DON'T NAME IT

By HONEST BILL

Sandusky, Ohio.

Editor:—Recently in Gruver I saw two men near the lake on Buster Cator's farm. If you do not know me, this is ask coyote hunter for. When you get your shot don't forget the \$1.00 bill. Would suggest that you come to Ohio if you want geese.

Yours very truly,
Dick Hozaepfel.

The above post card from Sandusky, Ohio is more or less explanatory.

For the information of the writer I will explain that I have been with the flu since the season opened and have not had a chance to find out if them two goosies are out on Coyote Cator's duck but I will, I will, and if I shot he sure will get the bill.

Also Cecil Noel is due some of Uncle Sam's currency if I get a shot at a goose. Cecil sent in word the first day the season opened that he had the home address of a plenty of the elusive waterfowl. I have not had a chance to investigate, but you can rest assured Cecil that I sure will give you a play within the next two days.

Am paging Jimmie Davis, Fred Brandt, Gene Richardson, Pal Lyon, and of course, the Cat's Ankle to be ready to start with me Sunday morning for the big coyote drive, which will be staged from the Charlie Deaner farm 10 miles north of Spearman. The boys out to clean house and creek full of wolves. Bring your best dog and let's show them country boys how real hunters really bring in the coyote hide. I have borrowed Johnson's dog, Bob, as so much like a wolf I ask that you boys be ready to shoot him. But occasionally you might make a tidy little sum of money if you will talk with Tom. He wants that dog exterminated. My own dog, "Skippy," is rather small for a wolf hunt, but he has plenty of courage for a rat terrier (Eddy says calls him a house terror), but might as well take him along. Pal, I figure since your preacher will be at conference you can get away this Sunday.

Am issuing invitation to the wide world to attend the big Turkey shoot to be staged at the football grounds North of the tracks, Monday afternoon at 2:30 p. m. Last year I had to buy a turkey from Cat's Ankle, and it didn't set very well. I figure on getting revenge this year, and to get classified with the kind of marksmen that I can beat. Last year I made a perfect record of ten shots in a practice tilt with Fred Brandt, and had to shoot with Bob Thomb, Fred Brandt, Pal Lyon and some of the best marksmen in the county. No wonder I didn't win a turkey. It'll be different when I line up with Bill Burford Hoskins, Bill McClellan and Paul Wright.

Just read in the paper where a dog shot a man. The dog got a big headline, cause it was the unusual—you know that old story that if a dog bites a man, it's not news, but if the man bites a dog it is news.

Just thought of a few in new stories for the Reporter. For example—

If Uncle Bob Burran and Dr. Gower went duck hunting.

If Fred and Gene and Pal didn't go duck hunting.

If Lewis Bryan and Clay Giber and Preacher Nichols got in a poker game.

If and quit playing poker.

If Jack Hancock would sing a solo.

If Mr. Campbell do a clog dance and Preacher Loftin would umpire a baseball game honest, if the Boy Scouts could beat the Lions' baseball team, Rex Sanders and Max Lackey would stay behind the wire fence at a football game, Jess Womble would walk down to the post office without his pipe in his mouth, or our gas and electric bills would fall to the minimum during the next six months.

These are a few of the stories we will feature IF they happen.

Albert Baker, owner of the Baker Hotel in Spearman, left Tuesday with his daughter and husband, Mr. and Mrs. Adams, of Kansas City, Missouri, for a hunting trip in New Mexico.

Mr. and Mrs. Robert Wilbanks and son, Bobby, made a business trip to Amarillo on Tuesday of this week.

Mr. and Mrs. Marvin Lee and son have moved to Borger where Mr. Lee is employed.

BIGGEST GAME OF SEASON TO BE AT PERRYTON NOV. 11

All roads lead to Perryton on the afternoon of November 11th, when the entire citizenship of the city, headed by the Lynx and the Spearman student body, journey over to our neighbors to collect the fourth consecutive scalp of the Rangers.

Perryton, with quite a bit of edge, will be fighting to maintain the sectional championship of this section. Spearman, after having suffered defeat at the hands of Follett last Saturday will be fighting for a chance to come back and win the championship. However, the Saturday game will be only one step towards the championship. Should Spearman defeat Perryton it will throw this section into a three way tie for section honors, and according to the officials of the Spearman school, two games will be played to decide the championship. The officials of the three schools will flip a coin and one of the three will draw a bye, playing only one game.

Regardless of who is the lucky team, there is plenty of fighting to be done in the future for the honors of this section, provided Spearman is able to turn the trick by defeating the lusty Rangers on their home ground.

Local fans, who have overturned the dope bucket and rained it to the final dregs, are real encouraged. They cite the fact that many who saw the Perryton-Follett game were of the opinion that Spearman had the best team and that they lost only by the breaks of the game. All the records and Spearman fans who attended the game are emphatic in their declaration that Spearman out-played Follett.

Coach Gunn is working his boys unmercifully this week on a set of new plays, calculated to deceive the defense of Perryton, while he is drilling them equally as hard on an air-tight defense, calculated to stop the Rangers when they start galloping down the field Saturday. One local fan states he plans to send the record of these three teams to Believe it or Not. He thinks that a duplicate situation of three teams so well matched has not occurred in high school football, at least in Texas. As the record stands, Spearman tied Perryton in the pre-conference game. Perryton defeated Follett by one point, and Follett defeated Spearman by one point. Surely there are three well balanced teams that should put up some real scraps, if the Rangers do not spoil the plans and take off the honors at the Saturday game.

One thing that will be of interest to the home fans is the fact that, should the three way tie develop, and Spearman should have another chance at the sectional championship, then the game or games which the Lynx would have to play would be played on the home gridiron.

School officials and local fans are urging the casual football fan to attend the Saturday game and help win the contest. The Perryton contingent will have strong backing at the game and will play hard for a win, and just a little encouragement to the boys may spell the difference between victory and defeat.

Citizens headed by members of the Lions Club plan to banquet the boys Friday night and let them know they are behind them in their coming battle.

FOLLETT PANTHERS WIN FROM LYNX SATURDAY CONTEST

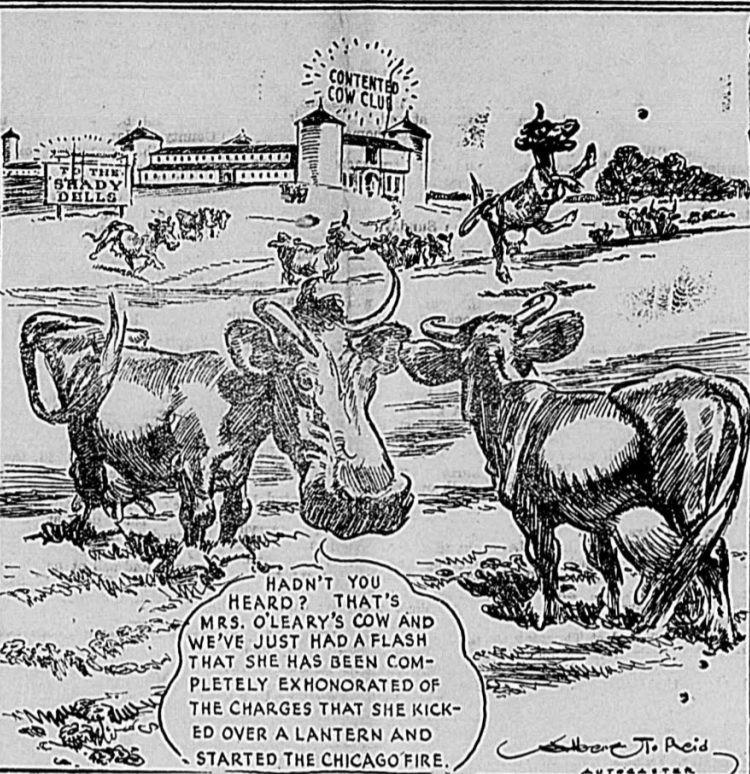

Carrying the Lynx JINX with them on their journey to Follett, the local team out-played and out-distanced the Follett Panther's but lost the last Saturday afternoon contest by one point when the Panther's made good on their extra counter for the touchdown, and Spearman failed to thrust the extra yardage for the extra decimal.

Playing in drizzling rain which hampered their aerial attack and which virtually took the game for the Lynx, the home team nevertheless fought valiantly for a victory, which the records indicate they really earned. The touchdown of the Panthers came when a pass was intercepted in a broken field and a 75 yard dash carried the pig skin to within four yards of the goal. Even then it took all four tries to stretch over the counting yardage.

In the last half of the game it was a different story all together. Spearman was the offensive team and the ball remained in the Follett territory most of the time. On seven different occasions the Lynx penetrated, and had the game been tied the decision probably would have gone to our boys on the basis of penetration.

LIONS CLUB ARMISTICE DAY PROGRAM IS BIG HIT

Sgt. Lion Cecil Foote was in charge of the noon day luncheon of the Lions Club Tuesday afternoon. The program was an armistice day program, and took on the semblance of an old army company. E. K. Snider blew the mess call for the assembly of the Lions and Brook Privates Bill Miller and Ollie Buehrst were detailed for kitchen police. They served the real old "slum-gulion", baked beans, gold fish, coffee with oat cream or sugar and cherry pie. Lions were forced to line-up as soldiers did in the past, and they received their entire dinner well scrambled on one large plate and liked it.

Each member of the club told where he was living and what he did on Nov. 11, 1918.

The club completed plans to sponsor a football banquet to be held at the American Legion Hall Friday night of this week. While the Lions will provide the program the banquet is open to the fans of Spearman interested in the Lynx team. Max Lackey and Cecil Foote are the ticket committee. If you have not secured a ticket, see one of these men.

Will Stage Turkey Shoot Here Monday Afternoon

Much interest is shown in the annual turkey shoots here from fans from Gruver, Morse Perryton and other towns.

The squad of five men are made up and each five times at the clay pigeons thrown by a trap and the one making the best record of the five wins a turkey.

THE WOLF IS AT THE DOOR BUT WHO'S AFRAID OF THE BIG BAD WOLF?

After next Sunday when a big wolf hunt will be staged on the Palo Duro creek North of Spearman, there shouldn't be a single wolf left at anybody's door.

Everyone is invited to participate in the big wolf hunt that will start at 9 a. m. from the home of C. E. Deaner.

Horses will be furnished men to ride up the valley and herd the wolves to the flats where they may be chased by automobile, motorcycle on foot, bicycle, or what have you. It promises to be very exciting as those living on the creek claim that the wolves are plentiful.

D. M. Jones, probably the best rifle marksman in the country with Monroe Buchanan were on the creek Monday of this week and killed three of the coyotes, then killed another Tuesday. Mr. Jones said that he had killed 97 coyotes in the past three years.

Special Warning

Those participating in the hunt are allowed to take shot guns with them but rifles, and the more high powered guns must not be used as their use would endanger the lives of those on the hunt.

Ellis Theatre Offers Good Shows Saturday

One of Richard Dix outstanding pictures comes to the Ellis Theatre next Friday and Saturday, which is "Ace of Aces." The story concerns Thorne, an idealistic sculptor, shamed into enlisting by his ultra patriotic fiancée, Nancy. He is afraid to kill, but after forcing down his first Boche plane blood-just grips him and he becomes a ruthless, almost un-sporting killer. With 42 planes to credit he is the ace of aces, loved by friends and foe alike.

RED CROSS ROLL CALL CHAIRMAN MAKES APPEAL

Practically every high governmental officer, every civil organization, labor leader, and church leader in America have sent out an appeal to our people to enroll as Red Cross members at Roll Call time November 11-30th.

With a more generally optimistic feeling among the people of West Texas than has been felt the past three years we are in shape to render through our Red Cross membership this year our Thanksgiving for this beginning of an improved condition.

Aside from that as West Texas citizens we owe this Great Mother of the World our support. Figures show that in the past 3 years the American National Red Cross expended in the State of Texas approximately \$900,000— for disaster relief work alone, and other thousands of dollars distributing cotton goods and flour to our needy, yet in the same period of time that roll call proportion that has gone from this state into the National Disaster fund has totaled but \$200,000—

In our Chapter territory alone \$2,000.00 worth of flour was given to 125 families; and \$900.00 worth of clothing was distributed to the needy and distressed. These were our neighbors. The American National Red Cross aided them. Now at this time we, as citizens, are offered the opportunity of enrolling as members to help the American Red Cross carry on. To insure that it will be able to meet the demands put on it when need arises, when calamities strike. You can play your part by becoming a Red Cross member in the Roll Call period Nov. 11-30th. The minimum membership is only \$1.00; out of that 50c goes into the National fund, the remainder stays locally; out of a two dollar membership \$1.50 remains locally; out of a \$5.00 membership \$4.50 remains locally.

In the past the Hansford County Chapter has conducted public health nursing and Home Hygiene Service on two occasions. In 1931 (the last service conducted) there was 1006 school children in Hansford County given a physical examination and instruction on health and hygiene by a trained Red Cross nurse at a cost of a little more than 30 cents each. In addition to this service a large number of pre-school age children had the advantage of this service and a Home Hygiene Class was conducted for the Mothers and older persons who cared to take the training. We need this service more to day than ever before. A liberal contribution from the citizens of Hansford County will enable the local chapter to again put on a two months Public Health Nursing and Home Hygiene Service.

The wonder is that the National Red Cross organization is able to make its 50 cents stretch so far. In the past fiscal year they responded to disaster calls on an average of one every three days. In 1921 when they were closing out the World War operations they had a staff of 4,000 paid people, in the past three years they have operated with a staff of slightly over 700 and these on reduced wages, yet at the same time that small staff aided by thousands of volunteers such as work in this chapter, carried on the great task of distribution of flour and cotton to Twenty-five million families; handled a hundred disasters; and carried on the Red Cross educational program of nursing, life saving and swimming; first aid and home hygiene classes, and assisted the disabled veterans. With the outline of services where do you think you could more profitably expend a dollar or more than a Red Cross membership. It is not only a duty but a high privilege to be a Red Cross member.

MAYOR ISSUES PLEA FOR ROLL CALL SUPPORT Mayor W. D. Cooke, one of the first residents of Spearman to enroll this year as a member of the American Red Cross, today issued a proclamation, in which he appealed to the local citizenship to support the national organization in the annual Roll Call which

man, I deem it my duty... lege to call public attention... the annual membership campaign of the American Red Cross which is to be conducted here between Armistice Day and Thanksgiving, November 11 to 30. "The Red Cross, universally recognized as 'the greatest mother', is solely dependent upon the individual backing. Lacking this proper support the organization would be unable to carry on its noble work during disasters among War Veterans, in the health field, first aid, life savers and its numerous other tasks and "Every local citizen can answer the Roll Call appeal... munities challenge—in confidence that every dollar contributed to this cause will be multiplied in usefulness."

International Sunday School Lesson

By DR. J. E. NUNN

General Topic:-

PAUL IN MACEDONIA

Scripture Lesson:-

Acts 16:9-15, 25-31.

9. And a vision appeared to Paul in the night; there was a man of Macedonia standing, beseeching him saying, Come over into Macedonia, and help us.

10. And when he had seen the vision, straightway we sought to go forth into Macedonia, concluding that God had called us to preach the gospel unto them.

11. Setting sail therefore from Troas, we made a straight course to Samathrace and the day following to Neapolis;

12. And from thence to Philippi, which is a city of Macedonia, the first of the district, a Roman colony; and we were in this city tarrying certain days.

13. And on the sabbath day we went forth without the gate by a river side, where we supposed there was a place of prayer; and we sat down, and spake unto the women that were come together.

14. And a certain woman named Lydia, a seller of purple, of the city of Thyatira, one that worshipped God, heard us; whose heart the Lord opened to give heed unto the things which were spoken by Paul.

15. And when she was baptized, and her household, she besought us, saying, if ye have judged me to be faithful to the Lord, come into my house, and abide there. And she constrained us.

25. But about midnight Paul and Silas were praying and singing hymns unto God, and the prisoners were listening to them;

26. And suddenly there was a great earthquake, so that the foundations of the prison-house were shaken; and immediately all the doors were opened; and every one's bands were loosened.

27. And the jailor, being roused out of sleep and seeing the prison doors open, drew his sword and was about to kill himself, supposing that the prisoners had escaped.

28. But Paul cried with a loud voice saying, do thyself no harm: for we are all here.

And he called for lights and came in, and trembling for fear, and bowing down before Paul and Silas, and they said, Believe on the Lord Jesus, and thou shalt be saved, thou and thy house.

GOLDEN TEXT:- Believe on the Lord Jesus, and thou shalt be saved.—Acts 16:31.

TIME:- Second missionary journey, A. D. 50 - 52.

PLACE:- Troas, Neapolis, Philippi, Thessalonica, Berea.

INTRODUCTION

After completing the first missionary journey, Paul and Barnabas went up to Jerusalem, where, as we have seen, the burning mission problem was solved as to submitting Gentiles to church membership.

Anxious to renew his labors in Asia Minor and beyond, Paul proposed to Barnabas, his companion on the first tour: "Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do." Barnabas agreed, but was bent on again taking with them his kinsman John Mark, of Jerusalem. To this plan Paul did not agree, since Mark had turned back from Perga when they were on the threshold of their work in Pamphylia, and Lycania. So sharp did their contention become over the matter that Paul and Barnabas was agreed to separate. As a result, instead of one company, there were now two—Barnabas attended by Mark sailing for Cyprus, and Paul attended by Silas proceeding through Syria and Cilicia. Thus the force was doubled, and the work of missions went on.

TIMOTHY, PAUL'S "SON IN FAITH"

A trophy of the former visit to Lystra was a young man by the name of Timothy, who was the son of a Greek father and a Jewish-Christian mother of exceptional piety. So well had Timothy after his conversion wrought in the spread of the gospel, that Paul now found him in high repute among the brethren of the Lystra and Iconium. Needing just such an assistant in his work, Paul wished Timothy to accompany him, which he gladly did, though to forestall possible complications that might arise in dealing with the Jews, Paul thought it wise to have Timothy submit to the Jewish rite of circumcision.

THE SECOND MISSIONARY JOURNEY

What is termed the Second Missionary Journey is covered by the Acts 15:36 to 18:22. Paul and Silas go by land through Asia Minor to Troas, to Philippi; Thessalonica; Athens, Corinth; and back via Ephesus and Caesarea to Antioch. They worked in many cities and towns of Phrygia-Galatia, establishing the churches afterward addressed in the Epistles to the Galatians. They had planned to "speak the word" in Asia. But the Holy Spirit said, No.

Bithyna, with its higher, more salubrious climate, next appeals to convalescent apostle; and they thither; but in some way or other the Spirit again stops them. So the Spirit compels them down to Troas.

Troas was an important city on the Hellespont, near the site of ancient Troy. Our missionaries had thus arrived at one of the most interesting places in story and history. It was one hundred miles across to the European, Macedonian shore.

THE "MAN OF MACEDONIA"

The appeal of the "man of Macedonia" has become the universal and stereotyped cry for the gospel. And the vision was momentous, for out of it resulted the Christianity and Christian civilization of which we partake. With verse 10 begins the "we" section of Acts. Throughout the remainder of the book, when Luke recounts incidents in which he had participated, he writes in the first person plural. Some have thought that he, one of Paul's converts, joined the band at Troas. Or that he was Paul's physician down in Galatia, and had continued with him in that capacity, as well as a coevangelist.

Philippi was named for Phillip of Macedonia (the father of Alexander the Great) by whom it was founded. "First of the district" probably means, first that we entered. A Roman colony was a city which a large number of Romans, immigrants, had taken up their residence. It was governed by officials appointed in Rome, independent of the governors of the province.

A PRAYER MEETING IN JAIL.

"But about midnight Paul and Silas were praying and singing hymns unto God." They could not sleep in such a situation, and wisely spent the time otherwise than in complaining or worrying. It seemed strange that Paul, so full of nerves, so buffeted and trampled on by the world which he longed to help, could be so happy. He did not talk in a plaintive or pathetic tone. He was a saint, living for God. He was so full of joy that even in jail in a foreign land, when he was too miserable to sleep, he could break into song.

A GREAT EARTHQUAKE

"And suddenly there was a great earthquake, so that the foundations of the prison-house were shaken." As the earth was shaken at Christ's crucifixion, and later when the apostles were praying (Acts 4:31), so here when Paul and Silas were praying. "And immediately all the doors were opened, and every one's bands were loosened." The prisoners chains were fastened to staples in the stone or brick wall, which would fall as the earthquake cracked the walls. A jailor was responsible with his life for the safekeeping of his prisoner, and this man preferred to kill himself rather than suffer the humiliation of a public execution. Suicide was not regarded as a sin in those days, and some of the otherwise noblest of the Romans took their own lives. It will be recalled that after their defeat in the great battle near this very city, Brutus killed himself and Cassius compelled his freedman to kill him.

THE JAILER CONVERTED

"What must I do to be saved?" This question of the jailer's is the most important question ever asked. It is a question that every one of us should ask of himself, for we are all sinners. The jailer took for granted that the open doors meant escape of all his prisoners; which, according to Roman law, would bring death penalty upon him. This he would evade by suicide. He will have been already somewhat familiar with the missionaries message. The earthquake, his fear, his surprise that the prisoners had not decamped, and Paul's assurance stir him to appeal to them. "what must I do to gain this salvation you offer? Right on the spot, regardless of the smart of their stripes, Paul and Silas tell him the full message of salvation. "And they said, Believe on the Lord Jesus, and thou shalt be saved, thou and thy house." Never was the gospel put more pointedly and completely. It was a shot that exactly hit the mark. It saved the man and gave a short answer to this great question of all time". (Snowden)

THE LYNX NEWS

Weekly News Of The Students By The Students.

PANTHERS OVER LYNX 7 TO 6 SCORE

They played their first game with Follett at Follett. A slow rain during the game and disagreeable day for as well as the fans. Only score came in the 1st when one of their intercepted a pass and brought down by Tom Vernie Black. On yard line before they tried, putting the ball for extra point was made the score after the first spirit checked up on line. A hard fight within 100 yards. Holt caught a downed near Follett time the Lynx to gain the extra made the score of Follett. They play their next with Perryton. The Lynx only the sectional game, which way tie. If this following games the Lynx field.

KITTENS BEAT INDIANS 12 TO 6

The Lynx Kittens proved their ability to play football when they trounced the Plemons Indians Friday afternoon, 12 to 6. The local defense showed up extra well, and only once did the Indians cross their goal line. This score was the result of Plemons' boy recovering a fumble and racing for a touchdown. By a series of drives the Kittens pushed over two touchdowns, falling both times to earn the extra point. We are hoping to see the Kittens in action again before the season ends.

SEVENTH NEWS

Most of us are proud the snow and cold weather have come. We all had a very nice time at our class party Friday night. We think Mrs. Kirk and the other ladies are very good to us. We are very sorry Mrs. Archer, our room mother, could not be present. We think we are improving in our grades. Anyhow we are trying to do better.

THIS WEEK IN WASHINGTON THIRD GRADE

Even those who were impatient with Congress last Spring for remaining so long in session after the President had handed them their hats and told them the party was over, are looking forward with satisfaction to the re-convening of Congress in January. It is possible that the President himself will welcome Congress back. Not that he wants to get anything in particular from the lawmakers that has not already been handed to him, but he is too shrewd a politician not to recognize that some of the new bureaus and men in charge of them are running wild, and that the whole recovery scheme now that has been pretty fully disclosed to the people at large needs the sort of searching public examination and criticism which only Congress can give it. And will Congress examine and criticize? Boy, howdy!

Primary Department FIRST GRADE

We have been in school two months. Some of us have finished our first Primer and have begun reading in our second one. Others are still reading in their first Primer. We had such a good time Halloween. We had our Joe Boy party and our room mothers gave us a treat which we enjoyed so much. There were seventeen mothers at our party. We wish they could all have been here. All the children in the Primary Department gave Mrs. Tuttle a fruit shower. They filled a bushel basket full of apples, oranges, bananas and peanuts. Mrs. Tuttle surely was surprised and wishes to thank all the children for their gifts.

SECOND GRADE

Every one in the second grade class is doing nicely in his work. We enrolled a new pupil in our class last week. It was Clifford McComas from Hitchland. We are very sorry that little Sada Ruth Hoskins has been ill the past three weeks. We hope she will be able to come to school soon. Last week our room mother, Mrs. Hardin and Mrs. Kiker, surprised the children with a very nice Halloween treat.

FIRST AND THIRD GRADES

We have only twenty-four pupils since Joyce Roberson moved. There have been very few absences this week. Mrs. Rosenbaum, our room mother, and Mrs. J. W. White visited us this week. We were very glad to have Mr. Word, our superintendent to visit us one morning. Our room helped surprise Mrs. Tuttle Tuesday, Halloween Day, with fruit. That was her birthday.

THIRD GRADE

Our room was delightfully surprised last Tuesday afternoon with a Halloween party given by our room mothers Mrs. Fred Lusk and Mrs. Burl Brookus. There were all kind of spooks and peculiar noises, but we all had a very nice time, and wish to thank our room mothers for the party. We are all working very hard now. We have begun studying the story of the Pilgrims. We are planning to make some posters to illustrate the story in a few days.

Sixth Grade

We are very sorry that Maxine Nabors, Marvin Lee Jr., and Opal Ging have left, as all of them were very good classmates. The students were all so thrilled over the rain that Miss Pearson was very exasperated over the way they recited, as they acted as if they knew nothing. We all hope that Charles Patton Archer improves, and is soon well and able to be with us again. We are all very sorry that we did not win in the football game Saturday, but are hoping we will next time.

Fifth A Grade

Last week we received three copies of the Weekly Reader. We enjoyed them very much. We are sorry to lose one of our classmates, Lola Mae Ging, who has moved to Winfield, Kansas. We are glad to have A. L. Jackson in school again. We hope no one else will be sick.

Fifth B Report

Our visitors this week were Mrs. and Miss Mackey and Mrs. Graves. We all enjoyed making posters for Halloween. Idoras Maize brought three pot plants for our room. We have been writing some interesting letters in Geography on the Great

PEP SQUAD

The pep squad are proud of the swing that the Lynx made in the last two games with Plemons and Follett. November 11th the Lynx meet the Rangers in a game which will be thrilling for the boys, the spectators and especially the Pep Squad, who will be on the sidelines at Perryton in full swing. We are expecting the boys to defeat the Rangers by a large score, and we want them to know we are backing them.

Choral Club

The Choral club is progressing very nicely, thanks to Mrs. Word. They are learning several patriotic songs for an Armistice Day program. They are also learning "Roses of Picardy" in which they are accompanied by Fern Gower on the piano. The Board of Education has purchased new books for the school and hope to enjoy assembly soon.

Sally: "How does that give you extra money?" Helen: "I have more time than Dick and have learned some surprising things about the cost of car operation. Dick thought all gas and oil sold at approximately the same price were of equal value. When the motor broke down, he considered it just hard luck and paid the repair bill." Sally: "Isn't it?" Helen: "No! It is poor motor protection. More than half the entire motor wear occurs during the few minutes of starting when the motor is cold. Thousands have Ended their Bowel Worries by taking this advice!

Can constipation actually be overcome? "Yes!" say medical men. "Yes!" say the many thousands who have followed their advice and know. You are not likely to cure your constipation with salts, pills, tablets, or any of the habit-forming cathartics. But you can correct this condition by gentle regulation with a suitable liquid laxative. Using force. An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help, as in the case of mineral drugs. Hospitals and doctors have always used liquid laxatives. The dose can be measured, and the action controlled. Pills and tablets containing drugs of violent action are hard on the bowels. If there are children in your household, don't give them any form of laxative, but use a healthful, helpful preparation like syrup pepsin. Its very taste will tell you it is wholesome, and agreeable to the stomach. Delightful taste, and delightful action; there is no discomfort at the time, or after. Ask your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.
