

Michigan Ice Queen

POTOSKEY, Mich. ... On February 7th, Gov. Fitzgerald will crown 17-year-old Shirley Equier of Harbor Springs (above) Michigan Ice Queen for 1936. She will rule over the National Amateur Speed Skating Championship race.

Tax Survey Of All Land In County Is Being Made

A thorough survey of Tax records and all lands of Texas which will eventually result in collection of thousands of dollars from property values now escaping taxation is being carried on at the Court House for Hansford County, under the Supervision of W. S. McNabb, as County Project Superintendent, by the following citizens:

Hershel Ooley, Bert Snooks, L. F. Madden, Eldon Cline, Earl Madden, W. H. Black, Roy Dixon, Ruth Watkins, Robert Spivey, Mrs. R. P. Short, and Helen Buckley.

The work consists of a Survey of the County Tax Records, Abstract Records and all other records pertaining to lands of the county. In addition there will be an adequate physical survey of the lands themselves, to gather full information as to improvements, acreage in cultivation, classification of land as to productivity. When the survey is completed there will be available for county records a complete picture of every acre of land on any subdivision of land of the entire county.

All officials of the County are enthusiastically cooperating in this work which should be of great immediate benefit to the tax payers of Hansford County. The information gathered will be available as Public Record and be of invaluable assistance not only to County Tax Officials but to the school districts and the Taxing Authorities of the Cities and Towns of the County.

School Trustee Election In Spearman April 14th

An election to vote on three trustees for the Spearman Independent school district will be held at the school house in Spearman on Saturday, April 14.

The three board members whose terms expire are Homer Allen, president, Edgar Womble and Abb Jackson, who is filing out the unexpired term of C. V. Main, who resigned recently. Voters of the precinct are urged to remember this election and show their interest in the affairs of the district by casting a ballot.

Election of city officials is another important event to take place in Spearman in the near future. This election is called for Tuesday, April 7, the Tuesday following the school election. The terms of Mayor Cooke, and commissioners J. D. Heter, and Chas. Chambers expire this year.

SON OF R. L. STORRS DIES IN AMARILLO

The small son of Mr. and Mrs. Storrs of Amarillo died the first of this week with pneumonia. R. L. (Buck) Storrs is the son of Mr. and Mrs. Ralph Storrs. He was born and reared in Spearman until a few years ago. They have many friends and relatives in this vicinity who extend heartfelt sympathy in this sad hour.

James Blasingame, Willard McLarty and Ralph Talliaferro, Perryton, were visitors in Spearman, Saturday evening. Mr. and Mrs. Seldon Caradine returned to Perryton with them and spent the week end.

and most popular combine developed on the market today. This is both interesting and instructive and every grain farmer should see this picture.

Every farmer is cordially invited to attend free of charge. The show is sponsored by the M-M Power Implement Co. and Matthew and Crawford Co. of Spearman.

There will also be three nice prizes given away. Everyone has a chance to win one of these three valuable prizes.

BARKLEY IN RACE FOR COUNTY JUDGE OFFICE

A. F. Barkley a resident of Hansford County for the past 31 years, this week threw his hat in the ring and is a candidate for county judge. Mr. Barkley needs no introduction to the people, having been engaged in business here and at Old Hansford ever since coming to this country. Mr. Barkley was elected county judge in 1908 and served the people of Hansford county as long as he would have the office. In announcing his candidacy, Mr. Barkley has the following to say:

To the voters of Hansford County: Having disposed of my interest in the hardware business, I have decided to enter the race for the County Judge of Hansford County. The duties of this office are not new to me as I have heretofore served as County Judge of this county and am familiar with all its requirements, as well as that of County Superintendent of Schools, which duties are attached to the office of County Judge in this County.

Many of the older residents of the county will remember my former service as County Judge, and to any one not knowing me at that time I refer you to these older residents and am willing to abide by their discussion as to the type of service I rendered. I further emphatically state that in announcing my candidacy for this office I do so with the intent, if elected, of serving the whole people of the County to the very best of my ability, and I shall devote my entire time and attention to the duties of the office; and upon the grounds of honest service and fair play to all I shall base my claim for your support.

Respectfully
A. F. BARKLEY

Plateau Singers Meet At Gruver In All Day Meeting Sun. Mar. 29th

The county convention of the Plateau singing association, meets at Gruver, Sunday, March 29, for an all day session. L. K. Garrett is president and Frank Fleck is vice-president of the Hansford organization. Doris Kirk is Sec. and Bill McClellan and Bill Miller are members of the advisory board together with A. H. Frazier and Homer Cuck. John F. Taylor of Borger is President of the Plateau association and will attend the Gruver meeting.

President Garrett plans to have a number of special singers present to add variety and enjoyment to the program. Several classes of singers, Holt, Pringle, Gruver and others will also sing. Gruver invites every body to spend the day with them and enjoy the good fellowship and splendid singing.

Clifford Beck, Perryton, was a Spearman business visitor Saturday.

C. V. Main was in Amarillo Friday, attending a hardware meeting held there Friday night.

Townsend Club Delegates Attend District Rally At Amarillo Monday

A. F. Loftin, President of the local Townsend club and a number of local people from this county attended the rally held at Amarillo Monday, of all of the clubs of this 18th congressional district. The Townsend plan backers are entering into politics, and it is understood that they intend to put their own candidates in the race for the various state and national offices this year.

Among those attending from Spearman were: Gray Sparks, Mr. and Mrs. E. R. Wilbanks, R. V. Converse, J. H. Buchanan, J. W. Moore, R. F. Groves, Miss Altha Groves, Mrs. Luther Glover, A. R. Stetson, C. E. Campbell, Miss Vera Campbell, Mrs. Fred Hoskins and Joanne.

Mr. and Mrs. Tommy Taylor drove to Stratford, Friday evening to spend the week end visiting with friends and relatives.

UNCLE JIMMY KELLY CELEBRATES BIRTHDAY

Uncle Jimmy Kelly, caretaker at the school plant, passed another milestone in life last Friday, March 20, this day being his 77th birthday. Uncle Jimmy carries the weight of his years well. He declared on his birthday that he was old enough to wear glasses and when he last saw him he was on his way to have his eyes tested and fitted.

Uncle Jimmy came to Hansford County many years ago and at one time carried the mail from Guymon to Old Hansford. He has been employed by the school board of Spearman Independent school district since that district was formed in 1920. Uncle Jimmy is loved and remembered by every student that has ever graduated from Spearman High school all of them wish him many more happy birthdays.

Mr. and Mrs. W. L. Meek spent the evening with Bro. and Mrs. A. F. Loftin.

B. L. ROGERS IS CANDIDATE FOR REPRESENTATIVE

To the Voters of the 124th Legislative District of Texas: For many weeks Mrs. Rogers has been critically ill following a bad automobile wreck in Austin. It has only been two weeks ago that she could be moved to our home at Farnsworth.

Mrs. Rogers' illness together with my legislative duties and my sincere efforts to look after the welfare of all my district and its people has kept me too closely confined to be able to visit all of you as I wished to.

Nevertheless, many of you folk have seen fit to write to me and pledge your support and that of your friends if I would consent to a third term in the Texas Legislature. Quite naturally I feel already deeply obligated to all the people of my district for their support and confidence during my prior and present term. You have made it possible for me to acquire considerable legislative experience so that I am now in a better position than ever to serve you adequately and well. If, therefore, the people of my district really want me to run, I am going to run and hereby announce myself as a candidate for the office of representative from the 124th legislative district to the Texas Legislature, subject to the Democratic primaries.

It has been my sincere aim to give my very best efforts and thought to my position so that the best possible service might be rendered the people. I trust I have merited the confidence you already have placed in me and that your influence support, and confidence in my behalf shall continue I earnestly seek it. Many, many people have been so kind as to laud my efforts in connection with the state soil erosion law that gives back to North and Northwest Panhandle counties all their part of state taxes for two years with exception of Confederate pensions and school levies. They have given me much credit for gaining the necessary support in the House. This, of course, was difficult because of the preponderance of representation from other parts of the state.

People will recall that I helped in getting deserved assistance for farmers and ranchers in connection with purchases of state school land. This included Panhandle counties. Many people have been urging for years a drivers license law to make highways safer for people who used them rightly. If aid I have extended this has met with approval I am most happy because it is always been my thought to do what is best for the people. As you know this law is so arranged that the drivers license cost nothing.

There are many other accomplishments in which it has been my privilege to share that I might here recount. But, after all you know my record for it has been open all the time and on the basis of that record and my qualifications for the office I ask and will appreciate your support and influence not only in the coming primaries but in the election.
B. L. ROGERS

Mrs. Edwin Simmons In Auto Accident

Mrs. Edwin Simmons, while returning to her home east of Spearman last Friday, seems to have lost control of her car and run into a wire fence besides the road. Mrs. Simmons received severe bruises about the face and head but otherwise was not seriously injured. It is understood that after tearing down a number of fence posts the car overturned in a wheat field. It is fortunate that no more serious injury resulted.

John Douglas was a Shattuck visitor Monday.

RALPH BUCY DIES AT LUBBOCK MARCH 21

LUBBOCK—Ralph T. Bucy 44, Midland County surveyor and an independent oil operator having scattered oil leases throughout the Permian basin, died in a sanitarium here early this morning of non-contagious meningitis. He had been stricken Thursday night at his home and was unconscious when brought here Friday noon. His body was taken in charge by a Midland undertaking establishment. Accompanying Mr. Bucy here were his wife, Dan Davis, a brother-in-law and Mrs. W. C. Ryan, all of Midland.

Many Spearman and Hansford County read the above clipping with a great deal of sadness. Ralph will be remembered by many residents of old Hansford as a friend and neighbor, who never saw a stranger. Mr. Bucy first came to Hansford County in 1914. Here he resided and made many friends until called to service by Uncle Sam. After the war he returned to Hansford county to find that Spearman, a new town had been born. Bucy, as he was called by many, was county surveyor for many years, leaving Spearman in about 1923-24. He has spent most of the time since in the Midland county, returning to Spearman for a short while in 1926. His friends here learn of his going with much regret.

Emergency Wind Erosion Program Ready To Go Into Action Immediately

The emergency wind erosion program being administered by A. and M. College through the Texas Extension Service is ready to go into immediate action as soon as funds are received from Washington, D. C. Director H. H. Williamson of the Extension Service has announced.

"A major part of the counties are organized in the Panhandle areas and applications for treasurer's bonds are being received.

He went on to say that all application forms have been sent out to the counties and the administrative machinery is set up at College Station to handle the emergency wind erosion program with the least possible delay.

Director Williamson explained that the program will be handled in the counties by county wind erosion committees elected by the county council. These committees will consist of three farmers, who will elect a chairman and a treasurer. The treasurer of such an organization need not be a member of the committee.

The county agricultural agent will act as sec- and be responsible for the educational phases of the work and generally supervise the program. The county agricultural agent will represent the Director of the Texas Extension Service.

Other points of the emergency wind erosion program are: The county committee will appoint community committeemen, who must approve farmer's application and after the work has been completed, certify before final payment is made that the work has been completed as specified by the county committee and agreed to by the applicant.

Checks for 60 per cent of the total grant will be issued to each farmer upon approval of application, and the balance paid upon certification that the work has been completed. Only solid listing or strip listing or chiseling can be approved by the county committee, and all work must be done on the contour.

This contour requirement has been made, in order to conserve all moisture and assure a vegetative covering that will prevent the occurrence of the same situation next spring.

All field work will be carried on by Parker Hanna, Extension district agent of the Panhandle area, and O. G. Tomlinson, Extension agent of the South plains area, through the county agricultural agents in each of the counties effected by the emergency wind erosion program.

FIVE DAYS REMAIN FOR AUTO LICENSE

Only five days remain to secure auto license tags and driver license certificates. H. L. banks, tax collector rem Hansford citizens last night.

There are yet many who not secured these necessary tags. The deadline for getting in order to comply with state regulations is April 1. The law provides a heavy fine for driving without a permit after that date.

Mrs. Joe Turner and daughter of Gruver, were in Spearman Friday afternoon.

BE A DETECTIVE IN ONE EASY LESSON GUESS WHO
AN' THEY OUGHTA BE A LAW AGAINST AUNTS KISSIN' YA WHEN THEY COME VISITIN'!

You can always tell the freshmen by their green and haughty stare:
You can always tell the sophomores by the funny clothes they wear;
You can always tell the Juniors by their careless air and such;
You can always tell the seniors but you can never tell them much (not Shakespeare)

Everyone is wondering who the blue-eyed brunette, just so high that Robert Satterwhite is escorting around. We are inclined to believe her name is just a little bit sharp.

We see that Bill Jr. has the grocery business down pat, he certainly knows his Apples.

The other day in Chemistry professor Reinertsen asked if he put a silk worm that was silk together with a moth made holes, what would he do?

Ralph squirmed a little, and that bit of maghony (know that hard wood) made mental calculations on his fingers, and, as he was finally relieved for his labors with the th of an idea, he said, "Lace".

The writers of this column have seriously considered moving this town a little closer to Gruver just for the convenience of Geraldine H. and Doris Kirk.

Which reminds me I will have to use a little strategy with my dad when the subject of a gas bill is mentioned, but where am I? Excuse my rambling please I think it is a disease which is contagious.

Oh! yes, and in regard to Gruver we really should try to cut J. B. gas bill down also as he is seen over here nearly every night.

The other day in the hall I saw Doll ruefully contemplating a piece of wood very much battered and cut, which in its better days must have been a pencil, and out of pity I asked him what was wrong. He sighed and replied, well have you ever tried to use a razor after the wife sharpens a pencil with it. Still curious, I asked the grief stricken man what would be worse, with a woeful look of one who realizes it is to late he said "to use the pencil."

Not so long ago the writers of this column overheard this conversation between C. D. and Miss Deakin. Miss Deakin—"How can you tell the approach of winter?" C. D. It begins to get later earlier. Don't you think that C. D. is exceptionally bright.

Two freshmen were overheard a few days ago discussing their plans for future work. The first said I am going to be an aviator I've been air minded for the last two years. Second said, I guess I'll be a garage man. I have been tow headed for all my life.

Not so long ago when Julia was learning to drive this conversation was detected by the ever open ear of the doopsteers, Julia learning to drive. "But I don't know what to do! Wylie. Just imagine that I'm driving."

If any one of the readers of this column see, hear, imagine, or just out right guess that some-

PUBLIC SPEAKING

The Public Speaking students have been practicing on high voice selections. The purpose is to develop the range of the voice. Very soon they are to start on the medium voice ranges.

For the past week several people have been practicing declamations and debate in Speech class, for criticism. The students feel that this criticism will be helpful to both the speaker and to the class.

SEVENTH GRADE

Last Saturday several were absent from school, but we had a fair average attendance in Grade School.

We are planning a picnic soon for our Public Speaking Class. Janell Womble is the leader for the losing side in our class and she will be responsible for the fun. Everyone is looking forward to this event.

Joe Carol is absent this week because of illness.
The Class welcomes Eugene Sanders back.

TEXAS ODDITIES

Most of the honey in Texas is made from cotton blossoms. Pecos was moved a mile and a half for a title of the land could not be obtained where it was first situated.

Lake Kemp in Baylor County is the largest body of water in Texas.

The Governor of the State of Texas rules more territory than any King or premier of Europe in the continental limits of his country, other than Russia.

Texas has had eight capitals. Washington, Harrisburg, Galveston, Valasco, Quintana, Columbia, Houston, and Austin.

VOLLEY BALL

Volley ball started off with a bang. Several girls are coming out this season, in fact more than usual. Miss Jones and Mr. Finley are sponsoring it. The girls started practicing last Thursday afternoon for the county meet. We all hope that this will be a very successful season.

thing fishy is happening and you wish to make it public just tell one of the snoops of this column thank you and we will be with you again next week.

SCHOOL WELL ATTENDED SATURDAY MARCH 21

School was well attended Saturday in spite of the fact that almost everyone had other business to attend to. School was held to make up the time lost when the gas was turned off during February.

HOME EC. GIRLS FINISH DRESSES, JUDGED

The Home Ec. 3 girls have finished their afternoon and evening dresses. Thursday afternoon the dresses and evening dresses were judged by Mrs. Hoskins, Mrs. Archer and Mrs. Broadhurst. Elizabeth White placed first, Marcella Newcomb second and Ola Smith third. The girls are now studying interior decorating.

The Home Ec. 2 girls have completed their tailored dresses, and Monday afternoon they were judged by Mrs. Daily, Mrs. Hill and Mrs. Gandy. Frances Hoskins placed first, Mary Reimer, second and Floydene Howerton and Ruby Ruth Kelly tied for third.

CHAPEL PROGRAM

The chapel program Thursday was opened by the song "Battle Hymn of the Republic" sung by the assembly.

Prayer—Mr. Finley; Scripture Eleanor Pay Womble; Declamation—Wanda Towe, Rosanne Porter; Music, Harmonica Band; Declaration—Reta Roach; Violin Quartet, Howard Dean Kelly, Don Cooke, Barbara Daily, Ben Boykin, and Jean Hill.

The program was closed by announcements made by Mr. Bralley

Mrs. Wm. E. Borah

WASHINGTON . . . A new portrait of Mrs. William E. Borah, wife of the United States Senator from Idaho and one of the leading candidates for the Republican nomination for President. Mrs. Borah is well known in Washington circles.

SEWING WANTED

Sewing, Prices reasonable, all work guaranteed. I also take orders for individually designed Spencer Foundation Garments anyone interested please call Mrs. Lora Rosson, 131. 15t3

Who's Who in the Senior Class

WYLIE YATES

Wylie Yates was born in Wichita Falls, Texas, Jan. 28, 1917. Last year at the beginning of the second term he came to Spearman from Miami, Texas.

This year Wylie has been very active in sports and is a popular member of the basketball team and the football team. Basketball and football are his favorite sports.

Physical education is his favorite hobby, and swimming is his favorite subject.

His ambition is to be a football coach, and he plans to attend college and major in physical education.

MARJORIE HAUN

Another old timer comes to the front this week, as we find Marjorie Haun before us.

Marjorie was born March 4, 1917, in Maffat, Colo. In 1923 she moved to Spearman and she has lived here since that time. Marjorie is one of the few who have attended school here from the first grade up.

Marjorie has been very active in all school sports.

She was captain of the basketball team. Her success as a basketball player was particularly due to the fact that basketball is her favorite sport. Dancin' is her hobby, and shorthand is her favorite subject. Marjorie's ambition is to be a stenographer, and she plans to enter college and major in business administration.

SENIOR NOTES

The Seniors have been very busy the last week or two in spite of the dirt. We have just about decided that we can't study just as hard when the dirt is blowing as when the sun is shining.

We would really study if it would only rain!

Last week the order was sent for our invitations and cards. We shall be very glad when they arrive.

Miss Deakin has been chosen as the director of the senior play and she has already selected the play. No certain date has been set for the play, but we think it will be some time about the middle of April.

"Weddings ain't what they used to be" No; people are now eating the rice and wearing the old shoes.

CHRISTIAN SCIENCE

"Reality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, March 29.

The Golden text is: The word of the Lord endureth for ever. An dthis is the word which by the gospel is preached to you.

Among the citations which comprise the Lesson-Sermon is the following from the Bible. Praise him ye heavens of heavens and ye waters that be above the heavens. Let them praise the name of the Lord, for he commanded, and they were created. He hath also

BAPTIST CHURCH

established them for ever and ever. The Lesson-Sermon also includes the following passages taken from the Christian Science textbook, Science and Health with a Key to the Scriptures, by Mary Baker Eddy: "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made."

We are happy to announce that Dr. Howard, Missionary for the tenth district will hold our meet-

ing, on April 19. Bro. Howard will conduct the singing. Pray for the revival. We believe that in the "straw vote of the 'L' suggestion" Roosevelt will receive a bigger vote than he did in the race.

What is going to become of Sam? Is he turning loose jobs? While he is demonstrating his liability to be demagogued, we believe that in the "straw vote of the 'L' suggestion" Roosevelt will receive a bigger vote than he did in the race.

International Sunday School Lesson

By DR. J. E. NUNN

General Topic: Jesus Explains the Kingdom.
Scripture Lesson:—Luke 13:18-30

kingdom of God. The Kingdom Conception in Scriptures.

The Bible and Christianity had their origin in times when government was ordinarily conceived of in terms of kingship. Hence our religion is inseparably interwoven with figures and phraseology of royalty. So the title kings applied to Christ will never cease to be expressive and appropriate no matter how thoroughly monarchy shall be discarded by the nations. The Old Testament as might be expected, is full of references to God's kingdom, in the sense of his spiritual reign among men. In later Jewish literature the term kingdom of God was applied to the anticipated Messianic kingdom. "Kingdom of God" is a term applied to the ideal future which the Old Testament prophets expected soon to become a reality. During the age of the will and purpose of God would be supreme. Every Jew would understand the phrase, 'the kingdom' or 'reign of God'. It might be paraphrased as 'the world as God meant it to be.'

Jesus And The Kingdom Idea

Jesus took this older conception of the kingdom of God and demitted in it the whole plan, purpose, program and destiny of his mission of redemption. Matthew ordinarily employs kingdom of heaven where Mark and Luke give kingdom of God. Jesus undoubtedly used both expressions interchangeably. Strict Jews avoided the use of the divine name; and Matthew was, supposedly, writing for Jewish and Jewish Christian readers. John the Baptist had declared the approaching inauguration of the Kingdom: Repent ye; for the kingdom of heaven is at hand; and when Jesus entered upon his active ministry it was with the announcement that the Kingdom of heaven was at hand. The importance of this term kingdom of God in a study of the Christian relation may be realized from the fact that such study involves the whole field of the gospel in all of its aspects.

The Parable of The Mustard Seed

"The mustard seed here is the kingdom not the gospel. Did men perchance ridicule Jesus when he claimed that his ministry that was, after all, a comparatively insignificant affair, was the beginning of a kingdom of God? Jesus admits: Yes, it is insignificant. The multitudes come out to witness my wonder-working and listen to my new doctrine; but only a few accept it.

Mustard seed is a common symbol in the Orient for minute things. "In the proper season, the traveler may ride by mustard bushes as high as his horse, and alive with flocks of merry bullfinches or of rock-pigeons feeding upon the seeds."

The Parable Of The Leaven

"It has been said that this parable should gain for our Lord the title, the Divine Optimist." "The three measures meal" would be fully a bushel; a large amount, therefore, contrasted with the tiny bit of yeast employed. The gospel was "hid" at first in the mighty Roman Empire; after a time the world awoke to the fact that that empire had become Christianized. "Leaven is a silent agency. So is the kingdom of God. Leaven, salt, light, are silent forces as are all God's mightiest powers." "Who would have dreamed, seeing Jesus and his disciples on the highways of Palestine, that from that small band of men would issue the Christian church with all its world-wide activities. The great difference between cause and consequence suggests also that there are other forces at work besides those we observe, forces which take our small efforts and through them attain results for which those efforts alone are unable to account."

Difficulty Of Entering The Kingdom.

As the first part of the lesson dealt with the general characteristics of the kingdom, the second deals with the problem of getting into it. Christ's statements were given in answer to a question asked him, "Lord, are there few that be saved?" He did not answer the man directly, but set forth the severity of entrance which in a way, was a positive answer to the question. According to Moffatt's translation he said:

Strive to get in through the narrow door, for I tell you many will try to get in and not be able, once the master of the House has got up and closed the door.

Then he added that they might knock and ask admittance, but that the Master would say away for I never knew you.

"Weeping And Gnashing Of The Teeth"

In the last three verses of the printed lesson Christ told these Jews, "There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you yourselves thrust out." And especially did he intimate that they would be mad when they saw the Gentiles from the east, west north and south in the kingdom. For above all things the Jews hated the Gentiles. "There are last which shall be first, and there are first which shall be last" In other words, the privileged ones who occupy high places and have the first chance may find the common neglected persons, getting into the kingdom ahead of them.

In kingdom citizenship only merit counts. So, without saying it in so many words, Christ intimates that not blood or wealth, or culture, or position will get one into the kingdom, but rather the right attitude of heart. The essentials for kingdom entrance, then, are a consciousness of one's sinful life, a sorrow on account of it, a desire to be rid of it, and a willingness to do anything God requires to get right.

WAKA NEWS

Several wheat fields in this community have started blowing in the past week.

The Waka Parent and Teacher association met Friday night. The men had charge of the program. The meeting which has been held by Gene Cornell of LaVerne Oklahoma, will close Wednesday night.

Miss Russell of LaVerne who has been helping in the meeting returned home Monday. Bro. Hubbard from Pampa preached at the Brethern church Sunday morning.

Everyone was glad Miss King was able to be back to school and teach Thursday.

Mr. and Mrs. N. G. Powell spent Sunday afternoon with Mr. and Mrs. G. A. Burger.

Mr. and Mrs. Albert Dear called on Mr. and Mrs. Troy Dendy Monday afternoon.

Mr. and Mrs. D. W. Hart and son went to La Verne Sunday.

Walter Shelton of Amarillo spent the week end with Mrs. Shelton.

Mrs. Ethel Keim went to El Paso last week to see her brother who has been ill with pneumonia. Her brother passed away Friday and the deepest feelings of the community are for Mrs. Keim.

Lena Cotter of Spearman spent the week end in the L. W. Hohman home.

Mr. and Mrs. Jake Boese and family spent Sunday afternoon in the Art Frazee home.

Curtis Parker spent Saturday night with his aunt Mrs. Alene Simpson, Spearman.

Mr. and Mrs. Ray Burger and Harlan spent Sunday in the H. Elledge home.

Mr and Mrs. John Rampole from Kansas are visiting in the home of Mrs. Rampole's parents, Mr. and Mrs. J. B. Weibe.

Mr. and Mrs. A. Weibe spent Sunday afternoon in the J. B. Weibe home.

To Help You Keep Abreast of the Times

So much is happening every day in the world of government that affects your living, income and buying power. What is Congress doing? For what is money to be spent? How will they raise it? Who is to administer the spending? What does this business improvement mean? Will it continue? Why is there another side to so many questions?

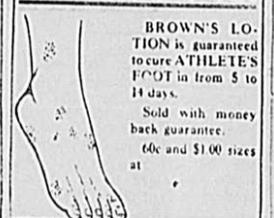

The United States News

Every week you find in The United States News a complete, accurate report of national affairs from Washington. News is grouped together in departments for your convenience. BANKERS ARRANGING REGIONAL MEETINGS

Studying New Legal and Economic Conditions Affecting Bank Management

STRESS PUBLIC OPINION

American Bankers Association Sponsor of Meetings as Part of Nationwide Program of Banking Development

PHILADELPHIA—Fifteen hundred bankers from fifteen eastern states met here in January in a two day conference devoted to discussions on legislative, managerial, operating and public relations problems of the banking business. This was the first of a series of meetings planned by the American Bankers Association in its nationwide program of banking development under the leadership of Robert V. Fleming, president of the association. Similar conferences will be held in southern and western sections of the country. "It is the purpose of these working conferences to bring to association members and other bankers a thorough knowledge of the changes in banking laws and rules, provide discussion of better public relations so that there shall be greater co-operation and understanding between the banker and his customers, and to give opportunity for a survey of the problems incident to the Government's competition with our chartered institutions," he said.

To Help Government Quit Banking... The attending bankers devoted time to considering the Banking Act of 1935 and the many related regulations and discretionary powers under the Federal law. These were explained by O. Howard Wolfe of Philadelphia, who said he had found there are forty-eight places in the act where provision is made for discretionary power to be exercised by government officials through rule or regulation. Bank taxation was discussed by Charles H. Mylander of Columbus, Ohio, who declared that "the average American is vitally interested in taxation of banks because solvency may depend to a large degree upon the way in which the taxing power is exercised upon them."

Bank taxation was discussed by Charles H. Mylander of Columbus, Ohio, who declared that "the average American is vitally interested in taxation of banks because solvency may depend to a large degree upon the way in which the taxing power is exercised upon them." To prove his point he cited earnings figures which showed that, in the year ended June 30, 1934, "for the United States as a whole, national banks used \$14.59 out of each \$100 of net operating earnings, before taxes, in payment of taxes; but in seven of the twelve Federal Reserve Districts the percentage of earnings used for taxes was above the average. It was in practically these same seven districts that the greatest number of bank failures occurred in those hectic years from 1929 to 1933."

As an example of how far taxation can go, he quoted official figures showing that in 1934 a large number of small state banks paid on the average \$34.20 of every \$100 of operating profits for taxes. Mr. Mylander urged that there be "brought home to the average American the self-evident truth that banks, dealing as they do only in intangible property, are not proper subjects for property taxation; that the true measure of a bank's ability to pay taxes is the earnings it can make."

WHEN BANK CROOKS SHOW PREFERENCES

The American Bankers Association reports that non-member banks suffer twice the percentage of burglaries and hold-up robberies as compared with members. Member banks display a sign showing that receive the protection of the nation's detective agents, who the arrest of from 150 to 400 crooks every year, the oration, which is a non-profit says. Professional criminals often of having sense enough to the far-reaching system of hunting available to members long as there are other banks without this protection," it says. They recognize that once on the record of the Association's Protective Department, they must pay for crime with which they can be lifted. Detainer warrants have issued them from place to place that penal servitude for one crime and not expiate other offenses."

MORSE NEWS

The Morse P. T. A. made a about \$33, on the play which they presented at Morse Friday night. The band played before and after the play. Tap dance, Miss Melva Gamewell; Song, Bub Durham and Bill Green; Song, Marjorie and Marguerite Parker. The basketball sweaters which the basketball players ordered arrived Wednesday. QUAKER SHOW WELL ATTENDED SATURDAY

The free show sponsored by the Quaker Oat Co. and Spearman Grain Growers, Inc., was well attended Saturday afternoon. The picture was of interest to all feeders of livestock and poultry. Many expressed their thanks to Mr. Cheney, manager of the grain firm, for bringing the show and Mr. Hawks, national known poultry expert to Spearman. Spearman Grain Growers carries a full line of Quaker feeds.

Contagious Diseases Should Be Reported Without Any Delay

In speaking about epidemics, Dr. John W. Brown, State Health Officer, stated that if doctors, nurses, householders, and others would report the occurrence of any communicable disease immediately to the local health officer, that many epidemics could be prevented or greatly curtailed. The control of preventable diseases depends upon the perfect reporting of all cases. It is necessary to secure information as to when and where cases occur before the proper steps for the control of these cases can be taken. Every epidemic starts with one case and the doctors engaged in protecting the public health are interested in locating this first case to prevent its spread to others.

Some of the contagious diseases are quarantinable. This is not done to punish the persons involved for having the disease, but to protect the persons not in contact with the disease. The quarantine sign is not a disgrace but a badge of good citizenship, as it shows that household is trying to protect others from contracting a contagious disease.

GRAND JURY REPORT

To the Honorable E. J. Pickens, Judge: Now comes the grand jury at this time and presents this their final report. In this connection we wish to state that we have examined carefully into those matters which have come to our attention in reference to any and all law violations in this county. We are pleased to report that insofar as we have learned very few violations have occurred within this county within the past six months and those that have been brought to our attention were of only a minor character.

We wish to commend the officers for their diligence in their enforcement of the law in Hansford County, and we trust that they will continue to exert their very best efforts in keeping crime reduced to the minimum. Wherefore at this time having completed our labors we respectfully request that we be allowed to adjourn for the term. Respectfully submitted, H. B. Hart Foreman of the Grand Jury.

Abb Jackson, Lafe DeArmond, and Mr. Haralson made a trip to Chamas, New Mexico, the latter part of last week to move the household furniture of Geo. French son in law of Mr. Haralson, to that place.

Mr. and Mrs. Autra Ward of Gruver were visiting over the week-end in Alva. Mr. and Mrs. Burney Sparks were here from their home near Springfield, Colo. the first of the week.

State Health Officers Urge Clean-up Program

In connection with the Clean-Up Week to be held, beginning March 29, Dr. Brown, State health officer urges citizens to give special attention toward destroying the breeding places of flies and mosquitoes.

With the usual accumulation of winter's debris, the necessity of its prompt removal from the health standpoint is apparent. Conditions that foster fly breeding are definitely to the welfare of all citizens, and particularly children.

Flies thrive in dirt. There is nothing they like better. They breed in yards, on plots of ground and on farms where decaying vegetable and animal matter and other fly-attracting substances have been permitted to pile up. To prevent epidemics later in the season, it is essential that conditions that represent breeding places for flies and mosquitoes be removed immediately.

All cesspools should be cleaned and lined and out-houses should be made fly proof. It is not only good housekeeping but the best kind of common sense as health protection to remove all waste material in or around the yards of homes.

Health week merely starts the campaign; the success of Clean-Up Week measures rests entirely on the shoulders of the people of the State.

CCC Camp Gathered Many Pound Tree Seed

H. H. Fennell, Regional Conservator, Soil Conservation Service, Region 6, the wind eroded area, reports that 48,000 pounds of grass seeds and 2,100 pounds of tree seeds were harvested during the past year in this region. Grass seeds are to be used in seeding the cultivated lands which are to go back to native grasses. Tree seeds are being used in nursery planting.

The Soil Conservation Service has collected a total of approximately 2,300,000 pounds of tree seeds and 700,000 pounds of grass are to be used in checking further soil losses on seriously eroded lands.

This region made its contribution to the tree program 350 lbs. of tree seeds were harvested in this area.

Mr. and Mrs. Rex Sanders and family were in Plainview over the week-end visiting in the home of Mrs. Sander's sister, Mrs. H. A. George.

No More "OUCH!"

NEW YORK... Dr. LeRoy L. Hartman (above), of Columbia University faculty, is the man who discovered the dental "pain killer" formula to use while drilling teeth. The formula is free of royalty fees to all dentists. It is not to be patented by the University.

CHEVROLET EXPLAINS DURABLE BODY FINISH

The greater depth, richness and lustre provided by pyroxiline finish plus its durability and ease of re-touching without refinishing the whole car are the reasons advanced by C. E. Wetherald, vice president and general manufacturing manager of the Chevrolet Motor Co. For Chevrolet's adherence to that type of finish.

"The process used by Fisher in finishing the bodies for Chevrolet has required years to develop," said Mr. Wetherald. They start with the preparation of the metal by the removal of all grease and other foreign substances, to insure adhesion of the finish. On this clean surface, successive coats of red oxide primer and surfacer applied, the whole body then rubbed down to a good surface with wet sandpaper, of a grade that will leave no scratches.

"After inspection the body is given a double coat of ground color, followed by repeated double coats of lacquer in the final color. Thorough polishing of the lacquer completes the job.

"This method assures a finish that is not only free from pockmarks, or orange peel, effect, but rich deep and lustrous, a finish suggestive of the quality that goes right through the car. Further, lacquer finish lends itself to easy inexpensive touch-up, making it unnecessary to refinish the whole car should the body become dented or scratched through mishap.

CHARTERING POLICY REVIEWED

Official Declares Sound Principles in Licensing Banks Are Essential

PHILADELPHIA—Sound public chartering banks was declared by the Honorable Charles W. Withers, Commissioner of Banking and Insurance of New Jersey, before the Conference on Banking held here recently under the auspices of the American Bankers Association. He declared that the soundness of the banking system is the primary consideration in the chartering of banks. He said that "this is the only way to insure the soundness of the banking system and that a sound policy is essential to the success of the banking system."

Political influence in the chartering of banks is no longer a matter of course, he said. "Political influence is no longer a matter of course in the chartering of banks. It is recognized and brought within both our state and federal systems, we may never feel that the shifting sands of expediency and favor."

Mr. and Mrs. Fred Sherman and family returned to Gruver from Arizona where they have been residing for several months. Mrs. H. L. Bort and daughter of Sarcoxie, Mo. arrived in Gruver Saturday to join Mr. Bort who has been here several weeks.

Mr. and Mrs. G. E. Tyson and children are visiting in Ft. Worth this week.

Mr. and Mrs. Giles and children spent the week end visiting relatives in Hollis, Oklahoma.

Three Delicious Versions Of an Old-Fashioned Dainty

WHEN springtime fills you with ambition to plan surprises for the family menu, give a thought to the old-fashioned dainty, jelly roll—and its many delicious variations. Did you ever try one with a lemon or orange filling? If you have thought jelly roll too hard to make, follow this recipe and you'll surely succeed. Serve jelly roll for Sunday dinner with a serving of ice cream on top of each slice—a perfect dessert!

Old-fashioned Jelly Roll
 3/4 cup sifted cake flour
 3/4 teaspoon double-acting baking powder
 1/4 teaspoon salt
 1 egg, unbeaten
 3/4 cup sifted sugar
 1 teaspoon vanilla
 1 cup jelly (any flavor)

Sift flour once; measure. Combine baking powder, salt and eggs in bowl. Place over smaller bowl of hot water and beat with rotary egg beater, adding sugar gradually until mixture becomes thick and light colored. Remove bowl from hot water. Fold in flour and vanilla. Turn into 15x10-inch pan which has been greased, lined with paper to within 1/2 inch of edge, and again greased. Bake in hot oven (400° F.) 15 minutes. Quickly cut off crisp edges of cake. Turn out on cloth covered with powdered sugar; remove paper. Spread with

jelly and roll. Wrap in cloth and cool on rack.

Rich Lemon Filling
 3/4 cup sugar
 4 tablespoons cake flour
 Dash of salt
 1/2 cup water
 1 egg, well beaten
 2 tablespoons butter
 1/4 cup lemon juice
 1/2 teaspoon grated lemon rind

Combine sugar, flour, and salt in top of double boiler; add water and egg, mixing thoroughly. Place over boiling water and cook 10 minutes, or until thickened, stirring constantly. Remove from boiling water; add butter, lemon juice and rind, and cool. Makes enough filling for 15x10-inch roll.

Coconut Orange Filling
 1/2 cup sugar
 4 tablespoons cake flour
 Dash of salt
 1/2 cup orange juice
 2 tablespoons lemon juice
 2 tablespoons water
 1 egg, well beaten
 2 tablespoons butter
 1 1/2 teaspoons grated orange rind
 1/4 cup shredded coconut, finely cut

Combine sugar, flour, and salt in top of double boiler; add fruit juice, water, and egg, mixing thoroughly. Place over boiling water and cook 10 minutes, stirring constantly. Remove from boiling water; add butter, orange rind, and coconut. Cool. Makes enough filling for 15x10-inch roll.

OLIVER FARM EQUIPMENT

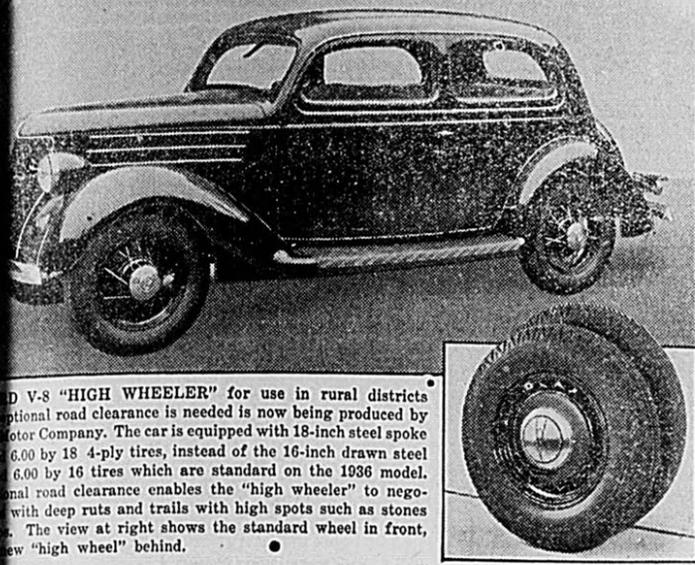

An Oliver Will Harvest Your Crop AND SAVE MORE GRAIN

The headers on Oliver Combines are strong, carefully balanced and shielded at all points. They get the grain clean off the ground. The big capacity feeder house sends the grain in a steady stream to the BIG CYLINDER—the MAN BEHIND THE GUN—the STEEL WINGED BEATER and STRAW CARRIERS—where it is threshed from the head and separated from the straw. Cleaner and re-cleaner deliver bright, merchantable grain to the tank. Come in and see these money-saving, money-making combines. There is a size for every acreage and crop. Stop in and talk with us the next time you are in town.

McKay Implement Co.

Ford Builds 'High Wheeler' for Difficult Roads

TO GET FARM HOMES IN FUTURE

MENT ADMINIS- AUTHORIZES PUR- OF 200 FARMS.

of farms for 200 ten- families in North Central Tex- has been approved at Washing- options on the farms now being taken, according to received by Reset- officials.

is hoped that this is the beg- of a farm purchase move- that will be extended to by tenant families in all sec- of the state. Projects are pending approval in Wash- for a limited number of ad- farms in Texas. Legis- is also being considered by which would greatly en- this program.

The farms are to be purchased families chosen as a reward

of merit from any tenants who may desire to become owners. Selection has been under way for several weeks, from families no- mated by county advisory board of this county.

With up to 40 years to make payment, the purchaser's debt will be amortized at the rate of four and a fraction per cent annually. Title will not be transferred to the tenant purchaser until he has acquired an equity of at least 15 per cent. In the meantime he will operate under a lease- option contract extending for not more than five years. Average price of the farms will be around \$4,500, making the annual purchase payment around \$200. A carefully prepared farm and home management plan will be worked out for each family fitted to the individual farm.

Thousands of good tenants in Texas are having to look for farms of their own today, because of the increase in use of farm machinery and other agricultural

developments, which encourage owners to work more land with fewer men. This has brought a heavy increase in the number of farms opened up in the past five years in unproductive areas, where the farmers will never be able to earn an adequate livelihood. It has intensified the need for helping such families to buy good land on easy payments.

Plans call for remodeling in most cases, rather than for new buildings. Farms to be purchased will, for this year, be the ones on which the selected farm families are now living, since it would be impossible to close the trans- action and move to a new farm this late in the season.

Miss Opal Cline and Miss Vera Campbell were house guests of Miss Olive Gill, of Dumas, Satur- day evening and Sunday.

Perren Junior Lyon son, of Mr. and Mrs. P. A. Lyon is quite ill this week with the flu.

Has Unusual Driving Record Of One Million Miles

If there are trophies to be awarded for safe driving or medals to be presented for long distance on the highways of the country, they had better be polished up and made ready to give away, for here comes an Iowa lady to claim them all with the astonishing record of over 1,000,000 miles in the short space of 13 years and not a single accident to her name.

Nothing wonderful about that? Well, no one has offered to equal it.

The lady is Eva Jordan, 65-year old resident of McGregor. She is an employe of the Iowa State Hospital at Iowa City and she won her spurs in the drivers seat of her own cars on the highways of eastern Iowa. Her job is to take patients to and from the hospital and their homes.

Miss Jordan's average yearly driving distance these 13 years has been equal to more than three times around the world. And she first put her hand to a steering wheel at the age of 52, 13 years ago, when this remarkable mara- thon performance began.

She has owned 14 cars, the last ten of them have been Pontiacs, starting with the first Pontiac six ten years ago. The present car is a new 1936 model. Since 1930 she has put over 100,000 miles on each of her five cars, the longest distance being 137,000 miles on the 1930 Pontiac six. All told, Miss Jordan has driven her Pon- tiac cars over 850,000 miles.

She explains that her upkeep has been confined to ordinary service expenses, with the installa- tion of oil rings on the pistons at about 65,000 miles.

Moderate speed, and moderate conservation while driving has been her motto while driving.

See the New Pontiac today. Floyd Sumrall will be glad to demonstrate one for you.

Miss Altha Groves was a Ama- rillo visitor Monday.

Mr. and Mrs. R. E. Lee were in Amarillo from Friday until Tuesday. Mrs. Lee was in charge of the Amateur Broadcast pro- gram, which was presented Sat- urday afternoon.

Mr. and Mrs. Ike Vernon were in Perryton, over the week end visiting in the home of her parents Mr. and Mrs. M. R. Coffee.

Mark Whitsel came in from La. Saturday and will visit with his sister, Mrs. Nona McCarty.

Alert and Eager To Serve You

Bayer Aspirin

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism; neuritis and neuralgia. And the experi- ence of millions of users has proved it safe for the average person to use regularly. In your own interest re- member this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.

SOCIETY

BY DOROTHY CARADINE—PHONE 10

HOSTESS TO CLUB

Mrs. E. C. Womble was hostess to the members of the Bid-A-Bit bridge club and a number of guests, at her home, Friday afternoon.

At the close of the bridge games, scores were tallied, high score went to Mrs. Bill Hutton, and second high to Mrs. Dave Hester. A color note of spring was carried out in the delicious two course luncheon served after the games.

Those playing were Mesdames: Dave Hester, D. W. Holland, Bill Hutton, Bruce Sheets, Lloyd Campbell, Bill Russell, R. E. Lee, F. J. Daily, Robert Douglas, Vester Hill, Bill Miller and E. C. Womble.

MARRIED IN LIBERAL

Miss Sibyl Wilson daughter of Mr. and Mrs. Dave Wilson who live southeast of Perryton, and Rock McLeod son of Mr. and Mrs. O. H. McLeod of this city, surprised their friends, when they drove to Liberal, Kansas, Saturday evening, March 14, and were married.

The many friends of this young couple wish them a long and happy married life.

BELL BENNETT MISSIONARY SOCIETY MET WITH MRS. C. P. GIBNER

An interesting program on the World Outlook was given at the meeting of the Bell Bennett Missionary society that met in the home of Mrs. G. P. Gibner.

Mrs. Sid Clark led the program assisted by Mrs. John Bishop and H. P. Bailey. After the lesson a social hour was enjoyed with Mesdames: O. L. Williams, R. McClellan, John Bishop, L. W. News, H. E. Campfield, H. Bailey, F. W. Maize, Sid Clark, and hostesses Mrs. Hitchcock and Mrs. Gibner.

SO AND SEW CLUB MET THURSDAY WITH MRS. ABE WILLEY

The So and Sew club met Thursday with Mrs. Abe Willey. Delicious refreshments were served to 10 members.

A business meeting was held in the afternoon with Mrs. Guy Gruver in charge.

A meeting will be held Monday at Mrs. Si Dozier's to quilt for Mrs. Turner.

The next regular club day will be at Mrs. Cecil Holt's April 2.

WHITE HOUSE MANAGERS ARE GUESTS OF UNITED SASH AND DOOR CO.

The managers of the White House Lumber Company's yards in this section of the Panhandle were guests Wednesday night of the United Sash and Door Co. at the Herring Hotel in Amarillo for a six-thirty dinner. Those present were, E. A. Record, Manager White House Lumber Co. Follett Irby McGlamery, Manager of the Booker yards, Roy Previtt, manager of the Perryton yards and C. V. Main manager of the local White House Lumber Co.

DINNER CLUB MEETS

Members of the Dinner Club met with Miss Jeanne Tice last Friday evening, March 20.

Those present were Misses: Ida McLeod, Norma Hall, Vera Beth Hoskins, Fran Schubert, Florine Harbison and the hostess.

O. C. HOLT TO BE MARRIED TO MISS LOUISE ROREX

The following paragraph was clipped from a society item in the Panhandle Herald last week. O. C. Holt is the son of Mr. and Mrs. B. C. Holt of Spearman. He has spent his entire life in this community.

"Mrs. Joe Rorex entertained Tuesday evening with a Saint Patrick Bridge Party announcing the engagement and approaching marriage of her daughter, Louise to Mr. O. C. Holt of Hereford. The wedding ceremony will be performed Thursday, April 2.

Butch Hale was a business visitor in Quanah last week.

Mrs. Franz Ferguson and daughter of Stinnett, and Mrs. Ira Ferguson and son, Perryton, visited for a while in Spearman Wednesday, afternoon, they were driving to Stinnett.

Lynas Taylor of Waka, was a Spearman business visitor Tuesday.

Mr. and Mrs. H. C. Sanford, yton, were here Tuesday and the evening with Mr. and Bruce Sheets.

and Mrs. Ike Vrenon and Violet Hanners, Roberta and Marcella Newcomb guests for dinner with Mrs. Mrs. M. R. Coffee and fam-

Dr. G. P. Gibner and Ed Womble left Tuesday for Temple, Texas, where they will go through the night there. They expect to re-

MARY MARTHA SOCIETY MET WITH MRS. SHEETS

Mrs. Bruce Sheets was hostess for the meeting of the Mary Martha Missionary Society of the Methodist church, Wednesday afternoon, March 25.

The leader, Mrs. Pope Gibner, gave a paper on the World Outlook. Discussions were made by Mrs. Lloyd Campbell, Mrs. Robert Douglas, Mrs. Clay Gibner, Mrs. Chas. Chambers, and Mrs. Fred Daily. At the close of the study hour a delightful refreshment plate was served to Mesdames: Clay Gibner, Gene Richardson, Lloyd Campbell, Pope Gibner, E. C. Lee, R. A. Vaught, Robert Douglas, Kenneth Williams, Chas. Chambers, Roy Russell, Fred Daily, Van Earl Steed, Marvin Chambers, and Baron Simpson.

DINNER GUESTS

Misses Florine Harbison, Jeane Tice, Fran Schubert and Marian Sparks were hostesses for a delightful seven o'clock dinner in the country home of Mr. and Mrs. W. A. Schubert, Friday evening.

Covers were laid for Miss Jones Mrs. W. A. Schubert, W. M. Bralley, Charles Archer, Leon Yates, Chester Jones, Verlin Towe, John Schubert and the hostesses.

MRS. REX SANDERS WAS HOSTESS TO BAPTIST SOCIETY

Members of the Blanche Rose Walker Missionary Society of the Baptist church met at the home of Mrs. Rex Sanders, Wednesday afternoon and had as their guests, members of the Lottie Moon Circle.

The lesson on Psalms was continued and was led by Mrs. C. A. Hitt. After which a social hour was enjoyed and lovely refreshments were served to Mesdames: W. L. Meek, P. M. Maize, Bill Hutton, C. A. Hitt, Marion Glover and the guests, Mrs. Powell, Mrs. Fred Hoskins, Mrs. A. G. Brant, and Mrs. D. W. Hazelwood.

The three circles of the church will meet next Wednesday afternoon, April 1, at the church for the Royal Service meeting.

DELPHINIUM FLOWER CLUB WILL MEET, APRIL 6

The Delphinium Flower club will meet, Monday afternoon, April 6, at the home of Mrs. John Bishop. All members are urged to be present.

HOLT 4H CLUB MET TUESDAY AFTERNOON

The girls 4H club met Tuesday afternoon March 24th at the Holt school house. After the business meeting, we had several demonstrations given by Miss Chance county H. D. agent. Miss Chance also gave the girls many useful hints about keeping their clothes and patterns to make slips by. At the next meeting, Friday April 10 at 4:30, Miss Chance will show us many new ways to make clothes. Those present were: Virginia Stewart, Dorothy Nell Scott, Kyle Louise Lackey, Ruby Lee, Mona Burleson, Joyzell Scott, Georgie Burleson, Wanda Lee, Miss Chance, Mrs. Scott, Mrs. Dan Burleson, and Mrs. J. C. Lee.

Mrs. Fred Hoskins and daughter, Joan, Miss Vera Campbell and C. E. Campbell were in Amarillo Monday, where Mr. Campbell attended the Townsend meeting.

Mr. and Mrs. Ben Archer, Clovis New Mexico, came in Wednesday morning and will be here several days attending to business.

Mrs. W. O. Swaim and son left Wednesday morning for Tucumcari, New Mexico, to be at the bedside of her mother, Mrs. Sam Howie, who is quite ill.

Mr. and Mrs. Lloyd Campbell had as their over night guests, Tuesday, her parents, Mr. and Mrs. J. O. Wooten, Perryton, Mr. and Mrs. Wooten have just returned from the Rio Grande Valley.

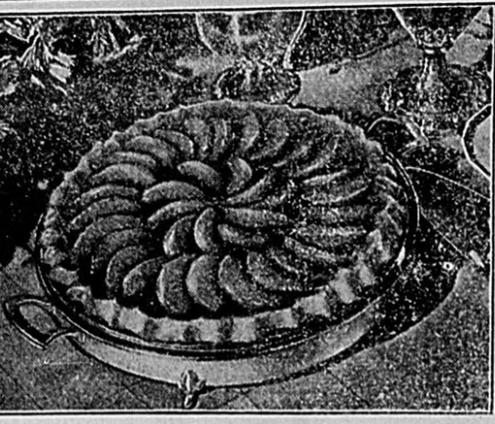

Mrs. Bill Hutton and daughter Patricia, and Mrs. Lloyd Campbell drove to Canadian, Tuesday to take Mrs. Hutton's mother, Mrs. W. L. Helton and a sister, Mrs. Dr. Morris Bennett, who have been guests of Mr. and Mrs. Bill Hutton the past week.

Mrs. J. J. Long, Mrs. M. R. Coffee and Mary Margaret and Mansel and Mrs. J. P. Richardson and daughter, Mariland spent the day Friday visiting with Mr. and Mrs. Ike Vernon.

Mrs. Vivian Delay and daughter and son, Billy, left Friday for San Francisco, Calif., where they will make their home. Mrs. DeLaney who is in New Mexico will join them.

Mrs. Lloyd Campbell and Mrs. Bill Hutton and daughter, drove to Canadian, Tuesday morning to take Mrs. Hutton's mother, Mrs. W. L. Helton and her sister, Mrs. Dr. Morris Bennett who have been visiting in the Hutton home the past week.

Light, Refreshing Winter Pies

THE function of a successful dessert is to crown a meal with a final satisfactory touch. If the first course is a light one, you are safe in serving a substantial dessert—if it is substantial—then serve a light, refreshing dessert. Luckily, all pies are not substantial. Some pies are as light as thistledown—and these are the pies to complete a substantial dinner.

Luscious Peach Pie
1 package orange-flavored gelatin
1 1/2 cups warm peach juice and water
2 1/2 cups canned sliced peaches, drained
1 baked 9-inch pie shell
Dissolve gelatin in warm peach juice and water. Add peaches. Chill. When slightly thickened, turn into cold pie shell. Chill until firm. Serve with whipped cream.

Marvel Lemon Pie
1 package lemon-flavored gelatin
1/2 cup sugar
1/4 teaspoon salt
1 tablespoon grated lemon rind
6 tablespoons lemon juice
1 1/2 cups boiling water
2 egg yolks
1 baked 9-inch pie shell
Combine gelatin, sugar, salt, and lemon rind with 3 tablespoons water. Add egg yolks and stir well. Add remaining water, stirring until gelatin is dissolved. Cool. Add lemon juice. Chill. When slightly thickened, turn into cold pie shell. Chill until firm. Cover with meringue, or top with whipped cream.

Cherry Pie Glacé
2 1/2 cups (1 can) red cherries, drained
1/2 cup sugar
1 package cherry-flavored gelatin
3/4 cups warm cherry juice and water

1/4 teaspoon salt
1 baked 9-inch shell
Combine cherries and sugar. Dissolve gelatin in warm cherry juice and water. Add salt and pour over cherries. Chill. When slightly thickened, turn into cold pie shell. Chill until firm.

First Christian Church

In spite of the dust there were those who were faithful enough to drive in from the country to church. We appreciate the zeal of these leaders in the church.

The young ladies of the Christian church are meeting in the home of Mrs. Adrian Moore this week for the organization of a young ladies missionary society. All the young ladies of the community are cordially invited. Remember to bring someone to church with you.

METHODIST CHURCH

Sunday school promptly at 10:00 teaching at 11:00 and 7:45 p. m. Leagues meet at 7 p. m. Prayer meeting Wednesday at 8:15. We now have the new song books and everyone should enjoy them with us.

Stranger—you are welcome to church this church.

BAPTIST CHURCH

Baptists expect to have a record number present for Sunday school Sunday morning as Missionary Day is observed at the First Baptist church, Rev. A. F. Loftin pastor announced today.

The attendance goal is 150. Teachers and other helpers have been working this week to secure this record number present Sunday morning.

The service will be marked with a special program at 10:30, with the Sunday school Superintendent, Bro. Clyde Hazelwood in charge, followed by a sermon on missions by the pastor.

"Our Sunday school is cooperating with the other churches of the Southern Baptist convention in stressing missions each Sunday in March," Bro. Loftin said in announcing the special service. "This closing program on Missionary Day will summarize the vast mission work of our Southern Baptist Home and Foreign Mission Boards."

In commenting on mission work of Southern Baptists the local pastor pointed out that 650 missionaries baptised over 20,000 converts last year, slightly over thirty to a missionary.

Tangible Results Of Newspaper Advertising

Tangible evidence that the Continental Oil Company's heavy use of newspaper space in its marketing territory during 1935 was a sound advertising move is indicated in the figures of the Co. annual report for 1935 just issued.

These show that the Company increased the volume of its general business as well as its profits, and that it enjoyed a notable gain in the sales of its patented germ processed motor oils. This product, which was especially stressed in the Company's advertising, had an increase in sales of over 14 per cent, in comparison with the figures for the previous years.

Continental recently announced that it would again expect the larger part of its 1936 advertising appropriation for newspaper space.

Womble Hardware Builds Repair Shop For Customers of Store

The Womble Hardware Co. is this week closing in the machinery shed back of the store in the corner of the Panhandle Lumber yard for a repair shop and service department for their machinery line. The shop is being floored benches and equipment installed sufficient to take care of the needs along this line.

Mr. and Mrs. E. D. Kelly and Miss Nora Stump teachers in the Perryton schools, were here Friday, to act as judges for the debating team.

My Skin Was Full Of Pimples and Blemishes

Says Verna Schellip: "Since using Adierika the pimples are gone. My skin is smooth and glows with health." Adierika washes BOTH bowels, rids you of poisons that cause a bad complexion.

BAPTIST REVIVAL TO BEGIN APRIL NINETEEN

In cooperation with an associational wide move, the Baptist church of Spearman will begin a series of meetings April 19. Every church in this Canadian association have planned, if possible, to begin a meeting on that date and also to arrange for meetings in all the nearby rural communities where a meeting place is available. A meeting has been planned for the Holt community. Altogether their is to be some 23 meetings going on at the same time in this section.

Brother J. W. Howard, district Missionary, is to be here and do the preaching in Spearman. Bro. Howard has been pastor of several large churches, resigning a large church in North Carolina to take up his work here in this district. Bro. C. O. Huber, a splendid choir director and leader will have charge of the music. The Evangelist and singer will come direct from a two weeks campaign in the first church at Pampa.

CARD OF THANKS

We are taking this way to thank all of our many friends for their useful gifts and for their kindness extended to us since the recent loss of our home by fire. Mr. and Mrs. Bert Turner and family.

The Pletzer Singing Convention will be held at Gruver Sunday March 29th. This will be an all day meeting with plenty of dinner there for everyone. Everyone that enjoys to sing is invited to attend this meeting at Gruver Sunday March 29.

RETURNED FROM CALIFORNIA

Mr. and Mrs. C. F. Mahan returned Monday from several weeks visit in California. They arrived just in time to be in the midst of the most severe dust storm we have had this year.

DR. POWELL eye, Ear Nose and Throat specialist will be in Dr. Gowers office Wednesday April 1st. Glasses fitted, tonsils and adenoids removed.

Helen Buckley and daughter Barbara Mae, were in Pampa, Saturday and Sunday visiting friends.

Gene Cline and Homer Allen left Saturday for Kansas City, Mo. where they took a load of cattle.

TURNER HOME AT GRUVER DESTROYED

The country home of Mr. and Mrs. Bert Turner was completely destroyed by fire Wednesday night.

Mrs. Turner, her daughter Alice and daughter-in-law Mrs. Floyd Turner were at the home when it ignited.

No one was injured: Mrs. Turner receiver minor burns about the face when she was attempting to smother the fire from the gasoline stove. She also breathed a lot of smoke which caused her some trouble.

Two cars and a truck were parked near the house but were moved and were not damaged.

The entire contents of the home were destroyed. A number of new articles of clothing that had never been worn was in the house.

Saturday friends and neighbors responded in a household shower for the Turners. Much needed articles of bedding and other linens were received as well as dishes canned goods, etc. Furniture was loaned and given to them and they were establishing residence in a house on the Alexander place west of their present home. Contributions amounting to \$500 were presented to the family in their hour of need and consolation.

The entire community expresses their sympathy to the Turners for the loss of their home.

Mr. Turner drives a local school bus.

McClellan Chevrolet Fixing Used Car Lot

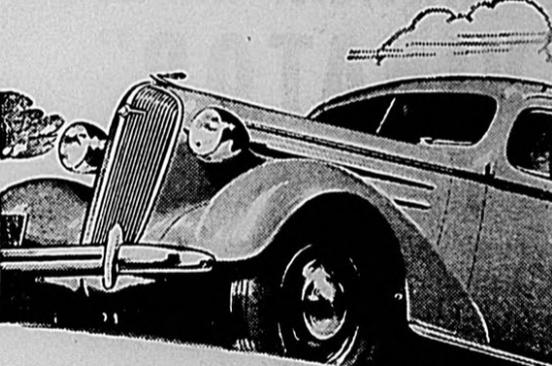

The old hotel building that was never finished will serve one good purpose at least. McClellan Chevrolet Co. has had the ground floor leveled and are enclosing the structure with heavy wire in order that they may safely store a number of used cars on the ground floor. This will afford a minimum of protection for the cars and will also leave them in good view of all prospective buyers passing down the street.

Mr. and Mrs. Dude Hart, Waka were Spearman shoppers Wednesday.

R. D. Chamberlain who has been confined to his home with the flu, since Sunday, is improved at this time.

Mr. and Mrs. Tip Collinsworth and his mother, Mrs. A. L. Collinsworth, of Perryton, were Spearman visitors, Tuesday.
