Rotary Club Hosts London Study Exchange Group

British and American accents blended in Spearman Monday noon as the Spearman Rotary Club was the first to host the six member Study Exchange Group from District 113 in London, England, who are on a six weeks tour of Texas.

Ron Preston, past president of the Rotary Club of Edgware and Stanmore, is the leader of the group which includes Ian Clark, Simon Browne, Dick Harper, Gary Hetherington and Geoff Smith.

Clark is a financial reporting manager. Browne is in the do-it-yourself industry and listed as a woodware manufacturer.

Harper is a bank note production controller. Hetherington is a solicitor (one of the two categories of lawyers in England) and Smith is a health service administrator, comparable to a hospital administrator in the United States.

Spearman Rotary Club President Junior Lusby presided over the introduction of Preston who, after the presentation of a banner to Lusby and the local club as a present from the district, made a few introductory remarks before giving some brief biographical background about himself.

Preston then introduced the others.

Clark was born in 1949 at Romford, Essex, and attended the William Palmer endowed school for boys at Grays, Essex. He has worked as a member of the Ford of Europe Finance audit team in Italy and Scandinavia and as an investigation accountant with the P. and O. company. He currently is the financial reporting manager corporate staff at the Plessey Company. His wife, Jane, is a social worker. They have no children, and in their spare time are involved in their local church and in the evangelistic and teaching ministry of a nearby Christian Community.

Hetherington is a solicitor in private practice with a law firm in the West End of London. Thirty years old and married, he has a great interest in the English and Welsh Canals, and enjoys photography, walking, music watching, playing and refereeing soccer matches and participating in all forms of sport. A graduate with a law degree from Kings college in London, he is active in his Round Table and is presently secretary.

Smith is a native of Hertfordshire, where he was born in 1947, and was educated at Tottenham Grammar School in North London. His career has been concentrated on the Natl Health Service which he entered from school in 1964 as an assistant in the finance department of an Essex hospital group. In 1967 he joined the North London Hospital Management committee and was connected with development planning and administration.

From 1971-74 he was much involved with an important hospital redevelopment program which is due for completion this year.

Married, he and his wife have two children.

Browne was born in Glasgow, Scotland, 31 years ago and was educated at St. Ignatius College, North London, and studied at the University de Poitiers, France. He is a member of the Institute of Wood Science and a director of a company wholesaling to the Do It Yourself Furniture and Timber Trades.

He also is manager of St. Marys R.C. Primary School, Chairman of the Old Ignation Rugby Football Club and chairman of the Dowell and Woodware Importers Assoc-

iation. He plays Rugby and squash and included railways among his hobbies. Of particular interest is the Samaritans, a voluntary organization to help people in desperate situations and to which he devotes much time.

He and his wife have three sons.

A bank note production controller is Harper who was born in 1947 at Avonmouth, near Bristol.

Being the son of a deep sea diver, he had intended to join the Royal Navy but circumstances changed and following a course at Essex University he obtained a degree in economics. He is employed by the Bank of England and is now with the production division where the bank notes are printed and he has responsibility for production planning.

Married, he and his wife have a son. Harper's hobbies include tennis, table tennis and other sports.

In their talks, each member of the group had a special approach.

Clark noted he was the youngest of the group and that he was pleasantly surprised by the welcome he and his group received.

Smith commented about the size of the U. S. and Texas and the friendly welcome being received everywhere. He also mentioned that the NHS in England was not really as bad as it was depicted and he also predicted a comparable program in the U. S. in about a decade. Hetherington put his audience at ease with his remark about his Scottish-English mixture by mentioning that he writes American but speaks English.

Browne noted that the Do it yourself effort is going great guns in England and is developing in activity.

Harper noted that when he had finished the university, he had a choice, either with the Bank of England or an international firm and he selected the bank.

The London group is on its present swing around Texas in conjunction with the Rotary Foundation Group Study exchange, an educational program designed to provide to outstanding young business and professional men opportunities for studying another country, its people and institutions through participation in an organized program of study and discussion in the country concerned.

During their stay in Spearman, they toured Baker and Taylor facilities and were given a look at irrigation systems in the high plains area.

Headquartered for a short time in Canadian, they will travel to Amarillo, Lubbock Midland and Odessa, El Paso and New Mexico, with a tourist trip into Mexico, before ending their stay in the U. S. and returning to England.

Brownie Earn \$1050

Services

Five Spearman Brownie and Junior Troops participated in a cookie sale, grossing \$1050 dollars for the Yucca Girl Scout Council. This money is raised for the Council to use in purchasing tents, camping equipment and camping supplies. Ten cents for every box sold is returned to each individual troop to use locally. Also for every 40 boxes each girl sold she receives and \$8 Campership which gives her that amount toward her summer camp fee.

Margarette Evans was Chairman of the Cookie drive this year and stated that she was very proud of her girls. 3rd year Junior Troop 76, led by Mrs. Nita King and Dorothy Evans, sold 500 boxes which was the most sold for a troop. 2nd year Junior Troop 120, led by Joy Hansen and Janie Flores; 1st year Junior Troop 65, led by Mrs. Lee Jarvis; 2nd year Brownie Troop 42, led by Mrs. Georgia Gaither and Margarette Evans; and 1st year Brownie Troop 101, led by Mrs. Janet York and Carol Stumpf also participated in

Good Friday in Spearman will be marked by Union Church services at the Union Full Gospel Church at 27 S. Endicott, starting at 2 p.m. The observance is under the auspices of the Spearman Ministerial Alliance. The service is open to the public.

The Rev. Edward Freeman, pastor of the First Presbyterian Church in Spearman, will bring the sermon.

Others participating in the hour long service are:

The Rev. Victor C.E. Andersen, pastor of Faith Lutheran Church and president of the Spearman Ministerial Alliance, will open the service.

The Invocation will be given by the intern pastor at Faith Lutheran Church, Harvey Faltsek.

the drive. Congratulations on a great job girls; and congratulations to a community that made an effort so successful for the girls.

The Rev. Robert Sifrit of the Church of The Brethren in Waka will read the Scripture.

Song leader will be Pastor Archie Burress of the Union Full Gospel Church.

The Rev. Don Wirsdorfer, pastor of the First Christian Church of Spearman, will lead the prayer.

Leading the Responsive Reading will be the Rev. David Nuckles, pastor of the First Assembly of God Church.

The Rev. H.O. Abbott, pastor of the First United Methodist Church, will officiate during the offertory which is being taken for the benefit of the Ministerial Alliance to assist transients.

The Rev. Jacob Regier, pastor of the Apostolic Faith Church, will give the benediction.

Happy Easter

Election Results

Congratulations to the incumbent, Aldermen, Gene Cudd and Jim Nicholson, who retained their seats on the City Council, receiving 310 and 293 votes respectively. Frances Loftin filled Alton Ellsworth's seat with 269 votes. Alton had declined to run for another term. Verlin Behne's 125 votes were not enough to earn him a seat.

In the School Trustee election, incumbents Paul Hazelwood, 336, R.C. Porter, 305, and Clark Mires, 223 all retained their post on the School Board. Tom Latta received 109 write-in votes. Jim Davis was uncontested for the one year term. He received 268 votes of confidence.

In Gruver 121 votes were cast for Mayor. Kenneth Irwin, the incumbent received 81 of those votes with the other 40 going to five write-in

candidates. The incumbent Commissioner, Kenneth Jones retained his position with 118 votes.

The Gruver School elections needed to fill 3 places. The results were as follows; Elmo Dahl 216, John Armes 193, Randy Brown 183, Robert Gillispie 138, and Trixie Holt, incumbent 129.

In the newly formed Pringle-Morse School District, new officers were elected. The fourteen candidates were, A.A. Lieb with 146 votes, W.C. Womble, 132; Tom Dortch, 129; Austell Burrus, 119; Herman Blanton, 103; Allen McCloy, 82; Bob Womble, 65; Frank Pittman, 63; Ron Cook, 60; Jimmy Shields, 59; Charles Teid, 43; Don Jones, 42; Bill Willman, 41; And David Reid, 39. The top seven filled the positions.

Emergency meeting

An emergency meeting was called Tuesday night by the School board, to inform the Spearman Independent School District faculty of an Educational Funding Bill that will soon be brought before the House of Representatives. President of the board, Chalmers Porter and Superintendent Cunningham, explained a section of the Educational Funding Bill to the teachers and pointed out how this section of the bill would be detrimental to the future of the Spearman Independent School System.

According to Mr. Cunningham, and the School Trustees, this bill in its present form, will cause the school system to come up \$126,268 short of enough funds to operate the schools in two years. This loss of revenue would mandate reducing the staff by ten teachers, effecting more students to the classroom, and eliminating vital school programs, both of which will lessen the quality of education the students are presently receiving.

Mr. Cunningham stated that this portion of the bill will be sold to the citizen as a tax-cut relief, which in reality would be minimal at the most, and probably cause a backlash situation two years from now that would possibly cause higher taxes and would do more harm to the school system than it would good for the taxpayer. Chalmers Porter pointed out that passage of this bill would take control from the local school boards and increase the state government's power. If this section of the bill were deleted, Mr. Cunningham

felt that it would generally be a good bill. The situation would be kept for the most part like it presently stands and the school system would be in no danger. The Spearman School System would not be the only system so affected. Superintendents from twenty-one area school systems met at the Spearman High School, Monday, and concurred that each one would be put into a similar situation.

At the end of the meeting, members of the school board urged the teachers to contact their Congressmen to let them know they were opposed to this section of the bill. A resolution was proposed to the board, unanimously adopted, and put into the form of a letter which will be addressed to various state leaders. The resolution read as follows:

We, the Spearman Independent School District Board of Trustees, wish to express our opposition to portions of C.S.H.B. 750.

We feel Section 16.252, subsections (c) and (d) prohibits the possibility of enrichment programs in local school districts. This means that local control of our school ceases to exist. The enclosure shows there will be a decrease in the quality of education in our school district should these portions of the bill be passed. We would find it necessary to reduce staff and thus raise the teacher/pupil ratio and/or reduce funds for overall school programs.

Sincerely,
R.C. Porter
School Board President

Rain! Rain! Rain!

Please, please rain. Every one of us has heard these words many, many times in the past few days. There have been several conflicting reports on how much rainfall

the first three months of last year. You can judge for yourself how we stand; here are the statistic totals for the first quarter of each year since 1880!

REMEMBERING...

By BILL BROOKS

THE FISHING TRIP

I had fished lots in the creek near our house but one day Dad said we were going on a real fishing trip. He had heard about a good place over in another county. It was said to be a beautiful tree-lined river that had real, honest-to-goodness, clear running water in it with perch and bluegills as big as a man's hand and catfish that could snap a 20-pound test line slickern' a whistle.

Dad said he was just going to close the blacksmith shop down for about a week since it was off season anyway and we could just go down there, camp out and have ourselves a real good time.

We didn't have a car like lots of folks but we had an old pre-war one-ton chevy flat bed truck that somehow kept going due to Dad's mechanical ability and a large quantity of bailing wire. The truck had short side boards and we tied a wagon sheet over them. Under the sheet was placed food, bedrolls, fishing gear and three wide-eyed youngsters.

We left before sun up. The two things I remember about the trip down was the bumpy road and a jar of rancid shrimp (Dad said rancid shrimp was just about the best catfish bait you could use) breaking right near where I was trying to sleep. Pu-weee!

We got there and it was every bit as pretty as we had imagined. We stopped at a grassy place under huge pecan trees near a little waterfall and a deep blue pool of rippling water. Mother made camp while Dad readied the fishing lines. Soon we were sitting on the bank watching cork floats bob up and down hoping for a bite.

We caught quite a few that first day and we kept them all in a big wash tub full of water. We could watch them swim around and we would reach our hands down in the water to touch their slick

sides and try to catch them. We gave certain ones names.

The next day Mother was going to fry some of them for our lunch. What? Kill our fish? "No Mama, please don't!" "We wanna take 'em home and raise 'em."

We were soon tired of fishing so we went wading in a shallow place downstream where we tried to catch frogs and turtles. We picked cattails and that evening we caught a fruit jar full of fireflies. We sat around a campfire after dark singing songs, then Mother read from the Bible.

It must have been long after midnight when Dad shook us awake to tell us we'd have to leave. A local farmer had come down and told him it was fixing to rain and the river would most likely come down out of banks and wash our camp away.

We hurried to gather up things as the wind started blowing and lightning streaked across the sky. Dad asked what we wanted to do with the tub full of fish. "Put

'em back in the river!" My big brother and my Dad carried the tub down to the river and poured it out and I was glad the fish were going back to their friends. Unknown to anyone, I made another trip to the water — to dump a sack of rancid shrimp. I thought the catfish might enjoy them and I for sure didn't wish to have them in the truck with me on the way back home.

I would like to thank everyone who helped with my campaign and all those who voted for me in the recent City Commissioner Election. Your support is appreciated more than you will ever know. I would like to give a special thanks to Alva Garner, my campaign manager. I will do my very best to prove to the community that your faith in me is justified. Thanks again.

The Now Washbasket

By Bobbie Hill

Of all the queries we receive regarding laundry problems, it seems homemakers have the greatest difficulty keeping white nylon fabrics really white:

Here are a few helpful hints:

— Slips, panties and other white synthetic garments should always be washed separately. White nylon has a friendly nature and simply loves to pick up color from other clothes. So keep white with white.

— To help prevent yellowing and keep whites really bright, add 1 cup Borateem Plus, the bleach substitute, along with your soap or detergent to each full washload.

— Wash white items in hot water and a gentle cycle. By comparison, colored nylons should be washed in warm water, also at the gentle cycle setting.

— For treating fresh perspiration stains and other odors, use a paste of the borax-based bleach substitute. Let the item stand 10 minutes before washing.

— Use a fabric softener to help check static cling.

— Never use chlorine bleach on spandex garments. It yellows and discolors. Also, always dry spandex away from heat.

— One last tip, always check the manufacturer's care label.

REMEMBERING...

By BILL D. BROOKS

HARVEST CARNIVAL
The school was the center of everything in the small community where I grew up. Just to the side of the school building was an old gymnasium built of native sandstone. Chiseled in a rock at the corner of the building was "W.P.A. - 1936".

The gym was used for the ever popular sport of basketball but a stage at one end helped it double as an auditorium where plays, concerts and commencement exercises were held. The big event of the year that everyone looked forward to was the Harvest Carnival.

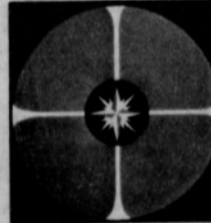

The gym literally became fetched you a nice prize. Kids from the different classes would go through the crowd selling "chances" for some prize, like a turkey, a pocket watch or a deer rifle. Younger kids would usually dress in costumes, carry noise makers and handfuls of confetti. The gym would be packed with people, excitement, cigar smoke and noise.

Money collected from the booths and chances was turned in as votes for the particular class's Duke and Duchess. A penny was one vote. The Duke and Duchess were a boy and a girl elected by the class to try to win the title of "King and Queen of the Harvest Carnival".

Keeping The FAITH

The Four Doctrines

"I cannot imagine myself without religion. I could as easily fancy a living body without a heart..."

These words by the late and legendary Helen Keller are especially appropriate in today's whirlwind pace of technology, mobility, and hypertension. More questions concerning values, morals, and faith are being asked than ever before.

In view of this turbulent crosscurrent of religious thought, the four leading religious doctrines—the Lord, Sacred Scriptures, Life, and Faith—deserve thoughtful consideration.

In the newly reissued paperback THE FOUR DOCTRINES, Emanuel Swedenborg—scientist, philosopher, theologian, and seer—reinterprets these doctrines in readable and rational terms. Swedenborg (1688-1772) has been described by scholars as centuries ahead of his time. Giving up a distinguished and productive career as a natural scientist, he dedicated the last 27 years of his life to penetrating study of the Word of God, using Hebrew, Greek, and Latin Bibles as his only texts. His concepts, which have been called "startlingly modern," make much of recent religious literature seem both superficial and irrelevant.

THE FOUR DOCTRINES is both logical and eminently practical. Readers will find astonishingly unique insights which will provide a better understanding of the true life of religion, just as Helen Keller did: "I plunge my hands deep into my Braille volumes containing Swedenborg's teachings, and withdraw them full of secrets of the spiritual world..."

Copies of THE FOUR DOCTRINES may be obtained by sending \$1.50 to the Swedenborg Foundation, Dept. FD, 139 East 23rd St., New York, N.Y. 10010.

Pert Dorothy Buzzard offers some Springtime fashion accessory hints as Judy Nelson patters about the latest in "nothing necklaces", flower power, and terrific totes at the Sew-Fair held Monday night in the Spearman County Barn.

So Good Sew-Fair

More than one hundred and fifty area women are right up in there when it comes to Spring 1977 fashions and fashion accessories following a delightful session last Monday night at the County Barn in Spearman--the 1977 Sew Fair!

Tricks of the trade and fashion hints by area Fashion aires brought applause and appreciation from the goodly number of women who gathered at 7:00 P.M. for the event. Coming from Amarillo to share sewing hints were Helen Lemons, Becky Culp, and Lee Blakney.

Concluding the program was a presentation by Spearman's Fashionaries, Mona Beth Windom and Dorothy Buzzard of the Lady Fair, which was an entre to Spring 1977 with Mrs. Dennis (Judy) Nelson giving the patter about the new "nothing necklace"; the straw tote bags (ready to tote everything one owns practically); the flair for flowers and other accessories including the "mad-hatters".

Happy Homes; Serendipity; Spearman; Night Owls; and Las Amigas. Providing excitement and fun during the evening was the drawing of door prizes conducted by Mrs. Hays, assisted by her committee, during the evening. Those who were fortunate in having their names drawn for prizes from The Gift Box, Baker's, Gordon's Drug, Spearman Rexall Drug, Bowl Mor Lanes, and Massad's included Delores Bevil of Gruver; Adela Lopez, Margaret Shedd, Myrtle Ware, Mozelle Sparks, and Esperanza Puentes, all of Spearman.

Englishmen Visit City On Their Tour

Six Englishmen received a briefing Monday, April 4, from City Manager Mark Neff during their visit to Spearman as part of their six weeks stay in Texas. Gathered for a coffee session in the facilities of the First Sate Bank, the six London-area men also visited with Peyton Gibner, bank president, and others.

They were escorted on their visit in the Spearman area by Jack McWhirter and Don Wirsdorfer of the Spearman Rotary Club. Wirsdorfer is club secretary and treasurer and McWhirter is in charge of occupational information.

Xi Zeta Upsilon Meets

Xi Zeta Upsilon of Beta Sigma Phi met Thursday, March 24 in the home of Mrs. Scarlet Jackson with President Mrs. Sheryl Meek presiding.

On Tuesday, March 29 there was a meeting of the Chamber of Commerce for the purpose of organizing the Hansford County Round-up. Mrs. Linda Latta was appointed to attend the meeting. A new precursor chapter is being organized in Spearman. Twenty-one members will be progressing to this new chapter. Officers elected were: President, Mrs. Bob Hohertz; Vice President, Mrs. Ed Dear; Secretary, Mrs. Jim Davis; Treasurer, Mrs. Brad Beedy. The first meeting will be held May 12 with a luncheon.

Arts & Crafts Guild News

The Arts and Crafts Guild met Friday, April 1 in the home of Mrs. Ned Turner. Members present were Mesdames: P. A. Lyon, Sr., Deta Blodgett, Garrett Allen, Bill Russell, Sada Hoskins, Joe Traylor, and Pope Gibner.

HD Club News

The Las Amigas Home Demonstration Club met Thursday, March 24 in the Home Demonstration Club Room with president, Francis Ortega, opening the meeting. Roll Call was given and minutes were read and approved. The devotional was given by Mrs. Ledia Rodriguez.

Our Heritage of Faith

notes from Faith Lutheran Church

Faith will hold its Good Friday worship service at 7:45 p.m. on April 8th. Take the time on the night of Good Friday to remember and to worship Him who gave His life for us all. This service will include the celebration of the sacrament of Holy Communion. It is quite appropriate that the very day on which He gave that same body and blood for the entire world.

Faith will hold its Good Friday service, April 8, at 8:00 p.m. Remember the big Debt Retirement Celebration is only a little over two weeks away. Make those plans to attend!

Presbyterian Church News

Maundy Tuesday, April 7, Communion Services will be at 8:00 p.m. Special music will be by the Singing Burresses. Pastor Ed Freeman will speak on "The Mysterious Bread and Wine". The Rev. Archie Burress will assist Pastor Freeman in the serving of the Lord's Supper.

Presbyterians will join the other Christians in the union Good Friday service at the Union Church on April 8 at 2:00 p.m. Pastor Ed Freeman will give the Good Friday sermon.

Baptist Women Meet

The Baptist Women Study Group met Wednesday, March 30 at the Church. The group spent all day there. They ate lunch, made quilts-cut blocks, sewed and tackled. Members present were Mesdames: Glen Hiller, Mable Edwards, Luke Stewart, J.L. Denman, Woodville Jarvis, Ed Hutton, F.J. Hoskins, Butch Tigrett and Arthur Adkison.

Good Friday service, April 8, will be at 8:00 p.m. Pastor Ed Freeman's sermon will be "The Crucifixion". There will be an Easter Egg Hunt as part of the Sunday Church School on Easter Sunday, April 10, at 9:45 a.m.

Sponsored by the Hansford County Program Building Committee; the Family Living Sub-committee; and the Texas Agricultural Extension Service; the 1977 Sew Fair could be considered a great success "so" much for "so" many.

Girls Scout Leaders Meet

The Girl Scout Leaders Neighborhood Meeting met Friday, April 1 at 9:00. Joe Biddle, field representative from Guymon, was present. There will be a leaders' day camp training on the 15th and 16th of April. They will stay over night at Camp Jim, south of Guymon. Mrs. Kenneth Evans gave the report on Girl Scout 'Open House' on March 12. She also gave the report on the Girl Scout Cookie Sale. The money was turned over to the Yucca Council at Guymon and they will return the money (10 cents per box sold) to the Spearman Clubs. The Spearman Girl Scout received the donation and sponsorship from the Spearman Rotary Club. Tentatively, May 14 will be Awards Night for pins, badges, and awards for the Girl Scouts and Brownies. Brownie Day Rally might be the same day in Booker. The troops will have a Day Camp in July with Mrs. Joy Hansen and Mrs. Lee Jarvis chairmen for the committee. Those present were Joe Biddle, Mrs. Tim Welsh, Chairman, Mrs. Tom Jarvis, Mrs. Junior Hansen, Mrs. Bill Gaither and Mrs. Kenneth Evans. The next meeting will be May 6 with the leaders having a cook-out after the meeting.

I would like to take this opportunity to thank the voters of Spearman Independent School District who voted for me in spite of some erroneous, one-sided information that was dispersed by a very few about the majority of your school board over a recent decision. I assure my supporters I will continue to vote my convictions in trying to give our children the best possible education.

I will continue to work hard to merit your confidence.

Once again "THANKS" for your support!!

Joan McClellan new public nurse

Mrs. Joan McClellan

The Texas Department of Health Resources, Region I has opened a public health office in Perryton with Mrs. Joan McClellan as Public Health Nurse.

Region I is dedicated to improving the level of health care for all region residents, and making public health services available and accessible to citizens of 23 counties not served by a local public health department.

The sub-office, located in the Courthouse will provide the services of a registered nurse who will serve Ochiltree, Hansford, Lipscomb and Hemphill Counties.

Public health may best be described as "The art and science of preventing disease, prolonging life, and promoting physical and mental efficiency through organized community efforts."

In Region 1 a physician guides a professional staff which provides essential public health services to the people. Available through the region office are: engineers, nurses, sanitarians, dental consultants, environmental specialists, veterinarians, and laboratory personnel all concerned with the well-being of the people.

The local office will be involved in giving Nursing Services such as chronic disease screening, communicable disease control, maternal and child health, tuberculosis control and patient management, immunizations, dental health, and venereal disease, crippled children services and many others.

Services may be obtained by requests of local physicians, families who need the services, neighbors

who see the need and other referral agencies.

Joan McClellan, R. N., has over 25 years nursing experience and has served as night supervisor at Medical Center Hospital in Tyler, Texas, before coming to the Panhandle where she has been school nurse, taught vocational nurses school and been employed many years at Hansford Hospital in Spearman where she recently served as Director of Nurses.

Mrs. McClellan is a member of the Methodist Church and graduated from Methodist Hospital School of Nursing in Dallas. She was listed in the 1968 edition of Outstanding Young Women of America for outstanding service to her community.

Mrs. McClellan is married to Wilson McClellan who has agri-business related interests in Hansford County. The McClellans are the parents of two sons, Ken who resides in Lubbock and Cris who is a junior in Spearman High School.

The Public Health Region 1, sub-office is located in Ochiltree County Courthouse at 511 S. Main Street, telephone number 435-3242.

Revival Planned

The Apostolic Faith Church is announcing a revival for the week of April 3rd through April 10th. Revival services will convene on Sunday mornings at 11:00 o'clock.

The revival meetings will be under the direction of Evangelist Roland Busch, assisted by evangelistic singer Miss Paula Buschman.

Evangelist Busch has been a minister of the Apostolic Faith for many years. He served as the president of the Board of Directors of the Apostolic Faith Bible College in Baxter Springs, Kansas for several years. Evangelist Busch lives in Katy, Texas where he is engaged in farming.

Miss Paula Buschman lives in Stinnett, Texas. She served as Dean of Girls in the Apostolic Faith Bible Collage the past year.

Pastor Jacob C. Regier urges the public to attend and work in this revival effort. He asks that Christians pray for this revival effort.

The Apostolic Faith Church is located on the corner of 9th, and Drensen Streets in Spearman, Texas. There is a new parking lot just north of the church building.

Dessert may be last on the menu, but not on the mind!

Especially on busy days, it pays to have a file on quick palate-pleasers for family and guests. Home economists for Sunfield Foods, makers of the peanut butter and granola snack bar Crunchola, suggest combining it with other convenience items to add a "dash" of difference:

* Crumble over pudding, ice cream or ice milk

* Crumble over apple pie; run under the broiler until just melted

* Place in blender with milk and ice cream for milk shake

* Serve with fresh fruit and/or cheeses

Women's Division

C of C Meets

The Women's Division of the Chamber of Commerce met March 21 at the Hansford County Library Room with only a small group attending.

Everyone enjoyed the nice luncheon.

Decorations were discussed and final plans were made for the Chamber of Commerce Banquet.

The meeting adjourned. Members present were Mesdames: Sam Wysong, E.J. Callaway, Ronnie Schaefer, E.L. Collins, Chuck Rigdon and Albert Mackie.

The next meeting will be April 18 at the Library Meeting Room.

House of Flowers Has Greenhouse Supplies

If one has a green thumb, there's no getting away from it. And if one doesn't have a green thumb but needs a source of supply for an Easter Lily, roses for Mother's Day, a potted plant for Good Friday or some other commemorative reason, there is one in Spearman.

It's a place where fellow green thumbers and all others can find what they need in beautifying a back yard, patio, front yard, a plant for the interior of the house or stock for use in a garden.

Just ask E.J. Callaway Jr. of 610 S. Endicott in Spearman who, after many, many years in other lines of work, has opened Callaway's House of Flowers on State Highway 207 South where he can put into practice all the experience he has picked up, man and boy, during his years in the construction and other business by offering a wide variety of items for house, patio and lawn and garden.

He was graduated from Sudan High School where he attended when he wasn't involved with the operations of the family farm south of Muleshoe.

He didn't go out into the wide world immediately. Quite naturally, he did some farming between the time he finished high school and before he went into other work. Before leaving the Muleshoe area, he married his wife, the former Byrnie Hogan.

His first venture into the construction industry was with the El Paso Natural Gas Co. and he was involved with construction of natural gas plants and other company facilities in southeastern New Mexico and the Permian Basin of Texas. He stayed with EPNG about eight years before returning for a stint of ranching near Goldthwaite.

In 1954 he moved to Spearman where he and his brother, Ted, built the Callaway Lumber Co. E.J. managed the yard for about 10 years during which time he was concerned with construction of many commercial buildings in the downtown area of Spearman as well as many residences.

The construction work took on such importance that E.J. finally turned the yard over to his brother and entered the construction activity full time.

His construction work in the City had other aspects. He helped build the City by serving for 13 years as a City alderman and for several years as a director of the Chamber of Commerce.

But he always kept his hand in at growing things. Finally his backyard hobby of keeping a greenhouse stocked reached the point where he decided it was time to enter the nursery business, resulting in Callaway's House of Flowers, right next door to the lumber yard.

Last December, E.J. held the grand opening. It was a success and he now has reached the point where he is no longer in charge of a backyard greenhouse operation but a fullfledged nursery-type operation.

He is open Monday through Saturday from 8:30 a.m. to 6 p.m. and will deliver locally.

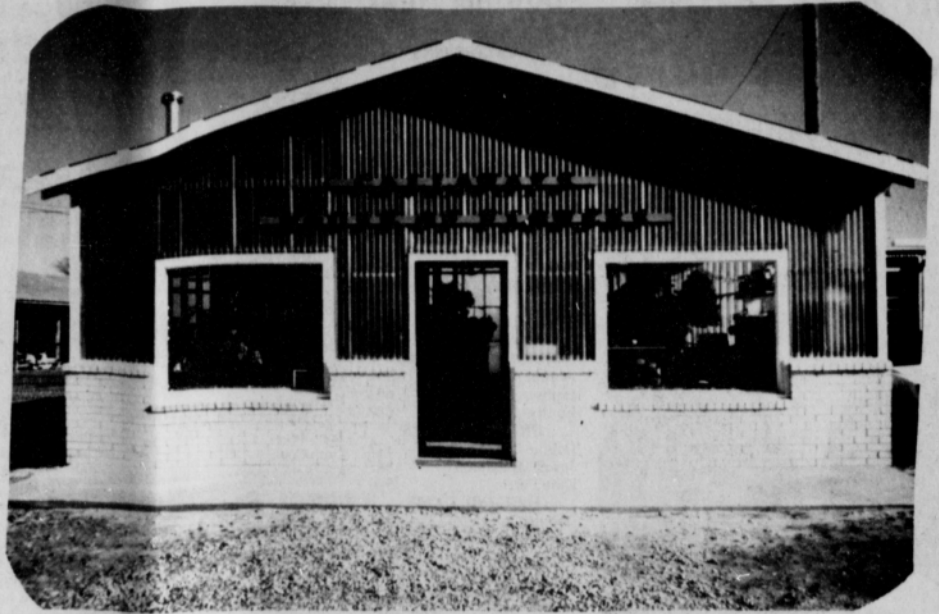

He points out that with Easter approaching so rapidly, the earlier one orders a commemorative Easter Lily, the better since his supply could vanish due to so many orders.

Although he is a grandfather, three granddaughters, he's not retired, just involved in a new business venture.

His son, Leroy, is a certified public accountant with a firm in Amarillo and his daughter, Jyniece, is married to a teacher, Dr. Jock Lee, of veterinary medicine at Frank Phillips in Borger.

And E.J.'s mother still lives in Spearman and during this interview, he was planning on something in the way of growing nature for her this Sunday.

E.J. and his wife are members of the First United Methodist Church in Spearman.

Crime Dropped In 1976

Violent crime in Texas dropped six per cent in 1976 while crimes against property rose by four percent, according to preliminary figures released today by the Texas Department of Public Safety (DPS).

Colonel Wilson E. Speir, DPS director, said the preliminary Texas crime report was compiled from uniform crime reporting data submitted monthly by Texas sheriffs and chiefs of police. The DPS coordinates collection of crime data in Texas in cooperation with the FBI's nationwide uniform crime reporting program.

- Murder and homicide, down six per cent;
- Rape, up seven per cent;
- Robbery, down 14 per cent;
- Aggravated assault, down two per cent;
- Burglary, down five per cent;
- Theft, up 10 per cent;
- Vehicle theft, down eight per cent.

Speir said the statistics revealed that there was at least one major crime every 45 seconds in Texas during 1976. A total of 665,051 major criminal offenses were reported, of which 152,660 or 23 per cent were cleared by arrests.

Law enforcement agencies, however, cleared 86 per cent of the 1,468 known murders. Clearance rates for other crimes were aggravated assault, 70 percent; rape 59 percent; robbery, 41 per cent; motor vehicle theft, 22 per cent; larceny-theft, 21 per cent; and burglary, 20 per cent.

Of the 665,051 major crimes, almost 91 per cent occurred in urban areas. Cities over 100,000 population accounted for 408,862 of the known offenses.

Police agencies reported that property valued at \$241.8 million was stolen during the year in Texas, with approximately \$78.3 million recovered.

A separate segment of the Uniform Crime Reporting Program deals with drug arrests, and Speir said data submitted by local law enforcement agencies indicates that 52,789 drug abuse arrests were made in the state during the year. He said the statistics indicated the 45,555 of those arrested for drug offenses were males, while 7,234 were females.

The largest single segment of persons arrested on drug charges were males and females between 25 and 29 years of age. Some 6,959 were juveniles age 16 and younger, including 22 persons age 10 or under.

Speir said the Texas crime report indicates that 12 law enforcement officers were killed in line of duty during 1976 as the result of felonious criminal action. During this same period, there were 2,757 officers assaulted in the line of duty.

Agencies having at least two police officers murdered included the Houston Police Department, the Dallas Police Department, and the Texas Department of Public Safety.

Fiction will be aired April 3, 1977 at 1:00 p.m. on Channel 7. Dr. Charles Seward, rheumatologist, Dr. Kenneth Johnston, orthopedic surgeon, and Jim Keister, Chief of Physical Therapy at St. Anthony's Hospital will present an update on Arthritis. Marilyn Yanke of Spearman is among area artists that have promised work for the auction.

IRS NEWS

Taxpayers should send either a personal check or money order, but not cash, to the Internal Revenue Service for payment of their income tax.

In suggesting alternatives to cash, the IRS explained that the taxpayer has the added advantage of having a record proving that he or she made the payment to the IRS.

The IRS also stressed the importance of entering a correct social security number on the check or money order directly below the signature. If the payment should be separated from the tax return, it is very simple to readily locate the taxpayer's return through the use of the social security number.

The teeth of sharks are set in their mouths in rows. As one row wears out another takes its place.

The Gruver Girls Tennis Team flashed a 10 point total at the Stratford High School Tennis Tournament Saturday with host Stratford earning a 2nd with 7 points.

In the Doubles, the Gruver team of Kelly Hart & Teresa Chisum defeated the Carrasco sister team, also of Gruver, 6-3, 6-2. In the Singles Finals, Sandra Ross was defeated by Garoutte of Stratford, 2-6, 1-6, with Thompson of Hartley ultimately defeating Garoutte of Stratford, 7-6, 6-4 to be declared the winner.

The Gruver Girls stand in Tournament play, 9-3, with a Team Record of 4-2 and a Conference Record of 4-0 for a big dent in the standings in this area. Coach Persinger felt that the Gruver Girls played very well in the Stratford Tournament. Ann Ward had a tough match but played the best that she ever has played and Sandra Ross, who was third, got two points in the tournament.

The Gruver Doubles Teams played excellent tennis, with Carrasco and Carrasco placing 2nd in the Tournament, playing well the whole tournament. Hart and Chisum placed first and played the best that they have all year. Coach, to say the least, is very, very proud of his GHS Girls Tennis Teams.

The Doubles matches went as follows, with Hart and Chisum winning over Fritch, 6-1, 6-0 as an opener. In the quarterfinals Hart and Chisum earned a win over Stratford's Cheser-Howard team, 6-1, 6-1, and in the semi-finals of the meet, Kelly and Teresa

defeated the Wilson-Mitts team from Stratford, 6-2, 6-1.

The Carrasco sisters won over Stinnett's Buckhalter-Hancock team in the first game, 6-3, 2-6, 6-2 and in the quarter-finals defeated the Vincent sisters from Hartley, 6-3, 6-3. In the semi-finals, the Gruver's

Carrasco team defeated Phillips' Hoffman and Chilton, 6-3, 6-4.

The two Gruver teams were pitted in the finals with Hart-Chisum, winning from the Carrascos, 3-6, 2-6.

In the Thursday Match with Phillips Girls held at Phillips courts in place of the Gruver Courts as sche-

duled, Carrasco defeated J. Pauline of Phillips, 7-6, 7-5 with Sandra Ross also coming up with winning two games 7-5, 3-0 over her Phillips opponent.

In the Doubles at Phillips, Chisum and Hart defeated Chilton and Hoffmann, 6-3, 5-7, 7-5.

"Art For Arthritis" Auction Set

Contributions are growing as plans develop for the Art For Arthritis auction May 7th at the Santa Fe Depot. Artists from around the Panhandle have been invited to donate sculptures or paintings to benefit the Arthritis Foundation. Bedford Forrest will serve as auctioneer.

Marsh'l Benjamin and Mary Hamilton Mitchell is working with Betty Childers, David Cale with Joe Batson and James Ivey Edwards with Mike Campbell.

Parkerlene Gentry of Dalhart is teaching John Colquitt, Jr., Dalhart Mayor and in Borger Doreen Smith will instruct David Thompson, vice president of Panhandle Bank and Trust.

Last year, works auctioned ranged in price from \$40 to \$1100. Half of the art in 1976

came from Amarillo and half from the 26 surrounding Panhandle counties, making the auction an areawide effort to aid in finding the cause and cure of our nation's number one crippler: Arthritis. The money raised at this fundraising event will go toward research, be channeled to the fellowship program to encourage doctors to specialize in rheumatology (at present there are 2000 rheumatologists in the country to treat 20,000,000 Americans who are afflicted with arthritis), to fund public and professional education programs and to fund the West Texas Chapter's loan closet, which loans equipment to the arthritic at no cost.

The Cost Cutter

One Less Irrigation • Lower Harvest and Hauling Costs
• Less Moisture Dockage • Lower Drying Cost • More Income and Profit per Acre

Pioneer brand 3780 improves corn profits four ways. It is an early hybrid that takes one less watering than the hybrids you've been planting. It also dries faster after maturity than other corns. Since it has good standability and ear retention, you can leave it in the field to dry. This means you harvest less moisture, haul less moisture, and have little or no dockage and drying cost.

SINCE IT DOESN'T COST AS MUCH TO GROW, IT CAN MAKE MORE MONEY

In 1976, farmers found that "Cost Cutter" 3780 produced significantly more net income per acre than competitive corns of much later maturity. Though the green weight yield of later maturity corns was greater, 3780 was usually much lower in moisture and thus higher in dry yield per acre. When the saving in irrigation fuel cost was added to the higher dry yield, it made a difference of \$20 to \$30 net income per acre.

This hybrid matures 11 to 13 days earlier than our famous 3369A but it doesn't concede yield for its earliness. Under most growing conditions, it will yield pretty close to the full-season varieties and harvest several points drier.

TOUGH ENOUGH TO TAKE IT

3780 is also a tough little hybrid that can take some stress. Head smut didn't bother it in 1976. It has good roots and stalks and holds its ears well. It is sensitive about getting pre-fassel water right on time, however. That critical irrigation time is fairly short since it passes quickly through each stage of growth.

A NATURAL FOR THE PANHANDLE

Here in the Texas and Oklahoma Panhandles, 3780 is the ideal hybrid to plant ahead of wheat. And it can make you more profit than milo on land with limited water.

Here are actual examples of 3780's ability to make more profit than later maturing, high yielding competitors:

	Yield wet weight lbs. acre	% Moisture at harvest	Per weight after drying 1	Gross return per acre 2	Harvest and hauling cost 3	Difference in irrigation cost 4	Adjusted Gross return per acre for each hybrid	Dollar per acre advantage for 3780

*The most widely sold station cross on the Plains. It is sold under several different brand names and variety designations.
1. Drying and dockage charge was 2% per point of moisture above 15.5%. 2. Returns figured with corn at \$4.00 per cwt. 3. Harvest and hauling costs at \$6 per cwt.
4. The savings of one irrigation by 3780 at an estimated cost of \$8.00 per acre.

STAGGERED MATURITY

If you're farming big acreage, 3780 is the perfect hybrid to use with Pioneer brand 3369A and 3195 in a Staggered Maturity planting program. The new Pioneer program allows you to:

- Hedge against weather problems.
- Use water, labor and machinery more efficiently.
- Harvest each variety at the optimum time.

Fight to the Finish

by Bob Fight

The School and City Council elections have been disposed of for another year. Congratulations to Gene Cudd and Jim Nicholson who retained their seats on the Council, and a special welcome to Frances Loftin who won the seat left vacant by Alton Ellsworth when he decided not to run again. As lately as I have arrived, I feel that I'll miss seeing Alton sitting on the Council and I'm sure that many others in the community will concur with this. I think that a note of recognition is due Verlin Behne. Verlin did not earn a seat on the Council but he did give it a good try. The fact that he did try shows that he was a concerned citizen who was willing to take action and devote his time. My congratulations to you for that Verlin. Maybe we'll see you the next time around. Also, the incumbents returned to their post on the School board, showing how the majority of the voters reflected on the job these people have done. No more need be said. Congratulations; Paul, Chalmers, and Clark; and also to newcomer Jim Davis. Good luck, Jim. Tom Latta, don't give up.

A note of recognition should go to the Spearman High School Tennis team, which did well at Amarillo last week-end, with a reminder to Mark Cunningham to keep up the good work. The Lynettes took second in their relays at the high school Friday, exhibiting a noteworthy effort. Debbie Greene and all the other girls did a fine job. We can't leave out the boys, either, who let Canadian know where Spearman stood in the relays on

the Wildcat's home ground. John Holman set another record.

In some more observations by a newcomer, I view Spearman with new excitement every day. This small community is unlike many others of the same size, in the respect that it is active. The "lion may sleep tonight", but the people of Spearman are watching with concern and taking whatever measures they feel necessary to progress. WIFE, a newly formed organization by a few women in Nebraska, has formed it's first Texas Chapter, here. These women are concerned about the agriculture state of this country and have determined to do something about it with an enthusiastic professionalism, that has already made several political figures look up and take notice. Good luck, WIFE. I noticed at the City Council meeting and during talks with Ralph Blodgett that the mayor of your community and the leaders of Spearman, are constantly concerned for the taxpayer, and keep the future of this town in mind at all times. Future planning is a very important phase of city government, and one that demands wise diligence to be successful. The people are very fortunate to have leaders that accomplish this. For what it's worth, Congratulations to Spearman; its leaders and its people.

One last comment. I saw Brad Beedy, and when I asked him what he thought about Frances Loftin's joining the Council, he said, "Oh, we're glad to have her down there. She'll add a little glamour to the Council."

Communion, Other Easter Week Services Set

In addition to the Union Church Service Friday in Spearman marking this Easter Season, one sunrise service has been set for Sunday morning, Thursday night Communion Services are scheduled at some other churches and some churches have scheduled Easter Sunday services.

The First Christian Church will have a sunrise service starting at 6:30 a.m. Sunday. Pastor Don Wirsdorfer has reported that the public service will be on the lawn at the church unless bad weather causes the service to be held indoors. He will bring the message and will be assisted throughout the service by young people of the church. There will be a communion service Thursday at 8 p.m.

A three-day schedule of special services has been set Sacred Heart Catholic Church beginning at 8 p.m. Thursday, according to Pastor Donald P. Rusch. Following the communion service, the church will be open for private meditation from 9 p.m. to midnight. On Friday the Adoration of The Cross will start at 8 p.m. An Easter vigil will begin at 11 p.m. Saturday and at midnight the traditional Easter Mass will commence. A special service is scheduled for 9:30 a.m. Sunday.

Special Holy Week Services at the First Presbyterian Church will continue through Friday night, starting at 8 o'clock. A communion will be incorporated in the services at 8 p.m. Thursday.

The Rev. Victor Andersen

said that a special communion service will be held at Faith Lutheran Church at 9:30 a.m. Sunday.

A communion service between 7 and 8 p.m. will be held at the First United Methodist Church on Thursday and regular Sunday morning services will be held but the Sunday night service has been moved ahead to 6 p.m., the Rev. H.O. Abbott has announced.

A special program has been scheduled for Sunday morning services at the Union Full Gospel Church.

SHAME ON FLORA

One of Scotland's greatest heroines is Flora Macdonald, who helped Bonnie Prince Charlie when he was being chased by British government forces after the defeat of the Highlanders in 1746. But it's not generally known that Flora Macdonald changed sides later in her life.

She supported the Young Pretender during the Rising of 1745 and it has been suggested that she was Bonnie Prince Charlie's sweetheart. Actually, she was happily married with a family.

Later she and her family went to the American colonies. When the American Revolution began in 1776 they turned their coats and supported the London government against the Americans. So twice she was on the losing side.

National Library Week

National Library Week, April 17-23, will soon be here, so this is a good time to remind you that there's more to out Hansford County Library than books.

Being a member of Texas Panhandle Library System enables us to offer our patrons several special services.

We've just received a new packet of 16mm films through Texas State Library and the TPLS. These films may be checked out to any interested club, church group, or school organization. This group of films will be available at the Library through April 26th, at which time we'll receive a different packet. The films in the current group are: Loon's Necklace, Robinson's Island, Bored of Education, La Grande Bretche, and Roy Campanella. You may also request and film in the collection of Amarillo Public Library through our library. Cassette tapes are also loaned to us

through TPLS. And don't forget about InterLibrary Loans. If we don't have a book in our collection, you may ask us to get it for you through Amarillo Public Library. If Amarillo doesn't have to book, they will attempt to get it for you through other Texas State Libraries. This service is free of charge and available to any person having a Hansford County library card.

Texas State Library System will be purchasing a new 16mm movie projector and a screen for our library. I'll be sure to let you know when these arrive.

Our new copying machine has been kept very busy lately. It copies all printed material, including photos and illustrations in books. Happily, inflation hasn't reared its ugly head at the library yet. Copies are still only 10 cents per page!

The library hopes to purchase a microfilm reader through a special fund set up for this purpose. We will purchase a reader through a special fund set up for this purpose. We will purchase a reader as soon as there is sufficient money in the fund. So all persons interested in tracing their roots through genealogy, or in microfilms in general, keep this fund in mind.

Mrs. Murphy's Tuesday morning Children's Story Hour is still a marvelous success. The three and four year old kiddies have a grand time learning through stories, puppets, films, and songs.

Remember our paperback exchange. Bring in paperback books you are finished with and exchange them for some of ours. We have hundreds of titles on hand.

Here is a list of library books to tempt you: Fiction: Oliver's Story, Lancelot, The French Consul, Rich are Different, Valhalla Exchange, Crash of 79, The Shining. Non-fiction: Roots, Haywire, Bubbles, Your Erroneous Zones, A Civil Tongue, To Jerusalem and Back, & Twelfth Man in the Huddle.

4-H Club News

Fifteen Junior girls enrolled in a 4H Recreation project April 1 with Mrs. Dwight Hutchison as their leader.

The meaning of recreation was discussed.

Each girl made a zig-saw puzzle for an invalid or ill child in the hospital or at home.

Meetings will be held on Friday after school during April and May.

Each member is to bring a recipe box to the next meeting for making a game file.

Those enrolling were: Sondra Younger, Kayla Russell, Dana Goodman, Sherell Phelps, Julie Kell, Lilia Reyes, Latonia Phelps, Mary Ann Kenney, Kim Nelson, Trena Nuckels, Kim Elbert, Bambi Burger, Lesa Scroggs, Carol Ross, and Cindy Ivey.

Community Building Open For Play

The Community Building will be open after school from 4 to 8 p.m. for children to play in and from 9 to 12, and 1 to 8 on Saturdays.

K.I.D.S. are sponsoring these play sessions.

Girl Scout Cookies Still Available

The Girl Scouts have some cookies left from their recent sale. If anyone wants any of these cookies they may call leaders, Mrs. Evans, 3696; Mrs. King, 2440; or Girl Scouts Teri Thomas, 2427; Perny Cummings, 2073.

The cookies are \$1.25 per box and there are only two varieties left, the assorted sandwiches and peanut butter cookies.

Troop Needs Leader

A troop leader is needed for Junior Troop #76 6th Grade Girls due to the reluctant moving of Mrs. King.

The girls meet on Monday afternoons from 3:45 to 5:00. The leader will help them with their outdoor badges and all other aspects of the troop.

If interested call: Mrs. Tim Welch, 659-2334; Mrs. Larry Evans, 659-3696; or Mrs. Kenneth Evans, 659-2165.

Girl Scout News

Junior Troop #65 met Friday, April 1 at the Girl Scout House with refreshments served by Sondra Younger's mother.

The troop played games. Those present were Irma Flores and Cindy Hansen and leaders, Mrs. Junior Hansen and Mrs. Raymond Flores.

The next meeting will be April 8.

Meeting Tuesday, March 29 in the Girl Scout House was Brownie Troop #42.

Topic of discussion was what to do in case of fire, tornado, etc.

Each girl was given a 'Punch and Grow' flower seed container of all different varieties to grow.

Sheila Brand served refreshments to Mary Ann Evans, Angelia Gaither, Dana Irbeck, Alicia Langston, Carla Nicles, Tammy Ring, Kim Younger; leaders, Mrs. Bill Gaither and Joyce Cummings.

Mary Ann Evans will bring refreshments to the next meeting on April 5.

Junior Troop #65 met Thursday, March 31 at the Girl Scout House.

The Rotary Club will sponsor the Girl Scout Club of Spearman. The Club started in Spearman in 1945.

The girls worked on their first aid kits. They will have

demonstrations on the different aspects of first aid.

Jeanne Laird served refreshments of kool-aid and pop-sicles to Ann Barnes, Cristie Black, Stephanie Hayes, Kelly Groves, Joanna Jarvis; Leader Mrs. Tom Jarvis.

It was announced that the Girl Scouts sold \$1050 in the county with Mrs. Nita King's Junior Troop #76 selling \$600 of it. They would like to extend their thanks to everyone for their help in making this such a great success.

Ten cents of each box goes to the Girl Scout Club here in Spearman.

The next meeting will be April 7.

Invitational Volleyball Tournament Set

An Invitational Volleyball Tournament will be held May 5, 6, and 7, sponsored by The Fellowship of Christian Athletes. All local teams are urged to call your team name in as soon as possible as there will be a limited number invited.

Entry fee of \$10.00 per team will be charged.

Brackets will be mailed at a later date.

For more information call 3973, 2178, or 2839 or you may pick up entries at the Chamber of Commerce office.

This little sign can mean big savings to you! Here's how:

The Energy Checked Efficiency Home sign tells you at a glance that a home has been carefully inspected by Community Public Service Company for many energy saving features. For example, one of the best ways to save on energy in the home is with good insulation. When you see the Energy Checked sticker, you know the attic insulation is up to the recommended 6 inches and there are at least 3 1/2 inches of insulation in walls. When your home is properly insulated, you'll stay comfortable while keeping down your operating costs. The Energy Checked Efficiency Home . . . it can save you money on operating costs throughout all the years you live in it.

1977 Easter Seals

The first sheet of the 1977 Easter Seals has been presented to Governor Dolph Briscoe in Austin by the 1977 Texas Easter Seal Child, Jason Daniels of Houston. Jason, son of Mr. and Mrs. Darrell Daniels of Houston, is 7 years old. A victim of spina bifida, Jason has been served by the Easter Seal program in Houston since he was 2 years old. He is a first grader in the local Society's special education program.

Presenting the seals on behalf of the 10,768 handicapped children and adults served statewide by Easter Seals, Jason represents the needs of the year-round program of direct patient services; information, referral and follow-up; community and professional education; and, transportation.

The campaign, which began March 1 will continue through Easter Sunday, April 10, is led by Dr. Willis Tate of Dallas, President Emeritus of Southern Methodist University and 1977 Texas Easter Seal Appeal Chairman, who joins 234 local Easter Seal volunteer Presidents, Chairmen, and Representatives in leading 32,000 volunteers statewide. The services of the Society, offered in Texas since 1929, are available to the handi-

capped regardless of disability. In addition to medically authorized orthopedic equipment purchase, including wheelchairs, braces and crutches, the campaign permits the Society and its affiliates to provide appropriate therapies, medical, psychological and audiological evaluations, and transportation.

The campaign also helps fund the "Easter Seal Action Line", the toll-free number 1-800-492-5555 which permits patients or their families, or handicapped persons in need of information about the appropriate agency for their needs to call 24-hours per day to receive assistance and/or information.

Holman Sets Record

Out of twenty teams participating in the Canadian Wildcat Relays, the Spearman Varsity place 4th.

John Holman broke his own last year's record at Canadian by Pole-Vaulting 14 feet and 1 inch. His old record was 13 feet 6 inches. Also in the Pole-Vault event Lynx Jones was second and Trout was fifth.

Bo DeArmond earned a fourth in the 120 yard High Hurdles. Rick Morris was 3rd in the 100 Yard Dash and 3rd place in the 330 Yard Intermediate Hurdles was earned by Scot Martin. In the 220, John Reneau took 3rd place. The Lynx placed 3rd in the 440 relay and 5th in the mile relay.
