FARMERS ARE TO BE GUESTS OF CITY IN BANQUET

Commissioners Court Expected to Reach a Decision On County Agent This Week

COMMISSIONERS COURT EXPECTED TO REACH A DECISION ON COUNTY AGENT THIS WEEK

The question of a county farm agent for Hansford County will be a main problem of the Commissioners Court, when they meet tomorrow in Spearman. The matter is being pending for some time and it is believed a decision will be reached at the meeting.

The need of a county farm agent to help farmers and aid in the agricultural development of the county is very necessary, many believe.

In different sections of the county claim they have been benefited by men in this vocation and say that the work done by them is far greater than the expense of employing one.

At the session Friday morning, Judge C. W. King will preside. Commissioners who will be present are J. G. B. C. H. Winder, C. C. Beck, and W. McRee.

A decision is reached favoring county agent, a capable man will be elected for the place in the next few weeks.

CAMERON MANAGES REPORTER

With this issue the management of The Spearman Reporter passes from Oran Kelly to J. Dave Cameron, who has been associated with the Childress Daily Index for several years as advertising manager. Mr. Kelly has been manager of The Reporter since it was purchased from him by the Nunn-Warren Publishing Co. June 1, 1928.

Mr. Cameron has been a resident of the Panhandle for many years, his old home being at Paducah. He is a native of Hill county, but he has grown to manhood in the Panhandle.

The new editor-manager is a former student of old Clarendon College, the University of Texas and the Cumberland University law school. He is a graduate of law and has a L. L. D. degree, but his work in Spearman will be devoted entirely to The Reporter.

Mr. Cameron is married and has two boys, four and six years old. He was a prominent member of the Childress Lions Club. The publishers feel sure that Mr. Cameron will fit into the business and social life of Spearman.

Nunn-Warren Publishing Co.
By David M. Warren.

SKETCH OF NEW COURTHOUSE

The above is an architect's sketch, showing how Hansford county's new courthouse will look when completed. The structure will be 46 feet, eight inches, by 75 feet and four inches, two stories and a basement, with 28 rooms. It is expected to be completed by August. Kreipke Construction company is doing the job with V. E. Edgecomb in charge. Work is already well under way. Completion is expected before time for the next session of district court.

CITY HEALTH OFFICER URGES THAT PREMISES BE KEPT SANITARY

With warm weather approaching and the danger that might be incurred due to carelessness in the disposal of garbage and rubbish, City Health Officer J. E. Gower has this warning to issue the people of Spearman:

"Last week was clean-up week for Spearman. You are urged to let every week be clean-up week throughout the summer season. The common house fly is a carrier of many infectious diseases. Keep your premises clean and see that all garbage and refuse is deposited in a container. The city garbage man will haul this away and return your container. Protect your health and other people's health. Let's keep our city clean."

EVENT EXPECTED TO DRAW MANY FARMERS OVER PLAINS AREA

Elaborate plans are being made by the Spearman Chamber of Commerce, according to its secretary, J. W. Ratekin, to entertain the largest group of stockmen and farmers that the city has ever before had the pleasure of having in their midst, at the semi-annual farmers banquet to be held in the high school gymnasium at Spearman, Friday evening, May 8.

Every farmer and stockman in the Spearman territory will receive an invitation to attend and everyone is urged to be present.

A wealth of entertainment will be the main feature of the program. Music and short interesting talks by well known speakers and performers is now being arranged by the program committee.

"We expect to have more than 300 stockmen and farmers in attendance," Mr. Ratekin said. "We are going to bend our efforts in making this the greatest event of its kind ever to be held in the city of Spearman. Our program will be so arranged that those who attend will find it both entertaining as well as beneficial."

Invitations for the banquet are expected to be mailed out within the next few days.

SPEARMAN CARRIES OFF MOST HONORS IN COUNTY MEET

Spearman high school carried off honors for a total of 30 first places in literary and athletic events, at the county interscholastic league meet, held in Spearman Friday and Saturday. Morse schools received 6 first places; Medlin 3, Doyle 1 and Gruver 1. More than 1,000 were in attendance. The meet was under the supervision of R. L. Snider, Supt. of Spearman schools.

In the literary events, Spearman qualified with 10 first places. Medlin received all of her honors in these events with a total of 3 firsts, while Morse received five first places and Doyle 1.

In the track and field events, which included all athletic contests, Spearman chalked up 20 first places, Morse 1 and Gruver 1.

The feature event of the afternoon in the track and field events was the pole vault. Cloyd (Tip) Windom easily won over all opponents by vaulting twelve feet and 1 inch. This height being the official state record for high schools at the present time. Another interesting event was the one hundred yard dash; Vernon Spearman dash star, leading his opponents by fifteen yards to finish in 10.1 seconds. Windom of Spearman also won the broad jump, jumping twenty one feet.

Windom was high point man of the track and field events with twenty one points, winning first in high jump, pole vault, broad jump, and second in 220 yard dash and the 880 yd. run.

Details of the entire event, with names of schools, winners and places, follows:

Senior Track and Field Events

120 Yd. High Hurdles—Walker, Spearman, first; Broadhurst, Spearman, second; Stavlo, Gruver, third.

100 Yd. Dash—Vernon Spearman, first; Madden, Morse, second; Wiley, Gruver, third. Time 10.1 seconds.

880 Yd. Run—Schubert, Spearman, first; Windom, Spearman, second; Mowery, Morse, third.

220 Yd. Low Hurdles—Vernon Spearman, first; Broadhurst, second; Reed, Spearman, third. Time 29 seconds.

440 Dash—Jacobs, Spearman, first; Broadhurst, Spearman, second; Stavlo, Gruver, third.

1 Mile Run—Witt, Spearman, first; Patterson, Spearman, second.

(Continued on Page Five)

NUNN-WARREN CO. WILL SPONSOR TRAIN TO CARLSBAD CAVERN

Less Than One-Way Fare For Round Trip To See One Of America's Wonders

An opportunity for people of Spearman and other cities of the Panhandle-Plains to see one of America's greatest wonders, Carlsbad Cavern, will be made possible by Nunn-Warren Publishing Company who are sponsoring a special train, where it will be possible to make the round trip for less than one-way fare, was announced Wednesday by D. M. Marren, general manager of the Nunn-Warren Publications, who is in charge of the project. The train will leave May 2 and return May 4.

Railroad fare from Borger to the cavern and return, will be only \$11.00, less than the regular one-way fare that amounts to \$12.35. The train will depart on Saturday night May 2 and return Monday morning, May 4, which makes it convenient for everyone who has not seen the cavern, or who wish to see it again. The train will get all passengers back for work Monday morning.

Pullman fare for the round trip will be standard—upper, \$7.20, lower \$9.00. Tourists—upper \$3.60, lower \$4.50. Two passengers can occupy one pullman, realizing a large saving.

Upon arriving in Carlsbad, the distance to the cavern is 28 miles. The regular charge to the cavern is \$3.00, but through the courtesy of the Carlsbad Chamber of Commerce, free transportation will be given. Children under 16, will be admitted to the cavern free and railroad fare for children will be one-half the special rate.

Those who might be interested in making the trip, or wish to arrange for the purchase of tickets, are asked to get in touch with the Reporter office at once.

Miss Florence Driskill of Dodsonville, Oklahoma, has accepted a position as clerk at the W. L. Russell store.

We Thank You

With this issue of the Reporter the writer will say good-bye to the friends and patrons of the paper. We are retiring from the job, leaving it in the hands of J. Dave Cameron, who came from the Childress Daily Index to take full charge as editor-manager. Mr. Cameron is a very competent newspaper man and the Reporter will grow bigger, better and more useful under his management.

We have guided the destinies of the paper for fourteen years, with the present issue, and they have been very happy years indeed. We have had many ups and downs, in the way of financial difficulties, sickness, fires, etc., but the actual work of building the Reporter has been pleasant throughout. We are saying good-bye only as editor-manager of the Reporter, as we shall continue to make Spearman our home. And above all, we want to thank our good friends everywhere for their friendship, their loyalty and their support during the past fourteen years. You have been all that a man could ask for in the way of friends, and come what may, our fourteen years as owner and editor-manager of the Reporter will forever be one of the bright spots in our life.

Mr. and Mrs. Cameron are deserving of your loyalty and support. The Reporter is in competent hands, and better prepared and equipped than ever before to render the town and community the service which is intended.

In the language of Little Tim: "God bless you everyone," and from the depths of our heart we thank you for kindnesses shown.

ORAN KELLY.

T. N. Hamilton of Spearman is in Gruver this week redecorating and painting the First State Bank building of that city.

John L. Hays went to Amarillo Monday to visit with his brother Elmer, who has been in bad health for several months. Elmer is slightly better at this time. His son, Joe Hays, arrived from Los Angeles last week to visit with his father and other relatives.

SPEARMAN LIONS CLUB WELCOME DELEGATES DISTRICT MEET HERE

Spearman Lions extended a warm welcome to visiting lions of the north plains district, who convened here in their regular quarterly gathering in the American Legion Hall Tuesday noon. R. M. Clogston, president of the Spearman Lions club, presided. Cities who had clubs represented at the meet were Dumas, Amarillo, Perryton and Spearman. Sam M. Braswell, district governor, who was scheduled to make the main address was detained in Clarendon because of important business matters.

R. C. Callaway, president of the Perryton Lions Club and chairman of Group 33, led the discussions, expressing belief that the district meets were very helpful, in that they afforded an opportunity for an interchange of ideas and works that Lions Clubs of other cities are accomplishing. Lion W. L. McDivitt of Perryton also spoke briefly of the Lions club work in that city.

A. E. Barkley expressed his views on Lionism, declaring that meetings of this kind should help all clubs represented. Decision of the next meeting place was postponed to a later date.

A very delightful musical program was rendered by Mrs. O. G. Collins, who gave two beautiful violin solos, accompanied by Halsey Hulbert at the piano. An interesting reading was given by P. A. Lyon Jr.

Max Lackey of the Spearman Club, extended a challenge through President Clogston to the Perryton club, for a game of volleyball ball to be played in the near future.

All Lions were urged by President Clogston to attend the Lions Club tournament to be held at the Legion Hall at 7:30 o'clock Thursday evening. Proceeds are to go for the purchasing of a sprinkling system to be used on the grounds of Spearman High School. The Chamber of Commerce has donated liberally to the plan as well as the city of Spearman. Everyone was invited to attend the tournament. Light refreshments will be served and members of the club will furnish sandwiches.

Another very interesting part of the program Tuesday was a talk made by J. Floyd Clouse, of the Federal Reserve Bank, Dallas, on economic conditions of the country.

R. H. Prewitt informs us that his mother, who has been seriously ill for several months at their home in Kansas City, is rapidly improving, and soon will be fully recovered.

Mrs. Jesse Riley and Mrs. Frank Drensen went to Shattuck last Sunday to visit with Mrs. A. F. Garner and her little daughter Caroline, who has been confined in the Newman hospital at Shattuck for several months, on account of the after effects of a severe attack of scarlet fever. Their many friends sincerely hope that little Miss Caroline will soon be restored to her usual good health.

Dalhart Man Says Stock In Good Shape

G. B. Coots of Dalhart, well known rancher of Hansford and other north plains counties, who was a visitor in the city of Spearman Monday said that all livestock on his ranches had wintered in fine shape.

"The range will be in good condition if we get some Spring rains to bring the grass along," Mr. Coots said. Mr. Coots has many friends in Spearman who always enjoy having him come to their city.

FARMERS FORUM TOLD NEED OF SOIL SURVEY FOR HANSFORD COUNTY

The need of a soil survey for Hansford county in order that farmers might be benefited in planting and raising crops in line with its adaptability, as well as to aid prospective purchasers of land in this county, was one of the interesting discussions brought before the meeting of the Farmers Open Forum by R. V. Converse, one of Hansford county's successful stock farmers, last Thursday evening when the organization held their regular semi-monthly meeting, in the American Legion hall of Spearman.

Mrs. Susan McGreevy, who, with her husband, Dr. McGreevy, owns considerable lands in Hansford county, made a very splendid talk on the present day problems of India and Russia and their relationship to the present depressed conditions of America. Mr. and Mrs. McGreevy have just returned from California, where they spent the winter.

An address by Mr. Finnigan, representative of the American Farm Bureau Federation, on the purpose and benefits of the Bureau, was well received as were addresses delivered by Messrs. Smith and Bock, representatives of the wheat growers association. These talks by visiting representatives of various farm organizations are instructive and very much appreciated. Through a cordial exchange of viewpoints between those interested in farm organizations this Forum should develop a plan representative of the majority of farmers residing within this Spearman territory.

The committee on plans of a permanent organization will be ready to make its report at the next meeting, to convene at the Legion Hall Thursday evening, April 23rd, at 8 p. m. All those interested in dollar wheat or cost of production plus a reasonable profit on the farmer's investment are cordially invited to be present and enroll as members of the organization.

GRADING OF STREETS COMPLETED IN CITY RESIDENCE SECTION

With all the streets of the residential section of Spearman widened and graded and with the proper drainage, much favorable comment is being received by city manager R. C. Sampson for the splendid piece of work that has just been completed and the great improvement as well as convenience that is added to the property of every home owner.

The work, begun last week, has taken five days for completion. Draining of the streets will be done regularly in order to keep them in good shape, Mr. Sampson said.

New water mains that are being laid in the city has some few streets blocked. Work on this project will continue for some weeks to come. New and larger mains are replacing old ones that did not have sufficient capacity to accommodate the rapidly growing residential section in the south part of the city.

Local men are being used along with improvement of streets, city mains and all other work done by the city of Spearman.

Waka P. T. A. Presents Play Next Monday

A three-act comedy, "The Wild Oats Boy," sponsored by the Waka Parent-Teacher association, will be presented at Blodgett school next Monday night, April 20, at 8:15 p. m. special invitation is extended everyone to attend the play.

A riot of fun is in store for those who are present, comes the word from Mrs. Ewing Williams, who is helping with the play. The cast follows:

Wild Oats Boy, Harry Miller; Aunt Anne, Miss Ruby Keith; Judy, Eddie's sweetheart, Mrs. John Williams; Uncle George, V. E. Steed; Chuck, ex-prize fighter, Ewing Williams; Prue, country cousin, Mrs. V. E. Steed; Pat, Judy's friend, Mrs. Harry Miller; Eve, a friend more or less, Mrs. Ewing Williams; Jake, villain, John Williams; Mose, uncle George's servant, Vernon Buckley; Della, maid, Mrs. J. R. Stump; Danny, maid-maybe, J. R. Stump; Trouty, Prue's son, Jesse Wilson.

Mrs. H. B. Towe Improving

Friends of the family will be glad to learn that Mrs. H. B. Towe, who underwent a serious operation at the Newman hospital in Shattuck on Thursday of last week, is improving nicely. Mrs. Towe was taken to the hospital two weeks ago for an examination. It is thought that Mrs. Towe will be sufficiently recovered to be brought to their home here by the latter part of this week.

Johnson Switch Is First Stop West

The first stop west on the Spearman-Dumas extension of the Santa Fe will be known as Johnson switch. Stockpens and a section house are being built there now by the railway. This switch is located near the F. R. L. Jones home nine miles southwest of Spearman.

Wheat Over Entire County Helped By Light Rains Wednesday Night

Light rains fell over Hansford county and adjacent counties Wednesday night, greatly benefiting wheat and grass ranges. Thursday experienced cooler weather with overcast skies and indications of continued rainfall.

Texhoma reported more than one inch of rainfall and it was still raining at 9 o'clock Thursday morning. Guyman had light showers during the night. Perryton, Gruver and Morse reported light showers.

No rainfall was reported further than Stinnett, as only a very light shower fell in that vicinity. Information of rainfall over the area was given through the courtesy of the Western Telephone Corporation of Spearman.

Spearman Resident Is Buried In Holt

George W. Sanders, 65, native of Tennessee, died at the family home in Northeast Spearman, Monday. Funeral services were conducted Tuesday by Bro. Richards, Interment was made in Holt cemetery by Wilson funeral home. Deceased had lived here about one year. He is survived by many relatives in this section of the North Plains.

W. L. Wryan and B. J. Phelps attended to business matters in Amarillo Tuesday.

Miss Clarice Kreiger and Miss Willie Brooks of Gruver were shopping in Spearman Tuesday.

Five Girls Narrowly Escape When Automobile Overturns

Being the little worse off for their experiences other than a few scratches and a considerable soaking up, five girl members of the Methodist Epworth League, who with a party of twenty-five were on their way to an outing Wednesday evening, narrowly escaped serious injuries when the car in which they were riding, overturned as it hit a bed of loose gravel, near old Hansford, six miles from Spearman.

Evelyn Mathews was driving the car, with her were Lola White, Ometa Buckner, Geneva Lyon and Gynolyn Gunn. As the car rounded a curve, it hit a bed of loose gravel and Miss Mathews lost control of it. The machine overturned and rolled over on its top. All the girls were able to extricate themselves without difficulty. The car was considerably damaged.

When you go to a city that is new to you and everyone you meet is a stranger, the thing that impresses you most is the cordial and friendly welcome that her citizenship accords you. Spearman is a friendly city. Her citizenship radiates of friendliness.

The writer has just been in your city and county a few days. He was greeted wholeheartedly and welcomed to become a citizen of Spearman. And in becoming a citizen of Spearman he pledges his utmost in rendering a service to best of his ability in the upbuilding and progress of this city and this great section of the North Plains.

The Spearman Chamber of Commerce has just such a friendly welcome as this to offer a new citizen:

Mr. J. Dave Cameron,
Spearman Reporter,
Spearman, Texas.

Dear Mr. Cameron:
GREETINGS—We are advised that you have assumed management of the Spearman Reporter and will edit this publication from now on, which we are pleased to learn.

The Spearman Chamber of Commerce extends to you a most cordial welcome to our city. We want you to feel a home and that you are one of us and we are sure the longer you have lived here the more you will be pleased in locating in Spearman and this wonderful section of the North Plains.

If there is any special information you desire any time, or if the Spearman Chamber of Commerce can serve your good interest in any way, it will be glad to do so.

Again assuring you that this organization is pleased to number you among one of our many citizens, we are, with every good wish,

Cordially and sincerely,
SPEARMAN CHAMBER OF COMMERCE,
J. W. Ratekin, Secretary.

The spacious grounds and elegant buildings of Spearman public schools are a credit to any city. Educational facilities are one of the greatest assets to a community. Being interested in the schools and working with the boys and girls is the duty of every citizen.

Spearman High School is to be commended for their victory Friday and Saturday in the Interscholastic League meet held in this city. However, much credit and encouraging words are due all other schools of the county who made wonderful showings in every event.

"A good wheat crop if we get a few showers during the next 30 days". That seems to be the consensus of opinion among wheat growers of Hansford County. At the present time wheat is looking good and with a few warm days, will be growing along splendidly. It looks like their is going to be a good wheat crop made and with added railroad facilities for transportation, that will in all likelihood be ready by the time the wheat crop begins to move, farmers will be greatly benefited in marketing the 1921 crop.

Excavation work on Hansford County's new courthouse is expected to start this week. That will mean employment for more men until the building is finally completed. A building of the type that is being constructed, modern in every way and to cost a little more than \$41,000.00 is needed by every citizen in Hansford county. Building and city development will continue. Spearman is growing and will continue to grow. Great resources of this county, yet undeveloped, offer unlimited possibilities in future progress.

Citizens of Spearman might safely refer to their city as being "On Top of Texas." Although the elevation is only 3600 feet above sea level and a few other cities in Texas might boast of a higher altitude, the geographical position of Spearman would win for her that title. The top row of counties in the northern most portion of Texas, called the North Plains is made up of five counties, Dallam, Sherman, Hansford, Ochiltree and Lipscomb. Hansford is bordered on the east by two of these counties and on the west by the other two, is rightfully—figuratively or otherwise sitting "On Top of Texas." The spirit and optimism of the citizens of Spearman and Hansford county, make you feel that they are "Sitting On Top of the World," and are still going higher so far as progress is concerned. And it is just such a spirit that builds cities. Spearman is growing. Spearman will continue to grow.

SPEARMAN

DESCRIBING AN IDEAL CANDIDATE

Some politicians with their eyes fixed intently on local conditions have been insisting that prohibition is not a "political" issue. Senator Morrison of North Carolina is the most voluble representative of this school of thought. The hope of one group of these philosophers is that their party will take no attitude in the national convention which, however it might contribute to a Presidential victory, would imperil the result in their own State. The interest of another group of "hushers" is in saving their own faces and their own jobs.

No such selfish or illogical argument is discernible in a recent discussion of the subject by The Texas Weekly, published at Dallas. The editor does not deny that prohibition is a political question. But he urges that it be not made a "party" question. He does not think it is a proper subject for comment in national conventions, since both parties there are realists, revisionists, middle-of-the-roads and out-right Drys. There were many Wets in the last Congress, and the editor admits that there will be more in this one. He believes that each candidate for Congress, since from Congress must come any remedial action as to prohibition, should take a position on the subject and let his constituents decide. If by that method a Wet Congress should

submit to the State either the Raskob "revision plan" or any other, this Texas editor is entirely willing. But since the President has no vote in Congress, and the parties are internally divided on prohibition, he would muzzle both national conventions.

Of all the Southern political literature which has followed Chairman Raskob's recommendation to the Democratic National Committee, The Texas Weekly's is in the best temper. The only trouble is that its position cannot be maintained. The revolt against prohibition has reached a point where parties as well as candidates must take a stand. There are enough Democrats to control many large delegations in the next convention who will demand a remedy. When an issue becomes national, whether it divides a party or not, it must be met. This was true of the currency question and the slavery question, neither of them "party questions" in their essence. It has been true of other issues. They became irrepensible.

The Texas Weekly proposes an ideal candidate who can unite the party by keeping mum on prohibition and leading Senator Shepard of Texas in the same silken bands with Senator Lewis of Illinois. The existence of many Owen D. Youngs for President Clubs in Texas suggests that this statesman is in the Weekly's mind. But Mr. Young's public career demonstrates that when a question had to be met, as pro-

hibition must be met, he has not looked for a cyclone cellar. Meanwhile, The Texas Weekly, with its recipe for Democratic success at home, might cast its eye on a statement just issued by the Republican State Chairman, Mr. Nolte. He favors a Wet delegation to the Republican National Convention and a repeal plank. The political doctors seem to disagree about Texas. The chances are that the next two party platforms will give an opportunity to discover which diagnosis is correct.—From the New York Times.

GETTING CLOSE TO NATURE

While there are several varieties of grasses suitable for lawn making in this country, perhaps the most satisfactory mixture is composed of 17 parts of Kentucky bluegrass, 4 parts of re-cleaned redtop, 3 parts of perennial rye-grass and 1 part of white clover. The mixture should be sown at the rate of not less than 4 or 5 pounds to a thousand square feet.

Say, big boy, if you know so much, what is psychiatry?

More Profit Per Acre of Grain with the McCORMICK-DEERING No. 8 HARVESTER-THRESHER

OWNERS of the McCormick-Deering No. 8 Harvester-Thresher say they save money in so many ways that the outfit pays for itself in a short time through increased profits. Grain is cut and threshed without waste. It may be marketed early if necessary, to get the benefit of high prices. Some owners obtain premium prices for the high-grade grain.

Exclusive features of the McCormick-Deering include: nearly complete separation at the cylinder due to its high mounting, a 4-section straw rack, double screen shoe to complete the separation, a special weed screen to remove weed seeds from the grain, ball-bearing mounting for the cylinder.

We invite you to investigate the McCormick-Deering and see these and other money-saving features.

Beautiful Lawn Movement Weeps Over Spearman

trip around Spearman re- the onslaught of a beautiful movement. More lawns are sown in grass and more are being planted than ever in the history of Spearman. The people of a yard have now been confined to its rendezvous for the neighborhood children and a place on to locate the buildings. Spearmanites have been used to the great possibility of beauty about them and to say it is to have a beautiful lawn.

Miss Beatrice Becker Defends Ochiltree In Tennis Singles April 24

Miss Beatrice Becker of Waka, Texas took first place in tennis singles at the Ochiltree County Track Meet held in Perryton, Friday, April 10 by defeating Miss Vivian Fletcher of Perryton. Miss Becker will defend Ochiltree County in tennis singles at the district meet which will be held April 24, 1931. It will be remembered that Miss Becker took third place at Canyon last year at the district meet.

THINK THIS OVER

You are as young as you possess the spring and elasticity of body and mind which makes it possible for you to adapt yourself to changing conditions. Intellectually, you are youthful as long as you are able to keep pace with your times. Old age comes on when you lapse into the solid mold of days that have passed.

Honest advertising is the quiet, unobtrusive messenger that speeds the dynamo of human desires and prompts the individual to greater effort in meeting his wants.—Sam R. McKelvie.

RURAL CARRIER DELIVERS MAIL BY AIRPLANE

Carrier John Noonan on route No. 5 out of Guymon postoffice accomplished a feat of rural air mail delivery Wednesday and Thursday, April 1 and 2, that is worthy of special note. In fact, Mr. Noonan's rural air mail delivery "stunt" probably has no equal in the United States.

On Thursday Mr. Noonan covered the entire route by air, making 20 or more landings in fields, waiting until the boxholders came to him or making deliveries on foot as he did on Wednesday afternoon. Route No. 5 has 115 boxholders and all of them but three were served by rural air mail on Thursday.—Guymon Herald.

Not Worthy of Emulation

Freely admitting that it is not our business, and that the people of the state of Nevada are entitled to what they want, we note with regret that the legislature of that commonwealth has legalized gambling. It seems to us that in this year 1931 most of the civilized people of the United States have realized that gambling should not be encouraged and that, taken altogether, it is a vice.

Sweet dews and gentle winds and peace When day is done; So may it be through summer days And golden hours thereof A symbol by the roads of men Of joy and love! —Arthur W. Peach in Commonwealth.

COUNTY TO RETIRE FROM ISSUING OF MARRIAGE LICENSES

Parmer county announces its retirement from the marriage license business, according to Gordon McCuan, county clerk, who says that the retirement is involuntary. Hereafter the county will sell no marriage licenses, or other shooting licenses, but people who wish to go through the three-day ritual will be given something just as good as a marriage license, if not better. It appears that the only thing that Parmer county can do to improve the marriage license business is to sell a divorce with every marriage certificate.

It will of course, be understood that if anyone insists, the clerk's office will dig up some sort of a marriage license, although the clerk insists that the turnover on the article is not sufficient to justify keeping it in stock.—State Line Tribune, Farwell.

Although fraternal greetings may be exchanged across the top, the wall of social differences persists in staying put. There are those who think themselves above the rest of us. In a certain sense there may have been a time when they were—but not since they began to indulge in that thought.

Don't worry; whatever it is, it won't be so bad in another hundred years.

U. S. TROUBLES

The richest country in the world is having trouble with its finances—and serious trouble. The budget bureau announces that the determination of its budget policy for the fiscal year beginning July 1, 1932, has been deferred. Appropriations must be made for this year in the next Congress. The reason is that officials have been unable to determine the shrinkage in the income tax payable this year, and are faced with a deficit for the current year of \$700,000,000. How the government will pay this and arrange its future operations, nobody seems to know.

Already there is agitation for an increase in tax rates with the Progressive group demanding that it be applied to the surtaxes.

The cheapest kind of oratory is encompassed in calling the names of several persons in your audience, in familiar, old friend manner. Talk about sissies!

Harvey S. Firestone has invested \$25,000,000.00 with his TIRE DEALERS. Establishing a great economical distributing and standardized service system. This, combined with his unusual manufacturing efficiencies, gives us you the outstanding tire values of history, and places us in a position to SAVE YOU MONEY AND SERVE YOU BETTER "Most Miles per Dollar"

COMPARE CONSTRUCTION and QUALITY. Table with 3 columns: 4.50-21 TIRE, Our Tire, Special Brand Mail Order Tire. Rows include Rubber Vol., Weight, Width, Thickness, and Price.

COMPARE THESE PRICES. Table with 4 columns: MAKE OF CAR, TIRE SIZE, Our Cash Price, Special Brand Mail Order Tire. Rows include Ford, Chevrolet, Whippet, Erskine, Plymouth, Chrysler, Dodge, DeSoto, Packard, Pontiac, Buick, Willys-Knight, Essex, Nash, Marquette, Oldsmobile, Buick, Auburn, Packard, General, Marmon, Oakland, Peerless, Studebaker, Chrysler, Viking, Franklin, Hudson, Hupmobile, LaSalle, Packard, Pierce-Arrow, Stutz, Cadillac, Lincoln.

COMPARE! Here are the Cold Facts why Firestone gives you Greater Values and Better Service at Lowest Prices! Firestone Way vs Mail Order House Way. They do have... Organization, Rubber, Cotton, Factory, Warehouses, Car Owners. They do NOT have... special or undivided interest in developing and making Firestone tires, a rubber preparation plant or warehouse, a bonded cotton warehouse, a tire factory, their own warehouses to supply their retail department stores, retail department stores and millions of expensive mail order catalogs.

Table with 4 columns: MAKE OF CAR, TIRE SIZE, Our Cash Price, Special Brand Mail Order Tire. Rows include Ford, Chevrolet, Whippet, Erskine, Plymouth, Chrysler, Dodge, DeSoto, Packard, Pontiac, Buick, Willys-Knight, Essex, Nash, Marquette, Oldsmobile, Buick, Auburn, Packard, General, Marmon, Oakland, Peerless, Studebaker, Chrysler, Viking, Franklin, Hudson, Hupmobile, LaSalle, Packard, Pierce-Arrow, Stutz, Cadillac, Lincoln.

All we ask is one thing—Come in and Compare. "Special Brand" Tire is made by a manufacturer for distributors such as mail order houses, car companies and others, under a name that does not identify the tire manufacturer to the public, usually because he builds his "first line" tires under his own name. Firestone puts his name on every tire he makes. Double Guarantee—Every tire manufactured by Firestone bears the name "FIRESTONE" and carries Firestone's unlimited guarantee and ours. You are doubly protected.

Like Coffee... the best Gasoline is Blended. THE sun beams cheerfully through an eastern window. The subtle fragrance of the morning coffee adds zest to the morning air, advance notice of the joy to come as you give the "cup test" to the coffee blend of your choice. Coffee roasting is important, of course, and the most skillful roaster cannot make a popular coffee from just one type of coffee bean. The coffee connoisseur would not deign to drink coffee made from a single type of bean. Neither should the thoughtful motorist allow an unblended gasoline to go into his fuel tank. Gasoline must be blended if it is to possess all the vital properties contained in the three types of gasoline. CONOCO Gasoline is blended, just as carefully as the finest coffee. In CONOCO blended gasoline you'll find: Natural Gasoline, for quick starting; Straight-run Gasoline, for power and long mileage; Cracked Gasoline, for its anti-knock qualities. Motorists are fast learning that this is so. The result is a fast increasing group of gasoline connoisseurs who have added to their knowledge of the good things of life the fact that good gasoline must be blended. The CONOCO Red Triangle marks the spots where CONOCO Balanced-Blend Gasoline may be found. Try it today.

Coach Billy Jarvis Will Enter the Spearman Track Team In Amarillo Tournament

Believes He Has Good Chance To Gather Four Places In Meet

Coach Billy Jarvis with his team of five Spearman high school boys, will enter the invitational tournament at Amarillo Friday and Saturday, where 50 boys from over the plains will compete for honors. Win Walker, Vernon, Schubert, and several relief men will represent Spearman high school, though he will be competing against some of the best athletes track talent in the state. Jarvis believes that he will be able to gather four places in the meet.

"I realize that we are going up against some stiff competition," Jarvis said, "but I believe that we will be able to score at least 12 points in the tournament." A number of fans are expected to accompany the boys to Amarillo. Jarvis will take his team to Canyon on April 24 and 25, to enter them in the district interscholastic league meet. First place winners in this meet will later go to Austin to compete for state honors.

P. G. Stevens, instructor of the Spearman flying school and R. L. McClellan flew to Morse Friday morning, returning to Spearman in the afternoon.

The Spearman Girls Volley Ball team: Oldham, right back; Hazlewood, center back; Reeves, left back; Neilson, center; Roberson, captain and right forward; Vern-on center forward; and Close left forward. H. J. Powell, instructor in Spearman schools is the coach. Tennis: Boys singles, Barkley or Owen; girls singles, Oldham; boys doubles, Owen and Owen; girls doubles, Reeves and Oldham.

Community Mass Meeting To Be Held at Gruver

A community mass meeting will be held in the high school auditorium, Gruver, Texas, on Tuesday evening, April 21, for the purpose of organizing "The Grange," a Farmer's cooperative organization. Homer H. Holden, Lecturer, Oklahoma State Grange, Medford, Oklahoma, and deputy National Grange Patrons of husbandry, will be present and will address the meeting, which will be called to order at 8:00 o'clock.

CARD OF THANKS

We wish to extend our thanks and appreciations to the friends who assisted us in the death of our precious mother and grandmother. The words of sympathy and kind acts shall never be forgotten. Mr. and Mrs. R. P. Kern and Family, Mr. and Mrs. C. R. Kern and Family, Mr. and Mrs. Irven Bennett. Sterling P. and Royal Jackson were here from Guymon Saturday, attending to business matters. George Wilcox Gotebo, Okla., is here for a few days, visiting his daughters, Miss Iva Wilcox and Mrs. W. O. Riesen. Mr. and Mrs. B. G. Yarborough, former residents and merchants of Spearman, were here from Dalhart Sunday, visiting in the home of her sister, Mrs. Chas. Collard and friends.

SPEARMAN CLUB MEETS CANADIAN HERE SUNDAY

The Spearman ball club that trimmed Canadian on their own home lot last week to the tune of 9 to 2, will meet the Canadians in a return game, to be played in Spearman Sunday afternoon at 3 o'clock. Spearman's team started off at a good pace this season and are of the opinion that they will repeat the act next Sunday when Canadian arrives on the scene.

Advance Rumely To Give Demonstration Saturday

A special demonstration and show of the new Advance Rumely Six tractor will be given Saturday afternoon, beginning at 1 o'clock by the Spearman Equity Exchange, dealers, according to an announcement made today by A. L. Rippy. The demonstration will be held on the east edge of town and everyone is invited to attend.

Improves From Operation

Little Miss Retha Roach, five year old daughter of Mr. and Mrs. Paul Roach, is improving from a tonsillitis and adenoid operation, performed by Dr. R. T. Spencer at his home Tuesday morning. Mrs. Spencer assisted with the operation.

Dr. Carl's Discovery Stops Gas, Constipation

In his private practice, Dr. Carl Weschke first perfected the simple mixture now known as Adlerika. Under his remedies, Adlerika acts on BOTH upper and lower bowel and removes old poisons you would never believe were in your system. Stops GAS bloating in 10 minutes! Relieves chronic constipation in 2 hours! Let Adlerika give your stomach and bowels a REAL cleaning and see how good you feel! It will surprise you. Hastings Drug Company.

Mr. and Mrs. W. W. Merritt, Gladys Van Burkleo and Bernyce Burran were Amarillo visitors Sunday.

Mr. and Mrs. E. Lee Nichols and Betty Jean, of Texhoma, were week-end guests of Mr. and Mrs. Fred J. Hoskins.

Milton Hughes, Harrell Collard and Tom Roberts left Tuesday for Lewis, Colorado, where they will visit a few weeks.

Mr. and Mrs. Hobart Dick, son Bennie Fred and Mrs. Martha Polk visited Mr. and Mrs. D. H. Browder of Gruver, Sunday.

O. G. Collins, local manager of Texas-Louisiana Power Company, attended the Safety Meeting held by the division office at Perryton Monday afternoon. Prof. W. A. Clark was up from Clarendon Saturday, visiting with old friends and looking after business matters. Prof. Clark was superintendent of the Spearman schools several years, and the schools made wonderful progress torney on behalf of themselves Dean of Clarendon Junior college. Prof. Clark owns some valuable Spearman city property.

Opened New Law Offices in Pampa

H. C. Stinnett and Philip Wolfe, Spearman lawyers, have opened law office No. 2 at Suite 10 Duncan Building, Pampa, and will be partners in the general practice of law. These attorneys will retain offices in Spearman and will spend part of their time here. In opening office No. 2 and changing their residence from Spearman to the city, both attorneys, on behalf of themselves and their families, wish to thank their friends and clients in Hansford county for all social and professional courtesies shown them while residing in Spearman, and extend a most cordial invitation to their friends to come to see them when in Pampa. H. C. STINNETT, PHILIP WOLFE.

Mrs. Wm. J. Whitson and Mrs. W. S. McNabb were Perryton visitors Saturday.

Mrs. Earl Smith of Texhoma visited with her sister, Mrs. E. M. Deberry Tuesday of this week.

Mr. and Mrs. W. A. Crismon of Texhoma, spent Tuesday with their daughter, Mrs. D. W. Hezlewood.

Mr. and Mrs. E. W. Gregg, of Plainview, were attending to business matters in Spearman Wednesday.

Misses Della Dacus and Mildred Murrell, who have been visiting relatives and friends here the past two weeks, were accompanied to their home at Portales, N. M., Saturday by Mrs. Leo Dacus and Mrs. Henry Dacus.

Conservation Called Imperative Governmental Duty

Utility of taking other pre-
for the welfare of fu-
generations while allowing
waste of the nation's
asset, was pointed out re-
by J. E. McDonald, com-
of agriculture, in a
nt urging serious consid-
by the legislature of Texas
xans in general, on pend-
islative measures for soil
ation.

Donald declared that agri-
l expenditures of the last
years shows inexorably the
on agriculture is taking. In
et twenty years, he stated,
es disclose alarming fact
roduction per acre of cotton
x lands has declined 60
nt.

rate of decline has grown
y as the soils are sapped of
strength, he asserted. Twen-
y years ago, all Texas cotton was
a staple and quality.
por in
a large portion is undeter-
ible which means that improper
rotation is impoverishing the
rop soils and owners of the soils.
"It is imperative," McDonald
"that we conserve our
asing definite and positive
Futility of the program
we have been following, of edu-
cal efforts, has been demon-
strated in the last fifty years by
e decline, both in soil fertility
and in the economic condition of
ur agricultural classes.

"In the past when we possess-
ed simple title to land, we con-
sidered it our privilege to do with
that land as we pleased, allow it
to erode and be washed away,
drain it of its fertility. It would
be fully as logical under that out-
conception to allow a land
owner to render his land unfit for
plant life by applying some
chemical reagent, without being
held responsible for his actions.

"In these modern days when
men think of the future as well as
the present, it is generally accept-
ed that we are merely trustees of
the soil, and should be held ac-
countable for our trusteeship. It
is also commonly accepted that it
is the duty of the government to
protect its soil.

"To this end our legislatures
establish schools and colleges for
the education of future genera-
tions. Surely it is just as essential
that some legislative steps be tak-
en to conserve our soil, which
must support future generations.
The outer man, as well as the in-
ner, should be considered.

"A House Bill 46, by J. J. Ol-
son and others, the legislature has
under consideration a bill in
which I am intensely interested.
If passed, it will aid materially in
the conservation of soils. If Texas
and other states will follow,
we now Mississippi is marking
the waiting for the Texas legis-
lature to act. Ancient prejudices
should be forgotten and honest
advice brought into play when
the Texas legislature takes up this
measure for consideration."

"No garden—either flower or
vegetable—should be located
where the sun does not shine at
least five hours a day. Nor should
a garden be attempted on low
ground where the roots will always
be in soggy soil.

Musical Comedy Will Be Staged This Month

The music students of Miss
Troas Elliott and other students
of Spearman schools are making
preparations to present a Musical
Comedy on April 28.

"Hearts and Blossoms is the
name of the comedy, which will
be presented in the high school
auditorium. Following is the cast:
Mrs. Morace Manning, who be-
lieves in dreams—Mezzo-Soprano
—Emma Reeves.
June, her daughter, young, pret-
ty and romantic—Soprano—
Evelyn Mathews.
Marie, her sister, younger, just
as pretty and even more romantic
—Contralto—Mac Richards.
Mr. Mathew Brandon, the absent-
minded man—High Baritone
—Freeman Barkley.
Philip Brandon, his nephew—
tenor—Marion Gaylor.
Jerry Higgins, poor but promis-
ing—Baritone or Bass—Orville
Rippy.
Malindy, a young lady of color
—Mezzo-Soprano—Fannie Sparks.
Sampson Bonaparte, an obony-
hued bell-boy—Baritone—Ches-
ter Lieb.

FORTY CENT GAS

A thorn in the side of the larger
gas companies likely will be
the home-owned gas company over
at Shamrock, where the gas sup-
ply is close at hand and where
the company has announced its
fourth voluntary rate reduction
since 1925, the rate now being
down to 40c per 1,000 cubic feet
for the first 25,000 feet and 35c
per 1,000 for the second 25,000
cubic feet.

This reduction, the company
there advertises, will give Sham-
rock as cheap gas, if not the
cheapest, in the state of Texas.
Rates at some other cities and
towns in the Panhandle and Plains
area include 40c at Amarillo, 50c
each at McLean and Pampa and
Breckenridge, and 75c at such
cities as Memphis, Wichita Falls,
Wellington, Abilene and Child-
ress.

The Hesperian doubts the net
value of a forced reduction in gas
rates to Floydada people in the
long run, but if an amicable ar-
rangement can be reached where-
by the West Texas Gas Company
could make a voluntary reduction,
it would be worth a great deal to
the community. Over at Sham-
rock the company is crowing
about the reduction it has made,
and evidently the owners of the
company and the citizens of Sham-
rock are mutually enjoying friend-
ly confidence.—The Floyd County
Hesperian.

ESSAY ON THE BANANA

A Japanese schoolboy wrote the
following essay on the banana:
"The banana are a great re-
markable fruit. He are construct-
ed in the same architectural style
as the sausage. Difference being
the skin of sausage are habitually eat,
while it are not advisable to eat
skin of banana. Banana are
strictly member of vegetable
kingdom, while affiliation of sausage
are sometimes in doubt."

Ever wonder why the water
runs so much colder in the shower
bath than it does in the drinking
water faucet?

an old fashioned charivari. When
the party arrived and started op-
erations, Mr. Snell appeared on
the scene and informed the party
that they were too early—that the
ceremony had not occurred. The
party insisted that they should not
be disappointed, and to comply
with their demands they phoned
the Baptist minister, who appear-
ed on the scene and performed
the ceremony. Thus happily ended
this affair, the party of friends
wishing the couple much happi-
ness and contentment for the fu-
ture.—Guymon Herald.

FLYERS MUST KEEP FIT

Hazards of flying, like hazards
in many other fields are not to be
measured merely in terms of flirt-
ing with sudden death. There
must be considered the strain
which continued flying exerts on
the human body, especially on the
eyes, ears, lungs, heart and nerv-
ous system.

When bodily resources become
exhausted the individual is likely
to lose confidence and judgment.
Long flights may bring eye strain
and headaches, while the ear is
subjected to severe stresses due to
cold winds, sudden changes of
speed and direction, rapid varia-
tions in atmospheric pressure and
the terrific roar of the engine.
Other parts of the body are heav-
ily taxed, especially under unfavor-
able flying conditions.

Therefore, men and women of
the air must live a careful life,
eat moderately and with a meti-
culous regard for proper diet.
They can not afford to risk the
irritating effects of artificial stim-
ulants, such as alcoholic bever-
ages, tea and coffee. They must
have proper rest, sleep and exer-
cise, and in other ways keep in the
pink of condition if they would
withstand the strenuous demands
of air navigation.

The most successful aviators,
both men and women, have been
those who gave most careful heed
to the physical requirements of
their profession.

All that the law needs is one
man, who you might call the head
man, ready to see it enforced.

Nation's Typical Boy And Dog Sought Here

**\$250 Prize and Fame Offered
Chosen Pair by Kennel
Foundation**
Wanted—America's typical boy
and dog!

The Chappell Kennel Founda-
tion, Rockford, Illinois, in its
search for the nation's typical
youngster and canine pal, has ap-
pealed to the Reporter for aid in
finding them if they happen to be
located in this section.

Two hundred and fifty dollars
in cash and immortality by hav-
ing their likenesses reproduced in
oils on canvas by a famous artist
await the chosen pair, which the
Foundation is anxious to preserve
for the inspiration of future
generations as a symbol of the
high type of companionship rep-
resented by the boy-dog combina-
tion of our own day. The winning team
will also be presented to many
notables, will probably be starred
on the radio and in the movies,
and in general enjoy the plaudits
of an admiring multitude.

Selection of the winning pair is
to be left in the hands of a jury
of prominent men and women
which is now being completed.
The choice is to be made from
nominations which the public is
invited to submit to the Founda-
tion prior to Sept. 15, 1931.
Photographs of contestants may
be submitted with the nominations
but a final decision will not be
made by the judges until they
have seen and investigated the
leading candidates.

To be eligible for nomination
to the boy-and-dog contest, a
youngster must not be under four
or over fourteen years of age. The
dog must be his own or that of
a member of his immediate fam-
ily. The age, size, color or breed
of the dog are of secondary im-
portance.

In inaugurating the boy-dog
search, L. J. Brosemer, director
of the Foundation, stated:
"Character building in the
young is one of the greatest prob-
lems of the times. The Founda-
tion is convinced that a dog makes

a boy a better man and is en-
couraging every horie with a boy
to keep a pure-bred dog. A recent
study of a large penal institution
revealed the fact that less than
one percent of its inmates had a
pet to play with in their forma-
tive years. Through the boy-dog
contest, the Foundation hopes to
catch the spirit of this comrade-
ship and perpetuate it in some
tangible form for this and future
generations."

About the most useless waste of
time that we know is meeting of
the average committee.

So far, no medicine has been
invented to cure the virulent at-
tack of the "big head," a really
fearful disease.

Frankly, Mr. Farmer, if we
were in your place we wouldn't
know what to plant, but we have
an idea.

Let Us Help You Build Right!

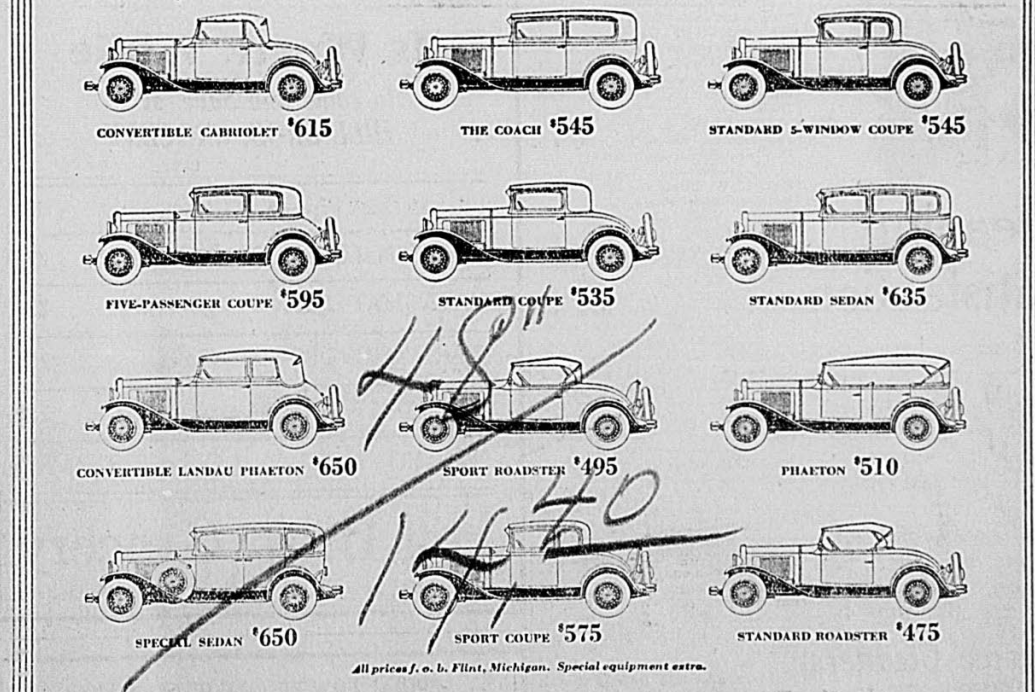

When you buy Lumber from us you do so with the assurance that it is the highest quality obtainable plus the proper kind of seasoning. That gives you Lumber that you can rely upon—Lumber that workmen find it easier to handle. And when you order you are certain of quick and efficient service.

All prices f. o. b. Flint, Michigan. Special equipment extra.

Nowhere else in the low-price field is there such a wide selection of fine coachcraft as in the Chevrolet line—and Chevrolet alone in its class provides the many recognized advantages of Body by Fisher. This means not only attractive styling in lines and appointments—but also the safest, most durable body construction known—wood-and-steel scientifically combined.

And as for performance—remember that Chevrolet gives you a smooth, easy-running six-cylinder motor that develops fifty horse-power, yet operates with less expense for gas, oil, tires and upkeep than any other car you can buy!

When you get ready to buy a low-priced automobile, inspect the line of new Chevrolet Sixes which are now on display at your dealer's.

Churches and Society

Mrs. Austin Named Head of Blodgett P. T. A.

Mrs. L. W. Austin was elected president of the Blodgett Parent Teacher Association, at the regular session Thursday, April 9, for the ensuing year.

and wife and Miss Barnhouser played two Trombone solos. Rev. Jasper Bogue gave an interesting talk on Social Hygiene.

Two New Members Added To Missionary Society

The Missionary Society of the Methodist Church met Wednesday at the home of Mrs. R. W. Morton with Mesdames L. S. McLain, R. L. McClellan and L. W. Mathews.

Is Honored With Party

A party was given little J. L. Pierce last Friday afternoon, honoring his sixth birthday, by his mother, Mrs. L. D. Pierce.

Church of Christ

Bro. Felix W. Tarbet will preach his seventh anniversary sermon at 11 o'clock Sunday. It will be a reproduction of the first sermon he preached when he was but 14 years of age.

man do the same? There should be a renewed energy of the spiritual part of man. If indifference, carelessness and slothfulness have controlled your life heretofore, why not change up a bit and take a good lesson from nature and put on the spiritual apparel—it will do you good and others too.

We had a fine day last Sunday. Attendance was good. Do it again and bring someone with you. If you enjoy the church tell others about it.

First Christian Church Revival Notes

Brother Jewell of Stratford, has been with us all week, and his work is greatly appreciated. The children's work has manifested much interest.

The meeting will continue over next Sunday April 19. Services each evening at 8:00. Subject for Friday night, "In The Days Of Thy Youth."—Ecl. 12:1. No Saturday night service.

Every member is urged to come, and a welcome for you and your friends. Let us make these days count for all we can. We are depending on you.

JASPER BOGUE, Minister-Evangelist.

Senior B. Y. P. U.

Our young people are taking a great interest in our Union. This department is for the church instruction of our young people.

to all young people, who are not connected with any other union, to come and join us. Regular meetings each Sunday evening at 7:00 p. m.

W. M. U.

The W. M. U. met Tuesday afternoon with Mrs. J. E. Gower. The lesson was led by Mrs. Martha Babb. The book of Matthew was completed, and the next Bible Study will be the book of John.

Christian Science Churches

The lesson-sermon subject was "Are Sin, Disease, and Death Real?" in all Churches of Christ, Scientists, Sunday, April 12. Deuteronomy 7:15 furnished the golden text: "The Lord will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon thee."

The following passages from the Bible (Luke 13:11-13) were included in the lesson-sermon: "And, behold, there was a woman which had a spirit of infirmity eighteen years. . . . And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. . . . and immediately she was made straight, and glorified God."

The following paragraph from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, was also read: "If sickness is true or the idea of Truth, you cannot destroy sickness, and it would be absurd to try. Then classify sickness and error as our Master did, when he spoke of the sick, 'whom Satan hath bound,' and find a sovereign antidote for error in the life-giving power of Truth acting on human belief, a power which opens the prison doors to such as are bound, and sets the captive free physically and morally."

Mrs. D. W. Holland and Mrs. J. M. Thompson Le Jeudi Club Hostesses

With Mrs. D. W. Holland and Mrs. J. M. Thompson presiding as hostesses, Le Jeudi Bridge Club was delightfully entertained on Thursday afternoon, April 9, at the home of Mrs. Holland.

In the games of bridge Mrs. John L. Hays played high and Mrs. Wm. J. Whitson played low. Tallies were attractive in modernistic design.

Regular Club members present were: Mesdames S. B. Hale, Wm. J. Whitson, R. E. Lee, J. D. Hester, Chas. Chambers, Marvin Lee, R. W. Morton, John L. Hays, Max Lackey, R. H. Prewitt, M. D. Jackson, R. W. Huffstutter, E. C. Wombie, R. M. Clogston, W. L. Russell and Mrs. Dawson Nichols.

BIRTHS

Born to Mr. and Mrs. A. R. Scamble of Waka, a nine pound boy, at 2 o'clock Wednesday morning. Both baby and mother are doing well.

Mr. and Mrs. Alvino Richardson of Gruver, were Spearman visitors this week.
