# The Spearman Reporter

VOLUME 66, NO. 14

THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, FEBRUARY 20, 1975

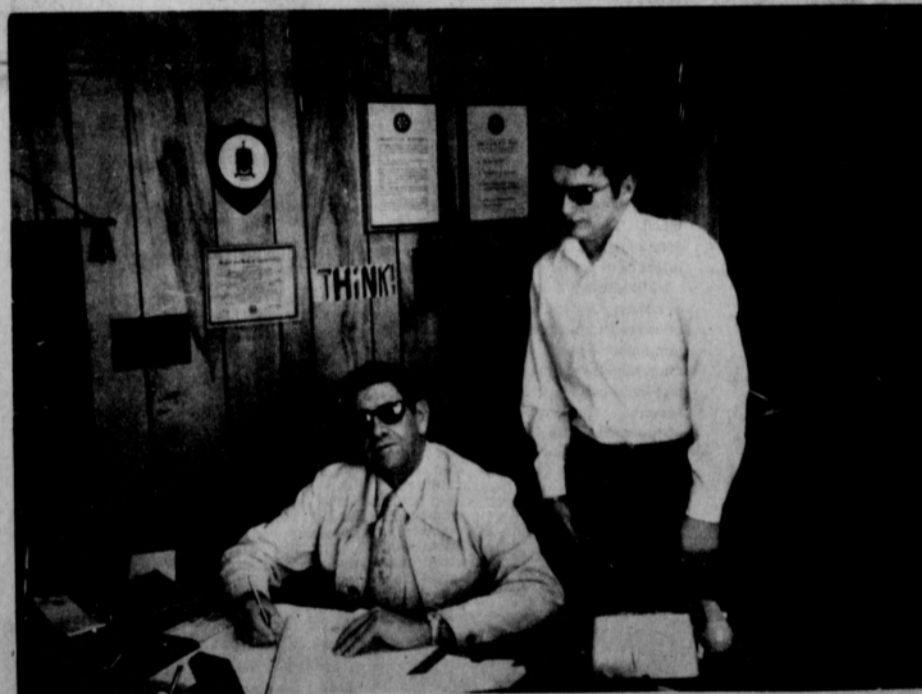

The City of Spearman did a good job Sunday when they cleaned up the snow on main street. The first downfall totaled 6 inches and fell Saturday night. It was a beautiful snow, with no wind.

Another inch of snow fell after midnight Saturday, to bring the 12 hour total to 7 inches of snow. Some of the city trucks are pictured as they dump snow off of main street, Sunday afternoon.

## Future Farmers - Past and Present

MAYOR COY PALMER is shown here with Future Farmers Chapter president, Randy Janzen as he signs the proclamation declaring Feb. 16 through Feb. 22 FFA Week. Members of FFA are busy getting their livestock ready for the Houston Stock Show and the upcoming Hansford Stock Show, scheduled for March 14 and 15.

Twenty members of the Spearman High School FFA Chapter will compete in the junior division of the Houston Livestock Show and Rodeo to be held Feb. 19 through March 2. H.S. Boone is the vocational agricultural teacher at Spearman.

Thirteen members of the Hansford County 4-H Club will compete in the junior division of the Houston Livestock Show and Rodeo to be held Feb. 19 through March 2. Joe Vanzandt is the County Extension Agent.

The competition in the junior events is set for the second week of the show when 4-H and FFA boys and girls from all sections of the state will be vying for top premiums and prizes. This is the largest junior livestock show in the country.

These young people will join adult exhibitors in seeking premiums of more than \$400,000, a new record for the Houston show. Around 19,000 entries are expected. The show will again be

held in the show's \$12.5 million facility with rodeo performances in the Astrodome. First rodeo performances are scheduled for Feb. 21.

All major beef and dairy breeds, swine, sheep and goats, horses, rabbits and poultry will compete for the top premiums offered.

A record 22 auction sales will be held this year, including sales for those breeds which have never been sold at auction at the Houston show.

A top array of talent will entertain at each of the rodeo performances. The Osmonds will appear Feb. 21-22; Helen Reddy on Feb. 23; Conway Twitty, Feb. 24-25; Olivia Newton-John, Feb. 26;

**BASKETBALL BULLETIN**-The District Champ Spearman Lynx will host Sanford Fritch I-A champions at Spearman Friday night at 7:29.

Tuesday night, Wellington and Fritch will play the first game of a double-header at WT field house at 6:29 p.m. The Lynx and Bobcats will play at 8 p.m. following Fritch-Wellington. Spearman-Fritch fans will sit on the south side of WT gym; Wellington-Childress will sit on the north side of WT gym.

### The Time Has Come...

Once again, the time has come to change to Daylight Saving Time. The change comes Sunday, February 23 at 2 a.m. when you should set your clocks ahead one hour. Don't forget to set your clocks ahead Saturday evening or you will find yourself late for Sunday School and Church and maybe even late for school and business Monday.

### Hospital News

Patients in Hansford Hospital are Linda Tosh, Clarence Pettit, Mary Sparks, Maureen Eiling, Linda Leatherman, Holly Black, Ann Rasor, Elvira Tomlinson, Darryl Ammons, Aubrey Cookston, Shirley Harbour and son, Janna VanZandt, Cloie Walker, Joy Henderson, Linda Wilcox, Rosalee Groszox, Josie Holt, Stacy Williams, Grace Bennett, Reba Bennett, Mickle Hill, Clifton Longley, Violet Hornsby, Chelly Rigdon, Roxanne Schenk.

Dismissed were Marguerite Nelson, Dow Willis transferred, Johnny Waggoner, Kelly Garrett, Elsie Mathews, William Lieb, Elaine Miller, Seth Hall, Linnis Buzzard, Luis Moreno, Chad Brown, Tommy Cook, Horton Paster, Norma Pasterman, Carl Dean Urban.

### FFA Selling Fruit Thru February

If you didn't get some oranges or grapefruit from the FFA last December or if you did and would like some more, you can, if you haven't been contacted already, by getting in touch with any FFA members.

The FFA members will be selling the fruit until Feb. 29. This fruit comes in 40 lb. and 20 lb. boxes \$6.20 for the 40 lb., and \$4.00 for the 20 lb. boxes. This fruit was especially good this year and if you don't believe it ask someone who bought some in December.

FEB. 18	41	16	1 inch.
			2 inches

The Spearman Future Farmers Chapter had its beginning in 1930 and is now in its forty-fifth year of teaching agricultural skills to interested young people.

There have been many hard working men who have contributed to the growth of the Ag Dept. in Spearman High School and a few of these are Dan Douglas, J.B. Jackson, Robert Stain, Ralph McLaughlin, Mr. Clayton, Jerry Jackson, David Laurie, Jerry Felder, Jerry Hawkins, Herman Boone and Bert Williams. Mr. Boone and Mr. Williams are the present Ag teachers. This list of Vo-Ag teachers only dates back to the late 1940's.

The Spearman chapter is just one of the eight hundred and eighty three chapters in Texas which currently enroll 53,017 members.

Currently there are twenty-one Vo-Ag students, twenty-two Vo-Ag II students, eleven Vo-Ag III students, seven Vo-Ag IV students and there are twenty-two members in Ag-Co-op. Ag-Co-op was first begun

last year and has been very successful. It is a course teaching vocational sales and services in the field of agriculture. A pre-employment lab course is also offered but was not taught this year.

The Spearman FFA chapter has a total of 73 members.

Spearman has produced 18 Lone Star Farmers in its history, fifteen of these have been since 1968; the first and only one prior to 1968 was Bryan Jones. Recent Lone Star Farmers are Bill McClellan, Jack Lee, Carl Kunselman, Vernon Pipkin, Kenneth B. Nix, Joe Vanderburg, Daniel Smith, Steven Greever, Jim Kunselman, Pat Sloan, Dee Vanderburg, Danny McLaughlin, Gary Evans, Robert Beck, Seth R. Iason, Glen Macle and David Harbour.

There are about seven students who are planning to apply for this degree this year.

The Spearman FFA Chapter has, this year, a very capable set of officers and they are: President-Randy Janzen, Vice President-William Porter, Secretary-

Steve Hagerman; Treasurer-Raymie Porter; Reporter-David Deas; and Sentinel-Jeff Hohertz.

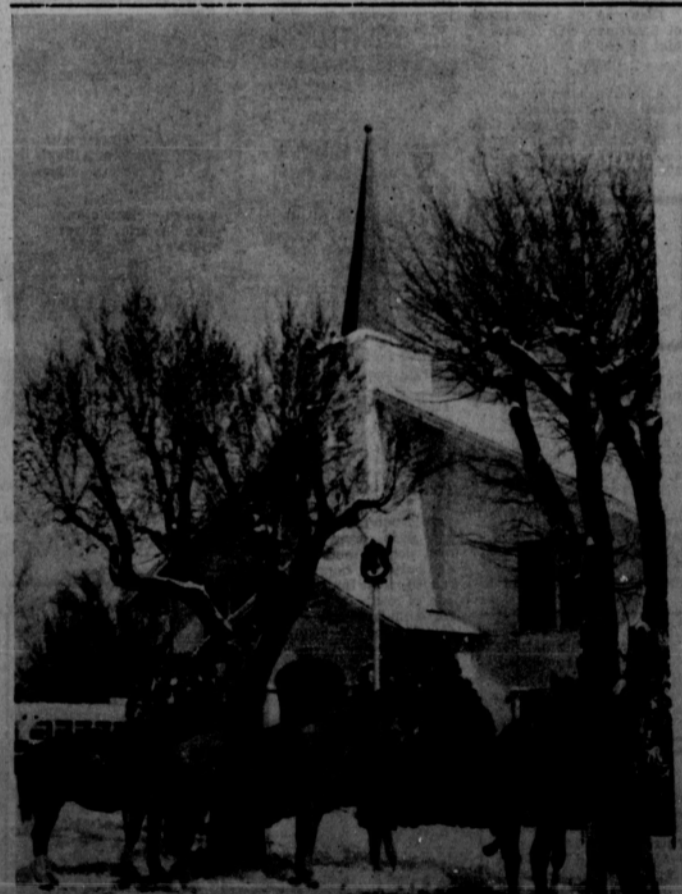

This year the chapter has participated in leadership contests in Clarendon and the area contest in Plainview. Some members have shown animals at Amarillo and Fort Worth Stock Shows. Members also will show at Houston Stock Show the end of Feb. and the Hansford County Stock Show has been set for March 14 and 15.

Some of the chapters many activities included this year a picnic with the FFA girls on the Mathews Ranch selling citrus fruit in Dec. and hosting an appreciation chili supper for their parents.

On Feb. 17 the chapter enjoyed a skating party at Berger.

Many members will be participating on judging teams in April and the Annual FFA-Parent-Member Banquet is set for April 28.

Overall the chapter is very active in its role of building Future Farmers.

Snow fell Saturday, Sunday, and Monday night totaling 9 inches all together. This picture postcard scene was taken at the Union Church where several of the members had to ride their horses to church Sunday! It was old timers day.

Captains Gressett and Wheeler talk with the gals from Phillips, Sat. nite.

Do it up big.

Or small.

With our home improvement loan.

Maybe you're re-siding the whole house or adding a garage. Maybe just remodeling the kitchen or installing a bathroom. Big job or small, ours is the home-improvement loan that does it all. We provide the money you need, the way you want to pay it. For ease and convenience, we do it up big. Only the cost does it up small.

## BITS OF THIS AND THAT

By Nita Stewart.  
Sure hated to see Bill  
Watson hook up his U-  
Haul trailer, it just seems  
so final. We know Bill  
and Joy hate to leave  
Spearman as much as we  
hate to see them leave--  
The Watson's are moving  
to Wheeler Texas--We  
sure are going to miss  
them and their darling  
daughter Jill. One thing  
Wheeler isn't so far that  
they can't come visit on-  
ce in a while. Good  
Luck to you both in your  
new job and home.

If anyone needs a baby  
sitter I know of a couple  
of them now. Both are  
good and reliable. So  
give me a Call 2186 and  
I'll give you their phone  
numbers.

Karen Pierce has joined  
the Army and is stationed  
at Fort McClellan, Ala.  
where she's taking her basic  
training. Karen is the  
daughter of the J. L. Pierce's  
of Spearman. Take note  
Ruby and Rosa of Oregon.

We sure had a good time  
Saturday afternoon visiting  
in between customers  
with Kenneth (Smitty)  
Smith, Jimmie Hezer,  
Juanita and Rosa Pierce,  
Gwen Younger. We always  
enjoy all these folks.  
Come back- Almost forgot  
Tom and Terri Dow and  
Agnes Thomas, also Ray-  
mond.

Butch Scheafer and Tim-  
my Harper went to Strat-  
ford Saturday to watch the  
Lynettes game.

Jack Whitson won 2nd  
prize at Earl's T.V. open-  
ing Saturday. Jack won  
a real nice Zenith Clock  
radio. He came by and  
showed it to us and believe  
me it was really nice.

How about that snow.  
We had seven inches at  
our house and we are very  
sorry if any of you came  
by Sunday for gas, but we  
couldn't get our car away  
from the curb. I had a  
dentist appointment for  
Monday morning at 9 a.m.  
and I couldn't get there,  
which I hated because I've  
really suffered. But the  
first nice day I'll be there  
at Doctor Novak's, you  
can bet on that. Joe By-  
num came by Sunday and  
got Dave they came down  
and got a bag of salt and  
came back. Then Kurtis,  
our grandson and Edna Hay's  
shoveled off our walk and  
salted them good. He was  
so sweet. HE even made  
a walk to out dumpster for  
us. We hadn't thought of  
it, really makes it nice.  
Many thanks, Kurtis. Even  
with the additional 2 inches  
we got Monday night our  
walk way and Mrs. Hay's  
was clear this morning.  
That salt really good.  
Had a nice visit once  
again Monday with Juanita  
Pierce. She'd received a  
nice letter from Karen  
Pierce who is a little home  
sick, but enjoying basic  
training. Nice to hear  
Karen is doing so well in  
the Army.

As you already know the  
Spearman Scrambles were  
cancelled again by the  
weather. They will be  
held the first nice Sunday  
so all you riders keep it  
in mind. They will be  
held for sure.  
Sorry to hear VI Hornsby  
is in Hansford Hospital.  
Get well soon VI. We  
miss seeing you.  
God Bless you all.  
Drive Carefully.

## Winners At Earl's TV

Winners in the big grand  
opening of Earl's TV Friday  
and Saturday include 1st  
prize winner, J.C. Hicler-  
son, a RCA Stereo; 2nd  
prize winner was Jack  
Whitson, radio; 3rd prize  
winner was Susie Hand, also  
a radio.

Twenty-three percent  
of all Texans--about  
24 million persons--live  
in crowded or over-  
crowded housing. (Crow-  
ded" refers to 1.01-1.5  
persons per room in a  
dwelling. "Overcrowd-  
ed" refers to more than  
1.5 persons per room.)  
Three out of 5 of those  
Texans in crowded or  
overcrowded housing  
are children under 18.

Side of Childhood,"  
published in 1974 by the  
Texas Department of  
Community Affairs,  
Office of Early Child-  
hood Development.

Mindi Brinkley, 4-year old daughter of Mr. and Mrs. Wesley Brinkley of Liberal, Kansas, won the Toddler's Race in the 26th International Pancake Race held annually in that city. The petite little lass ran the half-block race in 9.1 second flat. The toddlers group, age 5 and under, run the last half of the women's race. Requirements for Toddler contestants are that they must wear a dress & apron, have on a head scarf and carry a pan with a pancake. Mindi ran in the race last year, but didn't do too well, so this year her Dad Wesley coached her some. He taught her how to get off to a good start, and told her not to look at anyone else running along beside her. Mindi obeyed like a good sprinter, and came in ahead of the other 15 contestants. Mindi's grandmother Mrs. John Brinkley and her aunt Mrs. Burton Schubert, both of Spearman, were on hand to watch her run. Other Spearman grandparents are Mr. and Mrs. Granville Boyd. Mindi is pictured above (center) with the 2nd and 3rd place winners in the Pancake Race which was held recently. The Brinkley's are former Spearman residents.

## Nelle's News By HD Agent Nelle Evans

Despite the cold and  
snow spring will soon arrive.  
Easter is only six weeks  
away so let's think of spring  
fashion colors.  
Add sparkle to your ward-  
robe with a myriad of fasci-  
nating colors. The Spring  
'75 color harvest offers a  
potpourri of neutral tints  
and crystalline mid-pales  
that are soft and feminine.  
A bumper crop of undiluted  
clear, pure colors of nature  
in the uncomplicated beauty  
of fresh and often glazed  
hues give fashion a cheer-  
ful note in the midst of econ-  
omic unrest.

Spring '75 colors com-  
plement those of the last few  
seasons. Use your imagin-  
ation to mix and match the  
new pure colors with the  
heathered tones of the '74's.  
Popular new colors include  
clear blues, pale peaches  
to bright corals, greens with  
a tinge of yellow, and black.  
The newest fashion colors in-  
clude violet, mauve pink  
and dusty grape. Aqua and  
jade are the spring follow-  
up to fall's "teal blue" suc-  
cess.

Sand dune and driftwood  
combine for more of nature's  
best blendings to demon-  
strate fashion's continuing  
love affair with "all things  
natural". Seafoam (soft  
green) Sunbeam (soft yellow)  
and Misty Grays are the new-  
est fashion mixers. Ivory,  
Ecu, and Pongee Colors  
continue to play a promi-  
nent role.

The sunshine clearness of  
white stands alone as a fash-  
ion favorite or may be mix-  
ed with pure colors for a  
bright, new look. The ever  
popular combination of black  
and white takes on a new look  
when mixed with bright ac-  
cent colors.

The color carousel con-  
tinues in the pure brightness  
of nature's own in a beau-  
tiful array of field flowers  
and fresh fruit. Sprited  
colors such as sweet clover,  
tomato patch, comflower,  
jaunty jasmine, bright ba-  
nana, sunblaze orange, hot  
poppy, carrot, pumpkin,  
green apple, and mango spice,  
wild violets, and morning  
glory (aqua) present a bright,  
peppy color picture.  
Reminiscent of madras col-  
ors, the small group of deep  
brights serve as backgrounds

the

## NCUA Honors Credit Union

STINNETT-- The H & H  
School Employees Federal  
Credit Union, Stinnett,  
earned its fifth consecu-  
tive Thrift Honor Award for  
its success in stimulating  
savings, according to  
Paul A. Trylko, regional  
director of the National  
Credit Union Administra-  
tion.  
The Federal credit union  
attained a monthly rate of  
growth of 3.1 percent in  
whare accounts \$20,000  
and under. This growth  
rate was above the aver-  
age for Federal credit uni-  
ons of similar size, ac-  
cording to Trylko.  
On Nov. 30, 1974, the  
credit union had 687  
members who had saved  
a total of \$552,467. The  
credit union primarily  
serves employees of public  
schools in Hutchinson and

Hansford Counties, Texas.  
The Federal credit union  
was chartered in Dec. 1963.  
Ben Hildebrand is presi-  
dent of the credit union  
and Mrs. Stanley Freriks is  
treasurer.  
The National Credit Uni-  
on Administration con-  
ducts its Thrift Honor A-  
ward Program to provide an  
incentive for officials of  
Federal credit unions to  
encourage members with  
small accounts to save  
regularly as part of their  
family financial manage-  
ment plans.  
Herman Nickerson Jr.,  
heads up the administra-  
tion which is responsible  
for chartering, supervising,  
and insuring Federal credit  
unions may be insured un-  
der the Federal Program.  
There are approximately  
13,000 federally chartered  
credit unions.

# Aging insulation may be costing you money

Even though your home was properly insulated when it was built, aging insulation may have settled. This can waste money and energy. Settling of insulation may be caused by age or by dampness. Settling through cracks, louvers or leaks. Measure the insulation. If it isn't up to the level recommended by heating. And ceiling specialists. It's time to add more. Check weather stripping around doors. Have someone else check the weather stripping of north-facing door. If light shows through the weather stripping, it's insufficient and should be replaced.

**COMMUNITY PUBLIC SERVICE**

Members of the Union Church gathered Sunday for an Old-Fashioned Sunday. They came in old fashioned clothing and on horseback and in sleighs. The heavy snowfall added much to the occasion.

Michelle Wright and Jo Dean Lacher. Next meeting will be Feb. 21st in the Scout House.

### Library News

The best way to get a paying job this summer is to know where the jobs are.

The Library has just received "1975 Summer Employment Directory of the U.S." which contains some 90,000 jobs that are available in recreational areas throughout the country.

From the research conducted among thousands of employers for the facts contained in the 208-page book, there will be about 10% less jobs this summer, near the level of 1973. High school seniors are more favorably considered by some employers as they plan to train instead of hiring skilled, experienced workers.

The employers include resorts, summer camps, national parks, summer theatres, ranches and restaurants. Most jobs include room and board and some have added benefits such as laundry, travel allowance, end-of-season bonus in addition to salary. The average salary is from \$600 to \$800 for an eight-week season. Complete information for making application is given -- specific openings, salary, dates of employment and the name of the person who accepts appli-

Junior Troop #76 met Mon Feb. 17th in the Girl Scout House with leaders, Mrs. Jim Davis and Rhonda Morrison. Rhonda showed the girls how to cover coat hangers with yarn, then the girls began work on their hangers. Work was done on their Magic Carpet Badge. Refreshments of cookies and punch were served by Jean Davis to members, Cindy Burton, Debbie Burton, Penny Cummings, Jan Davis, Sonya Cooley, Lana Paul, Yvonda Scroggs, Debbie Fittler, Angela McCain, and LaTonia Phelps. Next meeting will be Feb. 24th at the Scout House with Yvonda Scroggs as hostess.

Brownie Troop #65 met Friday, Feb. 14th in the Girl Scout House with leader, Mrs. Ronnie Beck. The girls finished their Valentines for their parents. Those present were Andrea Archer, Cristie Black, Ruth Ann Dennis, Stephanie Hays, Jeannie Laird, Karla Latta, Tisha Percy, Angi Thompson, Teresa Tindell, Genyie Womble, Kelly Rinker, Lorrie Morris, Stephanie Friemel, Kelly Groves,

catons. High School seniors, college students and teachers are invited to apply.

Visit the Library to learn details of 1975 summer job openings or, if you prefer a copy of your own, you can order by mail "Summer Employment Directory of the U.S." (\$6.95) from National Directory Service, Inc., 252 Ludlow Ave., Cincinnati, Ohio 45220.

### Boy Scout News

Den #4 met Friday, Feb. 14th in the home of Mrs. Larry Cross.

The boys had a Valentine party and played games. Refreshments of Valentine candy and punch were served by Den Mothers, Mrs. Larry Cross and Mrs. Daniel Fittler to guest, Cole Ivey and to members Mark Pearson, Ross Bull, Mac McLain, Donnie Cross and Robbie Randall.

Next meeting will be Feb 21st in the home of Mrs. Larry Cross.

### Your County Agent Says

The latest USDA Cattle on feed report showed there were 6,050,000 cattle and calves on feed Feb. 1 in 7 States--Texas, Arizona, California, Colorado, Iowa, Nebraska and Kansas. This is a 5 percent decrease from the 6,369,000 head on feed a month ago and 37 percent less than the 9,632,000 head on feed last year at this time.

January placements for these 7 States were 1,139,000 head, which is 829,000 head less than a year ago for a 62 percent reduction. Marketings for these 7 States were 1,354,000 head for Jan. compared with 1,348,000 head marketed the preceding month and 1,558,000 head marketed a year ago. Other disappearance from feedlots was estimated at 104,000 head, 21 percent below Jan. last year.

In Texas there were 1,237,000 head of cattle and calves on feed. This number is 47 percent below a year ago and 7 percent below last month. This is first time since June, 1972 that Iowa has more cattle on feed than Texas. Iowa currently has 1,250,000 head on feed.

Texas cattle feeders placed 212,000 head into their lots during Jan. Placements are 56 percent below Jan. 1974 but 8 percent above the previous month. There were 282,000 head of fat cattle marketed during Jan. 15 percent below Jan 1974 and 7 percent above December 1974 marketings. Other disappearance from feedlots was estimated at 20,000 head, 43 percent ab-

ove a year earlier. Other disappearance includes cattle and calves that were sold for further feeding or have died.

The increase in prairie dog control has let up a little in the number of inquiries I have had lately. As soon as this snow cover melts off, you need to get after any prairie dogs you want to control this year. If you need information on how to best control your prairie dogs, please give me a call.

If any of you fishermen have applied for fish through the county Extension office for your farm ponds, you need to come again. The old applications were sent to the Federal Hatchery in New Mexico and they have stopped filling individual applications. Fish will now have to be ordered from the Texas Parks and Wildlife Dept., John H. Reagan Bldg., Austin, Texas 78701.

Large mouthbass applications must be received prior to Jan 1 and deliveries are made between April 1 and July 1. Channel cat fish or hybrid sunfish applications must be received prior to June 1 and these fish will be delivered between August 15 and Nov. 1. The size of fish to be stocked will be 1-3 inches in length.

Next week I plan to be gone all week to attend the Houston Livestock Show with 13 Hansford County 4-H members who will be exhibiting 8 head of steers and 6 barrows in the show. These 4-H'ers include: Kim and Sam Boone, Scot and Mary Ann Martin, Darla Arnes, Scott Henderson, Todd and Ty Williams Shonna Thompson, Anita Walker, Kenny Gammon and Marshall and Durwood Cator.

If you haven't seen in a soil sample, anytime is a good time to have your soil checked by the Extension Service Soil Testing Laboratory at Lubbock, Texas. If you need information sheets, sample boxes or mailing cartons, come by the County Extension office.

### Customers & Dealers Visit

Approximately 95 John Deere customers and dealers from the Spearman area recently visited the Deere & Company Administrative Center in Moline, Illinois, as well as Deere factories in that area and in Iowa. The purpose of the trip was to acquire the customers and dealers with new John Deere farm equipment and show them how it is manufactured.

The visitors also met with Company executives and saw slide and film presentations on new Deere products. The Spearman group was one of many scheduled to visit the Deere headquarters and factories between mid-Nov. and mid-March. Altogether, the Company expects between 12,000 and 15,000 farmer-dealer visitors.

Maternal grandparents are Mr. and Mrs. R.D. McLain and paternal grandparents are Mr. and Mrs. I. A. Harbour. Paternal great-grandparents are Mr. and Mrs. T.L. Harbour and Mr. and Mrs. Dan Jackson, all of rural Spearman.

Rebekahs Plan Dinner

Spearman Rebekah Lodge 290 met in regular session Feb. 13, at the I.O.O.F. Lodge Hall.

Noble Grand De Anna Kenny presided at the meeting. Secretary Mona Slater read the minutes of the last meeting which were approved as read. Finance and Treas. report read and approved.

Standing committees for the meeting were appointed by Noble Grand. One new member Reba

### Bridge Club

The Friday Night Bridge Club met Feb. 14th in the home of Mr. and Mrs. Jimmy Greene.

High score was won by Mr. and Mrs. Cliff McGarrugh low score was won by Mr. and Mrs. Edwin Percy and the traveling prize was won by Sonya Godfrey.

Members present were Mr. and Mrs. Roy Flowers, Mr. and Mrs. Cliff McGarrugh, Mr. and Mrs. Edwin Percy, Mr. and Mrs. Ted Godfrey, Mr. and Mrs. Albert Clark and hosts, Mr. and Mrs. Jimmy Greene.

Next meeting will be Mar. 14th in the home of Mr. and Mrs. Roy Flowers.

### Arts & Craft

The Arts and Crafts Guild met Friday, Feb. 14th in the home of Mrs. Joe Tra- yler.

Refreshments were served by Mrs. Traylor to members, Mesdames: P.A. Lyon, Guy Fuller, Pope Gibner, Clay Gibner, Bill Gandy, Garrett Allen, and F.J. Hoskins.

Next meeting will be Feb. 21st in the home of Mrs. Garrett Allen.

Linda Latta

The Beta Sigma Phi Valentine Ball was held Sat. Feb. 15th at the Perryton Country Club.

Mistress of ceremonies for the evening was Mrs. Kent Guthrie.

Following dinner, the evening was highlighted by the coronation of the 1975 Valentine Sweetheart for Rho Rho and XI Zeta Upsilon chapters. Background music was played by Mrs. Clark Mires. The stage was decorated with a red and white Valentine decor.

Rho Rho Sweetheart, Judy Nelson was escorted by her husband, Dennis. Dennis and Judy have three children: Kimberly, age 8; Kevin, age 4; and Kyla,

age 2. Judy has a degree from Texas Tech University in English and taught school in the Gruver school system for three years. She has been an active member of sorority for three years. The first year, she was named Pledge of the Year and was also the first pledge from Spearman Sorority to submit a poem to the International Poetry Contest. Judy's second year of sorority was also a busy one. She was program chairman and was responsible for compiling the yearbook. This last year, she has served as treasurer and won the honor of Valentine Sweetheart. Judy's hobbies and interests incl-

ude sewing, painting, bridge, gardening and church work. To her, sorority means friendship, sharing and fun.

XI Zeta Sweetheart, Linda Latta was escorted by her husband, Tom. Tom and Linda have three children: Carla, age 7, Julie, age 5; and Leslie, age 6 months. Linda has been in sorority since 1968. During this time, she has served as Recording Secretary, Corresponding Secretary, Ways and Means Chairman and Yearbook Chairman. She also received the honors of Program of the Year, Chairman of the Year, and Valentine Sweetheart. Among Linda's many hobbies and interests are: playing bridge, gardening and riding.

Mrs. Nelson and Mrs. Latta were each presented a single long stemmed yellow rose and were crowned with a silver tiara by their husbands.

The Sweethearts and their husbands opened the dance, featuring "The Barlows" of Perryton.

## More Babies Forecast For Local Area

### Special Feeder Pig Sale

7 p.m., Feb. 22, 1975

Panhandle Livestock Com. Co.

405-338-3378  
Guymon, Okla.

NEW YORK, Feb. 15 - Babies are about to stage a dramatic comeback in Hansford County. That is the prediction, based upon the latest Government statistics. They show that a bumper crop of new babies may be expected in the local area, as well as in most other parts of the country, starting this year and continuing for at least

five years beyond. The reason, according to the Planned Parenthood Federation, is that "a tidal wave of prospective parents" is upon us. Census Bureau figures show that no less than 9.4 million Americans are now at that stage--the early and middle 20's--as compared with only 6.9 million ten years ago.

The sudden increase in their number is attributed to the record birth rates that occurred in the years between 1950 and 1955. The babies of that period now grown up, are in the process of getting married setting up homes and starting their own families. At the present time, Hansford County has a pool of 591 young men and women in the 21 to 24 age group, where most marriages occur. It compares with only 456 at that age level in 1965.

Thus, there are 30 percent more in this potential parent group than there were ten years ago. The number of marriages has been going up at a similar rate. Nationally, the expectation is that there will be close to 2,450,000 marriages this year, as against 2,179,000 in 1970. And since, in the normal course of events, more marriages mean more babies, a proportionate return is predicted in the number of births. In Hansford County, according to the latest regional figures, there are 148 children born in a year in proportion to every 100 marriages that take place.

Commenting on the changing picture, a director of the American Academy of Obstetricians states: "There is no question but that we had a real drop in births in the early 70's. However, from here on, for five to ten years, there will be an increase--not necessarily an increased birth rate but just an increase in the number of people who are, if you will, going into production

### GREETINGS TO ALL PRODUCERS

At our cattle auction last FRIDAY, February 14, we sold a total of 6030 cattle and calves of various classes. The "Action" began at 10:00 AM, (CST), and was completed at 11:30 PM. Buyers were in attendance from several states to absorb the offering.

Listen to the "Radio of your choice" commencing every Wednesday evening as listed below:  
KGYN, Guymon, Okla. 1210 on your dial--Wed. Eve. following 6:30 weather report Thurs. morning 6:30, Thurs. Noon 12:30, Thurs. Eve. 6:30 and Friday Morning 6:30 (All following the weather reports.)

KDDD, Dumas, Tex. 800 on your dial--Wed. Eve. 5:16 to 5:21, Thurs. Morning 6:36 to 6:41, Thurs. Noon 12:20 to 12:25, Thurs. Eve. 5:16 to 5:21, Friday Morning 7:05 to 7:10

KTNM, Tucumcari, New Mex. 1400 on your dial -- Wed. Eve. 5:30 Thurs. morning 6:30, Thurs. Noon. 1:00 PM, Thurs. Eve. 5:30 (Mountain Time).

KXXX, Colby, Kan. 790 on your dial -- Wed. Eve. between 5:00 & 5:15, Thurs. morning on "Sale Ring" program between 8:00 & 8:25, Thurs. Noon Farm Program at 12:50 Adjacent Livestock Market Report, Thurs. Eve. between 5:00 & 5:15.

KGNC, Amarillo, Tex. 710 on your dial -- Wed. Eve. 6:30, Thurs. morning 6:15, Thurs. Noon 12:20 to 12:30 with regular market report, Thurs. Eve. 6:30 Monday Noon 12:20 to 12:30, previous Friday's report.

We are now taking consignments for every FRIDAY thru April 11. Advise us of your plans.

### Consumer Market Report

COLLEGE STATION---Retail beef prices dipped in the past two weeks, and most stores have even lower, "special" prices on various cuts of mature and baby beef, Mrs. Gwendolyn Clyatt reports. Consumers should check ads for family preferences, the consumer marketing information specialist with the Texas Agricultural Extension Service advised. "Best values will appear on round steaks and roasts, ground beef, chuck roasts, calf and beef liver." Retail pork prices remain at higher levels--with best prices on smoked hams end-cut rib chops and roasts, The Texas A&M University System specialists added.

At poultry counters, fryer chicken supplies are ample at slightly higher prices. Even so, serving chicken three or more times weekly will likely cut most families' food budgets, Mrs. Clyatt noted. "Vegetable selections include abundant supplies of broccoli, dry onions and potatoes--with prices on potatoes substantially lower than a year ago. "Cabbage, carrots, turnips and celery supplies are about the same. "Canned vegetable prices are not down, but specials are expected on many of these products," she predicted.

Good fresh-fruit buys include oranges, grapefruit, apples and winter pears, particularly D'Anjou fruit cocktail and frozen strawberries, Mrs. Clyatt said.

Good fresh-fruit buys include oranges, grapefruit, apples and winter pears, particularly D'Anjou fruit cocktail and frozen strawberries, Mrs. Clyatt said. CONSUMER WATCH-WORDS: Buy meat according to cost-per-serving--rather than cost-per-pound.

### SIMS METAL BUILDING CO.

MESCO METAL BUILDINGS

MESCO marketing begins with you...what your building needs are and how to supply them. From that point on you have the coordinated efforts of one of the finest building and construction organizations in the country. All are dedicated to the ideal that you, the customer, want more with your new building than just versatility, economy and low maintenance. You want service. People interested in people. And nobody is more interested in solving your building needs than Mesco and your local Mesco builder, Sims Metal Building Co.

See Dean Sims today, at his office in the LaMaster Agency, at 209 1/2 S. Main, or call 435-2625 or 435-2449. Be surprised at the quality of buildings and service offered by this new business in progressive Perryton and the High Plains area of Texas.

# Lynxettes Lose District Playoff To Tall Talented Phillips Girls!!!!

It was the little girls against the big girls at Stratford Saturday night, and the big girls won. Phillips, hitting a phenomenal percent, defeated the Lynxettes 84-63. However,

this year's Lynxettes can claim that they drew the largest crowd to view a girl's playoff game, in the school's history, as 1500 to 1700 people crowded into the Stratford gym, to

watch these two great teams in action.

The difference was Phillips Jill Rankin. Jill hit 18 out of 25 field goals and sank 21 of 28 free throws for 60 points. Jill sank 13 out of 15 in the first half, and Phillips hit 90% in the first quarter and 84% in the second quarter. This is the highest percentage of shooting that the district has had in years. Most everyone in the gym Saturday night, agreed that the winner of this game would probably be the state champion for this year, and the Lynxettes have had a great season, and have beaten the Blackhawks 2 times.

Ironically enough, with Phillips shooting an average of 87% in the first half, the short talented Lynxettes pulled within 9 points of the Hawks in the second half, and looked like they might do the impossible. Of course, the big difference in the teams was the shooting percentage; Phillips has been hitting 50 to 55%, which is great, but when you hit 87% in the first half, what can you do?

Coach Newton stated that he could never remember anyone hitting this big a percentage. This newspaper has been watching girl's basketball in the area since 1932, and we have never seen a team hit like the Hawks did Saturday night. We also want to thank Coach Clemmons and his great girl's team for the

fine sportsmanship that they have displayed this year at all of the Spearman games. We, along with many of the girl's basketball fans in the district, intend to back our district representatives all

the way to the state championship. We still say it took a great champion to beat the Lynxettes this year. We are proud of Ralph Newton and all of his girls. And, we will "get 'em next year!"

Also we want to thank the girls and Coach Newton and all of the pep leaders for backing our boys, who are district champions this year. All of our girls are JUST GREAT!!

Becky Wheeler and Kristi Gressett, Lynxettes are shown here guarding Jill Rankin, Phillip's all-star player. Phillips defeated Spearman to win the district championship.

## LYNX WIN!!

The 1975 District 1-AA champion Spearman Lynx, blasted a great 11-B District champion Hedley team, at Miami Tuesday night, 52-45. The tall and talented teams, both in the play-offs this year, played on even terms with the first half score 25-25. The Lynx pulled away to a big 12 point lead in the third period and held on to win the game 52-45.

Highlight of the evening was the Lynx rebounding. Brummett, Brown and Willie Porter literally took the ball away from Hedley under their basket every time that they took a shot. This fantastic rebounding, plus good shooting put the Lynx out in front in the third period to stay.

Jones fouled out early in the 4th period, and Ears Wilson jumped into the fracas playing another fine game.

Porter lead all scorers with 13 points and a lot of rebounds. Brown hit 8, and also played a great defensive game for the Lynx. Brummett played a great game, as he continually grabbed the rebounds and hit 10 pts. for the Lynx. Jones had 3 men guarding him and it was one of the few times that an entire group of people could stop Big J from scoring, as they held Roger J down to five points. Terrific Timmie Harper hit 12 points for one of his best nights of the year. Timmie was driven into the wall three times, and knocked down to the floor injuring his arm once. The Lynx had to call time for Harper when he was injured, but he did return to the game and he will be ready for action this next game. Wilson and McMullan rounded out the scoring with 2 points each for the night.

The Hedley team has won 30 games this year, and lost only 4 (one of them to the Lynx). They have played Childress 3 times, and beaten them the last 2 times. Hedley fans say that if the Lynx can stop Johnson they can defeat the Childress Bobcats and go the region play-offs.

As most fans know by now, the Lynx will play the Childress Bobcats at the WT Fieldhouse next Tuesday night. There is a chance of a double-header game, so check the paper for the exact time.

Local fans will be glad to hear that the winner of the Lynx-Bobcat game will not have to play the winner of the Friona district in the regional opening game. That is, we will probably play the winner of the Van Horn - Crane district in the opening game of the regional tourney; that is if the Lynx are fortunate enough to win their bi-district game against Childress.

The Lynx were trying to get a game with Sanford-Fritch this Friday night, but we were not sure at press time whether we would play Fritch this Friday or where?

### Easter Seal Mail Appeal Begins

Easter Seal Appeal letters are being delivered this week according to Freeman Barkley, the Hansford County Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. The Representative serves as contact for disabled persons needing Easter Seal rehabilitation services; and also serves as Treasurer of the Easter Seal Appeal in the County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal and Fall Membership Drive. The Society finances public education programs, provides scholarships for training of professional personnel to staff rehabilitation centers, and helps provide for National Research into the causes and cures of crippling conditions. Barkley pointed out that all these programs are important if Texas is going

to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1974, the Texas Easter Seal Society provided treatment and services for 20,152 children and adults who were in need of assistance. Easter Seal services are available to

any disabled person who can benefit from help provided by the Easter Seal Society, and who do not qualify for any other assistance. Self-mailing

requests for assistance are available through the Representative. The Easter Seal Campaign will continue through Easter Sunday, March 30.

### Our Heritage of Faith

notes from Faith Lutheran Church

Dart Ball is going to be one of the main activities of the Faith men in the coming weeks. This Monday, Feb. 24, the men from Oslo will be at Faith to engage our men in three games. Then on Sunday, March 2 at 2 pm at the Trinity Lutheran Church, Guymon; the men of Faith will meet the men of Boise City. This is a mid-way point for the two teams. They will play six games that afternoon. On Monday, March 3 at 8 pm., the Spearman men will return to Guymon to play the Trinity men in the final series for this year.

The Dart Ball Tournament will be held on Sunday, Mar. 23 beginning at 2:30 in the Trinity Lutheran Church, Guymon, Oklahoma. Five teams will be involved in this double elimination tourney. It ought to be an interesting afternoon.

Special Lenten services at Faith Lutheran are being held on Tuesday evenings, beginning at 7:30. The study is centered on the sufferings of our Lord & what they mean as we live from day to day.

Sunday, Feb. 23 will be the last Sunday for Faith to have the devotions at Pioneer Manor. You are encouraged to come & take part in this program.

A special event which we are looking forward to at Faith is the visit of a Pastor from Nigeria. He will be with us on Tuesday, March 25 at an evening meeting. The congregation is planning a supper for all to precede the presentation by the Pastor. Mark this date down on your calendar now!

The World Day of Prayer will be held at the Faith Church on Friday, March 7 beginning at 9 am. The church is located at 11th and Bernice.

If you have no church home, we invite you to come to our Morning Worship at 9:30 with Sunday School following for all at 10:30. If peace of heart and mind are important to you, come & worship with us regularly.

# National FFA WEEK!

## Proclamation

### FFA WEEK - 1975

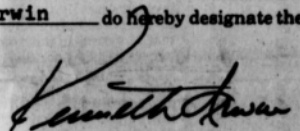

WHEREAS, members of the FFA are playing an outstanding role in assuring the future progress and prosperity of our area; and

WHEREAS, the FFA is composed of students who are studying vocational agriculture in the public schools in preparation for a variety of exciting careers in the American agricultural complex. In studying the science of agriculture, FFA members are striving to continuously improve this great industry for the welfare of all citizens; and

WHEREAS, the FFA motto — "Learning to do, doing to learn; earning to live, living to serve" — gives a direction of purpose to these future leaders for tomorrow's agriculture; and

WHEREAS, the FFA performs the valuable service of developing leadership, encouraging cooperation, promoting good citizenship, teaching modern agricultural information, and inspiring patriotism among its members — giving them a chance for GROWTH;

THEREFORE, I, Kenneth Irwin do hereby designate the week of February 15-22, 1975, as  
FFA WEEK

  
Mayor  
Gruver, Texas

*Through Practical Experiences And Working With Someone Who Already Knows,  
FFA Members Get Ready For Their careers In Agriculture...*

*Learning By Doing Is A Basic Principle Behind The Vocational Agricultural  
Education Program. FFA Encourages That Principle. And Gives The  
Student-Member A Chance For Growth...*

**WE SALUTE THE FFA MEMBERS IN  
HANSFORD COUNTY**

**GRUVER STATE BANK**

**Helping You Change Things For The Better**

**Gruver, Texas**

On October 28, 1974, the President approved an amendment to the Federal Deposit Insurance Act. Among other things, this legislation increases insurance on deposits from \$20,000 to \$40,000 for each depositor, effective on November 27, 1974. It also provides insurance of public unit funds in some circumstances not to exceed \$100,000 per account.

**Member F. D. I. C.**

THIS IS HOW DR. THOMAS STAYS IN SHAPE, AFTER A BIG SNOW STORM!

GO LYNX - - -  
WIN BI-DIST.  
BEAT  
CHILDRESS

**BASKETBALL BULLETIN:** The District Champ Spearman Lynx will host Sanford Fritch 1-A champions at Spearman Friday night at 7:29 Tuesday night, Wellington and Fritch will play the first game of a double-header at WT field house at 6:29 p. m. The Lynx and Bobcats will play at 8 P. M. following Fritch-Wellington. Spearman-Fritch fans will set on South side of WT gym; wellington-Childress will set on North side of WT gym.

GO LYNX- BEAT THE  
FRITCH EAGLES  
FRIDAY AT LYNX  
GYMN- 7:30 PM

# County students "learn by doing"

The concept of "learning by doing" is as old as man. The pre-historic hunter probably taught members of his family necessary skills by demonstrating techniques, and then helping the younger people fashion tools for their own hunting. Before the industrial revolution artists and other professionals used apprentices who helped with their work and learned as they worked.

About 50 years ago the traditional American classroom, where children learned the abstract arts of reading, writing, and arithmetic, were supplemented by teaching laboratories. There, subjects were taught which were meant to give the students additional skills to help prepare them for an industrial society.

Vocational subjects in local schools are not geared to provide a fully skilled worker. However, they do give introduction to the basics of a given area. In order that the student can determine whether he wants to pursue that kind of work later. Courses are also viewed as a practical way to work with the abstract subjects taught in traditional classrooms. For example: Vocational subjects in local schools are not geared to provide a fully skilled worker. However, they do give introduction to the basics of a given area, in order that the student can determine whether he wants to pursue that kind of work later. Courses are also viewed as a practical way to

work with the abstract subjects taught in traditional classrooms. For example: practical mathematics are used in Auto Mechanics, and business English is a part of vocational office education, etc. Vocational subjects are valued by local students who often do not intend to attend college, and would like to have a beginning knowledge of some skills related to industry and business. There is also a growing number of vocational and technical schools for additional short courses after the students graduate from high school. These skills often pay as well, or better, than some areas requiring long periods in university courses. Some new innovations relating to Vocational Educa-

tion are the many clubs and organizations which provide a chance for involvement outside the classroom. A long-standing and popular organization in this country is Future Farmers of America. FFA chapters from Moriarty and Estancia are active in supporting the county fair, and related activities. The chapters measure up very well in contests. Many have gained honors as State Farmer, and some have attained the American Farmer Degree, the highest honor available to FFA members. Vocational Agriculture subjects concern both subject matter relating to agriculture in the classroom, and can include the production of crops and livestock. Future Homemakers of America FFA is an intracur-

ricular activity for students enrolled in Home Economics courses. The organization gives a chance for students to develop leadership qualities through local, area, and state-wide meetings and conventions. Specific projects are undertaken and guidance is given for students to reach both individual and group goals. There are FFA chapters at Moriarty, Montclair, and Estancia.

Seventy-six thousand children under six in Texas were born without any prenatal care. Their mothers did not visit a doctor even once during pregnancy. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

VICA (Vocational Industrial Clubs of America) is related to subjects like Electronics, Welding, Woods, metal shop etc. DECA (Distributive Educations Clubs of America) is associated with Distributive Education, where students are placed for a half day in a wageearning situation in a local business, at the same time earning credit in vocational subjects.

One of 10 babies born in Texas has a low birth weight (under 5 1/2 pounds). This ratio is 20 percent higher than the national average: 1 of 12. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

## Counties Urged To Work On BiCentennial

COLLEGE STATION---Counties should play an active role in planning and staging local observances for America's BiCentennial in 1976.

According to Rod Kendig, a member of the National Association of Counties, "things must first happen at the local level."

Kendig addressed the recent 17th Annual County Judges and Commissioners Conference at Texas A&M University and outlined several ways counties can participate in America's BiCentennial.

"Counties can establish citizen committees to work on the BiCentennial, work with the school system to create an awareness of county government in the state of Texas, and work with the local historical society," said Kendig, who is based in Washington D.C. Committees can work on planning and decorations for the courthouse grounds and other locations.

Kendig said Hood, Gray and Randall counties have established oral history projects which work with historical societies to record reminiscences of the past. "Randall County is putting in a visitor center which will benefit that county's citizens for years to come," he said.

"It is how we respond in the future that is going to make a difference in how citizens judge our county," said Kendig. "America's BiCentennial celebration should begin, not end, in 1976."

## Social Security

People can get a report on the earnings credited to their social security record free of charge by calling or writing any social security office, according to Howard L. Weatherly, Pampa Social Security Manager.

You don't need to pay anyone to help you get a statement of your earnings. Just ask any social security office for a "Request for Statement of Earnings" post card. Fill in your name, address, date of birth, and social security number. Sign, stamp, and mail the card. Social Security will send you a statement of earnings credited to your record free of charge.

Earnings credited to the worker's social security number build retirement, disability, survivors, and Medicare protection for workers and their families. The amount of monthly social security payments is based on the worker's average earnings over a period of years.

The Social Security Administration is an agency of the U. S. Department of Health, Education, and Welfare. The Pampa Social Security Office is at 1541 North Hobart. The phone number is 689-3381 (area code 806).

For infants under one month old in Texas, the death rate is higher in 136 counties than for the nation as a whole. (The national death rate for children under 28 days old is 13.7 per 1,000 births.) Twenty-eight Texas counties have rates twice that of the nation; seven counties have rates three times as high. # Planning And Zoning Commission Makes Study

The Spearman Planning and Zoning Commission was established by the City Council for the purpose of making studies and project plans for the improvement of the city with a view for future development and extension, and to recommend to the City Council all matters for the development and improvement of the city facilities, also to confer with and advise private property owners pertaining to location and erection of private structures with the view of having some to conform with the overall city plan, and to advise building inspectors and other related persons dealing with development activities in the performance of their duties.

Also, the commission is in the process of planning and making recommendations concerning the loca-

tions, scope, character and standards for streets, parkways, the airport, parking utilities, public buildings, schools, parks and playgrounds, railroad, water, lights, sanitation, sewage system, drainage, flood control, transportation and terminals, communication, etc.; to recommend to the City Council, plans for the rehabilitation of blighted areas and prevention of the spread of blight and delapidation and improvement of housing conditions.

In the process of study, the commission has prepared base maps which show property lines, right-of-way lines, etc., necessary to the proper and orderly arrangement of development and improvement activities and the use of land.

At the Planning and Zoning Commission meeting

held on Thursday, Feb. 6, 1975 at City Hall, the Commission discussed various codes and ordinances regulating the environmental conditions, safety and general welfare of the citizens of Spearman.

Since building, Electrical and plumbing codes deal with the structural arrangements of materials, the Commission has discussed the proposed regulatory devices with local electricians, plumbers, builders, etc., who will make recommendations to the commission on March 6, 1975.

The local technicians and engineers will review the proposed codes and ordinances and make recommendations concerning the regulatory devices to meet the needs of the Spearman community. The commission will then make its recommenda-

tions to the City Council concerning the establishment of minimum safeguards in the erection and construction of buildings to protect the citizens from fire, and other hazards, as well as the protection of their health and safety.

The Citizens Advisory Committee, headed by Mrs. Joel Lee Lackey, will encourage efforts of property owners and residents to enhance their property and to effect changes and protect desirable features of their environment and submit their recommendations at the March 6 meeting.

The Commission plans to re-examine the comprehensive plan and the codes and ordinances at least once a year and consider possible amendments in order to ke-

ip policies fresh in the minds of citizens and city officials and to modify certain policies in view of new developments and increasing technologies, and to keep instruments current with the City Council's thinking.

The Planning and Zoning Commission has taken an inventory of the city's gas, water, and sewage systems, and has discovered that these utilities have been constructed at various locations by verbal consent of property owners. This has interfered with the planning of some buildings and inconvenient property owners. In order to correct this inconvenience, legal documents have been prepared for property owners to sign. Property owners should understand that a "dedication" or "easement" is

nothing more nor less than a gift, by the property owner, of a right for the city to use the land for utility and maintenance purposes. These "dedications" or "easements" must be recorded with the deed to the property.

The property owners involved will be notified by mail, and are encouraged to assist in this problem. When notified, the property owner should go to the City Hall to sign the proper documents for City records. Any "easement" or "dedication" should then be recorded with your deed to the property. This will make possible the avoidance and costly inconvenience to property owners in the future.

The next planning meeting is scheduled for March 6 at 3 p.m. at City Hall.

## 1975 TOUR OF CANADA

The tour list for the "Record Stockman" 1975 tour to Canada closes February 15. The opportunity to visit and meet Canada's premier breeders and view their cattle and to spend five wonderful days of relaxation on a tour of some of Canada's most scenic places begins March 1.

From Denver tour prices are \$350.60 per person on a double reservation basis and \$443.48 on a single reservation basis. The price includes lodging, fare, all arrangements in the itiner-

ary, as well as gratuities, and travel escort.

Tour reservations may be made by letter to The Record Stockman, 105 Livestock Exchange Building, Denver, Colorado, 80216 and an accompanying check for the amount of the tour. Phone number for the Denver organization is 303-573-7223.

Twenty-three Texas Counties have no medical doctor, and 190 counties have no obstetrician-gynecologist. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

## Wayland Queens Accept NWIT Bid

AMARILLO, Tex.--Undeclared Wayland Baptist College Flying Queens, with three All-Americans and averaging nearly 80 points a game, Sat. Accepted a bid to the 7th annual National Women's Invitational Basketball Tournament (NWIT) at the Civic Center Coliseum, March 13-15.

John Casati, tournament chairman for the sponsoring Amarillo Chamber of Commerce, said in announcing Wayland's acceptance that "this year's NWIT should produce the strongest eight-team field in its history now that colleges and universities are putting greater emphasis and financial support into women's athletic programs."

The Flying Queens have dominated the NWIT since its founding in 1969 as the first national championship for women's college basketball in the country.

Wayland is undefeated in NWIT competition, winning 18 consecutive games and all six previous championships.

Each of the eight teams selected for the tournament play three games, starting with first-round action March 13. The championship game Mar. 15 will be preceded by the 5th annual Golden Spread Girls High School All-Star game.

Wayland, whose last undefeated season was in 1956-57 when it won 29, has not lost in its last 23 games. Fifteen of the victories are this season.

The Queens' starting five includes three All-Americans, 6-foot-2 Carolyn Bush of Kingston, Tenn., 5-11 Pearl Worrell of Decatur, Ga., and 5-10 Brenda Moeller of Readlyn Iowa.

Bush, a senior, leads Wayland in scoring with 212 points and a per game average of 15.1 and in rebounding with 164, nearly 11 a game.

Moeller, only a junior, is averaging 13 points a game and has scored 804 points in two-plus years with the Queens.

As a team, Wayland, through 15 games, is averaging 79.6 points per game and yielding on defense only 49.1—a 30-point spread. The queens have topped 90 points per game on six occasions this season. They are averaging making 48 per cent of their field goals.

Last year in Dean Weese's first season as head coach Wayland won 37 of 42 games and captured its ninth National AAU women's basketball title in addition to its sixth NWIT crown. The Queens set an all-time school record of 61.8 points per game.

Among other teams being considered, said Mrs. Pat Truelove, chairman of the NWIT selection committee, are University of North Carolina at Chapel Hill, Belmont College of Nashville, Tenn. University of Nevada at Las Vegas, UCLA, Indiana University, John F. Kennedy College of Wahoo Neb., Northwestern Louisiana, Illinois State and Mississippi College.

One of these pregnant and/or nursing women mothers in the 1968-69 Trans Nutrition Survey are less than half the recommended Dietary Allowance (RDA) for calcium, sodium, iron and Vitamin A. One in five eat less than half the RDA for protein, Vitamin C and Vitamin B<sub>12</sub>.

### Sorority Names Valentine Queen

Members of Alpha Mu Psi of Beta Sigma in Gruver elected Mrs. Mike McLain, the former Diane Gregg of Spearman, as their Valentine Queen for 1975. Members and their husbands attended the Valentine party February 15 at the Hilton Inn in Amarillo. Mrs. McLain was crowned at that time.

### McMurry College Band To Begin Tour

The McMurry College Band, directed by Roger Rush, will begin its annual spring tour Thursday, Feb. 27. The tour will last five days and carry McMurry musicians to seven cities.

The tour will begin with a band clinic at Big Spring High School at 8:30 a.m., Thursday morning, and will continue that evening with a worship service at 7:30 p.m. in First United Methodist Church in Pecos.

On Friday, Feb. 28, the band will present a program at 11 a.m. at Van Horn High School in the morning and a concert at Asbury UMC in El Paso at 7:30 p.m. that evening. After a sightseeing excursion into Mexico Saturday morning, the band will perform for a youth rally at 7:30 p.m. at St. Paul UMC in Las Cruces. They will also present the morning worship service at 11 a.m. there on Sunday, Mar. 1.

Sunday evening, they will conduct the worship service at 7 p.m. at Grace UMC in Alamogordo. The concluding concert will be performed at Ruidoso High School at 9 a.m. Monday morning, Mar. 3.

The tour's program will include works by two of McMurry's music professors. The first, "Fanfare, Andante and Fugue," is by Macon Simerlin. The second is a woodwind choir arrangement of "Sweet, Sweet Spirit" by director Rush.

Other selections include "Chorale and Shaker Dance" by John Dechlik, "Pas Redouble" by Camille Saint-Saens, "Symphony for Band" by Vincent Persichetti, "La Bamba de Vera Cruz" by Terig Tucci, "Symphonic Songs for Band" by Robert Russell Bennett, and "Marche Symphonique" by Edward MacLennan.

Also on the program will be the Garman Dragon arrangement of "America, the Beautiful"; "The six Wives of Henry VIII" by Rick Wakeman; "Festival of HYMN" by John Constantinos; "A Sacred Suite" by A. Fred Reed; "God is my Strong Salvation" by Wayne Scott; and the Jack Hullock medley of songs from the musical "Godspell."

Members of the touring company include flutists Kay McMerny of Lubbock; Gall Griffen, Lorenzo; Kim Cowan, Mule-shoe; Teresa Butler, Pan-handle; Ava Thompson, Belen, N.M.; and Sherri Boon, Seymour. Phyllis Thompson of Abilene will play piccolo.

mesa; Carol Alderman, Hobbs, N.M.; Dean Huff-edler, Abilene; Nancy Sheridan, Mineral Wells; Cindy Graves, San Antonio; Elizabeth Lucano, Odessa; Melanie Harell, Ft. Riley, Kan.; and Becky Ely, Mer-ice.

Bass clarinetists will be Carol Vandiver, El Paso; Janet Dunlavy, Peryton; Lee Ann Odum, O'Donnell; and Jill Page, Quanah. Contra-bass clarinetist will be Marcia Rose of El Paso.

Saxophonists will be Deb South of Clyde; Denise Waltrip, Roswell, N.M.; Rodney Hancock, Abilene; and Phillip Dortch, Abilene. Bassoonist will be Veve Cockrell of Aiken, S.C.

On trumpets and cornets will be Kenneth Abbott of Stanton; Rick Driscoll of Spearman; Steve Reed, Spearman; Wayland Bailey, Abilene; Lynn Laycock, Shamrock; Steve Lyons, El Paso; and Andria Holley, Abilene.

On horns will be Mary Hervey of Amarillo; Walt Haislip, Stanton; Mark Sears, Tulsa, Tulsa, Okla.; and Sharyl Naron, Quanah.

Trombonists will be Mark Surface of Abilene; Mike Stallings, Abilene; Tim Slater, Okla. City Okla.; Alec Lindley, Hale Center; Dean Brown, Abilene; and Bruce Cain, Abilene. On euphoniums will be Dusty Nichols of Winters; Carol Reeve, Friona; and Frank Coachman, Killeen.

Tuba players will be Ralph Bowen of Richardson; ph Bowen of Richardson; Cris Young, Abilene; David Evans, Gruver; and Steve Stamets, Santa Fe, N.M. On percussion will be Don Pitt, Abilene; Doni, Worth and, Cleburn, N.M.; Jan Ice Nowell, Quanah; Val-orie Sledge, Artesia, N.M.; and Lorrie Miller, Garland.

Dervin Rodgers of Abilene will play electric guitar and Jame Hargus of Garland will play electric bass guitar.

Band officers are Carol Warner, President; Steve Reed, vice president; Marcia Rose, secretary; Fred Kunkel, drum major; Dean Huffstetler, drum major; and Kurt Her-vert, manager.

February is "Sew and Save Month", designated by The American Home Sewing Council. Home sewing is creative and personally rewarding, as well as inflation fighting. On an average, two-thirds of ready-t-to-wear costs are saved through home sewing. Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System, reports,
