Two of Spearman's finest young men were starters in the Greenbelt bowl football game, played at Childress Friday night. David Steele was starting quarterback for the West, and Terrell Evans was center for the West. Although the East won the game 23-0, the West put on a "great show" and the football pageantry was great.

Your sports REporter from Spearman was a guest at the game, and I must take this opportunity to thank the Greenbelt Bowl President Jimmy Don Rothwell for such an outstanding show.

Each team, the West and East, had their own queen candidates, with each player from each team picking a candidate. The Spearman boys picked Michelle Schumann, as their candidate, and Michelle was "beautiful." On August 5th the registration for queen nominees, and an informal soft drink party and rehearsal for all queen contestants was held in the auditorium adjacent to the Fair Park area. And, speaking of parks, Childress has about the prettiest park, complete with lake full of swans that your editor has ever seen.

At 6:30 P.M., on August 5th, a hospitality picnic was held at Rotary Bowl in the park, honoring all of the football players and their parents, the coaches, and trainers and their wives, queen nominees and their parents, city officials and their families, the officers and directors of the Greenbelt Bowl and their families who provided food for the

picnic and the citizens from the surrounding towns.

At 8:30 p.m., Aug. 5th (Thursday) the Queen contest was held at the Portico of the First National Bank, in Childress.

On August 6th, (Friday); the Greenbelt Bowl Parade was held, in downtown Childress. Each Queen nominee wore a bathing suit, and that Spearman Queen was as pretty as any Queen that ever appeared in a parade. The parade was held at 4 p.m. At 7 p.m. Michelle and all of the queens gathered at the football field. The West Queens sat at the West end of the field, and the East Queens at the east end of the field.

At half-time of the game, the ceremonies crowning the queen took place! Although Michelle didn't win the contest, we thought she did a great job, and she and all of the queen contestants added a great deal of beauty to the pageantry and ceremonies.

Many people from many towns in the Panhandle were present at the game. Including participants David Steele, Terrell Evans of Spearman; Russ Reagan of Perryton and Jimmy Powers of Stratford. Don Denham, of Spearman, played in one of the earlier Greenbelt bowl games, and he visited with your editor Sunday, and stated that it was one of the highlights of his career, when he was chosen to play in the Greenbelt Bowl. We are proud of all of our panhandle boys who participated in this fine bowl game, and look forward to seeing a bigger and better game next year!

Board Votes No To Buying Land

In the regular business held at the school house Monday evening, the board voted "no" to spending any more money than the budget now allows! The board had taken into consideration buying 14 acres joining the school, which probably will be needed in the future for development for the school. The total cost of the 14 acres accumulated to approximately \$39,000.00 and the board just "didn't feel like the tax-payer could stand any more" at this time.

All board members were present at the meeting, except Jim Evans, and Paul Hazelwood lead the opening prayer. The minutes of last weeks meeting were read and the

bill approved. The letter of resignation from Rick Myler, choir director was read, and his resignation accepted. The board hired Travis Angel, from Canyon, to replace Myler.

The transfer of Jimmy Ladd, from Waka to Spearman school was approved by the Texas Education Agency. In another letter to the board Chamber of Commerce President John Hutchison stated, "Our sincere thanks to you and the school board for the use of the Lynx stadium for our annual 4th of July fireworks display. It is indeed an honor to be able to use these fine facilities and we certainly do appreciate your cooperation in

helping us celebrate our nation's birthday."

In other business Monday night, the board took Borden's bid for milk for the lunch room this year. Milk is up 10 percent over last year. Mead's Bread received the bread bid, and bread is cheaper than it was last year. The board voted to hire Jack Oakes to audit the books for the coming year. They alternate every two years between the two local Spearman firms. The board approved free and reduced lunch room prices for the coming year. The board set the adult price per meal at 90 cents, and student prices 55 cents, 60 cents, and 65 cents. In discussing the lunchroom facility

in Spearman, Supt. James Cunningham stated that many schools in the midwest are doing away with the lunchrooms, and students are eating out of the "brown bags" once

again. However, the lunchroom in the Spearman system is one of the most important facilities in our system. The board stated that they would have a special meeting next

Tuesday nite to approve the 1976-77 budget and set the tax rate.

Teacher representatives at the meeting were Mr. Vic Kyler and Terry Schneider.

Memorial Services Held

Memorial services were held at 10:30 a.m. Monday at the First Baptist Church for Marcus Allen Connelly, 28, of Spearman. Mr. Connelly was killed in a two vehicle crash north of Spearman Friday about 6 p.m. on FM Road 2387.

The Rev. Russell Pogue, pastor, officiated. Burial was in Hansford Cemetery by Boxwell Brothers.

Marcus had lived in Spearman 14 years, moving here from Friona. He was a farmer and a Vietnam veteran. He graduated from Wayland Baptist College in 1969. He was a past director of the Chamber of Commerce and Sunday school superintendent in the Spearman Baptist Church.

Survivors include the widow, Debbie, a daughter, Jenny Lou, and a son, James Allen, all of the home, his parents, Mr. and Mrs. Douglas Connelly of Spearman; a sister, Mrs. Sara Etheridge of Spearman, a brother, Brent of Spearman, and his grandparents, Mr. and Mrs. Dewey Autry of Winnsboro.

Casket bearers were Monty Black, Ralph Newton, Bill Boatwright, Gary Gumfory, Wayne Garrett, John Hutchison, Brent Wheeler and Dan Pogue.

Honorary pallbearers were Glen Day, R.L. Uptergrove, Marvin Jones, Everett Vandenberg, Glen Hiller, Jim Davis, Buddy Benton, Ray Moore, James Cunningham and Woodville Jarvis.

Exxon Honors Glenn Day

GLENN DAY with Exxon Company, U.S.A. recently observed his 30-year service anniversary. He is assigned as maintenance foreman in the Oklahoma City District, Mid-continent Production Division, and is located in Spearman, Texas.

In 1946, he joined the Company as a pipeliner with Exxon Pipeline Company at Pampa, Texas, and in 1949 he transferred to the Production Group as a field maintenance man. His hometown is Pampa. He and his wife, the former June Hanks, are parents of two sons, Randy and Carrol. They make their home in Spearman.

On Tuesday, August 10, a service anniversary award dinner was given for Mr. Day in Perryton.

GLENN DAY

Man Charged With Theft

Sheriff R. L. McFarlin reported Tuesday of this week, that Bob Lusk, 34 years old, of Borger, Texas, was charged with theft of over \$200.00 this week. Lusk was charged with theft from Accent Bldg., Jim McLain, and 4-Tex Grain, of Spearman, where he allegedly took some welding equipment. Bond was set at \$6,000.00 and Lusk did post bond Tuesday morning!

Sheriff McFarlin and his

deputies have been extremely busy this past week, as they have been doing double duty, taking care of the county, and assisting the city in every way possible. In the meantime, the city is looking for a new chief of police and some patrolmen. City Manager Mark Neff stated that they have several applicants to screen at their next meeting for the job of either chief of police, or city patrolman.

Lions endorse blood drive!

In the regular meeting Tuesday, the Spearman Lions Club proclaimed support of the upcoming Red Cross Blood Drive.

Members of the Club were treated to a program presented by the local volunteers working on the blood drive. Mrs. Preston Smith attended the meeting and explained how the local volunteers would handle the drive this year. The guest speaker at the noon luncheon was Mike Thompson, The Wichita Regional Blood Program Representative. Mr. Thompson explained the need for the Hansford County donors to reach their Goal this year. It was explained that this county fell

short last year by some 20 units of blood.

The Red Cross Blood Drive will be held August 12th from 10:00 A.M. until 3:15 P.M. at the Catholic Church Parish Hall located at Ninth and Roland Streets.

The Spearman Lions Club urges everyone to donate one pint of blood this year.

Steve Thomas In Stable Condition

Steve Thomas is reported in a stable condition at Northwest Texas Hospital early this week from injuries suffered in the two car collision Friday at 6 p.m. which killed two young Spearman men.

School Registration Dates Noted

Pre-registration for new students at Spearman High School will be from 9 a.m. until 4 p.m. through Tuesday, August 17 at the high school building.

Orientation for high school students will be Friday, August 20.

Registration for new students at Junior high will be from 8:30 until 3 August 16, 17 and 18, with all former students registering the first day of school which is August 23.

Registration for new students in grades 1 through 4 will be held from 9 til 3 thru August 13. Kindergarten students will register August 17 from 9 until 10:30.

Registration for all students in grades 1 thru 4 will be August 20 from 9 til 12 at the Elementary building.

In-service for teachers will be August 18, 19, and 20.

Monday, August 23, will be a regular school day, buses will run and the cafeterias will be open.

David Dear Services Held

Services for David Edward Dear were held at 3:30 p.m. Sunday in the First United Methodist Church here with the Rev. Wesley Daniel, pastor of the United Methodist Church of Littlefield and former pastor of the Spearman church, officiating, with Rev. H. O. Abbott, pastor of the Spearman United Methodist Church assisting. Burial was in Hansford Cemetery by Boxwell Brothers Funeral Directors.

David was killed about 6 p.m. Friday in a two car crash on FM Road 2387 about 6 miles north of Spearman.

He was a 1976 graduate of Spearman High School and was enrolled in Texas Tech for the fall semester.

Survivors include his parents, Mr. and Mrs. Ed Dear of Spearman; two sisters, Mrs. Cindy Schneider of Spearman and Kathy Jo Dear of San Antonio, a brother Danny of the home, and his grandparents, Mr. and Mrs. Nellie

Dear of Perryton and Mr. and Mrs. Lester Howell.

Casket bearers were Mark Fox, David Witt, Leon Hagerman, Alan Uptergrove, Jeff Hohertz, Steve Donnell, David Lesly, and Kile Nollner.

ROGER JONES of Spearman was one of the stars in the Oil Bowl game at Wichita Falls, Saturday night. He will attend Texas Tech this year.

Bloodmobile Here Aug 12

Goal Is 150 Pints

The Red Cross Bloodmobile will be in Spearman August 12 at the Catholic Parish Hall. The hours are from 10 until 3:15.

Hansford County did not meet its quota of blood donated last year. The need for blood in this region has increased due to more population which leads to more accidents and other cases needing blood.

The procedure for donating will be the same as that used last year, except those donors who have made appointments will be tagged and will be taken first so that they will not have to wait so long to donate blood.

For an appointment to donate blood you may contact Joy McCormack, 659-2271 or Ter-rye Womble, 659-3272.

A nursery for donors' children and workers' children will be available at the First United Methodist Church. If children are there during the noon hour they should bring a sack lunch.

The quota for Hansford County for this year is 150 pints so you are urged to donate blood if you are physically able to do so, so that others may live and people in this area will have a blood bank when the necessity arises for blood transfusions.

"In Touch" Trio To Sing

The Apostolic Faith Church, 9th and Drensen streets, Spearman, Texas will be favored with the songs presented by a youthful trio calling themselves, IN TOUCH.

They will sing in the 11:00 A.M. service this Sunday, August 15th. Everyone is invited.

Mrs. Iris Cornell of the Perryton Full Gospel Church is the sponsor of this trio. The members are Miss Patti Waterbury and Miss Wyonna Cornell of Perryton, and Mr. Toby Fox of Hardesty, Okla.

Pastor Jacob C. Regier urges everyone that can do so to attend. You will enjoy the songs and be blessed.

CONTINENTAL SINGERS Continental Singers To Perform Here

The internationally known CONTINENTAL SINGERS AND ORCHESTRA, will present a live concert of contemporary Christian music on August 23 at the First United Methodist Church of Spearman at 7:30 P.M.

Their 1 1/2 hour performance, "A Celebration of Musical Praise", includes anthems, spirituals, hymn arrangements and contemporary gospel music. Also, they will feature selections from "The Apostle" and other Cam Florida

musicals, plus a stirring American Bi-Centennial Production - "Here's Life, America!"

Selected by audition from thousands of high school and college-age young people across the nation and around the world, the Continental Singers are highly trained and talented musicians. Consisting of 24 vocalists and a 12 piece orchestra, they are completely equipped with sound and lighting for the staging of their performance.

The Continental Singers have been on tour each summer since 1963. In addition to performing in all fifty of the United States, they have toured throughout Europe, South America, Australia, New Zealand, South Africa, the Orient, the Caribbean Islands and Canada. Last Summer they spent 6 days in the Communist Countries of Poland and East Germany singing to over 12,000 people.

This summer the Continental Singers will perform in

Tammy Mundy On Honor Roll

Tammy Mundy has been listed on the President's Honor Roll for the spring semester at West Texas State University. Tammy compiled a 4.0 average on a 4.0 scale. She received a certificate from the president congratulating her on the achievement. Tammy will be a sophomore student this fall, majoring in Special Education.

She is the daughter of Mr. and Mrs. Lester Mundy of Victor, Colo. and the granddaughter of Mr. and Mrs. A.D. Sparks of Spearman and Mrs. Lucy Mundy of Radford, Va.

Library Receives Gift

The Hansford County Library announces today the receipt of four books, a gift of the Amon Carter Museum of Western Art and the Texas Commission on the Arts & Humanities (TCAH). The four-volume set of books -- containing three with Bicentennial titles and one relating directly to Texas artistic heritage -- will be distributed to 375 public and regional libraries throughout the state.

"We hope," stated Maurice Coats, executive director of TCAH, "that the books will be circulated among the students and young people who visit the libraries."

"These books," he continued, "take the tinsel and glitter out of the now very commercialized Bicentennial theme, and illuminate the significance of our cultural and historical heritage."

Included in the museum package are: The Image of America in Caricature and Cartoon, The Face of Liberty, The Stripes and Stars, and The Artist was a Young Man.

The Face of Liberty contains biographies of portrait painters and their sitters. The book also describes the American Revolution as a conjunction of historical and creative influences.

The Stripes and Stars is the evolution of the American flag. Mitchell Wilder, director of the Amon Carter Museum, writes in the acknowledgement of this book: "Anyone could, and did, design a flag of his own choosing. The story of this metamorphosis of design is a fascinating revelation in the light of today's adherence to codes and practices involving use of and respect due to the flag."

All four books are published by the Amon Carter Museum of Western Art.

Mrs. Mae Shaull and Mrs. Viola Graves returned last Monday, from a 21 day tour of the Pacific Northwest and the Canadian Rockies. They really enjoyed their trip.

These two Boy Scouts, Mike Goff and Kurt Spoonemore are shown here returning to Spearman on a hot August day after a 50 mile walk to Perryton and back. They walked to Perryton, spent the night and then walked back to Spearman. They earned a merit badge and a 50 mile badge.

The regal python, found in the Malay area, is sometimes 30 feet long.

Card of Thanks

I would like to express my thanks to the staff at Hansford Hospital and to Dr. Thomas for their wonderful care during my stay there. In my opinion, this is one of the best hospitals anywhere.

Thanks also to my friends for their prayers, cards, gifts and food.

May God richly bless each of you.

Sunrise Ceremony Unites Couple

Sunrise in the cool pines of Ruidoso, New Mexico was the setting Sunday, July fourth, centennial '76 for the wedding of Vicki Biddy and Robert Archer. Rev. E. W. Campbell, pastor First Baptist Church, Ruidoso, performed the double-ring ceremony, beneath an arch of pine boughs in a clearing of pine needles and wild flowers.

Parents of the couple are Mr. and Mrs. Elmer J. Biddy, 1508 E. 37th St., Odessa, Texas and Mr. and Mrs. Earl G. Archer, Lubbock, Texas, formerly of Spearman.

Given in marriage by her father, the bride wore a natural color cotton dress. The long dress had a V-neck edged with heavy hand-crocheted lace. The gathered skirt had two flounces, each accented with the heavy lace. The long-fitted sleeves also featured lace down the center coming to a point over the hands. The bride wore a natural color straw hat with a small bunch of wild flowers on the floppy brim. She carried a basket of assorted wild flowers trimmed with a burlap ribbon bow and streamers.

Her only attendant was her sister, Miss Terri Biddy, Odessa, Texas. She wore a long dress in hues of blue with apricot and natural flowers in a homespun cotton material. The dress was fashioned with V-neck, gathered skirt with a flounce at the bottom and long full loose sleeves. She wore a natural straw hat with band to match material of her dress. She also carried a basket of wild flowers.

Edgar Womble of Gruver, Texas, and best man to the groom, provided wedding music on his guitar. His arrangement of "The Star Spangled Banner" was played for the wedding party entrance up a path bordered with pine trees and wild flowers. He also accompanied himself as he sang "The Wedding Song" and the "Twelfth of Never."

The breakfast reception was held in the mountain home of the bride's parents in Ruidoso. The table was covered with a natural color linen cloth centered with the bride's basket of flowers. Pottery plates, cups, and coffee pot were used. The wedding cake, a homemade German Pound cake, was cut with an antique hand-crafted butcher knife which belonged to the bride's great-grandfather. The breakfast delicacies home baked and prepared by the bride's mother and sister included apricot, pumpkin, & date nut breads, hot sausage balls and pigs-in-blanket. Fresh fruit and melon balls were served in a watermelon shell. Orange juice, chocolate milk and coffee were also served.

Miss Cassandra Green (cousin of the bride) Big Spring, Texas and Miss Kelly Archer (niece of the groom) El Paso, Texas served. Also in the houseparty were Mrs. Steve Pollard, Ft. Worth, Tex.; Mrs. Fred Humes, Garland, Texas; Ms. Lynn Hohertz, Lubbock, Texas and Mrs. Boyd Ball, Casper, Wyoming.

Beth Sanders (cousin of the bride) Garland, Texas presided at the guest book, which was designed and made by the bride. The Maid of Honor's basket of flowers decorated the registry table. Ashley Taylor (niece of the groom) Lubbock, Texas distributed rice bags from a wooden basket. The bags made of sheer crinkle cloth in blue, apricot, natural and green were tied with jute and small dried flowers. Other nieces of the groom also served as helpers. They were Andrea and Allison Archer Lubbock, Texas, Jennifer Archer, and Jami Archer, El Paso, Texas. After a trip through northern New Mexico the couple are at home at 945 Centerville Road, #224, Garland, Texas.

The grooms family hosted a rehearsal picnic Saturday night, July third at their cabin in Cedar Creek Canyon, Ruidoso. Fresh fried fish, potato salad, baked beans, deviled eggs and home baked bread were served to family and friends.

Debbie Sheppard Is Honoree

Miss Debbie Sheppard, bride-elect of Mike Cook, was honored with a bridal shower Saturday, July 31st from 3:30 till 5:00 P.M. in the B & B Farm Industries Friendship Room.

The registration table was laid with a white linen cloth and accented by the Bride's Book and a feather pin. Guests were registered by Dixie Sheppard. The serving table was laid with a white lace cloth and was accented by an arrangement of white and yellow daisies. The table was set with crystal appointments and refreshments of punch and cookies were served by Beth Sheppard and Dixie Sheppard.

Miss Sheppard was presented a yellow daisy corsage, accented by a miniature wedding ring by hostesses, Mesdames: T. C. Kitchens, Ray Gibson, Ray Martin, Roscoe Nelson, Bill Strawn, Ray Ed Garner, John Trindle, Ed Wheeler, Garland Head, Herman Boone, F. B. Schubert and Dick Hudson.

Miss Sheppard was assisted with her gifts by her sister, Dixie Sheppard. Special guests present were Mrs. Carroll Cook, mother of the groom and Mrs. Bert Sheppard, mother of the bride, both of Spearman.

Hansford Lodge Meets

Hansford Lodge #1040 A.F. & A.M. met Monday, August 9th in the Hansford Lodge Hall. George Young, Worshipful Master presided over the meeting.

Regular business was transacted. Following the meeting, refreshments of ham and ice cream were served by Jack Whitson.

Next meeting will be August 23rd in the Hansford Lodge Hall.

Speck & Burluson Vows Exchanged

Judy Speck and George Burluson were united in marriage August 6, in the home of Mr. and Mrs. Charles Hall, Mr. J. R. Collins, Perryton, performed the ceremony.

The bride wore a lovely brown and white dress accented by a bronze and yellow corsage. Mrs. Charles Hall and David Hall attended the couple.

Cake and coffee were served following the ceremony.

Those attending were Mr. and Mrs. Elmer Burluson, George Lewis, Howard and Marcia of Perryton, Andi Speck, Mrs. James Sterling and boys, Mrs. Charles Hall, David and Rhonda of Spearman.

The couple are at home in Spearman following a short wedding trip to Amarillo.

Regier's Attend Birthday

Emily Watson

Rev. and Mrs. Jacob C. Regier were honored guests at the birthday party of their granddaughter, Emily Jill Watson, formerly of Spearman. Jill celebrated her fourth birthday July 29. She resides

in Follett where her father, Bill Watson is the District Conservationist in Lipscomb County for the Soil Conservation Service.

Jill's favorite friend, Raggedy Ann, was the bell of the party. She was present in the form of a sculptured Raggedy Ann cake designed by her mother, B. Joye Watson.

The party guests were interviewed on tape followed by opening of gifts and serving of refreshments. Guests at the gala event included Emily Jill Watson-the honoree, Dane and Devin Howard of Darrouzett, Katherine Luton and Kathy Rabe of Follett, adults Debbie Howard of Darrouzett, Sue Johnson of Follett, Mr. and Mrs. Wallace D. Berner and Ed of Spearman, Rev. and Mrs. Jacob C. Regier of Spearman, and Jill's parents, Mr. and Mrs. Bill Watson of Follett.

Our Heritage of Faith

notes from Faith Lutheran Church

On the 15th, Faith Lutheran will be having a farewell picnic at the Cecil Bigger's home for Bruce and Linda Loewen-Hagen. Bruce has been serving a year of Internship here at Spearman. He will now return to Dubuque, Iowa and Wartburg Theological Seminary for his final year of study. Sunday morning he will deliver his final sermon titled, "We are one in the Spirit". The farewell picnic is scheduled for 6:00.
This is the final article I will have in this column. So at this time I would like to thank all those people who have made living in Spearman a real pleasure. Special thanks to the Ministerial Alliance who supported me as a fellow worker in Christ. We have made many new friends in and outside the Faith congregation who we will remember forever with fond memories. Spearman has

Paris, France is named from the ancient Celtic tribe, the Parisii, whose capital was known to the Romans as Mudtown.

Arts & Crafts Guild News

The Arts & Crafts Guild met Friday, August 6th in the home of Mrs. P.A. Lyon.

Delicious refreshments were served by Mrs. Lyon to members. Mesdames: Joe Trayler, Pope Gibner, Clay Gibner, F. J. Hoskins, Garrett Allen, W. L. Russell, Guy Fuller, Deta Blodgett, F. J. Daily, Nolan Holt, and Bill Gandy.
Next meeting will be August 13th in the home of Mrs. W. L. Russell.

Hightower Plans picnic

Congressman Jack Hightower is planning a Panhandle-wide covered dish picnic. Everyone is invited to bring a dish and visit with him. The picnic will be held Saturday, August 21, 1976, 4:00 p.m., Ellwood Park, Amarillo. Iced tea and coffee will be furnished!

Congressman Hightower is looking forward in seeing you!

Presbyterian Church News

Mr. and Mrs. Larry Holt will play host to the Lay Renewal Prayer group on Thursday, August 12 at 8:00 p.m.

There are classes for every age group at the First Presbyterian Church every Sunday at 9:45 a.m. Come and learn more of God's Word in a stimulating study.

Bruce Loewen-Hagen, intern at Faith Lutheran Church, will be the guest minister at the First Presbyterian Church on Sunday, August 15 at 11:00 a.m.

Everyone, regardless of race, sex, or economic status, is recognized as a child of God and precious in His sight and will find a warm welcome at all services and activities of the First Presbyterian Church.

September Wedding Is Planned

Mr. and Mrs. Gene Sparks of Casper, Wyoming announce the engagement of their daughter, Roxana Jean to Mike Ward, son of Mr. and Mrs. W. H. Ward.

Miss Sparks is a 1973 graduate of Kelly Walsh High School and has traveled throughout the states and Canada with the Casper Troopers, a drum and bugle corp. She is employed by Mike-Hi Realty. Her fiancé is a former Green

Beret. Since leaving the service he has attended Casper College and is employed by Terra Resources in Casper.

The couple are planning a September 3 wedding in Boyd Avenue Baptist Church in Casper.

Roxana Jean is the granddaughter of Mr. and Mrs. A.D. Sparks of Spearman and Mr. and Mrs. Galen Huffman of Berger.

FGBMFI Meeting Set

Charles Mendenhall will be the speaker for the Full Gospel Businessmen's Fellowship International meeting to be held August 16 at Martin's Steak Gardens. The meal will be at 7 p.m. and the meeting will be at 8 p.m. Pastors and wives are guests for the dinner.

Mendenhall is the son of a Friends minister. He attended Friends Bible Academy and Junior College where he met his wife Margaret. They have three children: Quentin, Brad and Kim.

For 10 years Charles channeled all his energy into managing a ranch. He began

to grow dissatisfied at the formalism of christianity while attending a Nazarene Church and God began to deal with him. Shortly thereafter he received the Baptism in the Spirit. His new spiritual vitality led him to yield to God's call into full time service.

He left the ranch and by faith attended Rhema Bible Training Center in Tulsa, Okla. There they experienced many miracles as God met every need.

He is presently serving in the capacity of associate minister at the Full Gospel Church in Perryton.

Shower Honors Miss Trindle

A recipe shower was given August 4, 1976 at B & B Farm Industries Friendship Room to honor Connie Trindle, bride elect of Doug Steger. Upon the arrival of the honoree at the shower, she was presented with a corsage fashioned from a pastry brush, chore girl, spoon that featured a smile sticker and a fork prong held a miniature recipe for a Happy Home. Bows of handi-wipe completed the corsage.

A vinegar cruet held a yellow and white floral arrangement with a shower invitation as the guests registered.

Games arrived with favorite recipes and an ingredient necessary for the recipe and placed it in a white basket tied with yellow bows. They also brought inspiration for her future meals as a new bride by bringing an unlabeled can of food that was placed in a gunny sack for easy toting.

Games were played with prizes for each, which winners gave to the honoree. Special recipes read by guests during the hour were: A Happy Home Recipe, Forever Wedding Cake, Recipe for a Happy Day, Cake for Everyday Living, Preserved Children. All the above recipes were given to the bride.

The serving table was laid with an ecru lace tablecloth, the centerpiece being recipes on colorful recipe cards that were fashioned into an arrangement in a crystal bowl. Each guest added to this arrangement as they arrived and the centerpiece arrangement of favorite recipes of the guests was given to the bride at the conclusion of the courtesy.

Guests were served orange juice, coffee, miniature butter-horn rolls, and fresh fruit which was served from an attractively cut watermelon boat.

Out of town guests attend-

ing were: Mesdames: Ruth Steger, Carolyn Sandefer, Joyce Burford of Berger and Mrs. Diane Fitzgerald of Canyon.

Hostesses were Mrs. Jock Lee and Mrs. Byron Kenney.

Rotary Club News

The Spearman Rotary Club met Monday, August 9th at Martin's Steak Garden.

President, Junior Lusby presided over the meeting. It was decided that the Rotary Club will man the phones at the KBFM-FM Radio Station for donations during the Jerry Lewis Muscular Dystrophy Telethon.

The program for the meeting was a film from Texas A & M entitled "Research Impact" on scientific research being conducted at A & M on various subjects, which include medicine, oceanology and automotive research.

Guests present at the meeting included Gilbert Mize of Perryton and Ralph Blodgett and Gene Cudd, both of Spearman.

Members present were Carrie Marie Berry, J. L. Brock, Archie Burress, Pete Fisher, Ed Garner, Peyton Gibner, Don Hergert, John Hutchison, Eddie Limbocker, Junior Lusby, Jack McWhirter, Coy Palmer, Elzey Vanderburg, Don Wirsdorfer, Jim McLain and Bob Elliott.

Next meeting will be August 16th at Martin's Steak Garden.

It has been said that the painter Velasquez did such an excellent portrait of a Spanish admiral that the king admonished it severely for not being with the fleet.

More Local Youths Bound For College

New York, Aug. 9 - The proportion of Hansford County's young people that will be going to college in September, when the Fall semester begins, will be greater than ever, it appears.

Greater than ever, also, will be their tuition bills and other costs, which have ballooned considerably since last year.

On the basis of figures gathered from colleges in all parts of the country, the new schedules add from 6 to 8 percent to most 1975 rates.

For residential students at four-year private colleges, the average increase will be about \$275 and, for those at four-year public colleges, close to \$225.

Parents of Hansford County students will be shouldering a \$823,000 load for the academic year, it is estimated, based upon the number of local students enrolled.

This outlay will take care of all expenses, including room and board, tuition, fees, transportation, books and miscellaneous items.

Data on college costs and enrollments for the forthcom-

ing year come from surveys made by the College Entrance Examination Board, the Department of Commerce and others.

Their preliminary figures indicate that more than 11 million young men and women will be attending college this year, compared with 10,870,000 in 1975.

In the six years since 1970, states the Census Bureau enrollments have risen by 31 percent, due principally to an increase in women students.

The number of Hansford County students who will be going to college, come September, will be about 240, it is estimated.

Just how much it will cost, in each individual case, will depend upon the institution selected. The rates vary widely.

For those who will be attending private four-year colleges, the annual cost will be \$4,568, according to the College Board. At public four-year institutions, it will average \$2,790. The bill at two-year private colleges will be \$3,907

and, at public two-year colleges, \$2,454, its survey indicates.

The total cost confronting Hansford County parents, approximately \$823,000, is based upon the assumption that half the local students will be going to public colleges and half to private ones.

Shower Honors Rhonda Goodson

Miss Rhonda Goodson, bride-elect of Timmy Cook, was honored with a bridal shower July 29th at 8:00 P.M. in the home of Mrs. Rita Reed.

Annette Faulkner presided over the registration table, which was accented by an arrangement of yellow and white daisies.

The serving table was accented with an arrangement of yellow and white daisies and was set with crystal appointments. Refreshments of punch, coffee and cookies were served to those present

by Faye Davis. Hostesses were Meses: Rita Reed, Avo Tope, Gladys Dunaway, Jean Byrd, Judy Gordon and Louise Hunt.

Special guests present were Mrs. Weldon Goodson, mother of the bride from Dalhart, Mrs. James Cook, mother of the groom and Mrs. Ira Tindell, grandmother of the bride, both of Spearman.

News For Veterans

Veterans or their dependents seeking information on benefits were reminded today that the Veterans Administration maintains 960 toll free telephone lines across the country for that purpose.

Regional Director Jack Coker said the toll-free question-answering service is available to all veterans living in Texas.

The telephone numbers can usually be found in the "U.S. Government" section of local telephone books under "Veterans Administration--Benefits Information and Assistance."

The service is aimed primarily at veterans who live away from a VA office and find it difficult to visit the office. The same telephone service is available to veterans who live in cities having VA offices, Coker pointed out.

The toll-free service has proved popular, Coker said. For example, VA counselors in Waco answered 391,387 telephone calls during fiscal year 1976.

"Because the service is so popular," Coker said, "veterans should have at hand as much VA-related information about themselves as possible when making a call. If you can give the counselor your VA claim number, or your military serial number or Social Security number, for example, you will get faster service--which is what we are striving for."

The numbers to call in this area is: Amarillo 376-7202.

Plan fall wardrobe now

COLLEGE STATION--"Now is the time to plan ahead" for transitional fall wardrobe additions or updates, Mrs. Becky Culp, area clothing specialist, says.

"Expensive wardrobe blunders can be eliminated by knowing personal preferences for current fashion trends, wardrobe needs and designs and colors that look best with bodily proportions and personal clothing," she advised.

Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Plaids, stripes and tropical prints, such as batiks and serapes, are one important fashion direction. They're available in a wide range of colors, textures, fibers and patterns, and consumers can choose those that best meet personal needs.

"Consider that generally the brighter and bolder the colors, greater the color contrast and larger the pattern size, the more apparent weight and size will be added to your figure."

She explained that clingy fabrics in sleek designs such as matte-jersey T-shirt dresses are figure revealing, while heavy bulky fabrics such as many of the blanket weights appear to add extra noticeable size. Other texture favorites also vary considerably--such as corduroy wales, velvet or fake fur piles, quilted thicknesses or sweater knit weights.

"The layering of garments continue with vests and tunics particularly strong. Generally, the more garments worn, the more broadening the effect.

"Added apparent size can be minimized by layering under rather than over such as a T-shirt worn under a long sleeve dress, as opposed to wearing a contrasting vest over the same dress."

Q. I'm covered by social security. Why do I need life insurance?

A. You need it if (1) you don't want your family to try living on what social security pays; (2) you want to leave money to cover last illness expenses so the family home and car won't have to be sold to cover them; (3) to provide money for retirement; (4) to be sure there are enough funds to educate your children; (5) and for many other such situations, like living.

County Agent's Report

--Homeowners who use too much nitrogen fertilizer on their lawns may be covering up some serious lawn problems.

That's the contention of Dr. Richard Doble, turfgrass specialist for the Texas Agricultural Extension Service.

"Grass invaded by weeds, weakened by insect or disease attacks, or showing the effects of that accumulation may be boosted temporarily by nitrogen fertilizer. However, unless the primary problem is diagnosed and solved, the addition of nitrogen will only add to the problem," says Doble.

Excess nitrogen stimulates growth which adds to that accumulation. Also, excessive use of nitrogen produces succulent growth that is more susceptible to chinch bugs and such diseases as brown patch and leaf spot. Water requirements also increase when too much nitrogen is applied.

"Apply nitrogen fertilizer conservatively and only when the grass shows symptoms of nitrogen deficiency--pale color, slow growth and abundant seedheads," advises the Texas A&M University System specialist.

On St. Augustine grass lawns, Doble recommends spring and fall applications of nitrogen. Apply nitrogen at a rate of one pound per 1,000 square feet (12 pounds of 8-8-8 fertilizer or 8 pounds of 12-6-6 fertilizer) in the spring and two pounds per 1,000 square feet in the fall. In many areas of the state, applications of iron (iron sulfate or iron chelate) will be required to give the grass a dark green color.

If grass clippings are routinely removed from the lawn, at least one additional application of nitrogen will be required during the growing season.

"St. Augustine grass growing in moderately shaded areas requires less nitrogen than that growing in full sunlight," notes the specialist. "A single fall fertilization is adequate."

Bermudagrass lawns need about twice as much nitrogen as St. Augustine lawns to maintain color and growth. However, application rates should not exceed one pound of nitrogen per 1,000 square feet at any one application, cautions Doble.

Texas can now brag about one more distinction of their great state. For the first time in history Texas is number one in cattle slaughter in the U.S.

Dr. Ed Uvacek, a livestock marketing specialist for the Texas Agricultural Extension Service, says this information is based on 1975 statistics and applies only to federally inspected cattle slaughtering plants.

In 1975, Texas had 82 federally inspected slaughtering plants, and 28 of these plants slaughtered more than 50,000 head each. These 28 plants accounted for 11 per cent of the total federally inspected cattle slaughter, says Uvacek.

Thirty slaughtering plants reported a slaughter of between 10,000 and 49,999 cattle while the remaining 24 plants slaughtered under 10,000 head of cattle.

Uvacek notes that Nebraska and Iowa followed Texas in the number of cattle slaughtered in federally inspected plants.

The number of federally inspected slaughtering plants increased in 1976 while the number of state inspected slaughtering plants dropped considerably, points out the Texas A & M University system specialist.

Last year Texas boasted 465 state inspected plants along with the 82 under federal inspection. This year the number of federally inspected plants jumped to 89 while the number of state inspected plants fell to 352.

PEGGY'S POINTERS

August 4-6 your agent joined more than 150 agents from throughout Texas at the 33rd Annual Texas Association of Extension Home Economists meeting in Kerrville.

"Living in Century III" was the theme of the conference with keynote speaker, Dr. Jennie C. Kitching, assistant

director for home economics in the Texas Agricultural Extension Service, discussing "Extension Home Economists in Century III" -- taking a look at plans for implementing programs of informal education in home economics and related areas among Texas families.

Dr. Daniel C. Pfannstiel, director, The Texas Agriculture Extension Service, addressed the group, as did Dr. John E. Hutchison, Extension Service director emeritus.

Also among conference events was an address by State Representative Wilhemina Delco of Austin -- concerning legislation and its effect of

family living. Mrs. R. P. Smith, of Fredericksburg spoke to the home economists about national trends in home restoration and renovation as they related to her involvement with projects in the Fredericksburg area, currently receiving attention throughout several states among restoration authorities. A tour of a few of the old homes in Fredericksburg which have been renovated, was most interesting event of the conference.

Thinking about homes in Century III -- for an investment of less than \$50, your family can provide an early warning fire detection system in your

home. Smoke-detector alarms are an increasingly popular appliance.

City ordinances and building codes are being developed and revised to require smoke-detector alarms in new homes, homes approved by VA loans and in some cases, in older homes when placed on the housing market.

Smoke detectors may be battery-operated or electrical-powered. They are different from heat detectors. Smoke detectors can sense fumes from combustion before smoke may be visible and before the temperature of the fire is high enough to trigger a heat or flame detector alarm.

Another important aspect is that smoke is usually the killer -- fire victims many times are overcome by smoke and toxic

fumes before the heat or flames reach the area where the occupants are sleeping.

Commissioners say no to "merger"!

The commissioners approved the minutes of their last meeting, paid claims, and received the treasurers report, along with a quarterly report, as they opened their meeting Monday, at the Hansford Court House.

First on the business agenda, was an order from the Commissioners Court requesting that the board of

county and district road indebtedness return Hansford County's share of the lateral road fund. This is a gasoline tax, and amounted to \$18,000.00 to the county.

The board discussed the bid on a tractor, which had been advertised for in precinct 4. The commissioners also revived the EDA plans, for the county, which they do every two years.

A representative from the hospital met with the board for discussion of the hospital, and its problems and progress. According to most medical officials, who are near to the hospital operation, it is running very smoothly.

Highlighting the Monday meeting was the discussion of merging the county sheriff's dept. with the city police dept. in Spearman. The city of Spearman had wanted to merge the two, into one department, headed by Sheriff McFarlin, but the commissioners did not want to do this, so voted against the suggestion.

A discussion of re-districting the commissioners precincts, voting precincts, and Justice of Peace Precincts of the county, was tabled.

In other business the commissioners considered the purchase of a cash register for the tax office.

Federal Regulations Affect Texas Livestock

All livestock shipped out of Texas must now meet federal inspection and certification requirements, the U.S. Department of Agriculture (USDA) announced Tuesday, Aug. 3. These intensified regulations are the result of action by USDA's Animal and Plant Health Inspection Service (APHIS) designating the entire state of Texas as an area

of recurring screwworm infestations. Prior to this announcement, only 39 southern counties of the state were so designated.

APHIS officials said the change will mean that all livestock, including cattle, sheep, goats, horses, mules and burros shipped from Texas must be inspected by state or federal animal health officials or accredited veterinarians and be certified free of screwworms before shipment. Animals found to be infested with the parasite will be treated, and the entire shipment of livestock will be sprayed or dipped with a USDA-approved insecticide.

In addition, all animals shipped from Texas into southeastern states are required to be dipped or sprayed even if

found to be screwworm-free. These special requirements have been initiated in order to prevent the spread of screwworms into the southeast, an area which has been free of the parasite for over 15 years.

Previously, cattle shipped in interstate channels from Texas counties not designated as areas of recurring screwworm infestations were not required to be inspected and treated for the parasite before shipment. Many of these cattle had wounds or disease conditions which could harbor screwworms. When moved without restriction, these cattle could be the means by which screwworms were spread to uninfested states.

Texas has been placed under stricter federal regulation as the result of an increase in

the number of laboratory confirmed screwworm cases in the state in recent months. These cases threaten to facilitate the spread of this parasite of all warmblooded animals.

So far this year, over one-half of the 254 counties in Texas have reported screwworm cases. Even a greater number of cases are expected during the traditionally heaviest months, August through November. The already serious number of screwworm cases reported this year has been due to heavy rainfall in the state, producing ideal environmental conditions for the increase in screwworms.

Owners of livestock should constantly check their animals for screwworm infestations and submit specimen larvae (worms) in the prepaid, self-

addressed mailing kits available from County Extension Agents offices, suggests DR. Robert Miller, of USDA's Mission, Tex., screwworm laboratory.

Screwworms are the larvae, or worms, of the screwworm fly. Female flies lay their eggs on the edge of an open wound on any warmblooded animal. The eggs hatch, and the tiny larvae burrow into the wound to feed on the living flesh. Odors produced by the feeding larvae attract other female screwworm flies, which reinfest the wound with their eggs. Untreated infestations often result in the death of the animal.

The USDA's Screwworm Eradication Program, operated by APHIS, is designed to eradicate the wild screwworm fly population by releasing millions of sexually sterile screwworm flies every week to mate with the fertile wild flies. Matings between fertile and sterile flies produce eggs that do not hatch, thus breaking the screwworm life-cycle.

Mrs. Viola Graves, bus agent here, announced Tuesday that she had a bus load of people to attend the performance of "TEXAS" August 13 at the Palo Duro Canyon.

Cooperation Asked To Control Screwworm Outbreak

Austin-The Independent Cattlemen's Association is asking ranchers throughout Texas to cooperate fully with new federal guidelines aimed at controlling a screwworm outbreak now gripping the state.

The new guidelines, applied to all counties in Texas by the U.S. Department of Agriculture this week, require spraying of all cattle within 72 hours of any planned movement to Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, or Tennessee.

Those seven southeastern states have climates in which screwworm flies can "overwinter" and set up a disastrous situation for next year. Movement of cattle to states other than those seven is not affected.

ICA President T.A. Cunningham of Goliad pointed out that the spraying requirements now being applied to all Texas counties have previously been in force in 39 South Texas counties in the screwworm belt.

"With more than 7,100 cases in the first seven months of this year, and with confirmed cases as far north as the Panhandle, we have an epidemic situation," Cunningham said. "The spraying program is for our good, too." The spraying requirement will remain in effect until Nov. 30.

Cunningham also called on ranchers to remember these basic steps which are critical to screwworm control: prompt submission of samples from all infested wounds, prompt treatment of all wounds with preventative smear, spraying or dipping regularly to prevent infestation, and use of control programs for ticks, horn flies and other pests which make wounds available for screwworms.

"The sterile fly program is great, but it cannot do the job without the help of the rancher," Cunningham said.

Intensive Seminar Is Scheduled

"All the Bible You'll Ever Need" is the title of an intensive seminar resourcing imaginative change, led by the Rev. Roger B. Knapp of Austin at the First Presbyterian Church of Spearman on September 10-12.

Roger B. Knapp, a member of the Palo Duro Union Presbytery, is recognized as an innovative interpreter of the scriptures and contemporary living. Now completing his doctoral studies at McCormick Theological Seminary in Chicago, Knapp has been awarded a certificate of biblical studies from the University of Edinburgh, Scotland. Having been graduated from Princeton Theological Seminary and Duke University in North Carolina, Knapp has served congregations in Taos, New Mexico; Bartlesville and Tulsa, Oklahoma; Hereford and Sweetwater, Texas.

The seminar will be open to a minimum of twenty persons and a maximum of twenty-four. While Presbyterians will be given the preference, this will be open to anyone. People planning to register should do so with Helen Etrr by August 31. The cost is \$15 for an individual and \$25 for a couple. It is intensive and fun and is a playful workshop for energetic people who dislike traditional bible studies. Sessions will be Friday, September 10, 6:30 to 11:00 p.m.; Saturday, September 11, 9:00 a.m. to 8:00 p.m.; Sunday, September 12, 1:30 to 6:00 p.m.

Sherwood already getting advice from fans before season opens!

Spearman can lay claim to another first for the record book! Some football expert, self appointed, has already written a full page of instruction to Coach Sherwood on what a bum job he did last year with his freshmen and how lousy he was for playing some of the coaches' kids, including his own! This kind fan has already jumped on the big coach, even before the pigskin season officially has started; so, we can claim another first for some of our local fans, that is, they have started this year, before the season even opens telling the coach what he did wrong last year! Now, ain't that a real "record breaker"! And, no one but a true and dedicated sports fan could have timed the letter this early! But in the interest of most fans who have stood by "Sherwood" and his coaching methods all of the way, we proudly present the 1976 Lynx, and their coaches!

Head coach is Greg Sherwood, Ed Moore, defensive varsity coach; Kenneth Friemel, Line Varsity Coach; Bill Hamilton, 9th-Varsity; Chuck Steele, 7th-Varsity; Dennis Tomlin, second-Varsity; Windy Williams, 8th-Varsity; Curtiss Beasley, trainer!

This fine group of coaches will ready the team for their first scrimmage at Dumas August 19; they will then scrimmage Guymon at Spearman, August 26th! The Lynx will open their season at Stratford, September 3rd. Both the Lynx and Elks are rated No. 1 in their respective districts by several football experts (1-A and 1-AA)!

Greg Sherwood is in his 4th year as head man at Spearman and he has been very successful with his program. The team this year promises to be very exciting to watch, and has an outside

chance of representing the district in the play-offs if they can get by Dalhart!

This year's players and their classification is as follows: Phil Archer, 17, 12; Mark Cunningham, 17, 12; Bo DeArmond, 17, 12; Scotty DeWitt, 18, 12; Kent Hargis, 17, 12; Jeff Hohertz, 17, 12; John Holman, 17, 12; Jim Kenny, 17, 12; Terry Latham, 17, 12; David Lesly, 16, 12; Ricky Morris, 18, 12; Ed Pogue, 17, 12; Greg Price, 18, 12; Doug Steele, 17, 12; Jimmy Vernon, 17, 12; David Witt, 17, 12; Mike Bodey, 16, 11; Twane Friemel, 16, 11; Jim Jones, 16, 11; Jed Meisner, 16, 11; Raul Ortega, 17, 11; Randy Reid, 16, 11; Sam Boone, 15, 10; Scot Sherwood, 16, 10; John Kenny, 15, 10; Scott Martin, 15, 10; Zane Newton, 16, 10; David Ortega, 16, 10; John Reneau, 15, 10; Billy Sellars, 16, 10; Pete Garcia, 17, 11; Ismael Vela, 17, 10; Florencio Martinez, 10; Tony Truelove, 16, 10; Steve Goff, 15, 10; Cary Bridges, 14, 10; David Pope, 15, 10; Charles Price, 16, 11; Kyle Nollner, 16, 11; Benny Rodriguez, 16, 10; Todd Brock, 15, 10; James Cunningham, 16, 10; Hector Trevino, 15, 10; Kirby Hargis, 15, 10; Ricky Alexander, 16, 11; Gary McCalman, 16, 11; Chris McClellan, 16, 11; Eric Brown, 16, 11; Billy Snider, 15, 10; Tommy Barber, 16, 11; James Whitaker, 15, 10; Mark Franklin, 15, 10; Chris Tout, 15, 11.

For the past several months, public health officials have been planning for, and talking about, the influenza immunization program that will be carried out this Fall. However, there's another kind of immunization that shouldn't be forgotten, according to the Texas Department of Health Resources.

Dr. Jerome Greenberg, Deputy Director of Preventable Disease Services, TDHR, points out that "Every child, whether in school or not, needs immunization against polio, diphtheria, tetanus, whooping cough, measles, and rubella."

All children who attend school must have the full series of immunizations against these six diseases before school begins. The Texas School Immunization Law forbids the schools to enroll a child who has not completed the immunizations.

The immunizations are available from your family physician. In addition, most

local and regional public health agencies have well-established clinics conducted on a regular basis.

Children should begin to receive their immunizations at the age of two months, in most cases. A series of separate vaccinations is necessary for each of the six childhood communicable diseases. If for any reason a child doesn't begin the series as early as two months, however, they can be started at any age.

Dr. Greenberg says that the schools are doing a good job of enforcing the state immunization law. "We are very proud of the school immunization levels achieved in Texas," he says, "and I think it's time to recognize the good work done by school administrators and the Texas Education Agency in assisting us. There are very few school districts that do not do well."

Across the state, school authorities report that 95 to 97 percent of their pupils have been fully immunized. Because of these levels of pro-

tection, the rates of potentially serious childhood communicable diseases have dropped dramatically in recent years. For example, polio, once an annual scourge in many parts of Texas, now is extremely rare; no more than one or two cases each year, and in some years none at all.

Health officials warn that parents should not wait too long to start their children's immunizations, since clinics become increasingly crowded as the opening of the school year approaches. The impending flu immunization campaign also will disrupt the usual clinic schedules.

Children will not be able to obtain the usual immunizations at the same time they receive their flu shot, Dr. Greenberg says. "There are a couple of vaccines that are not recommended for administration at the same time as the flu (vaccine)," he says. Furthermore, "The flu immunization effort is going to be so large that there simply will not be an opportunity at these big clinics to cope with a variety of other vaccines at the same time. So children, to get the flu vaccine, will need to go to a different clinic at a different time."

FACTS & FIGURES

According to the Pennsylvania Department of Commerce, 75,000 elderly people live in more than 650 nursing homes in Pennsylvania.

To help improve those homes so they can meet federal fire safety laws, Pennsylvania voters passed a \$100 million bond issue to finance state loans to the homes.

So far, close to \$20 million of that money has been put in the loan pipeline.

One loan went to a 51-bed institution. It's getting \$165,940 to install fire-proof doors, build fire towers and put in elevators.

People once believed that if their palms itched they would receive money.

Lions Hear Service Program

The Rev. Merriel H. Abbott and his son, Mark presented the program for the Spearman Lions Club during their noon luncheon Tuesday.

Rev. Abbott spoke of the Community need for service organizations such as Lions Clubs. He has been a Lions Club member for more than 20 years and explained what community service has meant to him. He mentioned the community need for service to crippled children, diabetic children and blind persons, all of which are major projects of

the lions club organizations.

Mark Abbott talked to the club about his upcoming educational trip to Spain and about his future plans while in that country. Mark is a student at Oral Roberts University and is visiting Spearman as a youth worker this summer.

The Rev. Abbott recently concluded revival services at the First United Methodist Church and is planning to accompany his son to New York for his departure to Spain.

Several members of the

Spearman Lions Club were present for the meeting and were pleased with the program which was arraigned by Lion H. O. Abbott who is the program chairman for August.
