

4-H's 75th Anniversary observed in Austin

The Texas 4-H program is celebrating its 75th anniversary this year, and the initial celebration was kicked off at the State Capitol in Austin, February 16.

Between 300 and 400 4-H Club members and their volunteer adult leaders took part in special ceremonies in the Senate and House relating to the introduction of a resolution commemorating the 75th anniversary of 4-H.

Following the ceremonies, 4-H members and dignitaries of state government observed the planting of a ceremonial pecan tree on the capitol grounds near the north entrance to the building. Besides being the state tree, the pecan also is a symbol of the vitality and longevity of the 4-H program, says Karen Harruff and Jim Smith, County Agents with the Texas Agricultural Extension Service, Texas A&M University System.

Other special anniversary programs are planned in conjunction with the Texas 4-H Roundup at Texas A&M

University, June 7-8; the Texas 4-H Congress in Austin, July 19-22; and at many district and county activities through the remainder of 1983.

The first pre-4-H youth club in Texas was organized in Jack County 75 years ago, notes Jim Smith.

In 1908, the late Tom Marks, a part-time newspaperman in Jack County who also worked as an agent of the federal government in a position which corresponded to that of today's county Extension agent-agriculture, organized the first "Corn Club" for boys residing in his county. He enrolled 25 boys and demonstrated to them the best practices in corn production then known.

Each Corn Club youth also was required to exhibit the corn he produced, with judging to be done on the basis of yield, profit, a story about the youth's corn demonstration project, and the exhibit itself.

Marks earlier had attempted to involve a number of the Jack

County farmers in producing the most recently-released varieties of hybrid corn and had scheduled a corn show to demonstrate the results, but was disappointed when only a few adults took part in the educational effort.

As he reviewed what had happened, Marks decided that if he could not "teach old dogs new tricks," he would start with the pups' and thus began work with county youth through the Corn Clubs. He taught a number of farm boys corn production practices, and they followed up by exhibiting their results in Jack County.

The success of Marks' venture there triggered similar educational efforts in other counties and at the Texas State Fair in 1910 in Dallas. A feature of the first statewide rally for Corn Club boys at the Fair was a parade of 1,500 boys through the downtown section of Dallas, with each youth carrying a stalk of corn.

The present 4-H Club program in Texas is an outgrowth of these early Corn Clubs for

boys, and Tomato Clubs for girls, which were organized in 1912 in Milam County by Mrs. Edna W. Trigg, whose position corresponded to today's County Extension agent-home economics. Each Tomato Club member grew one-tenth acre of tomatoes.

Today's 4-H Club program encompasses a wide variety of educational programs and activities, which were undreamed of before the present Texas Agricultural Extension Service was organized. On May 8, 1914, the U.S. Congress passed the Smith-Lever Act, which provided for establishment of a Cooperative Extension Service as part of the land-grant university system in each state, Karen Harruff points out.

The Texas Legislature accepted provisions of the Smith-Lever Act on January 29, 1915, and the Texas Agricultural Extension Service came into being. The 4-H program is the youth phase of Extension educational activities. Presently, some 187,000 young Texans are involved in 4-H work.

FFA SWEETHEART PRESENTS-The FFA 1982-83 Sweetheart, JoAnne Odegaard, Sophomore, presents Kevin Slaton his trophy for the Reserve Cham-

pion Lamb at the recently held FFA Practice Show at the County Barn here in Spearman.

Georgia Holt services

Georgia Holt

Georgia M. Holt, 58, died Monday in Hansford Hospital following a lengthy illness.

Graveside services were held at 2 p.m. Wednesday in Holt Cemetery with Mark Tidwell of Canyon, and Skip Crabtree, of Stinnett Church of Christ, officiating.

Boxwell Brothers Funeral Home was in charge of arrangements.

Mrs. Holt was born in Greer County, Okla. She had lived in Hutchinson County since 1930.

She was a charter member and past president of the Holt Extension Homemakers Club, and a member and past president of Women Involved in Farm Economics.

She was a director of the state board of Water, Inc., and was Hutchinson County Home Extension Homemakers club Woman of the Year in 1982.

Mrs. Holt was an accomplished artist and a member of the Arts and Crafts Guild.

She was active in 4-H work and instrumental in securing the building for the Hansford County Library.

She married Nolan C. Holt in 1942 in Spearman.

Survivors include her husband; a son, Larry Holt of Spearman; a daughter, Linda Jarvis of Spearman; and seven grandchildren.

The family requests memorials be made to the Holt Cemetery, Route 1, P.O. Box 42-B, Spearman, Tx. 79081.

Lynx band gets

"Superior" rating

DAVID SORGI--SOPHOMORE SUPERIOR RATING

JEFF GRESSETT--SOPHOMORE EXCELLENT RATING

on the WISU Campus. The band was entered as a "Wind Percussion Choir" and performed Chester G. Osbourne's "Connemara Sketches". The wind ensemble was judged by Alan Shinn of Texas Tech, who had very favorable comments about the band, awarding it a ONE, which is First Division meaning SUPERIOR. Two soloists earned Superior and Excellent Ratings on Solos at the event. David Sorgi was rated as "Superior" on his First Class Snare Drum Solo, "Apex" by Harry Marvin, Jr., and Jeff Gressett was awarded an Excellent Rating for his Tenor Saxophone Solo "Pastorale and Bourree" by Edward German. Jeff was accompanied at the piano by Mrs. Cheryl Meek.

David's Superior Rating qualifies him for the State UIL Solo and Ensemble Contest which will be held May 28 and 30, 1983 in Austin on the University of Texas Campus. The Band is now in diligent preparation for the Concert and Sight-Reading Contest which will be held at Panhandle on March 29.

A clinic is being prepared to aid in the band's contest presentation.

GRAND CHAMPION DUROC--Byron Sutterfield displays his Grand Champion

Duroc at the recently held Spearman FFA Practice Show at the County Barn.

Sarpalius aide speaks to Rotarians

At the Rotary Club meeting Feb. 21, Henry Honea, aide to Bill Sarpalius spoke on the upcoming legislation in the Texas legislature. Last week, Bob Davis, aide to Congressman Hightower again spoke to the club concerning legislation in the U.S. Congress. He spoke of the new appointments of the Senator and his concern for the constituents in this Congressional district with agriculture, oil, gas and defense. His new sub-committee assignments will be important in all of these areas.

On Feb. 28, through the cooperation of the First State Bank of Spearman, the program will be on the modern aspects of finance and the economy.

Spearman membership as of Feb. 1 is 17 members with district attendance at 89.77%. Officers of the local club are Mike Schnell, president; Steve Rogers, vice-president; Jack McWhirter, secretary-treasurer; Robert Elliot, immediate past president; Jim Benson, director of club service; Larry Trospen, director vocational service; John Hutchison, director international service; Allen Alford, director community service; Jim Benson, club bulletin editor and Larry Trospen, program chairman.

There is NO rapist on the loose in Spearman or Hansford County!

That was a positive assurance from Hansford County Sheriff R.L. McFarlin, Monday.

"An officer's worst problems are family fights, dogs and RUMORS!" Sheriff McFarlin said. "We had an incident 'way back in December that is still classified as an assault."

"From this incident, rumor swept like wildfire and law enforcement gets criticized for doing nothing about it. The true fact is that we do check out even rumors to be on the certain side. The City Police Department does so, too."

So, Spearman women need not live in fear or dread because of this particular rumor about a rapist.

"Of course," McFarlin added, "We have always urged our folks to take sensible precautions at all times. They should continue to do this at all times."

"One more thing: if a woman -- or a man -- hears or sees something suspicious, officers should be notified. If it turns out to be nothing, this is NOT considered a rumor. We consider this playing it safe."

"Rumor is irresponsible repetition of hearsay without supporting facts. Some rumor mongers do not stop to think a rumor used as criticism of the 'system' might also cause a neighbor unnecessary fright."

We questioned Sheriff McFarlin about a rumor that persists: that there is a rash of burglaries and break-ins and "the Law" is doing nothing about it.

"As of this conversation, every burglary out in the county has either been solved with the culprit behind bars or is being pushed to that point," McFarlin explained. "We have had no reported burglary that has not been investigated and 'worked' to a conclusion and I understand the city officers are just as diligent."

He pointed out that burglars do not leave a calling card nor sprinkle a trail. It takes time to strike a trail and it is this quiet time of hard, unglamorous investigation that leaves a critic here and there to say nothing is being done.

Blood drive exceeds quota

Thanks to all the people of Hansford County for their support in our recent blood drive, we netted 106 pints.

We have a large number of people in our County that have used blood and this will help to replace some of it.

Your support will be appreciated in the future.

Thanks again
Edith Smith BPC
for Hansford County

GRAND CHAMPION LAMB--Deana Turner is shown with her Grand Champion Lamb.

Linden Woodwind Quintet in Borger concert Sunday

THE LINDEN WOODWIND QUINTET

The Community Concert Association will present the Linden Woodwind Quintet in concert Sunday, February 27 at 3 p.m. in the Borger High School Auditorium.

Members of the Linden Quintet are Melanie Hudson-Flute, Mitchell Krieger-Clarinet, William Meredith-Oboe, Wendy Large-Bassoon and Richard Hein-Horn.

The Linden Quintet, a virtuoso ensemble formed in 1976, is setting a new standard in the performance of quintet literature. The group has been widely acclaimed in the music world for lively and tasteful transcriptions of an extraordinary range of music from Bach to current popular songs. Gaining both critical praise and audience appreciation for quality, enthusiasm and invention, the Linden Quintet for the first time provides a woodwind repertoire of the music people want to hear.

Melanie Hudson, flutist, received her Master of Music Degree from the Manhattan School of Music. Her flute studies have been with John Wummer, Andrew Lolya, and Tom Nyfenger. In 1969 Mel-

anie performed as soloist with the Boston Pops Orchestra. Having been a member of the National Orchestral Association for three years, Melanie plays with the Goldovsky Grand Opera Theatre, Musica Aeterna, Queens Symphony, and the New York State Sinfonietta.

Having made his first solo appearance with the Kansas City Philharmonic at the age of thirteen, William Meredith, oboe, proceeded to the Manhattan School of Music where he studied with Harold Gombert. Professional experience includes the Westchester Symphony, Virginia Opera Company, New Jersey Symphony, Bergen County Opera and Caramoor Festival.

Mitchell Krieger, clarinet, is a graduate of the Manhattan School of Music where his professional studies were with Charles Russo. Mitch's professional experience includes playing with the Grand Opera of New York, the New York Choral Society, the Chamber Music Society of Lincoln Center, the Clarion Concerts Orchestra, the Mostly Mozart Orchestra, the Pennsylvania Ballet, the Stut-

gart Ballet, the Netherlands Ballet, and the New York City Opera, as well as recordings for Columbia, DGG, Vanguard, and CRI.

Richard Hein, horn, was born in Seattle, Washington. He has studied with Richard C. Moore, Philip Farkas and Carmine Caruso, and received his Bachelor of Music from the Manhattan School of Music. He has played with the Baltimore Symphony, the New Jersey Symphony, the Seattle Symphony, the Chamber Orchestra of New England, the Brooklyn Philharmonic and the Eastern Opera Company. Richard has recorded with Grenadilla and EMI and is currently on the faculty of Brooklyn College.

Wendy Large, bassoon, holds both a Bachelor and Master Degree in Music from the Eastman School of Music. While at Eastman, Wendy studied with K. David Van Hoesan and subsequently she has continued her bassoon studies with Harold Goltzer. As a player, Wendy has had extensive experience. Her credentials include one season with the American Wind Symphony, two summers at the Tanglewood Festival, and two summers at the Waterloo Festival in her home state of New Jersey. Professional credentials include the Savannah Symphony, the New Jersey Opera Company, the Garden State Opera Company, and the New Philharmonic of Northeast New Jersey.

Every one of us should make it a mental duty every year to study some new subject. Brains never develop without study.

Weasel gets workout...

HOSPITAL

Patients in Hansford Hospital are Reba Bennett, Lera Langston, James Haskin, Michael Coomer, Jamie Sutton, JoAnn Tingle, Candi De Lozier, Linda Jimenez, Clifford George, Vinnie Close, Oneida Steward and Cora Smith.

Dismissed were Minnie Jones, Jessie Burke, Charles Martin, Ike Richeson and Diane Buckner and son.

At one time or another, just about everyone has seen predominantly red cracker-box-on-crawlers bearing the legend of the Hansford County Sheriff's Department, but...

Few know its official designation is "The Weasel." Usually it is seen sitting still in its parking place at the courthouse for when the Weasel is in action, most folks are not.

During the recent severe

snow storm, it took patients to the hospital, carried vital hospital employees to and from work generally did yeoman's service where no other vehicle could go.

It was mad by Bultaco, a company known worldwide for its motorcycles but little known as "a breeder" of Weasels.

The front section of the interior is devoted to the motor and drive equipment and

seating for the driver who operates it. The rear section is devoted to seating as many passengers as possible as comfortably as possible under the circumstances that set the Weasel in motion.

Evidently, commissioners feel the "wee beastie" has earned its upkeep because it took them no time at all to authorize some new rollers in the crawlers.

As one resident noted, if another flake of snow never falls... it is still a comfort to see it setting there.

We're the First Place you call.

Get The First Place Advantage

What's The First Place Advantage?

It means you've got more people, with more financial know-how, working for you. You get the advantage of straight forward advice, with honest answers, when you need money to finance your business. You get quick response when you want help with an investment.

What's The Difference Between First Place And Any Other Place?

There are some big differences, like our excellent roomy facilities, designed to give you a warm, comfortable place to bank. Like our convenient location, with easy access from any part of the area. Like the talented, friendly people who take care of your business and make you feel like a "First Place Friend."

The Bigger We Are, The More We Can Do.

A big advantage is our size. We're big enough to give you specialists when you need them. First Place has a wire transfer department to move money thousands of miles instantly. There's a real estate loan area making interim construction loans. A trust department to help with estate planning. We can write letters of credit, make inventory and accounts receivable loans. The larger we've grown, the more you get for your money.

Take Advantage of Us.

See for yourself what we mean. Take advantage of us — every one of the sixty people who open First Place for you each morning. We want your business. We'll work for you, and give the financial help you want. Call or come see us today.

When You Want the Advantage, Call Us First.

Smooth out your electric bill with the AVERAGE BILLING PLAN

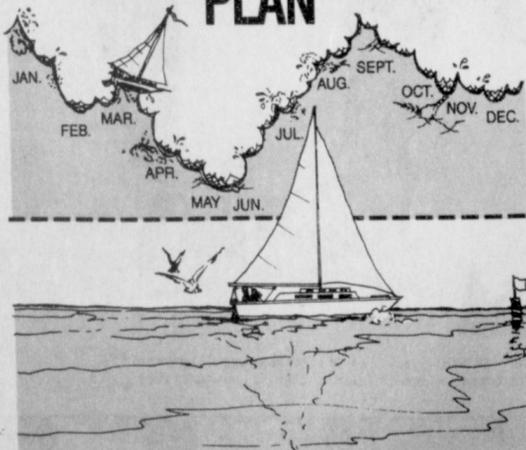

Chart a course for easier budget planning around your house. Sign up today for the Average Billing Plan. Some months you use a lot more electricity than other months... so bills for the high use months are naturally higher... low use months the bills are lower. With the Average Billing Plan you can know approximately the amount your bill will be every month. So take the big surprises out of budget planning with the Average Billing Plan. For more information call or visit our office.

Here's how it works:

FIRST MONTH			*15% of accumulated difference is added when prior to the current bill, the calculated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.
MOST RECENT 12 MONTHS ACTUAL USE	AVERAGE +12= BILLING AMOUNT		
EACH MONTH THEREAFTER			
MOST RECENT 12 MONTHS ACTUAL USE	15% OF +12+ ACCUMULATED DIFFERENCE*	AVERAGE BILLING AMOUNT

Tax office bikinis out

Employees of the county tax collector-assessor's office were complaining of heat from the courthouse boiler room just below them, unrelieved by their air conditioners just a few weeks ago while, conversely, inhabitants of the top floor complained of a lack of heat in winter.

Commissioners jokingly suggested bikinis in summer and mink in winter while making a serious study seeking a remedy. Experimental

action was authorized and now it seems a few inches of insulation resembling a sheepskin stuck up to dry, has become a cure.

Of course, it will be summer before Helen Dry's staff can tell a marked difference but those who work on the top floor have been opening windows to "tap off" some of the heat easily reaching their area. It will take all the seasons of a complete year to adequately determine the full impact of the remedy undertaken but

some more of this type insulation is being considered.

By the same token, it will take about the same period to evaluate energy savings by use of the insulation.

Queried about costs, one county commissioner -- who wished to remain anonymous for obvious reasons -- commented:

"At this point bikinis would have been less expensive and a more interesting experiment!"

YMCA Racquetball Court Rules

POLICY ON USAGE

1. YMCA members may play for \$2.00 per hour court fee. Fitness Center members play free.

2. Hours are from 8:15 a.m. Monday-Friday and each quarter hour, closing at 9:15 p.m. Saturdays court opens at 12:15 and each quarter hour, closing at 6:15 p.m. Sundays court opens at 1:15 and each quarter hour, closing at 5:15 p.m.

3. Reservations are necessary. Please call the YMCA 659-2591. CALL IF YOU HAVE TO CANCEL. Especially during the afternoons and evenings it is important to call if you cannot play since others are usually on a waiting list.

4. You will have until half past the hour to claim the court. If you do not claim the court, someone else may play the remaining 45 minutes.

5. Reservations for the court end at the quarter hour. If there are no reservations for the next hour, you may contract to use the court by paying for another hour.

6. If you bring a guest, who is not a member, they must pay the daily non-member fee, plus the court cost to play racquet ball. (\$1 youth-\$2.50 adults non-member fee.)

7. Black soled shoes are prohibited. Tennis shoes only on the court.

ABBREVIATED RACQUETBALL RULES

1. Service is from the box on the court. Opponent must stand at least five feet behind the back line to receive volley.

2. The ball must hit the front wall first on the serve and go beyond the back line.

3. The ball can hit the floor only once in a serve (if ball hits the floor more than once it is a point or on other volleys a fault on the server.)

4. The server has two opportunities to put the ball in play.

5. On the second fault by the server, the side out is called.

6. On side out the opponent takes over serving the ball.

7. Server continues until two faults (or as long as points are scored.)

8. Double fault (side out) is on the serve, when the ball hits the front wall, sidewall or the ceiling, before the ball hits the front wall.

9. Single fault when the ball hits three walls (including ceiling) before hitting the floor.

10. Game is 21 (by two.)

February's Sky

At the end of this month, at eight p.m., one can see several major planets shining brilliantly in the winter sky. Deneb is in the north, Regulus (part of Leo) is in the east. Addebaran is overhead, slightly to the west.

Capella is also overhead, slightly to the north and Pollux is overhead. Sirius is halfway from overhead to the south and Betelgeuse is almost directly overhead, slightly south. Locate the North Star as a guide--it's in the Little Dipper (ursa Minor), halfway to the north from overhead.

It's not a first magnitude star like the others, but always visible in this hemisphere. The only other first magnitude stars in the late February sky are Rigel, southwest of Betelgeuse (in Orion) and Procyon, just east of Betelgeuse.

Jobathons

Media colleagues in radio and television, beginning last summer in Iowa, have begun airing programs designed to find jobs for the unemployed.

President Reagan has recorded a message for use on such programs as the trend sweeps the country; he spoke live on one of the earlier programs.

Some of these programs have found jobs for hundreds with one broadcast. One format is to give job seekers thirty seconds to describe their skills. Employers can telephone the station--and do.

Newspaper want ads are the best source for finding jobs and qualified people.

Ireland: ransom asked for most famous racehorse.

Dear Editor

Dear Editor:
Tax called by any other name is still a tax.

An increase in state fees is an increase in state taxes.

Both increases have the same result: more money for the government and less money for the taxpayer.

In a recent news article Lieutenant Governor Hobby was quoted saying "The new buzz word is 'user fees'. It used to be 'revenue enhancement' - anything but 'tax'. What difference does it make? It's dollars and we need dollars very badly."

Taxpayers also "need dollars very badly" and we think the buzz word should be "cut spending" rather than "user fees" and "tax". All Texas Taxpayers better get prepared for more state taxes. When our elected officials start disguising their actions we've had it! Don't be fooled. Those people are going to raise our tax bills unless we taxpayers tell them NOW we won't stand for it.

Yours very truly,
Waggoner Carr
President

WC/pa

Israel: Sharon resigns as Defense Minister.

New officers of the county judges' organization are R. L. McClellan (Hansford), Jack Powell (Moore), and Glen Nelson (Deaf Smith)

Dan Rostenkowski, Congressman, (D-Ill):
"The staggering dimensions of unemployment, Social Security and the deficit demand that we give a wondering nation some hard answers this spring..."

No two people ever thought alike, and it takes some individuals a lifetime to find that out.

Ariel Sharon, former Defense Minister of Israel after he resigned:
"There was a reshuffle of portfolios, and that's the end of the problem."

Church services are still being held every Sunday--just like they were when you were taught to go regularly.

Brent Scowcroft, head of the Commission on Strategic Forces:
"I'm hopeful the commission will reach a consensus, but I am not at the point of saying whether that will be possible."

In our opinion, enjoying the beauties of life, and living and helping others, bring genuine happiness.

Has your health insurance premium SKY ROCKETED recently?

We have a Million Dollar Major Medical plan that pays both DOCTOR and HOSPITAL!!!

16 SW Court 659-3888 Spearman

Fit or fat?

Do you have an ugly, extra five or ten pounds of fat hanging around on your "bod" somewhere conspicuous? Do you get out of breath stepping up on curbs or pushing a grocery cart loaded with "goodies"? If so, you need to call or go by the Y.M.C.A. immediately and sign up for the next aerobic exercise session. It begins on Tuesday, March 1st. Firm up that flab and (along with a sensible diet) lose those unwanted pounds by exercising. You will become more graceful, have a clearer complexion, and much more energy.

If you have ever gone on a very low calorie diet and then when you resumed eating normally, the pounds seemed to jump right back on you, it was because you had not re-set your "set point". This is the mechanism your body has which causes it to desperately try to recover every ounce of the fat you lost. The only way it can be re-set or lowered is through exercising regularly.

Summer (along with shorts, sun dresses, and bathing suits) will be here before you know it. Be ready for it. If you have doubts about whether or not you would like the class, come visit one time free and see that it is a fun, non-boring way to exercise.

Classes are taught by Wanda Archer and are held Tuesday and Thursday nights from 6:30 - 7:30 and Saturday mornings from 9:00 - 10:00.

There has been some interest expressed in a men's or coed aerobic exercise class. If enough people want to have one of these classes, the "Y" will consider offering it. Call the "Y" if you are interested. It would probably be Tuesday and Thursday nights 7:30 - 8:00 or 8:15.

1 FREE IN 10 PROGRAM

Asgrow Grain Sorghum Hybrids

For every 10 bags of grain sorghum seed purchased and planted, you pay for only 9. That's a... 10% savings on each ten bag purchase!

TIME FOR A FINANCIAL CONTINGENCY DAY

This time of the year most of us are busy getting our financial records together for income taxes. This creates an ideal time to hold a financial contingency day. During financial contingency day, you review all household financial matters, update needed information and set goals for the coming year. The primary reason for holding this annual financial round-up is to gather all the information that would be needed if a death or accident should occur during the year. So annual contingency day can save work and heartache in the event of a family crisis situation.

Use this check-list in planning the agenda items for your contingency day meeting with family members.

1. Review and revise net worth statement.
2. Establish financial goals for the coming year.
3. Revise the household budget.
4. Decide how assets and property should be handled in case of the death of a family member.
5. Check wills to see that they are up to date.
6. Prepare or review a letter of last instruction. This letter informs survivors of matters needing attention.
7. Re-calculate survivors' income and expenses in case of death in the family. Make out a tentative budget for survivors. It is important for survivors to know all sources of income they can depend on.

In a sense, an annual household contingency day is like an annual meeting of a corporation, and should be considered just as important. EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES REGARDLESS OF SOCIO-ECONOMIC LEVEL, COLOR, SEX, RACE, RELIGION, HANDICAPPED OR NATIONAL ORIGIN.

C of C Women's Division meets

The Women's Division of the Chamber of Commerce met February 16, 1983 at 12 noon at the Cattlemen's Restaurant. The meeting was called to order by President Dana Schnell. The minutes were read by Nancy Graves for the January meeting. These were accepted as read. June Sexton gave the treasurer report and also, this was accepted.

In the absence of Karen Haruff, Dana spoke of the nomination for the "Woman of the Year".

The verse "Art of Giving" was read by Dana before turning the program over to guest Jackie Pearson. Jackie went over highlights of the work to be done for the Miss Hansford Pageant. This pageant will be Friday May 27, 1983 before the Saturday Parade and Celebration.

The meeting of 16 members included a new member, Helen Melton, who we welcomed. Dana Schnell adjourned the meeting.

You are cordially invited to a

Our Heritage of Faith

Sunday School is at 9:45 a.m., and worship is at 10:45 a.m. The sermon theme is: GOD CALLING YET - Luke 13:31-35

Evening worship-study is at 6:30 o'clock.

Our arms are open to all who come to worship and study with us.

Bruno Gaskamp, Pastor

"Rainbows & Ranglers"

The Rainbows & Ranglers Square Dance Club of Spearman will have their regular dance on Friday, Feb. 25, rather than Sat., Feb. 26, because of the Jaycee's Snowmobile Ball. It will be at the Y.M.C.A. building at 8:00 p.m. Our own callers will be calling.

At the last dance, a guest caller, Larry Barton, from Pampa, did a fun job of calling. Four squares of dancers had a good time. Guests were: Jack & Juanita Kemper of Spearman, Judy Parsley of Pampa, Sid and Ada Newberry and Chuck and Florene Fletcher, all of Borger.

Keys Collector's Show & Sale set

The Keys Lions Club will sponsor their annual Collector's Show and Sale, March 5 and 6 at the Keys Junior High Auditorium, Keys, Okla. Hours will be from 9 a.m. to 6 p.m. Saturday, and 9 a.m. to 4 p.m. Sunday.

There will be door prizes, refreshments and a guard on duty.

This is an excellent time to buy, sell or trade. For table reservations call 405-546-2941 or 405-546-4681.

There will be a salad supper served at 5 p.m. Saturday in the Keys lunch room.

Everyone is invited to the show and sale.

Mrs. Traylor's collection on display

Mrs. Joe Traylor's collection of chocolate cups and saucers will be on display at Hansford County Library through March.

Mrs. Traylor has been collecting cups and saucers for about 40 years. The exquisite, dainty cups on display come from England, France, Japan, Germany, China, and other countries. There are many colors, designs and shapes. One from China is the rice design. Grains of rice are placed on the cup prior to glazing, and the rice forms the design on the cup.

Mr. & Mrs. Joe Traylor are long-time residents of Spearman.

Students get spring break

Spearman school students will enjoy a spring break March 3 and 4 from classes. This is the last holiday until Easter for local students.

Bridge Club

The Senior Bridge Club met Friday at the Golden Spread Center with Ora Sanders as hostess.

Members attending were Mathilde Entekin, Viola Graves, Alice Lackey, Addie Novak, Emma Seitz, Ruth Baker and two guests, Myrtis Ball and Willie Wallis.

Mathilde Entekin had high score and Myrtis Ball had second high.

Arts & Craft Guild Meets

Mrs. Blanche Fuller was hostess for the Arts & Craft Guild meeting Friday in her home.

Attending were members, Mmes. Garrett Allen, Fred Daily, Fred Hoskins, Deta Blodgett, Joe Traylor and a guest, Mrs. John Berry.

The next meeting will be in the home of Mrs. Fred Hoskins, Feb. 25.

Storytime Friday at Hansford Library

Storytime will be held Friday, Feb. 25 at Hansford Library from 10:30 to 11:00 a.m.

This is the last session for this period, but the storytime for pre-schoolers will start again in 2 weeks.

Six teams are participating in the Women's Volleyball League each Monday night at the Junior High School gym. Teams represent Buster's Dusters, Thriftway, First State Bank, Agco of Spearman, Interstate Savings and Hergert Pontiac GMC. The lineup for Monday, February 28 is 7:45 p.m. First State Bank vs Agco of Spearman; 8:30 p.m. Interstate Savings vs Thriftway; and 9:15 Hergert Pontiac GMC vs Buster's Dusters.

YMCA NEWS

Monday, February 28, at 7:30 p.m. teams wishing to participate in this league for men and women are to be at the high school cafeteria for a clinic. To be eligible to play, you are asked to contact your church representative. The league will be strictly recreational. There will be no spiking the ball, blocking the ball or overhand serve.

League play is scheduled for Mondays, beginning March 7th. Games will be played at the cafeteria at the high school. If you are interested in playing, you may contact: United Methodist, Mollie Holton; First Baptist, Jerry Don Davis; Faith Lutheran, Steve Krug; Church of Christ, Mary Schumann; First Christian, Pamela Foster; Assembly of God; Jimmy VanLandingham; Union, Edith Cage.

The YMCA Board of Directors, at its February meeting, decided to establish, for the YMCA-Church League only, a special rate for participants. If participants hold a current YMCA membership the cost will be nothing, if not a member of the YMCA a charge of \$5 per non-member will be charged.

If you have any questions, please call Jim Benson at the YMCA, 659-2591.

PUBLIC NOTICE

In accordance with the regulations of the Public Utility Commission of Texas, Texas-New Mexico Power Company announces the Company's intent to change rates for its entire Texas operations. The effective date of such change is March 4, 1983. All classes of customers will be affected by said proposed changes. It is estimated that the rate change will produce an increase in gross revenues to the Company of \$13,032,225, or a 4.24% increase over present rates.

A complete copy of the requested rate schedule is on file with the Public Utility Commission of Texas in Austin, and with all cities which have retained original rate jurisdiction served by Texas-New Mexico Power Company. You may inspect a copy of the filing during normal business hours at each business office of Texas-New Mexico Power Company in your area.

STATEMENT OF INTENT TO CHANGE RATES

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective March 18, 1983.

The proposed changes in rates will affect all customer classes and are designed to increase the Company's gross intrastate revenues by approximately 15 percent annually.

A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's Office of each affected Municipality.

Coach Lanier

Larry Lanier, Athletic director at Spearman high school was guest speaker at Lions Club this Tuesday.

Larry spoke on the fine football and basketball season that we have had at Spearman high school thus far this year.

In his speech, he stated that if the trend continues and school enrollment continues to decline that Spearman would probably drop to Class 2A in 1984.

Jim Turner

Jim Turner, new Equity manager, is the newest Lions Club member.

Child Development Class has 'Pre-School Day'

The Child Development Class of Mrs. Daniels at Spearman High School, are having a "pre-school" day a week for a few weeks.

The members in Mrs. Daniels class are Paul Lopez, Makala Weakley, Trenda Nuckles, Cindy Ivey, Moose Brinson, Steven Francis, Julio Vasquez, Eddie Rojas, James Potter, Sondra Younger and Margie Galvan.

The pre-school children were Sammy Renteria, Rebecca Howard, Cody Baskin and Lori Byers.

So both the high school students and the pre-schoolers learn from this experience. How? Well, the high school students how to care for 3 and 4 year olds.

"YOU COLOR THAT SIDE, I'LL DO THIS ONE"-Paul Lopez, SHS Child Development student, seems to be telling his "pupil", Sammy Renteria to color one side of the picture, while he does the other.

In poetry there is always fallacy, and sometimes fiction. -Walter Scott.

RECIPE

By Sarah Anne Sheridan

Rice is very versatile-just use your imagination and you can come up with some new combinations.

Fried Rice & Pork

- 1 1/2 c uncooked regular white rice
salad oil
1 lb. lean pork, cut into thin strips.
1 garlic clove, minced
2 medium onions, chopped
4 green onions, chopped
3 eggs, beaten
soy sauce

Cook rice as label directs. Heat 2 tablespoons salad oil in a large skillet. Saute pork until tender, about 8 to 10 minutes, turning frequently; remove. In same skillet, in 2 tablespoons salad oil, saute garlic, onions and green onions until golden. Add eggs; cook, stirring, until just set, but not dry; remove.

In same skillet, in 2 tablespoons salad oil, toss rice until hot. Add 3 to 4 tablespoons soy sauce, pork, egg mixture; blend well. Serve with soy sauce.

*Makes 6 servings.

JoAnne Odegaard is FFA Sweetheart

JOANNE ODEGAARD
FFA SWEETHEART

The FFA-Future Farmers of America—each year choose a young lady, outstanding in many fields, academically and athletically—to be their FFA Sweetheart. The 1982-83 FFA Sweetheart is JoAnne Odegaard.

JoAnne is the 15 year old daughter of Roger and Elaine Odegaard. JoAnne is very active in the FFA, the FFA-Future Homemakers of America, the Student Council, Sophomore Representative.

JoAnne is also active in the musical group of CELEBRATE. JoAnne is active in the Rodeo Club. She was elected as the Sophomore 1982 Homecoming Attendant. JoAnne is a Sophomore. We extend our congratulations to JoAnne for having been chosen as the 1982-83 FFA Sweetheart!!

Watercolor workshop planned

Local artists will have an opportunity to study with Stefan Kramar in a Watercolor Workshop the week of March 14-18 at Hansford Library. Daily classes will be from 9 to 12 mornings, 1:30 to 4:30 afternoons. There will instruction for beginners as well as advanced artists, demonstrations, and individual assistance and critique.

Kramar is one of America's top professional artists. He has won over fifty national and regional awards and has earned international recognition for his watercolor paintings.

Interested persons should contact Karen Reimer, 407 W. 12th, Spearman, 659-3956 by Feb. 20.

PELICULAS MEXICANAS "El Vuelvo De La Ciguena"

La Pelicula Mexicana para este Domingo, El 27 de Febrero, se llama "El Vuelvo De La Ciguena". Dice en el retrato de la Pelicula, "Este es nuestro Bebe. Juntos lo hicimos mejor!"

Los actores y actrices son Jose Alonso, Pedro Armendariz, Gloria Marin, Guillermo Orea, Fernando Balzaret, y la presentacion estelar de Rosalia Valdes.

La Oficina del Triato Lirico de Spearman se abre en los Domingos para las Peliculas Mexicanas, a la 1:30 para que compren sus boletos. La Pelicula, despues, se comienza a las 2 de la tarde en punto. La Oficina se abre a las 7 de la noche para las Peliculas Americanas. Despues la Pelicula Americana se comienza a las 7:30 de la noche.

Los Adultos—los que tienen 12 a 100 años—pagan \$3.50 cada quien, los jovenes—los que tienen 6 hasta 11 años—pagan \$2.50 cada quien, y los chiquititos—los que tienen 1 mes hasta los que tienen 5 años—pagan nada. Esto es lo que pagan cuando van para las Peliculas Mexicanas en los Domingos y para las Peliculas Americanas todos los Jueves, Viernes, Sabados y Domingos.

Spearman esta sierado todos los Miercoles, porque los trabajadores y los patronos tambien les gusta tener un dia de descanso.

La Pelicula Americana para la semana del 27 de Febrero hasta el primer dia de Marzo se llama "Trail of the Pink Panther". Esta Pelicula es una pelicula para toda la familia. Es de un gato coloriderosa. A muchas gentes, especialmente a los jovenes. Pueden ver para esta Pelicula Americana el Lunes o el Martes, y cada quien en su familia hasta el que tenga 6 años pagan \$2.00 nomas. Pero, esta Pelicula si que va estar buena!!

La Pelicula Mexicana para el Domingo que viene—el 2 de Marzo—se llama "Dias De Combate". Si quieren saber mas de que se va tratar esta Pelicula, este Domingo, el 27 de Febrero, prendan su radio en 98 FM en Spearman, y pongan muy buen cuidado porque el Senor y la Senora Juan y Maria Antonia Avila les van a decir de que se trata la Pelicula que va salir el 2 de Marzo.

FHA Beau is Cole Ivey

COLE IVEY
FHA BEAU

The FFA-Future Homemakers of America—each year choose an SHS outstanding fellow to be the FHA Beau. The 1982-83 FHA Beau is Cole Ivey.

Cole Ivey is the 15 year old son of Jim and Kay Ivey. Cole is very active in activities. He is the Sophomore President. He is in FFA-Future Farmers of America. Cole is active in

the FCA-Fellowship of Christian Athletes. He is a member of the United Methodist Church.

Cole was introduced to all that attended the FHA Sweetheart Banquet.

We extend our congratulations to Cole for being selected as the 1982-83 FHA Beau. Cole is a Sophomore.

SHS Enjoys FHA Week

BY: Teresa Tindell

February 7-12 was National F.H.A.-Future Homemakers of America-Week.

The members of the Spearman High School's FHA chapter were very busy that week with their activities involving this occasion. One of their projects was making and delivering Valentine Cookies for the Golden Age Center. The members then had a Coke Party on Wednesday, February 9.

The highlight of the week came on Saturday night, February 12. The Annual FHA Sweetheart Banquet was held. The FHA Beau, Cole Ivey, was introduced.

This year the Sweetheart Banquet was formal. The theme was "Color My World". The entertainment for the Sweetheart Banquet was by Lea Ann Gibner, Buddy Pool, Greg Meek and Mary Ann Kenney.

The speaker at the Sweetheart Banquet was Judy Nelson. The FHA members had worked really hard and everything was a big success!!

Student Book Fair at Junior high

A student Book Fair will be held at Spearman Junior High, February 28-March 2. The following week, March 7-10, "Back to School Week", another student Book Fair will be held for the students of the Spearman Elementary School. Students will be able to browse and purchase new educational approved paperbacks appropriate for their age and interest level. Books will be on display in the libraries of each school. The Book Fairs will be open during regular school hours. On March 10, the Elementary Book Fair will be opened during "Back to School Night," from 7-9 p.m.

Book Fair will encourage a student's interest in reading and in building home libraries. Reading is a habit and having a home library encourages the development of that habit. Also, books make excellent and inexpensive gifts.

The Book Fair display will include new paperback books, posters, puzzles, records, and talking books from many major publishers ranging in price from 39 cents to \$5.95—wonderful books to read or to give as gifts. All reading interest will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery, and reference books.

Ms. Vickie May, Librarian, Spearman Elementary and Junior High Schools, invites all students, parents and visitors to attend the fairs. A

GTE seeks increased rates

SAN ANGELO--General Telephone Company of the southwest asked the public Utility Commission of Texas today (Feb. 11, 1983) for \$85.5 million in new revenues, almost half of which the company says is due to changes dictated by various governmental actions.

E.L. "Buddy" Langley, President of General Telephone, said the request is being made because earnings have fallen to 9.5 percent from 12.5 percent authorized last year, which was never obtained; interest coverage, critical to the company's bond rating among financial agencies, has fallen to 2.68 and poses a danger of having the company's A-rating downgraded to a BBB; and the dramatic impacts of deregulation of the industry and the restructuring of prices mandated by governmental actions.

"All of these factors require us to either raise rates or cut back our service improvement and modernization program," Langley said. "As distasteful as raising rates is, we prefer this rather than reducing these programs which our customers have told us they expect."

"During the 12 months covered in our filing, we reduced our companywide work force the equivalent of approximately 700 employees in an effort to reduce costs, but we have reached the point we cannot reduce much more without adversely affecting service," he continued.

"As a public utility we do not have the option of curtailing expansion and investment during the periods of recession and high interest rates. We have the obligation to have facilities to meet our customers' needs when they request them. Therefore, we can only proceed with prudent programs and seek permission from the state commission to raise our rates."

"We realize our customers expect quality service and it is our objective to provide it. It is unfortunate that this costs money."

EARNINGS REDUCED
The company president said earnings have been reduced despite stringent budget controls and productivity increases due primarily to the new

investment in Texas. "Our customers and regulators have told the company they expect the most modern telephone system available," he explained. "During the period covered in our filing, we spent over \$321 million in Texas to meet our commitments to improve service and to modernize. Our modernization program is in high gear and we want to continue this momentum. But it is essential that we receive adequate revenues if we are to do so."

Langley said that while inflation has not been as dramatic as in the past, it has continued to drive prices up. "Our cost to build telephone plant continues to be higher than past costs. In September 1981, our investment was \$1.561 per customer line. For a 12 month period, we added 33,385 customer lines at a cost of \$7,918 per line. The effect was to raise our investment \$199 per line from the level that was used in setting the rates we now have in effect."

BOND RATING CRITICAL
The telephone executive pointed out that the company was not able to finance internally the millions of dollars required for the service improvement and modernization program. During the period covered in the filing, the company financed \$150 million in common stock, preferred stock and bonds.

"As we continue our modernization program, we will require a tremendous amount of external financing and our bond rating is extremely critical to our customers as well as to us," he said. "The rating agencies look very closely at our interest coverage and we do not look good in this important category. We need our net income to be at least three times our fixed charges or interest expense."

"During the period covered in our financial information, our interest coverage fell to 2.68 and that trend is still downward," he said.

"We do not have the AAA rating which Texans are hearing so much about these days, but have an A- with the possibility of dropping to BBB if we do not receive the required revenues."

He continued, "Customers may feel a lower rating does

not affect them, but in reality they are affected two ways. First, the interest we have to pay increases with a lower rating and our customers pay the interest. Second, many investors are precluded from investing in companies with lower than an A rating."

Langley said other financial indicators that are reviewed by rating agencies which have been declining are return on common equity, the percent of construction dollars generated by internal funds, and the return on rate base.

DEREGULATION IMPACTS
Deregulation mandated by the FCC is causing changes in rules and policies, methods of operations and the pricing of services, according to Langley.

"One of the most noticeable changes to customers is the continued shifting of prices so that each service becomes cost-based. These changes modify the previous goal of universal service. They also move toward ending the subsidization of local rates by other services which have been deregulated and must become more competitively priced," he explained.

He emphasized that modernization has a substantial effect on the price of service.

"You can't hide depreciation, the method used by businesses to recover invested capital. Our method is somewhat different from other businesses since it is mandated by the FCC in concert with the State Utility Commissions."

"Depreciation rates are prescribed by the FCC every three years and 1983 is the year for rescription of depreciation rates for General Telephone."

"If it were not for the need for modernization, capital recovery and expensing of station connections, our request would be much lower. About 48 percent of our request is for capital recovery and station connection expensing," he said.

SERVICE-MODERNIZATION
"We said we would improve service and we have," Langley stated. "During 1982 we have seen positive evidence of the service improvement program we implemented. We are meeting all of the commission service standards in Texas."

This is not to say we do not still have several areas that give us concern but we have identified our problem areas and have corrective programs in action. That is one reason it is so important that we continue our service improvement program."

During 1982 the company's modernization program included the replacement of 10 offices with the most modern switching equipment available. Plans for 1983 include the addition of 2 offices and the replacement of 13 offices, all with electronic switching equipment. By the end of 1984, 19 additional offices will be serving customers with electronic switching, making this type of service available to almost 50 percent of the company's Texas customers.

OTHER ALTERNATIVE
"The only alternative to seeking new revenues is to cut back investment which would slow our modernization program," Langley explained. "We went through that alternative in 1978-79 when we did cut back to keep local rates low. Customers and the company shared the grief from that mistake. We do not want to repeat it," Langley emphasized.

"Our policy is that we are willing to provide whatever service is in the public interest as long as we are properly compensated."

He also pointed out that when the economy turns down, the telephone industry experiences several adverse effects.

"Although we have experienced a downturn in growth, activity does not necessarily decline."

"Customer service activity is what requires work-hours and controls our forces. Therefore, we see a negative trend through lower revenues because we have slower growth, but we cannot significantly reduce our installation force and reduce expenses."

He pointed out that the company has made major strides in productivity and expense control. All areas which are controllable are monitored very closely by senior management.

"However, these efforts are

not enough. Our modernization program and the outside forces such as deregulation, inflation, lower earnings and the need for financing give us no alternative but to ask for higher rates if we are going to give customers the quality of service they want."

NEW SERVICE SOUGHT
Langley said the company's filing includes a proposal for the establishment of an optional service, starting in the Metropolitan areas where large calling scopes and large variances in customer usage, along with available technology due to rapid growth in recent years, makes the service possible.

"We are seeking to establish optional measured service, to be made available later this year in our Dallas and Houston Metropolitan service areas and in other locations as soon as economically feasible. This service would provide access to the local and long-distance network and unlimited incoming calls for a lower monthly access fee. Additional charges would be based on usage of the local network to make calls."

"This service will allow customers to better control the amount of their monthly telephone bill," he said. "Because their total bill each month would be based on how much they use the service. For those who need telephone service for security purposes and who do not use the phone very much, this service would make it possible for them to control their bill."

MORE FORECLOSURES

Agriculture Secretary John Block said recently the farm economy will probably remain depressed enough this year to force the federal government to foreclose on another 800 to 900 producers.

MILITARY & TRAVEL

U.S. News & World Report said the Pentagon provided more than \$2 million in VIP domestic travel service and related entertainment for members of Congress in 1982. During the year, 35 senators and 111 House members took trips aboard planes operated by the Air Force's 89th Military Airlift Wing.

Reagan's peace plan rejected by PLO leaders.

McClellan is officer of County Judges Association

Members of the Panhandle County Judges Chemical Abuse Service System voted to proceed in two critical areas of alcoholism services during its Jan. 27 meeting. Both issues center around funding for programs in the region.

The first measure was a resolution to ask the Texas Commission on Alcoholism (TCUA) to begin purchasing services from the Panhandle Alcoholic Recovery Center (PARC). The judges' group is the governing body for the PARC.

The resolution calls on the alcohol commission to reimburse the judges' group at the rate of \$40 per day per client served in the recovery facility. That money would be used to pay for the treatment for 10 of the 30 clients at the PARC. The new funding plan would replace money that will be lost due to the lapsing of a grant from the TCA this September.

"The second resolution calls for the county commissioners' courts in the Panhandle to increase their annual allocation to the PARC from ten to twenty cents per capita. If all 25 counties participated fully in that plan, an extra \$35,000 per year would be raised for the operations of a detoxification center."

The possible detoxification center for the Panhandle was uppermost in the minds of the judges during the meeting. An implementation committee headed by Judge Jack Powell of Dumas recommend that a detoxification center be created in Amarillo as soon as possible.

After the judges formally agreed to pursue Powell's recommendation, he explained that the Texas Commission on Alcoholism would make about \$75,000 available for the first six months' operations, but that the judges would have to raise the second six months

operating runs. The judges also agreed that cities in the region should be asked to participate in the funding of a detox center. The judges will appoint information teams to visit with various city commissions about the center in the near future.

FARMERS & SIGNUPS
Many of the nation's grain farmers, offered a tradeoff deal of surplus grain for not sowing their own crops, were reported interested in the government's newest farm gimmick, but total signups were being kept secret in fear some of them might try to "outsmart the system."

Mubarak asks U.S. to force Israel to withdraw troops.

Mid-January jobless claims lowest since 1981.

Many economists believe recession has ended.

GTE modernizes & improves service facilities

PERRYTON--Major modernization and service improvement programs in Spearman and throughout the state are a part of General Telephone's need for increased rates, according to Bob Meyers, operations manager for General Telephone.

"Over a twenty-four month period about one-half million dollars will be spent by the company in Spearman for switching office equipment and local facilities, as a part of the company's program to provide Spearman customers with improved local and long-distance service," Meyers stated.

Meyers said during 1982, the company installed additional switching equipment and cable facilities in Spearman to provide for continuing growth in the area. In addition, long-distance equipment which is more modern and can process our long-distance calls has been installed to improve long-distance service. Long-distance lines are checked daily on a routine basis to

pinpoint problems or potential trouble on the circuits.

Another significant improvement in our long-distance service will be the new electronic switching system presently being installed in Guyton, which switches most of the long-distance calls in the Panhandle of Texas and Oklahoma. This equipment is expected to be operational in

early 1984.

"We have made significant service improvements in the last few years and we are excited about the new local and long-distance networks to be placed in service the next few months. We recognize the importance of reliable communications in the Panhandle area and are planning and providing the best systems available," said Meyers.

"Well, I'll tell you what I'm doing. I'm cutting back on my corn acres. How 'bout you?"

"Planting less corn, but more XL-73 and XL-72aa."

"Do you really have that much confidence in them?"

"Sure do. Can't beat them for the way they yield and stand up in the weather. And that XL-73 produces top-quality grain every time."

"Sounds good to me. But do you have any kind of performance data?"

"Right here. And take a look at T1230 while you're at it. It's another consistent hybrid you'll want to try."

"I see what you mean. This is mighty convincing."

"You'll be even more convinced when you plant them on your own farm, and prove it to yourself."

Local corn grower talks with his DEKALB-PFIZER GENETICS dealer about top-yielding hybrids.

PSU to present "Snoopy"

The Peanuts comic strip characters will come to life on the stage of Hughes-Strong Auditorium on the campus of Panhandle State University as the Music Department presents "Snoopy." The sequel to "You're a Good Man, Charlie Brown" will be performed on February 24 and 25 at 8:00 p.m. and at 2:00 p.m. on Saturday, February 26 as part of the Winter Festival celebration at PSU.

Bill Schlitt, director of the musical comedy said, "We're very excited about this show. Ours will be one of the first college productions of "Snoopy" in the country. It is still playing to packed houses in New York City." Schlitt went on to say, "Many of those great Peanuts situations are recreated in the show: Linus waiting for the Great Pumpkin, Lucy and her psychiatrist booth, the romance between Charlie Brown and Peppermint Patty. It's all there."

The cast includes many of the characters from the Charles Schultz famous comic strip. PSU performers include Tisa Adams of Keyes, Oklahoma, as Sally Brown; Kandy Newton of Fritch, Texas, as Lucy; and Val Pearson of Tishomingo, Oklahoma as Peppermint Patty. Also in the cast are Zane Newton of Spearman, Texas, playing Woodstock; Jeff Shaffer of Laverne, Oklahoma, as Linus and Steve Bailey of Hugoton, Kansas, appearing as Charlie Brown. Due to a conflict, with only five rehearsal dates before the first performance, and no understudy cast members, the part of "Snoopy" will be played by director, Bill Schlitt.

"Snoopy" is a show the whole family will enjoy. It is a lot of fun with good music and good laughs. "There are also some very poignant, very touching moments," commented Schlitt. "I suppose that's one reason why the comic strip has always enjoyed such universal appeal."

Tickets for "Snoopy" will be available at the door and are priced at \$3.50 for adults and \$1.00 for students and children. Persons wishing to reserve tickets may call the Music Department, (405) 349-2611 EXT 260 and pick them up the evening of the performance.

Zane Newton plays "Woodstock"

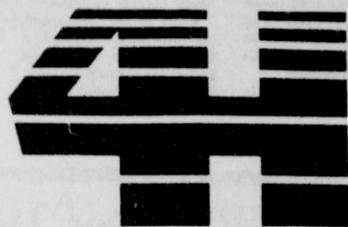

Pictured above are members of the cast of "Snoopy" rehearsing for their upcoming presentation on the Panhandle State University campus. Left to right are: Zane Newton, Tisa Adams, Jeff Shaffer, Steve Bailey, Kandy

Newton, and Val Pearson. "Snoopy" will be performed February 24 and 25 at 8:00 p.m. in Hughes Strong Auditorium and at 2:00 p.m. on February 26 as part of the Winter Festival activities.

This high drift in front of Consumers has now melted.

Servitors met in Winegarner home

Servitors met in the home of Linda Winegarner on Feb. 17, 1983 at 7:30 p.m. The meeting was called to order by Beckee Baker, pres. Prayer was given by Denise Donnell. Club Pledge was led by Beth Brown. Introduction of guests: Pat Cudd, Sheila Chappell, Lisa Keetch. Roll Call was answered to "Helpful Household Hint." Committee Reports:

HOSPITALITIES: a meal was taken to Michelle Mahaney and Jeannie Laughlin, our two new mothers. Also to Stephanie Brock and Kay Snider because of illness. Kathy Archer, corresponding secretary, received a thank you note from Cheryl Brown, the state Jr. Director, for our contribution to her traveling funds. We also received a resignation from

Patti Hudson. Department Reports: ART: Tour of the Hansford County Museum was canceled until the next meeting to allow more time on judging of genius kits. The tour will be rescheduled. It was decided to donate \$25 to the Hansford County Red Cross. **OLD & UNFINISHED BUSINESS:** Eva Mae Reger was nominated and elected by

acclamation to fill the office of Third Vice President since Patti resigned. New members were placed on committees and departments by Beckee. Michele Davis will arrange a visit to Perryton's Montessori School in the near future. **NEW BUSINESS:** Our annual Volleyball Tournament will be March 24, 25, and 26 for men and women. Cheryl Gibson, finance chairman, asked for volunteers to assist her in planning the tournament. Our first annual Mini-Fest has been rescheduled for April 16 at the County Barn. Members were reminded of various booths and exhibits they will be responsible for. Each member was also asked to make one homemade craft item for the Arts and Craft Booth. The Genius Kits were passed out by the Art Department to each member to be completed by the next meeting. The raffle was made by Gaye Woolley and won by Cheryl Gibson. Our program was a film and question and answer session on Girls Town. Mr. Robert Wilson, administrator of Girlstown at Borger, was our speaker. Our next meeting will be March 17, 7:00 p.m. at the First Christian Church. Members present were: Kathy Archer, Beckee Baker, Beth Brown, Michele Davis, Denise Donnell, Kitty Edwards, Cheryl Gibson, Mary Harbour, Janie Kunselman, Deanne Latham, Jan Morgan, Francis Pipkin, Eva Mae Reger, Kay Snider, Peggy Varon, Sheila Watley, Linda Winegarner, Peggy Winegarner and Gaye Woolley. Meeting was adjourned.

SMILES

Hindsight
"If you had your life to live over," the prominent octogenarian was asked by reporters, "do you think you'd make the same mistakes again?" "Certainly," said the old man, smiling reminiscently, "but I'd start sooner."

Wrong Nickname
When William was getting ready for college he told the family, "I wish you all would stop calling me 'Big Bill.'"

"Why?" they asked. "College names sometimes stick, and you know I am going to be a doctor."

DEADLINE

The major action taken by trustees of the Spearman Independent School District (SISD) at the regular board meeting Monday night was to call an election to fill three positions on that board.

The election was set for April 2.

Candidates for the school board positions may file at the school office in the high school building during regular office hours from now until March 2.

One incumbent school board member, Charles Shieldknight has filed for re-election.

An election judge, alternate and clerks for the election have not been named as yet. They will be appointed well in advance of voting day, April 2 and this does not affect candidate filing.

The chief emphasis here is there are only eight office days to file before the March 2 deadline.

Terms are ending for Tom Latta, secretary to the board and for members Dennis Nelson and Charles Shieldknight.

At press time, none of the three had filed for re-election but neither had they made any announcement declining to run for another term.

In other action following the routine approval of minutes of the previous meeting, bills and accounts were approved for payment and the resignation of one staff member was accepted.

Abbie Reyes had tendered her resignation for board action.

Action regarding the upcoming elections filled out the agenda.

Remember the deadline for filing for school board is March 2.

ON REPRESSION

The State Department said recently political repression around the world continued on a broad scale in 1982, with a number of non-democratic governments--both friendly and unfriendly--routinely denying the most fundamental human freedoms.

There are two things that should happen to everyone in this life. They should serve on the school board and have a Texas Aggie for a son-in-law.

Comment On Sports

BASEBALL *****

By Pete Fritchle

SARASOTA, Fla. -- Baseball is here again in Florida. The White Sox train in this coastal city and open their Grapefruit League schedule against the Detroit Tigers Monday, March 7.

Pitchers are already training and all players will be working out by March 1. After a week of practice, exhibition games continue until the first week in April.

Looking back on last season, the defeat of the Milwaukee Brewers by the St. Louis Cardinals revealed the Brewers' weakness in pitching at the end of the year. (Curiously, the Tigers, who were supposed to be sound except for pitching in 1982, led the American

League in pitching last season.)

The world champion Cardinals have opened camp in St. Petersburg. They share their home playing field there with the improved New York Mets. The Cards play the Sox in Sarasota on March 31.

The White Sox play fifteen home exhibition games this season, the last on April 3 against Pittsburgh--which trains in nearby Bradenton. The Sox host the Pirates and the Kansas City Royals three times each, teams which train north and south of here on Florida's west coast. Eighteen Major League teams train in Florida.

Rev. Bruce Chesser and the Baker kids remind you that this large pile of snow has melted at the First Baptist Church and you are welcome to attend Sunday.

Spurrllows to appear at Union Church March 2

THE SPURRLOWS, nationally known musical group, will appear at Spearman Union Church, 31 S. Endicott, on March 2nd. The concert will begin at 7:30 P.M.

Over the past 23 years THE SPURRLOWS have produced high quality music in the form of 10 albums with Word, Inc., over 30 choral books for churches, concerts with Youth for Christ, Jesus Festivals, Billy Graham programs, and have ministered in thousands of churches all across America. More recently, they have become a part of a new concept called FESTIVAL OF PRAISE, a musical of praise and worship involving a 40 voice traveling choir. Organ-

ized by Thurlow Spurr, internationally known creator, producer and musical director for the PTL Television Network, THE SPURRLOWS appeal to all ages. Their message is as timeless as the Word of God. They have been seen many times on national television specials such as the Bob Hope Show and their own award winning Christmas Special. They have appeared in a full length motion picture, in over 500 national conventions, and in world premiers of four musicals. Twice they have had the distinction of being the invited guests of the President of the United States at the White House. They have

performed for more high school and college students than any group in recent history, and have long been recognized as innovators in Gospel music.

THE SPURRLOWS are a group of young men and women keenly dedicated to the goal of renewal of the individual within the church. The singers and musicians come from all parts of the United States, and they blend their talents and ministries as one. Their musical style is smooth and soft, yet exciting as it covers a broad range of selections.

THE SPURRLOWS present an encounter with things that

really matter. The public is invited to share in this time of worship.

MX COMMISSION

A presidential commission struggling to find a basing system for the MX missile acceptable to both Congress and the Pentagon was given an extra month recently to search for a consensus about the embattled program.

Trucker's leader says strike over.

Japan: video games may cause crime wave.

Monaroh Pass.

These drifts 2 feet above the car were made on the road N. of the Earnest Wilmoth farm on the way to Chip Martin's farm, after the recent snow storm.

National 4-H Club MONTH

We Salute the Leaders of Tomorrow . . . Our 4-H'ers

We salute 4-H Club members everywhere, with special pride in the 4-H'ers of our community. Through the "Head...Heart...Hands...Health" program, 4-H molds character, teaches responsibility, encourages leadership and develops compassion for fellow men.

As we extend congratulations to 4-H Club members, we look to the future...for the 4-H'ers of today are the leaders of tomorrow. Since today they do so much toward building a better community and country, we can be sure that tomorrow, our future is in good hands. Let's "Expand 4-H"...and may 4-H activities and ideals ever flourish.
