THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, SEPTEMBER 23, 1982

## Free Glaucoma checkup offered to area residents

The Texas Society to Prevent Blindness and the Spearman Lions Club will co-sponsor a free glaucoma screening for area residents. The event will be held at the first United Methodist Church, 407 South Haney, on Monday, September 27, from 3-7 p.m.

Glaucoma has overtaken every other eye disease as the leading cause of blindness in this country. An estimated 54,000 people are blinded by glaucoma each year, and some 300,000 new cases begin on their destructive course.

The good news is that glaucoma is a treatable disease that can be halted in its progress. "That is why we are conducting a Glaucoma alert—an awareness and detection project," says Berl Buchanan, President of the Spearman Lions Club.

Glaucoma rarely sends out early warning signals but usually progresses without pain or other symptoms for 10 years or more, before the affected person is prompted to get an eye examination.

Common chronic glaucoma occurs when normal fluid circulation in the front of the eye is blocked. The fluid backlogs and presses against the retina at the back of the eye, damaging its blood supply and destroying its nerve cells and fibers.

These "little deaths" in the retina mean small areas of vision loss, usually affecting

side vision first. The vision loss is irreversible. In its most advanced stages, glaucoma closes in on central vision and destroys the optic nerve. The result is total blindness.

"Since it is so easily overlooked, glaucoma must be sought out, periodically, through eye pressure checks and, for diagnosis, more extensive eye exams," says Patti Devitt, Panhandle Branch Coordinator.

The glaucoma patient is offered not cure, but control according to the Society. The disease can usually be managed with prescription eyedrops or other

medication. But that medication must be used regularly, on schedule.

TSPB considers all adults over 35 at risk for glaucoma, with the risk increasing with age. There are an estimated 102,000 Texans with the disease and 50,000 of those do not know it. Yet less than one percent of the age group at risk is routinely checked for glaucoma.

The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, which was established in 1908.

### Hergert Plans Premiere Showing

Hergert Pontiac-Buick-GMC will have their 1983 car showing Thursday and Friday, Sept. 23 and 24. They invite everyone to

come in and see the new models and have refreshments on the house.

### Crawford Motor '83 Models

Crawford Motor Co. invites everyone to come in and see their new '83 model cars on Thursday, Sept. 23. Refreshments will be served.

### Tony Barrera Services Held

Tony Barrera, 51, died Sunday, Sept. 19, 1982.

Rosary was recited at 7:30 p.m. Tuesday in Boxwell Brothers Funeral Home.

Services were held at 10:30 Wednesday in the Sacred Heart Catholic Church with the Rev. Fr. Raymond Crosier, pastor, officiating. Burial was in Hansford Cemetery.

Mr. Barrera was born in Mission. He was a U.S. Army veteran of the Korean Conflict. He had lived in Spearman for 14 years. He married Geneva Gallardo in 1952 at Edinburg.

Survivors include his wife; three sons, Tony Barrera Jr., of Colorado Springs, Colo., Xavier Barrera of Spearman and Adrian Barrera of Vega; two daughters Pat Redding of Sheridan, Wyo., and Barbara Barrera of Corpus Christi; seven brothers, Alberto Barrera and Ramon Barrera, both of McAllen, Pedro Barrera of Mission, Henry Barrera of Hereford, Joe Barrera of Vega, and Victor Barrera and Daniel Barrera, both of San Antonio; a sister, Maria Sinclair of McAllen; and 13 grandchildren.

at Lynx Stadium

## Lynx Ready For Rattlers

### Junior and Senior High Bands to perform

The Spearman Lynx, coming off an exciting, heart-stopping and yet "slippery" win against the Gruver Greyhounds Friday night, have been getting ready for the Stinnett Rattlers all week long. The Lynx will host the Rattlers at Lynx Stadium with the game beginning at 8:00 p.m. It should be a real good game. The Lynx Season record is now 2-1. Their Head Coach, Larry Lanier is very proud of how his young Lynx are playing. To prove just how good the Lynx are, Dennis "Duck" Randall, #33, Lynx' Fullback, was named the Amarillo Globe News Player of the Week this past week with 240 yards. This being the second time Dennis has been over the 200 yard mark, the week before he had 215 yards.

First of all, the Lynx have a lot of talented players. They have outstanding running backs beginning with Dennis. Darren Goodheart, Ricky Torres, Julio Vasquez, Dell Brandt, Jay Pack—all do an outstanding job for the Lynx in their running game. Others that help in the running attack include Quarterbacks Ross Donahue and Billy Pat Underwood—both run and pass the ball very, very well. Other offensive weapons that the Lynx use a lot are their Ends—Jeff Pool and Gary Thomas. A team can not have a good back field without a good offensive line, starting off with Charlie Salgado, who is a great Center, and an excellent Nose Guard—on Defense. Steven Francis is a Wingback, and does a fine job on Offense also. The Lynx have plenty of offensive weapons, but they also have a lot of defensive weapons, like Jan Hartzell, Byron Sutterfield, Mark Guthrie, Israel "Kimo" De La Rosa, Clint Graves, Darl Farris, James Potter, David Turner, Joe Gomez, Billy Ray Haden, Ricky Torres, Steven Francis, Julio Vasquez, Kevin Slaten—all do an excellent job. There are two other Sophomores that "switch" off with the JV and they are Steve Burke who plays End and Karl Bynum, who plays Fullback. The Rattlers better be ready for the Lynx Offensive and Defensive Claws—because both are good.

The Stinnett Rattlers, on the season are also 2-1. They defeated Shamrock this past week with a score of 15-8. They are second to White Deer. Stinnett has plenty of Offensive

and defensive guns also. They can "sneak" up on a team, when least expected, and just completely "devour" them. So the Lynx, too, will have to beware. But the Lynx are playing at Home, at Lynx Stadium, and so far in 1982 they are undefeated at Lynx Stadium, let's see if they can keep up that stat.

The game is this Friday night, September 24, against the tough ole Stinnett Rattlers. The Rattlers are always tough, especially against the Lynx, and vice-versa. Stinnett can be awful tough at Lynx Stadium.

The Lynx, like all teams, is toughest at home. This will be the last home game until October 22. So the Lynx would love to win for two reasons, #1 to keep their confidence high, and #2 to win for their local fans.

This will be a very good game—with not many turnovers, the winner will be decided at the 4th quarter. Y'all go on over and watch the game, get there early and get a good seat. Kickoff is at 8:00 p.m. This could be either a good Offensive or a good Defensive Game.

You are invited to see the new 1983 Chevrolets & Olds at Excel Chevrolet, Hwy, 207 S. Thursday.

Buy or renew magazines

The high school choir is selling magazines until Monday Sept. 27, 1982. This money will go to the choir so they can go on their annual tour. Last year they went to Houston, Galveston, & Six Flags. This year they are trying to go to Belgium. Since that will cost so much money, Mr. Angel and his choir need your support. GOOD LUCK CHOR!!!

RIBBON CUTTING CEREMONY AT HANSFORD MANOR SUNDAY—left to right Kent Guthrie, Ambassador of Chamber of Commerce, Max Baggerly and Wayman Edwards, hospital board members, John R. Collard, Jr., Amba-

sador of Chamber of Commerce, Betty Jean Davis, president of Hospital Auxiliary, Rev. Albert Lindley who gave the invocation, Deloris Guthrie, supervisor of nurses, and Ray Wasil, administrator of Hansford Manor.

### T-Bird Ball Date Set

Mike Cudd, chairman of the Sports and Recreation Committee of the Spearman Chamber of Commerce announces the 1982 T-Bird Ball, which is a fund raiser for the Hansford County YMCA. The date has been set for Saturday, November 6 at 7:00 p.m. at North

Plains International Harvester. Members of the T-Bird Ball Committee are contacting last year's ticket holders about attending the 1982 Ball. In order for ticket holders to keep a position in this year's event the money for the 1982 Ball must be paid by October 10, according to

T-Bird Ball general chairperson Mona Beth Windom. The Ball will be informal and entertainment will be by Nickel and food will be catered by the Shriners of Perryton. If you have any questions, please contact Mona Beth Windom, general chairperson.

HAPPY MOMENT!—The 1982 Homecoming Queen, Lea Ann Gibner, is about to be crowned by the 1982 Homecoming King, Charlie Salgado, with the Lynx Helmet and Traditional Kiss, as their eyes meet. Lea Ann

is the 17 year old daughter of Mary Alice Gibner. Charlie is the 17 year old son of Frank and Josefine Salgado. Congratulations to both.

### Lynx Band Clinics

The Lynx Band will have several upcoming clinics in the month of October. They include a percussion clinic, a music clinic and a marching clinic.

The percussion clinic will be on Saturday, October 2, all morning long, beginning at 8:30 and extending until about 4:30 p.m. with a small lunch break in between. The clinic will stress the important aspect of ensemble sound, and concentrate on improving the execution of the ensemble.

The music clinic will be Monday night, October 18, and will begin at 6:30 p.m. The clinician for the event will be Mr. Fred Pankratz of Canadian. Mr. Pankratz has built two bands into sweepstakes winners, first at Miami and most recently at Canadian. He will concentrate solely on the music as it relates to the total show performance.

The marching clinic will be Monday night, October 25, and will also begin at 6:30 p.m. Mr. Kent Jordan, from Booker will serve as clinician. Mr. Jordan also has a Sweepstakes winner at Booker and has placed as high as fourth place in the State Marching contest. Much of Mr. Jordan's clinic will be directed toward improving the marching and maneuvering and general effect of the bands performance.

These clinics, plus a flag festival and clinic, to be announced at a later date, should provide for a strong bid at the UIL contest for the Lynx Band.

Moore, Neta Burger and Kerri Ann Holt.

### Hospital News

Patients at Hansford Hospital are Reba Bennett, Harold King, Oneida Stewart, William Hutton, Jr., Jackie Reed, Orville Stafford and Leon Bowling.

Dismissed were Addie Sparks, Anna McGary, Tammy Powell, Brandon Close, Evelyn Kingsley, Blanch Taber, Mattie Dyer and Connie Walker and daughter.

# 1982 Homecoming Festivities and Halftime Entertainment

Homecoming activities for Spearman High School were held before the game Friday night between the Spearman Lynx and the Gruver Greyhounds.

The Homecoming Queen and attendants were driven onto the field in automobiles furnished by Excel Chevrolet-Olds and Mr. and Mrs. Dick Elbert.

The Homecoming Queen attendants for 1982 were Freshman, Shelly Dunnihoo; Sophomore, JoAnne Odegaard; Junior, Kayla Russell and Senior, Sonya Ooley.

Freshman attendant Shelly Dunnihoo is the 14 year old daughter of Johnny and Deanne Dunnihoo. Shelly was escorted by Seniors Brian Watley and James Potter. Shelly is the freshman class secretary and participates in basketball and FHA. She is a member of the First United Methodist Church and youth group.

Sophomore attendant JoAnne Odegaard is the 15 year old daughter of Roger and Elaine Odegaard. She was escorted by seniors Gary Thomas and Dennis Randall. JoAnne is an active member in FHA, FFA, FCA, Choir, Celebrate, and Student Council. She is a member of the Church of Christ in Spearman.

Junior attendant Kayla Russell is the 16 year old daughter of Mr. and Mrs. Tommy Russell. Kayla was escorted by seniors Jay Pack and Dell Brandt. Kayla participates in choir and FHA. She attends the First Christian Church.

Senior attendant Sonya Ooley is the 17 year old daughter of Mr. and Mrs. Richard Ooley. She was escorted by Jeff Pool and Ricky Torres. She is active in choir and FCA and attends the First Baptist Church.

The 1982 Homecoming Queen was Lea Ann Gibner. She is the 17 year old daughter of Mary Alice Gibner. Lea Ann was escorted by the 1982 Football King, Charlie Salgado. Charlie is the son of Mr. and Mrs. Frank Salgado.

Lea Ann participates in basketball, track and tennis. She is an active member in choir, Celebrate, FCA and Student Council. She is the president of the 1983 Senior Class and the

National Honor Society. Lea Ann is a varsity football cheerleader and a member of the United Methodist Church and the youth group.

Charlie is a member of the Catholic Church. He was 1981 All-District Linebacker and has been on the varsity since he was a Sophomore.

The cheerleaders and senior football players presented the attendants and queen with their bouquets and crown.

Carlee Dixon, freshman cheerleader, escorted by senior Jan Hartsell presented the bouquet to freshman attendant Shelly Dunnihoo.

JoAnne Odegaard's bouquet was presented by sophomore cheerleader, Tiki Jackson, who was escorted by senior Steven Francis.

Kayla Russell's bouquet was presented by junior cheerleader, Kim Elbert, who was escorted by senior Clint Graves.

Sonya Ooley's bouquet was presented by junior cheerleader, Cinda Novak, who was escorted by Senior Darren Goodheart.

Homecoming Queen Lea Ann Gibner was presented her bouquet and crown by senior cheerleader Lana Paul who was escorted by senior Billy Pat Underwood.

Charlie Salgado, 1982 Football King, crowned Lea Ann Gibner the 1982 Homecoming Queen.

The invocation was given by Mike Caldwell, senior class vice-president. The invocation was followed by the National Anthem, the Gruver School song and the Spearman School song.

The Halftime show was opened with the band's presentation of "This Is My Country".

The Lynx percussion section was featured next to the music of Jay Wanamaker's arrangement of "The Mexican Hat Dance".

The Lynx flag corps, under the guidance of co-captains Quinn Brown and Bambi Burger, were featured next, to a special arrangement of Buckner and Garcia's "Pac-Man Fever".

The band left the field to the strains of the Lynx Fight Song.

**SENIOR ATTENDANT:** Sonya Ooley is the 1982 Senior Attendant. She is the 17 year old daughter of Richard and Reba Ooley. She was escorted by Jeff Pool, #80 and Ricky Torres, #20.

**JUNIOR ATTENDANT:** Kayla Russell is the 1982 Junior Attendant. She is 16 years old, and the daughter of Tommy and Sandy Russell. She was escorted by Jay Pack, #30 and Dell Brandt, #45.

**SOPHOMORE ATTENDANT:** JoAnne Odegaard is the 1982 Sophomore Attendant. She is the daughter of Roger and Elaine Odegaard. She was escorted by Gary Thomas, #85 and Dennis Randall, #33.

## Doug Hohertz On Honor Roll

LUBBOCK--More than 700 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the second term of the 1982 summer session.

The student making the honor roll from Spearman was Douglas M. Hohertz.

To qualify for a dean's honor roll a student must have a grade point average of 3.5 or more on a 4.0 scale and must have taken at least six semester hours of work.

Texas Tech has an enrollment of 23,000 in colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics.

## ONE MINUTE SPORTS QUIZ

1. Who won the men's U.S. Open singles championship?
2. Who won the women's U.S. Open singles championship?
3. How many times has Lloyd won the Open women's singles?
4. Who won the Bank of Boston Golf Classic?
5. Who won the LPGA Mary Kay Golf Classic?

## Answers To Sport Quiz

1. Jimmy Connors over Ivan Lendl.
2. Chris Evert Lloyd over Hana Mandlikova.
3. Six times.
4. Bob Gilder.
5. Sandra Spuzich.

**FRESHMAN ATTENDANT:** Shelly Dunnihoo, 14 year old daughter of Johnny and Deanne Dunnihoo, is the 1982 Freshman Attendant. Her escorts are James Potter, left #64 and Brian Watley.

Crawford Motor Co. invites everyone to come in and see their new '83 model cars on Thursday, Sept. 23. Refreshments will be served.

## Comment On Sports

### BASEBALL

WASHINGTON, D. C. -- Oldtimers find it hard to equate today's New York Yankees with all those fine Yankee teams of yesterday. Until last year, the Yankees were potent.

But owner George Steinbrenner, with childish antics, has finally dissipated a legendary team spirit and morale. He's traded away top players who balked at their owner's follies (though some had their own follies admittedly).

Changing managers as if playing musical chairs, Steinbrenner has sought to shock players into better performance. Often as not, he demoralized them. Clyde King, a loyal organization man, is the latest, not ex-

### By Pete Fritchie

pected to be the 1983 manager. There's even talk Billy Martin might return. If he does, he'll be boss of the team this time.

Meanwhile, watching players like Willie Randolph exhibit all those mental lapses, and watching Yankee outfielders missing balls or dropping them, one can't believe these are the New York Yankees. Marse Joe McCarthy must be spinning in his grave, not to mention Casey Stengel.

A team long noted for power and great pitching, known as the Bronx Bombers in the thirties and forties, is now a team with limited power, limited pitching--and limited morale.

## Card Of Thanks

I would like to thank everyone for the cards, visits, food, flowers and prayers while I was in the hospital. Your thoughtfulness is greatly appreciated.

Dorothy Davis

We wish to thank the person or person who mowed the lodge yard. It was much appreciated.

Rebekah Lodge

## If dog bites, no mail service

Postmaster General William F. Bolger warned the nation's dog owners today that the Postal Service will stop home delivery of mail if their pets are not properly restrained. The Postmaster General also stated that injured postal letter carriers and the Postal Service will sue for recovery of damages and lost wages if necessary.

Mr. Bolger's statement was in response to the alarming number of dog bites which have occurred this summer. Within the last month, in California alone, three postal carriers suffered severe facial injuries from attacks by dogs. In one particularly violent incident, on August 17, a California letter carrier was maimed when a pit bull dog "blinded" him, inflicting serious wounds to his face, neck, abdomen and arms. The same dog had attacked two other persons within the past year.

"This attack was so violent," Bolger said, "that utility workers who came to the carrier's aid had to fight off the dog with a claw hammer. I cannot understand how the owner of any dog can allow these kinds of attacks on letter carriers and the other persons by ignoring the responsibility to keep the dog leashed, fenced or otherwise confined."

Last year, another California letter carrier died after being attacked by a pit bull--and although this particular breed is involved in a great number of bite incidents, dogs of all sizes and breeds contributed to the fact that 5,700 letter carriers were bitten last year.

"I am reaffirming the existing authorization to our postmasters to stop mail service to any pet owner who does not meet the responsibility to confine a dog which constitutes a menace," Mr. Bolger said. "Furthermore, I am putting dog owners on notice that the Postal Service and its employees will seek to recover damages for injuries and losses incurred as a result of what I view as gross irresponsibility on the part of the owners."

## Preserving Local History Workshop Set

"Preserving Local History: a Cultural Resources Workshop" sponsored by Amarillo Public Library and Panhandle-Plains Historical Museum is set for September 24, 9-4, and September 25, 9-5, at Amarillo Central Library, 413 E. 4th.

Funded by the Texas Committee for the Humanities through the National Endowment for the Humanities, the \$2500 mini-grant will bring speakers Byron Price, Panhandle-Plains Historical Museum; Dr. Frederick W. Rathjen, West Texas State University; Elmer Kelton, author, San Angelo; Dr. David Murrach, University Archivist, Texas Tech University; Sally Abbe, Assistant Planner, City of Lubbock; Willard Robinson, architectural historian, Texas Tech University; and Mary Crites, Director of the Main Street Program, Plainview. The Saturday program will include a bus tour, narrated by Potter County Historical Chairman Jerry Hollingsworth, of Amarillo's historic architecture. Advisor on the Humanities themes for the programs is Bobby D. Weaver, curator of ethnology, Panhandle-Plains Historical Museum.

The workshop is designed to be of interest to teachers, librarians, museum representatives, city and county government representatives, writers of fiction and non-fiction, architects and persons interested in community historic architecture preservation. The programs will also be of interest to those from city and county governments in area communities, who wish to explore the possibilities of tax and fiscal advantages of historic preservation.

Co-sponsors of the workshop in Amarillo are the Amarillo Genealogical Society, Junior League of Amarillo, Amarillo Board of Convention and Visitors Activities, Amarillo Chamber of Commerce, Potter County Historical Commission, and Friends of the Amarillo Library.

The two-day seminar is free, according to Project Director Anite Pitts, but those wishing to attend should register by writing her at Amarillo Public Library, Box 2171, Amarillo, 79189, or by calling 378-3051. There is a \$3 charge for each day's lunch.

# JV Lynx To Play At Home

The Spearman Jr. Varsity Lynx will be playing for the first time in their young season at Lynx Stadium. They played two away games, and will play 4 games at home in a row--which should help them in winning these games. The JV Lynx are 0-2. They had a tough time against the Perryton JV Deputies at Perryton last week, but Peach Boutista still scored two running touchdowns.

The JV Lynx have a lot of talent on offense and defense. They will see if they can get their defense working like their offense is working.

Since the 7th, 8th and Varsity Lynx all play their games at Home and Away at the same week, the JV Lynx have to trade off with the 7th and 8th graders to play at Home and so forth. Well, this last week the 7th & 8th graders played their "Homecoming Game" against Perryton, and both 7th and 8th Lynx lost. The Varsity Lynx won their Homecoming Game against the tough ole Gruver Greyhounds. Since the JV Lynx get to play a week after the Homecoming games, then they will play the following week as

their "Homecoming Game". So this week, Sept. 20-24, is the following week of the "Homecoming Week", and the JV Lynx will face the Guymon JV Tigers, at Lynx Stadium beginning at 6:30. This will be known as the 1982 "Homecoming Game" for the JV Lynx. There will be no "Homecoming King or Queen", but to the JV Lynx, this game will mean the same thing--must win the game. This will be the first time that the JV Lynx play in front of their homecrowd, so this will be yet another reason to win--to show their local fans that they are the Lynx of the Future.

The JV Lynx Mentor is John Roller. Coach Roller knows that his team has potential, and their winning tract should start sometime in the next four games, who knows it just might start with the Guymon JV Tigers.

If you haven't seen the JV Lynx in action, this Thursday, September 23, at 6:30 p.m. will be your chance to watch the JV Lynx scrambling all over the field. This should be a real good game, mainly because the JV Lynx want to start winning games they know they should win.

## 7th & 8th Lynx to travel to Guymon

The 7th & 8th grade Lynx will travel out-of-town for the first time in the season. They will travel to Guymon to meet the 7th & 8th Little Tigers.

The 7th grade Lynx have not won a game as of yet, but they have plenty of talent and can be seen to improve as the season goes by. No more "Thursday Night Football" for a while, so why not go check out the 7th, 8th or even JV Lynx action. Sometimes, they are more exciting and fun to watch than any Professional football game might be. Guymon isn't that far from Spearman, and the 7th grade Lynx would appreciate all the cheering they can get, since this will be their first game out-of-town, and the jitters will have a hold of them. Their Coach, Dan Shaver, believes that the 7th graders will have a good season after they get untracked and start getting

their Defense and Offense to work together.

The 8th graders are coming off their "Homecoming" loss to the Perryton 8th Raiders. So far the 8th graders have not scored a touchdown or even a safety. Once they get to the endzone, it will be hard stopping them. The Guymon Little 8th grade Tigers will be tough. Any Guymon team is tough, especially at home. It is a lot harder to win away, but once a team wins a game that is away-from-home, then they will get a lot of confidence and keep winning out-of-town and at their own Stadium. Coach Shaver believes that the 8th Lynx have a lot of ability.

The 7th grade game will begin this Thursday, September 23, at 5:00 p.m. The 8th grade game will follow or begin at 6:30 --whichever comes first. Go on over to Guymon and check the 7th and 8th grade action.

### September Calendar of Events

SEPTEMBER 23--The 1982 Jr. Varsity and Freshman "Homecoming Game" will be held against the Guymon Tigers beginning at 5:00 p.m.

SEPTEMBER 24--The Varsity will host the Stinnett Rattlers at 8 p.m. at Lynx Stadium.

SEPTEMBER 25--A Computer Workshop will be held at Abernathy.

SEPTEMBER 29--A Health Career Day will be held at St. Anthony's Hospital in Amarillo.

SEPTEMBER 30--The Jr. Varsity and Freshman Lynx will meet the Dalhart Wolves at 5 p.m. at Lynx Stadium.

These are all the events that will be held during the month of September. As you can see, it will be a very busy month.

TWO WITH ONE TACKLE--#51, an unknown Stratford Elk, tackles #33 Dennis Randall for a loss, and grabs #65, Davy

Turner before he gets blocked out. Ricky Torres, #20, keeps blocking, while two other un-identified Lynx struggle to help Dennis out.

# Spearman back heads 3A grid stars

By DAVID STEVENS  
Globe-News Sports Writer

DENNIS RANDALL

back, who boasts 4.6 speed in the 40-yard dash, rushed for 240 yards in the Lynx' 14-12 victory over the Greyhounds.

Randall's 77-yard touchdown run through the rain, with eight minutes to play in the game, was the difference as Spearman improved to 2-1 for the season.

For his efforts, Randall is the Globe-News' Class 3A player of the week.

"We were behind 12-8 and it was raining," recounted Spearman head coach Larry Lanier. "So we had to go with straight-ahead stuff."

"He (Randall) ran a power play up the middle, popped it outside and just outran everybody for 77 yards."

Coach Lanier said Randall had run the same play "three or four times in a row, just to get out of our end of the field."

"Everybody (Gruber defense) sucked in to stop him and there was no hole there (on the TD run). He just kind of bounced outside and outran the cornerback."

Randall, who has 588 yards rushing

in three games this year, has averaged more than 8 1/2 yards each time he's carried the ball.

Floydada's Donnell Weeks is Randall's closest contender for the player-of-the-week award.

Weeks rushed for 128 yards, averaged 40.8 yards for six punts, was in on 16 tackles, intercepted a pass and returned a kickoff 83 yards for a touchdown to pace the Whirlwinds to a 21-6 win over Muleshoe.

Weeks also kicked three extra points as Floydada improved to 2-1 for the year.

Other players earning honorable mentions include Friona's Charlie Morgan and Carl Jackson, Perryton's Roger Bocox and Clint Allred, Boys Ranch's Edward Ransom and Bill Baron, and River Road's Gary Martin and Jerry Harvey.

Morgan rushed for 115 yards on 31 carries and Jackson was in on 15 tackles from his linebacker position as the Class 3A Chiettans upset Class 2A Shallowater, ranked fourth by The Associated Press, 7-3.

Bocox rushed for 112 yards on 23 carries and Allred passed for 124 yards and a pair of touchdowns as

Perryton defeated Liberal, 27-6.

The Roughriders' Ransom rushed for 122 yards on 28 carries in Boys Ranch's 8-0 win over Vega. Noseguard Bill Baron was the key to the Boys Ranch defense as he was in on 12 tackles including four behind the line of scrimmage.

River Road's Martin rushed for 142 yards on 38 carries as the Wildcats improved to 2-1 for the season with a 21-7 win over Dimmitt. Many of those yards were made possible by Harvey, River Road's center.

"He (Harvey) came off the football and blocked on their linebackers well," said River Road coach George Malkuch. "He did a super job of blocking."

Hergert Pontiac-Buick-GMC will have their 1983 car show Thursday and Friday, Sept. 23 and 24. Everyone is invited to come and see the new models and have refreshments on the house.

Neither rain nor mud nor Gruber defenders could stop Spearman's Dennis Randall Friday night. The 205-pound senior running

### The Nite-Liter . . .

**Always Waits Up For You**

Why come home to a dark house when you can return to the convenience, safety and security of the Nite-Liter? From dusk 'til dawn, the automatic Nite-Liter helps keep your home safe by spreading light up to 100 yards in diameter. Your well-lighted property helps discourage unwanted intruders while you're away. The mercury-vapor Nite-Liter is more efficient than incandescent bulbs, so you get more light for your money. Start coming home to the light of the Nite-Liter . . . just call and ask to have the Nite-Liter installed on your property.

**Texas-New Mexico Power Company**

**STRUGGLING IS THE NAME OF THE GAME--**Dell Brandt, #45, struggles to get a couple of yards out of a draw play as the

Sanford-Fritch "prey" on him. Quarterback #11, Ross Donahue, sees the play.

**BONFIRE A SUCCESS!!--**the 1982 Homecoming Bonfire was a huge success. All the Freshman, Juniors, Sophomores and Seniors worked hard to beat each other in having the biggest Bonfire. On Thursday night, the Bonfire was lit up, there was a huge crowd on hand, and while all the Spearman stores

showed their school spirit by have purple and white streamers and so forth, the students and fans showed the Lynx that they were proud of them and behind them all the way. Above shows both the Sophomore and Seniors' Bonfire and the Freshmen and Juniors' Bonfire.

## Flag football and girls cheerleading underway

Saturday, September 18 was the first day of competition for the five boys' flag football teams at the field east of the YMCA. George Rex and Hiram Reyes' Little Lynx played against Curtis Davis' Raiders in the opening of the season, with the Little Lynx dominating the first half with scores. The second half ended fairly evenly as the Raiders improved with each offense and defense encountered. The Little Lynx came out on top in the scoring. At 10:30 Joe Garcia and eleven strong 4-6 graders met head-on with a team coached by Fred Mayfield and Ed Whitefield in a more mature brand of ball, which comes from age and experience. The two teams

battled for about an hour and were well matched. These two teams will compete each Saturday at approximately 10:00 a.m. The third game of the morning (or by the time played early afternoon) pitted the Little Lynx against a team coached by Loyall Turner and Bobby Archer (coach Larry Trosper was not able to be there.) The pattern for this dual was much like the first game of the morning. The Little Lynx dominated play the first half, but found the experience of play helping as they held (the other team) in the second half and scored in the final period against this "little powerhouse", but the effort was not enough and the Little

Lynx won both games.

Saturday, September 25 with team at 9:00 the Little Lynx against the Raiders and at 10:00 the two teams from the 4-5-6th grades and at 11:00 the Raiders vs. the Davis team. Come out and watch, it's great entertainment on a Saturday morning.

**Hergert Pontiac-Buick-GMC will have their 1983 car show Thursday and Friday, Sept. 23 and 24. Everyone is invited to come and see the new models and have refreshments "on the house".**

**Crawford Motor Co. invites everyone to come in and see their new '83 cars on Thursday, Sept. 23. Refreshments will be served.**

Darren Goodheart, #31, looks for an open receiver as #33 from Sanford Fritch "bites the dust" as he attempts to tackle him during the recent SF vs Spearman game.

**OFF TO THE RACES--**Did anyone of the Sanford-Fritch Eagles, catch #45, Dell Brandt as he took off for the goal line? Dell did an excellent job, but was caught a little short from the goal line. Dell has potential as a back.

## Women's Volleyball Underway

Each Monday evening the Women's Volleyball League congregates at the junior high school gym to bounce the white ball back and forth over the net and try to make 15 points before their opponent. Six teams have organized to play up to three games each Monday night. Two nights of play have passed and we find Buster's Dusters with 2 wins, Thriftway with a 1-1, Bulls Inn with a 1-1, Interstate Savings with 1-1 and First State Bank with a 1-1, leaving Sparks Brothers one off, with a 0-2.

Monday, September 27 will find at 7:15 Sparks Brothers vs. 1st State Bank, 8:00 Thriftway competing against Bulls Inn, and at 8:45 Interstate Savings vs. Buster's Dusters.

## Racquetball at the YMCA

Brice McRee, chairman of the YMCA Racquetball Committee, announces that progress is being made on the court, to replace the old stage inside the YMCA at 501 South Hazelwood. McRee states that in order to save costs the work on the court is volunteer. Members of the Board of Directors have been working on the project for a couple of weeks and encourages anyone who would like to work on the project, with the Board, to come on over to the YMCA. Since the football strike (no more Howard Cosell on Mondays for a while), there will be a work party on Monday nights to finish the structure. The more volunteers we get to help, the sooner the project will be completed. That's beginning, Monday, September 27.

**Hergert Pontiac-Buick-GMC will have their 1983 car show Thursday and Friday, Sept. 23 and 24. Everyone is invited to come in and see the new models and have refreshments on the house.**

**DIET CENTER**  
"The Natural Way to Lose Weight!"

When you decide to lose weight, **COMPARE!**

There are hundreds of ways to lose weight. Diet Center suggests that before you start any reducing program, you compare. Consult your doctor. Talk to people who have been on the programs you are considering. Ask yourself if this is a plan you can live with, one that will enable you to keep weight off once you have lost it. If you will do this, we are confident that you will select Diet Center. The following is a basic introduction to the Diet Center Program.

we don't:	we do:
Use shots or drugs to stimulate weight loss. This would not conform to our totally natural approach.	Employ a 100% natural food supplement that stabilizes the blood sugar level and eliminates hunger.
Use prepackaged foods. We know that in order to maintain your weight loss, you must learn to plan your own meals.	Provide a comprehensive education in food selection and preparation techniques from natural sources.
Rely upon ketosis or any other unhealthy, physical state to promote weight loss.	Provide 100% of the daily nutrient requirements as outlined by the U.S. RDA and the 7 U.S. Dietary goals.
Make unrealistic claims as to the speed or effectiveness of our weight-loss program.	Achieve an average weight loss of 17 to 25 pounds in 6 weeks, a rate that can be sustained as needed.
Use computers or group therapy to overcome the uniquely personal problem of excess weight.	Meet daily, in private, with each dieter to determine and solve individual problems and chart progress.
Employ celebrities to present Diet Center in our advertising messages.	Publish unsolicited testimonials from real people who have overcome real weight problems at Diet Center.
Charge for any additional services beyond our basic reducing phase of the program.	Provide weekly classes in nutrition and behavior modification and a lifetime maintenance program, free of charge.
Require contracts or charge more than a fair price for the honest service that is rendered.	Encourage dieters to remain on the program only as long as they feel they are receiving their money's worth.
Employ high-pressure sales tactics to "sign you up" on our program. When you are ready, we are ready.	Offer a free, introductory consultation to supply you with the information needed to make your own decision.

We're Diet Center, and we've been helping people lose weight for over ten years. Our program works, and it's totally natural. There are over 1,350 Diet Center locations all across the United States and Canada. Call your local Diet Center Counselor today; it could change your life.

## Prevent Oil & Gas Field Thefts and Vandalism

Poyner Security is a licensed and bonded security company, primarily designed to work with oil companies to prevent oil and gas field thefts and vandalism. Because of the nature of surveillance and patrol of oil and gas field security, Poyner is uniquely qualified.

Poyner Security only employs agents who have had background in law enforcement. All Poyner agents must be able to pass a strict background investigation and polygraph test. Each prospective agent is investigated through the FBI, the National Crime Information Center and the Texas Crime Information Center and all agents are bonded and insured.

Research shows that in the Texas Panhandle 65% of all oil and gas field related vandalism and thefts occur at night, and Poyner Security uses special equipment and manpower to counteract this statistic. In addition to four-wheel-drive vehicles with multi-ban two-way radio for ultimate privacy, each unit is equipped with telescopic, infrared long-range cameras for night time vision and photography.

In order to maintain a high profile to ward off potential vandals and thieves, Poyner Security posts warning signs at each entrance of leases they patrol.

All their vehicles are clearly marked with Poyner Security shields, and each officer carries an identification card authorized and signed by an agent of each respective company they represent. Every precaution possible is taken to prevent mis-representation by would-be fictitious elements and assure safe, secure, effective security.

Poyner Security has the experience you are looking for and the credentials necessary to provide the ultimate security in your oil and gas fields.

**DUB POYNER, President**

**"It is my desire to provide the best, most efficient and cost effective security for our clients. I will strive to maintain a security force of only the most qualified and experienced officers. We are dedicated to serve you in a full-time capacity."**

- Certified Private Investigator
- Certificate of Law Enforcement, State of Texas
- Graduate Panhandle Law Enforcement Academy, Amarillo, Texas.
- Graduate Amarillo Police Academy, Amarillo College, Amarillo, Texas.
- Special training patrol procedures and investigation.
- Past Chief Detective, City of Dumas, Texas.
- Attended special schools of investigative law enforcement.
- Experienced in working with District Attorney's office and Texas Rangers.
- Attended several special county seminars on oil and gas well thefts.

## POLICE REPORT

### OFFENSE REPORTS:

On Monday, 09-13-82, at 8:45 a.m., a complaint was received by a Spearman resident on a canine at large in the 400 block of South Hazelwood. A complaint was signed, and the animal's owner was advised to be in court on Monday.

On Wednesday, 09-15-82, at 10:31 a.m., a complaint was reported to the Police Department on a canine at large in the 400 block of South Hazelwood. Complaints were signed, and all parties involved were advised to be in court on Monday.

On Thursday, 09-16-82, at 10:00 p.m., a Spearman resident advised of a canine at large in the 400 block of South Hazelwood. A complaint was signed and the dogs owner was advised to be in court on Monday.

On Friday, 09-17-82, at 8:39 a.m., a Spearman resident contacted the Police Department and reported a subject beating on a motel room door and being loud and boisterous at the Patton Motel. A complaint for Disorderly Conduct was signed, and the suspect was advised to be in court on Monday.

On Friday, 09-17-82, at 8:51 a.m., the Spearman Police Department received a complaint of a resident having a large amount of chickens, and a horse, in their front yard. A check of the house revealed the animals were there. The owner was contacted and advised to remove the chickens and horse from the yard.

On Friday, 09-17-82, at 9:00 p.m., a Spearman resident reported to the Police Department that his vehicle, a 1963 Ford Pickup, had been stolen from his residence. Investigation revealed that the complainant had been behind in his payments, and the vehicle was repossessed by the finance company.

On Monday, 09-20-82, at 2:00 p.m., a Spearman resident contacted the Spearman Police Department and reported that he wanted to report the he had a movie camera stolen from his wife's room in the Hansford Hospital. The camera was stolen while his wife was in the hospital, it was not missed until after they returned home and unpacked. Investigation is continuing on the theft of the camera, valued at approximately \$90.00 (ninety-dollars).

On Monday, 09-20-82, a Spearman resident telephoned the Spearman Police Department and reported that over the weekend, subject (s) unknown by means unknown, had stolen two 10-speed bicycles out of her garage. An officer was dispatched to the residence and a report was taken. Investigation is continuing on the theft of the bicycles.

### ACCIDENT REPORTS:

On Wednesday, 09-15-82, at 4:00 p.m., a Spearman resident advised that their vehicle had been hit on the Mall parking lot. A complaint of Failure to Stop and Leave Information was taken. Investigation continuing.

On Thursday, 09-16-82, at 4:36 p.m., there was a minor accident at the Ideal Parking Lot, between 2 parked vehicles. Apparently, Unit #1 started rolling and struck Unit #2 in the parking lot.

On Thursday, 09-16-82, at 10:00 p.m., the Spearman Police Department received a report of an accident in the alley of 700 South Barkley. Unit #1, a blue 1974 Chevrolet, was backing from the alley and struck Unit #2, a tan and white Chevrolet Suburban. No injuries were reported.

On Friday, 09-17-82, at 11:45 a.m., a Spearman resident reported an accident at the intersection of 2nd Street and Endicott. Unit #1, a 1980 brown Chevrolet, was headed west on 2nd Street. Unit #2 was headed north on Endicott. Unit #1 stopped at the Yield sign, but did not see Unit #2 and proceeded thru the intersection, striking Unit #2 in the rear back quarter. No injuries were reported.

AS A REMINDER and a warning to all persons pulling into the alley East of the Post Office to use the outside mail box. The alley is a one way alley. If you turn into the alley to use the outside mail box, it is unlawful to back onto Hancock into the lane of traffic. You are to continue to drive out of the alley do not back onto Hancock. Violators will be issued citations.

D.J. Alberts  
Chief of Police

### BIBLE VERSE

"Before him shall be gathered all nations; and he shall separate them one from another, as the shepherd separateth the sheep from the goats."

1. Where does this quotation occur in the Bible?
2. Who spoke these words?
3. To what event do they refer?
4. Does this quotation appear elsewhere in the Bible?

#### Answers to Bible Verse

1. Matthew 25:32.
2. Jesus in a parable.
3. The last judgement.
4. No.

Hergert Pontiac-Buick-GMC will have their 1983 car showing Thursday and Friday, Sept. 23 and 24. Everyone is invited to see the new models and have refreshments "on the house".

## Hightower passes amendment to aid farmers

Washington, D.C.—Congressman Jack Hightower won House passage yesterday of an amendment requiring the U.S. Department of Agriculture to make available to hard-pressed farmers a \$600 million Economic Emergency Loan Program provided by Congress for use in 1982.

Hightower had sought to require the Department to utilize the program because despite assurances that they would do so, Department officials have failed to act. Hightower's amendment to the Consolidated Farm and Rural Development Act also extends the program throughout 1983 instead of letting it expire at the end of this month.

The bill, H.R. 5831, which Hightower amended, authorizes loan levels for all farm program and rural development loan funds, and it lowers from 30 to 20 percent the amount of loss necessary before a farmer can qualify for disaster loan assistance.

The legislation authorizes the Secretary of Agriculture to temporarily defer a farmer's principal and interest payment to 1983 where, despite good management, that farmer is presently unable to make payments because of economic difficulty. Under the program, the farmer must still, however, ultimately repay the loan. Hightower's amendment to require the Department to make the program available to farmers was passed overwhelmingly with bipartisan support. This particular measure was originally a part of the Farm Crisis Act of 1982 that Hightower co-sponsored earlier this year.

During debate, Hightower pointed out that "there still exists in 1982 as much of an economic disaster in the farm economy as there was during 1981. Even though the Secretary of Agriculture indicated at least twice last spring that he was about to make the funds available under this program, it

never happened. This loan program serves the same purpose as a spare tire," Hightower said. "Until we fix the problem, the loan program is necessary to get us down the road."

Hightower told the House that Farmers Home Administration loans did not solve the problem of low farm income. "Prices must still be increased and farmers must be able to operate with some margin of profit instead of constant loss. My amendment, however, could help some of them over the hump," Hightower explained.

The CFRD Act, with Hightower's amendment, still comes within the budget resolution that set spending limits for the federal government. The amendment does not require that all \$600 million of the program be spent, but that the fund be made available to those farmers who can qualify. The bill must now go to the Senate for

consideration and would become law if passed there and signed by the President.

### PROPOSES WARNINGS

The Reagan administration proposed recently that most non-prescription drugs carry warnings urging pregnant and nursing women to consult their doctors before taking the medication.

### AGENT ORANGE STUDY

The Veterans Administration said recently it will probably take until 1988 or 1989 to complete a study of whether exposure to Agent Orange damaged the health of Vietnam veterans or their offspring. Congress enacted a law in December 1979 directing the VA to conduct the study but the project has encountered a series of delays.

## FU Sponsors National Farm Crisis Day

WACO, TX: September 17, 1982—Texas Farmers Union President Mike Moeller has announced plans for activities to be held on National Farm Crisis Day, October 2, 1982. There will be a tractorcade covering 4 blocks in downtown Austin and terminating at the State Capitol. Immediately following the tractorcade there will be a rally on the Capitol building steps.

The TFU head said that it was certainly not the intent of the group to cause any problems to Saturday shoppers or business-people. "We will be stopping at all traffic lights and obeying all traffic laws as a courtesy to the citizens and downtown businesses of Austin," Moeller stated. "We just want to bring to the attention of all people in Texas and throughout the nation the disastrous conditions that are pervasive in agriculture, small business and labor

sectors. In fact, we invite downtown motorists, business people and laborers to join us in a show of mutual support. We all need each other," Moeller commented.

Moeller said the October 2 tractorcade will begin at 10:00 a.m. from the parking lots of 15th and Congress on the north side of the Capitol. The tractorcade will proceed in a circular route of 4 or 5 blocks and culminate at the Capitol with the subsequent rally which will last about 2 hours. Anyone who would like to participate should be at the parking lots by 9:30 a.m. Saturday morning. "I strongly encourage everyone who possibly can to join us," Moeller concluded.

Hergert Pontiac-Buick-GMC invites all to come to their 1983 car show Thursday and Friday, Sept. 23 and 24. The refreshments will "be on the house".

#### BLANCH VEGETABLES BEFORE FREEZING

Blanching vegetables is a simple—and necessary step—that makes freezing an efficient method of home food preservation.

Blanching is necessary to stop or slow down vegetable enzymes. Enzymes cause vegetables to mature.

Without blanching, vegetables develop an off-flavor, they become discolored and tough.

Blanching also softens vegetables, making them easier to pack into containers.

Fruit is an exception. It does not require blanching before freezing because it is packed in sugar or syrup.

Sugar combined with the fruit's acidity or added ascorbic acid slows enzyme activity when stored at 0 degree F. or below.

#### BLANCHING BY IMMERSION

Most vegetables are blanched by immersing them in boiling water.

Start with a wire basket and a

large pan with a lid. Bring water to a boil and lower the filled basket.

Start timing when the vegetables are immersed and pan is covered. Blanching time varies with the type and size of vegetable. Check blanching charts for correct times. Charts and instructions are available through your County Extension Office.

Cool vegetables quickly by immersing in ice water.

After cooling, drain and seal them in air tight, moisture-vapor proof containers. Finally, label contents, date and freeze.

#### OTHER BLANCHING METHODS

Other blanching and cooling methods are recommended for specific vegetables. For example, mushrooms can be sauteed, tomatoes simmered in their own juice and broccoli, pumpkin and winter squash steamed.

Corn-on-the-cob requires longer blanching to destroy enzymes in the cob.

Blanching vegetables at 5,000

feet or more above sea level requires one minute of extra heating.

All vegetables except green peppers and mature onions should be blanched before freezing.

Green peppers frozen without heat are better suited in uncooked foods than blanched peppers.

Likewise, some of the characteristic flavor of onions is lost if they are blanched before freezing.

**EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES, REGARDLESS OF SOCIO-ECONOMIC LEVEL, RACE, COLOR, SEX, RELIGION OR NATIONAL ORIGIN.**

### Our Heritage of Faith...

We greet you in God's name. May He grant you peace and joy in storm and in sunshine.

Our Sunday schedule is: Sunday school at 9:45 a.m., Worship with Holy Communion at 10:45 a.m., and special Bible Study at 6:30 p.m. The sermon theme Sunday morning is: "Let Us Stand Up Together". Isa. 50:4-10.

Visitors are most welcome, especially you who have no church home.

Bruno Gaskamp, Pastor.

### Dahlia Flower Club Met

The Dahlia Flower Club met Sept. 20, 1982 in the home of Ora Sanders. The house was called to order by the President Ruth Mary Whitson.

The Pledge of Allegiance to the American Flag was repeated in unison. Roll call "Things I've Shared With Others" which turned out to be very interesting, was completed.

Mrs. Hazel Loftin furnished the program, by having Mrs. Dollie McWhirter tell us some different ideas to update last year's wardrobe.

Flower arrangements were—First Place, a tie between Martha Batton and Nelle Evans. Specimen—a tie between Nelle

Evans and Cleo Denman.

Members present were: Annie Allen, Louise Archer, Martha Batton, Myrna Biggers, Sammie Bishop, Deta Blodgett, Cleo Denman, Mabel Edwards, Nelle Evans, Hazel Loftin, Hollie Riley, Ora Sanders, Margaret Shedeck, Cora Smith, Jewel Turner, Ruth Mary Whitson and two guests—Dollie McWhirter and Mae Sexton.

### Rho Rho Meets

On September 16, Rho Rho Chapter of Beta Sigma Phi, held its Rush Luncheon in the home of Mrs. Roy L. Bulls.

Guests of Honor were the fall pledges: Tami Janzen, Mollie Holton, Peggy Winegarner, Linda Winegarner, Frances Pippin, Martha Lanier, Kitty Edwards and Beckee Baker.

J.G.'s and Lady Fair were the entertainment for the day, with impromptu modeling. Both stores showed their fall line in evening and casual wear.

There were four "surprise" guests from Xi Zeta. They also modeled their "evening" attire. Everyone enjoyed a lovely meal and the opportunity to welcome the new pledges into Rho Rho.

Mr. and Mrs. Clay Crites of Spearman are very pleased to announce the birth of their daughter, Christina Renae. Christina Renae arrived on September 13, 1982, at 8:19 p.m. She weighed 7 lbs. 12 oz., and was 22 inches long.

Maternal Grandparents are Rex and Jean Burgess of Spearman.

Paternal Grandparents are Mr. and Mrs. Wes Crites of Garland, Tx., and Mr. and Mrs. Ross Coffee of Hartley, Tx.

Maternal Great-Grandparents are Mr. and Mrs. Bob Burgess of Stratford, Tx., and Mrs. Evelyn Robertson of Robinson, Kansas.

Paternal Great-Grandparents are Mr. and Mrs. Andy Christensen of Pampa, Tx., and Mr. and Mrs. Clifford Davenport of Pampa, Tx.

Paternal Great-Great-Grandmother is Mrs. Doxia Gay of Pampa, Tx.

You are cordially invited to a bridal shower honoring

Mrs. Charles Feese (nee Colleen Smith)

### Multiple Sclerosis meet set

An informational and informal get-together for those with multiple sclerosis or those wishing to more about the disease will be held Sept. 28 at 7 p.m. in the First Christian Church, 901 S. Jefferson, Perryton.

Virginia Light, Executive Director of the Panhandle Chapter of MS of Amarillo will be present along with patient services coordinator Geneva Crump.

They will also have a booth at the Health Fair which will be held that day at the YMCA in Perryton if you have questions and cannot attend the evening meeting.

### Club Meets

The Blue Monday Bridge Club met Sept. 13 in the home of Viola Graves.

Members present were Deta Blodgett, Viola Graves, Alice Lackey, Ada McLain, Margaret Gibner, Ruth Hill and Emma Seitz, and a guest Ruth Baker.

Alice Lackey had high score and Ruth Hill had second high. Margaret Gibner will be the hostess for the Sept. 27 meeting.

### Bridge Club Meets

The Senior Bridge Club met Friday at the Golden Spread Center with Viola Graves as hostess.

Members attending were Ruth Baker, Ada McLain, Alice Lackey, Mathilde Entekin, Opal Jones, Viola Graves and

guests, Addie Novak and Emma Seitz.

Emma Seitz had high score and Alice Lackey had second high.

The meeting this week will be at the Golden Spread Center with Opal Jones as hostess.

### SHS Choir In WTSU Concert

WTSU--Honor High School Choir Day, featuring six high school choirs, will include a concert during the West Texas State University Parents' Day activities, Saturday, Sept. 25, at 3 p.m. in Mary Moody Northern Recital Hall.

Dr. Howard Swan, a faculty member at the University of California at Irvine, will serve as clinician for the high school choirs.

Swan is one of five choral conductors from across the United States who will visit WTSU through the 1982-83 academic year as recipients of the Meadows Professorship in Choral Music.

The visiting professorships are funded through a \$33,500 grant awarded to the WTSU School of Fine Arts last February by the Meadows Foundation of Dallas which grants funds to

Texas institutions of higher education, art museums and hospitals.

High schools represented are Tascosa High School from Amarillo; Spearman High School; Borger High School; Clovis, N.M., High School; Gruver High School and Palo Duro High School from Amarillo.

# The Y's place in our Community

By Jim Benson

The Hansford County YMCA, when counting all the members during the year and others who participate in programs has on its rolls 28% of the population of Hansford County. The involvement of these youth and adults varies from aerobic dancing to catching a fly ball or football, from kicking a soccer ball to playing Pac Man, from roller skating to pumping iron, from performing in the Fruitcake Revue to buying articles in the Auction.

There is a real variety of programs and volunteer opportunities at the YMCA. The YMCA offers year around sports activities for boys and girls in the 1-6th grades including flag football, cheerleading, basketball, soccer, tee ball, softball, baseball and for the slightly older youth the fitness center, softball, baseball and pick up games in the gym and game area. Adults participate and are spectators to many of these activities as coaches and officials and by watching their children learn and grow through sports. The adults too, have a variety of activities to become involved in sports and fellowship through women's volleyball aerobics instruction, square dancing, fitness center activities, basketball, softball together with coaching and officiating and participating in the Fruitcake Revue and the auction.

The fitness center, game area and gym are open, during the school year seven days a week, with the weekday hours from 8:00 a.m.-10:00 p.m. and on Saturdays from 12:00 Noon-7:00 p.m. and Sundays from 1:00-6:00 p.m.

The YMCA also manages the swimming pool and volunteers offer swimming lessons four weeks each year. The pool is open seven days a week from Memorial day until school starts and reopens for the Labor Day weekend each year.

Statistics may help give an idea of the magnitude of involvement by members and constituents at the Hansford

County YMCA. Already mentioned was the fact that 28% of the population or 1,728 persons were members or constituents, but these persons participated in 163 different groups or teams for a total attendance of 24,054 and counting the fitness center, game area and open gym there were 2,012 service times for members and they participated 22,677 times. That comes to 2,175 contacts and attendance

of 46,731 in a year's time.

The Board of Directors tries to keep costs to a minimum and membership rates have remained unchanged in the three years of operation. A youth can join for a year for \$25, an adult for \$35 and a family for \$45, with a fitness membership an additional \$50 per person per year. Programs have additional fees in some cases to offset costs of operation, but these too

are kept at a minimum. Many are free to members. The cost of per person to operate the YMCA is about \$50 per year and the Board works to supplement membership and program income with funding from the Fruitcake Revue, Auction and the T-Bird Ball from the Sports and Recreation Committee of the Chamber to balance the budget.

The YMCA, we feel, is a vital part of the Hansford County

community and expansion of services and programs is always on the mind of the committees of the Board. The programs we now have are fairly balanced and growing, but any suggestions for new programs and ideas are encouraged. The goal of the Board is to make and keep the YMCA an important agency in the community and one that is meeting needs of those it serves.

## Local Students in WTSU Play

WTSU--A young nun has died under mysterious circumstances in a remote parish of northern Michigan and her pastor, Father Brian Rivard, has been charged with her murder, in "The Runner Stumbles," by Milan Stitt, to be performed Friday and Saturday, Oct. 1 and 2, at 8 p.m., in the Intimate Theatre in the West Texas State University Fine Arts Building.

The cast includes Father Brian Rivard, played by French Stewart, an Albuquerque, N.M., freshman; Sister Rita, played by Amber Smith, a freshman from Friona; Mrs. Shandig, played by Sherry Strain, a senior theatre major from Hereford; and Toby Felker, played by Dennis McMenemy, a senior theatre major from St. Louis, Mo.

Other cast members are Erna Prindle, played by Michelle McFerrin, a freshman nursing major from Chillicothe; prosecutor, played by Brent Biles, a senior music education major from Spearman; Monsignor Nicholson, played by Kelly Davis, a junior theatre major from Spearman; Louise, played by Laura Davis, a senior theatre major from Amarillo; and Amos, played by Kenny Cook, a freshman from Amarillo.

The play is directed by Robert Busch, a graduate teaching assistant in speech and theatre from Los Alamos, N.M.

Assistant director is Donna Shelby, a junior theatre major from Canyon, and technical direction is by Paul Welch, a junior theatre major from Spearman.

Biles, who plays the part of the prosecutor, also composed the music for the play. This play was suggested by a turn-of-the-century trial for the murder of a nun in Michigan and the action alternates between interrogation and testimony and scenes of past events.

"The play functions on two levels. It is both a courtroom drama and a moving story of repressed passion," said Busch.

General admission is \$1.50 and \$1 for WTSU students with an identification card.

## City Tax Sales Up Slightly Over '81

State Comptroller Bob Bullock Thursday sent the biggest check ever for a single month's tax collections--\$49.2 million--to 967 Texas cities as their share of the one-percent city sales tax for September.

The statewide total is up 20 percent over last September's payment of \$41 million. The payment reflects taxable sales made in July and reported to the state by the end of August.

"Sales in several major South Texas cities declined in July, even before the latest Peso devaluation. But as a whole, our state economy keeps growing strong," Bullock said.

Bullock predicted further South Texas declines when merchants report their taxable

sales for August, the month of the latest devaluation, and pointed out the border economy has bounced back within three months after past devaluations.

The City of Spearman received a check for \$11,518.54 for the period ending 9-8-82. This is up 2.06% over the same period last year when the city received \$10,949.34. Total payments in 1982 to date are \$150,511.56 compared to \$147,472.91 for the same period last year.

The City of Gruver received a check for \$1,478.59 which is down from the \$1,754.33 received for the same period last year. 1982 payments to date to the city of Gruver are \$23,535.65, up 3.18% from the \$22,810.25 received last year.

## Guymon Livestock Auction plans grand opening sale

The Guymon Livestock Auction will have their Grand Opening Sale and Free Bar-B-Que on September 29. The activities will begin at 10:00 a.m. with the judging for a special Stocker and Feeder Sale.

Prizes, ribbons, and trophies will be awarded to the first, second, and third place pens in the following categories: 25 Hd

350 to 525 lb. steer calves; 35 Hd 526 to 650 lb. feeder steers; 35 Hd 651 to 800 lb. feeder steers; 25 Hd 350 to 500 lb. heifer calves; 35 Hd 501 to 599 lb. feeder heifers; 35 Hd 600 to 725 lb. feeder heifers.

Judges will be Cecil Sellers, Hamlin; Boyd Colbert, Perryton; Ray Townsend, Goodland, Kansas; Ray Kimsey, Guymon, Okla.

The master of ceremonies will be Cliff Augustine, Lamar, Colorado.

At 11:30 a.m. they will start serving the Bar-B-Que.

There will be a special drawing for all ladies present, so ladies please plan to attend!!

## Pioneer Hi-Bred Scholarship Program Announced

Beginning in the fall of 1983, the Southwestern Division of Pioneer Hi-Bred International, Inc., will initiate a new scholarship program to benefit farm youth in Texas, Oklahoma and New Mexico. Through the scholarship program, Pioneer will award six four-year scholarships annually to FFA and 4-H members in the three states.

High school seniors who receive the \$4,000 scholarships will be awarded \$1,000 each year for the four years they attend college. By the fall of 1986, when the scholarship program is fully implemented, the Southwestern Division of Pioneer will be awarding \$24,000 annually toward college educations for outstanding FFA and 4-H members.

The announcement of the new scholarship program was made by Jim Lindsey, president of the Southwestern Division of Pioneer.

"We hope the announcement of these scholarships emphasizes how strongly Pioneer believes in the job being done by the FFA and 4-H organizations of Texas, Oklahoma and New Mexico," Lindsey said. "We regard the FFA and 4-H as two of the finest youth organizations in the world."

"When Pioneer was established 56 years ago, one of the founding principles was to provide a better life for farmers and their families. Through the years, better hybrids and varieties, combined with sound improvements in crop management, have kept this principle intact."

"Today, these scholarships allow us to go one step further. Not only will they help relieve some of the financial burden from farm families who have a son or daughter attending college, they will also help insure a better life for future farm generations," Lindsey concluded.

Each year, one FFA and one 4-H member in Texas, Oklahoma and New Mexico will be awarded a scholarship from Pioneer. To qualify for the Pioneer scholarship, the applicant must be a graduating senior in the upper 25 percent of his or her class.

They must also be planning to pursue a degree in agriculture, home economics, or a related field at an accredited college or university in the state where the scholarship is awarded.

Selection of the scholarship winners will be made by the respective FFA or 4-H scholarship committees in each state.

The criteria they will use to select the scholarship recipient will include accomplishments while in FFA or 4-H, scholastic ability, financial need, leadership ability and citizenship.

The winners of the scholarships will be awarded \$1,000 annually for four years provided they remain enrolled in an approved college and maintain a 2.0 or higher grade point average on a 4.0 grade scale. Students may apply for the scholarship through their local FFA chapter or 4-H club.

One evidence of maturity is the failure of an individual to blame someone else for his troubles.

In this day and generation there's so much information that one finds it difficult to select what to believe.

Wisdom is the art of listening to the soft voice of truth rather than to the incessant babble of selfishness, ignorance and superstition.

The residence of Dr. R.L. Kleeberger located at 905 Barkley, Spearman, Texas will be sold October 28, 1982. Sale of the property will be by sealed bid. Anyone interested in bidding on this property should pick up a bid information sheet at the office of John L. Hutchison, 306 Main Street, Spearman, Texas 79081.

Buy a new Case farm tractor... choose special Case

# 8.8%

A.P.R.

## financing for up to 48 months

You have the option of choosing 8.8% A.P.R. financing with any of our new Case 90 series farm tractors purchased between September 1 and October 31, 1982. Purchase must be financed through J I Case Credit Corporation.

**OR** special waiver of finance charges

Instead of 8.8% A.P.R. financing, you can choose a waiver-of-finance-charges option. Under this plan, if you buy any of our new Case farm tractors, finance charges will be waived from date of purchase until June 1, 1983. Purchase must be financed through J I Case Credit Corporation.

**OR** special super rebates up to \$9400 for cash purchases

If you choose this rebate no-financing option with the purchase of any of our new Case farm tractors, Case will send you a check for the dollar amount opposite the Case model you buy. Rebate may be applied toward your purchase price. NOTE: Government Agencies Departments do not qualify for rebates.

WTSU offers program for talented students

WTSU--West Texas State University will offer a program for gifted and talented Texas panhandle students who show talent in an academic area and who have been recognized as gifted and talented by the school district.

Mary Jane Reeves of the WTSU College of Education is coordinating the program. She has been with the Canyon Independent School District for 12 years and has worked with gifted and talented children for the past two years.

The Rockwell Fund, Inc., a Houston-based lumber company, has contributed \$12,500 to support the program. The fund also has contributed to other education programs at WTSU such as the Learning

Center and the College of Education's scholarship fund.

"Many students are under-achievers. They can make As without any effort and this program can provide a special enrichment for them," said Reeves.

Three six-week programs for students will be divided into four categories, 1 through 3, 4 through 6, 7 through 9, and 10 through 12 grades. The first session will begin this fall semester and the other two will be in the spring semester. The program will be given each Saturday during the six weeks.

University programs offering courses will be the School of Agriculture, with a horseback riding class, the Department of Art, School of Business and

others, said Reeves.

Parents bringing children from area communities also have activities scheduled for them, said Reeves.

They may attend lectures dealing with problems parents may face with gifted children, tours of campus, and lectures given by WTSU staff members.

Students in public and private schools may attend.

A similar program was hosted by WTSU for 13 days in July 1981 and during the past summer. The students experienced educational activities with local and internationally-recognized guest speakers.

WTSU attracted 60 students in fourth through sixth grades, 40 parents and almost 300 teachers.

For more information about this years program, contact Mary Jane Reeves at the College of Education at WTSU.

A tired business man can get unusually spry when its time to play.

Farm Picture Bleak But Hope Remains

COLLEGE STATION--Texas farmers are suffering from a siege of economic setbacks that are the most serious since the depression of the '30s. But despite the catastrophic situation, there is some glimmer of hope as farmers forge ahead and plan for 1983.

"Both weather and the marketplace have devastated the hopes of many producers this year," said Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "It's been a year filled with widespread crop losses due to hail, wind, floods and drought, and now at harvest time, huge stockpiles of most crops coupled with a sagging demand are driving prices below production costs."

And delinquent loans are running rampant, with almost half of the 25,000 Texas farmers with Farmers Home Administration loans behind in their payments. To make matters worse, most have nowhere else to turn for financial backing, said Anderson.

Many farm prices have been driven through the floor by huge crops the past two years, noted the economist. During the first half of 1982, prices for cotton, cottonseed, rice and hay dropped more than 30 percent below the same period last year and grain sorghum averaged about 20 percent less.

Texas livestock producers are faring a little better than crop growers. Hog prices are up 21 percent and beef cattle prices are holding even compared to the first half of 1981 while milk prices are off slightly. Prices for calves, sheep, turkeys and eggs are averaging 5 to 10 percent less while wool prices are off 20 percent.

Along with poor prices, farmers continue to face high interest rates when compared to returns to investments generated from their operations, and high exchange rates have destroyed growth in the export market, Anderson said.

With this overall dismal situation, how can there be hope for farmers?

"Economic health can return from either lower supplies or increased demand that will boost market prices or through

more favorably farm program prices," said Anderson.

"Either adjustment may take up to three years to develop fully."

"Currently, Texas farmers are looking to Commodity Credit Corporation loan rates, farmer-held reserve loan rates and target prices as their main hope for surviving the most severe financial pressure in half a century," he said.

"Unfortunately, earlier this year many of them did not recognize the benefits of support prices and the looming financial dangers."

According to Anderson, failure of more than half of the sorghum farmers to take part in the farm program has caused grain prices to fall sharply below the CCC loan rate. This resulted because nonparticipants were ineligible to put their grain into the loan program and thus had to dump large amounts on the open market, driving prices down.

Now farmers must look ahead to the 1983 farm program. Specifics of the program are being developed, said Anderson, and should be available soon for planning next year's crops.

However, farmers can use expected target prices and loan rates for various crops in their early planning. Expected target prices are \$4.30 per bu. for wheat, \$2.86 per bu. for corn, \$4.91 per cwt. for grain sorghum, 76 cents a lb. for cotton and \$11.40 per cwt. for rice. Regular CCC loan rates will be close to \$3.65 per bu. for wheat, \$2.65 per bu. for corn, \$4.50 per cwt. for grain sorghum, 55 cents per lb. for cotton and \$8.55 per cwt. for rice. Anticipated farmer-held reserve loan rates are \$4 per bu. for wheat, \$2.90 per bu. for corn, and \$4.91 per cwt. for grain sorghum. There is no reserve loan for cotton and rice.

Using these anticipated figures, maximum deficiency payments (difference between target price and CCC loan rate) that farmers could expect are 65 cents per bu. for wheat, 21 cents per bu. for corn, 41 cents per cwt. for grain sorghum, 21

cents a lb. for cotton and \$2.85 per cwt. for rice.

"Since reduced production will be a major goal of next year's farm program, it will likely call for laying out 15 to 25 percent of the base acreage for each eligible crop," said Anderson. "Farmers should take this into consideration as they begin land preparation and fertilizer and herbicide applications for next year's crops."

1983 farm income could improve some with increased participation in the farm program since reduced production would help the supply situation

and allow loan rates to be more effective in setting price floors. On the demand side, lower interest rates should give a boost to the marketplace. And an improved economic climate could spur the demand for farm products, said the economist.

Meanwhile, farmers will be looking at controlling or minimizing operating expenses, evaluating alternative crops for highest returns while taking as little price risk as possible, foregoing capital purchases and taking a hard look at full participation in the government farm program, Anderson said.

Auto theft led the property crime categories, increasing by 9.6 percent when compared to the first six months of 1981. Larceny-theft offenses were up 5.5 percent and burglary cases rose 2.5 percent.

Property losses attributable to major index crime in the first half of 1982 totaled \$446.1 million. In addition, Texas authorities investigated 4,065 arson cases during the period which resulted in estimated losses of \$44.1 million.

Statewide reported arrests for the first six months of this year totaled 440,945, a 7.5 percent increase compared to the same 1981 period. Reported arrests for driving while intoxicated were up 6.5 percent for the first half of 1982, totaling 48,423.

Two police officers were killed in the line of duty by criminal action in the first six months of this year. Four other officers died as a result of duty-related accidents. A total of 1,805 officers were assaulted in the line of duty.

The state crime statistics are based on reports submitted by 749 law enforcement agencies representing nearly 100 percent of the state population.

Texas crime rate up 1.3%

AUSTIN--The Texas crime rate for the first half of 1982 was up 1.3 percent compared to the same period last year, according to DPS Director Jim Adams.

Statistics gathered by the DPS Uniform Crime Reporting Bureau showed there were 3,083.1 major crimes reported for each hundred thousand of population in the first six months of 1982. The rate for the comparable 1981 period was 3,044.6 crimes per hundred thousand population.

"After three years of crime rate increases in Texas, we saw the rate decline a little last year. Although the rate is up slightly for the first half of 1982, this would indicate a continuation of the stabilizing trend seen last year," Colonel Adams said. "I would agree with Attorney General William Smith's recent comment that increased law enforcement professionalism is partly responsible for this trend. It's my feeling that citizen involvement in crime prevention is also a factor."

"A total of 454,907 major criminal offenses were reported by Texas law enforcement agencies from January through June of this year," Adams pointed out. "For the same period last year, the number of crimes totaled 431,409. This 5.4 percent increase in actual crimes is fairly consistent with the 4.1 percent increase in population projected for this period."

Three of the four violent crime categories posted in-

# WTSU Cheerleaders

WTSU--Cheerleaders at West Texas State University for the 1982-83 academic year are front row, Jeanna Aldridge, a junior majoring in agricultural business and economics from Slaton; Kelley Shaw, freshman from Amarillo, who is the buffalo mascot; Cindy Steele,

sophomore from Amarillo; and back row from left, Ben Urbanczyk, sophomore physical education major, Panhandle; Belinda Simmons, sophomore nursing major from Lubbock; Lorn Cristal, senior

industrial technology major from Amarillo; Rick Sanders, sophomore mathematics major from Dumas; Sharon Epps, freshman from Plano; and Mike Bodey, a senior physical education major from Spearman. [WTSU Photo by Andy Hester].

## WTSU Receives 6th Harrington Grant

WTSU--A sixth grant of \$200,000 to the Don and Sybil Harrington Honor Scholars program at West Texas State University has extended the availability of the scholarships to students through their fourth year at WTSU.

The most recent grant from the Don and Sybil Harrington Foundation of Amarillo has boosted the total endowment for the honor scholarship fund to \$1.2 million.

For the 1982-83 academic year, the largest group of Don and Sybil Harrington Honor Scholars since the program began in 1978 as the President's Honor Scholars program, has received \$200 scholarships which are renewable through their third year of study. Almost 400 beginning freshman students have received the scholarships this year.

The initial grant in October of 1979 was intended by the

administrators of the Don and Sybil Harrington Foundation to create a permanent endowment fund for academic merit scholarships, known as the Don and Sybil Harrington Honor Scholarships.

Grants each of \$200,000 were awarded to WTSU by the foundation in October of 1979, June 1980, May 1981, October 1981 and May 1982.

Scholarship amounts have grown from \$100 to \$200 each and students are eligible to receive the scholarships for four years if they maintain a 3.0 grade point average on a 4.0 scale beginning with the 1983-84 academic year. The availability of the scholarship through the third year of study became possible with the 1982-83 academic year.

During the past three years, 902 students have been designated as Don and Sybil Harrington

Honor Scholars as freshman students. To be eligible to receive the scholarships, freshman students must have been members of high school National Honor Society chapters.

"All of us at West Texas State are most grateful to Mrs. Sybil Harrington, to Mr. Richard Palmer, vice president, and to members of the Harrington Foundation board for their continued interest in West Texas State University, their confidence in our curricular programs and their willingness to support academically-qualified students in pursuit of baccalaureate degrees," said Dr. Gail Shannon, WTSU president.

"The Don and Sybil Harrington Honor Scholarship enables students to waive out-of-state tuition.

PRESENTATION BEGINS--Sr. Cheerleader Lana Paul and Senior Billy Pat Underwood present Queen Lea Ann Gibner with her flowers and her crown is given to King

Charlie Salgado so he can crown Queen Lea Ann and bestow the traditional Homecoming Kiss.
