

Rousing program honors veterans

There were children waving little American flags, rousing patriotic music and songs, and a stirring, old fashioned speech on the advantages of being an American—all a part of the Veteran's Day program held here Monday morning in the junior high gymnasium.

The program got under way with the flag ceremony as members of Boy Scout Troop 551 presented the United States and Texas colors, followed by pledges of allegiance to the American and Texas flags.

The National Anthem was played by Spearman High School band under the baton of band director Pat Daniel, then Superintendent of Schools James Cunningham introduced the guest speaker, State Senator Bill Sarpalius. Before Sarpalius spoke however, local veterans were asked to come forward and stand at center court. They were praised for their service to their country and the crowd gave a rousing round of applause.

Sarpalius also praised America's veterans, saying 39 million Americans have served in combat, and that "we especially need to honor those who did not return..."

He said these veterans fought for freedoms, rights and privileges many Americans take for granted.

Sen. Sarpalius told of a Berger woman who said she never voted, insulted all politicians and generally knocked the American way of life.

He said he told her if she didn't like America, then maybe "we could change and be like the second most prosperous nation on earth, the Soviet Union."

He said that to do that all America would have to do would be get rid of about three-fifths of all its kitchen sinks, dump two thirds of all the nation's petroleum, destroy two out of every three hydro-electric plants, rip up 14 out of every 15 miles of paved roads, and sink nine out of every 10 ocean going vessels as well as put 60 million people "back on the farm."

He said when American was first settled, the pioneers erected a church as the first building in a community. He said he was disturbed with trends to weaken the nation's religious foundations, moves such as removing "In God We Trust" from American coins.

"Last year we spent more money on dog food, than all foreign missions," he said.

He said there was an increasing tendency toward dependence on drugs and alcohol, and he thinks another big influence, not a positive

willingness to, when necessary, "pour out their blood to protect our way of life," then we're in trouble.

Sarpalius challenged the youths present to dream dreams, then make those dreams come true. He cited instance after instance where an American refused to accept failure, often despite severe handicaps, and went on to achieve what most people would have considered an impossible dream.

He told of Jim Ryan who was cut from the ninth grade track team and told by the coach he would never succeed in track—the same Jim Ryan who kept practicing and trying on his own and became the first high school student to ever run the four minute mile.

--Of a young lady with a dream of becoming Miss America who could have given up when she finished third, but instead tried again and did not even reach the finals. She tried a third time—the first girl in history in the Miss America pageant three times. The third time she won because she would not give up on her dream.

He told about the youngster who was severely crippled and lost an arm at the elbow in an accident when he

Spearman gets \$195,655 grant for water line

Spearman city officials will set in motion plans to replace badly deteriorated and undersized water mains as soon as they get formal word of the approval of a \$196,655 state grant announced last week by the governor, according to city manager Jim Murray.

Gov. Mark White released to the news media a list of cities approved for the Community Development Program grants. Spearman's request for \$196,655 and Gruver's request for \$94,848 were approved according to Gov. White.

Murray said Monday, "As soon as we get the contract, then we'll contract for engineering services. The engineers will then prepare plans and specifications.

"I imagine we'll open bids from construction contractors in February or March. We'll start actual construction as soon as the weather lets us in the spring."

The grant from Texas Department of Community Affairs through the Texas Community Development Program was awarded to Spearman "for replacement of undersized and deteriorated water mains, and also to enhance fire protection," Murray said.

Two areas proposed by the city for the water mains project were approved by the state, and it is in these two areas that the work will be done according to Murray. One of these areas, some seven blocks wide by four blocks long, is northeast of the courthouse, bounded on the

south by East Kenneth Drive, on the east by Snider Street extending to a line a little north of Avenue D, and south along North Bernice to Kenneth.

The other area approved for the work under terms of the grant will be a five by four-and-a-half square block area bounded on the north by West Kenneth, on the east by Barkley Street, the south by West Fifth and the west by the alley between Roland and Cooke streets to Hwy 207 up to Kenneth.

Murray said the two target areas were selected because there is a need for water line repairs and replacement in these areas as elsewhere in town, and the two areas best meet the state grant requirements that the money be used in low to moderate income areas.

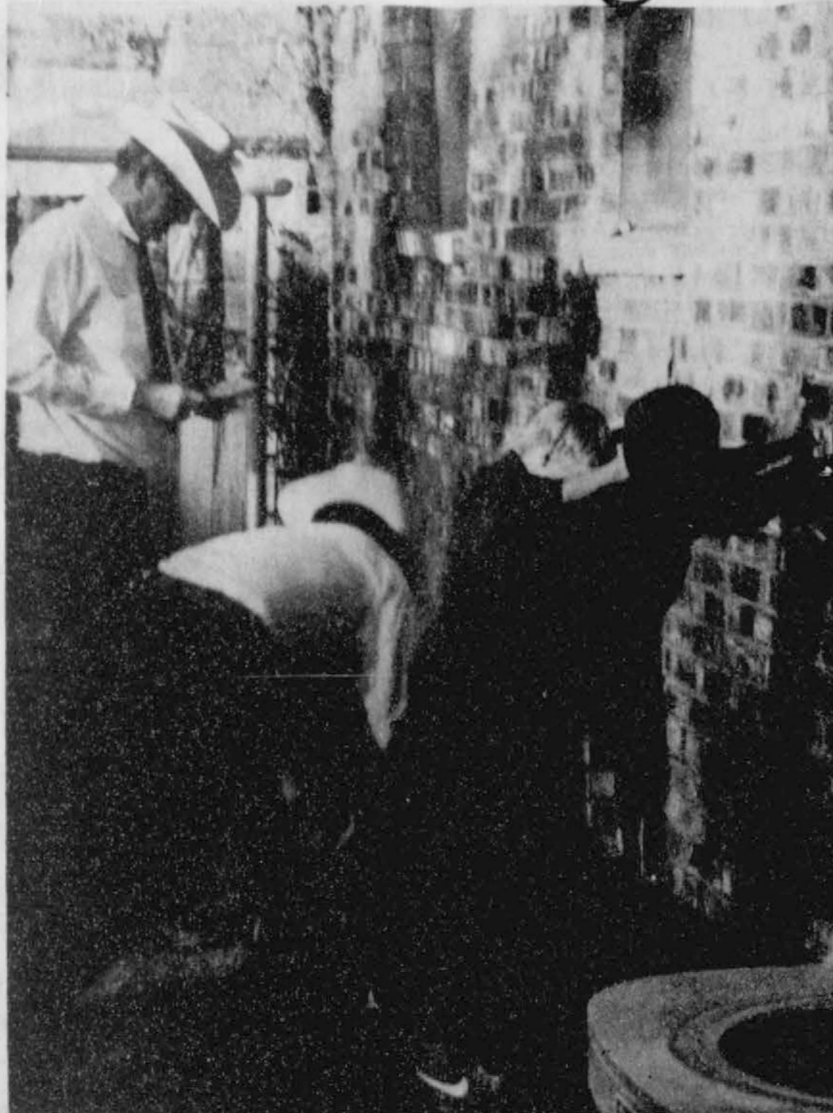

He said there probably will not be enough grant money to cover work in other areas of the city, but that the city might try to get another grant later to fund work on lines in other areas needing improved water mains.

"We'd like to do this. There are other areas—one between Barkley and Hazelwood—that we might could ask a grant for, but we'll have to wait until next year to try again."

Murray said he did not know which of the two selected areas work would begin in first.

"We're putting the whole thing--

All-district teams named

Four Spearman Lynx have been named to the 1983 All-District football team by vote of the coaches of District 1-3A, and nine Lynx have been selected for honorable mention honors.

The announcement of the 1-3A "dream team" was made after district champ Perryton and runner-up Dalhart were eliminated from the state playoffs with bi-district losses this past weekend.

Guard Darl Farris, a 6-2, 220-pound senior, tackle Mark Guthrie, a 5-11, 210-pound senior, and end Mack McLain, a 5-10, 150-pound junior were the three Lynx named to the 1-3A All-District offense.

Steve Burke, 6-3, 210-pound junior was named as an all-district defense lineman. Burke was the lone Lynx making the all-district first string on defense, ironic in that Spearman was noted as a defense-minded team.

Farris and Guthrie received double honors, being selected for district honorable mention on defense as well as all-district on offense, and Burke was a double honoree, being tabbed for honorable mention on offense as well as being named to the All-District defense.

Other Lynx joining these three as honorable mention honorees were center Billy Ray Haden, guard Israel De LaRosa, quarterback Ross Dona-

was seven. As a young man he watched a competitor from Russia hurl the discus to a new world's record, then stepped up for his turn.

The result—he stood on the middle step in the Olympic award presentation, the world's champ, with a Russian on the right of him and another Russian on the left—because he would not give up a dream.

Sarpallus told of blind and deaf Helen Keller's first speech, of the success of banker Michael J. Downing, and other moving instances of Americans who overcame and achieved their goals.

He challenged the youth to dream dreams and not give up on them.

He said he believes that when a person comes to eternal judgement, he will be asked first what he did for God, then the second question will be "What did you do for others?"

Following the state senator's speech, the junior high choir, under direction of Luana Reed, sang "Your Land, My Land." Spearman High School band played "Liberty Fleet" and "The American Heritage," and the sixth grade choir sang "What Is America?"

The Junior High Band played, "Cadet Chapel" from West Point Songs, directed by Daniel, and Spearman High School Choir, directed by Jim Reed sang, "American Folk Trilogy."

The Rev. Martin Foster offered the benediction, and Spearman High School choir presented "Solemn Silence."

The Scouts then performed the flag folding ceremony and Taps were played.

The program was sponsored by Extension Homemakers' Council. Flags were furnished by the Lion's Club, Rho Rho Sorority, Extension Homemakers Council, Spearman Study Club and Xi Zeta Sorority.

hue and running back Julio Vasquez on offense; and lineman David Turner and secondary back Luis Nava on defense.

As might be expected, Perryton's Rangers landed nine men on the all-district squad, and had seven others who won honorable mention plauids.

Dalhart had six named all-district, and three selected for honorable mention; River Road had three all-district honorees and four honorable mentions; Canadian had three players named to the all-district squads, and seven tabbed for honorable mention; and Boys Ranch landed two players on the dream team, both on defense, but also had 11 players make honorable mention.

The All-District, 1-3A team; offense:

Spearman--Farris, Guthrie, Burke, McLain; Perryton--center Kyle Pearson, tackle Dean Horn, end Joe Sardello; quarterback Monty Langford, and running backs Roger Bocox and Brian Williams.

Dalhart--guard Jeff Hutton, tackle Jimmy Meeks; and running back Dodd Nolan;

Canadian--end Donnie Anderson; River Road--quarterback (shared with Perryton's Langford) Aurello Campos;

Honorable mention offense, besides Spearman, included Mike Miller and Bub McIver, of Perryton; Bob Lusk, Dockray Geoff, Glenn Woodside and Taylor Newcomb of Canadian; Mike Bezner, and Jim Bob Green of Dalhart; Rodney Stoval and Chuck Daniels of River Road; and Kerry Mills, Jorge Trevino, Justin Waldrop, Benji Adams, John McClain and Greg Adams of Boys Ranch.

Besides Lynx, the All-District defense includes linemen Kam Pierce and Dean Horn of Perryton;

Commissioners have busy meeting here Monday

Judge McClellan reported that the Commissioners had an extremely busy meeting at the court house Monday, Nov. 14.

The commissioners canvassed the results of the election held last Tuesday, and approved the votes.

General Telephone was granted an easement on a line, in the North West part of Hansford County.

The commissioners tabled buying a radio-console for the Sheriff's Dept.

They also tabled plans for upgrading retirement programs for the

county employees. This will be discussed at a later date and time.

They approved the annexation and de-annexation of land for the Gruver school district.

The court approved a pipeline crossing for Bill Logsdon. The pipeline is an irrigation line.

The board cast their votes for members of the Tax Appraisal Board (all 5), which was 189 votes.

Also, a salary for a new Sheriff's Dispatcher was set by the commissioners.

The commissioners approved the treasurers quarterly report, plus paid bills.

It's time to spray fruit trees

Fall is often the time when fruit tree care is forgotten or neglected, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

With the arrival of fall, there's often a tendency to forget our peach and plum trees that served us so well last summer, notes Jim Smith, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Smith says that applying a copper fungicide now can stop or reduce three of the six diseases that attack peach and plum trees in Texas. These are peach leaf curl, bacterial leaf spot and bacterial canker.

Puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were due to peach leaf curl fungus. The only time to effectively control this disease is in the fall with a copper-containing fungicide such as Kocide 101.

Timing of the fall spray is critical for effective control and for avoiding tree damage, Smith explains. Copper is a metal and may cause severe defoliation unless applied correctly.

He advises spraying when 70 percent of the leaves fall off the tree. Spraying too early will cause leaf shed or cause the spray to be ineffective later.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide, Smith notes. But again it's important to spray at the right time to prevent foliage burn.

Bacterial leaf spot affects both fruit and foliage. The infection causes fruit to crack and leaves develop angular spots which drop out. Bacterial canker will kill trees slowly. Infected trees will have gum or wax forming on the trunk and main limbs.

Fall spray in northern Texas is most often applied from late October to Nov. 15. Application time will vary with the season, so check your fruit trees closely.

Fall spraying is important to the health and production of fruit trees, Smith says, because there's no other time when 50 percent of peach and plum tree diseases can be controlled with one spray.

Ends Joe Wolson of River Road and Allen Ellison of Canadian; linebackers Monty Wheeler of Canadian, Kerry Mills of Boys Ranch, and Jim Bob Green of Dalhart;

Defensive backs Rodney Stoval of River Road, Dodd Nolan of Dalhart; Bret Oliphant of Boys Ranch and Monty Langford of Perryton.

Honorable mention defense, besides Spearman, includes Mike Miller, Roger Bocox, Brad Stepp, Wayne Buxton, Don Rice, and David Shipman of Perryton; James Folkerts, Jeff Hutton and Kurtis Aba of Dalhart;

Jim Hoobleer, Kevin Hunt, and Rodney Boyd of Canadian; Bill Bassett and Jody Stoddard of River Road; and Tyrone Booth, Jorge Trevino, Kerry Mills, Rod Duffy and Benji Adams of Boys Ranch.

50th annual meet

HOUSTON--The state's largest farm organization, Texas Farm Bureau, will hold its 50th annual meeting here Nov. 27-30, at which time over 1,200 voting delegates will decide policies for 1984.

Theme of the convention at the Shamrock Hilton Hotel will be "Celebrating a Golden Harvest."

Voting delegates from 216 organized counties will adopt state policies for the coming year. Approved resolutions on national issues will be forwarded to the 65th annual meeting of the American Farm Bureau Federation which meets Jan. 8-12, in Orlando, Fla.

Dr. Richard L. Leshar, president, of the U.S. Chamber of Commerce, will be the keynote speaker. He will address the organization during the Nov. 28 general session.

TFB President S.M. True, Jr. of Plainview will deliver his annual address at the same session. TFB Secretary-Treasurer George O. White of Harwood will precede with his annual report.

TFB Executive Director Warren Newberry will begin the business session on Nov. 29 with his annual administrative report. The convention business will conclude on Nov. 30 with the election of TFB board members and the TFB president.

A young farmer and rancher breakfast will be held at 6:30 a.m. on Nov. 28 Jack Jackson of Hurst, with the Leadership Development Institute, will be the guest speaker.

There will be five conferences conducted from 1 p.m. to 2:30 p.m. on Nov. 28. These include field crops, livestock, natural resources and education, taxes and transportation and farm labor.

They will be followed at 2:45

**Changing
times**

**AMARILLO--"Changing
Times in Agriculture"** is the
theme of the Eighth Annual
Golden Spread Agribusiness
Seminar and Trade Show
scheduled for Nov. 18 at the
Villa Inn.

The day-long program be-
ginning at 8:30 a.m. with
registration will focus on the
areas of utilities and energies,
commodity forecasts, estate
and tax planning and the
necessity for new innovative
crops, namely grape produc-
tion in the '80's.

The chamber's agribusiness
committee has sponsored this
seminar annually and in 1982,
a trade show was added to the
program. Traditionally, the
seminar was designed to equip
food and fiber producers in the
area with current information
about important issues in the
field of agriculture. This year's
program is no exception.

Representatives from four
local and area utility and
energy companies will provide
a panel discussion giving partici-
pants an opportunity to
question the recent and future
trends in these areas.

Gary Stevens, Director of
Area Relations for Southwes-
tern Bell; Harry Neel, Vice
President for Energas; Gary
Gibson, Director for Southwes-
tern Public Service and James
Hull, Manager of Deaf Smith
Cooperative in Hereford will
make up this panel.

Current situations and three
month predictions in the areas
of grain, fiber and meat mar-
kets will be presented during a
panel discussion by three Ex-
tension Economists from
Texas A&M University
System.

Dr. Ronald Knutson, Ex-
tension Economist in Marketing
and Policy will discuss agricul-
ture policies in general. Ernest
Davis, Extension Economist in
Livestock Marketing will ad-
dress meat commodities, with
emphasis on beef and pork.

Deputy Evans 'cuffs together a pair of the suspects, while other Cub Scouts crowd around, clamoring to be handcuffed, too.

Deputy Hawkins tells the young Cub Scouts assembled in the Babitzke back yard the 'raid' was all in fun, but did show how the Sheriff's Department makes arrests...

..then the Deputies loaded the 'suspects' into a patrol car to transport them to the county jail, for a tour of the jail.

After young scouts toured the jail, those who wanted it were fingerprinted. Here Deputy Evans assists a youngster in making a fingerprint.

Sheriff's 'raid' surprises Cub Scouts at meet

The Sheriff's Department car pulled into the driveway, and Chief Deputy Jeff Hawkins and Deputy Gary Evans jumped out. They walked quickly up the residence's driveway, through the garage and out a door opening into the back yard where a party was in progress.

for the Cub Scout meeting at the Buford Babitzke residence here was a complete surprise to the young Cub Scouters, but it had been planned by their Den Leaders in cooperation with the Sheriff's Department.

adults gathered in the Babitzke back yard that the raid was "just for fun" and to also illustrate the procedures the Sheriff's Department

goes through in making an arrest. At the Sheriff's Department, the youngsters saw some of the weapons and drug paraphenalia taken off of

and the women's and juveniles cells, they also saw the "drunk tank" with (See SHERIFF'S, page 5)

The noise of the party dropped to shocked silence as Deputy Hawkins announced he had warrants and for the arrest of several people, charged with disturbing the peace.

The "raid" and "arrests" were designed to show the youngsters some of the procedures law officers go through in making an arrest, and preceded a tour of the Sheriff's office and Hansford County Jail by all the Cub Scouts of Dens 1, 2, and 3, their leaders, some of the other mothers of the Cub Scouters and a few of the boys' sisters.

The chief deputy then read off the names of the "suspects", ordered them to come forward, put their hands on the wall and brace with their legs spread. Then Hawkins read the "suspects" their rights, while Evans frisked them.

Before "transporting" the "arrested" Cub Scouts to jail in the patrol car for "booking" and "fingerprinting," Hawkins explained to the Scouts that the "raid" was not a real one, and that the "suspects" would not really be jailed. He told the Dens and

Check The "R" Values On Insulation

Before you start to put insulation in your home, be sure to check the "R" value listed on the insulation packaging. The "R" value listed stands for the ability of the insulation to resist summer heat gain and winter heat loss. "R" values are an excellent means of making the best buy on home insulation. Regardless of the thickness, if two types of insulation have the same "R" value they will both do the job equally well. For more information on insulation and the recommended "R" value for your area, call our office today.

Obituary

Samuel Nitschke

A longtime Spearman resident, Samuel Nitschke, 85, died Saturday at Shattuck, Okla.

Services were held at 2:30 p.m. Tuesday, Nov. 15 at the Faith Lutheran Church with the Rev. Bill Schardin, pastor, officiating. Burial will be in Ochiltree Cemetery by Boxwell Brothers Funeral Home of Spearman.

Mr. Nitschke was born in Ashely, N.D., and moved to the Blodgett community near Spearman in 1924.

In 1947 he moved to Winfield, Kan., where he lived until 1967, when he returned to Spearman.

He married Martha Kelln in 1924 at Perryton. He was a retired farmer and a member of the Faith Lutheran Church.

Survivors include his wife; a daughter, Mamie Kauffeld of Tucson, Ariz.; two sons, L.E. Nitschke of Cambridge, Kan., and Robert Nitschke of Spearman; two sisters, Lydia Daume and Margaret Covington, both of Wichita Falls; 11 grandchildren and nine great-grandchildren.

The family requests memorials be to Faith Lutheran Church of Spearman.

Lou Blankenship

Services were held at 2 p.m. Monday Nov. 14 at the Gruver Church of Christ for Lou Vesta Blankenship, 75, of Amarillo, who died Saturday.

Burial was in Leib Cemetery, directed by Boxwell Brothers Funeral directors.

She was a longtime school teacher in Gruver Schools and was a member of the Gruver Church of Christ.

She was born in Baylor County and moved to Amarillo seven years ago from Gruver. She was a member of the Retired Teachers' Association and the Classroom Teachers' Association.

Survivors include her husband, A.L. Blankenship; four sons, Pat of Adrian, Sonny of Morse, Eschol of Spearman and John of Amarillo; two daughters, Mrs. Martha Davis and Mrs. Beth Dortch, both of Morse; a brother, Eschol Houge of Soudown; a sister, Mrs. Florence Chilton of Grandview; 12 grandchildren; and six great-grandchildren.

The family requests memorials to St. Jude Children's Hospital in Memphis, Tenn., or to favorite charities.

Otha Leroy Archer

Otha Leroy Archer, 73, of 2424 N.W. 10th, died Monday in Spearman.

Services will be at 3 p.m. Wednesday at Boxwell Brothers Ivy Chapel. Burial will be in Llano Cemetery.

Mr. Archer was born in Pond Creek, Okla. He married Marion Mixon in 1939 at Fort Worth. She died this year. He moved to Amarillo in 1955 and was a retired salesman.

Survivors include five sons, Jim of Spearman, Mike, Larry, and Chet, all of Dallas, and Roy of Seattle, Wash.; a brother, A.V. of Enid, Okla.; and a sister, Mae Wingard of Duncan, Okla.

Bob Hunnicutt

Bob Hunnicutt was born in Achille, Oklahoma. At the age of six he moved to Spearman, Texas for two years, then to Channing, Texas where he resides today. Bob began working on area ranches at a very early age, and developed a strong love and admiration for the great outdoors and the working cowboy. His memories of rodeoing seven years, bunkhouse tales and actual experiences on area ranches have enabled him to reproduce in bronze what is actually happening on our ranches and in our rodeo arenas today.

Bob has a studio on the banks of the Canadian River near Boys Ranch where he does his research and waxes, which he then casts at his Bronze Art Foundry in Channing.

Trustees 'wade through'

Spearman ISD school board trustees tied into a long regular session, most of it spent "wading through" proposed changes in school board policies, most of which are necessary to bring present policy into line with new state and federal government mandates.

The board also cast the ISD's votes for five candidates to the Hansford County Tax Appraisal District-voting with the other taxing entities in the county for Lynn Hart, Roy Bulls, Gene Fletcher, Thane McCloy and Jimmy Shieldknight. They approved minutes of the

previous meeting and agreed to pay the school district's bills.

Superintendent James Cunningham presented reports from Texas Department of Health on a recent inspection of school district buildings, on school calendars for November, elementary newsletter, on the cafeteria during October, new library books for the high school library, the junior high librarian's report for September and October, the library news letter from Vickie May and the board breakfast set for Nov. 22 at 6:30 a.m., and the enrollment chart.

Cunningham said in the enrollment report that Spearman dropped into Class 2A for next year, with an enrollment figure of 263. He said the maximum attendance allowed for a 2A school is 274, and Sanford-Fritch is squarely on that figure, one more student and S-F would have gone up to 3A. The bottom figure for 2A attendance is 135, he said.

The board also considered a number of letters reported on by Cunningham and business manager Orville Latham.

DRUGS

THE CHEMICAL PEOPLE

What Does It Take To Fight

School-Age Drug and Alcohol

Abuse? YOU!

Betty Womble

The first of two "Town Hall" panel discussions on drug and alcohol problems will be held in Spearman Thursday, November 17, after viewing a special videotape of THE CHEMICAL PEOPLE, at the High School Auditorium.

A cooperative effort of the Spearman Lions Club, Morse Lions Club, Spearman Ministerial Alliance, Pringle-Morse P.T.A., the County Judge's Office, and Spearman Independent School District, the session will help the community understand the use and abuse of drugs.

Rich Melton, chairman of the Hansford County task force to organize the town meeting discus-

sion, points out that the telecast has aired on Amarillo's Channel 7 on November 3, but too many local conflicts prevented our community to schedule meetings for that date. "November 17 will work much better," Melton says.

Videotape players and screens will be in the High School Auditorium for viewing the film. Afterwards, there will be a panel discussion led by Betty Womble of Morse. Panel members will include Sheriff R.L. McFarlin, Chief of Police D.J. Alberts, Dr. David McClellan, Rev. Bill Schardin of Faith Lutheran Church, Eddy Clemmons, Principal of SHS, students

Kim Nelson, Cinda Novak, and concerned parent Loretta Cook.

The second of the two-part nationwide and community-wide program will be the following evening, November 18, and is designed to motivate organization of groups to deal with drug and alcohol problems in their own communities, notes Melton.

Again, tape players and screens will be provided in the school auditorium for viewing the program on November 18.

Melton encourages parents, teachers, and students, especially teenagers, to participate in the two special programs.

"We want to involve as many as we can. Admission is free, and we hope to fill the auditorium," declares Melton.

Local Schedule:
November 17--Spearman High School Auditorium

8:45 p.m. View THE CHEMICAL PEOPLE, Part I, hosted by Nancy Reagan.

8:00 p.m. Panel Discussion with local experts on the local drug scene.

November 18--Spearman High School Auditorium

8:00 p.m. Formation of Task Force.

American Cancer Society

To emphasize another kind of beauty--the beauty of good health--the American Cancer Society (ACS) announced today that Texas businesswoman Mary Kay Ash of Dallas will serve as honorary chairman of the 1983 Great American Smokeout in Texas.

Known throughout the country for the cosmetics which bear her name, Ms. Ash accepted the position because of the event's positive, good-natured theme.

The Smokeout is sponsored by the ACS nationwide to encourage smokers to give up their cigarettes for just one day--November 17--if only to prove to themselves they can.

"I can think of few things that would be more beautiful than for a smoker to give up cigarettes...or for a friend to help someone give them up--whether it's for one day or a lifetime," said Ms. Ash. "Texas has volunteers all over the state promoting this as a day for the smoker and I like that."

A survey conducted by the Gallup organization last year (the Smokeout is now in its

seventh year) indicated more than 19 million Americans tried to quit for the day. Almost five million made it the whole day and 2.3 million were still not smoking one to 11 days later.

According to Texas ACS volunteers planning the Smokeout, Ms. Ash's involvement is particularly timely.

"She is certainly one of the best-known, most admired women in this state and frankly, women smokers are a target audience for us," said Penny Reeves of Austin, who is the volunteer spearheading the campaign in Texas.

The ACS predicts that by the end of the decade lung cancer will surpass breast cancer as the number one cancer killer among women. If a woman smokes, her chances of developing lung cancer are five times greater than that of a nonsmoking woman.

"With Mary Kay Ash as our honorary chairman, we hope to draw attention to the unfortunate truth that lung cancer is not just a male disease," said Reeves.

Another feature of this year's Smokeout is an "Adopt-A-Smoker" theme whereby nonsmokers adopt their smoker friend and family members for the day offering them support and encouragement. To help promote this concept,

which originated in the Society's Maryland Division, "adoption" papers are available.

Most Texas communities are participating in the event in various ways--from rallies, parades and school assemblies to balloon lift-offs and kissing booths. Support programs for smokers termed "FreshStart" and led by volunteer ex-smokers, are also being sponsored by the ACS in communities statewide.

All Texas smokers are encouraged to join in the fun. They may contact their local ACS volunteers or office for tips on quitting, support materials or information on locally planned Smokeout events.

"Pick a Phone, Any Phone?"

Just because a phone will plug into your wall jack, it doesn't mean that it will work.

Why?
Well, for instance, let's look at a phone that will be used on a party-line. Since customers share a common line to the telephone company switching office, each phone has it's own special ringing-cycle setting which allows the phone to know when it should ring on the party-line.

Even if you have a 'Private Line', you still may have problems.
Single-line customers may also have special dialing or ringing requirements that are not apparent. So, they purchase a new phone and sadly discover that it won't work. This is especially true for customers who may be considering a cordless telephone or even a universal dialing telephone, a clock radio that offers telephone access capability or any other special telephone service.

Trading in your dial phone could be asking for trouble.
The joy of owning your very own 'Touch Tone' phone could turn into tragedy if your phone line is designated for a dial or pulse phone. A pushbutton 'pulse' phone will work on most lines, since it also duplicates the signal of a regular dial phone. However, a 'Touch Tone' phone emits a 'beeping' tone that requires special equipment to recognize the signal. Some dial phones, even if you have Touch Call Service, are not compatible under certain circumstances.

So, if you decide to buy a new telephone, take the time to stop by your neighborhood GTE Phone Mart and see if your particular line has any special limitations. It could possibly save you a lot of frustration and money.

Baptists hold annual convention

AMARILLO—Texas Baptists in their annual Convention here pledged to work and pray for spiritual awakening in Texas and adopted resolutions on issues ranging from nuclear disarmament to enforced child support payments.

More than 2,500 "messengers" from many of the state's 4,700 Southern Baptist churches and missions also received a report from their Christian Life Commission dealing with sexual discrimination, hunger, Texas children in need and television morality.

Messengers underscored their missions concern by adopting a \$53.7 million Cooperative Program budget, plus a \$2 million challenge phase.

The new missions budget, which is a \$5 million increase over last year's, allocates \$19 million for worldwide causes including support for 6,000 missionaries in 100 nations. More than \$34 million is budgeted for Texas mission causes including more than 20 child care homes, hospitals, colleges and universities plus helping to start new churches

and missions. Messengers also elected the pastor of one of the state's most mission-minded churches as their president. Dr. W. Winfred Moore, pastor of First Baptist Church, Amarillo, was elected president by acclamation, an action that veteran observers said was almost unprecedented.

Moore's church has ranked first or second in the Southern Baptist Convention in Cooperative Program gifts for many years. He succeeds D.L. Lowrie, pastor of the First Baptist Church, Lubbock.

Charles McIlveene, pastor of First Baptist Church, Lufkin, was elected first vice-president, and Joel Gregory, assistant professor of preaching at Southwestern Baptist Theological Seminary, Ft. Worth, second vice-president.

Lowrie in his outgoing presidential address warned that if Texas Baptists don't start doing more to support their institutions, they face danger of losing them to the secular world.

Lowrie chided Texas Baptists for being too quick to

criticize leaders of their institutions and for being much too slow to offer needed help. Speakers at the Convention focused on spiritual awakening and the need to minister to the growing ethnic groups in Texas.

In the annual Convention sermon, Paul Powell, pastor of Green Acres Baptist Church, Tyler, said churches are guilty of taking the gospel only to the American middle-class Anglo-Saxons.

He noted that by 1988 the United States is projected to have 62 million people belonging to ethnic groups.

The 2.3-million-member denomination's executive director, William M. Pinson, Jr., told the messengers that Texas is a mission field and said hundreds of new churches are needed.

"The number of (spiritually) lost persons in Texas is greater than the total population of 42 of the other states," he said.

Speakers called for spiritual awakening and a resolution was adopted urging all church members to join in prayer for

spiritual awakening and to greatly increase their rate of establishing new churches.

Messengers also adopted a resolution on the exclusion of divine creation from textbooks. It stated opposition to "secular humanistic views as the only view of origin taught in the public schools."

Other resolutions urged Christians—to work to curb the influx of pornographic television programs and to refuse to patronize TV systems which promote such programming; --To support efforts to raise the legal drinking age to 21, ban open containers of alcoholic beverages in motor vehicles and join the nationwide effort against beer and wine commercials on TV and radio; --To see a "mutually verifiable nuclear disarmament that would in no way jeopardize our own national security;"

--To pray for families who have lost loved ones in conflicts in Beirut and Grenada;

--To support Proposition 6 which calls for a constitutional amendment allowing courts to order a payroll deduction from the income of parents who would not otherwise pay child support.

The Convention's Christian Life Commission cited inequities in Social Security benefits and salaries of men and women sharing similar positions.

"Women have the same responsibility as men to respond to the call of God," said the Christian Life report. "Churches need to utilize fully the enormous abilities and gifts of ministry that women bring to the body of Christ."

It also called for Christians to increase help to the more

than 450 million starving people of the world and called for Governor White to include child-related needs such as day care and Aid to Families and Dependent Children in a possible special session of the Legislature.

Thanksgiving dinner

The Union Church's Annual Thanksgiving Dinner is all set for November 17th. People really enjoy and look forward to this every year because they now how good it is.

This year's menu will include: Turkey, Dressing, Gravy, Creamed Potatoes, Sweet Potatoes, Green Beans, Waldorf Salad, Jello Salads, Rolls, Apple, Pumpkin & Pecan Pies, Cranberry Sauce, Tea & Coffee.

All of that for \$5.00 and you even get to fill your own plate. (Children under 6 are free.)

This is a tradition The Union Church has had for more than 30 years. The proceeds of this dinner go to support various Missionary Projects and Missionaries. One such project is the adoption of a Missionary Family for one year. They send them money on each family member's Birthday, their Anniversary and for the entire family at Christmas.

They will begin serving at 11:30 and will stop at 1:30. (Take outs must be called in and picked up by 11:30.) They're baking 17 Turkeys this year and have increased all the amounts of food they fix, so there should be plenty for everyone. (If not, your money will be cheerfully refunded.)

Make it a point to be at the Union Church for lunch Thursday, November 17th. Let the annual Thanksgiving Dinner become a tradition for you too!

Mr. and Mrs. Oscar Rojas, Jr. request the honor of your presence at the Mass of Thanksgiving offered by Rev. Raymond Crosier to celebrate the fifteenth birthday of their daughter Denise Rojas on Saturday, the twenty-sixth of November nineteen hundred and eighty-three at nine-thirty o'clock in the morning in the Sacred Heart Catholic Church Spearman, Texas

'Old Fashion Day'

On Nov. 20th everyone attending services at First Assembly of God, will be dressing in the fashion of some by-gone era of their choosing. There will be a fashion contest according to ages. A pot-luck lunch will be enjoyed by all. There will be the awarding of the Class of the Quarter, with the winning Class being given the privilege of throwing water balloons at Pastor Nuckels.

This Old Fashion Day will begin at 9:45 a.m. with Sunday School. At 10:45 the morning service will begin, lunch will be at approximately 12:30 p.m. and then an afternoon service at 2:00 p.m. Both of these services will feature the Isbell Singers.

In today's world when so many families are falling apart and many young people are turning away from the church, it is refreshing to see those who are not going along with the trend. Such is the case with the Isbell Singers, a group of Pentecostal Holiness young people. The Isbell Singers have been singing as a group for ten years. God is blessing and expanding their ministry. The Isbell's have attended The Blackwood Brothers National School of Christian Music, and in 1981 were one of ten groups chosen to sing the closing concert of the school.

Pastor Nuckels and the congregation of First Assembly of God extend an invitation for everyone to attend one of these services.

Sacred Heart Meets

The Sacred Heart Altar Society held its monthly meeting Nov. 3 at 7 p.m. in the Parish Hall.

Karen Harruff, home extension agent, began the night with a talk on turkey.

Afterwards, President Marie Pacheco called the meeting to order.

After prayer, Rosemary Brown gave a report on the Mexican Dinner.

Joan Farr gave a report on the NCCW which she and Bob attended in Denver, Colo.

The Confirmation Reception was discussed along with the Thanksgiving Mass on Thursday, Nov. 24 at 10 a.m. At Mass, the church will collect canned goods for the Panhandle Orphanage.

Next, we discussed the Christmas Party which will be Dec. 1, our next meeting.

The meeting closed with Prayer.

Arts & Crafts Guild meets

Rho Rho Meets

The Rho Rho Chapter of Beta Sigma Phi met on Thursday, Nov. 10 in the home of Ginger McClellan.

Winn Crenshaw, the YMCA Director presented an informative film on nutrition. The film presented ideas as to how one can eat nutritional meals in our "Fast food Society." It was also emphasized that each person must maintain a regular daily exercise program in order to "keep fit." Following a discussion of the film President Sheila Watley conducted the regular Rho Rho business.

Dear Editor

Dear Billy,

On behalf of the Spearman Ministerial Alliance I would like to express our appreciation to you for the addition of the Spearman Church Directory to The Hansford Plainsman.

This page, listing the churches, pastors and additional information, will be very helpful not only to the ministers of these churches but also to the readers in locating a church of their choice. New comers to our area will be able to see the many fine churches available to them and hopefully will encourage their participation. Special events will be given special attention from the listing thus giving all of us opportunities to worship and fellowship together.

The addition of this Church Directory shows your concern and the concern of those who are sponsoring it for our community and the surrounding area.

Again, thank you for this addition, and may God bless you in all you do to bring Him to glory.

Sincerely yours,
Martin P. Foster, Secretary Ministerial Alliance

Baptists hold annual convention

AMARILLO—Texas Baptists in their annual Convention here pledged to work and pray for spiritual awakening in Texas and adopted resolutions on issues ranging from nuclear disarmament to enforced child support payments.

More than 2,500 "messengers" from many of the state's 4,700 Southern Baptist churches and missions also received a report from their Christian Life Commission dealing with sexual discrimination, hunger, Texas children in need and television morality.

Messengers underscored their missions concern by adopting a \$53.7 million Cooperative Program budget, plus a \$2 million challenge phase.

The new missions budget, which is a \$5 million increase over last year's, allocates \$19 million for worldwide causes including support for 6,000 missionaries in 100 nations. More than \$34 million is budgeted for Texas mission causes including more than 20 child care homes, hospitals, colleges and universities plus helping to start new churches

and missions. Messengers also elected the pastor of one of the state's most mission-minded churches as their president. Dr. W. Winfred Moore, pastor of First Baptist Church, Amarillo, was elected president by acclamation, an action that veteran observers said was almost unprecedented.

Moore's church has ranked first or second in the Southern Baptist Convention in Cooperative Program gifts for many years. He succeeds D.L. Lowrie, pastor of the First Baptist Church, Lubbock.

Charles McIvane, pastor of First Baptist Church, Lufkin, was elected first vice-president, and Joel Gregory, assistant professor of preaching at Southwestern Baptist Theological Seminary, Ft. Worth, second vice-president.

Lowrie in his outgoing presidential address warned that if Texas Baptists don't start doing more to support their institutions, they face danger of losing them to the secular world.

Lowrie chided Texas Baptists for being too quick to

criticize leaders of their institutions and for being much too slow to offer needed help.

Speakers at the Convention focused on spiritual awakening and the need to minister to the growing ethnic groups in Texas.

In the annual Convention sermon, Paul Powell, pastor of Green Acres Baptist Church, Tyler, said churches are guilty of taking the gospel only to the American middle-class Anglo-Saxons.

He noted that by 1988 the United States is projected to have 62 million people belonging to ethnic groups.

The 2.3-million-member denomination's executive director, William M. Pinson, Jr., told the messengers that Texas is a mission field and said hundreds of new churches are needed.

"The number of (spiritually) lost persons in Texas is greater than the total population of 42 of the other states," he said.

Speakers called for spiritual awakening and a resolution was adopted urging all church members to join in prayer for

spiritual awakening and to greatly increase their rate of establishing new churches.

Messengers also adopted a resolution on the exclusion of divine creation from textbooks. It stated opposition to "secular humanistic views as the only view of origin taught in the public schools."

Other resolutions urged Christians—to work to curb the influx of pornographic television programs and to refuse to patronize TV systems which promote such programming;

—To support efforts to raise the legal drinking age to 21, ban open containers of alcoholic beverages in motor vehicles and join the nationwide effort against beer and wine commercials on TV and radio;

—To pray for families who have lost loved ones in conflicts in Beirut and Grenada;

—To support Proposition 6 which calls for a constitutional amendment allowing courts to order a payroll deduction from the income of parents who would not otherwise pay child support.

The Convention's Christian Life Commission cited inequities in Social Security benefits and salaries of men and women sharing similar positions.

"Women have the same responsibility as men to respond to the call of God," said the Christian Life report. "Churches need to utilize fully the enormous abilities and gifts of ministry that women bring to the church."

It also called for Christians to increase help to the more

than 450 million starving people of the world and called for Governor White to include child-related needs such as day care and Aid to Families and Dependent Children in a possible special session of the Legislature.

Thanksgiving dinner

The Union Church's Annual Thanksgiving Dinner is all set for November 17th. People really enjoy and look forward to this every year because they now how good it is.

This year's menu will include: Turkey, Dressing, Gravy, Creamed Potatoes, Sweet Potatoes, Green Beans, Waldorf Salad, Jello Salads, Rolls, Apple, Pumpkin & Pecan Pies, Cranberry Sauce, Tea & Coffee.

All of that for \$5.00 and you even get to fill your own plate. (Children under 6 are free.)

This is a tradition The Union Church has had for more than 30 years. The proceeds of this dinner go to support various Missionary Projects and Missionaries. One such project is the adoption of a Missionary Family for one year. They send them money on each family member's Birthday, their Anniversary and for the entire family at Christmas.

They will begin serving at 11:30 and will stop at 1:30. (Take outs must be called in and picked up by 11:30.) They're baking 17 Turkeys this year and have increased all the amounts of food they fix, so there should be plenty for everyone. (If not, your money will be cheerfully refunded.)

Make it a point to be at the Union Church for lunch Thursday, November 17th. Let the annual Thanksgiving Dinner become a tradition for you too!

You are cordially invited to a wedding shower honoring Calvin and Darla Pearson Friday, Nov. 18, 7 to 9 p.m. First Assembly of God Church Fellowship Hall 403 N. Bernice

Buzzard brings \$950.00...

Spearman Turkey

Walk raises \$2995.90

The Hansford County Heart Association met Monday, Nov. 14 at 7:00 p.m. in La Casita Room of the Gruver State Bank with president Lloyd Buzzard presiding.

Reports on the turkey walk were given by Teresa Barkley of Gruver and Pat Dear of Spearman.

Gruver had 20 walkers who raised a total of \$1,611.50. Mildred Hindergardt was the high money raiser with \$450. Walking furthest with 6 miles each were Debbie Odom, Sharon Barkley and Marty Rasor.

Spearman had 28 walkers and Bradley (a dog owned by Dana and Winn Crenshaw) with contributions totaling \$2,995.90. Champion was Lloyd Buzzard with \$950. Longest run was 9 miles by Ginger McClellan.

Tired Turkey Parties on Sunday, Nov. 13 at 3:00 p.m. were well attended in both towns.

A big thank you from the American Heart Association goes out to everyone who walked or gave donations to make this Turkey Walk a big success.

Plans for "Jump Rope for Heart" program in the Elementary Schools were discussed. This should take place in March.

The next meeting of the Hansford Heart Association will be Jan. 9 at 7:30 p.m. at the B&B Friendship Room, Spearman. This will be an educational program given by a cardiologist and a cardiovascular technician. The public is invited and urged to attend.

Present were Bettye Musick, Area I Director; Lloyd and Dorothy Buzzard; Pat Dear; Dana Crenshaw; Kenneth and Janet Irwin; Glen Harris; Doug Steger; Patty Sheppard; Mildred Hindergardt; and guests, S.B. and Donna Sheets.

Senior Bridge Club meets

The Senior Bridge Club met Nov. 11 at the Golden Spread Center with Viola Graves as hostess.

After a session of bridge, delicious refreshments were served to members Ora Sanders, Mathilde Entekin,

Juanita Tucker, Addie Novak, Emma Seitz, Viola Graves, two guests, Beula Jones and Jo Larson.

Viola Graves had high score and Emma Seitz had second high.

Sacred Heart Meets

The Sacred Heart Altar Society held its monthly meeting Nov. 3 at 7 p.m. in the Parish Hall.

Karen Harruff, home extension agent, began the night with a talk on turkey.

Afterwards, President Marie Pacheco called the meeting to order. After prayer, Rosemary Brown gave a Treasurer's Report.

Marie Vela gave a report on the Mexican Dinner.

Joan Farr gave a report on the NCCW which she and Bob attended in Denver, Colo.

The Confirmation Reception was discussed along with the Thanksgiving Mass on Thursday, Nov. 24 at 10 a.m. At Mass, the church will collect canned goods for the Panhandle Orphanage.

Next, we discussed the Christmas Party which will be Dec. 1, our next meeting.

The meeting closed with Prayer.

'Old Fashion Day'

On Nov. 20th everyone attending services at First Assembly of God, will be dressing in the fashion of some by-gone era of their choosing. There will be a fashion contest according to ages. A pot-luck lunch will be enjoyed by all. There will be the awarding of the Class of the Quarter, with the winning Class being given the privilege of throwing water balloons at Pastor Nuckels.

This Old Fashion Day will begin at 9:45 a.m. with Sunday School. At 10:45 the morning service will begin, lunch will be at approximately 12:30 p.m. and then an afternoon service at 2:00 p.m. Both of these services will feature the Isbell Singers.

In today's world when so

many families are falling apart and many young people are turning away from the church, it is refreshing to see those who are not going along with the trend. Such is the case with the Isbell Singers, a group of Pentecostal Holiness young people. The Isbell Singers have been singing as a group for ten years. God is blessing and expanding their ministry. The Isbell's have attended The Blackwood Brothers National School of Christian Music, and in 1981 were one of ten groups chosen to sing the closing concert of the school.

Pastor Nuckels and the congregation of First Assembly of God extend an invitation for everyone to attend one of these services.

1984 Mothers March

Hansford Hospital board meets

New 20 cent "Love" stamp goes on sale next year.

Co-Chairman Carla Riggins is shown here holding the March of Dimes Golden Spread Chapter poster child at a recent meeting in Amarillo. Co-Chair-

man Carol Hergert was unable to attend. Also shown is Gina Davis, co-chairman.

"Preparations for the 1984 MOTHERS MARCH on birth defects are well underway," according to Carla Riggins, the 1984 MOTHERS MARCH chairman for Spearman.

Believe it or not the MOTHERS MARCH was actually started by two fathers in Arizona almost 30 years ago. Tuesday, Oct. 18, Carla Riggins and Gina Davis attended a planning and educational meeting in Amarillo.

Dr. Mubariz Naqui, Neonatologist and Associate Professor with Texas Tech Medical School and Clinical Director of the Newborn Intensive Care Unit of Northwest Texas Hospital, introduced several pan-handle volunteers to the concept of HIGH RISK NEWBORNS. He stressed the fact that many times hospitalization might have been avoided if the mother would have been knowledgeable about some of the factors which might cause

e.g. prematurity, a baby born too small too soon. He pointed out that birth defects represent the nation's number one child health problem and in 1984 will strike one out of every 12 newborn infants with some form of mental or bodily damage.

The MOTHERS MARCH on birth defects has been one of the FOUNDATIONS major fund raisers. It refers to the door to door residential solicitation. However, the March of

Dimes Foundation sees its strength also in the educational campaign which goes on at the same time. Because of the person to person contact, many more people can be reached and informed on which birth defects can be prevented.

If you would like to help by marching your block, contact Carla Riggins, 659-3819; Carol Hergert, 659-3317; or Gina Davis, 659-2117.

The Regular meeting of the Board of Directors of Hansford County Hospital District was held on Oct. 18, 1983 at 7:30 p.m. in the Hospital Board Room.

Present were R.M. Crawford, President; Jack Oakes, Vice President; Alton Ellsworth, Sec. Treas.; John Trindle and Waymon Edwards.

Members of the Administration who were present were Albert LaRochelle, Hospital Administrator; Ray Wasil, Manor Administrator; Dan Powers, Y.D.P., and Randy Abernathy, Y.D.P.

David McClellan, M.D.; Chief of Staff was also present. Leslie Barkley was absent.

The meeting was called to order by R.M. Crawford.

The minutes of the last Regular monthly meeting were read and approved in a motion made by Waymon Edwards and seconded by Jack Oakes.

The monthly financial statement was presented for the Board's consideration. Alton Ellsworth moved to approve the bills for payment. Jack Oakes seconded and the motion was passed by all present.

Next in accordance with Art. 6252-17, Section 2 (C) Texas Revised Civil Statutes, the Board met in executive session to discuss hospital matters. In the prescribed manner the meeting was again open to the public.

Dr. David McClellan next presented to the Board the Medical Staff recommendations on a medical staff application. Waymon Edwards made a motion that the board uphold and concur as to the Medical Staff's recommendation on this Medical Staff application. Seconded by Alton Ellsworth and approved by all board members present.

Next a discussion was held as to a change of date of the Regular Monthly Board Meeting. It was agreed that 7:00 a.m. on the 2nd Thursday of the month would be an agreeable time. This action to be formally taken at a special called Board Meeting. Called for the sole purpose of the date

change.

A proposal was submitted to change the emergency room rate from \$17.50 to \$25.00. It was submitted to the Board that the present rate of \$17.50 had been in effect for 2 years. Alton Ellsworth made a motion that the emergency room rate be increased as submitted. Seconded by Jack Oakes and approved by all present.

A reviewed and revised Medical Staff Bylaws was presented to the Board for their consideration. Waymon Edwards made a motion that the Bylaws be accepted as presented. Seconded by John Trindle and approved by all present.

A System 502 Sodium/Potassium Analyzer was submitted to the Board for their consideration. Motion was made by Jack Oakes and seconded by Alton Ellsworth, that the Hospital Administrator be authorized to purchase this piece of equipment for \$2500 if said equipment is still available at the quoted price.

Waymon Edwards made a motion to pay the bills on the remodeling of the Takhar Clinic, seconded by Jack Oakes, passed by all present.
