

The Big Spring Herald

Big Spring, Texas, Friday, August 31, 1928

By T. E. JORDAN

Additional Room Needed For Co. Officials

It is necessary to build an addition to the courthouse unless another plan materializes.

Will Buy City Hall

The clerk and sheriff need more space. County agents must have office space.

The business of Howard county seems to be the need for office space. To handle the increased business becomes apparent. Right now it is imperative that additional office space be provided.

Visit to the county and District Clerk's office and the Sheriff's office will be made. It is estimated that the office force is hampered in its efforts to do their work.

It is about January first that the city will have the additional office space who are entitled to accommodations. A County Superintendent, a County Agent and a Home Demonstration Agent. Office space all are not to be had in the present building.

It has been suggested and the county seems a practicable one. The city purchase the present City Hall. This could be arranged to house the sheriff's office, the assessor's office and one or two additional offices.

The Commissioners Court has accepted this proposition and is in favor of it as it is to be preferred to any other plan. The only thing necessary to make a deal is for the City Council to agree on a price and the deal can be made.

It is thought the trade would hinge on the building a new City Hall. While this plan has been discussed in the meetings of the City Council, we have not been advised just how far along the plans are.

At the present City Hall is not adequate to the needs of our city. It is thought that some plan can be worked out whereby the city can build one in keeping with the needs of our city, present and future.

Man Accepts Deal With Forsan Co

J. King of McCamey, former manager of the Humble Pipe Line Co., has accepted a position with the Forsan Co. and will move to that town in this new townsite.

The following lots have been sold this week: Frank M. Green of Green production company has sold lots 5 and 6 in block 29 in McCamey. Mr. Green will have a 2-building erected on this property. The first story to be made of brick and the second of concrete. The upper story buildings the upper story to be made into hotel rooms.

Mr. Campbell and Miss Ruth McCamey have bought lots 4, 5 and 6 in block 29. Business buildings will be erected on this property.

According to Bruce Frazier of Forsan Townsite Company, a pipe line has been bought from the Forsan Supply Co. and new mains will be laid in the future.

Shelton and Cook Open Sales Room

Shelton & Cook of Colorado, have opened a sales room for their electric and gas refrigerator at 100 N. Lyric street, on Third street. The office has arranged and demonstrations arranged and now be given. The office is open and ready for business.

Rabbit Disease Spreads Rapidly

Washington—Discovery of many cases of tularemia among the people of Texas the past year with the reports that when rabbit eating starts again next fall there will be additional hundreds of cases. The health department has issued a public health service bulletin that "new" disease.

Ward Oil Co. Secures A 400 Barrel Well

A 400 barrel producer was secured by the Ward Oil Co. in the Roberts pool Sunday. This well was drilled in by a spudder the pay being found at 1294 feet. This well is on section 137 block 29-W and N. W. survey.

Texan Scalded To Death By Geyser In Yellowstone

By the Associated Press. Casper, Mo., Aug. 27.—George Brown of Lampasas, Texas, was scalded to death in Yellowstone park geyser last Friday. It was learned with the return to Casper today of a physician who gave the victim first aid treatment.

Mr. Brown was leaning over the edge of a boiling pool 7 miles north of "Old Faithful" Two sons who pulled their father out, suffered bad scalds on the arms. The father died shortly afterward.

Abilene's Friendship Special

Pullman Train of Nine Cars Will Visit Our City Wednesday Sept. 5, Arriving at 5:52 P. M.

Forty Minute Visit

125 Leading Citizens of Abilene, Cowboys' Band and Group of College Entertainers on Train

Big Spring will have the privilege of entertaining about 125 of the leading business men of Abilene, the members of the Cowboy Band of Simmons University, and a group of college entertainers from Abilene Christian College and McMurray College, on Wednesday September 5. Abilene's 1928 Friendship Special a pullman train of nine cars, will visit our city on this date. It will arrive in Big Spring at 5:52 o'clock Wednesday evening, and will remain in Big Spring for forty minutes.

At least 125 of the leading citizens of Abilene will be on the train, the Cowboy Band of Simmons University official music making aggregation of the West Texas Chamber of Commerce will be along and a group of entertainers from the Christian and Methodist colleges of Abilene will also be on hand.

Abilene is doing something a little different this year, in the way of a business men's excursion. This affair will not be a trade trip, but as its name implies it will simply be a visit to us.

Big Spring together with forty-eight other towns will be visited by the Friendship Special the towns that have in the past and are today, contributing much to the growth of Abilene. Because Big Spring and other cities in West Texas have patronized Abilene's industries, her wholesale houses her colleges and other institutions and concerns and have been partly responsible for the Abilene's growth into the city it is today, it is the purpose of the Friendship Special to create more good will among these towns in West Texas. Therefore a group of representative people of Abilene are coming to pay Big Spring a friendly visit. The Abilene business men are anxious to meet the Big Spring people, and we know the Big Spring folks will want to meet their friends from Abilene on this occasion.

All of Big Spring is invited to turn out, and meet this friendship special at the station. They will visit with us forty minutes. Come and meet the visitors and make them feel that they are welcome in our city. As many of the people of the community as possible are urged to turn out. Features of entertainment will be given during the Abilenians stay in our city.

J. F. Thixton Raises Large Zennias

We thought that we had seen some large zennias, but we found out that we hadn't today, until J. F. Thixton brought a bouquet to the Herald office. The zennias raised by Mr. Thixton measured about 12 inches in circumference, and there was not just one that large, but the entire bouquet was just as fine. Mr. Thixton has a yard full of these pretty flowers, of all colors, and they certainly add to the appearance of the place. They gave the editors desk a pretty decoration also.

Ward Oil Co. Secures A 400 Barrel Well

A 400 barrel producer was secured by the Ward Oil Co. in the Roberts pool Sunday. This well was drilled in by a spudder the pay being found at 1294 feet. This well is on section 137 block 29-W and N. W. survey.

ANOTHER REASON YOU SHOULD ADVERTISE

Your clerks respond instinctively to your own, live advertising. Man power (clerks) is a major investment of any business. You, as the owner or manager of any business institution, are directly responsible for the alertness and efficiency of your clerks—you take the SIT and WAIT attitude, your clerks will be found at ease; you take a stand of business aggressiveness, you will invariably find your clerks toe to toe on the front line, wide-awake and eager to make an individual showing. Clerks had much rather work for a live and going institution and will get a real incentive from your own advertising as well as more customers to work with.

Four Refineries Will Make This An Oil Center

Four Big Refineries Are Now Assured and Rumor of Others Seeking a Location Here

Will Help Boost City

Millions of Dollars To Be Invested In Buildings, Equipment, Pipe Lines, Etc.

With the four refineries already assured for Big Spring, getting into action, business in many lines will show a big pick up. The equipment for the Cosden & Company refinery we understand will approximate \$800,000 alone. Representatives of the company having the contract to erect the refinery and supply the equipment are now here. Just how large an investment will go into the Richardson et al refinery, and the Reese Allen refinery—both to be located near the Cosden refinery, we have not been advised. The refinery being erected in the western part of the city will be ready soon for operation. The pipe line from the oil field to this refinery will be completed this week. The pipe line from the Cosden site to the oil field is now under construction.

Teams are now at work grading on the Pete Johnson farm, three miles east of Big Spring on the site for the tank farm. Material for some of the 80,000 barrel storage tanks for the Texas & Pacific railroad are now here.

It is rumored that the Humble Company has been negotiating for a refinery site near Big Spring. Oil men seem to be of the opinion that development in the Howard county area will not get under good headway for another sixty days, but from then on things will be humming.

From the amount of oil field supplies now rolling in and the number of new supply houses selecting Big Spring for their headquarters, it is easy to see that a long period of development is scheduled for the Big Spring area.

Miss Mae Baggett Dies In Dallas

Many hearts in this city will be grieved to learn of the death of Miss Mae Baggett, daughter of Jim Baggett, who was claimed by death at her home in Dallas, yesterday afternoon. Miss Baggett has been in ill health the past 3 years suffering from diabetes, and all that medical skill could do, proved to no avail in combating the dreaded malady. Funeral services were held in Dallas this afternoon at 3 o'clock and the remains were laid to rest in the Evergreen cemetery in Dallas beside her mother, who passed away several years ago.

Sells 9 Lots In Cole And Strayhorn

W. R. Cole this week has sold 9 lots in the Cole and Strayhorn addition. These lots are bringing from \$400 to \$500. The following bought lots: W. R. Wright, one lot; H. F. Green two lots; Frank Knaus one lot; A. C. Romana one lot; Big Spring Hardware Company four lots.

Fine Plums At Nabor's Farm

F. F. Nabor's brought in a little twig from a plum tree on which forty well developed plums were clinging. They were just about as thick on the twig as could be and resembled a bunch of grapes. They are the Golden Beauty variety and have not made a failure during the two years they have been bearing. These plums do not ripen until fall. He has twenty-five trees, and most of them are literally over loaded with fruit.

T. J. Good Trades Home Property

Tom Good this week traded his home property at 1101 Johnson St. to Dr. G. T. Hall for his brick residence on South Scurry Street. Mr. and Mrs. Good will move into their new home within a short time, so that their children can attend the Big Spring schools.

H. W. Leeper Named Supt. City Waterwork

Former Citizen Named To Take Charge of the Waterworks System of Our City

Approve Appointment

He Is To Begin Upon His Duties At Once, James Davis Accepts Place With Gas Company

City Manager W. V. Montin has accepted the application of H. W. Leeper to be superintendent of the city waterworks system, and he is now familiarizing himself with the duties of the job. He succeeds to the duties James Davis has been performing and some additional services.

A better man for the place could not have been selected if they had combed the entire state. Mr. Leeper is a former resident of Big Spring, respected and esteemed by everyone who knew him, and all will be pleased to know he is to return and accept this important position.

Mr. Leeper is a practical machinist of many years experience and he will be a valuable man to be in charge of the city's valuable pumping equipment and expanding water system.

He is also a successful business man, has a pleasing personality and will be able to meet the citizens who imagine they have a grievance in such a way that they will be compelled to admit that the city is not always at fault.

The city manager is to be commended for securing a man of Mr. Leeper's ability to take charge of our water system, for this is one of the city's biggest assets and in the years to come is due to be considerably improved and enlarged.

Mr. Davis is to accept a position with the Consumers National Gas Company on September 1st.

New Oil Town Making Rapid Progress

The Waggoner Supply Co. of Ft. Worth locating supply house at Forsan, in the heart of the oil field sixteen miles southeast of Big Spring, have signified that they will double the capacity of their plant. This company purchased lots 14 and 15 in block 12 but since deciding to double capacity of plant they have purchased lots 12 and 13 in the same block.

The American Steel Derrick Co. of Tulsa purchased the north half of block 43 for supply yard. This firm will handle steel derrick and lumber.

Dr. George L. Langworthy, M. D. of Amarillo has purchased lots 14, 15 16 in block 39 in the townsite of Forsan 18 miles southeast of Big Spring and will erect an emergency hospital. The building now being under construction.

The second grocery store opens for business in the townsite Forsan, 18 miles southeast of Big Spring. The second store will be operated by P. D. Frazier who purchased lot 16 in block 23 from the Forsan Townsite Company.

This oil field town will have a school to accommodate people living near their work. C. O. Smith was awarded contract for the two room building at a cost of \$2,500. Two teachers will be in charge of the school. This is the second school to be maintained in this district due to the increase in population, caused by the oil development.

Sells 9 Lots In Cole And Strayhorn

W. R. Cole this week has sold 9 lots in the Cole and Strayhorn addition. These lots are bringing from \$400 to \$500. The following bought lots: W. R. Wright, one lot; H. F. Green two lots; Frank Knaus one lot; A. C. Romana one lot; Big Spring Hardware Company four lots.

Fine Plums At Nabor's Farm

F. F. Nabor's brought in a little twig from a plum tree on which forty well developed plums were clinging. They were just about as thick on the twig as could be and resembled a bunch of grapes. They are the Golden Beauty variety and have not made a failure during the two years they have been bearing. These plums do not ripen until fall. He has twenty-five trees, and most of them are literally over loaded with fruit.

T. J. Good Trades Home Property

Tom Good this week traded his home property at 1101 Johnson St. to Dr. G. T. Hall for his brick residence on South Scurry Street. Mr. and Mrs. Good will move into their new home within a short time, so that their children can attend the Big Spring schools.

An Oil Well In Which All Are Interested

City of Big Spring Will Be Lucky If Well To Be Drilled On Section 17 Is A Gusher

Well To Start Soon

City Is To Share In Half The Royalty and To Get Additional Lease Money If Venture Succeeds

Big Spring may become a taxless city if all goes well with an oil test to be drilled just south of our city and on a section of land in which the city has a half interest in the royalty of 640 acres as well as in half of the lease. Long Beach Calif. and a few other cities have had such luck, so why shouldn't Big Spring.

On or before September 26 a test well is to be drilled in the northeast corner of section 17 block 32 township 1 South by Worth B. Andrews and George McCamey, well known independent operators of Fort Worth.

The section on which the well is to be drilled was purchased by the city in order to add to our water resources and many of our best wells are in this section. The City sold the surface to Joe B. Neel and retained the water rights. In the sale it was stipulated that Mr. Neel could not lease for oil nor permit an oil well to be drilled. By an agreement between Mr. Neel and the city the city secures an undivided one half interest in and to all oil, gas and other minerals in and under or that may be produced from all of section 17 block 32 township 1 S.

Following is about the substance of an agreement to secure an oil test on this 640 acre tract:

The Mayor of the City of Big Spring is authorized and ordered to execute an oil, gas and mining lease supplemented by a drilling contract on this tract. Said lease shall and drilling contract shall be executed on behalf of the City of Big Spring and shall be made to Worth B. Andrews and George McCamey. The lease shall be for a cash consideration of \$3200. In addition the said lease shall also provide for a further consideration of \$25 per acre to be paid out of oil from the first well producing 100 barrels of good pipe line oil daily sixty days after coming in for production.

Said drilling contract shall obligate leasee to drill a test well to a depth of 3250 feet unless oil in paying quantity is found at a lesser depth. Drilling is to be started within sixty days from July 26 1928.

The City water strata must be protected by setting casing as directed and found necessary by the City Manager.

Boy, won't it be great if this well does come in for production? Anyway it is one we are all interested in and we can all hope for its success.

Sheriff's Dept. Arrests Two

The Sheriff's Department on the request of Eastland county officers placed Lenora Wilson under arrest of automobile theft. Tomas Ortiz a Mexican youth was placed under arrest on a charge of robbing a T. and P. boxcar.

U. S. Grand Jury To Consider Mail Fraud

Approximately 30 cases will be presented to the special U. S. grand jury which will convene on Monday, according to Alex Mool, assistant United States district attorney.

New Dodge Delivery Truck At Laundry

A new Dodge delivery truck has been purchased to replace the old Ford truck, in service for the past few years and was put into use at the Big Spring Laundry Company in this city Wednesday. This is the second new Dodge delivery truck that the proprietors of the Big Spring Laundry Co. have recently purchased. They continue to keep in line with the growing business, by getting the best of everything to assure their customers the very best service at all times.

Senator Curtis Talks Farming In New York

Syracuse N. Y. Aug. 28 AP.—Republican efforts on behalf of Agriculture during the seven year post war administration was detailed today by Senator Curtis Republican vice presidential nominee and compared with the position of the Democrats in Congress, particularly on the tariff. Speaking at the invitation of the American Farm at the New York State Fair assembly the Kansas senator confined his prepared remarks principally to the agricultural situation.

Mrs. Lula J. Throop Claimed By Death

Many hearts are saddened at the death of Mrs. Lula J. Throop wife of A. G. Throop, who passed away in Wichita Falls, yesterday afternoon at 2 o'clock. The remains will be brought to this city this evening on the 7:45 passenger train, accompanied by her daughter, Mrs. Tom Ashley. Funeral services will be conducted from the family residence on South Scurry Street tomorrow afternoon at 3 o'clock.

Deceased is survived by her husband one son, Johnson Throop and one daughter, Mrs. T. W. Ashley, all of this city.

Mrs. Throop was a kindly Christian woman loved by all who knew her. She was ever ready and willing to lend a helping hand to those in need, and her life is marked with deeds of kindness, spreading joy along the pathway of life. Her passing brings sorrow to all who knew her.

Heartfelt sympathy is extended to the bereaved ones in this sad hour.

Pipe Line To Be Completed This Week

Refinery Will Be Ready For Operation When Connection Is Made With Merrick and Bristow Lease

Storage Tanks Ready

Refinery Located One Mile West Of Big Spring To Be Known As Big Spring Refinery

It is thought that the Big Spring Pipe Line Company will complete the work on the pipe line from the refinery site of the Big Spring Refinery Company, one mile west of Big Spring to the Merrick and Bristow lease 15 miles southeast of Big Spring the latter part of this week. Rapid progress has been made on this work, with a crew of fifty men laying the pipe line and if nothing checks them in their work they will complete the line to the field by Saturday night, it is reported.

As soon as the connection is made the Big Spring Refinery will be ready for operation it is said. The owners and operators of the refinery are in Big Spring and are ready to start operation as soon as everything is in readiness.

The storage tanks have already been erected at the refinery site one mile west of Big Spring. The following tanks are already to receive the oil:

Two 10,000 barrel tanks, one 5,000 barrel tank, ten 600 barrel tanks, two 250 barrel tanks.

Rev. and Mrs. Owen Return From Vacation

Rev. and Mrs. R. L. Owen and children returned yesterday afternoon from a month's vacation trip to Albany, Ellenville, Troup, Tyler Mount Pleasant, where they visited with relatives and friends. Brother Owen reports a delightful time, with plenty of good things to eat, such as roasting ears, fresh peas, fried chicken, peaches, watermelons and cantaloupes. He states that conditions in East Texas are good and their crops are fine however they do not look as good as West Texas, Brother Owen said.

Sales Of McDowell Heights Property

J. B. Shockey reports the recent sale of the following lots in McDowell Heights Addition. Two lots to M. Segal; two lots to Sam Fisherman; two lots to Ben Allen. All these purchasers plan to erect residences on the lots purchased.

Half Of Wells In Winkler Co. Showing Water

One-half of the wells in the Hendrick field Winkler county Texas, were making water on August 1. At that time there were 285 producing wells, of which 143 were water makers.

Mother-in-law of Mayor Walker Is Dead

Clinton Iowa, Aug. 27 AP.—Mrs. Etta Allen mother of Mrs. James Walker, wife of the mayor of New York, died here today.

Manager Of Acorn Store At Midland Visits In Our City

J. P. H. McMullan of Rogers, Arkansas, newly appointed manager of the Acorn store Inc., at Midland has arrived in Big Spring and will spend several weeks in this city. Mr. McMullan will remain in this city until the Midland store is ready to have its opening which will be the latter part of September. Mr. McMullan was formerly in business for himself at Sweetwater and has also worked in Dallas, Texas. He has been working for Charles Broadway, Rous, Inc., owners and operators of the Acorn Stores the past 17 years.

J. M. Morgan Gets Contract For Hospital

Estimated Cost of Building Is Given as \$77,000. To Be Built of Finest Materials; Fireproof

Work to Start at Once

A. P. Kasch, Local Contractor, Was Awarded Contract for Plumbing and Heating

The J. M. Morgan Construction Co. was awarded the general contract for the construction of the new hospital for Drs. G. T. Hall and M. H. Bennett. Out of the sixteen contractors bidding Morgan was the lowest at \$77,000.

A. P. Kasch received the contract for the plumbing and heating. The contract for electric wiring is yet to be awarded.

Bids for the building were opened Tuesday afternoon at 2 o'clock in the offices of Drs. Hall and Bennett in the First National Bank building. Figures were way out of sight, so it was necessary to make a few changes to come within the bounds, but no great change was made. A few finishings in the interior, change in block system, and the installation of an electric elevator were the only deviations from the original plans.

Work on the building will start immediately, it is announced. A crew of men will start the excavations Monday morning. The building will be rushed to completion.

This building will be built of brick, a modern fireproof structure to be constructed of the finest materials that money can buy. It will be two stories and a half high, the steam heating equipment to be installed in the semi-basement. The building will be 128x86 feet.

Terrazo floors will be constructed throughout the building, even in the rooms of the patients. There will be space for thirty-five beds, with the majority of them private rooms.

The plans for this modern hospital were prepared by the firm of Peters, Haynes and Strange, architects of Big Spring and Lubbock.

The site for the hospital is an ideal one, at the corner of East Ninth and Goliad streets, as it is the highest point within the city limits, and a beautiful view of the city and surrounding country can be secured from this site. The building will occupy an entire city block of land, block 75, which will enable some beautiful landscaping to be carried out.

Pipe Line Work To Be Carried On From Here

A contractor with the job of completing a 65-mile stretch of line for the Humble Pipe Line Company is establishing an office here and will conduct operations out of this city. The line is being built from the oil fields to the southwest of us on to the Gulf. It will not come nearer than twenty miles of Big Spring but this city was selected as a center from which to carry out this big building operation on this portion of the pipe line.

\$10,000 Paid For Land In Howard

SAN ANTONIO, Aug. 28.—Glascock Brothers (Lionie and Gus) of San Antonio who purchased 475 acres in section 3 in Howard County after holding it for a month have sold 297 acres for total consideration of \$37,000 of which half was paid in cash and half paid in oil. The purchase price is understood to have been \$10,000. A further sale of three-fourths interest in \$0 acre of the remainder was made to Witherspoon Oil Company of San Antonio, the consideration not made public.

The enchantment in the value of the lease is due to the McInley well that came in some days ago, west of the Roberts-Chalk pool.

Out of the 475 acres purchased by the brothers, 160 acres were sold to California Oil Company at \$800 an acre and 137 acres were sold to Louisiana Oil and Refining Company for \$800 an acre.

Another important lease sale was the purchase of Roxana of 100 acres from Hart Phillips out of section 23, block 33, two and a half miles southwest of the McInley well for \$25,000 or \$175 per acre.

Meriwether Test Is Considered Important One

Oil Field Will Be Extended Ten Miles If This Test Comes In For Production

Will Drill In Wed.

All Preparations Being Made Looking To This Well Coming In A Big One

When you come right down to brass tacks the drill is the only real factor in the bringing in of an oil well and along about Wednesday the drill at the Meriwether Oil Company's test on the L. S. McDowell ranch about twenty miles south of Big Spring will tell the story as to whether that company has opened up a new oil pool or whether they missed the pay.

The officials of the Meriwether Oil Company and the drillers are just as confident they are to bring in a big well as it is possible for men to be confident that the sun will rise tomorrow.

They are basing their confidence on the formations encountered as compared to the formations in the old General Oil Company's McDowell No. 4 which picked up to true oil sand at 3780 feet. The present well shows the formations to be running just a little higher than in the former well so the chances for encountering the pay are better than if they had drilled right alongside the well which picked up the showing years ago.

The officials of the Meriwether Oil Company are so certain they are going to drill in a big well that they are proceeding with the utmost care and are not to overlook a single detail to insure the well being brought in as a producer should; with a control head in place and provision made for storage.

The casing has been set in cement to insure the elimination of all water troubles and this will be permitted to remain undisturbed until it is certain the cement has hardened sufficiently. The casing was set at 3785 feet, just forty feet above the point where they expect the drill to penetrate the big pay. They are counting strong on the oil sand being found at a depth of 2775 feet.

The officials and drillers on this test are the most optimistic crowd you ever encountered, and they will convince you that there is not one chance in a thousand for them to miss bringing in a commercial well. They actually believe it is going to be bigger than any well yet brought in in the Big Spring area.

It is certainly going to mean much to Big Spring to have this well brought in a commercial well as it would mean a ten mile extension of the present oil producing area.

Every citizen who was here when the General Oil Co., and later the Gulf Production Co. were operating in the McDowell ranch territory, know there is oil in that section for we have seen it produced from the 2565 and the 3100 foot depths and many are aware of the oil sand found at the 3780 foot depth.

The citizenship certainly hopes the Meriwether Oil Co. hits a big gusher when the drill is sent on down next Wednesday.

The Meriwether Oil Company's test is going to be watched by home folks and representatives of the big oil companies when drilling is started the day after tomorrow.

The citizenship certainly hopes the Meriwether Oil Co. hits a big gusher when the drill is sent on down next Wednesday.

The Meriwether Oil Company's test is going to be watched by home folks and representatives of the big oil companies when drilling is started the day after tomorrow.

Half Of Wells In Winkler Co. Showing Water

The Automatic Traffic Signal Light Needed

Suggested That One of These To Traffic Be Installed At Our Busiest Intersection

Reckless Drivers

Are Willing To Die Up The City Is Not Willing To Make This Improvement

citizens of Big Spring have considerable sums to invest in Big Spring, some quite foolishly we wouldn't make a very big error in regarding a little extra at least one automatic traffic signal light in Big Spring, at the intersection of Main and 11th Streets. It only as a means of learning to observe safety. The present stop signals are worth a whole lot and reckless drivers won't be able to by their alibis so easily. The time you can't tell whether an approaching driver is going to stop or go is a star gazer. He will plead he didn't see the signal light staring him in the face he won't be able to get out such a flimsy lie.

It will be worth a great deal to have the stop signal apply on both 11th and 13th Streets as a protection to the pedestrian. Eventually the city is going to be compelled to install the automatic signal light and a little instruction as to working could be installed for people while we wait for final installation.

The city does not care to incur the expense it is quite certain that enough citizens are inclined to insure securing a sufficient sum to pay for one signal light.

Big Spring Is Declared A Clean City

Greatest Hazard To Big Spring Is Lower Main Street and Auto Camp, According to Mr. Jorgenson

Far Above Average

One Hundred Seventeen Places Treated for Rats, Sanitary Conditions Declared Good

Embodied in the report to the local officer, Dr. M. H. Bennett, by the manager of the crew which has just completed a war on rats in Big Spring is the following statement under the heading "Sanitary Conditions":

Far above the average inspection was made of about 160 properties with only one case where conditions were bad in food product line. We can truthfully say that this is one of the cleanest cities in this respect ever worked in many years, according to Mr. Jorgenson, manager of the crew.

Again, under "Cooperation" could not have been better, many places making preventative treatment where infestation was not evident.

"I do not know who is responsible for the gratifying conditions found in your city as to sanitary conditions, but it seems that credit must be given to all concerned. Big Spring should be pleased that they have as efficient a health officer as Dr. Bennett and Dr. Bennett should be pleased with the cooperation he gets along this line. The real test, regardless of fine theories comes when a thorough survey is made such as we have just completed," said Mr. Jorgenson today and furthermore the cooperation we received shortened our work at least ten days, it has been very pleasant and we will be glad to come to Big Spring again when conditions warrant it.

Oil Development Will Show More Activity

Up to the present the main work on hand has been in an effort to determine the extent and trend of the oil field south of Big Spring. Not until last Saturday was there an outlet for the oil produced from the 2500 and 2900 foot horizons. Now that permission has been granted by the umpire to run fifty percent of the potential production there will be an added incentive for more wells to be drilled. As the new producers increase the potential production the amount of oil which can be delivered for pipe line will be increased.

The Roxana Petroleum Company is now prepared to take the oil that is available and along about Sept. 15 the Humble Company will have a pipe line to the Howard, Glasscock county field.

A Name For The Office Bldg.

About one hundred names for the new six story office building have been suggested and are now ready for the judges to make a selection.

No date has yet been set for the selection of the name and awarding the \$50 prize.

Mrs. John Whitaker left this morning for a visit with her parents and friends in Waco.

ACADEMY OF OUR LADY OF MERCY

(Stanton, Martin County, Texas)

A select boarding and day school for the practical and refined education of young ladies and little girls, also for boys under twelve years of age.

Studies will be resumed Tuesday, September 4th, 1928.

U. S. Civil Service Examinations

An open competitive examination under the rules of the U. S. Civil Service Commission is announced for the position of Assistant Postmaster in the post office of Big Spring, Texas. Receipt of applications will close Sept. 28, 1928.

Applications for this examination must be made on the prescribed form which with necessary instructions, may be obtained from the Commission's local representative, local secretary, at the Big Spring, Texas, Post Office or from the undersigned.

All persons wishing to take this examination should secure blanks and file their applications with the undersigned prior to the hour of closing business on the date above specified.

The date for ascertaining of competitors will be stated in the admission cards mailed applicants after the close of receipt of applications.

Secretary Civil Service District, Address, Secretary, Tenth U. S. Civil Service District, New Orleans, La. 62-1T.

Rail Officials Sign Agreement For Viaduct

Just as Soon as Drafting Department Completes Tracings, Plans to Be Submitted

Hiway Dept Approval

It is Hardly Possible That Construction Work Will Be Started Before 60 or 90 Days

The contract between the City of Big Spring the County of Howard and the Texas and Pacific Railway Company has been signed by all parties so it is now an assured fact that the viaduct is going to be constructed.

Owing to the fact that there is much yet to be done in the way of completing the plans and specifications, securing the approval of the State Highway Department and advertising for bids. It may be that the construction cannot get underway until after the first of the coming year.

Before proceeding further it will be necessary to submit the plans and specifications to the State Highway Dept. for their approval and it will be three weeks before this will be possible.

The engineering department of the Texas and Pacific Ry. Company advises that there will be in all, seventeen sheets of drawings required for the guidance of the contractor in the construction of the viaduct. These have been completed in detail, but tracings have yet to be made of fourteen of them. This will require about three weeks immediately afterwards they will be submitted to the State Highway engineer for his approval.

The next step thereafter will be to advertise for bids for the construction of the viaduct. The bids must be published for a period of four weeks, and the advertising for bids cannot start until after the plans and specifications have been approved by the State Highway engineer, the city and county.

When you sum it all up it will be at least 60 days before it could be possible to complete all the details and 90 days would be a nearer estimate.

This delay will probably be better after all and no one will kick after the first of the year since it would work a hardship on so many cotton farmers and others if the crossing near the compress were obstructed or blocked during the busy fall season.

But every citizen in the county will be pleased to know that the dangerous railway crossing is going to be eliminated and we can afford to patiently wait a few months because of this knowledge.

Man Painfully Burned By Flaming Gasoline

G. C. Papanan aged 18 years was painfully burned about 8:30 o'clock Monday night in the oil field 18 miles southeast of Big Spring.

Papanan who is from Lawn, was visiting his brother, Claud Papanan, who is with Sam Childress' drilling crew. They were on the Hyer lease north of Ross City when the accident occurred. The young fellow tripped on an electric light line and a light bulb was smashed as it struck a bucket of gasoline, setting same on fire. Papanan attempted to pick up the bucket of gasoline to throw it away and in so doing spilled a quantity on his leg and arm, causing severe burns.

He was brought to Big Spring to be given medical attention.

Boy Scouts Troop No. 2 To Have Meeting

All scouts of troop No. 2 are urged to be present next Friday night. Tests will be the order of the day. Boys desiring to take tenderfoot tests will be given the chance. Don Yarbrough will hear all tenderfoot tests. Boys desiring to take Second Class tests will be in charge of James Butler.

Boys desiring to take First Class tests will be in charge of Haskell Rogers.

Second Class boys desiring to take merit badge tests as prescribed for such will take tests under Scoutmaster Claude Wingo.

All First Class boys desiring to take Merit Badge tests will take the work under Herbert Wilson, Eagle scout and Assistant Scoutmaster.

Friday Sept. 7 will be hike night. Roast hen will be on the spit that night. All boys desiring to participate must have a good excuse or else attend meeting this coming Friday night, else they will not be eligible to attend the roasting.

Dues must be paid first Friday night each month. 25c per month will be the dues beginning September 1, 1928.

Claude Wingo, Scoutmaster.

Howard County Election Results

With All But One Small Box Having 40 Votes, the Results of All Races in the County, Except One Are Known

With fine weather prevailing and considerable interest in a number of local races the turn out for the run-off primary Saturday, caused over 2,000 voters in Howard county to go to the polls.

This is almost as many as voted in the regular primary in July.

The senatorial race was the only close one among the state offices.

John G. Whitaker defeated Metcalf three to one here but Metcalf carried Tom Green County by 1161 votes and Reagan County by 27.

Judge Fritz R. Smith has won reelection apparently as he received 1039 to 2051 for Judge Mauzey in Nolan County.

Sheriff Frank House was defeated for reelection by Jess Slaughter by about 400 votes.

Miss Cantrell was elected County Superintendent. J. F. Ory was elected Public Weigher of Precinct 1; Pete Johnson was elected commissioner of Precinct 2. The vote for constable is very close with one box yet to hear from. The vote stands, Williams' 241, Cavnar 219.

100 Room Annex To Crawford Be Built Soon

A. J. Crawford Has Architects Busy On a 100-Room Annex To Crawford Hotel

To Cost \$250,000.00

Work To Be Authorized As Soon As Plans Are Completed, and Bids Are Submitted

A. J. Crawford, owner of the Crawford Hotel is certainly planning to build a five-story hotel. Next he agreed to add two stories if Big Spring gave evidence of needing additional hotel facilities by the time the five stories were completed.

Big Spring did need the additional facilities, and Mr. Crawford added the two additional stories to give the hotel a total of 150 guest rooms.

He promised if Big Spring continued to grow, to build an annex to the Crawford.

Big Spring continued to make good, and now Mr. Crawford is going to make good. He has expended approximately \$23,000 on the Crawford, but he says the investment is justified and he is willing to spend from \$200,000 to \$250,000 on the annex. Furthermore, he is willing to have work started just as soon as the architects can complete plans and specifications—and contractors can submit their bids for construction.

Until the architects complete their work it is not possible to say just how the new addition will be arranged.

It is believed, however, that the annex fronting on Scurry street will be seven stories high. Entrances to a lobby, much larger than the present one, will be from Third street and Scurry. The present lobby will be arranged for a business space. A large lobby and a mezzanine floor will be arranged in the new building, as will also a large dining room and banquet hall. The 109 rooms will be needed long before the annex can be completed.

The Crawford has been turning patrons away most every day because of the lack of additional rooms—and it is in this state of affairs which is causing Mr. Crawford to get busy.

The Crawford Hotel is winning friends for Big Spring every day; the hotel is a credit to a city many times the size of ours, and we are indeed delighted that the Crawford Annex is assured. A. J. Crawford has demonstrated his faith in Big Spring as no other citizen has, and our people should certainly back him up most loyally.

Applications for this examination must be made on the prescribed form which with necessary instructions, may be obtained from the Commission's local representative, local secretary, at the Big Spring, Texas, Post Office or from the undersigned.

All persons wishing to take this examination should secure blanks and file their applications with the undersigned prior to the hour of closing business on the date above specified.

The date for ascertaining of competitors will be stated in the admission cards mailed applicants after the close of receipt of applications.

Secretary Civil Service District, Address, Secretary, Tenth U. S. Civil Service District, New Orleans, La. 62-1T.

ACADEMY OF OUR LADY OF MERCY

(Stanton, Martin County, Texas)

A select boarding and day school for the practical and refined education of young ladies and little girls, also for boys under twelve years of age.

Studies will be resumed Tuesday, September 4th, 1928.

For information, address Mother Superior,

Again Working This Territory
The geological crew of the Roxana Petroleum Corp. under the management of G. W. Lord, is again here, having moved their camp here the first of this week from Lovington, where they have been located for the past few months.

This crew of 12 men spent several months in Gaines County previous to going into New Mexico, and most of these men are well acquainted here owing to their former stay in this vicinity.

They are at present working in the extreme southeast portion of this county, and expect to be here about two months.—Seminole Sentinel.

Looks Over Prospects In Big Spring
Charlie Sullivan of Weatherford Texas, District Attorney spent the week end in Big Spring looking over prospects in this city in view of locating in Big Spring. Mr. Sullivan states that things look mighty good to him here and we have wonderful prospects of growing into a real city.

Secure Pipe Line Right Of Way
The Shell Pipe Line Co. was granted a right of way for a pipe line across section 122 and 123 in block 29 W. and N. W. survey by Mr. and Mrs. E. W. Douthett.

The Roxana Petroleum Corporation was granted a right of way for a main gravity pipe line across section 156 and 126 block 29. "A" gathering line across section 136 and section 157, block 29; "B" gathering line across section 157, block 29 and C gathering line across sections 156, 157 and 136, block 29 W. and N. W. survey by Mrs. Dora Roberts.

EXPRESSION OF THANKS
To the Voters of Howard County:
I wish to express my sincere appreciation to each and everyone who cast his vote in my favor in the run-off primary on August 25. I am thankful for the confidence you have placed in me, and I will try to show my appreciation by rendering you A-1 service as Constable of Precinct No. 1. Let me again express my thanks to each and everyone of you.
Your friend,
JOHN WILLIAMS.

Big Tulsa Firm Locates Branch Plant Here
Another oil field equipment concern will open a branch in Big Spring with the announcement this morning that the Tulsa Rig and Tulsa, had leased a site on south Reel and Manufacturing Co. of Scurry Street on the opposite side from the Harlan Tank Company's location in the south part of town.

The Tulsa Rig Reel and Manufacturing Co. will stock rig patterns and lumber for every character of oil field building. They will also carry a stock of building material for the construction of houses for the field. This firm also has the agency for the American Steel Derrick, and will carry a complete stock of drilling and pumping equipment.

Rush Fields will be the manager of this branch. Ray Simmons will represent the sales end of the American Steel Derrick.

Leas and Wheeler Wildcat North Of Town To Build Rig
The well Wheeler Saturday morning will start moving in rig for this wildcat well in the center of the northwest quarter of section 7 block 26, north, T. and P. seven miles north of Colorado.

The road to this well was worked Thursday afternoon. By Friday night the road will be in good shape and work of moving in the rig will go forward.

This well is to be a deep test, seeking the Cisco or sweet oil sand, and will be watched with great interest.

Henley Machine Shop Is Robbed
A thief or thieves entered the Henley Machine Shop on East Second and Benton Streets sometime during the night Saturday and got away with tools estimated to cost \$150. The person or persons entered the shop are said to have gained entrance by tearing off a screen and breaking the glass in one of the windows. Besides a number of small tools the thief also got away with a small electric drill.

This is the second time that this machine shop has been burglarized this summer. In June, the shop was entered and a thief got away with some sledge hammers and other valuable tools.

W. C. Henley proprietor of the shop has reported same to the law. Fingerprints have been taken and it is believed the guilty parties will be located.

Mrs. J. F. Stockton and granddaughter Miss Elizabeth Northington, returned Monday night from a three months visit with relatives and friends in Bowling Green Kentucky.

At Big Spring Are Completed
The San Angelo Telephone Co. this week is completing three talking circuits to Big Spring and has increased facilities westward to the extent that it now has three new talking circuits to Barnhart, and is arranging for another one to Barnhart and a total of four to Ozona.—San Angelo Standard.

Back to Normal
Tetarkana, Texas—"I was in a serious condition of health when I arrived at middle life and as I had heard of so many being wonderfully benefited by Dr. Pierce's Favorite Prescription at that age I decided to try it. It proved to be the proper medicine and I cannot praise it too highly for the benefit I received, or it relieved my aches and pains—saved me a lot of suffering, and set me in good health which I still enjoy."—Mrs. G. E. Shipp, 307 Oak St. All druggists, Tablets or liquid. Send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial of the tablets and write for free advice.

HILLS BROS COFFEE
The secret in making gravy is to add the liquid to the browned flour a little at a time so you can stir up a smooth mixture. Nothing more than control! Hills Bros. similarly control the roasting of their coffee by roasting only a few pounds at a time, by their patented, continuous process. A rich, uniform flavor is always developed because every berry is roasted evenly.

More New Than Old Homes In Big Spring
By C. T. WATSON, Special Correspondent.
Big Spring, Aug. 26.—The year 1928 has been the banner one in the history of Big Spring for building. A recent survey of the city showed there were more new residences than old ones. During the past two weeks more than 30 new homes were started. They are of the better built type, most of them being in restricted additions, averaging from \$4,500 to \$10,000.

The business district has expanded in all directions and new brick business houses are being built to care for the increasing demand for more business concerns seeking locations here.

During the past two months many oil well supply houses have made locations and are erecting warehouses etc. Three lumber yards have been added to the list within the last six months.

Three refineries and possibly the fourth will be built near Big Spring within the next few months. They will be erected by Groff and Peterson, who have a plant ready for operation by Sept. 1. Cosden and Co. and W. B. Richardson will erect refineries three miles east of town. The fourth will probably be built by Reece Allen, who has signified that he will come in, but has not made location. These refineries will give an outlet for approximately 15,000 barrels of oil daily produced from the Howard Glasscock County pools 12 miles southeast of Big Spring.

Work is going forward on pipe lines from the gathering station on section 129, block 29, to the Cosden refinery site. The Big Spring Pipe Line Company is constructing a line from the field to the Groff & Peterson site.

Loaded Truck Backs Into Sedan
A large truck belonging to the Texas Electric Service Company loaded with poles backed into the Buick sedan of Victor Mellinger at noon last Saturday and damaged the sedan considerably. The truck was a chain drive, and as it was proceeding up the hill near the Mellinger home one of the chains broke and the truck began to back down the hill. As a number of autos were following the truck, the driver attempted to turn his big truck out of the highway to avoid hurting anyone and in so doing his truck backed into the car which was parked in front of Mr. Mellinger's home.

The driver of the truck was in no way to blame as he could not control the truck after the chain drive was put out of commission.

Drilling On Pond Well Near Spade
Work on the Mrs. M. S. Pond well of E. P. Campbell and Co. southeast quarter of section 79, block 27 south near Spade, is to continue Friday and Saturday. The well was shut down first of the week on account of illness in the driller's family.

The C. E. Way well of W. V. Thraves 1-2 miles east of Spade is expecting to start drilling again in a few days after a long fishing job. This well is down 2,500 feet.

One Outstanding FACT

What you get in a lot of Tire Advertising these days is plain, unadulterated Bunk. More Miles—Longer Wear—Better Made—Purer Rubber—Secret Processes—and so on and so forth—a lot of generalities that anyone may claim.

But, when you come to pay out your money for tires, you want facts.

And there is one fact so overwhelmingly outstanding that no intelligent buyer can overlook it.

It is this:

MORE PEOPLE RIE ON GOODYEAR TIRES THAN ON ANY OTHER KIND

Goodyear Tires have proved best in the experience of millions.

Proved best upon the road where claims are judged by results.

For that reason, Goodyear makes more tires every year than any other manufacturer. A leadership that has been maintained for ten years.

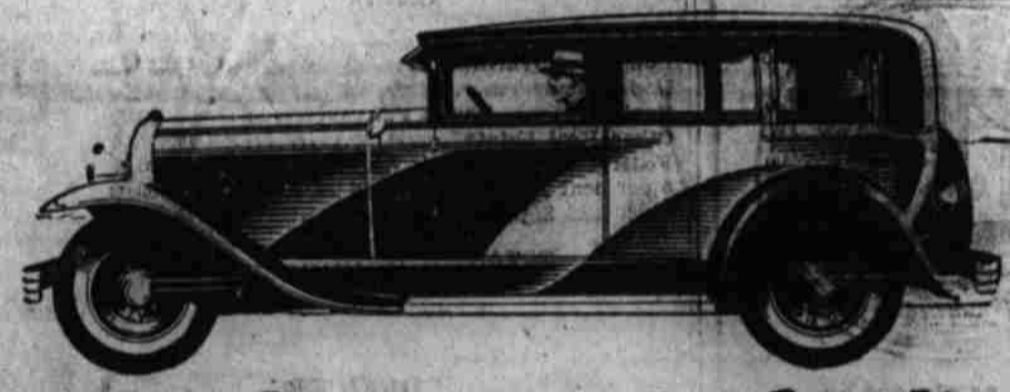

And our service is on a par with Goodyear quality. We help you get out of Goodyear Tires all the mileage Goodyear builds into them.

Such supremacy is not won by chance. It has not been gained by making an ordinary good tire. It has not been held by trick selling methods nor service that is not satisfactory in every respect.

The secret of Goodyear leadership is known to the millions who ride on Goodyear Tires.

If you haven't discovered it yet, come in and see the new Goodyears.

New high pressure fueling ... and New high speed carburetion

Supplementing the amazing abilities of Buick's improved Valve-in-Head engine—providing brilliant new efficiency and effectiveness at all engine speeds—are two wonderful new Silver Anniversary Buick features.

A new high-pressure gas pump—completely eliminating the old-fashioned vacuum tank—assures a steady flow of fuel under all driving conditions; and a new high-speed carburetor—the most expensive employed on any motor car—produces unrivaled ease of starting, smooth operation and maximum economy.

The world-famous Buick Valve-in-Head engine—with these two engineering advancements—attains the highest degree of efficiency of any automobile engine of the day... and attains that peak efficiency with any grade of fuel—low-test, high-test or in-between!

Hair-trigger acceleration! Dazzling new swiftness! Matchless hill-climbing—unrivaled ability to maintain a high pace hour after hour and day after day—these are not mere phrases but definite, authentic abilities of the Silver Anniversary Buick.

Take this new Buick out on the highway. Test it to the limit. Learn at the wheel the whole wonderful story of its new engine—new high-pressure fueling and new high-speed carburetion. Prove to yourself—it's the great car of the world!

"PROHIBITION AS WE SEE IT"

In a report, "Prohibition as We See It," the Church Temperance Society, which antedates by forty years the adoption of the Eighteenth Amendment, sums up the results of a Nation-wide poll of clergymen of the Episcopal Church of the United States. In effect, it affirms the action of the society in December, 1925, in favor of "such a modification of the Volstead act as would make that act truthful and bring about more sobriety and greater respect for law in general."

From the replies of Episcopal clergymen as received in answer to a questionnaire distributed last year, the plain conclusion is that not only is prohibition a failure as a national measure, but it has delayed and defeated the progress of temperance, the promotion of which for half a century has been the purpose of the society's existence. Of the clergymen who replied to its questions, 72.2 per cent said that prohibition was not a success in their locality, 27.8 per cent held to the contrary; 63.2 per cent replied that the law had been in effect long enough to have a fair trial, 36.8 per cent registered "No," that the Prohibition Law was the best solution for the temperance problem, 78.8 per cent voted "No" and 21.7 per cent, "Yes," 67.4 per cent stood for the modification of the Volstead act.

INVENTIVE WOMAN

In the last five years the increase in inventions by women has been 35 per cent, according to figures released by the Children's Bureau of the Department of Labor. During the same period, inventions by men increased only 17 per cent.

While it is true that inventions by women constituted only 2 per cent of the whole, the important point is that the women are gaining in gas inventors on their male competitors.

There is nothing to do, we suppose, but for the men to feel aggrieved about it.

AMANULLAH THE CAUTIOUS

When Amanullah, king of Afghanistan, came to London the British gave him a grand time. They showed him the most modern things in their army, their navy and their air gave him the best in the shop.

For, you see Afghanistan is an important force. They wined him and dined him. They state. It borders on India and it pays England to have a friendly king there.

But there is a big fly in the ointment. Amanullah had sick tonsils. And he betook himself to Berlin to have German doctors attend to them.

It was a victory for German surgery. The cautious Asiatic evidently thought he would be in more skillful hands there.

A LAND OF RURAL COMRADESHIP

The United States Department of Agriculture has just announced that last year 619,712 American farm boys and girls were enrolled in 4-H club work. Club work not only teaches better methods of doing farm work and house work, but it trains boys and girls in habits of cooperation, organization, friendship, and comradeship.

If your boys and girls were not among the 619,712 enrolled last year, why not at least resolve to enroll them in 1929?—The Progressive Farmer.

McNARY-HAUGEN PLAN INFLUENCES BUT DOES NOT FIX PRICES

One of the many objections to the McNary-Haugen bill given by President Coolidge in his most recent veto message is that it is a price-fixing measure. He says the farm board, for which the bill provides, is bound to arrive at the premium on the domestic price and that this figure would have to be fixed in the contracts made with cooperatives, millers and others who are interested with the handling of the surplus. Mr. Coolidge also says that in the previous McNary-Haugen bill, there was a definite yardstick by which prices were to be established, but it is omitted in this bill, and, therefore, there is no restraint on the board, and no limit to its power to inflate prices.

It is characteristic of Mr. Coolidge in his veto messages to charge that the McNary-Haugen bill will do certain things, and then a few sentences farther along say that it will do nothing of the sort. He says that the bill is price-fixing measure, and then immediately complains because there is nothing in the bill that definitely fixes prices. Of course

measure. It is hoped that its influence will force prices upwards, but it contains no provision for price-fixing as price-fixing is commonly regarded. In other words, the bill doesn't fix the price of cotton at 25 cents a pound regardless of supply and demand or wheat at \$2 a bushel regardless of the size of the crop. It carries a statement to the effect that "the price at which a surplus or any part thereof is to be purchased or disposed of under any marketing agreement shall not be fixed in such agreement, but all such purchases and disposals shall be made subject to the prevailing competitive conditions of the market in which they occur."

The bill does give the board the power to fix the price at which the surplus is to be purchased and it is expected that the price of the entire crop will then advance to that figure. However, the price to be fixed for the surplus will vary from year to year, according to conditions of supply and demand.—The Progressive Farmer.

GAS AND THE "NEXT WAR"

If you have been complacently taking it for granted that the United States will get into another war some day, and have not felt that such an eventuality was really worth worrying about, you might dig out a last week's newspaper and re-read the story of the explosion of a tank of phosgene gas in Hamburg, Germany.

Phosgene is one of the deadliest of the gases developed by chemists during the World War. It can be tossed onto a battlefield in shells fired by field artillery; or it can be dropped on cities and towns behind the lines by airplanes.

In Hamburg a tank of it accidentally exploded. The deadly gas began drifting through the streets like a sinister, maleficent fog.

Scores of people died as the gas swirled about them. Hundreds more fell unconscious and were taken to hospitals, where many of them are dying in agony. An Associated Press dispatch says:

"Cattle lay dead in the fields, chickens and ducks in the farmyards and dogs and cats in the city streets—mute evidence of the terrible death which crept through the sleeping city. Trees, grass and growing crops shriveled as the silent menace spread."

"A shift in the wind carried the gas to a pleasure resort where men, women and children, among them a wedding party, were making merry. Some fell unconscious from their chairs which were grouped about the table set for the feast. Promenaders dropped in terrible agony. Soon the cry 'poison gas' arose and panic reigned?"

Not a pretty picture is it?

Yet it is a picture that will be multiplied a thousand times in the next war. In the World War army leaders were just beginning to glimpse the dreadful possibilities of poison gas when hostilities ended; accordingly, nothing happened then that can remotely be compared with what will happen in the next.

Now this may be an argument for preparedness. It may mean that we should strengthen our navy and develop a great air fleet, so that we can defend ourselves against such attacks in "the next war."

But to our mind it means also that we should solemnly resolve to see to it that our country manages to keep out of that "next war." International conflicts in the future will be too horrible to contemplate. Let's keep our wits about us and avoid getting drawn into any.

Providing parking spaces adjacent to the business district will be in order when the time limit parking rule goes into effect. Right now Big Spring has more automobiles in comparison to her business district than have the biggest cities of Texas in comparison to their business district. We have a big problem to meet, and automobile owners and business men must work out the problem right.

MOM'N' POP

FRECKLES AND HIS FREIND

CITY MUST COOPERATE

The city is going to be compelled to cooperate with the county if the war on vagrants is to be carried forward. Making the loafers and crooks do some work on our roads

will cause them to seek another place for a hang-out. There has never been a city made prosperous by oil development which did not have to meet the problem of discouraging crooks and criminals. Once let them get well established

and organized and you will need the rangers to get them under control. Start now before they get too thick and let them know strict law enforcement is going to be the rule and we can control the situation. "Work or move," would be a good slogan.

To illustrate the increase in wealth and the industrial progress which our Country has achieved since 1880 the following data is interesting:
The United States is worth \$320,000,000,000, an increase of 4400 per cent since 1880. Railroad mileage has increased from 93,290 to 250,000 and value of manufactures from \$200,000,000 to \$10,000,000,000. We have developed a surplus of \$100,000,000,000. Such accomplishments are the results of individual ability.

28 New Locations Oil Tests Made

San Angelo, Aug. 27.—Twenty-eight new locations for oil tests in a dozen counties in the Permian Basin of West Texas were made last week, raising the total for the last eleven weeks to 291. The twenty-eight locations made last week is the largest number to be made during a seven-day period for some time. There were 25 the previous week in six counties.

One fourth of the locations are in Winkler county, which has set the pace each week. In recent months, but it was not enough to keep it in first place Howard county, probably the hottest spot in West Texas at this time, getting eight locations. Jones county got three and Pecos county got a pair. One location was made in each of Glasscock, Fisher, Dawson, Borden, Mitchell, Loving, Ward and Scurry counties.

Locations in Howard county are: Taylor-Link Oil company of San Angelo for its No. 1 Abrams, 330 feet from the south line and 2,310 feet from the west line of section 3, township 2 South, block 32, W. and N. W. Ry. survey; Magnolia Petroleum Company's No. 13 Roberts, 2,440 feet from the west line and 1,650 feet from the west line of section 136, block 29, W. and N. W. Ry. Co. survey; Coyle and O'cord No. 1-A Roberts 330 feet from the north line and 1,630 feet from the west line of section 156, block 29, W. and N. W. Ry. Co. survey; Marland Production Company's No. 1-G Clay, 250 feet from the south line and 2,390 feet from the west line of section 126, block 29, W. and N. W. Ry. Co. survey; Marland Production company's No. 8-A Clay, 250 feet from the north line and 2,390 feet from the east line of section 139, block 29, W. and N. W. Ry. Co. survey; Pure Oil Co. No. 6 Chalk 1,660 feet from the north line and 91 feet from the east line of section 125, block 29, W. and N. W. Ry. Co. survey; Witherspoon and Glascock's No. 1 Abrams, 330 feet from the south line and 2,970 feet from the west line of section 3, block 32, township 2 South, T. and P. Ry. Co. survey; and Glascock and others' No. 1 Abrams 310 feet from the north line and 970 feet from the west line of section 8, Township 2 South block 32 T. and P. Ry. Co. survey.

C. E. Hatch who has been on the sick list the past week, is reported to be feeling much better today.

Dalks Man Buys Royalty

Ms. Emma T. Davis sold to C. R. Bennett a one fourth interest in and to all oil, gas and other minerals in and under or that may be produced from the north half of the northeast one fourth of section 2 in block 32 township 1 S.

CITATION BY PUBLICATION
 To the Sheriff or any Constable of Howard County, Greeting:
 YOU ARE HEREBY COMMANDED TO SUMMON J. C. POWELL by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 32nd Judicial District, to appear at the next regular term of the District Court of Howard County, to be held at the Court House thereof, in Big Spring, Texas, on the 1st Monday in September, A. D. 1928, the same being the 3rd day of September A. D. 1928, then and there to answer a petition filed in said Court on the 30th day of July A. D. 1928 in a suit numbered on the docket of said Court No. 1245, wherein N. R. Smith is Plaintiff, and Madeline Smith is Defendant, and said petition alleges that on or about November 5th, 1924, plaintiff was married to defendant in State of California at City of Santa Ana, and continued to live with her at various places until February 28, 1927, which time said defendant left plaintiff and has not been heard from since. Plaintiff has been an actual bona fide inhabitant of the State of Texas for a period of twelve months and is held in County of Howard, where suit is filed, a period of six months last preceding the filing of this suit. Plaintiff would show to the court that during almost all of the time of the marriage, the defendant was dissatisfied with her home without any just cause therefor, and throughout said marriage life would leave and abandon plaintiff without any excuse or reason. That said plaintiff found some home from his work tired, sleepy and hungry and discover that his wife was gone. That this course of conduct on the part of the whole period of the marriage, the life of said plaintiff and defendant until February 28, 1927, when defendant finally abandoned plaintiff for all time. A short time after their marriage defendant without any cause and without any knowledge on part of plaintiff left him and was gone for two weeks and did not return until plaintiff went after her. Again in March, 1925, while living at Arkansas City, Kansas, defendant attempted to Elmore Fletcher, Robert McAfee again leave but was intercepted, and in July, 1925, she did again leave a plaintiff and went to State of California, plaintiff finding out where she was went to her in California and stayed in said State until April 1926. Plaintiff alleges that defendant would stay at home just a short while and then would leave without notice and without any just cause or reason for such leaving, and continued to act this way throughout the whole married life. On or about December 1, 1926, plaintiff secured employment with T. & P. Railway Company, for which company he is now working. Plaintiff wishing to live with his wife wrote to her on February 1, 1927, and sent her money to come to him and that she did come to Big Spring, Texas, on or about February 3, 1927, and stayed with this plaintiff until February 28, 1927, on which date she again left for parts unknown and plaintiff has not seen her since that time. Plaintiff alleges that the cause for this mania for leaving him is unknown to this plaintiff, that he has at no time provoked the defendant or has done anything to cause her to leave just as she is treating him in any such way. That the actions and conduct on part of said defendant has been humiliating and embarrassing to this plaintiff and that such actions and conduct constitute cruel treatment of such nature as to render their further living together insupportable.

Wherefore plaintiff prays that defendant be cited to appear and answer this petition and for judgment dissolving said marriage relations, costs of suit, etc.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Big Spring, Texas, this 30th day of July A. D. 1928.

J. I. PRICHARD, Clerk, District Court, Howard County, Texas. 46-11

No. 1250
CITATION BY PUBLICATION
 THE STATE OF TEXAS
 To the Sheriff or any Constable of Howard County, Greeting:
 YOU ARE HEREBY COMMANDED TO SUMMON J. C. POWELL by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 32nd Judicial District, to appear at the next regular term of the District Court of Howard county, to be held at the Court House thereof, in Big Spring, on the 1st Monday in September A. D. 1928 the same being the 3rd day of September A. D. 1928, then and there to answer a petition filed in said Court on the 7th day of August A. D. 1928 in a suit numbered on the docket of said Court No. 1250, wherein Mildred Powell is plaintiff and J. C. Powell is defendant and said petition alleging that plaintiff and defendant were married June 20th, 1926 and immediately thereafter defendant began drinking, would come home drunk, curse and abuse plaintiff, failed to work and support plaintiff, would give cold checks being arrested and confined in jail therefor, greatly to the humiliation of plaintiff and on October 1st, 1926, defendant came home drunk, abused plaintiff, said he did not love her and would not live with her and separated from and abandoned plaintiff since which date his whereabouts has been unknown to this plaintiff.

Defendant has been guilty of such outrageous and excessive cruel and ill treatment as to render their further living together insupportable.

Wherefore premises considered plaintiff prays that citation by publication issue to the defendant to appear and answer herein and on final hearing hereof the bonds of matrimony existing between plaintiff and defendant be dissolved and held for naught and plaintiff be given the care, custody and control of said child, Jenn Leavell, and for such other and further relief general and special in law and equity to which she may be justly entitled.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness J. I. Prichard, Clerk of the District Court of Howard County.

Given Under My Hand and the Seal of said Court, at office in Big Spring, this the 7th day of August A. D. 1928.

J. I. PRICHARD, Clerk, District Court, Howard County, Texas. 47-11

No. 1260
CITATION BY PUBLICATION
 THE STATE OF TEXAS
 To the Sheriff or any Constable of Howard County, Greeting:
 YOU ARE HEREBY COMMANDED TO SUMMON J. W. BROWN by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 32nd Judicial District, to appear at the next regular term of the District Court of Howard County, to be held at the Court House thereof, in Big Spring, on the 1st Monday in September A. D. 1928 the same being the 3rd day of September A. D. 1928, then and there to answer a petition filed in said Court on the 7th day of August A. D. 1928 in a suit numbered on the docket of said Court No. 1260, wherein Zeila Brown is plaintiff, and J. W. Brown is defendant and said petition alleging that plaintiff and defendant were mar-

ried January 9th, 1927, to which union was born one child, named Jenn Leavell, that shortly after the above marriage, defendant began absenting himself from home remaining out at night and keeping company with other women and when the defendant would return home would be intoxicated and would quarrel and curse plaintiff and failed to support the plaintiff, plaintiff being forced to support herself and said minor child, defendant separated from and abandoned plaintiff March 21, 1927 since said date plaintiff has not seen defendant and his whereabouts to this plaintiff is unknown.

Defendant has been guilty of such outrages, excesses cruel and ill treatment as to make their further living together insupportable. Wherefore premises considered plaintiff prays that citation by publication issue to the defendant to appear and answer herein and on final hearing hereof the bonds of matrimony existing between plaintiff and defendant be dissolved and held for naught and plaintiff be given the care, custody and control of said child, Jenn Leavell, and for such other and further relief general and special in law and equity to which she may be justly entitled.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness J. I. Prichard, Clerk of the District Court of Howard County.

 THE STATE OF TEXAS
 To the Sheriff or any Constable of Howard County, Greeting:
 YOU ARE HEREBY COMMANDED TO SUMMON Frank Ashley by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 32nd Judicial District, to appear at the next regular term of the District Court of Howard County, to be held at the Court House thereof, in Big Spring, Texas, on the 1st Monday in September A. D. 1928 the same being the 3rd day of September A. D. 1928, then and there to answer a petition filed in said Court on the 8th day of August A. D. 1928 in a suit numbered on the docket of said Court No. 1262, wherein Edna Ashley is plaintiff, and Frank Ashley is defendant and said petition alleging that plaintiff has been an actual bona fide inhabitant of the State of Texas for a period of twelve months and has resided in the said County of Howard for a period of six months next preceding the filing of these papers. That the defendant disregarding the solemnity of his marriage vow, and his obligation to treat the plaintiff with kindness and attention, within about a year after the said marriage began a course of harsh, tyrannical and unkind treatment which continued with very little intermission until the plaintiff finally separated from him on the 25th day of March 1928. On divers occasions while the plaintiff was living with the defendant as aforesaid, defendant was guilty of excesses, cruel treatment and outrages towards plaintiff of such a nature as to render their living together insupportable. On one occasion when the plaintiff had a new hat, the defendant tore up the hat, after falling into a violent rage, and told the plaintiff to "Get your G—d—self out of here. I am tired of feeding you." The defendant caught her arm, dragged her into the room and bruised and hurt her in a very cruel manner, under circumstances which showed a disregard for her life and health. Premises considered, plaintiff prays that citation issue by publication and on hearing hereof plaintiff be granted a divorce and for such other and further remedies and for costs of this suit.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Tom Connally Defeats Mayfield For U S Senate

Nearly 80,000 Voters Turn Out To Cast Their Ballot In The Run-off Primary, Connally Led

Heavy Vote Cast

The battle between Earle B. Mayfield and Tom Connally caused a heavy vote to be cast.

Last Saturday the battle of ballots ended the battle of mud and hot air and everybody seems satisfied that the best man won.

The one red hot race in the state was that between Connally and Mayfield.

Tom Connally was leading his opponent Earle B. Mayfield for the Democratic nomination for United States Senate by 55,718 votes according to the late returns received today by the Texas Election Bureau. It was disclosed by the reports from 219 out of 253 counties including 85 complete, that there was cast for the various candidates the following vote:

For U. S. Senate:
 Tom Connally, 202,677; Earle B. Mayfield, 206,961.
 Superintendent of Public Instruction: S. M. N. Mairs, 291,143; W. F. Garner, 217,103.
 Land Commissioner: J. T. Robinson 317,067; Ota Terrell, 179,962.
 In the race for Congress of the Seventh District K. Q. Lee of Cisco received 20,518 against 20,690 for Oscar Callaway of Comanche.
 In the race for Representative of this district Pentose H. Metcalfe of San Angelo seems to have defeated John G. Whittaker of Big Spring by 590 or 600 votes out of a total of 734 votes counted.
 The incomplete returns secured so far are about as follows:
 Howard County, Whittaker 1542, Metcalfe 438.
 Tom Green Co. Whittaker 1442, Metcalfe 2979.
 Reagan Co. Whittaker 267, Metcalfe 267.
 Sterling Co. Whittaker 64, Metcalfe 94.
 Irion County Whittaker 52, Metcalfe 93.
 In the Constable's race in Howard County John Williams defeated Will Cavanar.
 All other contests for county offices were evident from the early returns as printed in the Sunday issue of the Herald.

THANKS TO VOTERS OF HOWARD COUNTY

Friends, I wish to express to you my deepest thanks and appreciation for the goodwill which you have shown me. I am very grateful indeed that you saw fit to elect me as your county superintendent in the run-off primary last Saturday.

Now I want to prove myself worthy of the honor you have placed upon me by making you the best Superintendent that it is possible for one to make, and I can only with the co-operation of every one. The strong vote I received in the election last Saturday convinces me that I will have your cooperation and support.

It is my desire and purpose to do everything I can to help you in the upbuilding of your schools and communities. Feel free at any time to call on me for the assistance of which I might render you. I will be working for you, my time is yours; so call on me and let me be of service to you.

Sincerely,
 PAULINE CANTRELL

CARD OF THANKS TO VOTERS OF HOWARD CO.

I wish to express my sincere thanks and appreciation to the voters of Howard county of Precinct No. One, who saw fit to elect me to the office of public weigher, in this precinct in the recent run-off primary election. Since you have placed me in this position of trust, it will be my desire to fill the office with the best of my ability. I will work untiringly in filling the duties of this office in a business like manner. I appreciate the good will and confidence of my many friends. Let me thank you one and all.

Your friend,
 JOHN ORY.

EXPRESSION OF THANKS

To The Voters:
 I wish to take this method of publicly expressing my sincere thanks to each and every voter who cast his ballot in my favor in the run-off primary, August 25 for Sheriff and Tax Collector of Howard County. I appreciate the confidence you have placed in me and I can assure that I will work most earnestly to make you the best officer that you have ever had. I realize to do this, I must have the hearty cooperation and good will of the citizens of the county and I ask you, now, one and all to cooperate with me in the enforcement of the laws. Let me thank you each one, again for your loyal support.

Yours truly,
 JESS SLAUGHTER

EXPRESSION OF THANKS

To the Voters of Howard County:
 I wish to express to each one of you my deep gratitude and appreciation for your vote and influence in the run-off primary on August 25th. Now that the voters have seen fit to elect me as their commissioner of precinct No. 2, I will put forth my best efforts to efficiently fulfill the duties to the best of my ability. I appreciate the support given me and let me assure each one of you, that any time I can be of service to you, I will expect you to call on me.

Your friend,
 PETE JOHNSON.

Big Spring For November Meet

The next meeting of the West Texas Lumbermen's Association will be held at Big Spring, according to the announcement from President C. W. Bryant. The meeting will be held in the early part of November. A number of lumbermen from various parts of the district were in Sweetwater last week to confer with the president and arrange the program for the Big Spring meeting.

Cooks, Waiters Waitresses Go Out On Strike

Members of The Cooks, Waiters and Waitresses Union Ask For More Money and Shorter Hours

Walk Out At Noon

Local Eating Houses Secure Other Help To Keep Business In Operation Today

The Cooks, Waiters and Waitresses in Big Spring walked out on a strike today at 12 o'clock. They are asking for more money and shorter hours.

It is said that the employers were asked to give their employees, members of the local union better working conditions, and more money. The employers agreed to give them a raise but the amount did not meet with what they were asking, and they would not arbitrate.

Owners of restaurants, cafes and other eating houses were forced to handle the noon rush today the best way they could. Extra help was secured to keep the business in operation.

Democrats To Spend Million Dollars In West

Money To Be Spent In Rural Communities, According To John Raskob, Chairman

ST. LOUIS, Aug. 29. (AP)—The Democratic party's national campaign budget will call for an expenditure of one million dollars in the middle west, according to John Raskob, chairman of the Democratic National Committee, who made this announcement here today.

The middle west will receive one-fourth of the total budget for the campaign, he said. Half of this sum, he said, will be spent in six hundred rural counties, ten of the corn-belt states and the remainder in the industrial metropolitan communities.

West County Line Is Established

County Judge H. R. Debenport has received notification from the State Land Department that the boundary line between Howard and Martin county as surveyed had been accepted and filed. This year's assessment on land along the county line will be governed by this survey.

With the North South and West boundary lines finally established it only remains to have the East line settled. Several attempts have been made to have the East line settled but the lines surveyed did not seem to coincide as made by the various surveyors so the work will have to be done again.

\$1,000,000 Suit Filed Against E. L. Doheny

Los Angeles Cal. Aug. 28 AP.—A bill of complaint demanding an accounting of \$1,000,000 was filed in the United States District Court Monday against Edward L. Doheny and the Pan-American Petroleum and Transport Company. The bill, which charges that stockholders lost this sum through alleged fraud on the part of Doheny in the famous Elk Hills oil scandal, was filed by a Los Angeles law firm on behalf of Frank H. Kunkel, attorney of Cincinnati, who brought the suit in the interests of himself and other stockholders.

EXPRESSION OF THANKS

To the Voters of Howard County:
 I wish to express to each one of you my deep gratitude and appreciation for your vote and influence in the run-off primary on August 25th. Now that the voters have seen fit to elect me as their commissioner of precinct No. 2, I will put forth my best efforts to efficiently fulfill the duties to the best of my ability. I appreciate the support given me and let me assure each one of you, that any time I can be of service to you, I will expect you to call on me.

Your friend,
 PETE JOHNSON.

Fifty Per Cent Daily Potential Released at Once

NEW DRUMRIGHT, Glasscock County, Tex., Aug. 25.—This morning E. E. Andrews, umpire for the Howard-Glasscock field, issued an order releasing fifty percent for the marker of the daily potential production of all wells tested.

This order placed 12,663 barrels daily available for pipeline movement. The Roxana is the only market in the field at this time and it is reported that they will begin moving the prorated amount from all producers that have signed division orders, at once, through the Shell Pipe Line.

The Humble is building an eight-inch line to the field, a distance of 68 miles which will connect with their trunk line running from McCamey to the Gulf Coast. It is reported that the Humble will be ready to run oil about September 10th.

The largest producer tested is the Owen & Sloan. This well was given an official daily potential of 6189 barrels. The order as issued by the Umpire this morning is printed below. The locations not having production figures have not been tested.

TO PRODUCERS IN HOWARD AND GLASSCOCK COUNTIES:
 Roberts and Settles Pool Line Formations Below 1800 Feet Pursuant to proration order Oil and Gas Docket No. 102, of the Railroad Commission of Texas, prorating the production. The results of gauging the wells are as follows to date, several wells to be added during the next ten days:

Producer—	Farm	Sec.	Well	Daily	Al.
3000-2500					
Amerada Petroleum Co.	Dora Roberts	137-B-29	1	623	512
American Bristow	Dora Roberts	137-B-29	1	1506	753

Schermerhorn Oil Co.	Dora Roberts	157-B-29	1	3120	1560
Schermerhorn Oil Co.	Dora Roberts	157-B-29	2		

The committee has authorized running Fifty Percent (50) of the potential until further notice.

Yours truly,
 E. E. ANDREWS, Umpire.

Judge Fritz R. Smith's Election Assured

Incomplete returns on the race for district judge of the district practically assure the reelection of Judge Fritz R. Smith.

Nolan County vote—Judge Mauzey, 2049, Smith, 1041.
 Scurry County—Judge Mauzey, 841, Smith, 1727.
 Mitchell County—Mauzey, 654, Smith, 970.
 Howard County—Mauzey, 686, Smith, 1276.

VINCENT ITEMS

Miss Roxie Harding is visiting her mother in Abilene this week.

Mrs. Pauline Rutledge and little son, Vernon have returned from a several days visit at Wichita Falls.

Miss Vivian Appleton spent several days in Big Spring last week.

Jim Motley and family of Knott visited relatives here last week.

Archle Hodnett spent Sunday at Knott.

We have been having quite a bit of cotton worm excitement and some worms! But we hope for the best. The cotton crop generally is fine and unless it is injured by pests a goodly yield is expected.

The road work here is progressing very nicely. We hope soon to have as good roads as can be found in this locality.

Work is still in progress on the Vincent gin. Though the cotton is late "it won't be long now" until the white fleece begins to come in.

THANKS TO THE VOTERS

I wish to take this method of expressing my thanks to my many friends who cast their vote in my favor in the run-off primary on August 25. In spite of the fact that I was defeated I appreciate the favors of my friends who stood by me and will ever remember your loyalty. I have no ill feelings toward anyone, but the kindest feelings for all. I think you one and all.

Yours truly,
 J. S. MCCRIGHT.

Time Parking Limit To Be Given A Trial

Committee Meets With Members of City Commission to Give Their Side Of Case

No All-Day Parking

Measures Intended to Benefit Customers Who Desire to Drive to Business Houses to Purchase

After weighing the arguments submitted by the committee who presented the proposition in favor of a time limit for parking on various streets in the business district the members of the City Commission have agreed to give the thing a trial and an ordinance dealing with same will be prepared for submission at their next meeting.

The main purpose of the move is to break up the practice of business men their clerks and others using the streets for all day parking purposes and thus preventing those who desire to drive to business houses to secure supplies from so doing. Some farmers contend it is sometimes necessary to carry their purchases a block or two from the store to where their car is parked.

Don't imagine that the time limit parking plan is going to solve all our troubles, for it is not, and it is going to come in for considerable criticism until folks become accustomed to it. It is going to work a hardship on some of the all day parkers to compel them to give up their favorite spot on

avenue block or an off on some side street. The old city about 1910 built away from town will be one of the first to be given a time for parking overtime.

This can be avoided however if signs are displayed giving notice that the time limit parking is in force. This should be done until folks are thoroughly familiar with the law. The ordinance will not be intended to punish folks but to give everyone a square deal. Getting auto owners to obey the provisions will not be difficult after the first month or so.

Other places have no trouble enforcing the parking regulations and we see no reason why the regulations will be out of order here.

W. C. Cooper of Brackenridge, enroute from El Paso where he had been to confer with officials of the Broadway of America, visited in Big Spring this morning.

In one minute all the mosquitoes in a room can be killed. Simply take a FLY-TOX Hand Sprayer, fill with FLY-TOX and fill the upper half of the room with a fine atomized spray. It will slowly settle to the floor killing all the insects in the room. Spray the ceiling, hangings and closets, where the mosquitoes hide, and also spray the screens. FLY-TOX will not stain the walls, draperies or the most delicate fabrics. It has a pleasing fragrance, is absolutely harmless to people, but sure death to insects. Does not matter whether windows and doors are open or closed. FLY-TOX is the scientific product developed at the Mellon Institute of Industrial Research by Rex Allowship. Every bottle guaranteed. Adv.

At Catherine's Shop

Editor: A handsome new fixture are being installed at Catherine's the Ladies Shop, in the Douglas building on East Third St. These new display cases and other fixtures have been secured and are being placed in the shop to properly take care of the high class merchandise that Mrs. Florence Brown purchased on her buying trip to New York, where she spent several weeks in the market, selecting the finest of ladies' ready-to-wear, millinery, ladies silk underwear and other accessories.

Protest Against De-centralized Prison System Made

Brenham, Texas, August 29 AP.—Further protest against the decentralized prison system was made here yesterday at the regional meeting of the East Texas Chamber of Commerce, by R. E. Scott of Fort Bend County. Scott told the meeting that he favored the removal of prisons in his county to other sections of the state, and asked the gathering to aid him in his attempt to influence legislation for a highly centralized system.

\$50,000 Damage Done By Fire

Ed Couch Lumber Company Hazed By Fire, Six Men Injured In Attempt To Fight Spread of Flames

(AP)—Six men were injured today when fire destroyed the Ed Couch Lumber Company, and property damage estimated at \$50,000 resulted from the fire, which razed the lumber yard at Ed Couch, near Rio Grande Valley town. Firemen from Westaco, went to Ed Couch to aid the local firemen in preventing the fire from spreading.

'Hoover Won't Carry Texas' Says Wilcox

AUSTIN, Tex., Aug. 29 (AP)—D. W. Wilcox, chairman of the state Democratic executive committee today characterized statements that Herbert Hoover had a chance to carry Texas as ridiculous. Wilcox said that the movement to create sentiment against Governor Smith is not making much headway.

DALLAS, Tex., Aug. 29 (AP)—Prediction that Herbert Hoover would receive six hundred thousand out of the million votes cast in Texas in November, was made today by B. D. Martin, campaign manager for Hoover, in the Democratic state. Martin said that he based his statement on the belief that three hundred and fifty thousand women in Texas would vote for Hoover, with two hundred and fifty thousand men favoring prohibition.

SOCIETY

Weddings and Delightful Bridge Affairs of Wide Interest To Big Spring Society

No week during the summer months has brought forth such a gay whirl of social events, than has the past week, with its many delightful bridge engagements and several honor affairs, for brides, or brides-to-be. Hostesses have been vying with each other in making each affair just a little lovelier than the other and as a result the affairs were unusually brilliant and enjoyable ones. Two weddings, solemnized at Saturday morning at St. Mary's Episcopal Church, have also been of especial interest to friends in this city.

Fry-Dawes Nuptials
Outstanding among the social events of the past week was the marriage of Miss Alice Dawes to Mr. Tate Fry of Canyon, Texas, at 9 o'clock Saturday morning, August 25 at St. Mary's Episcopal Church. Rev. F. B. Etelson of Plainview, former pastor and a friend of both the bride and the groom performed the ceremony at the appointed hour.

A setting of unusual beauty was provided in the church auditorium with a profusion of summer blossoms in baskets, banking of ferns and greenery, forming a most impressive background for the bridal party. Tall, graceful white tapers in graduated effect, burned on the altar during the ceremony.

Preceding the entrance of the bride, Miss Grace Ferguson, of Hereford, very sweetly sang "At Dawning," Miss Nancy Dawes, sister of the bride, played her accompaniment and also played Mendelssohn's Wedding March for the professional. Rev. F. B. Etelson entered from the door to the right taking his place at the altar. The groom, escorted by his best man, Carl Periman of Snyder, also entered from this door. Entering down the center aisle of the church came the matron of honor, Mrs. Monroe Johnson. Then came the bridesmaid, Miss Vera Fry, sister of the groom, escorted by William Dawes brother of the bride.

The bride, never lovelier than on her wedding day entered on the arm of her father, taking her place beside the groom at the altar, where their troth was pledged, in the presence of their families and immediate friends.

The bride was wearing a beautiful chiffon frock of ashes of roses with touches of embroidery in self colors. She wore a lovely gold braided and jeweled hat with other accessories to match. Her shower bouquet was of brides' roses and ferns tied with dainty ribbons and tulle.

"Something old, something new, something borrowed and something blue," was featured in the wedding by the bride, the "something old" being an ivory bound prayer book belonging to her great-grandmother.

Mrs. Johnson, matron of honor, wore an ivory satin back crepe dress of becoming style with accessories to match. She carried an arm bouquet of roses and maiden hair fern.

Miss Fry, maid of honor, was dressed in a lovely gown of beige chiffon with hat and slippers in harmonizing shades. She carried an arm bouquet of brides' roses.

Miss Ferguson was attractively gowned in an ashes of roses georgette frock, made along pretty lines. She wore a lovely corsage of rosebuds and fern.

Miss Dawes was dressed in an old rose georgette frock, of prettiness design.

Wedding Breakfast
Immediately following the ceremony, the guests departed to the home of the bride's parents where a wedding breakfast was served. Miss Imogene McIntire of Canyon and Miss Helen Hayden, cousin of the bride, assisted in the service.

Mr. Tate will resume his work as professor in the piano department at the West Texas State Teachers College at Canyon, and Mrs. Tate will teach music in the Canyon High School the coming school year.

Mrs. Fry is the sweet and talented daughter of Mr. and Mrs. W. R. Dawes, and has grown to a young womanhood in this city. She is a favorite among lifelong friends of her family and is admired by everyone who knows her because of her sweet personality and charming manners. After graduating from the Big Spring High School in 1924 she attended college in Canyon at the West Texas State Teachers College, receiving her B. A. degree with piano as her major in the graduating class the past June.

Mr. Fry is a member of the Piano Department of the West Texas State Teachers College and it was while Miss Dawes was attending school that the romance that has ended in this happy wedding had its inception.

The best wishes of their many friends in this city and other places are extended to them for a full measure of happiness and prosperity.

Out of Town Guests
The attendants of Mr. and Mrs. Tate were college friends from the West Texas State Teachers College: Miss Imogene McIntire of Canyon, Miss Grace Ferguson of Hereford and Mr. Carl Periman of Snyder. Other out of town relatives in attendance were: Mr. and Mrs. Geo. Linder of Floydada, Mrs. Wm. Hale and Mrs. S. A. Henry of Lubbock, Mrs. Tom Hughes son and daughter of Colorado and Miss Vera Fry of Canyon.

Bridge Party Given At Pretty Notestine Home

A very lovely party of the week end was given in the pretty new home of Mr. and Mrs. Edmund Notestine in Morningside Addition, Friday afternoon with Mrs. Edmund Notestine, Mrs. Ken Barnett and Miss Elsie Jeanette Barnett, co-hostesses, entertaining friends at bridge. The pretty furnishings of the home provided an already lovely setting, which was enhanced with colorful sunflowers artistically arranged in vases and bowls, carrying out a pretty color theme.

Seven tables of players found interest in the games of the afternoon. Mrs. E. E. Fahrnkamp and Miss Helen Reagan tied for high score, Miss Reagan winning in the cut. She received a lovely box of Shari Bath powder as award. Miss Inez Davis of El Paso won high in the cut.

Dainty linens were spread on the tables at the refreshment hour and a tempting ice course served in an attractive way.

Ices moulded as sunflowers with stems and leaves of green grapes were served with individual angel food squares, topped with sunflowers. Fruit punch with green ice, also carried out the pretty color scheme of yellow and green. Candy cups in the chosen colors were given as party favors.

Those enjoying this delightful hospitality were: Misses Alice Graham Bishop, Winona Taylor, Mary Happel, Dorothy and Louise Jordan, Mamie Hair, Maywood Rix, Helen Reagan, Ada Ling, Mary Jo Alderson, Nell Davis, Donna Carter, Jeanette Pickle, Lillian Shick, Frances Melton, Frances McNew, Lucille True, Eileen Barnett and Mesdames Sidney House Hayes Stripling, Larson Lloyd, Everett Lomax, E. E. Fahrnkamp Herbert Stanley.

Out of town guests were: Misses Julian and Louise Garrett of Fort Worth, Miss Clara Haden of Fort Worth, Inez Davis of El Paso.

Miss Frances McNew Entertains Out-of-Town Guests

Miss Frances McNew charmingly entertained at bridge Friday evening in compliment to her guests Misses Clara Haden and Julia and Louise Garrett of Fort Worth. The scene of gaiety was at the lovely home of Mr. and Mrs. R. H. McNew on South Curry St. six tables of players taking part in the interesting bridge games of the evening.

Bill Turpin was successful in making high score among the young men and Miss Julia Garrett of Fort Worth made high score among the young ladies. Both received favors.

At the refreshment time a picnic luncheon was served consisting of salads, sandwiches, olives, pickles, potato chips and soda pop. Those attending this happy affair were:

Misses Louise Shive, Nell Davis, Juanita Ralph, Lillian Shick, Inez Davis of El Paso, Julia and Louise Garrett of Fort Worth, Clara Haden of Fort Worth and Milburn Barnett, Horace Reagan, Robert Lawrence, Bill Turpin, John Philip Barbee, Max Adams, Arlo Forrest, Ed Pritchard, Lowell Hahn, and Mr. and Mrs. T. E. Johnson.

Enjoy Picnic Outing

On last Thursday late afternoon a jolly crowd drove to the new wells for a chicken barbecue, some of the crowd did the barbecuing, others roamed the beautiful woods and talked in a social way. When the word "eat" was said, the bunch was all alert with their appetites. The loveliest barbecued chicken and toasted bread (prepared by C. B. Cox and J. D. Castle) with olives and pickles, potato chips, salads, cake and cream to top everything off. Also ice cold lemonade was served every one declaring them the best eats in many a day. The crowd prepared to return home after the eats.

The guest list to this happy occasion included: Mr. and Mrs. D. B. Cox, Mr. and Mrs. J. D. Castle, Mr. and Mrs. Harold Castle, of Houston, Dr. and Mrs. Brittle Cox, Mr. and Mrs. James Campbell, Doyle Cox, Woodrow Campbell, Hallie Cox and Una Dorothea Campbell.

I-Deal Bridge Club Members and Husbands Enjoy Party

The members of the I-Deal bridge club and their husbands were delightfully entertained at the pretty country home of Mr. and Mrs. Herb Lees, Thursday evening, with Mrs. Lees and Mrs. G. L. Wilke hostesses.

Around daintily laid tables, the guests were seated, and served a tempting picnic lunch. Each guest was presented with an attractive decorated picnic box which was well filled with good things to eat, consisting of salads, sandwiches, pie and punch.

The guests came comfortably dressed for this affair, the women donning house dresses, the gentlemen coming in their shirt sleeves. In the interesting bridge games of the evening high score honor went to Mrs. W. W. Inkman among the women and Steve Ford made high score among the men.

The guest list to this party included: Mr. and Mrs. L. A. Eubanks, Mr. and Mrs. Steve Ford, Mr. and Mrs. G. L. Wilke, Mr. and Mrs. Herb Lees, Mr. and Mrs. W. W. Inkman, Mr. and Mrs. L. W. Croft, Mr. and Mrs. V. H. Flewelen, Mr. and Mrs. W. V. Montin, Mr. and Mrs. Fred Phillips, Mrs. John Icarke, Mrs. J. W. McLaughlin of Austin, Mrs. Lee Hanson of Lamesa, Miss Virginia Whitney and Bobbie Dallas of Brownfield. Miss Alice Hayes and Fred Drew Married at Church.

A simple though lovely ceremony marked the wedding of Miss Alice Hayes and Mr. Fred Drew at St. Mary's Episcopal Church at 10 o'clock Saturday morning the Rev. F. B. Etelson of Plainview performing the ceremony. Only relatives attended the wedding. The couple was unattended.

The church was lovely with flowers and fern, and formed a pretty and appropriate background for the wedding.

Immediately following the ceremony the happy couple left for a honeymoon trip to Houston, Galveston and other points in South Texas. Upon their return they will be at home to friends in the Carter apartment, 808 Johnson Street in Big Spring.

The bride is the sweet and attractive daughter of Mr. and Mrs. J. O. Hayes of this city. She is loved and esteemed by everyone as a young woman of fine qualities and graces and is admired by both old and young. The bride received her education in the Big Spring school graduating with the class of '25, and after completing her High School work she took a post graduate course in business administration.

The groom is an estimable young man esteemed because of his many fine traits of manhood.

The best wishes and congratulations of their many friends in this city are extended to this happy young couple for a prosperous wedded life.

Mrs. V. V. Strahan, Recent Bride, Honored At Bridge

Mrs. V. V. Strahan a recent bride, was the honoree at a happily planned bridge party last Wednesday afternoon, given by Mrs. R. H. McNew at her pretty home on South Curry Street.

Two tables of players contested in the bridge games of the afternoon, with high score honor going to Mrs. Owen M. Jones of Fort Worth.

A refreshing punch was served during the play, and at refreshment time a dainty ice course was served to Mesdames Clyde Fox, Eb Hatch, R. H. McNew, Shine Phillips, Owen M. Jones of Fort Worth, Eddie Price, Roy Carter and Mrs. V. V. Strahan.

Miss Drusha Torbett Is Honored At Dinner Party At Crawford

Mrs. Fred E. Keating and Miss Clara Pool entertained with a dinner party at the Crawford Hotel, Tuesday evening in honor of Miss Drusha Torbett of Marlin, who is the guest of Miss Gertrude MacIntyre in this city.

Society Assembles In Community Clubhouse To Attend Brilliant Bridge Function Friday

Society maids and matrons assembled in the auditorium of the Community Clubhouse Friday afternoon at 3 to attend a brilliant bridge function given by Mrs. Robert Currie.

A setting of beauty and splendor was provided, wherein guests were entertained with a blue, lavender and pink color theme predominating in the appointments, decorations and all of the details of the party. Plumage and delicate pink rosebuds gave floral grace and fragrance to the setting where the sixteen tables were arranged for the play.

Interest was high in the games of the afternoon, and Mrs. S. A. Hathcock was declared the lucky winner of high score in the afternoon play. She was favored with a beautiful Madeira Square, Mrs. Wm. Battle made second high score and she received a lovely linen luncheon set. Mrs. J. W. McLaughlin of Austin won the high cut. She was presented a madeira hot roll cover.

At the refreshment hour the tables were spread with attractive paper covers in pretty pastel shades carrying out the chosen color scheme. A tempting luncheon consisting of fruit salad, pickles, olives, butterthins, chicken sandwich, frosted punch, was served in a dainty way. Plate favors were pink rosebuds.

The guest list to this delightful affair included: Mesdames Wm. Battle, J. D. Biles, L. E. Bryan, Jno. Clarke, J. W. McLaughlin of Austin, E. M. Cline, Chas. Dublin, E. O. Ellington, Hobb Everett, B. Fisher, Clyde Fox, V. H. Flewelen, Roger Gallemore, Eb Hatch, J. J. Hair, Monroe Johnson, J. B. Young, Verd Van Gelson, W. V. Montin, R. H. McNew, John Noestline, W. G. Orenbaum, Shine Phillips, Ralph Rix, Travis Read, F. C. Hopkins, S. C. McIntosh of Wichita Falls, Terry Hornaday, Owen M. Jones of Fort Worth, Walter Pike, Frank Pool, E. H. Happel, Louie Pistole, Lib Coffee, James Davis, W. B. Hardy, P. E. Schoneck, H. D. Hilliard, S. A. Hathcock, M. M. Edwards, Victor Mellinger, A. B. McLaughlin, H. D. Cowden, Eddie Price, R. C. Strain, Lee Hanson of Lamesa, Fred Keating, Herb Lees, W. W. Inkman, O. E. Wolf, Arthur Woodall, Roy Carter, V. V. Strahan, Fred Stephens, J. L. Barr of Phoenix, Ariz., and Misses Clara Pool, Spencer Leatherwood, Agnes Currie, Thelma Waters of Mineral Wells, Frances Sullivan, Dorothy Ellington, Juanita Ralph, Mary Morgan.

College Boys and Girls Are Entertained At Social

A social was given last night in honor of those who are leaving for college in the near future by the Christian Endeavor of the First Christian Church. Activities were had that are typical of college life.

The faculty consisted of: Rev. Claude Wingo, president of the college; Mr. L. A. Eubanks Prof. of Mathematics; Mrs. C. Wingo, Prof. of History; Miss Elizabeth Owen, Prof. of Biology; Kitty Wingo Prof. of English; and Miss Mildred Creath Prof. of Domestic Science where punch and sandwiches were served, were: James Martin, Don Yarborough, Gene Lynch Maxwell Stone, A. G. Hall, Elmer Pardue, Wilburn Johnson, Alvis Lovelace, Pauline Hart, Holt Shumake, Georgia Owen, Francis Miller, Margaretta Wood, Charm Eitel, Rowan Smith, Helen Creath, Louis Owen, Flora Williamson, Pauline Williamson, Jimmie Reeves, Evelyn Creath, Archie Adkins, Elizabeth Owen, Thelma Stone, Anna Merrick, Lucile Rogers, Mr. Eubanks, Nora Pearl Marabanks, Mrs. Creath, Mrs. Hutchinson, Rev. C. Wingo, Mrs. Wingo, Kitty Wingo. The Freshman Class won the Table Football game. Miss Elizabeth Owen is chairman of the social committee which planned the affair.

Mrs. Seth Pike Is Honored On Birthday

Mrs. Seth Pike was the honoree at a happy surprise gathering Sunday afternoon, this being the date of her birthday anniversary. A number of her friends assembled at her home, where they spent a jolly afternoon in friendly conversation. The guests brought with them a large ice cold watermelon, which they served at refreshment time.

The enjoying the afternoon were Mr. and Mrs. Sam Eason, Mr. and Mrs. F. M. Purser, Mr. and Mrs. Seth Pike and Mrs. J. T. Bell.

Junior Endeavor Society Enjoy Like and Watermelon Feast

The members of the Junior Endeavor Society of the First Christian Church enjoyed a like and watermelon feast yesterday afternoon. The happy group hiked to a shady spot near the Cottonwood park, east of Big Spring. Here, iced cold watermelons were cut and served. After a rest in the shade, the group hiked back to town. Several of the group acted as policemen and kept the boys and girls in line. When they reached the Coleman Camp on their return trip, they were served iced cold soda pop by Mr. Grady Burdette. This treat was indeed an enjoyed one and everyone expressed their thanks to Mr. Burdette for this courtesy.

Miss Aline Humphries of Seymour Complimented at Bridge Affair

Miss Aline Humphries of Seymour who is the guest of her cousin, Miss Louise Shive in this city was complimented at a beautifully appointed party last evening with Miss Shives entertaining at her home on Scurry Street. Seven tables of players were guests on this occasion and in a setting of charm were delightfully entertained.

The bridge games terminated with high score honor going to Miss Clara Haden of Fort Worth among the young ladies and Robert Lawrence winning high score among the young men. Both received lovely prizes. Miss Humphries received a pretty vanity as a guest prize.

A pretty apricot and green color scheme was featured at the refreshment hour, in the menu and plate favors. Apricot ice was served with individual angel food squares, iced with green frosting. Steaks of candy wrapped in crepe paper of the chosen colors, were plate favors.

The guest list to this complimentary hospitality included: Misses Elsie Jeanette Barnett, Frances McNew, Louise and Julia Garrett of Fort Worth, Clara Haden of Fort Worth, Nell Davis, Inez Davis of El Paso, Aline Humphries of Seymour and Earl Ezell, Lefty Wood Edwin Pritchard, Hugh Dubberley, Arlo Forrest, Cole Fisher, Bill Turpin, Robert Lawrence Horace Reagan and Mr. and Mrs. Chas. W. Shehane, Mr. and Mrs. Warren Babb, Mr. and Mrs. Herbert Stanley Mr. and Mrs. T. E. Johnson, Mr. and Mrs. Ken Barnett.

Remember the big basket picnic that is to be given by the members of the Order of Eastern Stars, Friday evening. All of the members and their families are invited and urged to attend.

Picnic At New Wells Honoring Rev. and Mrs. F. B. Etelson

The members of the Episcopal congregation of St. Mary's church entertained with a picnic at the New Wells South of the city last evening, given in honor of Rev. and Mrs. F. B. Etelson of Plainview who have been visiting in our city the past few days, and left this morning for their home in Plainview. About fifty church members and friends gathered at the Episcopal Parish house on Runnels St. at six o'clock where cars were waiting to take them to an inviting picnic spot at the New Wells.

At the supper hour a picnic supper consisting of all kinds of good eats was served to Mr. and Mrs. B. C. Rix and daughter, Miss Ruth of Lubbock, Mrs. Lee Hanson and daughter Roberta Lee of Lamesa, Mrs. J. B. Young, Mr. and Mrs. Verd Van Gelson, Rev. and Mrs. F. B. Etelson of Plainview, Mrs. John Notestine, Mr. and Mrs. J. D. Biles, Mrs. Franklin, Mr. and Mrs. W. R. Dawes, Bill Dawes, Mr. and Mrs. W. A. Gilmour, Mary Louise Gilmour, Jim Winslow, Mrs. Joe Curley, Josephine Winslow, Reta Winslow, Mr. and Mrs. Joe Hayes, Louise Hayes, Joe and Roy Hayes, Lucille Rix, Mr. and Mrs. B. O. Jones Mr. and Mrs. Monroe Johnson, Mrs. H. Markham, Mrs. A. M. Rippas, Mrs. Shine Phillips and children, James Rippe, Gertrude Davies of Long Beach, California, Mrs. A. Taylor Miss Elsie Willis, Cyril Willis, Ruben Williams and Mr. and Mrs. W. H. Martin and son.

Byron Family Hold Reunion At New Wells This Week

A family reunion was held at City Wells Sunday in honor of Mr. and Mrs. A. T. Byron who had just returned from Sullivan, Ill. Mr. A. T. Byron had been to visit his father whom he hadn't seen in thirty-five years. All their children and grandchildren were at the reunion. Their children are Mr. and Mrs. W. B. Ayers of Big Spring, Mr. and Mrs. A. Z. Thompson of Lorenzo, Mr. and Mrs. E. C. Crittenden of Center Point, Mr. and Mrs. J. S. Bilsard of Center Point, Mr. and Mrs. Roy Franklin of Knott. There were seventeen grandchildren present. Mrs. Walter Coleman of Big Spring was present and also Marshall White of Lorenzo. At 12 o'clock dinner was spread on the ground. This family has a reunion every August on Mr. Byron's birthday which is August 18. He was 68, Mr. and Mrs. Byron are from Red River County and all their children except Mr. and Mrs. W. D. Ayers, they have been in Howard County five years.

Chicken Barbecue On Scenic Mountain Honoring Guests

A pleasant outing was given on Scenic Mountain last evening honoring Misses Julia and Louise Garrett and Miss Clara Haden of Ft. Worth who are the guests of Miss Frances McNew in this city. The happy crowd enjoyed the drive in the moonlight upon the mountain, where they could get a pretty view of Big Spring from the heights, and here they enjoyed a tempting picnic supper, consisting of barbecued chicken with all its trimmings.

Those enjoying this happy outing were Misses Frances McNew, Lillian Shick, Julia and Louise Garrett, Clara Haden of Fort Worth, and Speck Williamson, Lefty Wood Tyres Hardy, Fletcher Sneed, Edwin Pritchard, and Mr. and Mrs. Nat Shick, Mr. and Mrs. Homer McNew, Mr. and Mrs. G. E. McNew and Bobbie McNew.

Fort Worth Visitors Honored At Delightful Bridge Party

The visit of Misses Louise and Julia Garrett and Clara Haden of Fort Worth, in this city with Miss Frances McNew has occasioned a number of thoroughly delightful parties and social affairs given in their honor. One of the loveliest of these affairs was given this morning in the attractive home of Mr. and Mrs. Lib Coffee in College Heights. Bridge was the diversion and in the cool morning hours four tables of players found interest in the fascinating card games.

At the noon hour a tempting luncheon consisting of jell salad, cheese straws, sandwiches, olives, pickled peaches, cakes and punch was served to Misses Agnes Currie, Mary Happel, Louise and Dorothy Jordan, Lillian Shick, Juanita Ralph, Elsie Jeanette Barnett, Louise and Julia Garrett of Ft. Worth, Clara Haden of Ft. Worth, Inez Davis of El Paso, Miss Humphries and Mesdames Ken Barnett, T. E. Johnson, Sydney House, Larson Lloyd and Edmund Notestine.

Fun Tonight Ended as Vacation Days

College calls and we reply; At the parting of the ways, Let us pause and say goodbye. Tonight at 8 o'clock the young people of the First Christian Church are honoring the ones who are leaving for college with a social. Plans have been made for a good time for everyone who comes. We welcome all young people and sincerely invite you. Time is place First Christian Church; who; every young person in Big Spring. With our friends so good and true Let us meet to say adieu.

Work Progressing on Homes

Work is progressing nicely on the home of Mrs. P. H. Northerton in Highland Park which is being built by W. J. McAdams, of the Cameron Lumber Company. Mr. Warren Miller's home will also be completed within the next few days. This pretty little stucco home will add to the attractiveness of Highland Park, as does Lynn Hatcher's home on the corner of Wood Avenue and Rosemont.
