

The Spearman Reporter

Spearman hosts District 1 tourney

KING Jimmy LADD, places a kiss on the lips of QUEEN TAMMI MAIZE at the Basketball homecoming held in Spearman last Saturday afternoon. Both of these two "royalty" players will be action at Lynx gymnasium this Thursday and Friday.

Lions Club pancake supper will be a feature of the tourney!

Lynxettes 'Devour' Wolverines

The 1981 Homecoming game began at 2:00 p.m. for the Lynxettes and the Dalhart Wolverines. The Homecoming activities would begin a few minutes after the Lynxettes/Wolverines game and before the Lynx/Wolves game. The Gym was not to full, but full enough to give the Lynxettes and Lynx enough support to win or get close enough to win.

Lots of fans thought that this would be a tough game for the Lynxettes because they had fought so hard the night before against the Darrouzett Lady Longhorns. If the Lynxettes did indeed beat the Dalhart Wolverines, they would clinch the regular season title. The game started off real slow, both teams had their Defense working over time! At one point in the 1st quarter the Lynxettes had a lead, then the Dalhart Wolverines worked their way up and then, all of a sudden, they had a 5 point lead. The Lynxettes then scored 5 unanswered points and when the 1st quarter was over, the Lynxettes and Wolverines were in a 9-9 deadlock. Valentine's Day was supposed to be sweet to folks, but so far it was not so sweet to the Lynxettes at this point. Nancy Wilson was getting into foul trouble early, one thing the Lynxettes needed was that GREAT Rebounding ability that Nancy had mastered! They couldn't afford to lose her, but if she did foul out, Margaret Reed would fill the spot. Lea Ann Gibner started getting fouled, and she would get to the line and score freethrow points. Kenda who had had 27 points in the first half of the last meeting between these two teams, had 4 points--all from the freethrow line. The Lynxettes outscored the Dalhart Wolverines in the 2nd quarter--17-12--and were ahead at half-time, 26-21. The Lynxettes had a 5 point lead and were expected to add to their lead in the 2nd half and win the game--making them (Lynxettes) the Regular Season Title Champs.

Lea Ann Gibner had 9 points in the first half--2 fieldgoals, and 5 of 6 from the freethrow line. Susan Davis and Kenda Burke had 4 points a piece--Susan getting her 4 points from the field, and Kenda getting her 4 points from the line--4 of 6. Nancy Wilson had 3 points--1 fieldgoal and 1 of 4 from the line--and had 4 personal fouls. Mary Ann Martin, Margaret Reed, and Mary McIntyre had 2 points a piece. Mary Ann, Margaret and Mary Mc, all got their 2 points from the field. Could the Lynxettes come back from the locker room and win this game to gain their title while being "Uncrowned"--if the Lynxettes win, they are the "Proclaimed" Champions from District 1-AAA but uncrowned; when the Lynxettes compete and if they win the District 1-AAA Tournament being held here in Spearman, then they will be the Crowned and Proclaimed Champions from District 1-AAA.

The Lynxettes came in the 3rd quarter to take the kind of lead that, if the 4th quarter is not a very good quarter, the team ahead by 10 or so in the 3rd quarter would have enough points to win if the losing team

put up a 4th quarter rally. With Lea Ann Gibner and Susan Davis leading the way with steals and assists, the Dalhart Wolverines just didn't have that get-up-and-go kind of attitude. Tammi Maize had a great hand at Rebounding and stealing. Kenda Burke scored, stole the ball, rebounded and blocked shots. Nancy sat out the 3rd quarter. The Lynxettes had 16 points, and the Dalhart Wolverines managed to get 10 points, at the end of the 3rd quarter. The 4th quarter was the toughest quarter of all. Nancy fouled out in the 4th quarter, she left with 3 points to her credit. The Lynxettes still had the quickness and jumping ability that a championship needs to win when one of their Star Players fouls out--in this case Nancy Wilson--don't misinterpret, all the Lynxettes are Star-Players, each one has a mastered skill that stands on the top of the list, and not one is down a line but across a line. The Lynxettes managed to get 10 points in the 4th quarter, but the Dalhart Wolverines put 15 points on the board. The final score still belonged to the Lynxettes--52-46. The game was played GREAT by all the Lynxettes and the Wolverines played fine, also.

Lea Ann Gibner, Susan Davis--both GREAT SOPHOMORES--and Kenda Burke, a SUPER SENIOR, had 11 points each to help the Lynxettes win the Regular Season "Uncrowned" Title. Tammi Maize was crowned Queen of the 1981

Homecoming game, while Jimmy Ladd was crowned as the 1981 Homecoming King. Everything was fabulous at the Homecoming!! The Spearman Lynxettes will be competing in the 1981 District 1-AAA Tourney which will be held this Thursday and Friday, February 19 and 20 and maybe on Saturday, February 21, depending on the outcome of the Tournament. The Lynxettes will be playing against the River Road Wildcats at 6:00 p.m. The winner of this game will play against the winner of the Perryton Rangerettes and Dalhart Wolverines game which will be played at 3:00 p.m. on Thursday, February 19. The Championship game will then be played at 6:30 p.m. between the Winners of the Lynxettes/Wildcats and Rangerettes/Wolverines game. If the Lynxettes are beaten in this tournament, then there will be a play-off which will begin at 7:30 p.m.--if there is only one play-off necessary, but if the Perryton Rangers lose to someone in the tournament, then there will be a play-off game. The girls play-off game would begin at 6:30 p.m. and the boys play-off game will begin at 8:00 p.m. on Saturday, February 21. Now, if the Lynxettes are victorious in the tournament, and so do the Rangers, then there will be NO play-off game and the Respective titles will be presented. So attend the Tournament and cheer on the Lynxettes to victory in the tournament!!

The Spearman Lions Club will serve pancakes Friday night at the school cafeteria next to the gym where the finals of the District 1-AAA tournament is being held. All visiting fans are invited to attend the Lions Club pancake supper as well as the local fans! The supper will be Friday night, 5 to 7 p. m.

Fruitcake Review Too, History

A cast of Spearman folk -- augmented by talent from Gruver and Perryton -- staged the second "Fruitcake" review, appropriately billed as "Fruitcake Review, Too."

For some two weeks of rehearsals that began with a party for the "big time" director here from the east to whip the local talent into shape and then two nights of production presentation in the Spearman High School Auditorium, your friends and neighbors cast inhibitions to the wind, turned on talent that -- according to patrons of both productions -- this year's production outdid the first... which is as it is supposed to be.

Fruitcake Review, Too was impressive on several counts: much of the dormant talent of the community had the memory of a lot of fun and a gracious reception from the last show -- and the benefit of the master's touch of a talented director.

Bob LeBlanc came to town with an impressive list of credits from Broadway to the summer stock communities but, most important, he came to town with an ability to take people for whom show business was a lark and make them entertainers who drew laughs from almost full-house audiences the two nights of attendance by friends and neighbors.

LeBlanc is gone; props are scattered; the members of the cast are back at the business of serving the community as business people, ministers or the life of a housewife, but...

The YMCA and the Spearman Chamber of Commerce are richer and more able to serve the community in their service roles to the tune of about \$7,000 taken in by the Thursday and Friday night performances.

--And best of all, there will be another Fruitcake Review ... too!

Fruitcake Review Too is now past history, but it was a fast paced, enjoyable, Broadway quality variety show of assorted local nuts that gave everyone who attended an evening of good, clean entertainment. There were over one hundred people on stage and a large stage crew who worked hard to get scenery and props, lighting, and sound equipment working properly.

The big question everyone has been asking is, how much profit was made? Well, the exact amount is not known yet because not all the money has been turned in and not all the bills have been submitted for payment, but General Chairperson, Joy McCormack, says that the profit will exceed \$7000, which is at least \$3000 better than last year. It was an expensive show to produce even though there was a large amount of donated time and materials. But both the Chamber of Commerce and the YMCA will receive at least \$3500 a piece to apply on their unfunded projects.

Joy was especially appreciative of Stephanie Brock who did the art work on the programs and Maxine Little who did a fantastic job of making the sets and props for the stage. One of the girls in the kick-line developed some knee problems and Theresa Hargis stepped in and learned the routine the day of the show. All the people who worked on committees and attended practices faithfully and performed in the show helped to make this a total community project.

Besides tying down all the loose ends of the financial picture, there is one more major project to be completed and that is the cleaning up of the old Beedy building. Thursday and Friday have been set for this project and anyone who could volunteer their time to help do this job should call Mary Lou Wysong at the Chamber of Commerce office.

Mr. and Mrs. Ralph Newton, are two of the finest people in our school system. They are pictured above as they keep the clock and score at the Spearman vs. Dalhart boys game here last Thursday.

All teachers hired

At the last regular meeting of the board of trustees of the Spearman Independent School District, the order of business was people--staffing both faculty and administration and three positions on the school board with terms expiring.

Faculty consideration began with a motion by Jim Davis and Coach Jimmy Duncan be tendered a contract for the 1981-82 and 1982-83 school years. Mike Garrett's second reflected the feeling of the meeting and the motion carried easily.

This opened the way for the recommendation that all staff members be rehired for the next school year.

Also in this same area was a motion by Tommie White and seconded by Dr. Tom Latta that Mrs. Pat Denham be employed as an aide for the remainder of the current school year. This motion also carried.

There will be three positions open for voting on the SISD: those held by Jim Davis, Tommie White and Carl Mires. A motion made by White and seconded by Dr. Latta--and carrying the vote of the board--set April 4 as election day to fill the three trustee positions. This paves the way for candidate filing.

Charles Shieldknight made the motion and Mike Garrett

supplied the second and a vote of the board transferred \$26,194.74 from the Interest and Sinking Fund to the Local Maintenance Fund.

Other actions of the board at the meeting were chiefly the routing transaction of the day-to-day business of operating the school system.

Aside from such business, the chief emphasis of the meeting had to do with the upcoming Public School Week. The dates of March 2 through March 6 have been designated and the observance will begin with an Open House conducted from 7-9 p.m., Monday night, March 2.

CO2 Injection Flood Topic at Rotary

Don Reed of Transpetco Oil Producers talked to the Spearman Rotary Club on "CO2 Injection Flood" Monday noon, February 16, in the garden room of the Cattlemen's Restaurant. Ed Freeman led in community singing. Eddy Limbocker led in the Pledge of Allegiance. Steve Rogers prayed the invocation. John R. Collard, Jr. made an announcement about the District 573 Convention in Amarillo, April 2-5.

Mr. Reed said that Transpetco is a joint corporation of Halliburton, Dorchester, Eagleon, RGS, Comenco America, Texas Energy. They use CO2 for making oil and to enhance recovery. They have taken three depleted reservoirs in our area and are recovering oil which could not be gotten out of the ground in any other way.

The only source of CO2 in the area is from Camex Ammonia Plant in Borger. They take raw natural gas and make CO2 from it. CO2 when allowed to escape into the air is a source of pollution building up in the atmosphere. By taking it and using this instead of venting it off to the atmosphere, Transpetco is helping the environ-

ment. But recovering CO2 is an expensive process.

They have a pipeline from Borger to Farnsworth, about fifty-eight miles from end to end. They have five stages of compression. They dehydrate the CO2. They use four 2000 hhp compressors. CO2 is a relatively new process. Transpetco used pure CO2 which is different from other projects.

CO2 has several uses: Water carbonation, Fire extinguisher, in medicine, it is the source of dry ice, and is used in the petroleum industry as a liquid stimulant for wells. It can exist in three states: gas, liquid, and solid. It is measured two ways: at the plant by cubic feet; on the field by barrels. They maintain the pressure about 1070 lbs to keep it in liquid form while transporting it by pipeline.

At each injection well CO2 comes in liquid form. It goes into the well in a gas stage. Injection wells have an EDI box, which is a computer which programs how many barrels of CO2 you want it to take in each day. It pro-rates it out over a twenty-four hour period. The box is 12X16 inches and 4 inches deep and operates off a 12 volt battery. It has been

operating flawlessly since June. The solar panels so far have been free.

CO2 is so much better at enhancing recovery oil than any other method. It requires a lot of study before you use it. But the oil has to be compatible with CO2. They will get four to five million more barrels of oil of wells that other methods could not get out. They should get sixty to seventy percent of the oil that is left in the oil fields in this area.

Rotarians present were Jim Benson, Carrie Marie Berry, Eschol Blankenship, Roy Bulls, John R. Collard, Jr., Robert Elliott, Ed Freeman, Ed Garner, Kerry Henton, Jack McWhirter, Jim Murray, Frank Oglesby, Coy Palmer, Steve Rogers, Gary Sims.

Rotarians absent were Pete Fisher, Mike Schnell, Jim Shirley, and Don Wirsdorfer.

Rotary's World Understanding Week will be February 22-28. On the second day of this week, Monday, February 23, Rotary turns 76. John Hutchison is preparing a fitting birthday celebration.

Hospital news

Patients in Hansford Hospital are Maria Ortega, Ester Stewart, Teresa Brown and Daughter, Nancy Ochoa and daughter, Sandra Zamora, Unis Spivey, Faye Miller, Aloha Bentley, Mildred Hintergardt and Willie Seitz.

Dismissed were Tammy Cudd, Marie Crawford, and Pat Harper.

Blood Mobile Here 19

There will be a Red Cross Blood Mobile coming to town. It will be at the Catholic Parish Hall, 901 S. Roland, February 19, 1981, from 8:30 a.m. to 1:30 p.m.

Their goal is 110 pints. If you are not contacted for an appointment, you may call Barbara McClellan, in Spearman, 659-2156. In Gruver call Fran Maspin 733-2564 or Rosale Cator 733-2317.

Freshman Lynxettes Win 1st Place in Tourney

The Freshman Lynxettes participated in the Freshman and Jr. Varsity Perryton Tournament. The Freshman Lynxettes were having a fine year, and since this tournament would be the last tournament that they would participate as Freshman, they wanted to win for that reason and that the 1st Place Trophy would be nice in the Trophy Case at school.

Their "1st encounter" was against the Pampa Freshman. The Pampa Freshman didn't give the Freshman Lynxettes too much trouble at all. The Freshman Lynxettes and Pampa Freshman went at it early on Thursday morning, January 29, (8:30 a.m. is pretty early to be in a good, tough playing kind of attitude, but the Freshman Lynxettes were an exception.) The Freshman Lynxettes, led by Nita Baker, Andrea Mires, Kim Nelson, Cinda Novak and of course Robbie Heinrich mainly, passed by the Pampa Freshman without a "yawn". The final score was 46-36, the Freshman Lynxettes were well on their way to the TITLE of the BEST team at the Tournament—Freshman team, mind you. The next team was the Canadian Freshman. This game was a little closer and was played on

Friday, January 30. The game was tough and close, but at the end of the 4th quarter, the Freshman Lynxettes had lived through the "Wildcat Attack"! The final score was 32-29, the Freshman Lynxettes advancing to the Finals against, you-know-who—the Perryton Freshman. The Host team was usually the toughest and highest "hurdle" to jump over to win a Championship. Now the Freshman Lynxettes were NOT going to settle for 2nd BEST, they were gonna settle for #1--THE BEST. The Freshman Lynxettes knew that they had to play their BEST in order to be the BEST, and boy, they did play their BEST and ended up being the BEST in the Tournament of the Freshman girls' teams! The game against the Perryton Freshman wasn't as hard as everyone expected. The Freshman Lady Lynx won the game by the score of 41-32. The Freshman Lady Lynx winning the 1st Place Trophy.

The Freshman Lynxettes had gone to Perryton for one purpose—to win the 1st Place Trophy—and when the tournament was over—the Freshman Lynxettes had come home with the 1st Place Trophy in their hands!!

The members of the Freshman Lynxettes are: NITA BAKER, DENISE BREWER, SHELLY COOK, KELLI CRAWFORD, TASHIA DUNCAN, KIM ELBERT, ROBBIE HEINRICH, CINDY IVEY, CHARLOTTE JENKINS, ANDREA MIRES, KIM NELSON, CINDA NOVAK, SHENELL PHELPS, CAROL ROSS, KAYLA RUSSELL, MAKALA WHITE. AND THEIR COACH IS TERRY CROCKER!!

They all did a GREAT job all year long, and a FANTASTIC job at the Tournament!! CONGRATULATIONS FRESHMAN LYNXETTES AND COACH CROCKER!!

NOTE: THERE WAS NOT A PICTURE AVAILABLE FOR DENISE BREWER OR SHELLY COOK FOR A REASON. DENISE GRADUATED FROM WAKA LAST YEAR, BUT STILL DID A GREAT JOB THIS SEASON WITH HER TEAMMATES. AS FOR SHELLY, SHE GRADUATED FROM PRINGLE-MORSE SCHOOL AND WE DID NOT GET A PICTURE OF SHELLY EITHER. SHELLY, ALSO CONTRIBUTES ON THE BASKETBALL COURT, DURING THE SEASON.

SMOOTH OUT

YOUR ELECTRIC BILL WITH THE

AVERAGE BILLING PLAN

Wouldn't it be convenient to know about how big your electric bill would be every month? Knowing ahead of time what to expect could really make planning your budget easier. Now, thanks to Community Public Service Company's Average Billing Plan, you can do just that! The Plan was designed especially to even out your monthly payments and avoid those unusually high bills that can occur during months of high electricity use. Your total annual cost for electricity remains the same. You just have the added convenience of a more consistent bill each month. If you'd like to take advantage of the Average Billing Plan, call Community Public Service Company now.

THIS IS HOW YOUR AVERAGE BILLING AMOUNT IS FIGURED:

FIRST MONTH		EACH MONTH THEREAFTER		
Most recent 12 month actual use	Average Billing Amount	Most recent 12 month actual use	15% of accumulated *difference	Average Billing Amount
		$\text{Most recent 12 month actual use} + 15\% \text{ of accumulated difference} = \text{Average Billing Amount}$		

*15% of accumulated difference is added to the current bill when the accumulated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.

NOTE: If you have less than 12 month's history at your present address, the "average" will be based on the number of months available.

Dr. Gene Dalton, director of grain sorghum research for Pioneer Hi-Bred International, Inc., examines sorghum plants infested with Biotype E greenbugs. The taller, more flourishing plants show strong resistance to the insect, while the smaller, more shriveled hybrids cannot withstand the insect attack.

Sorghum Breeders

PLAINVIEW, Texas--Sorghum breeders for Pioneer Hi-Bred International, Inc., have discovered three of their experimental hybrids apparently have strong resistance to the new Biotype E greenbug that is threatening High Plains agriculture.

Discovered by researchers only last year, the new greenbug could attack virtually all areas of the regional sorghum belt. Therefore, sorghum hybrids previously thought to be greenbug resistant may well be susceptible to the new insect and its deadly toxin.

However, greenhouse research on sorghums at the Plainview facility of Pioneer has indicated sorghum hybrids with resistance to the Biotype E greenbug could be available to farmers as early as next year, said Dr. Gene Dalton, director of sorghum breeding for Pioneer.

"If the hybrids continue to demonstrate resistance to Biotype E greenbug damage during extensive field tests this summer, they might be available for 1982 planting," said Dalton. "But Pioneer will release none of the hybrids commercially until they are thoroughly tested and meet our strict performance standards."

Greenbugs first became a problem for sorghum farmers in the late 1960's. The insects, not much larger than a pin head, such fluids from plant leaves, then excrete poisonous wastes into the plants. "It's the greenbug toxin, not the but itself, that kills the plant," said Dalton.

By the mid-1970's, researchers had developed sorghum hybrids resistant to greenbugs. The Biotype C greenbug was, and still is, the main culprit.

The Biotype E was discovered only after researchers found that plants thought to be

resistant to Biotype C were nonetheless dying from greenbugs. Even though they were not widespread last year, the new insects pose a potentially-severe problem for growers.

"Pioneer had many tests scattered throughout the sorghum belt last summer," said Dalton, "but we were able to confirm Biotype E greenbug damage in only one of these locations. We will not know how widespread the new Biotype is until after the next crop is planted."

The greenhouse discoveries of apparently resistant hybrids involved seed that was developed from an inbred line on which Pioneer began research in the late 1960s.

"The work we began in the late '60s was designed to broaden the genetic base of Pioneer parent lines," Dalton said. "We used a number of exotic lines, collected from all over the world. And the new inbred line carrying this Biotype E resistance is a product of that research effort."

Dalton said farmers "must take a sensible approach in sorghum production, weighing all benefits against all costs. They should select hybrids based on all performance traits and use careful inspection in their insecticide application program."

Jim Lindsey, president of the Southwestern Division of Pioneer, added that the promising discovery "vividly demonstrates" the value of an aggressive, well-funded and comprehensive research program.

"We feel the discovery is a real tribute to our sorghum breeding staff and the project

which they committed themselves over a decade ago."

Orfelinda Vela, Runner-Up

ORFELINDA VELA, RUNNER-UP IN MISS TSTI PAGEANT

Orfelinda Vela, daughter of Mr. and Mrs. Eusebio Vela, Sr., is attending TSTI in Amarillo majoring in Secretarial skills. Orfelinda was nominated for the title of Miss TSTI. She came in 2nd in her department. Congratulations, Orfelinda on doing a great job.

Orfelinda graduated from Spearman High School in 1980 and was in many school activities.

Peggy's Pointers

Have you ever gone to the store for strawberries-but went home with the little shortcake package and whipping cream, too?

Perhaps you bought the extras just because they looked so good in the supermarket display. Do your children find great delight in picking out all the sugar-coated cereals the store has to offer?

This may happen because those cereals are displayed at children's eye levels.

If so, you fell for marketing gimmicks.

Not so bad, since all that is fun occasionally-but not so good if you sacrifice family nutrition with frequent gimmick buying-impulse buying.

To avoid this, take time to plan purchases. Shop with a list so you aren't vulnerable to "point-of-purchase" influences at the supermarket.

Read labels and study food advertisements.

Understand as much information as possible about nutrition and needed serving sizes.

Also learn about the "cost per serving" method of buying meats and produce. "cost per serving" starts with "cost per pound" or "cost per ounce" and then you must figure how many servings that pound will make or how many ounces will make a serving.

In addition, seek information about food buying and nutrition. Many booklets and pamphlets are available to the public at no charge through the County Extension Offices across Texas.

Finally, be aware of supermarket gimmicks such as the strawberry shortcake displays and the sugar-coated cereal shelf placement.

Other gimmicks include colorful banners, slogans and marketing products themselves-all of which induce a mid-hypnotic-trance in many customers, according to one study.

Remember, unless you're careful, these gimmicks can lead to the purchase of more high-profit, eye-appealing, self-gratifying-and less nutritious-buying.

CWU Will Meet

Church Women United will meet at the Union Church on Monday, February 23, at 1:30 p.m. to plan the World Day of Prayer to be held on Friday, March 6, at 10:00 a.m. at the Union Church. Each church in town is asked to send the president or a representative of each women's group to help plan the activities of the World Day of Prayer. All pastor's wives are also invited.

World Day of Prayer is celebrated in over 150 countries and islands throughout the world as women of many languages, cultures and traditions pray in solidarity with one another on the first Friday of March each year. It is sponsored in the United States by Church Women United, carrying on a tradition begun in 1887 by women of this country as a day of prayer for missions. Since its establishment in 1967, an International Committee for World Day of Prayer meets periodically to select themes and writers for the services. In view of the 1981 theme, "The Earth is the Lord's . . .", the International Committee suggested that Native American women be asked to prepare the service. Accordingly, Church Women United convened a group of Christian Indian women, many of whom participate in CWU, to develop this service of worship for worldwide use.

Who's New

Ismael and Anna Vela of Perryton, are proud to announce the birth of their son, Victor Ismael, born February 15 at Pampa, Texas. He weighed 8lbs 7 oz. He joins his sister Rosalinda who is 2 1/2 years old.

Paternal grandparents are Mr. and Mrs. Eusebio Vela, Sr. of Spearman.

Maternal grandmother Mrs. Ruiz of Oakland, California.

Great grandparents are Mr. and Mrs. Ramon Vela, Sr. of Rio Grande City, Texas. And Mr. Leno Cantu also of Rio Grande City, Texas.

Dallen and LaDelle Scroggs, Spearman, are the parents of a new baby girl, Julie LaDelle, who weighed 9 lbs., 10 1/2 oz.

She was born Jan. 22, at North Plains Hospital, Borger.

Paternal grandparents: Mr. and Mrs. O.A. Scroggs, Spearman. Maternal grandparents: Mrs. Oleta Bradford of Paduca and the late Myrl Bradford.

Mr. and Mrs. Bobby Brown are the parents of a daughter born February 15. She weighed 5lbs and 13 1/2 oz., and was 20 inches long. The new girl has been named Kyla Sharea.

Paternal grandparents are Mr. and Mrs. John L. Brown, Jr. of Spearman and Maternal grandparents are Mr. and Mrs. Harold W. Mallow of Amarillo.

Paternal great grandparents are Mr. and Mrs. John L. Brown, Sr., of Stinnett and Maternal great grandparents are Mr. and Mrs. D.O. McCracken of Amarillo and Mrs. J.B. Terrell of Floydada, Tex.

Music Club To Meet

Spearman Music Club will meet on Tuesday, February 24, at 7:30 p.m. at the First Christian Church with the theme "Love Takes It from the Top". This meeting will be a rehearsal meeting on music from "Oklahoma" and the "Sound of Music" to be sung in concerts in March and April.

Catholic Youth Organization Met

The CYO, Catholic Youth Organization, met on February 15, at the Parish Hall.

The opening prayer was given by Cathy Sullivan.

Cathy called roll and read the minutes of the last meeting. The minutes were approved.

Cathy brought refreshments, and Tami Janzen helped by bringing the drinks--punch or juice.

We discussed the old business which was about swimming party (fell through). Mrs. Farr suggested bowling and skating. Julie Farr suggested to

wait a while.

We discussed the new business which is the bake sale for Saturday, February 21, and Sunday, February 22. The Freshman and Sophomores will sell Saturday evening at the Parish Hall, and Sunday morning, the Juniors and Seniors will be selling in the Parish Hall.

Prices for the sale are:

Brownies--25 cents; Sweet Rolls--35 cents; Cookies--25 cents, 3 in bag for cookies; Cupcakes--25 cents; Donuts--35 cents; Coffee and Hot Chocolate--25 cents a piece; Piece of

Cake--50 cents; Piece of Pie--75 cents.

Those present at the meeting were Julie Farr, President; Greg Farr, Vice President; Cathy Sullivan, Secretary; Greg Theile, Treasurer; Bernarda Vela, Reporter; Ciria Vela; Teddy Vela; Shane Sumner; Mr. and Mrs. Farr; Mr. Theile; and Mr. and Mrs. Janzen and Phillip.

The closing prayer was said by Bernarda Vela. The refreshments for the next meeting will be brought by Tami Janzen and Greg Theile.

Oriental Meatballs Are Easy to Make

Canton Meatballs and Chinese Noodles make an easy main course.

Chinese style meatballs are delicious, economical and easy to prepare.

Once the meatballs are rolled and browned, the sauce is prepared quickly with lump-free Franco-American Gravy simmered with pineapple juice and tidbits. Serve this exotic main dish over rice.

CANTON MEATBALLS

- 1 lb. ground beef
- 1/4 c. chopped onion
- 1/2 tsp. salt
- 1/2 c. diagonally sliced celery
- 1 tbsp. shortening
- 1 can (10 1/2 oz.) Franco-American Beef Gravy
- 1/2 c. drained pineapple tidbits
- 1 tsp. pineapple juice
- Cooked rice

Combine beef, onion and salt; shape into 20 meatballs. In skillet, brown meatballs and cook celery in shortening until tender; pour off fat. Add gravy, pineapple and juice. Cover; cook over low heat 10 minutes. Stir occasionally. Uncover; cook 5 minutes more. Serve over rice. Makes 4 servings.

Mark Pearson shoots for 2 over Big #50 and #21. While Mack McLain, #32, gets in position for a rebound. Jerry Garcia, #45, and unidentified 8th Lynx wait for the outcome of the shot! The 8th

Lynx played the Wolves Feb. 2 at the Little Gym in Spearman; the 8th Lynx won 35-29 to retain their #1 ranking in the 8th grade teams' poll.

Our Heritage of Faith... notes from Faith Lutheran Church

You are cordially invited to worship and study with Faith Lutheran this Sunday. Sunday School is at 9:45 a.m. and worship follows at 10:45 with Holy Communion. An evangelism study is from 6:00 to 8:30 p.m.

The sermon theme for this Sunday is LOVE FOR CHRIST SAKE. Matt. 5:38-48.

Snoopy's Has Valentines Day Party

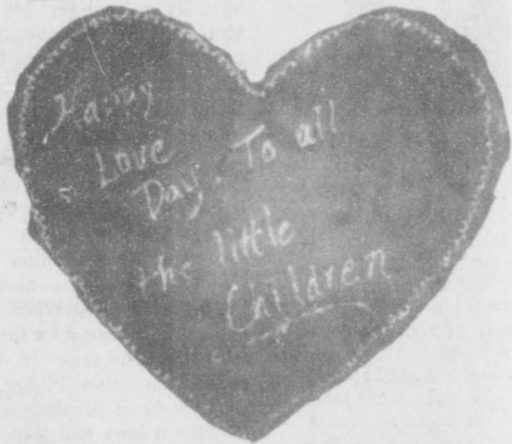

There was a Valentines' Day Party at Snoopy's from 3:00 to 4:00 p.m. Valentines were exchanged and put in the sacks the children made Thursday. Those attending the party were Erin Adams, Kory Brown, Robert Needham, Curtis McGill, Paul Trosper, Tiffany Rex, Claire Shedeck, Clayton Hergert, Melissa Thomas, Kevin Baker, Eric Cudd, Melissa Baker, Billy Jack Pittman, Amber Causey, Melissa Beck, Melissa Schumann, Tricia Shedeck, Jami Maize, Cacy McGill, Jim Healey, Dallas Trosper, April Wilkerson, Mitzi Pearson, Dezi Pearson, Melody Schumann, Melissa Holt, Brian Beck, Trixie Pearson, Toni Scroggs, Scott Scroggs and Kim Healey. That was all the children that attended. Two mothers were on hand to help—Sandi Holt and Rhonda Healey. Debbie Hendrickson (director), Sharon Pearson (assistant director), and Dana Slater (our new addition to Snoopy's staff) served the 3 layer, pink and white, heart cake. Everyone had lots of fun.

From left to right in the top row are Erin Adams, Kory Brown, Robert Needham, Curtis McGill, Paul Trosper, Tiffany Rex, and Claire Shedeck. In the bottom row are Clayton Hergert, Melissa Thomas, Kevin Baker, Eric Cudd, Melissa Baker and not shown was Billy Jack Pittman still trying to wake up from his nap.

From left to right, top row is Amber Causey, Melissa Beck, Melissa Schumann, Tricia Shedeck, Jami Maize, Cacy McGill; 2nd row are Jim Healey, Dallas Trosper, April Wilkerson, Mitzi Pearson, Dezi Pearson, Melody Schumann, Melissa Holt; in the bottom row are Brian Beck, Trixie Pearson, Toni Scroggs and Kim Healey.

No matter how old or how young you are Valentine's Day is a pretty special day for everyone in all the world. Hope you didn't forget your Valentine Sweetheart, but remember theres always next year.

Inflation-Fighting IDEAS

NEWS OF PROGRESS

If the high cost of fuel is making you hot under the collar, you may be glad to hear that a large group of concerned Americans are working on ways to reduce our dependence on foreign oil.

At present, Department of Commerce statistics show, the U.S. balance of payments for all non-petroleum products traded in 1980 yielded a surplus of \$38.7 billion, but U.S. foreign oil imports totaled nearly \$100 billion. These purchases translate into a \$68.2 billion balance-of-payments deficit for petroleum products. Inflation, it seems, is fueled by imported oil.

Fortunately, some 200 organizations representing Americans of all kinds: business, labor, government and civic groups, among others, have gotten together to sponsor American Energy Week, March 15 to 21, 1981. The week's events include National Energy Education day, involving schools across the country and encouraging energy awareness among students, a

National TV Energy quiz broadcast on PBS on Monday, March 16, and a shoppers' quiz on energy, for people visiting some 300 malls around America. In addition, there are American Energy Week, 1111 19th Street, N.W., Suite 400, Washington, D.C. 20036.

A lead poultice was once believed to cure a sea serpent bite.

Albracht - Hohertz Vows Solemnized

MRS. JEFFERY DAN HOHERTZ

Wedding vows for Cheryl Ann Albracht of Amarillo and Jeffery Dan Hohertz were solemnized Friday evening, Feb. 6th, at 6:30 p.m. in the St. Mary's Catholic Church. The Reverend Frank Olgesby, United Methodist Church of Spearman and Reverend Father Ken Keller of St. Marys officiated at the double ring ceremony.

The bride is the daughter of Dr. and Mrs. John Albracht of 6505 Palacio Amarillo. The bridegroom is the son of Mr. and Mrs. Bob Hohertz 15 Glover Pl. Spearman. The bride was escorted to the altar by her Mother and Father as they entered the Wedding Song was sung and played by Kevin Raef, the bride's brother-in-law.

The bride was attired in a formal gown of white crystal organza satin and silk venise lace. The gown featured a Victorian neckline embellished with lace and scattered with pearls. The yolk emphasized with a deep ruffle of crystal pleating, long fitted sleeves of sheer organza were cuffed in lace, trimmed in satin and edged with pleating. The aline skirt fell from a slightly raised waist line encircled with lace. The organza skirt edged with scallops of lace and pleating is underskirted with satin falling beneath to form a wide border. The laced edged skirt extended to form a chapel length train in back. The Bridal hat is covered in organza and lace and caught up on one side with a fabric rose a veil of illusion drifted down the back.

The bride carried a bouquet of white or chads. White roses, lily of the valley with greenery and satin streamers. Mrs. Kevin Raef, of Pasadena Texas, sister of the bride, was her Maid of Honor. Bridesmaids were Patty Ditto and Liza Logsdon of Lubbock, Kathy McCarty of Amarillo and Denise Albracht of Hereford. Junior Bridesmaid was Lyn Albracht. They wore burgundy gowns styled with blouson tops and long sleeve tied at the waist. Each carried a burgundy rose with sprays of baby's breath and streamers and flowers in their hair. For her daughters wedding Mrs. Albracht chose a long mauve chiffon dress. Her corsage of white carnations and daisies. The bridegrooms mother wore a long sleeved shrimp colored gown with a corsage like that of Mrs. Albrachts. Candle lighter was Nick Albracht and the Acolytes were Tim Albracht and David Walsh. Serving his brother as best man was Doug Hohertz of Lubbock. Groomsman were David Witt of Canadian, Cole Lippold of Canyon, Elden Allen of Amarillo and Terry Davis of Spearman. Ushers were Swiftly Lindley and Jack Albracht of Amarillo, Butch Reed, Alan Uptergrove, and Dewey Wilson of Lubbock. The groom wore a black traditional tuxedo with white pleated shirt accented with wing tip collar. The groomsmen and ushers were in Done Grey Tuxedos. Registering the guest was Shirley Miller of Amarillo. Following the wedding the couple joined their friends in a reception in the foyer of the church with a dinner and dance following in the hall. The brides' table was decorated in burgundy and white and held a 3 tiered wedding cake topped with a gold cross and wedding rings. The bridegrooms' table held a chocolate cake with the emblem of his company atop it. After a honeymoon trip to the Bahamas, they will make their home at 719 Wilbanks. Flower girl was Amber Clifton of Amarillo and Bryan Davis of Ft. Collins Colorado was ring bearer.

Accent On Health

Texas Department of Health
Robert Bernstein, M.D., Commissioner

Despite a substantial drop in animal rabies in Texas last year, the head of the Texas Department of Health's Bureau of Veterinary Public Health sees a continuing danger to humans and animals again this year.

Dr. Foy V. McCasland said 945 cases of animal rabies were confirmed by laboratory tests in 1980,

compared to 1,195 the previous year.

"But," said Dr. McCasland, "despite this reduction, I don't feel that it has been long enough for us to feel that we are on the downhill side of the epizootic."

In our domestic animals, particularly in dogs, we are beginning to see rabies in younger animals, said Dr. McCasland. He noted also that puppies, being playful, are likely to mouth and bite their owners.

Another upswing has been in equine rabies, he stated. With the increasing

popularity of the horse as a pet and recreational animal, the horse is in closer association with humans. "It's hard to put a bridle and a bit on a horse without getting saliva on your hands," observed Dr. McCasland. Rabies is caused by virus-laden saliva of a rabid animal being introduced into a victim through a bite or by entering a scratch or other fresh break in the skin.

Skunks continued to be the leader in rabies last year with 643 positive laboratory tests, said Dr. McCasland. Skunks were followed by

bats (95 cases), foxes (46) and dogs (46), cats (34), cows (32), horses (21), raccoons (8) and all other animals (20). In the "other category", rabies was confirmed in 10 goats, four coyotes, three bobcats and one each in opossums, sheep and squirrels.

Dr. McCasland said skunks seem to be the reservoir of rabies in the animal population and introduce it into our domestic animals.

During the current year, said Dr. McCasland, we will be faced with the same problems and need to stress the same types of precautionary measures. He listed these as:

1. Continuing to work toward the goal of getting all of our pet population immunized on an annual basis;
2. Continuing to educate people to avoid wild animals showing abnormal behavior;

3. Realizing that wild animals are a potential source of rabies and should not be kept as pets; and

4. Continuing to emphasize the procedure to follow for exposure, or suspected exposure to rabies by a human or pet animal. In case of a bite by a pet, the animal needs to be put under constraint immediately so proper diagnosis of the health of the animal can be made. A person exposed should immediately contact the family physician for a course to follow.

Dr. McCasland said that rabies was reported from every part of the state, with major outbreaks through the central and eastern sections of Texas.

With rabies so widespread, he urged owners of cats and dogs to protect themselves and their loved ones by having all pets immunized.

A new state law requires all pets to be immunized, and local communities should initiate a thorough and ongoing

animal control program, said Dr. McCasland. Without such a program, he said, you can't pick up stray animals which tend to perpetuate rabies in the pet population.

[For further information contact Dr. Foy V. McCasland, Bureau of Veterinary Public Health, Texas Department of Health, 1100 W. 49th St., Austin, Texas 78756]

Senator Bill Sarpalius Reports

AUSTIN -- We who live in this part of the state have a lot to be thankful for. We have a strong economy, with mineral and agricultural wealth. We have some of the best and friendliest people in the world.

But one of the problems we seem to have had is representation. Washington is a long way away for a large part of the country, so we have no monopoly on that Capitol. Austin seems a long way away for us, too—probably farther away from us than for any other Texans.

Very few people can afford the time, trouble and money it would take for them to go to Austin during the legislative session. Most of the time such an inconvenience would be too high a price to pay for representative government. That is why we have set up a mobile office; we intend to bring state government to you.

What we will do is send a van converted to a mobile office with our representative to every town in the 31st Senatorial District. Manning the mobile office will be Henry Honca. Henry has lived in our district all his life and is concerned about the problems we face.

The mobile office will visit every major town in the entire 26-county district at least once a month and will visit every town in the district at least once every two months.

Girl Scouts Ceremony Held

The Jr. Girl Scouts Troop 99 had a Candlelight, Investiture and rededication ceremony on February 5, 1981. The meeting was held at the B & B Farm Industries.

The girls said the Pledge. The program consisted of the girls having an explanation of the laws. The new Girl Scout pins were given to the Jr. Girl Scouts; Kay Beeson, Lynette Dunaway, Kimberly Gross, Vickie Hamilton, Sherry Moyer, Kathy Vanlandingham, and Patty Younger. Their leader is Onie Moyer and the Co-Leader is Judy Martin.

A cake, decorated by Annie Hollis, and punch the refreshments served at the meeting. Ronald Dunaway made the candle holder from logs for the Candlelight Ceremony.

Guests at this meeting were Mrs. Gwen Younger, Mr. and Mrs. Jim Beeson and Allen, Loydell Sparks, Nordeen Cochran, Donnie Hamilton, and David Black, Mr. and Mrs. Jimmy Vanlandingham, Mr. and Mrs. Ronald Dunaway, Dale Moyer and Melissa, D'Edra Martin, Kristina Poole.

The 3 main topics were Investiture, Rededication and Candlelight in this meeting. Investiture means--When you become a Girl Scout for the first time; Rededication is--Girls Scouts renew their Pledge, and Candlelight is--Explanation of Girl Scout laws and then light the candles.

The main purpose of the mobile office is to bring state government to you. The mobile office will have literature from various state agencies, and it will give you the opportunity to express your opinions and ideas, and to register complaints regarding issues affecting state government. We already have worked up a complete schedule of the mobile office through May. This schedule will be posted at your County Courthouse, Post Office and other prominent places.

We really want to hear from you, and we are working to serve you. That's what the mobile office is all about. We cannot make your home any closer to Austin, but we can bring Austin a little closer to your home.

Some people used to believe that staring at candles would strengthen the eyes.

Jr. Girls Scouts (start from the left); Kimberly Gross and Vickie Hamilton

Jr. Girls Scouts (start from the left); Patty Younger and Kay Beeson

Graduation & Capping Exercise

There were 4 Spearman residents who participated in the Frank Phillips Vocational Nurse Graduation and Capping Exercise.

Elvira A. Dominguez and Maria E. Martinez were 2 of the 4 from Spearman that are Graduates, while Donna Atkin-

son and Shari Thomas were the other 2 Spearman residents that were Students For Capping.

The Graduation and Capping Exercise took place at the Fine Arts Building at Frank Phillips College in Borger, February 6, 1981. The program began at 7:00 p.m.

The Processional Music was performed by Mrs. Esther Brooks. The Invocation was given by the Reverend Jeff Holder, pastor of the First Christian Church. Mrs. Kathy Kendle performed the other music in the program. The Dean

of Frank Phillips College, Andy Hicks, delivered the Welcome Speech.

Eline Burch, R.N.; Carole Haynes, R.N.; Lucille Horst, R.N.; Peggy Roberts, R.N.; and Marilyn Wood, R.N. were the instructors and presented the Caps. Special Awards were presented by Ella M. Weeter, R.N. B.S., the Director of the Vocational Nursing Department. The President of Frank Phillips College, Dr. Gary Mc

Daniel, presented the Diplomas. Carole Haynes, R.N. and Marilyn Wood, R.N. presented the Pins. Lucille Horst R.N. was in charge of the Lamp Lighting and led in saying the Vocational Nurse Pledge. The Recessional followed the Lamp Lighting and Vocational Nurse Pledge.

The audience was invited to attend the reception in the cafeteria after the program was over.

Lynx 'Hook' horns

The Lynx were ready to play the Darrouzett Longhorns at Darrouzett. The game was not in District action, but the Lynx still wanted to win.

The Lynx came out firing in the 1st quarter, but so did the Darrouzett Longhorns. Steve Shields was having another great night. The 1st quarter ended as quickly as it had begun. The 1st quarter score

was 19-12, the Lynx ahead. The 2nd quarter was a little closer than the first quarter had been. The Lynx still held on to a nice lead. The 2nd quarter finally ended with the Lynx getting 16 points to the Longhorns 13 points. The Lynx had the halftime lead--35-25, a 10 point lead.

Could the Lynx keep building on their lead, or could the Darrouzett Longhorns come-from-behind and sneak past the Lynx? Well, the Longhorns tried, but could not succeed.

The whole 2nd half was Lynx half. Now, as it had been before, the Lynx came into the 3rd quarter ready for anything and shot the kinds of shots that go in more frequently than fancy shots. The Lynx just opened up more in the 3rd quarter. When the 3rd quarter ended, the Lynx were ahead 56-41--a 15 point lead!! The Longhorns could try and come back, but the Lynx with Steve and Jimmy Ladd working together, the Longhorns had no chance at all!! The Lynx had gotten 21 points and had led the Longhorns get only 16 points. The fourth quarter would be the best Offensive and Defensive quarter for the Lynx that night. The Lynx came out shooting and stealing the ball from the Longhorns. The Lynx put up 25 points and ONLY ALLOWED the Longhorns to get 11 POINTS in the 4th quarter!! The final score was 81-52, the Lynx victorious.

Lynxettes Sneak Past horns

The Lynxettes traveled to Darrouzett Friday, February 13, to meet up with the Darrouzett Lady Longhorns. The game began at 6:30 p.m. This was not a District game, but the Lady Lynx were not going to lose this game, they were gonna play hard and win.

The Lynxettes started out faster than was expected. The Lady Longhorns were going to fight with everything they had. Nancy Wilson, Kenda Burke and the rest of the Lynxettes hit from every place on that court, in the first quarter. When the 1st quarter ended, the Longhorns found themselves in

trouble, with the Lynxettes scoring 17 points and the Lady Longhorns had 11 points after the 1st quarter. The 2nd quarter was a "Helter Skelter" kind of quarter--the Lynxettes were being "torn apart" by the Lady Longhorns in the 2nd quarter. The quarter ended with the Lady Longhorns getting 16 points and letting the Lynxettes get ONLY 8 points. The Lady Longhorns went into the locker room with a 27-25 halftime lead.

The Lynxette season record was now 16-10 and still 5-0 in

District competition. The next game was the make-up game of the postponed 1981 Homecoming game between the Lynx and Lynxettes going up against the Dalhart Wolves and Wolverines. The game would be played at 2:00 p.m., the Lynxettes had a long drive home and a short rest period before their next game. This game would show everyone, if the Lynxettes could finish a game about 8:00 p.m. and start another at 2:00 p.m.

Kenda Burke was the leading Lynxette scorer with 14 points,

Nancy Wilson had 12 points before she fouled out. Margaret Reed had 11 points all from the 2nd half and 2 of those 11 points were the 2 points that the Lynxettes needed to pull out the victory from the Darrouzett Lady Longhorns. Susan Davis, the Super Sophomore had 8 points to her credit, while Lea Ann Gibner, the other Super Sophomore, had 4 points. Mary Ann Martin and Tammi Maize ended the game with 2 points a piece. Tammi fouled out in the 4th quarter.

Notice of the 53rd annual stockholders meeting of CONSUMERS SALES COMPANY

In accordance with the provisions of the by-laws of CONSUMERS SALES COMPANY of Spearman, Texas you are hereby notified that the 53rd ANNUAL STOCKHOLDERS MEETING of the Consumers Sales Company will be held at the Catholic Parish Hall in Spearman on February 19, 1980 at 7:30 P.M. Senior Citizens Intern Program

Washington, D.C.—Senator Lloyd Bentsen said Wednesday he is looking for older Texans to work in his Washington office as Senior Citizen interns for one week this May.

"Every day in this country 5,000 people celebrate their 65th birthday," the Senator said. "Our senior citizens have unique skills to offer and a wisdom that comes only with age."

Bentsen asked that any interested Texans, age 65 or older, write to his office.

The intern program not only offers these Texans valuable information on how Congress and the federal bureaucracy work; it also provides a forum for the mutual exchange of ideas on the problems of aging, Bentsen said.

This is the fifth consecutive year that the Senator has participated in the Senior Citizen Intern Program. The senior interns will take part in working sessions with cabinet and agency officials, White House briefings and congressional commit-

tee hearings, all related to the problems of aging.

The program is also a great opportunity to share ideas with concerned senior citizens from around the nation. As an added bonus in the 1978 program, a female intern from Texas married a male intern from Kansas.

This year the program will be conducted May 11-15. Any Texans interested in becoming a Bentsen senior citizen intern for 1981 should write to the Senator at the Russell Senate Office Building, Washington, D.C. 20510.

Maves Named Executive V.P.

THOMAS D. MAYES

Hyannis, Massachusetts; January 30, 1981: Thomas D. Mayes has been named Executive Vice President of Cape Cod-based Guertin Brothers, Inc., a leading manufacturer of karat gold stone jewelry.

Most recently serving as the Vice President-Administration, Mayes was named to his new post by Daniel Swartz, President of the parent Jessem Corporation.

A 1966 graduate of Bod Jones University in South Carolina, Mayes began his association with Guertin in 1977 as the company's Controller.

He resides in South Yarmouth, Massachusetts, with his wife Pauline, and their three children, Tracy, Thomas, Jr., and Cary.

Mr. Mayes is the son-in-law of Mr. and Mrs. John Pipkin of Spearman, Texas.

Ellen Martinez, #21, tries to outjump #10 of the visiting Perryton 7th grade Raiderettes, but to no avail. The 7th Raiderettes won that game, January 26, at the Little Gym, but the 7th Lynxettes scared the 7th Raiderettes. The score was 26-15

Seminar to be Held

Dr. Frank Belgau, professor of Development Psychology at Pacific States University announces his seminar to be held in Pampa on Saturday, March 7, 1981 at the Coronado Inn. Topics for discussion will be Visual Perception, Auditory Perception, and Perceptual Motor Development.

This seminar is directed to parents, counsellors, teachers, school nurses, optometrists, pediatricians and others interested in an integrated approach to education and health. Dr. Belgau will demonstrate activities to develop perceptual skill and sensory integration. He will point out visual inefficiencies that reduce academic performance.

Dr. Belgau holds BS, M. Ed and Ed D. degrees and has done additional work in Special Education and Optometry. He received an Outstanding Achieve-

ment Award from the Texas Association for children with Learning Disabilities. He is listed in Outstanding Educators in America and Academic Therapy Copendum.

Dr. Diane Simmons, Pampa Optometrist is local Coordinator for the program. According to Dr. Simmons, "We are very fortunate to have a speaker with Dr. Belgau's credentials coming to Pampa. This type seminar is usually limited to larger cities."

Registration will be from 8-9 a.m. with the program to begin at 9 a.m. until 4:30 p.m. Cost for the program is \$25.00 which includes an activities handbook and cassette tape. Those wishing college credit for the seminar may receive such credit for an additional \$10.00 fee.

For further information contact Dr. Diane Simmons at 1324 N. Banks or phone 665-4972.

Beeson Receives Award

JIM BEESON

Jim Beeson received the Award of Merit for his efforts as Clubmaster in Pack 578 and to the Scouting program in the year 1980. Jim was chosen by fellow leaders in the Adobe District.

The Adobe District Annual Leaders Recognition Banquet took place on Saturday, February 7, in Borger. Those attending from Spearman were Mr. and Mrs. Jim Beeson, Mr. and Mrs. Wayne Cummings, Mr. and

Mrs. Rusty Tindell and Dwight Sumner.

On January 27, Jim Beeson officially resigned as Clubmaster to become Assistant Scoutmaster for Troop 551. Rusty Tindell is now Clubmaster for Pack 578 with Bill Harnish as Assistant Clubmaster.

CONGRATULATIONS JIM BEESON FOR YOUR AWARD AND ON BEING A GREAT SCOUT LEADER.

McGuirt Appointed To Health Position

The Texas Department of Health has a new Deputy Commissioner for Special Health Services, Ms. Lynn McGuirt, who has been Acting Deputy Commissioner for Special Health Services since September of last year.

Ms. McGuirt was appointed to the full time post by the Texas Board of Health following the recommendation of Ms. Johnnie M. Benson, Board member from Fort Worth who is chairman of the Board's Personnel Committee.

"Seldom," said Ms. Benson, "do you have the opportunity to review the vitae and the job performance of an individual who has such characteristics as innovator, aggressor, a pro-

gressive thinker, and a dynamic leader. Therefore, I recommend the appointment of Ms. Lynn McGuirt as Deputy Commissioner for Special Health Services." The choice was unanimous.

Ms. McGuirt came to the Texas Department of Health in August 1977, as chief nurse in the Facility Standards Division of the Bureau of Long Term Care. In May 1980, she became Chief of Staff Services in Special Health Services under Dr. Raymond T. Moore. She was appointed as the Acting Deputy Commissioner for Special Health Services upon the retirement of Dr. Moore last September.

The native of Shreveport, La., became a registered nurse (R.N.) following training and study at Highland Sanitarium in Shreveport.

WEIGHING ONLY 65 POUNDS, A SUIT OF ARMOR WAS NEITHER TOO HEAVY NOR TOO UNCOMFORTABLE FOR THE MEDIEVAL KNIGHT. IT WAS HIS ONLY PROTECTION!

TODAY IN THE U.S. ARMY THE SOLDIER'S ARMOR MAY BE THE VEHICLE HE RIDES IN. THE ARMY'S NEWEST MAIN BATTLE TANKS OFFER THE PROTECTION OF 65 TONS OF STEEL AND SUCH NECESSITIES AS COMPUTERS AND AIR CONDITIONING.

Some say showing your money to the new moon will help you grow rich.

IT'S A FACT!

15 4-H members from Hansford County and 20 FFA members from Spearman will be participating in the 1981 Houston Livestock Show and Rodeo, February 27-March 8. With more than 27,000 expected livestock entries, the Houston Show will once again be the largest in the world.

"The 1981 Show offers spectators a unique opportunity to see some of the finest livestock ever and it's all gathered under one roof," said Assistant General Manager Don Jobs, Jr.

The Houston Show also provides an opportunity for exhibitors to participate in some of the toughest of showering competition after a year's worth of preparation for their animals. This year's show once again promises to be profitable for them, as open show and junior exhibitors will vie for more than a half a million dollars in prize monies and premium auction prices above market value.

Houston, the fastest growing city in the nation, brings western heritage to life when it once again hosts this two week extravaganza. Livestock show dates are February 25-March 8, and rodeo dates are February 27-March 8.

Horses, buckboards and stagecoaches take to the concrete and businessmen don western hats and boots to welcome the largest civic event in the history of this bustling oil and space flight capital.

The annual rodeo parade, previously held on the first Friday of the Show, will be held Saturday, February 28, at 9:15 a.m. This event draws more than 6,000 trailriders journeying as far as 386 miles to downtown Houston where they meet with city officials, bands and spectators to lead the parade.

Open competition for the livestock show begins February 25. Professional breeders and ranch owners from some 35 states will bring in the best in breeding stock to compete in breeding beef, dairy, swine, poultry, sheep, Angora goat and rabbit shows.

As the Houston Show is a showcase of the livestock industry, cattlemen from Europe, Mexico, Central and South America travel to the open show to view the best in stock. Last year, more than 500 international visitors from 29 countries registered with show officials and the 1981 International Days, February 25-28, should draw an even larger crowd.

The 4.3 acre Abercrombie Arena, adjacent to the livestock exposition building (Astrohall), provides the setting for all horse show activities. With 3,000 horses entered in the nine shows, the horse show must run for 16 days, beginning on February 21, in order to accommodate all classes. Eight hundred contestants are expected for competition during the fifth

annual horse judging contest held February 26.

During the second week of the livestock show, junior show exhibitors take over the 22.3 acre livestock exposition facility. Judging begins on March 5, competition here is fierce as these exhibitors know they're up against both the best in livestock and in judges.

Junior shows include breeding beef heifers, dairy, breeding sheep, Angora goats, beef and dairy scramble heifers, commercial steers, breeding rabbits, market lambs, market poultry, market turkeys, market swine and market steers, including a carcass contest.

Exhibitors of market animals realize that, in addition to the premium awards and trophies, a grand championship in their market division at the Houston Show could pave the way for a future cattle herd or college diploma.

The Houston Livestock Show holds the world's record in all categories of prices paid for champion market animals: grand champion steer-\$110,000; grand champion lamb-\$41,000; grand champion barrow-\$36,000; grand champion pen of 5 broilers-\$26,000; and grand champion turkey-\$15,000.

Due to the tremendous community involvement and civic support from thousands of individuals and business alike, junior exhibitors are assured

that their animals selling in the market auctions will bring premium prices. Junior exhibitors are also competing in livestock and dairy judging contests where their knowledge of animals can win calf purchase certificates worth \$400 toward the purchase of a purebred, registered beef or dairy heifer.

For the 1981 rodeo, 388 boys, including Hadley Dennis Reed and Jeff Hand from Spearman, will be participating in beef and dairy calf scrambles as part of rodeo action in the Astrodome.

In addition to providing some of the best rodeo entertainment, the calf scramble offers winning boys the opportunity to earn a calf purchase certificate worth \$400. Together with the top 40 winners of the livestock and dairy judging contests, calf scramble winners participate in a special yearlong program that stresses education and responsibility. It concludes with special show ring competition at the following year's show.

Spectators at the 1981 rodeo, February 27-March 8, will again be treated to top flight rodeo competition. Cowboy champions will be matched against rodeo's toughest stock with one of the richest purses in American rodeo riding on the outcome.

For the final performance of the rodeo on March 8, the top finalists in each event will compete in Houston rodeo finals for additional prize money, trophy saddles and the coveted title of Houston All Around Cowboy on the line. In 1980, rodeo contestants split more than \$300,000 in prize money

and more than 569,000 spectators turned out to see them win it!

This year's rodeo performances feature superb television and recording star talent. Fans will be assured that whatever performance they attend, they're bound to see a true superstar.

Opening the rodeo on Friday, February 27, for both the matinee and evening performances is ANNE MURRAY; on Saturday, February 28, for two performances, CHARLEY PRIDE; on Sunday, March 1, for two performances, CRYSTAL GAYLE; on Monday, March 2, for one performance, THE CHARLIE DANIELS BAND; on Tuesday, March 3, for one performance, THE OAK RIDGE BOYS; on Wednesday, March 4, for one performance, MAC DAVIS; on Thursday, March 5, for one performance, LARRY GATLIN AND THE GARLIN BROTHERS BAND; on Friday, March 6, for one performance and on Saturday, March 7, for two performances, DOLLY PARTON; and on Sunday, March 8, for the matinee performance, DON WILLIAMS, with the evening performance featuring WAYLON JENNINGS.

The English walnut tree originated in Southeastern Europe and China.

CATTLEMAN throughout the nation are finding that proper attention to health and a medicated ration formulated to overcome stress can mean healthier, better gaining and more efficient cattle.

Care of Calves

FEBRUARY 1981--From the time a calf is weaned and until he's acclimated to a feedlot situation, he faces the most stressful, and perhaps damaging, period in his life. Although it's a relatively short period of time, the high incidence of sickness and weight loss ultimately takes its heaviest toll on the cattleman's profits.

In order to reduce stress and maximize profits, Dr. Danny Williams, Manager of Applied Beef Research for Ralston Purina Company, recommends that a few extra precautions be taken during this crucial time period.

"We suggest preconditioning 21 days after weaning or 21 days after delivery to the feedlots. This will not only help prevent problems, but can actually help turn these trouble periods into times of profits."

"A preconditioning program can not only help calves overcome the difficult days after weaning, but can actually put weight on calves at a time traditionally marked by negligible gains or even weight loss," Dr. Williams continued. "The end result is huskier, healthier and heavier calves."

Records kept by 341 cattlemen over a four year span indicate that 23,137 newly weaned calves averaging 400 pounds made average daily gains of 2.46 pounds during the 21 days they were on a preconditioning program designed by Purina.

"In order for cow/calf men to reap the most benefit from a preconditioning program, Williams recommended they follow a few fundamental guidelines. "Calves should be housed in small pens with windbreakers to protect them from bad weather. On the first day of the 21-day

preconditioning program, we recommend that calves receive good quality hay," he explained. "From the second day on, they should be fed a highly palatable, medicated ration like Preconditioning/Receiving Chow free choice and provided with fresh, clean water positioned near the self-feeders or feed bunks."

The Purina researcher also suggested the feeders be located in a dry, sheltered area so calves won't hesitate to go near them; and adjusted so that feed does not accumulate in the trough. "The calves should work at getting the feed," he noted.

"While all of these steps will provide the calves with a properly balanced nutritional diet, it's just as important to consider health protection," he continued. "We recommend

that all calves be castrated, dehorned and vaccinated for diseases prevalent in the area a the three months, while also being treated for grubs and worms." All cattle should be treated for grubs, lice and ticks prior to shipping, he added.

White House Conference

PRPC--Representatives of senior citizen groups from Amarillo and several other Panhandle cities will be part of the State White House Conference on Aging to be held in Dallas during the last weekend in March.

Amarillo residents who will be attending the conference will be those nominated by the Amarillo Senior Citizens Center (ASCA): Manuel Perez, Loraine McCrary, Leslie and Dolores John, Gus Keith, E.R. Carver, Virginia Eisenberg, Katie Boward, Adis Martin, and Linda Ray.

Others involved in the conference will be Jack Lallemond (Fritch), Minnie Kelso (Bovina), Pearl Pierce (Spearman), Mid Newby (Borger), and Marjorie Daniels from Hereford. The major activity of the state conference is the workshops.

The sessions will concentrate in areas like aging in the American society, economics, education and training, employment, housing, and informal support systems.

The delegates will produce recommendations from each of the workshops that will be forwarded to the National White House Conference on Aging which will be held in the nation's capitol later this year.

Delegates will also select representatives from Texas to attend the national conference. Fifty Texans will then attend the national event as delegates and 50 more will go as observers.

The Amarillo area delegates to the state conference were selected in December and certified during the Feb. 5 PRPC Board of Directors' meeting.

New Telephone System

Insights into the economics of various agricultural commodities will now be available 24 hours a day, seven days a week, by calling (713) 845-6437.

The new system is called Telephone Outlook and Market Information (TOMI) and is the brainchild of marketing specialists with the Texas Agricultural Extension Service, Texas A&M University System, explains Jim Smith, County Extension Agent. Different tapes on agricultural commodities will be available by calling the TOMI number Smith notes.

Marketing specialists will time the tape topics to coincide with the release of government or trade information, Smith says. Each will run about three minutes.

February is the first month the tapes will be available. The schedule is as follows: Feb. 1-4, "Hog Outlook," Dr. Ernest Davis; Feb. 5-9, "Cattle Inventory and Outlook," Dr. Edward Uvacek, Jr.; Feb. 10-11, "Sheep and Lamb Inventory and Outlook," Davis; Feb. 12-13, "Grain Situation," Dr. Roland D. Smith; Feb. 14-16, "Cattle on Feed Analysis," Uvacek; Feb. 17-18, "General Agricultural Outlook," Dr. Carl Anderson.

Also, Feb. 19-20, "Soybean Situation," Johnny Feagan; Feb. 21-23, "Livestock Slaughter Analysis," Uvacek; Feb. 24-26, "The New Administration and You," Dr. Ronald Knutson; and Feb. 27-March 2,

"A Look Ahead in Marketing," Dr. William Black.

Tape changes are made at 5 p.m. on the last day of that particular subject, notes Smith.

Subsequent schedules will be available in advance from the County Extension office.

Counting our Blessings

If you name a lifetime gift to The Salvation Army, you may not only enjoy some tax benefits, but also continue to receive income from the donated money or property!

How you can do this is outlined in a brochure you can get free by writing Public Information Department, The Salvation Army, 50 West 23rd Street, New York, N.Y. 10010.

Lynx 1981 Homecoming

Jimmy Ladd and the rest of the Lynx were ready for the Dalhart Wolves on Saturday, February 14, at Lynx Varsity Gym, after the Homecoming activities. The Wolves had lost to Perryton twice and they were in the running for the Title; the Lynx, on the other hand, were going to finish their regular with a win. They knew that it would be hard against the 2nd team in the District, but they had to try.

The Wolves and the Lynx were neck-and-neck in the 1st quarter. The Dalhart Wolves were 12 and the Spearman Lynx were 10! The Lynx played an excellent quarter against the Dalhart Wolves. The 2nd quarter was more the Wolves kind of quarter. The Wolves scored 16 points, but the Lynx were still in the game, because they had 12 points in the 2nd quarter and at halftime were behind 28-22--by 6 points only.

The Wolves knew that the Lynx' favorite quarter was the 3rd quarter, if the Lynx were going to win, they would have to up-end the Wolves in the 3rd quarter. The Wolves had to be ready for anything that the Lynx would "throw" at them, and vice-versa.

Well, the 3rd quarter turned around on the Lynx, the Wolves were the ones that had a GREAT 3rd quarter--15 points--and the Lynx didn't have their KIND of 3rd quarter, getting only 8 points in their favorite quarter. The score after 3 was 43-30, the Wolves favor. Jamie Bulls, a very talented Senior, had a great day. Defensive Wise and Offensive wise--in a way. Jamie only shot for that good percentage shot, that kind of a shot comes up every once in a while, and it came 3 times for Jamie and he put them in perfect and had 2 points each time. Steven Tindell, the fine Junior, did a GREAT job from the field as well as from the "charity stripe". Wayne Meek, Monte George, Buddy Pool, Karey Bodey, and Mike Blanton all did a great job for Coach

Morris. Jimmy Ladd, the Homecoming King, and Steve Shields did a nice job also. The Lynx had one more quarter to regain the lead and win, and if the 3rd quarter would have been what it was SUPPOSED to have been for the Lynx, they, the Lynx, would have won this game. In the final quarter, the Lynx put 12 points on the board, but the Dalhart Wolves put 15 points on the board. The final score, though, was the Lynx 45 and the Wolves 55. It was a GREAT EFFORT by the Lynx, but didn't come out victors.

None of the Lynx were in double-figures, but had the scoring spread out as evenly as possible. Steven Tindell lead the Lynx with 9 points; Steve Shields had 8 points; Jamie Bulls, Wayne Meek, and Monte George all had 6 points each; while Jimmy Ladd and Kyle Brack finished with 4 points a piece.

The Lynx will be participating in the District 1-AAA Tournament that will be held here in Spearman this Thursday and Friday, February 19 and 20; possibly Saturday, February 21, if there must be a Play-off game. The Lynx will be playing against the River Road Wildcats on Thursday, February 19, starting at 10:30 a.m. If the Lynx win, then they will meet up with the tough Perryton Rangers at 7:30 p.m. on Thursday, February 19. The Dalhart Wolves will meet up with the Boys Ranch Roughriders at 4:30 p.m. on Thursday, February 19. The winner will meet up with the winner of the Lynx/Rangers game on Friday, February 20, at 8:00 p.m. If the Perryton Rangers lose and so do the Lynxettes in the tournament, then there MUST be a Play-off game for the Perryton Rangers and the Spearman Lynxettes are the "uncrowned" Kings and Queens of District 1-AAA. If there are 2 play-off games, the first-girls game--will begin at 6:30 p.m. and the boys will follow at 8:00 p.m. If there is only 1 play-off game, either the

boys or the girls, the play-off will begin at 7:30 p.m. So go on out to Lynx Varsity Gym to see all these teams. The Lynx and Lynxettes, the Rangers and Rangerettes, the Wolves and Wolverines, the Rough Riders and the Wildcats--boys and girls, from their respective schools--Spearman, Perryton, Dalhart, Boys Ranch and River Road.

There are about 1,600 telephones per 1,000 people in Beverly Hills, California.

Ronnie Brown Trio

The Ronnie Brown Trio, to appear at 8 p.m. Feb. 23 in the Berger High School Auditorium, will treat concert goers to a program ranging from the classics to jazz.

The concert, featuring Ronnie Brown at the piano with string bass and percussion rounding out the group, is open to members of the Tri-City Community Concert Association who are to present membership cards for admission.

Ronnie Brown is one of the nation's favorite performers, on the concert stages, in nightclubs, and on television.

The pianist, trained at Boston's New England Conservatory of Music, is also an arranger, composer, accompanist and conductor.

He offers selections by Chopin and Beethoven along with contemporary works and his own compositions.

Brown was born in Warwick, R.I. He started his career at 12, as organist-choir director in the Episcopal Diocese of Rhode Island. As a high school student, he played in the Rhode Island State Band and organized combos for nightclub work.

He earned bachelor's and master's degrees from New England Conservatory and taught there for a time. His advanced studies include television and radio production at Boston University, the Shakespearean Theatre at Harvard University, and arranging, conducting the composing at Bos-

ton's Berklee School of Music. He continues to study organ, vibraharp, voice and conducting.

While serving two years in the U.S. Army, Brown was assistant conductor and music theory instructor for the Army Band.

His hobbies are snow skiing, sailing, swimming, and playing tennis. He is also an amateur photographer and an excellent chef.

NEWS

A great place for dogs is the United States. At last count there were an estimated 41 million canines living here.

A dog food that has already achieved a great success has just been improved. Representing an entirely new concept in canine nutrition, new Cycle Dry Dog Food from Gaines has improved its taste and appearance while still providing tailored nutrition at each of the four stages of a dog's life.
