VOLUME 66, NO. 13

THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, FEBRUARY 13, 1975

Pictured above are Mr. and Mrs. Harry Stumpf at the Annual Scout Recognition Banquet at Pampa Friday night, where Harry was presented the Silver Award.

Max Banks (center) is pictured with Mr. and Mrs. Roy Bulls (left) and Mr. and Mrs. Junior Lusby (right). Mr. Banks received this beautiful windmill plaque Friday night in appreciation for his help at Camp M.K. Brown.

Honored At Scout Banquet

The Annual Silver Beaver Award Banquet was held Friday, February 7th at the Coronado Inn in Pampa. Master of Ceremonies for the evening was Mr. C. E. Steel.

The opening ceremony was led by Scoutmaster, Harry Stumpf's Troop #151 of Spearman.

The invocation was given by Dr. Ken Jones.

Special introductions of Council officers and District Chairmen were made by Mr. Steel.

Mr. Max Banks of Spearman was presented a windmill plaque by Mr. Steel for his help in developing Camp M. K. Brown. Since January 1, 1975, twelve new campsites have been placed at Camp to provide shade for campsites.

A. M. L. Kube gave recognition to District Goals and the Man Mile Award.

Those present enjoyed the delightful entertainment of the "Bank Notes" from Book-er.

The highlight of the evening came with the presentation of the Silver Beaver Awards. The highest honor a scout leader can receive from his local council is by Mike Carlson to Harry Stumpf of Spearman, Harold F. Hooper of Stinnett, and Warren Hamill Wilson and J. Robert Brown, both of Pampa.

Harry Phillip Stumpf has played an important role in two communities of the Adobe Walls Council. During his twenty years as Scoutmaster, he has had over 16 boys attain the Eagle Award. As the leader

of one of our largest troops he is well qualified having attended Woodbadge Training in 1970. This Scoutmaster places God and Country first as his work with the First Christian Church and various community jobs prove. He is a member of the V. F. W. and American Legion as well as an active member of the National Guard for over 25 years.

Because of his efforts, the Dining Hall at Camp M. K. Brown is a very cool place even on the hottest July day. It has been said, "If you want a community job done in Spearman, call on this Scoutmaster."

Hooper has been one of the Adobe district's most faithful workers throughout the past 15 years, according to Adobe Walls officials. He has served as cubmaster,

scoutmaster, executive board member as well as unit commissioner.

Wilson has been a scoutmaster for the past several years and has spent most of his efforts working with the Explorers. His main concern has been to see that the youths "were not shortchanged in any way".

Brown is the scoutmaster of the same troop to which he belonged as a youth.

Other Scouting positions have included Assistant Scoutmaster, Troop Committeeman, District Committeeman and Executive Board Member.

Guest speaker for the evening was Tom Haggai of High Point, North Carolina.

The closing ceremony was a professional slide presentation to "America the Beautiful".

Elections to be held in Spearman April 5th

Candidates have until March 5th at 5 P. M. to file for the school board or the city alderman. Election will be held Saturday, April 5th. Two school board members terms will expire, George (Punk) Jackson, and Bill Partridge. For the city, three men's terms will expire, and they are Aldermen Jimmie Hicks, Alton Ellsworth, and Dan Desimore.

The election will be moved to the high school this year, instead of the Jr. High. The polls will stay open until 7 P. M., on election day Saturday, April 5th. All prospective candidates are reminded that the last day for filing in either of these elections is Wednesday, March 5th at 5 P. M. You must file

with the city secretary at city hall for the city race, and with Orville Latham at the school business office for the school board race.

NOTICE: check the basketball page for the final championship game for the district I-AA girls race. Complete details on the basketball page sponsored by our local advertisers.

Stadium Seat Contract Let

The school board let the contract for the new football stadium seats at their regular meeting Monday night.

The new seats will accommodate 1700 people and will be constructed of steel and aluminum. They will be semi-air tight and should be the very finest available for the money.

The entire contract for moving the old seats, and constructing the new stadium seats, including press box, etc. will be within the bond issue, and the seat deal complete was approximately \$95,000.00. In other business Tuesday

night, the principals and coaches gave their recommendations for employment for the coming year.

Supt. Cunningham stated that the company should begin work on the bleachers by the first of April.

Lynx Play Here Friday

Spearman basketball fans witnessed two of the best games in the schools history at Stratford Tuesday night. The battling Lynxettes lost to the host Elkettes 47-45. Christie Gressett played her best game of the year, as did most all of the Lynxettes, and Mighty Mike Michelle Schumann hit 20 points to lead the Lynxettes in scoring. The Lynxette coach Newton and the Blackhawk coach Clemmons will meet today (Wed.) to decide when and where that Phillips and Spearman will play. We will take a wild guess, and guess that the Spearman-Phillips girls will play in the Civic Center Saturday night; and, we are usually wrong.

In the Boys game Tuesday night, the Lynx were playing without the services of Timmy Harper, and almost without some of the other starters. New faces on the scene at the Stratford game for the Lynx were Greg Wilson and Mike Pack. Greg Wilson almost stole the entire show as he hit several beautiful shots, and played

great on defense. Mike Pack handled the ball well on offense and also played well. Terrill Brummett hit 15 points for high for the Lynx.

This Friday night the Lynx will play their most important game of the year, when they meet the Boys Ranch Roughriders at Lynx Stadium (gym). Everyone is urged to come out and see this game of the year. The Lynx must win this one to become the new District Champs.

Ribbon cutting for one of the most beautiful buildings in the state of Texas was held Sunday, February 9th. Those in the picture are TG&Y officials and local men who helped in constructing and financing this beautiful Family Center; Left to right, David Townsend, assistant manager TG&Y; Richard Harrison TG&Y co-manager; Bob Skinner, Pete Fisher, Don Bell, Coy Palmer Mayor, C. D. Riggins, Luke Stewart manager TG&Y; Carl Archer, C. L. Adkins District Supervisor, TG&Y. Skinner, Fisher, and Archer were local developers of the project.

Mother Of Local Man Dies

Mrs. Sarah Caldwell of Electra, Tex. died Feb. 5 after a lengthy illness. Services were held Feb. 7 in Electra.

She was born in Hill County in 1891 and moved to Wichita County in 1914. Survivors include three sons, Noah Quinn of Spearman, Elmer Caldwell of Midland; three daughters, Vera Kuharic, Cleveland, Ohio; Letha Martin, Odessa and Clara Maney of Monahans, a brother, Henry Hillburn of Odessa and a sister, Mollie Martin of Salt Lake City, Utah; 18 grandchildren, 19 great grandchildren and 3 great great grandchildren. Six grandsons served as pallbearers, with four grandsons as honorary pallbearers.

MARCH OF DIMES SCHEDULED

Last year with the help of volunteer workers and through the generosity of the people of Hansford County the amount of \$2315.77 was collected. \$1422.35 was sent to the National Office to be dis-

tributed for research grants; \$97.61 was spent on supplies; \$449.73 was spent on a Health Career Scholarship to Miss Barbara Farr. She is presently enrolled in Pre-Nursing Studies

at Frank Phillips College. \$1625.08 is the balance of funds available for local use, this figure includes \$1470.04, a balance from previous years.

March of Dimes Day in Hansford County will be February 23, 1975, weather permitting, and volunteers are needed for the Mother's March and to assist in the mail campaign, the First State Bank furnishes the addressograph machine and personnel. Volunteers are asked to call Ruth or Joe Dan Bryan at 659-2337.

Human genetics is one of the lasting mysteries of life.

But some of its tragic aspects have become less unresolvable since the National Foundation, March of Dimes, turned its attention to birth defects in recent years after its marked success in the war against polio.

Primary aim of the campaign against birth defects is to prevent them as far as possible, or when that is not possible to reverse or mitigate the damaging effects.

Amniocentesis, or withdrawing samples of amniotic fluid through a hollow needle, has made possible the prediction of certain inherited conditions or biochemical defects.

The nation's most precious resource is our children. Each year, however, about 150,000 babies born alive in this country have some kind of birth defect. In the first year of life, birth defects are a leading cause of death.

Today, more than 1,500 genetic defects have been cataloged, and new defects are being described in increasing numbers. Some of these are pre-existing defects from parent to child, some are caused by factors in the environment such as radiation exposure, drugs, chemicals and infections, while the cause of others is still unknown. Discovery that a baby

has a birth defect is devastating to parents. In some families, however, the probability that a specific birth defect will occur can be predicted with some accuracy.

Some defects can be diagnosed before, at, or shortly after birth. Almost as many are discovered during the first year of life. A few do not become evident until years later. Some defects can be corrected during the earliest months of life, but others unfortunately result in life-long handicaps and are irreversible. Some defects are severe and some are so mild that they can be overcome with specialized medical management.

Birth defects occur in families in every social, economic, racial, and educational level. The problems presented by these defects today are different than they were 10 years ago. Damage caused to an unborn infant by the German measles virus can virtually be eliminated with the use of the German measles vaccine. Further reductions in other birth defects can be made using knowledge already available. Good prenatal care from the earliest weeks of pregnancy, or, better yet, even before pregnancy, can help protect the pregnant woman and her unborn child from potential factors known to cause these tragic defects. In addition, new information about genetics and the effects of drugs taken by a pregnant woman upon the developing child is being used to prevent these disorders.

Preschoolers in the 1968-69 Texas Nutrition Survey had patterns of height growth significantly below United States norms. The average child under four surveyed was one inch shorter. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

Pictured above is Scoutmaster Harry Stumpf with Troop #151 members, left to right, Kyle Beedy, Cole Umplress, Lynn Ray Vernon and Jamie Butler. Troop #151 was in charge of the opening ceremony and Kyle Beedy gave a talk on "What It Means To Be A Scout".

Top Pay For Experienced Drilling Personnel

First, take a look at our OLD salaries:

- Toolpusher **\$21,300 to \$26,400**
- Driller **\$18,900 to \$24,000**
- Asst. Driller **\$17,700 to \$22,800**
- Derrickman **\$15,000 to \$18,900**
- Crane Optr / Roustabout Foreman **\$17,100 to \$23,400**
- Heavy Duty Diesel Mechanic **\$20,000 to \$25,200**
- Diesel-Elec. Electrician **\$20,000 to \$25,200**
- Welder **\$17,100 to \$23,400**

Now, call our Personnel Department for our NEW salaries (free of foreign taxes).

Nelle's News By HD Agent Nelle Evans

Many of you have taken advantage of the availability of the Bi-Centennial Cook Books that are now available. All of us like new recipes though we may fail to try as many new ones as we wish we did. Just to give you some idea of the excellent recipes in the cookbook here's one from Mrs. B. L. Davies of Morse. They're called Russian Bars and are delicious.

Mix together well 2 c. flour, 1 c. oleo, and 1/4

c. sugar. Press into 9x13" pan and bake at 300 F. for 20 minutes.

Beat 4 eggs with 3 c. brown sugar. Add 1/4 c. flour, 2 t. baking powder, 1 c. flaked coconut and 2 c. chopped walnuts. Pour over pastry. Bake 30 minutes at 325 F. Makes 3 dozen bars that are a delicious snack when accompanied by a glass of milk.

In addition the books contain many helpful household hints, table of substitutions, how to carve, quantity cookery, etc.

This is the week of St. Valentine's Day. If you haven't already done so plan to begin a family Valentine tradition this year. It could be a special food, decorations made by the children, taking something to a special friend, etc. Let it be something

that reflects you and your family.

The event that caused St. Valentine's Day to be associated with lovers was Lupercalia, a Roman pagan feast. It fell annually in mid-February and was celebrated to ensure fertility of people, flocks and fields. Young Roman men first would put the names of young girls into a box and then each one would draw a name. The girl whose name a young man choose would be his partner at the coming festival of Lupercalia.

Another tradition that arose from the old belief that one will find a true love on St. Valentine's Day is the English legend that says a girl will marry the first man she sees on this day.

Happy Valentine's Day to each of you.

Farm & Ranch News by Joe VanZandt

According to USDA the nation's cattle and calf inventory Jan. 1, 1975 is estimated at 131.8 million head, up 3 percent from a year earlier. The inventory this year compares with 127.7 million head Jan. 1, 1974, and 121.5 million Jan. 1, 1973. Although numbers continued to trend upward, the increase during 1974 was less than during 1973. The 1974 calf crop is estimated at a record high 50.8 million head, 3 percent more than the 49.1 million head in 1973. Texas, Missouri, Okla. and Nebraska, rank in that order in the size of the 1974 calf crop among the 50 States. These four States accounted for about 27 percent of the total calves born in 1974 in the United States.

A preliminary review of losses reported on recent surveys indicate that death losses were below the unusually high 1973 level, amounting to about 6.1 million head in 1974 compared to 6.5 million a year earlier. Cattle and Calves slaughtered on farms was indicated at about .7 million head in 1974 compared with .5 million head in 1973.

In Texas the Jan. 1, 1975 inventory of Texas cattle and calves was estimated at 16,600,000, 2 percent above the 16,250,000 on hand a year earlier. There were 6,890,000 beef cows on hand - 6 percent more than Jan. 1, 1974. There were 6,200,000 calves born on Texas farms and ranches during 1974, 5 percent above last year. There were 1,327,000 cattle and calves on feed for the slaughter market on January 1, 40 percent below the 2,205,000 head on feed Jan. 1, 1974.

The inventory value of all cattle and calves on Texas farms and ranches Jan. 1 was placed at \$2.2 billion, a sharp 52 percent decrease from the \$4.6 billion value the previous January 1.

HOGS Optimism is the word for Texas swine producers in 1975. The more optimistic outlook is primarily because there will be a fairly sharp reduction in pork supplies. This was indicated by the recent USDA December 1 Report on Hogs and Pigs. For the U. S. it was estimated that market hog numbers on December 1, 1974, were 9 percent below the previous year. Sows kept for breeding were reduced by 15 percent.

Market hogs and pigs on hand December 1, 1974, represent potential pork supplies until the first of June, 1975, Table 1. This indicates our pork supplies will be 9 percent less during this period than a year ago. However, pork supplies may be even less. Maybe 12 percent less, since hogs are expected to come to market at lighter weights because of high feeding costs.

IRS NEWS

Amarillo area residents should consider filing their 1974 income tax returns as soon as possible if they have not already done so, according to Ronald Archer, Director's Representative of the Internal Revenue Service (IRS) for the Amarillo area. "One basic fact you can always depend on," said Archer "is that the sooner you file your return, the sooner you'll receive a refund if you are due one." He especially urged taxpayers not to delay filing their returns while hoping for a tax cut.

He explained that the proposed tax rebate, if approved by Congress, would be based on a taxpayer's total tax liability for 1974. That liability, he said, cannot be computed until after a taxpayer's return has been filed with the IRS and processed at the agency's computer center in Austin. Archer said that persons filing income tax returns this year actually have two reasons to file early. Those expecting refunds will get those refunds in about five weeks, while taxpayers filing in March or April may have to wait up to twelve weeks for their refund. And all taxpayers, including those who will owe tax with their returns, need to have a correctly completed return filed with the IRS before they can think about receiving a tax rebate.

Kathy White Receives Degree

Kathy White was a December graduate of Texas Tech University, Lubbock, Texas, with a Bachelor of Science degree in Deaf Education. She is now employed at the New Mexico State School for the Deaf in Santa Fe, New Mexico, where she recently completed practice teaching. She was also named to the Dean's Honor List for the fall semester. Kathy is the daughter of Mr. and Mrs. Johnny White, Spearman, Texas, and is the granddaughter of Margarette Kerr and the late Henry Kerr.

MUSIC CLUB HOSTED A HUSBAND'S NIGHT

The Spearman Music Club hosted a Husband's Night Monday, February 10th at Martin's Steak Garden. Following Dinner, Mrs. Carl Kunselman led the program with the theme, "Guys and Dolls" from the movie, "Guys and Dolls". Mrs. Russell Townsend gave a short story on the movie, "Guys and Dolls", followed by Mrs. J. L. Brock and her daughter, Mrs. Jimmy Brown, singing "It's So Nice To Have A Man Around The House", with Mrs. Carl Kunselman accompanying on the piano. The Club Chorus, accompanied by Mrs. Rue Sanders on piano sang "A Bushel and a Peck".

A short story on Hank Williams was given by Mrs. Kunselman, followed by Mrs. Ronnie Schaefer singing "Your Cheatin' Heart" with Mrs. Tom Sutton on piano and Mr. Lonnie Burress on guitar.

Mrs. Kunselman then gave a short story of Tennessee Earnie Ford and sang "Sixteen Tons" while playing piano.

Mrs. Kunselman gave a short story on Sonny and Cher and the Club Chorus, accompanied by Mrs. Rue Sanders sang "All I Ever Need Is You".

A short story about Charlie Pride was told by Mrs. Kunselman, followed by Mrs. Paul Reimer, accompanied by Mrs. J. D. Wilbanks on piano and Lonnie Burress on guitar, sang "Kiss An Angel Good Morning".

A short story on Tony Bennett was given by Mrs. Kunselman, followed by Mrs. Don Knox, accompanied by Mrs. Rue Sanders on piano, sang "I Left My Heart In San Francisco".

Mrs. Brock and Mrs. Brown sang "God Bless America" and was joined by the group on the chorus.

Mrs. Kunselman gave a short story on Henry Mancini, followed by Mrs. Paul Reimer playing piano solo "Moon River".

The program closed with the group singing "Let Me Call You Sweetheart". Refreshments of cake and coffee were served to guests. Mrs. Jimmy Brown of Atlanta, Georgia, Mrs. Goff, Mrs. LeRoy Reeves, Mr. and Mrs. Lonnie Burress, and Mr. and Mrs. Larry Holt, and to members and their husbands: Mrs. James Thomas, Mrs. Dean Leighner, Mr. and Mrs. J. L. Brock, Mr. and Mrs. James Cummings, Mr. and Mrs. Don Knox, Mr. and Mrs. Carl Kunselman, Mr. and Mrs. Paul Reimer, Mr. and Mrs. Phil Sanders, Mr. and Mrs. Rue Sanders, Mr. and Mrs. Ronnie Schaefer, Mr. and Mrs. Omar Sumon, Mr. and Mrs. Tom Sumon, Mr. and Mrs. Russell Townsend, Mr. and Mrs. J. D. Wilbanks, and Mr. and Mrs. Kurt Shedeck.

Next meeting will be February 25th in the Home Demonstration Club Room.

Of Texas children aged 1-4, accidents are the chief cause of death. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

Holt News

The Holt Demonstration Club is sponsoring a dinner and "42" Party Friday nite Feb. 14, at 6:30 at the Holt School house. All are invited to come, bring a covered dish or sandwich.

Mr. & Mrs. Phil Jenkins and Mrs. Bertha Jenkins visited Sunday. Mrs. Myrtle Stephen of Borger, Mrs. Ceril Batton of Spearman is visiting her daughter, Mr. & Mrs. Donnan Sims of Puyallup, Wash. Mrs. Sims has recently had surgery and is getting along as well as could be expected. Mrs. Batton doesn't know when she might return home; her address is Mrs. Ceril Batton 11201-28th St. E. 19-30 Puyallup, Wash. 98371

Mrs. Raymond Kirk has had surgery and was in North West Texas Hospital.

Mr. & Mrs. Owen Pender, graft were hosts to a Birthday Party Sunday after noon Feb. 9, honoring Maude Rosson. Guests were Mr. & Mrs. C. W. Kirk, Mr. & Mrs. Travis Reger, and Maude Rosson.

Mrs. Barton Zablin and

In Amarillo. She is getting along real well and returned home Friday Feb. 7. Mr. & Mrs. Arch Marshall of Houston and Mrs. Charles Farrington of Guatemala, Central America has spent a week visiting their mother, Mrs. Berda Holt and other relatives. They left Sat. for Dallas to spend the nite with their brother, Dr. & Mrs. J. N. Holt, then they returned to Houston.

Krista and Kayla Allison of Stinnett were Friday nite guests of Mr. & Mrs. Fravis Reger, Debbie & Dale. Mr. & Mrs. Frank Reger of Stinnett visited Sunday the Travis Reger Rev. & Mrs. Vernon Stagner of Amarillo were Sat. nite guests of Mrs. Ed Mundy of Spearman.

Mr. & Mrs. Owen Pender, graft were hosts to a Birthday Party Sunday after noon Feb. 9, honoring Maude Rosson. Guests were Mr. & Mrs. C. W. Kirk, Mr. & Mrs. Travis Reger, and Maude Rosson.

Mrs. Barton Zablin and

daughter of League City, Texas is visiting her mother Mr. & Mrs. Raymond Kirk. Mr. & Mrs. Garland Tucker and Freddie of Amarillo, Mr. & Mrs. Richard Gaines were Sunday nite dinner guests of Mr. & Mrs. Allen Varnon of Pampa.

Mrs. Arch Marshall of Houston, Mrs. Berda Holt, Maxine Cox and Maude Rosson were Friday afternoon callers of Mr. & Mrs. Owen Pendergraft.

Debbie Reger teacher of the Stinnett First Methodist Church, Primary 1 & 2nd Sunday school class, enjoyed a Sunday afternoon show Walt Disney, Island at the Top of the World in Borger.

Mr. & Mrs. Russell Baker of Cheyenne Wells, Colo. is visiting Mr. & Mrs. Bugh Baker and family, Mrs. Viola Graves of Spearman, and Mr. & Mrs. C. W. Kirk.

March of Dimes volunteers assist in prenatal care projects, public health information programs, and community service to help with prevention of birth defects.

Texas households headed by mothers with children under 19 have nearly doubled in 10 years, from 103,641 in 1960 to 192,322 in 1970. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

FGBMFI Plans Meeting

The Spearman Chapter of Full Gospel Business Men's Fellowship International meeting will be held at Martin's Steak Garden, Monday, Feb. 17. The meal will be at 7 p.m. followed by the speaker at 8 p.m.

Dr. Dabbs of Cebolla, New Mexico, will be the speaker. He has a Southern Baptist rearing, being saved at the age of nine. He was called to the Medical Mission field as a freshman at the University of Arkansas Medical School. He served his internship at Baylor in Dallas with general practice in residency at Fort Worth. He was a Flight Surgeon in the Air Force for five years, including one year in Viet Nam. He was in the medical mission field for the Baptist church in northern New Mexico for three years.

He received the baptism in the Holy Spirit in 1972, followed by a special anointing to teach and

preach six months later, doing teaching and preaching part time on weekends until February 1974, when he began teaching and preaching full-time.

He spends about one third of his time in Old Mexico and Central America. In April he plans to go to Africa.

The public is invited to come to this meeting and hear a great testimony and witness. The probability of being born without prenatal care (visits to a doctor during pregnancy) in Texas is 3 1/2 times greater for illegitimate babies than for other infants. The probability of low birth weight (under 5 1/2 pounds) is 1 1/2 times greater for illegitimate babies. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs, Office of Early Childhood Development.

A Saga Of A Store

Douglas Dry Goods of Spearman will hereafter be known as Bakers Department Store for the well-known mercantile site has been purchased by Irene and Butch Baker from Bill and Eleanor (Ellie) Douglas. The Bakers have already assumed management and are planning a grand opening in the near future for this, the newest business enterprise located at one of the oldest sites on Spearman's Main Street. The new owners have

heretofore been engaged in custom combining and the acquisition of the department store is a first in their young lives. Mr. Baker who was born in the Holt Community received his schooling in Spearman, Phillips, and Cheyenne Wells, Colorado, while his charming wife is a native of Cheyenne Wells. They count three young daughters in their delightful family including Deanne who is a 7th Grader at Spearman Junior High.

lines who will be 11 yrs. old next month and is in the 5th Grade; and Nita, a pert eight year old who is a member of the 3rd Grade.

When queried as to how the transition from custom combiner to a department store owner and manager evolved, Butch replied that it all came about as the result of a skiing trip to Angel Fire the first of January with three other couples from Spearman including the Dennis Nelsons, the Kentguthries, and the Wesley Garnets. Upon their return, Butch was regaling Bill Douglas about the trip and the highly recommended that the Douglas family should also indulge in a bit of relaxation and skiing with the Bakers "store-sitting" for them in their absence.

Bill, being a man of action, said "Why don't you buy it?" and would you believe, that is exactly what happened with the Douglas family planning on taking up farming at their farm on the Missouri State line following the close of school this spring.

The Bakers accompanied by their proctor-guides, the Douglases, have already had a taste of buying having attended the recent market in Amarillo. They plan to continue along the same lines as those practiced by the Douglases and will also continue to stock such

lines as Nocona Boots, Wrangler, Lee, Vanderbilt, in the Men's Department and for the women of fashion in the area, the lines are Ralph Originals and Berry Rose coats along with the Peaches 'n Cream line for children. A full line of linens and dry goods will also be continued.

Present store personnel will be maintained include Mrs. Bernard Adalyn Barnes and Marlene Dowdy who is receiving credit under the DPA program while attending Spearman High School. The Bakers will also be on hand to serve you.

The store which originally was owned and operated by pioneer merchant Roy Russell and known as Russell's Department Store, was purchased four years ago by the Douglases who will now become farmers whilst the new owners the Bakers become merchants in place of along with custom combining--and that, dear children, is how the Baker Department Store, newest hub in the market place of Spearman, Texas, came into being.

Congratulations to the Bakers in their new enterprise and a fond farewell for the Douglases who have added much to the Spearman area while members of our community.

MARY HOYLE MEMORIAL FUND

The Mary Hoyle Memorial Fund is still open and anyone wishing to contribute may do so by sending a memorial check to the Gruver State Bank to be included in the Mary Hoyle Fund account to help defray medical and hospital expenses incurred during the long illness and recent death of Mrs. Hoyle.

Acknowledgement of individual memorials to the Fund will be made to Joe Hoyle by Mrs. Aubrey Rasor and Mrs. Lewis Henderson.

EASTERN STAR SCHOOL HAS MEETING

The District II, Section I, Order of the Eastern Star School of Instruction was held in Pampa, Texas on Saturday, February 8, 1975.

A reception honoring our Worthy Grand Matron, Patricia Neinst, of Dallas was held on Friday evening at the Top O' Texas #1064 Masonic Hall. Chapters participating in the school activities included, Spearman, Perryton, Darrowzett, Slinnett, Berger, Wheeler, Miami, Shamrock, Higgins, Pampa, and Canadian.

The school of instruction was held in the Top O' Texas Hall on Saturday with the opening ceremonies given by Mrs. Lota Adams, Deputy Grand Matron, District II, Section I. Instruction was given by the Worthy Grand Matron in the absence of the District Deputy Grand Matron, Mrs. Joyce Fields.

A luncheon entitled "Footprints on Life's Highway" was held at noon in the Starlight Room of the Coronado Inn, hosted by Canadian, Miami, Perryton and Pampa #65.

Instructions continued during the afternoon with official reports being given by the Grand Examiner, Mrs. Dorothy Vernon and the registration committee.

A banquet entitled "God's Flower Garden" was held at the Starlight Room of the Coronado Inn, hosted by Adobe Walls #1059, Berger #811, Slinnett and Spearman. Lynanne Maize was M. C. for the event and the program was presented by Mary Brock, assisted by Sandy Russell, Tommy Russell and Wilma Clark.

The Joint Fraternal visit of the Worthy Grand Matron was held at 8:00 P.M. in the Top O' Texas #1064 Hall. Millie Craig held the position of Conductress and Fay Palmer, Chaplain for the visit. Dignitaries introduced included, Mrs. Patricia Neinst, Worthy Grand Matron; Mrs. Kathryn Harbour, Past Grand Matron; Mr. C. A. "Bill" Holmes, Past Grand Patron; Mrs. Kathy Johnston, Grand Marshall; Mrs. Dorothy Vernon, Grand Examiner, District II; Mrs. Rachel Jones, Director of the Board of Grand Beneficences; Mrs. Mildred

Priddy, Grand Organist; Mrs. Beulah Holliday, Grand Examiner at Large; and Mrs. Lota Adams, Deputy Grand Matron, District II, Section I, and other Grand Appointments in the Section, all of the Grand Chapter of Texas Order of the Eastern Star. A reception following the fraternal visit hosted by Top O' Texas and Shamrock.

Hoyle Rites Held Monday

Funeral services were held at 2:30 p.m. Monday in the Sunray Baptist Church for Mrs. Mary Elaine Hoyle, 26, who died Saturday, in Hansford Hospital after a long illness.

Officiating was the Rev. John A. Vavroch, pastor of the Community Bible Church of Gruver. Burial

was in Lane Memorial Cemetery by Sunray Funeral Home.

Mrs. Hoyle had been an area resident all her life, living the last few months in Gruver.

Survivors include the widower, Joe Mark; four daughters, Stephanie Jo, Sandra Jo, Sonja Elaine and Stacy Rance, all of the home; her mother, Mrs. Cleora Miller of Sunray; three brothers, Burch Miller of Morse, Junior Miller and Gerald Miller, both of Sunray; and five sisters, Mrs. Juanita Turner of Elkhart, Kan., Mrs. Carolyn Cripps of Hugoton, Kan., Mrs. Audrey Slinnett of Dumas, and Mrs. Linda Catlett and Mrs. Jackie Miller, both of Sunray.

Births
Mr. & Mrs. Vernon Pipkin are the proud parents of a baby boy born February 6 in the Perryton hospital. His name is Cody Scott and he weighed 8 lbs. 14 oz. The paternal grandparents are J. W. Pipkin, III & S. Townsend and the maternal grandparents are Mr. & Mrs. Don Schumann of Rt. 1, Spearman. The maternal great grandfather and great grandmother are Knox Pipkin of Rt. 1, Perryton and Mrs. Anna Haun. The paternal great grandparents are Mr. & Mrs. Oakes Scroggs.

THE CITY COUNCIL OF SPEARMAN TEXAS HAS CALLED FOR THE ELECTION OF THREE ALDERMAN POSITIONS. THE ELECTION WILL BE HELD ON SATURDAY APRIL 5TH, AT THE SPEARMAN HIGH SCHOOL, FROM 7:00 A.M. TILL 7:00 P.M. THE LAST DAY FOR FILING FOR ANY OF THE CITY OFFICES IS WEDNESDAY MARCH 5TH, AT 5:00 P.M. WITH THE CITY SECRETARY AT CITY HALL.

GREETINGS TO ALL PRODUCERS

FRIDAY, February 7, was the regular day for the cattle auction, with "Action" at Texhoma. The light snow and cold weather over our trade area was a factor in decreasing the numbers at our market for FRIDAY.

The "Action" began at 10 AM (CST) and was completed at 5:45 PM. 2279 cattle and calves were sold thru the arena. A good active auction prevailed throughout the entire selling period.

We are expecting sizable runs for every Friday through April 11. The bulk of the cattle grazing on wheat pasture "all over" our large trade area are going to move. Most Ranchers and Farmers are "hopeful" of harvesting a wheat crop--So arrange your consignment--large or small--for any FRIDAY, as far in advance as possible.

Remember--We contend to be the "Fastest Growing" Cattle Auction, with "Action" in the Southwest.

\$460 Per Capita To Run Local Govt.

Feb. 8 - For residents of Hansford County, does the cost of local government run higher or lower than it does for people in other communities? How much is spent locally per capita, for all municipal and county operations and for all special services? How large is the local debt compared with the average in other areas? A voluminous new report, just released by the Census Bureau, sheds light on these matters. It is based upon a

detailed study of local finances, gathered from every county in the United States. The study, entitled Government Finances, is the first made since fiscal 1967. They are conducted every five years. For people living in Hansford County, the figures show, the total cost of local governmental operations came to \$460 per capita in the year. In the rest of the nation the average was \$511 per

capita and, in the State of Texas, \$406. It took a total of \$106.5 billion to operate the various county, township, municipal and district governments in the country and provide the public with services in the fields of health, welfare, roads, sanitation, housing, police and fire protection, education and the like. The \$106.5 billion outlay represented an increase

of \$47 billion in a period of five years. In some communities, the amount spent for local governmental operations was adequately covered by revenues. In many others, however, more was spent than was taken in. The figures for Hansford County show that the direct expenditures, \$460 per capita, were offset by general revenue receipts equivalent to \$489 per capita. Some \$418 of this revenue came from local taxes and charges and the remainder from Federal and state sources.

In order to finance their expenditures for capital improvements and provide their residents with necessary services, many communities have been forced to go deeper into debt. Hansford County's outstanding debt is placed at \$265 per capita in the report. Nationally, the debt of local governments averaged \$580 per capita. Throughout the state it was \$528.

Bank Officials Attend Midland Meet

Four officials of the Gruver State Bank were in attendance at the Panhandle-West Texas Group meeting of the National Association of Bank Women this past weekend with seminars being held on inflation, its cause and effects, and other matters pertaining to finance presented by well-versed speakers.

Warren Quinlan from Dallas was the keynote speaker for the Saturday meeting held the attention of the bank women captive with his presentation of "Career Path Planning". Speaking at the banquet Saturday night held at the Midland Country Club was F. J.

Spencer of the International Management Service from Houston who spoke knowledgeably to the group during the evening. He was born in Bombay, India, and holds three degrees from the University there as well as degrees from the University of Oklahoma.

The meet was concluded shortly after noon Sunday following the breakfast session and business meeting at the Midland Bank. Gruver State Bank officials attending the NABW meet included Mrs. Cecil Ralston, Mrs. Melvin Bradley, Mrs. James Ayres, and Mrs. H. M. Frazier, Jr.

quate production is a requirement. From birth to weaning (6 months) there is little difference in the cost of maintaining cows and calves of different breeds except where there is weight differential. It costs in excess of 85¢ per day for the short 140 day normal feed lot period, but the result is beef normally graded USDA Choice.

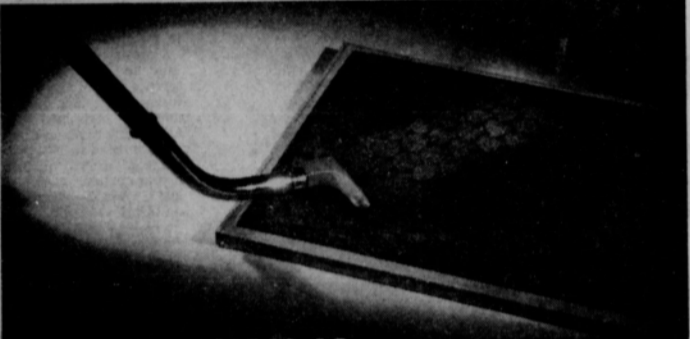

It would be interesting to listen to comments of consumers as they dined on a 4 to 6 years old steer fed on cactus, grass, and weeds. Most Americans have not sampled this degree of inferior quality and toughness in their adventures in steak, and it is unrealistic to assume that quality can be produced in volume by antiquated methods in a period of sophisticated industrialization when land is

high-priced, and all other inputs are equally costly. The Longhorn had some attributes and so did the Model T, but try to sell the banker on the production of either. Very Truly Yours, (signed) Glendon H. Etling.

It will be interesting to note if "Newsweek" prints Mr. Etling's astute observation concerning the Longhorn article.

Nearly 70 percent of the children under four in the 1968-69 Texas Nutrition Survey received less than half the Recommended Dietary Allowance for iron. Ten to 20 percent had "anemic" levels of hemoglobin. Source: "The Darker Side of Childhood," published in 1974 by the Texas Department of Community Affairs Office of Early Childhood Development.

**ENERGY IS VALUABLE
—USE IT WISELY**

ONE WAY IS:

Examine the filters of your central heating unit once a month. Replace or clean them at least every three months. Clogged filters make your heating system work harder than necessary and use extra energy. Clean filters increase your family's personal comfort, conserve energy, and save you money. At the beginning of the season have a qualified serviceman inspect the entire heating system to be sure that it is operating at top efficiency. This can help you avoid costly repairs and inconvenience during cold weather. Remember... it's up to everyone to use energy efficiently and wisely.

An Equal Opportunity Employer

Gruver Stockman Objects To Newsweek Article

Glendon Etling of Gruver has written to the editors of "Newsweek" magazine concerning an article appearing in the January 27th issue of the magazine under the heading of "The Return of the Longhorn".

The excerpt from under the picture which appeared with the article stated that the "legendary Texas longhorn, which seemed headed for extinction a few years ago, is making a comeback. Soaring grain costs have reawakened breeders' interest in the longhorn, which thrives on grass, cactus, or weeds, needs little water, calves easily, and outlives other beef cattle. (The longhorn's

daily feed cost runs only a about 16 cents, compared with 75 to 85 cents for other breeds.) One Colorado rancher who sold his longhorns for \$250 a head in 1967 is now selling them for \$1,500."

Mr. Etling, in contention with the ideas advanced in the article forthwith, dispatched the following letter to the editors of Newsweek, "Dear Sirs: I have read with interest your January 27, 1975, issue and am particularly interested in your quote "The Return of the Longhorn" in which you listed his economic attributes. These provide unrealistic connotations and poor rancher-consumer public relations,

Since I have had more than 30 years experience in the various facets of cattle business in the Panhandle of Texas, I feel it is my duty to correct some false impressions of this article, and I think it is your duty to print the corrections based on confirmation from livestock producers if you choose.

The Longhorn was discarded because of slow maturity prior to the Industrial Revolution. He was generally slaughtered at four to six years of age, while the modern beef animal is slaughtered 12 to 20 months of age and sometimes younger.

No place in America can a mature animal be maintained for 16¢ a day if ade-

Boy And Girl Of The Month

The Spearman Study Club is proud to announce that Robert Gene Byrd and Loreita Shelton have been chosen as the Boy & Girl of the Month. They were chosen because of their attitudes and friendliness at Spearman High

School. Robert is the son of Mr. and Mrs. Preston Byrd. He was in Band and Vocational Agriculture three years. Last year he was in D.E.C.A. This year he is in V.I.C.A. Reading, snow and water

1966 Lynxette State Champions Will Be Recognized

The 1966 Lynxette State Champions will be recognized during halftime of the 1975 State Basketball Tournament February 27th through March 1st at the Gregory gym. Coach Dear Weese will be introduced and then will introduce all the 1966 team members.

PINOCHLE CLUB MEETS

The Pinochle Club met Saturday, February 8th in the home of Mr. and Mrs. Doug Maupin. A delicious lasagne supper was served by the Maupins to members, Mr. and Mrs. Earl Goodheart, Mr. and Mrs. Burton Schubert, Mr. and Mrs. Earl Taylor, Mr. and Mrs. Fendorf Schubert and Mr. and Mrs. Granville Boyd. Next meeting will be March 1st in the home of Mr. and Mrs. Earl Goodheart.

check will cover as soon as possible. Several team members have made room reservations at the Villa Capri. If you are interested in staying at the same place, the telephone number for room reservations is Area Code 512-476-6171 (Mrs. Reynolds).

Brownie Troop #65 met Friday, February 7th in the Girl Scout House with leaders, Mrs. Monty Black and Mrs. Ronnie Beck. The girls worked on their invitations for the Mother-Daughter Tea to be held in May. Refreshments were served by JoAnne Odegaard to members, Andra Archer, Cristie Black, Ruth Ann Dennis, Stephanie Hays, Janice Kyles, Jeannie Laird, Karla Latta, Don-

na Martin, Tisha Peary, Rosa Pierce, Angie Thompson, Teresa Tindell, Gernye Womble, Kelly Rinker, Joanna Jarvis, Lorie Morris, Stephanie Frie-mel, and Kelly Groves. Next meeting will be February 14th in the Scout House.

Junior Troop #76 met Monday, February 10th in the Girl Scout House with leaders, Mrs. Jim Davis, Mrs. Tommy White and Rhonda Morrison.

The girls worked on their Magic Carpet Badge. They held a Book Illustration Party and drew book illustrations. Refreshments of valentine candy and punch were served by Lori White to members, Cindy Burton, Penny Cummings, Jan Davis, Jean Davis, Sonya Cooley, Lam Paul, Yvonda Scroggs, Debbie Fittler, Janna Harris and Angela McCain. Next meeting will be February 17th in the Scout House.

The Match of Dimes reports that birth defects affect the daily lives of about 15 million Americans.

Our Heritage of Faith

Lenten Services at Faith Lutheran started last Tuesday evening at 7:30 with our special study centering on the sufferings of our Lord. These services are of an informal nature with much singing connected with them. We invite you to come and share with us each Tuesday evening at 7:30 during the Lenten season.

Monday evening, Feb. 24 will see the men from Oslo Lutheran at Spearman to engage the Faith men in dart ball. The games begin at 8 pm. The Dart Ball Tournament is to be held at Trinity Lutheran, Guymon on Sunday, March 23 beginning at 2:30.

The Dart Ball make-up games with Boise City are tentatively scheduled for Sunday, March 2 at 2 pm., at Trinity Church, Guymon. Our men are to furnish the sandwiches and chips for lunch.

Faith Lutheran is in charge of devotions at Pioneer Manor each Sunday during the

month of February. Last Sunday we did not have very many members with us which made the singing difficult. The program is from 3 to 3:30 and we really need your help with the singing. The residents of the home enjoy having you come.

Our Church Council will meet with the Oslo Church Council on Monday evening, February 17 at 7:00 in the El Vaquero Restaurant at Gruver to work on the possibility of an intern coming to our parish. This will be a supper meeting. We hope that all members will be able to attend this meeting.

Faith Lutheran, a congregation of the American Lutheran Church, invites you to visit us at Faith. Our morning worship is at 9:30 each Sunday. Sunday School for all is at 10:30 with Junior Choir at 11:15. For that which is real & give the full dimension to life, worship God with us at Faith Lutheran.

BITS OF THIS AND THAT

Mary Browning spent the week-end in Berger along with her sons. She was there to pick up Stephen who has been ill.

The Joe Bynum family went to Berger to watch the Pampa game last Friday night. I hear Nita stayed home with Karl... what a shame.

The Jimmy Hesters spent the weekend in Lubbock visiting their son and his family.

Many thanks to the boys who brought Dave's Dunkin Munchin's by the station Saturday morning. These young men were so cold. But, what spirit they have... makes me wish I was young again--How about you Raymond don't you wish you were young again too.

Sorry to hear Timmy Harper has been in Hansford Hospital. We pray Timmy is better by the time we go to press. Get well soon Timmy.

Thanks again to VI Hornsby for the box of chocolates. Dave really enjoyed them...customers like VI make working a pleasure...we sure have nice customers...There are very thoughtful.

Francis and Ruby Tyler left bus the weekend of the first to visit their folks. Francis was going to Arkansas to visit his dad and Ruby was going to Elk City Oklahoma to visit her mother. Hope they are having a good visit. We miss seeing them.

Larry and Kathy Rauscher became parents of a bouncing baby boy. They named him Rusty Warren Rauscher. Both mother and son are doing fine... but we are not sure of Larry who came by the night Rusty was born and couldn't remember how to spell his last name--- Tom and Ardella are really happy with their new grand son...Congratulations to Larry and Cathy and Rusty Warren... you couldn't have picked nicer parents...

Bob Kiser is the new Spearman cable man so Bob told the other day...don't work too hard...Bob and you are feeling much better once again after your bout in the hospital. Keep up the good work...

Went by Earl's T.V. the other day and Earl Goodheart really has some nice looking merchandise. He sure and sign up for the prizes he's giving away at his grand opening. Congratulations to Earl and Trudy on their new venture.

Butch Schafer spent the weekend in Canyon. Butch is the son of Mr. and Mrs. Ronnie Schafer... he works for his dad at Safety Glass Company.

Isabel Vera was home from College in Canyon for the week-end and to help celebrate her brother Rubin's birthday. Isabel is the daughter of the Pete Vera Sr.s.

Have a very happy day "Mother" Amelia... sign up you're so good at throwing them... If you throw, I'll jump out of the New Years Eve Cake ha ha... I love your idea T. C.

Sure enjoyed our visit Saturday evening with Don Schell, and Bill Hopper, we had some good laughs. It's so nice to be around people who like to laugh...come back fellows.

Remember those in the hospital in your prayers Chad Gutherie son of Mr. and Mrs. Lawton Gutherie spent the weekend with his Grandmother Edna Hayst... He's a doll Edna.

Another newcomer to Spearman is FordWare from Lexington, Kentucky. He is working for Spearman Bi-Products and doing a fine job. One thing about Ford, he really takes care of his truck. It always looks clean and he washes it out after each pickup so it doesn't have that dead animal smell. It's nice knowing you Ford.

Ford is the brother of Spearman Bi-Products manager Myrtle Burgess.

Gary Gilbreath, who once worked at KBMF and left there to work for Hill Plains Auto Supply is now the Cook Book bread dealer for Spearman and surrounding areas. When you see the CookBook bread truck be sure and say "Hi Gary". Good luck Gary in your new venture. Come see us.

Glad to see Dean Beck of Perryton back to work again driving his gas tanker for Campbell Oil. Dean had more surgery the first of January and was finally released to go back to work Feb. 4. Glad you are back, Dean.

Nice seeing Jeannie Thompson home from college for a visit. Jeannie is the daughter of Celestine Thompson.

Richard Price is back in Spearman once again and is working for Smoley Huse after leaving Spearman awhile back. Richard worked at Howard Johnson's in Amarillo.

If the man who came by looking for a tractor to buy will come back I can tell him now where he can buy one. Sorry I didn't get your name. So stop back by the Fire Station and I'll give you the party's name that has one for sale.

Roy Franklin Russell visited in Spearman over the weekend. Roy has been living and working in Kansas for the past few months. Said it snowed most of the time since he's been there. Nice seeing you again, Roy.

Have a "happy day" city manager Ed Thompson. Wonder if people know how hard Ed works.

So happy when Merrell Johnson stopped by Sunday to let us know he is getting married March 15 to Ray Phelps's sister, Grace. Both Dave and I are very happy for Merrell who is one of our favorite people. So nice meeting you Grace and may you and Merrell be very happy.

Congratulations to you both, we're so happy for you.

Happy birthday to Marvin Crane Feb. 13, also a very happy birthday the same day to Marianne Harold of Thousand Oaks, Calif. Marvin is my wonderful brother-in-law and Marianne is his daughter.

Received a nice long letter from MaryCrane in California, wondering if I've been sick because my column wasn't in the paper. The answer is yes. I've been working along with Dave and both of us have been sick. I just couldn't think of a thing to write.

Billy Miller, editor, told me he would put an item in the paper explaining why my column wasn't there but guess he forgot.

The Historical group of Dallas is going to honor my grandfather Flanders by preserving some of the buildings he designed. I think this is just great. One of the ladies from Dallas is flying out to Dallas to gather information from my cousin and my sister. My grandfather was an architect. He did some beautiful work, churches etc. across the U. S. Grandpa passed away in 1929. My grandmother Mary Wood Flanders was the first woman teletype operator in the world, she worked for the railroad. I can remember how she used to tell us about it. I'm very proud of my relations, only wish they were both still alive to see the honor bestowed on Grandpa by the Dallas Historical group.

JUDY NELSON

Local Chapter Has Meet

Spearman Chapter #721, O. E. S. met for its regular meeting Friday, February 7th with Fay Palmer, Worthy Matron pro-tem and Coy Palmer, Worthy Patron pro-tem presiding.

In 1972, 4,328 Texas infants died. Probably more Texas persons die during the first year of life than at any other age.

HD Club News

The Holt Home Demonstration Club met Tuesday, February 4th in the home of Mrs. Marvin Jones.

To those of you in the hospitals, we pray you'll all be well soon.

Hansford Lodge Meeting

Hansford Lodge #1040 A. F. & A. M. met Monday, February 10th in the Hansford Lodge Hall.

Holt HD Club Plans Party

The Holt Home Demonstration Club is sponsoring a "42" party potluck supper at the Holt Schoolhouse Friday, Feb. 14, at 6:30.

Arts & Craft Guild News

The Arts and Crafts Guild met Friday, February 7th in the home of Mrs. P. A. Lyon.

Morse PTA Met

The Waka PTA will celebrate its 49th birthday at the regular meeting Mon., Feb. 17 at 7:30 with Mrs. Herman Wiebe, leader.

Waka Church Plans Supper

The Women's Fellowship of the Waka Church of the Brethren is sponsoring its annual Birthday Supper Saturday, February 15th.

SHRINE CLUB HAS LADIES NIGHT

The Hansford County Shrine Club is having Ladies Night February 20th at 7:30 at Martin's Steak Garden.

Mission To America Crusade Set

A Mission to America Crusade is being held at the high school auditorium, Hadesy, Okla. beginning Feb. 27 and running through March 2.

The speaker for the crusade is Rev. Hilton Sutton. Hilton Sutton is a noted authority on current events related to the prophetic scripture.

His topic for the Thursday, Feb. 27, 7:30 p.m. meeting is the "Last Generation". The Friday, Feb. 28 meeting at 7:30 a.m. topic is "United States In Prophecy".

LINDA LATT

Sororities Name Valentine Queens

Members of Rho Rho and Xi Zeta Chapters of Beta Sigma Phi have elected their Valentine Queens and are planning a fitting coronation ceremony to be held Saturday, February 15 at the annual Valentine Ball at the Perryton Country Club.

Chosen by Rho Rho was Mrs. Dennis (Judy) Nelson and Mrs. Tom (Linda) Latta was chosen by Xi Zeta.

Oslo Women Tack Quilts

More expert handcrafters in Hansford County include the many women of Guymon, Texhoma, Gruver, and the Oslo area belonging to the Oslo Lutheran Church.

Scraps have been contributed of double knit, and cottons cut in 6 inch squares and sewed together. Under the supervision of the Stewardship Chairman Mrs. Burton Olsen and Sewing Chairman Ora Johnson, the women have tacked and finished seven quilts.

The last workday was held February 5 when several women brought potluck lunch and worked during the day. Serving Chairman Mrs. LaVette Schibler served coffee and the noon meal.

Bridge Club

The Saturday Night Bridge Club met February 8th in the home of Mr. and Mrs. Billy Miller.

High scorers were won by Sylvia Robertson and Garland Head. Delicious refreshments were served by Mrs. Miller to guests, Mr. and Mrs. Ray Robertson and to members, Mr. and Mrs. Pat Cates, Mr. and Mrs. R. C. Potter, Mr. and Mrs. Bill Douglas, and Mr. and Mrs. Garland Head.

Mr. and Mrs. R. C. Potter will be hosts for the next meeting. The Ladies Dinner Bridge Club met Monday, February 10th in the home of Mrs. Sid Evans.

High score and the traveling prize were won by Mrs. Don DeArmond and second high was won by Mrs. Joel Lackey. Delicious refreshments were served by Mrs. Evans to guests, Mrs. James Jackson and Mrs. Orville Latham and to members, Mesdames: Allen Simpson, Bill K. Jackson, Don DeArmond, Jim Evans and Joel Lackey.

Pettitt On Honor Roll

STILLWATER--The 1974 Fall semester Dean's Honor Roll at Oklahoma State University lists 5,831 undergraduates.

Of these, 772 made straight A's, which places them on the President's Honor Roll, said Registrar Raymond Girod. Listing on the Dean's Honor Roll each semester goes to students making at least a 3.0 grade average (B or better) while carrying at least 12 credit hours, making no grade lower than C and completing all courses.

Bond Sales Exceed Goal

According to County Bond Chairman C. A. Gibson, December sales of Series E and H United States Savings Bonds in Hansford county totaled \$21,386. Sales during 1974 amounted to \$29,434 for 100% of the yearly sales goal of \$29,000.

Texas Legislative Report..... by Bob Close

The third week of the 64th Legislative session has been highlighted by organizational meetings and commencement of public hearings by the various committees. The Appropriations Committee has met several times and conducted hearings on emergency appropriation matters.

Sparking of emergencies, everything seems to be an emergency around here. The state employees pay raise and the teachers retirement raise which requires a constitutional amendment are the biggest matters acted on this past week. These "emergencies" in turn have spawned new emergencies. For example, after an election had been set on the

Bridges Don't Come Cheap

What 2,061-foot structure of concrete and steel in Hutchinson County cost \$1.9 million and took 13 1/2 months to construct?

The new half of the twin bridges that now span the Canadian River on Texas Highway 136 three miles north of Borger, that's what.

The new two-lane bridge, along with its adjacent, 25-year-old counterpart two-lane bridge, will be dedicated Thursday afternoon in ribbon-cutting ceremonies conducted by Texas Highway Commissioner Charles E. Simons.

The bridge dedication will follow a noon luncheon at the Sunavista Community Center at which Reagan Houston, chairman of the Texas Highway Commission, will speak. State Highway Engineer Luther Deberry will also attend the luncheon and dedication ceremonies. A coffee at 11:15 a.m.

teacher's retirement constitutional amendment in April, hearings were scheduled and are still being conducted on proposed pay raises for legislators. The urgency here according to the various proponents of pay raises is to "save" the taxpayers the cost of a second statewide election. Another example is the proposal by Joe Wyatt of Victoria to establish in the Constitution a "Texas Capital Improvement Fund". This proposal would amend Article III of the Texas Constitution and provide for the transfer from the General Revenue Fund \$250 million on September 1, 1975 and the sum of \$250 million on September 1, 1976. The income from this fund would be used to finance the acquisition of real estate and construction, repair or rehabilitation of permanent improvements for state supported schools and colleges and other agencies of the state. I favor this concept which would hold back a portion of the surplus and create in effect, a savings account for the state, the income from which would finance capital expenditures. These expenditures must now be appropriated from the General Revenue Fund and must be raised by taxes. Here again, the sponsors of this legislation urge immediate passage so this question can also be put on the April ballot and the legislature can be guided accordingly.

A frequent motion here is "Mr. Speaker, I move that we declare an emergency and suspend all necessary rules to take up this matter for immediate passage or to take up this question can also be put on the April ballot and the legislature can be guided accordingly.

Frankly, I am getting a little weary and wary of emergencies. I opposed the measure to increase salaries of the legislature in the committee and I will oppose it on the floor. I feel that in view of our economy and the need of fiscal responsibility, this proposal is inappropriate at this time and that the people from our district would be opposed to it.

The panhandle delegation here, Max Sherman, Bob Simpson, Ben Bynum, Phil Gates and myself, meets for breakfast once a week each Wednesday morning. The purpose of this meeting is to share common problems and information in an attempt to better serve our good folks in the panhandle. It also provides a time (7:00 a.m.) and place (Piccadilly Cafeteria) where you can meet with us as a group here in Austin.

Next week I hope to tell you about the committee system and how it works.
