E.M.T. course will be taught here

Michele Davis

Michele Mackie Davis will be co-instructing a "Special Skills-Emergency Medical Technician Course" beginning this month. The course will be taught in Spearman and Stinnett by Davis and Charlie Boyd, Stinnett Paramedic.

Michele is a Spearman High School graduate and resides in Spearman with her husband, Mike, and two children, Misha and Matthew.

Michele became an EMT in 1979. She completed her EMT instructor training in 1980 and began teaching courses for Frank

Phillips College at this time. In 1981 Michele became a certified Paramedic and has practiced as such since that time.

Lynn Archer, Spearman resident and Director of Continuing Education at Frank Phillips College said, "We in Spearman are very fortunate to have such a rare bird as Michele Davis. Michele is regarded as one of the most skilled instructors in our region which includes the entire Texas and Oklahoma panhandles."

In the fall of 1984, Michele completed instructor training for EMT-Special Skills. This course

was provided by Panhandle Emergency Medical Services, Incorporated of Amarillo for a select few instructors. Each person enrolled in the course had to be nominated and an in-depth screening process took place before any students were accepted into the course. Michele represented Spearman and Frank Phillips College at that course along with other instructors from Frank Phillips College, Amarillo College, and Clarendon Junior College.

Michele will continue to serve our area by instructing students for Frank Phillips College in CPR (Cardiopulmonary Resuscitation), ECA (Emergency Care Attendant), EMT (Emergency Medical Technician), EMT-Special Skills, and various other first aide courses.

Michele was made a member of the Frank Phillips College Continuing Education Advisory Board in 1984, on which she currently serves.

Mrs. Archer stated, "Michele is an extremely dedicated instructor. Her courses always reflect the highest quality in both academics and skills. We at Frank Phillips College are particularly proud of the work Michele has done for us and her community during the past six years. She is a leader in her field and is determined to provide the area population with the best attainable emergency medical services."

Coach Crofford traveled to Wheeler Tuesday morning to meet with Quanah officials for the flip of the coin to decide where the Spearman-Quanah game would be played.

The flip was won by Quanah, so the game will be played Friday evening at 7:30 p.m. at Clarendon Jr. College.

The 57th ANNUAL BANQUET OF the SPEARMAN CHAMBER OF COMMERCE will be held Saturday, February 23, at 7:00 p.m., in the High School Cafeteria with Robert Queener, Jr. as the Master of Ceremonies this year.

This is going to be an exciting banquet with gorgeous and vivacious Gloria Gilbert, Miss Texas 1982, as the main speaker and entertainer. Along with Miss Gilbert, we have Julie Deakin, of Gruver presenting her award winning essay on Free Enterprise and Amber Pennington, the 6 year old singer, from Stinnett, that stole our hearts at the Hansford County Fair. She will be singing a few songs early in the banquet.

Delta Airlines and Panhandle Travel Service will be giving away two airline tickets and the destination will be announced at the banquet. The Chamber of Commerce will present the winner of the trip \$100.00 for spending money on the trip. Mr. Russ Nolan, C.T.C., Marketing Representative of Delta Airline in Amarillo, will do the honors of drawing the ticket. Your banquet ticket has a place for your name. And you must be present to win. The banquet tickets are on sale now at the Chamber of Commerce office for \$10.00 each. You will have an evening of entertainment, a good steak dinner and you might be the lucky winner of the trip and \$100 cash.

The Women's Division of the Chamber of Commerce are in charge of the decorations. Helen Melton is Chairman and her committee members are Mae Wofford, Karen Harruff, Bernice Callaway and Linda Butt. Sound Trax is providing background music during dinner.

The meeting will be held after the meal. MEMBERS AND THEIR WIVES ARE URGED TO ATTEND. Purpose of the meeting is to hear the report of business to date, and to elect two members to the board of directors for a three year term.

Terms will expire for Larry Holt and C.J. Renner.

The Board of Directors of Consumers include C.J. Renner, president; Larry Holt, vice president; Mike Garnett, Secretary; Monte Harbour, and Don Allen, board members.

Those who plan to attend are requested to return their cards that were mailed to them by February 15!

Gene Harris is manager of Consumers Sales Co.

Equity expo planned as two-day extravaganza

The Perryton Equity will be hosting its Equity Sales Expo '85 Wednesday and Thursday, February 27-28. The exposition, to be held in the Ochiltree Exposition Center, will show moderate growth from last year with 70 exhibitors to be on hand. Eighteen of the exhibitors will be from Perryton.

The sales expo is the largest annual event of its kind in this area. A farm and home show, there will be product displays of various kinds, with many of the companies offering special prices on their products and services. The exposition will feature new as well as time-proven products, with the latest in technological improvements in various pursuits a highlights.

Joining the Equity from Perryton are All County Supply, Eagle Cycle Shop, KEYE Radio, Panhandle Implement, C.R. Anthony's, Sperry-New Holland, Maxwell Water Well Service, Texas-New Mexico Power, General Telephone, Stockman's Supply, Ochiltree Soil

and Water Conservation District, Frontier Satellite Systems, KRDF Radio of Spearman, North Plains International of Spearman, Panhandle Plumbing, and Photography by Linda.

John Aston is heading the big Equity committee which has put in some long hours planning the exposition. Others include Randy Tucker, building layout and booth reservation, Cal Hildreth, merchandising, Billie Smith, registration and accounting, Jim Turner, pricing, Ann Turner, food, Susan Ullsburger, art and decorations, Leroy Hargues, properties, and Dale Wofford, trouble shooter.

Help is being provided by the county commissioners, First National Bank, Ambassador Inn, and the 4-H parents association.

A drawing card this year will be the comedy show of The Georgia Company. This variety act is complete with circus acts, music, comedy, and magic acts. The company features Gorgeous George the

Human Gorilla. They will be performing at 12 noon, 2, 4, and 6 each day.

"In one building, we're bringing together goods and services that are offered in dozens of business scattered throughout Perryton and this area," said Aston. "It will be one stop, with people on hand who can answer questions and show how their equipment works. We think it also will be happening and want to invite everyone from the Top of Texas, western Oklahoma, and southwestern Kansas to join in on the fun."

Coach Crofford ends 32 years of coaching

Varsity Lynx Basketball Coach F. G. Crofford announced his retirement, which will take effect at the end of the 1984-85 school term.

Coach Crofford was born and raised on a farm near Clarendon, Texas. He took part in all sports during his junior high and high school years.

Coach Crofford attended Clarendon Jr. College for 1/2 a year before entering the army during World War II. He served under General Patton in Europe and was in several major battles. He was wounded twice in combat. General Patton visited the wounded at the hospital during one of his stays.

After serving two years, Coach Crofford returned home, where he married Bonnie Drake. He went back to Clarendon Jr. College where he was a starter on the College Basketball Team. After finishing Clarendon Jr. College,

Coach Crofford

he went to West Texas State University, where he received his B.S. Degree in 1951 in Physical Education. He also received his Masters Degree in Education at W.T.S.U.

Coach Crofford and his wife,

Bonnie, are both teachers. They have twin daughters, who are also teachers. One daughter, Sharon Mills and her family live in Amarillo, the other daughter, Karen Floyd and her family live in Canadian. The Croffords have three granddaughters and two grandsons.

Coach Crofford taught one year in Sunray as Head Coach for football and boys basketball. He also was Head Coach for football and boys and girls basketball at Pettit, Texas for one year. He was Assistant Coach for football and basketball for one year at Whiteface.

He coached at Claude from 1956 through 1967, during which time he was coach for all grades of football and boys and girls basketball and track. During these years of coaching, his teams went to

(See Number 1 Page 2)

State 5 times.

He was Head Coach for the girls basketball team in Friona for 8 years. He was the girls basketball Head Coach at Gruver for six years before coming to Spearman, where he has served as Head Coach for the boys basketball team for four years, including this year.

He has had a total of 32 years of coaching, including this year; 31 as Head Coach and one year as Assistant Coach.

During his years of coaching, he has had 701 combined wins, excluding this year; 317 combined losses, excluding this year; has won 12 District titles; 5 Regional titles; won State in 1962; was State Runner-up in 1960 and 1961; was 3rd in State one year; and 4th in State one year.

He has coached the girls All-Star team three times and has coached four All-American players.

He has been Director, Vice President, and President of the Girls Coaches Association.

He has worked in several Basketball Camps in Texas, Oklahoma, Iowa and Nebraska, as well as his own camps.

Last Summer, Coach Crofford was selected by the National Federation Interscholastic Coaches Association to receive a Distinguished Service Award in boys basketball.

The Spearman School System will surely miss Coach Crofford upon his retirement. We wish him the very best in his future endeavors.

A Centerpiece

The old weather man will probably fool us - like with an April snow but the weather for the past week has been much better except for the chilly winds.

We here at the Center are busy working and designing blocks for the sesquicentennial quilt and also volunteers are working on other projects for our spring bazaar.

Several ladies were in Monday working on blocks and we all had lots of fun and fellowship. You should come in and see what is being done, it is all very fascinating. Try us - it really is a joy to work together.

We were glad to see Gertrude Archer home. She has had surgery and has been in Lubbock since before Christmas, also Maudine Patterson came in Monday, Addie Novak is home and Otis Dry came home Monday after a stay in Amarillo Hospital.

We do miss our senior citizens when they are out of town or for some reason stay away. Glad you're all back.

This week we will be having a 6:30 dinner. Since the weather is nice, plan on coming down. Joan McClellan R.N. will finish all who want a blood sugar test and will be taking blood pressures too. We certainly appreciate the nurses for this care and service.

Thursday as usual will be craft day. Do drop in and see what is being done, enjoy a cup of coffee with us and stay for the covered dish luncheon. You'll enjoy not only the luncheon but the fun and fellowship that follows. This is your Center, please use it. We'll expect to see you Thursday. Ok? Ok.

Historical Commission Wants to Print Book

The Hansford County Historical Commission met Monday afternoon in a called session to discuss the printing of 250 copies of Volume I Hansford County History. This is something the Commission members would really like to see done. Most all counties have a few books available for sale - this county does not have 1 for sale!

The deadline for printing Volume I is almost here! Taylor Publishing printed the book and they retain plates from their printings for only 5 years. June, 1985 is five years from the first printing of Hansford County History Volume I!!!

The Commission members feel sure the 250 books would soon be sold, especially with Spearman's All-School Reunion coming up in July 1985; Gruver has their Homecoming in the Fall for all former members of Gruver Schools to congregate.

WE NEED HELP!!!! We have \$1,950.00 of the needed \$8,750.00 to get the printing done. If you would like to see the printing done and have this book made available for your children and grandchildren, would you like to help by putting up some of the money?

ALL PROFITS GO TOWARD UPKEEP OF THE MUSEUM. You might give the money as a donation to the Museum, or the Commission would gladly return your money to you on sale of the books. Seven people with \$1,000.00 each, or 14 with \$500.00 each would make this printing possible. This book may never again be available if this opportunity goes by.

When the Historical Commission was engaged in printing Volume II, there were many people who wanted to buy Volume I Hansford County History, where are those people?

Meetings Change

Meeting date for the Chess Club has been changed from Tuesday nights to Monday nights at Marlene's Cafe. Meetings will begin at 7:00 p.m.

Financial aid deadline approaching

Deadlines are quickly approaching for summer and fall financial aid, according to The Scholarship Bank. Students with financial needs should begin now to investigate some of the more than 25,000 private aid sources, according to Steve Danz, Director. These funds are available to students with interests in a number of fields, and many do not depend on demonstrated financial need, as do state and federal funds. For example, students with an interest in business, law, and accounting can receive a stipend from the Exceptional Student Fellowship Fund, and apply to the parent corporation for full time work following graduation.

The Scholarship Bank is the largest private scholarship bank in the country for undergraduate and for graduate grants and loans. The computer can help you find sources designed just for you, based on your major, occupational goal, geographic desires, type of aid requested (scholarships, loans, summer work), and special skills and hobbies. According

If you would like to see this book again in print and help the Museum at the same time by helping financially, see any member of the Hansford County Historical Commission.

Members attending the special meeting were: Chairman Johnnie C. Lee, Secretary Rubyjo Wilbanks, Treasurer Clementine Renner, John R. Collard, Juanita Pierce and Sylvia Robertson of Spearman, Jennie Blankenship of Morse, Helen Boyd and Joyce Johnson of Gruver.

County judges & commissioners conference Feb. 28

COLLEGE STATION -- County judges and commissioners from across Texas who will be meeting here for their annual conference, Feb. 26-28, will be putting a lot of emphasis on continuing education. "Continuing Education -- The Key to the Courthouse" will be the theme of the 27th annual County Judges and Commissioners Conference, which will be held at the Ramada Inn.

Gov. Mark White has been invited to address the conference at 11:30 a.m. Thursday, Feb. 28.

State Rep. Gary Thompson of Abilene will address the county officials earlier that morning. Thompson is chairman of the House Committee on County Affairs and will have some members of his committee on hand for an open forum and question-and-answer session.

The County Affairs Committee is studying a number of critical issues during the current legislative session, including optional ordinance-making authority, indigent health care and alternative sources of income.

Thompson and members of his committee will also take part in a review of legislation affecting counties.

Dr. Zerie L. Carpenter, director of the Texas Agricultural Extension Service, The Texas A&M University System, will open the conference with an official wel-

BUY WISE - Save time by buying needed household items in batches. For example - greeting cards. Find one you like and buy a dozen or so. Save time by addressing them at once, then put in a file to be mailed at the appropriate times. And, buy gift wrap in bulk and prewrap gifts to save time when they are due on special occasions. Keep a list of family clothing sizes with you, and when you find a bargain, buy in quantity.

GOVERNMENT BARGAIN - Send for the quarterly "Consumer Information Catalog," and you'll have a handy listing of government publications, separated by category. Address a postcard request for the listing of free and low cost booklets to: Consumer Information Center, Pueblo, CO 81009.

THINK

About Your Safety

Before you put yourself in harms way, always think about your safety. Never put any metal object in any operating electrical appliance. Be sure to unplug any appliance before attempting to service it even if it is turned off. Never use an electrical appliance around bathtubs or sinks filled with water because water, just like metal objects, also conducts electricity.

Enjoy the benefits of your electric service, but be sure to keep your safety in mind.

Dr. McClellan to terminate practice by May, 1985

STATE OF TEXAS

HANSFORD COUNTY HOSPITAL DISTRICT

Present were: Jack Oakes, President; Leslie Barkley, Sec. Treas.; Dwight Hutchinson; John Trindle and Jerry Hunt.

Administration present were: Albert LaRochelle, Hosp. Adm.; Ray Wasil, Manor Adm.; and Randy Abernathy, Y.D.P.

Medical Staff present: Dave Muthali, M.D.

The meeting was called to order by Jack Oakes.

The minutes of January 10, 1985 were read and approved in a motion made by Dwight Hutchinson and seconded by John Trindle.

The monthly financial statement was presented for the Board's consideration. Leslie Barkley made a motion to approve the bills for payment. John Trindle seconded and the motion was passed by all present.

Jason Frye Suit: Three letters from John L. Hutchinson as to activity on the Jason Frye lawsuit was submitted for the Board's information with no action being taken at this time.

A list of specific delinquent accounts for purpose of lawsuits for collection was submitted to the Board. Dwight Hutchinson made a motion that the list be accepted as submitted. Seconded by Jerry Hunt and passed by all Board members present.

The following action was presented to the Board from the Medical Staff minutes of their last meeting. It reads as follows:

The administrator presented to the Medical Staff the proposed amendment for the bylaws for the purpose of malpractice insurance requirements for staff members which reads as follows:

Each member of the medical staff shall be required to present a current certificate of insurance, from an insurance company licensed or approved to do business in the state of Texas, to verify malpractice liability coverage with a minimum of at least \$200,000/

600,000 limits of coverage per claim or medical incident.

All voting members of the medical staff voted in favor of the proposed amendment on February 12, 1985 and recommended that this proposal be forwarded to the Board of Directors for their approval.

John Trindle made a motion that the amendment to the Medical Staff Bylaws be accepted as submitted. Dwight Hutchinson seconded and passed by all present.

Next an Employee Annuities Program was submitted to the Board, via letter from Mr. Bob Barnett, Representing Great American Reserve Insurance Company. As no cost would be incurred by the District and the program would be on an individual need basis, Mr. Leslie Barkley made a motion to accept the program as submitted, seconded by John Trindle, passed by all present with the exception of Dwight Hutchinson, who abstained.

A specific need for the replacement of the current Hy Cel Counter-300 was presented to the Board. Due to the fact that the machine is now no longer made and parts are hard to come by, with the current machine needing substantial repairs, the Board instructed the hospital administrator to replace it with a CC-180 Hematology Analyzer. That financing of said machine to be arranged and that repayment be finished by 15 of January 1986. Dwight Hutchinson made a motion that the preceding information be accepted and voted on as accepted. Seconded by Leslie Barkley and passed by all present.

An update on the emergency generator system for the hospital was discussed. The feasibility of tying into Hansford Manor's system versus a new generator will be looked into with a specific cost report to be presented to the Board at a later date.

Next, the Board was formally advised that Dr. David McClellan would be terminating his practice of medicine in Hansford County as of the last part of May, 1985.

After listening to input from Dr.

Muthali and other Medical Staff members via the Hospital Administrator, the Board instructed the Hospital Administrator to begin the task of recruiting another physician to Hansford County, with this physician to have a great deal of surgical expertise. The Board informed the Hospital Administrator that the Board was not opposed to a recruiting firm being used but that no firm was to be used that required a contingency fee up front; other decisions on physician recruitment will be made as the situation requires.

Mr. Ray Wasil gave the progress update on the current affairs of Hansford Manor.

There being no further business, the meeting adjourned.

Lela Love services held

Funeral services were held today, Thursday, in Ashland, Kan. for Lela Love, 59.

Mrs. Love passed away Monday at her home in Ashland.

She was preceded in death by a son, Ray, several years ago, and by her husband, Clarence Love in January of 1984.

Mrs. Love was the sister-in-law of Aaron Love of Spearman.

She is survived by a son, Randy of Woodward, Okla.; a daughter, Cathy Gebhardt of Ashland; and by five grandchildren.

2,752 UPC Symbols Needed!!

Please Help!!!!

The students have only 4,748 proof of purchase UPC Symbols towards their computer and they need 7,500. The Good News is that you can still help. The deadline has been extended to February 28, 1985. Let's start saving right now.

The reason is that students at Spearman Elementary and Jr. High are currently conducting a collection drive that will earn their school an IBM PC Jr. computer system. As part of a program called 'COMPUTER-RIFIC', IBM and Proctor and Gamble are offering free computers to schools in exchange for Proctor and Gamble participating brands. We know we have people in our community who will want to help our school. They can do so by saving the UPC Symbols from the

list of products below and giving them to our students or depositing them at collection boxes located at CUTRAT and IDEAL. The brand names are: Bounty, Citrus Hill juice, Coast soap, Crest, Crush (16 oz., 10 oz., and 1 liter bottles), Encaprin, Luvs diapers, Prell concentrate and liquid Prell, Puffs tissues, Sure deodorant, Tide, Jif peanut butter, Scope, and Pert.

If you have any questions, call one of these members of the PTA. Jolinda Hutchinson 9-2285, Debbie Clement 9-2191, and Karen Schnell 9-3620. The symbols the

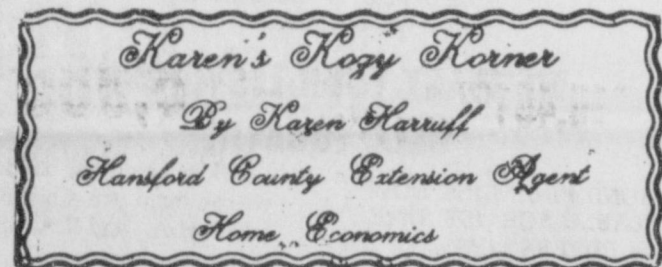

students are collecting look like this:

The Eltruscan shrew, only 3 inches in length, is the smallest adult mammal in nature.

FAMILY INFLUENCE ON THE SWEET TOOTH

Do your children seem to "live" on candy, cookies, pop-sicles, sugared cereal and cola? Like many parents, you may be worried that too much refined sugar is leading to tooth decay and reducing the nutritional quality of your children's diets.

You may be able to do something about the problem, especially if your children are still young. But it could require changing some of your habits and attitudes as well as theirs.

Children come by their desire for sweets honestly. Studies have shown that infants are born with a preference for sweetened liquids over plain liquids. This preference will continue, especially if children have continued positive experiences with sweets.

As parents we create many of these positive experiences by offering sweets to comfort or reward our child, to express affection and to celebrate special occasions. We sometimes use sweets to compensate when we're busy or tired, or to keep the children distracted or quiet.

But that doesn't mean we need to give up birthday cakes, or put carrots in the Christmas stockings. In fact, some recent research from Cornell University shows that giving children sweets in "positive contexts," is not the only reason for their attraction to sugared foods.

Far more important, according to the research study, is how often children actually eat sweets. And this is determined mostly by the parents' own consumption of sweets, and how much television the family watches.

What and how parents eat has a powerful effect on children. Children learn to be sweet-eaters from their parents, just as they learn many other food preferences, such as liking meat or disliking vegetables.

The researchers also suggest that children who watch more

television tend to eat sweet foods more often because they are bombarded with commercials for highly sweetened foods, especially during Saturday morning cartoons. Because they watch at least some of the shows their children see, parents may become more familiar with the foods advertised and more receptive toward eating the foods themselves and serving them to their children.

So if you really want to change some of the sweet-eating habits of your young children, you will probably need to cut back yourself. You may also need to talk with them about the differences in the variety of foods we eat for good health in "real life" and what they see in the make-believe world of television.

Buddy Dossett is member of State Bar of Texas

AUSTIN -- Harlingen attorney Buddy Dossett was among 408 Texas lawyers certified as members of the College of the State Bar of Texas.

The College was created by the Supreme Court of Texas as a means of recognizing members of the State Bar for their participation in continuing legal education programs. It is through completion of these education programs, that attorneys in Texas keep abreast of

the law and increase their legal competence.

Special certification ceremonies for the new members were held on January 25 during a luncheon at the Texas Law Center in Austin.

Dossett is the son of Mr. and Mrs. L.T. Dossett of Spearman and is a 1971 graduate of Spearman High School. He is a partner in the Harlingen law firm of Johnson and Davis.

Alisha LaRochelle participates in program

WTSU - The nine-week spring program of the Gifted and Talented Institute, sponsored by West Texas State University, comes to an end March 9. Elementary and secondary school students from towns all over the panhandle have been participating in special classes covering a variety of topics: creative writing, art, vocabulary development through Latin, science, Spanish, puppetry, world cultures, higher level thinking skills, and problem solving.

Alisha LaRochelle, 215 S. James, Spearman has been participating in the spring session.

The Institute, partially funded by a grant from the Rockwell Foundation in Houston, provides for the enrichment of area students through in-depth exploration of their talents and interests.

Summers feature in-residence programs on the campus of WTSU. This summer there will be three weeks of the Gifted and Talented Institute. June 9-15 and June 16-22 are for students aged 9-11. June 23-29 is for ages 12-15.

For information on any of these programs, call Mary Jane Reeves (856-2031) or write to Box 208, WT Station, Canyon, Tex. 79016.

TIME STUDY — Organize your time before tackling Spring cleaning chores. Plan enough time for the big jobs — you'll do better work if you're not rushed. Heavy cleaning should take place in your peak energy times — morning for most people. Organize tools and equipment, carry items needed in a caddy to make work faster. Check ladders and other equipment for safety.

SAFETY STUDY — Beware and be safe as you enjoy Spring. Lock doors and take keys as you go outdoors — even on short trips. Alert a trusted neighbor if you'll be away, and ask him to do such chores as pick up mail and newspapers. Set lamp timers to turn on lights at different times nightly. And, remove any furniture or other items that could give a would-be burglar a boost to an upper story.

The first women presidential candidate proposed at a major political party convention was Sen. Margaret Chase Smith of Maine, who was nominated by Sen. George Aiken of Vermont at the 1964 Republican National Convention in San Francisco, CA.

The Artic tusked whale, the narwhal, swims in broken ice fields usually about 65 degrees North latitude. The whales have been sighted only four times as far south as Britain and once off Holland.

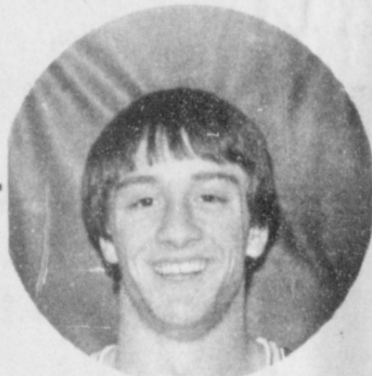

Canadian Eskimos customarily name their sled dogs after deceased members of the family.

CABINET SWEEP — Reorganize the bathroom medicine cabinet to make it more efficient. Place a cutting board across the washbowl beneath and place all contents on it. As you replace cabinet contents, discard medications past their prime or no longer used. List numbers of prescriptions that need refilling and tend to these replacements quickly. Glue small magnets to inside cupboard doors to hold such items as nail file, scissors, thermometer cases. Finally, glue double faced tape to shelf edges so that bottles will not slide off.

Together, heart disease, stroke and related disorders kill almost as many Americans as all other causes of death combined, American Heart Association statistics reveal.

showoffs, showpieces, the plant you just have to show — that's Staghorn fern. The strange and strangely-shaped member of the large family of epiphytes has become associated forever with Tropical jungle displays. Nicely, though, you don't have to inhabit a rain forest in an unpronounceable country to own one. Begin a show-stopping collection by seeking out and purchasing small "stags" at a nursery.

They're known botanically as Platycerium, and there are about 18

known species. All are distinguished by those antler-like leaves, that range in size from the prongs of a small stag to the bigger blades of the Alaskan moose. Purchasing plantlets will give their owners a chance to observe the fascinating growth patterns of the tropical oddities. Like less complex forms of fern, they require loose soil, good drainage and an occasional feeding with a weak fish emulsion. Cold blasts and bursts of hot air are damaging to "stags," and watering is by touch — saturate when growth medium feels dry to the touch.

It's the how of plant display that gets the attention from all corners. You can use ordinary clay pots — nice, but not adequate for the excitement these ferns can generate. Mount one on a piece of cedar, redwood or cypress bark to really show it off. Garden centers have bark

blocks and the sphagnum moss you need to grow the plant. To make a bark planter, staple one end of a piece of chicken mesh to the back of the bark piece. Being careful of roots, wrap fern with unmoistened sphagnum, then place on front, or "show" side of the block. Carefully pull mesh from back side to form a pocket to hold fern. Cover any mesh that shows with more moss, then

hang plant, or place it horizontally. As the fern grows, it can look as though it's growing from a wall or up through a table. The planter tends to recede visually and the effect is attention-getting. Later, a dyed-in-the-wool "Stag" fan, you can get into propagation and become a renowned collector.

Lynx Blast Wheeler 73-60

The Spearman Lynx defeated the Wheeler Mustangs here Monday night, 73-60. This was the best game of the year for the Lynx. Damon Goodheart led all scorers from Spearman with 20 points, followed by Donahue with 19, Pearson with 18, and Burke with 10. Reid scored 4 and Cook 2, with outstanding play turned in by Willis and the entire Lynx bench.

The game featured an Alley-Oop play as the ball was passed to Burke, who caught the ball in mid-air and stuffed it for two.

The Lynx jumped into a 19-point lead, with 1:32 left in the third period, as a result of two quick lay-ups by Damon Goodheart. This was only the second loss of the year for the Wheeler Mustangs who were defeated Friday night by the Gruver Greyhounds by some 20 points.

The entire town will attend the bi-district play-offs at Clarendon Friday night. The only injury on the Lynx team is to Steve Burke, who is improving rapidly. Coach Crofford will be coaching his last game and has his eyes set on a state championship with this fantastic group of boys. The team pictures are on the First National Bank ad on page six of this issue. See ya at Clarendon Friday night, 7:30 p.m.!

Coach F. G. Crofford discusses a little strategy with Varsity Lynx, Ross Donahue.

Julie Deakin to speak at C of C Banquet

JULIE DEAKIN.

Julie Deakin is the 18 year old daughter of Jim and Deidra Deakin. She is a senior student of Gruver High School.

Julie was one of two outstanding students chosen to attend the Texas Farm Bureau Citizenship Seminar held in San Angelo in June of 1984.

After attending this seminar Julie wrote her Free Enterprise Speech which she gave five times in the fall of 1984. In October Julie won the District Free Enterprise Contest. She then went to the State Farm Bureau Convention in San Antonio. Julie was one of the top six contestants here.

Julie's speech is especially meaningful to her for her grandfather had started the Deakin Dairy on which she based her Free Enterprise Speech.

Hansford County Farm Bureau has been proud to sponsor this outstanding young woman.

Julie will be presenting her Free Enterprise Speech at the Spearman Chamber of Commerce Banquet, February 23, at 7:00 p.m., at the Spearman High School Cafeteria. Tickets are on sell now at the

Spearman Chamber of Commerce Office, 211 Main, for \$10.00 each.

Amber Pennington & South River Rapid to perform

Amber Pennington, the sweetheart of "South River Rapid", poses with the musicians who will accompany her in concert April 12 at Frank Phillips College Auditorium in Borger. Musicians include Billy Shelton, Don Hooper, Glen Long, Roger Stone, Brenda Dahl

of Gruver, and Don Willingham. Members of the band are young musicians employed in varied fields including teaching, store managing, and radio work. The group has been organized for eight months, and has filled many engagements in cities north of Borger. Playing for the Fourth of July Celebration in Gruver was an outstanding event.

"South River Rapid" will make it's debut in Borger at the benefit concert for the American Cancer Society April 12. Don Willingham and Brenda Dahl play rhythm guitars, Roger Stone is lead guitarist, Billy Shelton plays bass guitar, Glen Long is the keyboard artist and Donnie Hooper plays drums. The group also plays other instruments: synthesizer, saxophone, mandolin, banjo and harmonica.

Also appearing with "South River Rapid" is Amber Pennington of Stinnett.

Tickets for the concert may be obtained from Brenda Dahl, former resident of Gruver, by calling 848-2858 (home) or 848-2472 (work) or contacting her parents at 733-2612. Price of the tickets are \$3 for adults, \$1.50 for students, or the tickets may be purchased at the door.

Why don't they bring out a do-it-yourself kit to replace fingertips cut off with the tile knife you get free with the flooring outfit?

At least 10 places along the 500-mile stretch of the Amazon River were found to have depths of 300 feet or more, revealing the bed of the river is well below sea level.

1982 Miss Texas will be speaker

Gloria Gilbert will be the speaker for the Spearman Chamber of Commerce Banquet on Saturday, February 23, 1985.

Gloria Gilbert Barron was brought up on a ranch in Millsap, Texas with her three older sisters. Her father worked for a local oil refinery and raised Hereford cattle. It was a small town with a population of 500.

Gloria first was introduced to the art of ventriloquism at the age of six when she watched Shari Lewis with her little friend Lamb Chops on TV. She was attracted to this and thought it would be lots of fun to do. The next Christmas she found that Santa Claus had brought her Mortimer Snerd, Edgar Bergen's country bumpkin friend along with a record album all about ventriloquism. And that's how Gloria learned the art.

Gloria's mother recognized her sincere desire and love for the art and entered her into talent contests and Little Miss pageants. It was in these events where Gloria's talent shown above the others because they all were doing the ordinary singing and dancing.

Gloria was heavily involved in athletics while in school and played on three different varsity

teams in basketball, tennis, and track and was a cheerleader. Since high school she has attended Weatherford College, North Texas State University, and is currently majoring in Public Relations and Advertising and minoring in radio-TV-film at Texas Christian University in Fort Worth, Texas.

Gloria entered the Miss Texas pageant in hopes of getting the fine scholarship it provides the winner and that she did. In 1981 she won the Miss Mineral Wells contest and came in first runner-up in the State meet. For 1982 Gloria won the Miss Palo Pinto County pageant and the big one, Miss Texas 1982. Her 15 years of practicing the art of ventriloquism paid off handsomely.

Gloria, age 21, has been working with her sidekick Homer for the last nine years. Together they entertain for concerts, churches, banquets, fairs, festivals, and many other events. She is also involved in many beauty pageants. Gloria is married now and makes her home with her husband Greg Barron in Fort Worth, Texas.

Tickets go on sale, February 8, for \$10.00 each. You may purchase yours at the Chamber of Commerce Office.

Bruce Julian, Thalia Garner and Debbie Smith Trust Officers at First National Bank

Protect What You Own

You spend most of your life working and putting together important assets. An estate includes your home, farm and ranch property, investments, life insurance and some cherished personal belongings. Have you prepared to pass on those hard-earned assets to people important to you?

How Does a Trust Protect Your Estate?

A Trust is a special legal way to protect your assets from certain taxes. It can help prevent your property from being tied up in court. It even guards your estate from being mishandled by well-meaning, but inexperienced friends or family members.

We Offer Twenty-Five Years of Experience To You

Our Trust Department has been helping people take hold of their future for twenty-five years. Bruce Julian, Thalia Garner, and Debbie Smith are Trust Officers who can meet with you at the bank or in your home. There's no cost to talk with them about your needs ... whether you're hard at work today, or ready to retire. Call us.

To God, "A note of thanks"

by Mrs. E.A. Greever

Father God this week I feel we should all learn more from the Bible about our adversary the devil who opposes everything you want to do for all of us. And then next week, if it be your will to learn more about your plan for us to overcome his cunning devices.

First we get a description of him as we read Isa. chapter 14 beginning with the 12th verse. How art thou fallen from heaven Lucifer son of the morning how art thou cut down to the ground which didst weaken the nations. For thou hast said in thine heart I will ascend into heaven I will exalt my throne above the stars of God I will sit also upon the mount of the congregation in the sides of the earth I will ascend above the heights of the clouds I will be like the most High.

From the beginning we read in your word he has been busy. In the garden of Eden God told Adam thou shalt not eat of the tree of the knowledge of good and evil if you do you will die. The serpent communed with his help meet and said thou shalt not die for God knows if you eat of that fruit your eyes will be opened and ye shall be as gods knowing good and evil, and when she saw the tree was good for food was pleasant to the eye and to be desired to make her wise she did eat and her husband and he ate (It seems without by Adam a question). A curse was placed upon the serpent the woman and the man (Adam) and we are told what they were but this is another line of thought. Disobedience caused by the work of the Devil. Many different scriptures we could use concerning the children of Israel, after the many miracles wrought by God to set them free from their bondage in Egypt they murmured and complained all the way toward Canaan and none of the older generation went in but Caleb and Joshua who followed the Lord fully. Everybody is tempted by the Devil and he certainly knows the weakest point in every life.

Let us study now about a man named Job. God's word tells us he was a perfect and upright man who feared God and eschewed evil. In chapter 2 we read there was a day

when the sons of God came to present them selves before the Lord that Satan came also and the Lord said unto Satan from whence comest thou? And Satan answered the Lord and said from going to and fro in the earth and from walking up and down in it. And beyond a doubt he is still doing the same. Next week the Lord willing we will learn about a man the Lord permitted the devil to try to the limit to prove his integrity toward God.

Did Satan tempt Jesus? Yes. Lets got to Matt 4th chapter. After he had fasted forty days and forty nights Satan tempted him saying, If thou be the Son of God command these stones be made bread. He then took him to a pinnacle of the temple and said cast thyself down for it is written He shall give his angels charge concerning thee. The third temptation he showed to him all the kingdoms of the world and his glory, all these things I will give thee if thou wilt fall down and worship me. Now we will go to the first epistle General of John and read in chapter 2 verse 16. For that is in the world the lust of the flesh of the eyes and the pride of life is not of the Father but is of the world and we can readily see it was along these lines they and we are tempted.

Satan has all the world going his way, for the word says all have sinned and come short of the glory of God, another said there was a time he winked at the ignorance of man but commands all men (people) to repent.

So we can see the Devil is after all of us who have repented and have been brought back to God; and how we appreciate the prayer of Jesus for us we read about in the 17th Chapter of St. John.

We are made to rejoice for the

answer given Lucifer after exalting himself in Isa 14. Yet thou shalt be brought down to hell to sides of the pit and this is what we were told by John in Revelations Chapter 20 and the devil that deceived them was east into lake of fire and brimstone.

Verse 14. Death and hell were cast into the lake of fire. This is the second death. Now it would be good for all of us to again read in 11 Peter the 3rd chapter. No doubt at times we as followers of God and his teachings are made to sing with the little children. The devil is a sly old fox.

If I could catch him I would put him in a box. I would lock the box and throw away the key. For all the tricks he's played upon me. The Lord has said Vengeance is mine I will repay. Thank you God.

New Arrival

Band Earns Superior Rating

The Spearman Lynx Band, under the direction of Pat Daniel earned a superior rating at the recently held UIL Solo and Ensemble Contest in Canyon at West Texas State University.

Entering as a wind-percussion ensemble of 48 members or less, the band received extremely favorable criticism from the judge for the event, Mr. Gene Lotspeich, formerly director at Clint High School. Some of his comments included: "Nice attention to detail, other than some minor tuning problems, there is very little to criticize. You've been well rehearsed and taught the right things - Now really apply it to the concert and sight-reading contest. Congratulations to a fine group and fine director."

David Sorgi, All-State percussionist, was awarded a "one-plus" on his marimba solo. His judge was Harold "Lucky" Floyd from Iraan, Texas. His comments: "Just Outstanding... Very nice job." He told David that he wished him well at the All-State Solo and Ensemble Contest in Austin.

These two judges represent the finest directors of small schools that Texas has to offer. Mr. Lotspeich, now of Crane, Texas was the director of two-time State Class AA Honor Bands at Clint, and was the director when Clint won the Class AA State Marching Championship. Mr. Floyd has had the State Marching Champion in Class A for three of the last five

years at Iraan, Texas, which was the State Class A Honor Band and State Class A Marching Champion concurrently in 1983.

"FILING SHORT FORM NOT SIMPLE," SAYS H & R BLOCK

Two different short forms and new deductions make short form filing more complicated this year.

You may not be eligible or it may not be to your advantage to file one of the two short forms. The short forms, including the new 1040EZ, can only be used by taxpayers meeting certain strict requirements. You are limited in deductions on the short forms. Using the wrong form could cost you money, or even mean an audit.

knowing H & R Block's personal, courteous, and competent service is yours... at a very reasonable price. One Day Service is also available for your convenience at any H & R Block office.

H & R Block's tax preparers are trained to know which of the forms - 1040EZ, 1040A, 1040 - gives you the maximum tax advantage for your individual requirements.
