**Ten couples in Escort Contest for this year**

**Good rain soaks county**

Tornado watches and severe weather warnings were issued over a wide area of Texas late Sunday, but thunderstorms moving across the Panhandle brought ample rains without reports of damaging conditions.

Sunday's heavy rain closed Farm Road 376 because of water over the roadway.

Steady rains also were reported throughout the day and Sunday night in Hutchinson county without hail or high winds.

Official weather report 3.10 inches of rain April 29 here. Evidently the rain was also heavy throughout within the county, with 4 inches or more reported.

Farmers were delighted with the moisture, it may be too late for some dryland wheat but was a bonus to irrigation.

There are ten couples in this year's Escort Contest for the Miss Hansford Pageant to be held on Saturday, May 4, at 7:30 p.m. in the Spearman High School auditorium.

The couples and their sponsors are as follows: Cassie Butt and Chester Hutchinson--Sound Trax; Ashley Brown and Kody Cator--Panhandle Stud Inc.; Holly Pipkin and Clancy Vanderburg--Snoopy's; Brittni Beedy and Michael Lusby--Beedy Furniture and Jr. Lusby Cats; Cheryynn Thompson and Christopher Cummings--Cummings Refrigeration; Krista Dement and Josh Bynum--Golden Spread Sales; Jill Odom and Brant

Armes--Gruver State Bank; Landree Smith and Jared Brown--Spearman Auto Supply; Cami Winegarner and Quantin Shieldknight--Gillaspie Chevrolet-Olds; DeAnna Zabin and David Zabin--Builder's Supply.

The escort contestants will perform a song during the Miss Hansford Pageant and will be introduced as couples. They will each have an interview with the judges prior to the contest.

The pageant is sponsored by the Chamber of Commerce and the Women's Division of the Chamber. Admission is \$2.00 for adults, \$1.00 for children six thru twelve, and children under six are free.

## Among The Neighbors

Mr. and Mrs. Hugh Banks, former Spearman residents and employees of Northern Natural Gas Company, visited in Spearman several days last week. The Banks were en route from Mesa, Arizona to their retirement home in Iowa. They had wintered in Arizona. They visited many friends here, and stayed with the A. F. Hollands.

New residents of Spearman are Vance and Lynn Hill, and two sons, Tyler-3 1/2 years and Jace, 10 months old.

The Hills were originally from Colorado, but have been making their home at Ingalls, Kansas the last four years.

Mr. Hill is employed at Colbert Feeders, and their residence in Spearman is 703 S. Bernice. The Hills are members of the Methodist Church.

Mrs. Louise Vaught visited with friends and relatives over the weekend in Spearman, including her son, Tom Jarvis. Mrs. Vaught is from Amarillo.

The James Browns had as their week-end guests Roger and Kathy Brown from Canyon. Roger is the son of the Browns and Kathy is a daughter of the Ed Garners, in whose

home they also visited.

Also guests were the Mike Browns and their two boys from Woodward, Oklahoma. They also visited in the home of the Kingmans, her parents.

Gary and Jeri Prachar spent the week-end in Littlefield, Texas. The occasion was the 80th birthday of her grandmother. All of the family gathered for a surprise reception in her honor. There were 71 members present. The group included some five generations.

The Prachars were accompanied by their daughter and grand-daughter, Tammy Brawner and Nichole.

Mr. and Mrs. Willis Friesen, and daughters, Lacey and Melissa, visited in the home of her parents, Mr. and Mrs. John Allen, on Sunday. The Friesens are from Perryton.

Guest of Mrs. Helen Prachar this week was her brother, Chuck George, from Springfield, Colorado.

Mr. Nelson Atchley has returned from the hospital in Perryton, and is recovering from surgery at home. His sister, Mrs. Grace Self, from Duncan, Okla. is here, assisting with his care.

Miss Dorothy Roden returned Sunday from attendance at the State Library Convention in Dallas.

The Convention lasted several days and had a full agenda with speakers, workshops, introduction of new materials among the many subjects.

Vickie May, librarian of the Spearman Junior High School also attended the convention.

After the convention, Miss Roden visited her sister who lives in Dallas. Miss Roden announced her retirement from the Spearman School system recently and states that her plans are indefinite at this time. However she and her mother plan to make their home in Spearman as they have lived here 23 years.

Mr. and Mrs. R.L. Uptergrove had guests this weekend of both their children. The Alan Uptergroves from Lubbock and daughter, Valerie McLean with her children, Staci and Jeff. The McLeans are from Amarillo. While here they attended the Past Masters reception at the Masonic Hall.

Mr. and Mrs. Troy Sloan returned this week from San Antonio, where Troy had been an instructor at a three day tax seminar. The theme of the Seminar was "Mass Appraisal Technique."

Before the seminar, the Sloans spent a weekend in Krum, Texas with their son and wife, Pat and Diane, and children, Lisa and Joey.

Late word on the condition of Monte Lusby, received Tuesday noon, is that the prognosis is much better, and he appears to be on the road to recovery. He is still in the Northwest Texas Hospital where he has been seriously ill. Contrary to earlier expectations, no surgery was required.

Mr. and Mrs. Lusby make their home in Canadian where he is the manager of the Junior Lusby Earth Moving Company. Mrs. Lusby is the former Catherine Lyon, and her mother, Mrs. P.A. Lyon, has been staying in Canadian with the children.

Miss Jana Beth Buchanan had as guests Sunday two friends from Canyon, Teresa Rhynes, student at WTSU and Danielle Fletcher.

Mr. and Mrs. P.A. Lyon spent last Sunday in Amarillo for a very festive event. Their granddaughter, Elizabeth Ann, celebrated her first birthday. Elizabeth Ann is the daughter of Mr. and Mrs. James Ray Lyon.

The Texas Rangers sole fan in Spearman comments that the Rangers have a chance of winning the pennant this year--the same chance a chicken has--in Etheopial.

To report locals, call 659-3468.

## Straight Answers to Your Questions

**Q:** Who decides how much my electric bill will be each month? How can I control the cost of my bill?

**A:** The base rate you are charged for each kilowatt-hour you use each month is set by the state regulatory commission. This commission is responsible for setting a fair and equitable base rate that will allow this, or any other electric company, to recover its costs of providing dependable electric service.

TNP's Executive Vice President James Tarpley knows the concerns of customers about their electric bill and how Home Energy Management can really help.

This base rate is the amount you pay per kilowatt-hour. The amount of electricity used in your home (measured in kilowatt-hours) is something you decide. The final decision on how large or small your monthly electric bill will be is made by you. Naturally, you use a certain amount of electricity to run appliances and to keep your home comfortable, but there are steps you can take to benefit from electricity while using it efficiently. We can help. Call our office for information about home energy management.

### A Centerpiece

Well, the rains came and did they ever come nicely with some rain Saturday & Sunday & all night Sunday night. We had reports of from 5 inches west of town to 3 1/2 inches here in Spearman. It was lovely and "Thanks to the Lord" for a rain we needed so much. Clouds seem to be gather today so there could be more tonight.

This being the 5th Tuesday of the month the First State Bank will be furnishing Bar-B-Q chicken for the meal at 6:30 on the 36th. All senior citizens will be bringing vegetables, salads, and/or desserts for that night. This is always one of the nicer dinners so consult your calendar and come on down. Games of your choice will be played after the dinner.

A few volunteer ladies came in Monday for quilting but not much was accomplished as so few showed up. The big rain must have been too much for them to get out.

On Thursday we will be having our usual craft day with a covered dish luncheon. We hope to have a good turnout and get lots of crafts made, so if you haven't been coming, drop it all, make a covered

dish and come on in. We'll have something interesting for you to do and you might like it—Besides having lots of fun and fellowship with the group.

Let us not forget that our Bazaar will be here on June 1. Volunteers who have made gifts to be sold at the Bazaar please try to get them in soon. We also need to be getting more tickets out and will have someone at the Thriftway for this purpose next month. This is indeed a beautiful quilt and anyone would be glad to win it.

Hope you'll make it down for the dinner Tuesday night. See you then.

## To God: a note of thanks

By Mrs. E.A. Greever

Friends in this weeks article I certainly want to thank God for something that took place in the new town of Spearman, and I'm so glad to be among the living to tell the story, being one of so many who were made to sit together in a heavenly place in Christ Jesus every night for a month. The Morton sisters May, Bess and Eva were sent by the Holy Ghost with a message after the out pouring of the Holy Ghost in a school in Topeka, Kansas under the direction of Chas F. Parham at the very beginning of this century. The same experience we read about in Acts second chapter known as the Latter Rain Joel tells us about. Their messages making us to know it was the fulfillment of the scripture found in Eph. 4:4-6. There is one body and one Spirit even as ye are called in one hope of your calling. One Lord one faith one baptism One God and Father of all whos is above all and through all and is in all. These young ladies lived three months in the E.A. Greever home as one of the family. Three meetings a month at each place first in Waka, the next in the Greever community (Black) and the third in Spearman. The Waka and Black community meetings were held in the school house and the one in Spearman in the Theater building and what a time of refreshing from the presence of the Lord. It was so wonderful that all wanted a place to assemble together for such from then on so the men began to plan to erect such a place and the name given was Union Church. For some time the Sunday services were in charge of Judge and Mrs. Townsend, Mrs. Cooke and me, and after that I was the pastor for a few years; but something took place in 1951 that I'm so glad to know will be forgotten when I put on immortality. Of course at this time many of the dear old souls who had been so blessed had fallen asleep. A part of our group as well as far and near known as the Apostolic Faith movement formed an Alliance and called a general meeting of the movement that was held in the Old High School building here in Spearman and I do declare with a sad

heart that it was a very different meeting to the one we had in the Theatre building. I will quote the scripture given me as my voice was heard. Romans 16:17 Now I beseech you brethren mark them which cause divisions and offences contrary to the doctrine which ye have learned and avoid them. As a result of this meeting in the High School auditorium we were made two groups, and only one place to meet to worship the Lord. And now I quote my husband E. A. Greever who felt by law the group who felt to form an Alliance was against the teaching of Gods word could hold the building but that would never do for we are taught in the word not to go to law with a brother 1 Cor.6:6-7, therefore the building by then was given the Alliance group and services were held 6 years in the new garage at the Greever country home 7 miles east of Spearman and then a building was erected here in Spearman and in front of it you see Apostolic Faith Church and the doors of this building are wide open for all who would like to come, no joining or membership is kept. Friends we want to know what God says about this so we got to the Prophet Isaiah 8th Chapter verses 10-13. Take counsel together and it shall come to nought speak the word and it shall not stand for God is with us. For the Lord spoke thus to me with a strong hand and instructed me that I should not walk in the way of this people saying, Say ye not a confederacy to all them to whom this people shall say a confederacy neither fear ye their fear nor be afraid. Sanctify the Lord of hosts himself and let him be your fear and let him be your dread. Confederacy same as Alliance.

I'm sure in 1985 there are only a few who worship at the Union Church who were in the meeting at the Theatre building. So many I have missed who have departed this life since Spearman was placed on the map.

Next week dear friends God will be pleased for us to study about the church Christ is building.

## Beedy gives rotary program

JEFF BEEDY

At the noon meeting of the Spearman Rotary Club in the Cattleman's Supper Club, Jeff Beedy presented the program regarding the Spearman Jaycees.

Over the past year, the Jaycees have been a very busy organization. The Jaycees do a lot more than people think.

They upkeep the Jaycees Ball Park. They were responsible for painting the logos on the fence.

The Jaycees have donated to the Hansford County Task Force which is a very worthwhile organization. They are also going to donate to the Spearman Schools for computers to help them comply with a new law for the coming year.

They donated to the Gruver Swimming Pool. They also donated to the Spearman School for the McGruff program. The Jaycees will be giving two scholarships to high school seniors to further their education. They purchased a lamb at the Hansford County Livestock show and donated it to the Children's Home.

The Jaycees put on the Jerry Lewis MD Telethon, sponsored the St. Jude's Bike-A-Thon, and sponsored a family at Christmas. They donated to the Cub Scout Father-Son bake sale and donated to the Boy Scouts for the National Jam-

boree.

The Jaycees are an excellent group of young men between the ages of 18 and 35. You, too, may become a part of this very worthwhile organization by contacting any Jaycee member.
