

Council fires Police Chief!

The City Council dismissed Chief of Police Lee Phillips at their regular meeting Monday night, Feb. 23, 1976.

Councilman Alton Ellsworth made the motion that the Chief be dismissed because "of lack of confidence on the part of the council", the motion was seconded by James Jackson. Councilmen voting for the dismissal were Alton Ellsworth, James Jackson, Troy Sloan and Richard Holton, Jim Nicholson voted against the dismissal.

Britt Jarvis, attorney for Lee Phillips, was present, but the council refused to hear his arguments and the mayor called the sheriff's office to come to the City Hall to stop Jarvis' arguments, but the Sheriff's Dept. did not show up.

A group of citizens were on hand at the meeting in protest of the action but were not heard by the council. The citizens had a petition stating that they thought Phillips has done an outstanding job and were against his dismissal.

Verna Gail Keim met with the council asking that stop signs be placed on 11th street, stating that at times this street is like a "dragway". There are at the present time no stop signs on 11th Street. The council voted to study the proposal and install signs where needed.

A discussion was held on what action would be taken in regard to the High Plains Natural Gas Co. request for rate increase to the Railroad Commission. The council voted to hire McMorris & Associates, and attorney Wayne Brown, who represented the city before the Railroad Commission last year, and possibly to hire the Austin attorney, Bob Wilson, who also represented the city at the hearings. The City of Spearman will possibly go along with the City of Perryton and their lawyers, Lemons, Close, Atkinson and Shearer in opposing the increase. High Plains Natural Gas Co. is asking for a rate increase to 39.14¢ mcf plus 100% gas cost adjustment.

Last November the Railroad Commission ruled that the City of Spearman should pay 36.53¢ mcf plus 100% gas cost adjustment. Acting city manager Mark Neff stated that the gas company provides to the city their cost of gas bought on the 20th of each month and at that time the city has 20 days to file a protest with the Railroad Commission.

The council authorized the mayor and acting city manager to sign the H & S Transfer Agreement and to apply for E. M. T. Rescue Equipment Grant. Cost of the E. M. T. equipment will be \$5,000.00 with 75% coming from the grant if approved and the other 25% coming from the H & S Ambulance Service.

Meeting dates were set for March 8 and 22. A meeting was held by

The Spearman Reporter

VOLUME 67, NO. 15 THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081 THURSDAY, FEBRUARY 26, 1976

STANDING ROOM ONLY at the citizens meeting held Tuesday at the County Barn following the Monday night dismissal of Chief of Police Lee Phillips. The group discussed their dissatisfaction with this move and others made by the City Council in the past few months.

Concerned citizens at the Community Building Monday night after the council meeting with about 60 persons in attendance. At that time they scheduled a meeting for Tuesday morning at 10 a.m. at the County Barn. Approximately 125 people were in attendance to discuss their general disagreement with recent actions of the City Council. During this meeting, two citizens, Hal Shufeldt and Tim York stated that they would file for positions of councilmen.

Charlie Hitt Dies In Arkansas

Word has been received of the death of Mr. C. A. (Charlie) Hitt of Gentry, Arkansas. Mr. Hitt and family were former residents of Spearman. Funeral services for Mr. Hitt were held Tuesday in Gentry, Arkansas. Mr. Hitt was a nephew of Mrs. Jessie Tompkins.

Lose Heartbreaker

The fighting Spearman Lynx lost a heartbreaker to the Childress Bobcats Tuesday night in Canyon's West Texas Field House when Childress' Ivan Johnson connected on a 16-foot jumper with three seconds left, lifting the Bobcats to a 66-64 Class AA bi-district basketball victory.

The loss ended Spearman's season at 16-10 and snapped an eight-game win streak fashioned by the Lynx who fought an uphill battle all night Tuesday. Spearman led by six points (8-2) in the early going, but the Bobcats soon gained the upper hand, leading at three times by as many as 11 points.

The Lynx made a run at Childress in the fourth period, causing turnovers with hustle by such defensive specialists as Randy Reid and Jeff Beedy, and tied the score four times.

Jones tied the score at 64 with a follow show with 1:13 left to play, but Childress stalled for the last shot successfully from that point.

Roger Jones, Spearman's all-state linebacker and guarded by Johnson (an all-state tight end), scored 24 point and 19-rebound averages for the season. Jones sank only 10 of 31 field-goal shots, and teammate David Steele, averaging seven points was held scoreless.

Ruby Wilbanks Services Set

Services will be held at 3 p.m. Thursday, Feb. 26 at the First Baptist Church for Ruby Mary Wilbanks, 86, who died Tuesday morning in Hansford Hospital. The Rev. Russell Pogue, pastor, will officiate and burial will be in Hansford Cemetery under the direction of Boxwell Brothers of Spearman.

Mrs. Wilbanks had been a resident of Hansford County for 80 years. She was born Feb. 16, 1890 in McLellan County and moved here as a child with her parents.

She was a member of the First Baptist Church. Mrs. Wilbanks was preceded in death by her husband, Edd Wilbanks, a daughter Greta Beard, and a son, Carl Edd Wilbanks.

Survivors include three daughters, Mrs. Joann Hawkins of Spearman, Mrs. Joyce Shockley and Mrs. Loreta Boyd of Amarillo; three sisters, Mrs. Ruth Smith and Miss Opal Compton of Odem, and Mrs. Lucille Kooztz of Apache, Okla.; 11 grandchildren; and 12 great-grandchildren. Pallbearers will be grandsons, Joe Don Shockley, Shane Wilbanks, Ronald Hoyt Boyd, Mallie James Boyd, Jim David Crawford, Chuck Shockley and Joe Edd Crawford.

City, School Election Will Be Held In April

Filings for political offices on the county and district levels have attracted most of the attention in recent weeks, but other elections will also be held soon.

Elections to select members of the city council, as well as mayor, new board members for the school board will all be held on April 3 at Spearman High School.

In the city elections two council member terms will expire. Terms will expire for Troy Sloan and Richard Holton, who are both serving out unexpired terms of aldermen who were elected and later resigned after moving from the city. The term of Mayor Coy Palmer is also set to expire.

Two school board members, Joel Lee Lackey and

Wilson McClellan's terms expire.

At press time, one candidate had filed for school board. He is Kent Guthrie.

A check with city hall shows that Tim York has filed for a place on the council.

Deadline for filing for in city and school elections is March 3, 1976. Those wishing to file may do so at the respective offices.

Gospel Meetings To Begin March 1

The Church of Christ has scheduled a series of Gospel Meetings for March 1-7. Weekday services will be held at 7:30 p.m. and the Sunday services will be at 10:35 a.m. and 6:00 p.m. according to Bill Osborne, minister of the church.

Maxie Boren, Evangelist of Clifton, Texas will be the speaker. Boren was born July 28, 1932 in Westlaco, Texas. He graduated from high school in Oklahoma City in 1950 and attended the University of Oklahoma for 2 1/2 years and then transferred to ACC and attended there 2 1/2 years also, graduating cum laude, with a degree in Bible in 1955.

He was a preacher for 19 years and went into full-time gospel meeting work in the summer of 1973. Most of his work

has been in Texas, but he has held meetings in 20 different states thus far.

Boren has had articles in many brotherhood publications, such as "20th Century Christian", "Voice of Freedom", "Christian Worker", "Anchor", etc. He has participated on Christian College lectureships at ACC, Harding, OCC, Pepperdine and LCC.

He is the author of a booklet "Problems Faced by Young Preachers" which was written in 1963 and is presently revising the material into a full-length book.

Boren believes very strongly in "Old Time" book, chapter, and verse preaching.

The local church and its minister issue a cordial invitation to all interested persons to attend any or all of these services.

HOSPITAL NEWS

Patients in Hansford Hospital are Carrie Ellis, Clarence Pettit, Orville Walker, Faye Hickerson, Birdie Thomas, Homer Hart, Gary Conley, Willie Seitz, Janice Holt and son, Tillie Poston, Allen Pierce, James Cook, Eunice Richards, Kevin Townsend, Edna Briley, Mae Rupperecht, Bertie Lewis, Ellen Babbs, Alice Walker, Opal Bames and George Rupperecht.

Dismissed were B. W. Renner, Abielada Vela, Ella Cypert, G. W. Ford, Lorraine Pollard, Inez Holland, Billy Miller, Marie Baggerly, Vera Lee Schnell, Kristi McCain and Kenneth Gallant.

Two deaths occurred at the hospital. Lupe Garza, 21, son of Mr. and Mrs. Paul Garza of Spearman, died Feb. 20 and Mrs. Ruby Wilbanks, 86, died Tuesday morning.

Deadlines For Vote Registration Nears

Any voter wishing to exercise their right to vote in the city and school elections set for April 3, and who is not now a registered voter, has until March 2 to register with Helen Dry, county tax assessor-collector.

Deadline for registering to vote in the May 1 primary will be March 31 according to Mrs. Dry. These deadlines apply only to new residents in the county or to those who have not previously been registered voters. Registered voters in the

county recently received their new registration in the mail.

Mrs. Lewis Died Tuesday

Mrs. Bertie Lewis, mother of coach Harley Lewis of Spearman, died Tuesday night in Hansford Hospital. Mrs. Lewis had a lengthy illness.

Funeral services are scheduled for Thursday in Childress. Mrs. Lewis had lived here with her son for the past several years.

Public School Week Is March 1-5

Open House Thursday Night

"More and more, we are coming to realize that local public schools should do more than just prepare students with skills for the job market," said Superintendent James Cunningham as he announced the dates of Texas Public Schools Week as March 1-5.

James Cunningham stressed the importance of community participation in the week. March 1-5, all grades, elementary through high school will be open for public visitation and inspection. Parents and the public are not only invited to visit, they are asked to have lunch with the children, sit in on classroom sessions, and to ask questions. Teachers and school officials are planning special programs and displays in recognition of the week.

"We invite the community to pay us a visit," Cunningham further stated. "We endeavor to help each student develop personal knowledge, skills and competence to maximum capacity. We attempt to teach behavior patterns which will make each one a responsible member of society. We welcome public evaluation of our efforts during Texas Public Schools Week, March 1-5."

"Back To School Night" will be Thursday evening, March 4 from 7 to 9. Parents and visitors may visit with teachers and pupils at that time and refreshments will be served by Hansford Lodge members at both the junior high cafeteria and the high school cafeteria. A program will be held in the junior high auditorium at 8:30 p.m. The presentation is "I Hear A

Drum" and marks "National Music In Our Schools Day."

Fourth and fifth grade choirs will combine their vocal talents for the presentation of a bi-centennial program on Back-to-School Night, March 4, 1976 at 8:30 P. M. "I Hear A Drum" is the title of the presentation which combines traditional patriotic symbols and sounds with their contemporary counterparts. Thus, Pat Tucker, (4th grade), the Narrator, looks a little like Uncle Sam, and Hadley Reed (4th grade), the drummer, looks like a colonial boy. Lea Ann Gibner (5th grade) adds a resonator bell accompaniment on one of the numbers.

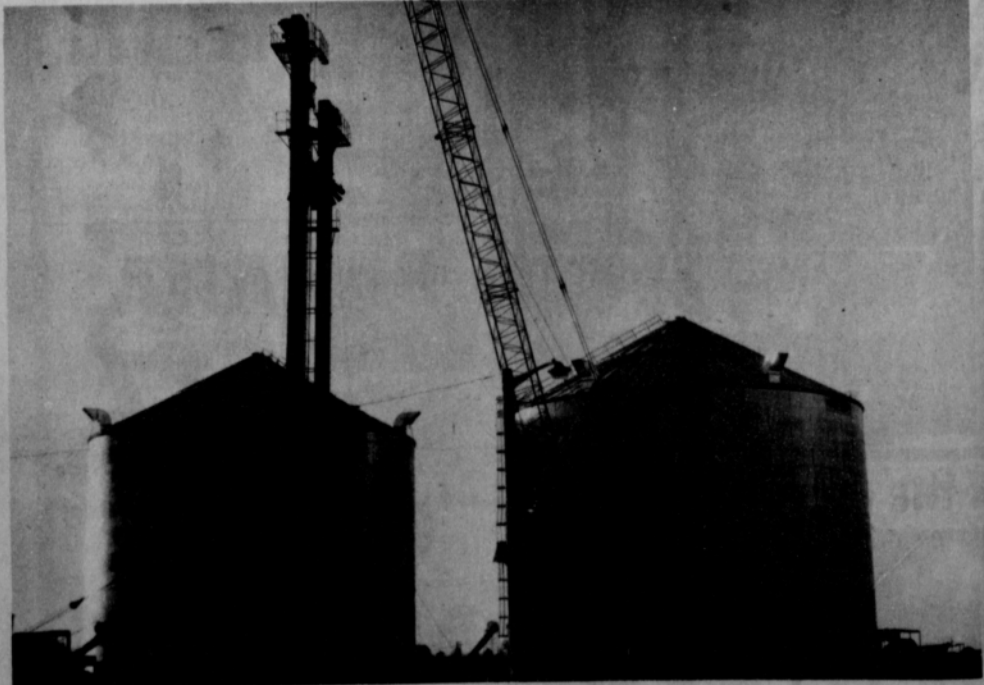

The music, too, reflects this bringing together of yesterday and today, old and new, colonial and contemporary. In it, the opening Revolutionary

drum and drum tune is followed by a waltz, which in turn is followed by a tune with a boogie-woogie flavor. Then there is a contrapuntal song with three different melodies, which sound best when sung together - and what better tunes for Americans to sing? Next is a reflective song with a Calypso accent, and for a finale, a real music hall show-stopper. Altogether, "I Hear A Drum" symbolizes the diversity that is our country - a salute to our cherished differences.

First grade square dances will open the program. "I Hear A Drum" will be presented to a Junior High Assembly on March 3 at 11:00 a.m.

Nitschke Receives Conservation Award

Luther (Bud) Nitschke, Cambridge, KS, was a recent recipient of the annual Kansas Bankers Soil Conservation Award. He is the son of Mr. and

Mrs. Sam Nitschke of Spearman. Bud operates the Nitschke-owned ranch in Kansas, 60 miles south-east of Wichita in the Cowley County Flint Hills.

He and his wife, Janet, have a Hereford cow-calf program. His award was in the area of good grass management and correct pasture rotation.

Hightower Favors Override

(Washington, D. C.) --Congressman Jack Hightower said today the overwhelming margin by which the House of Representatives voted to override the President's veto of the Public Works Employment Bill indicates an awareness that it is just good common sense to take people off the unemployment rolls and

put them on the tax rolls through useful work. "I voted for the bill and I voted to override the veto," Hightower said. "I have voted against and will continue to vote against frivolous government spending, but I am convinced funds to be spent under provision of this bill will pay dividends to my constituents and the

nation." As an example, the Congressman cited eleven towns and cities in the district that had applied for federal assistance in construction of sewage treatment facilities -- Amarillo, Borger, Canyon, Childress, Henrietta, Holliday, Mergargel, Spearman, Texhoma, Vernon and Windthorst. He

was advised that had the bill not passed, these cities and towns would have lost any opportunity for funding in fiscal 1976. "In addition to these communities, the state of Texas would lose a total of \$261.7 million for construction of similar projects," the Congressman said. "These projects produce lasting benefits for citizens of the community and immediate benefits for the construction industry involved in building them."

Hightower noted that President Ford said in his veto message that the best way to create new jobs is to encourage the growth of the private sector. "I agree completely," he said, "and as the projects that would have been lost would indicate, everyone benefits -- the contractors who build them, the citizens who utilize them and the towns and communities who can expand their economic bases because of better and expanded facilities."

The Congressman said that approximately two-thirds of all the jobs projected in the bill's provisions would be in the private sector. "The principal beneficiary would be the construction industry," he said. "In 1975 this industry suffered an unemployment rate of 18.1 percent, and experience has taught us that a depressed construction industry and depressed economy are inextricable tied together."

The argument also has been made that such projects produce no lasting results. "It is a fact that the nation is still using more than 35 years ago by the WPA," he said. "The Congressman said the number of jobs that would be created has been debated vehemently. "One irrefutable fact cannot escape our notice," he said. "At the present rate the federal government will pay more than \$19 billion in unemployment compensation this year. Whether the number of jobs created is 100,000 or 800,000, each one represents a net gain for the economy."

Methodist Church Plans Special Services

This Sunday, February 29th there will be special speakers at the Morning and Evening services. Ajith Fernando from Sri Lanka will be speaking at the morning worship service. Many will remember Ajith Fernando as the youth director two summers ago at the Methodist Church. He will be going back to his own country in a short time and this will probably be his last time here for quite some time. At the evening service Dr. Ken Chapman, a young man who practices dentistry here will be bringing the evening message. The public is invited to come and hear these men.

Baptist Women Meet

The Baptist Young Women met Wednesday, February 18th in the parlor of the First Baptist Church for a Valentine luncheon.

Following the luncheon, a short business meeting was held with President, Mrs. Boyd Dean presiding.

The Prayer Calendar was read by Mrs. Glen Gray, followed by prayer for the birthday missionaries. Mrs. Tim Woodington gave the program entitled "Do You Have the Heart?"

The closing prayer was led by Mrs. Woodington. Those present at the meeting were guests and members, Mesdames: Jimmy Jackson, Clifford Homsby, Russell Pogue, Luke Stewart, Buford Baker, Gilbert Hamish, Windy Williams, Boyd Dean, John Hutchison, Tim Woodington, Bobby Valley and Glen Gray. Next meeting will be Tuesday, February 24th at the church.

Buttons were first put on men's coat sleeves by Frederick the Great, to keep his soldiers from wiping their noses on their sleeves.

Billy Giles Receives Scholarship

Billy Giles has been awarded a scholarship from the Harrington Scholarship Fund for the spring quarter, 1976 at Amarillo College. He received the scholarship on the recommendation of his department chairman and the Dean of the College. Billy, the son of Mr.

and Mrs. Bill Giles of Spearman, will be attending his second semester at Amarillo College this spring where he is studying Electronics. He is married to the former Monette Slater, daughter of Mr. and Mrs. Cecil Slater of Spearman.

Kite Flying Safety Tips

"No Metal" is the key for safety in kite flying -- meaning "no metal in the kite, no metal in the kite string, and no metal in the air (in the form of electric wires) near where the kite is being flown." This is the advice offered to kite-fliers -- young and old -- by C. D. Riggins, Spearman district manager for Community Public Service Company. Other safety tips: keep

the kite string dry and don't fly your kite on rainy days, avoid busy streets and highways, and stay away from TV antennas.

"If your kite does get snagged on a power line," Riggins stressed, "don't try to climb up and get it down. Call the CPS office for help."

The kite-flying safety rules are being publicized in posters for school bulletin boards, and in newspaper ads, both sponsored by the power company.

Perform a death-defying act.

Exercise regularly.

Give Heart Fund American Heart Association

When ironing embroideries, appliques or monograms, place them face down on a thick bath towel. This makes the design stand out rather than be flattened. Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System, notes.

Labor Force Survey To Be Conducted

The Spearman Chamber of Commerce is conducting a Labor Force Survey. Volunteers will call on local residents on Tuesday, March 2, 1976 in the early evening hours.

Please fill in the information on the card, as this information is vital if we are going to attract industry to our area, large or small.

Communities that have adequate labor information have an advantage over communities that have not taken a survey. Industry is beginning to look at the small communities with a labor force in place, so we must be prepared.

If you are not going to be at home when the representatives call, please fill out and attach to your door the following form.

Your full cooperation is appreciated.

beginning Feb. 23. Students may enroll in air conditioning/refrigeration, auto mechanics, commercial electronics, diesel mechanics and welding starting at 8 a.m. for previous full-time students and 6 p.m. for half-time evening students. New students are asked to report for registration at 9 a.m. for day students and 6:45 p.m. for evening students.

Full-time students will attend classes six hours per day for 30 hours of instruction per week while half-time students will attend classes three evenings per week from 6 to 11 p.m. for 15 hours of instruction.

Course length of these programs is 18 months for six quarters and upon satisfactory completion of the requirements an associate in applied science degree and a certificate of completion will be awarded. "Classes are held in mod-

ern buildings using the latest equipment available," said Nat Neal, SVA dean. "The graduates of our programs have never had trouble getting employment, he added. "One hundred per cent of our students find jobs in respective fields."
More information may be obtained by calling or coming to the West campus, 6222 W. 9th.

AC Spring Registration Set

The Amarillo College West campus School of Vocational Arts will conduct spring registration for students interested in five trade preparatory programs

Enrollment Open For Basketball Camp

PLAINVIEW--Enrollment applications for the annual Flying Queen Basketball Camp at Wayland Baptist College are now available from camp director Dean Weese at the college.

Sessions this year are June 15-19, June 20-26 and June 27-July 3. Camps were full by May 15 of last year, Weese reported.

Weese will be assisted by Canyon's Bob Schneider, Tulsa's Doug Chaveaux and Rockdale's Jimmy Kirkland and other outstanding high school coaches. Several of the Flying Queens will be assisting including sophomore Tina Slinker of Portales who'll serve as social director.

Individual attention plus lectures by the camp staff on pride, teamwork, desire, attitude and enthusiasm are emphasized.

Girls between 5th grade through high school are eligible through Texas University Interscholastic League rules prohibit participation of girls who will be taking part in varsity athletics in the fall and following spring. The rule does not affect 9th grade or B-team eligibility.

Registration will be held from 3-5 p.m. each Sunday of each session with departure after camp demonstrations, awards presentations and All-Star games the following Saturday.

Numerous activities other than basketball will be held in conjunction with the camp.

Noting that the camps will be limited to between 135-145 campers per session, Weese pointed out that coaches may want to write him for several brochures for their team. The brochures give all details of the camp, which has become one of the most popular in the Southwest. Cost is \$80 per session which includes tuition, room, meals and insurance.

If you want children to improve, let them hear the nice things you say about them to others.

At Everybody's Bank,

money isn't everything.

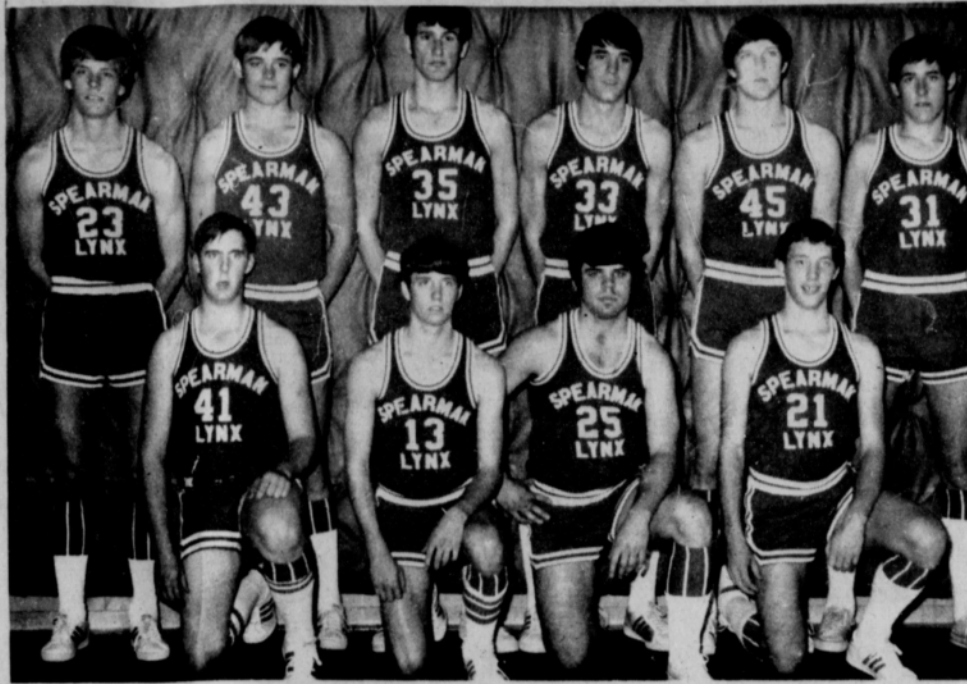

Friendliness and courtesy come first. We like to show you you're somebody at Everybody's Bank, no matter how little or how much money is involved. Then, when we offer our services, it's with our personal concern—as well as our expertise and experience. We want you to know we're giving our all.

New Rehabilitation Center To Open

Panhandle People, Inc. is a new non-profit organization which can provide the citizens of Hansford county with help in dealing with problems of alcohol and drug abuse. PPI is currently establishing a Rehabilitation Center (half-way house) in Borger in Hutchinson County which is intended to serve citizens of the top ten counties in Texas. The Center will open in March, 1976.

In addition to the rehabilitation center, plans are under way to establishing an Alcoholism and Drug Abuse Information Center where individuals can seek direction and counseling initially through a phone inquiry. A Speakers' Bureau is also being established to provide church and civic groups with knowledgeable programs about Panhandle People, Inc. and the problems it will handle and its methods of operation.

Panhandle People, Inc. was chartered as a non-profit organization in late 1975. It is administered by a Board of Directors of 24 men and women volunteers headed by president William J. Massie, Safety Manager of the J. M. Huber Corp. in Borger. It is planned in the near future to establish an advisory board

NELLE'S

NEWS

by Nelle Evans

As spring approaches we think of Easter clothes and spring wardrobes. Take advantage of the fabric service to be in Spearman at the County Agriculture Bldg. from 9 a.m. til dark on Monday March 1, and from 9 a.m. til dark on March 2 at the Gruver Agriculture Bldg. There will be 100's of bolts of spring fabric at reasonable prices.

Bad weather doesn't have to bring bad moods, bad feelings and bad children--a little planning by creative parents can save the day.

The most difficult part of indoor play is thinking of activities that children can play without constant supervision. Safety of the child and protection of household goods are prime considerations because indoor play areas are smaller.

Here are some ideas for bad day activities that might help parents begin planning.

--Indoors day house walk. Walk quietly through the house. No one can talk--just look, touch, smell. Each child can touch wood, metal or glass, count all objects in the room, search for objects the color of crayons counted in each room. What different of similar smells were found in the kitchen, bathroom or bedroom?

--Window watching. Each child selects one window of his own. He then looks out that window for five minutes (or longer if he wishes). What kind of day is it? What colors did he see? What new things did he see? Tell about the most interesting object he saw through the window.

--Looking in the dark. Parents and children will enjoy doing this activity together--particularly if children are afraid of the dark.

Look out a window at night, sit in a large closet with the door closed or sit on the front porch at night. Talk about the things you can see at night or in the dark.

--Treasure hunt. Place familiar objects throughout the house. Tell the children what to search for and the limits of looking--time allowed, nothing covered up, objects within every child's reach. Older children can be "it" at first, then teach younger children how to hide or seek.

--Visit new places that are indoors or bad or cold days. Take time for the children to look at all the different items in grocery stores or discount stores. Visit the library or museum on bad weather days--everyone else is at home and the building is yours.

--Finger games and simple group games are favorites for indoor days. Save some favorite songs and games for days such as these. The "cooking jubilee" takes the children to the kitchen to make cookies, gelatin, carrot sticks of play dough and finger paint.

of interested citizens from all ten counties to be served by PPI to give guidance about the needs of the various counties and cities.

The Board of Directors of PPI has hired Mr. E. R. "Bud" Nelson as Executive Director of the Rehabilitation Center. Mr. Nelson has had a wide range of experience in the fields of alcoholism and drug abuse treatment which began in 1970 at the Alcoholism Recovery Center in Amarillo where he found a solution for his own recovery.

Mr. Nelson founded the Alcoholism Recovery Center of Lubbock in 1971. In 1973 he was hired by the Texas Commission on Alcoholism to help local industries initiate industrial alcoholism programs. In December, 1973, Mr. Nelson was em-

ployed by the Texas Tech School of Medicine to set up the Center for the Understanding and Treatment of Alcoholism and Drug Abuse which serves as a treatment unit and as a teaching aid for junior year medical students. From this outstanding program Mr. Nelson came to Borger to help Panhandle People, Inc. establish its Rehabilitation Center. Mr. Nelson, Pat, is also experienced in alcoholism and drug abuse treatment; she will assist her husband in implementing the programs of the Rehabilitation Center.

Director Nelson emphasizes that the rehabilitation center's purpose will be to change a person's way of life. The Center will try to create a warm and responsive atmosphere where a client can learn to live

a more constructive life --free from alcohol and drugs. The success of the Center, says Nelson, will be gauged by a client's achieving total abstinence from alcohol or drugs and being able to maintain abstinence after he or she resumes life away from the Center with family and friends. A major advantage of a Center in the northern panhandle area will be the contact that can be maintained with the client after he leaves the Center; such followup can spot problems or return to old habits quickly and will make possible continued encouragement to the client.

A resident of the Center will stay a minimum of thirty days in order to break old habit patterns and establish new ones. In addition to the therapeutic atmosphere at the Center, clients will have access to group therapy, individual therapy, personal and vocational counseling. As

soon as residents are in a stable condition, they will be encouraged to find employment or return to an existing job as a first step in establishing their new pattern of living. Once clients are working, they will be required to pay toward their room and board. Not only will this help the Center's financial situation but it will contribute to the individuals' new view of themselves as worthwhile persons.

Future plans call for the PPI Rehabilitation Center to be self-supporting with payments received for services rendered. In addition to fees from clients the Center plans to contract with state agencies such as the Texas Rehabilitation Commission and with the counties of the northern panhandle area. The Rehabilitation Center would provide services to persons under the jurisdiction of state or county

agencies and in return would be paid for these rehabilitative services. At the present time, an old hotel at 401 South Main in Borger is being remodeled to open the Rehabilitation Center as soon as possible with minimum initial cost. The remodeling costs and the expense required to begin operating the Center must be financed by donations from interested citizens. Tax-deductible contributions can be mailed to Panhandle People, Inc., P. O. Box 1490, Borger, Texas, 79007. A brochure about Panhandle People, Inc. is available from the same address.

Disabled Veterans Units To Visit Locally

Free service to veterans and their families will be available locally when a Field Service Unit of the Disabled American Veterans (DAV) visits Borger at Star Discount Center, 10th & Deahl on March 8. This is the third consecutive year that one of these 26-foot mobile offices has toured the state in order to provide free counseling and claims service to veterans and their families. The DAV Field Service Unit will be located at (see attached schedule for exact location) from 10:00 a.m. until 6:00 p.m.

The traveling veterans' service facility will be manned by DAV National Service Officers who are fully qualified to assist veterans or their families

in filing claims for federal and state benefits to which they are entitled by law -- disability compensation, pension, employment, job training, education, hospitalization and medical care, social security, death claims and other matters.

During the first two years of the DAV's nationwide tour with its fleet of Field Service Units, more than 98,000 veterans and their dependents contacted the mobile offices for assistance. As a result of these visits, DAV National Service Officers filed 6,000 new claims and re-opened another 33,000 claims for veterans benefits.

The project is an extension of the DAV's long-time national service program which provides a

wide variety of free assistance to veterans and their families. During the period from July 1, 1974, to June 30, 1975, the DAV was successful in filing favorable claims which resulted in 220,000 individual awards totaling \$465-million in federal benefits. Membership in the Disabled American Veterans is not required as a basis for this DAV counseling and claims service.

The DAV employs 280 full-time National Service Officers --- most of whom are disabled Vietnam Era veterans --- at Veterans Administration installations throughout the country. However, the location of some VA facilities makes it difficult for many veterans, as well as their widows and dependents, to personally visit a DAV National Service Office. The DAV's Field Service Unit program carries assistance right to the veteran's doorstep.

DAV officials urge that

veterans of all wars, particularly disabled veterans, should visit the organization's mobile service units to discuss any problems they have concerning benefits. Special emphasis is placed on Vietnam Era veterans, because large numbers of these young men are not taking advantage of the benefits which they have earned, especially in the areas of education and vocational rehabilitation.

Local DAV members are cooperating with the national headquarters of the Disabled American Veterans in bringing the Field Service Unit program into this area.

Commemorative Coins On Sale

The second commemorative coin series of Hansford County are now on sale according to Mary Lou Wysong, manager of the Chamber of Commerce.

There will be a limited edition of the 1975 serial numbered medals which are certain to grow in prestige and value thru the years. Only 75-24-karat gold on .999 fine silver, 15 .999 fine silver, 500 antique silver and 300 antique bronze medals have been struck. The first individual gold coin will be numbered 51; the first individual silver coin will be numbered 101; the first individual antique silver and antique bronze will be numbered 251. The present owners of the first (1974) issue, serial numbered coins

have exclusive right and ownership of all future issues if they so desired. All other orders will be filled on a first come, first served basis.

The gold coins sell for \$50.00; silver, \$25.00; antique silver numbered \$5.00; antique silver unnumbered \$4.00; bronze numbered \$3.50; bronze unnumbered \$2.50.

The sets of coins include the 4 coin set starting at number 11 for \$100.00, 3 coin set, starting at number 61, \$35.00; 2 coin set, starting number 111, \$10.00. The first 10 of each set will be auctioned off.

Also on sale will be necklaces with unnumbered coin \$10; numbered coin, \$11.00; key chains with unnumbered coin, \$5.00, numbered coin, \$6.00; plain necklace,

unnumbered coin, \$7.95 and numbered coin \$8.95. Solo ties, in black and brown will sell for \$8.00.

All sales are subject to .5% sales tax.

The coin this year commemorates the Kiowa-Comanche Buffalo Hunt. The art work was done by Mary Alice Gibner, and historical authority was Linda Crawford of Stationmaster's House Museum.

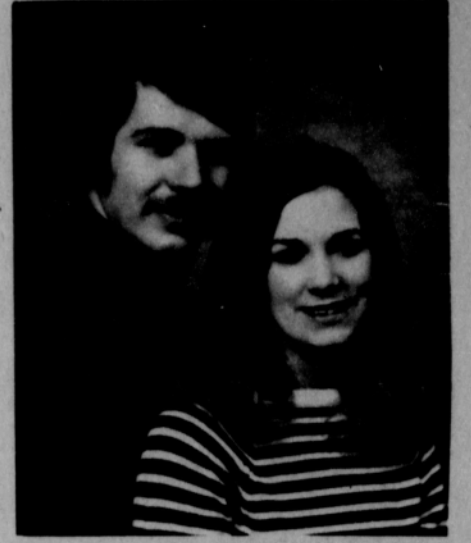

The coins, etc. may be purchased at the Chamber of Commerce office in Spearman.

Easter Seal Letters Out

Easter Seal Appeal letters are being delivered this week according to Freeman Barkley, Hansford County Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. The Representative serves as contact for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in the County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal and Fall Membership Drive.

The Society finances public education programs, provides scholarships for training of professional personnel to staff rehabilitation centers, and helps provide for National research into the causes and cures of crippling conditions. Mr. Barkley pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1975, the Texas Easter Seal Society provided treatment and services for 10,768 children and adults who were in need of assistance. Easter Seal services are available to any disabled person who can benefit from help provided by the Easter Seal Society, and who do not qualify for any other assistance. Self-mailing requests for assistance are available through the Representative.

The Easter Seal Campaign will continue through Easter Sunday, April 18.

Morse PTA Meet Held

Morse School was opened to the public for Open House on Feb. 23 at 6:30 p.m.

The Morse PTA met at 7 p.m. in the school auditorium. Minutes and officers reports were given.

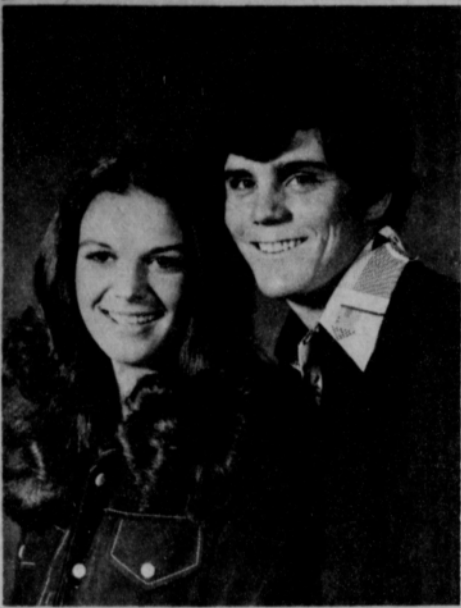

Supt. Harris gave a report on the book sale. Ms. Harris, chairman of the nominating committee for the PTA officers, presented the associations with nominations. The association accepted all nominations.

Ms. Greg Stork and Mrs. Frank Pittman were nominated and elected to go to District 8 Conference in Panhandle on April 1.

Rev. Winfred Walker gave a devotional pertaining to "What Are Our Children Taught in the Home."

The God Squad presented a program of comedy. Supt. Harris showed a film to the adults present on "Child Abuse."

The meeting was adjourned and refreshments were enjoyed in the school cafeteria.

MATTHEWS-CLUCK ENGAGEMENT ANNOUNCED

Announcement is being made of the engagement and approaching marriage of Mary Jo Matthews, daughter of Mrs. Merri Lou Matthews and the late Jacky Joe Matthews of Dalhart to Monte Cluck, son of Mr. and Mrs. Dean Cluck of Gruver.

The ceremony will take place Saturday, March 27th at 6:00 P.M. in the First Christian Church in Dalhart.

The bride-elect is a 1975 graduate of Dalhart High School and attended West Texas State University. Her fiancée is a 1975 graduate of Gruver High School and also attended West Texas State University.

Eastern Star Hosts Friendship Night

Spearman Chapter #721, O. E. S., entertained approximately 110 area guests and members and wives of Hansford Lodge #1040 A. F. & A. M. Saturday evening with their annual friendship night and joint Bi-Centennial Celebration with Hansford Lodge #1040 A. F. & A. M.

A lovely dinner, under the direction of Francis Hudson, was served at 7:00 in the dining hall. The hall was decorated in the patriotic motif with red and white striped hats lining the tables accented by red and blue candles surrounded by red, white and blue candles.

During the dinner, Fay Palmer, W. M., introduced several distinguished guests present and presented Daniel Faries, Worshipful Master and the Hansford Lodge #1040 A. F. & A. M. with fifty new folding chairs purchased by the O. E. S., as their project for the year.

Following the dinner all adjourned to the meeting hall where Hansford Lodge presented a Bi-Centennial tape featuring speeches by Thomas C. Yantes, Most Worshipful Grand Master of the Grand Lodge of Texas A. F. & A. M. and also President Gerald Ford.

John R. Collard, Jr., Past Grand Master of the Grand Lodge of Texas A. F. & A. M. presented a very interesting history on Hansford Lodge #1040 A. F. & A. M. listing all Past Masters and the years served.

Fay Palmer then presented a group from the local Spearman Music Club who gave a lovely Bi-Centennial tribute in song and music. The group led by Mary Brock included: Ann Sanders, Bonita Reimer, Gloria Knox, DeAnn Dunning, Phyllis Shedeck, Sharon Sutton, Sandy Russell, Deborah Brown, Marilyn Wilson, Janie Kunselman and Audrey Leignior.

Refreshments and visiting followed the meeting.

Our Heritage of Faith...

notes from Faith Lutheran Church

The 29th of February the Luther League is meeting at Ann Ward's house at 5:00 for a pizza party. This is a time for fellowship and to talk about some upcoming events like the Luther League Spring Convention in Lubbock on March 13th and 14th. Leagues be sure to come and bring the items necessary for your own personal pizza.

Tuesday the 2nd of March we have our Council meeting at 8:00. It is always important to attend these meetings because the major business and growth of the church does take place here. Faith can be proud that so many members are active in the affairs of the church.

March 3rd is Ash Wednesday the beginning of Lent. Pastor Andersen will have a Communion Service at 8:00 and his sermon will be based on the first words of Christ on the cross, Luke 23:24, "Father forgive them; for they know not what they do." Each Wednesday there after Pastor and the intern will change each week using the words of the cross as sermon topics. Included in these services will be two chancel dramas based on certain words of the cross. 8:00 is the time and we invite all to attend.

Psalm 134 reads, "Come, bless the Lord, all you servants of the Lord, who stand by night in the house of the Lord! Lift up your hands to the holy place and bless the Lord! May the Lord bless you from Zion, he who made heaven and earth!"

There are two main reasons why we should go to church. First, to seek forgiveness of sins from God and from one another and the second reason as this Psalm says to give thanks to God and bless Him. If we are really honest with ourselves we will see in our lives just how much we need these two items and therefore we really need to go to church. Many many times we do not want to accept this but it is true. We at Faith invite all to come to our church to experience the forgiveness of sins and to give thanks to God. We all need to accept God as more of an active part of our lives.

Worship is 9:30 and Sunday School is 10:30. During Lent we will have Wednesday night services at 8:00.

Arts & Crafts Guild News

The Arts and Crafts Guild met Friday, February 20th in the home of Mrs. Deta Blodgett. Delicious refreshments were served by Mrs. Blod-

gett to members, Mesdames: P. A. Lyon, Garrett Allen, F. J. Daily, Clay Gihner, Nolan Holt, F. J. Hoskins, W. L. Russell and Ned Turner. Next meeting will be February 27th in the home of Mrs. F. J. Daily.

Gruver State Bank Names New President

Announcement has been made that Kenneth Irwin has been elected to the post of President and Chief Executive Officer of the Gruver State Bank. He has been serving as Executive Vice President for the past 10 years and more recently has been serving as Trust Officer. He will continue

to serve as the bank's Trust Officer, A. R. Borr, who has been President since 1955 and more recently acting as Chairman of the Board, will retain that title. Mr. Irwin joined the staff of the bank in 1950 as an Assistant Cashier. He began his banking career as a

trainee with the Lindell Trust Company in St. Louis Missouri.

He has been active in civic and banking organizations. He has served as Mayor of Gruver since 1965, has served as a director of the Texas Bankers Association, served as Chairman of the Eighth District of the Texas Bankers Association, a past member of the Agricultural Committee of the Texas Bankers Association, is presently serving as a director of the Texas Tech University Agricultural Credit School, is presently a member of the President's Council, West Texas State University and presently serving as Vice Chairman of the West Texas State University Foundation. He is also a director of several personal and Agri-Finance corporations as well as being engaged in farming and ranching.

Mr. Irwin is a graduate of the Iberia Academy, Iberia, Missouri, receiving a degree in Banking & Finance from the University of Missouri in 1950. He is also a graduate of The Institute of Financial Management, Harvard Graduate School of Business.

He is a Methodist and served in the U. S. Navy in the Asiatic-Pacific theater in WW II. He is married to the former

Janet Sutherland, has 4 children; Deborah Odum, a teacher in the Vernon School System and whose husband, George B. Odum, is Senior Vice President and Cashier of the Herring National Bank in Vernon; John, a second year law student at Baylor University; Mark, a senior business student at Texas Tech; and Clint, a freshman student at Tarleton State University.

If necessary final game will start Sunday, March 28, at 1:00 p.m.

Food and drink will be available at the Tournament.

Glenn Kilgore Receives Scholarship

WTSU--West Texas State University freshman Glenn Richard Kilgore, Jr. of Spearman has received a \$200 AMOCO scholarship from the WTSU Computer Information Systems (CIS) Department for the spring semester.

Kilgore is the son of Mr. and Mrs. G. R. Kilgore of 716 Dresden. "This award was based on scholarship and not need," said Dr. Phillip Gensler, CIS Department head. "This is a good student."

To be eligible for the scholarship, a student must be a CIS major, have completed at least one CIS course at WTSU, have a minimum CIS grade point average of 2.0 on a 3.0 scale and an overall average of 1.8, and be enrolled this spring.

"The Life & Times Of Grizzly Adams"

Sun International's "The Life and Times of Grizzly Adams", the fictionalized portrayal of the life of James Capen Adams, mountain man and grizzly bear trainer of the 1800's will open a limited engagement at the Lyric theatre in Spearman on February 25-March 2.

The film stars veteran actor and animal trainer Dan Haggerty. It conveys the touching and often amusing story of a man who discovers the beauty and simplicity of nature while learning to make the wilderness his home. Supported by Don Shanks and Margie Harper, Haggerty's role also involved working with a 450 pound grizzly bear named Bozo

who plays the part of the animal that accompanied Adams for most of his life.

Director Richard Friedenber utilized many weeks of filming near the mountain resort of Park City, Utah, occasionally with location crews anchoring themselves to mountain cliffs, and placing cameras in raging white water to capture the scenes. The combination of these rugged locations and Friedenber's experienced wildlife crew, recreates the story of Adams' commitment to his lifestyle and the adjustment he made to gain the confidence of his grizzly companion.

The true-life Grizzly Adams left civilization for a life in the wilderness with animals who had never before seen a human being. The film establishes the same reverence for nature and the outdoors that was to make Adams a legend. It is definitely entertainment for the entire family.

CB Club Has Skunk Hunt

The Spearhead Breakers CB Club had a great deal of fun Saturday night at their skunk hunt. The skunk was well hidden. It took around an hour to find him. Earl Riley, "Mule-skinner," found him and won an antenna for his trophy. Everyone met at the boy scout room for refreshments afterwards. We congratulate the entertainment committee for the good time we had and can hardly wait to see what they have lined up for the March entertainment.

We ask that all of our board of directors be at the meeting on February 26th. We have some important issues that need to be discussed. The meeting will be at 8 P. M. in the Boy Scout Room.

Don't forget our regular meeting on March 4th at 9 P. M. The regular time has been changed because of the school activities on the same night.

Anyone interested in joining the club is invited to attend the meeting.

Woodington, J. G. Parrish, Gordon's Drug, Spearman Chamber of Commerce Youth Committee, Mr. and Mrs. Kent Guthrie, Excel Chevrolet, Mark Neff, Mr. and Mrs. J. C. Jackson, Mrs. Eleanor Reed, the Town & Country HD Club, Mr. and Mrs. Bobby Archer, Mr. and Mrs. Fred VanBuskirk, Local Outreach Dept. First Christian Church, Mr. and Mrs. Gene Cudd, Mr. and Mrs. Claude Owens, Mr. and Mrs. Don McCain, Mr. and Mrs. James Tarwater, Mr. and Mrs. Raymond Sparks, Mrs. Chet Wise, Mr. and Mrs. Mike Gamett, Mr. and Mrs. Bobby Nollner, Mrs. Jane Meek, Mr. and Mrs. Johnny White, Mr. and Mrs. Louis Meisner, Mr. and Mrs. Price Hayes of Amarillo, Mr. and Mrs. Henry Herring, Mrs. Irene Reed and Mr. and Mrs. Thomas Reed.

Cummings, Jan Davis, Jean Davis, Sonya Ooley, Lana Paul, Yvonda Scroggs, Angela McCain, LaTonia Phelps, Myra Briscoe, Rebecca Evans and Teri Thomas.

Next meeting will be March 8th in the Scout House.

Junior Troop #120 met Friday, February 20th in the Girl Scout House with leader, Mrs. Junior Hansen. The girls played games. Refreshments were served by Sondra Younger, Tammy Welch and Cynthia Hendrick, who were working on their Hospitality Badges, to members, Cindy Hansen, Shenell Phelps, Tonya Sexton and Traci Stewart.

Next meeting will be February 27th in the Scout House.

Local Girl On Dean's List

A Spearman High School graduate, Elizabeth Diane Davis, has been named to the Frank Phillips College Dean's Honor List for the 1975 fall semester.

In order to make the Dean's List, a student must have passed a minimum of 15 semester hours, and made a 3.0 or above on a 4.0 grading system.

Miss Davis is a freshman nursing major. She was one of 67 students achieving this honor.

Girl Scout News

Junior Troop #76 met Monday, February 23rd in the Girl Scout House with leader, Ms. Jim Davis.

The troop held a Thinking Day Program. Refreshments of ice cream sandwiches were served by Nikki Rylant to members, Cindy Burton, Debbie Burton, Penny

K.I.D.S. Needs Donations

Many people have expressed an interest in wanting to help. "How can I help," they ask. "If you need anything, let me know," or "I'd like to help in any way possible."

Well, according to Captain Littlejohn, they are going to modify the Community Building ceiling to make it adaptable for basketball, so, if you truly want to purchase stock in the future of Spearman, make out a donation now to K. I. D. S. and send it to Chuck Rigdon, President c/o Spearman Cable TV or Jim Brans, Treasurer, c/o Gordon's Drug.

The following businesses and individuals have already donated to the K. I. D. S. Program: Baker & Taylor, Tim

Beginners' Oil Painting Classes Set

Mrs. Oma Leo Kiser of Perryton will teach a beginners' oil painting class in the Spearman High School Home Economics Department. The series of eight lessons will begin on Thursday, March 11, and continue each Thursday until May 6. Class hours are from 6:30 - 9:30 P. M. Interested persons should contact Mrs. Frances Hudson, phone 2153, or the high school principal's office, phone 2585. Afternoon classes on the same days will be held at Ruth's Crafts.

PAUL GURFORY

The decision is yours...

When would you like to retire? At 50 or 55 or at some age in between? United Fidelity's Retirement Income Plan gives you your choice. You can include future protection for your family as well. I'll explain how you can make those leisure years the happiest and most carefree you've ever known. Let's talk about tomorrow today.

The homeowner's symbol of Savings...now and in the future.

You will find this symbol displayed only in homes that have passed a rigid energy efficiency inspection. This new Energy Checked Efficiency Home program is designed to assure the buyer that a house is constructed to utilize energy wisely and efficiently. It can help you hold down operating costs this season and year after year. An Energy Checked Efficiency Home has efficient electric heating and cooling and the higher the Energy Efficiency Ratio of the equipment, the better. An ideal Energy Checked Efficiency Home also has been properly insulated and windows and doors have been adequately weatherstripped. Windows have heat resistant glass. Air conditioning duct insulation is checked for thickness and proper installation and the attic is checked for adequate ventilation. Other outstanding energy efficiency features are an electric water heater located near the kitchen sink and the electric range with an exhaust vent to the outside. Multi-family residences, apartment complexes and existing residences may also qualify as Energy Checked Efficiency Homes. Get the facts on Energy Checked Efficiency Homes before you buy, build or remodel... it could save you energy and money from now on.
