DISTRICT COURT CLOSES FIRST WEEK SESSION WEDNESDAY

week of a fairly heavy week in District Court had been off by Wednesday of this and court was adjourned today. Among the cases finally settled were three divorces, 1 foreclosure for and one man out of the indicted on criminal cases and a 2 year sentence and Panhandle to answer an charge. The other two are yet to be heard. Grand Jury was dismissed after a two day session, handed in 5 indictments and that the general moral of the county were commended the law of the manner in which they had been handling this situation.

FLETCHER OF GRUVER DROPS DEAD

The Gruver community was very much shocked at the sudden death of W. N. Fletcher on Monday evening, March 11, at about 10 o'clock. Mr. Fletcher was sitting in his chair at the time of his death. He was coming here from Guymon. He had been in bad health for several years, but his death was wholly unexpected. He was survived by his wife, Mrs. W. N. Fletcher, and two daughters, Mrs. C. B. Volles, of Okla., Mrs. C. E. Volles, of Okla., and Mrs. J. D. Volles, of Okla. A complete obituary will be published in next week's Reporter.

Life DeArmond and Otis Patterson were Amarillo visitors Monday.

Joe Burns Rates Chev. Century Club for 1934

With car sales exceeding the 100 mark for 1934, Joe Burns, salesman at McClellan Chevrolet, received a beautiful certificate making him a member of the Chevrolet 100 car club and also enclosed was a check for \$75, a bonus for his year's record. There are only 1342 salesmen in the entire United States who have rated this company honor club. Joe was rated 5th in the Oklahoma City zone, and considering the limitations of his territory and number of prospects as compared to the larger cities of this zone, his record is all the more commendable.

ALL A MISTAKE TO BE PRESENTED AT BLACK SCHOOL FRIDAY NIGHT

A group of people of the Black community, in search of something to pass time and at the same time furnish good, wholesome entertainment, have prepared a play, "All a Mistake" which they will present at the Black school house Friday night, March 15. There will be no admission charges and the public is cordially invited to attend.

Emergency Seed Loans Now Available Here

Special funds have been made available to the Texas Relief Commission by the Federal Emergency Relief Administration for the purpose of making Emergency Seed Loans for Spring planting of commercial and forage crops. It was announced by Adam R. Johnson, State Relief Director. "These funds have been made available to meet the emergency created by temporary lack of funds in the Farm Credit Administration which heretofore has made such loans," Mr. Johnson said. "Loans will be made in all cases of Emergency regardless of whether the applicant is on Relief Rolls or not. Applications will be taken by the County Relief offices." All applications will be passed upon by the Local County Committee which heretofore have functioned under the Farm Credit Administration. It was pointed out however, that no loans would be made to farmers who are able to obtain credit through usual commercial channels and that in cases where existing crop or chattel liens existed, waivers and non-disturbance agreements from such lien holders will be required before any loans will be approved. For non-relief clients, loans not to exceed \$50 will be approved.

State Wheat Agent Inspecting Prospects In Hansford County

In company with County agent Boykin, State Wheat Agent, John R. Edwards has been making a fairly complete survey of the wheat fields in this county. Mr. Boykin reports that they looked over several fields in good condition and several bad ones, the idea being to get an estimate of the general condition of the crop at this time and view the prospects for the coming season.

RECEIVES BEAUTIFUL GIFT

Miss Floydene Hays was the recipient of the beautiful \$100 radio, gift of the Spearman Drug Co. Saturday afternoon. It was a 12-tube RCA of exceptional beauty and Miss Hays is justly proud of it. The second gift, \$10 in cash went to Mrs. R. F. Dennis, and the third gift of \$5 in merchandise was received by Lloyd Allen.

THANKS
To Business Houses and Basketball Supporters:— We wish to express our thanks and appreciation to the business men of Spearman and all local supporters for their splendid cooperation and help during the past season.

FATHER AND SON BANQUET AT HIGH SCHOOL FRI. NIGHT

Honoring the fathers and sons of the Lions Club, a big banquet will be served at the high school Friday night, March 15, at 7:30. Many of the tickets have been sold and all those who have not bought their tickets are advised to see Bill McClellan. As sponsors of the Boy Scout organization here, the Lions plan to honor the boys of that age, at this banquet. Any member of the club that does not have a boy between the age of 10 to 18, plans to see that some boy of this age gets to attend the banquet as their guest.

To Hold Tonsil Clinic

On Wednesday, March 20, Dr. Powell, from Dalhart, will hold a tonsil clinic in Dr. Gower's office. If you are interested in having your child's tonsils removed at this time, you must see your family physician not later than Saturday and let him give a physical examination to see whether the child will be able to undergo the operation. Both the tonsils and adenoids will be removed at this time for \$12.50. If you are on the relief rolls it will be necessary for you to get an order from Mr. Haile and present it to Dr. Powell at the time of the operation.

Relief Tile Project Receives Nice Response

Relief workers on the garden tile project are finding plenty of demand for the fruits of their labors. At the present they have 23 tile contracts that call for over 20,000 feet of tile and more orders are contemplated for the near future. Anyone wishing to purchase this concrete tiling for their garden, may buy the tile and have it installed by means of relief labor, for a very reasonable figure. Just get in touch with the local relief board for further information about this.

The above picture shows part of the crowd gathered in front of the Spearman Drug Co. last Saturday afternoon. Just waiting to see who would receive the three gifts to be awarded by that store.

Ladies, Here's Your Chance to Show Your Skill With Rolling Pin

Next Saturday if the weather is agreeable for outdoor sports, trapshooting, golf, baseball, basketball and all sports of this kind will have to take a back seat, while the ladies of Spearman get some badly needed practice with the old rolling pin. Rolling pins have long been used as a weapon of self-defense. The Smith Variety Store always wishing to smooth the pathway for their best customers (the ladies) is offering its services in instructions in this old art of throwing the rolling pin. The Smith Variety Store will provide ammunition, (Rolling pins) free and targets (dummies) free. But if any of the ladies have husbands who will make better dummies for targets than the Smith Variety Store provides, they may bring their own targets along. There will be no admission charges for either the ladies or the dummies. Furthermore, the lady who wins first prize in this contest will receive in CASH two and a half dollars. The lady who is second best will receive One and One-Half Dollars. Third prize will be One Big Dollar. Altogether there will be five dollars in cash prizes, and the experience and self confidence gained may help to make their lives much happier. Married ladies only are eligible. The rules of the contest are few. Contestants must sign up at the Smith's Variety Store soon, if they wish to take part in this wonderful work in self-preservation.

Arrested At Gruver With Stolen Car Mon.

Two unidentified men were taken into custody early Monday morning in Gruver by Sheriff H. L. Wilbanks and deputies Fred Lynn, Buster Cator and Paul Reynolds. These men had in their possession a Ford V-8 stolen at Anadarko, Oklahoma. They had spent the night in Gruver, and were believed to have spent the night there a week ago. They had been calling at farms around the county asking for work, and if the farm family was not at home proceeded to help themselves to the contents of the house. The officers were assisted by a posse of Gruver men.

McMurry and Jenkins Now In The Marines

Special to Reporter. New Orleans, La., March 13.—Among the young men selected for service in the U. S. Marine Corps in this city today was Edgar D. McMurry and Joe W. Jenkins of Spearman. They were transferred to Parris Island, S. C. for few weeks preliminary training. It is not definitely known what line of work these young men will enter on completion of initial training. Many young men are selected for aviation, radio, music, clerical, mechanics and other schools. Others go aboard some battleship cruiser or to some foreign land where the United States is interested. Marines serving afloat or in foreign lands travel thousands of miles and visit many strange places.

Mrs. Sam Gillispie and children are visiting this week with relatives at Enid, Oklahoma.

Edna Buchanan will leave soon to enter nurse's training at Scott & White hospital at Temple. Her many friends wish her much success.

4H Club Boys Reap Big Returns on Baby Bees

Oscar Riemer and Jack Jones, 4-H Club boys of Hansford county netted \$278.56 and \$49.30 on their calves sold at the Amarillo show last week. Oscar Reimer fed 5 calves, which cost him a total of \$310.21 gross expenses, including cost of the calves, feed and expense of showing. Jack Jones' expense on one calf amounted to \$35.55. Net returns as reported in record books of Oscar Reimer showed \$278.56 for his 5 calves, and \$49.30 for Jack Jones.

These 6 calves showed an average gain of 2.74 lbs. per day for the feeding period at a cost of approximately 7c per pound.

ALL RELIEF WORK IS RESUMED FOR MARCH

Austin, March 13.—Resumption of work relief program on a limited scale was ordered by State Relief Director Adam R. Johnson this week in a communication addressed to all county administrators. The work relief program was practically abandoned several days ago when relief funds ran low.

Mr. Johnson said past rules and regulations governing work relief projects are again in effect but cautioned all administrators with regard to proper planning of expenditures.

"All allotments for the month will in all instances be lower than for February," he said. "This will mean in many cases reduction in family budgets. It should not mean, however, stopping of work relief, and the client should be extended work relief as in the past but in smaller amounts. It is suggested that all economies possible be affected in regard to non-relief expenditures."

Lions Receive Musical Treat At Luncheon

After regular business had been attended to at the Lions luncheon Tuesday noon, the program was turned over to W. J. Finley, a very accomplished musician, instrumental instructor and band man. Mr. Finley accompanied by Mrs. W. J. Miller, gave a number of solos on several of the less common musical instruments. He opened his program with a violin selection and followed with a number on the bassoon, a double reed wood-wind instrument. He played a very lively number on the ocarina, a queer little clay flute-like instrument, and finished with several selections on the Scotch bag-pipes.

Mr. Finley is at present located in Borger where he is teaching instrumental music and directing. He is anxious to get a class started in Spearman and has made a very attractive offer if he can obtain as many as ten pupils. He has also offered to organize a band for Spearman for a very reasonable figure, one that would be an outstanding organization and a great credit to the town. From his references and press clippings presented, he is very capable of doing just that. He took over the little school band in Stratton, Nebraska, a town about half the size of Spearman, and won the state championship for four years. He was director of the Scotch Hilander (bagpipe) band for sixteen years when they toured the entire country. He has played with the Sousa band and other big organizations. There is no doubt but that a really good band would be one of the greatest advertisements that Spearman could have.

Rabbit Drive to be Held In New Hope Community

An invitation for everyone to the rabbit drive being held in the northwest corner of Ochiltree county at New Hope, Thursday, March 21, was received by county agent Boykin this week. The drive will begin at 1 o'clock. No rifles, no boys under 17 with guns and nothing over No. 4 shot will be allowed.

Morse Band Entered In Amarillo Contest

The School Band, under the direction of M. C. Riemenschneider, is now rehearsing music in preparation for the school band contest at Amarillo March 22. Despite the fact that Morse is only a small school, Mr. Riemenschneider has succeeded in organizing and directing a band of which the entire community is justly proud. They have played in Spearman on different occasions and their music was greatly enjoyed and appreciated by those who heard them. We wish them much success in the contest.

DROUTH BROKEN HERE SUNDAY NIGHT WITH HALF INCH RAINFALL

Starting in about 7:30 or 8:00 Sunday evening and falling steadily throughout most of the night, the rain with a little snow late in the night, amounted to half an inch of moisture for Spearman and immediate vicinity. The rainfall just south of Spearman amounted to a little more than here, and seemed to increase more farther south, as the country around Panhandle and Amarillo continued to receive snow Monday morning. However, the moisture we got will hold the crops now for some time.

Morse reports an inch and more of moisture with more snow, while Gruver reported around three-quarters of an inch.

Very Little Business Transacted Monday by Commissioners Court

About the only thing brought before the Commissioners Court, at the meeting of that body Monday of this week, was the regular routine business. Current bills were presented and paid and the Treasurer's report was approved.

Honest Bill Editing at Panhandle This Week

Due to the absence of Dave Warren, who is in California at this time, Honest Bill has been working on the Panhandle Herald this week. Upon his arrival Bill found nearly the entire office force on the sick list, so Tuesday he came home and got Preach Loftin, sturdy type slinger of the Reporter, to help him out.

Trade in Spearman

**DON'T
NAME IT**
By HONEST BILL

Amarillo News:— Bill Miller up at Spearman on the Spearman Reporter is raising an awful rook because I am referring to myself as "Old Honest" Tack. The biggest joke in Texas is that Mr. Miller has been referring to himself as "Honest Bill" for some time and he has been getting away with it only with himself. And now that someone comes along who really befits the title—I refer to Old Honest Tack—he is throwing a whole series of fits. And he wants me to pay a royalty of \$5 to County Agent Lester Boykin, Spearman, as a fund for the 1935 Hansford County Beef Show. Sure, I'll do this as a sort of conscience fund from one newspaperman who realizes what another newspaperman has done to the community in which he resides. If I could pay over \$5,000 I couldn't make amends for what Honest Bill has done to Spearman and Hansford County, but \$5 is all I can get together at this time.

And dagdum him, he sure done it. Yes sir, Lester Boykin just got a check this morning with Old Tack's name on it and if it don't bounce back on us, the Baby Beef show has got a starter already. Thanks, Tack! Thanks!

FOR SALE—by copyright owner, royalty on "Honest", 25c per year to residents of Hansford County. No limit to supply.

Golf Course Ready For Play In Three Weeks

This is the promise made by the local golf committee, that the Spearman Golf Club will be ready for play within the next three weeks at the most. They expect to start hauling the sand and oil by the last of this week and reconditioning of the green and fairways will follow immediately after. The only help that will be afforded by relief aid will be men to work on the project; and as no immediate action can be taken on this, the committee has decided to go ahead and start work. If the authority comes thru in the mean time to use the relief labor, it will be employed. But at present they plan to contract the work to a responsible man so that the members can have the use of the course now and use the relief aid for further improvement of the club when it does go through.

Miss Thelma Maize, head nurse of the Scott and Whit hospital at Temple, arrived in Spearman Sunday afternoon for an indefinite visit with her parents, Mr. and Mrs. F. W. Maize.

Mr. & Mrs. Tom Elzy Give Lectures at School Thur.

On Thursday morning, March 7, the school and faculty were pleased to have Mr. and Mrs. Tom Elzy with them for some very interesting and educational lectures. Mr. and Mrs. Elzy were in Spearman five years ago, so everyone knew that what they had to say would be worthwhile.

Their son, Lawrence Elzy, a radio singer, as with them and entertained the audience with some enjoyable songs. Mr. Elzy's message was centered around the word service. He brought out the fact that the only life worthwhile is a life of service, and to begin the word, the letter S stands for service and for sacrifice. It also stands for smile, which as all have heard is worth a million dollars and doesn't cost a cent. S stands for share. Share with others your joy and pleasures, and help share the other's work and sorrow. Last of all S stands for sin.

A formula for the letter E is Earnestness plus Energy equals Efficiency. Try it, it works every time!

R stands for real folks (not copycats), and for reverence, for right and for righteousness.

V is another letter which has a formula: Vision, plus Vigor equals Victory.

I stands for individuality, and for increase or growth. Grow four-square as Jesus did; mentally, physically, spiritually, and socially. The social life offers the avenues for expression of all other life.

C means clean; clean in thought, word and deed. Also for can (knock the t off can't and can it), and for cooperation, character, christianity and conscientiousness.

E stands for enthusiasm—enthusiasm in all you do—in arithmetic as well as in football.

And E stands for enlistment. Enlist in a definite service—find the niche God meant for you.

And last of all E stands for eternity. The way in which you live up to the other requirements will determine where your eternity will be spent.

After this message, Mr. Elzy had a special message for the boys and Mrs. Elzy for the girls. School was dismissed at 12:15 as usual, and at 1 o'clock Mr. Elzy spoke to the junior and senior boys and Mrs. Elzy to the junior and senior girls for slightly over an hour, and then to the freshman and sophomore boys and girls for about the same length of time.

Their messages were greatly enjoyed and appreciated by the whole school and they hope to have them back some time.

DECLAMATION TRYOUTS TO BE HELD THURSDAY

The judges from Perryton will be here Thursday, March 14, for the declamation tryouts.

The six high school boys entering declamation are Robert Neilson, Perren Lyon, Robert Satterwhite, R. L. McClellan, Carl Archer and Henry Bruce.

The five girls entering are: Oleta Sumrall, Martha Delon Kirk, Betty Bolton, Marie Parker and Dixie Ruth Buchner.

These entrants have practiced long and diligently and each student is to do his best in the tryouts.

MAJOR BATON

A most delightful meeting was had March 12, in the home of Mrs. Tom Rosson, where the Major Batons entertained the Spearman Music Club.

After the Junior Pledge had been repeated the following program was heard: An Irish song—"The Wearing of the Green."

Club, The Story of Ireland—Ruth Buchanan, the song, "I'll Take You Home Again Kathleen" Elsie Reed, Gertrude Barkley and Alma Johnson; Thomas Moore and his Irish Harp—Geraldine Boland; Believe Me, IF All Those Endearing Young Charms—Club Poem, "The Harp That Once Through Tara's Walls," Elsie Reed; and the song, "O No John" by the club accompanied by Mrs. Word.

Delightful refreshments were served to the following members of both clubs: Mesdames. Hutton, Lee, Bailey, Word, Hoskins, and Loftin; Misses Maize and Lawrence.

The Junior members were: Doris Kirk, Geraldine Boland, Elsie Reed, Ruth Wilbanks, Ruth Buchanan, Gertrude Barkley, Beth Wilbanks, Mary Brandt, Alma Johnson, Dorothea Jo Benton and Dorothy Main.

A very delightful meeting was expressed by all to Mrs. Rosson.

ESSAY WRITING

The essayists have begun practice for the county meet, under the direction of Miss Lawrence. They are writing some practice essays to check up on form, interest, etc.

Those entering the essay tryouts are all girls, Ruth Wilbanks, Elsie Reed, Lady Archer and Helen Richardson.

VOLLEY BALL

The girls are still practicing volley-ball, and are out for the

ONE ACT PLAYS TO BE GIVEN IN CHAPEL

The one act plays that the students have been working on will be presented in chapel some time next week.

There are two plays, "Mother's Day," directed by Miss Deakin, with a senior cast, and "They Helped Him Decide," directed by Miss Crittenden, with a freshman cast.

They Helped Him Decide
Musical Comedy by Vera Hamill Jack, a young man of 25, Perren Lyon. Dick, his friend, also 25, R. L. McClellan, Jr.; Ellen, Dick's girl friend of the baby-doll type, Martha Delon Kirk; Martha his girl friend who is in business, Alice Hazelwood. Sally, his girl friend, who is a chorus girl, Frances Hoskins; Rachel, his girl friend of the domestic type, Ruby Ruth Kelly; Four other young men, bridegrooms—Carl Archer, Craig Davidson, Paul Cox and Carl Edd Wilbanks.

LOOK WHO'S HERE

Two of a kind is always hard to beat, you know. And that holds true for the Wilbanks twins. Not many Senior classes are blessed with twins. Beth and Ruth are native daughters of Hansford County. Their entire school lives have been spent in Spearman Public Schools, entering in 1924 in the first grade.

Their school work has been outstanding. They have been members of the pep squad and other organizations. They were charter members of the Major Baton Club. They have majored in Home Economics. Ruth was class president during the Sophomore year.

The twins' mother Mrs. Hicks Wilbanks, has been our room mother during our Freshman and Junior years.

The twins, as we call them, are jolly, lovable girls, popular with the faculty and students. They are identical twins for many of the students have to think twice to distinguish between them. We are expecting great things of them in their chosen field of teachers of Home Economics as a profession in life.

championship. They report for practice almost daily and are learning more and better principles. They are developing a different style, and one which shows the science there is to volleyball.

SENIOR NOTES

Wasn't the rain grand! It made us feel better to know that it can rain wet rain in Hansford County and not always Dalhart rain.

Most of the seniors enjoyed seeing the splendid cinema production of David Copperfield. Isn't that a grand way to get a book report off your list? That book has about two volumes of pages, too!

Our report cards are in this week. We heard from the exams last week, but the grades never sound quite so bad as they look on the cards. The seniors making the honor roll are: Robert, Omar, Alvino, Elsie Reed, John, Elsie Mackie, Gertrude, Sylvia, Lady, Helen, Elmon, Charles, Paul, Woodrow, Willard, Jaunita, Mary, Beth, Ruth, Carrie B., Bill Evans and Velma.

The Junior cake walk turned out to be a hunger march for me. Was it Shakespeare who said, "Those who live in glass houses can not have their cake and a bird in the hand too." Daily is a cake eater or at least he won a cake.

Gertrude wants us to know that she was absent; but she won't tell where she went or with whom we will guess with her. Kelly is through mumping. Marjorie has them now. Who will be the next one?

We are being tested again this week as usual. Someone said, "As certain as Death and Taxes." Guess he never went to school or he would have added exams to the list to complete the Triology.

TYPING ELIMINATION

Out of the sixty typing students eight began the tryouts for the entrants in the county meet. The eight were Betty Bolton, Willard Davis, Carrie B. Nesbitt, Alvino Caldwell, Mary Brandt, Eileen Tompkins, Lady Archer and Elsie Reed.

After three were eliminated, Carrie B., Alvino, Mary, Eileen and Lady are having tryouts this week to determine which three will represent the school in the meet.

SPELLING

The high school spellers are now diligently studying for the interscholastic league meet the 28-29. Miss Maize has charge of this branch of work and three students are working on it. Elsie Reed and Elmon Jacobs, seniors, and Maxine Allen, freshman.

They have the "University of Texas Bulletin" for word lists and are looking up the correct pronunciation of words as they study.

needed and everyone rejoiced at its arrival.

Mr. and Mrs. Geo. M. Deitrich had as Sunday dinner guests Mrs. Deitrich's parents, Mr. and Mrs. H. C. Marlow and son Leonard of Perryton, Mr. and Mrs. Guy Gruver, Mr. and Mrs. Guy Cooper and daughters. Afternoon guests were: Mr. and Mrs. M. F. Barkley and family, Mrs. W. L. Gruver and daughter Mary Jo.

Mrs. Geo. E. Tyson has organized a kindergarten class.

Mr. and Mrs. Ben Harris and children, Mr. and Mrs. M. F. Barkley and children, Mr. and Mrs. Geo. M. Deitrich and children and Mrs. W. L. Gruver were Saturday evening guests at the Guy Cooper home.

Mr. and Mrs. Clarence Alexander and family of Lubbock are visiting at the home of Mrs. Alexander's parents, Mr. and Mrs. F. A. Shapley.

Frank Tatum of Dalhart transacted business in Gruver Tuesday afternoon.

Mr. and Mrs. H. S. Wood returned home one day last week from Kansas, where they have been visiting.

CAKE WALK SPONSORED BY JUNIORS IS SUCCESS

Friday night, March 8, the Junior class staged a "cake walk" in order to raise funds to give the "dignified seniors" a banquet.

The program opened with an accordion solo by Miss Garrison. Miss Garrison also played for the walking and for two songs sung by Doris Kirk.

Fortune telling was an enjoyable feature of the evening. Everyone responded freely to the invitation to walk and we are glad to report that we made \$25. We wish to thank everyone who took part in the cake-walk and we assure you that it helped us.

PHYSICAL EDUCATION

The girls are still playing basketball in physical education and are enjoying it very much.

This class comes at 10:15 several times a week. Miss Lawrence is coaching the girls and they may develop some star basketball players some day, who can tell?

ITALY AND ABYSSINIA

From this distance, and at this time, it looks as if we were about to be a real war in Africa, between Italy and Abyssinia. Both of those nations, we understand are members of the League of Nations, which is supposed to keep its members out of war. That it seems to make any difference, when it's only a little Abyssinia that seems likely to be the victim. Well, Abyssinia isn't a highly civilized nation, as we understand civilization. It hasn't many movie theaters or machine guns. It lacks equipment for modern warfare, such as airplanes and gas bombs, and we understand that many of its people don't even wear

clothing. About all that Abyssinia has, besides a highly concentrated population that hasn't felt the depression to any extent is a few thousand miles of territory supposed to contain oil and iron ore and other valuable minerals, and a mountainous landscape with a comfortable climate in which a good many millions of European Americans could live quite happily.

It is just the place for the overflow population of Italy, the Italy that is shy on some important raw materials, such as oil, coal and iron. Italy is in the Somaliland, between Abyssinia and the sea; it is supposed to be easy to run a pipeline to tide-water from any point on the coast that might be discovered, or a railroad from the coast to the iron mines.

They have no idea what all the war talk is about. We have happened to think off some interesting facts. At the time, Mussolini is mobilizing his army, his navy and his air fleet. We seem to have heard somewhere, that he happened to think of some interesting facts. In the B. C. period, sent armies into Africa. It is our impression that most of these weren't able to hold the territory they conquered.

IF YOU DON'T SUCCEED AT FIRST— TRY, TRY AGAIN

An outstanding example of the above proverb can be found in Hansford county in the person of Coy Holt. Started out to irrigate a hundred acres of his fertile valley land on the Palo Duro. His first attempt at water production from a well, fell far short of his requirements. He did not give up. For several months he experimented, improved the original well, shifted to a new location, and is now completing a well more than likely will meet all his requirements. The first forty feet of the well will be cased with oil tank containers. From the forty foot level to the 104 foot depth the well will be drilled with a 20-inch casing. When the well is completed a 1/2 inch perforated casing will be inserted. The well will be packed with gravel from bottom to top insuring a success of lifting the water without pumping the well.

Water experts tell Mr. Holt that he has an abundant supply of water on the North side of the Palo Duro creek. However, land has been prepared for a alfalfa field on the south side of the creek, and Mr. Holt will develop this first project before attempting more extensive operations in the North side of the property.

THE PUBLIC OF HANSFORD COUNTY MAY KNOW

More than two years ago I covered football stories and other news as a courtesy to him, because he was a personal friend. Following his death I continued to cover important news stories during the football season as a matter of pride in Hansford County. At the Tri-State Fair last year I talked to T. E. Johnson, who handles this work for the News, and tentatively arranged to represent Hansford county as a correspondent. I confess I made a complete failure of this job since I did not take sufficient interest in the work to keep a clip string of my articles sent in, and was not given pay for the work I did. I have never collected one cent from the Amarillo News-Globe for the stories I have furnished the paper and do not feel that it is any fault of the Amarillo paper, since I did not confirm to their regular rules in sending in clipped string of the news stories furnished.

This brings me down to the explanation that I would make to

International Sunday School Lesson

By DR. J. E. NUNN

General Topic:— Peter Delivered From Prison. Scripture Lesson:— Acts 12:5-17.

5. Peter therefore was kept in prison but prayer was made earnestly of the church unto God for him.

6. And when Herod was about to bring forth, the same night Peter was sleeping between two soldiers, bound with two chains; and guards before the door kept the prison.

7. And behold an angle of the Lord stood by him, and a light shined in the cell; and he smote Peter on the side, and awoke him, saying, Rise up quickly. And his chains fell off from his hands.

8. And the angle said unto him, Gird thyself, and bind thy sandals. And he did so. And he saith unto him, Cast thy garment about thee, and follow me.

9. And he went out, and followed; and he knew not that it was true which was done by the angle, but thought he saw a vision.

10. And when they were past the first and the second guard, they came unto the iron gate that leadeth into the city; which opened to them of its own accord; and they went out, and passed on through one street; and straightway the angle departed from him.

11. And Peter came to him self, he said, Now I know of a truth that the Lord hath sent for his angle and delivered me out of all the expectation of the people of the hands of Herod, and from the hands of the Jews.

12. And when he had considered the thing, he came to the house of Mary the mother of John whose surname was Mark; where many were gathered together and were praying.

13. And when he knocked at the door of the gate, a maid came to answer, named Rhoda.

14. And when she knew Peter's voice, she opened not the gate for joy, but ran in, and told that Peter stood before the gate.

15. And they said unto her, thou art mad. But she confidently affirmed that it was even so, and they said, It is an angle.

16. But Peter continued knocking; and when they had opened, they saw him, and were amazed.

17. But he beckoning unto them with the hand to hold their peace, declared unto them how the Lord had brought him forth out of the prison. And he said, Tell these things unto James, and to the brethren. And he departed, and went to another place.

Golden Text:— Prayer was made earnestly of the church unto God for him.—Acts 12:5b. Time:—The Spring of A. D. 44. Place:—A prison within the city of Jerusalem, perhaps in the tower of Antonia, the house of John Mark.

Introduction
"The narrative expresses the implicit faith of the church in the providence and power of God exercised in the interest of the growing community of believers. Through this miracle one gets a glimpse of the strenuous prayer life of the early Christians (ver. 5), of the tenacity with which the members of the church clung together in emergencies (ver. 12) of the caution with which the disciples surrounded themselves when meeting (ver. 13-16), and in general of the developing consciousness of the Christian church."

"With the example of Jesus before them and with a strong sense of God's leadership through the Spirit the early Christian met the most severe tests with patience, courage and triumphant faith. They would not compromise in order to save themselves."

"The prayer-meeting of our lesson was a great success and must have been intensely interesting, because it had a definite object; the deliverance of

the host of friends who watched me take pictures of the First Hansford County Baby Beef show, who I informed on the spot that said pictures would likely appear in the Amarillo newspaper.

Today they have not. Because the pictures and cut would be furnished the Amarillo newspaper FREE of charge together with a complete story of the same, I figured a newspaper interested in developing the live stock industry, especially since Amarillo is the hub of such an industry, would use all FREE material in their paper. They did not.

Perhaps this was due to the very important news of the Mother in Law day and other events of more importance. The writer has no intention of criticizing the Amarillo paper on their policies. This article is in explanation of the fact that the news story and the cuts did not appear. The picture of Oscar Reimer and his prize winning baby beef did appear in the Fort Worth Star Telegram.

In the future if you expect news to appear in the Amarillo paper, do not connect the writer with same. I feel no responsibility what ever, and will only cooperate to the extent of sending news that will be publicity to Hansford County.

Since the above was written the writer received the following letter:

Bill Miller, Spearman Reporter, Spearman, Texas. Dear Sir: Mr. Johnson gave me your letter with the information about the Hansford County baby beef show and I incorporated the information in it with that I had from the fat stock show records here. You will probably see the story by the time this letter reaches you.

During the many busy days that we all went through here immediately before and during the cattlemen's convention, Mr. Johnson misplaced your letter and it wasn't until he was cleaning things up after the convention that he discovered the oversight. He asked me to explain this to you.

The McCormick Co. informed me that they rushed to the train with the zink they made for you and were therefore unable to show it to us, or to give us a chance to make a mat. You see we make the mats for them in all work.

We hope that our coverage is not too late to do some good for the Spearman show, for we all realize the importance of the county shows. If you see fit, mail us your cut and we will be very glad of an opportunity to run it.

Thanking you for being considerate of our oversight, I remain your fellow mill-pusher.
GEORGE MAY.

the apostle." Herod, The Wicked King. Acts 12:1

It was in the spring of 43 or 44. This Herod Agrippa was a grandson of the Great and was nominally king, though actually only Roman governor, of about as large a part of Palestine as the elder Herod had ruled. Educated at Rome and as a Roman, he followed the Herodian practice of seeking the favor of the Jews by "doing at Jerusalem as the Jews do."

"In Jerusalem he wore his Judaism as a garment made to order." He was shrewd enough to see that at this time nothing would win him greater popularity than to persecute the growing church of Christ.

James, The Apostle, Slain, v. 2 That James was the first victim of this persecution shows his prominence in the Jerusalem congregation. He was the first of the two sons of Zebedee to taste of the cup of Jesus' drinking (Matt. 20:22, 23). He is to be distinguished from James, brother of our Lord (ver. 17), likewise prominent in the Jerusalem church. The murder of James was such a success that Herod proceeded to lay hands on the next most conspicuous man of the Jerusalem church, the Apostle Peter. The Passover (ver. 4) was in this case the whole week of the festival, and not the paschal supper merely. Those holy days could not be defiled with an execution. In our American version this word Passover here is curiously and erroneously rendered "Easter."

Peter In Prison Delivered vs. 8-11 Peter was peacefully sleeping, Not lying awake worrying about what was going to happen to him. That baptism of the Spirit (Acts 1:13) had given him a wonderful consciousness of the presence of Christ, always with him. "How will may Peter sleep when God is watching over his bed" (Robert Law). His imprisonment evidently lasted two or three days. Each arm seems to have been handcuffed to a soldier; the other two men of the quartet would stand sentinel. The night was divided into four watches, and every three hours the guard would be changed.

The Prayer Key v. 5 Prayer does lots of things that nothing else can. No mob, though made up of half of Jerusalem, could have broken into that jail. They built prisons stout in those days! Iron gates, thick walls of masonry, weighty manacles, sixteen Roman soldiers! Prayer, Jesus had said, can remove mountains; and the other James writes in his epistle, "The effectual fervent prayer of a righteous man availeth much."

An Angel Helps, v. 7 "Who says there are no angels nowadays? We never see them? But what of that? We do not see many things that we know are. Peter at first likewise thought that what happened to him was unreal. The deliverance and help that the angels of God bring us are very evident. And that is the pragmatic test. By their fruits ye shall know them. Perhaps God thinks that we have so many angels in human form with us now that he doesn't need to send the other kind. Are they not all ministering spirits? "God's Angels open locks as easily as his sunbeams open rosebuds."—Bishop Warren.

Peter Obeys the Angel, v. 8 "And the angel said unto him, Gird thyself, and bind on thy sandals. And he did so." "It was not pride that kept the angel from service. Things we would scorn to do are done by angels gladly. If it was not beneath Christ to wash the feet of Peter, it was not beneath an angel to tie his shoe-latchet. But the angel refrained from doing for Peter in his hour of need what it was

in his power to do himself. Let Peter strive all night, he cannot loose his chains, and therefore it is the angel who does that. No beating of Peter's hands will burst the gate, and therefore it is the angel who unbars it. But 'gird thyself, and bind thy sandals on'—even when God is at work there is something thou canst do, and that something, which is within thy compass, will never be performed by heavenly visitant—All that you cannot do, God will do. All that you can do, God will never do."—G. H. Morrison.

Why Was James Slain and Peter Delivered? "It is impossible to read the story and declare that God's government can be finally explained. Why did God permit James to be slain, and deliver Peter? Why did He allow Herod to arrest James and slay him; and then, miraculously deliver Peter? There is no answer to these questions. God did not deliver James, but immediately afterwards He delivered Peter. That reveals the fact that if He can deliver Peter, He could have delivered James. There is infinite comfort in that: The comfort of the revelation of the fact that one who could deliver Peter, and in wisdom did so, was equally wise when He did not deliver James. Life can never be perfectly understood in the process of its living; we must wait. Just beyond the gleam and flash of the sword, and the overwhelming agony of the moment James came to the explanation. God doeth all things well: and the release of Peter illuminates the death of James, as we come to rest in the infinite wisdom of the divine government."—G. Campbell Morgan.

"How shall we escape, if we neglect so great salvation?" Heb. 2:3.

Are you neglecting the most important thing of life? If you neglect your business it will fail. If you neglect a fire it will go out. If you neglect this great salvation you must suffer the consequences.

How? How? How? The unanswerable question. How shall we escape? There is no other way to get to Heaven: only by Jesus, the author of this, "so great salvation."

Why is it so great? It cost God the greatest jewel of Heaven, his only begotten Son. "We have not been redeemed by such corruptible things as silver and gold, but by the precious blood of Jesus Christ."

Oh! the price our Lord paid for your salvation and mine. See

Him as He went about doing good to everyone, yet being persecuted by many. He lived a life of sorrow, grief and agony.

He who created the oceans, the seas and the rivers, said to the woman of Sychar, "Give me to drink." He who fed the five thousand was often in hunger. Hear Him say, "foxes have holes, birds have nests, but the Son of Man hath not where to lay His head."

See Him in Gethsemane, in Pilate's judgment hall and on the cross. No wonder it is spoken of as "so great salvation."

"How shall we escape if we neglect it?" Go to church somewhere next Sunday.

Joyce Womble & Leota Harbour The P. T. A. is planning on taking the play, "Here Comes Charlie," to Gruver again. Gruver practically guaranteed the P. T. A. full house if they would wait until the illness at Gruver sub- sided. The band members are looking forward to going to Amarillo March 22. The contest pieces that the band are practicing on are Inspiration and Colloseum. Mrs. Anson Ward was visiting in Gruver last week. The Junior-Senior banquet is to be held April 26. The Junior class is considering having the T-Anchor cowboys up here to entertain the community soon. The class is trying to make enough money to pay partly for their class rings next year. Roberta Kelly, who took the smallpox vaccination and the diphtheria serum, has been quite ill. Morse received about 1-2 inches of rain and the ground was covered with snow Sunday. The Mustangs have been practicing volley ball this year. They recently received a new white volley ball. Mr. and Mrs. Lex Board, re- cent residents of this community are now living in White Deer. Mr. and Mrs. Sid Board, Mr. and Mrs. Roy Womble, Kathryn Ann and Ruth Womble, Opal Knox, Robin Giblin, Leota Har- bour, Lewis and Ira Harbour, and Vaughn Hill went to the Berger celebration Friday. Leota and Ira Harbour attend- ed a party in Stinnett Friday night. Mrs. T. I. Harbour of this com- munity, recently lost her grand- mother, Mrs. Sevier. A fall which broke her hip resulted in Mrs. Sevier's death. District Judge E. J. Pickens made a talk on "Adolescent Youth and Our Government" at the P. T. A. meeting last Tues- day. The Morse seventh graders, boys and girls, played the Pringle seventh graders at Pringle Fri- day. The Morse girls won with a score of 23 to 17 and the Morse boys won with a score of 10-6. Joyce Womble spent Thursday with Louise Noe. Mentus Lieb was absent from school Monday. Miss Lorna Stock was quietly married in Amarillo Saturday to E. A. Wiechert of Berger. Mrs. Wiechert will continue her teach- ing of English in Morse school. Mike Balentine spent Saturday night with Fred Womble. Mr. and Mrs. A. J. Womble were in Berger Monday. trip to Liberal, Kansas, Thursday morning, returning home Friday afternoon. Miss Lucile Chance of Berger, home demonstration agent, will meet with the 4-H club girls at the Holt school house Friday at morning.

Fred Womble, Frank Womble and Desmond Kelly were in Pampa Saturday. Leota Harbour spent the week- end with Joyce Womble. Emily Ryan was absent from school Monday. Elvia Speer is now back in school. Bruce Womble was absent from school Monday evening. Mary Sue Roberts was visiting in Spearman Saturday night with Louise Howerton. Woodrow Forester is ill with the flu. Jack Noe spent last week-end at home and attended the Berger celebration. J. A. Roberts has gone after Mrs. Roberts, who has been taking treatments for rheumatism in Hot Spring New Mexico. Mrs. Hazel Carter, her daughter Billie Jean, and Mrs. Jewel McGhee are visiting in the home of Mrs. T. G. Knox. Louise Noe, Kathryn Ann Womble, Arlene Chisum, Dorothy Ann Cocke, Mentus Lieb, Bub Durham and John Gillispie are the boys and girls practicing on tennis now. Mr. and Mrs. Roscoe Womble were Sunday night visitors in the A. J. Womble home. **Dalhart to Stage Big Checker Tournament** Special to the Reporter:— Dalhart, Texas, March 14. Ch- checker players, here's your alley and the Dalhart Texan is look- ing for you down it Saturday, March 16. The Texan will stage its second annual All Pandhandle Checker Tournament in Dalhart that day, opening at 10 a. m. Players from the Pandhandle areas of Kansas, and Colorado are invited. There are no entry fees but beautifully engraved certificates will be given the victors. Play will be faster this year than last since the double elimination will be used this time. Last year a round-robin style was used Dalhart is holding a city double elimination tournament this week to have its entries down to ten. Some of the best players in the Plains have already said they'd be here. W. S. Mallett of Perryton vis- ited Sunday with his daughter, Miss Vivian Mallett, at the home of his brother-in-law, Rev. A. TASTY FOODS
A GOOD baked ham that is rich in color, juicy and tender, is a main dish which is extremely popular.
Baked Ham.
Soak the ham in cold water over- night. Pour off this water and cover with water to which has been added two cups of sugar and three-fourths of a cup of vinegar to a 12-pound ham. Simmer gently un- til well done, which will require 25 minutes to the pound, counting the time after the water simmers. Do not boil, as that toughens the meat. Let the ham cool in its own liquor. This adds to the moisture as well as flavor. When cold skin the ham, rub with brown sugar and dry mus- tard and stick with cloves. Put into a hot oven to brown nicely.
Stuffed Pork Tenderloin.
Silt the tenderloin the entire length. Brush the meat with salt, pepper, and a cut clove of garlic. In the cavity place parboiled carrot and celery of equal amounts. Wrap up and skewer or tie. Place in a baking dish to roast with layers of sliced onions and apples. Baste during the roasting and serve the onions and apples around the meat.
Luncheon Croquettes.
Take one cup of chopped cooked beef, one cup of canned corn, one-half cup of bread crumbs, one beat- en egg and a little cream, if more moisture is needed. Make into cro- quettes after seasoning well, roll in crumbs, in egg, then crumbs and fry in deep fat.
Cream cheese softened with cream to the consistency for spread- ing to which a dozen of chopped candied cherries are added, makes most luscious sandwich filling.

THROUGH A Woman's Eyes
By JEAN NEWTON

THIRTY-EIGHT YEARS
A PROMINENT minister on a re- cent Sunday took occasion to speak of the many changes that had taken place in the neighborhood of his church in the thirty-eight years that he had served there. And as he spoke of the transition from horses to airplanes, from tree shaded streets to skyscraper apart- ment house canyons, it seemed he must be referring not to the march of thirty-eight, but hundreds of years. The differences seemed more those of separate ages of civiliza- tion, than a mere generation. Only a few decades back, the pas- tor pointed out, the most danger- ous vehicle on city streets was the bicycle. He recalled, as if it were yesterday, the time when "whizzing cyclists" imperiled Sunday church- goers. Doubtless people felt then, as some of us do today, that they had reached the very limit of man's in- ventive genius for creating dangers for himself. Doubtless many en- joyed living in such an exciting age, as others were grateful to have lived most of their lives in better times. Does it remind you of to-day's at- titude toward the automobile, the airplane, and all the other dizzy- ing thrills and dangers of our age? Oh, you will say, but the automo- bile is dangerous—to say nothing of the airplane. Certainly, that's exactly what they said about the bicycle thirty-eight years ago. And what will they say about our automobiles and airplanes—thirty- eight years from now?

Eyes of Scientific World on Student

ROBERT J. WEST, University of California sophomore, is going through his daily school work with the eyes of the scientific world upon him. The reason is that West is so sensitive to sunshine that he sunburns in three minutes. No part of his body is immune from the effect. Red cellophane has been put over his workroom window to protect him from the sun. Photograph shows Robert J. West (in sweater) in the University of California's "Red" room, conducting an experiment with a fellow student.

Irrigation Rate For Residence

Those desiring to take advantage of the Summer irrigation water rate for residence may do so by signing a contract, not later than April 30th, at the City Hall. The contract will be in full force from date of signing up to and including the month of Septem- ber, 1935, and you will be billed on this rate until it expires. The rate will be 10,000 gallons minimum, \$3.00 and excess 20 cents per 100 gallons. April 30th is last day to sign contract.

TOURISTS SPENT OVER NINE MILLION DOLLARS IN TEXAS LAST YEAR

The popularity of Texas as a Mecca for automobile vacationists from all parts of the country is indicated by a report just released by the Conoco Travel Bureau.

A branch of the Continental Oil Company and America's largest free travel service. According to the report, 239,470 Travel Bureau tourists spent more than \$9,852,480 in this state last year.

It was also revealed that motor travel throughout the entire United States was unusually heavy in 1934. Hotels, tourist camps, restaurants and many other types of business took in more money from tourists than during any other year since 1929.

The Bureau supplied detailed trip services to 969,468 vacationists, a figure 41 per cent greater than the organization's total for 1933. Statistics also show that Travel Bureau tourists spent in excess of 40 million dollars while they were away from home.

OSCAR REIMER WEDS AVALLEE ROBISON OF McLEAN SAT., MARCH 9TH

Oscar Reimer, son of Otto Reimer of Spearman, was married to Miss Avallee Robison of McLean, Saturday, March 9th, at the home of the bride. Oscar is well known and has many friends in Spearman and vicinity who wish him all the success in the world. It will be remembered that Oscar is the boy who walked off with the lion's share of the prizes offered in Spearman's first baby beef show held recently and realized quite a bit more for his efforts when the stock was sold in Amarillo.

The bride is the daughter of Mr. and Mrs. Will Robinson, a prominent farmer in the McLean vicinity. The happy couple returned to Spearman immediately after the wedding and will be at home to their many friends in their home northeast of Spearman.

MR. AND MRS. C. H. GING CELEBRATE FIFTEENTH WEDDING ANNIVERSARY

Mr. and Mrs. C. H. Ging and family of Spearman and Mr. and Mrs. Roy Lewis of Gruver motored to Borger Sunday where a celebration of Mr. and Mrs. Ging's fifteenth wedding anniversary was held at the home of Mr. and Mrs. J. B. Buchanan.

Holt H. D. Club

The Holt Home Demonstration Club met at the home of Mrs. W. H. Terry Friday afternoon.

Miss Lucile Chance, Hutchinson county home demonstration agent, gave a very interesting demonstration on magic of color and lines for your type.

Mrs. Major Lackey gave a report of the judging of the products at the Fat Stock Show at Amarillo.

Mrs. Irvin Hester was appointed chairman of the recreation committee, who will arrange for entertainment at each meeting.

Refreshments were served to Mesdames P. H. Jameson, J. L. Edwards, H. H. Stephen, M. C. Scott, Major Lackey, Bill Jones, S. H. Graves, Miss Lucile Chance and the hostess.

PETER DISCOVERS SNOWFLAKE

ROUGH BROTHER NORTH WIND hurried up one big cloud after another, and late in the afternoon white, feathery flakes came drifting out of the sky.

Peter Rabbit sat tight in the dear Old Briar Patch. All night he remained squatting just inside the entrance to an old hole Johnny Chuck's grandfather had dug a long time ago in the middle of the dear Old Briar Patch. Some time before

"Are You Going to Spend the Winter Here, Snowflake?" cried Peter.

morning the snow stopped falling, and then Rough Brother North Wind worked as hard to blow away the clouds as he had to bring them.

When Jolly, round, bright Mr. Sun began his daily climb up in the blue, blue sky he looked down on a world of white. It seemed as if every little snowflake twinkled back at every Jolly Little Sunbeam.

It was all very lively, and Peter Rabbit rejoiced as he scampered forth in quest of his breakfast.

He started first for the weedy

Sound Pointers Given On Home Making And Agricultural Problems

Cooperative extension work in Agriculture and Home Making furnished county agent Boykin with the Texas A & M College and U. S. Department of Agriculture Cooperating offers the following pointers to the farmers and gardeners.

To Make Irish Potatoes Produce Well, apply a sack (100 lbs) of 6-12-6 commercial fertilizer for each sack (100 lbs) of seed potatoes. Mix the fertilizer into the soil and plant the seed pieces 12 to 14 inches apart in the row. Remember that the proper size seed piece is about half the size of an ordinary hen egg.

Spinach is a failure if planted on poorly drained soil or if planted on acid soils. To grow it successfully in sandy land, plan on raised rows to insure drainage. Before planting apply 5-10 lbs wood ashes for each 100 feet of row. Soak the seed for 48 hours before planting to hasten germination.

Chinese Cabbage. I want to recommend this queer looking type of cabbage to you. To grow it, plant seed in a hotbed in the near future and transplant into the garden by March 20. Set the plants in rows that have been heavily manured spacing them about a foot apart. This type of cabbage has the best flavor of any cabbage known.

Planting Carrot to Come up. There are too many complaints of "carrot not coming up." To correct this trouble, cover the seed with about a half inch of rotted manure at time of planting. This material will not pack or crust over. The tiny carrot plants will come up through it and grow off in a jiffy. Try it and see.

In the drouth area a great many cows that are being fed liberally and are in fair flesh have almost gone dry and walk with a stiff movement, some even have sores around the roots of the tail. In most cases, this is due to a lack of vitamin "A".

RELIEF CHECKS TO BE SMALLER FOR MARCH

Austin, March 13. — Checks were written last week for 1,881,741.50 to be distributed to Texas counties immediately for relief roll cases during March.

This amount is to cover costs of general relief and administration for the first half of the month, it was announced by Adam R. Johnson, state relief director.

Federal funds to replenish an almost exhausted state relief commission bank account arrived late Tuesday. Authorities at Washington approved a grant of \$3,250,000 for March general and drouth relief needs.

State officials said they hoped to make available about \$4,000,000 to counties for general relief during the month. In order to do so, \$500,000 of state funds from a relief bill now in the legislature must be available.

This sum is considerably less than that made available in February and will mean reduced budgets for those granted relief. Estimated caseload for March is 297,510, for Feb., 293,859.

Funds for rural rehabilitation and other special programs will be made available as money is received by the state office from Washington.
