Spearman Lands 5 Players On All-State Grid Team!

The Purple Pride team for Spearman, Texas, landed 5 players on the all-state grid teams this year. Spearman, 1974 runner-up in AA grabbed five all-state team spots, more than any other AA all-state football team in the state. Local fans were pleased with the picks, and especially when their pride and joy, Donnie Davis, was named to the first team backfield. Donnie Davis not only scored many, many crucial touchdowns for the Lynx, but he also stopped the other team from scoring on some of his terrific defensive playing. Of course, fans were equally as proud of the other men who made the all-state teams. Don Cooper made the teams, both offensive and defensive. Terrill Evans was picked at center

position, Roger Jones at linebacker and Roger Brown lineman. The only other Panhandle gridders named to the first team was Friona's Gene Strickland, a two-way all-district 3-AA selection. Cooper, a 6-2, 211 pound senior, used his 4.8 quickness in the 40 to spark an unusually quick Lynx offensive line, then averaged 13 tackles a game on defense. "He's the best offensive lineman I've coached in 16 years," said Spearman coach, Greg Sherwood, "and he's the best defensive lineman I've ever coached." He averaged 13 tackles, and they ran away from him all year long. Davis, only 5-9, and 165 pounds but exceptionally quick, averaged nearly eight yards a carry all season long and was the

offensive key to Spearman's playoff success. He scored 28 touchdowns for the season and gained more than 1700 yards. Jones, though only a Junior, already twice has been a unanimous all-district 1-AA selection at linebacker. He averaged 23 tackles a game and had 26 in the Lynx quarterfinal win against Alpine. Jones, Davis and Cooper were members of the 1974 Panhandle Plains Super team picked by the Globe-News. Evans was the all-district 1-AA center and is just a junior. Spearman guard Roger Brown was named to the second team. Roger Brown and Roger Jones are now playing on the Varsity Lynx basketball team, and fans may see them in action each week. In the meantime, the

Spearman School Board had a special 3-hour meeting concerning a new stadium for the Lynx last Saturday. The new 2,000 seat stadium, complete with rest room facilities and all of the trimmings, will be under construction as soon as the Board can let the contracts. The Board has already decided to take bids on a steel-aluminum stadium, instead of the pre-stressed concrete stadium. The savings will allow the Board to stay within the bond money that was voted, and not take away any of the remodeling on the Junior High School. Another meeting to decide the final step will be held this Thursday. The new stadium will include 2,000 new seats and the moving of the old seats to the new stadium site.

Johnson Services

Funeral services were held at 3 p.m. Wednesday for Jack Johnson, 91, a resident of the Morse community since 1917, at the Pringle School Auditorium. Officiating was the Rev. Ivan Allen, pastor of the First United Methodist Church at Stinnett. Burial was in Lieb Cemetery by Milton Mortuary of Borger. Mr. Johnson died Monday at Dumas Memorial Hospital. He was a native of Kansas City, Kansas. He was a farmer and stockman and was a Methodist. Surviving are the widow, Lily, two sons, Jack Jr. and Charles, both of Morse; one daughter, Mrs. Merle Chamber of Beaver, Okla.; eight grandchildren and four great-grandchildren.

Rose Gorman Rites Held

Funeral services were held at 2 p.m. Saturday in the First Christian Church at Texhoma for Miss Rose M. Gorman, 79, who died Thursday in Hansford Hospital. Officiating was the Rev. Donald Ralford, pastor. Burial was in Texhoma Cemetery by Dawson-Welch Funeral Home. Spearman arrangements were by Boxwell Brothers. Miss Gorman was a long time resident of Texhoma. She was a member of the First Christian Church. Survivors include two brothers, Andy of Boise City, and James of Stratford, two sisters, Mrs. Anna Rosenbaum of Wolf Point, Mont., and Mrs. Beatrice Jones of Texhoma.

Rites Held For Mrs. Irvin

Services were held at 2 p.m. Wednesday in the First Christian Church in Perryton for Mrs. Melande Gaye Irvin, 19, the mother of a three-week old son, who died Monday morning in Ochiltree General Hospital. She had suffered from meningitis for about a week, according to attending physicians. The Rev. Joel Peters, pastor of Trinity Presbyterian Church and the Rev. Harold Waterbury, pastor of the Full Gospel Church, officiated. Burial was in Ochiltree Cemetery by Boxwell Brothers Funeral Directors. Mrs. Irvin was a lifetime resident of Perryton. She was a 1974 graduate of Perryton High School and was a member of the First Christian Church. She married Jerry Irvin in Perryton last year. Surviving are her widow; her son, Charles Bladley; her parents, Charles Parker and Laura Parker, both of Perryton; a brother, Samuel and a sister, Melissa both of Perryton; and grandparents, Mrs. Gracie George of Perryton, Mrs. Clarice Parker of Brownwood, and J. A. Parker of Spearman, and a great-grandmother, Mrs. Nellie King of Brownwood.

Jim Neely Services Held

Funeral services were held Monday, January 20, 1975 at 2 p.m. in the First Christian Church here for Jim M. Neely, long-time Spearman merchant. Mr. Neely, 69, a Spearman resident for 28 years, died Saturday in his home. He was the owner of Neely's Clothing Store here. Rev. Don Wirsdorfer, pastor, officiated. Burial was in Hansford Cemetery under the direction of Boxwell Brothers Funeral Home. Mr. Neely was born in Little Rock, Ark. He was a member of the First Christian Church. Survivors include one daughter, Mrs. Roxie Knight of Lubbock; one son, James M. Jr., of Oklahoma; one sister, Mrs. Vern Townsend of Little Rock, Ark.; and seven grandchildren. Pallbearers were Oscar Donnell, Bill Whitford, Frank Massad, Woodrow Gibner, J. L. Brock, and Don Allen.

More Insurance Locally Per Family

Despite the money problems caused by national economic conditions, Hansford County residents have been holding on to their life insurance in the last few years and, in many cases, increasing it. As a result, local families began the current year with more life insurance protection than ever before. In addition, most of them have been maintaining their other safeguards, such as accident insurance, health insurance and fire insurance. Especially, however, because of the uncertainties of the times, they have been adding to their life insurance, for the most part buying term insurance, which is the cheapest kind. The effect has been to bring life insurance holdings in Hansford County to an estimated total of \$56,545,000.

Related to Hansford County and to the average income in the area, life insurance locally comes to an estimated \$25,250 per family. This is about twice as much as most families had ten years ago and is more than is held in many communities. It tops the United States figure of \$24,400 per family and the \$24,000 in the State of Texas. Of the grand total of \$56,545,000 carried by the local population, the bulk is in the form of ordinary insurance, with group insurance in second place. An indicator of the times is the disclosure that borrowing on life insurance policies has reached record proportions. In the past year it was well above \$4.5 billion.

Doug Porter On Dean's List

Douglas Porter, Spearman, Texas, a sophomore student at Wheaton college has been named to the dean's list for the first quarter of the 1974-75 academic year. He is the son of Mr. and Mrs. R. C. Porter. Dean's list honors are earned by students who carry 12 or more hours and average 3.2 grade points (4 is perfect) per quarter. Wheaton college is a co-educational liberal arts college of high academic standards located 25 miles west of Chicago.

Big Crowd Expected For Annual Banquet

Chamber of Commerce manager Mary Lou Wyson reported Tuesday that the tickets for the big banquet set for Saturday, January 25, 1975 at 7:30 p.m. in the high school cafeteria are sold out. Some 400 tickets were printed and these along with the guests will constitute a full house Saturday evening. The annual banquet this year will honor the Spearman Lynx and the coaching staff for their great season which ended in their being state champion runners-up. Leo Meyers, manager of the Ochiltree Chamber of Commerce will be the Master of Ceremonies. Entertainment will be by Sharon Garrison, also of Perryton. Mrs. Garrison, who also performs with the

Booker Bank Notes has an outstanding program prepared. To follow along with the Bicentennial projects the theme for the banquet will be "Spearman is - At American as Apple Pie." Mayor Coy Palmer will present the award to the "Outstanding Citizen of The Year". The Rotary Club will present the "Employee of the Year" award and the Women's Division of Chamber of Commerce will present an award to the "Woman of The Year". Mary Lou and her secretary, Teresa Barkley, have had a very busy week getting ready for the big annual banquet and the coin auction which is scheduled for Sunday, January 26 at the County Ag barn.

John Deere Film To Be Shown

Hansford Implement and Gruver John Deere Service Center will be host for a breakfast and film showing for farmers in the county. Tuesday, January 28, 1975 at 7 a.m. at Martin's Steak Garden in Spearman. Breakfast will be served at 7 a.m. with the John Deere Farming Frontiers

film following. The film program is devoted to the latest developments and research in agriculture. Gene Cudd, owner, issues a cordial invitation to all of his customers and interested farmers to attend.

Lynx teams blast Panthers- Wildcats next!

The Lynx and Lynxette basketball teams just "keep on traveling" toward the big district crown this year, as they added Panhandle to their list of victims, at Lynx Gym Tuesday evening. Michelle Shuman lead the scoring attack for the Lynxette team, as they annihilated the Panhandle girls 69-32 in a one-sided affair at Lynx gym. Actually, the game was much better than the score indicated, as Panhandle had a fine girls team. All of the Lynxettes played well, but special mention must be given of Wheeler, Gressett and Abbot, who were just terrific on defense. Also, Shuman had her best night of the week. Actually, we hesitate to leave any of the girls out of our news report, as the entire traveling squad of coach Newton did such a fine job.

The Lynxettes have a fantastic record this year, and have only lost 4 games; most of them to potential state champions. With a little luck, these girls can win this tough district, but they must beat Phillips at Phillips to get it done. Terri Brummett lead the Lynx with a big 27 points Tuesday night, and Terri missed 4 lay-ups that he actually had made possible by his own hard work and hustle, or he

would have added 8 more points to this record score. Terri was terrific Tuesday night, and Harper had a real fine night. All stater, Roger the Dodger Jones and Willie Porter and the whole team guarding them, and they actually had a hard time scoring, but they, along with Roger Brown, played a near perfect ballgame. The Lynx won this run-away game 77-46. Jones hit 8 points; Porter 14; Brummett 27; Harper 10; Brown 16; McMullan 2; Hagarman 2; to round out the scoring for the Lynx.

NEXT GAME: One of the biggest sports attractions of the year will be the Canadian-Spearman games this Friday at Lynx Gym. Plan now to attend all of these games Friday evening. The Canadian boys and girls are really tough, and the boys beat the Lynx at the Canadian tournament earlier this year. The Lynx really want to return the game favor this Friday night. The Canadian girls are equally as strong, so plan to see these games this Friday in Spearman.

Notice To Out-Of-State Vehicle Owners

Persons who have out-of-state titles and plan to register their vehicles in Texas for 1975 are requested to do so in the month of February. The original out-of-state title must be surrendered at the time Application for Texas Title is made. Applications are to be filed with the County Tax Assessor in the courthouse. Finance companies and banks are hesitant to release original titles to the owner when they have a lien on the vehicle. In these instances, the owner must call or write the lienholder and request that the title be mailed directly to the Tax Office. The correct mailing address of the Hansford County Tax Office is Box 1057, Spearman, Texas. It needs to be made clear to the lienholder that they will be shown as lienholder on the new Texas title. Before registering an out-of-state vehicle, the Serial Number must be inspected by a law enforcement officer, and an Identification Certificate must be signed. Any County Deputy, City Policeman, or Highway

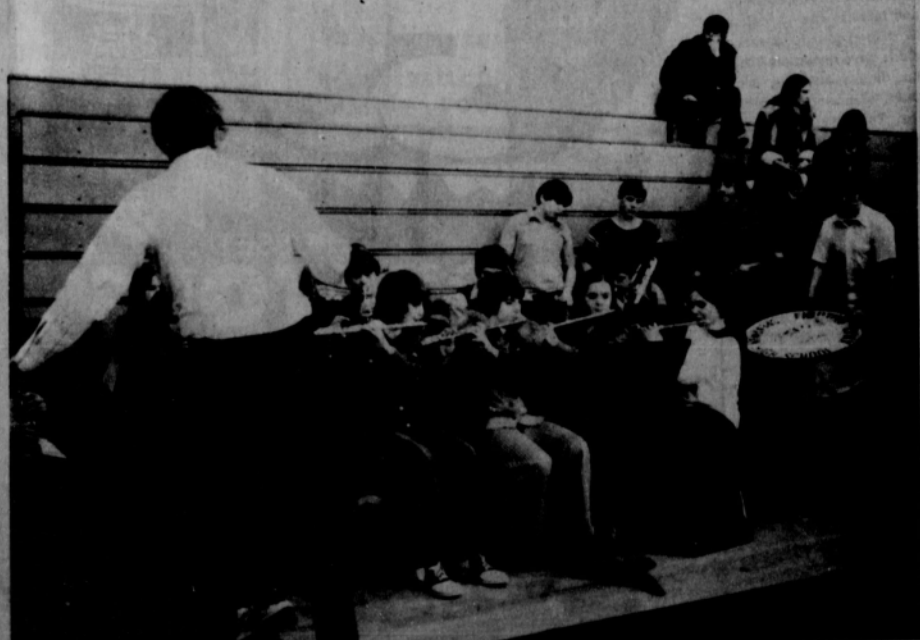

Patrolman may sign these certificates. March, of course, is the heaviest vehicle registration month in Texas, with the deadline of April 1. Thus, if out-of-state titles could be processed in February, it would be less confusing to the owner of the vehicle and the Tax Office personnel.

Commemorative Coin Auction Jan. 26

The Hansford County Commemorative Coin Auction sponsored by the Spearman Chamber of Commerce will be held Sunday, January 26, 1975, at 3:00 p.m. at the County Barn in Spearman. Thirty sets of coins will be auctioned: four coin sets numbered 1 thru 10, three coin sets #51 thru 60, two

coin sets #101 thru 110. Ed Dear, of Spearman, will be the auctioneer and will be assisted by Bob Cluck of Gruver. An entertaining afternoon is being planned with the Barkley Brothers and Bruce Ayres of Gruver and Wes Nivens of Spearman. Mr. Nivens is well known for his Old Time Fiddling.

Door prizes will be given. The first prize will be a three-coin set, while the second prize is a silver coin. A lot of key rings and necklaces will be given. No admissions, just an afternoon of fun, entertainment and coin auction. Funds will be used for Bicentennial projects and Chamber projects to help promote Hansford County.

Lynx Pep Band Director, Vic Kyler, and his Lynx Peppers play a little "traveling music" at the Spearman-Panhandle game Tuesday evening in Spearman. The band was much larger this Tuesday night, and it added a lot of enjoyment to the evening for the fans. We promised not to call these kids "Kyler's Kittens", but they are the Lynx Pep Band. Everyone enjoyed this music, and especially the drum section picture above.

Health Tips

Texas Medical Association
1801 North Lamar Austin Texas 78701

EATING BREAKFAST IS IMPORTANT

Eueil Gibbons might go to a little more trouble than most to get his wild hickory nuts every morning, but at least he eats breakfast! While millions of Americans skip this most important meal for time purposes, diet or whatever, they're doing themselves more harm than good.

The Texas Medical Association urges all Texans to eat a good breakfast and start a good day. Studies show that workers who tuck away a good meal before work get more done than those who skip breakfast or eat a poor one. As the morning goes on, the hungry ones grow less

efficient. After lunch they do better for awhile, but then they slow down again. And what is true for those workers is also true for homemakers, weight watchers, teenage girls, and everyone else. Those who eat a good breakfast have a better chance to do a good day's work than those who neglect breakfast.

Breakfast can be prepared in minutes. If the family eats at different times, or if a child has to be left to eat breakfast alone, plan ahead of time. Eggs can be cooked and bacon prepared early and left for latecomers. Cooked cereal can be kept hot until eaten. With foods ready at hand, family members

can serve themselves. When every minute counts, you can use canned, frozen or fresh citrus juice. This can be mixed or squeezed the night before. Ready-to-eat cereals, which are available in a wide variety to please any appetite, only take a second or two to prepare. Sausage or ham bought precooked only take a few minutes to heat and serve.

Let's take a look at ingredients that make a good breakfast. In any breakfast, light or hearty, try to include fruit. It gives zest to meals, prevents constipation and its outstanding in providing vitamin C. Cereals and bread give protein, iron and other minerals, vitamins and food energy. An active worker or a growing child can have a heartier breakfast by eating both cereal and bread. Choose whole-grain, enriched or restored kinds, for they offer added values in B-vitamins and minerals. Butter and margarine

used with bread help provide food energy and vitamin A. Milk supplies our bodies with calcium, the B-vitamin riboflavin and top-grade protein. Normal healthy adults need a pint or more of milk in some form each day. Young children need from two to three cups; older children should have at least three cups; and teenagers, a quart. Be it evaporated milk, skim, buttermilk or nonfat dry milk -- it's all rich in energy.

Eggs, meat, and fish provide high grade proteins for body building and repair, and they have mineral and other values besides. Building foods of some kind are a must in the day's eating and one or more should appear in each morning meal.

Something hot in the morning, whether a hot beverage or hot cereal is good for you. It is cheering and gives you a sense of well-being, summer or

winter.

If you are a weight-watcher, eating a bird-sized breakfast or skipping the whole meal is a poor way to try to keep your weight under control. It's a far better plan to eat a good breakfast and learn enough calorie arithmetic to even out your day's quota over the three meals. More calories than you need for work or play is where fat begins.

10,000 Pheasants Taken This Year

High winds on the opening weekend of the Dec. 14-29 pheasant season in the Panhandle kept many hunters from the grainfields, and as a result this year's pheasant harvest was down somewhat.

An estimated 10,000 ring-necked pheasants were taken during the brief season by approximately 19,000 hunters.

Texas Parks and Wild-

life Department project leader Dick DeArment of Wheeler estimated that 90 percent of all the hunting was done on the opening weekend with 16,770 hunters taking some 8,000 ringneck cocks.

By Dec. 29, only 10 percent of the hunters present on opening day were out in the grainfields.

DeArment said that less than half of the harvested birds were young-of-the-year, indicating a poor hatch of pheasants during the spring and summer.

1.5 M Waterfowl In Panhandle

Grainfields in the Texas Panhandle are the wintering home for some 1,555,685 ducks and geese according to an aerial survey recently completed by biologist David Dvorak of the Texas Parks and Wildlife Department.

Dvorak and TP&WD

pilot Gene Van Meter took to the air Jan. 6 and 7 and scanned the Panhandle from the Oklahoma border south to the Lubbock area as part of a survey conducted each winter to get an indication of the duck and goose population in that part of the state.

They counted approximately 457,125 mallards, 845,500 pintails, 121,850 widgeons, 93,575 green-wing teal, 36,140 Canada geese, 750 snow geese and another 745 "miscellaneous" waterfowl such as canvas-back ducks and the like.

"Most of the waterfowl we spotted," said Dvorak, "were south of Interstate 45 and in the western part of the Panhandle."

"The birds were gathered in grain fields and geese were especially attracted to fields of winter wheat."

Dvorak said that the weekend's cold weather probably moved some of the birds from frozen play lakes to larger, more open bodies of water like Lake

Meredith and Greenbelt Reservoir.

The relatively low number of geese, especially snows, indicates that the larger waterfowl move straight through to the Texas coast with few birds lingering in the High Plains.

Duck and goose season in the Panhandle as well as the rest of Texas remains open until sundown Jan. 19.

Social Security

Have you ever asked yourself, "How do I prove when I was born?" At some time, each of us will be faced with finding the answer to this question.

Proof of age will be required for the following types of benefits under social security: retirement benefits; wife's benefits at age 62 or older; widow's benefits at age 60 or older, or if applying as a disabled widow, age 50 or older; child's benefits under age 18, students benefits age 18 to 22, or disabled child's benefits; and, disability benefits if age 18 or age 55 and blind.

The best proof of age is a birth record or hospital record made during the first five years of your life. The next best record is a church baptismal record made before you were five years old and showing your date of birth and the date recorded. If you were born in the state of Texas prior to 1910, there will not be a recorded record of your birth. Even after this date, some births may not be recorded.

If you do not have a birth or baptismal record, try to obtain a record established early in your life. Records that might be available are a school record, a family Bible, an insurance policy which shows age or date of birth, a State or Federal census record, a marriage record of a child's birth certificate which shows your age or date of birth, a voting record, an employment record, a military record, a passport, a driver's license or a delayed birth certificate made over 5 years ago. The time to start obtaining proof of your age is now. If you need help in finding out what records are available in your area, contact your local social security office. In Pampa, call 806-669-3381, or write Social Security Administration, 1541 North Hobart Street, Pampa, TX. 79065.

Pesticide Certification Law Needed

AUSTIN--Certain restricted-use pesticides will not be available in Texas after October 1976 unless legislative action is taken in the next session.

According to Agriculture Commissioner John C. White, the action is needed for Texas to implement a pesticide certification program in compliance with the Federal Insecticide, Fungicide and Rodenticide Act of 1972.

Under the law every state must submit a plan for certifying applicators of restricted-use pesticides to the Environmental Protection Agency (EPA) during or before October 1975. The plan will go into effect a year after that date.

Certification will be necessary for commercial applicators, farmers, ranchers, apartment owners and individuals using the restricted pesticides.

Pesticides on the list will be those deemed by the EPA as causing unreasonable, adverse effects on the environment when used in commonly accepted practices.

The Texas Department of Agriculture is the state agency responsible for carrying out the provisions of the law in Texas.

South America exerts a powerful influence upon world fashion trends, predominantly in the forms of interesting motifs, designs and fabrics—mainly cotton. Textile exports for Brazil alone have quadrupled the last three years, Mrs. Becky Gulp, area clothing specialist, Texas Agricultural Extension Service, The Texas A&M University System, reports.

STATEMENT OF NON-DISCRIMINATION
North Plains Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture, issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington, D. C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after

the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

NOTICE OF INTENTION TO INTRODUCE A BILL IN THE LEGISLATURE

THE STATE OF TEXAS: COUNTIES OF OCHILTREE AND HANSFORD

NOTICE is hereby given that the undersigned intend to request the introduction of a bill in the 1975 Regular Session of the Sixty-Fourth Legislature of the State of Texas, the general purpose, nature, and substance of which is as follows:

This bill, to amend Chapter 438, Acts of 1973, 63rd Legislature, Regular Session, that created Palo Duro River Authority of Texas, to permit annexation, including Moore County, and establishment of a tax roll by the Authority, and the levy of an ad valorem tax limited to \$0.50 (50 cents) per \$100.00 assessed valuation for the payment of bonds upon which a majority of electors have favorably voted, and to provide methods by which the Authority could assess and equalize its tax rolls, provision for detachment of counties from the Authority and to validate the organization proceedings of the Authority and the maintenance tax election.

Said general description of the provisions to be contained in such bill is not intended to be exclusive, but only to express the general purpose, nature, and substance thereof. The bill also will contain other provisions and confer other powers in connection with the general purpose, nature, and substance stated above. This notice is given in accordance with the require-

ABP Files Bankruptcy

American Beef Packers, Incorporated filed for bankruptcy this past week with the petition being filed under Chapter 11 of the bankruptcy code allowing the ABP to continue operations while reorganizing and paying off debts incurred.

The ABP's plant located at Cactus was cited as the focal point of the financial difficulty. The plant, originally to cost \$14 million, still incomplete with the fabrication section still in the process of being built,

now is estimated to hit a cost of \$20 million. This additional operational cost plus the adverse market prevalent actually forced the closing. The company has been operating six cattle slaughter divisions in Nebraska, Colorado, Iowa and Texas.

The actual number and amount of debts outstanding is unknown but some estimates put the figures at least \$15 million nationwide. ABP has listed approximately 7,500 creditors, many of them cattle feeders, in their bankruptcy filing. Assets of the Company were listed at \$10,071,999 with liabilities of \$92.3 million. Beefland International, American Beef Packers's subsidiary, showed assets of \$25.3 million and liabilities of \$19.2 million.

Texas Department of Agriculture home economists recommend adding basil, mace, marjoram, nutmeg or oregano to spinach for a gourmet touch.

HOLT NEWS

Mr. and Mrs. Bob Gaines of Midwest City, Oklahoma recently spent the weekend with his brother, Mr. and Mrs. Richard Gaines.

Mr. and Mrs. Wesley Jenkins left Thursday

January 9 for Harlingen, Texas to spend a week's vacation visiting her sister, Mr. and Mrs. Pate Grigsby. They did a lot of sight seeing in and around Port Isabel, Texas, Piedra Island, Matamoros, Mexico and many other places. They reported the Valley is beautiful and saw many trailer houses from all over the United States. People go south for the winter. They returned home Wednesday. They had a most enjoyable trip but there's no place like home.

Mr. and Mrs. C. A. Dancer of Borger spent Saturday visiting her parents, Mr. and Mrs. Bob Stewart of Spearman.

Mr. and Mrs. Lawrence Anthony of Spearman attended Saturday afternoon January 18 the Continental Trailways Tourama, which was a reunion of Tour Companions in the Holiday Inn West in Amarillo. It was sponsored by Dick Bynum of Amarillo. Special films were shown of International Tours, had free time for visitation and the banquet was at 7:00 P.M. which had a special entertainment by the Revelations, the Gospel Quartet. Many door prizes and drawings were given.

Mr. and Mrs. Anthony were lucky for the drawings, one was two nights at the Holiday Inn 40 and two nights at the Holiday Inn in El Paso. About three hundred people attended and they came from far and near.

Mr. and Mrs. Harold Ottaway and family of

Tyrone, Oklahoma, Mr. and Mrs. Geardol Gray of Ulysses, Kansas, Mr. and Mrs. Owen Pendergraft were Sunday dinner guests of Mr. and Mrs. Eugene Ottaway of Tyrone. The Grays and Pendergrafts spent Saturday night with the Eugene Ottaways.

Mr. and Mrs. Doyle Jackson, Tim and Terry visited Sunday her parents, Mr. and Mrs. J. C. Galloway of Kress, Texas, Saturday, January 18, was Mr. Dan Jackson and son Doyle's birthday.

Paul Thompson of Mangum, Oklahoma is visiting his brother-in-law, Claude Jackson.

Ted Harbour has enrolled at Texas Tech at Lubbock.

Mr. and Mrs. Bob Phelps and Derek of Forgan, Oklahoma were Sunday luncheon guests of her parents Mr. and Mrs. Dan Jackson. The family in the afternoon visited Mr. and Mrs. Ira Harbour.

Mr. and Mrs. Raymond Kirk were Saturday night guests of her sister, Mr. and Mrs. Ed Dactor of Alva, Oklahoma.

Fronye Close and Alta Morse of Spearman were Sunday night dinner guests of Mr. and Mrs. Jack Whitson.

Dunkin' Munchkins Sale Planned

The Senior High UMY of the First United Methodist Church will be selling Dunkin' Munchkins again on Saturday, February 8, in the downtown area and at the shopping center.

These are very delicious and the UMY group obtains them from Amarillo. They will be on sale for \$2.00 a bucket.

The group sold them last fall to make money for their ski trip and the proceeds from this sale will also go for the ski trip.

Anyone wishing to give an advance order may call any member of the UMY or their sponsors Mr. and Mrs. Burl Buchanan.

Credit Union Holds Meeting

The H & H School Employees Federal Credit Union will hold its annual meeting on Thursday, January 23, 1975 at the High School Library in Spearman.

Coffee, cakes and doughnuts will be served at 7 p.m. with meeting following. Activities of the evening include giving away \$100; the announcement of a 6 1/2% dividend plus a 5% refund of interest paid on loans during 1974 and election of a board of directors and credit committee members.

All school employees and their families of Hansford and Hutchinson Counties are invited.

Rotary Club Meets

The Spearman Rotary Club met Monday, January 20th at Martin's Steak Gardens.

President, Peyton Gibner presided over the meeting. The invocation was led by E. J. Goussard.

Rev. Archie Burrell led the group in song. Coach Ralph Newton gave the program on "Lynette Basketball - 1974-1975". He explained the strategy and coaching methods he was using and the success he has had. He pointed out that in every game the Lynettes have lost, they have had taller opponents.

At the game against Phillips, the guards were superb in their defense against Phillips tall forwards, one of whom was 6'3". The Lynettes forwards did an outstanding job also.

Visitors present were Steve Cross and Arthur Wright of Borger.

Next meeting will be January 27th at Martin's Steak Gardens. A film entitled "Liberty and Justice For All" furnished by the local bar association will be shown at this meeting.

John Adams was first president to occupy the White House.

Black-Gray Vows Solemnized

Wedding vows were solemnized at 8 p.m. December 28 at in the First Baptist Church for Nedra Black and Kevan Gray. Rev. Russell Pogue, pastor, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. B. A. Byers of Spearman and Mr. and Mrs. Laroyce Gray of Levelland.

Bridal attendants were Matron of Honor, Sharon Black, sister-in-law of the bride of Spearman, bridesmaids were Becky Goodman and Lonita Combs of Morton. Flower girl was Cristie Black, niece of the bride of Spearman. Steve Gray, brother of the groom, was best man. Ushers were Scott Goodpasture of Levelland and Bobby Shomach. Groomsman was Gary Grant.

The bride given in marriage by her stepfather, wore a floor length white gown with train, fashioned of bridal satin with a lace overlay on the bodice and sleeves with lace trim around the hem. She wore a full veil with seed pearls scattered over it and decorated with lace flowers.

Her bouquet was of white carnations with white ribbon streamers.

The bridal attendants wore floor length deep purple velvet dresses with wide brimmed fabric hats. They carried baskets with daisies, carnations, and baby breath arrangements.

Debbie Gray, pianist, played traditional wedding music and the vocalist was Sandra Armwime.

The ceremony was performed before an altar flanked with baskets of purple and white gladioli and 2 candelabra trees. Aisles were marked with white bows.

A reception was held following the wedding given by the parents of the bride.

The bride wore a black pantsuit on the wedding trip to Ruidoso, N. M. They are at home at Levelland where they are both students. The groom is a junior at Tech and the bride attends SPC.

The bride is a graduate of Spearman High School and the groom graduated from Levelland High School.

Marriage Announced

Deborah Kay Cantwell and Steven Russell Budett pledged wedding vows at 6 p.m. Jan. 10 in the chapel of the First Baptist Church in Lamesa. The Rev. Bill Harbage officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Eugene Cantwell, 24 N. 24th St., and Mr. and Mrs. J. V. Budett of 1011 N. 20th St.

Vows were exchanged before an altar centered by a double sunburst candelabra holding white cathedral tapers and decorated by greenery and white cushion mums. A candle tree holding white candles and greenery stood on each side of the altar and a kneeling bench was centered in front of the altar.

White satin bells tied with white satin bows marked the bridal aisle.

The pre-nuptial music was played by Mrs. Don Dingus, organist. Donna Reynolds of Lubbock accompanied Linda Huckabee, also of Lubbock, as she sang "You Made Us For Each Other," "Someday, Somewhere," and "God Bless This Marriage."

Presented in marriage by her father, the bride wore a formal length gown of white Q'ana Jersey. Bands of Brussels lace enhanced the sheer bishop sleeves, yoke and wedding band collar. The A-line skirt extended into back fullness sweeping into a chapel length train. A Camelot headpiece held an elbow length lace edged mantilla of Brussels lace and illusion and she carried a cascade bouquet of gardenias, stephanotis and camillia leaves.

For something old, the bride carried a handkerchief belonging to her maternal grandmother, something new was her wedding gown; something borrowed was her mother's diamond pendant; something blue was a blue garter and for good luck she wore a stephanotis in her shoe.

Sally Budett, sister of the groom, was maid of honor. She wore a formal length gown of apple green Q'ana Jersey fashioned with a high Victorian neckline, draped empire bodice, short

angel sleeves and an A-line skirt. Her picture hat was made of soft white straw encircled with green velvet streamers and she carried a colonial bouquet of white cushioned mums, stephanotis and camillia leaves.

Attending the groom as best man was Ralph Eldins of Houston and ushers were Kenny Martin of Abilene and Ernest Wilmet of Spearman, cousin of the groom.

For her daughter's wedding, Mrs. Cantwell chose a floor length dress of yellow chiffon. The groom's mother wore a floor length dress of aqua chiffon. Corsages for the mothers were fashioned of gardenias and stephanotis.

Immediately following the ceremony, a reception was held in the church parlor with Julie Henderson registering guests.

The bride's table was covered by a white chiffon cloth and centered by a four tiered white wedding cake topped with fresh white flowers. Brass candelabras holding white tapers stood on either side of the cake and punch and coffee were served from brass appointments.

Presiding at the serving table were Brenda Vaughn, Carol Graham of El Paso, Debbie Mills of Kermit and Star Roberson. Other houseparty members included Mmes. G. K. McDonald, Bob Henderson, G. D. Vaughn, Johnny Jones and Joyce Bolch.

Music for the reception was provided by Donna Reynolds of Lubbock and rice bags were distributed by Babbette Vaughn.

For the wedding trip to Red River, N. M., the bride chose a green pants suit with brown accessories. Her corsage was a gardenia lifted from her bridal bouquet.

Mrs. Budett, a 1971 graduate of Lamesa High School, attended North Texas State University and is presently enrolled at Texas Tech University. Her husband is a 1969 graduate of Lamesa High School and attended Angelo State University. He received his BS degree from Southwestern Texas State University in 1974.

The couple will reside in Lubbock.

Nelle's News

By HD Agent Nelle Evans

We've all heard of or been a part of surveys being done but so often we don't know the results.

Want to share with you the results of a recent survey of Consumers. 57% of today's consumers are adapters, willing to change and try new things. As far as food store shoppers are concerned 10% are men, 13% are men and women together while the remainder are women.

Of today's consumers 65% use more left-overs than they did before inflation, 53% want and need better meal planning and ready to eat food, 40% do some home canning and freezing and 35% grow some of their own produce. 21% are serving smaller portions, 66% use more private labels, 59% read and use food ads and 56% are using coupons.

65% of the consumers are using fewer snacks, 55% use cheaper cuts of meat, 48% use less meat, 36% use less fresh produce and 29% are buying fewer dairy products.

Another survey studied what consumers are willing to give up to get lower prices. It showed that 54% prefer fewer brands, 47% would do their own saving, 46% are willing to have shorter store hours and 37% would

like to see less food advertising.

How do your thoughts compare with these findings? It is interesting regardless of what will result.

Peanut butter is very nutritious as well as being a favorite of many. Here's a little different version of a no-bake peanut butter cookie. Melt 1 c crunchy style peanut butter, 3 1/3 c miniature marshmallows and 1/4 c oleo over low heat; stir until smooth. Remove from heat and add 2 T milk, 1 t vanilla and 1 1/2 c quick or old fashioned oats (uncooked). Mix thoroughly then drop teaspoonfuls onto greased cookie sheets. Top each with a peanut. Remove from cookie sheets when set. Store at room temperature.

While we're speaking of recipes I'll just put in a good word for the Bi-Centennial Cookbooks. They contain excellent recipes, are inexpensive (\$3) and are helping a worthwhile cause (a County Museum). If you want one, I have some at my home in Gruver and members of the 20th Century Club in Spearman have them.

If you are interested in the basic 8 knit sewing course some of us took last spring let me know. It's available in Stratford every Friday in February from 1-5 p.m. for \$25.00. You must register by January 27 so let me know if you are interested. It is an excellent course.

Easter can occur any time between March 22 and April 25.

This beautiful winter scene was made by Mrs. Lawrence Anthony of the Anthony's cabin at Angel Fire, N. M., recently. Notice the 4-wheel drive vehicle and the snowmobile in foreground. A nice snowfall had just ended as the Anthony's arrived. The picture was made during the Christmas holidays.

9 Million Alcoholics in U.S.

This article is part of a series on "The Progression of Alcoholism" produced by the Alcoholism Council of San Fernando Valley, Calif. The stories are made available locally by the TEXAS PANHANDLE COMMUNITY ACTION CORPORATION.

If a member of your family, or a dear friend or a co-worker, is an alcoholic, he is not alone. There are 9,000,000 like him. If you, yourself, detect in your drinking behavior an abuse of alcohol that is affecting any part of your life on a con-

tinuing basis, you are not morally weak, but your life is controlled by a disease that the American Medical Association calls "the greatest of all drug abuses."

Alcoholism is incurable, but the ravages of its effects on the victim and countless others can be arrested through abstinence. Help can be had quickly by visiting the offices of TPCAC Alcohol Counselor.

The council reveals some astounding facts about the disease. It is estimated that 80,000,000 United States citizens drink al-

coholic beverages. Actually six of every 10 adults use alcohol. Only one out of 12 of them becomes an alcoholic.

This nation is populated by 9,000,000 alcoholics. Taxpayers of this country surrender \$75,000,000 annually for policing, court procedures, welfare and hospitalization caused by this disease.

AA Helps Drinkers How many of them have done or are doing anything about the disease which can never get better, only worse? The most successful effort in all history in

showing the way to necessary total abstinence is Alcoholics Anonymous. A recent article in a medical journal credited AA with doing more to relieve alcoholism than all doctors, clergy and jurists in the nation. Yet only approximately 350,000 of those 9,000,000 problem drinkers are in AA learning how to avoid the incessant poisoning of themselves.

Something about the disease and what it does to society and individuals and about practicing alcoholics can be learned from a few facts gleaned from many studies and surveys.

Alcoholics are more susceptible than non-drinkers to heart attacks, high blood pressure, emphysema, diabetes and, of course, cirrhosis of the liver. Even though many death certificates credit the above or other alcoholism-induced maladies, alcoholism ranks a close third to cancer and heart disease as man's greatest killer disease.

A fourth of all who die from fires while smoking in bed are alcoholics. One out of every three who commit suicide are alcoholics, and the suicide rate for problem drinkers is 58 times greater than for non-heavy drinkers.

He Dies Sooner The alcoholic can anticipate a 24 per cent chance of a violent death. Even more distressing is the fact that one fourth of all emotionally-disturbed persons and half of all first-time admissions to mental institutes are alcoholic.

For the alcoholic who is still working, such an employee averages a loss of 22 more working days a year and dies 12 years sooner than non-alcoholics who may be working at his side. There are more than 3,000,000 alcoholics working in industry. By contrast, there are only a half million known tuberculosis sufferers in the United States. Five per cent of all employed males have serious drinking problems.

Forty per cent of all family court-problems are the result of abusive use of booze. More than 40 per cent of all delinquent youths come from homes where there is an alcohol problem.

Where do alcoholics come from? Surveys show that

half of all those millions either attended or graduated from college, 87 percent completed high school, only 13 percent dropped out before high school.

Alcohol is Drug Forty-five percent are employed in professions or management, 30 percent do manual-labor, and 25 percent are in white collar jobs. Only 3 percent of our alcoholics are on any Skid Row. Actually only a fourth of all Skid Row derelicts are alcoholics, the rest being merely social misfits.

Fortunately most cases of alcoholism require from five to 20 years to become chronic, and help can come at any stage along the way if symptoms are heeded and assistance is asked for.

Some of these facts may be impressive enough to convince the public that alcoholism is a problem that commands attention and an open mind to invite problem drinkers out of the shadows to do something about their recovery. Nine million alcoholics affect seriously the lives of 30,000,000 other persons. Those numbers represent a national catastrophe.

Hightower To Address Water, Inc.

AMARILLO--U.S. Rep. Jack Hightower will keynote the Eighth Annual Membership Meeting of Water, Inc., Feb. 15 at the Quality Inn, Amarillo. He heads a list of program participants which includes State Senators Max Sherman of Amarillo and Kent Hance of Lubbock.

Theme of the annual get-together will be "A Year of Progress", with emphasis on the new unity at the state level. More than 250 persons from throughout West Texas and Eastern New Mexico are

expected to attend. Two meetings of the Water, Inc., board of directors are slated in connection with the Saturday meeting, the first at 4 p. m., Feb. 14, and the second immediately following the membership meeting. The later is the board's annual session at which officers and members of the executive committee are elected for the coming year.

Rep. Hightower of Vernon was elected to represent the sprawling 13th Texas Congressional District last November, a district that

includes the Texas Panhandle and a swath of North Central Texas extending to Wichita Falls. He was first elected to public office in 1952 as a state representative. After one term he was appointed district attorney, a post in which he served for six years. He was elected to the state senate in 1964, serving in the state's upper chamber until his recent election to Congress. In the state senate, Hightower was known as a prime-mover of water legislation. During the past year he headed up

the state senate's four regional water study councils. D. G. "Bill" Nelson, Amarillo, executive secretary of the Texas Wheat Growers Assn., and director of Water, Inc., is chairman of the annual meeting committee. Also on the committee are K. B. "Tex" Watson, Edward G. Weber, and Jerome Johnson, all of Amarillo.

ENERGY IS VALUABLE - USE IT WISELY

ONE WAY IS: Insulate your home properly. Insulation reduces the quantity of heat which escapes from your home during the winter or comes into your home during the summer. You can save as much as 23% on fuel consumption if your home is insulated to FHA standards. If it is fully insulated with 6 1/2 inches of insulation in the ceiling and 3 1/2 inches in the outside walls, there can be savings of 45 to 55 percent. Your home can be more comfortable as well. Check into the advantages of having your home fully insulated.

RITS OF THIS AND THAT

By Nita Stewart

Glad to see Jack Whitson out of the hospital. Nice having you drop by for coffee, Jack.

Viola Graves left last

Friday for Lubbock to visit with her children. Have a great time, Viola.

Marshal Walker was taken by ambulance Saturday morning to St. Anthony's Hospital in

Amarillo. For all of Marshall's many friends, he is in room 346. Mr. and Mrs. Walker do upholstery work from their home. Get well soon, Marshall.

Our sympathy to the family of Jim Neely, who

passed away Saturday, January 18th at his home. God be with you all in your time of sorrow.

Kathy McDade left Saturday to go back to Wayland College, in Plainview. Take care, Kathy, we like your cute little car.

What beautiful weather we've had this past few days. Saturday was just like summer. The young people and some older ones were out cycle riding. Other folks were out, going for nice long rides. Almost too pretty to work. Guess we better enjoy it while we can.

Mike Tucker went to Oklahoma City, Oklahoma, to hear some sort of a concert. Mike is one of our favorite young men.

Clarence and Mary Wagner and their two daughters went to Perryton Saturday night for Pizza. You all sure looked nice.

Went out to Hansford Hospital before opening on Sunday and visited with some of the patients. I'm glad to report Wayne Ellsworth is much improved and looks fine. Ray Phelps looks good and was walking around the hall playing jokes on Wayne Ellsworth. Stopped in Edna Hays' room and she looks just great and was able to be in the recliner chair reading the paper. Those nurses, doctors, and such really take good care of the ill out at the hospital. Ruby Tyler is better, too, and looks fine.

Sure sorry to hear that the Bill Watson family will soon be leaving Spearman for Wheeler. Bill has been transferred, and will be leaving around February 5th. We sure do hate to see them leave. They are such a fine family. And we will miss little Jill so much, along with Bill and Jay, of course.

L. R. (Dick) Bynum, terminal and tour manager for Continental Trailways of Amarillo, was elected President last week of Greater Southwest Music Festival for 1975-76. The Fifth Annual Festival is scheduled for April 24, 25 and 26. Dick is the brother of Ralph and Joe Bynum of Spearman.

Spending their week's vacation in Spearman visiting the folks are Danny and Lezlie Hendricks and their child from Houston, Texas. Danny is the son of Don and Nina Hendricks. Lezlie is the daughter of Sonny and

Jean Nollner of Spearman. Glad to meet you, Danny, and glad you enjoy my column out Houston way. It's nice to know we have readers all over, not only in Texas, but in other states. Hope your stay's a fun one.

Tommy Russell and son, Kevin, went cycling in Borger Sunday afternoon. It was a nice day for riding. We saw several cycle riders out enjoying the beautiful sunshine.

Finally was able to catch up with Mary Thompson and get my hair done Monday. It was the first time I'd been to sit and talk; before, I was zooming in to leave some Beaver Express and really didn't have a chance to look around. It's a nice shop - pretty colors, big and roomy. Of course Mary and I were the only ones there for awhile, then Eddie Gail Martin's mother came by for Mary to comb her hair for her on her way to a shower. You can sure tell how proud Mrs. Martin is of her son and the Steak Gardens. I was a little

sad to learn my dear friend, Mary, will soon be leaving the Spearman area. She sure will be greatly missed by everyone who knows this sweet gal. Of course, Dick will also be missed - looks like Crawfordville will have to find a new "Mayor". We pray for your happiness and success. Don't forget us.

God be with you all.

Mr. and Mrs. Byron Nesbitt of 118 Oak Ave., Dumas are the parents of a baby girl, Kisaundra Lynn born January 9, 1975. The little miss weighed 9 lbs. 7 3/4 oz. at birth. She

was born in Dumas Memorial Hospital. Maternal grandparents are Mr. and Mrs. F. S. Ayers of Faith, South Dakota, former residents of Spearman and paternal grandparents are Mr. and Mrs. James E. Nesbitt of Borger. Mr. Nesbitt is manager of Levines Dept. Store in Dumas.

Ground Hog Supper Feb. 1

The First United Methodist Church will have their annual Ground Hog Supper on February 1 in fellowship Hall from 5:30 to 7:30 p.m.

Tickets for the meal are \$3.00 for adults, \$1.50 for children 6 to 12, and children under 6 may eat free.

The menu will consist of pork chops, ribs, liver and onions, sausage and gravy, sweet potatoes, green beans, cabbage slaw, homemade biscuits, butter, homemade pies, apple-sauce, tea and coffee.

To: Prospective Bass Anglers Sportsman Society Members

Dear Friends,

I have written to BASS headquarters in Montgomery, Alabama, for information concerning the formation of a local BASS chapter in Perryton.

I have been an active "fishing" member in both the Amarillo and Pampa BASS clubs, and have attended a couple of the meetings at night in Pampa. BASS headquarters sends films, et cetera, for the meetings that are good, but due to the distance and time involved, it is hard to make them all. For these reasons, it seems to me that we could have a fairly good sized chapter of our own and benefit from BASS films and materials.

For those of you who have not participated in BASS on the local or national level, I feel you have missed some real fun. By way of this letter, I invite you to call me at home (435-3482), or at my office (435-6566) and give me a list of persons who might be interested in a local club or may already be a member of the national BASS club. The national membership dues are \$10.00 per year; that includes 6 or 8 issues of a real fine magazine devoted to only bass fishing, plus many other side benefits.

Again, if you think a chapter in Perryton could be supported, please contact me and possibly by then I will have more information to pass along to you.

Very truly yours,

Dewey D. Williams
