

County Rural Interscholastic School Meet Is Won By Hitchland School Students

DON'T NAME IT

By HONEST BILL

If there is any one thing that disgusts me more than the weather it is the talk on beer. You can't hear anything but beer, and even the radio announcers have begun wise cracking.

But if you want to hear something wet that is interesting listen in while I tell you about fishin' in Denton County. Some of my kin-folks was in Spearman over the week end and tell of catching 246 white perch in less than a day's time.

Folks you have read about the fish story from Denton County, and I'm asking you to believe it—but here are a few facts that I am vouching for. Believe it or not it rained over in Hutchinson county Tuesday night.

This is another believe it or not, and I absolutely would not write if it could not be verified—but the MAIN man at the Foxworth-Albraith Lumber Company will stand behind me on this statement of facts.

Now folks there is just one statement of a fact that I gona ask you to believe this week and I will go into minute detail in giving you this fact.

Don't even believe this myself but nevertheless, Henry Keith, lives five miles south of Spearman brought in an oblong mass of substance that he had found was a fragment of the meteor which passed over the angle country a few days ago.

CITY TAXES ARE REDUCED FORTY PER CENT FOR '33

D. W. Holland, City Manager, announces that the valuation on Real Estate property within the City of Spearman, will be reduced 35 to 40 per cent less than the 1932 valuations for City Taxes.

If the value placed on un-rendered property by the assessor is changed by the board of equalization, the owner, if known, will not be notified of the change in value, and is not entitled to a hearing before the board, as the property was not rendered by the owner.

Property owners are urged to render their property as soon as possible, so that it may be placed upon the rendered roll.

SEVENTY THREE STUDENTS ENTER LIONS CONTEST

Seventy three students of the Spearman high school have entered the Lions club essay contest being conducted under the supervision of a Lions committee headed by Lion Olie Broadhurst.

The four winning essays in the Spearman contest will be submitted to the district Lion organization to be judged for district honors, announcement of winners being made at the district Lions convention to be held at Amarillo April 17.

Mr. and Mrs. Homer Cluck, who live Southwest of Gruver, were shopping and attending to business matters in Spearman Monday.

What's the idea of teaching a boy to play golf before he's learned how to make a living?

motor oil and 3.2 beer, and when the substance dissolved and disintegrated we found a brand new baseball with the notation "From Al Simmons, Chi-Sox." The Amarillo News Globe is responsible for the statement that the Chicago White Sox arrived in Amarillo late Tuesday and worked out a few minutes just as the sand storm came from the northeast.

A SPIDER STORY

While Mark Twain was editor of a Missouri paper, a subscriber wrote to him saying that he had found a spider in his paper and asked Mark whether this was a sign of good or bad luck.

Old Subscriber: Finding a spider in your paper was neither good luck nor bad luck for you. The spider was merely looking over our paper to see which merchant is not advertising, so that he can go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward.

VOTE The Spearman Reporter's "Straw" Poll on a New State, West Texas. MARK OUT PARAGRAPH THAT YOU OPPOSE FOR: I am in favor of the creation of a new state of "West Texas" as tentatively outlined to include 54 Plains and Panhandle Counties. AGAINST: I am against the creation of the new State of "West Texas" as tentatively outlined to include 54 Plains and Panhandle Counties. I AM A BONAFIDE RESIDENT OF HANSFORD COUNTY. DO WEST TEXAS PEOPLE WANT A NEW STATE

Do the people of Hansford county want a new state? Are the people of Hansford county favorable to the creation of a new state, "West Texas" from fifty-four Panhandle and Plains counties?

The Spearman Reporter is trying to find out. A straw vote will be taken to determine the attitude of the people in this county. The ballot will be found at the bottom of this page. It is drawn up similar to a legal ballot, in that the voter will scratch that part of it to which he is not favorable, leaving that which he wishes to vote for.

The balloting will be made county-wide and as complete as possible. Anyone of voting age will be entitled to cast a vote. If you are a bonafide resident of this county or of any other county included in the fifty-four and have not taken part in a similar poll elsewhere you are not only entitled to but urged to cast a ballot in this matter.

Everyone is urged to vote early in order that the balloting may be completed as early as possible. There is a ballot at the bottom of this page. Mark it and mail it or send it to the Spearman Reporter office NOW! They can be mailed in an envelope (in the city) for 1c. Extra ballots will be distributed at various points in the county.

Persons taking part in the poll are requested to sign their names to the ballots in order to avoid duplications and make it accurate. The names will not be published. No ballots will be counted which are not signed.

This is but a straw vote and is in no way official. It is being taken simply for the purpose of ascertaining the sentiment of the people on this proposal which is creating no little interest all over the Panhandle.

1933 DOG TAX NOTICE

City Dog Tax are due and payable January 1 each year. All owners of dogs are required by law to pay tax and receive dog tag at City Hall not later than April 20.

Ten thousand fans can't be wrong, but George Gibson, manager of the Pittsburgh Pirates, big league baseball team proved this statement wrong.

Among the throng that defied the depression, the weather and the dictates of good judgment, some thirty five folk from Spearman spent anywhere from five to ten dollars to see the celebrated ball players in action, and the nearest they came to accomplishing their purpose was a half dozen rookies playing bridge at the hotel.

Several local men got quite a kick out of being approached by fans to get baseball bats and baseballs autographed. Burl Brockus, it is alleged finally began signing Hong's Wagners' name and Bill McClellan signed up as "Little Poison".

## International Sunday School Lesson

By DR. J. S. NUNN

General Topic: EASTER LESSON  
Scripture Lesson: 1 Cor. 15:1-8, 20-26.

1. Now I make known unto you, brethren, the gospel which I preached unto you, which also ye received, wherein also ye stand.

2. By which also ye are saved, if ye hold fast the word which I preached unto you, except ye believe in vain.

3. For I delivered unto you first of all that which also I received: that Christ died for our sins according to the scriptures.

4. And that he was buried; and that he hath been raised on the third day according to the scriptures;

5. And that he appeared to Cephas; then to the twelve;

6. Then he appeared to above five hundred brethren at once, of whom the greater part remained until now, but some are fallen asleep;

7. Then he appeared to James; then to all the apostles;

8. And last of all as the child untimely born, he appeared to me also.

20. But now hath Christ been raised from the dead, the first fruits of them that are asleep.

21. For since by men came death, by man came also the resurrection of the dead.

22. But each in his own order: Christ the first fruits; then they that are Christ's at his coming.

24. Then cometh the end, when he shall deliver up the kingdom to God, even the Father; when he is to abolish all rule and all authority and power.

25. For he must reign, till he hath put all his enemies under his feet.

26. The last enemy that shall be abolished is death.

GOLDEN TEXT:—Because I live, ye shall live also.—John 14:19.

### INTRODUCTION

"This is the strange, paradoxical thing about Easter, that it is a time when we stand by the grave without sadness, look death in the face without fear." "And why?" Paul answers the question, with appealing argument and luminous comparisons, in this fifteenth chapter of First Corinthians.

This chapter is one of the most precious portions of the bible. "In the gloom of the valley of the shadow of death its majestic, enheartening words never fail to ring in our ears: 'sown in corruption, raised in incorruption; sown in dishonor (weakness), raised in glory (power); sown a natural (anima) body, raised a spiritual body. . . We shall bear the image of the heavenly!'"

"Death has been swallowed up in victory."

"Thanks be to God, who giveth us the victory through our Lord Jesus Christ!"

A Summary of the Gospel  
The fifteenth chapter of First Corinthians has for us an especial value in that it contains little creed, or simple statement of the gospel as Paul preached it, as he had received it (ver. 3). A saving gospel, Paul insists. There are 4 items in the statement of Paul's:

1. The saving death of Christ.
2. The resurrection of Christ.
3. Our resurrection on account of his.
4. The confidence that Christ is a living Lord, manifesting himself to his followers.

"He Appeared to Cephas"  
"Cephas," the Aramic name of Peter meaning the same, "a stone." An incidental mention of this appearance of the risen Lord to Peter is given in Luke 24:34. It took place on the very day of the resurrection, our Lord being eager to assure the repentant apostle that he had forgiven his denial of him made during his trial. Paul writes from his catalogue the first appearance of all, most notable because it was made to a woman, to Mary Magdalene; and his next appearance, made to the other women who had visited his grave to complete the embalming of his body. "Then to the Twelve." Really to the eleven, for Judas had committed suicide; and not to all of these, but only to ten of them, for Thomas was absent. This appearance took place in the upper room on the evening of Easter day, and was the fifth, for it was preceded by an appearance to two disciples on the way to Emmaus, the risen Lord disclosing himself to them as he blessed their evening meal. A week later came a sixth appearance, again in the upper room, where all eleven of the apostles were present, and where Thomas was fully convinced of the reality of Christ's resurrection. John 20:26-29.

Christ Appeared to Five Hundred  
Then he appeared to above five hundred brethren at once. Our Lord appointed this rendezvous in Galilee, which was the chief scene of his ministry, where the greater part of his disciples would be found. Matt. 28:10, 16-20 shows how carefully Christ prepared this gathering. "Of who the greater part remain until now That is until about A. D. 56, when this Epistle was written, twenty six years after the resurrection Paul had met many of the brethren."

speaking of death, as in Mark 5:39; John 11:11-14. So we call our graveyards "cemetaries," which means "sleeping places."

To Paul Also, v. 8  
"He appeared to me also." This was the appearance to Paul on the road outside Damascus, as he was about to enter the city to arrest the Christians there and take them to Jerusalem, Act 9:3-6. This vision was accompanied by a great light which blinded Paul for a time, and left him with permanently impaired vision but opened the eyes of his soul, and transformed him from a bitter persecutor of the church to the greatest Christian missionary. This was five years after the other appearances, and still another, many years later, was that to John on the Isle of Patmos, Rev. 1:9-12.

Risen With Christ, v. 20-26  
After reciting this impressive list of witnesses of Christ's resurrection, Paul goes on to emphasize the vital importance of the truth of the resurrection in our Christian lives. "If there is no resurrection from death," Paul reminds his readers, "then Christ was not raised; and if he did not rise from the dead, our Christian preaching is in vain and your Christian faith is a hollow mockery. Not only that, but in that case we have perished; we shall see them no more. If our hope in Christ is only for this life, we are of all men most pitiable, our confidence to be exalted so high and then dashed to so low!"

"Christ The Firstfruits," v. 20-23  
"But now hath Christ been raised from the dead." There is no need bemoaning the consequence of the falseness of resurrection, for it is a fact, a proved fact, the best-proved fact in all history.

"But each in his own order," Christ's resurrection first, then the resurrection of believers at Christ's coming again, then Christ's presentation of a purified and perfected kingdom to his Father.

"Christ the firstfruits; then they that are Christ's, at his coming." The return of our Lord to this earth in glory, to gather up the long results of his labor, receiving his own to himself.

### MRS. A. H. WORD HONORS MOTHER

That old fashioned gab fests are not out of date was very positively proven by the group of ladies who visited with Mrs. A. H. Word to meet her mother, Mrs. Knight of Canyon, Wednesday, April 5. Amid the first words of getting acquainted all talked at once, in the usual way, but soon everyone settled down to peeing quits, embroidering and various kind of finger work, while they listened to—yes, tales of pioneering in West Texas.

Most everything was discussed in the usual way, with the grand climax being full descriptions of cyclones and tornadoes. Mrs. Word tactfully chose this moment to serve very dainty refreshments to the following group:

Mesdames, R. E. Meek, M. B. Wright, J. M. Lackey, P. A. Lyon, Bill Miller, the honoree, Mrs. Knight and the hostess.

On Thursday, Mrs. R. E. Meek entertained the same ladies in her home honoring Mrs. John Knight of Canyon.

### 3 RULES big help to BOWELS

What a joy to have the bowels move like clockwork, every day! It's easy, if you mind these simple rules of a famous old doctor:

1. Drink a big tumblerful of water before breakfast, and several times a day.
2. Get plenty of outdoor exercise without unduly fatiguing yourself.
3. Try for a bowel movement at exactly the same hour every day.

Everyone's bowels need help at times, but the thing to use is Dr. Caldwell's Syrup Pepsin. You'll get a thorough cleaning-out, and it won't leave your insides weak and watery. This family doctor's prescription is just fresh laxative herbs, pure pepsin, and other helpful ingredients that couldn't hurt a child. But how it wakes up those lazy bowels! How good you feel with your system rid of all that poisonous waste matter.

### CAT'S EYE

By Wm. A. Wilbanks

I want to thank Mrs. Morton for phoning in the information asked for last week about mushrooms. I have ordered some mushrooms and before long the "Cat's Eye" will be the most extensive mushroom grower in Hansford County.

EDITORS NOTE: Since the editor is setting these comments on the typewriter, he takes this occasion to inform the public that we have changed the assistant editor's name to (Major Hoople, Mushroom Cat's Eye Wilbanks.)

The Cat's Eye was misinformed by no other than Max Lackey, whom he considered his friend. Several weeks ago I asked Max for information as to who was the worst golfer in Hansford County and he confidentially told me that his brother-in-law, Jimmie Jackson, who recently moved here from Dallas, giving up fiddling and tuning pianos, was the worst and that I could beat him without trying. So I ups and challenged this Jimmie Jackson to a game through my column and publically invited everyone to attend the match last Sunday.

Well, here is what happened, promptly at 3 o'clock with my supporters, (editors note, meaning people interested in his success and not what holds up socks), I went to the links for the game. Already at the course was Mr. Jackson with two squads of supporters, one a razz squad, the other a pep squad. The razz squad gave me the works as I would start to shoot and the pep squad would lend Jackson their moral support when he was shooting.

At the end of the game the Cat's Eye was defeated by fifteen strokes, the score being 47 and 62. However, I had won in one respect. The Jackson supporters had realized what damage they had done by breaking down my moral and they all changed and began to root for me—alas to late to change the results of the game.

Instead of challenging the worst player in Hansford County I consider that I played the best player in the Panhandle.

For a man to shoot the Spearman course in a 47, after not playing for two years is nothing less than remarkable and I feel no hesitancy in stating that I believe there is no other golfer in the Panhandle of Texas who could do nearly so well. Since the game, one of my friends no other than Dwight Holland, the City Manager came in and said the following to me. "Arnold, I regret that you were defeated in your match with Mr. Jackson Sunday, and I wish I had put you before the match. I have seen two medals and one silver loving cup that Jimmie won for first place in the golf tourneys he entered in Dallas."

I have all the respect in the world for Mr. Jackson and he played a game that any father would have his son play. I can't say the same for Max Lackey, because it was his misinformation that caused me to challenge the best player in the Panhandle.

Mr. and Mrs. A. D. Reed were visiting in Spearman Tuesday.

### SPEED!

Time counts when you're in pain! Insist on genuine Bayer Aspirin, not only for its safety but for its speed.

The tablet that is stamped Bayer dissolves at once. It is many minutes faster than remedies that are offered in its stead.

If you saw Bayer Aspirin made, you would know why it has such uniform, dependable action. If you have ever timed it, you know that the tablet stamped Bayer dissolves 231 gets to work before a slower tablet has any effect.

Stick to genuine Bayer Aspirin. You know what you are taking. You know it is harmless; nothing is to depress the heart. You know you will get results. For headaches, colds, neuralgia, rheumatism, the safe and certain relief is always the tablet stamped—

"I have never found a medicine that 'peps' you up like Kruschen Salts and better still, leaves you 'pepped up.' I take it two or three times a week—not to reduce but merely to feel good and clean. My husband took it to reduce, he lost 16 pounds in 4 weeks." Mrs. E. A. Ferris, Washington, D. C. (December 29, 1932)

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

NEW STATE SPROUTS AND SAPLINGS

By L. F. Noe

Before us end less possibilities and around us boundless opportunities, yet we are deprived of that equality and right toward maintaining a shelter for our families and the necessities of life.

Let's be true to ourselves and whatever the obligations of the future, we can not be false to others. We stand confronted with an economic program crowded with more back-seat suggestions than Erishman Young ever suffered from, many of which within itself is nothing less than a deliberate slap in the face to the taxpayers of North West Texas.

And what are a few of these economic suggestions? To hi-jack, demoralize and drag off our only college of higher education available to the boys and girls of the North Panhandle, thereby removing all hope, opportunity and ambition from the lives of these boys and girls and destroying their life chance for success and a better life than their parents have had.

And when the West Texas State Teachers College to this part of Panhandle, and when we ask this college be permitted to continue on the same high standards it now maintains, we are asked for more than we can receive.

Client sum of \$1,080,000 in school fund tax, not considering the fairness of the proposition of the principal involved, the selfish motive behind this proposal speaks for itself when you take into consideration the number of tractors used for agricultural purposes in South and East Texas.

And how does the Hon. Mr. offer to lighten our overloaded burden? By increasing the Governors salary to \$12,000, Attorney General to \$10,000, Comptroller, Land Commissioner and Treasurer to \$6,000 each.

Notwithstanding the fact that our vote is not easy and our burden far from light, we raise our voice in protest against any such economic program. WHAT SAY YOU? A separate State for North West Texas.

From a political point of view the eyes of the Nation are already on Texas. THERE'S A REASON. Shall we as citizens of North West Texas bow our head further in shame while our present legislature, under the guise of a so-called economic program, takes from us that which the Constitution of this sovereign State says we shall have—Equal Right to ALL and special privilege to NONE?

smearing pages and rattle with the unsolved moratoriums before us, trusting that our amendments will inspire confidence, release business activity and balance the budget.

The first big diplomatic snag confronting us, is the locating and building of this New State boundary line fence, the specifications we now have brewing may fail to jell as per recipe, but Mrs. Ihrig says when a fellow does his best he always feels better whether he gets results or not.

We have decided to let Amarillo have the penitentiary, as that would save transportation on about three fourths of the traffic.

We will relieve you of most all the relief commissions, and what a relief that will be, not only the old pocket-book which has suffered some painful operations, but the mental strain of trying to figure out what the next commission would have us do.

We also intend to build only the exact number of feed-racks that will be required for the workers, no extra space to slide over and make room for friends and relatives, not even wives and mother-in-laws, however car platform will contain a few removable planks.

When you hear a lot of hammering and sawing the next few weeks, that will only be Lee McClellan and Bill Merritt preparing their platforms and feed racks for the coming jubilee, if the racket annoys you too much stuff cotton in your ears, that will help to ease up the surplus. Bill and Lee will tell you how to get rid of the surplus wheat, and you already know how to use up the surplus corn and rye, if you have doubts regarding the surplus barley step into Variety Smith's and get a pair of beer-colored glasses.

I am supporting McClellan and Barkley is backing Merritt. Miller has not as yet committed himself. He's slow of speech, don't talk much but a very deep thinker. He is either on the fence or is grooming a grey mule of his own.

Realizing acute importance of sound and practical advice just at these strenuous times, we, the Hon. William L. Barkley, Colonel Jake Miller and the writer, have unanimously voted ourselves a committee of three on efficiency and economy, the paramount issue, to guard over the prosperity and development of this budding new state.

Sealed bids will be received by the Board of Trustees of the Morse Independent School District, Hansford and Hutchinson counties, Texas, from the banking corporations to act as the depository for the funds of said district, for the term beginning May 1st, 1933, and ending April 30th, 1935.

1933 DOG TAX NOTICE City Dog Tax are due and payable January 1 each year. All owners of dogs are required by law to pay tax and receive dog tag at City Hall not later than April 30th.

very fine old scout but short on historical background. Says his older brothers kept the limbs chopped off the family tree, depriving him of the proper amount of shade in early life, however I like him—he's a great personality—takes orders from nobody—not because he is proud, but because there is no business. Still, he would insist on everybody riding a Ford, that would look bad, cause comment, and competitors to kick besides it would furnish a golden opportunity for a committee to pry the lid off the political pot.

We have decided to let Amarillo have the penitentiary, as that would save transportation on about three fourths of the traffic. And the state university will naturally go to Canyon as the seat is already established. Dumas and Dalhart will both get something, will Pampa, Panhandle, White Deer, Claude and Tulla, in fact, we intend to give them a something.

We have not decided yet where to locate the Capitol. That will depend to a great extent on the help we get in building this boundary line fence, but we can assure you of one thing, Hansford County will get the State poor-farm, which we consider will do the greatest good for the greatest number of people with but very little backscratching.

Since money has gone out of circulation, what's the use of a money plant? Mac made England so off the gold plank, Borah advises us to pile up the silver, D insist we grab the old tire pump and start inflating. C wants us to use up the old rubber boots, inner tubes and garden hose, but we have knocked all the financial knot-holes out of our platform and are going to let every man make his own standard of exchange.

This is the "moratorium" we have figured out to relieve the money situation, when you try it out if it fails to work we will substitute another plank. The committee is in conference on several other programs, but nothing further for the press at this time. Thanks!

LYNX JOURNEY TO PERRYTON TRACK MEET

The Lynx speedsters journeyed to Perryton Saturday and participated in the invitation track and field meet in that city.

The performance of Vernie Caldwell, Will Sparks and Joe Atherton was quite impressive. The three boys placed in a total of six events of the afternoon and took three first places, gathering a total of 22 points.

We are looking forward to Saturday when several of the schools will meet at Spearman for competition in all the track and field events. The meet will start at 2 p. m. This will be the final competition before the teams meet at Canyon to compete for district honors.

The sixth grade are all getting spring fever since it is so close to the end of school. They are very sorry to lose Ruth Odham from their happy circle.

Joe Atherton and Will Sparks won first place in some events at the Perryton track meet Saturday. We are sure they will do well at the Interscholastic meet at Canyon.

CHAPEL NOTES

Monday morning the first grade presented the entire school body with a program, representing the Dutch life. It was enjoyed by everyone, an awe hope they entertain us again in the near future.

The announcements were made Mr. Word introduced Mr. Bill McClellan, who awarded the prizes for the Lions Club Essay contest, Maurine Archer won first place in the girls' contest and Vera Beth McClellan won second.

The seniors have been very successful in their "pre-final" examinations and we are going to have a real graduating class.

The basketball girls received their sweaters Monday. The sweaters are just the thing for this country. We are proud of these girls.

Joe Atherton and Will Sparks won first place in some events at the Perryton track meet Saturday. We are sure they will do well at the Interscholastic meet at Canyon.

once's team won the baseball game (by the fair cheating of umpire). About seven o'clock the eats were served and the coffee was delicious. Billy Jarvis seems to be a real cook.

Everyone enjoyed an evening of real fun and everyone said it was the best picnic of the year.

SOPHOMORE REPORT

We are very proud of our Sophomores who won both first places in the Lions club contest. Lady Archer won first place for the girls and Vaughn Hill won first place for the boys.

The Sophomores are very glad to have Elsie Reed back as one of our classmates. The basketball girls received their sweaters this week and two of the Sophomores, Gerda Barkley and Alvino Caldwell got sweaters.

Austin Cotter and Arthur Jacobs have been absent the past week on account of injuries. Vernie Caldwell won second place in the mile run at the track meet at Perryton Saturday.

FRESHMEN NEWS

The Freshmen are glad that six-weeks examinations are over, and we are hoping this last six-week period of school will be a happy one.

We are planning to have a picnic soon, but we have not decided on the date yet.

All the freshmen are one hundred per cent behind Spearman High in the track meet Saturday. We hope our school wins the meet.

Nix! Too Much Light Over There For Our Business!

Plenty of light may not be an absolute guarantee against house-breaking, but it is one of the best kinds of protection you can have.

Burglars are more afraid of light than of law. They shun lighted homes because light indicates that folks are up and about. The chances of detection are too great to risk.

Turn on the porch lights and have plenty

of light inside when you go out at night or when you are at home alone with the children. And when you retire for the evening, leave a light burning where it can be seen from the street.

Such illumination will provide a real measure of protection and the cost is negligible. A small-wattage lamp can be burned all night for less than the cost of a stick of gum. Come in and let us tell you more about it.

This Floodlight Keeps Prowlers Away

The chances of loss by robbery are reduced to an absolute minimum when front and rear yards, alleyways and store interiors are brightly illuminated with floodlights like the one shown on the left. Installations can be made for as little as \$5.00 and the cost of operation is but a few cents per night.

## Easter

## INSPIRATION IN Word, Poem and Song

**EASTER** . . . a day on which we commemorate the resurrection of Christ, is one of the two most inspiring days in the life of man . . . The other day is Christmas, when we observe the anniversary of the birth of the Christ child.

Easter is always particularly inspiring because all nature seems to be in accord as life bursts forth in every form to teach again the omnipotence of Divine Love . . . So come to church Sunday . . . your favorite church. Be inspired by the words of truth you will hear in discourse, in poem and in song . . . Hear again, refresh memory and instill faith within your heart of your oneness with our creator . . . The power that rolled the stone away is eternal and is still effective today for the sons of God who rely upon Him.

Through the dark days of depression the churches of this city have stood forth as beacon lights for the discouraged and the weary. The churches have proved anew how essential they are in the lives of man . . . The churches of Spearman will feature special Easter programs this Sunday, April 16, and through the means of these printed words, cordially invite you to join them in their services. Resolve now to attend church Easter Sunday.
