an interesting sketch on the life of Chopin. The first lesson "Equipment for the Beginner" from "Discovering Music" by McKinney and Anderson was reviewed by Mrs. Elmo McClellan. A piano solo, Chopin's "Mazurka in B Flat," played by Mrs. McClellan closed the program.

Members present were Mesdames E. Sluder, H. Alexander, V. H. Ogle, L. H. Gruver, Billy Jarvis, A. R. Bort, E. T. Rafferty, W. J. Lowe, E. M. McClellan, and the hostess, Mrs. C. B. Williams.

FINE ARTS DEPARTMENT HAS GOOD PROGRAM

Mrs. W. H. Gandy was hostess to the Fine Arts Department of the 20th Century Club which met Thursday, October 7th. Mrs. Gandy, chairman, presided over the short business session.

Mrs. George Buzzard lead the program whose topic was "History of the Indian." Mrs. Buzzard read a long and interesting letter just received from Jack Blazer, son of Mrs. Frank Buzzard, who is on a special mission in India now. Mrs. F. J. Daily gave a paper on "Music and Art of the American Indian." Mrs. D. B. Keim, general president, and a member of the Home Science Department was a guest.

Others present were Mesdames R. W. Morton, Woodville Jarvis, Paul Roach, Hall Jones, Roy Wilmeth, Fred Hoskins, T. D. Sansing, and P. A. Lyon. Lovely refreshments were served.

The next meeting will be with Mrs. T. D. Sansing.

Mrs. W. M. Glover and Mrs. Wm. Sheets.

Delicious refreshments were served to the group.

Remember when you took your combine off the field last summer? Did you make a note of the parts that might not see another harvest through? If there's any doubt in your mind, give us a phone call or come in and see us. We'll arrange to give your combine the service it needs and fix it up with whatever GENUINE IHC PARTS are necessary.

Here's a tip. Arrange to have needed service word done this fall and winter to get your combine in shape for 1944.

BRIGANCE AND FORD NUPTIALS SAID

Miss La Nelle Brigance, daughter of Mr. and Mrs. A. C. Brigance of Olton, became the bride of Pvt. Dennis B. Ford, Jr., son of Mr. and Mrs. D. B. Ford of Spearman.

They were married in a twilight ceremony in the First Baptist Church in Kingsville, Texas, Sept. 11, at 7 p.m. Rev. Ray Collum officiated at the double ring ceremony.

The wedding march was played by Mrs. R. A. Haas. The altar was decorated with ferns and lilies. The bride wore a dress of marine blue crepe trimmed in royal blue velvet. Her accessories were navy and white and her corsage was of white gladioli.

The bride was a graduate of Olton High School. For the past two years she has been a student in West Texas State Teachers College.

Pvt. Ford was a graduate of Alameed High School in the class of 1940. He was a student in West Texas State Teachers College at the time of his induction into the army.

Both the bride and groom are attending Texas A.&I in Kingsville. They will make their home there.

BAPTIST CHURCH CIRCLE HOLD JOINT SESSION

The two Baptist Church circles met at the church Wednesday, Oct. 6, in their monthly missionary program.

The devotional was given by Mrs. Castleman, the subject, "The Witness of His Word." Mrs. Ed Hutton had charge of the lesson and was assisted by Mesdames J. E. Edward, Mathew Doyel, Robt. Baley, D. B. Tice, F. W. Brandt, and Miss Altha Groves. A short business session was held.

Others present were Mesdames W. D. Cooke, J. A. Sanders, W. A. Van Cleave, J. Gill, Rex Sanders, Bill Wallis, F. V. Hoskins, and Miss Stewart, a sister of Mrs. Doyel.

Wartime Lighting Suggestions

HOW TO GET MORE LIGHT FROM YOUR PRESENT EQUIPMENT

Use One Large Bulb Instead of Several Smaller Ones

Offhand it would seem that four 25-watt bulbs would produce the same amount of light as one 100-watt bulb. But such is not the case. A 100-watt bulb produces as much light as SIX 25-watt bulbs, yet uses one-third less current. Therefore, when practical, always use one large bulb instead of several smaller ones of same total wattage and you'll get more light for your money.

OTHER WAYS TO CONSERVE LIGHT

1. Remove and clean lamp bulbs and lamp bowls regularly. Dry thoroughly before using again.
2. Keep shade linings light. Clean or brush regularly. Repaint or reline dark-colored paper or parchment shades.
3. Sit close enough to the lamp to get all the help it can give your eyes.
4. Avoid direct glare from lamp bulbs by using shades deep enough and wide enough.
5. Arrange furniture so one lamp can serve two people. But be sure lamp is not too far away from either person.
6. Turn off lamps not in use. Lamp bulbs use critical materials... Make them last longer.

BE PREPARED

WHEN WINTER STRIKES

Don't risk a winter of illness through neglect of yourself. Eat healthful foods, including milk, vegetables and meats. Dress sensibly in rainy weather and in the bitter cold. Let vitamins supplement your daily rations. They build up resistance to infections, promote growth, aid digestion.

FOLLOW THESE HEALTH RULES:

1. Get plenty of sleep and rest. Relax several times throughout the day, even if it is for only a minute.
2. Eat healthful foods including fresh fruit and vegetables, milk and meat. Drink fruit juice at the first sign of a cold.
3. Dress sensibly, wearing rain coat and rubbers in wet weather, warm scarves and mittens in the freezing temperatures.
4. Keep away from crowds, especially if you are coughing or sneezing or are susceptible to colds or disease.
5. Keep body and home clean and well scrubbed to discourage germ growth. Wash hands before eating, teeth after eating.
