Rotary Enjoys Program

Warren Adams, John R. Collard, Jr., and Jim Young, gave the program at the Rotary Club Monday of this week.

Jim Young, former running back for the Houston Oilers and Warren Adams were speakers at the Rotary Club Monday.

"In 15 years we will not know our society as we know it today, if video music continues as is," Jim Young stated.

At the noon meeting of the Rotarians at the Cattlemen's Supper Club, Jim Young, former running back, gave a video display of what is happening to the youth of today.

Warren Adams, with the State Dept. of Education, used recent newspaper articles as proof of the results of watching the video tapes.

The tapes are played continuously in Houston before all of our young people. The videos deal with sex, violence, and drugs.

One scene was the rape of a housewife, one was the stabbing of a person with a knife, and in another scene a person has inserted a needle for inserting drugs into his system and literally went crazy.

The video scenes were taken from television videos of punk rock music being shown on the Houston channels. "Money is the reason these are on the air", Warren said.

"A Houston newspaper stated some station received as many as

12 million new subscribers when they switched to punk rock music."

"All of this goes against the grain of our true American free enterprise system.

Rotarians believe in these principles: Is it the truth? Is it fair to all concerned? Will it build good will and better friendship? And, will it be beneficial to all concerned?

John R. Collard, former Rotarian governor, arranged for Young and Warren to fly from Houston Monday morning to present this excellent program.

Pancake supper will be here Friday nite

Equity to hold Expo

Spearman Equity has announced plans for a big, special One-Day-Only EXPO SALE to be held January 24 from 10:00 a.m. to 3:00 p.m. at Hansford County barn in Spearman.

Jim Turner, manager of the Spearman Equity, and all of the Equity personnel extend an invitation to all area farmers and ranchers to come out to the sale, check out the bargains offered, see demonstrations and hear talks by Ag-business experts in various fields, visit with Company sale

representatives and enjoy lunch free of charge.

The special sale will include bargains on Fertilizer, Chemicals, Feed, and Fencing supplies and many other supplies. An action paced agenda is planned. There will be demonstrations, talks on topics of interest to the Agricultural Community and Chemical Company representatives will be on hand to answer any and all questions farmers and ranchers may have.

Animal health products, Fencing Material, COOP Feed, Banvel Herbicide, COOP ORO Hybrids, Roundup Herbicide, COOP balanced mineral feed, Ralgro implants, Texas sadderly, Anhydrous Ammonia, Dupont, COOP Fertilizer, and Ag Chemicals, Pay-Master seeds, Pioneer brand seed, ASGROW, Milo guard, BLOAT GUARD, AATREX Nine-0, and many other interesting displays.

Jim Turner, local manager, urges you to attend this EXPO sale on Thursday, January 24.

The Spearman Lion's Club will have their annual Pancake Supper on Friday evening, January 18 in the Elementary School Dining Hall. They will be serving pancakes from 5:00-8:00 P.M. Tickets for the Pancake Supper are \$3.50 for adults and \$1.75 for children. All proceeds go into the Lion's Service Account to help support the Lion's Eye Bank, Girl's

Town, the Boy Scouts, and other community and club service projects.

Come and enjoy the pancakes during a break from the Spearman/Stinnett Basketball Games. Or just for the pancakes at the annual Lion's Club Pancake Supper, Friday evening, January 18, from 5:00 - 8:00 P.M. in the Elementary School Dining Hall.

HOSPITAL

Patients in Hansford Hospital are: Ben Arthur, Opal Beck, William Branstetter, Ruth Kirkland, Bonnie Bonham, Grace Bennett, Limmie Russell, Alma Ott, Thabathe Wyrick, Sonya Nitschke.

Dismissed were Joy Wyrick, Reba Bennett, Larry Yancy, Sharon Reynolds, J.C. Phillips, Barbara Cook, Phil Jenkins, Samuel Baldarria, Ann Guzman and daughter.

The Equity will feature a "truck load mineral sale" during the expo sale. Special discounts if picked up during the day of the expo sale.

Superintendent to retire

James A. Cunningham 1968

Superintendent James A. Cunningham will retire at the end of the 1984-85 school year.

Mr. Cunningham was hired as Superintendent for Spearman in 1968. He came to us from the Whiteface Public Schools, where he had served as Superintendent since 1963.

Mr. Cunningham was reared on a farm in Collingsworth County, graduated from Samnorwood High School and entered Texas Tech in 1944, where he attended one year, prior to entry into the army. He served two years as a paratrooper in the 82nd Airborne Div., returning to Tech in 1947. He graduated with a Bachelor of Science degree

in Agriculture, with a major in Agricultural Education. He taught one year in Collingsworth Veterans School before being employed at Whiteface in the fall of 1951 as a science teacher in the junior high school and as assistant coach.

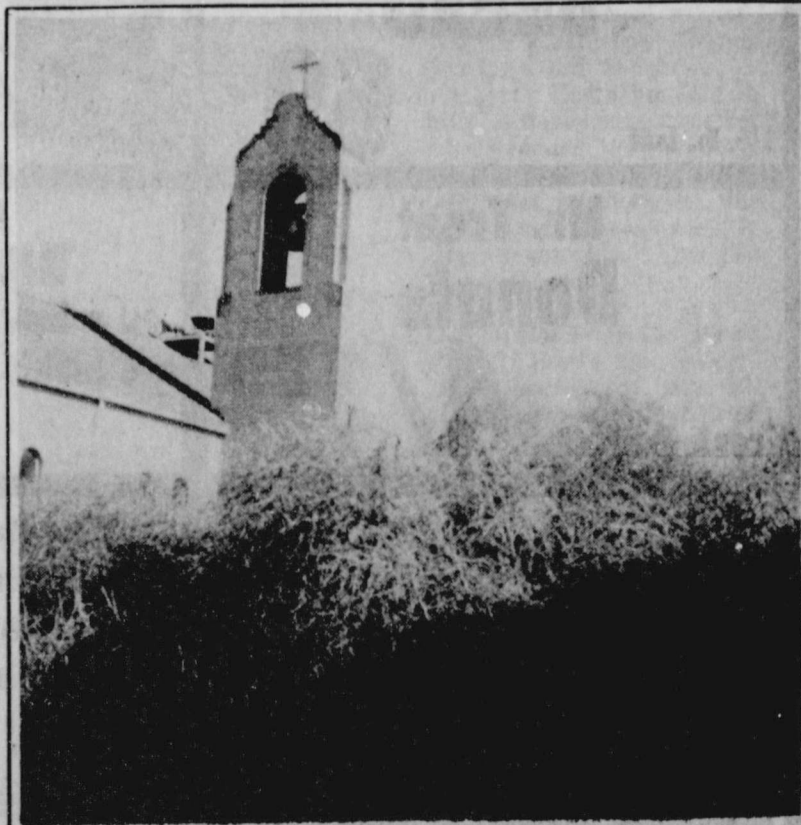

He completed requirements for his Masters Degree in 1959.

In 1968 he was selected for Who's Who in American Education and Who's Who in Texas Today. He served as vice president of 4-County Texas Association of School Administrators organization.

He came to Spearman as Superintendent August 1, 1968, with his (See Superintendent, page 4)

James A. Cunningham 1985

Separating the tares from the wheat at the Catholic Church in Spearman.

Three Hansford County highways to be repaved

High Plains Pavers Inc. of Plainview is the apparent low bidder to seal coat 119 miles of Texas Panhandle highways, including sections of three state highways in Hansford County.

State Highway 207 will be seal coated from SH 15 north 19 miles to the Oklahoma state line. SH 15 will be seal coated from Spearman northeast 7 miles to the Ochiltree County line.

The seal coat material will also be placed on SH 136 from SH 15 north, west and north 18.4 miles to the Oklahoma state line.

High Plains' bid of \$1,281,179 was the lowest of six submitted on the contract to the State Highway and Public Transportation Commission.

"Texas' recent growth has put pressure on the State's roadway system" according to A.L. McKee, Amarillo District Engineer of the State Department of Highways and Public Transportation (DHT).

In the state agency's efforts to upgrade the deteriorating network, McKee said the DHT has

mobilized its staff to design and construct improved highway facilities as rapidly as possible.

McKee said forty projects designed by the department are being let for bids to construction this month. The seal coat work in the Panhandle is expected to begin late this spring and conclude by the end of the summer.

Statewide, the majority of the projects involve some form of maintenance and rehabilitation, rather than new construction. Included are such things as resurfacing, resesaling, rehabilitation of existing bridges and upgrading of sign systems.

"A seal coat rehabilitates and protects the riding surface of a highway and extends the useful life of a roadway," McKee said.

In the Panhandle a total of 236 miles of highways will be seal coated at a cost of \$2,525,879. While the statewide projects are estimated to total over \$58 million in construction costs, two-thirds of the jobs are in the less-than-one-million dollar range.

New banker arrives

Proving that newborns can sleep through almost anything, even the media, is Randall Scott Sauer. Randall, who is the son of Randall and Janet Sauer, of 1017 Dressen, Spearman, Texas, was born on

January 11, 1985 at Northwest Texas Hospital in Amarillo, Texas. He weighed 7 lbs. 15 oz. and was 20 3/4 inches long. Randall's father is an officer of the First State Bank of Spearman.

TEXAS PRESS ASSOCIATION

Snippets

During a five-year period, more than two out of every five American families change their homes, the Conference Board notes. Although many only move down the street or around the block, one out of five moves to a different state.

The Golden Kite Award is a recognition of achievement given by the Society of Children's Book Writers.

Museum needs your help

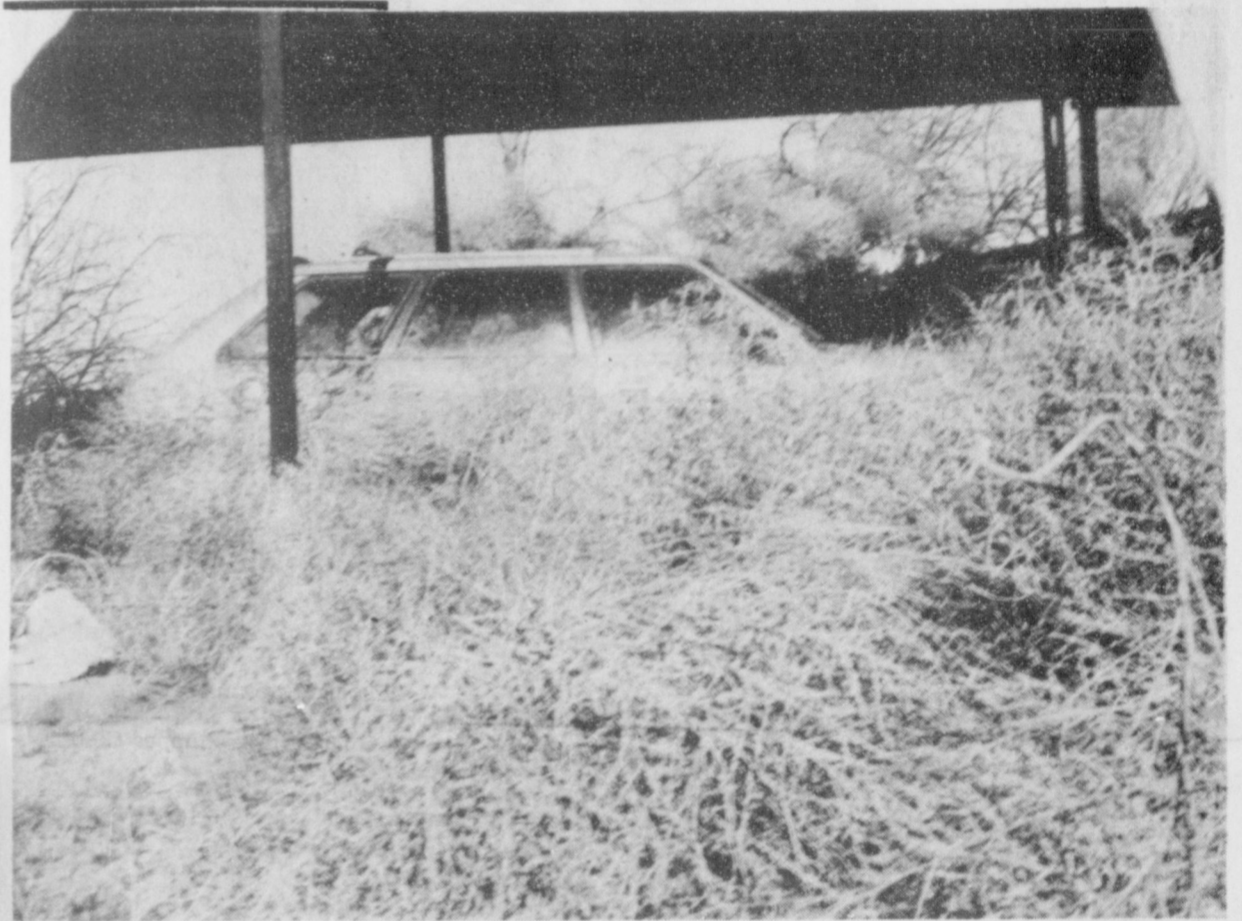

Stationmaster's House Museum has had lots of hustle-bustle of late.

Museum Auxiliary members have made some progress on furnishing the bedroom. Mrs. Idella Close Randall furnished the 1900's iron bedstead; Rubyjo Wilbanks fitted it with springs and mattress. Virginia Barkley furnished a beautiful counterpane and pillow cover made and used by her mother while her parents

(Judge A.F. Barkley) lived at Old Hansford.

What's the charge? When a complaint was registered against a New York couple, police searched their apartment and found \$130,000 in cash, 94 pounds of marijuana, one pound of cocaine and three loaded weapons, including a .44 caliber Magnum handgun. The couple, who were not at home, were later apprehended. The complaint filed? They hadn't paid their \$160 monthly rent. Penny wise, pound foolish.

Sweets for the sweet: Laree Linder and Carolyn Clayton broke a 507-vote tie for City Council in Eagle Point, OR, by participating in the drawing of a lollipop to determine the winner. Linder chose the green lollipop and won. In nearby Cave Junction, the incumbent, picked the correct candy-covered peanut. His opponent probably shouted, "Oh nuts!"

Superintendent to retire

wife, Faye, and son, Mark. Mark is a 1977 Spearman graduate, 1981 Texas Tech graduate with a B.S. in Electrical Engineering, and now works for Diamond Shamrock in Dumas.

James has had many accomplishments during his tenure as superintendent. He helped with the implementation of the kindergarten program, special reading programs, high school choir program, migrant programs for elementary and jr. high. Also, "Plan A" special education program, which includes: Language/Learning Difficulties Program; Home Bound Program; and High School vocational Adjustment Class (VAC).

He also helped implement computer science programs, the elementary & Jr. High library programs, and the teachers aide program at all levels.

Also, the school district developed the budgeting process that is now the standard for the state. This includes coding of income and disbursements as well as purchase order form development.

He also helped in the development of the in-service program, including the co-op program with other school districts and the development of the Comprehensive School Board Policy Manual.

Also during his term as Superintendent, the computerized Business Office Operation was instituted. Another item implemented was the "Five Year Plan" Program for evaluation and improvement of different subject areas, and of education processes for all the staff.

Facility improvements include the building of the school bus garage and the employment of a school mechanic, the remodeling of the junior high building and the development of the energy conservation program, which includes: closing of windows and insulation of the elementary and junior high

buildings; and computerizing the heating/air conditioning controls at the high school, building of the field house, the track and stadium and the improvement of the tennis courts.

Mr. Cunningham is an active member of the First Baptist Church, holding positions both as Church Deacon and Church Treasurer.

He holds twenty years perfect attendance at the Lions Club, has been club president two times, Tail Twister and on the Board of Directors. He has been Zone Chairman two times, Deputy District Governor two times, and Lion of the Year.

Mr. Cunningham is a life member of the Texas Association of School Administrators, and a life member of the Texas State Teachers Association. He is a member of the American Association of School Administrators, Texas Community School Association, and the Panhandle School Leaders Association. He is a past Board Member for the Chamber of Commerce and served as President and Treasurer for the Hansford County Library Board.

James is an honorary State F.H.A. member. He is a member of the Credit Union Board for 9 years, four of which were served as Board President. He belongs to many "Who's Who" groups. He has been selected for eight consecutive years as a member of "Academy Fellows" by the Institute for the Development of Educational Activities (I.D.E.A.) and was presented the "Distinguished Educator Award". He is also an honorary Chapter FFA member. He has been a member of Phi Delta Kappa since 1963.

The Spearman School System will surely miss James Cunningham following his retirement at the end of this school year. We wish him well in all future endeavors.

SPEARMAN CHAMBER OF COMMERCE
CITIZEN OVER THE YEARS AWARD

NOMINATION BLANK:

- Name _____
- Address _____
- Individuals nominated for Citizen over the Years should be cited for activities OUTSIDE THOSE DUTIES CONNECTED with HIS OR HER EMPLOYMENT.

William Monk re-enlists

ARMY AND AIR FORCE HOMETOWN NEWS--Senior Airman William T. Monk, son of Angela A. Monk of 705 McKenzie, Stinnett, Texas, has reenlisted in the U.S. Air Force after being selected for career status.

Assigned at Little Rock Air Force Base, Ark., Monk was approved for reenlistment by a board which considered character and performance.

He is a corrosion control specialist with the 308th Missile Maintenance Squadron.

Letter to the Editor

January 9, 1985

I would like to express my appreciation to the people of Hansford County for all of the help and support given me as your District Attorney. I enjoyed serving the citizens of the 84th Judicial District for the past eleven years. It was a particularly rewarding experience for me.

I would like to express my special thanks to R.L. McFarlin and the Hansford County Sheriff's Department for all of the help and co-operation they gave to the District Attorney's office. The efficient and effective operation of that department certainly made my job easier.

As I leave office to enter private practice, once again many thanks.

Sincerely,
Stephen F. Cross
District Attorney

Neither rain nor snow ... China plans to build a post office in Antarctica that will appeal to collectors of exotic postmarks. The project will begin when a 500-member Chinese Antarctic expedition arrives on the ice for a 150-day stay. A copper sign reading, "The Post Office of the Chinese Great Wall Station on the South Pole," will be placed on the spot, officials said. Sounds like a "dead letter" office to me.

A Centerpiece

Kerri Holt going to Hockaday

"A CENTERPIECE"
The weather has been quite changeable the past week but nothing like what was dropped on San Antonio. This was the worst in 100 years, dropping more than a foot of snow, while highways across sections of the state were packed with ice and snow.

We were more fortunate here with a small amount of snow and no icy roads, but the weather was cold Sunday although the sun was shining brightly.

Hope to have a little warmer weather for Tuesday night when the Senior Citizens will be gathering at 6:30 for a covered dish dinner. We always have a nice variety of food, so this should be a good one.

The professional Hearing Aid man will be at the center on Tuesday, January 15. If your aid is giving you trouble, do come in and have him check it for you. He will be here from 10 to 1 o'clock.

And do write this on your calendar to remember there will be a "Health Fair" at the center on January 25 from 9 a.m. till 4 p.m. This is a free health check-up including a visual dental examination, eye examination (Glaucoma), blood pressure, blood sugar, hearing examination and respiratory test. The Hearing Aid representative, Jerry Lile, Dr. Doug Steger and Dr. Stanton Cobb, the State Health Nurse Joan McClellan and Panhandle Home Care Nurse, Vera Domingez will be present to conduct the tests, so do be sure to be here. You will be hearing more about this before the 25th of January.

ALMA

Kerri Holt

Kerri Holt, 16 year old daughter of Mr. and Mrs. Mike Holt, left Wednesday for Dallas, where she will attend Hockaday, an outstanding Girl's Finishing School. Kerri is very excited about attending Hockaday, which has very tough entry requirements, similar to college entry requirements. She plans to take Latin while at Hockaday. When she finishes her requirements for high school any additional courses count as college credits.

Upon finishing at Hockaday, she plans to enter the best college she can, and to become a doctor.

Continuing accreditation awarded
ATLANTA, GEORGIA — The Southern Association of Colleges and Schools, through its Commission on Elementary Schools, has awarded continuing accreditation to Spearman Elem. School & Middle School (Grades K-8) by action taken during the Association's 89th Annual Meeting here December 9-12, 1984.

Through accreditation, school staff and faculty members will benefit by knowing that conditions for teaching in accredited schools meet certain minimum standards and that efforts are continuously made to improve these conditions. Regional standards require adequate facilities and facilities and their effective use.

Citizens are assured of accountability and of value for their tax dollars through the process of standard setting and the regular reevaluation of SACS member institutions. Communities with accredited schools can be confident that their institutions compare favorably with others in the region. Accredited schools are a "plus" for those who are interested in relocating their families and businesses.

Founded in 1895 the Southern Association of Colleges and Schools is one of six regional accrediting bodies in the United States. More than 11,000 member public and private universities, colleges, junior colleges, occupa-

tional institutions, secondary schools, middle schools, and elementary schools enroll approximately five million students.

FEE SIMPLE — Bank fees have escalated recently, so be on guard for extra charges for services at your bank. By right, they should inform you if fee schedules change; however, you may find extra amounts added to your statement. One way to save is to consolidate accounts at a single financial institution; another is to close accounts you no longer need. Also, think before you call for services like check stopping and getting your exact balance. Sometimes the cost makes these unnecessary.

Look on the bright side before it tarnishes.

NOTICE OF INTENTION TO CONDUCT WEATHER MODIFICATION OPERATIONS IN THE STATE OF TEXAS

1/17/85

Date of the first of three weekly publications of this Notice: 1/17/85

1. Notice is hereby given that Irving P. Krick, Inc. of Texas, 748 Vella Road, Palm Springs, California 92264, has filed an application with the Texas Department of Water Resources for a State permit to conduct weather modification operations to change or attempt to change the natural development of clouds for the purpose, objective, period, and by the method summarized hereinbelow.

2. Irving P. Krick, Inc. of Texas has a valid Texas weather modification license that was issued in 1972 and renewed each subsequent year, most recently on October 9, 1984.

3. The purpose of the weather operation is to increase rainfall to affect and benefit rangeland and agricultural interests of the client. The period of the permit is for one year from about March 1, 1985, with options for continuation of the program during similar periods beginning March 1, of 1986, 1987 and 1988.

4. The proposed weather modification operation is to be conducted for and on behalf of the Hitch Agri-Business, Inc., P.O. Box 1308, Guymon, Oklahoma 73942, for the Hitch Ranch area in Texas County, Oklahoma.

5. The proposed weather modification operation is to be carried out in both an "operational area" and a "target area" to cause the intended effects to occur only in the target area. The operational area is that area described by the Texas counties of Dallam, Hansford, Moore, Ochiltree and Sherman, and the Oklahoma counties of Cimarron and Texas.

6. The area to be affected by the proposed weather modification operation is the target area. The target area is that area described as that portion of Texas County, Oklahoma that is within the rectangular area bounded on the east by a 12 mile north-south line which extends from the State line through Hitchland, Oklahoma to State Highway No. 3, then to a point 7 miles west along the highway, then 12 miles due south to the State line, then 7 miles east along the State line to the origin.

7. The methods and materials to be used in conducting this operation are summarized herein: a licensed cloud-seeding meteorologist/technologist will use standard meteorological analyses, forecast techniques, observations, and plume dispersion models to initiate the release of the seeding particles, silver iodide crystals, from a network of ground-based generators at a time calculated to affect the formation of cumulonimbus clouds.

8. The Texas Water Commission shall, if requested by at least 25 persons, hold a public hearing in the area where the operation is to be conducted prior to the issuance of a permit. No public hearing will be held on this application unless a request for a hearing is made within 30 days of the date of the first publication of this Notice. Requests for a hearing should be made in writing to the Office of General Counsel, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7836.

9. Requests for further information about the proposed weather modification operation should be made to the Weather and Climate Section, Texas Department of Water Resources, same mailing address as above. Telephone (512) 475-6318.

Sports Roundup

The Junior Varsity and Varsity Lynx and Lynettes traveled to Stratford Friday night.

The Junior Varsity Lynx lost the opening game with a score of 27-51.

Scores by quarters: (1st Quarter) Spearman 4 - Stratford 10; (2nd Quarter) Spearman 12 - Stratford 23; (3rd Quarter) Spearman 20 - Stratford 36; (Final) Spearman 27 - Stratford 51.

Individual point scoring (Field Goals, Free Throws, Fouls, Total Points): Monte Morris (6-0-4-12); Dusty Hill (2-2-5-6); Dean Green (2-0-3-4); Mike Pearson (1-0-4-2); Chris York (1-0-0-2); Terry Phillips (0-1-2-1); Jeff Vanlandingham (0-0-2-0); Michael Lopez (0-0-4-0); Trevor Pool (0-0-1-0); and Mark Garnett (0-0-2-0).

The Junior Varsity Lynettes led the first quarter 10 to 4, but fell behind 15 to 20 at half time. Stratford continued to lead at the end of the third quarter 32 to 33. Final score was Spearman 38 - Stratford 47.

Individual scores were (F.G., F.T., F., T.P.) Mary Lou Baker (3-4-1-10); Donda Pool (3-3-5-9); Jennifer Yarbrough (3-1-4-7); Amy Runyan (3-0-3-6); Tammy Nollner (2-0-5-4); Cindy Womble (0-0-2-0); Shari Vernon (1-0-5-2); Crista Urban (0-0-1-0); Lynnette Dial (0-0-0-0); Sandy Hill (0-0-0-0); Staci Nitschke (0-0-0-0) and Lisa Carzarez (0-0-0-0).

The Varsity Lynettes played Stratford Friday night. The Lynettes finished the game with only four players on the court.

The Lynettes fell behind 18 to 2 at the end of the first quarter and was behind 32 to 14 at half time.

The Lynettes came within 14 points of Stratford in the third quarter 44 to 30, then had four players foul out in the fourth quarter and lost with a final score of Spearman 42 - Stratford 61.

Individual scoring (F.G., F.T., F., T.P.): Jill McLain (9-3-5-21); Carrie Guthrie (2-4-5-8); Tiki

Jackson (2-1-5-5); Cayla Eaton (0-4-4-4); Michelle Savage (1-2-1-4); Shannon Jenkins (0-0-5-0); Julie Jones (0-0-1-0); and Ceria Vela (0-0-0-0).

The Varsity Lynx took a two point lead against Stratford with a first quarter score of Spearman 10 - Stratford 8. The Lynx increased their lead to 24 to 19 by half time.

By the end of the third quarter Spearman led 38 to 21. The final score of the game was Spearman 55 - Stratford 33.

Individual scoring (F.G., F.T., F., T.P.) Ross Donahue (11-3-2-2-5); Mark Pearson (7-0-0-14); Thad Reid (3-0-2-6); Tim Willis (3-0-2-6); Steve Burke (1-0-3-2); Damon Goodheart (1-0-5-2); Bob Cook (0-0-2-0); Jeff Graves (0-0-0-0); Mack McLain (0-0-0-0) and Jerry Garcia (0-0-0-0).

The 7th grade Lynx played Stratford here Monday evening.

Scores by quarters were: (1st Quarter) Spearman 4 - Stratford 14; (2nd Quarter) Spearman 9 - Stratford 22; (3rd Quarter) Spearman 17 - Stratford 32; and (Final) Spearman 21 - Stratford 41.

Individual scoring (Field Goals, Free Throws, Fouls, Total Points): Danny Lopez (6-3-4-15); Edward Mayfield (1-0-5-2); Frank Baca (1-0-4-2); Danin Iribeck (1-0-0-2); Scott Wilkerson (0-0-3-0); Greg Gilbreath (0-0-1-0); Tracy Thompson (0-0-1-0); David Boese (0-0-0-0); Clint DeArmond (0-0-0-0); Chris Porter (0-0-0-0); and Reed Campbell (0-0-0-0).

The 8th grade Lynx played Stratford here Monday.

The Lynx trailed 2 to 6 at the end of the first quarter and 6 to 11 at half time. By the end of the third quarter, the score was tied up 19-all. The Lynx led during the fourth quarter but fell behind at the end of the game to lose a heartbreaker, 22 to 24.

Individual scoring (F.G., F.T., F., T.P.): Shawn Cook (3-2-3-8); Stan Brandt (3-0-5-6); Keith Slaton (2-2-4-6); Pete Saenz (0-2-5-2); Mark Garcia (0-0-4-0); J Garnett (0-0-5-0); Matt Tucker (0-0-2-0); and Kiley Coombs (0-0-0-0).

Students enroll for 1985 kindergarten

The following students have enrolled for 1985 Kindergarten, Spearman ISD. Names of next school year's kindergartens are wanted now in order that they may be invited to attend the annual Pre-School Round-up in the near future. At this event, student will be able to see their classrooms, meet the teachers, and actually attend kindergarten for an hour and a half. This is very helpful in preparing them for what they will be doing when they start to school. If you know a child who will be starting to school and the name is not on this list,

please advise the parents to enroll that child now.

Brown, Ashely Nichole; Butts, Larry Mac; Butts, Michael Dale; Castro, Imelda; Davis, Dustin Allan; Davis, Misha Danette; Eakin, Monty Kenneth; Edwards, Jocelyn Alane; George, Derek Lee; Goodman, Clinton; Harbour, Lena Kathryn; Howell, Brian Keith; Kohler, Brooke Dawn; LaCruz, Stacey; Martin, Lana Kay; McCammond, Zachary Don; Murray, Amy Rene; Nobles, Casey Wade; O'Quin, Keisha Baley; Renterio, Christopher Mario; Salgado, Willie

Joe; Shaner, Jennifer Lynn; Stavio, Heather Joy; Steger, Nathan Douglas; Tucker, Charles Ryan; Vera, Detsi Marie; Woolley, Megan Lea; Zabin, David Barton; Zabin, Deanne Suzanne.

Men have used artificial devices to keep cool for centuries. Ancient Egyptians soaked the walls of their homes with water, while Roman slaves brought down mountain snow to pack in the hollow outer walls of their master's villas.

CARPET CAPERS — Advance preparation is essential if you're planning home carpet cleaning. Remove as much furniture as possible from room; pre-stain carpet and cover what furniture is still present with plastic cloths. Put bits of foil under chair and sofa legs. Vacuum first, then use cleaning equipment. After carpet dries, brush it with a new, fairly stiff brush or broom to set pile in a single direction. This eliminates shading and clumps of fibers.

Now is the time for all good men who value their leisure to become allergic to spring garden catalogues.

1985 Weight Watchers 1985

BIG NEWS FOR YOU IN '85!

New, Improved (Quick Start Plan.

Lose Weight Fast and Easier Than Ever Before!

Last year we introduced QUICK START and thousands of people lost weight 20% faster in the first two weeks. Now, our new, improved QUICK START plan makes losing weight FAST and EASIER than ever before!

HERE'S WHAT'S NEW: Every meeting has a special theme that will encourage you. A new 3-week QUICK START plan helps you lose weight fast and keep it off. New activities that will add "fun" and excitement to your life every week.

HERE'S WHAT'S IMPROVED: Delicious 7-day menu planners... a flexible full exchange food program and a lot more eating satisfaction.

Vivian Lipman, Area Director

Reach Your Goal Before You Know It.

Our new, improved QUICK START plan lets you enjoy so many delicious foods sensibly, it will actually make losing weight easy. And you'll have a new friend...your SCALE!

Your First Meeting Fee Is FREE!

ONLY PAY REGISTRATION FEE OF \$13.

Here's a sensational offer to help you discover what Weight Watchers can do for you. Come to any meeting listed here and pay NO MEETING FEE! Simply pay the one-time registration fee. Then, continue to come to Weight Watchers for a modest weekly meeting fee of only \$7 until you reach your goal. We make losing weight easier and more fun than you ever thought possible.

Come on, tip the scale in your favor for a change. You'll love it!

OFFER ENDS FEB. 3, 1985

If you can order from a menu in a restaurant, you can follow our delicious new menu planner.

This new, improved QUICK START plan is so simple that all you have to do is select your favorite foods from our tempting menu plan and presto... you're losing weight and enjoying every bite!

It may not be a miracle, but you'll think it is! We've helped millions of people lose millions of pounds...now you can join them and save money too!

Join Weight Watchers

1-800-692-4329

Offer valid between January 13 and February 3, 1985. Offer valid in locations only. \$7, \$10, \$15 only. Offer valid for new and renewing members only. "FILING SHORT FORM NOT SIMPLE," SAYS H & R BLOCK

Two different short forms and new deductions make short form filing more complicated this year.

You may not be eligible or it may not be to your advantage to file one of the two short forms. The short forms, including the new 1040EZ, can only be used by taxpayers meeting certain strict requirements. You are limited in deductions on the short forms. Using the wrong form could cost you money, or even mean an audit.

You will have peace of mind in

knowing H & R Block's personal, courteous, and competent service is yours... at a very reasonable price. One Day Service is also available for your convenience at any H & R Block office.

H & R Block's tax preparers are trained to know which of the forms - 1040EZ, 1040A, 1040 - gives you the maximum tax advantage for your individual requirements.

our new **HOMESTYLE FULL MEAL DEAL™**

is better than ever.

But it still doesn't amount to much. You're gonna find that our new HOMESTYLE Full Meal Deal™ amounts to a lot of good eating. With a quarter-pound, 100% beef HOMESTYLE Hungri-buster® that looks, cooks and tastes like homemade. A regular order of golden french fries. A refreshing medium soft drink. And a creamy 5 oz. D.Q. Sundae with your choice of topping. But where it doesn't amount to much is at the cash register. It's still only \$2.59. And only at Dairy Queen.

STILL ONLY \$2.59

January 14 thru February 24, 1985

Dairy Queen

"better than ever."

Wawaka Talk

By Mary-Ann Hooper

Did you ever feel like the "Whole World" was dressed up for a "Black Tie" affair and all you had was brown shoes? Rev. Regier related a similar experience. He said that he had always driven a Chevrolet auto but that every one had the starter go out at around 55,000 miles. He decided that he would get a Buick and thus eliminate that problem. Sure enough, 55,000 miles later, at Fike's Repair Shop, Mr. Fike laughed at him and said "Jake, don't you know that Buick's have Chevrolet starters?"

That's what life is all about. A Buick lifestyle with a Chevrolet starter!

Waka Calendar

Monday, Jan. 14-Waka PTA 7:30
 Tuesday, Jan. 15 Waka Water Board Meeting 7:00
 Tuesday, Jan. 15 1st Tutorial Session
 Thursday, Jan. 17 Brownie Investiture
 Thursday, Jan. 17 thru Saturday, Jan. 19 Plemons Tournament
 Jan. 17-Robinson's return from California.
 Jan. 20-Message-"The 25 Greatest Words in the English Language".

Waka PTA Meets

Pres. Bev. Wiebe called the meeting to order. Bev Burger led the group in prayer. Two 4th graders led the Pledge of Allegiance and the Pledge to the Texas Flag. The two girls were joined on stage by remaining 4th graders and by Maurine Stinson's 3rd graders. The group, accompanied by Bev Wiebe, sang "My Country 'Tis of Thee". Paula Gilliland is the 4th grade teacher and has our largest class with 10 students.

Minutes of the Nov. meeting were read by Leslie Stinson, seconded and approved.

The Treasurer's report was given by Jim Collinsworth and showed the profit for the tourna-

ment as being \$940.40 at this time.

Bev Burger reported on the Tournament and listed items still for sale. She thanked Bud's Shamrock for furnishing the ices, Bruce Stinson for the hamburger buns and Hardee's for wrappers and condiment cups. Every PTA member wishes to thank the whole Panhandle area for supporting "all" of our students and making "our" tournament a success. We hope the public will support the Plemons' tournament as well.

Twila Collinsworth was presented with a pin for her work in bringing up the PTA membership.

Ed Gilliland made his announcements. The Social Committee's were read by Maurine Stinson and the meeting was turned over to Karen Thompson for a program on "Cultural Arts".

Mrs. Thompson introduced the Speech & Drama Instructor of Spearman High, Gerri Maize. Gerri is also the sponsor of the Lynx yearbook.

Gerri, who said she just started a new speech class on Monday, Jan. 14, gave us the same stirring speech she gives for her new students each session. Cultural Arts are really "Communication" between all people. They can be speech, drama, newspapers, yearbooks, magazines, etc. Elaborating on speech, she added that she tries to bring her students on in stages to prevent "Speech Anxiety". First they talk about "Intrapersonal Relationships" (going inside yourself to find out what "you" feel). Second they talk about "Interpersonal Relationships" (Relationships-one on one). Third "Group Discussions" (Group Relationships) and Fourth "Public Speaking" (Selling yourself to the World.)

It was a well received speech and we do thank Gerri heartily for sharing with us. In Spearman all students have to take Speech for at least one semester. Hurray! It's like medicine. Once you get the pill down the resulting cure isn't really very bad.

The meeting was adjourned and refreshments were served.

Church News

Rev. Jacob Regier, of Perryton, presented the morning message "Treasures". Hymns were "O For A Thousand Tongues", "How Great Thou Art", "My Faith Looks Up To Thee" and "My Jesus, I Love Thee".

Thought For Today

"Fear less, hope more; eat less, chew more; whine less, breathe more; hate less, love more; and all good things will be yours." Anonymous

History book may be republished

Volume I of Hansford County History, published under the auspices of the Hansford County Historical Commission in 1979-80, is being considered for reprint in a small number, if there is enough response. Cost per book will be \$60.00, and must be ordered and paid in advance by Feb. 15, 1985, no later. Date of delivery will be about 60 days following that deadline, probably in May.

Those reading this who may know of anyone interested in Hansford County History are urged to relay the message of the reprint of Volume I Hansford History.

Books may be ordered by sending checks/money orders to: Hansford County Historical Commission 30 S. Townsend, Spearman, TX 79081. (If there is not enough response, money will be returned to those ordering.)

A gallon of nectar can provide enough energy for a bee to cruise four million miles at seven m.p.h.

Nearly 15,000 species of insect life, 80 percent of the world's total, have been found and classified in the Amazon River Basin.

Shrimp swim backwards, pushing themselves with their fan-shaped tails.

"The Theater," erected in 1576, was the first such structure built in England exclusively for the performance of plays.

Beth Ann Flowers receives degree

WACO, Texas -- Baylor University officials awarded degrees to 427 students at the close of the fall 1984 term, according to Madelyn Jones, university registrar.

Degrees awarded during the Dec. 15 ceremony included 359 bachelor's degrees, 66 master's degrees and two doctorates.

The December ceremony marked the first time Baylor has held a December exercise. Previously, students who completed their college work in the fall have participated in the May commencement ceremony or have

been excused from the ceremony.

This fall, several students requested that the administration consider holding a fall commencement exercise, and Baylor President Herbert H. Reynolds approved the request in Nov.

Commencement speaker was Dr. Joel C. Gregory, assistant professor of preaching at Southwestern Baptist Theological Seminary, Fort Worth, Texas. He is a 1970 Baylor graduate.

Among the list of graduates is Beth Ann Flowers, BS, 12 Glover Place, Spearman, Texas. Beth Ann is the daughter of Mr. and Mrs. Roy Flowers.

A Home Energy Audit Can Help Stop Energy Loss

You may not even know it, but you could be losing energy in your home right now! The features of your home that make it comfortable and energy efficient have to be sufficient to help you get the most benefit from your electric service.

When you request a Home Energy Audit, our fully trained energy professionals will inspect your home to find areas of energy loss. With the Audit's information, you can make the improvements that can help make your home comfortable and energy efficient at the same time.

Find out how well your home uses energy by requesting a Home Energy Audit. Call our office for all the details.

Helping you get the most benefit from your electric service is just one more way we are . . .

Little Girl in Picture is Identified

The lost is found. The little girl that aroused such curiosity about her identity has been identified by her grandmother. Mrs. Dale Randall called the Reporter office Tuesday morning. Pat said that "Shawna's grandmother Barber in Canadian called me last night to ask if I had seen the Spearman paper. I think that they have Shawna's picture in it but I'm not sure. I said I hadn't gotten to look at the paper yet, but would right then. To my surprise and joy, I found Shawna's little face looking out at me. That really is Shawna, I cried!"

Shawna is the daughter of Chris and Karen Barber Randall of Fort Worth. I guess Ernie has an eye for pretty girls all over Texas.

A.W. Razor on growers panel

Amarillo--New ideas for improving irrigation efficiency will highlight the annual High Plains Irrigation Conference set for January 17 in Amarillo.

Participants will hear how growers are using surge and LEPA irrigation systems to improve efficiency and cut fuel costs. Exhibits of the improved irrigation equipment will be on hand and shown by manufacturers and area dealers.

The conference will be held at the Texas A&M Agricultural Research and Extension Center, 6500 Amarillo Boulevard, West.

Registration and display of equipment starts at 8:30 a.m. and the program concludes at 3:00 p.m.

The conference is sponsored by the Texas Agricultural Extension Service and Panhandle Economic Program.

A new feature of the conference this year is a discussion by a panel of equipment dealers.

James Mitchell of Wolforth will discuss the development and use of surge valves and control units. Mitchell who farms and operates Controlled Surge Irrigation, Inc. will also discuss the value of furrow dikes in his farming operation.

Dick Cook, manager of Ulysses Irrigation in Dumas and Stratford will tell how to properly design center pivots for convenient use and maximum efficiency.

Dick Laursen who operates

Southwestern Irrigation Equipment Supply House in Stephenville will discuss nozzle and LEPA packages for center pivots.

Also a highlight of the conference this year will be a discussion of water issues in Texas by S.M. True of Plainview and President of the Texas Farm Bureau. True is a Hale County farmer who understands the value of irrigation to West Texas growers.

Managing furrow irrigation will be addressed by Jack Musick, a veteran agricultural engineer headquartered at the USDA Research Station at Bushland.

Leon New, Extension agricultural engineer and coordinator of the conference will discuss Low

Energy Precision Application (LEPA) with center pivots.

The conference will conclude with a trio of High Plains growers who will share their irrigation and soil moisture practices with the audience.

The growers panel is always popular at the conference, say New, and the group this year will

be good, too. They are Willie Wieck from Moore County, A.W. Razor of Gruver, and Tom Dennis of Panhandle.

See a pin and pick it up, and all the day you'll have the feeling you've joined the slipped disc brigade.

Show us a man who is fashion-conscious and we'll bet he can afford not to be knocked out by the price of his wife's new ensemble.

Joyce Johnson wins second

Two of Jo Dunham's (of Guymon, Ok) watercolors took top honors in the judging of the artwork at the Artist's Studio Northwest 4th Annual Juried Show. Her painting "Mountain Respite, Southfork, Co" received Best of Show and "Bill's Calf" won first place in the professional class. R.T. Hicks of Guymon placed second with his photograph "Rounder". Third place went to Bryon Test on "Wood Duck" a watercolor and Jane Savage, also of Guymon, placed fourth with

"God's Gift", an oil painting. Merit awards went to Ruth Atkins, of Optima, Bryon Test and Wilma Akers, of Hooker, Ok. In the amateur class Paul Farrell, of Guymon, received the first place rosette on a pastel titled "Muffin and a Friend". Second place went to Gruver's Joyce Johnson for her pastel entitled "Springtime in the Canyon". She also received a merit award on her oil. Third and fourth place ribbons were placed on Guymon's Eleonore Faris' oil painting of "The Stone Bridge" and "October Fes-

tival". Corene Shafer, of Texhoma, Ok, won two merit awards, Tula Harland, of Texhoma, and Dee Johnson, of Guymon, also received merit award ribbons. Marlin Adams, head of the Art Department of Frank Phillips Jr. College, Borger, Texas, judged the 47 entries on Jan. 5. A reception tea was held Jan. 6 for the public. The artwork will be on display throughout the month of January at No Man's Land Historical Museum in Goodwell.

Animal Sciences Teach 4-H's Responsibility, Caring

Helping young people to develop a sense of responsibility and caring is basic to 4-H animal science programs--programs in agriculture, beef, sheep, swine, commodity marketing, dairy, dog care and training, horse and veterinary science. These programs give young people a chance to explore many areas of the animal industry and to place special emphasis on areas of individual interest, points out Karen Harruff, county 4-H program coordinator with the Texas Agricultural Extension Service, The Texas A&M University System. The programs offer opportunities to 4-H members whether they live in rural areas or in major metropolitan areas. 4-H'ers in animal science programs are exposed to everything from simple pet care and training to marketing, breeding, research, nutrition and careers. These programs can be an integral part of their learning and living exper-

iences and can offer young people an almost limitless array of opportunities for education and exploration. Objectives common to programs in animal sciences are these: 1. To develop leadership activities, build character and assume citizenship responsibilities. 2. To explore career opportunities. 3. To develop skills, knowledge and attitudes for lifelong use. 4. To share knowledge gained with others. 4-H members who excel in animal science programs can reap a host of awards, including some scholarships and trips to the National 4-H Congress in Chicago awarded each fall. Projects in animal science can open an exciting world to 4-H members, says Harruff. To find out more about these programs, contact the county Extension ofc.

This 'n That
BY BARBARA ALLISON

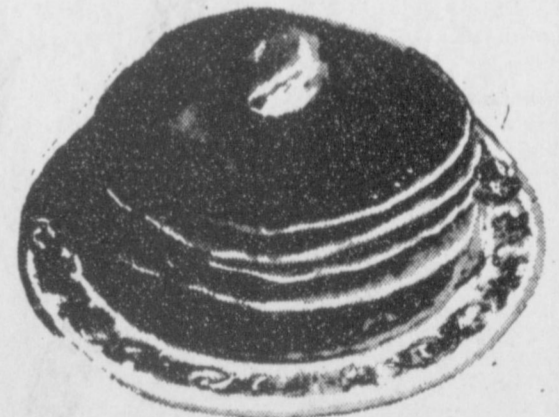

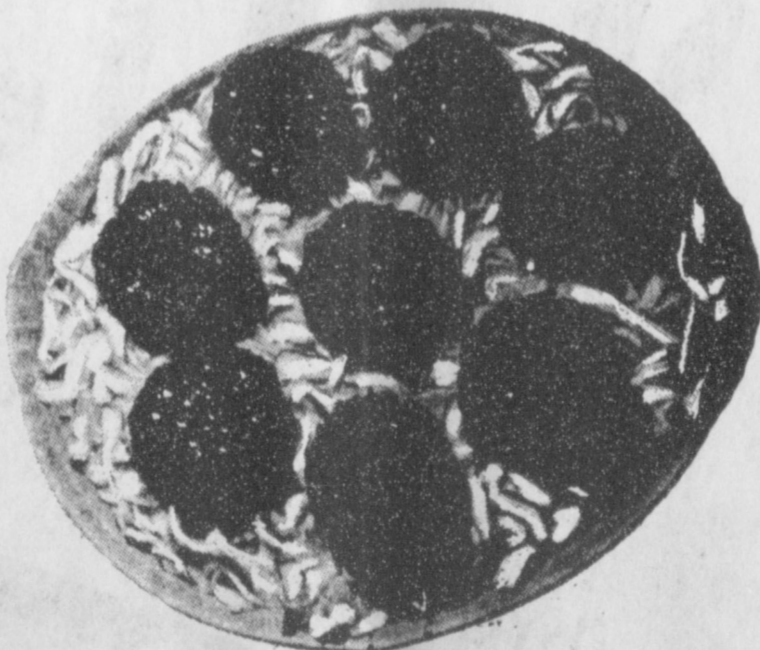

In pursuit of trivia: A free 65-page report containing thousands of historical facts is being offered by the West Virginia Library Commission in the state's 163 libraries. The commission is hoping trivia-minded citizens will take advantage of the report and the libraries. Among facts to be gleaned from the report: Did you know that Charleston had the first brick streets in the United States? Or that the largest shipment of matches in the country -- 180 million -- left Wheeling, W. VA., for Memphis, Tenn., on August 26, 1933? Maybe that'll fire you up to read a book.

Limiting the limitess: David Weeks, a restaurant owner in Dover, N.H., will serve only two drinks to a customer. He said it is time to "do something to stop the killing" caused by drunken drivers. The two-drink rule has been going on for months, and Weeks said there had been no serious complaints. "It's time people who serve liquor started to do real good policing job," he said. No more one for the road.

Sanford-Fritch cagers sweep Spearman

By LANCE LAHNERT
Globe-News Sports Writer

FRITCH — When an opponent plays the Sanford-Fritch boys' basketball team, it can't help but notice the big guy wearing No. 24. But as Spearman discovered Tuesday night, the Eagles' 6-8 Ed Cunningham may stand alone, but he doesn't play alone.

The Eagles displayed an aggressive man-to-man defense and held Spearman to three field goals in the critical third quarter to take a 78-45 District 1-2A win before 900 fans — and Arizona State basketball coach Henry Bibby.

The Eagles left halftime with a 32-20 lead, but Cunningham and point guard James Cunningham (no relation) each had four fouls. But despite the foul trouble, the two paced Fritch to an 18-point third quarter, and were the main cogs in Spearman's 3 of 14 shooting effort in that stanza.

"We just hit a cold third quarter," said longtime Spearman coach F.G. Crofford, whose team fell to 12-5 overall, and 2-1 in district play. "Our game plan was to be patient, and we kinda got out of that. I told the kids if we could hold Eddie around 30, we might have a chance to win."

Ed Cunningham, one of the most recruited football/basketball athletes in Texas, didn't get his 30 points. The Lynx constantly surrounded the Fritch post with two and three players, but what saddled Cunningham even more was his fourth foul with five seconds to play in the first half.

Cunningham did tie for the game's scoring honors with Spearman's hot-shooting guard Ross Donahue, both of whom had 20 points. But it wasn't a spectacular

20 as Cunningham was just 4 of 14 from the free-throw line.

"It does get old having all those players around you, but that's just part of it," said Cunningham, who's scored 35 or more points in an eight-game span earlier this season. "I got the four fouls, and I just couldn't play my game. But we've got a lot of other good ballplayers who can play the game."

The Fritch record proves Cunningham true as the Eagles are now 20-0 overall, and 3-0 in district play.

What frustrated Spearman as much as Cunningham was the outside shooting of forwards Jeff Hatfield and Sean Rich. Add the point-guard play of James Cunningham and the defense of Kevin McIntire and Fritch proves it's not a one-dimensional team.

Hatfield scored 18 points while Rich, who missed a month of the season from an illness and is just now recovering, added 12 points.

"If people worry about Eddie all the time, they'll get beat," said Fritch coach Bill Duncan. "We came out in the third quarter and just did a magnificent job of playing defense. That type of thing is what championship teams do."

While the third quarter was the key to Fritch's win, the Eagles took the lead for good with 3:35 left in the first quarter on an Eddie Cunningham three-footer for an 8-7 lead. Spearman's patient offense early kept the score close, but after trailing by 12 at halftime, the Lynx were outscored 12-3 in the first 5:06 of the second half.

"You have to give Coach Crofford some credit for the job he's doing," Duncan said. "Spearman has a very good team, and I wouldn't be surprised to see them in

the playoffs."

Another team seemingly headed for the playoffs is the Fritch girls as the Eaglettes survived a 42-38 scare from the Lynettes. Paced by guard Deanna Shelton's 18 points and Lindy Morgan's 13, the Eaglettes hit four free throws in the last 1:16 of the contest to take the four-point win.

The victory improved Fritch to 16-3 overall, and 3-0 in district. Spearman, led by Shannon Jenkins' 15 points, dropped to 15-13 and 0-3 in league play.

The game was a see-saw battle, and Fritch did not take the lead for good until 3:14 remained in the game as Miss Shelton tossed in a running six-footer to give the Eaglettes a 37-35 lead. Spearman had held the lead the entire first half and didn't trail until 30 seconds were left in the third quarter.

Teresa Miesner ministers in music

Teresa Miesner of Spearman ministered in music at the First United Methodist Church in Hooker, Okla. Sunday night. It was in honor of the music department of the church. She sang in Stinton, Texas at the Lutheran Church on her way to San Antonio to attend the Texas Farm Bureau meeting.

Teresa is a freshman at Frank Phillips College and was on the honor roll for the fall semester. To achieve honor roll status, you must complete 12 or more credit hours with a grade point average of at least 3.25 of a possible 4.0. She had 14 hours and 3.50 average.

Teresa is the daughter of Mr. and Mrs. Louis Miesner.

A Layered Mixed Vegetable salad is the perfect company salad for the working mother. It's easy to prepare, it's colorful, the taste is zesty, and most important — it can be prepared the night before. No last minute rushing home to the kitchen! The key to its fresh and zesty flavor is the addition of slightly thawed peas, the type found in your grocer's freezer section. Be sure to use only frozen peas in this recipe!

LAYERED MIXED VEGETABLE SALAD

- 1 head lettuce, torn into bite-size pieces
- 1/2 cup chopped green or red onion
- 1/2 cup (1 stalk) chopped celery
- 1/2 cup (1 small) chopped green pepper
- 10-oz. pkg. (1 1/2 cups) frozen peas, thawed and drained
- 1 cup mayonnaise or salad dressing
- 2 tablespoons sugar
- 2 cups (8 oz.) shredded Cheddar cheese
- 10 slices bacon, fried, drained and crumbled or 1/2 cup imitation bacon bits
- 8-oz. can (1/2 cup) water chestnuts, drained and sliced

In large bowl or 13 x 9-inch pan, layer lettuce and onion. Spoon 1/2 cup mayonnaise evenly over top. Layer celery, green pepper and peas; spread remaining mayonnaise over top. Sprinkle sugar, cheese and bacon over top. Cover and refrigerate at least 8 hours. Add water chestnuts. Toss before serving. 10 to 12 servings.

STRATEGIES

A financial game plan for retirement.

DEVELOPING A PLAN

There is an important way you can help your financial strategy now and at retirement time.

It's with an IRA. Individual Retirement Account from First National Bank in Perryton.

You can help now because it's the biggest tax break ever. Every wage earner can subtract up to \$2,000 yearly from your gross annual income with an IRA. Married couples with a non-working spouse may deduct up to \$2,250 or when both work up to \$4,000.

PROTECT YOUR INVESTMENT

Of course, at the First National Bank in Perryton your IRA is protected up to \$100,000 by the FDIC. And, we charge no maintenance fee.

REACH YOUR GOAL

Then an IRA helps you later because your money draws interest at the highest rates available until you start making withdrawals at retirement. It is remarkable how much momentum an IRA can gather as you head towards retirement. If you start before 30 it can accumulate more than a million dollars.
