

The Spearman Reporter

Spearman Reporter, Spearman, Hansford County, Texas Thursday, August 27, 1936

NEWS FLASH—As we go to press a phone call from H. E. Hoover of Canadian informs us he will bring a team of girls to play softball with the Spearman girl team Friday night. Mrs. T. E. Johnson ask all girls who will play to register before Friday.

Number 37 SAMPLE COPY

CAR ACCIDENT FATAL TO L. L. RICHARDSON TWO BADLY HURT

Spearman citizens and friends of three Spearman men were shocked and grieved late Sunday night to learn of the terrible car accident, in which L. L. Richardson lost his life and W. S. McNabb and T. L. Taylor were badly injured.

All three Spearman men were enroute to Hereford from Clovis New Mexico when the accident occurred. According to reports coming to Spearman driving was a bit difficult because of the dust. The Spearman car was near the city limits of Hereford when a car driven by W. C. Nix attempted to cross highway 60 ahead of the McNabb car. McNabb swerved to the right in an attempt to evade the accident, but failed to clear the Nix car and his rear fender was caught by the bumper of the Nix car. McNabb's car turned over three times, and according to witnesses each time it turned over a man was hurled out of the car. Mr. Richardson who was asleep in the rear of the car was the first to be catapulted out of the car, followed by Mr. McNabb and the last to leave the car was T. L. Taylor. Taylor did not appear to be badly injured at first and according to reports rushed to Mr. Richardson, thence to McNabb. He later fainted and was carried to Hereford for medical treatment.

Funeral services for L. L. Richardson were held in Spearman Wednesday afternoon.

T. L. Taylor had recovered sufficiently Tuesday to be brought back to Spearman.

W. S. McNabb who suffered severe bruises and cuts was first reported in satisfactory condition, with rapid recovery predicted. However, Tuesday his fever reached a high of 105 degrees, indicating that he might have internal injuries, that could prove serious. Mrs. McNabb is at Hereford with Mr. McNabb, and Mrs. W. J. Whitson, his daughter left Wednesday to be with her father.

NEAR INCH RAIN FALLS FRIDAY EVE.

Temporary relief from the extended drought and hot weather was experienced the past week when three fourths of an inch rain fell over Hansford county Friday of last week.

Reports over the county indicate the moisture was more or less general in this county. Feed crops over the area were greatly benefited.

Mr. and Mrs. Roy Boorhees returned to their home in Riverside, Calif., Thursday after visiting in the home of her sister Mrs. Fred Hoskins and family and with her mother Mrs. Edna Moore. They also visited with her brother Roy and B. Lee Matney and families of Plemons.

will surely get em FRIDAY night BE there and see this game. . . it will be a classical contest.

Here's predicting we are gona forget this hot weather and step into "HIGH" with the opening of school Sept. 7. We got a dandy good faculty in our Spearman schools . . . and we can make this one of the most successful years of history. Let's do it.

Returning vacationists who are demanding fishermen ratings include Mr. and Mrs. Pete Vernon and John Bishop and family.

Mr. and Mrs. Vernon brought back excellent proof of their ability in the form of a half dozen large lake trout. The largest of the bunch was a 28 inch lake trout caught by Mrs. Vernon at Eagle Nest lake. Pete came close with a catch of a 24 inch trout. However, Pete talked too much. Normally he would have been given a rating of 9, but we learned of his method of fishing and will have to rate him Hansford fisherman No. 14. Pete just couldn't get out of the old 'nigger' method of fishing, and each night when he quit fishing he would lariat out a couple of minnows on the end of a fishing line and come back the next morning to collect two fish. This is positively a violation of rule 117, and all fish caught under the above method were taken from Mr. Vernon's record.

John Bishop evidently applied for Liars licenses instead of a fisherman's rating when he left. He comes back with a story that he did not use fishing tackle, but had to use a club at Lake Montezuma—for protection against the fish. He further stated that he had been eating five watermelons and two fried chickens every day, while on a visit with relatives at Dodsonville, Texas. There just ain't that much perfect eating available at Dodsonville, or any other foreign port.

SPEARMAN SCHOOLS OPEN MONDAY SEPTEMBER 7TH

Registration of students of the Spearman Independent school Monday Sept. 7, according to information from Supt. W. R. Finley.

At the request of the Spearman Reporter, Supt. Finley prepared the following information, which thoroughly explains the plan of the School and the work expected of students.

August 25, 1936 "The Spearman school will open September 7. All teachers have been employed and the buildings are being put into condition for school work.

High School Students. All high school students will be enrolled Friday and Saturday September 4 and 5th. Grade and primary students will be enrolled Monday Sept. 7th.

School will open Monday morning at 9:00 a. m. with a short assembly program in the auditorium, after which high school students will report to the high school study hall for instructions. Students will come to school the first day prepared to stay all day. All busses will remain at school until students are dismissed in the afternoon.

Parents are urged to check over and approve the students schedule.

Postgraduate students who wish to take a course are asked to turn their names into the office and designate the course they desire to take prior to the opening of the school.

Students who wish to graduate must have 16 credits, 15 of which must be affiliated, including 4 units in English, 2 of Math, 1 and 1-2 units of History, which is American History and Civics, 2 units of Science or 2 units of Spanish, and electives to make the required number for graduation.

Below is a list of subjects that will be offered next year. The star denotes the subjects that are required.

FRESHMEN
First Semester, *Eng. 1, Alg. 1, *Gen. Sci., Occupation, World Hist., Home Ec. 1, Second Semester, *Eng. 1, *Alg., 1., *Gen. Sci., Speech, World History, Home Ec. 1.

SOPHOMORE
First Semester, *Eng. 2, Alg. 2, World History, Gen. Sci., Biology, Occupation, Spanish I, Home Ec. 2, Typing, Com. Arith. Second Semester, *Engl., *Alg., 4, Gen. Sci., World History, Biology, Typing, Spanish I, Speech, Home Ec. 2.

JUNIOR
First Semester, *Eng. 3, *His. 3, *Plane Geom., Typing, Spanish, Physics Home Ec., 3, Texas Hist., Com. Arith., Gen. Arith., Second Semester, *Eng. 3, *His. 3, *Pln. Geometry, Typing, Spanish 1, Physics, Home Ec. 3 Business Law, Speech, Gen. Arith.

SENIOR
First Semester, *Eng. 4, *Civ. Physics, Home Ec. 3, Typing, Texas History, Com. Arith., Gen. Arith., *Eng. 4, Econ., Physics, Home Ec. 3 Typing, Business Law, Solid Geom., Speech, Gen. Arith.

Completion of the faculty for the High school and primary school of the Spearman Independent district was announced Wednesday of this week by Supt. W. R. Finley. The following are the teachers and the positions they will fill in the public schools of this city.

Supt. W. R. Finley, B. A. degree from the McMurry College of Abilene, Texas, who attended school this summer working on his masters degree from the State teachers college at Canyon.

Elma (Elmer) Gunn, former coach of the Spearman school, who has been with the Spearman school system the past seven years, has accepted the position of Principal of the Spearman high school and will teach commercial subjects in the school.

Miss Ethel Deakin, M. A. Degree from the University of Colorado, who will again head the department of Math in the Spearman high school.

L. A. Stowe, Coach, former coach of Stratford, Texas. Mr. Stowe has a B. A. degree from Canyon State teachers college. He will teach History in the Spearman high school in addition to his duties as coach of the football team.

Raymond E. Fergusson, who taught in the Spearman school system last year and made quite a reputation in organizing the school band, has a B. A. degree from Simmons and will direct the Spearman band. In addition to his duties as band director, Mr. Fergusson will head the science department of the school.

Miss Sybil Graham, comes to the Spearman school this year after having served two years with the Hale Cen. Tex. schools. Miss Graham has a B. A. degree from Texas Tech, of Lubbock and her home is at McLain, Texas. She will head the English department of the high school.

Miss Barbara Hawkins, of Panhandle, comes to the Spearman

Large Attendance Feature At Lion Club Noon Meeting

Thirty one members and visitors were present at the noon luncheon of the Spearman Lion Club Tuesday noon.

Reports of committee chairmen provided the program for the day. The membership committee reported prospects for an enlarged membership with the possibility of several visitors becoming permanent in the near future.

Committeemen arranging for the singing convention to be held at the high school auditorium reported all work complete and a fund of \$55.00 raised to provide a light luncheon for the more than 200 visitors expected to attend the Plateau singing convention.

Committeemen in charge of the softball schedule reported the schedule under way and financed so far as lights and other expenses were concerned. A round table discussion relative to the softball schedule brought out the fact that the softball play did not take into consideration Wednesday night as prayer meeting night. Committeemen stated they would ask captains of various teams to change the schedule so that Wednesday night would be open in the future.

Among the visitors introduced were: Coaches Stowe and Poole new members of the Spearman school faculty.

GRUVER SCHOOLS WILL OPEN MON. SEPTEMBER 7TH

According to information from Secretary of the school O. E. Ward of Gruver, plans are being made for the opening of the Gruver public schools Monday Sept. 7. Definite plans could not be completed until the arrival of Supt. Wilson who has been away this summer attending school at Texas Tech at Lubbock.

All faculty members with one exception have been selected for the Gruver schools. They are as follows:

Supt. F. P. Wilson, Carey Sinclair, History, Mrs. J. V. Caldwell English, W. W. Richardson, Sci., Miss Cecile Rivia, unassigned, Miss Pauline Beach, Home Ec. Grade school teachers are: Miss Bonita Chandler, Math and Miss Ruth Ansley Primary.

Mrs. Allen Wilbanks of Amarillo is here visiting with her son Jack and with other relatives.

school this year. Mrs. Hawkins has a B. A. degree from the State Teachers college at Canyon, and will head the Spanish Department of the Spearman high school.

Miss Rena McLain, a sister of Lester McLain of Spearman, is one of the new comers to the Spearman school system. She has a B. A. degree from the Oklahoma City University, Oklahoma City, and will teach Home Ec. in the Spearman high school.

In the grade school G. T. Higgins, comes to our school from Hereford, Texas, and will be the principal of the grade school. He has a B. A. degree from the W. T. S. T. C. Canyon.

Miss Ruby England, B. A. degree graduate of E. T. S. T. college comes back from Greenville, Texas to teach Public School Music in the grade school.

John (better known as Johnnie R. Poole, assistant coach for the school comes to Spearman from Canyon, Texas, where he brought with him a B. A. degree from the State Teachers college. Mr. Poole will instruct students in the grade school in manual training, a new department of the school work that has been dropped for the past few years.

Miss Kathryn La Masters, daughter of Mr. and Mrs. W. B. La Masters, of Perryton, one of the Pioneer families of this section of the state will be a member of the grade school faculty this year. Miss LaMasters has a B. A. degree from the Oklahoma college for Women.

The very efficient Primary department of the Spearman school will again be headed by Mrs. J. C. Tuttle, who has made such an enviable record in instructing the student beginners in school.

Assisting Mrs. Tuttle will be, Miss Evelyn Roach, B. A. degree graduate of Texas Tech, Lubbock who taught in the school last year. Miss Lois Bailey, daughter of Mrs. H. P. Bailey who taught in the Spearman school system for four years. Miss Bailey has a B. A. degree from Texas Tech, Lubbock.

Miss Mary Elizabeth Gantt, B. A. degree from Canyon will again teach public school music in the primary department of the Spearman schools.

Miss Lois Hale, of Amarillo, B. A. degree from Canyon will instruct primary students in penmanship. Miss Hale has had 7 years teaching experience, having taught in the Dalhart and Houston, Texas schools.

L. L. RICHARDSON RITES HELD AT METHODIST CHURCH

Funeral services for L. L. Richardson, were held at the Methodist church in Spearman, Wednesday afternoon at 4 p. m. Conducted by Rev. W. A. Hitchcock pastor of the Methodist Church, assisted by Rev. A. F. Loftin, pastor of the Baptist church. Interment followed at the Hansford cemetery.

The auditorium of the Methodist church proved inadequate to seat the host of friends who came to pay their last respect to the departed friend.

A special male quartette, Wm. McClellan, Lester Boykin, Fred Hoskins, and B. G. Bergance, sang two selections, as part of the funeral services. Mrs. J. B. Cooke also sang a special selection. Members of the Rainbow Girls, friends of Helen Richardson, a member of the organization were the flower girls at the funeral and burial services.

Burial services at the Hansford cemetery were in charge of the Hansford Post 154 of the American Legion.

Loren Lawrence Richardson was born December 18, 1889 at Blytheville, Mo. He was educated in Missouri, enlisted in the World War in May 1918, serving loyally during the duration of the war.

The deceased married Glady Arnold June 4, 1919 at O'Neal Nebraska. To this union was born two children, a daughter, Helen who had reached the age of 16 at the time of her father's death, and a son Arnold 13 years old.

Mr. Richardson moved to Spearman in 1932, coming to Hansford county from Kansas City, where he was engaged in the commission business. He was associated with a large machinery manufacturing Co. for a short time after he moved to Spearman, and a car accident incapacitated him for this class of work.

Since April 1935 he has been rural supervisor for the Resettlement administration, serving the counties of Moore, Sherman, Hutchinson and Hansford.

The deceased was well liked by his many friends in this and adjoining counties, and his pleasant personality, his considerate polity, and real human consideration for his fellow man will be missed by those with whom he was associated.

Mr. Richardson is survived by his widow, Mrs. Glady Richardson, his daughter Helen, son Arnold, his mother, Mrs. Carrie Rodgers of Augusta, Mich., a brother Alva Richardson, Augusta, Mich., a half sister, Mrs. R. C. Hart of Chattanooga, Tenn., a half brother Harvey Rogers, Golden, Colo. All of whom were present at the funeral and burial.

WHEAT LOAN LIMIT IS RAISED TO \$400

Farmers of the Hansford area will get more than \$100,000 additional money for fall wheat planting under an executive order signed by President Roosevelt raising the limit on loans for fall wheat planting to from \$200 to \$400.

Loan offices are no longer permitted to give data to the press, but surveys indicate more than 200 Hansford co. farmers have taken loans so far most of them for the maximum \$200 because of almost uniformly large acreage.

The executive order is retracting so that farmers can now make supplemental loans up to total of \$400 which probably most of them will need to do. This means \$40,000 more for Hansford Co. and assures a broader and better program of preparation and seeding.

Mr. and Mrs. C. L. Cecil and daughter, Ruth of Canyon were guests Sunday in the home of their daughter and sister, Mr. and Mrs. Jack Hancock and son Gary.

Mrs. Pat McCormick and Miss Faith Owens of Amarillo were in Spearman Sunday visiting in the home of their sister Mr. and Mrs. S. B. Hale Jr.

Mrs. Ray Sparks and Miss Mary Sparks went to Amarillo Monday to spend a few days visiting in the home of Ethel Stors.

Rev and Mrs. Hitchcock and daughters Ruth and Carmen Dean left Wednesday morning for a weeks trip through the mountains of Colorado. Miss Florine Hitchcock will spend the week visiting friends in Stratford.

DR. POWELL—Eye, Ear, Nose and throat specialist will be at Dr. Gower's office Wednesday September second. Glasses fitted, Tonsils and adenoids removed. Have your children examined before school starts.

Smooth Mouth Players Tackle Canadian Team Friday Night At 8

Justice Oaks and his contingent of Smooth Mouth softball players are out for revenge for the defeat suffered when the Spearman Oldtimers played the Canadian Oldtimers recently. The game will be staged under the lights at the softball grounds beginning promptly at 8 P. M. Friday night August 28.

A letter from HE Hoover leader of the Canadian players is printed below. Justice Oaks says that the Spearman players can play the game Friday night according to the rules laid down by the visitors. He says he will pitch Jake Jacobs who celebrated his seventy sixth birthday last Tuesday. At first base Oaks plans to use 92 year old Ooley, Walter Wilmet, 81, will be on second base, Ed Womble, 105 years old (He says in experience with dry years and machinery dealerships) will hold down the third base birth for a short time (as long as he can last) Justice Oaks himself will handle the hot spot at short stop He shipped in his birth certificate to Canadian showing he was 89 years old, but the certificate had the seal of the free state of Van Zandt, and Hoover declares that anyone born during the era of Van Zandt would be 189 years old instead of 89. Earl Pittman, Roy Dixon, County Agent Boykin, Claude Parker, Mayor Cooke both Meeks, Dave Hester Stetson and several others are to play in the game Friday night.

Here's the letter from HE Hoover. Mr. G. E. Oakes, Manager, Smooth Mouth Ball Club, Spearman, Texas.

My Dear Mr. Oakes: I am in receipt of your highly presumptive letter of Aug. 22nd.

Replying to same; if nothing intervenes, it will be just and proper for you and your "Smooth Mouth" would be ball players to begin to get ready for the coming slaughter on next Friday night, August 28th. After we get thru with you, it will be the reinstatement of the horrible slaughter committed in the historical "Almo" over one hundred years ago, there will not be a "Smooth mouth player" left to tell the tale of ignominious defeat.

In this connection, we desire to state to you that this Championship Game, which doubtless will go down in history must be played according to rules and regulations, with the following exceptions.

The pitcher for each team must be over seventy years of age. All of the infield must be over fifty. However, either side will have the right to play men of lesser age in the out field, and the old decrepit pitchers may have a base runner. Should a dispute arise, the same will not be settled by the Umpire but will be settled between the two Tossers, according to the rules of the ancient mode of settling disputes by the wager combat.

I have not yet had an opportunity to contact all of my team. Most of them have been unable to hobble down town during the hot weather, but unless I notify you to the contrary, we will be on hand and ready to eliminate your would be "Smooth Mouth Ball Club" from the field of sportsmanship.

The main reason for relinquishing the rule as to age in the out field is in order to expedite the game, as we expect to knock the ball so far that no "Smooth mouth could get it back into play before the dawn of the coming day.

HE HOOVER
Champeen Tossor, for Tottering Terrors.
P. S. Sew your shirt tails on tight for I am going to fan 'em off.

Mrs. Holtan and Mr. and Mrs. Ed. Clements spent the day Sunday at an outing with friends on the creek.

WATER IRRIGATION RATE CONTINUED

The irrigation water rates will be extended for the month of September. Water consumers that have irrigation contracts with the City, may continue on this rate for another month, if they so desire.

D. W. HOLLAND,
City Manager

OSLO NEWS

Mr. and Mrs. John O. Dahl were Texhoma visitors Friday.

Miss Helene Reinertsen had her tonsils removed Wednesday of last week. Dr. Paul H. Reed of Texhoma performed the operation. Miss Marie Stedje called at the Reinertsen home last week.

The Oslo young people's Lutheran League met at the home of Mr. and Mrs. Clarence Johnson Sunday night.

Mr. and Mrs. Gus Olsen family visited at the home of home last Sunday afternoon.

C. W. KING ELECTED COMMISSIONER PRECINCT NO. 1

Former county Judge C. W. King was elected commissioner of precinct No. 1 in a close race with present commissioner Finis Maize, in the democratic run-off election held Saturday Aug. 22.

The vote was Maize 213, King 220.

Other results of the election were as follows:
For Railroad com. E. Thompson, Amarillo, 351; Frank Morris 105. Com. Agriculture, Terrell, 159, McDonald 280.

More Than Two Hundred Visitors Expected At Plateau Convention

All plans have been completed to entertain some two hundred visitors who will be in Spearman Sunday to attend the all-day Plateau singing convention to be held at the high school auditorium.

Rev. Hitchcock and Rev. Lutin announce that the regular morning church services will be given over to the Plateau singing convention, but that the Sunday school will be held as usual.

Present plans for the convention call for assembly at 10 a. m. Singing under the leadership of President G. D. Hanson of Hansford county and President Rossor of Precinct No. 1 of the county convention of the Plateau region on the morning of August 29. A large group of singers from Gruver and the Holt community will feature the morning program.

At 11:30 a. m. Rev. Loftin pastor of the First Baptist church of Spearman will deliver a 20 minute sermonette on "The Power of Music."

At the noon hour a luncheon will be served to visitors in the old Gym of the high school. Local people are asked to take their noon meal at home, since the room for the lunch is limited, and approximately 200 visitors will be present.

The noon day luncheon will be sponsored by the Spearman club which organization has raised funds for the meal.

REV. EULIS HILL WILL ATTEND

Rev. Eulis Hill, for the past few years pastor of the Christian church of Spearman, has resigned, and will leave Monday of next week for Ft. Worth, Texas, where he will attend Texas Christian University. Rev. Hill is working on his B. A. degree and will probably complete his work at Ft. Worth during the next school year.

BUS DRIVERS FOR SCHOOL TERM CHOSEN

Successful applicants for the positions of driving the eight bus routes for school children, were appointed Monday of this week. They were: Carl Owens, Fred Fullbright, C. D. Riggs, Fred Britton, D. O. Reynolds, Curtis Lowe and . . .

\$73,781 RECEIVED BY COUNTY HOME OWNERS 33 TO 36

Residents of Hansford county received a total of \$73,781 from the Home Owners Loans Association during the three months period of refinancing operations which terminated June 13, 1936. The amount to the final figures of \$73,781, H. P. Drouth state director of the National Emergency Loan Association. This sum represents 46 individual loans.

A total of 44,361 distressed home owners in Texas were assisted during the month of September. Water consumers that have irrigation contracts with the City, may continue on this rate for another month, if they so desire.

According to the 1930 U. S. census reports there were 374,755 owned non-farm homes in Texas. The Loan Corporation refinanced mortgages on 11.8 per cent of this number.

More than 98 per cent of all money involved went for the refinancing of distressed homes by means of long-term replacement mortgages which are to be amortized fully over the term of the loan in small monthly payments. The balance of the money advanced went for the restoration of buildings and property.

Approximately \$6,500,000 was advanced by Hansford county for the purpose of paying back taxes.

EDITORIAL

THE OBLIGATION TO THE CHURCHES

The discussion was between two ministers and one ordinary citizen of Spearman. . . The ordinary man was defending as best he could the pool halls of Spearman.

It is not the intention of this writer to line-up with anyone in respect to the benefits or harm of any form of amusement in this city.

It is the intention of the writer to place at the doors of the members of this city the obligation of amusement and entertainment for the younger generation.

The writer has lived in Spearman going on five years. Aside from occasional picnics, socials and the accustomed sprints of entertainment sponsored by the church no constructive program has been outlined to develop the minds of younger people.

It is a problem, Spearman, by comparison is one of the finest cities in all the world . . . yet on an average of once or two times each month we learn of some young man being involved in a brawl at one of the other of the road houses, outside the county limits of this county, but houses that have a reputation of sustenance in the patronage of Hansford county citizens.

There are lots worse things than pool halls. The writer believes that the two in Spearman are operated not decently, and that the very minimum amount of filth that is often associated with pool halls is paraded before players.

If people of Spearman would honestly work at a program that is just as interesting to the young people of the city, as is playing pool, the two pool halls of the city would be a thing of the past.

Pool, within itself is no more harmful than bridge, or checkers. Is the tendency to gamble, the vile stories are often spun at pool halls and the lack of respect of morals that make people abhor pool halls.

If citizens of Spearman plan to take no more interest in the younger generation than to berate them and condemn them when they follow the line of amusement that is offered, then we would suggest that they get in behind the pool halls . . . tell the managers that they appreciate the fact that they are trying hard to conduct clean recreation. Let the young man know that so long as he is merely interested in a game, and does not come in contact with degrading elements, and uncooth association, that he has your permission to go the limit. It would be a real experiment.

If you as an individual feel that no such experiment could be conducted without obvious disaster . . . then get your brain of yours working to conceive of some entertainment or activity to take the place of playing pool. Just as sure as you are living, something is necessary. Young boys and young men are not going to sit around home reading the Bible all week, come to church services on Sunday, and lead an exemplary life without your guidance. It's your problem, and you had as well spend the time you use condemning in trying to think of something interested to compete.

International Sunday School Lesson

By DR. J. E. NUNN

General Topic:—Beginning of World Missions.
Scripture Lesson:—Acts 11:19-21; 13-12.

19. They therefore that were scattered abroad upon the tribulation that arose about Stephen traveled as far as Phoenicia, and Cyprus, and Antioch, speaking the word to none save only to Jews.

20. And when they had come to Antioch, spake unto the Greeks also, preaching the Lord Jesus.
21. And the hand of the Lord was with them, and a great number that believed turned unto the Lord.
1. Now there were at Antioch, in the church that was there, prophets and teachers, Barnabas, and Simeon that was called Niger, and Lucius of Cyrene, and Man-

2. And as they ministered to the Lord, and fasted the Holy Spirit said, Separate me Barnabas and Saul for the work whereunto I have called them.

3. Then, when they had fasted and prayed and laid their hands on them, they went away.

4. So they, being sent forth by the Holy Spirit, went down to Seleucia, and from thence they sailed to Cyprus.

5. And when they were at Salamis, they proclaimed the word of God in the synagogues of the Jews: and they had also John and as their assistant.

6. And when they had gone through the whole island unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Bar-Jesus:

7. Who was with the proconsul, Sergius Paulus, a man of understanding. The same called unto him Barnabas and Saul and sought to hear the word of God.

8. But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn aside the proconsul from the faith.

9. But Saul, who is also called Paul, filled with the Holy Spirit fastened his eyes on him.

10. And said, O full of all guile and villany, thou son of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?

11. And now behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness: and he went about seeking some to lead him by the hand.

INTRODUCTION

It will be well to recur to the lesson for July 26, "Christianity Spread by Persecution." The seed blown by the wind. Notice, too, how the church began to thrive and grow as soon as it got away from the stifling, provincial atmosphere of Jerusalem, out into the free air of the larger world. Antioch was the second great center of early Christianity, "beginning at Jerusalem." The first Christian missionaries worked by preference in big towns, and cities where there was the most corruption and vice, like Antioch, Corinth, Rome; where they might be leaven, to transform and redeem.

Preaching To The Gentiles

"Spake unto the Greeks also, preaching the Lord Jesus." Those to whom the Christian here preached were Gentiles, who were probably worshipping in the Jewish synagogue in Antioch though they were not proselytes, i. e. they were not Greek-Jews. It is interesting to note all through the book of Acts that the disciples and apostles carried a message, not of philosophy or of social betterment, but one that centered in Christ Jesus the Lord and had to do with the wonderful redemption offered by God through him. "And the hand of the Lord was with them; and a great number that believed turned unto the Lord." They went everywhere preaching the Lord Jesus because he was precious to them because love for him filled their hearts, because Christ had changed them and given them new life. When John Eliot first went to work with the Indians in 1646 he testified: "God first put into my heart a compassion for their poor souls and a desire to teach them to know Christ and to bring them into his kingdom."

The Visit Of Barnabas to Antioch

When the brethren at Jerusalem heard of the Greek Gentile revival at Antioch they chose Barnabas as a committee of one to go up there for an official investigation. Barnabas was the one man eminently qualified for the task. He walked into Antioch with the future of Gentile Christians in his hands. Instead of causing trouble for the church and returning to Jerusalem, he became greatly impressed by the work, recognized the hand of God in it, rejoiced with them, bade them continue cleaving unto the Lord and decided to remain with them to help, exhort and encourage the young churches. One of the finest things he ever did was to go to Tarsus to find Saul to help him in the work at Antioch. He realized that the task was too big for him. He knew Saul and his power for just such an emergency. Returning to Antioch with his helper, Barnabas decided to remain there for work. For one year these two noble men of God continued their labors in that city they saw a new spirit, a new work, a new emphasis in Antioch. Believers were given the name of Christian. That year was a glorious one for the church and these Christian leaders.

The First Foreign Missionaries—Barnabas and Saul (Acts 13:2)

The Holy spirit said, Separate me Barnabas and Saul for the work whereunto I have called them." The Holy Spirit was the directing impulse. As we have said before, you do not get away from the Holy Spirit in the Book of Acts. "Then when they had fasted and prayed and laid their hands on them, they went away." The laying of the hands here as in ordination, has a beautiful significance: "All strength and grace that God has given us we lend now to you. It streams off through the fingers. You become now our hands, executing the tasks that are beyond our immediate reach." Sent forth by the Holy Spirit with the prayers of a young church and vigorous, and with such a benediction, it is no wonder that they won to Christ a Roman proconsul.

AGAIN... For the fifth time we say you take no chances with

ROAD RUNNER GASOLINE AND DIAMOND OILS and Lubricants

Here's The Record and Proof

1. In 1934 the Consumers Sales Company used a 1934 Truck, placing 45,585 miles on the speedometer, under the most trying conditions, with capacity loads, placing more than 33,000 miles in 90 days, transporting gasoline to the targetanks in Spearman for the more than 1000 customers of the Cooperative home owned business in Hansford County.

And Without A Single Motor Adjustment

2. In March of 1935 the Consumers Sales Company traded for a 1935 Chevrolet truck after the old truck 63,000 miles.

Without A Single Motor Adjustment

3. In October of 1935 the Consumers Sales Company traded their 1935 truck for a new model 1935 Chevrolet truck after driving the truck 53,-000 miles under heavy duty conditions and—

Without A Single Motor Adjustment

4. On February 18, 1936, records of the McClellan Chevrolet company show that the Consumers Sales company traded in their late model 1935 truck for a new truck after driving the old truck 73,486 Miles—

Without A Single Motor Adjustment

5. On August 22, 1936 the records of the Chevrolet Motor Co. will show they delivered to the Consumers Sales company a larger and more expensive Chevrolet Truck Saturday Aug. 22. The 1936 truck purchased Feb. 18 showed a mileage of 67,000 miles—

Without A Single Motor Adjustment

WE REFER TO THIS RECORD

Not only to prove that you cannot purchase more reliable gasoline and lubricants than the Road Runner Gasoline and Diamond Oils and lubricants, but also to call your attention to the steadily increasing business of the Home owned, Co-operative institution of Hansford County that is gaining business, every month as people learn of the value of the products they can purchase at money saving prices. Just check over the record. The Consumers Sales Co. now purchases two trucks annually, whereas one truck annually formerly handled the hauling of gasoline for the more than a thousand customers of the business. Further proof of the increase in business is seen in the mileage of the last trucks traded, amounted to 138,486 miles, whereas the mileage on the 1935 trucks only amounted to 116,000 miles.

DO NOT EXPECT . . .

BETTER PERFORMANCE out of fuel than you will get from Diamond Oil and Road Runner Gas regardless of the price you pay for it. We know we have a first grade, high test gas that will give you the maximum service with minimum wear and tear on your motor. WE KNOW our DIAMOND OIL is a first quality lubricant and will give guaranteed results.

WE MAKE A FAIR PROFIT from our sales and cannot be convinced that higher prices would improve an already satisfactory quality.

THE CONSUMERS SALES CORP. is a home owned institution owned and operated by 180 local stockholders. Benefits from the operation of this business are distributed among nearly 1000 customers.

IT IS OUR POLICY to offer our customers the highest quality the market affords, charging a small margin of profit. The fact that sales prices are on the level with lower quality merchandise simply means that we are giving our customers advantage of our low cost of distribution.

Consumers Sales Co.

SUMMER TIME IS HERE . . .
-and its really too hot to suggest lawn mowers, hose for the garden, rakes for the yard and various items that come in so handy in keeping the home so attractive. We are not suggesting these items, but if you just simply hafta work in this hot weather we will sell 'em to you. For the madam we suggest a number of labor saving items, such as kitchen, refrigerator, and items that make house work so pleasant during the summer.

Write Conoco Travel Bureau, Denver Colo

JIL-PLATING IS... Oil-Plating is exactly what is formed in your engine by Conoco Germ Processed oil. The Conoco Germ Process scientifically combines a most carefully refined mineral oil with an extra, exclusive "concentrated oily essence" - fully guarded by patents. And this invention enables your Conoco Germ Processed oil to combine with all engine parts so that they become literally Oil-Plated. Oil-Plating does not depend on constant pumping up, because it does not rapidly drain down, but stays put - fixed - Plated. You can see that this firmly fixed, slippery Oil-Plating leaves no un-oiled bare spots in your engine. And that leaves least chance of wear... And the less wear, the more oil you save... So Oil-Plate your engine this summer - this day! - with CONOCO GERM PROCESSED OIL

Q. For what was Gen. William J. Worth for whom Ft. Worth was named, most noted?
 A. For his brilliant career as an officer (second in command under Gen. Taylor) in the United States war against Mexico. Following a succession of victories, he led his army into the Mexican capital and with his own hands tore the national flag from the Mexican palace.
Q. What was the "Marcy Trail"?
 A. It was located in 1845 by an army officer of that name, the first transcontinental trail across Texas the route through Texas from Little Rock through Texas was through Doan's Store Jacksboro, Fort Belknap, Anson Seven Wells Spring, Big Spring, and on to El Paso the route varying somewhat in direction to pass known water holes.

Q. Where was a town, once known as Lamar.
 A. In what is now Arkansas county, near Rockport, established by Irish colonists in 1835. Once prosperous site of Lamar Academy, later abandoned following destruction, now site of Goose Island State Park.
Q. Who was the last survivor of the Battle of San Jacinto?
 A. W. P. Zuber, who was for a number of years and until his death custodian of the historical pictures in the Texas Senate chamber and who is buried in the State cemetery at Austin.
Q. Where can collections of early Texas weapons be seen?
 A. In the Centennial exhibits at Dallas, Ft. Worth and Austin and in almost any museum in the State.
Q. I have been asked about the life of William Cooke, for whom this county was named. Will you help me.
 A. He came to Texas from Virginia, reaching San Antonio in November 1835 took part in the capture of the city from the Mexicans in December; on Houston's staff at San Jacinto; in drug business in Houston in 1837; quarter-master general in 1839, commissioner with Santa Fe expedition in 1840; died near Seguin in 1847 buried there but remains were removed to the State cemetery at Austin.
Q. Where is the Texas State sanitarium for tubercular patients?
 A. At Sanitorium, Texas near San Angelo. It has facilities for 800. Dr. J. B. McKnight is superintendent.
Q. What counties established embassies or consular agencies in Austin when Texas was a republic?

A. United States, England and France the later country building an embassy at Austin, which is still in a good state of preservation.
Q. How many tax-supported libraries are there in Texas?
 A. Fifty-eight supported by counties and cities but many of these are inadequately financed.
Q. Was the Texas treasury ever robbed?
 A. On June 11, 1865 a band of nearly 50 horsemen broke open the vault but were dispersed by about the same number of Confederates under the leadership of Capt. George Freeman, the looters escaping with some \$17,000 after one of their number had been killed.
Q. What was the experience of the U. S. government as to use of Rangers after Texas annexation?
 A. The U. S. undertook protection of the frontier with infantry troops. A short experience resulted in reorganization of the Ranger service, which virtually had been dropped, the troops being unaccustomed to cope with border terrorists and Indian warfare.
Q. How did the early colonists evade the Mexican anti-slavery regulation.
 A. by having the slave freed for a fixed consideration, which he obligated himself to repay to the master at a fixed wage for services, which was insufficient to pay off the debt, for which he remained bound for a specified time, this sometimes being for from 70 to 90 years.
Q. Are post office receipts in Texas increasing or decreasing?
 A. From 1925 to 1935 they increased from 16 million to over 18 million, though they reached

a peak in 1930 at 20 million.

Economy Hints

Can you practice economy on a gas range? Here are a few hints:—
 Boil water in a covered tea kettle. If large amounts of water are needed use the gas water heater.
 Adjust the height of your gas flame until its tip reaches the bottom of the cooking vessel.
 Permit the flame to curl up around the vessel.

Turn burner flame after contents of cooking vessel have reached the boiling point or transfer to simmering burner.

Light burner until you are ready to place pot or pan and turn off gas when removing.

Keep burners clean. Boil them occasionally in solution of soda and water, or lye.

Use the above hints and you will help to keep your gas bills thrifty bills.

E. Lee Oil Co.

Here Are NINE PENNIES

They Won't Pay

- for a shoe shine
- or buy an ice cream soda
- or purchase a Sunday newspaper
- or pay Junior's way to the movies
- or buy enough gas to run the family bus for a day

But—they will pay the average U. S. family's bill for twenty-four hours of electric service.*

*The average daily cost is actually 9.3c. If you're a stickler for accuracy. Figures from Edison Electric Institute Statistical Bulletin for year 1935.

LOW One Way Rail FARES

Every Day
 2 cents Per Mile, Good in coaches and chair cars.
 3 cents per Mile Good in all classes of equip.

Also low round-trip fares with liberal privileges. No Surcharge in Pullmans. These low fares apply anywhere on the Santa Fe, throughout the U. S.

DELLA DACUS FORMER SPEARMAN GIRL GRADUATES IN N. M.

Miss Della Dacus, former student of the Spearman High school graduated with honors from the Normal University of New Mexico last week.

FAMILY PICNIC

Mr. and Mrs. Fred Hoskins and family, Mr. and Mrs. Roy Matney, Mr. and Mrs. Lee Matney and family, J. C. Matney and daughter of Plemons, Mrs. Edna Moore, Mrs. Greever and Mr. and Mrs. Roy Boorhees of Riverside, Calif., who were visiting here, took their dinner Sunday and spent the day on the creek near Plemons. In the evening they all enjoyed a swim.

ENTERTAIN WITH PARTY

An attractive affair was Thursday morning when Mrs. Bruce Sheets and Mrs. Lloyd Campbell entertained at the Campbell home with a "Popeye" bridge party.

Four tables were arranged with covers, tallies and score pads featuring the figure "Popeye". Mrs. Fred Daily played high and Mrs. Marvin Chambers second. Both received lovely gifts. At the close of the games a delicious lunch was served further carrying out the Popeye idea.

The guest list included Mesdames R. A. Vaught, Robert Douglas, Bill Hutton, W. J. Miller, Marvin Chambers, Max Lackey, C. D. Foote, Borger, L. Maize R. E. Lee, Van Earl Steed, Bill Russell, Lorena Underwood, New York, Fred Daily and Tom Riley.

BELL BENNETT

The Bell Bennett missionary society held their regular meeting Wednesday afternoon at the home of Mrs. E. C. Womble with A. Lyon assisting with duties.

Outlook program was given by Mrs. Sid Clark and Mrs. R. L. McClellan. At the close of the program the hostess served dainty refreshments to the following members present: Mesdames L. W. Mathews, L. S. McClellan, O. L. Williams, F. W. Maize, D. Keim, J. H. Buchanan, and R. L. McClellan.

The meeting next Wednesday afternoon Sept 2 will be in the home of Mrs. D. Keim.

DELPHINIUM FLOWER CLUB

Members of the Delphinium flower club met in the home of Mrs. Adrain Moore, Monday afternoon, August 24.

The afternoon lesson was given to the study of the Phlox. Mrs. R. W. Morton led the interesting topic about this flower. After which a refreshment plate was served to Mesdames: Marvin Chambers, Roy Russell, Bill McClellan, R. W. Morton, Sid Clark, and C. W. Smith.

First Christian Church

We are expecting a large crowd at the Church Sunday at both the morning and evening services. This is the last Sunday that the Hill's will be here. Everyone is cordially invited.

BAPTIST CHURCH

Sunday school at the regular hour. At 11:30 the pastor will deliver a sermonette on The Power of Music at the high school auditorium for the singing convention.

Our church extends to Rev and Mrs. Hill, the warmest friendship and wish them success in their new home at Ft. Worth.

Remember their is a place and class for every member of your family. COME.

METHODIST CHURCH

Sunday morning at the regular hour the Sunday school will have its regular meeting. For the sermon everyone will go to the high school auditorium and attend the singing convention. The services Sunday night will also be turned over to the singing convention.

Next Sunday we expect to have one of the best services of the year. Come and help us. Strangers are always welcome at our services.

1934 SENIOR CLASS GO ON PICNIC

A number of the members of the 1934 graduating class met Thursday evening at the home of Mr. and Mrs. H. L. Wilbanks and then departed for the picnic at the NTN park.

Upon arriving, an hour of swimming was enjoyed and then sides were chosen and a game of softball was played. After which it was suggested that the eats be brought out, so the hungry group gathered around the camp fire where "large" quantities of bacon and eggs were fried and served with lemonade and watermelon.

Those going were Misses Ruth and Beth Wilbanks, Carrie B. Nesbit, Alvino Caldwell, Messers Sam Patterson, J. D. Andrews, H. L. Wilbanks Jr. Oran Ross Kelly, Paul Buchanan, Woodrow Gibner, Ruben Deering, Robert Douglas, Elmon Jacobs, Elma Gunn, and Mrs. Olin Chambers, Mr. and Mrs. R. B. Archer Jr. and two guests of the class Dorothy Main and Dick Vernon.

The missionary lesson on The Negro followed by The Negro in art by Rose Yates, Negro in Science, Elsie Hill, Biography of C. C. Smith, Thelma Carpenter. At the close of the business meeting delicious refreshments of fancy sandwiches, potato chips, pickle and iced tea was served to ten ladies present.

The next meeting will be held in the home of Mrs. Thelma Carpenter.

Church of Christ

Jesus said "Seek ye first the kingdom of God and his righteousness and all these other things will be added unto you."

The apostle James said Ye have not because ye ask not. Is it possible that we have been seeking success with our eyes turned the wrong way? Draw nigh unto me and I will draw nigh unto you: saith the Lord.

Next Sunday we are expecting a large crowd for both morning and evening services.

W. V. MURRY, minister

Herbert Kirk of Lubbock was a visitor in the home of Mr. and Mrs. Delon Kirk Sunday. Mr. and Mrs. Ivy Duncan of Pampa were also guests.

Mrs. A. G. Brant and children returned Monday evening from an extended visit with relatives at Post and Hobbs, New Mexico.

Again

We have the privilege and pleasure of referring you to Consumers Sales Co., large ad in this issue of the Spearman Reporter, giving the record of the 1936 Chevrolet Truck purchased from us on Feb. 18, 1936 and traded to us on Aug. 22, with a total of 67,000 miles.

If you will check these dates you will note this mileage was accumulated during a period of 6 months and 4 days, averaging approximately 10,000 miles per month in the hottest summer ever recorded and under heavy duty conditions.

The truck will be offered for sale without any motor reconditioning—We cordially invite you to come in, inspect drive, and listen to this motor.

Again we ask you to check the Consumers Sales ad carefully—the record of their 1933-34-35-36 Chevrolet Trucks, and then ask your self the question?

"Can I afford to ignore this outstanding record when deciding on my next car or truck."

McCLELLAN CHEVROLET

Railroad Jim
THE COLUMN CONDUCTOR
Says

Freight trains nowadays act like express specials. New freight schedules are so fast, sometimes wonder if everything has to be delivered before yesterday.

Many of our passenger trains are running faster schedules, too. Well, one thing is sure. We make faster runs, but the first railroad commandment is still "Safety First." That's one rule they won't change.

Western railroads and allied industries provided jobs for 750,000 workers last year. Some of them live in our town. Good neighbors.

Passenger fares are now the lowest in history with substantial reductions on round trips. And no more surcharge for riding in sleeping cars.

This new Free pick-up-and-delivery of less than carload freight—I heard some traveling salesmen talking about it on the train yesterday. They said it saves shippers a lot of money and centers all responsibility on the railroad. The railroad picks up the freight at shipper's door and delivers to receiver's door. Of course, local delivery men get the haul from door-to-car and car-to-door at both ends. The railroad handles the whole transaction.

When railroads are busy, I notice towns along the railroad are prosperous. The merchants put more ads in the newspapers.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

McCLELLAN CHEVROLET

WESTERN RAILROADS
and THE PULLMAN COMPANY

and daughters spent Saturday night and Sunday in the home of her parents, Mr. and Mrs. J. U. Mitchuson of near Gray, Okla.
