SPEARMAN BRANCH TO BE EXTENDED TO MORSE

The Lynx Will Battle the White Deer Bucks Saturday for Championship Honors

ANS LING UP FOR ANOTHER THRILL

Expect to Win From White Deer, But Realize That It Will Be a Real Football Game

DEFEATED BUCKS 6 - 0

The teams met early in season and Lynx won 6-0—Play at White Deer

Another battle royal faces the Spearman Lynx Saturday practically the entire football squad of Spearman high school, in charge of Coach Jarvis and Gunn, journey to White Deer, where the championship of section B, district interscholastic league of Texas will be decided.

The Lynx have been in special training for this great game since a outstanding victory over the Perryton Rangers on October 31. Coach Jarvis and every player on the squad is of the opinion that the White Deer Bucks are a strong team and that Saturday's game will be a close one. The Lynx are going to White Deer with the expectations of playing the hardest game they have played this season. The opinion prevails among the players that if they can turn the Bucks back Saturday, the championship of this district one within easy reach. The Bucks are a tough, smart and well-taught team. They put up a wonderful battle. The Bucks won the championship of their division of this section by defeating Canadian, Miami, Wheeler and Moberly. The Lynx won the championship of this division of section one by defeating the Pollett Panthers of the Perryton Rangers. The Lynx defeated the Bucks on the Spearman gridiron early in the season by a score of 6-0.

This game, which means so much to the Lynx, will be called 2:30 on the White Deer grounds. Arrangements are being made at White Deer to entertain one of the biggest crowds that ever assembled in that good town. Every Spearmanite who possible can do should make arrangements to go with the Lynx to White Deer. And line up around the gridiron in such numbers that will give your Lynx feel like they are going out behind our new high school building, instead of 80 feet from home.

Tickets to the game are now on sale at the Sparks Confectionery at the school building. The price is 50 cents and \$1.00, and it will save time and relieve the usual congestion at the gate to your tickets the start to White Deer. One-half of the gate receipts go to the Lynx.

The officials of the game will be Coach Jarvis and Elliott. Coach Jarvis is chairman of this interscholastic league district and Elliott and Elliott officiated at the Lynx-Ranger game here on Saturday 31, as referee and head man, respectively.

Coach Jarvis says his fighting Lynx are in good shape. If they could fall to trim White Deer it will simply be because of the fact that White Deer has the stronger team. But all Spearman believes that the Lynx are the stronger team and a large portion of the town and community will go over to White Deer Saturday to tell the world of this fact.

On to White Deer, Saturday, November 15.

After White Deer, Who?

After the Lynx have finished White Deer Friday, meaning course that they are on the end of the season, our boys will play either Memphis or Clarendon, these teams being matched play of a tie Friday. The Lynx are a tougher lot than either Memphis or Clarendon. It seems that Dalhart will be dispensed with as also will the winner down in the south of section B.

But the next big thing for the Lynx is to defeat White Deer. The teams in other parts of the district are in a muddle and hardly any which is in the lead, but this will all be straightened out by Saturday night.

Attending Conference and P. T. A. Meeting

Rev. and Mrs. H. A. Nichols left the first of the week for Sweetwater, where he will attend the annual conference of the Methodist church. While Bro. Nichols is attending conference Mrs. Nichols will represent the Spearman Parent-Teachers Association at the annual convention of that organization, to be held here November 17 to 21. Mrs. Nichols will also visit relatives at her old home at Robert Lee while away.

Charter Is Granted For Bank at Morse

The progressive, up and coming little city of Morse is to have a bank. A charter was granted by the state banking commission at Austin on November 5, granting a charter for a state bank at Morse, with a combined capital and surplus of \$25,000.

It is not known at the present time just when the bank will be opened and ready for business, but arrangements for the opening are going forward at a rapid rate. Among those interested in the bank are H. S. Durham, L. A. Bullock, Roy Womble, Roy McNutt, L. C. Edwards, J. D. Amend and several other well known residents of Morse and vicinity.

Commissioners In Session Monday and Wednesday

The commissioners court of Hansford county was in session at the court house in Spearman on Monday and Wednesday of this week, all members being present.

Monday morning was devoted to the allowing of bills and general discussion of the affairs of the county. In the afternoon the returns of the general election held on Tuesday, November 4, were canvassed.

At this meeting Messrs. Wm. C. Townes and Rabey Funk appeared before the commissioners to discuss the matter of drawing plans and specifications for a new court house for Hansford county. These men are members of the firm of Townes, Lightfoot & Funk, Amarillo architects. This firm drew the plans for the Hutchinson county court house and the \$425,000 court house to be built in Amarillo soon.

The court house proposition was given some attention, and it is thought that the commissioners will decide to have a building erected in Spearman soon. The court will meet again on Friday or Saturday, November 21 or 22 for a further discussion of this matter.

Cowboy Sues Joe Sneed For \$50,000

W. O. Smith, former cowboy on the Joe Sneed ranch in Moore county, last week filed a suit in an Amarillo court for \$50,000 damages. In the charge Smith alleges that his hands and ears were frozen last winter through negligence of Sneed.

In the allegation it is further set out that Smith was sent into Amarillo from the Sneed ranch just south of Dumas for supplies during the zero weather of last January. Because of many duties he was late in leaving Amarillo and became lost in a snowstorm after night. The motor of the car was finally frozen and he started for help and fell unconscious in the snow and came near freezing. It is alleged that Smith lost the fingers of both hands and half of each ear. He is 24 years old.

The ranch owner is charged with negligence in sending an employee on an errand that would keep him out in zero weather after nightfall, and because he did not provide a better car.

Death of D. W. Hazlewood Brings Sorrow to Many

Pioneer Hansford County Farmer-Stockman Passed Away Early Sunday Morning

Doctor Willoughby Hazlewood died at the Newman hospital at Shattuck, Oklahoma, on Sunday morning, November 9, at 1:00 o'clock, from the effects of an attack of asthma. He was taken to the hospital on Monday, November 3, for an operation for appendicitis. The operation was quite successfully performed and Mr. Hazlewood's condition was considered satisfactory until Saturday night, when he was seized suddenly with an attack of asthma and passed away within a few moments.

The remains were prepared for burial and brought to Spearman by the Mason undertaking establishment of Shattuck on Sunday, and lay in state at the family home in Spearman until Tuesday afternoon, when funeral services were held, followed by burial in Hansford cemetery.

The funeral services, attended by one of the largest crowds that ever assembled for a like purpose in Spearman, were conducted by Rev. J. H. Richards at the Baptist church. The services at the grave were conducted by the Masonic lodge.

D. W. HAZLEWOOD

D. W. Hazlewood was born in Brunswick, Missouri, on March 22, 1864. He came to Texas when but a mere boy, 14 years old, and located first in Knox county. Later he came north to the vicinity of White Deer, where he remained in a few years, then coming to Hansford county, where he bought land and established himself in the ranching and farming business. He was known to practically everyone in Hansford and adjoining counties.

Deceased was married twice, and leaves to mourn their loss a wife and nine children. His first marriage was to Miss Sallie Micou, in 1892. To this union six children were born, four of whom are living, and were here to attend the funeral services. They are: Mrs. Tom Graham of Meeker, Colo.; Travis Hazlewood of Tulsa, Texas; and Clyde and Lillie Hazlewood of Spearman. Two daughters, Mrs. Edd McCoy and Jessie, are dead; the latter passing away when only three years old.

The second marriage of the deceased occurred in 1912, to Mrs. Dana Busick, a daughter of Mr. and Mrs. W. A. Crismon of Texas. To this union five children were born, they being Hugh, Daphne, Alice Junior and Paul, all of whom are at home with their mother in Spearman.

Spearman Boy At John Tarleton

Stephenville, Nov. 12.—The student body of John Tarleton college this term represents 105 counties in Texas and five states. Oklahoma, Mississippi, Missouri, and New Mexico are the states, other than Texas, represented.

The enrollment this year consists of 500 caucuses and 362 girls. Hansford County is represented in Tarleton this year by Harrell Colard, of Spearman.

THE BEST

Let me but do my work from day to day, In field or forest, at the desk or loom, In roaring market place or tranquil room; Let me but find it in my heart to say, When vagrant wishes beckon me astray, "This is my work, my blessing, not my doom; Of all who live, I am the only one by whom This work can best be done in the right way." Then shall I see it not too great, nor small, To suit my spirit and to prove my powers; Then shall I cheerfully greet the laboring hours, And cheerful turn, when the long shadows fall At eventide, to play and love and rest, Because I know for me my work is best.

—Henry Van Dyke.

O. R. McMorde Dies

O. R. McMorde, age 64, county judge of Hemphill county for the past six years and a resident of the county since 1887, died unexpectedly at his home Wednesday night, October 29, following a brief illness. Although Judge McMorde had been in poor health for some time, his sudden death came as a great shock to his host of friends throughout the county and surrounding territory.—Canadian Record.

Spearman Lynx 27; Guymon Tigers 0

Friday afternoon, November 7, the Guymon Tigers invaded the Lynx gridiron, only to be defeated by a twenty seven to nothing score. The game was full of thrills from beginning to end, although the Guymon lads never gave up.

Broadhurst and Vernon starred on the offense with Rippy starring on the defense. Fowler, fullback and captain of the Guymon team starred for the visitors. Rippy made the first touchdown for the locals when he received a long pass and raced across the line. Owen made two of the Lynx touchdowns and Broadhurst made one to make the four scores. Both teams made eleven first downs. The Lynx made one hundred eighty five yards on five completed passes, Guymon completing one pass for about fifteen yards.

The starting line-up was as follows:

Lynx	Position	Guymon
R. E. Clark	Quarterback	R. E. Clark
R. T. Roberts	Running Back	R. T. Roberts
R. G. Vanderhoofen	Fullback	R. G. Vanderhoofen
C. Place	Center	C. Place
L. G. Buster	Left Tackle	L. G. Buster
L. T. Wilkerson	Right Tackle	L. T. Wilkerson
L. E. Mayfield	Left End	L. E. Mayfield
Q. B. Grimm	Right End	Q. B. Grimm
R. H. Dotts	Left Guard	R. H. Dotts
Vernon	Right Guard	Vernon
L. H. White	Left Halfback	L. H. White
Fowler	Right Halfback	Fowler

Lynx Second Team 6; Morse Mustangs 0

On Armistice Day the Lynx second team and the Morse Mustangs furnished the afternoon attraction in a real display of football. Although the Mustangs came out behind they played good, clean, hard football, and never once did they give up.

Willie Ray Gay and Gordon Parks did most of the running and ball carrying for the Mustangs, and Broadhurst and Cator did most of the ground gaining for the Lynx. The Lynx second team made six first downs, and the Morse Mustangs made seven. Broadhurst went over on an off tackle plunge for the Lynx touchdown. The starting line-up:

Lynx	Position	Mustangs
Barkley	Quarterback	L. E. Womble
Atherton	Running Back	L. T. Cambren
Gaylord	Fullback	L. G. Harbour
Jenkins	Center	Parks
Kirk	Left Tackle	Mowery
Owen	Right Tackle	Kelley
Reed	Left End	Gay
Tindell	Right End	Forester
Cator	Left Guard	L. H. Stevenson
Mitts	Right Guard	Madden

Gun Club Will Shoot

The Spearman Gun Club held a shoot last Sunday. There were quite a few of the shooters present and several wild turkeys.

How Amarillo Met The Hard Times Bug-a-Boo

Unemployment relief has been a real condition and not a theory in Amarillo for more than a year. Result, no unemployments crisis, \$2,000,000 in public improvement at reasonable cost, yearly cut of \$750,000 for the people in taxes, gas, electricity, water, and city expense, and a "white spot" in the nation's industrial map through all the "hard times."

This is a challenge to the state and nation in a critical year. Probably it is without parallel. Certainly it arrests attention.

The cause, a mayor who meant what he said in election promises of public improvements, economy, lower taxes, cheaper utilities, attractive living conditions, progressive leadership, private business methods in public affairs.

And now Amarillo's mayor, Col. Ernest O. Thompson, is named with six other American Legionnaires as a committee in Texas to devise ways and means for relieving unemployment, a part of the national machinery set in motion for that purpose.

"We saw hard times ahead two years ago," says Mayor Thompson, "and began preparing for them. Public improvements planned to extend over a longer period were concentrated into one year. Contracts demanded home labor. Floaters were not hired and are not welcome in Amarillo."

"The year's work included paving, sewer and water extensions, two railroad underpasses and five parks, all costing \$800,000, five new school buildings, \$550,000. This month we start a third underpass to cost \$170,000, a new courthouse \$420,000.

"These major projects—total \$1,940,000, minor items round out \$2,000,000. They have kept many men busy, prevented distress. A good living wage was paid. Materials were bought cheap. Every item constructive. No waste."

"We have bargained with the utilities. The city set the example by cutting water from 50 to 27 cents. Reducing tax rate from \$1.35 to \$1. Gas was cut from 45 to 38 cents. Electricity from 9 to 7 cents. Railroads paid half the cost of the underpasses. Competition on paving bids was stimulated by grouping contracts, reducing cost \$125,000. Extended payments cut maintenance \$13,000. Garbage removal was cut \$12,000. Gas and electricity for city use and public schools are billed as if all passed through one meter, and schools are put in lowest bracket at one and one-third cents per kilowatt hour, saving \$10,000 a year. The year's total reductions and economies are \$750,000 for \$9,000,000 people.

"We have encouraged the railroads. Hundreds of miles of new lines are building in Amarillo's vicinity, with hundreds more planned taking further slack out of unemployment."

If I want to take 1-0 on a hole. I can now. I felt I had something to accomplish and I did it. Now I'm going to enjoy golf. Bobby Jones, who won all four of the world's major golf titles.

Attended P. T. A. Meeting at Gruver

Mrs. J. H. Buchanan, Mrs. L. F. Noe, Mrs. Sid Clark and Miss Ethel Deakin attended a meeting of the Gruver Parent-Teachers Association held at Gruver on Wednesday night. Miss Deakin addressed the Gruver P. T. A. on the subject of libraries. The ladies report that Gruver has a very active association and that it is doing great work in that good town. Mrs. Buchanan is county chairman of the Parent-Teachers Association of Hansford county.

Red Cross Roll Call Begins Tomorrow, Fri.

Red Cross Roll Call Chairman, C. A. Gibner has set Friday, November 14, as the day on which the annual roll call is to begin in Hansford county. Roll Call chairman and workers have been appointed throughout the county and the work will be carried out quite thoroughly.

Death of Mrs. Wade Gill

Mrs. Wade Gill died at the home of his parents, Mr. and Mrs. Newt Gill, three miles northeast of Spearman on Sunday night, November 9. The cause of her death was pneumonia. The body was taken in charge by Wilson Funeral Homes and prepared for burial. G. F. Marshall, father of Mrs. Gill, came from the old home in Dethesda, Arkansas, and accompanied the remains back to that place for burial. The sorrowing husband and his parents motored through to Dethesda to attend the funeral.

His Good Turn

That human kindness is still abundant and sometimes manifests itself under unexpected circumstances is illustrated by a little story in a Paris Figaro: "A Paris 'young man about town' being driven in a handsome closed car was halted at a street intersection to let a hearse pass. The hearse was followed only by a woman and two small children on foot. It was raining hard and she was trying to protect them with a shabby umbrella as they sorrowfully followed the father's corpse to the cemetery.

The young man stepped from his car, asked the widow and children to get in and instructed his chauffeur to take them to the cemetery and then to their home. Then he bowed to the bereaved group and halted a taxi for his own use.

And the Recording Angel wrote that on that day a blame boulevardier had done a good turn.

Business has been quick to seize advantage of group action and slow to assume group responsibility.—Owen D. Young.

Armistice Day Celebration Brought Many Visitors Here

The Armistice Day Celebration, sponsored by Sullivan R. Spivey Post American Legion, assisted by all civic organizations of the town, was one of the biggest events in the history of Spearman. Visitors to Spearman on this day numbered about 3,000. They came from the neighboring towns and communities, and the day was very pleasantly spent by all.

The day's program was begun by a big parade, which formed on Dressen street, near the legion hall. The parade was led by the Perryton brass band, and this organization, by the way, contributed much to the success of the entire program of entertainment throughout the day. Following the band came the legion boys in uniform, the Boy Scouts, the gaily decorated floats, city officials and the student body, accompanied by members of the faculty of Spearman schools. The floats contributed much color to the entire parade. The line of march was through the business section of the city and to the school building, where the Memorial Services were held, beginning at 11:00 o'clock. After the Memorial Service

same the big free barbecue at the noon hour. This was one of the most enjoyable events of the day. Everyone got something to eat and the barbecued beef was pronounced fine.

The afternoon was very pleasantly spent in visiting about town. The football game between the Spearman Kittens, the Lynx second string, and Morse, was a feature of the entertainment program for the afternoon.

At dark the great display of fireworks attracted a huge crowd to the court house square at the lower end of Main street. This was followed by the big legion ball at the legion hall, which continued until the wee small hours of Wednesday morning.

The Legion boys are to be congratulated on the success of this big undertaking. It was the first event of the kind ever attempted in Spearman, and its pronounced success is due to the untiring efforts of the members of Sullivan R. Spivey Post American Legion, who were ably assisted by the Legion Auxiliaries, the Lions Club, Commercial Club, P. T. A. and by many citizens of the town and community.

SANTA FE GRANTED PERMIT TO BUILD

Will Be Completed In Short Time and Spearman Will Have a Straight Line to Amarillo

WORK TO BEGIN JAN. 1

Will Mean Twenty Miles of Railway For Hansford County—Direct Outlet South

The Interstate Commerce Commission on Thursday last week issued a certificate of public convenience and necessity to the Santa Fe railway authorizing the construction of a line of railway from Spearman to a connector with the Rock Island tracks in Hutchinson county, and also giving permission to the Santa Fe to enter into a trackage agreement with the Rock Island for the connecting point into Amarillo.

The application of the Santa Fe was for authority to build all the way from Spearman to Dumas, connecting the road's Spearman branch with the new line now being built from Amarillo to Las Animas, Colorado. This construction was strenuously opposed by the Rock Island on the grounds that it would parallel much of the Rock Island's line from Morse to Dalhart. The new construction authorized will extend for a distance of approximately 20 miles southwest from Spearman.

The matter of right-of-way for this new line, has been attracting considerable attention for the past several months and is not entirely settled at this time. It is thought that actual construction of the line will begin about January 1, and will be completed by the time the Amarillo-Las Animas line is completed. The building of this extension of the Spearman branch will mean much to Spearman and the Spearman country. It will give this great country a direct rail route to Amarillo and the south and southwest, thereby affording a much better freight rate on wheat and livestock, the country's two greatest products. It also will give Hansford county more miles of railway than any other county in the north panhandle, which together with the great pipe lines now being built through the county, will mean thousands of dollars each year in taxes.

Pioneer Plains Woman Dies At Mineral Wells

Mrs. Geo. A. Whittenburg, 49, of Canyon died early Monday morning, October 10, at Mineral Wells, after an illness of several weeks.

Mrs. Whittenburg, an outstanding figure in the Panhandle for the past thirty years, was born in Bell county, Texas, on February 22, 1881. With her parents, Mr. and Mrs. John M. Archer, she removed to Hutchinson county in 1900, and in April, 1901, was married to Geo. A. Whittenburg, son of J. A. Whittenburg, pioneer Panhandle rancher, who now lives in Amarillo. Deceased was a sister of Mrs. J. C. Sanders, Mrs. Claude Sheets and the Archer brothers, all highly respected citizens of Hutchinson and Hansford counties. She was the mother of Miss Georgia Whittenburg, a teacher in the Spearman schools.

Mr. and Mrs. Whittenburg moved from their Hutchinson county ranch home several years ago to Canyon, that their children might have the advantage of the schools of that city. The remains were brought back to Canyon for burial in Dreamland cemetery.

Cooked Food Sale

The ladies of the First Christian Church, Spearman, will hold a cooked food sale in the Lions Club room in the Morton building on Saturday afternoon, November 15. Home-made chili will be among the many good things to eat that will be offered in this sale.

ALTMAN GETS HOTEL

H. W. Martin of Altman was in town Thursday and reports that a Kansas City party is erecting a new two story hotel in Altman. The new building is to have twenty-five rooms and will be modern in every detail. Mr. Martin also states that the West Texas Utilities has taken over the town water system and electric transmission lines.—Morse Monitor.

YOU BUY

he works!

SOME one has said "It is just as patriotic to spend today as it was to buy Liberty Bonds during the war." The Spender today will prove to be the conqueror of those two great bugaboos, Depression and unemployment. The Hoarder hampers the return to Prosperity.

There is no real reason nor reasoning to justify the great fear of spending that the public has conjured up in its mind. Let us see if this is true.

Depression is due to lack of business. When the public stops buying, demand ceases and when demand ceases production halts and when production halts unemployment remains stagnant. So depression is a direct and definite result of the lack of spending.

The public has the means to buy for only a small percentage are actually unemployed. Let us see if this is true. Of America's 120 million population there are approximately 100 million

able to work. There is today about 3 1/2 million unemployed. The average unemployment during normal, prosperous times is 2 million so that only 1 1/2 million are out of work at present over the normal times or about 1 1/2 per cent of the working population.

The rest of the people can buy if they will. They have the means, the need, the desire if they will only banish fear. Spend and you create demand—create demand and you start production—start production and you diminish unemployment. Money in circulation is the only solution to national and individual Prosperity.

NEEDS FOR RED CROSS SERVICE ON INCREASE

Chairman Payne Says Disaster Relief and War Veterans Make Heavy Demands.

Demands upon the public services that the American Red Cross is organized to give are increasingly heavy, and will continue to be so in the future, John Barton Payne, chairman, has announced.

The two major services of the society—service to war veterans and their dependents, and relief in disasters—show each year a greater number of persons helped by the Red Cross.

Pension legislation passed recently for World War Veterans, and increased allotments to all Spanish-American War Veterans, have given to Chapters and the national society many thousands of additional cases to handle, Judge Payne said.

In the past year help was given in 108 disasters. Ninety of these were in the United States, twelve in foreign possessions and six were in foreign countries.

Health activities of the Red Cross also are being extended, especially in the rural communities where all health authorities agree the greatest need exists. Red Cross, with 34 nurses in its employ, is the greatest employer of public health nurses in rural areas in the United States.

In its campaign against accidental deaths, begun twenty years ago with its life saving and first aid programs, the Red Cross now has adopted an additional program—that of combating the huge toll of life from automobile accidents on the highways.

Expenditures of the Red Cross in the past year were \$4,254,796.34, of which \$1,208,151.09 was spent in disaster relief, the chairman stated.

"The Red Cross depends upon the public for its support, through their memberships enrolled once each year in the period from Armistice Day to Thanksgiving Day," Judge Payne said.

"We do not receive any support from the Government, or through tax levies, although as the president of the United States is president of the society, and one-third of its governing members are representatives of U. S. Departments, it ranks as a semi-governmental agency."

"By joining as a member, in the local Red Cross Chapter, once each year, during the annual Roll Call, every citizen will have a part in carrying on this great humanitarian task."

BLAZING THE TRAIL

As time passes, and the years mature and increase for us, there is not much inclination to set out upon new adventures. Yet there is nothing so likely to keep us from getting old in body and sluggish in mind as taking up some new idea or something that may lead us to change our ways. Youth is the paramount force in the new trails of life. But youth, brave and wonderful and fearless, is, has not a world of years experience at the back of it. When it begins, with gait and eye, to start blazing a new path through the forest, it doesn't see the bright little eyes of the animals, or hear the songs of the birds, or see the wonders of the sea.

And you can't give youth experience. But to the wisdom of an older man may be added some of this fire of youth. Not necessarily of the body, for that soon goes away. But the fire of enthusiasm, of high purpose, of very even, and of the spirit.

Nothing is nobler or more stimulating than to see the man and woman of years blazing a new path with hope and courage in spite of many difficulties—far greater than those that encompass youth. The latter don't know they exist, which makes their tasks easier. G. H. G. in Tit-Bits.

MEDLIN NEWS

This community was saddened this week by the death of Doc Hazlewood. The bereaved have our heart-felt sympathy.

Armistice day found this community well represented in Spearman. All seemed to be enjoying themselves.

Lucky school was dismissed Monday on the account of the death of Mrs. Geo. Whittenburg of Canyon. She was an aunt of Miss Sheets, the teacher.

Visitors at the W. Van Cleave home Sunday afternoon were: Mr. and Mrs. Tom Allen and Family, Mr. and Mrs. Walter Gillispie and family, Sam Wright and John Van Cleave, of Groen, Texas.

Mr. and Mrs. Ora Schroder and family and Mrs. J. H. Gray were Sunday visitors at the John Allen home.

Mrs. McNulty is working with the Red Cross drive in this community this week.

Mr. and Mrs. Lawrence Wilbanks are spending this week in Tulsa, Oklahoma, visiting Mr. Wilbanks' sister, Mrs. Bill Bradford.

Some of the Eastern Star members visited at the Guyman chapter Monday night. A big initiation was staged and refreshments were served. All reported a good time and a hearty invitation to return at any time.

Roy Pritchard, who has been visiting R. B. Elliott of Happy, Texas, is back working for John Allen again.

Mrs. Ora Schroder and Mrs. J. H. Gray visited Mrs. Freeman Monday, who is on the sick list.

— I F —

If you can be a girl and glory in it, Because it is the place for you to fill;

If you can be a lady every minute, Yet take all sporting chances with a will;

If you can hold your temper when you're ruffled, And force a smile when frowns are hovering near,

Or keep the burning tongue of scandal muffled, By never telling what you hear;

If you can follow syles and wear them sweetly, But not let what you spend outweigh the twain;

If you can win some goal you've sought completely, Yet know that broader reaches still remain;

If you can look on modern fads and notions, And find them good, but never play the fool;

If you can understand all deep emotions, And yet not put yourself beneath their rule;

If you can wait with patience on another, Yet keep no person waiting on yourself;

And with merry smiles bad feelings smother, You are richer than if endowed with golden wealth.

If you can work each day and still be plucky, Or live in wealth and bear no haughty pride;

If you can count yourself as mighty lucky, To have a friend at all times by your side;

If you can dream, yet not sid idly long, Or play with ease, yet find some work to do;

If you can still have faith when doubts are thronging, And be the friend you would have one be to you;

If you can love with all the soul that's in you, And let the world no selfish motive see;

If nothing less than what is best can win you, You are the girl God meant for you to be.

—E. M. Brainerd, Farm & Ranch.

SUNDAY SHOW INDICTED

Of three indictments returned by the grand jury Wednesday afternoon of last week, two were for operating a picture show on Sunday in Canadian. One indictment was against Oskas Korn, owner of the Queen Theatre, and another against Earl Worley, as agent of the theatre. The cases have been transferred to the county court, and will likely come up at the December term.—Canadian Record.

Rev. B. B. Crimm, noted evangelist, who will begin a revival meeting at the First Baptist Church, Spearman, on Friday night, November 14.

San Antonio Man Searched For Five Years For Relief—New Medicine Does The Work

MR. J. B. WICKS

"I was troubled with stomach ailments for five years," said Mr. J. B. Wicks, 913 Avenue B., San Antonio. "Nervousness was also

an ailment that worried me. I took a lot of medicines over this period of time but Konjola was the only one to help. I was very careful what I ate because of gas pains. Back pains, too, were troublesome. I did not always sleep well at night and was losing

my appetite. I lost weight steadily. My appetite began to improve almost from the beginning of the Konjola treatment. I ate heartily without the dreaded gas pains and back pains were leaving. My nervous condition, also, was greatly relieved. Now after a two weeks treatment, I feel better than I have in years. I have gained three pounds in the last eight days and I give Konjola all the credit."

And so it goes—the same glad story whenever this great medicine is given a chance to make good. Konjola is recommended for ailments of the stomach, liver, kidneys and bowels, and rheumatism, neuritis and nervousness.

Konjola is sold in Spearman, Texas, at Hastings Pharmacy, and by all the best druggists in all towns throughout this entire section.

THE TOWN BAND AND YOU

Suppose the town band isn't quite
up to snuff
And can't play the grandest of
airs,
Their crude execution at times
rather rough,
From clarinet section to snares;
Don't knock the director nor cen-
sure the boys,
Because you have such a fine
ear
That amateur toots are to you
only noise;
You don't have to stay there
and hear.

Suppose their rehearsals are com-
ic affairs,
In which all the jokers delight;
Their band room a coop in some
gloomy upstairs
Illuminated with a lantern by
night,
And what if each clerk and me-
chanic who comes
Can't play like Pryor or Clarke,
Or if the old settler who hammers
the drums
Once played with a band in the
ark.

Suppose the first cornet can't
read treble clef,
From having changed over
from bass,
Or blows his pianos at least dou-
ble f
And now and then loses his
place.

Suppose in the midst of cadenza
ad lib
His well-meant ad libbing falls
flat,
You don't need to laugh till you
fracture a rib,
He's a good old libber at that.

Suppose the director gets off the
beat
And crosses the bass with
the air,
Or what if the cornets forget to
repeat,
Though glazing da capos are
there;

Suppose that the basses come in
on the up,
Or altos respond on the down,
Or the piccolo squeals like a
badly-scared pup;
You don't need tell the whole
town.

Suppose the trombone overbal-
ance the reeds,
Or a saxophone wheezes and
squeals,
Or a baritone player is one of
their needs,
Or the drummer gets huffy and
balks;

Or what if the tubas and horns
and bassoon
Keep drowning the oboe and
flute,
Or the whole blamed caboodle is
all out of tune,
It's not you who pays 'em to
toot.

Suppose you are tired of that
"Washington Post"
They have marched to for such
a long time,
Or their uniforms look like a
ragman's almost,
Did you ever contribute a dime?
It's money that counts, so cut out
picking flaws,
If you don't like their tunes
you can move;
Come across with ten bucks, to
assist a good cause,
And perhaps the town band
will improve.

Missionary Society Observes Day of Prayer

The Missionary Society of the Methodist church observed Wednesday of this week, November 12, as a day of prayer. The ladies gathered at the church for the observance of this national event. A very interesting program was rendered, opened by a prayer led by Mrs. A. F. Barkley. The devotional services were conducted by Mrs. D. B. Kirk. Special music for the occasion was furnished by Mrs. F. J. Daily. Mrs. G. P. Gibner gave a topic on prayer which was good. Six of the ladies sang "Beautiful Garden of Prayer," and a short playlet was given by five ladies. Mrs. C. D. Fotte gave a topic on Cuba. A delicious cereal dish luncheon was given at the noon hour. Thanks were said by Mrs. R. L. McClellan. Nineteen ladies were present to observe this day of prayer. We were dismissed by repeating the Lord's prayer.

The next meeting of the society will be held at the home of Mrs. J. D. Hester on November 19. This will be a very important meeting as officers for a new year are to be elected at this time. Every member should be present. The Missionary ladies will serve a big public dinner on Wednesday, December 3, from 6 to 8 p. m. This dinner will be served in connection with the Christmas Bazaar to be held by the society on that day. All the ladies who are doing work for the Bazaar should have the same finished by this date, December 3.

CITATION BY PUBLICATION

The State of Texas, To the Sheriff or any Constable of Hansford County—Greeting: You are hereby commanded to summon N. H. Read and John P. Holman by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 84th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 84th Judicial District, to appear at the next regular term of the 84th District Court of Hansford County, to be holden at the Court House thereof, in Spearman, on the First Monday in February, A. D. 1931, the same being the 2nd day of February A. D. 1931, then and there to answer a petition filed in said Court on the 30th day of June A. D. 1930 in a suit, numbered on the docket of said Court No. 80, wherein H. C. Coffee is plaintiff, and G. C. Bryan, N. H. Read and John P. Holman are defendants, and said petition alleging Being a suit brought by H. C. Coffee, alleging that on or about the 16th day of July 1929, the defendant N. H. Read, as party of the first part entered into a contract in writing with G. C. Bryan, party of the second part, whereby the said Read for and in consideration of the sum of \$19,200.00 to be paid

to said Read by the said Bryan agreed to convey to said Bryan the following described real estate situated in Moore County, Texas, to-wit: All of section No. 141, Block 3-T, & N. O. R. R. Co., containing 640 acres according to the records of Moore County, more or less, said contract was closed, the sum of \$100.00 of earnest money paid by the said Bryan, being put in escrow with the Fidelity Bank of Commerce of Spearman, Texas, until the deal as provided by said contract was closed, the said Bank to deliver to said Bryan a warranty deed to the above described property executed by Read upon Bryan's paying the sum of \$4800 and five certain Vendor's Lien notes, and deed of trust as provided in said contract that Bryan fully performed all of the terms and conditions of that contract as to him, and was entitled to receive the said warranty deed from the said Read, but that Read was in default and failed to perform the terms of the contract as to him, and failed to deposit the stipulated warranty deed to the above described lands, and an abstract of title thereto in said escrow bank, in compliance with the obligations of said contract, that the said Bryan having in all things fully performed the terms and conditions of said contract as to him, and being entitled to said warranty deed, from the said Read, covering the above described land, did about the 13th day of March 1930 assign all of the right, title and interest of him the said Bryan, by contract in writing to the plaintiff H. C. Coffee, for a valuable consideration, whereby the plaintiff Coffee is entitled to the said warranty deed from the defendant Read, that with full knowledge of the Plaintiff's right to receive from said Read the said warranty

deed, the said Read did fraudulently conspire with the defendant Holman, if the defendant Holman is not a fictitious person, for the purpose of avoiding specific performance of the said warranty deed to plaintiff, and did fraudulently convey for such purposes the said property to the said Holman, and praying for specific performance from Read under the terms and conditions of the Bryan-Read Contract, by conveyance from Read covering said section 141, Block 3-T, in Moore County, Texas, and that the defendant Bryan be decreed to have no right, title or interest therein, and that the purported deed from Read to Holman be cancelled and held for naught, and that title of

plaintiff as to said land be quieted in him as to all of the defendant, and in the event that specific performance could not be decreed that plaintiff recover his damages from said Read in the sum of \$50,000.00, for costs of suit and general relief. Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Spearman, Texas, on this the 12th day of November A. D. 1930. (Seal) J. E. WOMBLE, Clerk, District Court Hansford County, Texas. 49t4.

BANK CREDIT AND BANK BALANCES—

The balance you carry in your checking account has a good deal to do with the amount of credit extended at your bank. When one man wonders why he can't borrow as readily as his neighbor, granting all other factors equal, the reason is probably found in steady, substantial average balance as against a small, fluctuating account. It is good business from every standpoint to build up your bank balance. You build credit for the future, a bulwark against emergencies—ready capital for business opportunities.

A whole year's driving in less than a week!

For five and a half days and nights, through blistering heat, three cars—standard 1931 model sedans—racked around and around the torturing Indianapolis speedway, testing the new Socony Motor Oil.

In less than a week, at close to a mile-a-minute pace, they each covered 7,290 miles—a whole year's mileage (AAA averages)—the equivalent of driving uphill, throttle wide open, all the day!

The test was made under the strict supervision of the American Automobile Association. The result was even beyond the expectations of the Socony engineers after two and a half years' work!

They already knew it was a great COLD WEATHER OIL. Tested at 6 below zero, in an airplane flying over four and three-quarter miles high, this 100 per cent Paraf-

fine Base, dewaxed oil flowed freely. But the Indianapolis Test proved something more.

It proved that this new oil does not decompose or break up, no matter how savage the HEAT of an automobile engine.

It proved that this new oil consistently maintains the proper "body" at abnormally high engine temperatures, giving perfect piston seal, maximum power and minimum fuel and oil consumption; and that the new refining process, used in its manufacture, reduces to a minimum all harmful elements which cause carbon, gum and sludge.

You, too will find that the new Socony Motor Oil is noticeably "oilier"—better—and more nearly the ideal lubricant for eliminating wear in your motor than any other you have ever used.

We urged you to try it today. In any season it is even better for your car than the old Magnolene or Magnolia Socony Oils which met with such favor throughout the Southwest. And yet we offer it to you at a price no higher than the heavier grades of Magnolia Socony Motor Oil.

7,290 MILES round the Indianapolis speedway at 55 miles an hour like racing full throttle up hill for a week.

NINETY DISASTERS CALL OUT RED CROSS

Vice Chairman Fieser Cites \$1,200,000 Spent in Relief—3,500 Chapters Aid in Work.

Readiness to act in an emergency should a disaster strike, has become part of the Red Cross Chapter program in thousands of communities. The need for this training of local committees was revealed last year, when more than ninety communities required disaster relief work by the Red Cross.

As in former years, tornadoes brought the greatest damage. Twenty-four serious tornadoes occurred. Fire also took toll of life and property in twenty-four communities. Seven forest fires did great damage; eighteen acres were affected by floods, and nine storms caused heavy losses. Other disasters were cloudbursts, cyclones, epidemics, mine explosions and shipwrecks. In the insular possessions of the United States the Red Cross gave relief in twelve disasters, chiefly from hurricanes. In foreign countries relief was given by the American Red Cross in six instances of earthquakes, floods and to refugees.

The disaster relief work of the Red Cross cost \$1,208,151 last year. Statistics showed an approximate death rate of 796 persons in these disasters; buildings destroyed or damaged, 19,575; persons injured, 1,487, and persons assisted by the Red Cross, 96,872.

Through disaster preparedness of Red Cross Chapters, undoubtedly great numbers of lives were saved, and much distress and grief following the calamities was prevented, according to James L. Fieser, vice chairman in charge of domestic operations of the Red Cross.

"This type of work is supported by the membership of citizens of the United States, their volunteer contributions, and their devoted work," Mr. Fieser said.

"Every man and woman is urged to join as a member of the local Red Cross Chapter, not only to be a partner in supporting the work through his membership, but also to serve should an emergency occur."

"Join Red Cross," Urges Vice President Curtis

America's prominent citizens join in urging all men and women to become members of the Red Cross during the period of the annual fall call for Armistice Day to Thanksgiving Day.

The Honorable Charles Curtis, Vice President of the United States, says: "The American Red Cross is in a position to and does more to relieve those stricken by misfortune than any other organization in the world. Its splendid work has done much to bring a friendly feeling in all parts of the world for the people of our country because they sustain the American Red Cross. This wonderful organization is entitled to the liberal support of our people."

The Honorable Andrew W. Mellon, Secretary of the Treasury, says: "No one can predict when or where disaster may occur or acute emergency arise. The American Red Cross represents our community insurance against such misfortune. The organization stands ready at all times to render speedy relief to any stricken area in our own country or to assist in the relief of disaster in foreign countries. The Red Cross is the agency which carries on when emergency has disrupted customary modes and means of life in a community."

Six Foreign Countries Receive Red Cross Aid

Relief was given by the American Red Cross during the year in six foreign nations in disasters ranging from a tidal wave in Newfoundland, an earthquake in Persia, floods in France to help for refugees from Russia and prevention of a smallpox epidemic in Costa Rica. The \$5,000 Red Cross contribution to Newfoundland following the tidal wave, which took twenty-six lives and destroyed many homes and fishing boats, was the first from an outside country to reach the distressed people.

The sum of \$5,000 was given to the fund for the relief of the Mennonite refugees of German descent, who had determined to leave Russia for new lands. About 13,000 passed through Germany, where the German Red Cross, aided by Red Cross societies of other nations, helped them. The majority are being transported to new countries in the western world and the American Red Cross has transmitted contributions from individuals in this country.

When Costa Rica was menaced by a smallpox epidemic, the American Red Cross sent fifty thousand tubes of vaccine, in two airplane loads, undoubtedly saving the country from a serious outbreak of the dread disease.

33 Millions Earned By Working Students

Washington, D. C.—Students working their way through 611 American colleges earned approximately \$33,000,000 in 1928, the federal Commissioner of Education, William John Cooper, declared in an announcement calling attention to a publication on "Self-Help for College Students," recently compiled by the Office of Education.

The purpose of the publication is to put before students who intend to work their way through college information that will be of value to them.

The Commissioner called attention to loans amounting to nearly \$4,000,000 annually made to students through over 100 student loan agencies. The announcement reads:

To assist in answering the many requests for information as to where and how students may obtain a college education by working their way, a special bulletin on the subject has been prepared. This bulletin is entitled "Self-Help for College Students." It contains information of interest to students who plan to enter college on limited means.

Loan funds which are available to those who wish to borrow money for a college education are discussed and addresses of over 100 student loan agencies are listed. Nearly \$4,000,000 is loaned annually in 282 institutions in this country.

Jobs at which self-help students are actually working are described in 611 institutions nearly 200,000 students earned about \$33,000,000 through self-help activities in 1928.

A directory of colleges and universities is included in the bulletin, showing for each institution the location, enrollment, control, tuition rates, cost of board and room, minimum expenses, curricula and scholarships offered and other data.

This bulletin is no longer available for free distribution but may be secured by requesting Bureau of Education Bulletin 1929, No. 2 from the Superintendent of Documents, Government Printing Office, Washington, D. C. The price of the bulletin is 25 cents per copy.

Holiday's True Spirit In First Thanksgiving

Some, surveying the past twelve months, may feel they have little for which to be thankful. Let them compare their estate with that of the Pilgrims. Let them test their courage and spirit against the courage and spirit of Governor Bradford and his little company. After all, there is more to Thanksgiving day than a turkey, symbol of plenty, and a digestion-testing dinner. It is a day of retrospection. Another year of adventure and experience has passed, and here we are! Surely we are riper in knowledge; surely we know ourselves and the world better; surely we have profited, even though it may have been at the expense of hard knocks. Rather than the material achievement, reckon up the spiritual. The Pilgrims, that first Thanksgiving day, were poorer than they had been in England in goods of the world, but they had proved they could make a living in their new country, where they had the priceless blessing of liberty to think and speak after their own hearts were filled with thankfulness. And they made light of their hardships.

When we study the story of that first Thanksgiving day, we find in it the holiday's true spirit.—Detroit News

LAYING HENS INSURANCE OF HIGH PROFITS

"There is no such thing as a poor poultry season when birds of real laying ability are retained, fed, housed and cared for in the proper manner," declare government farm experts.

They point out that proportionately, raising of poultry has brought more profit this year than most other farm operations—and this despite low prices generally prevailing.

"Don't be frightened by the present season of low prices," Federal men said. They urge not to do as in the past—stock up heavily after a good season and turn loose of everything after a low price season.

Cut out rigidly all non-producers in the flock to reduce the flock for this winter, it is urged. Obtaining good stock in the spring to replace old hens raises productivity of the entire flock and insures poultry profits, it is pointed out.

Hatcheries furnish a good method in this regard, the experts say, especially since leading ones have adopted the slogan, "Hatchery Chicks for Greater Profits," to insure better flocks. Higher egg production per hen and, at the proper time, increased size of farm flocks offer solution of the farm poultry problem, regardless of prices, experts claim.

ATHLETIC TRAINING

It is said that Calvin of Turkey trains twelve months in the year to keep himself fit for athletics during the fall and winter season.

forced to keep his body well to make a snowing on his team.

Two of the best men on the Childrens team, we are told, were put on the bench because they would not train. It takes a real man to stay in there and deprive himself of the little pleasures that the gang want him to enjoy. But what red blooded American boy would not give the price to be the best player on his team. To stand the punishment that comes his way in football, a boy must have a wonderful constitution and plenty of will power. The boy who does not train soon shows his weakness when he gets into the game.

The boy who trains is a delight to himself and the fans who watch the athletic contest. Had not the local Bear Cubs been in excellent shape last Friday they could not have stood the battle with the heavy Turks. It took plenty of stamina to stand the test those Turkey men made them take.—Estelle News

Farm Home Burns Friday

The farm home of Mr. and Mrs. A. S. Burran burned to the ground on last Friday night. Mr. and Mrs. Burran who live here had the house rented out to Claude Crouch, and the entire family was away from home at the time of the fire. They were attending a box supper and entertainment about two miles away, and did not hear of the fire until it was too late to save any of the furniture.

The entire building and all of their furniture was a complete loss as there was no insurance on either.

The Crouch family was at a loss to understand the origin of the fire, and it is not known just how the fire started. Although the house made a big blaze, none of the rest of the buildings on the place were caught.—Booker News

NOTICE BY PUBLICATION

No. 168 in the County Court of Hansford County, Texas, In Vacation. In Contemdnation. Hansford County, J. G. B. Sparks, Commissioner vs. T. W. Holmes et al.

To T. W. Holmes, whose residence is unknown: You are hereby notified that J. G. B. Sparks as Commissioner and for the benefit of and in behalf of Hansford County, Texas, has filed a statement in writing before the Hon. C. W. King, County Judge over and across and upon the land of T. W. Holmes, said land being claimed by T. W. Holmes and said County has been unable to agree with said T. W. Holmes on the amount of damages to which said party might be entitled to, by reason thereof, and said petitioner has asked for the appointment of Commissioners to assess said damages, the land to be taken being described as follows:

Being a part of section 88 in block 4-T, T. & N. O. Railway Co. survey in Hansford County, Texas, and being the North 1 acre of the North 5 acres out of out lot No. 38 adjacent to Spearman as shown by plat recorded in Vol. 25 page 36 of the records of Hansford County, Texas; and beginning at a point in the East line of said out lot 38, a distance of 966.5 feet North of the S. E. corner of said out lot No. 38; thence N 293.5 feet more or less to a point in railway right of way; thence in a S. W. direction with said right

of way line a distance of 417.5 feet more or less; thence East 297 feet to the place of beginning, containing 1 acre of land more or less.

All of the above lands being in Hansford County, Texas. And this is to notify said T. W. Holmes that the undersigned Commissioners having heretofore been appointed by the County Judge of Hansford County, Texas, and having been duly sworn to assess said damages fairly, and impartially, will meet on the 15th day of November, (Saturday) 1930, at 10 a. m. o'clock at the City Hall in Spearman, Hansford County, for a hearing thereof, and will remain in session from day to day until this matter is disposed of.

Witness our hands this 21st day of October, 1930, date issued. A. L. JACKSON, T. H. TAYLOR, G. W. FULLBRIGHT, Special Commissioners. Executed by publication by H. L. WILBANKS, Sheriff Hansford County, Texas.

NOTICE BY PUBLICATION

No. 173 in the County Court of Hansford County, Texas, in vacation. In Contemdnation. Hansford County, J. G. B. Sparks, Commissioner vs. J. N. Sinclair. To J. N. Sinclair, whose residence is unknown:

You are hereby notified that J. G. B. Sparks as Commissioner and for the benefit of and in behalf of Hansford County, Texas, has filed a statement in writing before the Hon. C. W. King, County Judge of Hansford County, Texas, showing in substance that said Hansford County, Texas desired to obtain a highway right of way for the benefit of public travel, and Hansford County, and to construct and maintain a public highway known as Highway No. 117 over and across and upon the land of J. N. Sinclair, and said land being claimed by J. N. Sinclair and said County has been unable to agree with the said J. N. Sinclair on the amount of damages to which said party might be entitled to, by reason thereof, and said petitioner has asked for the appointment of Commissioners to assess said damages, the land to be taken being described as follows:

Being a part of section 88 in block 4-T, T. & N. O. Railway Co. survey in Hansford County, Texas, and being the North 1 acre of the North 5 acres out of out lot No. 38 adjacent to Spearman as shown by plat recorded in Vol. 25 page 36 of the records of Hansford County, Texas; and beginning at a point in the East line of said out lot 38, a distance of 966.5 feet North of the S. E. corner of said out lot No. 38; thence N 293.5 feet more or less to a point in railway right of way; thence in a S. W. direction with said right

distance of 4872 feet West of its SE corner; Thence N 44 deg. 38 min. East for a distance of 5425 feet to the beginning of a curve (2 deg.) to the right; thence around said 2 deg. curve to the right, whose central angle is 14 deg. 26 min. for a distance of 721.66 feet to the end of said curve; thence N 59 deg. 05 min. East 545.4 feet to a point where said center line crosses the East line of said section, containing in all 15.36 acres of land. Fifteen acres and thirty-six hundredths of an acre.

All of the above lands being in Hansford County, Texas. And this is to notify said Nelson W. Willard, T. W. Holmes, W. E. Holmes, Mrs. C. H. Love and husband C. H. Love; and Mrs. J. A. Holmes, a widow, that the undersigned

Commissioners having heretofore been appointed by the County Judge of Hansford County, Texas, and having been duly sworn to assess said damages fairly, and impartially, will meet on the 15th day of November, (Saturday) 1930, at 10 a. m. o'clock at the City Hall in Spearman, Hansford County, for a hearing thereof, and will remain in session from day to day until this matter is disposed of.

International Sunday School Lesson

By DR. J. E. NUNN

SUNDAY, NOVEMBER 18

Topic: The Believing Centurion. A Gentle Who is Jesus Commended.

Scripture Lesson:—Matthew 8:5-13

And when he was entered Capernaum, there came unto him a centurion, beseeching him...

And he saith unto him, I will come and heal him.

And the centurion answered him, Lord, I am not worthy that thou shouldst come under my roof...

And he said unto him, For I say unto you, that if ye will believe, ye shall have whatsoever ye shall ask in my name.

Text:—And they shall come from the east and west, and sit down in the kingdom of heaven...

—Midsummer, A. D. 28, second year of Christ's ministry.

Introduction: Centurions, or captains, make occasionally good showing in the New Testament.

Centurion vs. 5-8: And when he was entered Capernaum, there came unto him a centurion, beseeching him...

And he said unto him, I will come and heal him.

And the centurion answered him, Lord, I am not worthy that thou shouldst come under my roof...

And he said unto him, For I say unto you, that if ye will believe, ye shall have whatsoever ye shall ask in my name.

Text:—And they shall come from the east and west, and sit down in the kingdom of heaven...

—Midsummer, A. D. 28, second year of Christ's ministry.

Introduction: Centurions, or captains, make occasionally good showing in the New Testament.

Centurion vs. 5-8: And when he was entered Capernaum, there came unto him a centurion, beseeching him...

And he said unto him, I will come and heal him.

And the centurion answered him, Lord, I am not worthy that thou shouldst come under my roof...

troops of friends, and by all the comforts wealth could buy, accustomed to speak in imperative, if not in imperious ways, yet as he turns toward Jesus it is with a respectful, reverent demeanor.

The second remarkable feature of this message is that it expressed a marvelous faith. Others had believed in the power of Jesus to cure the sick by touching them or speaking directly to them, but no one else had manifested the belief that he could send his healing power into another city by merely speaking the word of command.

"Many Shall Come." v. 11: "Many shall come from the east and the west..."

Special Lesson: In this believing centurion our Lord saw a representative of that great host of people from all parts of the world who were to share in the blessings of his reign...

SLEEP: Sufficient natural sleep is just as important in maintaining a healthy mind and body as wholesome food and pure air.

"The Sons of the Kingdom." v. 12: "The sons of the kingdom..."

Introduction: Centurions, or captains, make occasionally good showing in the New Testament.

Centurion vs. 5-8: And when he was entered Capernaum, there came unto him a centurion, beseeching him...

And he said unto him, I will come and heal him.

And the centurion answered him, Lord, I am not worthy that thou shouldst come under my roof...

And he said unto him, For I say unto you, that if ye will believe, ye shall have whatsoever ye shall ask in my name.

Text:—And they shall come from the east and west, and sit down in the kingdom of heaven...

—Midsummer, A. D. 28, second year of Christ's ministry.

Introduction: Centurions, or captains, make occasionally good showing in the New Testament.

Centurion vs. 5-8: And when he was entered Capernaum, there came unto him a centurion, beseeching him...

And he said unto him, I will come and heal him.

And the centurion answered him, Lord, I am not worthy that thou shouldst come under my roof...

And he said unto him, For I say unto you, that if ye will believe, ye shall have whatsoever ye shall ask in my name.

Racial Prejudice is Unchristian

"Our land, which has been justly called 'the melting-pot of the nations,' is the best region on earth where racial prejudice should exist. This country is deeply in debt to every other land. From over the earth the brain and brawn of the different nations have joined to make the United States what it is. Increasingly the leaders of this democracy—the political leaders, the industrial leaders, the social leaders, the leaders in art, music, literature, and religion—are the cosmopolitan in range, outlook and makeup. And yet in many quarters a very bitter prejudice against certain races still exists. It is a prejudice of which we must rid ourselves if our country is to be unified in power and true progress, and to reach out in widest helpfulness over the world. More, it is a prejudice which we must throw from us if we are ever to fit down with the Father at the marriage supper of the Lamb. Character is to be the Christian test, and character alone."

A Call For Aid

With an estimated 5,000,000 persons threatened with idleness this winter, and approximately 20,000,000 likely to need aid during the cold weather, the cooperation of every citizen and civic organization is going to be necessary to cope with the nation-wide suffering arising through unemployment.

The National Emergency Committee for Employment appointed by President Hoover is promoting an extensive campaign to alleviate the situation. Units are being organized in every community to meet local problems. The appeal for aid has been sent forth to all. The replies have been fairly numerous. Large industries have promised to employ as much labor as possible. One small loan corporation has made available a special fund of \$100,000 to local welfare bodies in over 200 cities of the country for the purpose of helping as many families as possible. This is to be distributed in amounts of \$10 to \$50 per family to be paid back in small monthly payments, without interest or other charges, when the breadwinner of the family finds employment. Individuals have made contributions to various funds. Yet the response has not been sufficient to meet the need.

To a person who has always been fortunate enough to have an income that assured a home and plenty to eat, the realization of what it means to be without these does not come very easily. Some day in the near future take a little time off and visit a mission or municipal lodging house where those without the price of a meal or bed seek their food and lodging. Watch that group of men as they line up and file by to receive their portion of food; see how eagerly they grasp the bread and bowl of stew; with what difficulty they restrain their hunger and wait their turn. One glimpse of those tired, hungry faces, stamped with a mixture of misery and hope, longing and despair, will stimulate anyone possessed with a spark of human sympathy with the desire to do something to lessen the number of those in that unfortunate position. The call to aid those that are poor and cannot find work is one that no citizen can well ignore.

BIBLICAL THANKSGIVINGS: The observation of Thanksgiving day may be said to be a distinctive American holiday, yet it did not originate in the brain of Governor Bradford in 1621, as many people imagine.

HARD LUCK STORIES: A lady recently made the remark that she was going to quit trading at a certain store in Turkey for the reason that every time she went in there they were fussing and fuming, talking about hard times.

IT'S A TRAGEDY: Had you ever noticed that a very large majority of those who declare prohibition a failure, and that the law cannot be enforced and is doing more harm than good, are themselves violators of the law? They may not be bootleggers and morally as guilty of violating the law as the sellers.

THE CRITIC: If you want to hear the fellows who are trying to do something for the community soundly crit-

others are injurious to the nervous system, others are heart depressants. "Sleep, that knits up the ravel'd sleeve of care, The death of each day's life, sore labor's bath, Balm of hurt minds, great nature's second course, Chief nourisher in life's feast." —Shakespeare's Macbeth.

A Call For Aid

large red heart tacked over the fireplace explaining that the feature of the evening would be a game called Progressive Hearts. After all the members had gathered they enjoyed playing hearts for about two hours when all had grown tired of playing.

At a late hour refreshments were served in the form of sandwiches, cocoa, cookie hearts, and candy hearts. Before the social finally broke up everyone had a broken heart, a pieced heart, or a bright red heart.

The following young people were present: Ada Tompkins, Lloyd Terry, Amy Reed, Hugh Hazlewood, Edith Stevens, Freeman Barkley, Anna Lee Morton, Lois Bailey, Lucille Maize, Chester Rhoads, Emma Reaves, Chloe Oldham, Glenda Tutwiler, Kenneth Williams, Adna Buchanan, Norman Rhoads, Faye Files, Conrad Robinson, Cheta Lieb, Agnes Wilmet, Robert Fuller, Reba Barkley, Cloyd Windom, Jaunita Wilmet, Elmer Gunn, Ozella Hunt, Christine Valentine, Gertrude Files, D. T. Gatewood, Mr. and Mrs. Finley, and Mr. and Mrs. Nichols.

Surprise Party

A surprise party was given at the home of Mr. and Mrs. W. T. Rosson, Friday, November 7, in honor of Bill Rosson's birthday. Several games were played and enjoyed by everyone. Refreshments were served to the following: Mac Richards, Emma Reaves, Donna Nell Murphy, Bernice Vernon, Chloe Howerton, Vivian Close, Lorene Rosson, Orville Rippey, Walter Broadhurst, Jarvis Witt, Newton Holt, John Walker, R. B. Archer, Carl Owen and Bill Rosson.

Mrs. Morton and Mrs. Hale Hostesses to Le Jeudi Club

The members and guests of Le Jeudi Bridge Club were entertained at the home of Mrs. R. W. Morton Thursday afternoon, Nov. 6, with Mrs. Morton and Mrs. S. B. Hale as hostesses.

The entertaining rooms were attractively arranged in deep wine and yellow chrysanthemums. A lovely two course luncheon was served at the close of six games.

Those playing were: Mesdames M. B. Wright, R. E. Meek, H. P. Bailey, F. J. Daily, guests; Mesdames H. L. Dumas, W. L. Russell, John L. Hays, Delon Kirk, Bill Whitson, Jim Thompson, R. W. Huffstutter, John Duncan, R. H. Prewitt, M. D. Jackson, J. D. Heater, Chas. Chambers, Cecil Foote, Max Lackey, Vester Hill, Johnnie Lackey, D. W. Holland, E. C. Womble, S. B. Hale, Dawson Nichols, club members.

The next meeting will be November 20, at the home of Mrs. D. W. Holland, with Mrs. Holland and Mrs. Jim Thompson as hostesses.

Churches and Society

Methodist Church

Last Sunday was the last service of the conference year. The house was filled at both the morning and evening service. We had five additions to the church that day—three baptisms and two by certificate. This day closed one of the very best years in the history of the church—according to some of the old timers. The pastor will go to the annual conference with a full report on all lines. The salary and benevolences paid in full—notwithstanding that the salary is several hundred dollars more than was paid last year. Every cause represented went over the top financially. The orphanage, benevolences, golden cross, and many other items. The total amount raised for all purposes is more than \$7,000 seven thousand dollars for the year just ending. The Sunday school has doubled in enrollment, the League has 30 members or more and if it keeps going at the same speed it has for the last two months by Christmas it will have fifty or sixty members. The Women's Missionary Society has had a healthful growth—nearly forty members. They have raised something more than six hundred dollars this year.

numerically, too. We have had 55 additions to the church. These have come in at the regular Sunday services; no high pressure used or any revival held. This indicates a healthful growth of the church. Some of the very best material has been received into the church—laymen and laywomen who are taking their place in the activities of the church, and proving to be very useful.

The board of stewards has been alert and on the job, as well as the trustees and building committee. They expect to build a church in the near future. Had it not been for the low price of wheat a church would have already been built. The committee is considering plans and soon will select the plan they expect to use.

Services for Sunday are as follows: Sunday school at 10 o'clock. Preaching at 11 o'clock, league at 6:45 in the evening. No evening services. W. R. Finley will occupy the pulpit at the morning hour, in the absence of the pastor. Keep up your good attendance and keep the "ball rolling."

Epworth League Entertains

Thursday night, November 6, the Epworth League of the Methodist church entertained with a social at the beautiful home of Rev. and Mrs. Nichols.

Early in the week the members of the Epworth League received an invitation with a red heart pasted in the corner. They could not interpret the meaning of this until they arrived at the scene of the social, where they found a

New Nellie Don Frocks
