VOLUME 67, NO. 42 THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081 THURSDAY, SEPTEMBER 2, 1976

## 4-H Bake Show Held

Pam Porter was crowned 1976 4-H Bake Show Queen by runner-up Karen Kenney Saturday, August 28 in the La-Casita Room of Gruver State Bank. She is the daughter of Mr. and Mrs. Larry Porter and will represent Hansford County at the Dist. 1 4-h Show Sept. 18 at the Tri-State Fair in Amarillo.

4-H Members, parents, leaders and visitors from throughout the community participated in the 1976 Hansford County 4-H Bake Show, held Saturday, August 28, 1976, at 2:00 p.m. in the LaCasita Room of the Gruver State Bank in Gruver.

Pam Porter, twelve year old daughter of Mr. and Mrs. Larry Porter of Spearman was crowned 4-H Bake Show Queen by Karen Kenney, first runner-up in 1975. Pam had the highest overall score for her baked products. She will represent Hansford County in

the District 1 4-H Better Bake Show, September 18 at the Tri-State Fair in Amarillo.

Mary Ann Kenney was first runner up and Julie Farr was second runner up for Bake Queen. Top scores in both divisions was recognized with Pam Porter placing top for yeast coffee cakes and Julie Farr placing top for gingerbread cookies.

Awards were announced by Extension Agent Peggy Marrs. Receiving blue ribbons for their baked products were Pam Porter, Mary Ann Kenney and Julie Farr. Red Ribbons were presented to Denise Doty, Cindy Pugh, Vicki Henderson, and Karen Kenney. Lesa Scroggs, Pam Doty, Kristi Holt, and Tamera Scroggs received white ribbons for their products.

Mrs. Jerry Hart and Mrs. Jim Davis of Gruver served as judges for the contest. Following the judging, refreshments were served by Denise Coty and Cindy Pugh. Enjoying the tasting bee along with the participants were Mrs. Bella Ruple, Mrs. Lewis Henderson, Mrs. Barbara Scroggs, Mrs. Glen Bohanan, Mrs. Frank Britt, Mrs. James Pugh, Mrs. Gary Doty, Mrs. F. J. Largent, Mrs. Ed Freeman, Mrs. Byron Kenney, and Kevin, Mrs. Bill Henderson, Mrs. Bill Maupin and Megan Nuttall, Mrs. Larry Porter and Curt.

## Edith Murphy gets early resident award

Edith Murphy who was born in Hansford County in 1889, and who now lives at Senior Village in Perryton received the silver tray given at the Perryton Celebration for the one who came to the area the earliest.

Mrs. Murphy, who was a daughter of the James H. Cators, was born on the 9 1/2 section ranch of her parents, on March 7, 1889.

She has had a varied life, some of ups and downs. She lived in Hansford County until she finished high school and went to college at Trenton, N.J. for a couple of years.

The kaleidoscope of her life includes her marriage in an Episcopal Church in Kansas City, living in Indiana until her husband became ill and they moved back to Hansford county. After he died she taught third grade and also

kept children for two years.

Her own family of children numbered ten, Allen, Lewis, Bill, Henry, Edith, Bob Jack, Mary Olie, Dee and Pat.

At one time she also kept her sister's five children, making 15 to care for, though some were old enough to help take care of the others.

One of the problems was keeping up with the laundry, which took a tub and washboard and elbow grease in those days, she said.

There are many things she could tell about her life and the various things that have happened.

Mrs. Murphy has been a resident of Senior Village since about a year ago. At that time she was unable to walk, but can walk now and enjoyed getting around the Perryton City Park at the celebration.

## County Business In Upswing

Hansford County's economy moved into higher gear in the past year, according to a national survey of business activity, just released.

The added momentum was powered, principally, by heavier spending on the part of local consumers, most of whom has more money at their command than the year before and less hesitancy about using

The facts and figures on income and spending in the area, with comparable data for communities in other parts of the country, are contained in a copyrighted study made by Sales and Marketing Management. It is called "Survey of Buying Power."

It shows that the overall income of Hansford County residents was at a high level. Net earnings, after payment of personal taxes, amounted to \$24,790,000, topping the previous year's total of \$20,591,000.

Just what this was equivalent to, in terms of the individual family, is indicated by the median income per household, which marks the midpoint on the local income scale. It came to \$10,570 per household. The year before it was \$9,288 per household.

The various surveys and economic studies that have been made recently seem to agree, almost without exception, that the business outlook is bright for the near future.

They expect that, with incomes rising faster than the cost of living, which has been the case lately, with unemployment declining somewhat and with inflation staying within bounds, the confidence of consumers will improve and they will return to their freer spending habits.

Their ability to do so is enhanced by the fact that most of them have more savings than usual salted away, due to their cutback in spending dur-

ing the recession.

And, the reasoning goes, since consumer spending is the backbone of our economy, once it gets into full swing again, industrial production will increase to meet the demand, opening up job opportunities for more people.

In Hansford County, the improvement is already under way, the figures show. In the past year local retail stores recorded gross sales of \$15,492,000, as against the prior year's total of \$15,102,000.

## Girl Scout Leaders Needed

The time has come for the Girl Scouts to begin their regular weekly meetings. At present, there is a need for one leader and one assistant leader to work with the girls. Anyone interested in helping is asked to contact Celestine Thompson at 2231 or 3527.

The first Girl Scout Leader's Neighborhood Meeting will be held Tuesday, September 14th at the Girl Scout House.

## College Students

### Names Needed

Again this year we would like to have names of our young people of our community who are attending college. To report your college college students call 3526 or 3434.

We will run all of their names after we have compiled the list of their names and the colleges they are attending. List all students, not only those who are going to college for the first time this year.

## B&T Women To Meet

The Baker & Taylor Women's Association will meet September 7 at 9 a.m. in the Home Demonstration Clubroom. This will be the first meeting of the fall season.

The Spearman Lynx will journey to Stratford this Friday night, and the biggest convoy in the history of Spearman, Texas, will follow the Lynx hopefuls, their coaches, band, and pep squad to the town of Stratford. In fact, Stratford will think that they have been invaded by Mars, when the Spearman Lynx take to the field. Coach Sherwood, the head-man at Lynxville definitely has not made up his mind who will start at Stratford Friday night. He has several boys who are battling for starting positions, some of the starters from last years team, might not make the starters this year! Stratford has the same problem, with several of their boys coming back (some 19 seniors) and they too have a lot of returning talent.

As we said before Coach Sherwood just doesn't have his starters picked at press time. For sure, Mark Cunningham will not start, as his knee is in a cast, and will be in one for three weeks. The all-state prospect was injured in the Guymon scrimmage. Jim Jones will go to the doctor on Thursday, to see if the will be released for the Friday night game. Trevino was doing fine, and will probably play, we learn, as we go to press!

As all fans in the town know, this promises to be the best opening game in the entire state of Texas! Stratford is

definitely a challenger for leader in the tough I-A district, and the Lynx, although untested, are favored to win district I-AA's tough race! It definitely will be a battle between two champions, as the two clubs meet at Stratford on Friday night at 8 p.m.

This year, the Lynx will have some 6 running backs to use against Stratford, besides two fine quarterbacks. The offensive lines, and the defensive lines boast lots of size, power, and experience from tackle to tackle. But, the Lynx still are not counting on any easy moments at Stratford Friday night. In fact most fans would rather play O.U., than Stratford, cause they are just awful tough to beat for the Lynx! Coach Sherwood is extremely proud of the performance of his teams in their scrimmages against Dumas and Guymon this year, but most fans just don't get excited about scrimmages; you just can't tell what a team will do in a scrimmage, and a game; but if a scrimmage is any indication, the Lynx certainly looked sharp against Dumas and Guymon, defeating both teams rather easily.

Coach Sherwood will have four offensive starters in the game Friday night; Zane Newton, Rick Morris, Mark Cunningham and tackle Jimmy Kenney! Of course you will have to change that to 3,

as Cunningham is out for the first three games!

Kent Hargis, who performed well as a sophomore, but was injured all last year, should be something to watch this year, if his injuries are all healed. Sherwood will be one of the "most watched" players in the league, as he takes over the quarterback slot for his daddy, Randy Ried, will be contender for the Quarterback slot, and should be on had to relieve Sherwood in the contest Friday night. Defensive regulars include all state candidate Bo DeArmond, Philip Archer, Ed Pogue and Twaine Friemel.

For the very finest in football, come out Friday night, and follow the Lynx to Stratford. It will be well worth your time, as you will see the best opening game in the state of Texas.

## P.O. to close

The Spearman Post Office will be closed Monday, September 6, in observance of labor day. No deliveries will be made on city or rural routes.

There will be no boxing of mail and no residential collections will be made.

Those desiring out-going mail service should deposit their mail in the outside collection box in front of the Post Office.

## Pioneer Resident Celebrates 80th Birthday

Gumfory, and Travis and Clint Patterson.

The favorite flower of Mrs. Archer, red roses were on display on the register table and in the living room.

The serving table was laid with a white cutwork cloth underlaid with pink. The centerpiece of sonya roses were presented by Mr. and Mrs. Pete Fisher. Crystal appointments were used and granddaughters of the honoree, Mary Frances Dixon, Toni Archer, Cathy Patterson of Spearman, Carla Gumfory of Gruver, Danna Kay Archer of Perryton and Patton Ann Hamilton of Lubbock served punch, birthday cake, nuts and mints to those attending.

The buffet in the dining room held a three tiered birthday cake trimmed with roses made by Effie Hackley and the cake flanked on both sides by bouquets of sonya roses, presented by Mr. and Mrs. Pat Patterson and Mrs. Hackley.

Mrs. Archer has lived in this area since 1904, living in Hutchinson county with her parents as a child, then in Amarillo and has lived in Spearman since 1926.

Mrs. Archer has truly been one of the outstanding pioneer citizens of this area. She and her husband, the late R. B. Archer, raised five sons, and were active in community affairs while he was living and she has remained so since that time. She is a member of the Church of Christ and several years ago donated the land for the children's home built by the church. She has been a friend to all in this area and the high esteem and love with which she is held was shown by the many greeting her and wishing her a happy birthday.

Construction has begun on the new addition to the Union Church. Pictured above is Preston Smith and Archie Smith as they pour the foundation for the 60' x 100' Pamtex Metal Building. To date, the foundation and plumbing have been completed.

## Is Slow So Sure After All?

Is the slow driver a safe driver? Not necessarily, according to a landmark study recently conducted for the Texas Office of Traffic Safety (OTS).

According to Ken Nevil, OTS administrator, the study on the causes of fatal traffic accidents reveals that while lives can be saved by controlling the average speed of motorists, an even more effective way of reducing fatalities may be to control the "speed differential."

"In basic terms," Nevil said, "speed differential is the difference in speeds between two vehicles traveling in the same direction on the same highway."

"Think of the highway as a river whose current is constant. If you threw two blocks of wood into the river a few seconds apart, the chances are very unlikely that the second one would ever catch the first," Nevil explained.

"So, if all vehicles were to travel at approximately the same speed, there would be fewer conflicts, and thus, fewer possibilities of an accident."

According to the study, when one vehicle catches or passes another traveling at a slower rate of speed, the chances of an accident rise as the difference in the speeds of the two vehicles increase. And the higher the speed at the time of an accident, the greater the probability of serious injury or death. This result, of course, could be reduced by proper use of safety belts.

The study indicated that reaction time and other factors make the ten mph speed differential between two cars traveling 50 and 60 miles per hour more dangerous than the same then mph difference between vehicles traveling 30 and 40 mph.

"The study explodes the myth that you can play it safe on the highway by traveling slowly," Nevil emphasized. "Slow drivers are safe only if there are no faster cars on the highway with them. And driving too slowly causes a potentially serious hazard to all."

It is safer, according to Nevil, to move with the flow of traffic at the speed limit rather than forcing other drivers to pass because of a low rate of speed.

Three factors influencing the rate of traffic fatalities were recognized in the study: the average speed, variation of speed, and vehicle miles driven each year in Texas.

Researchers concluded that of the three factors only the average speed driven by Texans and the variation in speed of vehicles on the highway offered any possible alternative programs for control.

"While reducing the average speed was shown to be an effective way of reducing fatalities, reducing the speed differential could hold more promise," says Nevil.

"The figures in the study show that small reductions in either the average speed or the speed differential will produce reasonably large reductions in fatalities.

"For example, a one mile per hour reduction in either of these factors can be expected to save 40 to 50 lives annually in Texas. But of the two,

variation in speed has the greater impact," he said.

Nevil pointed out that a reduction of one mph in the variation of vehicle speeds would save about ten more lives than a one mph reduction in the average speed.

"If the cost and ease of controlling the two factors are the same, controlling the variation of speed will save about 20 per cent more lives than controlling the average speed," said Nevil.

While the cost and effectiveness of controlling variations in speed have not been determined, public awareness of the facts could have significant results.

"We've got to get our message across to the slowpoke holding up the normal flow of traffic that he may be the most dangerous person on the road," Nevil warned.

"On the other side of the coin is the driver who is always passing, always changing lanes, always pushing. His chances of making it to his destination in one piece are not as good as the fellow who travels at the speed limit and moves with the flow of traffic."

According to Nevil, the study may be a landmark in the philosophy of traffic control and could lead to many innovations.

The traffic safety slogan of tomorrow might read: "A difference in speed kills," or, "go with the flow."

"The Squash and We" -- Bill and Jeanne Smith revise a popular title to appropriately call attention to their extra-ordinary yellow squash grown at their country home near Gruver.

## Smiths Produce Texas-Size Squash

A couple of "imports" from California, now residing in Gruver, have produced not one but several Texas-size yellow squash grown from seed which came originally from Oregon!

Bill and Jeanne Smith who moved here from California several months ago have a delightful garden skirting their country trailer home near Nature's Park south of Gruver with a yellow squash vine originating from seed given to them by friends in Oregon

assuming most of their attention--and also most of their garden area!

Vital statistics of the one which they cut Sunday afternoon from a vine, which surely must almost cover a city block are 31 (inches long); 32 (inches, circumference); 33 (lbs. in weight). Tender skinned and golden meated, this squash is a product of a mother vine which nurtured it to full maturity through hollow, tuberous vines--sending out stronger than steel tenta-

cles to hold the monstrous squash off the ground and cradling it against the fence for support until mature. Already stocking the Smith's deep freeze with many pounds of squash, the mother vine is still producing more and more squash which quickly grows to maturity.

The Smiths are really just proving that all that glitters is not necessarily gold--some of it is their extra-ordinary Texas-size squash, vintage 1976.

Class meetings were held Friday, August 20th during pre-registration. The Junior Class is to be in charge of the concession stands during the foot-all season. Class officers are from left to right: Mike Bodey, son of Mr. and Mrs. Calvin Bodey-Vice President; Carrie Clark, Secretary, daughter of Mr. and Mrs. Albert Clark; and Randy Reid, son of Mr. and Mrs. David Reid, President.

The oldest written language in the world is Chinese which is over 3,300 years old!

**T.V. Special  
Labor Day, 1976**

The Jerry Lewis Muscular Dystrophy Telethon will be held on September 6 this year, raising money to help fight that crippling disease. Millions of Americans can contribute to this cause before that, however, through the Southland Corporation's efforts.

These efforts involve the 5,700 7-Eleven stores operated and franchised by Southland in 39 states. These stores will donate a dime from the purchase price of every 24-ounce Jerry Lewis "Slurpee" drink sold.

The stores will also contribute 10 cents from the sale of each "Hot to Go" sandwich and 10 cents for every large cup of hot coffee sold between 11 p.m. September 5 and 7 a.m. on Labor Day, September 6.

In addition, the stores will display special "Let Jerry Lewis Keep the Change For His Kids" collection canisters and provide canisters for individuals to use in their neighborhoods.

Jerry Lewis would probably agree, it's never too early to help the fight against muscular dystrophy.

**JERRY LEWIS** helps raise money to fight muscular dystrophy—and so can every American.

The expression "on the nose," signifying exactly on time, is believed to have originated in the broadcasting studio where the producer signals to performers by putting his finger on his nose when the program is running to schedule time.

**the Equal Payment Plan:**

When you know in advance what your monthly electric bill will be, it can sure help your budget planning! The Equal Payment Plan is an easy way to "smooth out" your monthly electric bills. Here's how it works... your yearly electric usage is estimated and divided into twelve equal monthly payments. By paying a little more for your service during months of relatively light usage, you can avoid those really high bills during months of heavy electric consumption. Periodically, your account is reviewed to make sure the original estimate is in keeping with your actual usage. If it is not, you will be contacted and an adjustment worked out. If you're interested in the convenience of the Equal Payment Plan... give us a call!

Members of the Senior Class elected Jeff Hohertz, secretary-treasurer, Terry Latham, vice president and David Witt, president in a class meeting August 20. Parents of these young men are Mr. and Mrs. Bob Hohertz, Mr. and Mrs. Orville Latham and Mr. and Mrs. Jim Witt.

## Dove regulations set for this area

A split dove season has been set for both north and south zones of Texas and Texas Parks and Wildlife Department personnel are reporting an average number of doves in most of the Panhandle and South Plains.

The north zone dove season is set for Sept. 1-Oct. 14 from noon to sunset, and Jan. 1-16; 1977, 30 minutes before sunrise to sunset. The north zone includes all counties north of a line from Shelby to Kinney counties and all of the Panhandle and South Plains counties are included in the north zone.

The daily bag limit of 10 birds and a possession limit of 20 birds will furnish any hunter plenty of chances to miss the fast-flying dove.

Reports from the Panhandle indicate plenty of birds, but dry hunting conditions will increase the chances for fires from careless disposal of matches and cigarettes. New vehicle owners are advised to check for fire hazards from the catalytic converters as grass and weeds collect under the vehicle. Waterhole shooting in the Panhandle should be excellent due to the dry conditions, but some of the ranch and farm tanks have dried-up, too.

South Plains dove populations are scattered with fewer acres of grain and sunflowers than last year. Better shooting conditions will exist near feed fields or on flyways to and from the local roosts.

The rolling hills off the caprock are holding good

numbers of birds with more grain fields and plenty of water.

The delay of any cold, wet, rainy spell during the first part of September will increase the sportsman's chances of harvesting locally grown doves before they head south for the winter.

Firearms used to hunt doves must be plugged to hold no more than three shells at one time and may not be larger than 10 gauge. No rifles or pistols are legal for dove hunting.

No hunting is permitted in game refuges; state and federal parks, game reserves, or from the public road or road right-of-way. More citations are issued by P&WD wardens for shooting from the road than any other dove violation.

Sportsmen are asked to get permission to hunt as required by Texas law. The yearly increase in number of hunters per county warrants an early contact with the prospective landowner before the season starts.

A violation of the landowners property rights will only result in a citation and more no-hunting or no-trespassing signs next year. To increase your chances of finding a place to hunt, you must convince the landowner that no livestock will be shot, fences and gates will remain as they were, and crops or other property will be respected and not destroyed or damaged.

A good Texas hunter is careful, considerate, capable

and courteous and he has a good chance of being invited back next season by the landowner.

More information is available on dove hunting, hunter safety classes, new licenses and other seasons and regulations by contacting the nearest P&WD game warden or by calling Amarillo (806) 355-9246 or Lubbock (806) 744-0213.

## FHA Girls Enjoy Outing

Fifty F.H.A. girls met at the high school on Friday, August 27. The Big Sister Chapter of F.H.A. hosted a weiner roast for the Little Sister Chapter of f.h.a. Everyone dressed for the occasion by wearing their groodies.

All 50 girls climbed into the back of Mr. Schubert's grain truck. Mr. Schubert drove the grain truck to Gibner's ranch while Mr. and Mrs. Hudson followed in the pick-up with all of the food.

The group rode several miles to the Gibner Ranch, which is located north and west of the airport. After arriving, the girls hiked up and down a dry creek bed, while the men started the fire for the weiner roast.

While everyone waited for the fire to get going, all the girls played games. Each person got a partner and had three-legged races. Keeping the same teams, the girls raced with a potato on a spoon. There got to be quite a rivalry, but each team ended up winning the same amount of games.

The fire finally got started, so everyone ate roasted weiners along with buns and all the

"fixings". For dessert, everyone roasted marshmallows. After the meal, the girls had a tug-o-war. Seems like both teams were so strong that they broke the thick hemp rope twice. (Who Says girls don't have muscles?)

All the F.H.A. girls and the F.H.A. sponsors, Jan Turnbough and Francis Hudson, formed a big circle. The Big Sister Chapter officers were introduced to the Little Sister Chapter: President-Tammy Rook, 1st Vice President-Rhonda Collins, 2nd Vice President-Tammy Farr (Encounter) 3rd Vice President-Tracie Keech (Projects), 4th Vice President-Donna Wirsdorfer (Recreation), 5th Vice President-Paige Mitchell (Reporter), Historian-Donna Golf, Secretary-Treasurer-Pam Largent, and Parliamentarian-Tina Cochran.

After singing a crazy song, everyone climbed back into the truck and arrived at the high school around 9:00p.m. Everyone seemed to enjoy themselves very much.

The F.H.A. girls would like to thank the Gibners, the Schuberts, the sponsors and everyone who helped.

### General Mills Scholarships Available

College scholarships of \$500 to \$5,000 are available to high school seniors through the General Mills Search for Leadership in Family Living, now in its 23rd year.

Invitations to enroll in the program have been mailed to high schools across the nation. Schools new to the program can write the General Mills Search, P.O. Box 1113, Minneapolis, Minn. 55440, for information.

The 1976 winner of the top \$5,000 scholarship is a boy, the first in the history of the Search. He is Dan McVicar, Broomfield, Colorado.

Enrollment deadline for the 1977 General Mills Search is November 1, 1976.

On Tuesday, December 7, each participating school will administer a 50-minute written examination. Prepared and scored by Science Research Associates, Inc., Chicago, this general knowledge and attitude examination is the first important step of the scholarship program.

From the examination results a General Mills Family Leader of Tomorrow will be chosen for each participating school. School winners are acknowledged with special awards and their examinations are entered in state competition.

Each State Family Leader of Tomorrow receives a \$1,500 college scholarship while every state second-place winner receives a \$500 grant. State winners also earn for their school a 20-volume reference work, "The Annals of America," from Encyclopedia Britannica Educational Corporation.

State winners will be the guests of General Mills next spring on an expense-paid tour of Williamsburg, Virginia, and Washington, D. C. A special event of the tour is an announcement of the All-American Family Leader of Tomorrow, whose scholarship is increased to \$5,000. Second, third and fourth place national winners receive scholarship increases to \$4,000, \$3,000 and \$2,000 respectively.

The General Mills Search, known as the Betty Crocker Search for its first 22 years, is on the advisory list of the National Association of Secondary School Principals.

### Double Ring Ceremony Unites Couple

The First United Methodist Church of Spearman was the scene for the August 21 wedding uniting Miss Connie Jo Trindle and Dr. Douglas Wayne Steger. The bride is the daughter of Mr. and Mrs. John Trindle, Spearman. The groom is the son of Dr. and Mrs. Neiland Steger, Borger.

Rev. Wesley Daniel of Littlefield, read the double ring ceremony which was conducted before an altar of two white urns holding bouquets of yellow gladiolas, white spider mums and greenery. A steeple of votive candles framed the background. Spiral candelabras with yellow tapers flanking the altar were lit by Miss Marie McCully of Anthony, Kansas, cousin of the bride, and Miss Karen Kenney of Spearman.

Attending the bride's book was Miss Marcia Shieldknight of Ralls.

Mrs. Carl Reed, organist, played a selection of choruses and scriptural hymns prior to the ceremony. Miss Kay Reed of Childress sang "Lord As We Come to Praise You", "Jesus He Is the Son of God", and "Jesus Shows Me the Way". The traditional Bridal Chorus by Lohengrin was played for the processional. Rev. Rex Mauldin of Borger sang "The Lord's Prayer" as the couple knelt at the altar. For the recessional Miss Reed sang "My Tribute (To God be the Glory)".

Escorted by her father, the bride wore her sister's wedding gown which her sister had designed and fashioned for her own wedding. The peau de soie gown's fitted bodice had tracings of alecon lace around the neckline. The fitted sleeves were accented with lace and came to petal points. An empire waistline featured an A-line skirt and a detachable chapel length train which fell from a self-bow. Her four tiered veil of illusion was held by a bow of peau de soie. She carried a cascade of white orchids with yellow hearts, stephanotis and baby's breath. The traditional something old was an heirloom amethyst and pearl lavelier worn at family weddings since the bride's great grandmothers. Something new was a diamond cross pendant, a gift of the groom. The wedding gown was borrowed, and she wore the traditional blue garter. She also wore a sixpence in her shoe.

Mrs. Larry Holt, sister of the bride, was matron of honor, bridesmaids were Mrs. Jim Fitzgerald, Canyon; Mrs. Michael McLaurin, Marksville, Louisiana. All the attendants were attired in the bride's chosen color of yellow. The knit dresses featured a V-neckline which swept into cape sleeves. A self cummerbund and sash accented the front of the dress. The circular skirts fell gracefully to the floor. Complimenting yellow horsehair picture hats with yellow satin hatbands and anchoring flowers completed the outfits. Nose-gays of yellow and white pom pom mums with baby's breath and green streamers were carried by the attendants. Flower girl was Miss Jessie Holt, niece of the bride. She

wore a floor length dress identical to the attendants.

For her daughter's wedding, Mrs. Trindle chose an apricot floor length dress. The dress featured a stand-up collar with draped front, tapered sleeves and a chiffon overlaid skirt. A self cummerbund accented the waistline. Her corsage was tropicana roses. The mother of the groom wore a mint green dress, featuring a lace bodice with a stand up collar and fitted sleeves. The full drape skirt was floor length. Her yellow rose corsage complimented her outfit.

Brad Steger, of Houston, was best man. Groomsmen were Steve Steger, Houston, Barry Steger of Lubbock, brothers of the groom. Ushers were Larry Holt, Spearman; Dan Sommers, Borger; Dr. Ken Chapman, Borger. Groomsmen and ushers wore charcoal gray tuxedos with yellow ruffled shirts and grey bow ties. The groom wore an all white vested tuxedo with a ruffled shirt and a stephanotis boutonniere.

At the reception the bride's table was covered with a yellow chiffon cloth with white underlay and featured a three-tiered wedding cake made by Mrs. John Hocking, Booker, cousin of the bride. Yellow roses and bells decorated the cake. A silver candelabra with yellow tapers centered the table. Yellow punch was served from a crystal bowl, and the cake was served by Mrs. Tommy Gowan, Dallas; Miss Linda Fisher, Las Vegas, New Mex.; and Mrs. Donna Ellington of Jackson, Tennessee.

When the couple left for a honeymoon trip to the Bahamas, the bride traveled in a two piece tailored mauve suit, a bright scarf and the corsage lifted from her bridal bouquet.

After September 1, the couple will be at home in Spearman.

The bride attended Spearman Schools graduating with the class of '69. She then attended WTSU, and graduated from Texas Christian University, Harris College of Nursing in 1973. She worked at University of Kentucky Medical Center, Lexington, Kentucky for two years following graduation from TCU.

Dr. Steger attended Borger High School and graduated with the class of 1968. He is a graduate of the University of Houston College of Optometry. He is presently practicing general Optometry in Spearman and Borger.

Additional pre-nuptial courtesies include dinner for the bride and groom and their families Thursday evening in the Nolan Holt home hosted by Mr. and Mrs. Britt Jarvis and Mr. and Mrs. Nolan Holt. The rehearsal dinner hosted by the groom's parents, Dr. and Mrs. N. C. Steger, was held Friday, August 20 in Martin's Steak Garden.

Out-of-town guests were: Mr. and Mrs. Larry Jones, Mr. and Mrs. Phil Martin, Troy and Heather, Miss Kathleen Harwell of Lexington, Kentucky; Miss Donna Ellington, Jackson, Tennessee; Mrs. Michael McLaurin, Marksville, Louisiana; Mr. and Mrs. E. M.

**United  
Presbyterian  
Church News**

Lay Renewal Prayer Group meets Thursday, September 2 at 8:00 p.m. at the home of Mr. and Mrs. John Trindle. The first Friday of every month in 1976 is a day of united prayer and fasting for all Christians in America. On Friday, September 3, the prayer focus will be "secular humanism". This Godless, secular religion represents people's efforts to solve their problems and shape their society apart from God. Pray against the influence of secular humanism and its satanic influence in our society. Pray that people will turn instead to

God's Word for the solution to their problems. Sunday, September 5 is the thirteenth Sunday after Pentecost and is Labor Sunday. There is a class for everyone from the babies in the babyfold to the oldest adult at the First Presbyterian Church every Sunday at 9:45 a.m. "A Safe Nest" will be the subject of Pastor Ed Freeman's children's sermon and "The Source of True Life" will be the subject of his adult sermon at the service for the public worship of God on Sunday, September 5, at 11:00 a.m. No one is ever a stranger twice at the First Presbyterian Church. A warm welcome awaits anyone who comes to any of its services or activities.

**Sheppard-Cook  
Vows Exchanged**

Deborah Lynn Sheppard and Michael Lynn Cook were united in marriage Saturday, August 14, at 5:00 p.m. in the First United Methodist Church.

Parents of the couple are Mr. and Mrs. Bert Sheppard and Mr. and Mrs. Carroll Cook all of Spearman.

Rev. Wesley N. Daniel of the First United Methodist Church in Littlefield officiated at the double ring ceremony which was conducted before an altar decorated with two baskets of flowers and two spiral candelabra with powder blue tapers.

Organist, Wilma Clark, played the traditional bridal chorus and wedding march and accompanied soloist Sandra Vance of Pampa who sang "More" and "Wedding Song".

Given in marriage by her father the bride wore a formal gown of white sheer polyester over bridal satin. Heavy lace overlaid the fitted sleeveless bodice which featured a sweetheart neckline. The lace was then repeated at the hemline of the A-line skirt which extended into a chapel length train. Her floor length veil of illusion was attached to a lace caplet. The bride's gown was designed by the bride and made by her mother. The bride carried a bouquet of white daisies and baby's breath.

Maid of honor, Beth Sheppard, and matron of honor, Dixie Windom, sisters of the bride, were attired in formal gowns of powder blue sheer polyester fitted at the waist with a tie belt and featuring a short cape. They wore powder blue picture hats and carried nosegays of white and yellow daisies and baby's breath.

Wedding guests were registered by Kelly Harper. Attendants for the groom were: Best Man, Butch Schaefer; Groomsman, Billy Paul Hazelwood; and Ushers, Reagan Baker and Kirby McAdams.

Mrs. Sheppard chose for her daughter's wedding a floor length beige gown with brown accents. Mrs. Cook, mother of the groom wore a softly draped blue floral floor length gown. Both mothers wore corsages of white daisies.

At the reception, which was held in the home of the bride, the bride's table was covered with a white lace tablecloth over blue and was centered with a floral arrangement of blue, yellow, and white daisies. The table was set with silver appointments and was accented by a three-tier white wedding cake. Serving at the bride's table were Mrs. Coy Jones, aunt of the bride, and Cindy and Melinda Cook, sisters of the groom. Hostesses at the reception were Mrs. John Trindle, Mrs. Garland Head, Mrs. Burl Buchanan, and Mrs. Bill Massie.

Out-of-town guests attending were Clay Moore of Amarillo, Calvin DeWitt of Canadian, Deidre Hester of Amarillo, Sandra Vance of Pampa, Mr. and Mrs. Given Vance of Pampa, Mrs. Bill Massie of Borger, Dianne McCloy of Stinnett, Mrs. Coy Jones, Martha and Walt of Brownfield, Mrs. Lee Ligon of Odes-

sa, and Rev. and Mrs. Wesley Daniel of Littlefield.

### Double Ring Ceremony Unites Couple

The First United Methodist Church of Spearman was the scene for the August 21 wedding uniting Miss Connie Jo Trindle and Dr. Douglas Wayne Steger. The bride is the daughter of Mr. and Mrs. John Trindle, Spearman. The groom is the son of Dr. and Mrs. Neiland Steger, Borger.

Rev. Wesley Daniel of Littlefield, read the double ring ceremony which was conducted before an altar of two white urns holding bouquets of yellow gladiolas, white spider mums and greenery. A steeple of votive candles framed the background. Spiral candelabras with yellow tapers flanking the altar were lit by Miss Marie McCully of Anthony, Kansas, cousin of the bride, and Miss Karen Kenney of Spearman.

Attending the bride's book was Miss Marcia Shieldknight of Ralls.

Mrs. Carl Reed, organist, played a selection of choruses and scriptural hymns prior to the ceremony. Miss Kay Reed of Childress sang "Lord As We Come to Praise You", "Jesus He Is the Son of God", and "Jesus Shows Me the Way". The traditional Bridal Chorus by Lohengrin was played for the processional. Rev. Rex Mauldin of Borger sang "The Lord's Prayer" as the couple knelt at the altar. For the recessional Miss Reed sang "My Tribute (To God be the Glory)".

Escorted by her father, the bride wore her sister's wedding gown which her sister had designed and fashioned for her own wedding. The peau de soie gown's fitted bodice had tracings of alecon lace around the neckline. The fitted sleeves were accented with lace and came to petal points. An empire waistline featured an A-line skirt and a detachable chapel length train which fell from a self-bow. Her four tiered veil of illusion was held by a bow of peau de soie. She carried a cascade of white orchids with yellow hearts, stephanotis and baby's breath. The traditional something old was an heirloom amethyst and pearl lavelier worn at family weddings since the bride's great grandmothers. Something new was a diamond cross pendant, a gift of the groom. The wedding gown was borrowed, and she wore the traditional blue garter. She also wore a sixpence in her shoe.

Mrs. Larry Holt, sister of the bride, was matron of honor, bridesmaids were Mrs. Jim Fitzgerald, Canyon; Mrs. Michael McLaurin, Marksville, Louisiana. All the attendants were attired in the bride's chosen color of yellow. The knit dresses featured a V-neckline which swept into cape sleeves. A self cummerbund and sash accented the front of the dress. The circular skirts fell gracefully to the floor. Complimenting yellow horsehair picture hats with yellow satin hatbands and anchoring flowers completed the outfits. Nose-gays of yellow and white pom pom mums with baby's breath and green streamers were carried by the attendants. Flower girl was Miss Josie Holt, niece of the bride. She

wore a floor length dress identical to the attendants.

For her daughter's wedding, Mrs. Trindle chose an apricot floor length dress. The dress featured a stand-up collar with draped front, tapered sleeves and a chiffon overlaid skirt. A self cummerbund accented the waistline. Her corsage was tropicana roses. The mother of the groom wore a mint green dress, featuring a lace bodice with a stand up collar and fitted sleeves. The full drape skirt was floor length. Her yellow rose corsage complimented her outfit.

Brad Steger, of Houston, was best man. Groomsmen were Steve Steger, Houston, Barry Steger of Lubbock, brothers of the groom. Ushers were Larry Holt, Spearman; Dan Sommers, Borger; Dr. Ken Chapman, Borger. Groomsmen and ushers wore charcoal gray tuxedos with yellow ruffled shirts and grey bow ties. The groom wore an all white vested tuxedo with a ruffled shirt and a stephanotis boutonniere.

At the reception the bride's table was covered with a yellow chiffon cloth with white underlay and featured a three-tiered wedding cake made by Mrs. John Hocking, Booker, cousin of the bride. Yellow roses and bells decorated the cake. A silver candelabra with yellow tapers centered the table. Yellow punch was served from a crystal bowl, and the cake was served by Mrs. Tommy Gowan, Dallas; Miss Linda Fisher, Las Vegas, New Mex.; and Mrs. Donna Ellington of Jackson, Tennessee.

When the couple left for a honeymoon trip to the Bahamas, the bride traveled in a two piece tailored mauve suit, a bright scarf and the corsage lifted from her bridal bouquet.

After September 1, the couple will be at home in Spearman.

The bride attended Spearman Schools graduating with the class of '69. She then attended WTSU, and graduated from Texas Christian University, Harris College of Nursing in 1973. She worked at University of Kentucky Medical Center, Lexington, Kentucky for two years following graduation from TCU.

To remove the stale odor of cigarettes and ashes from the vacuum cleaner, spray the inside of a new bag with disinfectant, or saturate a piece of cotton with your favorite cologne and place inside the bag, suggests Mrs. Linda McCormack, a family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

### Bill Bazansky To Be FGBMFI Speaker

Bill Bazansky (right) and Blaine Amburgy are shown here at the Full Gospel Business Men's Fellowship International Convention at Miami, Florida, July 1976. Bazansky will be returning to Spearman Sept. 16, 17 and 18 and will speak at 8 p.m. each night at the County Barn, Bro. Ed Freeman will be in charge of the music for the three night session.

A child feels good about himself when he knows his parents are interested in what he is doing, Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System, says.

Mrs. Tom Allen and her brother, Joe Thomason, of Lodi, California have returned from a two week's trip. While they were gone they attended a family reunion in Sterling, Oklahoma.

The most blessed of occasions is the union of a man and a woman is the celebration of...the miracle of love.

**United  
Presbyterian  
Church News**

Lay Renewal Prayer Group meets Thursday, September 2 at 8:00 p.m. at the home of Mr. and Mrs. John Trindle.  
The first Friday of every month in 1976 is a day of united prayer and fasting for all Christians in America. On Friday, September 3, the prayer focus will be "secular humanism". This Godless, secular religion represents people's efforts to solve their problems and shape their society apart from God. Pray against the influence of secular humanism and its satanic influence in our society. Pray that people will turn instead to

God's Word for the solution to their problems.

Sunday, September 5 is the thirteenth Sunday after Pentecost and is Labor Sunday.

There is a class for everyone from the babies in the babyfold to the oldest adult at the First Presbyterian Church every Sunday at 9:45 a.m.

"A Safe Nest" will be the subject of Pastor Ed Freeman's children's sermon and "The Source of True Life" will be the subject of his adult sermon at the service for the public worship of God on Sunday, September 5, at 11:00 a.m.

No one is ever a stranger twice at the First Presbyterian Church. A warm welcome awaits anyone who comes to any of its services or activities.

**Sheppard-Cook  
Vows Exchanged**

Deborah Lynn Sheppard and Michael Lynn Cook were united in marriage Saturday, August 14, at 5:00 p.m. in the First United Methodist Church.

Parents of the couple are Mr. and Mrs. Bert Sheppard and Mr. and Mrs. Carroll Cook all of Spearman.

Rev. Wesley N. Daniel of the First United Methodist Church in Littlefield officiated at the double ring ceremony which was conducted before an altar decorated with two baskets of flowers and two spiral candelabra with powder blue tapers.

Organist, Wilma Clark, played the traditional bridal chorus and wedding march and accompanied soloist Sandra Vance of Pampa who sang "More" and "Wedding Song".

Given in marriage by her father the bride wore a formal gown of white sheer polyester over bridal satin. Heavy lace overlaid the fitted sleeveless bodice which featured a sweetheart neckline. The lace was then repeated at the hemline of the A-line skirt which extended into a chapel length train. Her floor length veil of illusion was attached to a lace caplet. The bride's gown was designed by the bride and made by her mother. The bride carried a bouquet of white daisies and baby's breath.

Maid of honor, Beth Sheppard, and matron of honor, Dixie Windom, sisters of the bride, were attired in formal gowns of powder blue sheer polyester fitted at the waist with a tie belt and featuring a short cape. They wore powder blue picture hats and carried nosegays of white and yellow daisies and baby's breath.

Wedding guests were registered by Kelly Harper. Attendants for the groom were: Best Man, Butch Schaefer; Groomsman, Billy Paul Hazelwood; and Ushers, Reagan Baker and Kirby McAdams.

Mrs. Sheppard chose for her daughter's wedding a floor length beige gown with brown accents. Mrs. Cook, mother of the groom wore a softly draped blue floral floor length gown. Both mothers wore corsages of white daisies.

At the reception, which was held in the home of the bride, the bride's table was covered with a white lace tablecloth over blue and was centered with a floral arrangement of blue, yellow, and white daisies. The table was set with silver appointments and was accented by a three-tier white wedding cake. Serving at the bride's table were Mrs. Coy Jones, aunt of the bride, and Cindy and Melinda Cook, sisters of the groom. Hostesses at the reception were Mrs. John Trindle, Mrs. Garland Head, Mrs. Burl Buchanan, and Mrs. Bill Massie.

Out-of-town guests attending were Clay Moore of Amarillo, Calvin DeWitt of Canadian, Deirdre Hester of Amarillo, Sandra Vance of Pampa, Mr. and Mrs. Given Vance of Pampa, Mrs. Bill Massie of Borger, Dianne McCloy of Stinnett, Mrs. Coy Jones, Marsha and Walt of Brownfield, Mrs. Lee Ligon of Odes-

sa, and Rev. and Mrs. Wesley Daniel of Littlefield.

**Dahlia Flower  
Club Met**

The meeting was called to order by President, Mrs. Ceril Batton.

Minutes of the previous meeting were read by Mrs. Gary Evans.

Members were reminded to be preparing for the Art Show to be November 6 and 7 at the library.

Roll Call was answered by "A Foreign Country I Would Like To Visit."

Mrs. C. W. Smith won first place with her arrangement of marigolds and phlox.

Mrs. J. L. Denman won first place with her red roses specimen.

The meeting was closed with the club collect.

Refreshments of pound cake, fruit salad, tea and coffee were served by Mrs. Floyd to members, Mesdames: Garrett Allen, Ceril Batton, John Bishop, Deta Blodgett, Mable Edwards, Gary Evans, F. J. Hoskins, A. F. Loftin, Guy Remy, Earl Riley, H. M. Shedeck, C. W. Smith, Ned Turner and J. W. Walker.

Next meeting will be September 13th in the home of Mrs. J. L. Denman.

**UMW MEETS**

The United Methodist Women met Wednesday, August 25th at the First United Methodist Church for a luncheon and monthly business meeting.

Hostess for the luncheon were Mrs. T. D. Sansing and Mrs. Jerald Scribner.

Mrs. Dick Countiss presided over the meeting. Discussion was held on the next program, which will be Mrs. Bert Sheppard conducting the Bible Study entitled "The Prophets" at the regular Circle meetings.

Programs on the U.M.W. Studies for 1977 were discussed.

Mrs. Russell Townsend and Mrs. T. D. Sansing gave a report on the Study of Mark.

Mrs. Monty Blackman gave a report on the Study on "People & Systems", and Mrs. Kent Guthrie gave a report on the Study of South Africa.

Those present at the meeting included guest, Mrs. Jerry Taylor, and members, Mesdames: Kent Guthrie, Bert Sheppard, Jock Lee, Roy Jones, C. W. Smith, H. M. Shedeck, P. A. Lyon, Sr., Bruce Sheets, J. B. Buchanan, R. E. Lee, Russell Townsend, T. D. Sansing, Jerald Scribner, Monty Blackman, Dennis Nelson, Bob Pearson, Dick Countiss and Gary Woolley.

Next general meeting will be September 22nd at the church.

GAME NUMBER ONE

Let's end their bragging,  
Enough of their noise;  
This time the Elks will fail,  
Spearman Lynx have more than poise.

Put history aside,  
And follow the coaches' advice;  
In forty-eight football minutes,  
No Elk will feel nice.  
This is the season opener,

Stratford will be sky high;  
The Lynx will counter, by  
Releasing Angry Purple far and wide.  
Although its only a game,  
The emotions run deep;  
Feelings play an important part, and  
Our Bunch has a promise to keep.  
Riding over in that Eagle,  
Date is September three;

Put it all together,  
Unleash your furies for all to see.  
Racing on to victory,  
Putting defeat on their side;  
Let the Lynx of Spearman High,  
Educate 'em on Purple Pride.

# Gruver Rodeo Success

If it is courage, youth, spirit of the Old West, or life-country style that you desire, you would have certainly found the end of your dream rainbow at the Gruver Rodeo arena this past Saturday and Sunday during the annual Gruver Little Britches Rodeo.

Altho the age limit may have been scaled downward, ages 10-13 and ages 5-9, the many entrants turned in maxi size performances no matter in which of the several divisions they were competing. Add to this the absolutely lickin'-good barbecue Sunday noon and you have an unbeatable combination.

Earning All-Around titles among the mini cowgirls and cowboys for the Gruver Little Britches Rodeo were Andrea Archer from Spearman for the 5 to 9 year old division with a total of 18 points and Bill Shipley of Stinnett (grandson of the Keith Lambs) in the 10 to 13 year old Division with a total of 24 points.

First, second and third place winners in each event and for each age division were awarded belt buckles. Included as proud owners of new belt buckles in the 5-9 division in Shetland Riding were Brandon Woods, 1st, 31; Clay Hobbs, 2nd, 20; Wes Woods, 3rd, 19; all from Gruver. In the 5-9 Steer Riding, winners were Gary Kent, Dumas, 1st, 26; Wes Wood, 2nd; tie for 3rd, Mark Johnson, Dumas and Kim Webb, Pampa, both with 18 points.

In the Barrel Riding for the 5 to 9's winners were Andrea Archer, 1st, 22.31; Shannon Vernon, Spearman, 2nd 23.77; and Trevor Williams, Gruver, 3rd, 27.59. In the poles for this group, Andrea Archer, 1st, 23.23; Trevor Williams, 2nd, 30.28; Shannon Vernon, 3rd, 30.93. In the 5-9 goat tying, Andrea Archer, 1st 20.24; Trevor Williams, 2nd 35.06; Sid Shipp, Guymon, 3rd, 36.80.

For the 10-13 year olds in the Shetland Riding, Gary Kent, Dumas, 1st, 29; Bill Shipley, 2nd, 26; Durward Cator, Gruver, 3rd, 11; in the Steer Riding, Bill Shipley, 1st, 52; Devlyn McLain, Gruver, 2nd, 49; Pretzel Crutchfield, Sunray, 3rd, 39; In the barrel racing for the 10-13 year olds, Bill Shipley, 1st 19.70; Lisa Johnson, Dumas, 2nd, 20.65; Hadley Reed, Spearman, 3rd, 21.11.

For the 10 to 13 year olds, Break-a-way, winners were Tommy Brewer, Elkhart, Kansas, 1st, 4.35; Hadley Reed, 2nd, 7.53; Jay Goodwin, Sunray, 3rd 15.99. In the poles, Bill

A scrumptious barbecue with all the trimmings was served at 12:00 noon Sunday, preceding the 2:00 p.m. performance. Prepared by the Rod Washburns in the absence of CCates of Canadian, who is recovering from a heart attack suffered earlier in the week, the Sunday meal was one of the best ever. Winning the half beef was Steve Sherry of Guymon.

Stock was furnished by bill Hext of Pampa and doing a super job as clowns were the Horace brothers, Jerry and Jimmy of Gruver. Judges were Lynn JCartwright, Sunray, and Jim Bradley of Dumas. Time keepers were Leon Red, Mrs. Bennie Wilson and Leon Bagwell who also doubled as an excellent announcer for the performances. Members of the Gruver FFA helped with the gate and the Concession stand.

Officers for the Rodeo Club are Larry Lackey, president; John Armes, vice president; and Leon Red, secretary, each of whom did a great job along with the Club members in sponsoring the Little Britches Rodeo. A bit "thanks" to each who helped in any way with this annual event as well as to each of the contestants.

Make your plans to follow the rodeo and attend the Spearman Little Britches Rodeo to be held September 11th at the Oscar Archer Memorial Arena in Spearman.

4-Tex Grain Co. is presently enlarging their grain storage facility south of Spearman. Gerald Johnson, elevator superintendent is shown here in the storage pit which will double the capacity of the elevator.

**BULLETIN:**

The city of Spearman sold their bonds for a record low 5,712 1/2% to Underwood Newhouse at the bond meeting in Spearman Tuesday nite. The City of Spearman received a B-AA rating on their bonds, and this was one of the finest compliments that our city could receive. Our Mayor Ralph Blodgett & other members and city officers had recently met with bonding officials in New York, and their presentation of the City of Spearman &

its functions definitely saved tax payers a large sum of money. The bonds sold, amounted to \$275,000.00, and will match \$322,000 EDA money, that the city of Spearman recently voted for. The \$600,000.00 will be used for city improvements, gas, water, etc! Once again, thanks to Mayor Blodgett, Mark Neff and everyone who helped with this largest of all projects for our city!

Rainfall in the city amounted to near 1/2 inch in a shower Tuesday evening.
