WHEAT CONTRACT HOLDERS

All wheat contract holders in Hansford county are invited to attend one of the following meetings, at which time valuable and important information will be given in regard to measuring, checking and completion of 1935 proof of compliance and receipt of monies due on subsequent payments. Attention is called to these meetings by your County Committee, and if you are not present you will not have information you will need badly in completing your proof of compliance for 1935 and thereby receipt of money due you for 1935 payments. Other matters of importance will be taken up at the meetings in line with requests from the Department of Agriculture that will effect every producer of wheat in the United States. A full attendance of Contract holders is earnestly requested by your committee.

LARGE CLASS TO BE GRADUATED AT GRUVER

With the beginning of the new year, seniors in Gruber High School are beginning to look forward to one of the biggest days in their lives, "graduation day." Activities have already begun and the graduation rings arrived a month ago. Twelve seniors will be graduated next May, on of the largest classes in the history of the school.

Plans are under way for the senior play. The following will graduate: Reba Dillow, Bernice Shapley, Goldie Moore, James Smith, Joseph P. Rios, Harry Barkley, Ernest Davidson, Nick Fleck, Joel Stavio, Eddy Stavlo, Ralph McClellan, Jewel Ward.

Final examinations for the first semester's work begun here this morning. The examinations will run today and tomorrow. The second semester work will start Monday morning without delay.

Mrs. Aurora Padilla, who has been in the Amarillo St. Anthony Hospital, returned Monday morning to Gruber, with her health much improved.

COOK POINTS OUT ADVANTAGES OF EARLY ORDERS FOR CHICKS

Chick buyers are being warned this year to place their order at least three weeks ahead of the time they want their chicks!

The reason is that the 1935 hatchery code makes it practically impossible for hatcheries to produce a large number of chicks and have them on hand whenever buyers choose to come in for them. In past years it has been common for hatcherymen to produce considerably more chicks than have been ordered with the hope that sufficient extra chick buyers will come in to take the surplus chicks. Many times buyers did not appear and these chicks had to be sold at distress prices, causing severe losses to hatcherymen and frequently resulting in loss to the buyer, as some hatcherymen did not have proper facilities for holding the chicks after hatching.

There are several advantages in ordering chicks at least three weeks ahead of time, according to Leslie Cook, local hatcheryman. The first advantage is that the buyer will be certain to get chicks on the date required, for the hatcheryman can set enough eggs to have a sufficient number of high quality chicks for all customers who have ordered ahead. Thus the chick buyer can get his brooder house ready, start the stove going and have everything in readiness on the date his chicks are due.

The second advantage is that no substitution of breed will be necessary and the buyer can be certain of getting the grade and breed specified.

A third advantage is that an actual cash saving frequently can be made by ordering in advance. Many hatcherymen give discounts to buyers who order in advance, and thus those who order early actually get their chicks cheaper than those who wait and buy them on the spur of the moment. Furthermore, hatcherymen can work on a smaller margin of profit if they can be sure that all of the hatched chicks will be taken home since some must be destroyed or held for several days.

CARD OF THANKS

We wish to thank all road workers and friends for their many kind deeds and expressions of sympathy in our sad time. May God bless you all.

MORSE NEWS

Hattie Pearl Karr of Plemmons and Joyce Womble of Morse spent the week-end with Mary Sue Roberts.

The Morse Mustangs were defeated in a basketball game Friday night by Stinnett. The score was 8 to 26 in favor of the Stinnett boys and 10 to 48 in favor of the Stinnett girls.

Mr. and Mrs. Frank Womble and Mr. and Mrs. R. C. Womble were Borger visitors Sunday afternoon.

Mr. and Mrs. Paul Wright of Spearman spent Sunday afternoon with Mr. and Mrs. Ben Foster.

The Red Cross nurse, Miss Bonham organized a Hygiene Club Monday with the women of the community. These meetings will be held every Monday. Miss Bonham also began her class work with the Morse High school girls Monday. She will teach hygiene to the girls for a period of several weeks.

Virgie Mae Parks, the daughter of Mrs. H. B. Parks, became the wife of Harrison Cambern this week. They were quietly married at Guymon, Oklahoma. Virgie Mae was a recent pupil of Morse High School.

Claudine Powers, daughter of Mr. and Mrs. Claude Powers, was taken to the Borger hospital Friday. She has a light case of double pneumonia.

J. B. Speer, superintendent of Morse schools, took Robin Giblin to Pampa to the Boy Scout meeting. We are proud of the fact that Robin was one of the two scouts to receive an eagle scout badge.

Misses Lorna Stock and Margarine Strain were week-end visitors in Canyon.

Misses Ruth and Kathryn Ann Womble were Saturday night visitors with Leota Harbour.

Mr. and Mrs. Sangster gave a dance at their home Wednesday night.

Mr. and Mrs. Roy Womble were business visitors in Perryton Saturday evening.

HERE COMES CHARLIE is a play being sponsored by the P. T. A. This play is to be given three times, Thursday, January 17, it will be presented at Morse. Later it will be staged at Gruber and Spearman.

The Morse P. T. A. contributed twenty dollars to the band for new music. They made the money by selling sandwiches, coffee, pie, candy and chewing gum at the various ball games.

Jack Noe is working for the Murray Motor Company in Beloit, Kansas. He is staying with his uncle and demonstrating old cars. He reports that he likes his job because he frequently gets to drive a new Dodge.

Ira Harbour has gone on a short trip to Seminole, Texas.

The Morse Chamber of Commerce elected directors the past week for the coming year. R. F. Womble, Henry Reid, H. S. Durham, C. C. Kellog, J. B. Speer, A. E. Henderson and D. M. Womble were elected directors. At a meeting of the directors last Wednesday night J. B. Speer was elected president, R. F. Womble, first vice president and H. S. Durham second vice-president. The board of directors plan to meet this week to appoint committees for the year. This chamber of commerce has been a paid member of the West Texas C. of C. for three years, and will soon send in its quota of \$25 for 1935 membership.

PRIZES GIVEN BY GRUVER BUSINESS MEN

Many prizes were distributed by the business men of Gruber Saturday at a social given at the home of Mrs. M. M. Wallin. The prizes were of various kinds and a total of \$5. Many prizes were distributed of \$1 each.

HANSFORD CO. BOYS ARE HONORED AT PAMPA SCOUT CON.

At the Sixth Annual Scouters' Convention held in Pampa Thursday, January 10th, two Hansford County boys received the highest award bestowed by the Boy Scout organization. The two scouts to receive this coveted rank and badge of Eagle Scouts were Paul Buchanan of Spearman and Robin Giblin of Morse, and incidentally they were the only scouts throughout the entire Adobe Walls Council to receive this honor at this mass Court of Honor.

Business of the afternoon meeting at the City Hall consisted of reports from the different committees election of officers for the coming year and a general discussion of definite plans for 1935. During the course of the day all of the boys from Spearman completed additional work and received deserved merit for work already completed to raise their rank. At the banquet held in the First Baptist Church that night only the Eagle Scouts and their senior representatives were honored guests the other admissions were paid. It was at this meeting that the Eagle Scouts received their awards.

Those attending and work completed from Spearman were: Bill Miller, representative; Paul Buchanan, Eagle; Craig Davidson, 1st Class and 5 merit badges. Carl Archer, 5 merit badges; Bill Russell Jr., 1st class; and L. M. Womble, 2nd class. Morse was represented by Supt. J. P. Speer, H. S. Durham and Robin Giblin, Eagle Scout.

Hazel Hurd Players Open Winter Circuit

The Hazel Hurd Players, Spearman's own dramatic company, will open their regular winter Theatre circuit at the Lyric next Saturday night. The Company will play Spearman this year Saturday nights instead of Monday nights as in years past. According to Fred Twyman, the opening play this year, "Ace in the Hole," is the best play this popular company has ever produced. The story has to do with a couple of young crooks who have repented and reformed from their past and decided to see that the rest of the world reforms. Their nemesis is the typical small town Shylock who has a habit of foreclosing mortgages on widows by unscrupulous methods. Assisted by a rather hardboiled young lady from the "follies chorus" and the usual hick-town constable, these two young reformers do a neat job of cleaning up the old home town. Hazel Hurd, as the ex-chorus girl, Billy Prescott, as the second-story crook and Fred Twyman as the small town "Constable," will furnish plenty of laughs in this play.

The Hazel Hurd presentation orchestra this season, promises to be one of the best musical aggregations the company has ever assembled. A feature with the orchestra this year is Paul Ritter, guitar, yodeling and harmonica radio star, better known to Radio listeners as "The Lonesome Cowboy." The barnyard harmony quartet are also a feature attraction in the orchestra this year. With the popularity of this famous company and the fact that they are to appear here on Saturday nights, will no doubt mean an overflow crowd to greet them on their return to their old home territory.

ROYAL NEIGHBORS HOLD MEETING SATURDAY

The Royal Neighbors of America, Lodge 10953, of Gruber held a social meeting and at the same time a party Saturday night at the home of Mrs. Tom Harmon. Many games were played, refreshments served and a jolly time had by all.

SPEARMAN PLUNGED IN DARKNESS

In the very near future, our fair city will be forced to discontinue their street light service unless additional city taxes are collected or the city coffer is reimbursed by some fair means or foul. This may not seem like such a loss to some people, but we unfortunate individuals who are forced by circumstances of fate to be out and around in the late hours of the nite, it is considered a major disaster. Imagine our high schools boys trying desperately to get home to their lessons, about 12 o'clock, bumping into posts and buildings in the darkness; they become so bruised up and sore, they can't play basketball or football worth a darn. Then too, put yourself in the position of returning home at a rather indiscreet hour via, some least traveled thoroughfare and in your blindness bumping directly into Earl Pittman.

Seriously though, street lights are one of the best advertisements and protections a town can have, and City Manager Holland says that we can't have 'em unless more City taxes are paid.

Law of Average

Rainfall and Prosperity

The law of average, to a large extent, governs the proportion of rainfall we receive and that in turn governs the production or yield of our crops. Your success is our success, and we are looking for the best. But regardless of the quantity or value of your business it will in no way govern the consideration and cooperation you receive in dealing with us. Our aim and purpose is to be able to help you receive the best remuneration for your products and in turn offer you the best possible and most reasonably priced commodities for your necessary needs.

Lynx Win Conference Game From Borger

On Tuesday, January 15, the Lynx won a thrilling victory from the Borger Bulldogs. The Lynx played real basketball from the first whistle to the last, against some of the strongest competition in the conference. The game waged fast and furious throughout each quarter, and no member of either team let up for a minute. Those boys certainly did hustle, and as a result won a victory by a score of 18-15.

The referee, Mr. Boyd, from Conlen, called a good clean game, and he certainly knew his stuff. The sportsmanship displayed in his game was wonderful. Four of the boys fouled out during the course of the game, and the subs who took their places played some striking basketball. The boys are certainly to be congratulated upon this victory.

The Morse Mustangs will come to Spearman Friday, January 18, for the fourth conference game.

GIRLS LOSE FAST TO BORGER
Tuesday night, January 15, Borger came to Spearman for the third conference game of the season. The girls game began at 7:30 with Borger taking the lead. The Lynx had hard luck on their shots, and lost the ball to Borger consistently by "traveling."

At the half, the Borger girls still held the lead, but the Lynx really began to play ball when the whistle blew for the beginning of the last half. Barkley and Wilbanks guards, and Caldwell, forward, fouled out during the latter part of the game.

Though they played fast basketball, the girls could not quite overcome the lead gained by Borger in the first half. The final whistle blew with the score standing 20-23 in favor of Borger.

Mr. Carrall Boyd of Conlen, led this game and is to be commended on a good clean game. The girls on both sides showed excellent type of sportsmanship.

Friday night, January 18, the Morse Mustangs will come to Spearman for the fourth conference game. The price of admission is 10, 15 and 25c, and the me is called at 7:30.

SECOND AND THIRD GRADE
We have been working hard and it doesn't seem possible that a semester is practically over. We are proud to have won the T. A. attendance flag this month. We are glad our parents are taking part in such a worthy occasion.

Our room is decorated with w men now and we are working on health posters. Several of the pupils have been in the past week. We will be in school again.

Church of Christ
Program for the week beginning Sunday, January 20th. Bible School 10 a. m. Morning Bible Classes, 11 a. m. Evening Bible Classes, 7 p. m.

YOU ENJOY SINGING?
If you do you will want to meet your friends each fourth day of each month at 3 p. m. at the Church of Christ, January 20th. This is the date of the first of this kind. After we get into this work to such an extent it is planned to get special services for this work.

Everyone is invited to come have a part in these programs. The present time a revival is in progress at the Lone School house in the Lone community. Brother A. C. Iams, minister of the Church of Christ is doing the singing. He asks all who can to be and with them there next lay for an all day service. It will be spread "on the air" followed by singing and short sermon in the afternoon. We will enjoy meeting with these people of Lone Star.

The Church has much work to do this year. Watch this for some important announcements in the near future.

First Christian Church
A splendid crowd enjoyed the School and morning worship Lord's Day. We are making a goal not to fall below one hundred during the year; help us accomplish our aim.

ASSEMBLY NOTES

In assembly Monday morning in the Study Hall, Mr. Word recognized a number of our honor students. Ruben Deering is the Captain of the boys' basketball team. H. L. Wilbanks is the co-captain. So far the team has shown good work—keep it up!

Sam Patterson and W. C. Robertson were the captain and co-captain of the football squad this past season. Hershell Ooley and A. J. Curtis have been selected as captain and co-captain of the Lynx football squad for next season.

Alvino Caldwell ably captained the girls' basketball team last year. It is not often a junior is chosen for captain, but she filled that office very well. Elsie Reed is the captain of the girls' basketball team. She is the editor in chief of the Lynx news, president of the choral club and president elect of the music club. She was the pep squad leader during the football season just closed. Besides these activities she has made the A honor roll consistently. She certainly deserves credit for these accomplishments.

Lady Maurine Archer, winner of the Lions Club essay contest last year, won 2nd place in the Housing survey essay contest sponsored by the Amarillo News-Globe.

Paul Buchanan is the only Eagle Scout in Hansford county. Paul Coxie received an invitation to the inaugural ball held for Governor James V. Allred.

A much shorter assembly was held Wednesday morning. The chief topic under discussion was the basketball game between the two Lynx teams and the Borger teams. I am sure everyone is justly proud of the boys' victory over their opponents. Of course we are sorry the girls did not win, but better luck next time.

Mr. Word explained the schedule for the mid-term exams.

JUNIOR NEWS
We are wishing that this week was over but since it isn't we are going to do our very best on our semester examinations. We are hoping the exams won't be "too hard." We are all busy reviewing and this certainly has been a busy crowd of juniors.

We certainly were glad to welcome Mr. Finley back after a few days absence. We are happy to welcome to our class Willie Yates from Miami.

Have you noticed how happy the seniors are? Well its because they have gotten their class rings. This makes us juniors too, wish we were seniors.

Monday morning the student body had an assembly. From Mr. Word we learned there were some very notable students in the senior class. Next year we hope to keep up their good work.

Methodist Church
Sunday School 10 a. m. Morning services 11 a. m. Intermediate League 5:30 p. m. Senior-Young People 6:30 p. m. Evening Worship 7:30. Stewards meeting Monday night. Both W. M. S. meet Wednesday afternoon.

Prayer Meeting-Bible Study Wednesday night. Despite the fact that several of our most regular members at service were sick, and others away we had a splendid day with good attendance at all of the services. We had three fine persons who came into the church by certificate and baptism. We feel like these will be great assets to our church. We hope and believe we are not expecting too much when we expect new members every Sunday—this is one of our goals for this year.

We had one of the best services we have been in for a long time at Holt Sunday afternoon—big Sunday school and audience at preaching services. Holt community seemed to be more responsive and alert than we have ever seen before—the spirit of one of their most loyal and beloved citizens—the lamented M. M. Smith, whom we missed from our audience Sunday—seemed to be in our midst. We are invited to preach at Hitchland Sunday afternoon and have gladly accepted the invitation.

Member, friend and visitor, we wish to see you at all the services Sunday. Let's keep the good work going all thru the year. Every department is making a splendid start for the new year. We are pleased with our work and workers and everyone. Attend church Sunday and all the other services. A welcome awaits you.

BAPTIST CHURCH

"The angel of the Lord encampeth round about them that far him and delivereth them."—Psalms 34:7.

Two Nations of Angels: the good and the bad. The Bible tells us much about angels: mentions them about 248 times. These SUPERNATURAL BEINGS, are thoroughly organized. What is their ministry to you and to me?

SUNDAY NIGHT
We are expecting "out of the ordinary" to come to pass? Visitor? We are expecting—Worship with us. BLODGETT (SCHOOL HOUSE)—Preaching Sunday afternoon at 2:30. Had a fine service there last month. Let's have some good old fashioned singing and preaching this month—first month of the New Year.

HOME ECONOMICS II CLASS ENTERTAINS

Section B of the Home Economics class honored the members of the faculty with a party in the home Ec. room on Thursday evening, January 10.

At this party the order of school was reversed—the teachers being asked to come dressed as school children and the girls administering examination in the form of numerous contests. Miss Juanita Hall acted as teacher with Misses Carrie B. Nesbitt, Marva Smith and Adalyn Dougherty as assistants.

A short recess was given during which a relay game was enjoyed.

"Lunch" was served to the following children: Doc. Word, Wilma Pearson, Elmer Gunn, Louise Garrison, Lucille Maize, Johnny Morris, Bernard Reinertson, Bessie Tuttle and Erma Crittenden, after which school was dismissed for the ball game.

Besides the "teachers," others in the class whose work made the party possible were: Misses Lola Andrews, Joyce Hester, Florence Holton, Maybell Horn, Cleo Leverton, Catherine Lynn, Georgia Maize, Eida McClellan, Marcella Newcomb, Marie Parker, Helen Richardson, Lena Sheets, Roberta Towe and Julia Wilbanks.

HOME EC GIRLS TRY MANUAL TRAINING

About two weeks ago the Home Ec. IIA class began their unit in Home Nursing. Being almost entirely without equipment for this unit, we decided to "turn carpenters" and try to improve conditions for the classes for the future. The old gymnasium was our main source of supplies. As soon as we had transferred the desired material from the gymnasium to our laboratory we set diligently to work. After sawing, hammering, sandpapering and painting for a few days, we had completed the following articles: a screen, a draft shield, a small bed mattress, pillow, sheets and pillow case, some bed blocks, a bed tray, and a medicine chest equipped.

We expect to have these things on exhibit in a window of the New System Grocery the latter part of this week, and wish to thank Mr. and Mrs. Holton for allowing us display space in their store.

SECOND GRADE
We are very sorry we are having so many pupils absent on account of illness. We hope everyone will be well and able to be back in school right away.

We have two new pupils enrolled in our class last week. They are Betty Louise Boxford from Canadian and Lula May Ogden from Gruver.

COUNTY P. T. A. MET AT SPEARMAN

A very interesting meeting of the County Council of parents and teachers met in the auditorium Tuesday afternoon. Special entertainment under the supervision of Miss Louise Garrison was enjoyed by all. Mrs. W. B. LaMaster of Perryton gave the "Gleanings from State Convention" in a very interesting manner. Judge J. H. Broadhurst, who has just returned from the State meeting of county superintendents told us that music was discussed as one of the great needs in our schools and urged that extensive work of the P. T. A. reach the rural communities if possible. Miss Winifred Bonham gave an interesting and helpful talk on the care of the child and emphasized the fact that it is more important to prevent disease than to cure it. After reports from the local units were given a delicious plate lunch was served in the P. T. A. lunchroom.

SENIOR NOTES
The life of a Senior is anything but a bed of roses unless you are thinking of the thorns. This has been a hectic week—with all those political terms and their lengthy definitions and research for their usage barely laid by, here comes our mid-term examinations. The worst is not yet to come, but it has surely overtaken us.

The one bright spot this week is the arrival of our Senior class rings. We did want a Lynx on them instead of an Eagle; otherwise they are O. K.

A few Seniors were A. W. O. L. this week. We've had several six week's exams this week which brings to mind the famous slogan of Morton's Salt, "When it rains it pours."

We are glad for a winning boys team in the Borger game Tuesday night. Mr. Word waxed oratorical in assembly Monday and reviewed the great and near-great among us.

Perryton remains the center of attraction for a goodly number of Seniors. Wonder why? Probably just good road enthusiasts—no hum! With Wadsworth we say, "The world is too much for us."

Too serious a time for jokes, so let us have some more for those mid-term exams. We're fervently hoping that they will be the last mid-term for the Seniors for we are "headed for the last round-up," in May 1935.

Miss Esther Sorenson, district supervisor of the Home Economics, spent Friday, January 4, visiting the Home Ec. department of our school and remained in Spearman over the week-end going to Gruver early Mon. morning.

SPEARMAN MUSIC CLUB WITH MRS. W. E. MCCLELLAN
Spearman Music Club met Tuesday, January 15 at the home of Mrs. W. E. McClellan. Miss Lucille Maize, vice president, presided in the absence of the president, Mrs. Word. Several important items of business were discussed.

Mrs. O. G. Collins was program director and the following program was greatly enjoyed: Composers of American Opera—Mrs. H. P. Bailey. Stars of Modern Opera—Mrs. O. G. Collins. Vocal Selections—Mrs. R. E. Lee. Parliamentary Drill—Mrs. H. A. Nichols.

Members present were: Mesdames R. E. Lee, H. A. Nichols, H. P. Bailey, W. E. McClellan, A. F. Loftin, F. J. Daily, Bill Hutton, Fred J. Hoskins; Misses Verna Lawrence and Lucille Maize.

Mary Martha Circle
Mrs. Tom Johnson was hostess to the Mary-Martha Missionary society Wednesday afternoon. 11 members were present, and Mrs. Bill Whitson was added as a new member.

Mrs. Gene Richardson read the devotional from the 14th chapter of John and Mrs. Tom Johnson Johnson gave a story illustrating the importance of the scripture read. The Bible lesson was the book of Ruth, which was led and outlined by Mrs. Chas. Chambers. The society will meet next week with Mrs. Lloyd Campbell.

GRUVER TORUNAMENT HELD SATURDAY
The Gruver tournament for the second basketball teams, both of boys and girls, was held here Saturday, January 12, starting at 8:30 a. m. and finished at 5 p. m. Three schools were represented, which were Waka, Spearman and Gruver. In general Waka ranked first, Spearman second and Gruver third.

HOME NURSING CLASS ORGANIZED

The Junior and Senior Girls enrolled in the Home Nursing class Tuesday, which is to be taught in Spearman for three months. It is to be given from 1:45 until 2:30 three days a week until the latter part of April. The class is going to be taught by Miss Winifred Bonham. We plan to study health and home hygiene. We think this will be a very interesting and successful study.

SEVENTH GRADE
We have practiced on all the letters in the alphabet in penmanship and about ready for our mid-term examination. The members in our class who are entering in the artistic contest are: Dennis Kern, Nannie Grace Sheets, L. M. Womble, Doris Cook, Verlin Towe, Bruce Douglas, Norman Hall and Jeanne Tice. From these contestants we intend to pick a team to win for Spearman. We have entered in other contests besides arithmetic and intend to study hard in these other subjects and win.

We have finished our Geography notebooks and will hand them in Wednesday. Some of us have been sick or have had colds. We hope to be able to take all of the examinations.

AROUND THE SCIENTIFIC WORLD
1. I believe the state of Kansas will receive much benefit from the high wind which we are having in the Texas Panhandle today.

2. It is estimated that the Mississippi River dumps more than 400,000,000 tons of dirt into the Gulf of Mexico every year.

3. Radio waves are considered as having the same speed as light—approximately 186,271 miles a second.

4. It is estimated that 70,000,000 tons of soot drop on American cities every year. Besides staining linen and streets, it cuts off more than thirty percent of the sunshine.

5. Chemicals extracted from petroleum are so numerous the list fills a volume of 1,200 pages.

FIRST GRADE
We certainly are working since we came to school after the holidays. We have read this year three pre-primers, six primers, and now we are ready for our first readers. Most of us can write without our letter strips now and we are making some little Eskimo Booklets which we are very proud of.

We are so glad to have Miss Bonham, our school nurse, with us. She has begun the examination of the first grade.

We have several out on account of sickness, we hope will soon be back in school.

We have a new pupil, Jim Boykin. We are glad to have Jim in our class. We wish all of our parents would visit our room. They are welcome at any time.

Do You Know?
That Panama hats, contrary to popular belief, are not made in Panama. They are made in Ecuador and Colombia, but are known as Panama hats because they are brought to Panama and there traded.

GIRLIGAGS
"It might be a good idea," says soliloquizing Elizabeth, "if colleges tried teaching the boy more about tackling his studies!"

NOTICE FOR BIDS

State of Texas, Hansford County, Texas. Notice is hereby given that the Commissioners Court of Hansford County, Texas, will receive bids from any banking corporation, association, or individual banker in Hansford County, Texas, that may desire to be selected as the depository for the funds of Hansford County.

Any banking corporation, association or individual banker in such county desiring to bid, shall deliver to the County Judge, on or before the 11th day of February, 1935, a sealed proposal stating the rate of interest offered on the funds of the County for the term between the date of such bid and the next regular time for the selecting of a depository. Said bid shall be accompanied by a certified check for not less than one-half of one percent of the county revenue of the preceding year as a guarantee of the good faith on the part of the bidder, and that, if said bid is accepted, he will enter into the bond required by law.

J. H. BROADHURST, County Judge, Hansford County, Texas.

Mrs. Faye Stampor of Guymon was in Spearman Monday of this week, visiting and attending to business matters.

Designed in Sizes: 36, 38, 40, 42, 44, 46, 48, 50 and 52. Size 44 requires 5 1/4 yards of 39 inch material with 1/4 yard contrasting.

SLENDER RAYTIME FROCK
Pattern 8379—Women of larger build like a simple, dignified frock for general wear. They know that the conservative style is most becoming and inconspicuous and for that reason they choose a model like the one sketched.

The soft graceful revers and the vestee together with the simple turned back cuffs, give a nice contrasting color note and add gaiety to otherwise plain frock. The double-breasted closing of the waist is continued in effect by the panel in the skirt. The back of the skirt also has a panel and there are pleats in both front and back. There is nothing more slenderizing to a large figure than panels. Small tucks at back of neck give an easy fit.

A rough crepe silk, in dark tones either printed or plain will look well in this design.

HELLO SPEARMAN
Your Hazel Hurd Players At The Lyric Theatre SATURDAY NIGHT

Mother's Cook Book
VARIETY IN THE MENU

For a luncheon menu after preparing the salad of crisp lettuce, french dressing with a few sections of grapefruit or pineapple, sprinkle it with a handful of good nuts—peanuts, almonds, pecans or hickory nuts—any nut will be good and supply the protein which is needed for the well-balanced menu. With a slice of whole wheat bread and a glass of milk, this makes a good meal.

Creamed Finnan Haddie.
There should be one and one-half cupfuls of the fish, flake or break into small bits, after soaking in water. Remove all bone and skin. Make a white sauce as usual, add the fish and simmer for ten minutes. Halve crosswise large, fresh, green peppers and remove the seeds and veins. Scald with boiling water and drain well. Fill with the creamed fish, cover with buttered crumbs and place the peppers in gem pans to hold their shape. Bake ten minutes or until well heated and the crumbs are well browned. Salmon, tuna, or cooked fresh fish well seasoned may be used in place of the haddie. Garnish with rice, hard-cooked egg and chop the whites and use a border around the edge of the pepper for a more fancy and nutritious dish.

French Potato Soup.
Slice a large potato or two, an onion or two—one may vary the proportions depending on the number to be served. Slice the onions and put them to cook in two tablespoonfuls of butter. When a golden brown add them to the potatoes which are covered with boiling water, cook until soft. Season, add hot milk and serve.

Jelly Hint.
Use the fruit left in the bag when draining for jelly to make jam. If carefully looked over and the fruit is fresh, it will make most acceptable jams. By adding an orange, a few nuts, one will have a nice conserve.

Western Newspaper Union.

Fred McRee and son Rex, who have been to Hot Springs, New Mexico, returned home Saturday much improved in health.
