

Cheese, butter, cornmeal distribution scheduled

Cheese, butter and cornmeal will be distributed to those eligible to receive these commodities on Friday, Nov. 18 at 1 p.m. at the County Judge's office in Spearman. Income eligibility rules have been changed with a 30% increase over

previous rules. Those who receive food stamps, S.S.I., A.F.D.C. or non-institutional Medicaid (not Medicare) benefits are automatically eligible upon proper proof. Income eligibility will need to be proved once a quarter.

**24 hr. prayer service
call 659 2911**

Post office closes Friday

The Spearman Post Office will be closed Friday, November 11, in observance of Veterans' Day.

No deliveries will be made on city or rural routes. Post Office rental box and

special delivery service will be provided.

Due to the 8:00 a.m. arrival of holiday mail, processing of rental box mail will not be completed until 10:00 a.m.

Hansford County, City set auctions November 15, 19

Both Hansford County and the City of Spearman will be having auction sales next week. The county sale will be held Tues., Nov. 15 at 1 p.m. at the SW Corner of Gruver, off Hwy 136, turn west on 7th St. 2 blks, corner 7th and Front St.

Among the items the county will be selling are a truck tractor, trucks, winch truck, pickups and a 20 passenger bus. Also trailers, fuel tanks, dirt carryall side mowers and shredder.

The City of Spearman will have

their auction Saturday, Nov. 19 with sale time at 12:30 p.m. at two locations. Sale will begin at #1 locatin being at Hwy 207 and 5th St. Turn west on Gravel 2 Blks (South side of Shamrock Service Station) to

Water Tower where the following will be sold, 30,000g water tanks, engine, electric motors, gearhead, pipe, bowls, flanged pipe, fuel tank stand, beam, salvage containers, used pipe, gas regulators valves and scrap iron.

The remainder of the sale will be at the City Barn.

Items being offered for sale there will be tilt cab trash compactor truck, pickups, jeep, 4 door LTD, 4 dr. Chev. Biscayne, 4 door Pontiac Catalina, dictaphone multi-channel records, channel console radio, wooden desk, office equipment, welders, toolboxes, heaters, bicycles, lawn mowers, pickup beds, truck beds, pipe fittings, pipe regulators and gas meters, chainlink wire, etc.

Huge, beautiful pumpkins lie in the back of a pickup truck parked on Main Street, waiting for Johnny Crawford to take them

and turn them over for use in the big Harvest Ball, scheduled here on Saturday. The gala ball will be held at Excel Chevrolet-

Olds, beginning at 7 p.m. and will feature music by 'The Saddle Tramps' and 'chuck wagon grub' prepared by Perryton Shriners.

Quintero Mendoza of Spearman was electrocuted Friday night, after this pickup, which he was driving, slammed into a utility

pole on a country road north of town. Mendoza got out of the vehicle and walked into the downed high voltage line.

Mrs. McKinney services held

Funeral services were held at Boxwell Brothers Ivy Chapel in Amarillo, Tuesday, Nov. 8 at 2 p.m. for Izene Lois McKinney, age 65, of 2829 Lawton. Burial was in Memory Gardens Cemetery in Amarillo.

Mrs. McKinney died Saturday morning at St. Anthony's Hospital after a long illness.

She lived in Spearman for many years and worked at the ASCS office.

Survivors include her husband Harry, her daughter, Jeau Crail of Amarillo, two brothers, George S. Rook, Jr. of Spearman and Victor Rook of Fritch, 2 grandsons and 4 great grandchildren.

Spearman man electrocuted

An 18-year-old Spearman man was electrocuted Friday night when he walked into a high voltage power line knocked down when the pickup he was driving slammed into a utility pole north of Spearman.

Quintero Mendoza was ruled dead at the scene by Justice of the Peace Peter Vernon of Spearman following

the one vehicle accident of FM Road 1261 at about 9:30 p.m.

A passenger in the pickup, Carlos Espinosa, 24, also of Spearman was treated for apparent minor injuries at Hansford Hospital, then dismissed.

According to the report filed by investigating officers, Department

of Public Safety troopers David Baker and Joe Hutson, Mendoza was driving south on FM 1261 when he apparently lost control of the pickup.

The vehicle slid sideways for an estimated 202 feet, plunged into a

(See MAN, page 2)

Rally nips Lynx

For the entire first half Friday night, it looked like the Spearman Lynx might very well pull the upset of the year by knocking off district champion Perryton--a fitting finale to Lynx competition as a 1-3A team.

The Rangers strength, depth and experience finally swung the balance in the second half, and Perryton won, 21-0.

True, the Rangers owned a 7-0 lead when the horn sounded ending play in the first half, but just "by the skin of their teeth." Except for the one 35-yard Ranger scoring drive following an interception, the Lynx dominated play. The scrambling Lynx defense stymied the touted Perryton running game, while the Spearman offense adopted a

Ranger-like straight ahead, cram-it-down-their-throat rushing attack and thoroughly whipped the visitors at their own style of play.

Late in the half, the Lynx runners rammed their way down field in bruising fashion. Starting at their own 27 they marched all the way to the Perryton three before finally running out of downs.

In the second half, the Rangers finally wore the injury riddled, makeshift lineup Lynx down, scoring one touchdown in the third quarter and another in the fourth for their margin of victory.

The Rangers pulled no surprises on the Lynx preferring to grind out

(See RANGER, page 2)

Milo harvest winding down

This year's milo harvest is winding down fast, and the word on yields is "dissappointing" according to Hansford County Ag Agent Jim Smith.

Meanwhile, the spell of warm, dry weather last week let Hansford farmers "jump in and get most of the winter wheat planted," Smith said.

Smith said that from observation and from checking with elevators around the county, it appears the 1983 milo harvest is about 80 percent complete.

He added that after talking to farmers and elevator operators, the opinion is "pretty much unanimous. I haven't heard of any good yields--I haven't talked to anybody who has even heard of good yields."

Luis Nova [86] in foreground carries for a sizeable gain, one of

several he dashed off for the Lynx against the Perryton Rangers

Veterans' Day program Friday

The annual Veteran's Day program, sponsored by the Extension Homemakers' Council, will be held Friday, Nov. 11 at 10 a.m. in the varsity gym.

Senator Bill Sarpalis will give the speech, and the Spearman High School Band, Spearman High School Choir, Junior High Choir, 6th Grade Choir, Boy Scout Troop #551 will all participate. Rev. Martin Foster will give the benediction. Everyone is invited to attend and pay homage to our veterans.

Following is the program:

RANGERS...

(From page 1)

yardage, with heralded 205-pound running back Roger Bocox, a senior and three-year starter, carrying most of the time. Bocox found the going rough against the big Lynx front wall in the first half, but picked up momentum, and yardage, in the second half to lead the Perryton charge. In all he carried 30 times for 123 yards and scored the last Ranger touchdown.

By contrast, the Lynx came up with a couple of surprises on offense, probably out of sheer necessity because of the rash of injuries to starting backs. Paul Lopez, a regular on defense who has seen limited but increasing duty on offense the last three games, and Luis Nava, a back up at offensive end converted to a back, were pressed into service as ball carriers.

Nava unreeled several impressive gains, particularly on reverses and wide running plays. But it was Lopez who sparked the Lynx offense. The 142-pound senior made like a 200-pound-Bocox, as he barreled through the line and fought his way for yardage. He lugged the ball 21 times for the Purple Friday night, and gained 95 yards.

The Lynx took the opening kickoff with Lopez returning the boot to the 33. He then banged into the line and gained to the 36. Ricky Lopez churned to the 43, and then Paul carried the ball to the Perryton 47 in two carries. Ricky gained another yard, then Nava dashed to the Ranger 31 on a reverse.

Quarterback Ross Donahue dropped back and lofted a long pass toward fleet Mac McLain who had gotten open behind the defense. The ball sailed about a foot beyond McLain's straining reach.

Ricky Lopez barged ahead to the 28, but another Donahue pass was too tall, intended for Nava, an illegal procedure call set the Lynx back to the Perryton 36, and Steve Burke punted into the end zone. On the running of Bocox and Brian Williams, the Rangers moved to a first down at midfield.

Then the Lynx defense stiffened. Bocox was dumped for a yard loss, and Jeff Laird broke through to stop Williams behind the line on a sweep and the Rangers punted.

The Lynx could not generate a first down and the Rangers took over on the Spearman 33 after a short punt. Bocox could only gain three yards in two tries so Ranger quarterback Monty Langford lofted a pass to Joe Sardello who was hit hard and fumbled, with Laird coming up with the recovery for the Lynx.

On the next play, the Rangers got the ball back as David Shipman intercepted a Donahue pass and returned it to the Spearman 35. From scrimmage, Ricky Lopez stopped the Ranger ball carrier for a two yard loss, but Williams got 10 yards on the next play.

Two plays later with a fourth and one at the Lynx 25, Bocox got the

call. It was close. The Lynx piled the big Ranger runner up just beyond the line, and officials had to measure, then study the measurement for several minutes before awarding Perryton the first down.

The Rangers moved the ball in to score four plays into the second quarter, with Langford getting the TD on an option left from eight yards out. Lane Schollenbarger booted the point after and Perryton lead 7-0 with 10:32 left in the half.

Nava returned the ensuing kickoff to the Spearman 33 on reverse, then carried to the 37. He took the ball again and charged to the 44. Ricky Lopez took a pitch left, hurdled a low charging Ranger, and carried to midfield. After an incomplete pass, Lopez moved the ball to the Perryton 43.

After a yard loss, Donahue hit McLain with a pass, setting up a third and four at the 35. Paul Lopez gained three and the Lynx were faced with a fourth and one. Paul Lopez banged through for a first down on the Perryton 30. The drive was still alive.

On the next play he carried again on a quick opener. Lopez darted through the big Perryton line and into the startled secondary, racing to the 18 before being brought down. Nava gained two yards and Lopez moved the ball to the Perryton 9. On third and two at nine, Donahue got the first down with a sneak to the seven. Two running plays lost a yard, before Paul Lopez regained the momentum with a charge to the four.

This left the Lynx with a fourth and three at the four, and with only one shot left at it, the call was for Donahue to pass to McLain. The pass led McLain too much. He made a desperate headlong dive for the ball in the endzone, trying to wrap his body around a pair of Ranger defenders to get at the ball, but the ball struck his fingers and bounded away.

That was it for the Lynx for the half-and for the game.

They had dominated play in the first half, moved within four yards of the Perryton goal and played an excellent ball control game, keeping the ball all except for 24 plays during the entire first half.

In the second half, Perryton scored a third quarter TD on a one yard run by Williams, and their last in the fourth quarter on Bocox one yard plunge.

Perryton held a slight, 17-14 edge in first downs, and thanks to the second half Bocox surge, rolled up 235 yards rushing to 136 for the Lynx. The Lynx held an advantage in the air gaining 76 yards to 35 for Perryton, but the Rangers intercepted two passes to none for the Lynx. Each team recovered one of their opponent's fumbles. Spearman was penalized three times for 25 yards and Perryton six times for 50.

Paul Lopez' 95 yards led Spearman rushing, but Ricky Lopez gained 65 yards in 14 carries and Nava added 30.

MAN..(From page 1)

ditch on the west side of the road, and slid an additional 114 feet, rolling over one time before striking the utility pole, according to the DPS report.

Mendoza and Espinosa both managed to get out of the pickup. Mendoza had left the vehicle and was coming back toward it when he walked into the high voltage wire and was killed.

His body was taken to Boxwell Bros. Funeral Home in Spearman but his relatives had his body taken to Mexico for burial, according to a Boxwell Bros. spokesman who said he did not know what funeral arrangements had been made.

Hansford County Sheriff R.L. McFarlin and Deputy Gary Evans assisted the DPS troopers in investigating the fatality.

B-ballers' practice

The Spearman school teams have kicked the ole pigskin around enough--now it's time for the roundballers.

Spearman High School Lynx, Lynxette, junior varsity boys and junior varsity girls teams won't officially open their 1983-84 basketball seasons until Nov. 22 while seventh, eighth and ninth grade boys and girls won't begin cage play until Nov. 28.

But the Lynx and Lynxette varsity

and junior varsity squads are already practicing. The girls began practice last week, and the boys took to the hardwood on Monday after the football season concluded Friday.

The girls varsity and JV were to play a scrimmage game against Canyon, there, on Tuesday (after press deadline), and will scrimmage again against Borger, there, on Nov. 19.

The boys will scrimmage the Sanford-Fritch Eagles in Fritch on Friday, and will scrimmage Groon on Nov. 19.

Watch the Reporter and Plainsman for a wrap up on this year's teams.

of the First Baptist Church
and all others for their concern
and acts of kindness toward
us. God Bless you all.
Family of Lillie May Hacker

A 60-yard drive, capped by a
perfectly executed 30-yard touch-
down pass play from quarterback
Allan Mires to Brian Davis, got
the Spearman Lynx JV Varsity
on the scoreboard Thursday
night, but it was not enough to
overcome a three TD lead by the
Perryton Ranger JV, and the Lynx
JV's dropped their season
finale 25-6.

Powerful and "deep", the
undefeated Ranger JV rolled to
two first quarter touchdowns, and
added an insurance TD after
Spearman's lone score in the
fourth quarter.

The first Ranger JV score came
after they stopped a Lynx JV drive
at the Spearman 45. Taking
advantage of their size and hard
running backs, the Perryton team
ground their way downfield and
scored on a short run. The kick
on the conversion try was wide
and Perryton led 6-0.

Later in the first quarter,
Perryton scored on a 13-yard run
off an option pitch. But their
running try for PAT was stymied
by the Lynx defense with Trevor
Poole getting the first hit.

In the second quarter the Lynx
JV runners managed to roll up
some yardage, but were kept well
away from the Ranger goal by the
Perryton defenders.

After taking the second half
kickoff, the Perryton team march-
ed to its third touchdown, the TD
coming on a 12-yard sweep.
Again a running try for two extra
points was stopped by the Spear-
man defense.

MEMBER
Texas Press Association

In the fourth quarter, the Lynx
JV's mounted their scoring
drive, moving from their own 40
on the hard running of freshmen
Jesse Lozano, Michael Lopez and
Davis. Lozano had replaced
Monty Morris who had been
moved up to the Lynx varsity
because of injuries to varsity
players.

The touchdown came from 30
yards out when Mires "threaded
the needle" with a pass to Davis,
and the speedy receiver carried
across for the TD.

The Lynx JV tried to run for two
points on the PAT but a bootleg
was stopped short.

On the first play from scrim-
mage following the Spearman
after-touchdown kickoff, a Perry-
ton runner broke loose and
scampered 73 yards for the game's
final touchdown. The successful
kick for extra point raised the
score 25-6.

Coach Gordon Lockett praised
the spirited play of the Lynx
JV's, who were slowed by a
couple of injuries and minus two
of their biggest offensive stars--
Morris and Bob Cook, who were
elevated to varsity status.

"Perryton has a very good team,
and a lot more kids than we do. I
think our players played real well
and stayed in the game with them
all the way. We improved since
they beat us earlier this year.
39-6."

**Dietitian
attends
workshop**

On Thursday and Friday, Oct. 20 and 21 the Panhandle Dietetic Association hosted a two day workshop Creative & Unique Concepts in Management and Therapeutics with Dr. Lynne Ross, Ph.D., R.D. of Ankeny, Iowa conducting the programs on management and Virginia Stucky, M.A. R.D. of Sun City, Arizona conducting the programs on Therapeutics.

Registered Dietitians, A.D.A. Dietitians, Certified Dietetic Assistants and others that are employed in health care facilities, catering services and other areas of nutrition attended this two day seminar. They came from 21 Texas cities, New Mexico, Oklahoma, and Colorado to gain new knowledge that they will apply to make their jobs and the jobs of persons working with them more efficient and cost effective.

Attending from the Spearman area were Margy Schoenhals, Dietetic Consultant at Senior Village and Rogene Arrington, R.D. of Gruver who is the dietitian at Hansford Hospital.

Concert Ass'n

reciprocity arranged

Through special efforts of the president of the Tri-City Concert Association of Borger, Mr. Tom Sterrett, reciprocity has been arranged with Pampa, Dumas and Dalhart which will enable members to enjoy concerts in each of these 3 cities in addition to those scheduled for Borger. This is quite an advantage in that members can attend some 5 additional concerts at no extra cost. Please check the following schedules and mark your calendars for a season of outstanding musical enjoyment.

Concerts scheduled for Pampa are: Thursday, Dec. 1, Jaime Laredo and Sharon Robinson; Monday, Jan. 9, Chanticleer; and Monday, March 5, Jack Daniel's Original Silver Concert Band.

Each concert will be in the M.K. Brown Auditorium and will

start at 8:00 p.m.

Concerts scheduled for Dumas are: Tuesday, Jan. 31, Richard Morris (Organist); and Sunday, March 4, Jack Daniel's Original Silver Concert Band.

Each concert will be in the Dumas High School Auditorium starting at 7:30 p.m.

Concerts scheduled to be in Dalhart are: Sunday, January 8, Chanticleer; and Thursday, Feb., Manhattan Rhythm King.

Each concert will be held in the Dalhart School Auditorium. The Chanticleer concert will be held at 3:00 p.m. The Manhattan Rhythm King concert will be held at 8:00 p.m.

Tired turkey party set

The Hansford County Heart Association issues a hearty "THANK YOU" to those persons who participated in the Turkey Walk Nov. 5.

Now that your feet have rested and your blisters have started to heal and your friends no longer doubt your endurance, we would like to again express our appreciation for your enthusiasm and hard work in this year's Turkey Walk.

The turn-in deadline is Nov. 13 at the Tired Turkey Party at the YMCA. Rewards and refreshments will be given at 3 p.m. See you then!

Rotary Club

Wynn Crenshaw, YMCA director, showed a Physical Fitness Film "Weighing the Choices" for the Nov. 7 Rotary Club meeting. The film had to do with the diet we should eat.

Bridge Club

The Senior Friday Bridge Club met at the Golden Spread Center Friday, Nov. 4 with Ruth Baker as hostess. After an afternoon of bridge delicious refreshments were served to members: Mathilde Entekin, Ora Sanders, Viola Graves, Emma Seitz, Addie Novak, 2 guests, Ruth Hill and Willie Wallis.

High score was held by Ruth Hill and Ora Sanders and Mathilde Entekin tied for second high.

MUMPS DECLINE

ATLANTA -- The number of cases of mumps has fallen to a record low in the United States, and unvaccinated teenagers--not younger children--now form the highest risk group, health officials say.

NO SILENCE

NEWARK, N.J. -- A federal judge struck down a state law requiring a daily minute of silence in public schools, ruling the measure was unconstitutional because it forced students and teachers into a "posture of prayer."

WANTS MISSILES

LONDON -- Western European governments remain steadfast in their decisions to accept new U.S. nuclear missiles, but they face more protests like the demonstrations by 1.5 million people across Europe recently.

RECORD PROFITS

DETROIT -- Buoyed by improved European sales and an increased demand for larger cars, General Motors Corp. reported it earned \$737 million in the third quarter of 1983, its best showing ever for the period.

Parties held at Hansford Manor

Hansford Manor celebrated two October birthdays. Belle Dyer on the fourth and Blanche Taber on the seventeenth. The Auxillary ladies served homemade pie and coffee to the residents. Sue Wooley sang and played the piano. The residents and staff really enjoyed the party.

On October 31st a Halloween party was given to the residents by the staff. Chips, dips and cookies were served. The auxillary ladies made little baskets with candy for Halloween treats and they were given to the residents at lunch time. Some of the staff dressed up and the residents were taken care of by a clown, mouse, bumble bee, pumpkin and singer. To finish off the day the residents had a good crowd of trick or treaters. We want to thank Pete Fisher, Estelle Jackson, Barbara McClellan, Buena Lyons, Sherrie Shields, Beth Phelps, Betty Jean Davis, and Lorene Kunselman for donating the candy for the residents to give to the children.

The First Baptist Church brought the dinner for the Christian buffet this month. The casseroles, salads and desserts were delicious. We thank you!

Helping in the beauty shop this are Geraldine Lovingood, Linda Lieb, June Kelp, Maxine Little, Kay Hill, and Mrs. Jameson. These ladies work very hard and the residents and staff are very lucky to have such dedicated volunteers. If anyone would like to help these ladies fix hair, it would be a big help.

Christmas will soon be here and its time for us to be thinking about donations for our empty stocking fund. We have some residents who are needy and for different reasons cannot afford to buy some things for themselves. Just a few dollars can help so much. Those that wish to help please contact Ray Wasil, Deloris Guthrie, or Jody Harnish here at the home.

Everyone at the Manor wishes to thank the following Gruver people, Maude Alexander, Blanche Tabor, Henrietta Andrews, Glenda Renner and Fran Maupin, for the lovely fresh flowers they have provided for our dining tables this fall.

"Bring Back Birdie"

Cindy Hendrick

Jeff Gressett

Two for the month. Belle Dyer on the left celebrated her 90th birthday and Blanche Taber also celebrated her birthday in the Hansford Manor during the month of October.

Mr. Easley at the Hansford Manor Halloween Party.

Help at the recent Halloween party held at the Hansford Manor. From l to r are: Clown-Florinda Baca; Mouse-Marsha Shaver; Bee-Susan Carter; Singer-Stella Rodriguez; and Pumpkin-Jeanne Close.

"A Centerpiece"

This nice fall weather seems to hold and here it is almost the middle of November. The center will be having their annual Thanksgiving dinner on November 15, a traditional turkey dinner, mind you, furnished by the First State Bank of Spearman. This will be at 6:30 in the evening. Not only are they furnishing the turkeys but will also cook them complete with dressing and gravy. Of course it wouldn't be complete without cranberry sauce or relish, salads, vegetables and desserts which the senior citizens attending will bring.

This will be a dandy, so I'm telling you early so you all will have plenty of time to plan to attend and to decide just what you will bring.

This should be a big one and if you should happen to miss this, you'll probably miss the best one of the year. Plenty of time after dinner to visit with friends and neighbors and later entertainment with games of your choice. If all goes well we may try it again for Christmas and that's really not that far away.

This has probably been the prettiest fall in many a year with the trees holding their glorious color for such a long time. Even the grass is still green in many places and with the leaves now starting to fall it seems they are trying to blanket the grass to keep the color a while longer.

It's all great, so do get out-look and enjoy it. Soon it will all change with the cool weather coming in and the snow that follows. So enjoy each day, be happy with each day, say softly, "Thank you, Lord"

for all the beauty of the season.

Again, let us remind you of our assurance program. If you live alone or need assistance, call your center. It is here for you, use it! Also keep a check on your blood pressure. If you are concerned, drop in. Pearl will be glad to check you.

Do drop in and see the quilt to be given away during the Christmas holidays. For a donation you receive tickets good for the drawing. One lucky ticket wins the quilt and anyone would be proud to win it.

Hope to see you.

Alma Remy

HOSPITAL

Patients in Hansford Hospital are Roy Sutton, Otha Archer, Reba Bennett, W.E. Jones, Jewel Brandt, Doll Birdwell, Rebecca Hibner, Georgia Keeton, Ted Calloway, Ricky Gordon, June O'Loughlin, Selina Sintas, Lelan Close, Nelda Cook, John Dement, Wilma Clark, Debra Soapes, Winnie Allen, Lyda Littleton, Kenda Burke, Eldon Southerland, Ruby Lair, Mona Sandoval, Mildred Good, Barbara Cook and Clyde Yeary.

Use Energy Wisely... Insulate

Adequate insulation helps pay for itself in long run savings on energy costs and it's the number one way to save energy all year round. Every floor, ceiling, and wall that joins an unheated or uncooled area needs to be insulated to prevent summer heat gain and winter heat loss. If your home already has insulation, check to see that it has the recommended "R" value for this area. Adding just enough insulation to meet the recommended "R" value for this area will help make your home comfortable and energy efficient at the same time. For more information on insulation for your home, call our office for all the details.

Hergert shows new Pontiac Fiera

Hergert Pontiac, Buick & GMC proudly announces the arrival of the first two-seat/mid-engine production car built in America -- the 1984 Pontiac Fiero.

Now we're not in the habit of reviewing automobiles, but this one is one of the very few new introductions for the 1984 model year, and as there are so many innovations in this car, we just wanted to tell you about a few of them.

One look tells you this car is aerodynamic, stylish, and sporty. And it's more than just another "compact car." It's built with new technology from the ground up.

We were tempted to look no further than the beautiful paint job. This Fiero Sport Coupe has a sharp looking color coat with a clear laquer coat over for a terrific shine. Black trim accents the car.

However, most of the "beauty" of this automobile lies under the pretty red paint. The Fiero manufacturing concept revolves around the separation of cosmetic "fit" from mechanical "function." (Exterior body panels and interior trim are added in the final steps of assembly only after mechanical testing and adjustments are made.)

The most innovative Fiero assembly process occurs in the "mill and drill" machine. The space-frame (chassis) is precisely gaged and centered in the fixture to within 0.5 mm (2/100ths of an inch), then 39 epoxy-filled steel body mount pads are milled down to the correct height. The mounting holes are then drilled for the Enduraflex panels. This all occurs within one machine much in the same manner as engines are made within specific tolerances to ensure an almost perfect fit body panels every time. This milling and drilling process is a worldwide industry first.

Enduraflex -- what is it? Plastic is not quite the answer although many properties are similar. Bumpers, fenders, and doors actually flex to resist dents and dings. (Remember the first time you took your new car to the supermarket parking lot?) The resin compounds are mixed differently to be stiffer and stronger in the roof and deck lids where more strength is needed. These Enduraflex panels can't rust and are easily replaced if damaged.

What about performance? Fiero is powered by a 2.5 liter transverse-mounted four-cylinder engine equipped with a "swirl port" head and electronic fuel injection for economical and efficient operation. Worried about power? Don't be. This engine may not be a big V-8, but it has lots of pep. And we mean LOTS! Shifting is done with the standard four-speed manual or optional three speed automatic. Fully independent suspension, rack and pinion steering, and four-wheel disc brakes add even more to the great confident road handling.

OK. Let's get to the bottom line: Price. The little red Fiero Sport Coupe we saw at Her-

Come by and see this new 1984 Pontiac Fiero. It's red with an accent of black trim. Stop by today and visit with Kurt Hergert about this sporty new car.

gert Pontiac, Buick & GMC had a list price of only \$10,315.00. This model includes air conditioning and an AM-FM-Cassette stereo radio. (Check out the unique speaker system!) We were told that the

most you could pay for a Fiero S/E with every option available is only about \$13,000.00. Now that's pretty good for such an automobile! If you're interested in a high

quality compact car with great economy and a sporty flair, maybe you should have a look at the new Pontiac Fiero. We found plenty of Pontiac excitement in this one.

Gas Co. announces rate changes

The Railroad Commission has allowed new connect fees and deposit amounts for customers of High Plains Natural Gas Co. in the unincorporated areas (environs) near Candadian, Higgins, and Mobeetie, as well as in unincorporated areas of Hemphill, Hansford and Ochiltree counties.

The new fees and deposits are identical to those already approved by the respective nearby city governments for customers within their corporate limits.

With the changes, connection fees will increase from \$15

to \$30, residential customer deposits will increase from \$65 to \$85, and commercial customers deposits will increase from \$65 to a fee that will be one and a half times the estimated highest monthly bill for the customer. The current \$15 disconnect charge for all customers will be discontinued.

The changes are effective Nov. 1.

The Railroad Commission has the authority to approve rates and fees for gas service in unincorporated areas of Texas. Proposed charges for

these areas are examined in light of the company's operating efficiency and the rates that have been approved by the nearby city governments.

Hightower invites academy nominations

Congressman Jack Hightower announced today that his office is now accepting applications from young people in the 13th district for nomination to one of the nation's military academies. Under both law and tradition, a Congressman is allowed to nominate a certain number of qualified young people who are interested each year to either the Air Force Academy, West Point, the Naval Academy at Annapolis, or to the Merchant Marine or Coast Guard Academies.

"As I do every year, I'm inviting all interested young people, men and women, to apply to my office if they are interested in a career in the military. All nominees must be high school graduates by the time they would enter the academy, not over 22 years of age and single," Hightower said. "I also look for good character, a good academic background and leadership potential."

Hightower has an Academy Selections Committee composed of citizens from the 13th District which reviews all applications and forwards recommendations to the Congressman. Applicants must

have high SAT/ACT test scores. Those interested in a 1985 nomination should request a nomination packet in the spring of their junior year of high school.

All applicants are urged to make a formal written request for nomination to Hightower, complete with at least three letters of recommendation, and an explanation of why they believe they are qualified for

consideration. Hightower has announced a December 1st deadline for all 1984 nominations. Final decisions will be announced by the Congressman by the end of January, 1984. Those nominated will enter their respective academy in the summer.

DUNN'S FISH FARM

P.O. Box 85

FITTS TOWN, OK. 74842

Whoa, there. A Spearman seventh grade defender latches onto a Perryton ball carrier and rides him down to the turf in Thursday evening's game, won by Perryton 27-8.

Spearman seventh grade quarterback J Garnett sprints toward the sideline on a bootleg, picks up a wall of blocking, and races all the way for a touchdown against the Perryton seventh graders here Thursday evening.

7th grade loses heartbreaker 14-8

J Garnett crouched behind the center, took the snap, whirled and handed off on a play into the line.

No-No, he didn't hand off, he faked, then pivoted and raced wide around end on a bootleg left. A wall of Spearman seventh grade blocking formed for him and he raced down the sideline, 38 yards for a touchdown.

The Spearman seventh graders were down 14-0 to the Perryton seventh graders in the final game of the season for both teams. It turned out to be the brightest flareup for the Spearman gridders, as Perryton won the hard-fought contest in Lynx Stadium 27-8 Thursday evening.

Having cut the Perryton lead to 14-6, the Spearman coaches decided to try to trim it by two more points, electing to go for a two-point conversion. Against the big, rugged, Perryton team they decided to get it with a bit of razzle-dazzle.

Keith Clark turned back from his end position, took the ball on an end-around reverse, and raced across to add the two extra points, making it 14-8 Perryton.

The two teams battled to a 0-0 standoff in the first quarter, but in the second quarter Perryton scored twice for their 14-0 lead.

The visitors tallied two more TDs, one in the third quarter and one in the fourth to wrap up the victory.

Spearman seventh grade coach Richard Trantham said his young charges played a good game against the Perryton team.

"We've really improved a lot as the season has progressed," he said. "I think you can see that--the first time we played them they beat us 38-0."

"I appreciate the effort our players have put out this year, and I appreciate all the support the parents have given us, coming out to our games."

8th grade loses to Perryton 20-6

For three quarters, the Spearman eighth grade football team battled a much bigger squad of Perryton eighth graders to a 6-6 standoff in a game here Thursday night, before the visitors finally rallied for two touchdowns and a 20-6 victory.

It looked for quite a while like the Spearman eighth graders might upset Perryton in their season finale. The Spearman gridders moved the ball well and had a couple of drives bog down inside the Perryton 10.

The Spearman TD came on an across-the-middle pass from quarterback Brett Davis

to swift Carl Urban, on a play covering 37 yards.

One of the fourth quarter Perryton scores came after they recovered a Spearman fumble and moved in from close range for the TD. The other came on a sustained march.

Davis played a fine game, connecting on several passes--to Urban, to Kevin Nelson and screens to Tony Herndon.

Spearman eighth grade coach Michael Hoover said his players played a real tough game but that Perryton's team had "a lot more size, and they finally got to us" near the end of the game.

"Bring Back Birdie" to be presented here

The High School Choir and Drama Dept. will present the musical "Bring Back Birdie" on Saturday, Nov. 12 and Monday, Nov. 14 at 7:30 p.m. each evening. The musical is a sequel to "Bye Bye Birdie."

The musical "Bye Bye Birdie" was set in 1960. It told the story of Conrad Birdie, the greatest rock and roll singing idol of the fifties, who went into the Army after giving "one last kiss" to one of his teenage fans on nationwide television. It also tells the story of his managers Albert and Rose Peterson.

Now in "Bring Back Birdie" the musical picks up the story of

Albert and Rose Peterson twenty years after the end of "Bye Bye Birdie."

Members of the cast include: Storyteller, Joanne Odegaard; Rose, Kim Nelson; Albert, Buddy Pool; Jenny, Carlee Dixon; Albert Jr., Chad Guthrie; Mae, Lesa Scroggs; Conrad, Greg Meek; Mooke, Cindy Hendrick; Marshall, Jeff Gressett; Rose II, Teresa Meisner; Reverend Sun, Kevin Slaton; Hogan, James Coombes; Walter, Trevor Pool; Rock Group Filth, Charolette Brandt; Shalynna Harris; Karl

Kizziar, and Jeff Vanlandingham as Gary.

Tickets are Adults \$3.00, \$1.50 for students in advance, \$4.00 and \$2.50 at the door.

ALTAR FOUND

TEL AVIV, ISRAEL -- A stone altar 30 centuries old has been unearthed on a West Bank mountain where the Bible says the prophet Joshua built his altar after leading the children of Israel into the promised land.

Agribusiness Seminar planned

A Professional Seminar on Farm Marketing is scheduled for Nov. 15 and 16 in Perryton. The Seminar, entitled "Making Profitable Marketing Decisions", is for farmers and livestock-raisers in the Texas and Oklahoma Panhandles. It is free and open to people in agriculture and services to agriculture. The Seminar is co-sponsored by First National Bank and Hi-Plains Ag Credit Corp of Perryton.

American Agronomics of Nevada, Missouri. The seminar will be a series of talks that include: "How to make farm operations more profitable through marketing decisions"; "How hedging works"; "How to make the futures market work for you"; "Reading commodities charts"; "Forward contracts"; and others.

This is the second time for Abele to appear in Perryton. He was here last March during National Agriculture Week. As President of a farm consulting firm, he has clients in ten

midwestern states and Canada. Ted Abele is an active farmer with 1500 acres, a purebred Limousin breeding program and a hog raising operation.

John Cluck, President of FNB, said: "This is the fourth time in 3 years we have presented extended programs on better management and

marketing in farming and livestock production. We've featured the best, most practical ideas on how to make this business work more profitably. We're glad to bring Ted Abele back. He's a bright and capable advisor to farmers. Plus, he is active in making his own operation work at the same time."

The Seminar starts on Tuesday, November 15, at 9:00 a.m. It is free, but registration should be made in advance by calling First National Bank at 435-3676. Contact Carl Ellis, Brady Yeary, or Larry Orman.

NOTICE

TO ALL HIGH PLAINS NATURAL GAS COMPANY CUSTOMERS:

Effective November 1, 1983, High Plains implemented a \$30.00 service charge for connecting gas service. High Plains will no longer charge \$15.00 for disconnecting gas service. High Plains also increased deposits from \$65.00 to \$85.00 on November 1.

The connect charge was implemented to help pay for the various administrative expenses involved in setting up new customers on our system. The deposit was increased to help to help defray the rising level of customer bad debts.

These charges have been authorized and approved by the various City Councils of the cities served by High Plains and the Railroad Commission of Texas. It will affect both city and rural customers. However, it will only affect new or consistently delinquent customers.

High Plains would like to take this opportunity to thank our many valued customers. We appreciate your many years of support and hope that by implementing the above charges, your costs can be kept to a minimum.

Boxing meet held here

The Hansford County YMCA Boxing Meet held here Saturday pitted 7 visiting teams, and 50 boys against each other. Teams were here from Plainview, Amarillo, Hugoton, Lakin, Liberal, Guymon and the local team.

Coaches for the local team are Eugene Yarbrough, Bobby Archer and Butch Lasater. The results are as follows: 70-Danny Lopez, Spearman, def. Adam Dugman, Liberal,

Kan. 75-Tino Garcia, Spearman, def. Mike Jury, Lakin, Dan. 80-Edward Mayfield, Spearman, def. Jason Brewer, Liberal, Kan.; and Clint Dodgin, Plainview Boys Club, def. Paul Huebner, Spearman, referee stopped contest. 110-Walter Esquibel, Spearman, def. Edward Adams, Amarillo Northside, referee stopped contest.

Canadian tri-state rodeo

Mark Pearson of Spearman and Shawn Wright of Canadian tied for first with a score of 51 in the Barebacks at Canadian last week. Hadley Reed was 3rd with 49; Lee Lowry, Pampa, Mark Pearson, Spearman, and Adam Brewster, Snyder, tied at 46

for 4th. In Calf Roping, Hadley Reed was 3rd. Dean Greene, Spearman was 5th in Ribbon Roping with 12.943. In the girls division Andrea Archer of Spearman was 2nd in the barrels with 17.885.

KNACK SHOPPE OPEN HOUSE

The Knack Shoppe invites every one to their Open House Nov. 12. There will be a drawing for a white macrame table to be given away, so do come in and register.

President says Marines to stay in Lebanon.

A good rule for highway travel is to let the other car get there first.

Life has its disappointments but there is no reason to be one of them.

The first sign of intelligence is to appreciate those who don't agree with you.

Can anyone explain why a citizen gives a politician a valuable gift?

We're of the opinion there are too many leaders for the followers available.

People who violate the sound laws of nature will pay the penalty without fail.

A wise man never tries to convince a foolish man; he lets the foolish man think that he has been convinced.

When you find an individual who knows everything, give him no advice and, above all else, take none from him.

WEATHER WISDOM

If you could harness the energy in an average lightning bolt, you could heat or cool your home for about two months.

If you're afraid of lightning, stay out of Florida, Texas and North Carolina. They are the three states with the greatest number of deaths due to lightning.

More than 2,400 Americans were killed by lightning between 1959 and 1982. No deaths were recorded in Hawaii or Alaska during that period.

According to Figgie International's Thermometer Corporation of America, there are an average of 100,000 thunderstorms in the U.S. annually.

PLASTIC WRAP

Clear plastic wrap is less likely to stick to itself if you keep it in the refrigerator.
